## Dave's Music New Distributor for Hammond Organs

STORE IS REMODELED, FACILITIES EXPANDED

Dave's Music Center in Kewaskum has obtained the franchise as exclusive distributor of Hammond organs in Washington and Ozaukee counties.

Dave's Music Center, operated by Dave Skrentny, is located at 1269 Fond du Lac ave. at the intersection with Main st. The store has been completely remodeled and enlarged to provide additional space to display Hammond organs. Dave has operated the business since May of 1967.

The store obtained the franchise as distributor of Hammond organs following two years of negotiating with the firm, according to Skrentny. The Hammond line will be carried in addition to Dave's complete stock of Admiral TV and stereo, musical equipment, records and other supplies. Dave also gives guitar lessons and has a program underway to provide organ lessons as well.

The proprietor also is expanding his facilities. He has leased the building owned by Bill Ruth at 221 Main st., which formerly housed the Regal outlet store. He will utilize this store for display and storage of merchandise.

Dave welcomes all residents of the area to stop in and visit his store to see the beautiful line of Hammond organs and "share in the excitement" of the occasion of his being designated as the area dealer for Hammond products.

See Dave's full page advertisement introducing the Hammond organs to this area on another page of this issue.

## Willing Workers for Turkey Shoot Needed

Once again the Kiwanis club has issued an appeal for volunteer workers at the 17th annual Turkey Shoot Sept. 21. Faithful and hardworking volunteers from throughout the Kewaskum area are to a great extent responsible for the past success of the annual affair.

Women and girls are needed for the cook shanty, to sell pop or serve in the bratwurst stand, children 13-16 years of age to help at the children's games and to set traps, and men and older boys are urgently needed to help in the "pits," on the firing line, archery range, trout pond and trap shoot.

Any willing workers are asked to call Mike Kardos at Regal Ware, Inc., 626-2121 or at home, 626-4141. Any person who feels they would like to work but cannot give advance notice, please report to the ticket booth at the shoot.

Thanks in advance. See you on the 21st.

## 300 Hear Merkel Speak at GOP Brat Fry Here

Republicans from all areas of Washington county gathered in Kewaskum last Saturday evening to attend the annual G.O.P. bratwurst fry. Nearly 300 heard assemblyman Kenneth J. Merkel of Brookfield discuss the state budget.

Merkel indicated that although critics claim the level of expenditures is not adequate, the facts are that we have passed a budget which percentage-wise has the largest increase of any budget in recent history. He stated that it is about 100 million higher than he had hoped for, but it was the best they could do.

Merkel indicated that one redeeming feature was that for the first time the legislature put some controls on many programs operated by various state agencies, especially in the areas of education and welfare.

Lester Francke served as master of ceremonies at the program. Merkel was introduced by fellow legislator Frederick Schroeder of Washington county. Washington county officials were also introduced. Live music was supplied and many fine prizes given.

The crash occurred when a vehicle driven south on Hwy. 45 by Roland G. Anderson, 19, of Kewaskum and a car eastbound on Badger rd. and operated by Timothy P. Lewis, 19, Milwaukee, collided. The accident report indicated Lewis did not see the other car approach from the north and pulled out in front of it. Injured were two passengers in the Anderson vehicle. Nancy Anderson, 19, incurred a cut elbow and Rodney D. Anderson, also 19, suffered a bruised elbow, knee injury and cut hand.

Lyle C. Yahr, 30, of R. 1, Kewaskum, a truck driver, suffered a bump on the head and possible back injuries when the gasoline truck he was driving apparently got off the blacktop on CTH M about 1½ miles south of Fillmore as the vehicle was traveling north. # Indians Romp Over Horicon In Football Opener Here, 18-8

## WEINREICH'S RUNS, PASS INTERCEPTIONS KEY WIN

The Kewaskum Indians opened the 1969 football season with an impressive non-conference win over Horicon of the Northern Little Ten conference here Friday night, 18-8. It was only the Indians' second win in seven openers against the Marshmen but all of the games were closely contested between these rivals. The victory avenged a 13-7 loss last year.

The Indians' main weapons in the victory were an excellent pass defense highlighted by four interceptions, a fine rushing attack paced by Fullback Glen Weinreich who was the workhorse of the team, and sound defensive play by the veteran line. Weinreich had a busy night, carrying the ball 24 times for a gain of 96 yards. He also accounted for two touchdowns.

Kewaskum could be tough this year with 14 lettermen back, a big experienced line, solid pass defense, a hard runner in Weinreich, and good quarterbacking in junior Mike Doherty, spelled by Lee Rammer.

After a scoreless first quarter, Kewaskum scored twice in the second period. Their first drive started on their own 37 yard line after they recovered a Marshman fumble. Weinreich carried four times for good gains and finally plowed in from the five yard line for the game's first TD. The try for extra point failed.

On the next series of plays the Indians picked off a Horicon pass on the Marshman 30. Doherty hit Randy Koth with a long pass that took them to the one yard line from where Weinreich again scored to make the score at halftime, 12-0. They failed again on the conversion.

The Indians got another scoring chance late in the third quarter when one of their punts was fumbled by Horicon and pounced on

by Kewaskum on the Marshman 20. Doherty kept on the first play and shot around left end for a 20 yard TD run. This made it 18-0 and the extra point attempt again failed. The extra point try is one department in which the Indians need improvement.

The Marshmen finally warmed up in the final quarter and played their best ball. They kept possession of the ball most of the period and scored their only TD. After a fumble recovery by Horicon on the Kewaskum 16, the team moved the pigskin in a sustained drive which was ended when fullback

Bob Polenska banged into the end zone from the four for their only score. Joe Aumann ran for the extra points to make the final count 18-8.

The Indians' most spectacular defensive play came with less than four minutes left in the final quarter. Horicon had a fourth and eight situation on the Kewaskum 47. The Marshmen's Elroy Thrunt took the ball straight up the middle until he was dragged down from behind on the three yard line. On three running plays the defense pushed Horicon back to the 10, where for the fourth and final time the Marshmen again fumbled.

Coach Joe Harlow was pleased with the pass defense of Joe Backhaus and the defensive line play

of Russ Gavin, Dave Schaub, Leo Gundrum and others. The four interceptions were by Backhaus, Steve Stern, Koth and Glen Staehler.

Horicon topped Kewaskum, 11 first downs to 10, and gained 234 total yards to 209 for the Indians, but fumbles and interceptions kept them from scoring. But the Indians had all the best of it in the passing department. Doherty completed 5 out of 7 while Horicon completed only 5 out of 24.

In a game played Saturday, another Scenic Moraine conference team, Grafton, defeated a Southern Little Ten loop school, West Bend, by a score of 19-12.

Kewaskum opens conference play tonight (Friday) when they are at home again against Pewau-

kee. The Pirates are a perennial title contender but must find a replacement for graduated halfback Doug Brandt. Grafton, defending champion, and North Fondy have been picked as pre-season favorites in the Scenic Moraine. The Indians host North Fondy next Friday, Sept. 19.

## Marriage License

Sept. 3—Richard Allen Laubach, Kewaskum, and Linda Theresa Engelhardt, West Bend; wedding Sept. 13.

Judge (sentencing criminal): "Just what good have you ever done for humanity?"

Yegg: "Well, I keep three or four detectives working regularly."

### REAL CHAMPIONS!

TV's most exciting and successful high school quiz show begins its 6th series on Sunday, Sept. 14.

Shown are the champions of the 5 previous series which began in 1967. These keenly intelligent young people are real champions, as are all of those who represented their schools so well in previous "Who Knows" competition. Their performances have brought well-deserved credit to themselves, their schools and to the faculty representatives who coached them so well.

Tune in Sunday at 5 PM, Channel 6. Tune in every Sunday to see a great show and support these wonderful young people.
