NUMBER 38

James D. Reigle accepts a service with Regal Ware, specially inscribed watch from L. N. Peterson, Executive Vice-President.

President of Regal Ware Honored for 25 Years of Service

The President of Regal Ware, Inc., James D. Reigle, joined over 90 fellow Regal employees as the newest member of the firm's 25 Year Club. This honor also marks the first time a member of the second generation in the business qualified for this prestigious service award since the company was founded by Mr. Reigle's late father, J. O. on August 6, 1945.

Born and raised in Ohio, Mr. Reigle is a graduate of Ohio University. He started his career at Regal Ware, Inc. on September 15, 1949, and has been a member of the Board and an officer of the company since 1954. After holding various sales and management positions, Mr. Reigle was elected President of the cookware manufacturing firm in 1965.

Mr. Reigle has been active in a variety of trade associations as well. He was elected to the National Housewares Manufacturers Association Board of Directors in 1968, and re-elected to a second three year term in 1971. In 1973, Mr. Reigle served as President and Chairman of the Executive Committee of this important trade organization.

Active in local and community affairs, Mr. Reigle has served as President of Kewaskum's Village Board of Trustees from 1955 to 1962. He is a member of the Robert G. Romaine Post No. 384 of the American Legion and the Kiwanis Club of Kewaskum. During World War II, Mr. Reigle served with the U. S. Army Air Corps. He is also a past president of the Bank of Kewaskum and a current member of the Board of the Valley Bank Corporation. In 1970, Mr. Reigle was elected to the Board of Directors of St. Joseph Hospital in West Bend.

An avid conservationist, Mr. Reigle and his wife, Patty, reside on an extensive, wooded tract on the southwest border of the Village of

Kewaskum. The Reigles have three children: Jeff, who works in the Regal Sales Department; Jennifer, a sophomore at the University of Denver; and Douglas, a sophomore at Kewaskum High School.

Woman's Club Will Begin 62nd Season

The Kewaskum Woman's Club will begin its 62nd season on Saturday with its traditional fall luncheon. It is a fund-raising event with the proceeds going toward civic projects.

Hostesses for the one o'clock luncheon in Peace Church fellowship rooms will be the Mmes. L. N. Peterson, R. G. Edwards, John Kluwin, Anthony Strigenz, Mervin Thompson and Walter Bade.

A cordial invitation is extended to area women to become a member of the local club. Meetings are held on the second Saturday of the month, from October through May at Peace Church. Meeting time is 2 p. m.

Interested persons are invited to attend a meeting or if they wish may contact any of the officers. Mrs. Charles Miller is president; Mrs. Marvin Martin and Mrs. Carl Acker, vice presidents; Mrs. Jan Rosenthal, secretary, and Mrs. Dan Schowalter, treasurer.

According to Mrs. Miller, the Wisconsin Federation of Women's Clubs is using its initials, WFWC, in its theme of "Working for Wisconsin Communities," with each club focusing its attention on its own community. The program committee of Mrs. Marvin Martin, Mrs. John Kluwin, Mrs. R. G. Edwards and Mrs. Peter Albers has planned a most interesting program, with emphasis on the local community.

Gov. Lucey to Visit With Local Farmers Friday

Governor Pat Lucey will be at the meeting room at the Kewaskum Valley Bank Friday morning from 10-11 to visit with Washington County farmers and their families. He is interested in hearing from family farm people as to their problems and concerns. He invites area farmers to stop for a cup of coffee and a doughnut, and a chance to share their concerns with him.

Tot Time Program Has Openings Here

The YMCA Tot Time program held in Kewaskum at Peace United Church of Christ on Tuesday and Thursday mornings from 9:30 to 11:30 still has openings for several three to five year old children.

Tot Time is a pre-school program for boys and girls and provides opportunities for being with other children in a setting conducive to the development of wholesome social relationships. It helps children develop positive self-responsibility, self-images and self-direction. Classes meet twice weekly for a variety of creative activities and play experiences including art, crafts, music, dramatics, large and small muscle activities etc.

Enrollment is limited to twenty students per class with a full time teacher plus two helping mothers.

Call the YMCA at 334-3405 to enroll.

Hearing Sept. 19 on Petition to Transfer Property to Kewaskum School District

Warren Schmidt presented information on his petition to transfer property from the Campbellsport district to the Kewaskum district at the Kewaskum Board of Education meeting Monday evening. The hearing on the petition will be held Thursday evening, Sept. 19, at Campbellsport.

The property involves some 400 acres and would affect two children, both the children of Mr. and Mrs. Schmidt. The transfer includes both privately owned property and state lands. Equalized valuation of the private property would total

Board Erases Easement, Grants Variance With Ideal Land Co.

DAWN MARTIN SPENDS MONTH IN GERMANY

On Thursday Mr. and Mrs. Marvin Martin and son George went to Chicago to O'Hare Field to pick up their daughter Dawn, who spent a month in Bitburg, Germany, visiting a friend, Lt. Col. Karl N. Schaberl, M. D.

While there Miss Martin visited many areas of the country and also traveled to Austria, Switzerland, Belgium and Luxembourg.

22nd Annual Kiwanis Turkey Shoot Sunday

The Kiwanis Club of Kewaskum will sponsor its 22nd Annual Turkey Shoot on Sunday, Sept. 22, at the Barn Dude Ranch, six miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive.

Patterned after the historic turkey shoots which were so popular in frontier days, this fascinatingly interesting annual event has become an outstanding attraction. Thousands of men, women and children from all over the state attend as participants and spectators.

For a fee of \$1.50 for three shots, (three shots for a dollar on advance sale tickets), the marksman attempts to win a fine frozen turkey for his family's larder. Rifles and ammunition are furnished.

Trout Fishing Contests are another attraction. They offer fine sport for the pro and amateur alike. The angler keeps the fish he catches.

Trap shooting contests are conducted throughout the day. Sportsmen desiring to enter these events may bring their own shotguns and ammunition. An archery target range and marksmanship contests have been added. In addition, there are games for every member of the family to enjoy. Shelter, hot and cold food and beverages will be available.

By Ruth Held

In an adjourned session Monday night, the Village Board approved motions that approved execution of a quit claim deed that erases an easement for a drainage ditch and granted a variance on a maintenance guarantee, both with Ideal Land Co., in their subdivision at the west village limits.

The easement held for drainage purposes is no longer needed because the subdividers straightened out the ditch. Edgewood Road will be located on either side of the ditch.

The variance on the maintenance guarantee was granted after it was found that it was not possible for Ideal Land Co. to obtain a three-year maintenance bond on the underground utilities, as is called for in the village subdividing and platting ordinance. William Ruth, Sr., one of the subdividers, told the board on previous occasions that no bonding company will issue that type of bond for a three-year period.

The variance calls for a one-year deposit, held in escrow, based upon 20 percent of the total cost of the underground installations which comes to about \$9,600.

Following adoption of these two motions, a third was passed accepting the agreement between Ideal Land Co. and the village.

Miller's Furniture's request that a light standard be moved from ahead of their new addition was granted with Miller's paying for costs involved. The standard may be moved northward to the nearest lot line.

Arnold Stommel was granted a building permit to equip a kitchen in the basement of his home at 1415 Roseland Drive for the purpose of baking cakes. The board approved a restricted permit last week after no objections were voiced at a public hearing on the matter.

A building permit was approved for Leroy Zipperer of West Bend to build a two-unit, side by side, apartment on the corner of Bel-Ric Dr. and Lindy Lane in Bel-Ric Acres.

Public Works Superintendent Armin Oppermann was authorized to attend the American Waterworks Institute at Wausau. In executive session, the board met with Richard Knoebel, bargaining agent for the local Police Association regarding its 1975 contract. It is up for renewal as the first year's contract nears an end. No agreement was reached.

HOME AND SCHOOL ASSOCIATION TO MEET

The Holy Trinity Home and School Association will hold their first meeting of the year on Tuesday, Sept. 24, at 8:00 in the church hall.

en and Tom Gundrum were appointed to a Board Committee to evaluate the Middle School house plan. Richard Theusch will serve as alternate on this committee. The Board committee will work with teachers and administrators in the evaluation.

Approval was given to have six children transported by Lomira busses to parochial schools in the Lomira area.

A request to allow Gail Muckerheide to complete her senior year in Kewaskum was approved. Her parents left the district late last spring. The Board has the option of allowing a student to complete the senior year even though the parents no longer reside in the district. Since Gail will have enough credits to graduate at mid-year if she wishes, the Board declared her a senior as of the end of first semester last year, and directed that a senior status for attendance policy be drawn up to define purposes.

The Board expressed its congratulations to the Kewaskum team participating in the Channel 6 "WHO KNOWS" competition for their first win and also sent best wishes for continued success.

A building report was given. The air handling unit for Farmington has arrived, and with a few other minor items to be completed, will allow for occupancy of the Farm-

ington addition. This could be ready within a week or two. The Middle School is progressing well. A good deal of carpeting has been laid, ceiling grid work is about completed, and final walls are nearing completion. One problem has arisen in the placement of a water storage tank. This will be reviewed again by the building committee.

Jr. Woman's Club Promotes Wonderful Wisconsin Week

Wonderful Wisconsin Week is Sept. 15-21. The Kewaskum Junior Woman's Club invites all area citizens to help pay tribute to this great state. Be proud—Wisconsin, we like it here! Sunday, Sept. 15, started

the week as Heritage Day. The Kewaskum Juniors have a display at the Valley Bank all week which encourages residents to use Wisconsin products which are all part of our heritage. Recipes are being given out to all who are interested—stop in for new ideas.

Young Wisconsin Day on Monday found the Education Committee taking displays and posters to our local schools depicting "unusual antidotes" in Wisconsin history. We must promote interest in Wisconsin to our youth.

An appreciation luncheon was planned on Tuesday, Public Service Day, for village employees at the municipal building. The Juniors feel many times our public servants are taken for granted, so this was a time to say "thank you." Letters of ap-

preciation are also being sent to all service organizations in the community, thanking them for their work.

Two women shared the spotlight on Wednesday, Wisconsin Woman's Day. Mrs. Gregor Nigh (Anna) is a businesswoman very interested in Kewaskum and particularly in Kewaskum Frozen Foods which she and her husband own. Jacki Gruss is a ceramicist and has her ceramic shop in Kewaskum—our own resident artist.

Thursday, Wisconsin at Work Day, will find the Juniors particularly mindful of Regal Ware, Inc. A tour is being planned to better acquaint members with one industry that has so greatly contributed to the growth of the community.

On Friday, Community Commitment Day, the Kewaskum Club will again commit itself to a continuing

Kewaskum Statesman Friday, September 20, 1974

and growing interest in conservation: River Edge Nature Center at Newburg has much to offer area residents as to the importance of good conservation practices and more appreciation of the world of nature around us. Club members will tour River Edge and bring home valuable knowledge for use in conservation practices.

What better way is there to wind up a week than by Hospitality Day—Saturday, Sept. 21. The Kewaskum Club feels it is a privilege to have AFS student Gudrun Gonsterer from Vienna, Austria in our community. To further promote Wonderful Wisconsin, the club will sponsor a ten minute phone call for Miss Gansterer to call home to Austria at a date and time of her choice.

'Big Green' Overpowers JFK Prep, 27-6, for Second Win

The Kewaskum Indians romped to their second non-conference win here Friday night in their home opener when they bombed JFK Prep of St. Nazianz, a new opponent, 27-6. It was the first defeat for the Moors, who had previously beaten Campbellsport, 19-0, and Kohler, 12-7.

The tricky JFK Prep team, with their razzle dazzle offense and "flea flicker" plays had the Indians fooled at times as well as the large crowd of spectators who wondered occasionally who had the ball as their multi offense put a lot of pressure on the Indians. The Moors came here with a small squad of only about 15 players, most of whom had to go on both offense and defense. Kewaskum, with their big squad, had them outmanned and simply overpowered them. JFK's only score came in the last quarter.

JFK's Paul Brockert took the 68-yard kickoff and they started off by moving the ball 62 yards downfield to the Kewaskum 14 yard line. A long pass was completed when the Indian defender, Mike Strigenz, fell but Randy Koepke finally made the tackle. After wasting three plays, the Moors fumbled the ball for a gain to the Indians' 8-yard line but it was not enough for a first down.

Kewaskum took over and moved the ball 92 yards for the first touchdown. Scott Koth took the ball in from JFK's 1-yard line and Mike Koepke kicked the extra point.

JFK took over again only to have the ball intercepted by Koth. Just two plays later Randy Koepke carried the ball 20 yards for Kewaskum's second score. Mike K. kicked another point.

Leading 14-0 at the half, the Indians scored twice more in the third period. Koth ran 84 yards for two touchdowns, one 52 yards and the other 32. M. Koepke kicked twice for the extra points but had one blocked. Koth carried the ball 21 times for 221 yards and scored 3 TD's for the second straight week.

Trailing 27-0, JFK finally got on the board with a TD in the last quarter, in which the "Big Green" was held scoreless. The Moors' 2 point try for conversion failed.

JFK's strong point was their tricky offense but Kewaskum presented both a powerful offense and defense. Indian Coach Joe Harlow said he was impressed with JFK's multi offense. Kewaskum outruled the Moors, 311 yards to 59.

At one point, Kewaskum's Tom Timblin sacked the quarterback nine yards behind the line of scrimmage and he also recovered a fumble. Kewaskum made a strong showing and played well as a whole except for numerous penalties.

In other non-conference contests involving Scenic Moraine teams Germantown trounced West Bend East of the Little Ten, 24-9 (the Warhawks also beat West Bend West the week before, 21-6), Hartland was outlasted by Hartford of the Little Ten, 40-34, Slinger was licked by St. Francis, 23-0, Pewaukee edged St. John's Military, 13-12, Mayville trounced Horicon, 28-6, and Grafton also trimmed West Bend

West, 16-0.

This Friday the teams begin playing for keeps as conference play opens. Kewaskum will host the Slinger Owls at 7:30 p. m. Friday, which is also Parents Night. Slinger has a 1-1 record in non-conference action, beating Horicon, 12-7, and losing to St. Francis, 23-0.
