\$16,573.40 for Cleanup Operations Approved by the Village Board

By Mark Smucker
A total of \$16,573.40 in estimated expenses for the cleanup operations following the recent ice storm was the amount approved by the Kewaskum Village Board on Monday.

Of that total, \$7,000 is the estimated cost of damage to the village park, including damage to wiring, lights, and debris cleanup. The remainder of the cost was in scattered categories, the two largest being wages to village employees and the cost of repairs to a generator at the sewage treatment plant.

Howard Laubenstein and Joe Butschlick were authorized to prepare the necessary papers for the village to obtain an easement through their property, to install sewer and water laterals. The easement will extend through to the edge of their property so that future homes in that area could tap onto their laterals. Laubenstein also reported that his lawn and garden center as well as Roger Strack's service station should have their zoning

changed from B1 to B3, which is less restrictive.

Superintendent of Public Works August Bilgo reported that no one will be allowed to burn damaged tree limbs, despite similar actions in neighboring townships. Any such refuse should be left on the curb for pick up by the village. Trustee Dan Schmidt urged that any homeowner having trees with damaged limbs should have them trimmed at once, as well as painted so that disease does not spread throughout the village.

A proposal to hire another part-time patrolman by police chief Don Hlavaty was tabled. He had requested that the extra help be obtained, since the present patrolman substitute is not always available when needed.

A building permit was issued to Schulz Realty for a one family residence on Edgewood Lane, and a tavern license was granted to Terry Jordan, who will operate the business formerly called "Tom's Place" on Riverview Drive.

Ice Storm Loss Tops \$44 Million; \$18.2 Million Loss in County

The cost of Wisconsin's ice storm two weeks ago has now reached more than \$44.6 million, more than enough to qualify the counties involved as a federal disaster

area. A preliminary estimate of \$18.2 million has been set on damages caused in Washington County by the recent ice disaster.

Becky Brehm To Appear With Milw. Symphony

Thirty-seven outstanding Wisconsin high school musicians will appear with the Milwaukee Symphony Orchestra at the Young Artists Concert, Sunday, March 21, 3:30 p. m. at Uihlein Hall, Performing Arts Center, Milwaukee.

The students achieved this honor by competing with over 60 musicians from throughout the state in auditions held Jan. 24. The 3 top winners, chosen to perform as soloists with the orchestra are: Robin Petzold, Madison, violin; Sharon Tilbury, Platteville, flute; and Eric Western, Shorewood, clarinet. At the concert, they will each receive a \$300 Gertrude M. Puelicher Scholarship, given by the Milw. Symphony Women's League and one will receive an additional Harry John Brown Scholarship of \$250 given by the Milw. Symphony Student Association.

In addition to the soloists, 34 Honorable Mention Winners were selected to augment the orchestra for the concert. Honorable Mention Winners include: Becky Brehm, 1216 Meadow Lane, Kewaskum, viola.

Tickets, \$2.00 for adults and \$1.00 for students, are available from Concert Chairman Mrs. Dwayne Partain.

6735 Kingswood Drive, Cedarburg 53012, from any of the winners, or from the PAC Box Office. There is no reserved seating.

Blood Bank Here Mar. 30

If you're between the ages of 17 and 60 (66 if you have been a regular donor), can you give a little of your time and one pint of blood? You'd really be putting some life into your society!

The Kewaskum blood bank will be held at the high school gym on Tuesday, Mar. 30, from 1-7 p. m. All past donors will receive a phone call for an appointment time. New donors are asked to call 626-2210 or walk in at their convenience.

If you have a cold or have had major surgery recently, are under 110 pounds, pregnant, or traveled out of the U. S. within the past six months, you cannot donate this time. If you ever had hepatitis, jaundice, cancer, heart disease or diabetes, you are also unable to give.

If you are 17, you will need a Blood Center consent form which will be available that day, signed by your parent or guardian. If you are 18 you can make your own decision to be a blood donor.

You may donate every 10 weeks, but not more than five times in 12 consecutive months.

Martin Honored For 25 Years As Village Clerk

William S. Martin was pleasantly surprised at a dinner party on Sunday evening, March 7, at the Glacier Inn in honor of his twenty-fifth anniversary as village clerk (commissioner) of the Village of Kewaskum.

Members of the village board, past village presidents, village employees, police department, a former police chief and their wives, the present deputy clerk and her husband, the former deputy clerk and close relatives were in attendance.

Bill was presented with a plaque and a gold watch for his 25 years of faithful service to the village. He also received other gifts.

He is married to the former Dorothy Thom of Tomah. They have no children. Bill's hobbies are bowling and traveling.

Girl Scout Style Show Is Reset For March 25

The past storm has put everything behind, including the Girl Scout Style Show. So come join us and "Swing Into Spring" March 25 at the Amerahn at 7:30. Desserts will be served at 7:00. Fashions are by Hensen's of Campbellsport. Plans have been made and the models picked. They are as follows:

Mrs. Mary Haven, Mrs. Judyne Kurth, Mrs. Frank Kadinger, Mrs. Wilma Cherry, Mrs. Robert Schreffler, Mrs. Allen Reindl, Mrs. Carl Acker, Mrs. Ray Schmidt, Michael Pettit, Kenneth Bartz, Billy Kranski, Chris Schmidt, Bobby Schreffler, Robin Gunz, Keri Ramthun, Jenny Ramthun, John Otten, Marlene Cherry, Charles Kurth.

Seventeen Senior and Cadette Scouts will also model. Vocalist Candi Miller will provide entertainment. Jeanine McElhatton and Cheryl Miller will bring back memories by opening the show in their bicentennial outfits.

Door prizes are donated by local merchants. We hope to see you there.

Two Intern Teaching Positions Approved at School Board Meeting

Two intern teaching positions for the 1976-77 school year were approved at the meeting on March 10 of the Kewaskum Board of Education. Discussion was held on three positions, one each in agriculture, mathematics and industrial arts. The board approved one in agriculture and one in mathematics.

Intern teachers can teach half-time, the remainder of their day reserved for in-service, classroom visitations, meetings with advisors and teaching preparation. Each intern works one semester, and the cost to the district is \$2,000 per semester for each intern.

The board discussed the question of make-up days as a result of the ice storm. Not knowing what the state ruling will be on making up the days, the board decided to tentatively plan now to make up the three days on those dates set in the master agreement. They would be April 9, April 19, and June 4. This question will be considered again when a ruling comes from the state.

Contracts were approved to be issued to teachers for the 1976-77 school year. They were issued on the basis of this year's master agreement, negotiations or discussions on and will be adjusted when salaries are concluded.

Paul Redig made a presen-

tation, on behalf of the FFA, of six copies of the book THE GROWING OF AMERICA. One copy is to go to each of the six buildings. Redig also gave a brief statement on the present status of the Kewaskum FFA, and reported that an FFA alumni group is being formed. The board expressed its support for this new organization.

Approval was given for Al Liegl to repair the folding wall of the old high school gym. The cost will be approximately \$1,400. They also approved the purchase of a used rebuilt offset printing machine at a cost of about \$1,200. A summer classroom driver education course was approved.

The contract for Floyd Brenholt as superintendent of schools for 1976-77 was approved. The new contract amount will be \$23,675 compared to \$22,845 this year. The mileage rate to be paid for school business was increased from 10c to 13c per mile. Other benefits remained the same as in previous years, except that if the premium for health and accident insurance increases more than \$100 per year, this will be reviewed.

A closed session was held following the regular meeting to discuss negotiations, non-scheduled professional salaries and a grievance.

Bicentennial Committee Plans To Build Bathhouse in New Park

A plan to build a bathhouse at the new village park by the Kewaskum Bicentennial Committee came one step closer to reality at the March meeting.

Member Merv Thompson reported that he obtained permission for the committee to tear down an abandoned church in the Town of Wayne, which will be used to supply bricks for the new structure. The Kewaskum High School Student Council has offered to assist by helping clean up the bricks and help haul them into town. Work on the project will begin sometime in the spring if everything goes as planned.

The committee decided to print not less than 1,500 books on Kewaskum's history, which will be available later this spring. They will be sold at

a cost of not less than \$2.

It was decided that the price of the trays being sold by the committee should be left at \$1 even though only 311 of them have been sold since last summer. Many members felt that as July gets closer more will be sold.

Clifford Stautz volunteered to attend the Washington County Bicentennial Committee meeting as the Kewaskum representative, to discuss plans for the upcoming county fair.

Jordans Buy Tom's Place

Terry and Jan Jordan of West Bend have purchased Tom's Place at 1310 Riverview Drive in Kewaskum, which includes a tavern and hall, owned and operated by Tom Piwoni for the past 2½ years. The transaction was completed on Tuesday of this week, March 16.

The Jordans also own and operate Jordan's Restaurant and Lounge at 1726 Barton Ave. in West Bend.

The business will be operated under the name of Jordans' in Kewaskum and will be open from 11 a. m. until closing. Live music will be featured on Friday nights.

Piwoni will be staying in Kewaskum for the present time.

The Jordans invite the public to come in and get acquainted.

Festival Choral Concert at School

The Kewaskum High School Music Department would like to announce its Festival Choral Concert, on March 25 at 7:00 p. m. in the high school auditorium. Featured on the program will be the Concert Choir, Girls Choir, Swing Choir, and Madrigal Singers. The choirs will be performing music that they performed at the choral festival, and at that time received first ratings. The concert is open to the public and there will be no admission charged.

Death of Mrs. E. Krautkramer

LISETTA KRAUTKRAMER, 77, Town of Scott, Sheboygan County, died early this morning at St. Nicholas Hospital, Sheboygan, after a lingering illness.

She was born Nov. 20, 1898 in Town of Scott to the late August and Anna Staeger. She married Ervin Krautkramer on Oct. 14, 1920, at the Immanuel Lutheran Church, Town of Scott. They lived on the farm on which she was born, where she resided all her life.

She was a charter member of the Ladies Aid Society, of which she was treasurer for four years and secretary for 16 years. She also was the organist for the church for 65 years, and she retired from that position Dec. 31, 1973, due to ill health. She also was telephone operator for General Telephone Co., Kewaskum, for 10 years.

Her husband Ervin survives, along with two daughters, Mrs. Evangeline Heise, Beechwood, and Mrs. Audrey Schwenzen, Batavia; one son Lloyd, Boltonville; six grandchildren; seven great-grandchildren; and one sister Mrs. Lowell Melius, Batavia. One brother preceded her in death.

Visitation at Miller's Funeral Home, 215 Forest Ave., Kewaskum, from 4 p.m. Friday to 11 a.m. Saturday and then at the Immanuel Lutheran Church from 12 noon to 2 p.m., at which time services will be held with Pastor Robert Wilchen officiating. Burial in church cemetery and a memorial fund has been established in her name for the Bethesda Home, Watertown.

DAVID SADOFF

David Sadoff, 66, of Long Lake, Route 2, Campbellsport, one of the original founders of Badger Liquor Co. in 1933, died at 7:35 a.m. Mar. 5 at St. Agnes Hospital after a three-month illness.

He was president of S&P Sporting and Tire Sales. He was owner and operator of United Liquor Co. in Manitowoc for 13 years, and was in business with his father as owner and operator of Badger Liquor Co.

Mr. Sadoff was a member of Temple Beth Israel, Bnai Brith, Moose Lodge of West Bend, honorary member of Boy's Town and a lifetime member of Dad's Club of St. John's Military Academy.

Born Dec. 25, 1909, in Fond du Lac, he was a son of Abraham and Rebecca Manis Sadoff. He married Mary L. Foy on Jan. 18, 1939.

Survivors include his widow; a daughter, Mrs. Joseph (Sandra) Dixon of Route 2, Malone; a son, Richard of Route 2, Malone; four grandchildren; two brothers, Ben

and Arthur both of Fond du Lac; and four sisters, Mrs. David (Fannie) Nemschoff, Mrs. Jacob (Betty) Hammes, Mrs. Sam (Rose) Ruttenberg and Mrs. Irving (Leone) Fishelson all of Fond du Lac.

Funeral services were held at 1 p.m. Sunday, March 7, at Temple Beth Israel, Fond du Lac, with Rabbi Morton Shalowitz officiating. Entombment took place in Shrine of Rest Chapel Mausoleum, Ledgeview Memorial Park, Fond du Lac. Visitation was held Saturday from 4 to 9 p.m. at Candlish Chapel, Fond du Lac.

POSTPONED MEETING OF GOP CHAPTER

The Kewaskum Chapter of the Washington County Republican organization will meet at 8:00 p.m. Tuesday, March 23, at the Valley Bank meeting room. Sheriff Clarence Schwartz will speak at the meeting, which was postponed earlier this month because of the ice storm.

All members and those interested in becoming members are invited to attend, according to Clifford Stautz, chairman.

Zimmerman Gives Kiwanis Program

Dan Zimmerman, General Telephone Company of Wisconsin Area COE Construction Supervisor and Speakers Bureau member, Plymouth, presented the company's "LASER — The Light Fantastic" program on March 15, to the Kewaskum Kiwanis Club. The program was held at the Hon-E-Kor, Kewaskum.

The presentation, arranged by Carl Acker, included both a slide program showing LASER uses and potential, and a demonstration with on-hand LASER equipment.

During the demonstration, Zimmerman used the LASER to perform a number of functions including optics and voice transmission and amplification — a LASER capability which in the future could prove valuable to the telephone industry as a carrier of communications.

"LASER — The Light Fantastic" is part of the General Telephone library of civic group programs now being presented by members of the firm's Speakers Bureau. Arrangements for this or other programs to be shown to your group can be made by contacting your local business office Speakers Bureau personnel will then contact your group to make final arrangements.

**Assist With
Storm Cleanup**

The state department of transportation made personnel and equipment available to local governmental agencies in Ozaukee and Washington counties, both hard-hit by the ice storm which struck southern Wisconsin.

T. R. Kinsey, district highway engineer at Waukesha, said the department loaned an auger and operator to the Wisconsin Electric company at West Bend to help dig holes to replace fallen power poles.

Capt. Jack Jorgenson of the Waukesha Patrol district, said numerous troopers were on overtime hours at the request of county sheriffs, assisting with accidents, roadblocks and general traffic direction. Communication equipment

was also loaned to Washington County Friday when radio equipment there was out of order during the storm.

Ambulance Calls

Wednesday, March 10, 1:21 p. m.—Mike Darmody, 8881 Hwy. W - Wayne, R. 1, Allenton, removed to St. Agnes Hospital, Fond du Lac, from his home with a possible fractured hip.

Sunday, March 14, 1:50 a. m.—Jim Klein, R. 1, Kewaskum, transported to St. Joseph's Community Hospital, West Bend, from his residence.

Monday, March 15, 4:58 p. m.—Jeff Limberg, son of Thomas Limberg, 6613 Hwy. H - Allenton, removed to St. Joseph's Community Hospital from Kewaskum High School with a broken left wrist.

**CLUB SPONSORS FIRST
AID DEMONSTRATION**

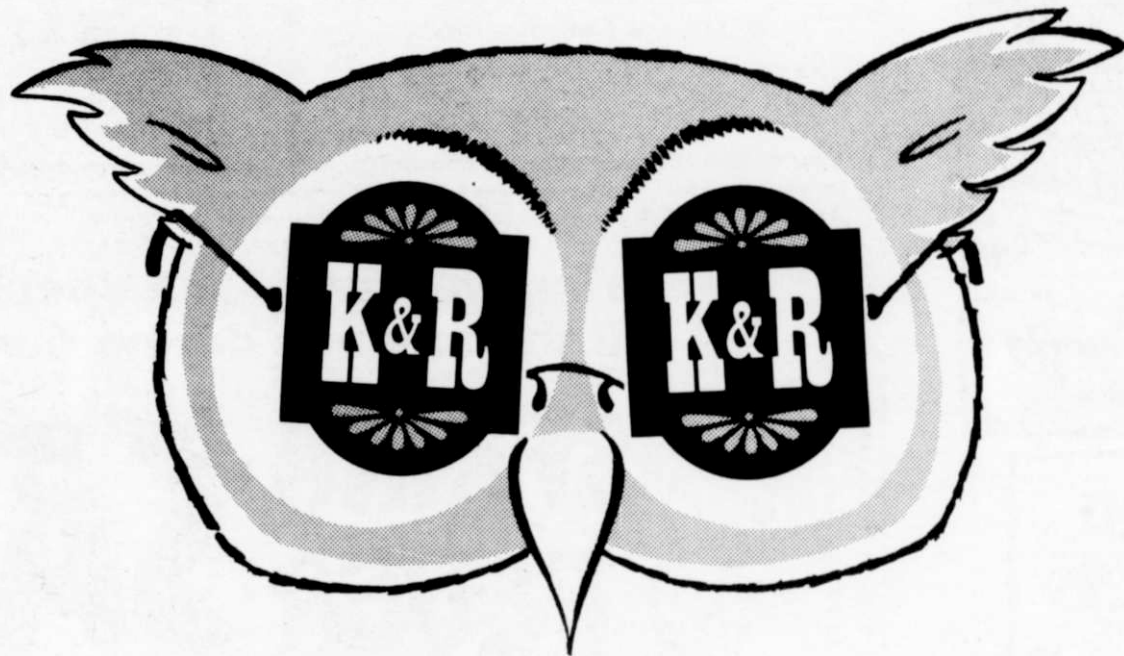

The Kewaskum Junior Women's Club is sponsoring a first aid demonstration Thursday, March 25, at 7:00 o'clock in the basement of the Valley Bank. Oscar Knoeck and Don Ehnert, along with other members of the rescue squad from the Kewaskum Fire Dept., will be putting on the

Presents Program On Trip to Africa To Women's Club

Mrs. Dan (Carol) Miller presented a program of slides and a commentary on her trip to Africa at the Kewaskum Women's Club meeting held March 13 at the Peace Church meeting room.

Mrs. Miller spent about two weeks in January, 1975, touring Kenya and Tanzania in the area around Nairobi in eastern Africa.

Most of the area which the safari toured was wild life sanctuary. Slides of animals, birds and flowers observed were excellent, and Mrs. Miller also described lodges at which the safari stopped overnight along the route. Her observations of contrasts between "free" Kenya and

Communist Tanzania were also very interesting. Her colorful presentation was very much appreciated by the members.

Preceding the program, Mrs. Marvin Martin announced that the Sixth District Women's Club Cosnvention will be held at the Pioneer, Oshkosh, on March 31, and that members who wish to attend should notify her before March 24.

The Lake Keesus Women's Club asks our assistance in its support of AB 507, a bill to require prices on grocery items rather than codes which consumers cannot interpret.

The Spring Luncheon is scheduled to be held on May 1, with a suggestion that those who wish would wear "colonial attire" to commemorate America's Bicentennial. The price of the luncheon will be \$3.00.

The reading group reported

that Grapes of Wrath is being discussed this month, with To Kill a Mockingbird scheduled for April 21. An extra meeting has been set for May, with the book selected. Centennial, added to the previous list.

Music Fest at Town Scott Church

There will be a Music Fest at Immanuel Lutheran Church, Town of Scott, Sunday, March 21, at 8:00 p. m.

Featured are the Jubilee Chorus from Sheboygan, directed by Clyde Gugel, and the Bell choir from St. John's Lutheran School of Sherman Center, directed by David Haberbosch.

Instrumental music will be provided by Dale Luedtke, classical guitar; Darlene

Schacht, flute; Lori Koenke, clarinet; and Carolyn Wilcken, violin. Vocal solos will be rendered by Wayne Kempf, Leander Kempf, Paullette Hinkelmann, Joel Moths and Rev. Robert Wilcken. Immanuel's choirs will participate and there will be community singing for all.

This Music Fest is sponsored by AAL Branch 2557. Refreshments will be served following the program. Ev-

To millions out East, this is Wisconsin

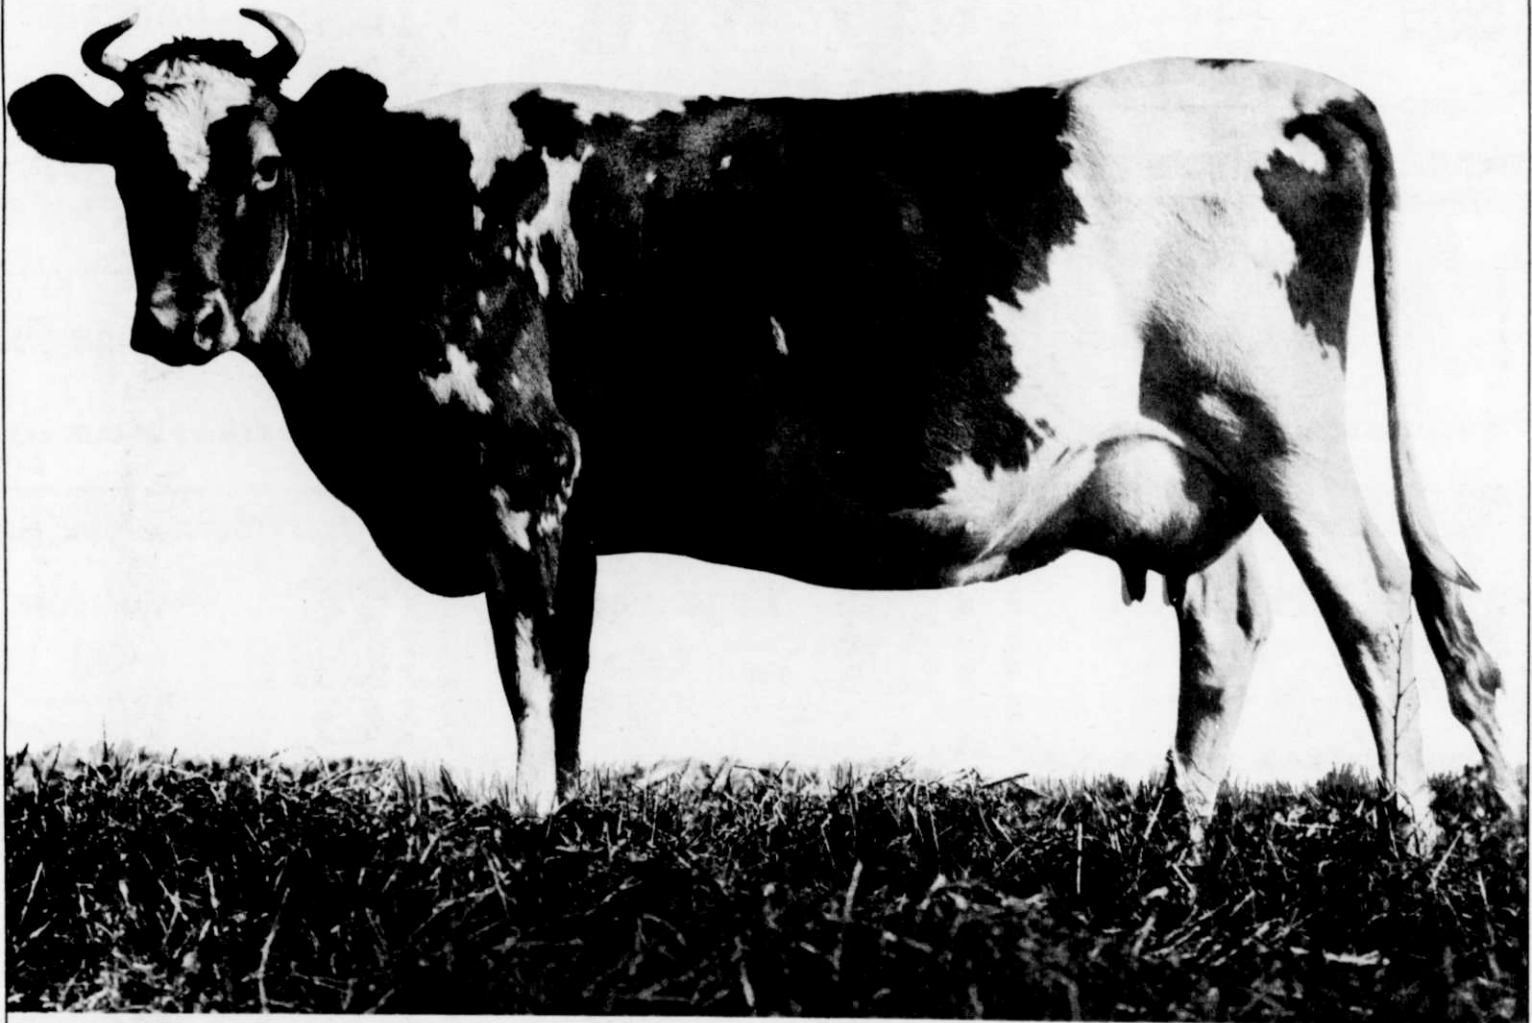

A lot of people think Wisconsin is filled with cows — and not much else. Wisconsin: America's Dairyland. Make no mistake, the dairy industry is vitally important to our economy. In 1975 alone it contributed over one-half of our gross farm income. Milk-producing machines like this one earned \$1,480,000,000 for Wisconsin. Enough so that once again, for the 51st time in 51 years (in fact, since statistics like these have been kept) Wisconsin led all other States in the production of whole milk. Wisconsin farmers lead in condensed milk, too. And whey. And milk cows that calved. In American cheese, blue cheese, Limburger, Muenster, Italian and brick cheese production.

But there's another side to

Wisconsin agriculture—one that's of no lesser importance: crop production. Growing conditions are favorable—soils, precipitation, climate. These, combined with the principles of scientific agriculture and the dedication of the Wisconsin farmer, turn long hours of hard work into cash crops and record harvests. Last year these other Wisconsin farmers led the nation, too. In corn for silage. In hay production. In green peas and beets for canning. And our farmers finished among the top five States in other crops as well. Crops that might surprise people out East and some at home as well. Sour cherries. Cranberries. Corn for canning. Cucumbers, carrots and cabbages.

The Wisconsin farmer: he raises a great deal for all of us.

Why You Went Without Electricity

Kewaskum Statesman
Friday, March 19, 1976

The destruction to electric wires and poles in the March 1976 ice storm was massive; in many cases, entire stretches of lines had to be completely rebuilt. In the hardest hit area -- the Washington and Ozaukee counties -- many subtransmission lines were extensively damaged. As shown in this simplified Wisconsin Electric Power Co. diagram, the subtransmission line (1) had to be rebuilt, before the distribution substations (2) could get electricity. After the substations were energized, the primary distribution lines (3) had to be repaired. It was only after the subtransmission lines, substations, poles, transformers and main distribution lines were repaired that work could begin on the individual service lines (4) that were connected directly to the main distribution lines and on the extension lines (5) and the individual service lines fed from these. — Wisconsin Electric

Deputy Schulteis honored

Kewaskum Statesman
Friday, March 19, 1976

Deputy Sheriff Robert Schulteis, a resident of rural Allenton since 1966, was presented the "Outstanding Achievement" award by Washington County Sheriff Clarence Schwartz recently.

The award, the first ever presented, honors the recipient for dedicated service and outstanding achievement in the performance of duty as a Deputy Sheriff of Washington County," according to Schwartz.

The factors considered are overall performance of duties, dedication, discipline and accomplishments in service to the Sheriff's Department and the citizens of the county.

Schulteis and his wife Joyce, a Germantown High School Teacher, live on a hobby farm in the Town of Addison with their sons Marty and Daniel.

The son of Roman and Mathilda Schulteis of Germantown, he was raised and educated in Germantown. Schulteis joined the Sheriff's Department in 1969 as a jailer and became a deputy in 1971. In 1972, he graduated at the top of his class at the Sheboygan Police Academy Recruit School.

He has served six months as a detective trainee and presently works the night shift.

A former carpenter and proprietor of a general store, Schulteis enjoys sports, carpentry and farming as his hobbies.

Schwartz also presented Shooter Proficiency Awards that grew out of year long weapons training programs.

Deputy Jeff Kanieski was presented with the "expert" award pin and Deputy Ray Mariucci the "sharpshooter" award. They will be allowed to wear their pins as long as they maintain the skills, which are computed on an annual basis.

Schwartz said the awards program will continue in the future.

All Electric Service Restored

Wisconsin Electric Power Company officials estimated that electric service would be restored to almost all remaining customers by last Friday night, depending on the severity of the weather Thursday and Friday.

A company spokesman said that service restoration to a small number of scattered customers in isolated areas might require additional time and crews would continue to work on that task through the weekend, and into this week if necessary until all customers are back in service.

The destruction to wires and poles in portions of Wisconsin Electric's service area from the ice, rain and wind conditions was massive, according to the utility spokesman. In many cases, entire stretches of line going into and coming out of substations had to be completely rebuilt. At the height of the storm, the spokesman said, approximately 60,000 customers were without service. The hardest hit areas were in Washington, Ozaukee, Sheboygan, Waukesha, Jefferson and Walworth counties.

DEAR PEOPLE OF KEWASKUM:

No way can we ever repay or adequately thank all you fine folks for the kindness and concern shown us in the past two years. Beset by problems as we have been, your caring has lightened the load. We are so thankful no one was hurt. The poor firemen groping their way through a house full of smoke, were certainly risking their lives. The immediate help of neighbors and friends kept us comfortable and consoled. Even our dogs found shelter at the Sengpiels. May God bless all of you.

Sincerely,
Mary Roeder and family
A SPECIAL THANK YOU

I wish to express my sincere appreciation to all my relatives, neighbors and friends who remembered me with prayers, cards, phone calls and visits while I was a patient at Milwaukee County General and convalescing at home. Special thanks to Father Budde and Father Waldkirch for offering their prayers and the Mass and to the neighbor who helped shovel our snow. These acts of Kindness will be remembered.

John Kohn
THANKS EXPRESSED

We would like to express our appreciation to Chief Augie Bilgo Jr., the Kewaskum Volunteer Fire Dept. and Sergeant Blank for their prompt and diligent action in saving the Miklas' home and contents and each of our families on the night of March 4. A special thanks for the extra assurance given to our frightened children during the ordeal.

Mr. & Mrs. Tom Miklas
Mr. & Mrs. Richard Peel Jr

THANK YOU

I wish to thank my family, relatives and many friends for their visits, prayers, cards, flowers, phone calls and food while I was a patient at St. Mary's Hospital and convalescing at home. Also thanks to my neighbors for bringing over their generators during the power outage and to all those who asked me to stay at their homes until power was restored. These kind deeds were greatly appreciated.

HOME INSULATION
WE'LL BLOW COMFORT RIGHT INTO YOUR HOME

Economical, Efficient Home Insulation
Pal-O-Pak insulation is the answer to years of searching for a blow-in type of insulation light in weight, efficient and easy and economical to apply. Because Pal-O-Pak is feather light, it can be blown into every nook and cranny with our special blower-type applying machine.

100% Trouble-Free Insulation
In filling side-walls or open spaces under attic floors, Pal-O-Pak is not stopped by obstructions such as nails, plaster keys, conduit, blocking and bridging. This assures you of positive 100% insulation. With Pal-O-Pak you get a full job . . . no voids . . . and because Pal-O-Pak is feather-light, it won't settle, or cause ceiling sag or wall bulges which crack plaster.

Installed By The Most Efficient Methods—
Year round comfort is added to your home with a slash in fuel bills when you insulate with Pal-O-Pak. With less fuel you can keep all your rooms at the desired temperature even in the coldest weather. Drafts and chilly corners are eliminated. In the hot summer weather your home is 10 to 12 degrees cooler.

FIRE RESISTANT!
PAL-O-PAK PASSES THE BLOW TORCH TEST
Pal-O-Pak is chemically treated to permanently resist fire. This important fire resistant quality, as well as Pal-O-Pak's great insulating property is dramatically demonstrated by the "Blow Torch" test. Even after five gruelling minutes under the hot flame of the torch, the surface of a small pile of Pal-O-Pak is only charred and the center of the material is cool to the touch.

-O-PAK Insulation spread between the joists under an attic floor.

Kern Unanimous All-Conference Selection; Tessar on 2nd Team

This year's Scenic Moraine all-conference basketball team was chosen last Wednesday evening by coaches of the league and the five players selected have size, experience and great scoring power.

Jack Kern of Kewaskum's conference champions was a unanimous choice. The 6-3 1/2 senior center was third high scorer with 257 points on an average of 18.4 per game and one of the top three rebounders (170) in the conference. Senior forward Scott Tessar, 5-11, sixth in scoring with 203 points, was named on the second team. Leon Laatsch, 6-3 junior forward, who was 13th in scoring with 170 points, received honorable mention.

There were four centers and one forward named to the first unit. Three of the five, Kewaskum's Kern, Steve Hart of Slinger and Mayville's Mark Gindt were unanimous picks. All were among the top eight scorers and probably the three top rebounders. Hart was 8th in

scoring with 192 points and strong on defense. Gindt, only a junior, scored 196 points for 7th place and his team took defensive honors. Rounding out the first team were Grafton's Scott Maronde and Kettle Moraine's Ted Hettick. Maronde hit the 30 point mark several times and scored 308 points for 2nd place. Hettick had a 231 total for 4th.

The Indians' Kern was also a unanimous all-league pick in football as an offensive end and had a banner senior year.

A surprise on the first team selections was the absence of Pewaukee's Tom Dunne. Although his team finished last, Dunne won the individual scoring title with 330 points for a 23.6 average. He was on the second unit, a long with Germantown's Ed McLellen, Kettle's Bob Jackson, Hartland's Rick Schrammek and the Indians' Tessar, a good outside shooter and deadly from the free throw line.

Honorable Mention — Leon Laatsch, Kewaskum Junior; Dale Hall, Germantown, Sophomore; Al Konrath, Slinger, Junior; Dave Meyer, Mayville, Sophomore; Bob Kanos, Mayville, Senior; Jim Olson, Germantown, Senior.

Diane Strack All-Conference

The Scenic Moraine all-conference girls' basketball team selected by the coaches had all eight conference schools represented. Seven of the 10 girls were unanimous with several being repeaters.

Kewaskum's Diane Strack was picked on the team for the second year and was a unanimous choice. She was 6th in scoring with 192 points and has been on the varsity for four years.

Julie Stoffel and Wanda Akin of Kewaskum received honorable mention.

The Kewaskum girls placed third in the Scenic Moraine with a 9-5 record but went

all the way to the Sectional Finals at Edgerton in tournament play before being eliminated. They defeated Slinger and Pewaukee in the Regional and Campbellsport in the Sectional before being ousted by Clinton.

Mayville's champions and Slinger each placed two players on the all-conference team.

The league's leading scorer was Hartland's Loraine Lorenzen, a junior who hit 274 points.

The 10 girls selected all received Scenic Moraine medals.

Lakes Champs Lose Last Game; Playoffs All-Star Tilt Next

The Kewaskum Lakes team, which had already sewed up the "B" Division crown, lost its final game here Sunday night to the Menomonee Falls Stingers, co-leaders of the "A" Division, 154-137.

Kewaskum, playing without the services of high scoring Ken Loest, surprised the Stingers by leading them at the half, 74-67, but faded in the second half. Falls made good on 22 of 25 free throws for 88 per cent, while Kewaskum sank 19 of 25 for 76 per cent.

The Stingers' Ron Hayek led all scorers with 46 points, while teammates Dan Hakbarth, Ron Plahmer and Steve Wex stored 23, 22 and 20 respectively. Clark Eichstedt again set the pace for Kewaskum with 33 points, followed by Chuck Boegel with 30 and Dave Wieter and Dennis Pieper with 18 apiece.

The championship playoff game between the Menomonee Falls Badgers and Falls Stingers, who ended up in a tie for first place in the "A" Division with 12-2, will be played this Sunday, March 21, at 7:30 p. m. This means that the all-star vs. champs games ("A" and "B" leagues) will be moved to one week later on March 28, at the Falls. Kewaskum's "B" champs will play the all-stars of the rest of the league.

There will also be a playoff in the "B" Division for second place between Thiensville - Mequon, Slinger and West Bend, all tied with 5-9.

Holy Trinity Team League Champions

By Joel Herriges

The Holy Trinity School "A" team finished the 1975-76 season in first place in the Kettle Moraine Catholic League with an 8-1 record in league and 8-2 overall.

The starting lineup was Gary Mlodzik as center, Bob Nigh and Joel Herriges as forwards and Jess Averill and Jim Rohlinger as guards.

The rest of the players were: Mike Pettit, Mike McElhatton, Dale Remmel, Scott Klein, Craig Larson and Jeff Kudek.

The team would like to thank Mark Rodenkirch who coached the "A" team through a great season. Mark has coached the team for the past 14 years. The team also played the all-stars at Lomira.

"B" TEAM WRAP-UP

By Randy Westerman

The 1975-76 basketball season ended up in a sad way for the "B" team. They ended up in last place. Their record was 1 and 8. The coach was Oscar Knoeck, who has coached the Holy Trinity boys for the last five years.

The starters for the "B" team were: Randy Westerman and Ric Leitheiser as guards, Steve Straub as center, John Herriges and Dan Dean as forwards.

The rest of the players were: Ken Bauer, Bob Jandre, Joel Kudek, Pat Miller, Mike Paul, Jeff Schmidt, Dan Gerhartz, Mike Eichstedt.

James Russell and Mark Rodenkirch.

The all-stars were: Randy Westerman and Ric Leitheiser. The alternate was John Herriges. The all-star game was at Lomira High School gym.

U! RAH! RAH! H.T.S.!

by Joan Amerling

This year's cheerleaders for Holy Trinity's "B" team were: Carolyn Gremminger, Sue Harlow, Julie Ritger, Renee Rodenkirch, Carrie Stollenwerk, Lori Strobel, Kelly Tiemann and Sandra Westerman.

The "A" team cheerleaders were: Joan Amerling, Teresa Heisdorf, Jackie Herriges, Sue Russell, Barb Schmidt, Sharon Westerman and Jodi Eichstedt.

Our team's name is Wildcats and our colors are blue and gold. This year, like other years, our halftime activity was the school cheer and two pyramids, including both "B" and "A" team cheerleaders.
