Bank Officers Promoted

Gerald H. Zimmel

Lorraine F. Wulff

Wayland D. Tessar, President of Valley Bank, Kewaskum, announced the election of Gerald H. Zimmel as Vice President and Cashier, also Lorraine F. Wulff as Allenton Branch Manager.

Zimmel, a Kewaskum-West Bend area native, has been with the bank for 13 years. He has been cashier since 1972.

Mrs. Wulff, an Allenton native, has worked at Valley Bank's Allenton Branch since 1965. She has been active in a number of community organizations and has attended various schools and training sessions since joining the bank in 1965.

Hilary C. Martin, the former manager of the Allenton

Branch, has moved to the main office in Kewaskum where he will be a loan officer.

Valley Bank is an affiliate of Valley Bancorporation, a registered bank holding company.

MISS BROWNE GUEST AT CLASS REUNION

Miss Margaret Browne, Harvard, Ill., former commercial teacher in the K.H.S. school system for over 25 years, was honored guest of the class of 1950 at their reunion held at the Wigwam Saturday evening. Ernest Mitchell, an advisor at KHS, was speaker.

Indians in First State Tournament

For the first time ever, the 1975 Kewaskum Indians reached the state WIAA summer baseball tournament.

Kewaskum advanced to state by defeating Lomira, Flyway Conference champions, 2-0, on a no-hitter by pitcher Scott Koth, and Campbellsport, 5-0, in the Regional Tournament held in Kewaskum, and by crushing Dodgegeland, 24-0, on Koth's perfect second consecutive no-hitter and edging West Bend West, 2-1, in the Sectional Tournament at West Bend. Unfortunately the In-

dians lost their first state tournament game to Scenic Moraine co-champion Hartland Arrowhead at West Bend Tuesday afternoon, 6-3, to end further tourney competition.

The Indians were without their cleanup batter and star outfielder, Mike Koepke, in the Sectional and State Tournaments. He had to leave for the Air Force Academy Prep School where he received a football scholarship.

Eight senior starters from this year's fine team will be lost through graduation.

Members of the team shown above are as follows:

Kneeling, left to right—Jeff Jaeger, Jeff Panzer, Gary Hanson, Mike Strigenz, John Kleinman, Dave Menzel.

Standing—Coach Jim Westphal, Mike Koepke, Jim Bilgo, Mike Rinzel, Randy Koepke, Scott Koth, Tom Timblin, Don Grüber, Tom Rohlinger, Leon Laatsch.

Fire Destroys Large Barn On Neuman Farm Sunday

Pictures on page 4

Fire destroyed a large barn on the Roger Neuman farm, one mile west of Kewaskum on County Trunk H Sunday afternoon. The blaze also damaged the lower story, an adjoining new milking parlor on the south end of the barn and a milk house on the north end.

The Kewaskum fire department was called out at 2:40 p. m. The barn was totally involved in fire when they arrived. The fire started in the vicinity of a hay dryer and a neighbor heard what sounded like an explosion, according to acting fire chief Augie Bilgo, Jr. Most equipment and all livestock, including some 40 calves, were saved. The barn was approximately 40 by 140 feet long. About 250 tons of hay was lost but no estimate could be given of the total loss.

The Kewaskum department had 37 men and all their equipment at the scene, including two tank trucks to haul water from the village. Mutual aid calls were placed with the Kohlsville and Campbellsport departments. Kohlsville had two tank trucks and 25 men present. Campbellsport also supplied a tank truck and a number of firemen. A local milk hauler, Glenway Backhaus, also

had a tanker truck present. The six tankers couldn't haul water fast enough for a time.

The firemen were on the scene until 12:30 a. m. Monday, a period of almost 10 hours. Lunch and refreshments were served them while they worked in hot weather. Approximately 45 tank loads or 90,000 gallons of water were hauled from the hydrant at the fire house with sirens screaming.

Mr. and Mrs. Neuman were away on a weekend up north but Roger's father, Walter Neuman, who had just sold the farming operation to his son, was home. He spotted smoke and called in the report. A neighbor, William Volm, also saw smoke and fire from his home across the street. The barn foundation and portions of the first floor were all that remained.

About 70 firemen from the three departments fought the blaze. Kohlsville was called immediately. It is not known whether the fire might have started from spontaneous combustion. Smoke could be seen for miles and curiosity seekers hampered the operation until Kewaskum police and sheriff's deputies blocked off the roads leading to the scene. The house was not touched.

The heat from the fire and

weather took its toll on several Kewaskum firemen. A new member, Ken Bonlender, was overcome and treated on the scene. Ron Amerling suffered minor burns on his leg. One other fireman had a small cut on his forehead when he scampered from the milk house when part of the roof caved in, and others had to lie down for short periods of rest.

BOARD OF EDUCATION WILL MEET MONDAY

The Kewaskum Board of Education will hold its regular meeting Monday, Aug. 11, at 8 p. m. in the administrative offices.

Agenda items will include a building report and approval of a contract for Wendy Wallner as teacher of business education. The bids opened at the last meeting for milk and fuel oil will be reviewed and acted upon.

The board will review policy recommendations, including new lunch policies and prices. A discussion will be held for possible action on smoking rules at the high school. Action will be taken in non-teaching salaries. Miscellaneous items which arise will also be considered.

Benefit Dance Appreciation Expressed; Sally (Tyda) Gartzke Fund Still Open

We all know that words rightly spoken are like apples of gold framed in silver . . . priceless, to be stored in memory's dim recesses and enjoyed again and again . . . particularly when a day seems difficult and trying.

So, when a Thank You is expressed in the face and words of Sally (Tyda) Gartzke, it needs to be shared with those who have shown their interest and concern by supporting, in any way, the benefit dance for Sally on July 25.

The committee had hoped enough money would be raised to at least cover the cost of Sally's artificial limb which will cost between \$1,300 and \$1,400. Total raised so far is \$805. At least \$500 to \$600 more is still needed. Holding faith in the people of Kewaskum and other areas, the fund for Sally will be held open at Valley Bank of Kewaskum. Sally touched so many lives through her work with Cub Scouts, Girl Scouts and the Washington Co. Hot Line; please touch her life in return with a donation. Any amount would be gratefully appreciated.

Family Reunion Day August 10

The eighth annual observance of Family Reunion Day will be held Aug. 10 by thousands of families throughout Canada and the United States. The observance, which recognizes the family as the cornerstone of society, will be celebrated with family get-togethers, picnics, outings, and patriotic events. The observance is supported by scores of service and fraternal organizations, as well as veterans, youth and religious groups.

Family Reunion Day was originated by Kiwanis International and the Freedoms Foundation at Valley Forge.

Some of the activities suggested for families on Aug. 10 include: family dinners; picnics or outings with children,

grandchildren, aunts, uncles, and cousins; exchange of the family's new addresses, births, anniversaries, deaths or other family news; development of a genealogical project for youngsters; family worship in the manner of their choice; and phone calling family members in other parts of the state or country.

CONSUMER REPORT:

We hear much today about excess profits in the food business. Like most things, when it's done at the expense of the customer . . . it's wrong!

The Home-Owned Super Market in the Food Industry rarely makes more than one per cent net profit annually. This amounts to ten cents on a ten dollar order. We don't believe that's excess profits . . . and we doubt any other business can make that statement Honestly!!

Re-Appraisal Proposed at Board Meeting

By Karen Schmidt
The Kewaskum Village Board met in regular session with all board members present on Aug. 4.

An explanation of Resolution 75-13 to purchase the Clarinda Schmidt property for construction of a new fire station was given. Payment will be \$1,000.00 annually off the principle at 5% interest.

Donald Mlodzik appeared to inquire as to adjustment of sewer charge as discussed at the previous meeting. It was explained that if there was to be an adjustment, it wouldn't be until the year was in and that the village has to create rates according to EPA regulations. Rates are based on volume, BOD and suspended solids.

Motion was made to approve a building permit for a one family residence for Wilbur Ratzburg in Roseland Hills Subdivision, addition No. 2 built by Hetzel Builders.

At the July 21 meeting, Dan Schmidt proposed a re-appraisal for the village due to growth of economy and population. At that time, Village Clerk William Martin was to check the cost of the last re-appraisal and the year it was done. The last complete re-appraisal was done by Doane Appraisal Company in 1967 for \$6,600.00. It was explained that the reason they had the low bid in 1967 was due to the fact they had done previous appraising work for the village and used previous work cards. If a new firm had received the bid the cost would have been higher as they would complete their own work cards. During the discussion, it was brought up that a new appraisal cannot be accomplished until it is provided for in the budget and it cannot be in the budget until bids are received so the amount is known to put in the budget. William Martin stated that permission has to be requested from the state to do an appraisal and the state will recommend appraising firms that comply with state regulations. The clerk was advised to proceed with contacting the state authorities.

Trustee Roger Strack in-

quired as to advertising for bids on the dredging for the pool so when the test boring results are received there would be no delay in waiting for bids. It was explained that the final specifications were not ready, but by the Aug. 18 meeting, the test samples and specifications should be ready. It was decided the board would meet at 7:30 p. m. to go to the park for an on-site inspection before the regular meeting.

Trustee Schmidt referred to the July 21 minutes in the previous discussion of low hanging trees. He referred to Ordinance 15-28 which requires the property owner to maintain trees 8 feet above sidewalk and 12 feet above the street. A notice will be placed in the paper to notify property owners to trim trees and if not done the village will have the trees trimmed and bill the property owner.

Dan Schmidt appeared as a representative of the Kewaskum Historical Society to request the village to have their attorney draft a lease between the society and the village for the old village gagage (which the village has stated the society could

Kewaskum Statesman
Friday, August 8, 1975

use as a museum). This lease would be for \$1.00 per year for ten years with an additional two ten-year options with the lease commencing Sept. 1, 1975. The Historical Society would carry insurance to cover the entire contents of the building with the village carrying insurance to cover the structure. The village attorney will draw up the lease.

The board discussed the problem of property owners raking leaves, grass, etc. into the street where it eventually ends up in the sewer. A notice had been posted in the paper with no effect; another notice is a possibility.

Indians Nip West Bend West for Sectional Title

After winning the Regional title here the week before and clobbering Dodgeand in the first game of the Sectional at West Bend last Tuesday night, the Kewaskum Indians went on to edge West Bend West there Friday night in a 2-1 thriller, to cop the Sectional crown and advance to the state tournament this week.

It was a rematch between ace pitchers Scott Koth of the Indians and John Jazak of West, who faced each other in an early season non-conference game. The first time in a tight duel Jazak was the winner as West eked out a 1-0 win. This time out it was Koth's turn in a 2-1 big one. Koth allowed just 3 hits, struck out and walked 4. Jazak gave up 4 hits, fanned 8 and walked 2.

The Indians, who were the "home team," drew first blood in the 2nd inning. Shortstop Steve Leverenz could not handle a slow roller off the bat of Tom Rohlinger. Mike Rinzel bunted and Jazak threw to 2nd trying to get the force. However, his throw was ruled late and both runners were safe. Leon Laatsch squared to bunt, the ball ticked his bat and catcher Bob Meyer caught it, making the ball playable. Rohlinger was trapped off 2nd and Meyer fired to Leverenz, who began to run down Rohlinger toward 3rd. He then threw to Randy Weaver at third, but it sailed by him into the dugout, allowing Rohlinger to score.

The Spartans tied it up in the 4th on a single by Jazak and an RBI double by Jack Mayer.

Kewaskum scored the winning run in the 4th. Rinzel led off with a single and Laatsch followed with a long double to right. Right fielder Mayer's throw to the plate bounded away from catcher Meyer and Rinzel attempted to score. Pitcher Jazak, who was backing up the play, fielded the ball and threw to the plate. Rinzel was called out on a close call. Laatsch going to 3rd. Don Gruber hit a roller which Jazak fielded and threw to 1st. His throw was wide and Gruber was ruled safe, allowing Laatsch to score the winning run.

West had chances to score in the 5th and 7th innings but Koth worked his way out of it. The Kewaskum infield successfully handled 14 chances on grounders in good support of Koth. Laatsch's error in the 7th was the Indians' 1st of the tournament. Rinzel did a fine defensive job behind the plate and got 2 hits. Coach Jim Westohal was a happy man as he handed out the individual medals to his players. A crowd estimated at 1,000 persons attended the championship game.

The two teams had split 2 games during the regular season.

TEAM GIVEN SENDOFF; GAME IS BROADCAST

Kewaskum gave its team a royal sendoff to the state tournament Tuesday afternoon. The police squad car and fire engine with sirens sounding escorted the team bus out of town. A large banner on the sides of the team bus read "Go Indians." The Kewaskum-Hartland game was broadcast over station WBKV, West Bend.

Hart Lake edged Gale-Ettrick-Trempeleau, 1-0, on a one-hitter and in the 2nd tilt at 9:00 Brown Deer eliminated Ashland, 7-1. The 4 winners advanced to the semifinals Wednesday.

The Indians got off to a quick start and it appeared they were off and running with 3 runs in the 1st inning. All 3 scored on a bases loaded double by Mike Rinzel to the 335 foot mark near the left field foul line. On base at the time were Mike Strigenz, Randy Koepke and Tom Rohlinger. Strigenz struck out but when the catcher dropped the ball he was safe on 1st. Koepke reached on an error and Rohlinger walked. Then came Rinzel's

blast but it was the only hit Kewaskum was to get off Hartland pitcher Tom Robertson, who got 2 hits of his own as did Stapleton and Barwick. Robertson struck out 9 and walked 5. Kewaskum's Scott Koth was pounded for 9 hits but he fanned 7 and walked only 1.

Hartland came right back with 3 runs in their half of the 1st to tie it up after 2 were out on a walk, a hard hit ball which bounced off Koth, who then threw wild to 1st, a single and another single which got past Don Gruber in right field.

Kewaskum had men on 2nd and 3rd in the fourth on walks but there was no more scoring until the 6th when Hartland pushed over 3 more runs to ice the game. Stapleton doubled and Barwick singled but no one scored thanks to a perfect throw from Tom Timblin in right. But Robertson doubled to win his own game and another single scored Robertson's pinch runner.

Rinzel was about the only Indian who hit the ball solidly in Robertson's one-hitter although Randy Koepke hit a long fly ball held back by the wind. Koepke played an outstanding game at shortstop. Kewaskum ended the season with a 13-10 mark.

Barton, Grafton Shade Kewaskum

Roger Liebetrau broke up a tight 1-0 game with a line shot double over the center-fielder's head in the 8th inn-

ing last Wednesday night to drive in 2 runs and give Barton a 2-1 win over Kewaskum there. Tom Theusch had shutout Barton on only 2 hits until the 8th. Then Dan Kempf singled, Bob Nehrbaas sacrificed Dan to second, an error putting Bob on first. Both runners advanced on a wild pitch and Liebetrau followed with his winning blow. Don Geidel picked up the win in relief of Walt Thoresen, while Theusch was the loser. Perry Koth led Kewaskum's 4-hit attack with a double and single. This was a Tri-County Nite League contest.
