NUMBER 49

\$1,000 in Prizes Given at Golf Awards Night

160 BIG PRIZES AWARDED TO 126 PERSONS PRESENT; TROPHIES FOR CHAMPIONS

The annual men's and ladies' Awards Night dinner and dance was held at Hon-E-Kor Country club on Saturday night, Oct. 2. A very large number of valuable prizes of golfing equipment and other merchandise, totaling 160 in all and valued at approximately \$1,000 by pro "Biddy" Bidwell, were given away to the 126 members present. Everyone attending won at least one big prize and some of them two and three at this highly successful affair.

In addition, trophies were awarded to all league and tournament champions and runners-up for the season. The 7 p. m. chicken and beef dinner was followed by the awarding of trophies and prizes and later the dance with Justy's KeyBenders supplying music. Everyone had a rousing time.

The \$1,000 in prizes consisted of golf club sets, golf bags, golf carts and other golfing equipment such as rain jackets, umbrellas, caps and towels, along with 30 Regal Teflon frying pans, coffee-makers, whiskey, wine, beer, dinners and record albums, etc. As there were 160 prizes on hand, too many for the 126 persons in attendance, many of the prizes were doubled up and the winners received two prizes, a big one and a smaller one. Some people who had reservations did not show up and these extra prizes were also given as door prizes. Quite a few were repeat prize winners. Numbers (given at the door) were called off from 1 to 126 and everyone down the line came up for at least one prize.

Most of the prizes were purchased with all of the money left in the club fund from monies paid in during this season and last year. Last year the money was kept in the fund but at a meeting it was decided to give all of the fund from both years out in prizes this fall, leaving only enough to begin operations next season. Many of the prizes were also donated.

Among the luckier couples, both of whom won big prizes, were Harry and Jan Koch. Jan won a set of 3 woods and Harry an umbrella valued at \$8. Jan kept saying, "I can't get over this." Bruce and Marge Koth each won a big prize also, among others. The prize distributors, Allen Tessar and "Doc" Rumsey, were rewarded with smacks on the cheeks from some of the lucky ladies who won the big prizes of golf clubs and bags. Many of the winners were money ahead after the dinner, their prizes being worth more than the affair cost them.

The fourth annual Awards Night began with Erv Werner, men's golf committee president, presiding. He introduced Jane Reigle, ladies' president, who presented a gift from the ladies committee to pro Bidwell for all of his lessons and help to them during the season. "Biddy" spoke briefly and then presented the awards to all of the men's and ladies' champions, except the men's league champion, which trophy was presented by Allention flight—Pat Mayo.

A fitting and humorous poem, written by and dedicated to Champion Leroy by Mrs. Tom Slaughenhou, was read by Bob Zarling.

As part of the program Moe Mariucci grounds keeper, was given a round of applause for his fine work in keeping the course in excellent shape. Pro Bidwell's wife was introduced and he was also rewarded with a peck from Pat Mayo when she picked up her consolation trophy. Some of the champs filled their trophies with champagne after the program and passed them around to their friends for a sip.

Trophies were awarded to the following tournament champions and runners-up, with the champion mentioned first:

Club championship—Carl Wertz, champion; Len Carroll, runner-up. This is Wertz's fourth consecutive championship at Hon-E-Kor. In accepting his trophy Carl had words of praise for his opponent Carroll and Len called Carl the finest golfer and gentleman he has ever played.

POLL OF GROUP FAVORS PROCEEDING WITH PLANS

A public meeting was held at the high school on Monday, Sept. 27, 1965, to advise the high school Board of Education on the best course to follow in obtaining voter approval for additional space at the high school.

Mr. Richard L. Edwards, President of the Board of Education, asked for questions. Among the items discussed were the cost of the project, the tax impact, State and Federal aid programs, the qualifications of the architect possible cuts in the building program, the future of the district and community's apparent feeling toward the project. Members of the Board answered the questions and Mr. Boyd, High School Principal explained alternate plans.

Mr. James D. Reigle pointed out that the studies that had been made were intensive and that expert advice had been sought. He also pointed out that the school was an asset to the community and that our children deserved an education equal to that of schools in neighboring districts and in the state.

The result of the discussion was that the group was polled to determine what action they felt was best. In a nearly unanimous vote, it was recommended that the Board proceed with the complete plan as previously proposed and that the Board and interested citizens make themselves available to speak to any church, civic, labor, school or fraternal group that would allow them to appear at their meetings. Arrangements can be made for speakers to attend meetings by contacting any school board member or calling Mr. Boyd at the high school.

**Indians Notch
First Win at
Slinger, 13-0**

After going without a victory last season and losing their first two games and gaining a tie thus far this year, the hungry Kewaskum Indians finally tasted victory at Slinger last Friday when they humbled the Owls, 13-0, moving them into fifth place.

In its renaissance, Kewaskum was a determined team as they blanked the Owls. Quarterback Bill Backhaus hit Jerry Marx with a four-yard scoring pass in the second quarter and Bob Coulter bulled over from three yards out in the fourth period. Mark Schaefer kicked the lone extra point.

Coulter, who missed the Indians' first three games this season with an arm injury and was sorely missed, shattered the Slinger line for 97 yards in 24 trips. This is a gain of better than four yards per try for some real bulldozing. Slinger after rushing for 46 yards in the first quarter, was held to a minus six from scrimmage the remainder of the way by Kewaskum, a bulwark on defense.

In the feature game Friday, Germantown and Pewaukee, who were tied for the lead with 2-0 records, battled to a 12-12 tie and now share first with North Fondy, which won over Random Lake, 19-

6. In the other contest Campbellsport, after leading Grafton at halftime, 13-12, was smothered by the defending champs, 38-13, under a withering second half comeback.

Tonight (Friday) the Indians hit the road again, playing at Random Lake. The winless Rams have lost three in a row and share the cellar spot with Slinger in the Scenic Moraine conference. Kewaskum is favored and should be able to notch victory No. 2 to move up in the standings. Next Friday, Oct. 15, the Indians host the Pewaukee powerhouse in their homecoming game.
