Kewaskum Man Reported on SAC Plane Missing Over Bering Sea

T/SGT. CHARLES DREHER
ABOARD MISSING PLANE

An Associated Press release from Anchorage, Alaska, reported that aircraft searched the icy Bering Sea through the night for a Strategic Air Command reconnaissance plane which disappeared last Thursday with 19 men aboard. More planes and three ships joined the hunt Friday.

Aboard the plane was T/Sgt. Charles F. Dreher of Kewaskum, according to word received by relatives from the U. S. Air Force. Dreher, 31, the son of Mr. and Mrs. Earl "Pat" Dreher of 1541 Fond du Lac ave., Kewaskum, has been in the Air Force 12 years. His wife, the former Charlene Vetter of Beechwood, and their three children reside in Bellevue, Nebr.

Sgt. Dreher's parents were informed of the missing plane Friday. The sergeant had last visited his parents here on Mother's Day recently.

The Japanese Maritime Safety Agency said a Japanese fishing boat had reported survivors from a large aircraft, which could have been the RC135 reconnaissance plane, were adrift in a liferaft in the area.

However, a spokesman for North Pacific Rescue Coordination Center at Juneau, Alaska, headquarters for the search, said it knew of no liferaft being sighted. He said the fishing vessel Shuyo Maru might have misunderstood a note dropped from a plane asking it to aid in the search.

Sighting of what appeared to be a liferaft was reported Friday but a closer inspection turned up only an orange-colored crab float.

In addition to the Japanese ship, the Coast Guard cutter Balsam was headed for the search area and a Russian fishing vessel was asked to assist.

Searchers bucked 26-knot winds and eight-foot seas Friday night. The ceiling was 1,000 to 2,000 feet.

The SAC jet disappeared Thursday about 30 minutes after taking off from Shemya at the tip of the Aleutian Island chain. It was on a flight to Eielson Air Force Base near Fairbanks.

Headquarters for SAC said the RC135 was on a routine mission and made its last radio report about 250 miles east of Shemya. The plane carried electronic equipment for monitoring radio communications and checking radar.

Although the plane's flight pattern took it close to the Siberian border, military authorities at Anchorage would not comment on the plane's mission. But the Pentagon said it had not been shot down.

VOLMS ATTEND GRADUATION OF NEPHEW FROM SEMINARY

Mr. and Mrs. Aloisius J. Volm recently attended commencement exercises at St. Lawrence seminary, Mount Calvary, where their nephew, Craig Narges, was one of the graduates.

He won an award in a German essay contest, which was presented to him at an earlier date in ceremonies at the War Memorial building, Milwaukee.

Craig is the son of Mr. and Mrs. Harold Narges of Eden.

Petermann Safe, Telegram Reveals

Mr. and Mrs. Lloyd A. Petermann of the town of Auburn, R. 2, Campbellsport, received a telegram last Friday, June 6, from their son, Fireman Dennis O. Petermann, USN, informing them that he had survived the recent crash in the south China sea off the coast of Vietnam between the Australian aircraft carrier Melbourne and U.S. destroyer USS Frank L. Evans and was safe aboard the USS Kearsarge in the Philippines.

The brief telegram read as follows: "I'm safe on board the Kearsarge. Love, Dennis."

The Melbourne cut the Frank L. Evans in two in the collision during maneuvers about 240 miles southeast of Saigon just before dawn last Tuesday. Petermann was serving aboard the Evans at the time of the crash, following which the bow of the Evans sank. The U.S. Navy's figures listed 73 American sailors missing and 200 survivors. The survivors were taken aboard the Melbourne and later transferred to the Kearsarge to be taken to the Philippines. It was assumed that Petermann was among the survivors when his name was not included on the casualty list.

Village Beach To Open Monday

SWIM LESSONS BEGIN JUNE 23; REGISTRATION JUNE 21

The Kewaskum village beach will begin its 1969 swimming season on Monday, June 16. Beach hours will be 9:00 a. m. to noon, and 1:00 p. m. to 5:00 p. m. except Sundays which will only have the afternoon hours. The life guards will be Dan Meilahn and Joe Huber.

The first session of swimming lessons will last from June 23 to July 11. Registration will take place on the second floor of the municipal building on Saturday, June 21, from 9:00 a. m. to noon. Times for lessons as well as beach rules will appear in next week's paper.

Tornado Alert to Be Sounded Monday

The fire siren in Kewaskum, as well as those throughout the county, will be sounded again Monday, June 16, at 10:30 a. m. for the monthly tornado alert, according to Marvin Martin, local Civil Defense director.

Civil Defense tornado alert tests are being conducted in Washington county on the third Monday of May, June, July, August, September and October.

The alert will consist of a steady blast from 3½ to 5 minutes on the local fire siren.

Residents should keep in mind this is not a fire alarm, but a "tornado test" alarm. This is a good opportunity for parents to see what their children would do in case of a tornado.

\$155,000 for Swim Pool Facilities Okayed by Board

SCHOOL TO REMAIN IN SCENIC CONFERENCE

At a recent meeting, the board of education of Kewaskum Community Schools approved a resolution authorizing the borrowing of \$155,000 to finance a building and related facilities for a swimming pool at the high school. The pool itself is being donated by the Kiwanis Club Foundation.

District electors had approved the matter of borrowing between \$125,000 and \$155,000 at the annual school meeting last July. Financing will be in the form of three promissory notes, one in the amount of \$55,000 and the other two for \$50,000 each. The borrowing is to be no later than Sept. 30, 1969.

Contracts for pupil transportation were approved for Merlin Degnitz, R. 1, Kewaskum, and Bauman Bus Service of Campbellsport.

It was also approved to continue the services of a psychologist, social worker and speech therapist three days per week. Contracts were approved for 10 teachers to teach summer school. Teaching contracts for Miss Kathleen O'Neill and Mrs. Delores Carr for the 1969-70 school year were also approved.

The low bid among five of Jackson Equipment, Jackson, was accepted for a riding mower with snowblowing attachment at a cost of \$1,704, minus trade-in of \$1,100.

It was announced by Superintendent Marshall Boyd that Kewaskum High school will remain in the Scenic Moraine conference. The board previously had gone on record to withdraw from the conference and join a proposed new one, provided that one more school comparable in size to Kewaskum would join, which none did. Hartland Arrowhead High school and Kettle Moraine school of Wales have joined the Scenic Moraine conference and Campbellsport and North Fond du Lac have withdrawn from it. Random Lake had previously withdrawn.

Boyd also announced that representatives of the firm of Schutte-Mochon, Inc., which was hired by the district to make a feasibility study of future site and enrollment needs, wanted a meeting with the board on June 9 to get the board's feeling on the matter. The three supplementary classrooms, purchase of which was approved by the board, will be installed late in June, Boyd reported.

In Juneau they will be guests of the Franklin, Gates and Pierson families, who spend their winters in Florida. Senator Pierson has extended a special invitation to be his guests for a tour of Anchorage, Fairbanks and Nome.

West Bend Youth Killed, 3 Others Injured in Crash

KEWASKUM GIRL AMONG THOSE HURT IN MISHAP

A West Bend youth was fatally injured and three other young persons, one of them from Kewaskum, were seriously injured in a two-car, almost head-on collision on Hwy. 45 about two miles south of Kewaskum in heavy fog early Saturday morning. The collision occurred about 1:08 a. m.

Pronounced dead on arrival at St. Joseph's Community hospital, West Bend, where he was removed in the Kewaskum firemen's ambulance, was Thomas J. Kenny, Jr., 20, of 1321 Evergreen st., West Bend, who suffered head injuries. Kenny is the son of Mr. and Mrs. Thomas J. Kenny. The senior Kenny is president of the B. C. Ziegler company, nationally known investment firm.

Injured in the crash were James R. Lockman, 19, of R. 5, West Bend, driver of one of the cars in which Kenny was a passenger, who suffered internal injuries and a broken leg; Miss Lynn L. Honceck, 21, of R. 2, Kewaskum, who was reported to have incurred head injuries and a broken leg, and Miss Margaret Shields, 18, of 715A Cedar st., West Bend, head injuries.

While circumstances of the crash were still under investigation and complete details unavailable, Washington county authorities reported that Kenny was a passenger in the Lockman vehicle which was traveling south on Hwy. 45. Investigation indicated that the Lockman car veered into the northbound lane of traffic and collided with the auto occupied by the girls. All of the injured were taken to St. Joseph's Community hospital.

Both vehicles were demolished in the crash. This was the 10th fatality for Washington county in 1969.

Young Kenny, a 1966 graduate of West Bend High school, where he was active in sports and extra curricular activities, had just completed his junior year at Purdue university, where he was a computer science major in the industrial engineering department. He was a member of Zeta Psi fraternity and the U. S. Navy R.O.T.C. Funeral services were held Tuesday at St. Frances Cabrini church in West Bend.

**What is it?
What else but Flameless Electric Heat!**

Actually, it's a YES-YES! At least for those who want the very best. Electric heat is the ultimate in heating comfort—each room tailored to your own individual heating preference, if you like. No fuel to order, no fuel to store. There's no flame—so there's no smoke, no dust or grime. So trouble-free there are practically no maintenance costs.

You would think electric heat, with all of its modern advantages would cost a lot more—but it really doesn't. Residential electric heating customers qualify for a special low rate for all the electricity they use, for any purpose. It makes the net cost of electric heating compare most favorably with other fuels.

If you would like to find out more about electric heat, just mail the coupon for the FREE

booklet. No obligation of any kind. If you want specific information or a free electric heating cost estimate, ask for the names of Recommended Electric Heating Contractors.

Joanne Rauch Bride Of Ronald Amerling

Holy Trinity church, Kewaskum was the setting Saturday, May 10 for the marriage of Miss Joanne Estelle Rauch, daughter of Mr. and Mrs. Calvin Rauch, R. 3, Campbellsport, and Ronald L. Amerling, son of Mr. and Mrs. Arnold Amerling, R. 2, Kewaskum. Rev. John T. Budde performed the 1 o'clock ceremony before an altar decorated with gladioli and carnations. The children's choir of Holy Trinity sang the Mass.

The honor attendants were Mrs. Kenneth Franke, R. 1, Horicon, sister of the bride, and David Amerling, brother of the bridegroom.

Bridesmaids Mrs. Allen Amerling, Mrs. Maurice Struebing, Catherine Schaefer, and Mary Amerling, and groomsmen Allen Amerling, Maurice Struebing, Curtis Rauch and Calvin J. Rauch completed the bridal party. Guests were seated by Leon Lange and Dan Kudek.

The bride's gown of nylon organza was fashioned with basque fitted bodice, long sleeves, Sabrina neckline, and bouffant skirt with detachable Watteau train. An open crown, Camelot head piece of re-embroidered Alencon lace, accented with pearl beading, crystals and back bow held her chapel length veil. She carried a spray of red roses, white carnations and lily of the valley.

The matron of honor's floor length orchid chiffon and lace sheath style gown was styled with lace bodice, short sleeves accented with satin bands and high neckline with a shirred back panel. She wore a headpiece of tulle petals accented with Venice lace and centered with pearls and aurora borealis. Identical Nile green gowns were worn by the bridesmaids. They carried sprays of yellow spider mums and carnations accented with Nile and orchid leaves to complement their dresses.

After a reception and dinner for 400 guests at Nonn's Kettle Moraine lake resort, Dundee, the couple left for a wedding trip to Salt Lake City, Utah.

The newlyweds are now at home in Kewaskum. Mrs. Amerling, a 1966 graduate of Campbellsport high school, is employed at The West Bend Co. Her husband, a 1965 graduate of Kewaskum high school, is employed at Gehl Mfg. Co., West Bend.

IN MEMORIAM

In loving memory of our beloved father and grandfather, Charles Meinecke, who passed away one year ago, June 10, 1968:

A silent thought, a secret tear,
Keeps his memory ever dear;
Time takes away the edge of grief,
But memories turn back every leaf.

Sadly missed by his daughter,
Mrs. Lorinda Bunkelman, and family.

CARD OF THANKS

We greatly appreciate the kindness shown us during our recent bereavement, the death of our dear husband and father, Louis T. Ogenorth. Sincere thanks to Rev. Schowalter and Rev. Beck, donors of floral and memorial tributes, members of the Masonic lodges, Miller's, and all who showed respect.

Lakes '9' Loses to Port, Cedarburg

HELD TO ONE HIT BY CEDARBURG'S LANGLOIS

Kewaskum's clean slate got dirtied up a bit when they lost two games over the weekend. In a night slugfest Saturday Port Washington outlasted the local Lakes team, 11-10, and Sunday afternoon Kewaskum was blanked by Cedarburg, 7-0, as D. Langlois, Cedarburg pitcher, checked them with one hit. This was a double by A. Theusch in the ninth inning which robbed Langlois of a no-hitter.

Both Port and Kewaskum each used three pitchers in the free-hitting contest Saturday night. The Port hurlers were Schultz, Kirsch and Lehner and those for Kewaskum included Fehlhaber, Heise and Bruhn. Port built up an 11-7 lead after six innings but Kewaskum almost closed the gap with three runs in the ninth to bring the final count to 11-10. Kewaskum outhit their opponents, 15 to 9, but was unable to push them across the plate. Al Koepke, Tom Bartelt and Mark Heise each collected three hits for the losers, while Mayer got three for Port.

Langlois pitched a beautiful game here Sunday in shutting out Kewaskum on one hit. He retired the side in order in six of the nine innings. Kewaskum failed to get a man on base until the sixth when Langlois loaded the bases on three bases on balls. They got one more runner on base in the 7th on a walk and the only other one was Theusch on his double in the 9th. Langlois struck out 13 in his masterpiece. On the other hand Cedarburg got eight hits off Fehlhaber and Koepke, three of them by J. Dickman. Seven errors behind them hurt. Cedarburg bunched three runs in the third frame and all others came one at a time.

Kewaskum has its work cut out again this coming week when the

team plays the two leading, undefeated teams in the league. Sunday they host leading Saukville (5-0) and next Wednesday night Kewaskum plays at West Bend (3-0).

T. Farmington to Host Red Cross Dinner Meeting

The Town of Farmington will be this year's host to the West Bend Chapter of the American Red Cross at the annual dinner meeting Wednesday evening, June 18, at 7:15 p. m. at the Farmington

Elementary school. The meeting will be meaningful for the veteran volunteers and friends of the chapter. It will mark 50 years of humanitarian service by the American Red Cross in Washington county.

The family style dinner also promises to be memorable. It will include chicken with all the "trimmings," mashed potatoes, peas and carrots, dressing, cranberry sauce and rolls. Apple Kuchen and ice cream will be the dessert. This delicious meal will have the tiny price of \$2.00. All county residents are invited to share in the fellowship of the meeting and the work of the Red

Cross. Tom Koenig, chapter chairman, has asked that reservations for the dinner be sent to Gerald Secor, R. 1, Kewaskum 53040.

The annual dinner will have Red Cross project reports and a business meeting at which members of the board of directors will be elected. Speaker of the evening will be James Swoboda of Milwaukee, who has just finished his 2nd three year term on the Na-

tional Red Cross board of directors.
