Outdoor Bicentennial Project

What sort of outdoor Bicentennial project could possibly be done in sub-zero January weather? The answer can be seen (temperature permitting) at 1085 Fond du Lac Ave. on the south side of the village. The structure, depicting a '76 Bennington flag with an eagle symbol superimposed on the stripes, is made entirely of winter's unique slick and cold creation — ice.

The display, built by Dan Meilahn, measures about 7 feet high by 12 feet long. A level base of small sheets of ice from a nearby stream supports the structure which weighs over 1,250 pounds and consists of over 150 gallons of water by volume.

The necessary ice blocks were made by first coloring a measured amount of water

with clothing dye and food coloring in some 209 gallon and 195 half-gallon milk cartons. Nature then solidified the solution into shining chunks which were extracted from the cartons and arranged row by row into the overall design. That infamous material known as slush acted as mortar to fuse the blocks together upon freezing. The flag pole was made from ice sections frozen in round plastic containers and then piled and slushed vertically. Water allowed to freeze in a balloon created the crowning round shape.

Weather had to be necessarily terrible to accomplish the project. The temperature had to hover around zero for a period of several days to insure thorough freezing of the blocks and moderately rapid setting up of the slush. An ample amount of clean snow was required to produce the slush.

Many thanks are extended to the numerous people in the Village of Kewaskum, Washington County, and the Madison and Stoughton school districts who so conscientiously collected milk cartons throughout the fall and winter. Will the wondrous effects of drinking milk never cease?

REGULAR MEETING OF SCHOOL BOARD MONDAY

The regular meeting of the Kewaskum Board of Education will be held Monday, Jan. 26, beginning at 8 p. m. and will be held in the administrative offices.

A request by the high school student government to place two non-voting student members on the board will also act on a policy setting up a grievance procedure for complaints alleging sex discrimination in the schools. If prices are in, action will also be taken on repairing the folding wall in the old gym. Other miscellaneous items which arise will also be considered.

A closed session will be held following the regular meeting for teacher evaluations, consideration of a grievance and the salary of the superintendent.

23 Fire, 150 Ambulance Calls in '75

Chief Augie Bilgo reported that the Kewaskum Fire Department answered 23 fire calls in 1975. 10 more than in 1974, when there were 13.

Of the 23 calls, seven were in the village, while 13 were in the Town of Kewaskum and three in the Town of Auburn. The 1974 calls included eight in the village, four in the township and one in the Town of Auburn.

In addition the department answered four mutual aid calls to assist other departments which included Campbellsport two, Kohlsville one and West Bend one.

Kewaskum firemen worked 800 man hours alone fighting three major barn fires (Arnold Schmidt, Roger Neuman and John Felten). Kohlsville spent 360 man hours helping fight two of the major barn fires on a mutual aid call and Boltonville 150 man hours assisting on a mutual aid call at another major barn fire, while Campbellsport put in 40 man hours helping at two of the major barn fires.

In addition the Kewaskum department spent 400 man hours fighting other smaller fires in the village and townships.

The firemen's trained rescue squad answered 150 calls, covering a total of 4,240 miles, in 1975. This was five fewer than in 1974, when 155 calls were answered.

Board Discusses Annexation of More Properties

By Mark Smucker
Three property owners having land adjoining the proposed Sison annexation discussed possible annexation of their property at the Kewaskum Village Board meeting on Monday night.

Only one serious question was raised, as Dennis Giese wondered whether or not he will be permitted to keep a pony and game birds which he presently raises. Board President Charles Miller replied that this was in violation of village ordinances, but since the land was on two survey maps, part of it could be zoned farmland, when it was annexed, so that the animals wouldn't have to be removed.

All of the people present expressed a desire to be annexed, with three still undecided, so the Sison petition was held over until the first meeting in February. When the land is annexed, a medical clinic will be constructed on that site.

The board also agreed not to change its fleet auto insurance from \$100 to \$250 deductible, since only a \$108 savings per year would have been realized.

A building permit was granted to David Neumann of 701 Memorial Drive to remodel the basement.

This assures you of positive 100% insulation. With Pal-O-Pak you get a full job... no voids... and because Pal-O-Pak is feather-light, it won't settle, or cause ceiling sag or wall bulges which crack plaster.

Installed By The Most Efficient Methods—
Year 'round comfort is added to your home with a slash in fuel bills when you insulate with Pal-O-Pak. With less fuel you can keep all your rooms at the desired temperature even in the coldest weather. Drafts and chilly corners are eliminated. In the hot summer weather your home is 10 to 12 degrees cooler.

FIRE RESISTANT!
PAL-O-PAK PASSES THE BLOW TORCH TEST
Pal-O-Pak is chemically treated to permanently resist fire. This important fire resistant quality, as well as Pal-O-Pak's great insulating property is dramatically demonstrated by the "Blow Torch" test. Even after five gruelling minutes under the hot flame of the torch, the surface of a small pile of Pal-O-Pak is only charred and the center of the material is cool to the touch.

HOW TO TELL THE GOOD GUYS FROM THE BAD GUYS.

Ask for identification.

Appearances may not be enough. If you don't recognize the caller, ask for a Wisconsin Electric picture identification card.

Occasionally, men posing as utility workers have entered people's homes and taken money or valuables. Some gained entry by telling the residents that they were delivering a refund from Wisconsin Electric. PLEASE NOTE—to make a refund, we send a check by mail, or indicate a credit on the customer's electric service bill. Refunds are not delivered by Wisconsin Electric employees.

Like many of our customers, you probably know the Wisconsin Electric meter reader who regularly stops at your home and you won't

need to ask him for identification. However, if you're visited by a stranger who tells you he is one of our employes, ask to see his picture identification card.

Not all of our employes wear uniforms, so a uniform is not enough for identification. Remember, all Wisconsin Electric employes do carry picture I.D. cards... and they don't mind having you ask to see their card.

Indians Defeat Mayville in Key Game, Lead Scenic by Two

They built a new gym with a larger seating capacity and still it was jammed by a noisy, thumping crowd for the Kewaskum Indians crucial game with rival Mayville here Friday night.

Mayville failed in its bid to tie Kewaskum for first place as the Indians won a big 63-52 victory. The win put Kewaskum two games ahead in the Scenic Conference with a 6-0 mark, while Mayville and Germantown (defeated by Slinger) dropped to 4-2 and are tied with Grafton for second.

Tom Edwards, who has been dogged by knee and foot injuries during his prep career, was a key man in the game. The 6 foot-5 Edwards came off the bench to score 16 points and give the Indians the edge they needed to defeat the Cardinals, also a tall team. "There are some teams Edwards doesn't match up too well against because of his injuries but Mayville doesn't have great quickness and he helped neutralize their height," Coach Jim Westphal said.

Westphal credited a big edge for his front line over the Cardinals in setting up the win. Six-foot-four Jim Kern scored 17 points and grabbed 16 rebounds, while tall Leon Laatsch added 11 points.

Kewaskum beat Mayville on the boards, 33-22. The Cardinals also hurt their cause by making only 10 of 21 free throws, including only 8 of 19 in the first half. Dave Mayer led Mayville with 14 points, while 6-5 center Mark Gindt was held to 11. The Indians also missed 12 free throws but sank 15.

After the score was tied twice in the early going, the Indians moved ahead by 8 points, led by Scott Tessar's hot shooting. They were ahead 18-11 at the quarter, as Mayville had trouble with Kewaskum's tough two-three zone that forced them into long shots. After Tom Rohlinger and Jim Bilgo picked up their third fouls Mayville got a rally going to cut the margin to three. Gindt tied it up at 23-23 but the Indians came to life again and outscored their opponents 12-1 in the last minutes of the half

to go ahead 35-24.

In the third quarter Kewaskum took its biggest lead of the night, 41-24. Mayville narrowed it to 10 again and that's pretty much the way it stayed for the rest of the contest.

In other Scenic games Friday Slinger aided the Indians by dumping Germantown, 73-64. Grafton won over Kettle Moraine, 71-64, and Hartland beat Pewaukee, 74-52.

The Indians have 2 games this weekend. Friday they play at Germantown in another key game that they expect could be trouble and in a tilt on Saturday night they entertain Pewaukee to start the second round.

Crippled Indians Lose to Horicon

Lacking interest and fire in a game that didn't count, a crippled Indian team was surprised by Horicon there on Tuesday in a non-conference affair by a convincing 80-54 score. Coach Jim Westphal remarked he thought Horicon couldn't have played better

or the Indians any worse. The Marshmen are in second place in the Flyway Conference.

Horicon won mainly on 50% shooting aided by many Indian turnovers. Kewaskum hit only 36% which is very cold for them and they had only one more basket than turnovers.

The Marshmen led at the quarter, 19-13, and at half-time the Indians trailed by only 5 points, 39-34. The 3rd quarter was disastrous as Kewaskum scored only 10 points for their lowest total of the season, while Horicon had 18. The Indians were outscored badly in the final quarter, 23-14, as Horicon won going away.

Several players were far below their averages. Jack Kern had just 10 points or half his average. Kern sprained three fingers in practice Monday which greatly hampered him. Tom Rohlinger managed just one basket and 6-5 Tom Edwards, who sparked the Indians in the Mayville game, could play only a few minutes. He had a swelling in his foot, the same one which has been troubling him.

Junior Leon Laatsch led the Indians with 18 points and Scott Tessar hit 14. Horicon had five players in double figures, led by Leitzke with 17. The Indians, who had a super game against Mayville, may have been looking ahead to Germantown Friday night.

The JV's beat Horicon, 46-33, as Wayne Endlich scored 16 points and Mark Tessar 11.

Indians Ranked Ninth in State

In the Associated Press' first season ratings last week, the Kewaskum Indians were ranked ninth in the state among Class B (Middle Ten) schools. The Indians, who were 8-1 overall and 6-0 in the Scenic Moraine Conference, probably will be dropped from the top 10 after an 80-54 upset non-conference loss at Horicon Tuesday night.

Kewaskum Defeats Hartford in Lakes

Kewaskum came through with a solid victory over an A Division Land o' Lakes club Sunday night, beating Hartford, 123-113.

Kewaskum shot 77.1 per cent from the free throw line, sinking 37 of 48, to Hartford's 58.1 per cent. So the winners 37 of 48 free throws (to Hartford's 25 of 43) were a key factor in their victory.

With the win Kewaskum moved back into undisputed first place in the B Division with 4-2 as Slinger lost to Meno Falls.

With a full lineup back (after the Mt. Calvary tournament), Clark Eichstedt and Chuck Boegel led Kewaskum with 32 and 24 points. "Ike" hit 10 of 11 from the line and Chuck 8 of 9. Ken Loest added 19 points, Pat Kennedy 16 and Dennis Pieper 13. Jim

This Sunday Kewaskum plays at Sussex, another A Division team, at 7:30.

Minus Three Stars, Lakes Team Ousted In Mt. Calvary Meet

Missing three of its star players and top scorers, the Kewaskum Lakes team still played well but lost its first game in the tough single elimination, 16-team Mt. Calvary Invitational Basketball Tournament Friday night.

Facing the crack Rocky Rococo Pizza team of Madison, including former University of Wisconsin players Leon Howard (30 points), and Marcus McCoy (12), Nate Butler, former UW football ace (22), Cecil Morris, former UW-Milwaukee player (28) and other standouts, Kewaskum lost, 105-84.

Only seven players (of a 17-man squad) showed up for Kewaskum. Main players missing were top scoring Clark Eichstedt, former St. Norbert ace, Ken Loest, and Chuck Boegel, as was Dave Wietor among others.

In the loss, former Winnebago Lutheran Academy star Steve Weddig had a real hot night for Kewaskum with 38 points to take top scoring honors. Dennis Pieper got 22.

Kewaskum surprised the Madison team, jumping off to a 4-0 lead. They were in the game most of the way, trailing by only 8 at the half, 72-64, and held a brief one-point lead as late as the third quarter. Kewaskum shot extremely well. In the end, though, the much taller Madison team's outstanding quickness and jumping ability finally prevailed.

SPECIAL THANKS

Peter and I would like to extend our most heartfelt thanks to our neighbors, friends and relatives for their many prayers and gifts during Peter's illness and convalescence. It's really a great feeling for us to know there are so many people who really care.

A special thanks to the members of the Kettle Riders Snowmobile Club and our neighbors for their special Christmas gift to us.

God bless you all.

Mr. and Mrs. Peter Nordin

A high price might keep you from buying a new home.

But a low price shouldn't.

A Wausau Home costs thousands of dollars less than comparable homes. Because of the way we buy materials and the efficiency of our controlled building system.

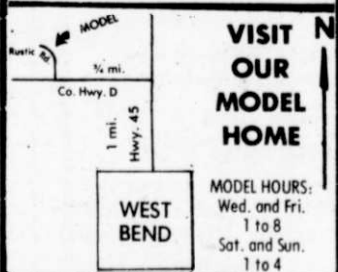

For example, every Wausau Home is built with the finest grade kiln-dried lumber. 100% copper plumbing. Real ceramic tile walls and floors in the bath.

We buy the very best and we buy in quantity. Which lowers the price, not the quality.

And we build under the very best conditions, indoors, out of the weather.

Stop by for a close look at a Wausau Home. But don't let our low prices scare you. That shouldn't keep you from buying the new home you want.

Welcome Home.

Dear Sir:

We have been contacted again by a representative of the Shrine Circus concerning sending our children (kindergarten) to the yearly performance.

It was only last year that we became aware that the local businesses were being approached to make contributions for this. It was our understanding from the way it was put to us that these were

complimentary tickets from the circus.

Certainly, we appreciate being able to send our children to the circus, and we wish to thank you for your support. We understand, however, that you are asked to make frequent contributions to various activities. We want you to know that we are not promoting this in any way. If you wish to continue to contribute to the tickets, I'm sure they will be appreciated, and we will participate, but we don't want you to feel any obligation to con-

I hope this makes our position clear. If you have any questions, please feel free to call me.

Sincerely,
