Edwards, health officer, reported this week that Chief of Police Don Hlavaty has sent him the recent State Board of Health report on the safety of the swimming area at the beach in the Milwaukee river here. ## Jake Bruessel, 38, Killed in Trench Cave-In

Jake K. Bruessel, 38, of R. 2, Kewaskum, a construction worker, died Friday afternoon, June 16, of accidental head and chest injuries he suffered when one side of a trench he was working in at Milwaukee collapsed and buried him under heavy clay.

The medical examiner's office said he was dead on arrival at 1:30 p. m. at St. Michael Hospital.

According to police, Bruessel was cleaning out loose dirt in the freshly dug trench for a gas main when one wall of the 4 to 5 foot deep trench caved in. The construction site is about 300 feet east of Upper River Rd., south of W. Brown Deer Rd. in River Hills.

Authorities said four other employees of the Tomaro Construction Co., 9555 S. Howell Ave., Oak Creek, witnessed the cave-in about 12:45 p. m. and dug Bruessel out. Bruessel, who had been working alone in the trench, was knocked unconscious and buried up to his head by the dirt.

He was born Oct. 27, 1933, in the Town of Kewaskum, and married Audrey Steger in St. Mary's Church, Mayville, July 19, 1958. He lived in the Kewaskum area all his life, except for two years in the U.S. Army during the Korean conflict. Bruessel had been a machinist at Gehl Co., West Bend many years before going with Tomaro Construction Co. of Oak Creek, where he had been employed the last three years.

He was a K.C. member of West Bend Council 1964, and a member of the Holy Name Society of Holy Trinity Congregation of Kewaskum. He belonged to several sportsmen's clubs and the Kewaskum Sno-Chiefs Snowmobile Club.

He is survived by his wife and four children, all at home: Joan 12, Gerald 11, Ronald 10, and Cheryl 6; his mother, Mrs. Bernetta Bruessel, Kewaskum; four sisters, Doris (Mrs. Robert) Bonlender, and Janice (Mrs. Allen) Thill, Kewaskum, Lavilla (Mrs. Peter) Lache, West Bend, and Carol (Mrs. Dennis) Weiss, West Bend; his in-laws, Mr. and Mrs. Myron Steger, Mayville; seven brothers-in-law, and other relatives and friends.

Visitation was Sunday, June 18, from 3 to 9 p. m. at Miller's Funeral Home, Kewaskum, with a Rosary Vigil at 8 p. m. Services were held Monday at 9:30 a. m. at the funeral home and at 10 a. m. at Holy Trinity Church, Rev. John T. Budde officiating. Burial was in the new Holy Trinity Cemetery, Kewaskum.

Mr. and Mrs. "Mike" Gnacinski of Kewaskum have purchased a tavern property near Antigo and will leave Saturday for the north to take over their new business. They will also operate a small outlet store in connection with the tavern, selling Regal Ware Inc. products.

The tavern, which will be known as Mike G's Kewaskum Inn, is located on Hwy. 45 about 1 1/2 miles south of Antigo. The address is R. 3, Antigo. Mike and Jeanette invite all Kewaskum area residents who go to the north woods for fishing, snowmobiling or just relaxing to stop in and visit—they will welcome you.

Mike has been employed at Regal Ware here for the past 13 years and over 25 years all told as he also held other jobs in between. He was very active in scouting and served as a Boy Scout leader for 25 years.

He was honored by the scouts at a farewell party Wednesday night at the L. N. Peterson home, at which he was presented with a beautiful, large deer skin with the scouting emblem in the center surrounded by all the important scouting events during his many years of leadership. Mike says he will display the deer skin on the wall of his new tavern.

The Gnacinskis' son Jim will remain in this area, living at West Bend. He has taken employment at Saukville. They also have a married daughter, Linda, residing in West Bend.

## PARENTS OF LOCAL WOMAN CELEBRATE 50TH WEDDING

Mr. and Mrs. William Lackas of Theresa were honored on Sunday, June 11, at a reception at the home of Mrs. Mildred Theisen in honor of their golden wedding anniversary which they celebrated on June 14.

Mr. and Mrs. Lackas were married June 14, 1922 at St. Peter and Paul Church in Nenno. They farmed at Theresa for many years. Mr. Lackas is now employed at Schulz Lumber in Theresa.

The couple has six children: Mrs. Mildred Theisen of St. Michael's, Mrs. Eileen (Bruce) Petri of Kewaskum, Donald Lackas of Campbellsport, and Reuben, Harold and Eugene Lackas of Theresa.

One way to spend a quiet evening is to criticize the supper.

On Sunday, June 25, a concelebrated Mass of Dedication will be held at 12 noon at the newly completed St. Michael's Church at St. Michaels.

Principal celebrant and homilist for the Dedication Mass will be His Excellency Archbishop William E. Cousins, D.D., Archbishop of Milwaukee. Concelebrants will include Rev. William B. Bonesho, pastor of St. Michael's; the Revs. Matthew Urban and Francis Eschweiler, former pastors, and three priest-sons of the parish, the Revs. Richard Fellenz, Ralph Fellenz and Adrian Staehler.

Rev. Ralph Fliss will be master of ceremonies to the archbishop; James Thull will be master of ceremonies for the Mass and Reinhard Follmann will be the commentator.

A fourth degree honor guard will be provided by the Knights of Columbus general assembly. The church choir, under the direction of Cecelia Thull, will sing for the occasion.

A dedication dinner-program is also planned for the ceremonies. The dinner-program will be held in the parish hall. The Rev. Vincent Schneider, another priest son of the parish is scheduled to participate in the program.

The present new structure and congregation trace their origin back to 1846, before Wisconsin became a state. Services were originally held in the home of a parishoner, Michael Rodenkirch. The first church, a log structure, (and a log school) were erected about a mile south of the present building in 1847.

A stone structure was later erected on what is now the church cemetery tract in 1855. The third church, constructed in 1894-85, was struck by lightning on the early morning of Jan. 4, 1971 and destroyed by fire.

The present modern church was erected during 1971-72. St. Michael's parish celebrated its centennial in 1946 with a three day celebration.

## Firemen Extinguish Fire in Barn Manger

Kewaskum firemen were called out at 3:30 p. m. Sunday to the property owned by Orval Behnke (the former Mrs. Erwin Schulz farm) on Prospect Drive south of the village, occupied by the Forest Towne family.

The firemen avoided what could have been a serious fire when they extinguished a blaze in the manger of a stable of the barn. It is believed the fire was caused by boys playing with matches and hay in the manger was ignited. There was little damage.

Twenty-five firemen answered the call and were at the scene about a half hour.

**Sunshine Play Day For Brownies Held**

Kettle Moraine Association Sunshine Play Day '72 for Brownie Girl Scouts was held June 12 at Ridge Run Park in West Bend from 2 - 6 p. m. Approximately 130 Brownies from Kewaskum, Jackson and West Bend (and thousands of mosquitoes!), with Cadette and Senior Scouts assisting, were led through a Brownie Smile Wide game. Winners split 2 watermelons and everyone received candy bars.

Individual group games were followed by a "pass the orange under chin" relay game for grab bag prizes and tug of war games

for bubble gum prizes. Senior and Cadette Scouts led a "sing-a-song-in," and also taught the Brownies a grace to sing before meals. Nose-bag lunches were then devoured with one hand while swatting mosquitoes with the other. A Brownie Scouts' Own with contributions of poems and songs by Brownies of various troops and a flag ceremony completed the fun day.

All activities were planned by the following: adult chairmen - Shirley Perkins and Sylvia Moore; Senior Girl Scout chairman - Judy Wiesner of Troop 64; Cadette Girl Scout chairman - Karen Cox of Troop 112, and name tags - Betty Behling of Troop 112 and Sharon Schoofs and Kay Eichstedt of Troop 72.

The entire day was made possible by the generous time given by Senior Girl Scouts of Troop 64 and Cadette Girl Scouts of Troop 112. Without their help, Play Day would not exist. Thanks, Scouts! Also, a thank you to adults assisting with the wide game.

## Indians Win 3 More Games But Suffer First Loss at Mayville

The Kewaskum Indians, who have a very busy summer baseball schedule, continued to roll by winning 3 more games the past week but also suffered their first loss at Mayville. They now own a 5-1 record in the Scenic Moraine Conference.

Last Thursday night the Indians hosted Germantown and posted their third straight shutout, 6-0, to remain unbeaten. Tom Behnke, Jim Gaffke and Glenn Eichstedt each collected 2 hits to lead Kewaskum's 9-hit attack. Behnke drove in 2 runs with a double in the 6th inning. Tom Theusch also pushed over 2 markers, Gaffke 1 and Eichstedt 1. Gary Marx pitched a 3-hitter and struck out 10.

Kewaskum's JV's also scored a lopsided 11-2 victory over Germantown. Mike Koepke and Willie Zacho each got 2 hits for the winners and Scott Koth was the winning pitcher. All are freshmen.

The Indians finally got their game finished at Mayville Friday night after 2 postponements. Originally scheduled for Tuesday, the teams played 1 inning and the Cardinals led 2-1 on a home run by each team when there was a power failure. The contest was rescheduled for Wednesday and rain postponed this one. Then Friday they got the tilt completed with Mayville winning, 6-2. Not only was this Kewaskum's first defeat but also the first runs scored against the team.

The contest began in the 2nd inning from where it left off Tuesday, 2-1. Gary Marx, who started the game Tuesday, had pitched the night before against Germantown so Tom Theusch, the No. 1 starter, could be used in this one. Theusch was touched for 5 hits by heavy-hitting Mayville, the most he has given up all season. The Cardinals scored 3 unearned runs right off the bat in the 2nd inning and added another off a walk and 2 hits. From then on Theusch pitched shutout ball. Kewaskum's runs came on Theusch's homer in the 1st (Tuesday) and an unearned run in the 7th. The Indians had men in scoring position in 4 other innings but couldn't score them. Gaffke had 2 doubles and Rick Halfmann 2 hits for the losers, while Dan Heim collected 3 for the Cardinals.

On Monday the Indians traveled to Pewaukee and won a big one

when they defeated star veteran pitcher. Bill Beno, for the first time in several years and handed the Pirates their first defeat of the season, 4-1. The win enabled Kewaskum to move into a tie for first place with Pewaukee and Mayville. Theusch was on the hill for Kewaskum and was all fired up for this one as he threw real hard.

Tom got into a jam in the 1st inning when he loaded the bases with nobody out but got out of it with a double play and fly out. After this he retired 14 batters in a row before allowing a single in the 6th inning. Pewaukee scored their lone run in the last frame on a walk, stolen base and single. The Indians scored single runs in each of the 1st, 2nd, 5th and 6th innings. They got 5 hits off Beno, while Theusch held the Pirates to 3.

Kewaskum is playing this week without 2 starters, Jeff Koth and Tom Behnke, who are at Boys' State at Ripon. As a result freshman Mike Koepke started, got a hit and scored a run. Theusch is now 4-0.

The Kewaskum JV's lost to Pewaukee, 4-0.

Tuesday night the Indians entertained Grafton and won another one, 9-5, coming from behind after spotting the visitors with a 5-0 lead. In this game Coach Neil Denniston found the 3rd pitcher he has been looking for in Jim Gaffke. He has Theusch as top pitcher and Marx as second man but with so many games (4 in one week) a third one is needed. Marx started and had his problems, giving up 5 runs in the 2nd. Theusch had pitched the night before at Pewaukee so he changed Gaffke from catcher to pitcher

and Marx from pitcher to catcher.

Gaffke did a remarkable job, retiring the side in order in the 3rd, 4th, 5th and 6th and shutting out Grafton the rest of the way. In the meantime Kewaskum stirred up 3 rallies and came back with 4 runs in the 3rd, 3 in the 4th to go ahead, and added 2 more insurance buttons in the 6th. Theusch and Gaffke each got 2 hits, the former's including a triple with 2 on. Marx also tripled with 1 on. Gaffke fanned 10 in his 5 innings and gave up just 1 hit. Grafton had 6 hits in all, while the Indians lashed out 7.

The JV's were dumped again, 10-4, with Koth taking the loss.

Thursday night Kewaskum traveled to Hartland to complete the first round. Monday they go to Slinger (6 p. m.), Tuesday Kettle Moraine plays here (8 p. m.) and Thursday Mayville comes here in a big one (8 p. m.).

**LETTERS TO THE EDITOR**

Editor, Kewaskum Statesman  
Kewaskum, Wisconsin

Welfare is a boon to people who are actually disabled, incapacitated and down on their luck. These are the people who would really like to work but cannot and for this reason feel degraded for having to accept charity. A service such as welfare is really needed but the sad part of the whole system is the fact that the clients' backgrounds and circumstances are not delved into deeply enough to see if help is really needed or if the general public is supporting loafers and do-nothings.

The loafers and do-nothings want to change the "establishment" but they forget that the general public; the average wage-earners constitute the "establishment;" that we are supporting them. We're being taxed to the hilt now. So much so, that most of us feel like we're being given an allowance by the government instead of our just and due wages.

People on welfare pay no government taxes of any kind and many of these people are on welfare for years. We average wage-earners have to have so many quarters of work put in before we can collect social security in our retirement years, yet these do-nothings and loafers can claim disability and reap the harvest from the taxes we have paid in through our long years of work.

It is even known and published that the welfare departments help these people to buy homes and, yes, even help them pay the real estate taxes on them. But heaven help the working man if his taxes become delinquent! Only so much time is allowed to pass before his property is taken over by the county, and, I might add, purchased by the county he resides in for the delinquent taxes.

Don't the people who control the village, city, county, state and federal budgets realize that if they really delved into some of the welfare systems that thousands upon thousands of dollars could be deleted from the budgets which constantly increase each year thereby increasing our ever-rising taxes? Maybe if this were done, we could all walk a little taller and be more free of mind than we are now.

We read and hear so much about President Nixon's plan about making the people on welfare work or no welfare. As far as I can tell, nothing concrete has been done about this situation. Instead these people are sent to trade schools to learn various duties which they could perform after their training is completed. And, oh yes, these people can get into these schools and become licensed personnel in less time and with less requirements than those of us who have fought to go to school and complete our schooling. Again, who is paying for it? You are, Mr. and Mrs. Taxpayer! Instead of just talking about putting these people to work doing something constructive, let's take action. Why not really take up the cry, "Let's Make America Beautiful," and get some of these people

to bend their backs and use their muscles to clean up our countryside. In this manner, we could utilize our various government employees, for the situations that really need taking care of such as road repairs and other details.

Thank you for letting me express my views and I hope other readers will let us know what they think. Please sign me as,  
**Sincerely, A Concerned Citizen**

**Camping With Cadette Troop 72**

On Thursday, June 15, Cadette Troop 72 went troop camping along with other troops from the Wau-Bun Council area.

Thursday was spent setting up tents, getting equipment ready and preparing supper. Thursday was a cold night but the 3 girls and their leader made it through all right after a goulash seance with other troops.

Friday was a cloudy, cold day but morale was just as terrific as ever. The afternoon was spent working on our final emergency preparedness challenge. The challenge included helping with first aid, calming children and making supper for a group of over 30. The

Cadettes did all right. The afternoon was also spent swimming and preparing for All-Camp-Fun-Night. Each group that went camping put on a skit or sang songs for the fun night. Everyone enjoyed the skits.

Saturday was a hot, cloudless day and our Cadettes suffered with a few sunburn casualties. The day was spent swimming, canoeing and going to Mass outside. Mass was said by Father Tom, formerly a Barton priest. It was said on a picnic table. After supper was eaten, the girls went square

dancing with Junior Troop 53. Saturday night the northern lights were gorgeous! It was like a big dome of constantly changing lights.

Sunday morn was spent cleaning up and by 12:15 the weary campers were on their way home.

The Cadettes who went camping were Pam Scannell, Amy Schmidt, Sharon Schoofs and their leader, Mrs. Perkins (alias Goursh as she was known at camp). It was fun at camp, but there's no place like home.

Scribe, Sharon Schoofs
