High School to Open Friday, Aug. 27, for Freshmen; All Students Will Report on Monday, Aug. 30

No Big Increase in Enrollment of 525 Expected This Year

HIGH SCHOOL STAFF TO INCLUDE 28 TEACHERS

The Kewaskum Community High school will hold a freshmen orientation day on Friday, Aug. 27, beginning at 9:00 a. m. Buses will operate on the 27th but will run about one-half hour later than their regular times. School will be dismissed at 3:30 p. m. on Friday.

On Monday, Aug. 30, all students are to report at the regular time of 8:15 a. m. for classes. Buses will leave the high school at the regular time of 3:55 p. m. on Monday.

The cafeteria will begin operation on Monday, Aug. 30. Weekly lunch tickets will cost \$1.25 and daily tickets are 35c each.

Although no substantial increase in enrollment is expected over last year's membership of 524 until the 1966-67 school year, the trend toward increasing student class loads from four (4) regular academic classes or vocational classes to five (5) or more classes has made appreciable difference on the number of classes being offered daily. Local Girl Scouts Return Home From Camp at Redgranite

Girl Scouts of Troops 53 and 72 of Kewaskum have returned home after spending 13 days at Camp Tiwaushara, which is located four miles north of Redgranite. Tiwaushara is located on 185 acres of wooded land. A small semi-private lake offers opportunities for interesting hikes and nature project. Campers swim in a swimming pool, which has a shower house. Church services were conducted in the troop house.

The established camp is for both juniors and cadettes. Kewaskum girls attending were Linda Bullette, Dori Gaffaney, Cathy Miller, Anne Etta, Betty Butz, Joan Zehren, Janet Marx, Pam Mitchell and Carolyn Falk. These girls lived in units of 24-32 girls each, consisting of eight tents on wooden platforms, an activity tent and wash house. Each camper has a sturdy cot with a mattress.

The pioneer camp is opened only to the cadettes. These girls live in patrols of 8-10 girls each in two-girl wall tents with no floors. They plan and carry out their own program, construct their own equipment, and cook their own meals. Girls have to be in excellent health for this program because it is more strenuous. Girls from Troop 72 who attended were Connie La Marche, Christine McElhatton, Marilyn Reindl, Mary Strobel and Charlotte Swinsoff.

Campers in all units take an active part in planning unit and camp activities within the framework of the Girl Scout program. Emphasis is placed on comfortable and healthful living in the outdoors and campercraft skills. Swimming, dramatics, nature lore, hiking, campfire programs and night water carnivals are popular parts of the program.

Girls of Troop 53 who left Sunday for a seven day stay in the established unit are Jean and Judy Schaub, Christine Volm, Pam Dreher, Jean Koerble, Dawn Keller, Doreen Rumsey, Cheryl Halffmann, Kristy Honeck, Karen Bade and Kathie Kreif.

This will be the last session for the summer.

THREE FAMILY REUNIONS HELD IN VILLAGE PARK

The 14th annual reunion of the Weddig family was held Sunday in the village park with about 75 persons in attendance.

The relatives of Mrs. Hubert Wittman also held their family reunion at the village Park on Sunday. Those in attendance came from West Allis, Milwaukee, Theresa, Green Bay, Fond du Lac and Kewaskum.

A reunion of the Freehauf family was held in the park the same day, it was also reported.

Husband of Local Girl Killed When Crushed by Tree

JOHN THEISEN JR., 32, WED ONLY SEVEN WEEKS, KILLED IN BULLDOZER ACCIDENT

John Theisen Jr., 32, of R. 1, Campbellsport, who was married to Kathleen Schneider of Kewaskum only seven weeks ago, on June 26, 1965, was killed Saturday afternoon when crushed by a tree while clearing land with a bulldozer in the Birchwood Lake area of the town of Osceola.

Authorities said he was pushing trees with the bulldozer when one apparently whipped back over the top of the machine, taking off the muffler and striking him in the face and chest. Fond du Lac County Coroner Frank Decker said Theisen died of a crushed chest. He was pronounced dead on arrival at St. Agnes hospital, Fond du Lac, but probably was killed instantly, according to the coroner.

The coroner said the tree pinned Theisen against the tractor seat and then passed over his body as the machine continued forward. Once clear of the tree, Theisen fell forward and his body knocked the tractor out of gear, stopping it a short distance from the tree. The coroner went to the scene with Undersheriff Harry Rozek after receiving a call from M. J. Schultz of Menomonee Falls, who found the body at about 3 p. m.

Theisen had been working in the area for the Bertram Construction Co.

He was born Sept. 15, 1932, in the town of Ashford, the son of John and Bernadine Mies Theisen. He was a member of the Armed Services from 1956 to 1958. His marriage to Kathleen Schneider on June 26, 1965, took place at St. Mary's Catholic church, West Bend. A Kewaskum High school graduate, she is employed at Regal Ware, Inc.

Theisen is survived by his young widow, his parents, Mr. and Mrs. John Theisen of Fond du Lac; two brothers, Henry Theisen of Eden and Norbert Theisen of Campbellsport; two sisters, Mrs. Ray Sechter of West Bend and Mrs. LeRoy Wollner of Newburg; his parents-in-law, Mr. and Mrs. Lester Schneider of R. 2, Kewaskum.

Funeral services were conducted at 10 a. m. Tuesday at St. Matthew's church, Campbellsport, the Rev. Warren Schmitt officiating.

Woman's Club Plans Bridge Marathon

The Ways and Means committee of the Kewaskum Woman's club is planning to organize a Bridge Marathon to raise money for club activities.

All Bridge players are invited to join. Select a permanent partner and register to play. All games are to be played in the homes when the scheduled foursome can arrange to play. Playing will be twice a month. The donation will be fifty cents per person each time of play.

Scores will be totaled and prizes will be awarded to the couples with the largest grand total at the end of the marathon.

To register your couple to play or if you have any questions call Mrs. Ted Rohlinger, 626-2785. Registrations must be in by Sept. 1.

The gossip usually gets caught in her own mouth-trap.

Burial was in the church cemetery. Friends called at the Twobig Funeral home, Campbellsport from 2 p. m. Monday.

J. KROLL SENTENCED FOR BREAK-IN, OTHER COUNTS; PARTNER IS BOUND OVER

James Kroll, 30, of Milwaukee, who was held in the Washington county jail at West Bend on burglary charges resulting from a break-in at the A. G. Koch, Inc. grocery store in Kewaskum early April 2, 1965, was sentenced to seven years in Waupun prison Friday when he appeared before Judge Robert J. Stoltz in Branch 2 of county court on three burglary charges.

He received a two year term on this count in addition to separate terms of three years and two years for previous burglaries in Milwaukee. The terms will run consecutively. Sentence was suspended indefinitely on two other charges brought against Kroll on a morals offense and on a bad check count.

A companion, Kenneth R. Mayer, 28, of Milwaukee, who is also facing burglary charges here in the Koch break-in, appeared for a preliminary hearing before Judge Lester A. Buckley in Branch I of county court last Thursday. Mayer was bound over for trial at a later date.

Mayer, who had been serving time at the federal prison at Sandstone, Minn. following sentencing on a federal charge in Denver, Colo., was more recently held at the Waukesha county jail where he was returned pending his reappearance in court at West Bend.

The two criminals were apprehended in Kewaskum early Friday, April 2, after they became involved in an altercation at the West Bend Restaurant and one of the men pulled a gun late Thursday night. West Bend police put out an alert and the pair's car was later spotted by local police officer Ken Neldner in Kewaskum, where West Bend police officers, Officer Neldner and county deputies rounded up the pair as they fled from Koch's store.

The pair knocked the combination off the Koch store safe and ransacked the office. A check book and other items were reported missing at the time. Although the safe was badly damaged, police surprised the pair before they gained entrance to it.

Kroll was also acquitted of first degree murder in a burglary in Milwaukee Feb. 12 where a night watchman was killed. Mayer was convicted of armed robbery in 1961, but the state supreme court reversed these findings and a new trial was ordered. He was later picked up by Colorado officials for trial on an inter-state car theft charge and sentenced to Sandstone, Minn.

Remember The "Blues" For Jams

Remember how good blueberry jam tasted on hot biscuits last year and how, around January, you wished you had more of this fresh fruit spread on your jam and jelly shelf?

This summer take advantage of this plump and colorful berry when it's in season and make a good supply of Blueberry and Currant Jam. Consider making extra glasses to use as hostess gifts.

Blueberry and Currant Jam
Yield: about 10 medium glasses

4-1/2 cups prepared fruit (about 1 qt. fully ripe blueberries and 1 pt. fully ripe red currants) 6 cups (2 lb. 10 oz.) sugar 1 box (1-3/4 oz.) Sure-Jell Fruit Pectin

First, prepare the fruit. Crush thoroughly about 1 quart blueberries. Stem about 1 pint red currants and crush thoroughly. Combine fruits and measure 4-1/2 cups into a very large saucepan.

Then make the jam. Measure sugar and set aside. Mix fruit pectin into fruit in saucepan. Place over high heat and stir until mixture comes to a hard boil. Immediately stir in all sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat and skim off foam with metal spoon. Then stir and skim for 5 minutes to cool slightly and to prevent floating fruit. Ladle quickly into glasses. Cover jam at once with 1/8 inch hot paraffin.

25 Years Ago

Aug. 16, 1940

The Kewaskum Sportsmen's club released 30 eight-week-old pheasants they received from the state game farm at Poynette. The club also is raising 300 chicks at their pheasant farm near the south village limits and these will also be released at the age of eight weeks. Three weeks ago the club released 30 full grown birds.

William Bunkelman, Sr. of this village, who is in the eighties, suffered a heart stroke at his home. He is as well as can be expected.

Miss Violet Ebenreiter of Chicago, daughter of Aug. C. Ebenreiter of Kewaskum, was married to Claude Foster of Chicago. Miss Ruth Meilahn, daughter of Herman Meilahn of Mayville, former residents of Kewaskum, and Donald McCarthy of Niagara, Wis. were married.

Miss Dorothy Becker, formerly of Kewaskum, who has been employed in Milwaukee, left for Washington, D. C., where she has received a position with the war department. This news was received in a letter to Miss Lillian Weddig here. Miss Becker attended Holy Trinity school and Kewaskum High school and is a niece of Mrs. U. Runte.

Miss Alice Schneider, 18, daughter of Mich. Schneider, R. 2, Kewaskum, suffered a dislocated hip when she fell from a load of hay on the Frank Wiedmeyer farm and is a patient at St. Joseph's hospital, West Bend.

Johann Jacobi of Aalsmer, Aust, Holland, who made an extended visit with Mr. and Mrs. Louis Schaefer, left for Portland, Oreg.

Roy Van Kampen, representing the Lansing (Ill.) Mattress factory, has opened a branch factory in

Kewaskum, located in the Kippenhan garage building, to be known as the Kewaskum Mattress Co. Richard Babbs is sales manager. The company will specialize in rebuilding old mattresses into inner spring mattresses and will also do a retail and wholesale business, employing local help.

Mr. and Mrs. Oscar Hirsig and son moved from New Fane into the Mrs. John Honeck home on E. Water st. They formerly resided in the village.

N. W. Rosenheimer spent Wednesday and Thursday in Chicago where he attended the Democratic national convention at the Chicago Stadium.

OVER 50 YEARS AGO

Nov. 21, 1914

Anton Herriges of St. Michaels had a narrow escape from fatal injury. He was working close to a gasoline engine when the crank shaft caught his clothes, winding up rapidly and finally he was swung around the shaft several times. His clothes were torn off and his head struck the platform of the truck on which the motor was mounted. He sustained a fractured lower jaw in three places so badly that a piece of bone had to be removed, a fractured collar bone and severe bruises.

Mr. and Mrs. W. F. Backus entertained on their silver wedding anniversary. They were married 25 years ago at New Fane by Rev. S. Moldenhauer and resided in Kewaskum since.

Mrs. Wm. Batzler died at her

home at St. Kilian. She was a daughter of Mr. and Mrs. Wenzel Peter.

Albert Groth, Germantown, brother of Andrew Groth of Kewaskum, was instantly killed by a train at Richfield. Both horses pulling Groth's wagon were also killed. The man tried to cross ahead of the train but the horses hesitated and the train crashed into the wagon, dragging it some distance.

In 1964, over 40 per cent of the 89 fatal farm accidents in Wisconsin occurred while farmers were using tractors and other machinery. Over half of these happened when the tractor tipped over.

Mr. and Mrs. Alfred Tischendorf, Sr. of R. 3, Campbellsport, announce the engagement of their daughter, Lois Mary, to Ronald W. Reese, son of Mr. and Mrs. Roderick Reese of Campbellsport. A wedding is being planned for next August.

The Institute for Home Fire Safety, a non-profit organization doing research on fire safety communications, estimates that approximately 1,800,000 Americans were injured and close to 12,000 killed in fires last year, most of which originated in the home. The problem, says the Institute, is due fundamentally to lack of awareness of the facts on how fires start and spread, and lack of knowledge about techniques and methods which would save lives.

R. Esser, M. Marx Attend Session at Missouri Institute

LOCAL FFA MEMBER IS AWARDED CERTIFICATE

Mike Marx of R. 2, Kewaskum, was given a certificate of participation from the American Institute of Cooperation. The AIC has just completed its annual conference on farm business. The session was held at the University of Missouri at Columbia, Aug. 8-11. Mike was one of the 12 youth delegates sponsored by Pure Milk Products Co-operative as part of the organization's youth program. Mike is the son of Mr. and Mrs. Edward Marx.

Roy Esser, vocational agriculture instructor at Kewaskum Community High school, also attended the conference. He is Mike's advisor in FFA.

The busy four-day schedule proved to be an excellent educational workshop for the future farm leaders. The AIC is the biggest agricultural conference held in the nation. In addition to the over 900 youth delegates attending, almost 3,000 cooperative, university and extension leaders from the 50 states of the U. S., Canada and Puerto Rico were in attendance.

The session is held annually on the campus of a different land grant college.

YOUTHS INJURED WHEN AUTO STRIKES BRIDGE

Dennis Kleinke, 19, of 1614 Sherwood pl., West Bend, suffered lacerations to his right thigh and minor head cuts Sunday evening when the car in which he was a passenger struck a bridge some 200 feet east of the intersection of County Trunk Hwy. H and the Campbell road, about 2½ miles west of Kewaskum.

According to authorities, Kleinke was injured when the driver of the car, Raymond J. Dornacker, R. 2, Kewaskum, attempted to retrieve a cigarette which he drop-

ped while the car was traveling west on the county trunk road. Dornacker lost control of the vehicle and the car struck the bridge. Kleinke was taken to St. Joseph's Community hospital, West Bend, in the Kewaskum firemen's ambulance.

Home lawns usually show a wide range of soil and other conditions. Mixtures of perennial grasses are therefore more desirable than single variety turf seedings.

"A Slide for Life"

The term "Slide for Life" are the words used for generations to describe the hazardous feats of daring that people have endeavored on an inclined cable or rope suspension. It has been performed by hanging by her neck, as shown in the photos above.

Suspended from a top elevation of a 200 foot span of cable, raised to the heights of a 65 foot centerpole, Miss Estreleta hangs only with a noose about her tiny neck and slides at a speed of 60 miles per hour to ground level completely crossing the raging torrents of the Baraboo River. Her ability to accomplish this feat is certainly

no spur of the moment idea or dare of nerve. It is the work of a truly great artist of three generations of circus family.

Today, circus lovers of all ages thrill to this act daily at the Circus World Museum, in Baraboo, Wisconsin, the Mecca of circus history in the United States.

CARD OF THANKS

23 BOATS CHECKED AT BIG CEDAR LAKE

The hot weather, (dog days at this time of year), and the Wisconsin State Fair cause fishing pressure to be very light on local lakes. As an example, this past Saturday between the hours of 6:30 and 9:30 a. m. a survey was conducted at Big Cedar Lake. Of the 23 boats checked, 17 were rented, three were moored at the lake and three were transported to the lake from Milwaukee. Fishing time varied from one-half

to three and three-quarters hours. Two boats caught no fish. Twenty-one boats caught a total of one northern pike, 13 bass, 135 bluegills and eight black crappies. One boat caught 32 bluegills, one 25, another 15.

The fish are there in the event you wish to work for them.

Fur Farm License Requirements

Because of the many questions being asked, I thought I might briefly discuss the fur farm license requirements.

First of all, a fur farm license is not required for an unprotected animal such as coyotes, wildcats, any species of foxes and mutations thereof—opossum, skunk and weasel, provided they are not raised for propagation purposes. In other words, if you found a young fox in the wild, you may legally possess and raise it as a pet without a fur farm license.

You must, however, be covered by a valid hunting or trapping license which ever the case may be to take the animal.

You are required to have a valid fur farm license to possess and keep a protected animal or an animal which is covered by a season such as raccoon.

I would also like to add that these protected animals must be obtained from a legal source such as another licensed fur farm and not be taken from the wild in a closed season.

Applications for the fur farm license may be obtained from your nearest warden or conservation department office.

County GOP Brat Fry at Hartford Saturday Evening

The annual brat fry sponsored by the Washington County Republican organization will be held this Saturday evening, Aug. 21, at Hartford. children are welcome to come with their parents. Tickets for the brat fry are available from members, or can be purchased at the park—adults \$1.00 and children under 12, 50 cents.

The Hartford City band, composed of approximately 40 members, will provide some summertime band favorites, as well as selected numbers by special groups within the band. If you enjoy good band music, you'll enjoy this part of the program during the brat fry.

Bernard C. Ziegler, chairman of the Sixth District, will be present for the program during which time he will discuss future plans for the Sixth District Republican party organization. Plans have been made also to present the Honorable Thomas Buckley, mayor of the city of Hartford, who will welcome those present to Hartford and Woodlawn-Union Park. Frederick Schroeder, assemblyman from Washington county, will address the crowd briefly on topical matters from the state legislature.

The annual brat fry has been held in West Bend for a number of years; however, the Republican organization in the county decid-

ed to hold the event in Hartford this year so that more people can attend from other areas as well. Dick Becker, chairman of the Hartford brat fry, is hopeful that everyone will make an effort this year to attend. The menu will include brats, hamburgers for those whose stomachs are tender, cole slaw, potato salad, relishes, and beverage. The brat fry and program will conclude by 8:30 p. m.

Special mention must be made of the fact that the Washington county YGOP has been most helpful with this event, and this young peoples' organization is most anxious to obtain new members from any area in the county.

According to the Public Health Service Surgeon General effective vaccines, drugs and other control measures give grounds for hope that diphtheria, whooping cough, polio, tetanus, rabies, measles, typhoid fever, syphilis and gonorrhea can be eliminated in the United States well before 1985. He added that the next two decades may bring a vaccine against leukemia, other progress against cancer and development of artificial hearts.

Wertz in Line For 4th Crown At South Hills

Defending champion Carl Wertz of Kewaskum put himself in strong position for an unprecedented fourth championship with two convincing victories in championship flight of the South Hills Club tournament at Fond du Lac.

Playing last Saturday, he beat Jim Tighe by a 5-4 count. In Sunday's quarter-final round, Wertz ousted John Boyle, 3-2. After 36 holes at South Hills over the weekend Carl came home to participate in the better half get-together at Hon-E-Kor Country club Sunday afternoon and he and Mrs. Wertz also won a top golf prize in this event.

Joining Wertz in the semi-finals at South Hills were two relative youngsters and another veteran golfer, Don Castle, the veteran who plays Wertz at 11:30 a. m. this Saturday, eliminated Fred Kapelle, 4-3, then bounced two-time champion Robbie Edgarton, 2-1.

The youngsters are Tom Rause and Mike O'Neill, both graduates of the University of Notre Dame. They will play at 11:37 a. m. Saturday for the right to meet the winner of the Wertz-Castle tussle.

Wertz' 67, four under par, was the finest round of last weekend. It was also the lowest weekend score this season at South Hills.

After completing the South Hills tournament, Wertz, who is also club champion at Hon-E-Kor club, will defend his title here on the next two weekends, when the local meet will be underway.
