KEWASKUM WISCONSIN, FRIDAY, SEPTEMBER 11, 1970

NUMBER 46

## Only 210 Ballots Cast in Primary Election Tuesday

HUMBEL, MILLER WIN CONTESTS IN COUNTY

As predicted, there was a small turnout at Tuesday's Primary Election in the village, with approximately one-fourth of the eligible voters going to the polls and casting ballots. The total vote was only 210.

Village voters followed the trend in the county and state. Statewide, on the Republican ticket, they favored Jack Olson for nomination in the race for governor and in the only contest on the county level they heavily favored Paul Humbel for sheriff. On the Democratic ballot they went along with Patrick Lucey for governor, Martin Schreiber for lieutenant governor, Robert Zimmermann for secretary of state and Charles Smith for state treasurer. The only exception was on the county ticket where James Miller won out over James Lochen locally for county clerk, although Miller was the winner in the county. There were no village votes on the American Party ticket, which was in the primary for the first time.

In Washington County, 6,544 voters turned out Tuesday and nominated incumbent Paul F. Humbel for sheriff on the GOP ticket and James J. Miller for county clerk on the Democratic ticket. Humbel received 2,309 votes and his opponent, Clarence A. Schwartz, a deputy in the sheriff's department, polled 1,174. Miller, with 1,290 votes, edged out James J. Lochen, who received 1,057 votes. These were the only contests among the county offices.

In the Nov. 3 election, Humbel will face Democratic candidate David L. Griffin, who, running unopposed in the primary, polled 2,103 votes. In the election for county clerk, Miller will be opposed by incumbent Anton P. Staral, a Republican who had 2,959 votes in the primary. Staral has held the office since 1946.

Results in the village were as follows:

### REPUBLICAN PARTY

Governor—Roman Bienski 7; Jack B. Olson 108; Lieut. Governor—David O. Martin 100; Sec. of State—Robert C. Zimmerman 108; State Treas.—Harold W. Clemens 102; Atty. General—Robert W. Warren 104; U. S. Senator—John E. Erickson 92; Rep. in Congress—William A. Steiger 107; State Senator—William W. Ward 94; Rep. to State Assembly—Frederick C. Schroeder 106; County Clerk—Anton P. Staral 103; County Treas.—Robert J. Klein 99; Sheriff—Paul F. Humbel 91; Clarence A. Schwartz 19; Coroner—Robert H. Boltz 101; Clerk of Courts—Helen Berend 103; Dist. Attorney—Robert J. Kauffman 103; Reg. of Deeds—Olga Perrin 103.

### DEMOCRATIC PARTY

Governor—Donald O. Peterson 24; Edward Ihlenfeldt 1; Patrick J. Lucey 66; Lieut. Governor—Martin J. Schreiber 57; Jay G. Sykes 6; Harry Halloway 3; Frank Nikoley 13; John F. O'Malley 9; Sec. of State—Thomas P. Fox 39; Robert A. Zimmermann 49; Charles

## Freight Engine, 2 Cars Derailed On Local Siding

A Chicago and North Western switch engine and two freight cars derailed on side tracks next to the Sentry Food Store in Kewaskum at 3 p. m. Saturday. Traffic on First Street was blocked for several hours because of the derailment.

According to a trainmaster of the railroad, who was called to the scene from Milwaukee, the derailment was probably caused by "wide tracking," which occurs when rails expand from the heat.

An apparatus called a "cherry picker" came to the village from the railroad yards at Butler to put the cars back on the tracks. Traffic on First Street was resumed Saturday evening.

Chicago and North Western railroad section crews were at work this week repairing and replacing the damaged tracks.

## Children's Service Society Drive On

DR. EDWARDS, MRS. MILLER MEMBERS OF COMMITTEE

Jack is one of 380 children placed for adoption with a Wisconsin family last year by the Children's Service Society.

The Children's Service Society is the only statewide, voluntarily supported child welfare agency which is not under sectarian auspices. In addition to the adoption program the agency, in its 80th year, cared for 617 children in foster homes and served 852 unwed mothers.

In a letter appeal for support of the agency's Washington County work outside the united fund communities, the sponsoring committee points out that 40 Washington County children and families were served in 1969.

Members of the Washington County Sponsoring Committee are Dr. Richard G. Edwards and Mrs. Charles Miller of Kewaskum; Ray R. Umbs, Allenton; J. J. Shinnery and Arthur Snyder, Hartford; Miss Helen F. Geddes, Hubertus; Clarence E. Schramm, Germantown; Mrs. James E. Albrecht, Jackson; Mrs. William P. Kratz and the Rev. Donald Priestly, Slinger; and Rev. Donald Milton L. Meister and Bernard C. Ziegler, West Bend.

Contributions should be sent to Ray R. Umbs, Allenton, State Bank, Allenton.

Sign in a reducing salon. "A word to the wise is sufficient."

P. Smith 52; Shirley Walker 9; Atty. General—Thomas M. Jacobson 73; U. S. Senator—William Proxmire 86; Rep. in Congress—Franklin R. Utech 73; State Senator—Dale T. McKenna 80; Rep. to the Assembly—Lehman Eichstedt Jr. 69; County Clerk—James J. Lochen 49; James J. Miller 38; County Treas.—None; Sheriff—David L. Griffin 73; Coroner—Robert C. Ross 72; Clerk of Courts—Marion A. Schubert 67; Dist. Attorney—Lester J. Knuese 66; Reg. of Deeds—Barbara L. Ackley 69; Party Precinct Committee—Marvin A. Martin 71.

## Dismiss Charge Against Woman In Area Slaying

Sheboygan County Judge John G. Buchen last Thursday dismissed a manslaughter charge against Mrs. Judith Marie Devereaux, 26, in the shooting death of William A. Shulka, 29.

The motion for dismissal came after the state presented evidence that Shulka was killed by three pistol shots during a violent quarrel in his home south of Beechwood on CTH A located at R. 1, Kewaskum, on July 27.

Pleading innocent to the manslaughter charge, Mrs. Devereaux claimed that in the course of a three hour quarrel, Shulka had shot holes in a refrigerator and stove, broke up in the refrigerator and home and struck her repeatedly.

Mrs. Devereaux said she fired a warning shot from a pistol and then discharged it three times in an effort to stop Shulka from coming at her and from choking her father. An autopsy revealed that Shulka was struck by three shots from a .22 calibre pistol, one shot penetrating his heart, another lodging next to the heart and a third striking him in the neck.

Shulka was an employee of the Wimmer Lumber Co. on Hwy. 28 east of Kewaskum. His father, Emil Shulka, is a partner in the firm. He was the father of six children.

## Key Returns Home From Eastern Camp

William Key III, Kewaskum, has returned home from Camp Wediko, Hillsboro, New Hampshire. He spent the summer as waterfront instructor and counselor for emotionally disturbed boys, ages 8 to 15 years old.

After spending a few days at his home William left again for Washington, D. C., where he is enrolled at Gallaudet College for a two-year term. There he will learn to teach and communicate with the deaf and hard of hearing.

Mrs. William Key, Jr. accompanied him to Washington, D. C. and spent a few days there visiting many places of interest. She flew home Sunday.

## JOHN KLWIN RETURNS FROM TRIP TO ORIENT

Atty. and Mrs. John A. Klwin of R. 1, Kewaskum, have just returned from a trip to the Orient. Mr. Klwin, state delegate to the American Bar Association, was appointed as a delegate from the ABA to the International Bar Association meeting by ABA President, Bernard Segal of Philadelphia. After a week of meetings in Tokyo, the Klwins went on to Hong Kong and Bangkok.

## Ambulance Calls

Saturday, Sept. 5, 2:45 p. m.—John Kuehl, 120 Prospect St., removed to St. Joseph's Community Hospital, West Bend.

Tuesday, Sept. 8, 2:45 p. m.—Kathy Kutz, daughter of Mr. and Mrs. Frank Kutz, 1181 Kewaskum St., removed to St. Joseph's Community Hospital with a knee injury suffered at Kewaskum High School.

## Pioneer Country School Teacher, Formerly of Kewaskum, Honored

### Pure Milk Products Co-operative Local To Meet at Wigwam

Dairy farmer members of the Kewaskum local of P.M.P.C. will hold the annual meeting of their local at the Wigwam, Kewaskum, on Sept. 14, beginning at 8 p. m. Present local officers are:

President: Raymond J. Boegel, R. 3, Campbellsport; Vice President: Donald Joas, R. 1, Campbellsport; Sec.-Treasurer: Joseph Schmitt, R. 1, Allenton; Directors: Daniel Rodenkirch, R. 1, Kewaskum; Andrae Justmann, R. 1, Brownville; Harvard Ziehlke, R. 1, Lomira; George M. O'Brien, R. 1, Eden; Alton Schrauth, R. 1, Allenton; Norbert Weiland, R. 1, Campbellsport; Kenneth Hefter, R. 1, Brownville.

During the business session of these meetings members will:

hear reports of affairs of the co-operative during the fiscal year just completed, presented by Dist. 5 Director Donald Uelmen; elect local directors; elect official delegates to P.M.P.C.'s 41st annual meeting to be held in Fond du Lac, Oct. 27 and nominate a candidate for the state board of directors in Districts I, IV, VII and X to serve for 3-year terms.

Members will consider the current dairy situation, including milk production, changes in milk market outlets, the growing competition of imitations, and changes in government activities as they affect milk prices and marketing.

Recommendations from these local meetings set the policy and serve as guidelines in work of the P.M.P.C. board of directors and management for the year ahead.

This meeting is one of 60 local annual meetings to be held by members of Pure Milk Products Co-operative during September.

## Backhaus Named As Local World Dairy Representative

Lloyd Backhaus, technician representative for East Central Breeders, Waupun, has been selected local World Dairy Representative by B. D. Craig, Executive Director, Madison.

Backhaus was selected because of his extremely important position he holds in the improvement of dairy cattle. His daily schedule brings him in direct contact with the producers of food and fiber, which forms the basis for the great dairy industry.

The purpose of Lloyd's selection for this important assignment is to develop support for World Dairy Expo, which is a non-profit corporation formed to promote and zero in on the dairy industry, of which all Wisconsin residents are an integral part. The fact that it is located in Wisconsin, "America's Dairyland," should be of great pride and satisfaction to all Wisconsin people.

Craig pointed out that support is needed from all sections of

The month of September has been chosen as the time in which to honor Wisconsin's pioneer school teachers. An appropriate exhibit has been set up in the State Historical Museum in Madison depicting the main events in the life of a pioneer teacher of old Washington County, Miss Mathilde Brinker who taught and was principal of the Fillmore School in the early 1870's and before.

Miss Brinker eventually became Mrs. Gustav Kuechenmeister of Kewaskum and later of West Bend and lived to be over 100 years old. Her daughter, Miss Martha Kuechenmeister furnished most of the material for the exhibit in Madison which was collected by the Women's Auxiliary to the State Historical Society who are sponsoring a new exhibit each month on "Women in Wisconsin History."

Miss Kuechenmeister recently published her mother's autobiography which describes Mathilde Brinker's experiences as a school girl in Waubesa from 1854 to 1860 and also her eight year career as a school teacher from 1865 to 1873 in Ozaukee County districts including the famous Flag Day School and the Huiras School then known as the Bavarian district, in a Nielsville district school, and in Fillmore. Between 1860 and '65 she attended a public school in Chicago where her father was a tailor and they were able to visit the rest of the family on the farm only occasionally. Her education came to an abrupt end at age 16 when her father's health required him to return to the farm, and Mathilde began her career as a school teacher.

Very entertaining aspects of school life, social life and travel in the 1850's to the 1870's are to be found in this autobiography, which is called "Autobiography from Ninety" having been dictated by the author in her thirtieth year. It is now in its third printing. The book may be purchased from Miss Martha Kuechenmeister, 233 So. 8th Ave., West Bend and at Ozaukee County Pioneer Village at Hawthorne Hills County Park. It may be found in most of the libraries of Washington and Ozaukee counties and in many of the schools, including Kewaskum. A West Bend teacher who reads sections of the book to her pupils states that even the young children find it fascinating. Because of the many pioneer families mentioned it is of great interest to the "oldsters" of Fillmore and Waubesa and entertaining to all ages. The book sells for \$5.00 plus tax and has been highly acclaimed by former Librarian of Local History at the Milwaukee Public Library and by Chas. Shetler, Librarian of the State Historical Society of Wisconsin.

Wisconsin economy. It is not just dairymen, milk haulers, and employees of dairy plants and related jobs that reap benefits from the dairy industry, but that all merchants have a share because as the dairyman prospers so does he.

**Hunger Hikers to Sponsor Symposium**

West Bend's hunger hikers are turning from walking to talking. The next project for the youth group known as West Bend Young World Development will be an "action symposium" on the quality of life Sept. 18-20 at Silverbrook Middle School in West Bend.

The purpose of the post-walk activity is "to develop an acute awareness of the problems of hunger, poverty, population and pollution and their dimensions in this country and abroad; to emphasize the critical nature of these problems and the consequences of their continuation; to gain individual motivation and to establish a commitment for future study and action."

The local group is inviting participation from both adults and students in the West Bend - Milwaukee area, and representatives from 30 other YWD organizations in the state are expected to attend. There will be no charge for admittance to the events, which will include presentations, films and panel discussions.

An address by the Rev. Mrs. Willie Barrow and the Rev. John R. Junior, both of Operation Breadbasket, will mark the beginning of the events on Friday evening.

**4-H Club News**

**KEWASKUM 4-H'ERS**

The August meeting of the Kewaskum 4-H'ers was called to order at 7:45 p. m. by President Tom Dei. The 4-H pledge was led by Danny Schaefer and the pledge of allegiance by Colleen Frank. Roll call was taken. The secretary's and treasurer's reports were given and accepted as read. Bills were presented to and accepted by the treasurer for the fair booth, float, and the fruit cake awards.

Janice Panzer gave a report on the float for the Firemen's picnic and Linda Secor told us about the fair concession stand. A report was given by Jim Dei telling us about our fair booth which was on traffic safety. Debbie Brendemihl gave a report on the Krazy Daze bake sale which was a large success.

On the 18th of August the 4-H'ers went on their annual trip. The members met in front of the theater at 9:00 and the club supplied

the drinks.

The meeting was adjourned at 8:07. After the meeting the election of officers was held. The officers for the next year will be:

President, Dean Schmidt; Vice-President, Laurie Bonenfant; Secretary, Debbie Brendemihl; Treasurer, Jim Dei; Reporter, Janice Panzer.

Club Reporter,  
Debbie Brendemihl

**WAYNE CRUSADERS 4-H CLUB**

The September meeting of the Wayne Crusaders 4-H Club was held on Sept. 1 at the Wayne School. Roll call was answered by stating where we hung our "No Smoking" signs. The secretary's and treasurer's reports were read and approved. A window display will be put at Petri's store. Gary Schmidt, Nancy Schrauth and Jack Kern are going to set it up.

Next month is parent month and the parents of all old and new

members are invited to come. All members should bring something that they took to the fair. A display will be set up by Karen Williams, Wendy Omodt and Joanne Garman. Each family should bring a dozen cookies or cupcakes. The meeting was adjourned and refreshments were served.

### Young Democrats to Sponsor Dance Here

The Young Democrats of Washington County will sponsor a polka and country western dance on Saturday evening, Sept. 26, at Babe's Opera House in Kewaskum. Music will be provided by Arty Minz and the Countrymen. Many Democratic candidates will be on hand. Every-one is invited.

Tickets can be obtained from Jon Sanfillippo, chairman of the local unit, at 338-8352, or Dave Nennig, vice chairman, at 334-3511. The ticket cost is \$1.25 in advance or \$1.50 at the door. Tickets can also be obtained from any member of the Young Democrats as well as many members of the senior Democratic Party of Washington County.

An annual meeting of the unit will be held at 7 p. m. on Sept. 15 at the Community Memorial Library in West Bend. On the agenda is the election of officers for 1970-71. All members and other interested persons are invited to attend.

### Firemen Called Out Twice During Week

The Kewaskum Fire Department answered two calls the past week. The first call came about 7 a. m. last Friday on the Tom Shepherd home on Prospect St. A flooded furnace caused the basement to be filled with smoke and firemen were summoned. There was no damage.

At 7:45 a. m. Wednesday the firemen were called to Keller St. where a car parked at the curb was reported to be on fire. Actually steam was escaping from the auto and was seen by a resident of the area who believed the vehicle was burning and called the fire department.

## SECONDARY THOUGHTS

By the Staff of Kewaskum Community High School

### PHYSICS AT KHS

By Edward Sleger

At KHS, the laboratory and problem method in physics is employed. To begin with the student learns about some of the finer points of measurement; and that each measurement has an uncertainty associated with it. That is, measurement of objects and their actions cannot be made exactly, but still there is an error involved. The reduction of error in measurement depends upon the precision of the instrument and skill of the investigator.

We are so concerned with measurement because physics is a quantitative science. That is, there are certain amounts or quantities a physicist uses in his investigations, and these are measurable. Without these measurements physics resorts to philosophy.

After some further study and experiments on measurement, the student next progresses to ideas of mass, weight, forces, friction, Newton's Laws, straight line motion, curved motion, gravitation, Kepler's Laws of Planetary Motion and conservation of momentum and energy. These topics generally constitute the branch of mechanics in high school physics. Mechanics here, does not mean motors, gears, nuts and bolts, etc., rather, it covers forces and motion which can be expressed as mathematical formulas.

By using mathematical relation, elementary problems are discussed and solved. These problems do not include so many factors that make them too complex. As an illustration, air resistance is neglected in the solutions to problems on falling objects. Imagine finding a mathematical expression for a falling leaf!

Following the understanding of concepts through workable problems, the activity is moved to the laboratory where various laws of nature are verified by experiment. Sometimes the laboratory work precedes the practical problems. However, the lab and textbook discussion are kept parallel or coordinated. This lessens the confusion among the high school physics students.

An experimental project that is undertaken each year is projectile motion. It's fun and at the same time it's a learning experience — and with homemade equipment. The objectives are familiarizing oneself with the principles of projectile motion; and to determine the muzzle velocity of the apparatus.

The procedure and theory are explained to the science group before and/or during the experiment proper. Next an arrangement for data taking is set up in such a manner that when the information is plotted on the graph the points form a straight line, or nearly so.

From the slope (steepness) and the intercept (vertical axis intersection) of this straight line a few things can be learned. Usually, but not always, the value of what is to be found is involved with the slope or the intercept. In this case the value of  $V$ , the muzzle velocity, is calculated from the slope of the graph. Before  $V$  is determined, the value of the slope must be known. This is accomplished in two ways. One way, the easiest, is to visually draw a "best" line on the graph in such a manner that all the points cluster about that line. The other way, is to use the

method of least squares, which is a mathematical method of finding the slope of the "best" line through the plotted points. Initially, the latter is used for exposure and then later the visual method is adopted. Then those students who pursue science in college will have had some knowledge of the method and those who become interested in other studies are not hampered by so much mathematics.

Now that the value of the slope is known, it is equated to the slope of the formula. By some algebraic manipulations,  $V$  is determined. This experimental value of  $V$  is then compared to the accepted value.

Next the uncertainty of each measure made is given a value. All these values of uncertainties are related mathematically; from this is calculated a maximum percent error within which the experimental value of the objective should fall when compared to the theoretical or accepted value.

When the value falls within these limits, then one can say the results are reasonable and valid; and when it doesn't, one searches for a computational error or other error of some sort. If this fails, then the experiment should be performed again.

By the end of the school year it is hoped that the KHS student enrolled in Physics will know something about experimental procedure, physical phenomenon and have some understanding of the laws of nature.

Jed Tolliver's boy says tying himself to one woman isn't what bothers a fella getting married — it's separating himself from all the others.

Call 626-2626 with your news

### 25 YEARS AGO 1945

New officers were elected by Post 384 of the American Legion. John C. Reinders was elected commander, replacing John Schmidt. Melvin Brandt was elected vice-commander in place of Reinders. Theodore Schmidt is the new adjutant, replacing Carl F. Schaefer. A. J. Fellenz was re-elected finance officer.

Recent deaths: Joseph Schneider, 71, St. Michaels; First Lieut. Robert J. Rosenheimer, youngest son of Mr. and Mrs. Lehman P. Rosenheimer of Kewaskum, who died at Walter Reed General Hospital, Washington, D. C., at the age of 28 after a four months illness; John W. Foerster Sr., 67, retired Wayne tavernkeeper; George Wehling, 83, Town of Wayne; Henry W. Schoofs, 70, West Bend, a Town of Kewaskum native; Mrs. Phyllis Roethke, 28, Dundee; Henry B. Kaempfer, 74, publisher of the West Bend Pilot; John Tunn, 80, R. 2, Campbellsport, a tavernkeeper at New Prospect many years; Stephan Klein, 68, Town of Auburn.

President Truman's announcement to the nation that Japan had accepted unconditional surrender terms brought forth immediate spontaneous response on the part of all citizens of Kewaskum. President Truman read the formal message relayed from Emperor Hirohito through the Swiss govern-

ment. The surrender will be accepted by Gen. Douglas MacArthur as soon as arrangements are completed. Moments after the announcement came over the radio, the village siren, whistles and church bells began shrieking out the glad, long-awaited news. Car horns blared up and down the streets, people yelled and jumped for joy, guns and fireworks were shot off, and children pounded on cans, pots and pans and anything that made noise after 3 years, 8 months and 7 days of war. It was a night of merriment and celebration until the wee hours with crowds milling over the streets and in and out of taverns. The next day all local churches held V-J day thanksgiving services. Local business and industry declared a two-day holiday. Since the surrender, the nation began to throw overboard homefront war control measures with rationing and transportation restrictions the first to go. The lights are on again all over the world.

Two local taverns have been taken over by new owners from West Bend. "Tony" Wolf, former truck driver for the West Bend Lithia Co., took over Skup's Tavern, owned by Mr. and Mrs. Mike Skupniwitz and Edwin "Murphy" Miller, former liquor store operator and bakery owner in West Bend, took over the Ed Bartelt tavern owned by the fire department. Wolf's tavern will be operated under the name of Wolf's Den.

Herbert J. Koch, 50, of this vil-

lage suffered fatal injuries in a fall from a ladder while engaged in carpentry work on a residence in Fond du Lac. It was reported he apparently slipped from a rung of the ladder and fell 20 feet to the concrete below, suffering a skull fracture.

Wilson's Round Lake Resort presents Ray Pearl and his famous radio and recording orchestra on Sunday and Benny Strong, direct from Trianon Ballroom, Chicago, and heard nightly over WGN and the Mutual Network, on Wednesday.

Service news: Two pals, Harry E. Koch, yeoman 2/c, and Sgt. Myron Belger met accidentally aboard a ship in New Guinea and penned a letter to the Statesman. Belger added a P.S. saying: "Don't shovel too much snow. Don't need a shovel over here, it's hot as H——. We two rounders are now going to sign off. Say hello to all those "cats" I know and tell them I ain't going to be very long now." Pfc. Arnold Fellenz, who was wounded in action in Germany, has arrived back in the states. Pfc. Byron Bunkelman is coming home from the Philippine Islands after 2½ years of duty in the South Pacific.

Never miss an opportunity to make folks happy even if you have to leave 'em alone to do it.

Said the patient mournfully: "I can't pay you, doc. I slowed down like you told me and lost my job."

A Master of Ceremonies was to introduce Ara Parseghian at a banquet. The coach, concerned about having his name mispronounced, said to the MC: "Try it this way, Par, as in golf; Seag, as in Seagram's; and Yen, as in Japanese money. Par-Seag-Yen."

When the time came for the MC to make the introductions, he blurted out: "I can't pronounce this guy's name, but it sounds like a drunk, Japanese golfer."

**Get Ahead With West Bend**

**JOB OPPORTUNITIES AVAILABLE**

The West Bend Company is a leader in the manufacture of cookware, housewares and electric appliances and boasts the industry's most dynamic growth rate. As a result, West Bend has many new jobs available in factory production work as well as engineering opportunities for those with the appropriate skills and technical training.

This growth enables West Bend to offer:

- Steady, secure employment
- Plenty of advancement opportunities
- A liberal fringe benefits program
- A wage scale far above average in its industry

If you want to get ahead and enjoy life, check into the opportunities The West Bend Company has to offer today. Write or call Personnel Department, The West Bend Company, West Bend, Wis., for complete information or stop in if you live close by.

## Indians Batter Campbellsport In Opener, 41-12

**ROLL UP 514 YARDS IN ROMP OVER COUGARS**

The Kewaskum Indians of the Scenic Moraine Conference opened the 1970 football season with a non-conference game at Campbellsport Friday night against the Cougars, now members of the new Flyway Conference, and bombed their rivals, 41-12, in convincing fashion.

Kewaskum started off where they left off last season with a powerful offensive attack. They scored six touchdowns, and would have made it seven except for one being called back because of a clipping penalty. They also made good on five points after touchdown, four of them on placekicks off Clark Eichstedt's gifted toe. The Indians rolled up an amazing total of 514 yards in their offensive romp, compared to only 171 for the Cougars.

The defense also deserves a lot of credit as over and over they dropped Campbellsport runners for losses and got to Quarterback Dennis Pieper to dump him at least five times.

Shortly after the kickoff in their opening series, the Indians scored a touchdown on a 56 yard pass play from Mike Doherty to Eichstedt. The try for conversion was no good but shortly the defense turned the ball over to the offense again. Quarterback Doherty then led the Indians on a drive, mixing his plays systematically, and capped the drive with a 15 yard pass to Bob Mertz. Bob Krahn ran over the extra point to make it 13-0.

But this wasn't all. Kewaskum scored once more in the first

quarter with Doherty running the ball in from the three. Eichstedt kicked the extra points (2 for a placekick), making the score 21-0 at the end of the first quarter.

Campbellsport was presented with a gift score in the second quarter on a fumbled punt which they recovered deep in Kewaskum territory. Art Beck carried it over from the one but Kewaskum blocked the try for extra point. A fumble gave the Cougars another scoring opportunity which was stopped when Mertz intercepted a pass in the end zone and carried it back to the 49 yard line.

After a scoreless third quarter, Kewaskum turned it on again in the final period, adding 20 points to their score. The first TD resulted on a Doherty to Jeff Czerwonka 30 yard aerial. (There are two Czerwonka brothers on the varsity who are transfers from Menomonee Falls). The second touchdown was made on a two yard plunge by Doherty. Reserve Quarterback Dale Luedtke then entered the game and heaved a 24 yard TD pass to Mertz. Eichstedt again kicked the extra points to bring Kewaskum's total to 41.

With only three minutes left, the Cougars finally got another score against Kewaskum's defensive reserves, who had come in earlier. The reserves did a fine job in their initial varsity experience. It took a fantastic catch by Tom Breitzman on a 15 yard pass to get the Cougars last score. Kewaskum was only forced to punt once in the game.

Numerous players stood out on offense for the winners against the Cougar's leaky defense. Doherty completed 11 out of 19 passes, three for TD's. He also scored twice himself and gained 55 yards on the ground. Eichstedt and Mertz showed class in pass-catching. Clark caught five tosses for 167 yards and one TD and Bob

added six catches for 109 yards and two scores. Krahn was the top ground gainer with 63 yards in eight carries and close behind was John Milewski with 52 yards in five tries.

The offensive line did a great job in opening holes for the backs and they gave Quarterback Doherty stellar pass protection. Head coach Joe Harlow had praise for the play of Kim Rodenkirch, offensive tackle. On defense the entire 11 men did well, with Linebacker Dave Schacht and Tackle Jim Schmidt being impressive.

Tonight (Friday) the Indians travel to Sheboygan Falls for another nonconference tussle at 7:30. They will open their Scenic schedule next week Friday at Mayville, which blasted Horicon last week, 23-0, and is a favorite to win the conference title.

## Tom Larsen Is New Golf Club Champion

**BEV O'CONNOR WINS LADIES' CLUB TITLE**

All club championship matches in the various flights at Hon-E-Kor Country Club have been completed with new winners emerging in both the men's and women's Class A flights.

Tom Larsen of Kewaskum, former club pro, is the new men's club champion. Playing in a steady downpour of rain Sunday, Larsen defeated John Tessar in the 36-hole finals, 10-9. They teed off for the first 18 holes in the morning and started the second 18 in the afternoon. Big Tom defeated Norb Rohlinger in the semi-finals and Tessar bested Earl Conley to reach the finals.

Larsen succeeds Len Carroll of West Bend as club champion, who held the title for three years in succession. Carroll no longer is a member of Hon-E-Kor Club.

The new Ladies' Club champion is Bev O'Connor of West Bend who dethroned Audrey Bartelt in

Class A flight. Bev defeated Dolly Ramthun in a close final 18-hole match which went into sudden death. Bev won one up on the 19th hole.

All champions and runners-up in the various flights will be awarded trophies at the annual Awards Night dinner to be held Oct. 10. At this time other trophies won by golfers during the season will also be presented.

Men's champions in the other flights were as follows:

A Flight—Jerry Butz, West Bend, defeated Ike Melius, West Bend, one-up.

B Flight—Al Hemauer, West Bend, defeated Jack Eggers, West Bend, 4-3.

C Flight—Dick Zarling, Kewaskum, defeated Augie Zell, West Bend, one-up.

Senior Tourney—Bill Ruth, Kewaskum, defeated Harry Nischke, Kewaskum, one-up, 18 holes.

Senior Veterans Tourney—Milt Schaefer, West Bend, defeated Bill Bales, West Bend, 3-2, 9 holes.

Junior Badger Flight—Steve Lastofka, West Bend, defeated Tom Kuehn, West Bend, 3-1, 18 holes.

Junior Champion Flight—Clark Eichstedt, Kewaskum, defeated Alan Hemauer, West Bend, 7-6, 36 holes.

Ladies' champions in the other flights were:

B Flight—Cathy Lastofka, West Bend, defeated Marge Bauer, West Bend, one-up, 11 holes.

C Flight—Ginny Backhaus, West Bend, defeated Donna Heid, West Bend, one-up.

### GOEDEN WINS MODIFIED TITLE AT CEDARBURG

Bill Goeden of Kewaskum won his second track championship in the modifieds Wednesday night in the final program at the Cedarburg raceway. Frank Smith captured his sixth championship in the sportsmen division.

The 100 lap double point feature was canceled because of rain as was the 25 lap main for the sportsmen. Attendance was 2,225 as the racers battled for \$1,933 in prize money.

Be glad you have passed age 40; women are still interested in you, but the United States army is not.

## Big Appetizing Dish TURKEY-HAM CASSEROLE

This casserole offers a most tempting and appetizing way to utilize the good meat left on turkey after the first or second round.

The dish comes out of the oven, gently a-bubble, breathing of apples, of turkey, of seasonings and other savory ingredients. It's filled with onion, green peppers, pimientos, sliced olives and canned apple sauce. Not to mention ham and noodles and lots of rich gravy. And the turkey itself, of course. All of it hearty, relishing and satisfying.

Come one, come all... the day is brisk and here's a dish that fortifies, sustains and bestows happy content on all who eat it.

This is how you make it:

1 cup chopped onion	1 teaspoon oregano
3/4 cup diced green pepper	1 1/2 cups diced cooked turkey
1/2 cup butter or margarine	1 1/2 cups diced cooked ham
1-4 ounce can whole pimientos, diced	2 1/2 cups cooked noodles
3/4 cup sliced ripe olives	2 cups canned apple sauce
1/2 teaspoon salt	2 tablespoons melted butter
	Few grains paprika

Saute onion and green pepper in butter or margarine until lightly browned. Add pimientos, olives, salt and oregano. Using 1 1/2 cups of noodles, place in layers the turkey, vegetables, ham and the noodles in buttered 2 quart casserole, ending with vegetable layer. Spoon apple sauce over top. Toss remaining noodles with 2 tablespoons melted butter; place in ring around edge of casserole and sprinkle with paprika. Bake in hot oven, 375 degrees, 25 to 30 minutes. Makes 6-8 servings.

## Chevrolet introduces Sprightly Vega Hatchback Coupe

This distinctive four-passenger coupe model of Chevrolet's new 1971 Vega 2300 economy car has a wide combination rear window and rear deck that swings up for easy access to the rear compartment and a fold down rear seat for extra cargo room. This is one of four Vega models. Vega's individual styling will be continued for at least four years. Roomier and better handling than usual economy cars, Vega has a new, domestic-built lightweight overhead cam engine to fill performance needs of American drivers. It gives impressive fuel economy and low emissions. Among "firsts" in economy cars are Vega's power-flow interior ventilation, comfortable molded foam seats and steel side-guard beams in the doors. Vega models go on sale in Chevrolet dealerships on Thursday, September 10.
