Aldwin Seefeldt Named Assistant DA for County

DUTIES ARE ASSUMED BY KEWASKUM NATIVE

District Attorney Robert J. Kauffman Monday announced the appointment of Aldwin H. Seefeldt as assistant district attorney for Washington county. The new assistant will assume his duties immediately.

Atty. Seefeldt was granted his Doctor of Laws degree from the University of Wisconsin Law School in commencement exercises on Jan. 21. He was admitted to practice before the Wisconsin

Supreme Court in ceremonies in the court chambers on Feb. 3. He has also been admitted to practice before the Federal District Court of the Western District of Wisconsin. Seefeldt is affiliated with Tau Epsilon Rho legal fraternity. The son of Alfred H. Seefeldt, the new assistant is a native of Kewaskum and is a graduate of the public schools of this community. He received his Bachelor of Arts degree from Lakeland College in 1963, where he had served as student body president for three years. He was also nominated to the 1962-1963 edition of Who's Who Among Students in American Universities and Colleges.

Throughout high school and college, Mr. Seefeldt was active in Washington County 4-H activities. He was a delegate to the 4-H Conference in Washington D.C. and is a recipient of the Wisconsin 4-H Key Award.

Interested in government, the new attorney served on the finance committee of the second district Republican party during the last campaign. He is presently serving as treasurer of the Wisconsin Federation of Young Republicans.

Seefeldt is married to the former Karen Lindmuth of Kaukauna. A graduate of the University of Wisconsin, Mrs. Seefeldt has been serving as a librarian with the Wisconsin Historical Society. The Seefeldts will make their home in West Bend.

HOSPITAL NEWS

Mrs. Faye Keller, Kewaskum, returned home Tuesday from St. Joseph's Community hospital, West Bend, after submitting to surgery the previous week.

Dawn Martin, Kewaskum, was a patient at the Milwaukee County hospital for a week.

Kris Westerman 1967 Homemaker Of Tomorrow

Kristine Westerman ranked first in a written homemaking knowledge and attitude test given to senior girls Dec. 6 and becomes Kewaskum's 1967 Betty Crocker Homemaker of Tomorrow, it has been announced. Registered for the test were 581,334 girls in 14,753 of the nation's high schools, a new record for the 13 years the program has been offered by General Mills, its sponsor.

Kristine will be awarded a specially designed silver charm, and she remains in contention for state and national scholarship awards ranging from \$500 to \$5,000.

In the program's next step, a state Homemaker of Tomorrow will be selected from winners in all schools of the state. She will receive a \$1,500 college scholarship, and her school will be given a set of Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The state runner-up's award will be a \$500 scholarship.

Following her selection, the state Homemaker of Tomorrow, together with a school advisor will join winners and advisors from each of the 49 other states and the District of Columbia in an expense-paid educational tour of Colonial Williamsburg, Va., and Washington D. C. Climax of the trip will be the naming of the 1967 Betty Crocker All-American Homemaker of Tomorrow.

Chosen from the state winners on the basis of her original test score, plus personal observation and interviews during the tour, she will receive a scholarship increased to \$5,000. Grants of second-, third-, and fourth-ranking girls in the nation will be raised to \$4,000, \$3,000 and \$2,000, respectively.

All judging is conducted by Science Research Associates, Chicago. This educational testing and publishing firm also constructs and grades the written test.

Started during the 1954-55 school year, the Betty Crocker search for the American Homemaker of Tomorrow is designed to emphasize the importance of homemaking as a career. More than 5 million girls have participated in the program since it began and, with 1967 awards added, scholarship grants have exceeded \$1.3 million.

Miss Thull Dies

Miss Patricia Thull, 30, daughter of Mrs. Rose Thull and the late Oscar Thull of R. 2, Kewaskum, passed away Wednesday night, Feb. 8, at St. Joseph's hospital, West Bend, after an extended illness. She had been removed to the hospital in the local ambulance Tuesday afternoon.

Funeral services for Miss Thull will be conducted Saturday, Feb. 11, at 9:30 a. m. from Miller's Funeral home, Kewaskum, and at 10 o'clock at St. Michael's church, St. Michaels. Friends may call after 3 p. m. Friday at the funeral home.

Why is it that a woman will spend \$15 for a beautiful slip—and get mad when it shows?

Senior Girls, Mothers to Be Honored at Tea

The Kewaskum High school senior girls and their mothers will be guests of the Kewaskum Woman's club at the annual Senior Girls Tea on Saturday, Feb. 11.

Guest speaker will be Jane D. Swan, dean of women at Carroll college. Miss Swan, a native of Tennessee, did her undergraduate work at Louisiana State university and received her master's degree at Syracuse university, New York. Before coming to Wisconsin, Dean Swan was employed at Louisiana State university as director of the residence program and at Miami college in Ohio as assistant dean of women.

The regular business meeting of the Woman's club will be held in the Peace church fellowship rooms at 2:30 p. m. and the tea will follow at 3 o'clock. Hostesses will be Mrs. Marvin Martin, chairman, assisted by Mes. M. H. Boyd, R. G. Edwards, L. Oppenorth, C. F. Miller and J. H. Schwind.

Markesan would host the Region 7 finals and Kewaskum the Region 5 finals.

Further details will follow at a later date.

Information on New UW Center in County Revealed

UNIVERSITY BRANCH TO BE OPENED IN WEST BEND IN '68

Chancellor Lorentz H. Adolfson of the University of Wisconsin Center System met with the Citizens Advisory committee in West Bend Feb. 1 to discuss general background information concerning the Washington County Center to be opened at West Bend in September, 1968. Art Mancl, planner and architect, also attended the meeting. It is anticipated that invitations to bid will be issued in early spring.

This article is made up of notes made during the meeting.

First People on Job

It is planned to open the three building campus on the former Pick farm (west of West Bend) in September, 1968. It will be known as the University of Wisconsin, Washington County Center.

The first university personnel to be stationed in West Bend will be the dean and a secretary; the two largest centers also have assistant deans. The goal is to hire the dean by July 1, 1967. As this is the key position in the center, the local committee has asked to interview the final three applicants. Then, early in 1968, a student counsellor will be stationed in West Bend. (Centers with over 400 students have two counsellors). Other centers also have an office force of 3-6 people, including a local business manager, usually a local woman, and she must be chosen by civil service.

Faculty

It is contemplated that the initial faculty will be comprised of 20-22 teachers; some will be resident, some will teach in Milwaukee or other centers as well. The average ratio is 16 students to 1 professor, depending on the subject. About 25% of the faculty in the currently operating eleven centers have Ph. D. degrees, while most of the balance have Master (Continued on page 7)

CHANGE DATE FOR INCOMING FRESHMEN PARENTS' NIGHT

The date of the incoming freshmen parent's night will be Tuesday, Feb. 21, instead of the 22nd as previously announced in the high school newsletter. This meeting precedes the freshmen registration and test day, which will be on Saturday, Feb. 25, at 8:00 a. m. Material and information concerning these meetings will be mailed to parents next week.

Launch Cancer Society's Crusade

At the American Cancer Society's 1967 National Volunteers Meeting for Education and Crusade in Chicago, Ill. recently, Lehman Rosenheimer (right), Kewaskum, president of the Washington county unit, talked with Bob Conside, noted columnist and radio commentator, who is associate chairman of the society's 1967 Crusade.

Rosenheimer attended the meeting with Warren Coultas, West Bend, Crusade chairman for the Washington county unit of the American Cancer Society. A photo was also taken of Coultas talking

with William Gargan, famed stage, screen and television actor, who lost his voice box to cancer. With the help of the American Cancer Society Gargan learned laryngeal speech and is devoting himself to teaching and helping others all over the country. Gargan is director of the William Gargan Cancer Fund of the American Cancer Society.

About 700 volunteers from all over the country launched the society's 1967 Educational and Fund Raising Crusade at the Chicago meeting.

Business and Rural Chairmen for Heart Fund Drive Named

VOLUNTEER SOLICITORS FOR RURAL AREA LISTED

Business and rural division of the 1967 Heart Fund campaign will conduct their solicitation in early February, it was announced this week by Mrs. Jack Tessar, Kewaskum village chairman of the drive here.

Jack Tessar will head the division whose workers will canvass business firms and Mrs. Marie Dei, R. 2, Kewaskum, will lead the volunteers who will solicit in a two-mile radius outside the community limits.

Mrs. Dei announces the following co-workers who will assist her in the rural campaign: Arnold Amerling, Arnold Bier, Mrs. Ed. Volm, Mrs. Leroy Becker, Mrs. Wm. Thull, Mrs. Ray Kirchner, Mrs. Elmer Zuehlke and Wayne Remmel. Names of the village co-workers will be announced next week by Mrs. Tessar.

Pointing out the businessman's responsibility to support the campaign, Mrs. Tessar said, "heart and blood vessel diseases are a constant threat to business and industry, afflicting skilled workers and executives in their most

productive years. Years of training and investment can be destroyed by these diseases.

"Medical research, supported by Heart Fund contributions have made many advances," she said. "As a result, more lives are being saved and prolonged and more patients are returning to work."

"Remember these facts when the volunteers visit your home or business. Your Heart Fund contribution is one of the best investments you can make in your life and in the economic and social welfare of your community."

Electric blankets, heaters, humidifiers for solid winter comfort

Winter hibernation might be just great for bears — but not for people, of course. But another good way to keep warm and comfortable all winter long is to move summertime right indoors with you — electrically.

Examples? You'll sleep deep all night long under a lightweight electric blanket — its wonderful warmth automatically maintained exactly as you set it. Dual controls, if you wish, for perfect "His and Hers" comfort.

Have a hard-to-heat room? A bathroom, for example, or a room distant from the furnace? For supplementary

heating, you can't beat an electric heater. You get heat almost instantly... where and when you want it.

Excessive winter dryness is a common complaint in most homes. An electric humidifier automatically maintains humidity at the comfort level — prevents dryness so irritating to nose, throat, and skin. One symptom of excessive dryness is static sparks when you touch some object in your home.

These are some of the many ways to make life healthier, more comfortable for the family that deserves the best — all electric living... your family!

Mrs. Fred Jackson and Mrs. Bertha A. Stautz Pass Away

Mrs. Fred Jackson, 45, nee Frances Harris, a resident of the town of Wayne for the past six years, passed away at 11:30 a. m. Tuesday, Feb. 7, at St. Agnes hospital, Fond du Lac following an illness of several days.

Mrs. Jackson was born May 18, 1921, at Blacksburg, South Carolina and her marriage to Fred Lee Jackson took place at Spartanburg, S. C. on Aug. 1, 1942. The couple came to Milwaukee in 1943 and resided in that city until moving to Campbellsport in 1948. They came to their present home in the town of Wayne in 1961.

Surviving are her husband, three daughters and two sons, all at home, namely Frances, who is employed in the sales office at Regal Ware, Inc.; Sandra, a senior at Kewaskum Community High school; Fred, Jr., a freshman at Kewaskum Community High school; Deborah, a pupil at the Kewaskum Elementary school, and Andrew, a pupil at the Wayne Elementary school; her mother, Mrs. Eloise Harris, of Cherokee Falls, S. C.; two sisters, Mrs. William Vance of Madrid, Spain, and Mrs. J. C. Childers of York, S. C., and four brothers, Howard Harris of Sheboygan, Henry, Jr. of Cedar Grove, Gene of Kings Mountain,

N. C. and Dennis of Gaffney, S. C. Her father, Henry Harris, predeceased her.

Mrs. Jackson was a member of the Kewaskum Woman's club.

Funeral services will be conducted at 2 p. m. Friday at the First Baptist church, Campbellsport, with the Rev. Walter Anderson officiating. Interment will be in Union cemetery, Campbellsport. Visitation is at Miller's Funeral home, Kewaskum, since 3 p. m. Thursday and the body will lie in state at the funeral home until 11 a. m. Friday and at the church from 12 noon until the time of services.

MRS. BERTHA A. STAUTZ

Mrs. Bertha A. Stautz, 87, nee Eisentraut, of R. 1. Adell, the mother of Clifford Stautz of Kewaskum, passed away Wednesday, Feb. 8, at St. Joseph's hospital, West Bend, after being seriously ill for the past three weeks.

Mrs. Stautz was born June 5, 1879, in the town of Farmington, Washington county. She was married to Charles F. Stautz at St. Martin's church, Fillmore, on Nov. 15, 1900. After their marriage, the couple settled on a farm near Boltonville. Later they purchased the Jacob Stautz homestead and lived there until 1934 when they moved to Waubeka. In 1941 they returned to Boltonville and after the death of her husband on April 30, 1945, Mrs. Stautz lived with her son-in-law and daughter, Mr.

and Mrs. Elmer Quass at Cedarburg until 1963 since when she lived at her present home in Batavia.

Surviving are her son Clifford in Kewaskum and daughter, Mrs. Quass (Lucille), in Cedarburg; eight grandchildren, 15 great-grandchildren, a daughter-in-law, a son-in-law, two sisters, Lilly Schneider of Batavia and Edna Held of Castle Rock, Colo., and a brother, Walter Eisentraut, of Batavia.

Friends may call at the Schmidt Funeral home, West Bend, from 2 p. m. Friday. Christian Science services will be conducted Saturday at 2 p. m. at the funeral home with Mr. Kenneth Zedner as reader. Interment will be in Union cemetery, Boltonville.

UW CENTER

(Continued from page 1)
degrees, plus two years extra graduate work; several have completed their Ph. D. academic requirements and are working on their dissertations.

The faculty is recruited and administered by the dean and by system-wide chairmen in Madison. There are about 24 such system chairmen, one for each area of study. The typical system chairman spends about 1/3 of his time on center system matters, 2/3 on teaching and research at Madison; because there are about 75 center system faculty in English, that chairman spends 2/3 of his time on center system affairs.

The representative body of the center system is the faculty senate. Centers with less than 30 faculty have one representative (elected by local faculty); those over 30 have two. They meet six times a year. In addition to local faculty committees, there is a variety of system-wide faculty committees; e. g., curriculum, student life and interests. There is also a new, broader representative body being set up; it is called the faculty assembly to include representatives of all units of the university.

Curriculum and Standards Reviewed

To insure that the curriculum and faculty are comparable to Madison, the executive committee of residence departments (subject chairman at the university) approves all curricula and faculty standards relative to recruitment and promotion.

Subjects Offered

Centers are offering the basic subjects covered in the freshman and sophomore years at the four schools at Madison and Milwaukee. These include English, two languages, math, chemistry, botany, zoology, and social sciences (history, political science, sociology). Art and music are included because many students continue in elementary education. Physics is added after a year or two. All centers also have philosophy and in the second year include a basic accounting course for those continuing to business school, and engineering drawing (graphics) for those interested in engineering. Some centers have started physical education.

Extension Courses

All centers are active in adult courses, through the extension division of the university. These may be credit or non-credit courses, largely for adults, held in the evenings, weekends, or during the day where facilities are available. The dean is responsible for all undergraduate courses (freshman

and sophomore) and there is often an extension field man stationed at the center to supervise extension work.

Community organizations often use the center's facilities, such as the auditorium. This is arranged through the dean.

Overall University Organization

The University of Wisconsin has its own Board of Regents, separate and distinct from the Board of Regents of the state universities (formerly state colleges) such as those in Oshkosh, Whitewater, Eau Claire, Stevens Point, etc.

Mr. Fred Harington is president of the University of Wisconsin (covers all centers and UWM as well as Madison). He heads the central administration made up of the president, three vice-presidents (academic, business and administrative), and several special assistants.

The day to day operation is supervised by six chancellors: Madison, Milwaukee, 2-year schools (Chancellor Adolfson), Extension, 4-year Southeast, 4-year North-east.

Under Chancellor Adolfson, there is a registrar and admissions office for the center system; a planning group; a co-ordinator of student personnel services, who supervises local-student counselors; a central library; and a business office. The business office, among other duties, issues requisitions but all purchasing is done through the University Central Purchasing. For example, it is the goal to set up a minimum of 20,000 books in the center library at West Bend; these will be requisitioned through the central library to the chancellor's business office but purchased through University Central Purchasing. Mr. Adolfson explained that the center libraries are usually self-sufficient and do not use the community library.

In addition to this organization, curriculum and faculty are provided through the local dean work-

ing with the center system subject chairmen as described earlier, and the local West Bend organization is tied into the total university organization as described earlier.

How Students Will Be Enrolled

When a student decides to apply in 1968, he simply writes to the University Center System, State Street, Madison and asks for a catalog and application blank. The standards are the same as Madison: generally the applicant should be in the top 1/2 of his high school graduating class. There is a provision for "special students" who are not in the top 1/2; they may be admitted on probation and if they carry 15 hours of credits with grades of C, they become regular students.

There will be only freshmen in the class entering in 1968; both freshmen and sophomores in 1969.

Credits earned at the Washington County Center are as transferable as if they had been earned at Madison. Transcripts come from the center registrar at Madison.

Many students will transfer to Madison, Milwaukee, or some other accredited four year school after two years in West Bend. However, if a student decides to terminate his higher education at the end of two years, he may request a certificate for Associate in Arts or Associate in Science. This is not automatic; it must be requested. There were probably a dozen such certificates issued in the system last year.

Other Centers

There are now eleven centers in operation. One of the latest is Waukesha. 401 students enrolled there last September; normally, second semester enrollment usually drops about 15%, but in this case it increased to 450. Two new centers will open in 1968: West Bend and Baraboo. Three more similar 2-year schools are planned in the state university system: Rice Lake (under Stout), Fond du Lac (under Oshkosh) and

an expanded Richland Center (under Platteville).

Currently, there is a moratorium of more centers in order to get more experience with centers in smaller communities as that is where future centers will go.

Local Participation

The land and buildings are furnished 60% by the county, 40% by the city. Maintenance and 1/2 of some utilities are the responsibility of the local community, to be handled by the city in this case and to be paid for by the county and city depending on where the students come from.

Although centers are run by the university, many local communities have a citizens committee which expresses its interest in its center by raising scholarship funds and encouraging good relations between the community and the school. Marathon has had a highly successful citizens committee.

FFA Chapter Meets, Belongia Is Speaker

PLAN POSTER CONTEST FOR FFA WEEK FEB. 19

The meeting of the Kewaskum chapter of the Future Farmers of America was held Wednesday, Jan. 25, at the Kewaskum High school ag room at 8:00 p. m.

The week of Feb. 19 is FFA week. At the meeting it was decided to have a poster contest promoting FFA week between the agriculture classes in school. The class with the best poster would receive free treats for that class.

It was also decided at the meeting to buy a polaroid camera for the chapter. They would use it to take pictures of the members' projects and of chapter trips.

A spring trip to the John Deere tractor company was discussed.

Ford Almanacs were passed out to each member.

It was also discussed at the meeting to promote a FFA recreation-

al program.

The guest speaker was Jim Belongia, who went to Laos through the American Volunteer Service. He showed color slides about the topography, the people and their culture. His job there was to help the people to live better with what they already have.

Dale Moths, resident of the local chapter, was named the outstanding dairy student of the chapter at the annual Washington County Holstein Breeders meeting.

Ambulance Calls

Friday evening, Feb. 3—Leroy Reysen, R. 1, Adell, removed from Kettle Moraine drive, 1/2 mile north of Hwy. 28, to St. Joseph's Community hospital, West Bend, with injuries suffered in an auto accident.

Saturday, Feb. 4, 2:15 a. m.—Earl R. Atkinson, Linda M. Atkinson and Susann Fink, all of 2756 N. 44th st., Milwaukee, removed from the junction of Hwy. 41 and 28 to St. Joseph's hospital, West Bend, with injuries incurred in an auto crash.

Tuesday, Feb. 8, 4 p. m.—Patricia Thuill, R. 2, Kewaskum, removed to St. Joseph's hospital, West Bend.

FIREMEN PUT OUT CHIMNEY FIRE AT STROHMAYER FARM

Kewaskum firemen answered a chimney fire call at 5:40 p. m. Wednesday at the Anton Strohmayer farm home on Hwy. 28 in the town of Wayne several miles west of Kewaskum. The firemen opened the chimney and distinguished the blaze. The Kohlsville fire department also was summoned but Kewaskum firemen had the fire out when they arrived. Local firemen then returned to the fire station while Kohlsville stood by a short time longer.

Ten cents was big money when I was young. How dimes have changed.

Indians Thumped By Pewaukee 85-65 And Grafton 94-49

The Kewaskum Indians took two more lacerations the past week, administered by the first and third place teams in the Scenic loop. Pewaukee came here Friday night to hand them an 85-65 defeat and at Grafton Tuesday the Indians were snowed under by the co-leaders, 94-49.

Pewaukee outscored Kewaskum in every quarter but the second and held a 43-36 advantage at the intermission. The Pirates' Chris Graham enjoyed a fantastic first half at the Indians' expense and scored 21 of his game-leading 28 points on nine fielders and three free throws. Teammate Gene Weston bailed the Pirates out in the final quarter, after Kewaskum had pulled to within five points, when he hit a pair of quick baskets. Bill Backhaus and Mike Miller shared scoring honors for the losers with 18 points each. The Indians outpointed Pewaukee from the free throw line, 23-13, but it wasn't near enough.

On Tuesday night at Grafton against the defending champs who are again tied for first place this season, the Blackhawks outscored the Indians by wide margins in every period and Kewaskum never had a chance. Grafton led at the half, 41-24, and at the end of the third quarter, 67-35. Coach DeNamur could have kept the score closer but in the second half with his team way behind he gave his entire squad a chance to play, helping the Blackhawks run up a score.

Jeff Cebulski, who has been hampered by shin splints the last several weeks, outdid most of the healthy specimens on the floor, when he scored 31 points in Grafton's lopsided win over the Indians. The Blackhawks shot well for the entire game—hitting 36 of their 67 shots for 54 percent. They were also hot on free throws, sinking 22 while the Indians could make good on only 7. Veteran Tom Roy chipped in 17 points for the winners, while Kewaskum's top guns were Backhaus and Miller, both of whom were held to 11 points.

Tonight (Friday) the Indians will get back to a team more on a par with them when they entertain Random Lake. Kewaskum and the Rams are tied for fifth place, both with 3-8 records.

Horicon Laced by Lakes Team 102-67

Last place Horicon was no match for Kewaskum's Land o' Lakes team here Saturday night and the visitors were clobbered by a one-sided score of 102-67, a difference of 35 points. The win allowed Kewaskum to retain its fourth place standing with a 4-4 record.

With four of Kewaskum's bombers hitting in double scoring figures, an undermanned Horicon five was outscored in every quarter. Horicon had only six players for the game while Kewaskum, with its big lead, was able to give every man on the squad present

that night an opportunity to see plenty of action. Kewaskum led at the quarter, 23-11, at halftime, 49-33, and at the completion of the third period, 72-48. Every player on the local squad scored.

Veteran Don Meisenheimer set the pace for the winners with 27 points, all scored in the first three quarters before he was given a rest. Three players tied for next honors were Otto Ramthun, Al Tennes and Mike Coulter, each of whom scored 16 points, while Gene Pieper and Gary Gerhartz each chipped in 8. Top point men for Horicon were Albert with 19 points and Rehse with 16.

The contest was a clean one with only 23 fouls being called. As a result Horicon made only 7 free throws and Kewaskum 6.

Kewaskum has a bye in the schedule this Saturday and the

next game will be at West Bend on Sunday, Feb. 19.
