Advertising for Bids on New Post Office in Kewaskum to Begin Mar. 14

BUILDING TO MORE THAN DOUBLE PRESENT SIZE; WILL OPEN BIDS APR. 14

The Post Office Department is seeking competitive bids to build and lease the new post office at Kewaskum, Postmaster General Lawrence F. O'Brien announced this week.

The purpose of competitive bidding, O'Brien said, is to encourage the most attractive and economical offer to the government in line with President Johnson's economy program to achieve the best possible postal service at the least possible cost.

Under the department's construction program, the site selected at 341-347 Main st. will be assigned to the successful bidder, who will purchase the property, construct the building according to departmental specifications and lease it to the Post Office Department for a basic period of 10 years, with options to renew the lease for an additional 20 years.

The department's capital investment will be limited substantially to postal equipment. The building will remain under private ownership with the owner paying local real estate taxes.

Bidding documents will be available on or about March 14, 1966 and may be obtained from R. W. Van Sickle, regional real estate officer, 7440 W. Greenfield ave., Box 2673, Milwaukee, Wis. 53214. The real estate officer will supply bidding forms, building specifications, and other information. Bids must be submitted to the real estate officer by April 14, 1966.

Cong. Race Makes Announcement

In a special release from Washington, D. C. on Thursday, Mar. 3, Congressman John A. Race verified the announcement that the Post Office Department will begin advertising for bids on Mar. 14 to construct a new facility in Kewaskum.

Race added to the Post Office Department's information by stating that the new building will have an interior of 3,433 square feet compared with the present 1,673 square feet; a loading platform of 332 square feet as compared to the present 90 square feet and a parking and maneuvering area of 6,024 square feet.

He said bids will be opened on April 14 in the Milwaukee post office at 1 p. m.

These students have been directed by Jan Rosenthal.

National Merit Test Taken by 40 KHS Students

Kewaskum Community High school administered the National Merit Scholarship Qualifying Test (NMSQT) to 40 students at 9:00 a. m. on Tuesday, March 1, Marshall Boyd, principal, announced. The NMSQT, a two and one-half hour test of educational development, is the first step in the twelfth annual competition for four-year Merit Scholarships. Students who wish to be considered for the Merit Scholarships to be awarded in 1967 must take the NMSQT on this date.

All students' scores will be reported to their schools before May 15, together with interpretive and guidance materials for schools and students. About 14,000 semifinalists, the highest scorers in each state, will be announced publicly on Sept. 22, 1966.

Finalists who win Merit Scholarships will be selected on the basis of school records and recommendations, test scores, extracurricular activities, leadership ability, and accomplishments outside the classroom. The awards range from \$100 to \$1,500 per year according to the student's need. About three-fourths of the 2004 Merit Scholarships awarded in 1965 were sponsored by corporations, foundations, colleges, associations, unions, trusts or individuals.

SERVES AS CO-CHAIRMAN OF COLLEGE WINTER CARNIVAL

It was "Winter Wonderland" with or without snow. That was the theme for Lakeland college's annual winter carnival at Sheboygan Feb. 17-20.

According to co-chairmen Carole Erdmann, Kewaskum and Ron Szokolzay, Bridgeport, Conn., a

fireworks display Thursday began the four-day frenzy of fun. A king and queen ruled over the weekend. A carnival was held and booths in the gym included weight-guessing, ring-tossing, pie throwing at pictures of faculty members, and other games. Refreshments were sold.

Furnishing music during the evening was a "live" juke box and student musicians performed only when coins were dropped into a tin cup. Other events were an all-school dance, lumberjack breakfast, pancake eating contest, beard-growing contest and others. Ice and snow sculpturing competi-

tion was also scheduled, along with basketball and snow-bowl games, a royal banquet and girls' obstacle race.

Miss Erdmann was also selected

by Cliff Owens, Milwaukee, to be an attendant with him on the royal court.

The announcement came following a statement by District Attorney Richard T. Becker of Hartford that he will not seek reelection to the office which he has held since his election in 1960.

In announcing his candidacy,

Kauffman pointed to his experience as assistant district attorney under Becker and to his five years as an Air Force judge advocate where he gained extensive experience in the field of criminal law.

A native of Springfield, Ill., Kauffman was educated at Marquette university where he received his law degree in 1959. He served in the U. S. Air Force for three years at Suffolk County Air Force Base, New York, and for two years in Ankara, Turkey.

In 1962 he was admitted to practice before the United States Supreme Court and the United States Court of Military Appeals. He separated from the Air Force in June, 1965, at which time he

came to West Bend and associated with Gerald F. Marine in the practice of law and was appointed assistant district attorney.

He and his family reside at 878 Lincoln Drive West, in West Bend. They are members of St. Francis Cabrini parish. He is a member of Washington County Bar association, the Knights of Columbus, and is vice-chairman of the Washington County Young Republicans.

Members of County Farm Bureau Attend District Meeting

"Helping feed the hungry people of the world is one of the problems our country is going to have to face," according to Percy Hardiman, president of the Wisconsin Farm Bureau Federation.

"Our farmers can do their share in supplying the needed food for domestic consumption and supply needed commodities for a great many friendly nations if allowed to produce for a market and not for government storage," he said.

Hardiman was one of the speakers at a district meeting in Mukwonago recently at Congregational church hall.

Mr. and Mrs. Fred Schellinger, and Mr. and Mrs. Robert Held of Slinger, Ron Keller of Hartford, Carlton Martin and Franklin Thur-

felder of Germantown, Chas. Gluck of West Bend, Richard Degnitz and Mr. and Mrs. Lee Fickler of Fillmore were among the 50 in attendance at the meeting.

Featured speakers with Hardiman were: Wm. Kasakaitas, Madison, Wisconsin Farm Bureau legislative director; Mrs. A. J. Baumann, Cottage Grove, chairman of the Farm Bureau's Women's committee, and Gail Hamilton, director of information for the organization.

The meeting, which involved Farm Bureau leaders from seven counties, was one of a series of 12 such meetings currently being held across the state to give leaders of county farm bureaus an opportunity to better understand the organization's policies on national affairs.

Kasakaitas told the group, which included officers, legislative committees and women's committee chairmen, that doing away government farm programs would be the surest way to aid agriculture.

"Poultry, swine and beef, which are not controlled by the government, were worth over \$13/4 billion more last year than in 1964, while controlled crops such as cotton, wheat and feed grains went down," he said.

Mrs. Baumann told of the wo-

man's role in farming and executing policies in the organization and urged the leaders to take an active part in the political party of their choice as well as support those representatives who do a good job.

Hamilton, who serves as editor of the organization's monthly magazine, the Badger Farm Bureau News, outlined the job to be done in getting the Farm Bureau story across to congressmen as well as the general public.

Grafton Tops Cedar Grove in WIAA Regional Tournament Finals Here

KEWASKUM BEATS BELLS TO COP SUB-REGIONAL CONSOLATION HONORS

Grafton's undefeated Scenic Moraine champions picked up all the marbles as they have done so many times in the past by beating Cedar Grove in the finals of the WIAA regional tournament in Kewaskum Saturday night, 61-46. As a result Coach John Bliese's Blackhawks advanced up the tournament ladder to the sub-sectional meet at Grafton on Tuesday night of this week.

Both Grafton and runner-up Cedar Grove were awarded large, handsome trophies at the tournament's end by Principal Marshall Boyd of host Kewaskum High school. Another packed house of screeching fans saw the finals. All of the tourney games here drew capacity crowds.

Grafton reached the regional finals by defeating Kewaskum in the sub-regional opener here Tuesday, 61-49, and Slinger in the sub-regional finals Friday, 66-50. Kewaskum gave Grafton the closest run of any team in the tournament, including Cedar Grove. In a recent conference contest the Indians lost to Grafton by only 5 points and has proven tough for them all season. Cedar Grove reached the regional finals in Kewaskum by besting Random Lake in the sub-regional opener at the Grove and then edging Oostburg

in the sub-regional finals there Friday.

In the regional final game Saturday Grafton and Cedar Grove played on even terms in the first half but the Blackhawks' strength began to show as they pulled away in the second half. The score was 8-8 at the quarter and 21-20, Grafton, at halftime. In the third period Grafton pulled ahead, 39-34, and outscored the Dutchmen by a big margin, 22-12, in the final stanza to win easily by 15 points, 61-46. Jeff Sewell, Grafton's all-conference ace who set an all-time individual scoring record in the Scenic Moraine this year, again copped scoring honors in the title tilt with 27. Teammates Greg Kirst and Tom Roy chipped in 12 points each. Top scorer for Cedar Grove was their star, Van Gowe, an Eastern Wisconsin all-conference selection and loop's leading scorer, who made 23. Wilterdink added 9.

In the sub-regional finals here Friday Slinger's last place Owls proved a stubborn opponent for heavily favored Grafton before losing 66-50. The Blackhawks outscored the Owls however, in every quarter, leading 18-7 at the quarter, 38-22 at the half, 51-31 at the end of the third period. Coach Bliese kept the score down by playing every man on his squad and saving the regulars for the regional title game on Saturday.

Sewell again was the big gun with 26 points. A. Gundrum and F. Gundrum paced Slinger with 11 points apiece.

In the consolation bracket Friday Kewaskum soundly thumped Campbellsport for honors, 89-71. Both the Indians and Bells were first round losers. After leading 22-14 at the quarter and 44-33 at the intermission, Kewaskum was outpointed in the third stanza, 24-19 as the Bells shaved the margin to 63-57. But the Indians made a run-away of it in the final period, making 26 points to the Bells' 14 to win by 18 points. Four players did nearly all of the scoring for Coach Lindy DeNanur's Indians. Bill Backhaus set the pace with 24, followed by Bob Coulter with 23, and Dick Wiator and Ed Czaja with 16 each. Dave Weiland as usual led the Bells with 24.

Results of Tuesday night's open-

ing games were published in last week's issue.

GRAFTON BEATS HARTLAND IN SUB-SECTIONAL MEET, ADVANCES TO SECTIONAL

Grafton, which won the regional championship at Kewaskum Saturday night, kept rolling and advancing in tournament play by downing Hartland Arrowhead in a sub-sectional playoff game at Grafton Tuesday, 72-65. Jeff Sewell again led the way with 25 points.

The win advanced Grafton to the sectional tournament at Brookfield this Friday and Saturday, where the Blackhawks will compete with Wauwatosa West (winner over West Bend Tuesday), Milwaukee Riverside and New Holstein. Only 32 teams are still in the running for the state championship and this number will be whittled to only 8 after the 8 sectionals this weekend. These 8

will advance to the state meet at Madison the following weekend.

Pairings for the sectional at Brookfield East Friday are: Grafton (20-2) vs. Wauwatosa West (15-7); Milwaukee Riverside (14-6) vs. New Holstein (20-0).
