In the village Hallows received 256 votes compared to 127 for his opponent, Clair H. Voss. Kahl was given 219 votes to 141 for Donald P. Schmitz for the superintendent post.

## Heisler Tavern Property Sold To Burckhardt

INCLUDES TAVERN, STORE, APARTMENTS AND GARAGES

In a business transaction completed the past week, the Louis J. Heisler estate buildings and property on Main st. were sold by the owners, Mrs. William Herbeck and Russ and Frank Heisler, to Mr. and Mrs. Robert Steiner of West Bend, owners of Burckhardt Electric, TV & Appliance, who operate stores in West Bend and Kewaskum.

The Heisler property sold in the deal includes a tavern with living quarters, a store presently operated as a Fair Variety store by Mrs. Stachia Swan, two upstairs apartments, and two garage buildings housing nine garage units.

The tavern, located at 137 Main st., was owned and operated many years by the late Louis J. Heisler and since his death in November of 1966, was rented and operated by his son, the late Louis C. Heisler.

The Steiners will move their local electrical and appliance business into their newly acquired building in the near future after completing some redecorating and remodeling of the store. The business has been conducted for the past two years in the Marx building one door east of the Heisler property. For the present Mr. and Mrs. Steiner intend to rent out the tavern and living quarters along with the apartments.

Stachia will move her Fair Variety store business, which she operated in the building for the past 15 years, into the building owned by her three doors west on Main st., which formerly housed Stachia's Apparel, which is now being remodeled. Stachia expects to be open for business in her new place around May 1.

## ADDITIONAL FACILITIES AT KEWASKUM EXCHANGE OFFICE ALSO INSTALLED

A \$230,000 service improvement by General Telephone Company of Wisconsin at Kewaskum was completed in March, according to Lowell H. Boehm, district commercial manager for the company.

Boehm said the project eliminates multi-party telephone service for rural Kewaskum telephone users. All rural customers recently selected one, two, or four-party telephone service in connection with the service improvement. Urban customers at Kewaskum have selected one or two-party telephone service.

Approximately 80 per cent of the cable in the exchange is placed in the ground, Boehm said. Burying cable, he pointed out, is a relatively new method of telephone construction that eliminates most service interruptions due to wind and storm damage. In addition, the appearance of an area is enhanced because overhead wire, cables and telephone poles are not necessary.

Additional central office facilities were also recently installed at the Kewaskum exchange to provide for future growth and expansion in the area.

Pat Keating, general manager of the Kewaskum Aluminum Co., suffered a broken leg and dislocated ankle when he fell on a slippery sidewalk in front of the Mrs. Mary McLaughlin building.

Albert Schmurr, 60, bachelor farmer residing 1 1/2 miles north of Kewaskum on County Trunk V, was instantly killed when a tractor he was driving was struck by the North Western road's passenger train at a crossing a mile north of this village. Schmurr was driving a tractor pulling a manure spreader when he was hit by the train near the Wm. Kohn home.

Mr. and Mrs. Clarence Buntjer and children moved from the former Ed Brussels home to West Bend. The house has been sold to Mr. and Mrs. Walter Engelman of near Beechwood.

The food shortage is again the most important reason why victory gardens should be planted in every available space in 1944. Last year approximately 8 million tons of food were produced in the 1943 victory gardens and prevented a food shortage. Postcards have been mailed to some victory gardeners to determine if they want the same garden plots they had last year. The army's food demands will be greater in 1944.

This week's paper carries 21 items filling four columns of space on news of our men and women in the service.

When the West Bend area of the Red Cross completed its war fund drive Saturday, it had gone well over the goal of \$16,500. By Tuesday additional reports from outlying sections brought the total over \$20,000 to push the war fund 20% over the quota.

Eugene Gruber, 17, son of Mr. and Mrs. John Gruber, has been called into active service with the U. S. Marine Corps and left for the marine base at San Diego, Calif.

S/Sgt. Joseph N. Uelmen, formerly of Kewaskum, who is serving with the U. S. Army Air Force in England, took an English girl as his bride in a ceremony at Manwell, England, Feb. 6. She is the daughter of Mr. and Mrs. G. Williams of West Ealing. The account of the wedding in the English papers appeared under the heading, "U.S.A. Baseball Star Marries Ealing Girl" and mentioned that he was active in the theatrical world.

NAME UNIT OFFICERS, CHAIRMEN FOR COUNTY

With emphasis on the need for regular checkups for cancer, the American Cancer Society prepared the ground for launching its annual educational and fund-raising Crusade on April 1. Locally, the names of the officers and county unit chairmen of standing committees were revealed.

Once again, April has been set aside as Cancer Control Month by Congress and the President has proclaimed the period officially Cancer Control Month.

Gary Spielman, West Bend, fund raising and crusade chairman for the Washington county unit, explained that the 1969 Crusade will stress the point that too many people are careless or forgetful of the necessity for regular checkups as a way to discover the onset of cancer at an early opportunity.

Much of the preparation for this year's crusade, Spielman said, will be centered on training volunteers to assist them to explain to the public how regular physical checkups can help save lives.

County unit officers and chairmen united with the crusade's success are:

Chairmen of board Guido Schroeder, town of West Bend; president - H. D. Sheski, R. 3, West Bend; first vice-president - John J. Shimmers, Hartford; second vice-president - Jack Killeen, Slinger; secretary - Ruth Hess, West Bend; treasurer - M. J. Gorringer, Jr., West Bend.

Chairmen - Mrs. Harold Fischer, R. 6, West Bend, public education; Dr. James F. Baumgartner, West Bend, professional education; Dr. Robert Nickels, Hartford, service; Gary Spielman, West Bend, fund raising and crusade; Mrs. Elwood Neese, West Bend, memorials and legacies; Leif Erikson, West Bend, public relations and publicity; George Lockwood, West Bend, finance; Jack Killeen, Slinger, volunteer recruitment

and training. "Neighbor to neighbor" chairmen for the American Cancer Society's 1969 crusade in Washington county have also been announced by Spielman.

Heading the drive in individual areas of the county will be:

West Bend - Ward 1: Mrs. E. A. Neese, Mrs. Gary Wright, Mrs. George Fassbinder. Ward 2: Mrs. John Hafemann, Mrs. Charles Kirsch. Ward 3: Mrs. Marvins Reul, Mrs. Gerald Butz. Ward 4: Mrs. Ted Griepentrog, Mrs. Charles Simpson. Ward 5: Mrs. Phil Schleif, Mrs. Robert Guse. Ward 6: Mrs. Carl Vogt. Ward 7: Mrs. Albert Duenkel, Mrs. Howard Lang.

Kewaskum - Mrs. Norman Held, Mrs. Robert Schlamer, Mrs. Pat Miller.

Jackson - Mrs. William Josten. Germantown - Mrs. Harold Schaezel.

Slinger - Mrs. Bernard Sukawaty.

"We are already making considerable progress in enlisting volunteers in this difficult battle to conquer cancer," Spielman said "but we need many more if we are to do the job we have cut out for ourselves and the people of Washington county."

The Crusade chairman emphasized that there is a place for any person willing to serve. He said that people willing to serve as volunteers for this year's Crusade should contact a neighborhood chairman from their own area for details.

"Those dedicated people who

volunteer their services spell the difference between success and failure in the society's struggle to save lives from cancer," Spielman concluded.

The organization's annual education and fund raising Crusade

is scheduled to begin on April 14, on the county level.

The garage attendant looked at a battered car and said: "Sorry, lady. We just wash cars—we don't iron them."

**Alice Coulter Wed  
To Jerome Schiller**

Alice Coulter, Kewaskum, and Jerome H. Schiller, West Bend, were united in marriage during a 5:30 o'clock double ring candle-light service on Saturday, Mar. 22, in Peace United Church of Christ, Kewaskum. Rev. Daniel Schowalter performed the ceremony.

Mrs. Lanie L. Lemke, sister of the bride, and Lawrence Schiller, brother of the bridegroom, were honor attendants. Guests were ushered by James Schiller, nephew of the bridegroom, and Kenneth Schuster, son-in-law of the bride.

Mrs. Schiller chose an aqua Sorenno sheath dress complemented by a nylon rose pattern lace

coat with standup collar. She carried an arrangement of pink roses and white mums centered with an orchid.

The matron of honor's apricot color sheath gown featured long sleeves. White lace accented the cuffs and neckline. She wore a corsage of yellow and white roses.

A reception at Hon-E-Kor Country club followed the ceremony.

Mr. Schiller is employed at Mid Cities Tool and Die. They will make their home at 1209 Parkview dr., Kewaskum.

**What is it?  
What else but Flameless Electric Heat!**

Actually, it's a YES-YES! At least for those who want the very best. Electric heat is the ultimate in heating comfort — each room tailored to your own individual heating preference, if you like. No fuel to order, no fuel to store. There's no flame — so there's no smoke, no dust or grime. So trouble-free there are practically no maintenance costs.

You would think electric heat, with all of its modern advantages would cost a lot more — but it really doesn't. Residential electric heating customers qualify for a special low rate for all the electricity they use, for any purpose. It makes the net cost of electric heating compare most favorably with other fuels.

If you would like to find out more about electric heat, just mail the coupon for the FREE

booklet. No obligation of any kind. If you want specific information or a free electric heating cost estimate, ask for the names of Recommended Electric Heating Contractors.

Excited female voice: "Wait a minute! Don't start this street car until I get my clothes on."

The passengers craned their necks expectantly. 'Twas only a housewife on her way to the laundromat.

### JUNIOR WOMAN'S CLUB BAKE AND RUMMAGE SALE SUCCESS

Despite cold, blustery weather many customers turned out for the Kewaskum Junior Woman's club bake sale and rummage sale. In just a few minutes all of the luscious baked goodies were sold out and many of the rummage items were gone just as fast.

The Junior Woman's club members would like to thank all the people who came and purchased items at the combined rummage sale and bake sale. A nice profit helped boost the Scholarship Fund of the Junior club. The large variety of clothing items at the rummage sale also gave the juniors an opportunity to donate two boxes of clothing to the Leander Schmidt family. Thanks, Kewaskum, for your loyal support.

More people enjoy baseball than football because it doesn't require a college education to get tickets.

MODERN WOODMEN OF AMERICA

Home Office — Rock Island, Illinois

Putting you first, keeps us first.

Front to rear: Kingswood Estate Wagon, Concours Station Wagon, Sportvan and Suburban.

## No other wagons have such a capacity for enjoyment.

Show you what we mean.

Say you're in a Chevrolet Kingswood or Concours Walk-In Wagon, when suddenly the road becomes nothing but chuckholes and ruts.

Only you can't tell it's rough.  
You see, Chevy wagons float along on computer-selected coil springs that smooth even the meanest road.

Maybe you're a bit more serious about the great outdoors. So are we. That's why we offer the Chevy Sportvan and Suburban. To an outdoorsman, they're like clear skies and no mosquitoes.

So before you head out to see the U.S.A., better stop by your Chevrolet dealer's.
