Grand Opening at Laubenstein's

Mr. and Mrs. Howard Laubenstein, owners of Laubenstein Lawn & Garden Mart, located just south of the village limits of Kewaskum, would like to invite you to a Grand Opening of their new facilities.

This will start on Wednesday evening, Oct. 15, and continue through Saturday, the 18th. You may register for the many door prizes which will be given away. The grand prize will be a 21" Toro push type mower.

On Wednesday evening Laubenstein's will be furnishing live music and beer (all free) to say "thank you" for your support over the past seven years.

The business was started in May of 1968, in the basement of the Laubenstein's present home. Ariens was the first contract they signed and also at this time they became an authorized service dealer for Briggs and Stratton and Tecumseh engines.

They soon outgrew the basement and added a 20 x 24' frame building.

In 1970 they contracted to become a John Deere consumer products dealer and have since added Lawn Boy, Toro, Snapper, Jacobson, Pioneer Chain Saws, Parker Sweepers, Disston Cordless Shears and Northrup King fertilizers, lawn and vegetable seeds.

Just recently Laubenstein's signed a contract to also sell and service the Homelite chain saws.

JOE SCHWINDS RETURN FROM TRIP TO GERMANY

Mr. and Mrs. Joseph Schwind, Kewaskum, returned home last Wednesday after spending three weeks with their son-in-law and daughter, Capt. and Mrs. Alan L. Berry in Wiesbaden, Germany. While there they visited many historical and interesting cities, such as Frankfurt, Nurnberg, Munich, Heidelberg, Mainz, Cologne and Worms.

They also took a four-day tour into Switzerland, traveling through the Black Forest and visited the cities of Zurich, Lucerne and Berne, the Capitol of Switzerland.

'Dolly' Comes To Kewaskum

"Hello, Dolly!" The longest running musical in the history of Broadway will be presented in the Kewaskum auditorium on Friday and Saturday, Nov. 7 and 8. Curtain time: 8:00 p. m. for both nights.

The production is a musical rendition of Thornton Wilder's exhilarating comedy, "The Matchmaker."

Mrs. Dolly Gallagher Levi, a disarming busybody widow, and matchmaker, undertakes to find a compatible second wife for a bereaved widower. The candidates are a young widowed millineress, Mrs. Malloy, and Ernestina Money. It turns out that the only satisfactory candidate she discovers is herself. Horace Vandegelder is the widower who allows himself to be mouse trapped into a second marriage — the cummudgeonly business man who loathed culture, spurned pleasure, and lived to grind his employees under heel. These employees are Cornelius Hackl, who is determined to go to New York, and not come home until he has kissed a girl, and Barnaby Tucker, who isn't in such a hurry to kiss a girl, but wants to see the stuffed whale.

Meanwhile, the story is a continuous tumult of shenanigans, which keep the audience in convulsive horse-laughs, with an obligate of Wilder's humane commentary on life. The costumes will evoke nostalgic memories of the high buttoned shoes era.

Lead roles in the production will be taken by Becky Brehm, David Ayer, Kevin Neese, Eric Schmidt, Jerry Butz, Kurt Zarling, Gay Olson, Connie Slegler, Joan Rosenberger, Anne Strancke, Bob Jung, Renee Slegler, and Julie LaFleur. Other members of the cast include David Bade, Monty Albers, Dale Garman, David Ayer, David Schoofs, Joe Swanson, Carol Asch, Jean Scannell, Pam Scannell, Robin Gust, Julie Jeske, Mary Kougl, Diane Brendemuhl, Hanna Berg, Suzette VanAssche, Carrie Swanson, and Vicki Key.

David Ayer and Tom Ryan are in charge of stage design and lights. The production is being directed by Clyde Brehm.

Tickets are available from cast members or at the high school office. Admission is \$2.25 for adults and \$1.75 for students.

AFGHAN HOUND SHOW HELD AT KEWASKUM

The Afghan Hound Club of Greater Milwaukee presented an American Kennel Club sanctioned "B" competition Saturday, Oct. 5, at Khadine's Kennels, Kewaskum.

Phil Norris of Palatine, Ill., a well-known breeder-handler, judged the regular classes and Miss Kim Radmann of Kewaskum judged junior showmanship classes.

Village Board Approves Survey Map of Lin-Dee Lane Property

By Mark Smucker

The Kewaskum Village Board voted approval to a certified survey map of property on the north side of Lin-Dee Lane at its regular bi-monthly meeting on Monday.

This survey showed the splitting of one lot into two smaller parcels for the purpose of constructing duplexes. A building permit was subsequently approved on the condition that it be signed by the local zoning administrator, and that one lateral be installed on each lot.

Discussion on re-evaluation of all village property in 1976 was tabled until the next meeting, since no motions were made. Some of the board members' opinions differed on the project, which has been estimated to cost about \$10,000. "What do we gain for \$10,000?" commented Charles Miller, village president, alluding to the fact that the reassessment will bring in no new revenue, only redistribute the tax burden more equally. Trustee Raynor Herriges felt similarly, but

Dan Schmidt felt that the board was justified in spending the money to equalize the tax burden.

Building permits were granted to Agatha Breit for remodeling, K and R Carpeting for the erection of a storage shed, and to Francis Schoofs of Riverview Drive for a garage addition.

Pay for substitute crossing guards was raised from \$8 to \$10 per day, since they do the same work as regular guards.

Village residents were reminded that it is their responsibility to trim overhanging tree branches to a height of 8 feet above sidewalks, and 12 feet above all streets. This was prompted by questions from several residents living on Roseland Drive who wondered whose responsibility the trimming belonged.

Commissioner Wm. Martin was granted permission to attend a League of Wisconsin Municipalities conference at Milwaukee on Oct. 29-31.

Jr. Women Plan

Beckman Named Coffee Orientation Fairmont Foods Plant Manager

Dale R. Beckman has been named plant manager in Kewaskum of Fairmont Food Co., effective Sept. 1.

He joined Fairmont in March, 1974, as ice cream supervisor at Moorhead, Minn. and has held that position until the present time. His previous background includes over 15 years experience in the food and dairy industries.

He has held production management positions with Gillette and Alamito Dairies, both of Nebraska, and has served as a sales and service representative with the International Paper and Bone-witz Chemical Companies.

Beckman received his B.S. degree in dairy manufacturing from the University of Nebraska at Lincoln.

He and his wife, Dorothy, will be living at 725 Meadowbrook Drive, West Bend.

SCHOOL BOARD MEETING TO HAVE LIGHT AGENDA

The regular meeting of the Kewaskum Board of Education will be held Monday, Oct. 13, at 8 p. m. in the administrative offices. A very light agenda will include consideration of budget changes, the board meeting schedule for October and payroll and vouchers payable. Lights for the parking lot will also be on the agenda. An executive session on negotiations and personnel questions will be held following the meeting.

With the rapid addition of various lines, they again were very cramped for space. Therefore in 1970 they built their first Morton building, which until now has served as their sales and service area.

The Laubenstein's soon realized they had again outgrown their facilities. At this time they considered a different location, second store, renting in Kewaskum or West Bend. However, after much thought and in seeking the advice of their suppliers, local businessmen and their customers, they decided to again expand their present facilities and parking area.

The new building, another 42 x 96 Morton building, shown at the rear of the above photo, is now completed and houses their service department and warehouse. The original 20x24 frame building has been moved to the back of the lot and is being used for the Laubenstein's personal storage. The existing 30 x 60 building is now their showroom and parts department.

Laubenstein's employ two fulltime employees, their son John and Tom Schoofs, also Tom's brother Jim works for them part time.

Howard stated, "Without the support of our many loyal customers, we would never have grown to this size. My wife and I would like to thank you for your support and we look forward to your continued support."

Railroad Buffs of Area to Present Special Program

What do the terms Pacific, Hudson, Northern, Mountain mean to you? Or how about 2-8-4 or 4-8-8-4? Do you think that's a safe combination or do you think about Berkshire and Big Boy? If you think the latter you are a railroad buff. To be a railroad buff you only need be interested in trains and railroads.

The terms refer to steam type locomotives, and that breed is hard to find these days, so you may have to build your own basement railroad and run Geeps or Alco Centurys on your layout beside the model steamers.

A railroad buff was once described as a person who stops at railroad crossings and waits for the train so he can watch it pass rather than one who beats it to the crossings and continues on his way.

Recently in West Bend under the stimulation of the city recreation department a railroad club was formed. It was named "Kettle Moraine Ballast Scorchers" by one of the young members. Oh, yes, young boys can belong to the club—even gals if they wish.

The club meets monthly at the recreation department (3rd Sunday night at 7:00 p. m.) or at the homes of members to view model layouts, talk about real trains, engines or models, see movies, and plan trips to operating steam lines.

This week the club is announcing a special interest program to which the public is invited.

George H. Williams, Jr., noted author and lecturer, will present a program inclu-

ding movies of live steam in action and an interesting discussion about trains and engines of all sizes and gauges.

As is the case with many a railroad author, George Williams' formative years were spent where the exhausts of steam locomotives and the wails of their whistles were familiar sounds, since he lived less than a half mile from two huge railroad yards in North Fond du Lac. At that time his father and grandfather were both locomotive engineers on the Chicago and Northwestern Railroad. While his great-grandfather had been at the throttle of the first engine to enter Neenah shortly after the Civil War. As a young man Williams went on runs with his Dad and came through West Bend on many a freight or passenger train.

Williams studied engineering at the University of Wisconsin and planned to do design work for some locomotive manufacturer, but because of health problems

Williams completed his education in Arizona. When it became evident that steam power was on its way out, George turned to the aircraft industry, so for eighteen years he was an engineer with the Boeing Company in Seattle, Washington. Now traveling about the country with his wife, Sue, Williams devotes his time to giving talks, showing movies and gathering more information about trains and the people who love them.

He also promotes his book "Life on a Locomotive," the story of Buddy Williams, C&NW engineer. The hero of his book, his father, is now enjoying his twentieth year of retirement in Arizona, after forty years on the high iron.

The program will be presented at the West Bend recreation department, 724 Elm St., at 7 p. m. on Sunday, Oct. 12. There will be no charge for admission, and the public is cordially invited to attend.

Fire Dept. Lists Tips for Fire Prevention Week

Oct. 5 to 11 is Fire Prevention Week. The Kewaskum Fire Department advises:

1. Check furnace and other heating devices now that the heating season is here.
2. Inspect furnace and stove pipes for defects, also chimney.
3. Check electrical appliances and cords for defects.
4. Plan fire escape routes with entire family.
5. Check your fire extinguishers to see if fully charged.
6. If you don't have one make an effort to purchase one. If you wish they can be purchased through your local fire department. It could save your home.
7. This is a good time to clean basements and storage areas to eliminate fire hazards.
8. Never store flammable liquids in house.
9. Never overload electrical circuits.

Indians Romp to Easy Victory Over Mayville, 39-8; Now 5-1

The Indians avenged a 14-13 heartbreaker at Mayville last year by trouncing the arch-rival Cardinals by a lopsided 39-8 score here Friday night. Kewaskum now is 5-1 overall and 2-1 in conference, good for a four-way tie for second place.

The Indians scored the first four times they had the ball. After kicking off to Mayville and forcing them to punt, Kewaskum took over on its own 43. They scored in seven plays as Dave Menzel took it over from the four.

On the next series the Indians held Mayville again and took over. Jim Bilgo hit tight end Jack Kern with a 70-yard scoring pass. Dennis Bremser converted on both touchdowns and again on one in the second half.

Mayville got a first down on the next series but then Tom Frank fumbled and Kewaskum's Gary Gavin recovered. The Indians drove to the Cardinal 11 and Bilgo scored on a keeper play to start the second quarter.

Another fumble was forced by Kewaskum's defense and this time Jack Westerman recovered. The offense went to work again and minutes later Bilgo scored his second TD from 14 yards out. This made it 26-0 at the half.

Mayville tried an inside kick to open the second half. The ball went the required 10 yards but was recovered by Kewaskum's Mark Herriges. Menzel took the ball the last 32 yards of a 50-yard drive. Menzel had another 77-yard touchdown called back because of holding. He had 81 yards on 16 carries to lead the winners.

Mayville fumbled once again on the next kickoff and Gary Bauer recovered this time on the Cardinals' 29. Ray Reindl got into the scoring act on this drive.

After Kewaskum had its 39 points salted away, Mayville finally scored with a 46-yard pass from Dan Vollmer to Bob Kenas.

Kewaskum had well over 400 yards for the second week in a row with 436 to the Cardinals' 201. Against Pewaukee the week before they had 449 yards. The Kewaskum defense forced five turnovers.

In other games undefeated Grafton took over first place with a 36-18 victory over Pewaukee (Kewaskum beat Pewaukee 47-12); Hartland won over previously unbeaten Kettle Moraine, 9-0, on three field goals by Rick Schramck, and Germantown downed Slinger, 28-6.

This Friday the Indians travel to Germantown to take on the defending champions, who were undefeated last year. Germantown, always tough, is also 2-1 and this should be a ding-dong battle.

Girl Special Guest At Indians Game

Renee Endlich

There was a special guest at Friday night's Kewaskum-Mayville football game. She was Renee Endlich, sister of Wayne Endlich, only a sophomore on Kewaskum's varsity team. Renee, 14, came to the game via Kewaskum rescue squad ambulance, and watched the game from the sidelines.

Renee is confined to her bed or a wheelchair since undergoing surgery at St. Joseph's Hospital in Milwaukee for a tumor in the spine area. She is recuperating at her home in Kohlsville, where she is also carrying on her studies as a high school freshman. The teachers have been sending the work home but soon an intercom will be set up between the school and her home. Renee has always liked sports and was very excited about seeing her brother play at his outside linebacker spot.
