Where Do the Dollars Go?

A typical American drives home from a French movie in his German car, lights his Italian pipe loaded with Norwegian tobacco and sits on his Danish furniture in his Hong Kong made suit, wearing his Formosan slippers, drinking Brazilian coffee out of English china and before turning on his Japanese TV, writes a letter on Irish linen paper with an Australian ballpoint pen, complaining to his Congressman that too many American dollars are going overseas.

Prasad Named to All-Conference Soccer Team

The results of the all-conference soccer selections for the Southern Division conference were recently announced, and four University of Wisconsin - Washington County athletes were named to the twelve man roster.

Moses Prasad, son of Rev. and Mrs. Timothy K. Prasad of Wayne, R. 3, Campbellsport, Paul Bingen and George Klein of West Bend and Rick Gierach of Cedarburg represented the Wildcats on the elite team while teammates Lester Hahn, Mark Knuth, and Mark Miller made honorable mention. This was the highest representation of any team in either the Southern or Northern Division of the Wisconsin Collegiate Conference.

Coach Tom Brigham's Wildcats tied two conference records on their way to their divisional championship by recording the most wins (9) in a 10 game schedule and earning the most shutouts (5) in the history of the Southern division.

Prasad was UWVC's strongest scoring threat throughout the season kicking in 14 goals for the Wildcats. His smooth style of play and ability to stay in position made him the heart of the offense.

Klein, on the other hand, was the key to the stubborn defense which led the entire conference in shutouts. He had earned all conference honors last year and provided the cohesiveness and teamwork necessary to keep opponents from clear shots at the goal.

Bingen, who is now a starting forward on the Wildcat basketball team, consistently played a controlled, intelligent game at the forward position. Gierach was un-

doubtedly the most aggressive member of the soccer team. From his halfback position, Gierach could be found all over the field attacking the ball.

A high price might keep you from buying a new home.

But a low price shouldn't.

A Wausau Home costs thousands of dollars less than comparable homes. Because of the way we buy materials and the efficiency of our controlled building system.

For example, every Wausau Home is built with the finest grade kiln-dried lumber. 100% copper plumbing. Real ceramic tile walls and floors in the bath.

We buy the very best and we buy in quantity. Which lowers the price, not the quality.

And we build under the very best conditions; indoors, out of the weather.

Stop for a close look at a Wausau Home. But don't let our low prices scare you. That shouldn't keep you from buying the new home you want.

Welcome Home.
