Homecoming Next Weekend At High School

PARADE, FOOTBALL GAME FRIDAY, DANCE SATURDAY

Homecoming fever is becoming apparent in the halls of the Kewaskum High school. During this preliminary week, plans are being made for the various clubs and classes to begin work on the floats. The seniors are busy with dance decoration plans and float ideas for the parade to be held on Friday evening, Oct. 10, before the game.

To avoid traffic tie-ups on busy Hwy. 45, the parade route has been changed this year. The parade will start at the high school parking lot, go south on Bilgo lane for one-half block, turn east and continue south on Parkview drive to Main street where it will turn west and continue along Main street to Railroad street, turn north to continue to the street north of the football field, where the floats will be parked during the game.

Next week decorating will begin in earnest, culminating in the parade from 6 to 7 p. m., Oct. 10, and with the homecoming game against Campbellsport at 7:30 p. m.

The homecoming dance will be held in the high school gymnasium on Saturday night, Oct. 11, from 8-12 p. m. The Ben Reehl Quintet is playing. All alumni are invited to join in the festivities.

SECONDARY THOUGHTS

By the Staff of Kewaskum Community High School

Mid September finds the school year well in progress. Students and staff alike have settled down to the business of education. A new school year brings new people, new plans, and new projects.

We at Kewaskum Community High school welcomed the 167 members of the freshmen class, Janthea Dawe our new A.F.S. student, and seven new staff members.

Two new clubs have been added to our list of co-curricular activities, one is beginning photography, the other being audio-visual. All co-curricular activities have had their first meeting and the Student Council has selected its project for the school year.

The staff of KCHS has undertaken a bi-weekly news column titled "Secondary Thoughts" as a new project for the 1969-70 school year. It is our desire to keep the people of the school community informed regarding the high school and our educational program. This type of column has proven successful in other communities and it is our hope that you will find "Secondary Thoughts" both interesting and informative. Each column will be written by a different staff member and will include curriculum, purpose, and educational trends.

KCHS has grown through the years to its present enrollment of 623 students. The high school staff is composed of fifty-two employees. This includes thirty-eight educational personnel; four part-time specialists in the fields of speech therapy, psychology, social services, and health which are contracted through CESA 16 or Washington County; and ten non-teaching members functioning as secretaries, custodians, and food service personnel. Together we function as a team to provide our youth with the comprehensive education necessary to prepare them for contemporary society.

2 New Full-Time Police Officers Hired by Village

NEENAH, MILWAUKEE MEN ENGAGED AS PATROLMEN

Chief of Police Don Hlavaty announced this week that two new regular police officers joined the Kewaskum police force recently. They were hired by the village board at their September meeting. One of the patrolman is from Neenah and the other from Milwaukee.

Lee Konitzer, 38, a 15-year veteran of the Neenah police force, where he served as a sergeant, began his duties in Kewaskum on Sept. 5. He is married and has three school-age children.

James Wyman, 27, with four years experience as a member of the Milwaukee police force as a patrolman, began his duties in the village last Saturday, Sept. 27. He is also married and has one child.

Families of both new officers will move to Kewaskum as soon as housing can be arranged. Village requirements are that the move be made within 90 days after employment begins.

Konitzer and Wyman were selected from six candidates who were interviewed by the village board in the presence of Chief Hlavaty. Sixteen had picked up applications but of the nine returned, three were eliminated because they did not meet experience or education background requirements set by the village.

Kewaskum now has a police force of five officers. Besides the above three regular patrolmen, the village has two part-time patrolmen, Neil Denniston and Jan Rosenthal.

The new appointments fill vacancies created when Hlavaty was appointed chief following the retirement of former chief Roland Pledl and the resignation of Patrolman Dennis Scott.

Candidate Kaiser To Campaign Here

Senatorial candidate, John P. Kaiser of Juneau, is making a final campaign swing through Washington county on Thursday and Friday, according to Al Seefeldt, Washington county co-chairman of the Kaiser for Senate committee. Kaiser is a Republican candidate in the special primary election set for next Tuesday, Oct. 7, to fill the state senate seat vacated by the late Sen. Frank Panzer.

Kaiser, the former Dodge county district attorney, announced that his itinerary would bring him to Slinger, Allenton, Jackson and

Germantown on Thursday. On Friday, Atty. Kaiser will campaign in Hartford, Kewaskum and West Bend.

"I have been extremely gratified by the reception given me by the citizens of Washington county, and I am looking forward to visiting the various communities of Washington county during the last few days before the primary," Kaiser commented.

Kaiser noted again that the voters of Washington county will be extremely instrumental in the selection of the candidates for the Nov. 4 general election.

"I am impressed by the serious manner with which the voters of Washington county are assuming

their responsibility in this primary," Kaiser said. "They are very much aware of the issues and I am expecting, therefore, that there will be a better than expected turn out at the polls on Tuesday," he continued.

Kaiser, a practicing attorney for

22 years, has, in addition to being district attorney for 14½ years, served on the Dodge county board, the Juneau city council, and on his local school board.

LETTERS TO THE EDITOR

DISRESPECT OF THE FLAG

The Robert G. Romaine Post No. 384 of the American Legion recently placed new flags on the graves of the veterans buried in the local cemeteries.

Within a few days the flags in one section of a cemetery were removed from their holders and found lying on the ground nearby.

If the person or persons responsible for this do not respect their flag, they should at least respect the sacredness of the cemeteries and the graves of veterans, who suffered hardships to keep our country free.

Indians Run Over Warhawks, 28-0; Tied for Second

WEINREICH NAMED PLAYER OF WEEK IN CONFERENCE

With some bruising ball-carrying by fullback Glen Weinreich, the Kewaskum Indians ran over Germantown there in a Saturday afternoon game, blanking the Warhawks, 28-0. The win gave the Indians a 2-1 record, good for a tie for second place with North Fondy.

Weinreich, a 195-pound blaster, moved through the Germantown defense for 212 yards in 19 carries. He scored two touchdowns on short plunges. His 12 points Saturday give him a total of 20 in three games and he is second in individual scoring in the conference. Ron Theusch is fourth with 16 points.

For his great effort against the Warhawks, averaging 11.1 yards

per carry and scoring two TD's, Weinreich was honored by being named "player of the week" in the Scenic Moraine conference. Glen has totalled 451 yards in 68 carries in three conference games.

Germantown played erroneous football — fumbling, running for losses, kicking poorly and passing for incompletions—and it was surprising the Indians didn't run up a bigger score. The way Weinreich and Theusch hit the Warhawks' defensive line, they were defenseless and couldn't stop either one. Penalties and just plain weariness kept Kewaskum from scoring more.

On the first touchdown drive in the first half the Indians drove 68 yards. Weinreich ran the last few yards and Theusch went through for the points after to make it 8-0 at the intermission.

In the second half, after Germantown ran for a loss, threw two incomplete passes and punted, Kewaskum took over on its 20. Eight running plays later quarter-

back Mike Doherty ran left end for 13 yards and a score. Larry Bunkelman booted the score to 15-0. After an onside kick, Germantown fumbled on their first play, putting the Indians only 46 yards from another quick score. Only five running plays and Weinreich scored again from the three to make it 21-0. Another kick off, running play, fumble and the Indians had the ball once more on its own 48. Krahn and Weinreich brought the ball to Germantown's 40, Doherty sneaked for 5 and then ran 35 yards for his second TD of the quarter. Bunkelman converted the score to 28-0. Schultz and Butschlick recovered the Warhawks' fumbles which led to the final two TD's.

The Warhawks were held to a minus yardage rushing in the second half. Weinreich's 212 yards rushing was almost three times that of the total offense of Germantown. Doherty gained 118 yards in 11 tries.

Statistics: First downs—Kewas-

kum 19, Germantown 5; yards rushing—K 375, G 40; yards passing—K 46, G 20; passes attempted—K 7, G 13; passes completed—K 4, G 2; intercepted by—K 11; PN—K 85, G 5.

The Kewaskum JV's meanwhile ran their losing streak to 3 straight this week. The JV's lost their opener to Mayville, 58-0, lost to Hartland, 27-6, with Glen Eichstedt throwing to Doug Schacht on a 60-yard pass play, and this week were downed by Campbellsport, 16-6, as Eichstedt threw to Pat Staehler on a 60-yard pass for the only score.

Today (Friday) at 4 p. m. the Indians face their stiffest test of the season at Grafton where they take on the unbeaten, leading Blackhawks (3-0). Grafton won the big one from North Fondy, 8-0, last Friday to knock the Orioles out of a first place tie. It will take an upset to win. Slinger (also 3-0) is tied with Grafton but hasn't played any of the power teams—Grafton, North Fondy and Kewas-

kum—as yet. A win would give the Indians a tie with Grafton.
