## \$206,579.05 in Contracts for New Fire Station Issued

By Mark Smucker

A total of \$206,579.05 in contracts for the new Kewaskum Fire Station were issued by the Kewaskum Village Board on Monday.

The general contract was awarded to Badger Structures, a division of the A. L. Wagner Company of Sheboygan, for \$178,198, which included six alternates. Members of the fire department visited buildings previously constructed by the company, and had "nothing but praise" for the quality of work. The alternates dealt with delaying the starting date until April 1, elimination of interior painting, an asphalt driveway, and changes in the flooring and the type of studs used.

A change in the roof from the design that appeared in the specifications will save \$8,500, rather than the \$10,000 that was originally anticipated, since the board decided to use a slightly higher quality roof in order to prevent possible damage in the future.

The heating and ventilation contract went to Kohlman and Mueller of St. Cloud for \$12,750, while the electrical work will be done by Kirchner Electric Company of

West Bend, at a cost of \$15,631.05. The plumbing contract was tabled until the next meeting, at the request of President Miller, so that some details could be checked over, including some possible alternates.

Since the contracts were completed on Monday afternoon, the village attorney had not reviewed them at the time of the meeting, and so they were passed subject to his approval.

A committee to attempt to find a location for the recycling program conducted by the Kewaskum Junior Women's Club was appointed to include trustees David Nigh and Roger Strack. Members of the club had previously appeared before the board to request help in locating a new site. They are presently doing their work in the basement of the museum run by the Kewaskum Historical Society.

A committee to consist of trustees Dan Schmidt and Raynor Herriges will study what types of new Christmas decorations will be purchased by the village this year, taking advantage of the offer of funds provided by several local service organizations.

## Village Police, Employees Get 7% Increase in Salaries

By Mark Smucker

A 7% increase in salaries for the Kewaskum Police Department and other employees of the Village of Kewaskum was approved at the bi-monthly meeting of the Kewaskum Village Board.

Retroactive to January 1, 1976, the date on which their old contract expired, patrolmen will receive a starting salary of \$812.13 per month, which increases to \$1076.95 after 4½ years' experience. The chief of police will receive \$1121 per month, while part time patrolmen will receive \$3.75 per hour. At present, the village has three fulltime patrolmen and one who works part time. In addition, Easter will be added as a paid holiday.

For other village employees, the superintendent of public works will receive \$1156 per month, while the commissioner, whose office combines that of secretary and treasurer, will be paid \$1085 per month, and the wastewater treatment plant head will receive \$1079.

The salary of the commissioner's secretary was set at \$2.95 per hour, while the librarians will receive about \$2.40 and the assistant wastewater treatment plant operator will earn \$5.12 per hour.

General employees salaries will range from \$4.28 to \$5.03 per hour, depending on their experience, while the half time mechanic employed by the village will earn \$3.05.

Crossing guards wages

were fixed at between \$8 and \$10 per day, depending on experience, with the civil defense director and health officer to receive \$75 per year each. The assessor and building inspector, which is a combined appointment, will receive \$160 per month plus a \$240 per year car allowance.

## Board Acts on Tree Trimming Ordinance

By Mark Smucker

Superintendent of Public Works, August Bilgo appeared before the Kewaskum Board on Monday to discuss the enforcement of the ordinance pertaining to tree limbs over roads.

This problem was discussed last fall, at which time letters were sent out to property owners whose elm trees extended over roadways or sidewalks, while the ordinance was also published in the local paper. The ordinance states that no hanging limbs may extend more than 8 feet above a sidewalk or 12 feet above a roadway. "I don't know of one tree around town that has been trimmed, and if this keeps up, Roseland Drive will soon be a one lane road," commented Bilgo.

Trustee Roger Strack suggested that a date be set when the ordinance should be

## Pre-Festival Music Concert

The Kewaskum High School Music Department announces an instrumental concert on Feb. 25, beginning at 7:30 p. m. in the school auditorium.

TSOK, the high school jazz ensemble and the concert band will perform their first concert of 1976. The program is as follows: Concert Band performing LINCOLN PORTRAIT, with narration by Clyde Brehm. This piece was written by Aaron Copland commemorating Abraham Lincoln. TSOK will step into the spotlight playing "TSOP" (their theme song), "April Says Hello," "Fugue For Tinorns," and "Handle With Care." The Concert Band will return for their final numbers of the evening, including "The Fabulous Country," "Chorale Variant," and "In Thee Is Gladness."

Both groups are under the direction of Larry Ammel.

## 83 Votes Cast in Village, 37 in Town

Only 83 voters in the Village of Kewaskum and 37 in the Town of Kewaskum bothered to go to the polls and vote in Tuesday's Primary Judicial Election. Locally the only balloting was for nomination for election to the Wisconsin Supreme Court.

Milwaukee Circuit Judge Leander J. Foley Jr. led heavily endorsed incumbent Justice Roland B. Day by a wide margin as both were nominated for election to the Supreme Court. The incumbent trailed Foley by more than 50,000 votes in the primary. Unofficial state returns in 3,345 of 3,409 wards gave Foley 175,846 to 120,822 for Day. Christ Alexopoulos, running for the eighth time, ran a week third with 49,535. Foley and Day will face each other in the April 6 election for a 10 year term on the high court.

Village of Kewaskum results: Alexopoulos 7, Foley 54, Day 22. Town of Kewaskum: Alexopoulos 3, Foley 19, Day 14.

## TESSARS OBSERVE 25TH ANNIVERSARY

Mr. and Mrs. Allen Tessar, Kewaskum, entertained their family and a number of relatives at the Wigwam Sunday on the occasion of their 25th wedding anniversary.

complied with, and if the property owners still refuse to co-operate, then the board should hire a contractor to do the job and bill the owners. Commissioner Bill Martin replied that this was one provision of the ordinance and would be legal.

## Firemen Awarded E.M.T. Pins

Three more members of the Kewaskum Fire Department were awarded their E.M.T. (Emergency Medical Technician) pins at the department's annual banquet held Jan. 31 at the Glacier Inn.

The new E.M.T.'s are, left to right, Larry Williams, Ron Sarauer and Jim Staehler.

They are also nationally registered E.M.T.'s. This brings the total number of E.M.T.'s on the Kewaskum

Rescue Squad to eight. Other members include Mike Fierke, Oscar Knoeck, Paul Behring, Don Ehnert and Andy Pesch.

The latest E.M.T.'s completed 81-hour courses at St. Joseph's Community Hospital, West Bend. The three received their state and national certificates last summer and were awarded their pins at the banquet.

## 100th Birthday Celebrated by Gertrude Staehler

A centennial St. Valentine's Day celebration was held Saturday at St. Michael's Church, St. Michaels, when relatives and friends gathered to wish Gertrude Staehler a happy 100th birthday. A Mass, family dinner and open house were held and among the guests were Mrs. Staehler's 20 grandchildren and 44 great-grandchildren.

After a life of farm work and raising six children, Mrs. Staehler now lives with her daughter Mary Staehler in the home of another daughter, Marcella Coghlan in the Town of Polk. She is quite active and helps with the housework.

Mrs. Staehler said there wasn't much celebration on St. Valentine's Day when she was young but recalls the box socials at the church which were a lot of fun.

Gertrude Staehler was born Feb. 13, 1876, the oldest of Casper and Mary Berres' 5 daughters. The family homestead was located a mile north of St. Michaels. Mrs. Staehler attended the parish school until she was 13 and also attended the local district school in the winters. She preferred the English lessons to the German spoken at the parish school.

Mrs. Staehler worked on the family farm until she was 19 and then went to Chicago to do housework in the large household of an attorney there. The Chicago family received a bonus in her bread baking talents. She liked living in the city and its parks and baseball. Larry Hoffman, who was a friend of hers, played for the Chicago Cubs.

In 1903, when Gertrude Berres was 27 years old, she married Jacob Staehler, the son of another local farmer. He was also a member of St.

Michael's and they had known each other a long time. The couple settled on the Staehler family farm in the Town of Scott (Sheboygan County). They engaged in farming until 1949 when they retired to a rural home.

The four other Staehler children, in addition to the two daughters with whom she lives, are Lawrence Staehler of Boltonville, Marvin Staehler and Veronica Klein of Milwaukee and Jerry of Oshkosh.

Jacob Staehler died in 1950 at the age of 81. He also had

a threshing machine and sawmill.

Mrs. Staehler lived with Mary in West Bend for 13 years and the two women recently moved to the Coghlan home. She has two living sisters, Margaret Fellenz and Mamie Schladweiler of West Bend.

The birthday Mass was scheduled for 10:30 a. m. Saturday, followed by a family dinner and open house in the church hall from 2 to 4 p. m.

Among the greetings received by Mrs. Staehler was a

birthday card from President and Mrs. Gerald Ford.

## Kewaskum Chapter Joins in Celebrating National FFA Week

During the week of Feb. 21 - 28, members of the Kewaskum Chapter of the FFA will join with over 485,000 other FFA members in the United States in celebrating National FFA week.

National FFA week always considers George Washington's birthday in observance of his leadership in promoting scientific farming practices. Washington is considered the patron saint of the FFA and has come to symbolize the FFA Treasurer.

Men who molded America came from the farms and plantations — farmer-statesmen of the past like George Washington and Thomas Jefferson. Future Farmers today are inspired by these same heroes of our nation and her agriculture. They are "A FUTURE FOR AMERICA."

According to President Roy Peterson, the Kewaskum Chapter will be very busy during the week. They are buying chocolate milk for the

students one day of the week, giving flowers and apples to the faculty members, placing posters around town, starting a drive for a FFA Alumni Organization, and entering a speaking contest at Juneau.

Organized in 1928, the FFA promotes leadership, cooperation, and citizenship among high school - vocational agriculture students. The FFA Foundation Awards program provides chapter, state, and national recognition for supervised programs of agricultural production, marketing, processing, and service.

The Kewaskum FFA Alumni Association held an organizational meeting on Jan. 29, 1976.

The FFA Alumni is being developed to serve several purposes. First, it will serve as an aid to the FFA in every way possible. Second, the Alumni Association provides the opportunity for former FFA members to renew old contacts with the school, the ag program, and with other al-

The charter meeting will be held on Feb. 19, at 8:30 p. m. in the Kewaskum High School Agriculture room. Among topics for consideration that evening will be the chartering of the association, election of officers, and committee appointments.

As its first project the Kewaskum Association is sponsoring a scholarship fund raising dance on March 5, at the Amerahn Hall. Proceeds will be used to establish a scholarship for an FFA member.

Anyone wishing to become a part of this group is invited to the Feb. 19 meeting.

# A FUTURE FOR AMERICA

## Celebrating National FFA Week

Members of the Kewaskum FFA chapter join with over 485,000 other FFA members in the United States in celebrating National FFA Week which starts February 21.

Throughout the week over 300 chapters in the state are planning activities to support the theme, "A FUTURE FOR AMERICA."

National FFA week always includes George Washington's birthday in observance of his leadership in promoting scientific practices. Washington is considered the patron saint of the FFA and has come to symbolize the FFA treasurer.

Men who molded America came from the farms and plantations — farmer-statesmen of the past like George Washington and Thomas Jefferson. Future Farmers today are inspired by these same heroes of our nation and her agriculture. They are "A FUTURE FOR AMERICA."

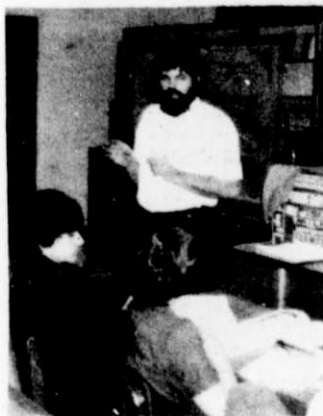

According to President Roy Peterson, West Bend, the Kewaskum Chapter will put up a display in the sophomore hall of the high school. They will also be putting up a bulletin board display at the high school.

The FFA will be putting up posters around town and giving out placemats to be used by area restaurants during FFA Week.

There will be a teacher's tea given by the FFA during FFA Week and flowers and apples will be distributed to the teachers on February 23.

Chocolate milk will be provided for the students during one lunch hour courtesy of the FFA.

The officers, Roy Peterson, President; Keith Gessner, Vice-President; Joanne Loof, Secretary; Kevin Darmody, Treasurer; Todd Garbisch, Sentinel, and Gary Thull, Reporter, are working very hard to promote the FFA program throughout the community.

Mr. Dan Laffe adds a new dimension to the program with the Freshman Ag Students.

Kewaskum FFA saluted Mr. Roy Esser at the FFA Banquet last year. Again we offer our thanks for 15 years of service.

# FFA Alumni of Kewaskum

25 YEARS OF INVESTMENT IN AMERICA

Do you remember this group of officers? The date is about 1965.

Remember when . . . Joel Gundrum restored a bit of history?

Remember this picture? If you are on it the alumni want you!

Remember when KES was KHS - if you do then you should be a charter member of the Alumni Association.

## FFA ALUMNI

Do you remember when . . . a lot of you start sentences with those words. The remember when that I am referring to is the activities that have happened in FFA through the years. Remember all the good times you had . . . and the things you learned. The places you went to that you wouldn't have if the FFA hadn't been there. Well there is still an FFA and they still are doing those things and more. But now you can become a part of those activities again!

Kewaskum FFA Alumni Association offers you a chance to be active in working for a better FFA and a better community. This organization welcomes back all those former FFA members who want to help out the youth involved in the active FFA.

The Alumni Association is formed for the purpose of helping active FFA members in any way possible. Scholarships, projects, helping, provide extra "hands on" activities, funds or chaperones for trips are just examples of things that could be done. The alumni also offer the chance to get together with old friends again. Renew some of those old contacts. At the present we are a new and growing organization. We need your support and your ideas. Anything is possible if YOU help make it happen!

FFA members are A

## Kasten Speaker At GOP Lincoln Day Dinner Here

(KEWASKUM)—Congressman Bob Kasten (R-Wis.) Thursday night called for presidential candidates who "drop out" of the campaign to "pay back to the federal treasury all unspent funds which they so readily accepted when the handout was tendered."

In a Lincoln Day speech here to Washington County Republicans at the Amerahn, Kasten said he agreed with Supreme Court Chief Justice Warren Berger that public financing of presidential campaigns is "an impermissible intrusion of government" into the American political system.

Kasten said that to date 15 presidential candidates have received \$7 million in matching federal funds. "Much of these taxpayer dollars have been used for personal publicity puffery," Kasten charged. "The taxpayers of the country are being victimized by this ill-founded system. It only helps to further undermine the confidence of the American people in their government."

He cited two "drop outs," former North Carolina Governor Terry Sanford, who received \$244,000 in federal matching funds, and Texas Senator Lloyd Bentsen who was given more than half a million dollars.

Kasten said the real problem was the "invalid premise of public financing of campaigns." He said he opposed further extension of matching funds to House and Senate races, as has been proposed by Senator Edward Kennedy (D-Mass.).

In his remarks to the Re-

publican gathering, Kasten said, "As we enter our Third Century, as a free people, we must all pull ourselves up to a different viewpoint, a new perspective, where we view the American spirit as a whole, rather than as a conglomeration of splintered special interest groups, each vying for its piece of the pie."

He concluded that "by pulling together as a people, with a common heritage of commitment to limited government and individual initiative, we will pull ahead as a nation."

## Soil and Water Conservation Dist. To Hold Banquet

The Washington County Soil and Water Conservation District (WCSWCD) is holding its first banquet for cooperators at 7:45 p. m. on Feb. 23, at the West Bend Knights of Columbus Hall.

Washington County's Soil and Water Conservation District was organized to help solve natural resource problems that plague both urban and rural communities. The WCSWCD provides technical assistance to private citizens, community groups, land developers and local units of government. This assistance relates mainly to development of erosion, sediment and surface water drainage conservation practices for disturbed land, be it in agricultural production, highway construction, subdivision development, recreation management, etc. Since its inception in 1944, over 600 individuals or agencies have become voluntary cooperators.

Invitations have been sent

to all cooperators, but anyone else who is interested in attending this banquet can obtain reservation information by contacting Dan Wilson, U. W. - Extension, Resource Agent, P. O. Box 537, West Bend, WI 53095 or call 334-3491, Ext. 266.

## Of Local Interest

With the temperature near 60 degrees under sunny skies Sunday most of the remaining snow left after last week's mild weather melted away. Monday more light snow fell in temperatures near 40 degrees. A weather oddity occurred in that we had a thunderstorm while it was snowing Monday afternoon.

A postcard was received from Mr. and Mrs. John Heisdorf, vacationing in Florida. The message read: "Spending a few weeks in Florida and seeing the sights — Disneyland, Key West, Silver Springs, St. Augustine, Busch Gardens, Daytona, and I may not forget the midget races."

Soiled areas of your carpet can be cleaned without soaking. Ask Miller's of Kewaskum about Nylac. Use your carpet an hour after cleaning with Nylac.

## Mrs. Augusta Kreutzer Dies

Augusta L. Kreutzer, nee Schmidt, age 78, died suddenly at the Samaritan Home, West Bend, Wednesday evening, Feb. 11.

She was born Jan. 1, 1898, in the Town of Auburn. She married Frank Kruetzer at Holy Trinity Church, Kewaskum, on Feb. 12, 1930. They farmed near Kewaskum following their marriage and moved to West Bend in 1923. Her husband preceded her in death Jan. 14, 1970.

Survivors include two sons, Robert, West Bend, and LeRoy, Colgate; 13 grandchildren; one sister, Nettie Schmidt of the Samaritan Home, and one brother, Walter Schmidt, of the Beechwood Nursing Home.

Funeral services were held Saturday at 10:30 a. m. at Trinity Lutheran Church, West Bend. Rev. Victor Hackbarth officiated and burial was in Washington County Memorial Park. Visitation at the Techtman-Myrum Funeral Home, West Bend, was after 4 p. m. Friday and at the church from 9 a. m. until the time of services on Saturday.

## JESKE TO PRESENT PROGRAM ON WBKV

Listen to WBKV-AM radio at 4 p. m. Monday, Feb. 23. The topic, "Amateur Radio, a Hobby and a Service to the Community," will be presented by Kyle Jeske of the Kewaskum area, public relations director of a newly formed Amateur Radio Club in Washington County. The discussion will be very informative to all persons in Washington County and vicinity.

## 2 Musicians From Area Win Honors

Two young area musicians, Becky Brehm of Kewaskum and Janice Rosenthal of West Bend, won honorable mention in the annual Young Artists Competition Jan. 24 in Milwaukee.

They will appear with the Milwaukee Symphony in the March 21 program at Uihlein Hall of the Performing Arts Center.

The three winners of the contest, which is conducted by the Women's League of the Milwaukee Symphony, will perform as soloists with the symphony in March, and the honorable mention contestants will play in the orchestra.

Becky played two movements of the Telemann G major Viola Concerto and Janice did the first movement of the Nielsen Flute Concerto.

Both musicians had previously been winners of the Moraine Area Orchestra's concerto contest and had appeared as soloists with the orchestra.

It's time your family stopped being just "Smith Harold" in the telephone directory.

The new edition of your telephone directory is going to press soon. If you have only a single listing, a lot of people are going to have trouble looking up other members of your family. Certainly, your wife deserves her own listing. And giving a teen-ager a place in the directory is a nice way of saying "You're growing up." To add or change a listing just call our business office. They can tell you how little extra an additional listing will cost. It's as easy as picking up the phone.

## Junior Women's International Dinner Success

The International Dinner, arranged by Chairman Norma Lyman's International Affairs Committee of the Kewaskum Junior Woman's Club on Feb. 12 was a smashing success, as our husbands will heartily attest to. The February meeting of the Juniors began with a short social period, followed by a buffet of Italian cuisine. Approximately 70 hungry Juniors and their husbands attended - a great turnout and a really enjoyable evening.

Following the meal, Washington County Narcotic Investigator, Jack Theusch, along with Curt Schrauth of the same department, presented a very informative and enlightening slide/lecture program on the drug scene in Washington County. Judging by comments made during the program, many in the audience got quite an "eye opener" on how acute the drug problem really is in our area, especially in our schools. Many thanks to Mr. Theusch and

Mr. Schrauth and their department for participating in our International Program.

A short business meeting followed.

Corresponding Secretary Liz Nigh read a letter from Pat Miller, on behalf of Miller's Furniture, informing KPWC that a window in the store is being made available for a Bicentennial Display, compliments of Miller's.

The Kewaskum Kiwanis Club has approached KJWC to enlist our support for a contribution toward the purchase of new Christmas decorations for the village of Kewaskum. Further consideration of this request will be made, as soon as we know where we stand with regard to our other "standing" financial obligations.

The Kewaskum Chamber of Commerce has asked the Juniors whether or not they would be interested in having the club emblem included on the "community organizations" signs, north and south of the village limits. The cost

of \$12.50 per sign was quoted; it was moved and seconded to accept their offer.

Gloria Rodenkirch informed club members that the Blood Bank will again be in Kewaskum on March 3. Volunteers were enlisted to contact previous donors.

The meeting was adjourned at 10:45 p. m. - on a full stomach!

## Indians Defeat Slinger, Kettle Moraine, Clinch Share of Title

Two more victories the past week for an 11-1 record clinched at least a tie for the Scenic Moraine title for Coach Jim Westphal's Kewaskum Indians. The Indians are two games ahead with two to go and a win over either Mayville or Germantown will take it all.

Kewaskum defeated Slinger here Friday night, 67-61, and overwhelmed Kettle Moraine there Tuesday night in their best performance of the season, 89-65. It was also their top scoring output of the campaign.

A super performance by Scott Tessar, who hit on 10 of 11 free throws and had a total of 24 points, led the Indians over Slinger Friday and shattered Owl Coach Doug Potter's strategy of overtaking Kewaskum. The Owls had won five straight before bumping into Kewaskum.

The Indians' full court press and man-to-man defense in the second half forced Slinger to hit on only two of eight shots in the third period. Kewaskum appeared jittery in the first quarter and committed nine costly turnovers to Slinger's two. As a result they were behind at one time, 15-9. Two free throws and a basket just before the quarter brought them within two, to make it 15-13. After a defensive second period, the Indians were still behind at halftime by one, 28-27.

The Indians played like champions in the second half as though they had to win to stay in first place and the Owls met their match. Early in the second half, a flurry of scoring by the Indians gave them a comfortable lead, reeling off 10 points in succession, for a 40-32 advantage. Slinger managed just 9 points in the third quarter to the Indians' 19.

Kewaskum led by as much as 12 in the fourth quarter but in the final few minutes Al Konrath scored three quick baskets in a row to make it 63-59 with 36 seconds left. The Owls were forced to foul but the strategy backfired as Tessar and Jim Bilgo both converted on two free throws to maintain a 6-point lead at the final horn.

Jack Kern added 15 points for the Indians with as many rebounds and Jim Bilgo had 11. Slinger was led by Konrath with 16 points.

In other games Friday Mayville stayed two games behind the Indians and still in the running, with a 66-42 win over Hartland, Germantown shaded Grafton in overtime, 56-54, and Kettle Moraine ousted Pewaukee 86-61.

Score by Quarters:  
KEWASKUM 13 14 19 21 - 67  
SLINGER 15 13 9 24 - 61

Kewaskum—Kern 7-1-1; Rohlinger 3-3-4; Bremser 0-0-3; Laatsch 3-0-2; Bilgo 3-5-2; Tessar 7-10-4; Menzel 0-0-3; Edwards 1-0-1; 24 baskets; 19 free throws; 20 fouls; 9 free throws missed.  
Slinger—Hart 4-3-2; Schroer 2-0-0; Funk 3-0-2; D. Scherr 3-1-2; B. Scherr 1-1-5; Konrath 8-0-3; Jonas 2-2-3; Pirlot 3-4-2; 25 baskets; 11 free throws; 19 fouls; 10 free throws missed.

Kewaskum's one-sided 89-65 win at Kettle Tuesday came as a surprise as the Indians were worried about facing the Lasers on their home court. Remember it took two overtimes to edge Kettle in their first meeting here. And it was the way the Indians did it that was amazing as they really meant business this time out.

The Indians went right to work, hitting on 3 of the first 4 shots they took, the first two by Tessar. In a short time they were ahead 18-7 and by the quarter it was 27-12. Kewaskum scored 26 more in the second period to lead at halftime, 53-32 as the Indians' full court press troubled Kettle's two young guards. After that it was no contest as the closest the Lasers came was within 16 at one time, 67-51.

Four of Kewaskum's five starters were in double figures. Kern had 24 points, Tessar 14, Leon Laatsch 12 and Tom Rohlinger 10. Reserves Jim Bilgo and Tom Edwards came in to each add 10. Kern added 10 rebounds but "laid off" a number of attempts by Laser ace Ted Hettich, 6-3, because of having four fouls. Hettich had 22 for the night and Bob Jackson 16.

The Indians hit 39 of 67 shots for a fantastic 58 per cent, missing only 7 shots in the second and third quarters. Kern was 11 of 12 for the night. Coach Westphal said it was the best his team pressed all year as the players really hustled.

The title is the first for Westphal, who is only in his second year as head basketball coach. Two years ago, he directed most of these same players to the Scenic JV title.

In other contests Tuesday Slinger had Mayville upset but blew it to give the Cards a 64-61 win. Mayville scored 12 points in the last two minutes to pull it out. The Cardinals trailed, 60-52, with two minutes remaining when Slinger got into foul trouble (six) attempting to stall. The Owls committed three in 30 seconds and Mayville made all the free throws. Hartland upset Germantown, 59-42, to notch its second win, and in the other game Grafton trounced Pewaukee, 79-49.

Friday the Indians play at Mayville in another big game. Although Kewaskum has a tie for the title clinched, a win for Mayville will put them only one game behind and the Indians would have to beat Germantown the following week to win the undisputed championship.

KEWASKUM — Kern 11-2-4, Rohlinger 5-0-0, Bremser 1-2-0, Laatsch 6-0-2, Bilgo 2-6-4, Tessar 7-0-3, Menzel 1-1-0, Edwards 5-0-0, Lehnerz 1-0-0. Totals 39-11-14. FT Missed 5.

## JV's Keep Rolling With 2 More Wins

The Kewaskum junior varsity brought their record to 12-3 for the season, identical to the Indian varsity, with two more wins. The Slinger JV's found Kewaskum tough Friday as they were downed easily, 67-44, and the week before the Indian juniors bounced back to defeat Hartland, 61-49.

Kewaskum outscored Slinger, 20-4, in the second quarter to lead, 40-16, at halftime. Mark Tessar (brother of the varsity's Scott Tessar) led the Indians with 16 points and Al Jaeger hit 12 as 10 players scored for KHS. One regular, Wayne Endlich, was out with a broken finger.

In the freshmen game, Slinger's first place Owls won, 72-58. The Owls had two players with over 20 points, Mayer with 24 and Jonas 23. Kewaskum's Jeff Matter had 13 and Paul Bremser 12.

In the Hartland encounter the Indians won it with a 22-point fourth quarter after trailing at halftime, 31-27, and holding a 39-39 tie after three periods. Hartland's Larry Kraemer had 19 points. Roger Rezel topped the Indians with 16 points and an equal number of rebounds. Tessar had 15 and Jaeger 11.

The frosh also won, 43-38, behind the scoring of Matter with 14 points, Bremser 12 and Mike Schaub 12.

## Indians Blanked In Mat Regional

Sheboygan South won its own Regional wrestling tournament Saturday with 65½ points, to narrowly beat Campbellsport and Sheboygan Falls, who had 58½ and 53½.

South qualified three for the Sectional and probably won the team title because they came into the event with nine individuals from the Sub-regional. Six were eliminated Saturday but helped gain team points. Falls qualified the most wrestlers, four. Campbellsport had three and Coach Gerry Marking was a bit disappointed as four others were eliminated.

Kewaskum was blanked. Gary Schmidt, 185 lbs., who advanced through the Sub-regional, lost in the afternoon competition to Mike Schuh of South, 4-2. Schmidt took third by beating Rich Klotz of Random Lake, 3-0, and ended the season with 19-6.

Winners and runners-up move on to Grafton Friday for the Sectional.

## WOKY Wobblers to Play Local Faculty In Benefit Game

On Feb. 26, the Milwaukee Woky Wobblers will play the Kewaskum faculty in a benefit basketball game with the proceeds going to the Shelter Care Home of Washington County.

The game is to be sponsored by the Kewaskum High School Student Body. Shelly Omodt and Debbie Klemme brought the idea to the Student Government, and are credited with organizing the game.

The players for the Wobblers consist of Len Chappell, former Milwaukee Bucks, Kurt Bevacqua, who now plays for the Brewers, and some WOKY Jocks.

The game will start at 8:00 p.m. and will be played in the new high school gym. Ticket prices are \$1.50 for adults, \$1.00 for students, and 50 cents for children under twelve. Tickets will be on sale at the high school, and from any student government member.

## Girls Win 2 of 3, On to Tournament

The KHS girls' basketball team won 2 of their last 3 games and ended the season with a 9-5 record in the Scenic Moraine.

Kewaskum led Mayville until the last quarter, then lost 36-32. The local gals held Cardinal star Sue Baerwald far below her average but Carol Stork made up for it with 12 points. The JV's also lost, 36-34.

Last week Monday Kewaskum squeaked by Pewaukee, 37-35. Wanda Akin led with 11, while Diane Strack and Julie Stoffel had 8 and 7 respectively. The JV's trounced the Pirates, 24-10, behind the 10-point performance of Janine Prost.

The KHS girls ended their regular season Thursday before a Parents' Night crowd by topping Germantown, 65-33. The fourth quarter was perhaps the best all season for the Indians with 25 points. Strack led all scorers with 12 baskets for 24 points. Akin added 13 and Stoffel 13. Germantown (0-14) had Kuells with 17. For the JV's Prost hit 16.

The first girls' WIAA Regional tournament series began Wednesday night for the Indian girls at Slinger. In the opener it was Mayville vs. Pewaukee at 6:30 p.m. followed by Slinger vs. Kewaskum about 8 p.m. Finals will be played Thursday night. In the sub-regional over the weekend Pewaukee beat Jefferson and Slinger edged Columbus, while Kewaskum and Mayville drew byes. Janine Prost and Mary Ryan were moved up to the Indian varsity for the tournament.

## Half a Lakes Team Edged Out by Port

Kewaskum went to Port Washington Saturday night with half a team, six players to be exact, and was nosed out by last place Port, 121-120, on a last second 20-foot basket by Rollie Kitt, who scored 62 points for the night.

Missing from the Kewaskum team were Ken Loest, Dennis Pieper, Dave Wieter, Glen Eichstedt and Steve Weddig.

With Kewaskum leading by a point, 120-119, Port got the ball with just over a minute remaining. They ran the clock down and with five seconds left, Kitt hit on his shot to win it for Port. Kitt's 62 points included 29 field goals and 4 free throws.

Kewaskum was led by Clark Eichstedt and Chuck Boegel with 37 and 36 points respectively. "Ike" hit 15 of 21 from the line and his team made 32 of 41 for 78 per cent, while Port made only 13 free throws.

Kewaskum plays at Slinger Saturday night.
