Low Bidders Get Contracts for Sewer, Water Projects in New Subdivision

NEW BERLIN, MILWAUKEE FIRMS AWARDED PACTS

By Ruth Held
of the Kewaskum Statesman

On recommendation of its consulting engineer, the village board at an adjourned meeting Tuesday night, awarded the contracts for extending sewer and water facilities to Bel-Ric Acres subdivision to the low bidders.

Bids were received on two separate projects and opened at the regular board meeting Nov. 2 by James Elder of Stone and Robinson, consulting engineers of Brookfield.

The contract for project no. 1 was awarded to J. L. M. Contractors of New Berlin on their alternate bid of \$109,122.31 which was low among 16 bidders. The alternate bid calls for a storm sewer using concrete pipe instead of corrugated as called for on the standard bid.

The costs of that project will be assessed by the Village of Kewaskum against property owners in the subdivision on a footage basis, estimated roughly at \$10 per foot. That figure includes engineering fees. In addition, each property owner who hooks up to village sewer and water must pay a \$75 fee.

The contract for project no. 2 went to Debelak Bros. of Milwaukee on a bid of \$47,640, lowest of 13. This project is the obligation of the village and involves a lift station, force and water mains on Highway H.

An interested spectator was Linus Murray who heads one of five Milwaukee building firms banded together under the name of Metropolitan Builders Association. The group has purchased 50 lots in Bel-Ric Acres. Each builder will erect 10 homes which are to be sold on family priorities and financed under the Farmers Home Administration.

Elder told Murray that the Builders Association's share of sewer and water frontage costs would be \$48,957.03. The amount is not official, however. "I will have to go over the figures," Elder said.

Murray told the board that on completion of the sewer and water project "we will make payment to the village," then added, "we can really make this subdivision move, now."

Edward E. Miller appeared to request sewer and water facilities for Miller's furniture warehouse on Fond du Lac Ave. The board approved his request at a cost of \$6.40 per foot which, it was pointed out, was "the going rate" used by the village in extension projects that do not involve engineering fees.

The board authorized Peter Albers to attend school one day per month for seven months to have him become a certified water works operator to meet a state requirement.

HYDRANTS TO BE FLUSHED

The village water department will flush hydrants on Wednesday, Nov. 18. If water appears rusty, do not be alarmed as it is harmless and will clear in a few hours.

Shaske Completes Course at Deep Sea Diving School

John Shaske, son of Mr. and Mrs. Arnold Shaske of Kathleen, Florida, and Kewaskum, has just completed a course at the Coastal School of Deep Sea Diving in Oakland, Calif. For the preceding eleven and one half weeks, he attended the only commercial Deep Sea Diving School in the world, which is a State Authorized Diploma Granting Institution and is approved for the G.I. Bill, Cal-Vets, as well as approved for foreign students through the U. S. Attorney General's Office. This course has also been approved for the Veterans Readjustment Benefit Act of 1966. Surely it is the most unusual, with classrooms 12 to 30 feet underwater.

While diving he has learned the techniques of underwater construction, carpentry, use of concrete underwater, pneumatic tools, underwater welding and burning, rigging, demolition and use of explosives in marine and salvage work as well as oil rig diving.

According to Shaske, he just got tired of his 9-6 job punching in and out. This plunge into a diving career means a raise in pay from around \$30.00 a day to \$191.50 a day. He was only ONE of the many men from various walks of life, graduating from Coastal School of Diving. After eleven and one half weeks of grueling studies and practical helmet diving, he is ready to qualify for one of the best paying jobs in the world. Union scale for a deep sea diver is \$191.50 per day minimum. Many divers are earning an average of \$25,000.00 to \$60,000.00 per year. It was to this end that he had shaped his future career, to work as an underwater technician in the ever increasing enterprises of this small but select group that will witness the many phenomenal happenings, unfolding before them in his career under the Seas of the World.

John Shaske graduated from Kewaskum High School. His plans are to remain in the salvage field of diving.

56 KHS STUDENTS ON EASTERN TRIP

Fifty-six Kewaskum Community High School junior and senior students left Mitchell Field in Milwaukee on Wednesday, Nov. 4, and returned Sunday, Nov. 8, from a group trip to Washington, D. C. and New York.

The tour was scheduled to coincide with the teachers' convention in Milwaukee last weekend, so that participating students did not miss classes. Students participating in the tour made a \$20 deposit with a balance of \$154 being due on Sept. 30.

FHA TO HOLD PARTY

The Kewaskum FHA Chapter will hold a public party Tuesday, Nov. 17, at 7:30. Main attractions will be products by Stanley and cosmetics by Holiday. Orders may be taken at that time. Refreshments will be served. Everyone is asked to come.

Bomb Threat Closes Regal Ware Plant

Regal Ware, Inc. manufacturing plant in Kewaskum last Friday became the third area plant to be closed down by a bomb threat last week. A phone call was received at the plant's switchboard at 2:45 p. m. saying there was a bomb in the factory.

Local police were called in on the scene and helped evacuate all employees in the factory. With the aid of several firemen, police searched the part of the office which houses the computer, which spot they considered most vulnerable.

After employees had been evacuated and a search made, police and some volunteer aides sealed off a two square block area surrounding the plant and kept it sealed off until 3 a. m. Saturday. Police and auxiliary police kept all traffic and pedestrians off these streets until then. Investigations immediately began to try to determine who made the call.

The Regal Ware bomb threat was the fourth in three days in the area. Last Wednesday the Gehl Company's two plants in West Bend were shut down by two separate bomb threats and Thursday the West Bend Co. received a threat and also closed down Friday. Amity Leather Products Co. and Pick Automotive Mfg. in West Bend also received bomb scares late Friday night. They also closed down and re-opened Monday.

In a later development the West Bend Chamber of Commerce secured pledges of nearly \$5000 for a reward fund to aid in the capture of the bomb threat caller.

Two juveniles were apprehended in conjunction with a bomb threat at West Bend high school Tuesday morning. The youths admitted placing the call but denied being in any way connected with bomb threat calls to the five area industries last week.

Police in Kewaskum and West Bend as well as the Washington County Sheriff's Department have been investigating and checking out the bomb threat calls.

8-YEAR-OLD GRANDSON HAS PART IN 'SOUTH PACIFIC'

Michael E. Tacke, 8-year-old son of Mr. and Mrs. Ronald J. Tacke, is in the cast of Brown Deer High School's production of "South Pacific" Nov. 13 and 14. He will play the role of Jerome, the Eurasian son of Emile de Bacque. Michael is in the third grade at Algonquin School in Brown Deer. He is the grandson of Mr. and Mrs. Arthur P. Manthei of Kewaskum.

Lions to Conduct Light Bulb Sale

The Kewaskum Lions Club will hold their first annual light bulb sale next week and members will canvass the village and surrounding area each evening on Nov. 17, 18 and 19, starting at 7 p. m.

Des Smith, chairman of the sale, asks each member to pick up his supply of light bulb kits at his garage and canvass the area designated to that member at 7 p. m. promptly each night.

The home package of bulbs will sell for \$2.25 for eight bulbs and any person desiring extra bulbs can call a Lion member or Des Smith at 626-2446.

This is an annual fund raising event and all profits stay with the local club to sponsor needed village benefits.

23 Local Students Among Record 558 Enrolled at UWWC

Four hundred eighteen students from 13 Washington County communities are among the record 558 students enrolled this fall at the University of Wisconsin, Washington County Campus, West Bend.

UWWC, one of seven freshman-sophomore campuses in the UW Center System, opened in September, 1968 with 403 students. Official UW figures show the campus enrollment increase of 42 students was the largest in the Center System and exceeded the combined growth of the other six campuses.

The increase moved UWWC from fifth to fourth largest of the seven campuses. Enrollments at the other campuses are: Baraboo 294, Marathon 755, Marshfield 312, Rock 610, Sheboygan 514, and Waukesha 1,348.

Student enrollment figures for county communities, with new students in parenthesis, are: Allenton 15 (10); Colgate 2; Germantown 17 (10); Hartford 49 (33); Jackson 12 (5); Kewaskum 23 (13); Hubertus 5 (2); Hustisford 1 (1); Newburg 2 (2); Richfield 7 (4); Rockfield 1; Slinger 26 (16); and West Bend 258 (157).

Dean Harry J. Maxwell of UWWC said a large part of the growth was due to a large freshman class of 277, an increase of 40 over 1969 and the top increase in the Center System. Freshmen come from 25 area high schools.

Maxwell added that the number of full time equivalent students at UWWC climbed significantly and has passed the 440 mark. Additional sections were opened in a number of the 70 courses to accommodate students.

Other statistics show 150 sophomores and 131 special students. New students number 253, continuing students 220, advanced standing including transfers 70, and re-entry 5. Men outnumber women 310 to 248.

Fall enrollees come from 38 communities in nine counties, and include 38 from this area, the Kewaskum and Allenton communities.

Kewaskum students enrolled for the fall semester (1970 graduates indicated by *) are:

**Mervin Thompson
Receives Wildlife
Conservation Award**

By Don Kurer
Soil Conservationist
Congratulations to Mervin Thompson, R. 1, Kewaskum and to Norman Koelsch, R. 1, Jackson. These men will receive the Washington County Wildlife Conservation award sponsored by the West Bend Kiwanis.

Fox, pheasants and squirrels probably live together more congenial on their land because of their efforts to provide requirements. Thousands of trees and shrubs were planted along fence rows and open areas throughout the years to provide habitat for a variety of wildlife.

Koelsch and Thompson are co-operators with the Washington County Soil and Water Conservation District with a conservation plan for their land.

The rainy weather during the past couple of weeks has slowed up construction of some conservation practices where earth moving is involved. However, we did manage to stake out 26 acres of contour strips for Leroy Thom, east of West Bend and 20 acres for Orin Kirchner, R. 2, Kewaskum. At this point, Kirchner has applied 53 acres of contour strip cropping. The final 6 acres to be laid out in fall of 1971 will complete his conservation program as planned.

Ivan Kumrow, Soil Conservation Technician has assisted Armin Schwengel, game manager of the Dept. of Natural Resources, stake out and design three wildlife ponds for ducks in Albecker County Park. These ponds will be 300

feet long by 30 feet wide and 150 feet apart.

Albecker park is located about 1 mile northwest of West Bend on Co. Hwy. B.

Ivan also reported construction of 1,500 feet of diversion terrace on the Leo Resch farm, Town of Wayne. The Resch runoff of 15 acres will be diverted from a low land area. Leo will be establishing contour strips parallel to the diversion this fall.

One mile of surface drainage ditch was staked and surveyed for a group of farmers in the St. Lawrence area. The farmers involved in this group project are Henry Gehl, Alfred Gehl, Robert Schelling and John and Dennis Gehring.

County 4-H Leaders Install Officers

Conrad Christel, R. 2, Hartford, was installed as the president of the Washington County 4-H Leader's Association County 4-H Recognition Banquet on Oct. 19. Paul Cypher, West Bend, the outgoing president, installed all of the new officers. The officers are: President, J. Conrad Christel; Vice

President, Neil Beisenstein of Hartford; Secretary, Mrs. Lorraine Schoeni of Slinger; Treasurer, Mrs. Harold Groth of Jackson; Reporter, Joe Kresse of Cedarburg; and Advisory Committee Chairman, Mrs. Arvin Murre of Kewaskum.

Several leaders were honored for their service to youth, including Mrs. Gerald Secor and Mrs. Eldon Wulff of Kewaskum, who were presented five year silver leadership pins.

Miss Dorothy Emerson, consultant to the National 4-H Foundation, Washington D. C. addressed

the group as guest speaker. She pointed out that each person is an individual. "Nobody is you but you" she said. Everybody wants to try out his own ideas and try to do certain things. As adult leaders and junior leaders we should always try to give members an opportunity to do things rather than doing it for them. We learn by experience and we also can learn by mistakes.

Minutes of Village Board Meeting

Adjourned Meeting
October 26, 1970
5:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in adjourned session at the Municipal Building. President Wietor presided and all Board Members were present.

Also present was K. A. Honeck, Jr., representing Honeck Chevrolet, to explain their proposal for a

new refuse truck chassis. The Board reviewed all of the truck chassis proposals received at the October 19th meeting. Because of the short trips this truck would be making, the Board felt it was not necessary to have the additional side mounted fuel tank and therefore this item was deleted from all of the proposals.

Because the proposal of Honeck Chevrolet seemed the most advantageous to the village, motion was made by Trustee Miller and seconded by Trustee Yoost that said proposal at the quoted delivered price of \$5,855.00 be accepted; provided, however, that delivery be made within 30 days after the settlement of the current General Motors strike.

Roll Call Vote — 7 "aye"
0 "nay"

Upon motion made, seconded and duly carried the Board adjourned subject to call.

Two West Bend Men Hurt in Area Mishap

Two West Bend residents, Terry L. Michels, 21, and David A. Kohl, 21, were hurt at 10:24 p. m. Sunday when a small station wagon driven by Michels, traveling north on U.S. Hwy. 45, apparently veered to the right and in trying to correct the deviation, the vehicle struck the gravel shoulder and went into the ditch on the east side of the road and rolled over three times. The mishap occurred about two miles south of Kewaskum. The car was badly damaged.

Michels and Kohl were both thrown from the vehicle in the accident. Kohl suffered back injuries and head cuts while Michels suffered a back injury, facial cuts and bruises. He was removed to St. Joseph's Community Hospital, West Bend, in the Kewaskum firemen's ambulance.

Indians Place 4 on All-Conference Team, Dominate Scoring Statistics

Lead Conference in Scoring; Doherty Top Individual Scorer

6 INDIANS GET HONORABLE MENTION ON ALL-STAR TEAM

Final statistics released by the Scenic Moraine Conference show that Kewaskum placed four players on the all-conference team and received two honorable mentions. They also received four honorable mentions on the defensive team.

Although champion Mayville had the most selections on the all-conference team, Kewaskum dominated the scoring statistics. The Indians led the conference in total yards rushing (1,797), total first downs (222). Rod Czerwonka led in individual yards rushing with 661, Mike Doherty in passing with 473 and Bob Mertz in pass receptions with 21. Kewaskum walked off with individual scoring honors; with Doherty, Bob Krahn and Czerwonka being the three top scorers in the conference.

Kewaskum selections on the all-conference offensive team were: End Bob Mertz, Sr., 6'1"—175 lbs.; Tackle Kim Rodenkirch, Jr., 6'1"—215 lbs.; Center Dave Schacht, Sr., 5'11"—180 lbs., and Back Rod Czerwonka, Sr., 5'8"—145 lbs.

Receiving honorable mention on the offensive team were Guard Steve Schoofs and Quarterback Mike Doherty. Receiving honorable mention on the defensive team were End Bob Mertz, Interior Lineman Jim Schmidt, Linebacker Dave Schacht and Back Joe Backhaus. Mertz and Schacht were honored on both teams, being all-conference on offense and receiving honorable mention on defense.

Czerwonka on offense was an unanimous choice.

Two Kewaskum juniors, Guard

Steve Schoofs and Defensive Tackle Jim Schmidt, who received honorable mention on offense and defense respectively, missed all-conference by just one vote. Coach Harlow believed that Bob Krahn definitely should have been an all-conference selection. Krahn was the third leading rusher in the loop, scored five touchdowns and rushed for 190 yards against Hartland, and was one of the top rushers in some other games. Harlow also could not understand how Doherty was overlooked as all-conference quarterback (he was picked second, behind Loest of Mayville). Doherty led the conference in scoring with 84 points, in passing with 473 yards, and was 4th in yards gained rushing with 534, an average of 8.2 yards per carry. He was also a standout field general. In picking deserving candidates, it seems coaches went more for dividing up conference honors among all the teams. Harlow also noted that probably the reason Joe Backhaus, an all-conference defensive back last year, did not repeat (receiving honorable mention) was because the team was not on defense as much this season. The high scoring Indians were on defense only one-third of the time, being on offense the rest of the time.

Here are some of the statistics which bear out Kewaskum's offensive domination in the conference:

Kewaskum was first in total yards rushing with 1707 (Mayville 2nd with 1616); 3rd in total yards passing with 595 (Grafton 1st with 663); 1st in total first downs with 112 (Mayville 2nd with 94); 1st in total points scored with 222 (Mayville 2nd with 208). Individual statistics: Yards rushing—1. Czerwonka, Kewaskum, 61 yards in 118 carries for an average of 5.6; 2. Beauprey, Mayville, 576 yards in 127 carries for an average of 4.5; 3. Krahn, Kewaskum, 537 yards on 65 carries for an average of 5.4; 4. Doherty, Kewaskum, 534 yards on 65 carries for an average of 8.2. Passing—1st, Doherty, Kewaskum, passes attempted 72, passes completed 37, interceptions 5, yards gained 473, completion per cent 51%. Passing—1st, Mertz, Kewaskum, passes received 21, yardage gained 229. Scoring—1st, Doherty 84; 2nd, Krahn 50; 3rd, Czerwonka 48.

Mayville dominated the defensive statistics, however, being first in opponents total yards rushing, opponents first down and opponents total points scored, and 2nd in opponents total yards passing.

Kewaskum was 2nd in opponents total points scored, allowing 86. Clark Eichstedt of Kewaskum was 4th in passing with 13 received for 229 yards. Frank Blau, Germantown, led in pass interceptions with 4. Mike Zivirlein, Slinger led in punts with an average of 34.9.

Indians Rated 21st in AP State High School Poll

Out of the hundreds of high school football teams in Wisconsin, the Kewaskum Indians have been rated the 21st best team in the state among the larger schools. Schools with an enrollment of over 600 are rated in the Big School class and those under 600 in the Small School class.

The final 1970 Associated Press Wisconsin high school football poll rated Kewaskum 21st in the state. Wisconsin sports writers and broadcasters participate in the poll.

Kewaskum finished the season with a 6-1 record in the Scenic Moraine Conference and 7-2 overall record. Being ranked for a place among the biggest schools in the state is quite an honor for Coach Joe Harlow's boys.

Green Bay Premonre (10-0) was rated the top team in the state in the AP poll, with Schofield (19-0) second and La Crosse Aquinas (10-0) third. Premonre's giant powerhouse is so good it had its entire line voted as the "player of the week" in one game. One writer reported it looked more like a pro team than a high school team. Premonre will face La Crosse Aquinas Saturday in the University of Wisconsin stadium at Madison for the Wisconsin Independent Schools Athletic Association championship.

Mayville, Scenic champion, was ranked 16th in the final poll. This was the only team to beat Kewaskum in the conference, although the Indians bested Mayville in most of the final statistics released (see separate item).

State sports writers and broadcasters participate in the poll with a first place vote being awarded 10 points, nine points for second, eight for third, etc. Kewaskum received five points in the poll.

Schools ranked in the final Big Ten poll are: 1. Green Bay Premonre, 10-0, 158 points; 2. Schofield, 9-0, 138 pts.; 3. La Crosse Aquinas, 10-0, 135 pts.; 4. Baraboo, 9-0, 83 pts.; 5. Chilton, 9-0, 70 pts.; 6. Fond du Lac, 8-1, 57 pts.; 7. Wisconsin Rapids, 8-1, 50 pts.; 8. Waukesha, 7-1, 48 pts.; 9. Madison Memorial, 8-1, 45 pts.; 10. Milwaukee King, 9-0, 23 pts.

Others receiving votes (followed by records and number of points) include: Manitowoc, 7-2, 21; Monona Grove, 8-1, 19; Neenah, 7-1, 13; Hartford, 7-0-1, 17; Janesville Craig, 7-2, 16; Mayville, 9-0, 15; Burlington, 8-1, 11; Middleton, 7-2, 8; Mosinee, 9-0, 7; Milwaukee Don Bosco, 7-2-1, 6; Kewaskum, 7-2, 5; Brookfield Central, 8-1, 4; Madison West, 6-3, 4; Racine, 5-2, 4; Oconomowoc, 6-1-1, 4; Sparta, 8-1-3; Milwaukee Marshall, 7-2, 3; Oconto, 7-1, 2; Wausau East, 6-2-1, 2; Oregon, 7-0-2, 2; Racine St. Catherine, 7-2, 2; Antigo, 7-2, 2; Milwaukee Marquette, 7-2, 1; Sheboygan North, 6-2, 1; Pulaski, 8-1, 1; Whitewater, 7-2, 1.

Kewaskum Joins Lakes Cage Loop

Jake Oelhafen, commissioner of the Land o' Lakes Basketball League, reported Friday that Kewaskum has been approved as the eighth team in the loop.

Tom Larsen has been organizing the local team and Honeck Chevrolet has submitted the franchise and forfeit fee. Kewaskum was a late entry but Oelhafen contacted managers around the league and approval was gained. Kewaskum will re-enter the loop after an absence.

Kewaskum's entry brings the number of teams in the league to eight. Other teams, announced previously, are: West Bend, Hart-

ford, Horicon, Mayville, Cedarburg, Menomonee Falls and Slinger.

FORT 9TH ENTRY IN LEAGUE

Port Washington has been approved as the ninth team in the Lakes Basketball League, it was announced Wednesday by Jake Oelhafen, commissioner. Oelhafen said Port pleaded for entry and a poll of the managers was made by phone, who unanimously agreed to permit their entry.

er. Hartford is defending champion.

Oelhafen said, "This will be an ideal size and best we've had for a long time from the standpoint of less travel required."

Opening games will be played the first weekend in December.
