## 4 Squad Cars, 2 Others Hit, 15 Police Units in on High Speed Chase

A 26-year-old West Bend man, William Peters, R. 1, was being held in jail by Ozaukee County authorities Saturday following a high speed chase that involved at least 15 police squad cars in three counties, several accidents, the running of several road blocks and numerous traffic violations.

Four squad cars were hit and damaged in the chase, including one Campbellsport squad car which was hit twice. A Kewaskum squad car and an Ozaukee County sheriff's car were also hit, as were two private vehicles in Grafton.

The incident began about 1:25 a. m. Saturday when a Kewaskum police officer attempted to stop the vehicle that carried stolen plates. The chase continued into the Village of Campbellsport where a road block had been set up by Campbellsport police and Fond du Lac county traffic police on County Trk. V.

However, the auto being chased went up onto lawns and struck the Campbellsport squad car as it came back on County Trunk V. Three squad cars then pursued the vehicle up to speeds of 95 miles per hour back toward Kewaskum.

The Campbellsport squad

car attempted twice to cut the vehicle off but was struck again. Another squad was struck in Kewaskum and the case continued in Washington County where a road block was set up at County Trunk A and Indian Lore Road.

The vehicle pursued drove into a farm yard where a passenger got out and ran. The auto was driven onto the lawn and around the road block and striking the Kewaskum squad car.

At that point one shot was fired at the vehicle by Officer John Dobyns of the Fond du Lac County Traffic Police. The vehicle was now pursued into Ozaukee County where another road block was passed and an attempt to force the vehicle off the road in Waubeka failed.

The attempt to force the vehicle off the road resulted in extensive damage to an Ozaukee County squad car. The chase continued through Fredonia, Saukville and into Grafton where the vehicle being chased hit a car-traveling on the road and involved in a head-on collision with a parked car at Hwys. 60 and 57, which disabled the car and stopped it, ending the chase. There were no injuries.

## Hank Rosenheimers Return From Lake, River Cruise on New Yacht, 'Sea Sharp'

Mr. and Mrs. Henry Rosenheimer recently returned from a lake and river trip on their new trawler, the "Sea Sharp."

The yacht is now berthed on Lake Guntersville, Alabama, the southernmost part of the Tennessee River in the Appalachian Mountains.

The route included down Lake Michigan from Sturgeon Bay to Chicago, the Des Plaines and Illinois river to the Mississippi above St. Louis, from Cairo, Ill. they traveled the Ohio to Paducah, Kentucky, where the Tennessee originates on beautiful Kentucky Lake, which is 100 miles long. They report southern hospitality to be really great

The christening of the power cruiser in the Gladstone, Mich. harbor last June was the fulfillment of a dream for Henry "Hank" Rosenheimer. About 50 friends and relatives from Kewaskum, other parts of Wisconsin, and Delta County, Mich. attended the Rosenheimers christening party and luncheon at the Gladstone Yacht Club.

The idea of building his own boat and going down the Mississippi originally came to Rosenheimer when he was in New Orleans as a young man of 18. Now he has done it.

The 45 ft. cruiser weighs about 25 tons and is powered by two English Perkins die-

sel engines. It is all steel construction with the interior trimmed in teak wood. The exterior has very little wood trim. It holds 500 gallons of diesel fuel, enough for a 1,000 mile cruising range.

Plans for the extended vessel originated in the Rosenheimers' basement in Kewaskum. They drew the actual, full-scale plan on the floor and later transferred to paper. Last fall they brought it to T. D. Vinette Shipbuilders of Escanaba, Mich.

The Rosenheimers had known Vinette for about 12 years and they had seen various boats he had built around Lake Michigan. They decided long ago that when they did get around to building their

own they wanted Vinette to do the job.

Rosenheimer searched all over the Eastern United States for a ship design that they really liked. They finally settled on the basic design now incorporated into the Sea Sharp and began the negotiations which have now been followed by construction, launching and christening.

For two weeks prior to the official launch, Rosenheimer said he had been Vinette's constant companion, "supervising, advising, criticizing and discussing" last minute details. "If I wasn't a dyed-in-the-wool boater," Rosenheimer said, "I wouldn't spend this kind of money."

The cruiser is built for four people and is a self-contained home. It has adequate sleeping quarters for eight people.

Rosenheimer has been boating all of his life and prefers sailing to cruising but his wife of 39 years "likes an even keel," so they compromised. At one time Hank said his wife was afraid of the water and "now she loves it as much or more than I do."

A music teacher, Mrs. Rosenheimer practically had the boat built around a two manual Conn organ. Her influence also becomes obvious in the naming of the "Sea Sharp" and the "B Flat," as they call the power dinghy carried on the boat.

Custom built for the Rosenheimers, the vessel includes guest quarters, a rear state room, dinette and galley, a living room and two heads. "You'll never see another one like it," Rosenheimer said.

Because of an old back injury, Rosenheimer has an all-electric system on the cruiser that includes an electric winch, take-in line and anchor, short and long range ra-

Kewaskum Statesman

dar and everything needed for safe cruising.

Hank is the third generation owner and operator, together with his cousin Lehman Rosenheimer, of a general department store that includes a food store, feed mill and elevator in Kewaskum, which this week is celebrating its 100th anniversary. Because he is still connected with the store, the Rosenheimers will cruise only several months out of the year, otherwise they would cruise "full-time."

In the future they plan on traveling the Chicago Waterway, Gulf Coast, Florida, East Coast, Hudson River, Lake Champlain, Barge Canal and below the freeze line to Guntersville, Tenn.

## School Board Discusses North Central Evaluation Procedures

North Central evaluation procedures were an item of discussion at the Board of Education meeting held Monday evening, Oct. 14. Wayne Remmel and Jan Hubbell of the Long Range Planning Committee and Clark Pearson, High School Principal, were present to report on a recent meeting of the Planning Committee and the high school faculty steering committee.

It was reported that committees are formed and the faculty members have begun some work. Committees in the various areas will all include faculty, citizen and student members. There are 22 committees, one for each curricular area, plus committees on philosophy and objectives, school and community, curriculum, student activities, school facilities, school staff and administration, guidance services, and educational media services. The basic evaluation instrument to be used is the North Central Evaluative Criteria. Parts of an alternate form will be used where appropriate.

Steve Mann, School Social Worker, also attended the meeting and discussed the role of a school social worker. As time permits at future meetings, other staff members will be invited to discuss their program areas.

A budget report was scheduled, but no final action can be taken since equalized valuations have not yet been received from the state.

A brief building report was made. Classes are now being held in the new Farmington addition, and a target date of Nov. 11, has been set for holding the first classes in the new middle school. When the middle school is occupied the district will leave the split shift program which is now in its third year.

Approval was given to purchase new band instruments and a spotlight for the dramatics department. The new band instruments will run approximately \$4,700, and the new spotlight \$700. Also authorized was the purchase of an audiometer to do hearing testing.

It was agreed to install a milk and a fruit drink machine at the high school on a trial basis.

The denial by the Agency School Committees of a petition to transfer some 350 acres of property from the Campbellsport school district has been appealed. The hearing on the appeal has been set for Nov. 12 in Madison.

Open House will be held in all schools on Tuesday and Wednesday, Oct. 29 and 30. Parents are invited to visit schools and classes on those days.

Parent-teacher conferences will be held the evening of Nov. 4 in all schools, and also on the afternoon of Oct. 28 in the elementary schools.

The Board adjourned to executive session to discuss a personnel question.

## First in Dairy Judging

First place honors in dairy cattle judging were won by a Kewaskum High School junior at the World Dairy Expo in Madison recently.

Recipient of a large trophy for his efforts was Todd Garbisch, son of Mr. and Mrs. Charles Garbisch of rural Kewaskum. Todd competed

with Roy Peterson and Steven Proeber as a team representing the Kewaskum chapter. Todd has been active in the FFA the past three years and is presently serving as sentinel. The local team was assisted by Roy Esser and Paul Redig, FFA advisors.

## HOMECOMING 1974

Kewaskum's Homecoming — "Out Behind the Barn" — has again arrived! Friday night the Kewaskum Indians will be facing the Grafton Blackhawks in their 1974 Homecoming game. Both teams are really tough, so it should be an exciting night. Kick-off time for the big game is 7:30 p. m. with a halftime show of the Kewaskum High School Marching Band.

The parade will begin at 6:15 p. m. from the high school parking lot. They then travel down Third St., taking a right turn on Parkview Dr. Then they will make another right to go down Main St. Taking another right on Fond du Lac Ave. they will travel down to Second St., up Reigle Drive and end up at the football field.

Activities will continue Saturday night with the Homecoming dance featuring "Shotgun" from 8:30 p. m. to 11:30 p. m. in the high school gym. Grand march will begin at 10 p. m. Couple tickets are \$3.00 and single tickets are \$2.00. Tickets will be on sale at the door.

For Homecoming week activities include:

Monday: Hats Off to

Homecoming Day — Everyone wore hats (of all kinds) to school.

Tuesday: Buttons and Bows Day — All students wore buttons of different sorts and bows (from bow ties to ribbons in the hair). This day was the kick-off day for the buying of buttons that said, "Green Is Mean." When the kids bought the buttons, they had the choice of putting their name in a kitty or not. By putting their name in the kitty, they were eligible to win the football used in the Homecoming game that was autographed by the entire football team.

Wednesday: Farmer Day — It was just like being "Out Behind the Barn," everyone was dressed up like a bunch of farmers.

Thursday: Senior Spirit Day — This was the day where all the seniors showed off their spirit by doing everything from soups to peas! Also there was hall decorations for the underclassmen. At 7 p. m. there will be skits galore presented in the gym at school where all classes, clubs and cheerleaders will present some sort of skit to the crowd at-

tending. King and Queen will be announced after a snake dance through the town.

Friday: School Colors Day — here will be a lot of green, gold and white going around school on Friday. Football players in their jerseys, cheerleaders in their uni-

### KHS BAND TAKES PART IN UW-WHITEWATER HOMECOMING, BAND DAY

Thirty-four Wisconsin and northern Illinois school bands and more than 2,500 musicians took part in the 1974 University of Wisconsin-Whitewater Homecoming and Band Day Saturday.

The young musicians marched in the 9 a. m. Homecoming parade, played pregame and halftime concerts in Warhawk Stadium conducted by Jack Seidler, University Marching Band Director, and viewed the game between UW-Whitewater and UW-River Falls which began at 1:30 p. m.

The visiting school groups and their directors, who took part in the parade and gametime band activities, included the Kewaskum High School band, Larry Ammel director.

forms and the student body sporting their favorite three colors.

This year as always, the Homecoming class honors some graduating class. Well, this year we are honoring the football team of 1966 (Mr. Harlow's first team). We will show them a good time "Out Behind the Barn."

## Trick or Treat Night Oct. 30

Trick or Treat night in the Village of Kewaskum will be Wednesday, Oct. 30, from 6:00 p. m. until 8:00 p. m. Parents are reminded to check their child's field of

vision from masks, make sure some article of light colored clothing is worn, and report any suspicious treats or activity to the Kewaskum Police Department immediately by calling 626-2323. Children should be aware of the Auxiliary Police Officers who will be on the street that night and if they encounter any problem to contact these officers.

Parents are also reminded NOT to follow their children in autos because the excitement of the night may cause some of the children to forget their safe street crossing habits and dart out into the street.

With everyone's co-operation we can make this an enjoyable evening for our children.

**HOME INSULATION**  
WE'LL BLOW COMFORT RIGHT INTO YOUR HOME

**Economical, Efficient Home Insulation**  
Pal-O-Pak insulation is the answer to years of searching for a blow-in type of insulation light in weight, efficient and easy and economical to apply. Because Pal-O-Pak is feather light, it can be blown into every nook and cranny with our special blower-type applicator machine.

**100% Trouble-Free Insulation**  
In filling side-walls or open spaces under attic floors, Pal-O-Pak is not stopped by obstructions such as nails, plaster keys, conduit, blocking and bridging. This assures you of positive 100% insulation. With Pal-O-Pak you get a full job... no voids... and because Pal-O-Pak is feather-light, it won't settle, or cause ceiling sag or wall bulges which crack plaster.

**Installed By The Most Efficient Methods—**  
Year round comfort is added to your home with a slash in fuel bills when you insulate with Pal-O-Pak. With less fuel you can keep all your rooms at the desired temperature even in the coldest weather. Drafts and chilly corners are eliminated. In the hot summer weather your home is 10 to 12 degrees cooler.

Pal-O-Pak Insulation spread between the joists under an attic floor.

**FIRE RESISTANT!**  
PAL-O-PAK PASSES THE BLOW TORCH TEST  
Pal-O-Pak is chemically treated to permanently resist fire. This important fire resistant quality, as well as Pal-O-Pak's great insulating property is dramatically demonstrated by the "Blow Torch" test. Even after five grueling minutes under the hot flame of the torch, the surface of a small pile of Pal-O-Pak is only charred and the center of the material is cool to the touch.

## Indians Give Germantown Scare But Are Nosed Out, 6-0, in Snow

Kewaskum gave unbeaten Germantown one heckuva ball game and came close to upsetting them in their important contest here Friday night before going down by a 6-0 score. It was the Warhawks' 16th victory in a row over 2 seasons.

An inch of snow covered the field prior to the game and even a fire department fogger failed to remove much of the snow at game time. The snow and wet field slowed down both teams.

Germantown is now alone in first place with a 5-0 mark. Grafton passed up Kewaskum and Mayville with a surprise 28-6 win over Mayville for a 4-1 record and second place. Kewaskum and Mayville dropped into a tie for 3rd with 3-2. Hartland also moved up with a 40-20 victory over Slinger.

It was the 2nd tough loss in a row for the Indians, who were edged by one point, 15-14, at Mayville the week before.

Strong defensive efforts by both Kewaskum and Germantown, a power on defense, also held the score down. The only score of the game came in the 2nd quarter on a 37 yard run by Chris Canter, the conference's leading scorer, after the Indians had been forced to punt from near their own end zone. Germantown had earlier been stopped at the Kewaskum 12 after Scott Koth had fumbled a quick kick attempt for the Indians on their 21 yard line. Kewaskum couldn't move the ball, however, after stopping the Warhawk threat and the subsequent punt near the Indians' goal line set the stage for Canter's decisive run. The extra point kick was blocked by Don Gruber.

Kewaskum's only real scoring threat came with 5 minutes left in the game and gave them a good chance to pull out a victory. The Indians drove to the Germantown 12 yard line for a first and 10. On first down they ran for 5 more yards, making it 2nd and 5 on the Warhawks 7. Then, rather than stay on the ground, they chose to throw 3 straight passes, all of which were incomplete against a strong Germantown pass defense bunched up near the goal line. Germantown took over but was forced to punt. However, they stopped the Indians on the next series of downs and this enabled them to run out the clock.

Kurt Kreuter was the top ground gainer for Germantown with 121 yards on 23 carries, followed by Canter with 97 yards on 19 carries. The Warhawks gained 237

total yards, all of them rushing, while Kewaskum had 50 yards rushing and 71 passing for a total of 121. The Warhawks gained all of their 1st downs rushing and threw only 2 passes all night, both incomplete.

This Friday night the Indians play their 3rd game in a row against a tough opponent when they host Grafton in their homecoming game. As mentioned, Grafton is now in 2nd place with 4-1. Other games are Pewaukee at Slinger, Kettle Moraine at Mayville and Hartland at Germantown.

## Hon-E-Kor Is Unbeaten Flag Football Champ

Hon-E-Kor became the undefeated champions of the Kewaskum Recreation Department Flag Football League as it shut out the Amerahn 13-0. Mike Doherty led Hon-E-Kor to its victory, as he's done all year, with a touchdown run and a scoring pass to Charlie Rondorf. Wes & Rosie's won over J & K Construction by forfeit to tie the Amerahn for second place.

Final league statistics reveal the most prolific point scorer to be Fran Charland of Wes & Rosie's who caught eight touchdown passes. In addition to this fine offensive performance Charland also anchored the defense from his middle linebacker position. Wes & Rosie's Jim Westphal was the league's leading passer with 12 scoring passes. Hon-E-Kor's Mike Doherty and Bob Faehling each scored six times. Faehling used amazing quickness to score on punt and interception returns and runs from scrimmage. Doherty, the Hon-E-Kor quarterback, threw for 9 TD's besides crossing the goal line six times on runs. Hon-E-Kor's Charlie Rondorf and Wes & Rosie's Jim Heisdorf each caught four scoring passes.
