Plan Homecoming At High School Next Weekend

KING BOB FELLEZ CHOOSES EMAJEAN COULTER AS QUEEN

Annual homecoming festivities for 1968 will be held at Kewaskum Community High school on Friday and Saturday, Oct. 4 and 5.

The pep rally and bonfire will be held on Friday, Oct. 4, at 7 p. m. On Saturday, Oct. 5, at 12:30 p. m., the homecoming parade will take place on the streets and will be followed by the football game with Germantown at 2 p. m. The homecoming dance will be held in the high school gymnasium from 8:30 to 11:30 p. m. on Saturday evening. The theme for this year is "This Is Our Year." Admission to the dance is \$2.50 per couple and \$1.50 for single admission.

Bob Fellenz has been chosen king for the weekend festivities by his fellow teammates. He has selected Emajeau Coulter as his queen. The other members of the court are:

Seniors — Yvonne Vetter and Chuck Theusch, Nancy Nigh and Jerry Engleiter, Debby Rumsey and Perry Koth. Included in the court is the AFS student Manzar Sahebjam and her escort Jeffrey Schleif. The junior representatives are: Linda Krell and Ron Theusch, Carol Heise and Russ Gavin, Carol Nigh and Leo Gundrum.

Scouts Attending National Jamboree To Be Interviewed

Interviews for Badger Council Boy Scouts who will attend the 7th National Jamboree, July 1, 1969, to be held at Farragut State Park, Idaho, will be held Sept. 30 at the Scout Service Center, 7:30 p. m.; Oct. 1, at the First Lutheran church, Beaver Dam, 7:30 p. m.; Oct. 2, Barton fire house, West Bend, 7:30 p. m., and Oct. 5, Scout Service Center at 9 a. m.

All applications must be filed with the Scout Service Center by Oct. 1, 1968. Requirements for the 37 Scouts and Explorers who will attend are: Registered Scouts and Explorers must have attained age 12 on or before Sept. 1968, and Explorers must be registered as Scouts or Explorers on or before July 1, 1968.

Boy Scouts must have achieved Star rank on or before April 1, 1969. Explorers must meet requirements of camping experience, leadership and Scout spirit.

Troop leaders will be Wm. Steafens, Fond du Lac, scoutmaster; Dick Schultz, Fond du Lac, assistant scoutmaster; and Les. Ford, West Bend, assistant scoutmaster.

Transportation will be by chartered jet liner from Milwaukee to Spokane and return.

FIRST BROWNIE MEETING

The first Brownie meeting will be held on Tuesday, Oct. 1, at 3:45 at the Kewaskum Elementary school cafeteria. All girls in the second and third grades who wish to be a Brownie are invited to attend.

2 Local Students Receive Summer Degrees at UW

Two students from Kewaskum were among the 1,514 students who received their undergraduate and graduate degrees this fall as the result of their final scholastic work during the 1968 summer sessions of the University of Wisconsin at Madison, it was announced today by the university registrar's office.

The Kewaskum students and the degrees they received are: Robert N. Kroncke, 1407 Fond du Lac ave., the Master of Arts in history; and Roy J. Esser, 209 Clinton, the Master of Science in agricultural education.

The list of summer degree recipients was announced today as all student scholastic records for the summer and the early autumn were completed and compiled.

This brings the total number of degrees awarded by the university at Madison during 1968 to 7,236 and the total number of degrees awarded by UW here during its 119-year history to 172,283. A total of 5,664 degrees were conferred at the university's annual winter and spring commencements this year.

Of the total 1,514 degrees awarded this fall, 384 were bachelor degrees and 1,130 were higher degrees. Of the higher degrees, 252 were doctorates, maintaining Wisconsin's high place among the nation's universities in the number of doctor of philosophy degrees conferred.

Local Woman Driver In West Bend Crash

Joyce Lichtenberg, 21, of R. 1, Mayville, who was riding in a car driven by Leonard L. Brown, 20, of 420 Vine st., West Bend, complained of neck pains and was taken to St. Joseph's Community hospital in West Bend Friday afternoon after the car in which she was a passenger was struck from behind by another vehicle driven by Carol McKee, 19, of R. 1, Kewaskum.

The mishap took place at 12:05 p. m. at the intersection of N. Main st. and Park ave. in West Bend. Both cars involved were northbound at the time. According to West Bend police, Miss McKee said she was straightening a coat sleeve immediately preceding the mishap. She stated that when she looked up she did not immediately see Brown's car stopped and waiting to turn left onto Park ave. When she did see it, she applied her brakes, but was unable to stop before striking the Brown auto.

CORRECTION

In the account of one of the accidents listed in last week's issue it was reported that Kris Koerble, 9, of Kewaskum was injured when she drove her bicycle into the path of a car driven by Jack L. Rindt, R. 2, Kewaskum, and was struck by the Rindt car. This was incorrect. It should have read that the Koerble girl drove her bike into the side of the Rindt auto, which she apparently failed to see, and was not struck by Rindt's car.

Steiger Car-A-Van This Saturday to Start in Kewaskum

COUNTY REPUBLICANS TO JOIN IN TOUR OF COUNTY

Republicans will take to the highways and bi-ways of Washington county this Saturday, Sept. 28, in a Steiger Car-A-Van.

Dick Becker, county GOP chairman, said this would be one of several car-a-vans planned for Washington county between now and Nov. 5. Congressman William Steiger will be joined on the tour by Assemblyman Frederick Schroeder and all county Republican candidates. Becker said that this may be one of the few opportunities that we will have to have Congressman Steiger in the county during this campaign. Steiger has repeatedly stated that he feels his prime job is to be in Washington while Congress is in session, and therefore, he is confining his campaigning to weekends until Congress adjourns.

The car-a-van will start at Kewaskum at 9:00 a. m. From here the tour will head for Allenton via Wayne and Kohlsville with arrival at Allenton at 10:00 a. m. The next stop is Hartford at 10:30 a. m. and Slinger at 11:30 a. m. The car-a-van will arrive at West Bend at 12:30 p. m. touring the shopping area on the south end of town first and then spending an hour in downtown West Bend. The tour will end at Germantown at approximately 2:45 p. m. after a brief stop at Jackson. Congressman Steiger will meet people in Germantown until approximately 3:30 p. m.

LAST DAY TO REGISTER AT UW COUNTY CAMPUS FRIDAY

Friday of this week is the last opportunity for part-time students to register in classes at the University of Wisconsin, Washington County Campus. Interested persons may still enroll for any course with the consent of the instructor.

Courses with open enrollment include: Speech 100 (Theatre Lab), Band, Chorus, Orchestra, and Sociology 224, which has been rescheduled for Tuesday evenings from 6:45 p. m. to 9:15 p. m.

For additional information, contact Mr. Kegel, director of student affairs at the university.

Ambulance Calls

Saturday, Sept. 21, 11 p. m.—Karen K. Killinstad, 14, and Dale S. Killinstad, 16, 1022 N. 17th st., Sheboygan, removed to St. Joseph's Community hospital, West Bend, with injuries suffered in an auto accident at the junction of Hwys. 28 and 144.

Monday, Sept. 23, 7:15 p. m.—Reuben Oppermann, R. 2, Kewaskum, removed from his home to Wood Veterans' hospital, Milwaukee.

JUNIOR TROOP 53

The next meeting shall be held at the grade school cafeteria at 3:45 on Sept. 30. Girls please remember to bring your registration dues, insignia order and money.

Name Fire Chief Local Dystrophy Drive Chairman

Chief Armin Oppermann has been appointed canister chairman of the 1968 March against Muscular Dystrophy in Kewaskum it was announced today by Donald W. Huffer, president, Milwaukee area chapter of Muscular Dystrophy.

Chief Oppermann will be assisted by the Kewaskum Fire Department in placing the new fire fighters hourglass canisters in business places.

One of the fire fighter's favorite projects since 1954 has been helping in the fight against muscular dystrophy. Nationally, state-wide and locally, paid and volunteer firemen have helped raise funds, served as chapter officers and helped provide recreation for M. D. patients.

Muscular Dystrophy is a chronic disease which progressively destroys muscle tissue, disabling its victims and ultimately rendering them completely helpless. The majority of M.D. victims are children although anyone can be afflicted regardless of age or race. At present neither the cause nor an effective treatment of the disease has been discovered.

Muscular Dystrophy Associations of America, Inc., a non-profit organization conducts annual campaigns to raise funds for services to local patients suffering with muscular dystrophy and allied neuromuscular diseases and for worldwide research.

The Muscular Dystrophy clinics at the University Hospitals in Madison and the Curative Workshop in Milwaukee are two of the 80 M.D. clinics located in the United States.

Kewaskum is in the Milwaukee area chapter which has six counties to service. The chapter is one of 350 in the United States that provide wheelchairs, braces, other orthopedic appliances, physical therapy and educational and recreational programs for Muscular Dystrophy patients.

Locally Muscular Dystrophy patients receive wheelchairs, braces, hospital beds, lifts and other orthopedic equipment. All fees for examinations at an M.D. clinic are paid by the association.

Senior Citizens to See Film 'Gentlemen Start Your Engines'

"Gentlemen, Start Your Engines"—no, the male Kewaskum Senior Citizens haven't organized a hot-rod club. This is the title of the movie to be shown at the Oct. 2 meeting from 9 to 12 noon at Peace Church Fellowship Hall. The group, interested in fun, recreation and community service, welcomes all those from 50 years (or thereabout) to also get into the swing of things.

The fellas and gals alike will be "tied to the apron strings" on Oct. 9, each one helping in his or her own way to fill the kitchen with delicious cookie baking odors. Servicemen and women of the area will be the happy recipients of the goodies. Snitchers invited.

540 Birds Shot At Turkey Shoot Set New Record

ANNUAL KIWANIS EVENT IS SPLENDID SUCCESS

Sunny, ideal weather with the thermometer hovering around the 80 degree mark most of the afternoon, helped make another great success of the Kewaskum Kiwanis club's 16th annual Live Turkey Shoot at the Bar-N Dude Ranch Sunday. As usual, many thousands of persons attended the event throughout the day.

According to information given to your reporter, a total of 540 live turkeys were shot and bagged on the .22 rifle range. This is a new record and almost 100 birds more than the 450 shot last year, which was the previous record. A fishing record was also set in the trout pond, where more and larger trout than ever were caught. The exact number was not available. Along with the 540 live turkeys bagged, a very large number of frozen birds were also taken on the trap shoots, archery range and pistol shoot.

Around 900 pounds of bratwurst were sold in this stand, which had a big run all day and the sale of other sandwiches also was heavy. The beer garden, ice cream, soda and popcorn stands were heavily patronized. More than two semitruck loads of Regal Ware cookware were sold to eager customers.

New attractions at the shoot this year were a kiddies' ferris wheel, BB gun shoot for prizes for the youngsters, and an added second trap shoot. There was also the usual pony rides.

Through this newspaper, the Kiwanis club wishes to thank everyone who helped at the shoot and attended to make it a success, especially the police, auxiliary police and hard workers in the pits.

Laubachs Observe 25th Anniversary

Mr. and Mrs. Alex Laubach celebrated their 25th wedding anniversary on Saturday, Sept. 7, at the Wigwam restaurant and bar. A seven o'clock dinner was served to 75 guests, followed by a reception and dancing.

They are the parents of two children, a daughter Vivian and a son Richard, both of whom reside at home.

The Laubachs recently moved into their new home at 360 Clinton st. in Kewaskum.

STORY HOUR TO BE HELD AT LIBRARY

Mary Krell Bride Of Kenny Kudek

Mary Rose Krell, daughter of Mr. and Mrs. William Krell, R. 2, West Bend, became the bride of Kenneth Robert Kudek, son of Mr. and Mrs. Clemence Kudek, 402 Highland ave., Kewaskum, during a 11 a. m. nuptial ceremony performed by Rt. Rev. Msgr. Raynor G. Hausmann in Holy Angels church, West Bend, on Saturday, Sept. 14.

Two large baskets of glads, white carnations and orange mums banked the altar for the ceremony.

The bride chose an organza gown with re-embroidered Alencon lace motifs accented with pearls on the empire bodice and long sleeves. It was styled with scoop neckline and A-line skirt and removable chapel train which flowed from the midriff. A forward headpiece of petals of organza and lace outlined with tipped pearls and roses held the hand rolled scalloped edge veil of silk illusion which was sprinkled with seed pearls. She carried a bouquet of red roses.

Honor attendant for the bride was Margaret Korth, while Bonnie Kudek, Lynda Greenley and Jeanne Kurth attended as bridesmaids. Holly Gerner served as junior bridesmaid. All of the attendants were identically gowned in avocado imported organza fashioned with square neckline, lace empire bodice, long lace sleeves and A-line skirt. A forward hat of tulle petals accented with iridescents and pearls held their tiered veils. All carried yellow mums and orange carnations.

The bridegroom asked Robert Theusch to be his best man, while Jerry Roehl, Robert Provo and Robert Krell served as groomsmen. Ushering duties were performed by William Krell and John Kudek. Ringbearer was John Bertram.

Dinner was served to 35 guests at Bertram's, which was followed by a reception, supper and wedding dance for 350 guests at

Babe's Opera House, Kewaskum. Following a wedding trip to northern Wisconsin, the young couple will be at home in West Bend. The bride, a graduate of West Bend High school, is employed in the office at the Samaritan home and hospital, West Bend, and her husband is an employee of Regal Ware, Inc., Kewaskum.

Our Police Chief Says

PROTECT YOUR HOME FROM INVASION BY TELEPHONE

Most people would never tell personal facts about themselves to a stranger who approaches them on the street, yet, many people reveal all kinds of information to strangers who approach them by telephone.

Know who you are talking with. Anyone who asks for information should be identified.

When someone calls your number and asks, "What number is this?" or "Who is this?" don't answer the question unless you know the caller. Many people have acquired telephone nuisances as steady callers by giving them their number, or by identifying themselves, after the caller has reached them by mistake in the first place.

Ask the caller what number he is dialing and with whom he wants to speak. If he does give your number or name, ask him to introduce himself. It's the least the caller can do before asking you questions.

If your telephone should ring and the caller remains silent after

you have said "hello" twice, hang up immediately. By repeating "hello" you may be encouraging the type of caller who doesn't like to talk but just likes to listen.

Should a caller make an indecent or suggestive remark, hang up quickly. Those who like to make lewd or nuisance calls quickly tire of their peculiar game if no one will listen — so don't listen. Some people who are the victims of a plague of unwanted or repeated calls arrange code with their family or friends, who ring two, three or four times, then disconnect, wait about ten seconds, and call again. Those are the only calls that are answered.

Should you be bothered by someone who calls you in the middle of the night and continues to call, leave the receiver off the hook until morning and he will become discouraged when he gets the busy signal.

Those who have nothing more important on their minds than making annoying telephone calls don't have much in their minds either. Sometimes this trick will discourage them:

When the nuisance call is received, push the telephone cradle button up and down twice very rapidly. This will make a clicking sound but won't disconnect the call. Then, in a matter-of-fact voice, say, "All right, officer, this is the call I want traced. You say you have it in a minute? Thank you." Then hang up. The caller's imagination should do the rest.

He heard only your voice so he will think there is someone listening in and talking to you on another line. Chances are nine out of ten he will hang up—and won't call again.

If you have children, or employ baby sitters, instruct them not to give any information to anyone who calls when you are out. Have them obtain the caller's number or simply have them tell the caller to call back later. Tell them not to talk with or listen to strangers.

If you receive more than one indecent phone call—call the police.

There isn't much point in bringing a rare nuisance phone call to the attention of your phone company, so little can be done after the party has hung up. But, wherever you live, if you are the victim of a plague of such calls, by all means notify your phone company during regular business hours. Habitual nuisance callers may be traced successfully under certain circumstances. Your phone company has cooperative personnel who can offer helpful suggestions for any particular telephone problem you may have. But all of your telephone problems will be fewer if you first follow the above suggestions on how to use your telephone properly—and enjoy it more.

Constitution of Co. Beautification Council Amended

FIVE-FOLD PURPOSE OF COUNCIL LISTED

Members of the Washington County Beautification Council unanimously approved an amended constitution, which states membership to the council "shall be unlimited. Anyone who has a genuine interest in improving and preserving the beauty of the county is eligible to join."

The vote came at the Sept. 12 meeting at the county courthouse annex after the constitution was amended to change the election of officers from September to January. Corresponding secretary was also added to the present slate of officers. Because of the change in the constitution the current officers will remain in office until January.

Mrs. Richard Degnitz, West Bend, was appointed new corresponding secretary. Mrs. Glenn Peters, West Bend, is chairman. John Lamm, Jackson, vice-chairman, will assume the duties of treasurer. Mrs. Thomas Rosenber-

ger, Farmington, is secretary and reporter.

Council members are expected to "assist with council projects, such as restoring blighted areas whenever and wherever possible." Yearly dues of one dollar were also accepted.

Under the constitution the purpose of the council is five-fold: First, to stimulate awareness and appreciation of the existing natural beauty in Washington county; second, to develop projects to improve appearance of private and public natural resources in the county; third, to restore blighted areas and existing eyesores; fourth, to recommend legislation that will preserve and restore the beauty of the county; and fifth, to act in an advisory capacity to groups and individuals.

Mrs. Peters announced that the council would provide a partial scholarship to any member interested in enrolling in the conservation course being offered at the University of Wisconsin county campus. She also urged members to attend the state Natural Beauty council convention at Green Lake Oct. 4 and 5.

Mrs. Roger Sacia, West Bend, was named to the colorama committee. Other members are Art Lonergan, West Bend, and Mrs. Degnitz. They will plan the airplane and bus tours to be sponsored by the council during the October beautification and clean-up observance. Copies of a beautification check sheet to be distributed in county schools and poster boards were given to members. Mrs. Peters said bumper stickers, window signs and lapel pins ordered from a national clean-up, paint-up and fix-up organization had not arrived. Members are to contact the extension office later to obtain this material.

Because of the constant littering problem, Mrs. Peters asked members if they thought it would be a good idea to obtain metal 50 gallon drums which could be given to high school students to decorate as trash receptacles. The membership thought this would be a good project if such drums were available.

Mrs. Peters also said a number of residents had contacted her about littering problems in the county. One complaint was the throwing of food outside a home, which attracted rats. Local police had been called in but had not been able to stop the practice. Members thought the council should urge local communities and towns to adopt local anti-litter ordinances to cope with these problems. Albert Schroeder, chairman of the town of Trenton, said that if the state litter law was enforced the fines went to the state, but if communities had local ordinances fines went to the local government.

Lawrence Maurin, town of Barton, described his continuing efforts to pick up litter along Schmidt rd. He said he had tried to get anti-litter signs posted along the road but had not succeeded. He asked the council to help. Schroeder said 17 truck loads of litter were picked up last spring by school children along Trenton roads. He said the town plans to cover dumping spots with dirt and level them this fall. Another clean-up tour will be held next spring.

Maurice Hovland county agent distributed pamphlets on water pollution. A movie on prairie flowers opened the meeting.

Every man needs a wife because so many things go wrong that you can't blame the government.

Chevrolet introduces 1969.

Caprice. Match this, you other 69's!

There is no joy in the land of our competitors today. But let us ask you this. Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive? Just because competition doesn't, should we not have offered you washers to clean your headlights,

new variable-ratio power steering, liquid tire chain you can apply to your rear wheels at the touch of a button? Should we have given you less power, instead of the largest standard V8 in its field? Some people think so. Our competitors.

'69 Caprice Coupe

'69 Camaro SS Sport Coupe, plus RS equipment

Camaro. Who needs to say "announcing" or "new". The Hugger. And just look how it all hangs together. No gingerbread anywhere. We've improved the interior, too. Quieted the ride. Made the Astro Ventilation ventilate better. The power range is very impressive.

Standard V8 is 210 hp. SS engines available up to 325 hp. For added SS appeal: sport striping; power disc brakes; wide oval, road-hugging tires. Your Chevrolet dealer offers this advice: Go on, you other sportsters. Gnash your gears and look tough. Maybe it will help. **Putting you first, keeps us first.**

Indian Mistakes Result in 28-6 Loss at Pewaukee

TAKE ON UNDEFEATED NORTH FONDY TONIGHT

Mental errors were largely responsible for the Kewaskum Indians dropping a 28-6 decision to Pewaukee on the Pirates' new (and not the best) field Friday afternoon. The score was expected to be close but it was one of those afternoons when everything went wrong for the Indians.

According to Coach Joe Harlow, the game was lost on 11 glaring mental errors, such as poor passes from center, blocked punts, fumbles and poor execution of plays like the ball carriers running in the wrong places on offensive plays.

For example, Pewaukee scored 14 points before they made a first down in the opening quarter. The first touchdown was given to them on a poor snap from center on a punt situation. The Pirates immediately turned this break into a touchdown on an 8-yard screen pass from Doug Romens to Doug Brandt. Jaekel kicked the extra point to make it 7-0 at the quarter.

Early in the second period Kewaskum had to give up the ball on downs and a fourth down punt was blocked on another poor pass from center. Schroeder picked up the loose ball after the blocked punt and ran it over for another Pirate TD. Jaekel again made good on the extra point kick to make it 14-0.

Later in the same quarter Pewaukee scored again on a 35-yard pass from Romens to Brandt, after which Jaekel kicked the 21st point. The Indians also scored their only TD in the 2nd period. After driving down the field, Perry Koth heaved a 7-year pass to Mike Gutjahr for the score and the try for extra point was successful to make it 21-7. Then with only 35 seconds remaining in the half Romens threw a 35-yard bomb to Pat Garvey for

their fourth touchdown and the fourth straight extra point made it 28-6.

This is where the score stood. There was no scoring in the second half as both teams wound up in a defensive struggle. Neither team got into scoring territory and most of the half was played between the 30 yard lines. Both teams kept first stringers in the lineup right to the end in the defensive second half.

The total yardage made by the teams was close. In the first half Pewaukee gained 110 yards and Kewaskum 100. The end of the contest found the winners with about 200 yards compared to 180 for the Indians.

Some of the bright spots for Kewaskum included a 50-yard punt return by Koth, his second long return in two games. The Indians' passing attack also showed improvement. Koth also threw 6 completions to Bob Fellenz for about 90 yards. Fellenz also intercepted his second pass in conference play. Koth and Russ Gavin recovered Pewaukee fumbles.

Tonight (Friday) the Indians have a rugged game at North Fondy at 7:30 that may have a bearing on the championship. The Orioles, one of the pre-season favorites, are undefeated, having won two in a row over Pewaukee and Germantown. Both were by narrow margins in which North Fondy got the breaks in the closing minutes to pull out victories.

Frosh, JV's Play 2 Games

The freshmen team lost their first game to Horicon last Thursday, 14-0, but on Tuesday evening of this week bounced back to beat Random Lake, 14-0, there. Tom Larsen and Peter Ritter are frosh coaches. Larry Williams ran for both TD's and Glen Eichstedt ran the extra points.

The Indian JV's played their opening contest about 1½ weeks ago and tied Mayville, 6-6. It was the first time a Kewaskum team has been able to tie Mayville. The local JV's scored on a 60-yard pass play from Quarterback Mike Doherty to end Clark Eichstedt.

In JV conference action Tuesday night here, the Kewaskum

team beat the Random Lake JV's, 22-6. The Rams ran the opening kickoff for a touchdown but from then on were unable to move the ball. The up-and-coming Doherty scored two TD's on quarterback roll-outs and John Zwick scored the other touchdown. Kewaskum also scored 2 points on a safety when Milewski tackled the Ram quarterback in the end zone.

Next Tuesday evening the freshmen team plays at Campbellsport and the Bell JV's come to Kewaskum.

Kewaskum's JV's won with 28 points compared to Hartford's 47, and Lomira's 50. Gary Ramthun won the JV meet with a time of 12:46.

The Indian harriers defeated Germantown by the grand slam score of 15-40 at Germantown Tuesday, Sept. 24. Kewaskum won the first seven places with Ruben Oppermann the winner on the 2.1 mile course in the time of 12:06. Steve Backhaus was 2nd, then in order came John Backhaus, Ray Gruber, Gary Ramthun, Ron Backhaus and Doug Rinzel.

Kewaskum's JV's ran with the varsity runners since Germantown had no JV's and they almost defeated the Germantown varsity. The score was 27-28. Gordon Darnody placed 2nd, 5th was Dan Stoffel, 6th Steve Bremser, 7th Chas. Battaglia and 8th Dick Bartelt.

The next running event is Friday, Sept. 27, when Random Lake will be Kewaskum's guest at Hon-E-Kor.

Award Night Dinner At Hon-E-Kor Oct. 12

Hon-E-Kor Country club announces one of the main events of the year—the award night dinner and dance on Saturday, Oct. 12. All members of Hon-E-Kor are invited to honor the champions of the club.

Following a delicious family-style dinner, recognition and trophies will be given to the winners of the various tournaments held throughout the year and other award winners. Dancing to the music of Bill Roberts and his orchestra will complete an already fun-filled evening. Have your reservations in by Oct. 7 and maybe you will be one of the lucky door prize winners.

Mr. and Mrs. Robert Zarling are the chairmen for the night. Mr. and Mrs. Frank Winninghoff, Mr. and Mrs. Howard Rumsey and Mr. and Mrs. Edward Miller, Jr. are also on the committee.

Refined features a-plenty in

Smart 1969 Chevy Nova models

Moving up in the popularity parade of new car models is the Chevy Nova Coupe shown above. Smartness is accented by simulated front fender louvers, striping and bright window moldings. The new anti-theft lock system on the steering column for ignition, steering wheel and transmission selector and head restraints are standard equipment. The new Chevrolets will be on display September 26.
