School Board OK's Services of Bank For Credit Rating

By Ruth Held

of the Kewaskum Statesman

At a special meeting Monday night, the board of education voted to buy the services of the First Wisconsin National Bank of Milwaukee to obtain a credit rating for the school district, after hearing from John Underwood, its representative.

The credit rating is advantageous to the district when it seeks bids in any building project bond issue. Included in the service will be an estimate of what any future indebtedness would mean taxwise to property owners.

The general economical background of the area, employment situation, present school indebtedness as well as indebtedness of the village are analyzed in arriving at the rating.

In connection with the proposed long range building program, the board decided to ask for volunteers among district electors who will be willing to serve on a citizens advisory committee to analyze the long range building needs, to take another look at what has been presented and for possible other points of view. Interested persons are asked to contact Supt. Marshall H. Boyd.

In other action, the board agreed to make no further claims of Century Fence of Waukesha for damage to underground power cables while drilling holes in which to set a fence around the Kewaskum Elementary grounds. The cables have been replaced and the cost was borne by the firm's insurance company.

Fire Prevention Week Oct. 4-10, Chief Reminds Residents

How many fire hazards are there in your home?

"Not many people can answer that question fully," says Fire Chief Armin Oppermann. "But most people are living with one or more of the conditions that cause fires—fires which destroy or damage more than a half million homes every year in the United States, according to the National Fire Protection Association."

Careless smoking and bad habits with matches are at the very top of the list.

Other major hazards are defective wiring, improper fuses, worn extension cords, and extension cords under rugs. Rubbish that piles up in attics, basements, closets, garages and yards can be treacherous. Paint and flammable liquids carelessly stored may start a fire.

Causes of fires that kill some 6,550 persons in their homes each year also include defective chimneys and flues, faulty heating and cooking equipment, and ignorance about the use of cleaning fluids.

Now, during Fire Prevention Week, is an ideal time for families to check their homes carefully and rid themselves of any of the obvious hazards, Chief Oppermann reminds everyone.

"The goal in Kewaskum is to make every home a fire-safe home," says the chief.

Invite Women of Area to Woman's Club Luncheon

The members of the Kewaskum Woman's Club invite the women of the community to "Luncheon is Served" to be held at 1:30 p. m. on Saturday, Oct. 10, in the high school cafeteria.

Not only will you be served a complete, tasty luncheon by "Luncheon is Served, Inc.," out there will be demonstrations and prizes in a program that follows. The entire event will last about an hour and a half.

All of the club members have tickets to sell at \$2 each. If additional tickets are needed, they are available from Mrs. Vincent Groh at 626-2090 or Mrs. Jos. Schwind at 626-2438.

Tickets will be available from members until Wednesday, Oct. 7. At that time each club member is to turn in money from tickets sold to Mrs. Groh or Mrs. Schwind.

A reminder—if you buy a ticket and then find you cannot attend please give it or sell it to someone else as the quantity of food will be prepared according to the number of tickets sold. A wasted ticket will mean wasted food.

"Luncheon is Served, Inc.," is advertised nationally on television and the Kewaskum Woman's Club members are pleased to bring it to the Kewaskum area. Why not get your ticket now before you forget? Proceeds are used by the club for its youth and civic projects.

Hostesses will be the Mmes. Gary Gerhartz, E. E. Miller, Marvin Martin, Dan Schowalter and Gerald Stoffel.

Membership Coffee Held by Jr. Woman's Club

The Kewaskum Junior Woman's Club held the first of two membership coffees at the home of Mrs. Dennis Bingen, corresponding secretary and membership committee member, on Thursday, Sept. 24 at 1:30 p. m. Held on "Wisconsin at Work Day" of Wonderful Wisconsin Week, Mrs. Marvin Perkins, president, welcomed Mrs. Dennis Jandre and Mrs. William Ruth, Jr. to Kewaskum and Mrs. Charleen Dreher back to Wisconsin and to Kewaskum. Mrs. Joseph Enright and Mrs. Raymond Mertzig were evidence of "We Like It Here" having been born and raised in Kewaskum.

The primary purpose of the coffee was to promote a better understanding and knowledge of the General Federation of Women's Clubs and its relationship to members of the Kewaskum Juniors. Explanations were given on the Federation, junior and state projects, department and committee work, by-laws, various publications, procedure of making a motion, and how individuals of one club carry out the Federation motto "Unity in Diversity."

The Kewaskum Juniors welcome these members as they accept the responsibilities in working for the benefit of our community and country. A special welcome was given by Mrs. Bingen through a Wonderful Wisconsin Week poster especially designed by her for the occasion. A second membership coffee is being planned for those unable to attend the first prospective members, and those present members interested in learning more about Federation. Names and telephone numbers of young women interested in joining should be referred to Membership Chairman Mrs. LeRoy Keller, Jr. at 626-2053.

The class showed particular interest in the operation of the linotype and presses, news sources, cut and photo making, and glancing through the files of newspapers of years ago.

The group remained through their class period of about forty minutes.

One of the HWI FRIENDLY ONES

"Kenny" Weddig — Manager

The best way to keep a teenage daughter out of hot water is to put some dirty dishes in it.

The way girls wear their skirts now-a-days takes all the wonder out of under . . .

Overheard at one of the teen dances: "Let's sit this one out. My arms are killing me" . . .

Our youth now live in luxury. They have bad manners, contempt for authority, and disrespect for older people. Children today are tyrants. They contradict their parents, chatter before company, gobble their food, and tyrannize their teachers." Sound familiar? It was written by Socrates in the 5th Century B. C.

Mini-skirts, low cut necklines, and bikinis sure makes it difficult to look a woman straight in the eye.

Kenny says, "It's easy for the "HWI FRIENDLY ONES" at MINZ SUPPLY to look a customer straight in the eye. Being members of HWI (with tremendous buying power) we know we're giving our customers the very best in products for the very least in price" . . .

Get the full sweep of the

sports scene . . .

from the Green Bay Packers to the West Bend Suns and Spartans . . .

from the Milwaukee Brewers to the Slinger Owls . . .

The famous Packer power sweep of the 1960s depended on timing, balance and execution. So will our daily sport pages.

The sports coverage in the new West Bend News will bring you up-to-date articles across the sports spectrum of interest to people in Washington County.

That means extra Packer coverage, the Brewers, local bowling leagues, Little Ten and Scenic Moraine Conference reports, local golf results, trap shooting, hunting and fishing, and the Milwaukee Bucks.

And instead of waiting days for the results, Washington County readers will be able to get their sports news every day starting October 5.

Like the Taylor-Hornung-Thurston-Kramer sweep, we're counting on our sports section for a first down every time.

When it comes to the 100-yard dash, his time may only be 13 seconds. But when it comes to sports pages, Leif Eriksen turns out a lot of copy about Washington County Sports activities, and he turns it out with precision. That talent will be necessary when The West Bend News goes daily October 5, along with the continuing help from many of our reliable news sources.

Leif has spent more than 20 years covering sports and education and taking pictures in this area. He's a graduate of the University of Wisconsin-Madison in community journalism. In short, he's a professional journalist.

Kewaskum Rolls Over Germantown Washington, 31-6

Playing their first home game, which was also Parents Night, the Kewaskum Indians evened their record for the season with an impressive 31-8 romp over Germantown Washington High. The Indians are now all even up with 2-2, 1-1 in non-conference action and 1-1 in Scenic Moraine conference play.

Bouncing back from a beating at the hands of undefeated Mayville the week before, Kewaskum spotted Germantown a 6-0 lead in the first quarter and "that was all she wrote" as the Indians stormed back in the remaining periods to run up 31 points for an easy victory. You will remember this same Germantown team beat West Bend East, 7-6, in the season opener, if you care to compare.

The Warhawks shot off all their fireworks early in the game and then the Indians stomped out their fuse. Quarterback Frank Blau hit Steve Schoofs from the 37 yard line for a score and that was it. The Kewaskum defensive line blocked the try for extra point. Penalties hurt the Warhawks the rest of the game.

A Kewaskum drive to the one yard line was stopped once but the Indians broke the ice late in the second quarter when quarterback Mike Doherty carried it in on a short run. Clark Eichstedt kicked the extra point to give the Indians a 7-6 halftime lead.

Kewaskum's offense came out like a new team in the second half and rolled up 276 yards, 145 on the ground and 131 in the air. Leading the attack was Rod Czerwonka, who picked up sizable yardage nearly every time he carried the ball. Rod gained 74 yards in the second half. Early in the third period Doherty scored again and Eichstedt converted to make it 14-6. A few minutes later Doug Stoffel recovered a fumble and the Indians scored again with Czerwonka carrying it in from the 7. This time they ran for the extra point.

This ended the third quarter scoring but in the final period Czerwonka, a tough little fireplug, scored once more from the 6 and Eichstedt made it 3 for 3 on extra points. Leading 29-6, Kewaskum's last 2 points came on a safety. After being driven back near the goal line, Germantown decided to kick on third down from their own end zone. The snap sailed over the kicker's head and the Indians were awarded a safety.

Doherty and Czerwonka both gained over 100 yards rushing. Czerwonka gained 123 yards in 16 carries, while Doherty got 113 in 12 carries. Besides making good on all his kicks, Eichstedt snared three passes in the second half good for 62 yards. The Warhawks' junior Gary Thomas gained 45 yards and Schoofs, junior flanker, hauled in 7 passes. Blau also came up with 3 interceptions.

Kewaskum's young defense, which consists of 6 or 7 underclassmen, and is paced by senior linebacker Dave Schacht, did a bangup job.

Tonight (Friday) at 7:30 the Indians face another stiff test when they host a strong Grafton team in a key game. Grafton was favored with Mayville for the championship but the Blackhawks were knocked off by the undefeated Mayville powerhouse last Friday, 34-18. However, Grafton did score 18 points against the previously unscored upon Cardinals. Kewaskum will have to be at its very

best to knock off the rival Blackhawks. Remember, last year's 6-6 tie at Grafton denied the Indians a Scenic Moraine title. Mayville hosts Kettle Moraine tonight in a battle for first place between these two unbeaten teams.

Cross Country Team Loses to Hartland, Fifth at Oshkosh

Kewaskum closed out its home cross country season last Thursday at Hon-E-Kor as they suffered a loss to Hartland Arrowhead 21-34. In the beginning it looked as though Kewaskum might pull off a big win as Steve Backhaus challenged Jim Whelan, Arrowhead's star two-miler, for the lead and

not far behind were a group of four Indians, but things suddenly turned sour. The group of four was split apart and Backhaus' foot, which has plagued him all season, went bad. Steve, once again, had to limp home as Whelan, receiving no competition, won in 13:50. His brother Terry came in second as Hartland clinched victory with a 1-2-3 finish. Backhaus edged out Steve Bremser for fourth and Craig Carr took a sixth, but Gordon Darmody and Francis Fellenz came in ninth and tenth, respectively. The JV race was won by Kewaskum 25-31 as Glen Asch and Dennis Smith came in 1-2 and Tom Zehren took fourth.

Kewaskum's record changed to 4-10 with a fairly good showing at the Oshkosh Invitational Tuesday,

Sept. 29. The small school results were: Little Chute St. John 52, Kimberly 61, Hortonville 70, New London 75, Kewaskum 115, Berlin 143, Two Rivers 154, and Menasha 219. Manitowoc won the big schools division with 30 points. Steve Backhaus, apparently over his foot trouble, ran with the leaders the entire race but ill luck again hit Steve when he was sprinting down the final straightaway. In second at the time, he was gaining on the leader when a spectator stepped into his way and bumped into him. The collision ruined his chances but Steve still picked up a medal for fourth place. Steve Trauger of New London won the 2.5 mile race in 13:00. Randy Ebben, Hortonville, was second and Bill Bonzelet, Kimberly, third. For

Kewaskum Gordon Darmody finished 19th, Steve Bremser 23rd, Glen Asch (up from JV's) 34th, Francis Fellenz 35th and Craig Carr 47th. Steve Gray of Manitowoc was the individual winner in the big schools race. Kewaskum's JV runners placed tenth out of fifteen schools. Dennis Smith placed 36th and Mike Backhaus 41st.
