Seefeldt Named As Cong. Steiger's Home Secretary

KEWASKUM NATIVE TO BEGIN DUTIES JUNE 1

Congressman William A. Steiger the past week announced the appointment of Fredric A. Seefeldt, Neenah, as his home secretary.

Seefeldt will succeed Keith Mulligan, Oshkosh, who has served as Steiger's home secretary since January 1967. Seefeldt's appointment is effective June 1.

Seefeldt is the son of Alfred H. Seefeldt and the late Mrs. Seefeldt of R. 1, Kewaskum. His father is clerk of the town of Kewaskum and chairman of the county park and planning commission. Fredric's brother, Aldwin Seefeldt, is the assistant district attorney of Washington county.

Reverend Seefeldt, 31, is a 1960 Bachelor of Arts graduate of Lakeland College, Sheboygan, and a 1965 Bachelor of Divinity graduate of the Lutheran School of Theology in Chicago. He was graduated from Kewaskum High school in Washington county in 1956. Seefeldt has been assistant pastor of St. Paul's Lutheran church, Neenah, since July, 1965.

Seefeldt is active in the Neenah-Menasha Community YWCA, is a member of the Community Theater and was the 1968 Baccalaureate speaker for Neenah High school. He has been prominent in local and state Republican affairs since 1959.

"The Home Secretary's duties include service and assistance to constituents in solving problems that arise with various federal agencies," Congressman Steiger said in a statement from Washington. "Mr. Seefeldt will conduct office hours in the various counties of the 6th District on a regular schedule and he is always available through my district office in the Post Office in Oshkosh.

"I am very pleased to have a man with Fred Seefeldt's background and experience in this key job," the Congressman stated. "At the same time, Keith Mulligan's contributions to the district and his day after day help to hundreds of citizens have been outstanding," Steiger concluded.

Rev. Seefeldt has taken a leave of absence from his assistant pastorate duties to take over his position as a Steiger aide.

Milk Truck Hits Tree in Mishap

In an accident which occurred on CTH H several miles west of Kewaskum or about 1 1/4 miles east of Wayne last Friday afternoon, a rural Hartford trucker narrowly escaped death or serious injury when he swerved the large milk tank truck he was driving and it entered the ditch and struck a tree shearing the milk tank from the truck chassis.

The crash took place as Reuben T. Couch, 21, R. 2, Hartford, was driving a Nick Goos Milk Cartage truck of Kenosha and Hartford. An approaching vehicle veered over the center line and Couch swerved his truck onto the rain-softened shoulder where the heavily laden truck went into the ditch and, in a tilted position, the tank struck a tree, shearing it off the chassis. The truck tank came to rest in the ditch and partially on the highway while the truck came to a halt a short distance away.

The truck, loaded with approximately 27,500 pounds of milk, was enroute to Fairmont Foods Co. in Kewaskum. Couch suffered lip, mouth and chin injuries in the mishap.

Leroy W. Schmidt, 17, of R. 2 Kewaskum, a passenger in an auto driven by James W. Foerster, 18, also of R. 2, Kewaskum, sustained cuts to the right forehead and right cheek at 11:15 p. m. Friday when the Foerster car left STH 28 about 2 of a mile west of Forest View dr. Foerster lost control on a curve and the car spun backwards down a steep bank on the south side of the highway and struck some trees.

Archbishop Cousins to Preside At Special Mass, Rally in County

CONCERT TO PRECEDE MASS AT HOLY ANGELS, WEST BEND

With a closed-circuit television every family will be able to fully participate in the Washington county rally at Holy Angels church in West Bend on Wednesday, May 21, at 8 p. m. The Most Reverend William E. Cousins is having a Pontifical Mass of Concelebration and giving the homily. A concert will precede the Mass at 7:40 p. m.

Secularization of society has gained the most by putting aside religious observances in the family - by making the family neopagan and causing members of the family to find secular instead of spiritual solutions to their problems. The bankrupt nature of recommending solutions to supernatural problems causes frustration and confusion. The family was chosen by the Lord in a preferential manner. He loves the family and wants it to be the center of supernatural order.

The Enthronement's goal is to apply 2,000 year old Christianity to the family situation. It is preserving the baptismal commitment in the family. To further the growth of the Enthronement, it is hoped that families, as the basic social units of society, will make this commitment to Christ. Then society can be won back to the

principles of Christ family by family. The aim is to convince people to officially and publicly pledge themselves to practice Christian principles in the social order.

This way of life is initiated in the home through a ceremony called The Enthronement of the Sacred Heart in the Home. This is done by the father, as the priest of the family, committing his family to a positive program of Christian living. It is witnessing Christ to society and getting the family to adopt Christian principles in the conduct of its daily living.

Christians today dislike sentimentality and pietistic approach to religion. The Enthronement's aim is to show the truly doctrinal nature of this practice. The symbolism of the Sacred Heart is used to encourage devotion to the love of God. This is a devotion to the personal Christ - a personal God loving us. Love can only be returned with love.

Archbishop William E. Cousins will be principal celebrant and homilist of a Concelebrated Pontifical Mass for the Washington county rally of the Enthronement at Holy Angels parish, West Bend, on May 21. One and all are invited to attend the rally which will be a treasure to all who participate in it.

Mrs. Gruhle Attends School Food Service Managers' Course

"How can we operate better, more efficient school lunch programs?" Many school food service managers are seeking the answer to this question by continuing their own education. During April and May, Mrs. Willard Gruhle, Kewaskum school lunch manager along with other school food service managers and cook-managers, has been participating in University Extension's School Food Service Short Course II at the Winnebago county courthouse in Oshkosh. Graduation was on May 2.

This 40 hour course is the second stage of a management development program sponsored by University Extension of the University of Wisconsin and School Food Services program of the Wisconsin Department of Public Instruction. It is a program designed to improve the nutrition of children, the quality of food served and the efficiency of school lunch operation, says Mary Mannas, institution management specialist at the University of Wisconsin and director of the program. During the past year, almost 500 workers in the state completed the first stage of the program, and 110 have previously completed the second level.

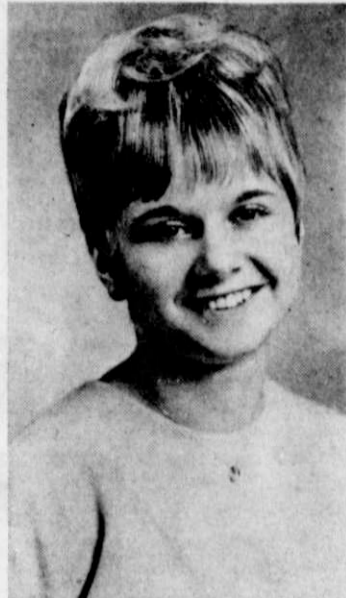

The 48 managers who completed this short course are responsible for programs feeding more than 40,000 children each day during the school year, in both public and private schools. More than 320,000 children in the state participate in school food service programs which serve the type A menu which meets a third to half of the day's food needs.

In Short Course II, managers learned to plan and evaluate menus, from nutritional, aesthetic and operational points of view. The course also included sessions on development of food habits, creative problem solving, basic management and communications, and use of commodity foods.

Graduation from this short course qualifies these managers for the advanced short course which will be offered within the next year. In this course they will receive concentrated training in personnel and financial management.

45 Couples Enjoy Post Prom Dance

The post prom dance on April 26, for the Kewaskum High school students was well attended by 45 couples. It was held at the new administration office building of Regal Ware, Inc., Kewaskum. The rock-band music was provided by the "GTO's" (Girls Take Over). A small night club atmosphere was set with a soft candle-lighted table arrangement. Refreshments of snacks and soda were served continuously. At 1:30 a lunch of hot ham sandwiches, potato salad, milk and a large variety of desserts was served.

A discussion at the May meeting of the Kewaskum Juniors about a future post prom was held.

Two suggestions were to hold the post prom only until 2:00 a. m. instead of 3:00, because of the large majority of couples leaving at 2:00, and to have only snacks and soda instead of a complete hot lunch.

Miss Honora Ann Norton and all the members of the Kewaskum Junior Woman's club would like to express special thank yous to: the students of the Kewaskum High school for attending the post prom in such large number; Regal Ware, Inc. for the use of their new cafeteria facilities; the Wigwam for the use of the table candles; the five couples who chaperoned, set up and cleaned up; the club members who donated a large variety of desserts and just a big THANK YOU to everyone involved who made it a most enjoyable post prom dance.

A thank you note was received from the Kewaskum High school class of 1970 which read as follows: "The Junior Class of Kewaskum High School would like to thank the Kewaskum Junior Woman's Club for sponsoring the Post Prom. Everybody enjoyed it very much and hope we'll have another one next year."

The members who chaperoned were: Miss Honora Ann Norton, club president; Mrs. Robert Vass,

post prom committee chairman; Mrs. Norman Gruber, Mrs. Marvin Perkins, and Mrs. Mark Rodenkirch.

BEECHWOOD 4-H

The meeting was called to order by President Richard Loof at 8:00, May 5. Pledges were started by Nancy Lendved. For roll call we had to answer "What My Parents Have Done to Help Me in 4-H." Our song leader, Bonnie Lendved, started our songs.

Since we had a lot of fun at

the Beechwood Rest Home last month we are going again May 24.

Talks were given by Christine Lennartz on safety, Cindy Stange on how to ride a bike, Lori Keepke on health and Richard Loof gave a talk on fair week. Demonstrations were given by Nancy Lendved on knitting, an excellent demonstration was given by Larry Lendved on electricity showing three way switches, and another demonstration was given by Carrie Kempf on serving.

The meeting was adjourned.

Indian Golfers Win Two More

DEFEAT BELLS AND OWLS; JV'S SUFFER FIRST LOSS

The Kewaskum High school golf squad won two more matches the past week, defeating Campbellsport and Slinger, to boost their Scenic Moraine conference record to 3-1 and a second place standing. The Indians are 5-1 overall for the season.

Meeting Campbellsport at Camelot Country club last Wednesday, the Indian squad shot a 170 while the Bell team ran over 200 strokes. Jim Tessar of the winners won medalist honors with a four over par 39. Tessar thus becomes only the third golfer in local high school history to golf in the 30's. The others are Al Bohn and Clark Eichstedt, who is a member of this year's team. Remaining Kewaskum scores against the Bells were Eichstedt 40, Mike McClain 45 and Perry Koth 46.

The JV's also defeated the Bells, running their winning streak to five straight without a loss. The JV's had a score of 188, which was a better score than the Campbellsport varsity posted. Randy Koth paced the winners with a 41, followed closely by Artie Buss with a 42.

Playing at the Ackerville Country club Monday, Kewaskum handed Slinger its first defeat of the season, 178 to 182. High winds and cold prevented the golfers from being at their best. Eichstedt of the Indians copped medalist honors with another 40, while Tessar followed by shooting a 44, McClain 47 and Koth 47. Tessar and McClain each had one bad hole which hurt their scores. Larry Gundrum and Sprinkman led Slinger with 44 scores.

The JV's suffered their first setback of the season at Ackerville, losing to Slinger 192 to 201. Best scores for the Indian JV's were a 46 by Buss and Mike Strobel's 49.

On Wednesday of this week Kewaskum hosted Lomira and Random Lake at Hon-E-Kor, next Tuesday they have a match with Pewaukee at Nagawicka Country club, and next Wednesday the conference meet will be held at Grafton's Edgewater course. Eight schools will be entered in this meet starting at 1:30 p. m.

The 100-year old gent was interviewed on his birthday, and the scribe asked what he thought of modern women. "Wal," he drawled, "guess I can't help you much on that subject. Fact is, I quit thinking about women nearly two years back!"

Recovery, Inc. Members Woman's Club Speakers

The May 10 meeting of the Kewaskum Woman's club featured five members of Recovery, Inc. as guest speakers. Recovery, Inc. is sponsored by the Washington County Mental Health association. There are 725 Recovery groups throughout 41 states and Canada with total membership of 10,000.

Abraham A. Low was the founder of Recovery, Inc. in 1937. It is a self-help organization, the purpose of which is to prevent relapses in nervous persons and those with mental disorders. The group is managed and controlled by former patients and does not staff professional personnel.

The West Bend chapter has been in existence two years and meets every week. It is open to anyone over 18 years of age. Meetings are conducted by a group leader and a panel discussion situation is the basis of procedure with informal conversation among the members after the panel.

The procedure in working out individual problems is followed by using the guide lines set up by

Abraham Low. Examples of problem solving situations were demonstrated by the five ladies who presented the program.

At the business meeting the Helen Mears Art awards were presented to the three winning entrants. Mrs. Allen Tessar was named a member of the Ways and Means committee for the coming year. A report on the planting of 250 small trees at South Park was made and plans were formulated for the filling of the flower boxes on the bridges.

A book entitled "Women in American Politics" by Dr. Gruber of the W.S.U. of Oshkosh was designated for presentation to the village library. Table collection went to the Mental Health association.

Hostesses of the day were chairman, Mrs. R. G. Kroncke, assisted by Mrs. E. A. Norton, Sr. and Miss Honora Norton.

The two friends had imbibed too freely and found themselves staggering down the railroad tracks. "Shay, Charlie," said one, "does this stairway seem awfully long to you?"

"It ain't the length that bothers me," Charlie replied, "but this railing is too darn low."

A self-cleaning
electric range
cleans the oven for pennies!

The dollars saved in buying one could clean the oven for 30 years!

An electric range with the self-cleaning oven costs up to \$40 less than other types of ranges with self-cleaning ovens. This saving could easily pay for the electricity to clean the oven for at least 30 years*.

Electricity cleans completely — nothing left for you to do but sweep out the thimbleful of ash that remains. You are forever done with scraping, scouring, and scrubbing.

Electricity also puts less heat in the kitchen. Tests show that other types of self-cleaning ovens add seven times as much heat as electric. Save when you buy — enjoy years of automatic electric oven-cleaning with what you save.

See your electric range dealer. You'll be surprised at the reasonable price of self-cleaning electric ranges.
