Week's Wit

Marriage is the only cure for a man in love. If that doesn't cure him, nothing will.

Rev. Joiner Installed As Pastor

Rev. and Mrs. Darrell Joiner

The Reverend Darrell R. Joiner was formally installed as the pastor of Peace United Church of Christ in Kewaskum on Sunday evening, January 9, at a 7:30 o'clock service.

Participating in this service were the Rev. Roy Alberswerth of Brookfield, area Association Minister for the United Church of Christ; Rev. Howard Kusler of Wau-

kesha; the Rev. Eric H. Arendt, who delivered the sermon and served as the past interim minister for the church; Elmer Yoost and Wayland Tessa, who gave the scripture lessons.

Immediately following this service was a reception for the Joiners in the Parish Hall. The 9th Grade Confirmation Class had charge of the unique decorations and the

Serving Committee of the Women's Guild served and prepared the delicious refreshments.

Rev. and Mrs. Joiner came to Kewaskum from Gilman, Illinois, where he pastored the Zion United Church of Christ. He began his parish ministry in 1970 and was ordained to the ministry in 1971 and is a graduate of Garrett Theological Seminary. The Joiners began their ministry at Peace Church on November 15, 1976.

Ballot Order for School Board Candidates in Primary Drawn

Eight candidates were verified by the Kewaskum Board of Education Monday evening. The ballot order had been determined by drawing last Wednesday night.

Because of the large slate for the three open positions, the board authorized a primary. This is required by law if there are more than twice as many candidates as there are open seats. The primary will be held February 15, as will primaries for other offices.

The candidates in the order in which they appear on the ballots are: Maryanne Merwin, Jean E. Goeden, John R. Tessar, Thomas W. Gundrum, Francis J. Standish, James Walters, Richard S. Theusch and Donald J. Hlavaty.

Maryanne Merwin was the only candidate present as Clerk James Oelhafen drew the names.

The primary ballots must be canvassed within twenty four hours. On February 16 the ballots will have been counted and two candidates will be eliminated. The remaining six names will then be drawn for their order of appearance on the April ballot.

Oelhafen stated that letters would be sent out to all the candidates informing them of the ballot order and the fact that they must have campaign finance statements signed, notarized and turned in to Oelhafen by January 19.

No New Candidates File in Town Wayne

The Town of Wayne had no new candidates file nomination papers during the week for the various positions open for election.

Those filing for Town Chairman are Leo Zehren, John Oelhafen and Carl Hohlweck. For the supervisory positions, Merlin Ernise, Ronald Panzer, Walter Theusch and Mark Strobel filed. Incumbents Orville Kern, clerk; Raymond Kuddek, Treasurer, and Alvin Wiesner, Assessor, are all unopposed. A primary will be held on Feb. 15.

Building Inspector Candidates Interviewed; Park Decisions Made

By Karen Schmidt
The Kewaskum Village Board met in closed session at 7 p. m. on Monday evening. The board interviewed candidates for the position of part-time village building inspector.

Tom Larsen, Recreation Director, appeared to explain the recreation program, outlining summer offerings, along with the question of charging a non-resident fee.

Village Attorney Roger McKenna appeared with the necessary legal papers for borrowing the \$360,000 based on Valley Bank's Plan No. 2 at an interest rate of 4.9% to pay for permanent park improvements and to purchase and install park equipment.

Dan Schmidt introduced the motion for adoption of the resolution authorizing the borrowing. Motion passed 5-0 with Robert Danielsen, an employee of the Valley Bank, abstaining. Raynor Herriges was absent.

Dan Schmidt stated that several questions had arisen on items James Arthur had relating to the park. The Park Commission had originally decided to go with 100 single phase wiring at a cost of \$800 for lighting the pond, horse shoe pits and tennis courts. It is now recommended to go

with 240 volt lights. This will be slightly more costly to install, but cheaper in the long run to operate. Board voted to go with the 240 volt lights.

In other decisions concerning the park, the board decided to use concrete light poles around the pool area and parking and wood poles

(Continued on Page 2)

Power Outage in 15 Below Zero Weather Here

People, cars, power lines, water pipes and garages who were swamped with calls were effected by the extremely cold temperatures felt here last week and over the weekend.

The mercury here sank to from 15 to 17 below zero again Sunday morning with a wind chill factor of 55 degrees below zero.

The cold caused a power outage in the Kewaskum area Saturday night and people were without light or heat for over an hour. The Wisconsin Electric Power Company reported a power outage in Kewaskum, the Town of Kewaskum and Town of Wayne from 11:32 p. m. Saturday night to 12:42 a. m. early Sunday morning when a main feeder line snapped due to the cold.

All electricity was restored as repair men worked on temporary repairs. Two spans of 26,000 volt wires snapped in the extreme cold, accounting for the temporary loss of power.

32 Fire, 158 Rescue Calls by Firemen in 1976

Fire Chief Augie Bilgo reports that the Kewaskum Fire Department responded to 32 fire calls and 158 rescue calls during 1976. The total fire loss incurred was estimated at \$101,000 and the total miles covered on the rescue calls was 3,807.

Of the 32 fires, seven were in the Village of Kewaskum, 15 in the Town of Kewaskum, six in the Town of Auburn, three in the Town of Barton and one in the Town of Wayne to assist the Kohlsville Department on a mutual aid call.

Fifteen were grass fires during a dry year, 10 were house fires, one a barn fire and the balance car, tractor and electrical fires.

5 Candidates For Village Trustee Posts

The deadline has passed for candidates interested in filing for election to the Village Board. The following candidates have shown their intent to run for village positions:

Charles Miller, Incumbent President, will be unopposed for another term in office. For Trustees, Daniel Schmidt is seeking his third term, David Nigh is seeking his second term and seeking a first term are Mark Kral, Oscar Knoeck, who ran once previously, and Roger Schmitt, who also has tried unsuccessfully before to obtain an office.

The third Incumbent Trustee, Roger Strack, will not seek re-election.

OPEN HOUSE FOR SIXTIETH WEDDING

An open house will be held on Sunday, Jan. 30, in honor of the sixtieth wedding anniversary of Mr. and Mrs. Reuben Backhaus, R. 2, Campbellsport, at Immanuel Lutheran Church in Campbellsport from 3:00 to 6:00 p. m.

1-21-2t

Village Board

(Continued from Page 1)

around the tennis courts and horseshoe pits; also to use four individual metered lights for the tennis courts instead of two metered lights which would mean one meter for two courts.

One tennis court has been designated for volleyball, with the decision being made for removable posts for the nets at the courts. It was decided to keep security lights on at night while the park is not in use rather than have them timed to go out after a specific hour.

Gregor Nigh stated that vandal proof glass for floodlights be installed if the cost is not too high. Some lighting will be on around pool areas during night hours to help police when making rounds.

Concrete will be installed where players stand at the horseshoe pits instead of natural soil.

A motion was made by Dan Schmidt to reimburse village board members \$12 for half day (approximately 4 hours) if member loses equal time from his or her normal full-time occupation from Monday thru Friday. Robert Danielson seconded with the amendment to include Saturday if

that is a normal work day. Schmidt then reworded his motion to read normal full time occupation, during normal work week. Motion passed 6-0.

Dan Schmidt introduced motion to adopt a resolution thanking Regal Ware for their \$27,732 donation to the park.

Charles Miller stated he received a letter from Clifford Nelson, Vice President of First National Bank West Bend, and also Chairman of the YMCA Fund Raising Drive that he would like to donate \$200 to the park. This is an individual donation with no specific area designated that the money should be used toward. Gregor Nigh introduced motion to adopt resolution thanking Nelson for his donation.

Girls Edged by Germantown

With Kathy Mertz, top defensive player and playmaker out, the Kewaskum varsity girls dropped a close 38-36 decision to Germantown here Friday night.

The Indian girls missed 22 free throws, nine in one-and-one situations. And the top scorer, Julie Stoffel, also fouled out of the game, which made the difference. Stoffel scored 13 points, five under her average.

Soph Yvonne Schacht tallied 10 points and kept the team in there. Germantown's Chris Kuells had 14 points, best for her team, and Debbi Hart added 11.

Kewaskum, now 4-3 in conference, has two hard games this weekend, against Pewaukee and Grafton.

Dean-Zacho

Mr. and Mrs. Lloyd Dean of West Bend are pleased to announce the Christmas Eve engagement of their daughter, Julie Ann, to William F. Zacho, son of Mrs. Angeline Zacho and the late William Karl Zacho of St. Michaels.

Julie attended West Bend East High School and is presently employed at Mallard Coach in West Bend.

William attended Kewaskum High School and is presently employed at Schwartzburg Oldsmobile in West Bend and at Sunburst Ski Area in Kewaskum.

An Aug. 5, 1978 wedding is being planned by the couple.

Show me a man who comes home in the evening, is greeted with a smile, encouraged to take off his shoes, has pillows arranged on the floor for him and is served a delicious meal, and I'll show you a man who lives in a Japanese restaurant.

Ralph J. Marx Dies Saturday

Ralph J. Marx, 56, of Kewaskum, a certified public accountant with Regal Ware, Inc. until the time of his death, died Saturday, Jan. 15, at St. Joseph's Hospital, Milwaukee, where he had been a patient for three weeks.

He was born Aug. 3, 1920, in Kewaskum, a son of the late John and Augusta Schmidt Marx. On May 5, 1948, he married Marguerite Urban at Holy Trinity Catholic Church, Kewaskum.

He was graduated from Marquette University at Milwaukee in 1941 and received his certified public accountant license in 1949. Mr. Marx was a partner in the accounting firm of Kannenberg and Marx at West Bend from 1952-1965. This was the first CPA firm established in Washington County.

He entered the service in 1942 during World War II and was commissioned a second lieutenant in 1943. He was released from the service in 1946. In 1950 he was recalled to service during the Korean Conflict and received the Silver Star for bravery in action and the Purple Heart.

Mr. Marx was a member of Holy Trinity Holy Name Society, Knights of Columbus and Catholic Knights, was past commander of the Rob-

ert G. Romaine American Legion Post 384 in Kewaskum, past president and treasurer of the Kewaskum Kiwanis Club for many years, a member of the Marquette Alumni Association of Milwaukee and a member of Wisconsin Society of Certified Public Accountants.

Survivors include his wife; one son, Richard of Jackson, Miss.; two daughters, Janet and Jeanne, both of Kewaskum; two brothers, Sylvester (Delores) of Waukesha and Harold (Eleanor) of Kewaskum; one sister, Kathryn (Carl) Malischke of Wauwatosa; his mother-in-law, Mrs. Helen Urban, Santa Paula, Calif. and many other relatives and friends.

Visitation at Miller's Funeral Home, 215 Forest Ave., Kewaskum, was after 3 p. m. Tuesday and the rosary vigil was at 8 p. m. Tuesday evening.

Funeral services were held at 10 a. m. Wednesday at the funeral home and at 10:30 a. m. at Holy Trinity Catholic Church. Rev. John T. Budde officiated and burial was in the new Holy Trinity Cemetery with military graveside services.

MRS. ALVIN RUIHKE

Mrs. Alvin (Myrtle) Ruhnke, nee Wilke, 49, of R. 2, Timber Trail, Fond du Lac, passed away at St. Agnes Hospital, Fond du Lac, on Saturday, Jan. 15. She was a sister of Irene (Howard) Butzlaff of Kewaskum. The funeral was held at Fond du Lac Tuesday with burial in Washington County Memorial Park, West Bend.

READING COUNCIL TO MEET JAN. 26

The next Washington - Ozaukee Reading Council (WORC) meeting will take place at 7:30 p. m. on Wednesday, Jan. 26, at Fair Park School in West Bend.

The three part program will focus on the following:

1. The Instructional Media Center.
2. Readiness for learning.
3. Using the newspaper in the classroom.

All parents and educators interested in reading are invited. If you desire more information please call Christine Siplon, West Bend, 334-0629 or Helen Proffit, Grafton, 377-8384.

Re-Appoint Mrs. Martin Heart Fund Chairman

Mrs. Minerva B. Martin of Kewaskum has been re-appointed Chairman of the 1977 Kewaskum Heart Fund. Mrs. Martin has worked as a Heart Fund volunteer previously, serving as Heart Fund Chairman for two other campaigns.

"The 1977 Heart Fund campaign in Wisconsin is striving to raise \$1 million," the Chairman explained. "This money will enable the Heart Association of Wisconsin to continue its important work of education, community service and support of heart research."

"Cardiovascular diseases are the number one health problem in our country," Mrs. Martin explained. "Though progress in combating this killer is being made, more — much more — must be done to reduce the premature death and disability that results from heart disease. The

American Heart Association is the only voluntary health agency that is working toward a solution of the problems posed by the cardiovascular diseases," she added.

Mrs. Martin and her husband, Marvin, are both retired. They reside at 1199 Kewaskum Street in Kewaskum. In addition to her work as a Heart Association volunteer, Mrs. Martin also serves as President of the Kewaskum Woman's Club.

"Now don't enjoy yourself into a state of utter exhaustion."

AWSC District Snowmobile Meeting Held Here

On Sunday Jan. 16, the Association of Wisconsin Snowmobile Clubs (AWSC) District I meeting was held at the Amerahn in Kewaskum. The Kewaskum Sno-Chiefs Snowmobile Club was host club for this event.

District I encompasses Southeastern Wisconsin and the following counties were represented: Jefferson, Milwaukee, Waukesha, Fond du Lac, Sheboygan, Green Lake, Marquette, Washington, Ozaukee and Dodge. Only Columbia county was unable to send a representative. There were about 90 delegates present at the meeting.

Ralph Culver, Vice President of the AWSC spoke on communication between snowmobilers with the purpose of uniting all in a common cause, safe snowmobiling. He also spoke of the need for obtaining funding for future trail building and expansion of the present pro-

gram. Culver stated that there were 532 clubs in the state belonging to the AWSC for the year 1975 - 76 and an increase of 56 clubs for a total of 588 for 1976-77.

Robert Steffes, a member of the Governor's Council and Trails Committee, spoke on the cost of building and maintaining trails. A question and answer period followed.

Election for directors from the different counties was held and all incumbent directors were unopposed so were re-elected.

Robert Staehler of the Kewaskum Sno-Chiefs, was elected for his second two year term, representing Washington County. Paul Kranig representing Fond du Lac County and George Lendved, representing Sheboygan County, were also re-elected to serve on the AWSC Board. The Association of Wisconsin

Snowmobile Clubs is the largest organization of its kind in the U. S.

At the meeting there was input from the delegates on how future meetings will be held and the location of these meetings, also insurance trails, the convention, grooming seminars, law enforcement, and various problems that snowmobile clubs have were discussed.

The meeting was very successful despite the cold weather. A noon luncheon was served and the meeting broke up about 3 p. m.

Sno-Chiefs Poker Run Jan. 21 - Feb. 6

Jan. 21 to Feb. 6 have been chosen for the Kewaskum Sno-Chiefs second annual Poker Run. This year something new will be tried with the run extended over a two week period. Last year it was done in one day and the heavy use of the trails made them impossible by the middle of the day.

The rules remain the same, with the cost being \$2 per hand. Any amount of hands can be played during the two week event. Herriges Tap, St. Michaels, Wes & Rosie's, Kewaskum, Hon-E-Kor, Kewaskum, Lambert's, St. Kilian, Amerahn, Kewaskum, and Barney's Wayne, are the check points. A card will be picked up and recorded at each of the check points. Cards will be tabulated and winners will be determined. Announcement of the winners will take place the evening of Feb. 6 at Hon-E-Kor.

The check points do not have to be made in one day but can be extended over the two week period.

The check points can be made by car if weather does not permit use of snowmobiles.

Everyone in the surrounding areas are invited to participate. Proceeds from this event are to be placed in a trail fund to be used for buying and maintaining trail grooming equipment.

Rescue Squad Calls

Monday, Jan. 17, 3:57 a. m. — Mary Bistan, 6126 Hwy. SS, R. 1, Adell, removed to St. Joseph's Community Hospital, West Bend, from her residence.

Tuesday, Jan. 18, 8:30 a. m. — Kathleen Sese, 808 Pleasantwood Dr., Kewaskum, removed to St. Joseph's Community Hospital from Hwys. 45 and H with auto accident injuries.

"Quality Not Quantity"

Social Worker Discusses Pay Cut With Board

A full agenda faced the Kewaskum Board of Education at its meeting Monday evening. The board recessed following the call to order to discuss two employment questions as well as salaries of teaching principals.

When the open meeting was reconvened, the board heard a statement from Dave Schroeder, school social worker. Schroeder discussed the cut in salary he had received as a result of the negotiations, and as a result of his position being included this year in the Kewaskum Education Association bargaining unit. He asked the board to reconsider its earlier action which placed him on the sal-

ary schedule rather than continuing the pay rate from the original contract he had signed in August. He said he had not asked to be placed in the bargaining unit and was not aware of this possibility at the time he signed the contract. No action was taken by the board to alter its original vote.

A services contract was approved with the Wisconsin Association of School Boards. The contract is for services beyond those offered all member districts, and for the past two years has included the services of a negotiator, as it will again this year.

A report on the district Title IX evaluation was approved, and a Federal Title IV project was also approved. The Title IV application will include Holy Trinity. The Kewaskum portion will include film loop projectors and films at the elementary

level and a new video tape recorder - player for the middle school and one for the high school. The program will be submitted for approval, and is one which is entirely funded by a Federal education program. St. Lucas chose not to participate this year.

Approval was given for a contract for Gene Potratz as a part-time agriculture teacher for the second semester. These three classes were taught by an intern-teacher during the first semester. The state intern system was unable to provide an intern for second semester, making this change necessary. Potratz is a graduate of River Falls.

In other business, the board refused to accept a request from Lana Becker to graduate after her junior year, approved the final purchase of a copier which was being rented, approved hiring Brown Control Service to check the heating controls in the high school building, and heard a letter from a local citizen on school and other local taxes.

The board expressed its thanks to the Willard Degnitz

family for the presentation of a flag to the Farmington School in memory of their father, Robert Degnitz, who had originally owned the land on which the Farmington School was built.

A closed meeting was held following the open session to discuss a student personnel problem.

ELECTION TRAINING SESSIONS SCHEDULED

The State Elections Board will be holding two election training sessions locally through the Educational Telephone Network (ETN).

On Jan. 22, from 1:00-3:00 p. m., a session on campaign finances will be held at the ETN listening station at the Washington County Courthouse Annex II, 515 E. Courthouse St., West Bend. Clerks, candidates, campaign treasurers, political committees, special interest groups, local officials and others interested are invited to attend.

On Jan. 29, from 1:00-3:00 p. m., a session will be held on voter registration at the

Page 5
Kewaskum Statesman
Friday, January 21, 1977

same location. All election officials and other interested persons are invited to attend.

CHERI IS NOW THIRTY— Cheri (Otto) Ramthun had a birthday Monday. It wasn't just an ordinary birthday — it was her 30th. To commemorate the occasion, some mischievous little gremlins put up a sign on Werner Dr. leading to her home and another large sign on the Ramthun garage door announcing the special event. Also, these little gremlins somehow got into the house and put up "Happy 30th Birthday" signs on every possible place for Cheri to see. Their prank was accomplished while Cheri was at the beauty shop.

A surprise "Over the Hill" luncheon was given in her honor at the home of Kathy (Harvey) Ramthun for about twelve young ladies which included her mother, Marge (Willard) Lynn and her sister Bonnie (Dave) Oppermann.

Cheri had a very memorable day, topping it off by being a guest with her husband at the Washington County Tavern Keepers Annual Christmas party held at Germantown that evening.

Turning Thirty

By SHARON YATES LYERLY

I dreamed of being sweet sixteen,
Then magic twenty-one,
But suddenly I'm twenty-nine
And seeing thirty come.
My babysitter calls me "ma'am"!
It makes me feel quite numb.
How can I think of me as old?
I've always been so young!

Once I could name the "top ten" songs
Played on the radio,
And now I turn the rock groups down
Or hunt for something slow.
Now there are lines around my eyes
I thought would never show,
And pounds that used to be above
My waist have sunk below.

The boy I worshipped as a teen
Now lies beside me snoring.
His middle's thicker — so is mine,
And he's not so adoring.
He used to worship at my feet,
Now mostly he's ignoring.
I once clung to his every word;
Now sometimes he is boring.

I was depressed to see how fast
My youthful days could flee,
And then I met a fine old man.
His age was eighty-three.
His hair was white, his walk was slow,
And he could barely see.
He called me "child" and said he wished
He was as young as me.

See me for savings!

Star and executive producer of the hit television series "Little House On The Prairie," Michael Landon has been named National Chairman for the Easter Seal Society for 1977. In the volunteer role, Landon will lead the national drive to marshal public support for the nation's largest and oldest voluntary health agency serving the physically handicapped. Landon will also serve as host of the National Easter Seal telethon scheduled March 26-27.

Racer-Gundrum

Mr. and Mrs. Roger J. Racer of W233 N6076 Lilac Dr., Sussex, are proud to announce the engagement of their daughter, Linda, to Joel D. Gundrum of 5610 N. 65th St., Milwaukee. Joel is the son of Mr. and Mrs. Lawrence Gundrum of Kewaskum.

Linda graduated from Custer High School, Milwaukee in 1976, and is employed as a teller at Farmers and Merchants Bank, Sussex.

Joel is a 1975 graduate of Kewaskum High School and is a mechanical maintenance apprentice at Falk Corp. The couple has chosen March 11, 1978, as their wedding date.

Dreher - Morenzi

Mr. and Mrs. Allen Dreher, Morenzi, son of Mr. and Kewaskum, are happy to announce the engagement of their daughter Kris, to Larry Morenzi, son of Mr. and Mrs. Earl Morenzi, Kewaskum. He is employed at Hydraulic Gear, Kewaskum.

Junior Woman's 10th Anniversary

Having a birthday is just not something women our age like to admit to these days but this one was special. The Kewaskum Junior Woman's Club celebrated their 10th anniversary birthday party at Peace Church on Jan. 13.

The gathering of present club members, many "old" faces, as well as celebrities and guests, a delicious buffet dinner, memories of the past and plans for the future were all features of the evening's festivities.

Special guests included Mrs. Gene (Judy) Harrison, Wisconsin Federation of Women's Clubs State President, who spoke to the group on the highlights of the General Federation of Women's Clubs accomplishments throughout the years and the theme for the 1976-77 club year — "We Feel We Care."

Also on hand were Kewaskum Woman's Club members, Mrs. Minerva Martin, Mrs. Ruth Held and Mrs. Pat Peterson, who so generously gave of their time in assisting the Juniors to obtain their charter way back in 1967. It was only fitting that they, too, join us in celebrating our first 10 years in business.

Former KJWC members and guests of present members were then introduced: Charlene Barutha, Jean Becker, Linda Bickerstaff, Sue Bingen, Marian Fritz, Judy Geidel, Maureen Heberer, Karen Johann, Bonnie Koepke, Karen Mathis, Betty Mertzig, Carol Oelhafen, Sharon Petermann, Josie Pfeiffer, Karen Staebler and Jeannette Salon (who, by the way, tra-

veled all the way from Antigo to be with us). Also on hand were Mrs. Gail Kapellen 6th District Jr. Director, and Karen Jusky of the Plymouth JWC.

A brief skit, enacted by Char Keller, Ros Kiefer, Sandy Rimmel and Gloria Rodenkirch, written and moderated by Judy Wenzel, depicted some of the highlights of KJWC's last 10 years.

A short business meeting followed the dinner.

Carol Leitheiser (treasurer) announced that \$17.52 had been realized from the collection taken at December's meeting when we measured our waists and donated a penny for each inch. (Diet Delight — here we come!)

Sherri Miller (Social) has set up a Couple's Bowling Event to be held on Jan. 30 at 2 p. m. If interested, contact Sherri.

Ros Kiefer (Cookbook Project) related that KJWC's "Kewaskum Kettles" will be available to the public on or around April 1. Advance orders can be made with any KJWC member, or by calling Ros at 626-2566. The cost will be \$3.00 each. Payment will be due on receipt of the cookbook, so place your orders now!

Pat Redig (Education) informed us that the Parent Effectiveness Training session, presented by Mr. Sehermacher of West Bend, will be held at Valley Bank in late January or February. Husbands of club members, as well as the general public, are cordially invited to attend. (Watch this newspaper for further information).

Cindy Knoebel (International Affairs) called a meeting of her committee members at 7:30 p. m. on Jan. 19.

Norma Lyman (Ways & Means) announced that proceeds of the Santa Claus luncheon netted \$187.34 and the Radio Flyers Dance netted approximately \$500, both of which will be added to the club's coffers. Mary Gutjahr, Sue Heisdorf, Char Rademacher and Corey Wuebben were thanked by the club for their extensive publicity efforts regarding the dance.

Judy Nycz (Corresponding Sec.) read a letter from Fred Bury, Administrator of St. Joseph's Community Hospital, West Bend, thanking the Juniors for their generous donation of placemats to the hospital.

Judy Wenzel (Arts) informed members of the dinner-show presentation "Last of the Red Hot Mamas" to be held at the Holiday Inn and encouraged members to show their support by attending.

Sherri Conley, State Junior Director, closed our birthday party with a little poem meant especially for us, followed by the presentation of a birthday gift from Sherri and Judy to KJWC President Ann Enright.

(We must give Diane Buchel, one of our talented members, a big "thank you," too, for the lovely birthday cake

she concocted for this event. What's a birthday without a cake!)

Theusch Delegate To State School Boards Convention

Richard Theusch was the Kewaskum delegate to the Wisconsin Association of School Boards Convention which was held this week.

At the local school board meeting held Monday evening, the board discussed the various resolutions to be acted on at the WASB delegate meeting, and indicated their wishes on the vote to be cast.

The board expressed its approval for a resolution supporting raising the legal drinking age from 18 to 19. They were opposed to a resolution which would allow districts to average two years of student enrollment in calculating state aids. This reso-

lution was designed primarily to help districts with declining enrollments. Support was expressed for a resolution calling for clarification of the Cooperative Education Service Agencies in Wisconsin, as well as some of the functions they can carry on.

Vocational-technical district boards would be selected by popular vote if a resolution proposed for delegate consideration becomes law. The board expressed its support for this concept.

Proposed amendments to the WASB by-laws calling for allocation of votes by school size was not supported.

The Wisconsin Association of School Boards uses the votes on the resolutions each year to help determine its positions on pending legislation and on state-wide educational issues.

Are you concerned about losing weight? Are you frustrated doing it alone?
Now is the time for you to join "Project Hope Weight Control".

Project Hope is a local group made up of people who are concerned about their health and appearance and want to lose weight sensibly. Project Hope originated in January 1976 with approximately 100 interested individuals. The group has been involved in activities to motivate individuals to lose weight.

In January, U.W. Extension will be kicking-off a new project to encourage more people to join the county-wide concern for men, women and youth to lose weight sensibly. Individuals interested in joining Project Hope are invited to get a group of at least five individuals to join with them in their campaign to lose weight. Then notify the U.W. Extension Office of your intent to join Project Hope. An informational packet will be sent to your group.

Each group is encouraged to meet once a week. A "Project Hope Idea" will be given to each group for local get togethers. Once a month, a county-wide meeting will be held at which time each person will be weighed in. This county-wide meeting will be a special program on some aspects of weight control. A diet luncheon might be held in conjunction with the meeting. Group membership also entitles you to a monthly newsletter "Fat ~~Fighter~~ Fighter Facts" for each member.

Project Hope groups might be formed where you work, at schools, men's clubs, women's clubs, neighbor group, family group, recreation groups, etc.

The first organizational meeting will be held on January 25 at 9:00 a.m. or January 26 at 7:00 p.m. Reservations for the meeting must be made no later than January 21. Call 334-3491, 644-5204 and ask for U.W. Extension.

Organize your Project Hope weight group now. Take off pounds sensibly in 1977.

What a cinch it always was
To get the contents out,
Till some bright chap invented
The "easy pouring spout."

MINUTES OF VILLAGE BOARD MEETING

**Regular Meeting
January 3, 1977
8:00 P. M.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Charles Miller presided and all Board Members were present.

The minutes of the meeting of December 21 were approved as printed. Motion by Trustee Schmidt, seconded by Trustee Strack. Unanimous vote.

A public hearing was held on the application of William J. Kulas for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises located at 109 Main Street (The Glacier Inn). Mr. Kulas was present at the hearing. There were no objections to the granting of said license. Motion was made by Trustee Danielsen, seconded by Trustee Herriges, and carried. That the public hearing be declared closed. Unanimous vote.

The application of William J. Kulas for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License for the premises at 109 Main Street (The Glacier Inn) for the period of January 4, 1977, to June 30, 1977, was approved by the board and the Commissioner was authorized to issue the proper license upon

payment of the required fee. Motion by Trustee G. Nigh, seconded by Trustee Danielsen. Unanimous vote.

The 1977 wage and salary scale was ratified by the Board and ordered placed on file in the office of the Commissioner to be open for public inspection at any time during normal office hours. Motion by Trustee D. Nigh, seconded by Trustee Herriges.

Roll call vote - 7 "aye"
0 "nay"

The purchase of a recording clock for Water Department Pump House Number 1 at an estimated cost of \$750.00 was approved by the Board. Motion by Trustee Herriges, seconded by Trustee Schmidt.

Roll call vote - 7 "aye"
0 "nay"

President Miller reported that Regal Ware, Inc. had committed themselves to provide the necessary funds to construct the two softball diamonds in the proposed new Kewaskum Kiwanis Community Park. The pledge is in the amount of \$27,732.00.

President Miller was authorized to execute the planning work orders of Arthur and Associates for the new Kewaskum Kiwanis Commu-

nity Park. Motion by Trustee D. Nigh, seconded by Trustee Herriges. Unanimous vote.

The totals of all claims, as recommended for approval by the Finance Committee, were as follows:

Village Gen. Fund \$69,565.10
Water Dept. Fund 957.32
Sewage Dept. Fund 4,532.95

Motion by Trustee Herriges, seconded by Trustee D. Nigh to approve the bills as presented by the Finance Committee. Unanimous vote.

Upon motion by Trustee Schmidt, seconded by Trustee Herriges and duly carried, the Board adjourned subject to call by the President.

William S. Martin,
Commissioner

Kettle Riders to Hold Big Brothers Snowmobile Rides

Two big projects headed the business agenda at the New Fane Kettle Riders annual meeting Jan. 16. The upcoming fourth annual Kettle Riders - Big Brothers snowmobile ride and lunch will be held on Saturday, Jan. 22 at 2:00 o'clock at the New Fane Sportsmen's Club.

Looking ahead to February, the club will be sponsoring a "pizza sale" with all proceeds going to the 1977 Multiple Sclerosis Campaign. The club hopes the community will back them in this worthwhile event by stocking up their refrigerators with pizzas purchased from the Kettle Riders.

The last order of business at the meeting was the election of officers for 1977. Dennis Seideman was re-elected President. New officers are: Martin Haack, Vice-President; Arlene Fischer, Secretary; Marilyn Bohn, Treasurer and Bill Haack, Director. Glen Mueller and Jerome Peters will continue in their unexpired terms as directors.

Millie Odekirk was elected delegate for the Northern Kettle Moraine Association.

COUNTY UNIT OF TOWNS ASSOCIATION TO MEET

The Washington County unit of the Wisconsin Towns Association will meet Monday, Jan. 24, at 8:00 p. m. in the county board room of the County Courthouse, West Bend.

Unit Chairman, Vaughn Brown, invites members and any interested persons to attend.

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

DO IT YOURSELF

- * No Costly Installation Charge *
- * No Charge for Use of Blower When You Purchase Insulation From Us.

OR WE'LL DO IT FOR YOU

R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION . . . PER INCH!

NU-WOOL is pneumatically blown between and over ceiling joists, filling and sealing every crack and crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why NU-WOOL is your final choice in insulation

- PERFORMANCE**
NU-WOOL insulation has been tested and rated by Factory Mutual Research Laboratories meeting all insulation ratings. NU-WOOL meets or exceeds federal specifications No. H4-1-515A, and is approved for use in F.H.A. structures.
- COOLS IN SUMMER**
NU-WOOL insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.
- REDUCES HEAT COST**
Correct attic insulation can save you 30% or more on fuel.
- HIGH R-VALUE**
NU-WOOL cellulosic fiber exceeds most insulation (by laboratory test) in resistance to heat or cold.
- HELPS CONTROL ICE BUILDUP**
Damaging ice and icicles on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.
- MANUFACTURING INSULATION SINCE 1949**
NU-WOOL has been supplying the building industry for over 26 years, proof of our reputation.
- PLUS SOUND PROOFING**
One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.
- RESISTANT TO MOISTURE**
The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.
- WILL NOT DETERIORATE**
It is a life-time insulation because it is treated with chemicals that are permanent.
- FIRE RESISTANT**
Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.
- VERMIN AND RODENT RESISTANT**
Chemically treated to repel insects and rodents from working in materials.
- GUARANTEE**
Nu-Wool Insulation is guaranteed for the life of the structure (building).
- LIGHT WEIGHT WILL NOT SETTLE**
Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

IN MEMORIAM

In loving memory of our dear wife and mother, Mrs. Ray Bonlender, who passed away one year ago, Jan. 22, 1976:

We can't believe that you are gone
Over the hill and far beyond
Where angels tread and saints delight
To have you.

We miss you so — it's Gods will we know
And you were so ready to go
But selfishly — we'd be little again
To have you.

Your gentle face and precious smile
That made life so worthwhile
To all of us who were lucky enough
To have you.

We thank God you were our wife and mother.

Sadly missed by the family

ACTION + SATISFACTION

Soil Contracts, Plans Ready for Local Landowners

The monthly meeting of the Washington County Soil and Water Conservation District (SWCD) was held in the old courthouse on Dec. 12. Those present at the meeting were: Reuben Schmal, Willard Heppe, Norb Dettmann, Pat Schwulst, John Kohl, Dan Wilson, Harold Ryan, Harry Hendrickson, Don Kurer and Tim Anderson.

The District is pleased to report that six new cooperators have agreed to practice soil and water conservation on their land. They are: Ferd Sterman and Gerald Ziegelbauer from Hartford; Frank Dehler from Addison; Mike Lettow from Kewaskum; and Bruce Mittelstaedt from Polk.

Don Kurer of the Soil Conservation Service (SCS) reported that some contracts and plans for the Washington County Project have been prepared and are ready for implementation this spring. Those landowners whose contracts are ready for the project in the Kewaskum area are: Howard Proeber, Hilbert Yogerst, Edward Markielewski, Lester Hahn, Orin Kirchner, John McElhatton, and Carl Volm.

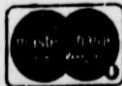

The Washington County SWCD agreed that they will adopt the Soil Conservation Service's technical guide as the official standard for use in control of erosion and sediment.

Dan Wilson, Resource Development Agent for the county, reported that the District's Long Range Plan is nearing completion of the first draft. The backbone of a Long Range Plan is to set guidelines for landowners, landusers and units of government to follow for the next 5 or 10 years.

The meeting was brought to an end by tentatively setting Feb. 10 as the District's annual planning meeting date.

"After dinner sit a while;
After supper walk a mile."

AREA DAIRY FARMERS VOTED DELEGATES TO FARMERS UNION MILK CO-OP ANNUAL MEETING

Page 15
Kewaskum Statesman
Friday, January 21, 1977

KEWASKUM, WIS. -- "The dairy price support level and use of dairy imports and dairy substitutes are items of major concern to dairy farmers," dairyman Donald Uelmen told area milk producers in Kewaskum today.

Uelmen, Asst. manager of the Farmers Union Milk Marketing Cooperative, said milk supports should be increased \$1.20 per hundredweight to 90% of parity. "That would still be more than \$1 below cost of production," he told members of the co-op's Kettle Morraine Local. "And I fear we will only get a compromise increase of about 60¢ per hundred."

Uelmen also warned that substitution of imported casein and non-milk components for milk solids in ice cream and lowfat fluid milk may result from identity standard changes now being considered by the Food and Drug Administration.

"Casein, the most heavily imported dairy item, is not subject to import quotas like cheese, butter and milk powder. Last year casein imports doubled over a year earlier, but the Agriculture Department refuses to establish a quota," he said.

Delegates elected to represent area members at the co-op's annual meeting February 26 include:

Mr. & Mrs. Armin Arndt
Mr. & Mrs. Donald Uelmen Jr.
Mr. & Mrs. Wallace Kleinhans
Mr. & Mrs. Bernhard Hall
Mr. & Mrs. Ralph Lehman
Mr. & Mrs. George Wenninger
Mr. & Mrs. Leland Schaub

Mr. & Mrs. Lawrence Weiss
Mr. & Mrs. Henry Oppermann
Mr. & Mrs. Robert Arndt
Mr. & Mrs. Gary Schneider
Mr. & Mrs. Edward Yoeckel
Mr. & Mrs. George O'Brien Sr.
Mr. & Mrs. George Waldschmidt
Mr. Archie Winker

Uelmen also expressed concern about a recent General Accounting Office study recommending a further look at phasing out dairy import quotas.

"A study of alternative import policies by the Agriculture Department last year showed that eliminating import quotas would cause a temporary price drop as subsidized imports moved into the U.S. market," he said.

"But by 1980, the study concluded, 185,000 dairy farms - half of those in business today - would be gone," according to Uelmen. "And once gone, import subsidies would stop and consumers would pay more for dairy products than they would had domestic production been maintained."

Indians Almost Upset Germantown: Whip Horicon As Laatsch Hits 38

The Kewaskum Indians came very close to winning their first conference game here Friday when a last second basket gave third place Germantown (4-2) a narrow 62-60 victory.

In non-conference action here Tuesday, the Indians ripped another Flyway loop team, Horicon, 84-71. Kewaskum led by about 20 points most of the time and everybody got a chance to play. Leon Laatsch, top Scenic scorer, set a single game scoring record of 38 points as the Indians rolled up 84 points, their most of the season. Ten Indians scored in the contest.

In the Germantown game Kewaskum had a disastrous first quarter and fell behind 22-9 but rallied to catch up and go ahead, only to squander a lead of their own.

While the Indians held down Germantown's star Ed McLellan, it was Doug Wagen who led the early going with 8 points. Wagen also fed McLellan in the last quarter when he scored 12 of his 16 points, including the winning basket from 20 feet. With the score tied at 60-60, Germantown called a timeout with 23 seconds left, after which McLellan scored with one second left.

Kewaskum rallied in the second quarter behind the shooting of Laatsch, Mark Tassar and Paul Brenholt to cut Germantown's lead to 42-38 at halftime. The Indians went ahead 38-36 in the 3rd quarter behind Laatsch's hot shooting (he had 14 points in the quarter) and led going into the final period, 48-44. The lead changed hands until McLellan made two free throws with 44 seconds left to tie it at 60-60, before his last second basket won the game.

Laatsch paced the Indians with 28 points and 11 rebounds, followed by Tassar with 18. McLellan's big last quarter gave him team honors with 16 while John Schultz had 15, Wagen 13 and Tom Held 10.

In the Horicon tilt Tuesday Kewaskum didn't do well on defense but the offense made up for it with 84 points. The 38 points by big 6-3 Laatsch, who is averaging 23.6 made the difference. He broke up a close game in the early going with 7 straight points and some help from Tassar in a 12-point surge. Three more points and the Indians led 18-6 as Horicon was unable to solve Kewaskum's press.

Laatsch added 12 points in the second period to the 11 he already had and at halftime Kewaskum led 36-25, after the Marshmen had been 18 points down. It was all Kewaskum in the third quarter as they went ahead, 51-29, and still led by 18, 57-39, at its end as Laatsch continued to pile up points. When he hit 36 it broke Tom Theusch's old mark of 34 set in 1972 vs. Campbellspoint. Two more free throws gave him 38 on 15 baskets out of 31 shots and 8 of 11 free throws.

Kewaskum is now 2-8 ov-

erall and 0-6 in conference.

In other Scenic contests on Friday Slinger had trouble beating Pewaukee, 77-71. Hartland won over Grafton, 70-53, and Mayville downed Kettle Moraine, 54-46.

Friday against German town the freshmen won 50-48, and the JV's lost, 48-44. Against Horicon the JV's won in overtime, 57-53.

This weekend at the half-way point in the season the Indians play on successive nights. Friday they travel to Pewaukee and stand a good chance of winning their first game. Saturday they host Grafton, which is tied for third.

Wrestlers Beat Slinger, 38 - 18

Kewaskum's wrestlers easily downed Slinger Thursday night, 38-18. It was Parents' Night and the crowd seemed to inspire the Indians.

Dan Ruplinger won again at 105 and is the only unbeaten wrestler on the team with 16 victories 13 of them by pin. He is yet to be scored on. The Indians had two pins, by 155 lb Steve Schneider and 185 lb Eric Schmidt. Schmidt is now 14-1-1.

Slinger's best were at 98 where Jim Brown (9-1) won convincingly over Mike Ruplinger, 10-0, and at 138 where Tom Brugger beat Dan Schmidt, 10-3.

Kewaskum is now 3-2 in conference and Slinger is 1-4.

KEWASKUM 38, SLINGER 18

All Kewaskum wrestlers listed first.

Kewaskum Wins In Tournament But Loses in Lakes Play

Kewaskum advanced in tournament play at Mount Calvary by winning their first game 96-88 over Richland County Bank Sunday afternoon but lost a 142-130 barn-burner at Cedarburg Sunday night in the Lakes League.

Kewaskum's next game in the tourney will be Saturday, Jan. 22, against the Bank Bullet of Milwaukee at 8:45 p. m. If Kewaskum wins this game they will be in the semi-finals Sunday, Jan. 23, at 2:30 p. m.

Ken Loest whipped in 30

points against Richland Bank while Tom Zoch hit 22. Gary Peckham meshed 33 for Richland.

John Schell, former UW cager, hit 32 and Ken VerGowe added 40 for Cedarburg. Loest led Kewaskum with 36 and Zoch got 32.

Kewaskum is now 2-4 in fifth place in the Lakes.

This Sunday night Kewaskum is scheduled at Oconomowoc of the "A" Division at 7:30 p. m.

A father was buying a fountain pen for his son's birthday gift. "I suppose it's to be a surprise, sir," said the clerk. "I'll say it is," replied the father. "He's expecting a new car!"

HUNTERS' VIEWS SOUGHT ON AMMUNITION RULE

Wisconsin waterfowl hunters have an opportunity to make their voices heard on a proposed change in federal regulations making steel shot mandatory in certain areas of the state, Senator Thomas Petri (R-2nd District) said today.

The steel shot requirement would apply to hunters using shotguns smaller than .12 gauge for ducks, geese and coots in three areas of the state:

On all waters of Dodge, Green Lake, Jefferson and Winnebago Counties. That portion of Fond du Lac County west of a line formed by the Fond du Lac River, Highway 41 and that portion of Lake Winnebago in Calumet and Fond du Lac Counties, that portion of Lake Poygan in Waushara County; and within a 150-yard zone of land adjacent to these waters.

West of the Burlington Northern tracks in Buffalo, Trempealeau, La Crosse, Vernon, Crawford and Grant Counties.

Mead wildlife area in Marathon, Wood and Portage counties; Mud Lake Wildlife Area in Columbia County and Theresa Marsh Wildlife Area in Dodge and Washington Counties.

Senator Petri said the proposal is aimed at eliminating continued deposits of lead pellets in major waterfowl hunting areas in the Mississippi Flyway. According to Department of Natural Resources data, lead pellets consumed by waterfowl have poisoned a significant number of birds.

Senator Petri urged interested hunters to address their comments to the Director U. S. Fish and Wildlife Service, U. S. Department of Interior, Washington, D. C., 20240. The deadline is January 31st.

"Here is an opportunity for the waterfowl hunters to be heard before a change is made, I would encourage area residents to participate in this survey," Senator Petri concluded.
