NUMBER 5

95th Birthday Celebrated by Mrs. Fred Klein

Mrs. Fred (Ida) Klein was pleasantly surprised on Dec. 31 when many members of the St. Lucas Ladies' Aid, of which she is a charter member, paid her a visit at the home of her daughter, Mrs. Reuben Schultz, who is also an aid member and made the necessary arrangements for the get-together.

The afternoon was spent in reminiscing and in playing bingo. A light luncheon was served after which the guests departed and wished Mrs. Klein many more days of continued health and happiness. She was the recipient of many beautiful cards, gifts, flowers and telephone calls.

On Sunday, Jan. 19, an

open house was again held in her honor at the home of her son-in-law and daughter, Mr. and Mrs. Reuben Schultz. She was able to attend church with her entire family which includes Mr. and Mrs. Schultz, Mr. and Mrs. Lloyd Keller, Mr. and Mrs. Richard Schultz and great-grandchildren, Timmy and Tricia Schultz, Mr. and Mrs. Fred Klein, Mr. and Mrs. Jerome Klein and great-grandchildren, Dinita and Jamie Klein, and Mr. and Mrs. Richard Kuehl. The prayer given by Rev. Paul Hoenecke was very much appreciated by the entire family.

In the afternoon she was again very pleasantly sur-

prised by many more of her close relatives and friends who came from Illinois, Minnesota and different points in Wisconsin. The afternoon was spent in playing cards and listening to the music of Concertina Eddie and his son Danny on the drums. A cafeteria style supper was served to the guests, after which some departed and others stayed on.

Mrs. Klein was the recipient of many beautiful floral arrangements and plants, gifts, money, cards and telephone well wishes. She wishes to thank each and everyone for coming to help make her 95th birthday such a joyous one.

Plan Heart Month In Town Wayne

The Township of Wayne will join more than 1,800 other Wisconsin cities, villages and townships on Saturday, Feb. 1, when Wisconsin Heart Association's 1975 Heart Fund officially opens, announced Mrs. James Gutjar, R. 3, Campbellsport, who heads the fund-raising drive here.

"Despite substantial progress in the last 10 years, heart disease continues to be Wisconsin's number one killer, claiming more lives than all other causes combined," Mrs. Gutjahr said. "Approximately one in every six adults has some elevation of blood pressure, which is the leading cause of heart disease and stroke.

But hypertension (high blood pressure) can be easily detected and controlled. Contributions from past campaigns have helped medical researchers come closer to pinpointing the causes and finding possible cures for heart and blood vessel disease, the local chairman explained. Heart Fund donations also help support public and professional education, and community service programs, such as high blood pressure screening and emergency resuscitation training.

"But much more needs to be done," Mrs. Gutjahr added. "The 1975 Heart Fund in the Town of Wayne will continue to help scientists search for the answers to these community health problems. These gifts will also help increase direct educational and service programs by our Wisconsin Heart Association," she noted.

Mrs. Gutjahr is an active member of the Kewaskum Jr. Woman's Club, being membership chairman. Mary and her husband James reside in the town of Wayne, along with their son Kevin.

SKIS STOLEN

A rash of ski thefts have been reported to the Washington County Sheriff's Department recently, including a \$250 pair and a \$245 pair from Sunburst, Kewaskum.

Mrs. Bruckert Village Heart Fund Chairman

Did you know that 57% of the deaths in Wisconsin are caused by heart and circulatory disease? Did you also know that Wisconsin holds the highest death rate caused by heart disease than any other state, and that 56% of the deaths in Washington County alone are caused by heart disease?

February is here again and with it comes the annual Heart Fund Campaign for Kewaskum. Mrs. Robert Bruckert will be chairman of the drive and would appreciate anyone who would like to volunteer their services to help make this campaign a success. She announced that this year's goal is to exceed last year's contributions of \$807.74.

Heart Fund volunteers will help in the circulation of house to house collection envelopes in their own or nearby areas. It is hoped that the canvassing will be completed by the end of February.

Please carefully consider the amount of your donations and help to encourage others to give more to help fight heart disease in Wisconsin. Help to fight the Big One!

The Kewaskum Juniors celebrated their 8th birthday at this meeting. We had as our guests members of the Kewaskum Woman's Club who helped our organization get started in 1977. Other guests included Mrs. Norman Held, who was president of the Woman's Club in 1967; Mrs. L. N. Peterson, who helped organize the Kewaskum Juniors, and Mrs. Charles Miller, present president of the Kewaskum Woman's Club. Kewaskum Capers

By Stan and Barb

Hello friends!

Hope you all had a good and happy week.

We would like to start off this week by telling you of a story of honesty.

Recently Chris Flasch, Irene Zimmer and Kathy Wonda took a trip to Florida for a little vacation. After having much fun at such places like Busch Gardens, Disneyland, West Palm Beach, etc., they headed back for good old Wisconsin. Well, right around Louisville, Kentucky, Miss Flasch lost her camera bag, including camera and wallet. But low and behold, as luck would have it, a minister from Indiana found the whole works and returned the whole shooting match, money and all. Kinda makes a fellow believe in the human race after all.

Mrs. Bernadette Falk is enjoying a nice vacation down in Lakeland, Florida and basking in the sun. Brrrrr, some of these cold mornings we have make me wish I could be there myself. Oh, well, maybe someday. But for now, I, as most of us, am stuck here trying to make ends meet. And with the economy like it is now, I sometimes feel like a frog on a freeway with a busted hopper. Neither one of us is getting too far.

I read in a book today that the best way to keep a skunk from smelling is to hold his nose shut.

As the cow said while walking backwards: oom-oom!

Being as this Friday is the last day for small game hunting in Wisconsin, most of us will be putting our guns away for the season. Just a friendly reminder guys, please make double sure Old Betsy is unloaded. Remember, it's always the unloaded gun that kills.

Which reminds me of an incident that happened to me one day this year. My friend Pete and I were having breakfast one morning before heading out to the woods. We were just killing time when Pete said, "Hey, I'll bet you a rabbit if I throw a piece of buttered toast up in the air, it will land on the table buttered side up." Wellllll, now, I'm not a gambling man but this was too good to pass up. "You're on," I said. So the toast was buttered and thrown into the air by Pete. Well, it landed with the buttered side down. "I won," shouted I, "you owe me one rabbit." "Yes, you won," said Pete, "but only because I made a mistake." "What mistake," says I? "I buttered the wrong side," says he.

Bye now

Would you offer your home as a meeting place for six Tuesday mornings Feb. 11, 18, 25, Mar. 4, 11, & 18; 9 - 10:30 or Sunday evenings Feb. 9, 16, 23, Mar. 2, 9, 16; 9 - 9:30 p. m. Or would you participate in the study adventure? Call the Mrs. Robert Kroncke home 626-2075 or office 626-2280.

It is our hope that we can have several groups meeting in the Kewaskum community. Invite your neighbors and friends to participate. All of us have everything to gain and nothing to lose. Ecumenicity begins with each of us individually. Will you participate?

FIRST FLOOR PLAN SCALE 1/4" = 1'-0"

OPEN HOUSE — An open house was held Sunday from 1-4 p. m. in the new Kewaskum Middle School at 1676 Reigle Drive. At the same time an open house was also held at the addition to the Kewaskum Elementary School at 1550 Reigle Drive. No occupancy dates have been set for the new high school addition, the last of the building projects to be completed.

Shown above is a sketch of the interior of the well-planned, beautiful middle school which also includes a gymnasium. The high school addition when completed will in-

clude another new gym, making a total of four in the Kewaskum schools. The middle school has a total building area of 47,900 square feet and is designed for an enrollment of 325-350 students. Total construction cost is \$825,000.00.

The entire building program in the Kewaskum District includes three elementary school additions of approximately 7,000 square feet each; a high school gymnasium and shop addition of approximately 31,500 square feet and the middle school of

approximately 48,000 square feet. All construction is to remain within the limits of the \$1,600,000.00 bond issue.

The photo at the left shows the entire structure of the new middle school. Note the lack of snow on the ground for January, which has been exceptionally mild with very little snow and above normal temperatures.

Indians Win Two; Beat Mayville, 56-44, Rout Germantown, 82-56

On a double action weekend the Kewaskum Indians won two big games to take a firmer grip on 4th place with a 5-3 record and remain in title contention as Grafton lost its first game. Friday at Mayville the Indians broke a 3-year jinx with a 56-44 win and the next night at home Kewaskum routed Germantown in an offensive show by a surprising 82-56 margin.

The Indians finally shook stubborn Mayville in the 2nd half after leading only 28-24 at the intermission. Big Don Gruber led Kewaskum with 18 points and 10 rebounds. Both teams hit 50 per cent of their shots, with the Indians making 26 of 52 and Mayville 17 of 34. Joe Hespriich kept the Cardinals in the game in the 1st half when he scored 12 of his 18 points. Sophomore center Mark Gindt pulled down 13 rebounds for Mayville.

Even though Mayville entered the game with a 1-5 record the score was tied 4 times in the 1st quarter and the lead changed hands several times. Mike Koepke had 4 baskets for the winners in the 1st period. Kewaskum switched to a zone defense in the 2nd half and this slowed down Mayville. With some steady shooting, the Indians outscored the Cardinals, 14-10, in both the 3rd and 4th quarters and went ahead to stay and win by a margin of 12 points.

In other games Friday Grafton easily beat Kettle Moraine, 64-46, for its 7th straight, Germantown edged Slinger, 63-61, and Hartland defeated Pewaukee.

In the game with Germantown here Saturday night, Kewaskum shot a blistering 56 per cent (38 of 67) to whip the Warhawks, 82-56, in impressive fashion. After leading only 14-12 at the quarter, Kewaskum outscored Germantown and built up big margins in the last 3 periods. Coach Jim Westphal was able to rest his starters and use the juniors who will form next year's team in much of the game. At one point in the 2nd quarter the Indians reeled off 9 straight points to go in front 31-20. In the 3rd quarter the Indians went on another binge of 12 straight points and it was all over. The Warhawks were cold as they hit on only 24 of 70 shots for 34 per cent.

Mike Koepke paced Kewaskum with 16 points, 7 rebounds and a couple blocked shots in one of his best games. Gruber was next with 14 to give him 32 points for the weekend. Reserve Jack Kern did a bangup job in the 4th period with 11 points and 7 rebounds. Randy Koepke chipped in 10 points, Tom Timblin 9 and junior Tom Edwards 8. Another junior, Tom Rohlinger, played well defensively. Germantown's freshman center, Dale Hall, had 14 points and junior Tom Olson tied him with the same number. It was a long night for the

Warhawks' veterans Brian Krueger and Chris Cantor, who were held to a combined total of 14 points after scoring 21 and 18 the night before against Slinger. The Indians dominated the boards 37-20.

In other Saturday contests, Grafton was handed its first setback by Hartland, 63-51, Kettle Moraine nosed out Mayville, 52-49, and Slinger bested Pewaukee, 85-59. It figures Kewaskum must have been very cold in losing recently to Kettle Moraine, which got beat badly by Grafton Friday and barely edged Mayville Saturday.

This Friday the Indians travel to Pewaukee to take on the winless Pirates.
