Awarded Wildlife Conservation Award

Elmer Zuehlke, R. 1, Kewaskum, was awarded the Area Wildlife Conservation Award at the S. E. Wisconsin Area Soil and Water Conservation District Association meeting recently. The Washington County Wildlife Conservation Award was presented to Mr. Zuehlke by the West Bend Kiwanis, on Nov. 13, 1973.

A total of 20,000 pine and spruce trees were planted during 1972 and 1973 to cov-

er a 26 acre cropland field that was originally a native forest of oak and hickory prior to homesteading.

Three fish and wildlife ponds have been constructed on their land with the technical assistance of the U. S. Soil Conservation Service.

A four-acre wetland area and seven acre upland area of natural vegetation is also being protected for wildlife cover.

By providing food for wild-

life from adjacent cropland and trees and ponds for cover and water, the Zuehlkes have linked the ecological chain which is so essential for wildlife.

Shown in the photo, left to right, are a Bark River Culvert Co. representative, Mr. and Mrs. Zuehlke, Norbert Dettmann, Washington County S.W.C.D. supervisor and area association president, and another Bark River Culvert Co. representative.

Gives Program at Farmington School

Donald R. Meyer, General Telephone Company of Wisconsin Eastern Division Traffic Facilities Administrator, Plymouth, presented the company's "Communications: 2001" slide and discussion program March 5, to some 170 students of Kewaskum's School District Farmington Elementary School.

Meyer outlined mankind's development from a mere prehistoric survivor to the analytic, cosmopolitan, being today pioneering paths for future generations. He stressed progress in the telephone industry from Bell's conversation between rooms through the Candlestick to high-speed data communication and the Apollo crew's "long distance" calls from the moon to their President. Throughout, Meyer emphasized that change was the basis for both mankind's and the telephone industry's forward movement.

"Communications: 2001" is a part of the General Telephone library of civic group programs, now being presented by members of the firm's Speakers Bureau. Arrangements for this or other programs to be shown to your group can be made by contacting your local telephone business office.

County Cancer Crusade Goal Is \$16,900

This year's Washington County Cancer Crusade goal has been set at \$16,900, according to Richard Semler, Chairman of this year's crusade. Semler, who is Assistant Secretary and Data Processing Manager at Gehl Company, West Bend, said the 1974 goal of \$16,900 compares to last year's goal of \$15,000 and reflects the continued population growth of Washington County.

"We need the added help of everyone in the county in fighting this dread disease," Semler said.

Objectives of this year's crusade is to solicit funds for needed cancer research at major institutions like the University of Wisconsin and Marquette University, to alert area citizens to the importance of kowing cancer's pirtance of kowing cancer's seven warning signals, and to assist victims of the disease.

"No money or possessions could mean more to future generations of Washington County than the satisfaction of knowing that, should cancer strike, adequate research into preventing and curing the disease has been on-going. When cancer strikes, we call immediately for the best medical care and the best medical knowledge that money can provide. The best is not too good. Money is no object when life hangs in the balance," Semler said.

This year's drive is scheduled to be in full operation by April 1, 1974. This includes house-to-house calls and industry solicitations throughout the county. Memorials are continually being accepted by the local cancer unit and can be directed to Box 491, West Bend, Wis. 53095. As part of the crusade to detect cancer early, a free colon and rectal cancer program will be held March 20 at West Bend East High School, Room 235 at 8:00 p. m. Dr. Bauer, West Bend surgeon, will be speaker. The program is being co-sponsored by the West Bend Jaycees and Jay-

ettes.

Justice Wilkie Addresses Local Kiwanis Club

In his quest for reelection to the position he has held for nearly 12 years, Justice Horace W. Wilkie of the Wisconsin Supreme Court visited Washington County Monday, March 11, talking to the Kewaskum Kiwanis Club.

Justice Wilkie, who outpolled the other two Supreme Court candidates in Washington County in the March 5 primary, declared that he was gratified with the primary results. He stated: "One of the principal points established by Watergate and other related proceedings is that the Judicial Branch is most im-

portant as the 'balance wheel' in our American system of government."

"In this year's final contest for justice of the Wisconsin Supreme Court, Wisconsin voters have an opportunity to demonstrate, as they did in the primary, their support of an experienced and independent judiciary." Wilkie concluded. In addition to his 12 years of experience on the Supreme Court, Wilkie cited his 17 years of prior legal experience. "The only issue in this year's court race is 'Who is best qualified?' I believe that my record demonstrates the qualifications the voters have come to expect in a Supreme court justice: independence and impartiality, knowledge of intricate legal questions that come before the court, experience, integrity and thoroughness in the work of the court, a forward-looking and progressive approach

on problems which the court must resolve."

Wilkie noted that he has written nearly 500 principal opinions for the court as well as joining in 3,500 full-court decisions. "The essence of the Supreme Court" Wilkie stated, "is that every decision we make is made by seven justices, not just one."

People certainly are peculiar — they want the front of the bus, the back of the church, and the middle of the road.

The Governor presented the boys with pens with his signature engraved on them and allowed each boy to sit in his chair and be governor for a few minutes.

Funds raised during the Easter Seal campaign, which will continue through April 14, Easter Sunday, are used to support programs and services to the thousands of handicapped people throughout our state.

Thanks Postal Customers for Using Zip Code

Postmaster Harry E. Koch today thanked postal customers in Kewaskum for their regular use of the ZIP Code with mailing addresses.

"Customers in the 13-state Central Region in which Kewaskum is a part leads the other four Postal Regions with an 89.1 percent ZIP Code usage. According to recent figures, the national average for ZIP Code usage by mailers reached 87.3 percent," Postmaster Koch said.

Postmaster Koch said the success of the ZIP Code is well established. Its public acceptance has come a long way from that first day nearly 11 years ago when the program was launched in Washington with a special Ethel Merman version of "Zip-A-Dee Doo-Dah" that was to be heard in thousands of promotional spots on radio and television around the country.

It was on July 1, 1963, that the Postal System's Zoning Improvement Program went into effect. There was an immediate furor over the advent of ZIP Coding, but the people who predicted dire things for the future of the U. S. mail as a result of adding five figures to an address have long since been proven wrong.

"Fortunately, there were those who also recognized that a growing population, a more mobile life style, and a growing volume of mail (it was 30 billion pieces in 1942, 49 billion in 1952, 67 billion in 1962, and now 90 billion) would require an addressing system more sophisticated than the one that had been used for the previous hundred years," Postmaster Koch said.

"There also had been great public controversy in 1863, when the Post Office Department came up with the then radical concept that mail should be addressed by street and number. Before then, mail was sent to a name in a city or town and that individual had to come to the post office to pick it up," he said.

He noted that fears that the ZIP Code would speed the demise of the identity of American place names have proved groundless. "Just look through the current directory

of post offices, and you'll find the continuing existence of such places as Alpha, Illinois, Gas, Kansas; Weeping Water, Nebraska; Zap, North Dakota; Tea, South Dakota; and Luck, Wisconsin," he said.

"None has been endangered by the addition of the five-digit ZIP Code as part of its mailing address. On the contrary, the residents of these places — as well as those who live in the most congested part of any metropolis — now can be located more quickly, more accurately, and at less cost than would be possible without the mechanized applications of ZIP Coding."

Corned Beef For St. Pat's Day

by Martha Logan

Faith 'n' St. Patrick's Day is coming. Irish or not, you will wear a touch of green and serve corned beef for dinner. With the new generation of corned beef, cooking dinner is simple. Place a corned beef for oven roasting on a rack in a shallow open pan and roast until fork tender.

Carrots and cauliflower may be cooked in the oven with the corned beef the last hour of roasting. For a fancy touch, spear a piece of carrot and one of cauliflower on each end of a wooden pick. Arrange the vegetables on the platter around the corned beef. With fluffy, twice-baked potatoes, a crisp tossed salad and lime sherbet, faith 'n' it's a fine St. Patrick's Day dinner you'll be having.

Oven Roasted Corned Beef With Vegetables

Yield: 6 to 8 servings

- | | |
|--|---------------------------|
| 3 to 4 pound Swift Premium Corned Beef for Oven Roasting | 1 teaspoon lemon juice |
| 2 tablespoons butter or margarine | 3 to 4 carrots, pared |
| | 1 medium head cauliflower |

Place roast, fat side up, on a rack in a shallow open pan. Do not cover or add water. Roast in a 325°F. oven about 2 1/4 to 2 3/4 hours, or until fork tender. Melt butter in shallow baking dish in oven. Remove from oven and add lemon juice. Cut carrots into 1 inch pieces and place in baking dish. Cover and bake for 1/2 hour. Separate cauliflower into flowerets. Place in baking dish with carrots. Bake for another 1/2 hour, or until vegetables are tender. Serve on platter around corned beef.

WAYNE CRUSADERS

The meeting of the Wayne Crusaders 4-H Club was called to order on Feb. 5. The pledges were recited. Roll call was telling what projects we took this year. The secretary's and treasurer's reports were read and approved. Nina Wulff and Dianne Resch were our graduating members and were given 4-H pins.

We were reminded of the Kewaskum recycling project which we should all cooperate with. We then appointed committees to work on differ-

ent projects. The conservation committee is Joanne Garman, Bonnie Schmidt and Shirley Schmidt. The recreation committee is Lori Schmidt, Shirley Garman, Debbie Bargman and Barbara Garman. The health committee is Donna Rasmussen, Cindy Oelhafen, Nancy Schrauth and Eileen Rasmussen. The safety committee is Joanne Garman, Shirley Schmidt, Bonnie Schmidt and Craig Martin.

There was a leader's meeting for Dress Revue on Feb. 20 at 1:30 or 7:30, Foods and Nutrition on Feb. 21 at 7:00 at the courthouse.

The speaking contest was March 7 at 7:30 p. m. The main topic was "Using Natural Resources Wisely." Each member was also to make a poster for this on a 14" by 22" poster board. We should be finding a place to plant trees this spring also.

Next month Duke — the foreign exchange student will tell us about his country — Thailand. There will also be several speeches given at the next meeting. The members should also consider having a bake sale sometime this year. Refreshment committee for next month will be the Rasmussen, Wulff and Schmidt families. MINUTES OF VILLAGE BOARD MEETING

Regular Meeting
March 4, 1974
8:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Miller presided. Trustees Yoost, Nigh, Schmidt and Kral were present. Trustees Herriges and Strack were absent.

The minutes of the meetings of February 4, February 11 and February 23 were approved as presented upon motion by Trustee Schmidt, seconded by Trustee Nigh. Unanimous vote.

The sealed bids for the installation of permanent phosphate removal equipment at the Waste Water Treatment Plant, removal of the existing incinerator and a truck chassis were opened and publicly read by Engineering Consultant Norman Hanson. The proposals were tabulated as follows:

- Truck Chassis
 - Stocker Ford, West Bend - \$6771.00 (1975 model)
 - Honeck Chevrolet, Kewaskum - \$6929.20 (1975 model)
 - Cooleys, West Bend - \$6444.00 (1974 model)
- General Construction - Removal of existing incinerator
 - Blohm Brothers, Cudahy - \$6840.00
 - Advance Salvage, Milwaukee - \$9760.00
- Mechanical - Installation of phosphate removal equipment
 - J. F. Ahern Co., Fond du Lac - \$26,374.00
 - R. P. Honold Co., Sheboygan - \$21,367.00
- Electrical
 - Kettle Moraine Electric, Kewaskum - \$13,198.00
 - Burckhardt Electric, West Bend - \$13,953.00

A recommendation will be made to the village by the Engineering Consultant as soon as the proposals have been checked for accuracy.

A delegation of residents of the Bel-Ric Acres Subdivision appeared before the Board with reference to the muddy condition of their streets. President Miller informed the group that the Village Board was well aware of the unpleasant situation and promised that some improvement would be made as soon as possible.

A letter from K. A. Honeck, Jr., objecting to the sewer and water service charges to the Theater Building was reviewed by the

Board. It was the consensus of the Village Board Members that the billings were made according to the established village ordinance governing such charges and therefore no adjustment should be made. Motion by Trustee Kral, seconded by Trustee Schmidt. Unanimous vote.

The Board agreed to sell to Herriges Oil Co. a parcel of village owned land adjacent to the Herriges Oil bulk plant and fronting on Prospect Street at the appraised price of \$500.00. It was further stipulated the selling price would include only a

deed to the property. If a title search, title insurance or an abstract is requested or required by the buyer, the cost of these items shall be the obligation of the buyer. Motion by Trustee Schmidt, seconded by Trustee Nigh. Unanimous vote.

The totals of all claims, as approved by the Finance Committee, were as follows:

Village General Fund \$22,419.31
Water Dept. Fund 607.18
Sewage Dept. Fund 2,819.79
Payment of these claims, as recorded in the official record, was allowed upon motion by Trustee Schmidt, se-

conded by Trustee Kral.
Roll Call Vote - 5 "aye"
0 "nay"

Upon motion by Trustee Kral, seconded by Trustee Yoost and unanimously carried, the Board adjourned subject to call by the President.

Koepke on K-M All-Conference Second Team

The Scenic Moraine all-conference basketball team selected was headlined by two unanimous choices, Lud Wurtz of Mayville and Marv Hantke of Germantown.

Wurtz was the top man of a 1-2 (he and Tom Fischer) punch that brought Mayville to within one point of a tie for the conference title with Germantown. Wurtz won the scoring title, amassing 276 points for just under a 20-point average.

Hantke was the 6th high scorer with 205 points and also was a big gun in Warhawk rebounding, which helped them to their 2nd championship in a row. Hantke finished strong and this was another reason for Germantown winning their last 7 games down the stretch.

Wurtz and Hantke were joined on the first team by Fischer of Mayville, 2nd in scoring behind Wurtz with 251 points, and Kevin Shepard of Grafton and Keith Chapman of Hartland. The last two were also on the 1st team a year ago. They ranked 3-4 in scoring. Chapman was the only junior named to the top five.

Germantown just missed having a 2nd player on the 1st squad. Fred Neumann, 6-7½ senior, was named to the 2nd five. Slinger's Don Karius, an excellent shooter, also made the 2nd five. In at least 3 games, his last second shot or free throws gave his team the win. Kewaskum can take a bow for Mike Koepke, their junior 6-2 center who battled the big guys for the 2nd year in a row and many times came out the better player. Koepke, who was on the 2nd team in his soph year, repeats as a junior and still has another year to go. In some games Mike had 20 or more rebounds and ended 19th in scoring with a 10 point average. Scott Murray, No. 3 scorer from Grafton, was joined on the 2nd five with 2 other juniors, both 6-4, Randy Miller of Kettle Moraine and Larry Heier of Hartland.

The honorable mention list included: Fred Steil, Hartland; Terry Mattson, Germantown; Pat Houk, Kettle Moraine; Don Gruber, Kewaskum; Mike Glynn, Pewaukee, and Tim German, Slinger.

Vivian Schacht on Scenic Girls' All-Conference Team

The first Scenic Moraine all-conference girls' basketball team was selected last week. Second place (tie) Kewaskum fared well by having girls named on both the 1st and 2nd teams.

Picked on the first team by the coaches were: Vivian Schacht of Kewaskum, Sue Konrath of Slinger, Joyce Stuetgen of Germantown, Jane Martin of Mayville and Lorraine Tetzlaff of Hartland. Misses Konrath, Martin and Stuetgen are all seniors and Ms. Schacht is a junior and Tetzlaff only a freshman.

Vivian was Kewaskum's leading scorer with an average of 14 points per game. Konrath in most games hit for 20 points or so for the Owls. Germantown's Stuetgen finished with a 16-point average and was hard to stop. Tetzlaff of Hartland ended with an average better than the top boys' scorer in the conference with a 22.5 average. Mayville's Martin and Elyn Kurutz combined to give the Cards the title. Mayville's only loss was to Kewaskum.

Kurutz was named to the 2nd team. Also on the second team from this county were Diane Strack, a sophomore from Kewaskum, and Karen Schrage from Germantown. Both Schacht and Strack will be back next year for Kewaskum.

Lakes '5' Gives Mayville Battle In Final Game

Mayville, the team that easily won the Class B championship in the Lakes League, barely nosed out tail end Kewaskum here Sunday night, 104-100. Kewaskum wound up in the basement as a result of West Bend winning its final game over Horicon.

Coach Bill Backhaus said, "although we came up a little short, I was pleased with the guys' effort. We showed that with enough help from more players from within our area, we can be competitive with one of the best teams in the league."

Mike Coulter pumped in 26 points and Dennis Pieper 20, and three others were in double figures in the loss to leading Mayville. Chuck Feller was top man for the evening with 33 points for the winners, while Dave Drozd meshed 24.

Kewaskum made 3 more baskets than Mayville but the visitors hit on 24 of 37 free throws for 65 per cent to Kewaskum's 14 or 29 for 48 per cent. Mayville led at the half, 50-40 but Kewaskum narrowed the gap in the second half.

Menomonee Falls iced another clear A Division championship by defeating 2nd place Cedarburg, 126-99. The Falls Badgers have won well over 60 league games in a row in recent years. In other games Germantown edged Slinger, 119-117, and West Bend bested Horicon 108-103. Kewaskum will be playing

in the Howards Grove Open Tournament, which will run from March 20 through April 7. Assignments for first round games will be made later this week.
