Local Scouts Return From World Jamboree

"A fun-filled lesson in international understanding" is the description of the XII World Jamboree given by four Scouts of the Badger Council, Boy Scouts of America, upon their arrival home.

Volunteer leaders of the local contingent told of the many activities that the Scouts had to get better acquainted with other Scouts from 100 countries. Exchange meals, evening campfires, a Wide Game, and earning of the Adventure Award provided many opportunities for Scouts to practice brotherhood and friendship, according to Mike Gnacinski, Jamboree scoutmaster.

Those earning the coveted Adventure Award, which included requirements related to bringing Scouts together from different countries, are Mark Gehri, Ripon, Geoffrey Stevens, Markesan, Paul Buczek, Kewaskum, and James Manthei, Kewaskum.

This World Jamboree was the first to be hosted by the Boy Scouts of America and brought together 13,000 Scouts. It was held at Farragut State Park, Idaho, from Aug. 1 to 9.

Scouts from here who attended the World Jamboree, Gnacinski said, are available to tell of their experiences before any community group. Requests may be made by calling the Badger Council, 922-3320, or writing to 625 Fond du Lac Ave., Fond du Lac, Wis. 54035.

Firemen Called to Stove, Dump Fires

Kewaskum firemen continued to be busy with two more calls the past week.

At 4:50 p. m. Friday the fire department answered a call to the Merlin Dreher home at 320 Main st. where a kitchen range and hood were damaged and a section of cupboard charred in a stove blaze.

Dreher said he was preparing French fried potatoes and left the kitchen while they were cooking. He heard a noise and returned to find the range and cupboard ablaze, apparently caused by the oil overheating and burning. A clock and canister also melted.

A ventilating fan drew the fire and smoke into the attic where firemen checked the fire. A dry chemical was used by the firemen to avoid water damage. The entire house was filled with smoke, causing extensive damage to the rooms. Smoke also poured from the windows.

No estimate of the damage was made but the building was insured.

At 3:45 p. m. Monday the firemen received another call for a fire at the village dump located on the Otto Giese home west of Kewaskum. The burning dump threatened surrounding firemen grass and wooded areas. Firemen remained at the scene about an hour in getting the blaze under control.

A small child was explaining to
her younger brother that it was
wrong to work on Sunday.

"But what about policemen?"
said the boy. "They have to work
on Sunday. Don't they go to hea-
ven?"

"Of course not," replied his sis-
ter. "They're not needed there."

Smartness rather than sincerity
is what ruins many people.

THE LATE, LATE SHOW

Even in August seeds still can be planted for late, late crops like
radishes and lettuce which come up quickly and are usable within
a few weeks from sowing. Try them and see.

Although it's August there are
many vegetables that can be
planted in the south and two
that still can be sown in the
north for late, late crops. These
are, of course, the quick-grow-
ing, quick-producing lettuces
and radishes.

Any kind of leaf lettuce and
either red or white radishes will
furnish food for the table during
September if seeds are planted
now. Just use a space in the
garden where earlier crops
stood and which now is vacant
because you ate what you grew
there.

It is important that you pre-
pare the soil for growing these
late crops in the same way you
readied it last spring for early
crops. Turn it over, rake it fine,
and add fertilizer before plant-
ing, for that added last spring
has doubtless been used by the
vegetables already harvested.

Should the weather be dry,

pathy extended to us by thought-

WAYNE CRUSADERS

Our July 4 meeting was held a
week in advance because of the
holiday. It was on June 27 at 8
p. m. at the Wayne elementary
school. Roll call was answered by
telling how we helped a friend.
The secretary's and treasurer's
reports were read and approved.
There was no old or new business.

Cheryn Wulff gave a talk on
entering exhibits at the fair. Deb-
bie Jackson gave a talk on con-
servation. Jimmy Klein and Den-
nis Terlinden gave a demon-
stration on how to fold a flag. Linda
Wulff talked about the state 4-H
club week which she had attend-
ed. We had a movie by Delbert
Miske, the name was Adventure in
Dairyland.

Refreshments were served by
the Williams, Bartelt, Omodt and
Menger families. We enjoyed the
ice cream bars.

Our Aug. 1 meeting was held at
Kohlsville park at 7:30 p. m. We
had our picnic this night. We had
no special meeting. First we
played a game in which you had
to have a volley ball between your
legs and carry a pail of water and
go from one distance to another
and back again. Two people go at
one time and have a race. The ob-
ject of the game is to go as fast
as you can and without dropping
the ball. The older ones played

this while the younger ones played
a game in which you threw sacks
in a board with holes in it. Then
they teamed up in two's and put
balloons between their heads and
had a race.

After the older ones were done
with their game they tied balloons
around their legs and ran around
trying to pop each other's balloon.
After that all the boys went and
played soccer and the girls sat a-
round and talked.

We enjoyed the ice cream and
soda which was served as re-
freshments.

County GOP Plans
Annual Brat Fry

Tickets are being made avail-
able county-wide for the annual
brat fry sponsored annually by the
Washington County Republican
organization. Co-chairmen for the
event which is to be held in Ger-
mantown this year are LeRoy
(Butch) Walterlin, who is presi-
dent of the village of German-
town, and Robert Klein of Rich-
field, treasurer of Washington
county. Saturday, Aug. 26, is the
date of the fry, which will be held
at the American Legion club-

house on Freistadt Road in Ger-
mantown.

The traditional brat fry is a fun
and fellowship occasion, not de-
signed for fund-raising, obviously
since the tickets are a famous
bargain still holding true to the
slogan "all you can eat, \$1.00 for
adults, 50 cents for children un-
der 12." The event offers the op-
portunity to greet GOP office-
holders and candidates as well as
old friends. All citizens are in-
vited to the brat fry regardless of
political affiliation. Tickets may
be obtained from any member of
the County Republican group.
Members of the organization who
need to fill the anticipated de-
mand for more tickets may obtain
more by contacting Mrs. George
Hembel, GOP treasurer.

SCHROEDER APPOINTED TO
LEGISLATIVE COMMITTEE

The appointment of six legisla-
tors to the Joint Committee to
Visit State Properties was an-
nounced Tuesday by Assembly
Speaker Harold V. Froehlich (R-
Appleton).

Reappointed to the committee
were Assemblymen Harvey Gee
(R-Wisconsin: Rapids) and Cletus
Vanderperren (D-Green Bay). Gee
is chairman of the Assembly Pub-

lic Welfare Committee.

Newly named members include
Assemblyman Gregor Bock (R-
Highland), Kenneth Merkel (R-
Brookfield), Frederick Schroeder
(R-West Bend), and Herbert Gro-
ver (D-Shawano).

The committee, composed of
six assemblymen and five sena-
tors, visits all state institutions
and properties to insure that pro-
per use is being made of state
facilities. It determines if they
are being used in accordance with
their intended purposes. Reports
and recommendations are submit-
ted to the legislature by the com-
mittee regarding the use of state
properties.

Did you know?

ELECTRIC
HEATING RATES
HAVE COME DOWN
30% SINCE 1958!

That's right! Through the years, the long term trend in the price of
electricity has always been down. And what's more — when you
heat your whole house with electricity, you have a special low,
bargain rate for all the electricity you use, for any purpose.

Of course, nobody tries to claim that electric heat is the cheapest
heat. But it is the best heat — by far. And worth every cent it costs.
No other kind of heating fuel comes close to providing the un-
matched cleanliness and individual, room-by-room comfort of
flameless electric heat.

That is why so many people are now finding out more about
electric heat before they build a new home or modernize their
present heating systems. If you would like more information, just
send in the coupon. No obligation of any kind.

Dolly Ramthun Regains Ladies' Golfing Title

SHADES IRENE SCHLEFKE IN TOURNAMENT FINALS

The finals in the ladies' club championship golf tournament at Hon-E-Kor Country club were played Wednesday with a host of lady club members watching the three flights with great anxiety. It is seldom that all matches end by such a close margin.

Dolly Ramthun won the club championship on the last hole by a one-up margin over Irene Schlefke. Her opponent's putt hit the back of the cup and slid aside to end the match, leaving Irene with runner-up honors.

Dolly reached the finals by defeating Betty Meunier in the semi-finals and Irene downed Bev O'Connor in the semi-finals. Dolly, who was ladies' club champion two years ago, regained her title after losing out to Betty Meunier last year.

In the ladies' club tourney, Eileen Perkins won over Joan Dricken by a 2-1 margin. This match was up and down all the way.

The high spot of the tournament was the president's flight. Helen Winninghoff finally became victor on the 21st hole over Virginia Backhaus. All final flights are 18 holes unless they end in a tie.

There are two trophies to be awarded for each flight.

Congratulations to the winners. To the losers, better luck next year.

The men's club championship and junior championship tournaments will begin with the opening rounds on Aug. 26 and 27 and the semi-finals and finals will be played on Sept. 2 and 3.

Toffee Ice Cream Roll

Every woman wants a few "spectacular" dessert recipes in her file box for family special occasions or guest entertaining. Here's a show-off Toffee Ice Cream Roll delight that will have your friends exclaiming, "You mean you made it yourself?"

Get out your jelly roll pan and try this new cake roll creation with a taste surprise... it's candy! Mixed into the filling of softened ice cream are crunchy bits of chocolate-covered English toffee candy, chopped pieces of the famous candy bars found everywhere. More bits of the candy sprinkled over a dollop of whipped cream make a glamorous topping for each cake roll slice.

Prepare the Toffee Ice Cream Roll the night before, or morning of, your party so that the ice cream becomes firm again. Chill the candy bars and you'll find them easy to chop into bits with a large sharp knife.

Toffee Ice Cream Roll

3/4 cup sifted flour	1 quart vanilla ice cream, softened
2 tablespoons instant coffee	1 cup chopped Heath chocolate-covered English toffee bars
1 teaspoon baking powder	1/2 pint (1 cup) whipping cream, whipped
1/4 teaspoon salt	
4 eggs, separated	
1 teaspoon vanilla	
3/4 cup granulated sugar	
confectioners' sugar	

Sift together flour, coffee, baking powder and salt. Beat egg yolks and vanilla until lemon colored. Add 1/4 cup sugar gradually and beat until very thick. Beat egg whites until they hold soft peaks. Add remaining 1/2 cup sugar gradually and continue beating until stiff and glossy. Fold yolk mixture into egg whites. Fold in dry ingredients. Spread batter evenly over greased and waxed paper-lined jelly roll pan (15x10x1-inch.) Bake in 375°F. over until done, about 12 minutes. Turn cake out onto clean linen dish. Jewel sprinkled with confectioners' sugar. Gently peel off waxed paper at once and trim off the lengthwise crusts. Roll cake jelly-roll fashion in towel; cool on rack. Unroll cake; spread with ice cream and sprinkle with 2/3 cup chopped toffee bars. Roll up tightly, wrap in foil and store in freezer until serving time. To serve, slice and top with a dollop of whipped cream and a sprinkling of remaining chopped toffee bars for each slice. Yield: 8 to 10 servings.

Seek Homemaker To Fill Vacancy In Welfare Dept.

The Washington County Welfare Department is currently in the process of reactivating its homemaker services program. The position of homemaker has been vacant since last December primarily due to the lack of supervisory personnel. However, the recent addition to the supervisory staff will now enable the agency to become active in this important auxiliary service.

The services provided by the homemaker are not intended to replace the regular social work services, but rather to be an additional resource and service to selected cases. The primary objective of homemaker service is to preserve and strengthen family life. This is accomplished by coordinating the effort of the social worker and homemaker to stimulate movement toward predetermined case goals.

Some of the major purposes of homemaker services are to hold the family together while the natural homemaker is incapacitated or is otherwise temporarily out of the home; to help teach adults and children better ways of management of day-to-day living and better methods of self-care; to enable the individual, whenever possible, to remain in his own home; to lessen the burden of chronic or tem-

porary illness physically, mentally, emotionally and economically.

To handle such an assignment is not easy and is frequently physically and emotionally taxing, but it also provides rewards in personal satisfaction gained in meeting individual, family and community need. It requires someone who is experienced in the care of children and adults, and in home management including performance of household duties and the purchase and preparation of food, and is able to effectively share this knowledge with other persons. There are no formal educational requirements.

The Welfare Department is planning an informational meeting at which time the position will be explained in further detail and questions answered. This meeting will be held on Aug. 29 at 2:00 p. m. in the court house annex. Anyone interested in this type of employment is invited to attend or may contact the Welfare Department. Employment applications will be available after the meeting.

The no-account husband joined some of the other loafers sitting on the curb of the courthouse square. He announced that he was leaving town. He said he just couldn't live in it any longer.

"What's the matter?" asked one.

"Oh, the town's all right," he replied, "but it just ain't no place where a woman can find work!"
