13 Bands, Drum Corps to Participate In Parade Here at Firemen's Picnic, Badger Tournament This Weekend

Parade to Be Biggest Ever Held; Hundreds Of Firemen to March

22 FIRE DEPARTMENTS TO COMPETE IN CONTESTS AND PARADE FOR \$335 IN PRIZES

This year's annual Kewaskum firemen's picnic on Saturday evening and Sunday, July 10 and 11, will be highlighted by the biggest parade in Kewaskum's history and should also break all attendance records if the weather is good. In conjunction with this year's picnic, the local fire department will also be host to the Badger Firemen's association tournament.

The Badger association is comprised of 22 fire departments from Belgium, Boltonville, Brown Deer, Campbellsport, Cedarburg, Fillmore, Fredonia, Germantown, Glendale, Grafton, Jackson, Kewaskum, Menomonee Falls, Mequon, Newburg, Port Washington, Random Lake, Saukville, Slinger, Thiensville, Waubesa and West Bend. Firemen from most of the above departments will be competing in the tournament contests Saturday evening for \$189.00 in cash prizes and in the parade Sunday for approximately \$150.00 in cash prizes. Being the host department, Kewaskum will not enter the competition this year.

By far the main feature of the event will be a really outstanding parade on Sunday at 12:30 p. m. sharp. To date the parade committee (there are separate committees for the parade, entertainment, tickets, booklet printed, advertising, water fights, contests, etc.) has 13 bands and drum and bugle corps engaged to participate in the parade. These include the Kewaskum, Random Lake, Campbellsport and Germantown high school bands, Cedarburg Civic band, Germantown Community band, famous Milwaukee Continental Cadet band, Watertown Twirlettes, Sheboyganites band, Buccaneers drum and bugle corps and The Accents all girl band, all of Sheboygan; K. Y. Warriors band of Oshkosh, and Marquis drum and bugle corps of Fond du Lac. There will also be at least two other musical organizations making a total of 15.

The bands and drum and bugle corps alone will enter about 500 people in the parade and will bring to town more than 1,000 persons with their wives, husbands and families. There will also be hundreds of visiting firemen from the various departments marching in the parade for prizes and with their equipment. Most of these men will also be accompanied by wives and families, accounting for many more hundreds of people. These are all in addition to the regular attendance at the picnic, which surely will also be larger than ever with the tournament being held here and bigger and better parade.

In addition to the numerous above musical organizations and visiting firemen, there will be all of the other usual units in the parade. There will be much and

Blood Bank Falls Short of Quota; 63 Pints Given Here

The blood bank did not make its quota of 100 pints this year at the blood center held Monday, June 21, in the Kewaskum Community High school gym from 2 to 6 p. m. There were 71 persons signed up, eight of these were rejected, and 63 pints were given.

So many people think because they have insurance this will take care of it. Miss Mattlin of the Milwaukee Blood Center stated that if you have insurance and there is no blood in our bank no amount of money can get you the blood you need. Take heed citizens! This is a very serious situation. Those of you who did not give blood this year and could have, please try and be at the donors' mobile unit next year.

Mrs. Henry Rosenheimer and Mrs. Ned Sengpiel wish to thank the persons who gave blood this year. They are also grateful to the ladies of the Holy Trinity Christian Mothers society for their delicious lunch. The following were servers: Mrs. Al Muckerheide, Mrs. A. Stoffel, Mrs. T. Rohlinger, Mrs. D. Mlodzik, Mrs. G. Gloede, Mrs. E. Fellenz, Mrs. H. Gruber and Mrs. R. Pledl.

They also wish to thank the women who registered the donors, Mrs. M. Martin, Mrs. Charles Miller and Mrs. Ruth Rosenheimer, and everyone who gave their time and help.

JULY 31 IS FINAL DAY FOR PAYING REAL ESTATE TAXES

Robert J. Klein, Washington county treasurer, reminds county taxpayers that Saturday, July 31, is the last day to pay the second installment of their postponed real estate taxes without being charged interest.

Taxes remaining unpaid after July 31 will be declared delinquent and will be subject to interest at the rate of eight-tenths of one per cent per month or fraction thereof, retroactive to Jan. 1, 1965.

Klein suggested that payment by check through the mails, including a description of the property or the first payment receipt, will eliminate waiting at his office in the county courthouse. Mail payments must be postmarked no later than July 31.

Local Residents' Grandson, Fiance Drowning Victim

YOUTH ALSO DROWNS IN T. FARMINGTON IN SEPARATE TRAGEDIES OVER WEEKEND

Two youths drowned in area lakes in separate tragedies over the Fourth of July holiday weekend. A Port Washington youth, Ronald R. Berndt, 19, drowned Saturday while swimming in Little Green lake in the town of Farmington. Another young man lost his life in a drowning mishap when Alvin Janz, 20, of Silver Creek in Sheboygan county drowned at Lake Ellen near Cascade Sunday. Janz was a grandson of Mr. and Mrs. Jacob Janz, 1616 Fond du Lac ave., Kewaskum, and the fiance of Miss Jane Herman of Kewaskum. The couple had planned on being married this fall.

Berndt, who was not a proficient swimmer, sank minutes after going into the water. A friend, Ronald Reuter, 19, also of Port Washington, made futile attempts to rescue Berndt. The body was recovered about 20 minutes following the mishap by the Newburg rescue squad but attempts to revive the youth proved futile.

Janz drowned Sunday when he stepped off a sand bar into 28 feet of water in Lake Ellen. He and his fiancee, Miss Herman, had gone to the lake together with three other young couples to swim and water ski. They crossed the lake in a boat to the sandbar. Janz jumped out of the boat in shallow water and began walking out when he slipped off the sandbar into the deep water and drowned.

His body was recovered by a Sheboygan county sheriff's department scuba diver nearly two hours later. A group of five divers searched the lake before the body was recovered.

Born at West Bend on July 22, 1942, Janz was an employee of the Weasler Engineering Co., West Bend. He had served in the U. S. Army from March through December, 1964.

He leaves his parents, Mr. and Mrs. Alvin Janz, Sr., three brothers, Ronald, Donald and Harlan at home; four sisters, Linda at home, Diana and Judith of Milwaukee, Mrs. Richard (Sharon) Schueler of Port Washington; his grandparents, Mr. and Mrs. Jacob Janz of Kewaskum; his maternal grandmother, Mrs. Clara Groth of West Bend, and other relatives.

Funeral services with the Rev. Duane Budach officiating were held at St. Paul's United Church of Christ, Silver Creek, at 1:30 p. m. Wednesday, July 7, with burial in Washington County Memorial Park, West Bend.

FIREMEN SNUFF OUT ANOTHER GRASS FIRE

The Kewaskum fire department made another run Sunday afternoon to put out a grass fire at the junction of Hwy. 28 and Kettle Moraine drive about two miles east of the village on the former Al Harter farm, now owned by the state. A small area of grass burned over.

There are two vacancies on the five member board this year. The terms of Mrs. Zona Miske, the position formerly held by Melvin Riley, and Roger McKenna are expiring.

The election will be held at the high school from 7:00 a. m. to 8:00 p. m. on Monday, July 19. Electors who will be absent from the district on July 19, 1965, may vote an absentee ballot after Monday, July 12, by calling in person at the high school or by writing for a ballot.

Hearing Called to End Phone Co. Four Party Service Here

The Public Service Commission of Wisconsin announced the past week that it will conduct a public hearing on the application of the General Telephone Company of Wisconsin filed on June 28, 1965, for authority to eliminate the filing for four-party service to urban customers at the Kewaskum exchange in Washington county.

In May the exchange had 415 residential urban customers with 25 or about 6% having R-4 service in the base rate area. The application alleges that "this results in discrimination to the present one and two-party customers."

The commission will investigate such application and will hold public hearing in Room 404, Hill Farms State Office Building, 4802 Sheboygan ave., Madison, on July 23 at 10 a. m.

DISCONTINUE TAVERN IN DUNDEE, MOVE TO LAONA

Mr. and Mrs. Kenneth Collins, who operated a tavern in Dundee for the past eight years, have gone out of business in that village and moved to Laona in the northern part of the state, where they will make their future home. They moved last Thursday and Friday.

LEAVE ON TRIP TO HAWAII, CALIFORNIA AND LAS VEGAS

The Misses Janet Dreher and Barbara Buss of Kewaskum are flying from O'Hare Field in Chicago Saturday morning, July 10, to spend a two week vacation in Las Vegas, Nev., California and Hawaii.

The young man knew his wife could keep a secret because they had been engaged for weeks before he knew anything about it.

INFORMATIONAL MEETING FOR DISTRICT ELECTORS WILL BE HELD ON JULY 15

The board of education of Kewaskum Community High school at a special meeting on July 6, voted to hold a referendum on July 19 for a bond issue not to exceed \$633,000 to improve the high school facilities and to construct an addition to the building. This issue was presented to the electors in February and was defeated.

The board of education will hold an informational meeting on Thursday, July 15, at 8 p. m. in the high school to explain the proposed building program to the electors of the high school district. All electors of the district are invited to attend.

Since the February referendum, the board of education has evaluated its studies and has conferred with the architects. The board still feels that the issue as formerly presented is the best and most economical solution to the high school space needs now and for the future.

The board of education listed the following reasons for its decision:

1. The plan being proposed is based on educational needs so that the high school can continue to offer a comprehensive program.

2. Kewaskum High school has shown continuous enrollment increases over the years and will continue to increase.

3. No part of the plan as previously proposed can be eliminated economically.

4. Regardless of future school organization, this building will be needed and will fit the educational needs of either a high school or intermediate school.

5. The cost to the taxpayer is reasonable. Debt retirement will cost the average home owner (home valued at \$15,000) about \$1.25 a month.

But it's not the same, since we lost you.

THANK YOU

I wish to express my sincere thanks to all my friends and relatives for the cards, visits, flowers and gifts I received while I was a patient at the hospital and convalescing at home. These kind acts were very much appreciated.

Faith Haven Farm Open to Public on Barton-Wayne Road

At history making services on Sunday, June 27, Christian lay people and clergy representing a multitude of denominations gathered to worship at the Faith Haven farm of repentance. The service which marked the formal opening of the property to the public was planned and conducted by the Faith Haven lay school members under the direction of their chairman, Joseph Lidington of Slinger. Local clergy invited to participate were the Rev. J. B. Ziegler of Holy Angels Roman Catholic church, West Bend, and the Rev. T. B. Hodge of the Assembly of God church, West Bend. An outstanding lay man of Cabrini Roman Catholic church, Mr. D. J. Kenny, delivered the message.

Faith Haven farm was dedicated to serve Christians of all denominations on July 21, 1963 in honor of St. John's United Church of Christ one hundred tenth anniversary. Since that dedication the sixty acre tract has been developed in a two-fold manner. A meditation trail has been laid out marked by huge boulders whereupon plaques bearing scripture have been bonded. Along the pathway blue bird houses have been placed by Cedar Lake Home residents who also painted signs naming the various species of trees and shrubs. The trail winds across hill and through forest, swamp and past a lovely fish pond. It then takes the hiker through a fifteen acre field up to the hillside worship site and then to an abandoned gravel pit where three huge crosses have been erected. The public is cordially invited to park their cars at the Faith Haven barn parking lot and hike this trail any time.

The second development has been the construction of a field-stone pulpit-tower-communion table on a hillside which easily seats one thousand people. A loud speaking system and electric organ has been provided to facilitate services. Christian congregations of all denominations are invited to use this worship site. There is no charge. However, each group must register in advance for their service date by writing to the Faith Haven Lay School, % Rev. L. Riesch, R. 4, West Bend.

Faith Haven farm is located immediately south of County Trunk D between Hwys. 41 and 45 on the Barton-Wayne town line road. The worship site tower with its stainless steel spire is visible from County Trunk D. An eight ton boulder with the Faith Haven name on it marks the farm-yard entrance to the meditation trail parking lot. The farm is now open for public use.

To be eligible for the honor roll, a student must have an overall grade average of B or better in a minimum of 12 credit hours and must not have a "failing" or "unsatisfactory" mark in any course.

Included on the honor roll are: Mr. and Mrs. D. E. Koeppel, who spent the past year doing graduate work at the university, where they were granted master's degrees. Mrs. Koeppel, the former Eileen Hanselman, daughter of Mr. and Mrs. W. W. Hanselman, Kewaskum, was a 1959 graduate of Ke-

waskum High school and a 1963 graduate of Wisconsin State university, Oshkosh. She was granted the degree of Master of Music Education. David Koeppel, her husband, received the degree of Master of Natural Science.

Before beginning further work during the summer session, the Koeppels spent ten days touring New Mexico, Texas and Old Mexico, seeing many educational and interesting sights. They will be returning to Wisconsin in August where Mrs. Koeppel will be an elementary music supervisor in the New Berlin school system, and Mr. Koeppel has accepted a position on the West Allis faculty.

WEEDS IN CORN ROWS

Farmers who are raising corn may find that they have a considerable amount of weeds growing in the row. Between the rows we can cultivate and get rid of most of those weeds. In the row, however, is another story. This requires a spray program, and probably the best thing to use is 2,4-D. We suggest using 2,4-D at the rate of 1/2 lb. per acre, using it with drop nozzles.

When corn is very young it can be sprayed over the whole plant; however, as the corn grows and 2,4-D gets directly on it, it can be-

come quite brittle. Using drop nozzles, we run the spray against the side of the stalk, doing no harm to the corn.

This will control about all the broadleaf weeds except white cockle.

FIRST HAY CUTTING LIGHT

I think that by now the first cutting of hay has been taken off our fields. This first cutting in many fields was very light. In some years a cutting no heavier than this would have been plowed under, but this year we are glad to get it.

What do we do now that we have the first cutting taken off? I suggest that if we have a good amount of legume, even though it is not growing real well, we give it a good shot of fertility — something like 300 to 400 lbs. of an 0-20-20. Then, if we have some rain, you will be surprised how rapidly the hay will recover and should give you a good second cutting. If your hay field is obviously done and producing very little hay, we suggest you plow it up and

plant sudan grass immediately.

WHEN TO CUT SUDAN GRASS

Now let's suppose you already have sudan grass planted on your field, and we know that many Washington county farmers do this year. The question many are asking is, "When do I cut my sudan grass?" The best we can tell you is that there is no set time. It is suggested that you wait until after the growth is more than 18 inches in height. This means it can be anywhere between 18 inches and heading out. Then cut it. It is important to wait until more than 18 inches, however, because after that height there is no prussic acid problem in that crop. Sudan grass will recover very rapidly, especially when the weather is extremely hot.

Try These Picnic Sandwiches

Small sandwiches, big sandwiches, open face sandwiches, single deckers, double deckers... sandwiches made with bread, with buns, with rolls... they all seem tastier eaten outdoors on a bright summer day. You can make a meal of sandwiches. Or you can make a meal with sandwiches for they mate perfectly with other foods.

Here, for example, is a suggestion for a tempting salad plate that includes sandwiches. Bring the ingredients outdoors to arrange on the picnic table. Or arrange the plates indoors and carry them outdoors to serve to family or guests under the shade of a big spreading tree, under sun umbrella on the patio, or on a screened porch.

Garden Salad Plate

- 1 lb. prunes
- 1 teaspoon cinnamon
- 1/2 cup cider vinegar
- 6 tablespoons brown sugar
- 6 whole cloves
- 1 cup bleu cheese
- 3 tablespoons mayonnaise
- 3 tablespoons milk
- 1 cup finely diced celery
- 3 center cut slices boiled ham
- 4 large pineapple slices
- *Orange-flavored sandwiches
- Chicory
- French dressing, Mayonnaise or Salad dressing

Cover prunes with water. Add cinnamon, vinegar, brown sugar and cloves. Simmer until most

of the liquid is absorbed. Cool. Pit. Roll 3 prunes together to form a large plump prune. Make 12 of these prunes.

Cream together bleu cheese, mayonnaise and milk until smooth; add celery. Spread an equal amount on each ham slice. Roll-up jelly roll fashion.

Halve pineapple slices. On each individual salad plate; arrange 2 pineapple halves, 2 ham rolls, three plumped prunes and 2 orange sandwiches. Garnish with chicory. Serve with French dressing, mayonnaise or salad dressing. Makes 4 servings.

*Orange Flavored Sandwiches

Cream together butter or margarine and a little grated orange rind, enough to flavor the butter. Spread between bread slices; trim off crusts. Cut sandwiches in small triangular shaped pieces. Sandwiches, too, are a happy choice for picnic lunch at the beach or in the park. To have them at their freshest and best, take along the makin's and put the sandwiches together on the spot. Wrap bread and rolls well and carry the spreads in jars. Then, let everyone choose and spread his own. The following simple blends make hearty, satisfying and delicious picnic fare:

Prune-Shrimp

- 1/2 cup chopped plumped prunes
- 1 4-oz. can shrimp, chopped
- Sprinkle of salt
- 1/4 cup minced celery
- 1 tablespoon salad dressing (or enough to make a good spread)
- Combine all ingredients.

Prune-Bacon

- 1 cup chopped plumped prunes
- 6 strips bacon, broiled and crumbled
- Mayonnaise or salad dressing
- Blend prunes and crumbled bacon. Add just enough mayonnaise or salad dressing to bind lightly for an easy spread.

Prune-Bleu Cheese

- 1 cup chopped plumped prunes
- 1/2 cup crumbled bleu cheese
- 2 tablespoons cream (or more if a moister spread is desired)
- Mix bleu cheese and cream and blend in chopped prunes.

Lakes Nine Loses Again to Barton

Kewaskum's slumping Lakes team extended its losing streak to four in a row Sunday when even lowly Barton dumped them in convincing fashion, 16-8. Barton had won only two games previously while losing six. The setback left Kewaskum with a 5-4 record and dropped them into fifth place.

Barton enjoyed their best batting barrage of the season here with neither of three pitchers who faced them posing much of a problem. On the other hand Lefty Dave Roell's effective relief hurling enabled the visitors to pull out the victory.

Roell relieved Ford in Kewaskum's 5-run second inning and gave up only three hits the rest of the way. Ford was bombed for six hits in the first two innings. Ford whiffed none and walked two in his brief mound appearance. Roell struck out six and walked five. Kewaskum used three pitchers, Dave Oppermann, Bob Hanson and Fred Bruhn, and combined they allowed 14 hits, struck out seven and walked seven.

Roger Knop and Ralph Vogelsang smashed home runs to spark Barton's attack. Vogelsang and Jazak each collected three hits. Mike Coulter and Jack Theusch also homered for the losers. Theusch set the hitting pace with three, while Coulter got two for two.

Barton trailed 6-3 after three innings but then scored in the next four frames, including a 5-run rally in the seventh, to go well ahead, 14-6. Kewaskum came back with two in their half of the 7th but the winners also added two more in the 9th to bring the final count to 16-8.

Kewaskum couldn't do it against Barton but this Saturday night will host a team still lower in the standings and should break back into the win column. They will entertain winless Port Washington, which holds down last place with a record of 0-8.

Picnic Quick Trick

Hot Dog rolls stuffed with a savory salmon filling make delectably different fare for outdoor feasting.

Tradition makes but three requisites for a perfect picnic. They are, in order: hungry humans, good food and a pleasant spot for outdoor dining.

These three indispensable picnic requirements, however, are surprisingly flexible. The number of people is limitless, the spot can be woody, sandy, or mountainous, and the bill of fare knows no bounds. The menu, in the spirit of the occasion, should show a touch of adventure, offering something a little more imaginative than the ubiquitous ham sandwich and hard-cooked eggs. Imagination is the principal ingredient in the recipe below, a delicious departure from the usual al fresco fare guaranteed to turn any outdoor junket into a gastronomic gala. In brief, it's a picnic quick trick, a distant cousin of the hot dog called "Picnic Pups!"

Luscious coral-colored canned salmon, to match the color of the reefs, is mixed with chopped nutmeats and celery and bound with mayonnaise. The filling is then piled generously into a frankfurter roll and skewered with a toothpick topped with a jaunty stuffed olive. With a crisp slice of ice cold pickle to nibble between bites, you'll find "Picnic Pups" a delectably different seafood treat worthy of King Neptune himself.

SALMON NUTMEAT FILLING

- A 1-pound can salmon
- 1/2 cup chopped nutmeats
- 4 drops Tabasco
- 1/2 teaspoon Worcestershire
- 1/2 cup mayonnaise
- 1/4 teaspoon salt or to taste
- 1 tablespoon lemon juice
- 2 tablespoons chopped parsley

Drain and flake salmon into a bowl. Add remaining ingredients and toss lightly until thoroughly mixed.
