Kewaskum Schools, Buses Vandalized

The Kewaskum Elementary, Middle and High Schools were entered Sunday night and the vandals left such a mess that school had to be called off Monday at the elementary school to get the place cleaned up.

School Supt. Floyd Bren-

holt reported that only about \$3.00 appeared to be missing from the middle school. Since other things were not taken he believed the break-in appeared to be of a purely destructive nature.

Police Chief Donald Hlavaty didn't believe the vandal-

ism was the work of kids. A drive shaft weighing about 50 pounds was found in front of the safe in the high school office and Hlavaty said the safe may have been what the intruders were after but something must have scared them away. He said finger-

prints were found at one of the schools but there were no signs of forced entry at any of the buildings.

Brenholt said it took most of the day to clean the elementary school out but school reopened Tuesday. The dam-

Scholarship Fund Grows Over \$6,000

Over 600 grateful people of Kewaskum and surrounding area paid special tribute to Dr. Richard G. Edwards at a Recognition Convocation held Sunday afternoon at the new local high school gymnasium, honoring him for his many contributions to the community and surrounding area.

Dr. Edwards, who still practices full time from an office in his home, came to Kewaskum Feb. 6, 1932, after

Dr. Edwards stated that he will have a thank you writeup in the Statesman as soon as possible to show his appreciation to everyone.

completing his internship at Minneapolis General Hospital. He celebrated his 70th birthday on Sept. 1.

Although it is difficult to measure Dr. Edwards' full impact on the community, one statistic stands out. He has delivered over 3,400 babies, which is nearly twice the present population of the village.

He has always been very active in promoting the Kewaskum Kiwanis Club's turkey shoots. This now famous annual fall fund-raising event has made over \$100,000 for various community projects, including \$77,000 for the purchase of the Kiwanis Community Park site.

At the Sunday ceremonies,

a special scholarship fund was established to serve as a living testament to the many years of faithful and outstanding service provided by Dr. Edwards. Called the Dr. R. G. Edwards Health Care Scholarship Program, this fund will provide scholarships for Kewaskum area high school graduates to pursue any one of the expanding health care careers. Over \$6,000 was raised from personal, business and civic contributions, according to initial estimates, with more expected to come in. Contributions can still be made to: The Kewaskum Kiwanis Foundation, Dr. R. G. Edwards Scholarship Fund, P. O. Box 67, Kewaskum, Wis. 53040.

The program highlighted the many milestones in Dr. Edwards' 43 year medical and civic career, including

Annual Turkey Shoot Sunday

The Kiwanis Club of Kewaskum will sponsor its 23rd Annual Turkey Shoot on Sunday, Sept. 14, at the Bar-N Dude Ranch, six miles northeast of Kewaskum on County Trunk GGG, the Kettle Moraine Drive.

This annual event has become an outstanding attraction. Thousands of men, women and children from all over the state attend as participants and spectators.

For a fee of \$1.50 for three shots, (three shots for a dollar on advance sale tickets) the marksman attempts to win a fine frozen turkey. There are special lines for ladies and children. Rifles and ammunition are furnished.

Trout Fishing Contests are another attraction. The angler keeps the fish he catches. In addition, there is a grand prize for the person catching the largest fish.

Trap shooting contests are conducted throughout the day. Sportsmen desiring to enter these events may bring their own shotguns and ammunition. There is also an archery target range as well as other marksmanship contests. There are games for every member of the family to enjoy. Shelter, brats, hamburgers and hot and cold beverages will be available.

Barn Destroyed

A large barn on the John Felten farm on Mill Road near New Fane was destroyed by fire late Wednesday afternoon. Kewaskum firemen were called out at 4:20 p. m. and were still at the scene when we were getting ready for the press at 8:30 p. m.

age was discovered by janitors coming into the buildings between 6:30 and 6:45 a. m.

Windows in both the middle school and high school offices were broken. A calculator in the middle school office was thrown against the wall and smashed to pieces, Brenholt said. Fire extinguishers were emptied on the floors and walls. Most of the mess was vacuumed up in the middle school and some students helped dust off the walls before school opened.

Most of the middle and high school students were already on the buses at the time the vandalism was discovered, so they continued to school. Some elementary students had already been picked up on their bus routes but were taken back home. Others were informed through the West Bend radio station that there was no school.

In addition to vandalism at the local schools, there were reports of bus vandalism at the Johnson Bus Co. terminal in Kewaskum.

According to Erv Gorecki, director of the Kewaskum busing, three persons were apprehended at 3 a. m. Monday following incidents of gas siphoning, thefts and vandalism. Speakers in buses were ruined and two-way radios, fire extinguishers and axes were removed from some buses.

In recent years the company has lost several of the two-way radios, valued at \$500 each, and there has been siphoning of hundreds of gallons of gasoline, Gorecki said.

He also reported that the terminal office was entered and a roll of stamps stolen during the weekend incident.

CONSUMER REPORT:

Can we really compare prices! This is almost impossible. A very careful shopper is doing well if he or she can correctly compare 100 to 200 items. There are approximately 8 to 10 thousand items in a good supermarket. The practice of selling some items at a lower price by some merchants may be called "Merchandising," but the difference is made up by charging higher prices on other items.

It is important that there is honesty and confidence between customer and food merchant. The future of the business is at stake.

appearances by the first baby he delivered, Mrs. Lorraine Marquardt, and one of the families where he has delivered baby girls to three generations. They are the daughter of Mr. and Mrs. Arthur Meyer, Mrs. Earl (Marie) Heider, her daughter Jeanne (Mrs. Robert Schairer) and her daughter Michelle. Dr. Edwards' first patient, Mrs. Robert (Bernice Bunkelman) Scannell, was also introduced.

Master of ceremonies at the program was Bert W. Preis. Other participants included the Rev. Gerhard Kaniess, Dr. Raymond Fisher, Dr. William Neilson, Chief of Staff, St. Joseph's Community Hospital, Father Jerome B. Ziegler, Chaplain, St. Joseph's Community Hospital, E. E. "Pat" Miller, James D. Reigle and Marvin Martin, Kiwanis District Lt. Governor.

Special citations were presented to Dr. Edwards from the Surgeon General of the United States and St. Joseph's Hospital in West Bend, where he was a former Chief of Staff from 1949 - 52. Dr. Edwards also was presented with the Kiwanis Distinguished Service Award plaque presented by Marvin Martin of the Kiwanis Club of Kewaskum. This presentation marks only the second time the local club has presented the award in 28 years.

Other citations included: Proclamation of Dr. Edwards Day by the Village Board and a nice engraved plaque delivered by Charles Miller, President; large and very beautiful plaque presented by the Lions Club of Kewaskum by President Dr. H. Rumsey; Appreciation Award from the Kewaskum Junior Woman's Club nicely framed; St. Lucas Lutheran Church special letter of praise signed by entire church board; Kewaskum Chamber of Commerce engraved plaque presented by President Mark Rodenkirch; Kewaskum Fire Dept. officers and members special letter of commendation and praise; State Medical Society of Wisconsin special appreciation letter of praise; Letter "K" for honorary membership into Class of 1923 by "Pat" Miller; appreciation engraved plaque from Kewaskum Jaycees presented by G. Buchel. Dr. Edwards also received many cards and letters of congratulations.

For many years "Doc" also administered free athletic physical examinations for the local schools. Since 1938, he has served as Health Officer for the Village of Kewaskum, and until 1965 was the Town of Kewaskum Health Officer as well. In addition, "Doc" has been active in both the county and district medical societies for many years.

A record of more than four decades of dedicated service, combined with a rare sense

of humanitarianism, has made Dr. Edwards a respected institution to the people of Kewaskum and surrounding area. This Recognition Convocation Sunday was an organized effort to honor this outstanding record of service and accomplishment and the man who made it all possible—Dr. Richard G. Edwards.

Dr. Edwards was born in Sargeant, Nebr. Sept. 1, 1905, the son of a Congregational minister. After graduating from Cresbard, So. Dak. High School, he attended the University of Minnesota where he graduated from Medical School in May, 1931. He completed his internship at Minneapolis General Hospital in January, 1932, and passed his State of Wisconsin Medical Board Examination the same month. On Feb. 6, 1932, he started his general practice here in Kewaskum as a fully credited Doctor of Medicine, Surgery and Obstetrics.

Dr. and Mrs. Edwards have six children, Annabelle (Alan) Tessar, Richard (Arlette) Edwards and William (Violet) Edwards, all of Kewaskum; Ruth (Eldon) Ramthun of R. 2, Campbellsport; Gwen (Jules) Dreher of Kenosha, and Patricia (Dr. Joseph) Darin of Brookfield. They also have 26 grandchildren, 13 girls and 13 boys.

Together with the hundreds of persons from this area who attended the event were Dr. Edwards' sister, Mrs. Leah Greenwood of Springfield, S. D., two classmates from the University of Minnesota, Dr. and Mrs. George Ruggles of Forest Lake, Minn. In addition to many other relatives from Randolph, Fond du Lac and Milwaukee, telephone calls came from Illinois and California.

The Edwards' day started with a special service at St. Lucas Lutheran Church in the morning, followed by a dinner at the Wigwam, the program at the high school, and ended with a gathering at the Edwards home.

Dr. and Mrs. Edwards and the Kiwanis Club are very grateful to all the organizations and the public for the wonderful response to the Dr. R. G. Edwards Scholarship Program.

BUILDING NEEDED—In May, 1975, the Jr. Woman's Club of Kewaskum started a resource recovery program (recycling center). They took over the glass collection the Peace Church had been doing and added cans and aluminum. After growing too large for a family garage they relocated in the village garage. They allocated assistance from area business, concerned citizens and village personnel. They constructed hand-made glass crushers and for three hours every third Saturday leave home and family to help recycle garbage. They have given the people in Kewaskum the choice of recycling.

Now they need a building, a garage, a barn or whatever to keep the project going; the village garage will no longer be available.

They also would like to know if the people of the area wish them to continue. Please let your village or township hear from you.

Here's an excerpt from a poem: "I am the universe and

the skies and seas and clouds and flesh and blood, all are my element and element of me. You are because I am and if I am not you are not. I am dirt, I am soil. I am EARTH."

26 Participate In Bicentennial Reading Program

Twenty-six young readers participated in a Bicentennial Reading program this summer, reading books concerned with America's history. In cooperation with Kewaskum's librarians, Mrs. Borchert and Mrs. Teeselink, a list of suitable books was compiled, and the youngsters commented, in writing, on their selections.

Champion reader for the first summer's effort was Donna Hlavaty, 9, a fourth grader at Kewaskum Elementary School. Donna's sister Dawn, 11, a sixth grader, read the second largest number of books. Both are daughters of Chief of Police and Mrs. Don Hlavaty, Kewaskum. Donna and Dawn read 28 and 23 books, respectively.

The third most avid reader was Tammy Liepert, 8, daughter of Mr. and Mrs. Elton Liepert, Route 2, Kewaskum, a third grader at Holy Trinity School. Tammy read 20 Bicentennial books.

Awards will be made to the girls at a future Woman's Club meeting. The committee thanks all the youngsters who participated, and hopes that even more will be interested in the second summer's reading program in 1976.

Jubilarians are, from left, Father Ambrose, Sister Angelica, Fr. Jan Simon, a nephew, and Sister Ambrose.

Triple silver jubilee

CAMPBELLSPORT — Summer is the time for family reunions.

But a gathering of the Simon family took on a greater significance this year as three members celebrated silver jubilees in religious life.

Fr. Ambrose Simon, O.F.M. Cap., travelled from his parish in Nicaragua to join Sister Angelica, C.S.A., and Sister Ambrose, C.S.A., in the recent observance.

A concelebrated Mass at nearby St. Kilian church was followed by the reunion on the parish grounds of relatives of the late Frank and Margaret Simon. Fr. Jan Simon, S.D.S., of Washington, D.C., a nephew of the jubilarians, was homilist at the Mass.

Father Ambrose attended St. Lawrence seminary, Mount Calvary, made his Capuchin profession in 1943 and was ordained in 1950.

He was sent as a missionary to Nicaragua in 1951 and has served in several locations in that country. He also taught at the seminary/high school in Bluefields, Nicaragua, for eight years. He will return to his present post at Puerto Cabezas in September.

Sister Angelica entered the Congregation of St. Agnes in 1948 and professed her vows in 1950. She has served as a homemaker in Sheboygan, Kewaskum and at the motherhouse in Fond du Lac, and as a practical nurse at the motherhouse, Nazareth Heights retirement home and in Monroe.

Sister Ambrose attended St. Mary springs high school,

Fond du Lac, and entered the Congregation of St. Agnes in 1946. After making her profession, she served as upper elementary teacher in Pennsylvania and Indiana, Two Rivers, Fond du Lac and at her present location, St. Mary, Lomira.

Joining the rest of her family at the reunion was another sister, Sister Thecla, C.S.A., who is a librarian serving in Yonkers, N.Y.

Cancer Drive Exceeds Goal; \$20,209 Raised

Washington County's Cancer Crusade has once again surpassed its goal, according to Art Lastofka, county crusade chairman.

Final figures released this week showed \$20,209 raised, which represents 103 per cent of the crusade's 1975 goal of \$19,600.

Residential receipts totaled \$10,100; special gifts, \$5,338; memorials, \$1,387; and special events, \$849. The county-wide "buckboard"

campaign yielded \$2,535.

Proceeds from the county crusade go to the American Cancer Society, Wisconsin Division with 40 per cent going directly to the national unit for cancer research. The remaining 60 per cent is used to support cancer research progress in both Wisconsin and Washington County.

The county's portion is in part returned in the form of literature, films and materials to support the society's public education programs. A portion is also used to support Washington County service programs, including free cancer dressings, loan closet equipment, rehabilitation programs, patient transportation and information services for cancer victims.

Chairman Lastofka thanked all volunteers who helped to make this year's drive a success.

He gave special thanks to Klimer, Boegel and the Washington County Tavern League for their support in this year's successful "Buckboard" campaign.

He also thanked George Gehl, special events chairman; John Smithers, special gifts chairman; Don Lieuen, special gifts, Hartford; Jack Killeen, special gifts, Slinger,

and Mrs. Derry Wagner, memorial gifts chairman.

Lastofka also recognized Ron Carson, The West Bend Company, plus the West Bend News, Hartford Times Press, Kewaskum Statesman, and radio stations WBKV, WYLO and WTKM for their help with publicity. Appreciation was also expressed to the many block workers who participated and The Gehl Company for the use of its facilities and time.

Residential chairmen for this year's Crusade included Bob Guse, Audrey Mayer, John Bandy, Eunice Eggert, Dave Dondlinger, R. H. E. Smith, Norbert Thelen, Francis Braun and Minerva O-

Members of the Kewaskum Sno-Chiefs and their families held their annual picnic in the village park Sunday afternoon.

Christ M. Keller, 75, of 47 Cottage Ave., Fond du Lac, died early Monday, Sept. 8, at St. Agnes Hospital in that city. He was the father of Mrs. Harvey Brodzeller of Kewaskum. The funeral was held in Fond du Lac Wednesday.

Girl Scout Roundup

There will be a meeting Tuesday, Sept. 16, at 7:00 p. m. at the Kewaskum Savings & Loan basement (rear entrance) for all Girl Scouts (and at least one parent) who will be going into, or who are presently in Juniors (grades 4, 5 and 6) and Cadetts (grades 7 and 8) to assign troops and review coming year's plans. It is very important a parent be present.

Every year there are more girls interested in joining Scouts. At present we do not have enough leaders to accommodate those girls presently registered. Leaders are needed at Brownie, Junior and Cadett levels. Unless we get some volunteers, we will have some disappointed girls. Any one interested in helping in any capacity, please plan to attend this meeting.

Slips have been distributed to girls eligible for Brownies so this age group need not attend this meeting.

New Park, Fire Station, Curb and Gutter, Reassessment Occupy Board

By Mark Smucker

Representatives of Arthur and Arthur Associates of Fond du Lac appeared before the Kewaskum Village Board Monday evening to present sketches for the proposed Kewaskum Kiwanis Park. There will be parking for 242 cars just inside the park entrance, a pool measuring 1.2 acres, with the deepest part at the north end and 50 feet of beach in places.

Bids should be advertised on Sept. 26 and Oct. 3 for excavating and spreading crushed stone. The bids will be opened after Oct. 10, so that work can begin on the pool. Other items on the plan included a baseball diamond and a softball diamond, both facing northeast, three tennis courts, a basketball court, and four horseshoe pits.

A resolution to institute possible reassessment in the village was passed by a 4-3 vote, with President Charles Miller, Trustees Greg and David Nigh voting no, and trustees Schmidt, Yoost, Herriges and Strack voting yes. Last year alone, the village's equalized valuation increased \$522,300, although it lost \$121,000 in personal property, for an increase of about \$402,000. Trustee Greg Nigh estimated the cost at "around \$10,000."

Representatives of Tesch and Tesch, Architects of Fond du Lac, showed their latest sketches for the proposed fire station. The building will measure 160 feet long and between 70 and 94 feet wide. It will have a capacity of 190 people, and will cost about \$195,000, not including architect's fees and a

possible longer driveway, depending on where the building is located on the lot.

A public hearing was held on the laying of curb and gutter in Ideal subdivision, all property on Forest Avenue between Hillside and Edgewood Drive, between Forest Drive and the south limits of Ideal Subdivision. No objections were raised to the project, with only a few questions by the members of the audience. Authorization to levy the cost of the project against the property owners in that area was given by the passage of resolution 75-15 by a 7-0 vote.

Building permits were granted to Robert Sparks for a one family residence at 460 Knights Avenue, and Robert Kirt for a one family residence at 705 Moraine Court. Carolyn Struebing was issued a bartender's license, and Officer Richard Knoebel was authorized to attend a training session for juvenile problems from Oct. 8 to Oct. 10, to supplement a course previously taken.

COUNTY DEMOCRATS TO HEAR STATE CHAIRMAN

Washington Ave., at 8 p. m. Kohl was elected to the post of Party Chairman at the June state convention of Democrats.

There will be a reception for Kohl immediately following the meeting. Members and friends are welcome to attend this important meeting.

Jaycees Plan Fall Events

The Kewaskum Jaycees held their regular membership meeting at the Valley Bank Community Room on Monday, Sept. 8.

The Jaycees heard a program on the Washington County Shelter Care Home, presented by Kay Krall. The Shelter Care Home is a proposed home for juveniles in Washington County who do not need jail, but rather a place in a home-like atmosphere.

The Jaycees will hold their Fall Car Rally on Oct. 12. Ed

Weddig and Larry Watry will be co-chairmen of this event.

The Women's Softball Tournament was a great success. The proceeds from the event will be used to field the little league teams next year.

It was decided to enter the West Bend Jaycees softball tournament. Wayne Riekoff was appointed chairman.

Dave Rohlinger will head up the Jaycee Golf-o-rama to be held on Saturday, Sept. 27.

The next meeting will be held on Monday, Oct. 13, at the Valley Bank Community room at 8:00 p. m. All young men between the ages of 18-35 are invited to attend.

Jr. Women Again Sponsor Block Parent Program

The Kewaskum Junior Woman's Club is again sponsoring the block parent program, which is designed to give refuge in case of emergency to any person in trouble. It is designed especially for grade schoolers on their way to and from school.

The block parents will display a bright green and white picture of "Chief Kewaskum" in their window. We are hoping that all block parents that have been part

of this program in the past, will again participate.

The club urges all parents to inform their children to seek shelter in case of injury, or if strangers approach, etc. at homes displaying "Chief Kewaskum."

Block parents are always needed where the safety of children is concerned and need to remember just two things. (1) Place sign in window facing street or sidewalk where easily seen by children, and (2) remove sign when no one is at home. If interested in participating in the program or if in need of a new sign, please contact Mrs. Gerald Stollenwerk at 626-4485.

Indians Edge Campbellsport In Double Overtime, 14-12

Kewaskum and Campbellsport battled to a scoreless tie at the end of regulation time in their non-conference game here Friday night and were forced into double overtime before the Indians pulled out a 14-12 victory as all the scoring took place in the overtime.

It was Kewaskum's first overtime played under the rule put into effect last year. Each team has four downs to score from the ten yard line. Both teams scored in the first overtime but failed on the extra point attempt. Each team again scored TD's in the second overtime but the Cougars failed on their extra point try, while Kewaskum made good on a two-pointer.

After no scoring in regulation time, there was plenty of fireworks in the overtimes. Campbellsport had the ball first. After losing five yards on the first play, Jim Immel passed 14 yards to Ray Feuerhammer to the one-yard line and Immel carried it over on the next play. John Floyd was stopped short on the run for extra points.

When the Indians took over they lost yardage on the first two plays. But then Jim Bilgo passed to Dennis Bremser for 13 yards to the seven-yard line and on the last try completed a seven-yard touchdown pass to Jack Kern. An attempt to kick the extra point was no good.

The Indians again put their defense on the field in the second overtime but the Cougars scored in a hurry as Larry Tesch ran it over on the first play. Immel was dropped at the two on the extra point attempt.

Then the Indians had four more chances to score and succeeded on the third try. Bilgo scored from the three, tying the score at 12-12. For the extra point Bilgo took the ball on a keeper and carried two Cougars with him just over the goal line for the winning points.

Despite losing two of their linebackers, Leon Laatsch and Tom Rohlinger, with injuries, it was a great defensive effort by both teams. Campbellsport came up with a surprisingly strong game and as a result Kewaskum didn't resemble the team that romped over North Fondy the week before, 40-12. They made mistakes, fumbling five times, throwing two interceptions, being penalized 45 yards, and just didn't execute.

The Indians missed two scoring opportunities in the first quarter, once when they fumbled on the Cougars' eight-yard line and once when a fourth down pass fell incomplete on the ten. With two seconds to go in the last quarter Kewaskum had the ball on Campbellsport's 24 but on a pass the ball rolled off Bremser's fingertips in the end zone. Late in the fourth quarter the Cougars also had a good opportunity to score. Immel passed to Randy Stoffel in the end zone but the receiver hit the goal post and bobbled the ball.

In other games involving Scenic Moraine teams, Slinger lost to Horicon in overtime, 19-13. Pewaukee routed Ozaukee, 27-0, Hartland blanked Waterford, 14-0. Germantown lost to West Bend East, 21-14, and Grafton was edged by Milwaukee

Messmer, 7-0.

This Saturday Kewaskum plays its final non-conference game against JFK Prep at St. Nazianz at 1:30.

Hon-E-Kor Opens Second Nine

Hon-E-Kor Country Club celebrated the opening of the new nine on Friday, Sept. 5. The date was selected as it was the 27th birthday of Jim "Jonesy" Korth, President of Hon-E-Kor. Jim, together with his wife Kris, daughter Kelly, and "Bud" and "Tudy" Korth all congregated on the No. 10 tee for the official cutting of the ribbon.

Approximately 50 members were on hand to watch Jim tee off the first ball, followed by his father "Bud." Although it was a rather rainy and dreary day, you could feel the excitement and pride of the Korth family and the members present that the long awaited day was at hand and the 18 holes

at Hon-E-Kor were now opened for business.

From all the comments made by returning golfers, the second nine certainly is a challenge to all golfers and "lost balls" seemed to be the topic of the day.

The top photo, from left, shows "Tudy," "Bud" and "Jonesy" in the ribbon cutting ceremony with little Kelly in front. The other picture shows "Jonesy" teeing off the first ball on the new No. 10 hole.

The second annual Washington County Amateur Tournament, a 36-hole medal event, will be held this weekend, Sept. 13 and 14, at Hon-E-Kor.

The Ladies Association of Hon-E-Kor Golf and Country Club closed their season on Sept. 10 with evening golf and dinner. Cards were drawn at 4:45 and tee off time was 5:00. Awards for the season followed dinner, and a short meeting was held before tables of cards began.

On Aug. 21 evening golf was also held. Low net was the day event. J. Gruber, E. Perkins and C. Wuebben were the winners. Prizes won for odd holes minus handicap went to E. Marx, M. Mitchell, F. Rohlinger, I. Thomas, E. Perkins and J. Gruber.

Bridge winners included P. Miller and M. Mitchell. Sheepshead winners were E. Coulter and S. Heisdorf.

A Best Ball contest was held on Aug. 27. The low of 33 went to J. Koch and M. Bauer. Next came another low of a pair of 34's belonging to D. Schaefer, B. O'Connor, M. Mitchell and E. Perkins.

E. Marx put one closest to the pin from off the green on nine for the day event. Bridge winners were E. Marx, J. Koch and P. Miller.

Ladder winners for the season were A. Bartelt and G. Backhaus.
