Village, Town Officials to Be Elected Tuesday

SCHOOL SUPERINTENDENT, REFERENDUMS, JUDICIAL OFFICES TO BE VOTED ON

Although there seems to be little interest for the judicial and state school superintendent offices and on the referendum issues to be voted on in the spring election Tuesday, April 6, excitement is gaining because of the races for village and town offices in the area townships.

Polls in the village will be open in the municipal building from 9 a. m. until 6 p. m. Town of Kewaskum voters will cast their ballots at the Labor Center in the village.

Village President Wayland D. Tessar will be unopposed for reelection. Four candidates are seeking the three trustee offices to be elected. They are incumbents Alfred Kral and Cyril N. Wietor and Paul Blumer and Carl Freehauf. Francis N. Bohn will oppose incumbent Supervisor Elwyn M. Romaine.

Complete slates of candidates for town offices in the several townships, surrounding Kewaskum are as follows:

Town of Kewaskum—Chairman Ed. J. Campbell; 1st supervisor—Arnold Amerling; 2nd supervisor—William Becker; clerk—Alfred Seefeldt; treasurer—Forrest L. Brown and Edward Theusch; assessor—Harold Bath.

Town of Wayne—Chairman—John Oelhafen and William J. Coulter; supervisor—Elmer Boettcher; supervisor—Leo Zehren; clerk—Paul C. Moritz and Harold J. Schulz; treasurer—Raymond Kuddek; assessor—Arnold Hawig, Jr.; justice of peace—Bernard Strobel.

Town of Farmington—Chairman—Norbert Dettmann; supervisors—Charles P. Gehrke, Oscar Hauch, Willard Schwinn, Isadore Stahl; clerk—Gilbert Buechel, Elmer Plum; treasurer—Annabelle Sauer, Darlene Schoedel; assessor Fred Belger; constable—Irma Gehrke.

In addition to the local candidates, voters will cast ballots for a supreme court justice with Nathan S. Heffernan, the incumbent, facing Howard H. Boyle, Jr. Circuit Judge Milton L. Meister of the 24th judicial circuit serving Washington and Ozaukee counties, and County Judge Robert J. Stoltz of Branch 2 of county court are both candidates for reelection for six year terms. They are unopposed.

Another state-level office to be determined will be the state superintendent of schools with incumbent Angus B. Rothwell facing Arlyn F. Wollenburg for the position.

Two state level referendum issues on permitting state residents to participate in TV or radio or mercantile lotteries, and another to eliminate the offices of corner and surveyor in counties of

Schladweilers Buy West Park Tavern, Ballroom

In a business transaction which was officially completed on Thursday of this week by Bill Ruth, Kewaskum broker, Sylvester "Rusty" Schladweiler and wife Doris of St. Michaels purchased West Park tavern and ballroom at 11th and Washington sts. on Hwy. 33 in West Bend from Sylvester and Betty Jacak, who conducted the business about eight years. Included in the purchase was four acres of land. The new owners will take over the business on May 1.

West Park ballroom has been a popular place for dances, weddings, parties, picnics and gatherings for many years and all reservations already booked at the hall will be honored by the Schladweilers and given good, efficient service. West Park dates back almost a century in West Bend's history. One of the first inhabitants of the land was the West Bend Schuetzen Verein (shooting society) in 1867, almost 100 years ago.

As part of the transaction, Mr. and Mrs. Jacak purchased the Schladweilers' home, garage and auto body and welding shop in St. Michaels. The Jacaks in turn leased the garage and auto body shop to Willard Goeden of West Bend, who has already taken possession of the business.

AFS Student To Speak at PTA Meeting

BUY CONTROLLED READER FOR ELEMENTARY SCHOOL; ANNUAL AUCTION MAY 3

Marion Evans, American Field Service exchange student from Gisborne, New Zealand, will be the speaker at the April PTA meeting to be held at the Kewaskum Elementary school cafeteria at 8 p. m. on Monday, Apr. 5.

Miss Evans, who has made her home with the Marvin Martin family while in Kewaskum, will speak of New Zealand and also give impressions of her host community.

The PTA has recently purchased an E.D.L. controlled reader for use in the elementary school. Although the use of the reader is completely new to the elementary school, it is already being utilized by several of the teachers to increase reading speed and comprehension of the students.

Plans are being made for the annual PTA auction which will be held on May 3. The auction has been the chief fund-raising project of the PTA, and the fun of the evening nearly equals the good brought about by the money raised.

WOODMEN TO MEET

The Modern Woodmen of America, Camp 2233, will hold their regular monthly meeting on Tuesday evening, Apr. 6, at the Labor Center at 8 o'clock.

More than 500,000 population (Milwaukee) will also be placed before state voters.

Firemen to Attend Badger Meeting, Banquet Sunday

The annual spring meeting and banquet of the Badger Firemen's association, comprising some 20 fire departments, will be held at the beautiful new Belgium Community Center in Belgium this Sunday, Apr. 4.

Representing the Kewaskum fire department at the afternoon meeting will be Chief Armin Oppermann and Delegates Harold Ruplinger and Glen Rimmel. They will be joined by about 20 additional members of the local department for the evening banquet at 6 p. m. Twenty-two firemen had made reservations for the banquet at the time of the monthly meeting Thursday night. The spacious Belgium Community Center has bowling alleys, a dance floor, dining rooms, double bar, and other recreational facilities.

At Thursday night's meeting Firemen Bob Staehler and Harry Heinecke, who are attending a series of classes on first aid and life saving at West Bend along with a large number of other firemen of this area, gave demonstrations on some of the newest methods they have learned so far. They demonstrated to the rest of the firemen the three best and safest approved methods of carrying out and removing persons from buildings such as schools, hospitals, and especially elderly people from rest homes, also the proper, safe ways to tie knots and strap them to stretchers to lower them from upper story windows and roofs and lift them out of holes, ravines, wells, etc. They also reviewed the latest methods of how to carry persons down stairways and drag them through hallways. By utilizing the proper methods, firemen can carry the heaviest persons.

On Tuesday evening, April 13, the local firemen will be guests of the Campbellsport department. A movie will be shown on fire fighting in Milwaukee. All firemen are urged to attend.

Kewaskum will be host to the Badger Firemen's association summer tournament this year (July 10-11), and the committee in charge reported that nearly all ads for the booklet to be published for the event have been turned in. As soon as the other information is received printing will begin on the booklets. Firemen solicited ads for the booklet in teams in neighboring cities and villages the past few weeks. The committee in charge of the picnic part of the tournament also reported that plans were progressing 100%.

MRS. GRIFFIN WILL SPEAK AT WOMAN'S CLUB MEETING

The Kewaskum Woman's club will hold its monthly meeting on Saturday, Apr. 3, at the public library. Mrs. Norbert Griffin, West Bend, will be the speaker and chose "Literary Togetherness" as her topic.

The business meeting will be held at 2:30, followed by the program at 3 o'clock. Mrs. E. Landmann and Mrs. R. Reigle will be hostesses.

\$596 Collected Here in Heart Fund Campaign

Contributions from the 1965 Heart Fund campaign in Kewaskum have reached \$596.90, according to Dr. R. G. Edwards, who headed the annual Wisconsin Heart association campaign here.

"This figure represents collections from the Heart Sunday residential canvass plus business and rural solicitation which were conducted earlier in the month," Dr. Edwards said. "A breakdown of the results was: Heart Sunday, \$199.15, and business and rural solicitation, \$397.75."

Dr. Edwards said the money would be turned over to the county representative, Roy Esser, in Kewaskum.

Dr. Edwards expressed the gratitude of the Wisconsin Heart association to the community for its support of the Heart Fund and to the individuals who volunteered their time and energy in preparing for and conducting the annual campaign. These volunteers were as follows:

Wilmer Prost, chairman of the rural area; Arnold Amerling, William Bruhn and William Becker, who assisted Prost; John J. Tessar, chairman of the business area, and Mrs. John McElhatton, who was assisted by Betty Butz, Kathryn Hansen, Debbie Hron, Connie La Marche, Christine McElhatton, Marilyn Reindl, Mary Strobel, Renee Teeslink and Joan Zehren in the house campaign.

"This generous response to the Heart Fund appeal indicated that our residents recognize the importance of the Heart association's fight against the heart diseases and that they have confidence in the effectiveness of the association's program."

Tessar Has Highest Grade in AIB Class

M. W. Rosenheimer, president of the Bank of Kewaskum, has been informed by Steve Pavleje, president of the Milwaukee chapter of the American Institute of Banking, that Wayland D. Tessar's final grade in the AIB class was 97% to top all students. The Milwaukee Chapter will honor him and his fellow honor students at its annual banquet on May 8.

Local Chapter To Sponsor AFS Talent Night

AFS STUDENTS OF AREA TO PERFORM, SPEAK AT PROGRAM HERE APRIL 8

Miss Marion Evans

The Kewaskum AFS chapter is sponsoring a talent night on Thursday, April 8, at 8 p. m. in the Kewaskum Community High school gymnasium. This program, which is open to the public free of charge, will feature AFS students from abroad currently living in this area. Our own exchange student from New Zealand, Marion Evans, and our returnee from Spain, Mary Kroncke, will also appear.

Each student on this program is prepared to perform in some way typical of his or her country, or to speak about their country and its customs. All who attended these programs in previous years found them to be very enjoyable for the whole family. Children were especially fascinated by some of the colorful costumes.

This is just one of the benefits our community receives from having an exchange student, and you are urged to attend to see what the AFS program is all about.

YOUNG LADIES INVOLVED IN 2-CAR VILLAGE CRASH

Autos driven by Mildred H. Tischendorf, 21, of R. 3, Campbellsport, and Lorraine K. Steiner, 18, of 875 S. 7th ave., West Bend, were involved in a crash at 12:10 a. m. Saturday on North Fond du Lac ave. 70 feet south of Miller's warehouse building.

The Tischendorf car was traveling north and the Steiner vehicle was headed south when they collided. Miss Tischendorf crossed the center line, striking the Steiner auto. She stated to police that she had driven over the center line of the highway but did not know just how it happened. The left front fender of the Tischendorf vehicle and the left side of the Steiner car were damaged.

A poll was taken to see how many people watch TV in bars. The returns were staggering.

25 Years Ago

Mrs. Theresa Wahlen and son Harry of St. Kilian moved into the Miss Christina Fellenz home on Railroad st. Frank Keller, Jr., who operated the Rosenheimer farm near St. Michaels, which has been sold, rented the Ziegler home on Prospect ave., formerly occupied by the Roman Smith family. Mr. and Mrs. Keller and family have moved into their new home.

The Rev. John C. Voeks, son-in-law of Mr. and Mrs. John Klessig of Kewaskum, was installed as pastor at St. Paul's E and R church at Calumet Harbor. He formerly held pastorates at Appleton and Marinette in Wisconsin and Glen Ellyn and Blue Island, Ill. Their son, Theophil Voeks, teaches at Mission House college, near Plymouth.

At the biennial meeting of Holy Trinity congregation John Marx was re-elected secretary and Anthony Fellenz was elected treasurer, succeeding A. P. Schaeffer, retiring treasurer. Schaeffer, John

W. Stelpflug and Edw. E. Miller were elected to the auditing committee. Officers have also been elected by the Married Ladies' sodality of the parish as follows: President, Anna Schoofs; secretary, Helen McLaughlin; treasurer, Margaret Harter. Retiring officers are Ella Schaeffer, Leyola Wietor and Linda Becker.

At a meeting of the village board, A. P. Schaeffer, chairman of the police committee, recommended that the traffic officer be retained from the hours of 1 p. m. to 1 a. m. After a discussion it was moved by Trustee Brauchle and seconded by Van Blarcom that Geo. J. Brandt be employed full time at the regular salary.

The Boy Who Left Behind

(Editor's Note — The following poem was submitted to the Statesman by a Kewaskum poetess, who wishes to remain anonymous. Another will follow in the next issue).

My boy of eight Can duplicate With delicate precision	His PJ's sleep In useless heap Throughout the day 'til when,
An HO train Or model plane Without my supervision.	Long after sup He picks them up (To put them on again).
He can apply His brains, thereby Acquiring a technique	Tooth brush and paste He used in haste Before his good-by kissing
To modify Or amplify Inventions quite unique.	I find at last As in the past Although the cap is missing.
As he improves His interest moves To feats of famous men	He'd leave at once To go on hunts To seek an arrowhead
But hanging slacks On trouser racks Is quite beyond his ken.	Yet can't be made, Without my aid, To find his cap instead.
And what is more, On chair and floor Lies clothing free to trample.	I know another Valiant mother Tried some years ago
I coax and plead He'll seldom heed MY virtuous example!	To teach and drill The man who's still My favorite sloppy-Joe.
A knowing glance Will work, perchance, To tactfully remind	I seek relief In the belief That mine's a normal lad
That on the wall Are hooks for all The clothes he leaves behind.	For it's been proved He's once-removed From the image he calls 'Dad'.

Long Distance Telephone Rates Reduced April 1

Additional long distance telephone rate reductions, designed primarily to benefit businessmen in Wisconsin and throughout the nation, became effective Thursday, April 1, it was announced by General Telephone Company of Wisconsin.

The reductions, totaling about \$25 million throughout the country, apply to all daytime out-of-state station calls of 601 miles or more. They mark the second step of a \$100 million reduction which began Feb. 1, when rates were cut for out-of-state station calls on weekends and evenings.

The April 1 reductions apply to calls made between 4:30 a. m. and 6 p. m., Monday through Friday. Most long distance calls placed during these hours are made by business firms.

Under the new rates, a daytime interstate station call from Wisconsin to anywhere in the continental United States except Alaska costs a maximum of \$1.80 for

three minutes, compared with the previous maximum of \$1.95. The charge for each minute beyond the initial three minutes becomes 45 cents instead of 50 cents.

Annual savings to telephone users in Wisconsin as a result of the April 1 reduction have been estimated at between \$375,000 and \$500,000.

Homemaker Notes
KEWASKUM KITCHENETTES

The Kewaskum Kitchenettes met at the home of Mrs. Dorothy Volm on Mar. 8.

The meeting started at 7:30 with a potluck supper. We sure had a variety of hot dishes, casseroles made with meat and fish. We also had dishes of salads, rolls and bread. Our hostess served us two delicious angel food cakes and coffee with all the hot dishes. It sure

was enjoyed by all.

The meeting was started by each one giving a household hint. Some gave hints on how to remove stains and how to freeze different things.

Our health reporter gave us pamphlets on emphysema and pneumonia. There are two kinds of pneumonia. They are lobar pneumonia and broncho pneumonia. Emphysema is a disease that causes the lungs to enlarge. It can damage your lungs and heart.

Our club made a visit to the county home on Feb. 23 in the afternoon. Seven members of our club made the visit. Each member made a stollen which we took to the county home for the patients. We served the stollen with coffee and they sure enjoyed it.

The project for this month was on tension. The project leaders were Mrs. Mae Hanrahan and Mrs. Corrine Mlodzik. To prevent tension is to have a hobby or outside activities besides your housework. Too much can do you more harm, so don't take any more than what you can do.

The door prize was won by Mrs. Adeline Schoofs. Our next meeting will be at Mrs. Paula Schoofs' on April 19.

COUNTRY COUSINS

The Country Cousins homemakers met at the home of Dolores Prost at 7:30 on the evening of Mar. 8 for their annual potluck supper. We sat down to a wonderful meal of meat dishes, casseroles, salads, rolls and tortes. The lovely floral centerpiece and green and white table decorations put us in a real gay Irish mood.

After everyone had sampled to her heart's content, the monthly meeting was called to order and we answered roll call with a household hint. The exchange of hints varied from spot removal to cooking methods.

We spent a good part of the meeting planning our booth for Achievement Night on May 4. This project is proving to be very interesting.

Pamphlets on pneumonia and emphysema were passed out by the health officer. Today, thanks to penicillin and other antibiotics, pneumonia is no longer the fatal disease it was a generation ago. Emphysema is a disease which causes the lungs to become greatly enlarged. It is on the increase and most people afflicted with this disease are smokers or live in areas where air pollution is a constant problem.

Our door prize, a prayer plant given by the hostess, was won by Doris Prost.

The auction again proved to be a big event of the evening with handmade pillowcases, cloverleaf rolls, and a large schaum torte tempting the ladies for high bids.

The monthly project leaders, Lucy Lecher and Ione Schmidt, gave an interesting report on "Learning to Live with Tension." Everyone should have hobbies and attend activities outside the home but this can be overdone as the leaders illustrated by stretching a rubber band and letting it snap back to normal. Too many activities increase rather than relieve tension.

Our next meeting will be held at the Gas Company on April 21 at 7:30 p. m.

Young Republican Organization of County Reorganized

The Washington County Young Republican organization was reorganized at a meeting held at the Wisconsin Electric Company auditorium at West Bend on Monday evening, March 29.

Peter Kohler, state vice-chairman of the Wisconsin Federation of Young Republicans, appeared at the meeting and discussed the functions of the organization and assisted in reorganizing the group in Washington county.

Attorney Gerald F. Marine was elected acting chairman of the group. Mr. Marine announced that

he would tentatively set Tuesday evening, April 27, as the next meeting of the group at which time a new proposed constitution would be submitted and arrangements would be made for the election of the permanent officers of the organization.

It was hoped that the group could be well enough organized so that it would be able to send representatives to the state convention of the Wisconsin Federation of Young Republicans which is to be held at Stevens Point on May 1 and 2.

Last year's drought and a lack of early winter snow cover resulted in a severe winter for many lawns around the state. A thorough lawn clean-up will help get these lawns off to a good start.

LENTEN MEALS
Clock-Watchers' Casserole

Who wouldn't be willing to take pot luck with attractive Tuna Almondine? No one, not even the cook. The Borden Kitchen certainly had career girls and working wives in mind when it starred tuna in this casserole. If sauce and noodles are cooked ahead, it takes a scant 30 minutes to do the combining—generous chunks of tuna with olives, slivered almonds, nonfat dry milk and very sharp cheese slices. Bake until sauce bubbles and top's lightly browned. Top, if you like, with almond halves, so texture as well as taste's intriguing. Complement with a crispy green salad and hot rolls made from ready-to-bake packaged dough, spread with plenty of sweet Danish-style margarine.

Tuna Almondine
 (Makes 6 servings)

- | | |
|--|--|
| 4 cups cooked noodles (one 8-oz. package medium egg noodles) | 1 (6-oz.) package Vera-Sarp cheese slices, cut into strips |
| 3 tablespoons butter | 1/2 cup sliced pimento-stuffed olives |
| 3 tablespoons flour | 1/2 cup toasted, slivered almonds |
| 1 teaspoon salt | 2 (7-1/2 oz.) cans flaked tuna fish, well-drained |
| 1/2 teaspoon pepper | |
| 2 cups liquefied Starlac nonfat dry milk | |

Cook noodles according to package directions. Drain. In a small saucepan, melt butter over low heat. Stir in flour, salt and pepper until well blended. Remove from heat. Gradually stir in nonfat milk and return to heat. Cook over low heat; stir constantly until mixture becomes thick and smooth. Add cheese strips; stir until melted. Stir in olives, almonds and tuna fish. Turn into a well-buttered 1-1/2-2 quart casserole. Bake in a moderate (350° F.) oven about 20-25 minutes, or until sauce is bubbly and top is lightly browned. If desired, garnish with almond halves.

Letters to the Editor
Kewaskum Statesman
Kewaskum, Wisconsin
Gentlemen:

Complaints and notices are published about dogs loose in town. How about cats? We can't even let our small dog out on our OWN PROPERTY, because someone else's cats bigger than the dog are there.

We try to feed the birds in winter, but the cats start congregating there first. Plus, cats make damages too, yet they are allowed to roam all over town.

COUNTY CONSERVATION CONGRESS MEETING APR. 5

The Washington County Conservation Congress meeting will be held Monday, Apr. 5, at the Washington county court house, 432 East Washington st., West Bend. The meeting will be called to order promptly at 8:00 p. m. by Congress Chairman G. E. Otten, in the large auditorium, on the ground level of the new building. There is a large parking space at the entrance on the north side.

There are many items to be discussed and voted upon, including a possible early teal season in Wisconsin, and of course the coming deer season.

Sportsmen, please be there.

Unlawful Aspects of Fishing

The following are some of the unlawful aspects of fishing which might be enlightening to you.

It is unlawful to fish in trout streams during the closed season for trout.

To transport any live carp, dogfish, garfish, lawyers, eelpout, lamprey, eels and smelt.

To fish in any manner other than hook-and-line within 200 feet of any fishway, lock or dam at any time.

To leave any fish line or lines and hooks in inland or boundary waters unattended.

To use as bait any minnows or other fish in lakes so posted.

To release unused minnows into Wisconsin waters.

To fish in fish refuges or other prohibited areas.

To possess or use any snag hook, snag line or snag pole.

To take fish by snagging or fouling with any hook.

To sell, barter, or purchase any game fish except as provided by commercial fishing regulations.

To have in possession any game fish after the tenth day following the close of the season.

These are a few of the regulations we must comply with and I strongly urge you to obtain a copy of the regulations for your study when you purchase your license. If not available at the license depot, contact your warden or conservation field station for a copy.

Good luck and good fishing.

Heavy snow is the best thing that can happen to wintering berries, flower bulbs and lawn turf. It is a future source of water and acts as a good insulator during the winter.

County Agent News Notes

SPRING WILL COME

I imagine a few farmers are getting somewhat impatient over these late winter snows, wondering when they are going to get out on that land. But don't worry about it, Mr. Farmer, because spring will come—it always has. And while it may be a little later this year, this is of no particular concern.

The thing that does bother me is that when we do get our spring thaws, we may lose all this snow at once, which could cause problems of plugged culverts, runoff, and lakes of water standing on many fields.

Don't be concerned if you are a little late in your planting. If you had plant your oats any time from the first of March to the middle of April, and check the yield trials carefully, you would find that planting dates sometime prior to April 15 wouldn't make a lot of difference in your total yield. In fact, you would probably be ahead if you planted mid-April compared to mid-March. Frankly, it's a lot more important that we have this moisture that will soak in—we hope—than it is for you to get on your field early.

INCOME TAX HELP

We have written in this column occasionally about farm management. Several days ago I visited with Carl Kolb, the fieldman for the Southeastern Wisconsin Farm association, whose job it is to do income tax for the farmers who

are members of the association, and help prepare the farm analysis for the farmers at the end of the year.

Carl began to prepare the income tax for a member who had just joined the association in 1965. He went back three years on the records that this man had been doing by himself. Because of his knowledge of the tax structure and tax laws, Carl was able to rework a part of the program to get this young man a tax credit of over \$500.00 to apply on his 1964 income tax.

Carl, as a fieldman, will be the first to admit that this can't be done in every case, but we think it is worthwhile to point out that farm management is one of the practices in farming today which can mean so much to a farmer. A farmer can't be everything. He has to be so many things, he can't expect to be a tax expert as well. But the farm management association employs men who are trained to do the very complex tax work that we have today.

Although the jackrabbit in Wisconsin seldom digs earth shelters, it often digs tunnels three or four feet deep in the snow to escape winter weather.

BUTTER

... and our butter knife becomes a magic wand. Magic ... because real butter turns good food into great food. We use it on hot vegetables, biscuits, sandwiches. Ask the gang ... real butter has a natural flavor that no substitute product can ever match.

Wisconsin dairy farmers know you'll be happier when using only BUTTER.
