2 County Campaign Headquarters Are Sponsored by GOP

Washington county Republican office-holders and candidates were joined by many volunteers from the county organization in setting up two campaign headquarters in West Bend and Hartford. The Hartford headquarters is already in operation at 31 S. Main st. Mr. and Mrs. John Disher will head its operating committee.

Newly acquired headquarters for West Bend and surrounding areas are located at 151 N. Main st. (next door south of MacShab's). Volunteers have been working overtime cleaning and putting up the traditional colorful decorations under the direction of Todd Heil and Lester Francke. Republican headquarters will be staffed by a large corps of volunteers during the pre-election weeks to come. All citizens are invited to drop in to chat about campaign issues and pick up the literature, pins and bumper strips of their favorite candidates. The Republican "store" will be equipped with a telephone which will enable voters to call in for election in-

formation. The "grand opening" of the West Bend GOP headquarters will be held on Friday evening beginning at 7 p. m. General chairman of the event, Lester Francke, has issued a cordial invitation for the public to attend. Refreshments will be served and there will be an opportunity to meet "in person" many office-holders and candidates. The general operation of the headquarters will be in charge of a well-known Washington county Republican "team," Mrs. Robert Claus, Mrs. George Hembel, and Mike Kratzer. After the Sept. 16 grand opening the headquarters will be open daily from noon to 5 p. m.

New Plant at Lomira Dedicated

A new manufacturing plant for Steelmade Inc. can vending machines has been completed in Lomira, Wis. at a cost of \$250,000.00. The facility was completed Aug. 15 in time for the Aug. 27 dedication and flag raising ceremonies. Wisconsin Governor Warren P. Knowles attended. The beautiful plant is nestled in the center of a 20-acre alfalfa field at the intersection of Hwys. 41 and 67. Room for growth has

been provided by the architects, Sutton Potri & Associated. The interior area now measures 30,000 square feet.

Beginning employment figures for the plant started at 50 people but substantial expansion is planned according to Steelmade Inc.'s president, R. F. Jones.

"Steelmade Inc. has moved to Lomira from its former Minneapolis address because of the growth

potential of the Central Wisconsin area," according to Jones.

"There was a secondary consideration as well," says the president. "Our machines are distributed nationwide and with our new facility in the nation's palm, we can ship equally well to all of its fingers."

Construction for the site was handled by the Searl Construction company.

Indians Downed By Horicon in Grid Opener, 27-7

PLAY CAMPBELLSPORT THERE FRIDAY NIGHT

Opening the football season with a non-conference game at Horicon Friday night, the Kewaskum Indians were defeated by the Marshmen of the Little Ten conference, 27-7. Horicon fired too many offensive guns and romped over a young Kewaskum squad.

The lead paragraph in this week's Horicon Reporter had this to say about the game, quote: "Would you believe a team showing up for a road game with their home game uniforms? Well, Kewaskum came to town last Friday night dressed for a home game and forced the Marshmen to change to their road uniforms. That was about the only thing they forced Horicon to do all night, however, as the Marshmen moved the ball almost at will and added a fine defensive effort to rack up an impressive 27-7 win in the non-conference opener."

Horicon stormed ahead of Coach Joe Harlow's team to a 20-0 half-time lead before the Indians braced themselves and played an improved brand of football. Bill Backhaus put Kewaskum on the scoreboard in the third period when he bolted across the goal line on a five-yard run and fullback Jim Korth added the extra point on a run.

Only two starters from the Kewaskum team of a year ago were on the field against Horicon but Harlow praised the performance of Jerry Marx, halfback and defensive safety, and Korth.

The coach had the Marshmen playing a pro-type offense and it worked well. Jim Kiesow, speedy 165 pound senior fullback, stood out. He threw blocks, caught passes and ran for good yardage, scoring two touchdowns. Senior quarterback John Marx scored the other two Horicon TD's. He completed six out of 12 passes and had one intercepted.

The Marshmen made 18 first downs and around 340 total yards. The line blocked well and gave Marx much time to pass. Kewaskum managed only five first downs and around 96 total yards. Horicon gave up much yardage on penalties, at least three of them for unsportsmanlike conduct. Kewaskum could have made a close game of it but on several long passes when they had receivers open they were not able to hang onto the ball.

Tonight (Friday) the Indians open Scenic Moraine conference play at Campbellsport against their chief rivals. The Bells easily beat St. Mary's Springs academy

of Fond du Lac, 18-6, last Friday. The contest should be a wing-dinger. In one other non-loop tilt Friday North Fondy bested Marion High, 13-6. In other non-conference games involving Scenic teams Slinger won over Columbus, 20-12, and Germantown downed Hartland, 34-14. Kewaskum was the only conference team to lose.

THOMPSON—A daughter to Mr. and Mrs. Gerald Thompson, 1330 Riverview dr., Kewaskum, Sunday, Sept. 11.

A Michigan State university professor of political science says the most terrible bomb in the world is not thermonuclear but the "population bomb." Lawrence Battistini declared the world's population has grown to about 3 billion people today; will double to 6 billion by the year 2000; and then will double again to 12 billion human beings by the year 2030. He also said, "It's a terrifying thing... very frightening."
