The Kewaskum High School girls' basketball team is going to the State Tournament at the University of Wisconsin Fieldhouse at Madison this weekend. It is the first time ever a Kewaskum basketball team has gained a berth in the state meet.

Congratulations to first-year Coach Mike Theiler and his girls for an outstanding job.

The Kewaskum girls earned the privilege to go to Madison by winning the Kewaskum Sub-Regional Thursday night, beating Lomira, 53-43; winning the Kiel Regional semi-final Saturday night, beating Random Lake's Lakeshore Conference champions easily, 43-26, and winning the Kiel Regional final Monday night, beating Kiel, 48-43.

This advanced the girls to the Kewaskum Sectional (also a first for Kewaskum) on Friday night and Saturday. Here Kewaskum beat Pewaukee Friday, 55-47, in the semifinals and then took the Sectional championship by whipping Clinton Saturday afternoon, 49-38, in the finals.

Kewaskum's avenging angels had lost twice to Pewau-

kee during the regular season by close scores and last year they lost to Clinton in the Sectional finals at Edgerton. This time the tables were turned.

Clinton, second in the state meet a year ago, reached the Sectional finals by defeating Columbus in the nightcap game here Friday, 41-32, after Kewaskum had done away with Pewaukee. Clinton came a long way for the Sectional, being located in southern Wisconsin near the Illinois state line, and brought several busloads of fans with them.

Kewaskum is one of only four teams in the entire state in Class B still left in tournament competition. The others are Cuba City, Mondovi and Omro.

In their first game at Madison the Indians will be paired against Cuba City, which has the best record could be the strongest team in the meet. They are undefeated with a perfect 20-0 record. Kewaskum is 15-6, Mondovi 12-8 and Omro 19-2.

Kewaskum will face Cuba City at 7 p. m. Friday. Mondovi and Omro square off at 1 p. m. with the winners playing for the state championship Saturday afternoon at 2:45 p. m. Class A and

Class C teams will play at other hours Thursday, Friday and Saturday.

Student and adult buses will leave for Madison Friday afternoon to cheer the girls on. The adult bus will leave at 3:30 p. m. In the event the girls win Friday the high school will be open from 8 to 10 a. m. Saturday to sell tickets. Buses will leave at 11:15.

The state tournament bound girls' team left for Madison already on Wednesday morning and will stay overnight through the tournament. Wednesday at 1:40 p. m. they practiced in the UW field house and Thursday at a Madison High School gym.

A field of 16 teams, including defending champion Madison West in Class A and Marshall in Class C, is set to compete in the state tournament. Eight schools will be vying for honors in Class A, and four schools each in Class B and Class C. Championship games will be played Saturday as follows: Class C — 1:05 p. m., Class B — 2:45 p. m., Class A — 7:35 p. m.

See rosters, tournament schedule and comparisons in the special section with this issue.

Blood Bank Here Mar. 30

The Kewaskum Blood Bank needs YOU on Wednesday, March 30, in the Kewaskum high school gym (old). The mobile unit from the Milwaukee Blood Center will be there between the hours of 1 and 7 p. m.

You may donate at age 17 if your parent or guardian signs a consent form which will be available that day. If you are between the ages of 18 and 66 and in good physical condition, the Blood Center needs you!

Hospital patients who need whole blood and blood component transfusions are dependent on the generosity of all the volunteer donors who share their blood. Every person who has received a blood transfusion has experienced this dependency because he knows that if the blood he needed had not been available, his life and health might have been jeopardized.

New donors in the area are asked to call Sandy Rempel at 626-2210 or Gloria Rodenkirch at 626-4021 for an appointment.

Past donors will be or have been called by volunteers from the Junior Woman's Club.

Marijuana Pipes Taken in Break-in At Police Dept.

Several marijuana pipes were taken in a break-in at the Kewaskum Police Department Sunday night.

Police Chief Donald Hlavaty said the break-in to the station and the display case containing the pipes was "kind of a freak thing." Confiscated items, including the pipes, were displayed in the case but nothing else was taken according to Hlavaty.

Apparently the parties gained entry to the building by breaking a window and then broke into the case. The burglary occurred between about 10 p. m. and 1:30 a. m. while the officer on duty was out on patrol.

No suspects were named immediately.

FIRST ROBIN SPOTTED IN 65 DEGREE WEATHER

Paula Kutz, Kewaskum, reported spotting the season's first robin Tuesday, March 8, as temperatures soared to a glorious 65 degrees. The robin was seen basking in the sun under a tree on her front lawn. Surely the robin and the wonderfully balmy temperature must be a sign of spring — we hope!

Regular Meeting Of School Board

The regular meeting of the Kewaskum Board of Education will be held on Monday, March 14. It will begin at 8 p. m. and will be held in the district administrative offices.

Included on the agenda will be a demonstration of a computer terminal and its use in the budgeting, accounting and payroll system proposed for 1977-78. Adoption of this program is also to be considered by the board, along with other proposed changes for next year.

A discussion will be held of the lunch program and the head cook position. A request concerning a teacher's sick leave will be discussed.

Teacher contracts for 1977-78 will be approved. A resignation from Mr. Mader, effective at the end of the school year will be on the agenda, and the board will act on transferring a small activity savings account to the general fund. Miscellaneous items which arise will also be considered.

Oscar G. Jung, Joseph Walter Die

Oscar G. Jung, 79, passed away Tuesday, March 1, at the Cedar Lake Home. Following his marriage to Amelia Wiesner Oct. 17, 1927, they lived in the Town of Ashford and Town of Farmington before moving to West Bend. He was the father of Mrs. Willard (Florence) Degnitz of Boltonville and Mrs. Eugene (Bette) Laatsch of Kewaskum. The funeral was held at West Bend Friday with burial at Fillmore.

JOSEPH H. WALTER

Joseph H. Walter of 3852 North 24th St., Milwaukee, formerly of the Town of Farmington, died Monday, March 7, at the age of 83. His wife, the former Nellie McKee, whom he married at St. John of God Church, Town of Farmington, predeceased him. He is survived by five children, Donald of Wauwatosa, Howard of Campbellsport, George and Myrtle (Earl) Phillips, both of Greenfield, and Carol (Ro-

man) Schommer of Fredonia, and other relatives. The funeral was held Thursday at St. Michael's Church, St. Michaels, with Fr. William Bone-sho officiating. Burial was in St. John of God Cemetery.

CLASS TO BE HELD FOR FURNITURE REFINISHING

There will be a furniture refinishing class held at the Kewaskum High School for anyone interested. The class will include the different methods of stripping old finish, preparing the surface for the new finish, and applying the different types of new finishes. Participants are asked to bring their own projects to work on. Contact Roy Esser at the Kewaskum High School, phone 626-2166. The class will meet on Tuesday nights.

Over 70 People Attend PTO Forum

All candidates were present at the Farmington PTO forum held Tuesday evening, March 8, at the Farmington School. Over 70 interested parents from throughout the district attended the well presented program.

Candidates for School Board were asked their views on the number of students in a class, continuation of higher math classes in high school, the hot lunch program in the district and bussing, among other questions.

As of now, all candidates are planning to attend the March 29 forum at the Kewaskum High School cafeteria.

News of Our College Students

Jane Krueger, a junior at Edgewood College, Madison, is on the academic honors list for the first semester. She is the daughter of Mr. and Mrs. Frank K. Krueger, 1232 Roseland Dr., Kewaskum.

Kewaskum students were among the approximately 2,530 University of Wisconsin - Whitewater students who achieved academic honors during first semester of the 1976-77 school year.

Of the total, about 300 received grades of straight A for a 4.0 average. Another 810 had grade point averages of from 3.5 to 3.99 and were accorded first honors. Second honors, for grade point averages of from 3.0 to 3.49 went to about 1,420. To earn honors, a student must carry at least 12 credits with no grade below C.

Debra Frank, 1414 River View Dr., earned straight A grades. Second honors went to Pamela Brenholt, 1016 Hillside Dr., Shary Koth, Route 1, and Maxine Wagner, 9485 Townline Rd.

Julie Thull, daughter of Mr. and Mrs. Edmund Thull of 8741 Wescott Road, R. 1, Kewaskum, received a Bachelor of Science Degree in nursing from the University of Wisconsin - Milwaukee on Dec. 19, 1976.

She is employed as a graduate nurse on the oncology unit at Mount Sinai Medical Center of Milwaukee since January.

The Easter Seal Society of Wisconsin served over 5,000 handicapped children and adults last year.

DAR to Feature Forensic Team

The award-winning West Bend East Suns Forensic team, which has brought honors to themselves and to the school, will appear as the program for the next meeting of Joseph Marest Chapter, DAR, on Thursday, March 17. Karl Kocher of the West Bend High School coaches the team. The students who will appear and their topic are: LuAnn Bohn, "Television Violence;" Mary Mueller, "Education;" Mark Fuerbringer, "Individualism in Education;" Lisa Lonergan, "Angel Street," and Anna Mae Grimm, "Kimona."

The DAR meeting will be at the home of Mrs. Allan Kieckhafer, 818 Crestview Drive, West Bend, at 1:15 p. m. Co-hostess will be Mrs. Richard Myers.

Mrs. Harry Koch, Kewaskum, will be representing Joseph Marest Chapter, DAR at the State Conference of the Wisconsin Society, DAR. The conference will be held March 21 and 22 at the Holiday Inn, Stevens Point. One of the highlights of the conference is the "Listening to Youth Luncheon" on Monday, March 21. At this time the award-winning essays of the DAR Good Citizens will be presented.

The DAR recognizes the accomplishments and dedication of young people in the community in many ways and looks forward to the appearance of the high school forensic team at the next meeting.

All members planning to attend are urged to call Mrs. Allan Kieckhafer, 334-5032 before March 15.

Potatoes should be smooth and clean when bought. Do not buy any that show the slightest amount of green; they are likely to be bitter.

West Bend, Wis. -- Mitchell Gebheim, 6, son of Mr. and Mrs. Mitchell J. Gebheim, 9062 Forest View Rd., Kewaskum, was one of 10 winners in an art contest sponsored by The West Bend Company for children of employees, age 11 and under.

The winning drawings, selected from among nearly 200 entered, will be used to illustrate posters dealing with the subject of inflation during the company's 1977 Economic Information program.

Each winner received a blue ribbon plus three shares of stock in the Newton Fund in recognition of their achievement. The awards were presented by West Bend President E. M. "Bill" Davis, at a special ceremony held at the company.

All the drawings entered in the contest will receive a showing in the near future at the West Bend Gallery of Fine Arts. The showing will be open to the public.

KETTLE RIDERS

As their club project during March, the New Fane Kettle Riders sponsored a Pizza Sale for Multiple Sclerosis. Although the sale was a new experience for the club, the members met the challenge and 600 Tombstone Pizzas were sold throughout the area. All profits from the sale will go to the 1977 MS campaign. As the sale is still in progress, the club hopes to improve on the number of pizzas sold and make the sale an even bigger success.

Shown in the photo to the right of the many cases of Tombstone Pizzas are Eugene Bohn and "Shorty" Seifert.

Girl Scout Cookie Sale Begins Mar. 11

On Friday, March 11, Kewaskum area Girl Scouts will be starting their annual cookie sale. As each girl has a specific route, it would be appreciated if you bought cookies from the girl who comes to your door rather than from one who may be a friend or neighbor.

Two new varieties will be featured this year, chocolate chip and cheddarett crackers. All cookies will sell for \$1.25 per box. A portion of the proceeds from the cookie sale will go toward camping expenses and other troop activities. Please support your local Girl Scout program by purchasing cookies when the Girl Scouts call on you.

If there are any questions, or if you are not contacted and wish to buy cookies, you may call the cookie chairman, Nancy Schuster, at 338-2065 or Jackie Hoepner at 626-4440.

The Girl Scouts need your support and they hope they can count on everyone to help make this sale a success.

Sen. Nelson Reports on Federal Reimbursement for Sewage Plant

By Karen Schmidt
 Kewaskum Village Board met Monday evening with President Charles Miller, having returned from vacation, presiding.

Miller read a letter he received from Senator Gaylord Nelson concerning federal reimbursement for sewage treatment plants. The letter stated that the President and the Congress made a commitment to reimburse the community for up to 55% of the actual construction costs of wastewater treatment facilities begun from 1966 to 1972. The Federal Government has not fulfilled this legal obligation. Congress has failed to appropriate the funds.

The Environmental Protection Agency recently audited the program and informed Nelson's office that Kewaskum had received \$103,100, and that the federal balance due amounted to \$27,895.

Nelson further stated that he had written President Carter urging him to support his efforts to add \$300 million to the FY '78 budget for this program. EPA estimates that such an appropriation will allow 100% reimbursement to

each eligible project. "It is time this long-standing obligation was met," Nelson stated. "Your city worked in good faith with the Federal Government on this program. It is time you received what was promised."

Martin Bruder appeared to question if any decision had been made on the Ideal Land situation. Miller stated that we're trying to come to some definite decision with Ideal. We'll have to stay with our decision of a moratorium on building permits. Bruder then asked when he could find out when the problems will be resolved. Miller answered "shortly, I don't mean four or five days, could be weeks or months." Bruder was told he could check with the Village Commissioner from time to time to find out if any progress had been made. He stated he did not want to invest in a lot if he couldn't get a building permit.

Three building permit applications were on the agenda, but only one set of plans was acted on. A plan submitted by Leroy Zipperer for a one family residence was not

acceptable, because of being too vague, according to the building inspector and zoning administrator. Pro-Bilt, Inc. did not bring their plans to the Commissioner. Plans submitted by Schultz Realty, for a one family residence at Edgewood Road, were approved.

Gregor Nigh made a motion to table the compensation claim until the next bi-monthly meeting to be discussed in executive session. Roger Strack seconded. Motion passed.

Dan Schmidt reported that the Finance Committee's recommendation was to increase election workers' salaries from the \$15 to \$18 to a straight \$22 for a normal workday, which is morning to 8 p. m. After 8 p. m., it will be \$2.50 per hour. A motion was made and passed to increase the wages.

William Martin and Robert Danielsen appeared at the Public Service Commission hearing at Madison concerning Kewaskum's request for a water rate increase. A ruling should be forthcoming in thirty days.

The board approved sending Marvin Martin, Civil Defense Director, to the Governor's Council on March 10 and 11. Martin asked approval and received it for sound

ing the siren for tornado alert in April so people would get used to the sound. He also contacted the different churches to inform them that in the event of a disaster, similar to last year's ice storm, that before publicizing that the church facilities are open to the public, they should contact the Civil Defense.

Danielsen asked Augie Bilgo, Public Works Supt., about the cutting of the willow trees in the park. He stated that several people had asked whether they were being cut down. Bilgo stated that the dead limbs within the trees were being pruned. The trees will then shoot out again and by summer should be completely grown. There are also trees in the park that need cleaning out before the picnic season arrives, he said, and for this job they would need a bucket to reach the dead limbs. He will contact several firms for prices for renting this piece of machinery. The village crew did not do several elms which were dead on the top, and these were given to local people for firewood.

HOSPITAL NEWS

Jane Herriges, Kewaskum, was expected to return home Thursday, March 10, from Columbia Hospital, Milwaukee, where she had been undergoing tests and submitted to major surgery on Wednesday, March 2.

Jane, who will be 13 on Sunday, March 13, is the daughter of Mr. and Mrs. Raynor Herriges.

Lt. Col. Liepert Honored by National Guard

Lt. Col. Gerald C. Liepert, Port Washington, serving on active duty at Headquarters Fifth Army, Fort Sam Houston, San Antonio, has the distinction of being the only Army National Guard officer nationwide selected to attend the National War College 10-month course beginning in August, a release this week said.

Liepert's wife is the former Judy Westlund of Muskego. Her parents, Mr. and Mrs. Anton Westlund, live there on Muskego Drive. Willard Liepert, Liepert's father, lives on R2, Kewaskum.

He was selected by the National Guard Bureau and notified by the Wisconsin state adjutant general. There will be 160 students taking the course.

Assigned to Fifth Army, since January 1974, he has served as National Guard training officer, office of the deputy chief of staff for training.

The National War College, Fort Lesley J. McNair, Washington, Dc., is a joint educational institution of the National Defense University under the Joint Chiefs of Staff.

The college's mission is to prepare selected personnel of the armed forces and other agencies of the government to exercise joint high-level policy, command and staff functions, and to perform strategic planning duties in their respective departments. It also develops understanding of those agencies of government and those factors of power potential which are

essential to the national defense effort.

Inducted into the Army in 1951, Liepert was assigned to the 45th Infantry Division, Fort Polk, La. He served with the 816th Field Artillery Battalion in Darmstadt, Germany, 1952-53.

He received a direct commission as a second lieutenant of infantry in 1957 while serving with Company K, 426th Infantry, 32nd Division, Wisconsin Army National Guard. The same year he was graduated from Lakeland College, Sheboygan, Wis., with the B.A. degree in German and English languages.

Liepert was one of the original staff members at Muskego High School when it opened in September 1957. He taught German and organized and directed the "Ambassadors of Youth" exchange program with a school in Germany, 1960-64.

From 1967-73 Liepert was with the 64th Support Center, Rear Area Operations, Wisconsin Army National Guard. In addition to his duties as liaison officer, security plans and operations section, he was an instructor at Wisconsin Military Academy (State Officer Candidate School); advisor to the command senior noncommissioned officer in formulating, establishing and operating the Command Noncommissioned Officer School; and command recruiter.

Before coming to Fifth Army, he was executive officer of the 2nd Battalion, 128th Infantry, Wisconsin Army National Guard. His

civilian occupation is German language teacher and head of the department of foreign languages for the Port Washington public schools.

MINUTES OF VILLAGE BOARD MEETING

Mid-Monthly Meeting
February 21, 1977
8:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building.

President pro tem Gregor Nigh presided. Present were Daniel Schmidt, Roger Strack, David Nigh and Robert Danielsen. Absent were Charles Miller and Raynor Herriges.

A correction was noted in the minutes of February 1. Besides Raynor Herriges, Robert Danielsen was also absent. A correction was also noted in the minutes of February 7. The motion nominating Gregor Nigh President pro tem was seconded by David Nigh and not Roger Strack. In all other respects, the minutes of February 1 and February 7 were approved as printed. Motion by Trustee Danielsen, seconded by Trustee Schmidt. Unanimous vote.

Richard Kuehl was present to request permission to install an electric welder in the garage at his home at 1041 Milan Drive. Motion was made by Trustee Strack that permission be granted with the stipulation that the welding unit be used for hobby purposes only and in the event that there are complaints from neighbors regarding electrical interferences or noise, the use of the unit must be discontinued. The motion was seconded by Trustee Danielsen. Unanimous vote.

Building permit applications as follows were approved and the Commissioner was authorized to issue the proper permits upon payment of the required fees.

1. Richard Knoebel - One family residence at 709 Moraine Court. Motion by Trustee Schmidt, seconded by Trustee

Strack. Unanimous vote.

2. Daniel Schmidt - One family residence at 1314 Stark Street. Motion by Trustee D. Nigh, seconded by Trustee Danielsen. Trustee Schmidt abstained from voting on the motion. All other members present voted "aye."

The Board agreed that the Village had no objection to the connecting of the electrical power for the upper apartment of the Village owned house at 1603 Fond du Lac Avenue. However, the cost of making the proper connection by a qualified electrician shall be the obligation of the tenant. This was put into a motion by Trustee Schmidt and seconded by Trustee D. Nigh. Unanimous vote.

Chief of Police Hlavaty was authorized to attend the Governor's Disaster Preparedness Conference at Madison on March 10 and 11. Motion by Trustee D. Nigh, seconded by Trustee Strack. Unanimous vote.

The lists of election workers for the coming two years as submitted by the Republican and Democratic Party committeemen were presented for approval. Trustee Danielsen questioned the eligibility of one of the proposed workers since her husband will be a candidate at the up-

coming April election. It was explained that the election laws prohibit only the candidate from being a poll worker at any election at which he is a candidate for an elective office. Trustee Danielsen then moved that the name of Mary Miller be deleted from the submitted list of poll workers. There was no second to the motion. Motion was made by Trustee Strack that the lists of poll workers as submitted by the respective Party Precinct Committeemen be approved and be placed on file in the office of the Commissioner. Motion was seconded by Trustee Schmidt. Motion carried.

The following "Thank You" letter was read into the record by Trustee Dan Schmidt:

February 21, 1977

Thank you very much for the painting of Chief Kewaskum which we now have displayed in our library. We have had many compliments, comments and questions about it. It is an interesting addition to the library and we are sure our patrons will enjoy it for many years.

Thank you again for your thoughtfulness.

Sincerely,
The Library Staff and
The Library Board

Gregor Nigh reported that

he had a conference with Tom Larsen with reference to the Lascation program.

The Board members were reminded that the Public Service Commission hearing on the application of the Municipal Water Dept. for an increase in rates is scheduled for 9:00 A. M. on March 1 at Madison.

Motion was made by Trustee Schmidt that the Board adjourn to executive session to discuss an employee compensation claim and that the next meeting be scheduled for March 7 at 8:00 P. M. The

motion was seconded by Trustee D. Nigh. Unanimous vote.

There are good times and bad times to use electricity.

The difference is like night and day.

Everyone wants electricity at the same time: Daytime. Factories are going full blast. Offices and stores are open for business. And people at home are running appliances.

So Monday through Friday the demand for electricity is extremely high from morning till evening.

This is a problem.

High demand means higher costs.

Most of the electricity you use is generated by Wisconsin Electric's large, primary power plants, which are fueled by coal and nuclear power. But when electricity use reaches a peak on weekdays, special back-up power plants are called upon to help handle the extra load.

These back-up plants are more costly to operate. Many of them use quick-starting turbines that run on gas and oil.

The high cost of gas and oil is one of the things that makes electricity more expensive to produce during peak periods on weekdays.

The demand is growing.

To add to the problem, the daytime demand for electricity is going up. Industry, businesses and homeowners are using more electricity every year. Since 1963 the demand has more than doubled. To keep up, Wisconsin Electric has to keep building more power plants.

All of this makes electricity more expensive for everyone. Fortunately, there are some things we can all do to help solve this problem.

The good times.

The high daytime demand for electricity tapers off in the evening. So the big primary power plants are now working below their capacity.

This makes nighttime and weekends perfect times to do some of the things that are normally done during the day.

Wisconsin Electric is working with business and industry to find ways to reschedule some of their electricity use to off-peak hours. And if you add your help at home, the problem could be solved. Overnight and over weekends.

Every little bit helps.

Try turning on your dishwasher before you turn in for the night, rather than after every meal. Try baking later in the evening or on weekends. And try to avoid doing the wash on weekdays. Especially Monday mornings.

It all adds up.

If we can hold down the demand for electricity on weekdays, it could help hold down the cost of electricity in the future.

So try to turn it on at night or on weekends instead. We'll all be better off during the day.

IN MEMORIAM

In memory of Charles W. Diedrich, who passed away one year ago, March 8, 1976:

I am home in Heaven, dear ones;
Oh, so happy and so bright!
There is perfect joy and beauty
In this everlasting light.

All the pain and grief is over,
Every restless tossing passed;
I am now at peace forever,
Safely home in Heaven, at last.

Did you wonder I so calmly
Trod the valley of the shade?
Oh! but Jesus' love illumined
Every dark and fearful glade.

And He came Himself to meet me
In that way so hard to tread;
And with Jesus' arm to lean on,
Could I have one doubt or dread?

Then you must not grieve so sorely,
For I love you dearly still:
Try to look beyond earth's shadows,
Pray to trust our Father's Will.

There is work still waiting for you,
So you must not idly stand;
Do it now, while life remaineth—
You shall rest in Jesus' land.

When that work is all completed,
He will gently call you Home;
Oh, the rapture of that meeting,
Oh, the joy to see you come!

Sadly missed and loved by his children, Vernon and Audrey Fierke and Donald Diedrich, grandchildren, Michael and Sharon Fierke, and great-grandchildren, Michael, Jr. and Suzanne Marie Fierke.

A NOTE OF THANKS

I wish to thank everyone who was so thoughtful and generous to me after the fire on Feb. 15.

Sincerely,
Jeff Kohl

JAMES A. REMMEL 16TH BIRTHDAY MEMORIAL TRIBUTE

Your birthday has come again,
The day we loved so well.
But you are not with us today,
Our love for you to tell.

No presents now; just flowers, dear,
Upon your grave to lay
In tears we hope to meet again
In heaven - above some day.

Loved and missed by Mom,
Dad and family.

CARD OF THANKS

We wish to thank all our relatives, friends and neighbors for their kind expression of sympathy in our recent bereavement, the death of our foster daughter and foster sister, Shirley I. Budde. Special thanks to Pastor Roger Janke, donors of memorials and floral pieces, Kewaskum Fire Department Ambulance Squad, nurses and doctors at St. Joseph's Community Hospital, Miller's Funeral Home, traffic officer and all who showed respect and helped in any way.

ACTION + SATISFACTION

**LETTERS
TO THE
EDITOR**

Editor
Kewaskum Statesman
Kewaskum, Wis. 53040

God Bless all the dedicated volunteers who are soliciting signatures on a county-wide campaign against pornography.

We lack the time, money and help to send each one of them a personal letter. We are fortunate, however, to be able to use "Letters to the Editor" in the newspaper as a way of thanking them for their courage in openly stepping forward and making their convictions known about the illegal and obscene materials being sold into our communities. Without their courage our country would be destined to internal decay and collapse similar to that of other fallen empires.

The adult book store in West Bend is corrupting the morality of West Bend and Washington County. We need more volunteers to stop this corruption and to protect our families and communities from mind-pollution, ravished bodies and broken families.

You too can become a proud CITIZEN FOR DECENCY by soliciting signatures on the petition which reads as follows:

We, the undersigned residents of Washington County, Wisconsin oppose the sale and showing of obscene and pornographic materials and films in our community; we find particularly objectionable the obscene portrayal of oral copulation, child molestation, torture, homosexuality and other displays of sexual perversions which are below the community standards of Washington County, Wisconsin.

Page 15
Kewaskum Statesman
Friday, March 11, 1977

We hereby ask our elected officials and other responsible community officials to enforce the laws against obscene and pornographic materials and to protect our community for our families and the youth of our community.

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

DO IT YOURSELF

- * No Costly Installation Charge *

OR WE'LL DO IT FOR YOU

R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION ... PER INCH!

NU-WOOL is pneumatically blown between and over ceiling joists, filling and sealing every crack and crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why NU-WOOL is your final choice in insulation

- PERFORMANCE**
NU-WOOL Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all insulation ratings. NU-WOOL meets or exceeds Federal specifications No. HM-1-515A, and is approved for use in F.H.A. structures.
- COOLS IN SUMMER**
NU-WOOL insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.
- REDUCES HEAT COST**
Correct attic insulation can save you 30% or more on fuel.
- HIGH R-VALUE**
NU-WOOL cellulosic fiber exceeds most insulation (by laboratory test) in resistance to heat or cold.
- HELPS CONTROL ICE BUILDUP**
Damaging ice and rickles on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.
- MANUFACTURING INSULATION SINCE 1949**
NU-WOOL has been supplying the building industry for over 26 years, proof of our reputation.
- PLUS SOUND PROOFING**
One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.
- RESISTANT TO MOISTURE**
The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.
- WILL NOT DETERIORATE**
It is a life-time insulation because it is treated with chemicals that are permanent.
- FIRE RESISTANT**
Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.
- VERMIN AND RODENT RESISTANT**
Chemically treated to repel insects and rodents from working in materials.
- GUARANTEE**
Nu-Wool Insulation is guaranteed for the life of the structure (building).
- LIGHT WEIGHT WILL NOT SETTLE**
Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

Indians Reach Finals in Regional Tournament

The Kewaskum Indians boys' team also did very well in WIAA tournament play, especially considering they placed in a tie for sixth place with a 4-10 record in the Scenic Conference. With two tourney victories and one defeat they wound up with an overall 8-13 mark.

The Indians defeated Random Lake of the Lakeshore Conference 77-64, in the Kewaskum Sub-Regional Thursday to advance to the Regional at Lomira. Saturday night they also beat Lomira of the Flyway Conference, 75-62, to reach the finals Monday night. After giving them a battle, the Indians lost to Sheboygan Falls in the finals, 67-58. Falls gained a berth in the finals by beating North Fond du Lac Saturday, 73-52, after downing Cambellsport in the Kiel Sub-Regional, 54-49.

Kewaskum needn't feel ashamed in losing to Sheboygan Falls. The Falcons were Class B state champions in 1974 and 1975, and reached the Sectional finals last year at Whitewater before losing to state champion St. Francis. This will be their fourth straight year in the Sectionals, in which they meet Slinger's Scenic co-champions in their opener Friday.

In the victory over Random Lake in Thursday's Sub-Regional here, high scoring Leon Laatsch was held to 16 points by a Ram box-and-one, but guard Kevin Darmody took up the slack and scored 24 points, his highest outout of the season, to pace Kewaskum. Darmody scored 16 of his 24 points in the third quarter, when the Indians took charge.

It seemed Kewaskum took Random Lake lightly but found out the Rams were giving it their all. The score was tied at the quarter, 10-10. The Indians loosened up to take a 25-18 lead in the second quarter but the last few minutes were all Rams and they took a 26-25 half-time lead.

It was tied at 37-37 when Darmody took charge. The small guard hit on a variety of shots to put the Indians ahead by 10. The Rams came back again to come within one but then Kewaskum pulled away for good.

Mark Tessar added 14 points and Jim Donath 10. Soph Jim Melis did a great job with 25 points for the Rams and Jim Stuerwald had 20. The shorter Rams out-rebounded the Indians, 35-20. Lomira players (Kewaskum's next opponent) scouted the game and were not shown near the capabilities of the Indian players.

In eliminating Lomira in their Regional semi-final Saturday, the Indians dispelled the notion that they are a one-man team by showing scoring balance in whipping the Lions, 75-62. When Laatsch scored two quick baskets in the first quarter off Lomira's man-to-man, they shifted to a box-and-one. Leon was held scoreless the remainder of the first half, but six other Indians scored as Kewaskum broke away to a secure 12-point lead at halftime, 38-26.

Despite his slow start, Laatsch broke loose in the second half to score 18 points, giving him a game high of 22. This gave the Kewaskum standout 491 points in 20 games, a 24.6 average. Seven other Indians scored, as Kewaskum made 33 of 65 shots, a crisp 50.8 per cent. Tessar chipped in with 18 points and Darmody added 15.

A composed player, Laatsch didn't force shots and took only six in the first half. He wound up making 11 of 19 and grabbed 21 rebounds. Mark Enderle topped Lomira with 16.

Sheboygan Falls and Kewaskum also met in the Regional finals last year, with this one going to the Falcons, too. Monday night's 67-58 win over the Indians gave them yet another championship and their fourth straight trip to the Whitewater Sectional. The Falcons seem to catch fire at tournament time.

Falls broke open the game in the fourth quarter, breaking away from a slender two-point lead (44-42) after three quarters to outscore Kewaskum in the final period, 23-16. The free-wheeling Falcons started the fourth quarter like gangbusters, scoring 12 straight points. Kewaskum, which hung in the game grimly, could not recover.

The Falcons connected on 28 of 56 shots for 50 per cent. Chuck Mauer, 6-4 center with a silky touch, led the way with 26 points (11 of 22), 10 of them in the last quarter. Terry Gottsacker scored 11. Falls shut down Kewaskum's one-two scoring punch of Laatsch and Tessar with only 12 points apiece and hit on only a paltry 26.9 per cent. However, Laatsch sat out most of the third quarter after picking up his fourth foul and this ruined the Indians' chances. Leon's 12 points did put him over the 500 point mark for the season with 503. Roger Rezel kept the Indians in the game for three quarters when he scored 16 of his 18 points.

The Falcons stopped

Laatsch and Tessar by staying in a zone until they got the ball on the wings and then they jumped into a man-to-man on them.

Former Bucks, College Stars Rip Lakes Team

Kewaskum ran up against an all-star team of former Milwaukee Bucks pros and college stars in its first game of the Germantown Wisconsin Invitational Basketball Tournament Friday night and was defeated, 113-81, by Champion Awards team of Milwaukee. The loss eliminated Kewaskum from the meet.

The Milwaukee team is composed of Len Chappel, formerly of Wake Forest and the Milwaukee Bucks; Steve Gustafson, UW - Eau Claire; Sam Williams, Iowa and Milwaukee Bucks; Dick Garrett, Southern Illinois and Milwaukee Bucks; Joe Thomas, Marquette; Lee Russell, Marshall Univ. and Milwaukee Bucks; Jim Johnson, Wisconsin; Larry Ray and Smith.

Garrett, 22, Chappel, 20, Williams 18, and Lee, 14, were the pacesetters as Champion Awards rolled up a 32-12 cushion in the first quarter and then gradually widened the gap. High for Kewaskum were Tom Zoch with 23, Ken Loest, former Mayville and UW - Oshkosh ace, with 16, Dennis Pieper with 12 and Rollie Kitt, Port Washington, high scorer added for the tourney, with 12.

Manager Bill Backhaus commented: "It was a good experience playing against these high caliber players."

Leon Laatsch Selected to Scenic All-Conference Team

Scenic Moraine coaches made their all-conference selections at Slinger last Tuesday.

Co-champions Slinger and Hartland each had one unanimous all-conference first team choice, namely centers Greg Jonas and Rick Schramek respectively. The Owls also placed forward Robb Schulz on the first team. The others named were forward and leading scorer Leon Laatsch of Kewaskum and guard Ed McLellan of Germantown. Schulz and McLellan wound up in a tie with Mayville's Mark Gindt, who was dropped to the second team.

Other second team selections were Dave Luko of Hartland, Rich Strenger of Grafton, Tom Held of Germantown and George Peter-

burs of Pewaukee, second in scoring. Slinger's first team choice, Jonas, 6-4 center, was third in scoring.

Coach Jim Westphal was pleased with Laatsch's selection but thought he should be a unanimous one. Laatsch took the scoring title with 349 points, the best league average in the past 8 or 10 years. He also contributed 13 rebounds per game. Leon, closely guarded and double-teamed in most games, is deadly on the baseline and medium range jump shots as well as being effective inside.

Westphal was also disappointed that junior Mark Tessar failed to receive some mention. Tessar had the second highest total of free throws and averaged 13 points.

Lakes Team Defeats West Bend; Now 2nd

Kewaskum took over second place, just a game behind leading Slinger, by defeating West Bend Sunday night, 138-125, there. The team is now 6-6 in the "B" Division standings.

West Bend led Kewaskum by one point at the end of the first quarter and at halftime, but a third quarter in Kewaskum's favor was their downfall.

Tom Zoch and Ken Loest paced the winners with 35 and 30 points while John Slesar and Mike Hughes led the balanced West Bend team with 24 and 19 points.

Kewaskum's next game is Sunday, March 13, when they host third place Hartford at 7:30. The team would like to have a big crowd turn out for this big game.

Scores of other games last weekend were: Thiensville - Mequon 113, Port Washington 88; Slinger 102, Hartford 95; Sussex 136, Cedarburg 91; Oconomowoc at Menomonee Falls Badgers, postponed.

Girls Beat Pewaukee, Clinton For Sectional Championship

The first WIAA girls' Sectional Basketball Tournament was held in Kewaskum's new fieldhouse Friday night and Saturday. By virtue of victories in the Kewaskum Sub-Regional and Kiel Regional, Kewaskum was one of the teams in the meet.

In its first game Kewaskum defeated Pewaukee, 55-47, to gain a berth in the Sectional finals Saturday. In the second contest of the evening last year's state runner-up Clinton, beat Columbus, 41-32. Clinton and Kewaskum squared off for the championship Saturday afternoon and Kewaskum came through with a decisive 49-38 win for the Sectional title and a berth in the state tournament.

Pewaukee had edged Kewaskum twice during the regular season, both times by four points. This time the Indians went ahead by nine points in the first quarter, even though missing some easy shots. At one point Pewaukee was behind 24-15, but aided by a lot of Indian fouling, some scoring by Sue Schmidt and Stacey Schaeffer, the Pirates rallied and were behind by just one point at halftime.

Indian Julie Stoffel scored three quick baskets in the third quarter to put the Indians ahead, 31-26, but at the same time Kathy Mertz picked up her fourth foul and was benched temporarily. Stoffel scored 8 points in the quarter, which ended 40-34, Kewaskum.

It was all Stoffel again in the last quarter, in which she scored 9 points, got about 8 rebounds and made several steals, leading to Kewaskum's moving further ahead. Julie also led all scorers with 22 points. The defense held all-conference Stacey Schaeffer to 20 points. Mary Ryan scored 10 for the winners.

PEWAUKEE — Opie 4-0-4, Hoiland 0-0-2, Yarosh 1-0-5, Hansen 1-0-0, Schaefer 5-10-4, Schmidt 5-5-2. Team Totals 16-15-17
FTM — Kewaskum 13, Pewaukee 8.

In the Sectional finals Saturday the Indians earned the right to go to state with a convincing 49-38 win over Clinton, state runner-up last year.

Kewaskum was in complete control except for a period at the start of the second half when Clinton scored 10 straight points to almost overcome a big 30-14 Kewaskum halftime advantage. The Cougars outscored the cold Indians in the quarter, 17-8, but Kewaskum, with their sizable halftime lead and outpointing Clinton again in the final period, won with apparent ease.

In the second half fouls started to take their toll on

Clinton with two players going to the bench with four personals. Kewaskum converted on many of the free throws. The Indians led by only 7 at the end of the third quarter but then gained momentum again and boosted their lead to 11 at the end. Clinton's two big scorers left the game on fouls in the last minutes.

Stoffel and Mertz had 14 and 12 points for the winners. Stoffel also had 13 rebounds and 7 steals. Mary Schoofs had 5 points and 13 boards. Hill led Clinton with 17 points.

Then there was joy as Coach Mike Theiler and captains Stoffel and Mertz accepted another tournament trophy for Kewaskum. Now on to state

KEWASKUM 12 18 8 11—49
CLINTON 6 8 17 8—38
Kewaskum — Stoffel 6-2-3, Mertz 5-2-3, Weddig 0-0-1, Schoofs 1-3-4, Prost 1-0-1, Ryan 1-1-2, Schacht 3-7-3. Totals—17-15-17. FT Missed 18.
Clinton — Zapranoff 1-0-4, Nielson 1-2-4, Kruizenga 2-2-5, Voss 2-0-5, Hill 4-9-3, Funk 2-1-0. Totals—11-16-24. FT Missed 8

The Scenic Moraine Conference had some good girls basketball teams this year. Although Hartland won the championship, Kewaskum is the only team still alive in tournament play, going to the State Tournament at Madison this weekend.

Top individual players were Hartland's Lorraine Lorrenzen, Kewaskum's Julie Stoffel and Pewaukee's Stacey Schaeffer. These three, who finished 1, 2, 3 in scoring, were selected by the coaches to the all-conference team. But the only unanimous choice was the No. 4 scorer, Peggy Hayes, of Grafton. Stephanie Gillman of Hartland was the fifth player on the starting five. She is only a junior.

Hartland's Lorrenzen led

her team with 340 points in 14 conference games, only nine less than the boy's leading scorer, Leon Laatsch of Kewaskum. Lorrenzen's average was 24.2. This is her second year on all-conference.

Stoffel was the backbone of the Kewaskum team. She led her team in scoring, rebounding and steals. Julie, who loves to play basketball, averaged 15.6 points and 14 rebounds per game. Too bad she is a senior. Coach Mike Theiler did a great job in his first year as Kewaskum coach.

This is the third year Pewaukee's Schaeffer has been 19.6 points.

Kewaskum's Kathy Mertz received an honorable mention.

TOURNAMENT TIDBITS

Congratulations girls on your Sectional championship!

Whatever happened during the season is forgotten when it comes to tournament time. It's called March madness. The added crowds, noise, color and enthusiasm. It starts with the band playing the school songs and National Anthem, the radio announcers, etc. There's something about high school tournaments that is exciting.

It was disappointing more Kewaskum followers didn't turn out to support their girls. Clinton, which is almost 100 miles away near the Illinois state line and a two hour drive, came with several busloads both Friday night and Saturday afternoon with several hundred cheering fans. They far outnumbered the Kewaskum adults. We would also judge that Columbus and Pewaukee had more adult supporters here than Kewaskum, which had the tournament right in their own backyard.

Radio station WBL of Beloit also carried the Clinton games back to their area.

The Kewaskum boys' team also did well in tournament play, reaching the Regional finals before losing to Sheboygan Falls, state champs in 1974 and 1975 and Sectional finalists last year.

Both Clinton and Kewaskum had their "mascots." Clinton brought their costumed Cougar and Kewaskum had their Indian in full war paint. "Indian" Gilbert Stoffel did a good job of performing with the cheerleaders and racing through the bleachers.

One thing we can't understand is, if Kewaskum's school colors are green and white, why the cheerleaders are dressed in green and gold.

Both the boys and girls went far considering their season's won and lost records. Some of the conference champions in the area were knocked off early.

A belly full of basketball and a seat full of splinters. The writer saw 11 games over the weekend either in person or on TV. Too bad we had to miss the Lakes team's games Friday and Sunday or it would have been 13. And you want to be a sports reporter?

The Kewaskum following at the boys' tourney games here Thursday night and at Lomira Saturday and Monday nights wasn't the greatest either. You should have seen the boisterous crowd from Sheboygan Falls both nights

And so on to Madison.
