Girls Lose to State Champions

See photos on pages 6 and 7

The Kewaskum High School girls basketball team, making their first appearance since its recent inception, lost out in the WIAA Girls State Tournament in the fieldhouse at Madison Friday but it took the best Class B team in the state, the state champion Cuba City girls to do it.

Unbeaten Cuba City, with a perfect 23-0 record on the season, had to come from behind in the last quarter to beat Kewaskum, 53-45. The Cubans went on to defeat Omro Saturday afternoon, 50-41, for the state title.

By luck of the draw, Kewaskum drew Cuba City in the first game. Most writers and the two coaches were of the opinion that these were the two best teams and this was the best game of the tournament, also that Kewaskum could have beaten both Omro and Mondovi. Kewaskum gave Cuba City a closer battle than Omro did in the championship game.

Kewaskum was ahead of Cuba City most of three quarters, leading by as much as five points late in the third quarter. The Cubans didn't take the lead until 6 minutes, 47 seconds remained in the game. It took a 22-point last quarter to pull out the win. The score at the end of game was the biggest margin the Cubans had all night as the Indians tired on the big court in the closing minutes, while the Cubans became aggressive and pressed, which won for them.

The Indians still might have won were it not for poor free throw shooting in the last quarter and the fact that

KEWASKUM CROWD — Kewaskum fans supported their girls at Madison. Seven bus loads, including five for students and one each for the band and adults, together with about 100 more individuals who drove themselves were on hand for the Cuba City - Kewaskum game Friday night. About 400 local

fans were there in all. Part of the Kewaskum crowd, which whooped it up for the Indians, is shown in the photo at the University of Wisconsin fieldhouse. The Kewaskum girls received much publicity and many pictures in the Madison, Milwaukee and area newspapers.

they lost their top scorer, all-conference player Julie Stoffel on fouls

Cuba City coach, Syd Sincok, said he believed Kewaskum was the second best team in the state and that the Indians gave them the toughest game of the year. Kewaskum coach Mike Theiler also was of the opinion his team was right behind or rated pretty even with Cuba City. Theiler said his team didn't play too well defensively nor execute enough on offense in the second half.

Sparked by Stoffel's 11 points in the first half, Kewaskum led at the quarter by 3 points, 11-8, and by 2 at halftime, 26-24. Junior Deb Tranel led the Cubans by scoring 14 of her game high 16 points in the nip and tuck first half. She also fouled out in the final quarter but was picked up by Mary Leifker and reserve Linda Brown, who each scored all of their 10 points in the second half. Lynn Timmerman of the Cubans set a Class B record with her 19 rebounds. Kewaskum's Stoffel was close behind with 15 rebounds. Soph Yvonne Schacht, a hard worker, took second honors for the Indians with 12 points although she was hitting the hoops better all year.

Kewaskum shot only 50 per

cent, compared to the Cubans 65 per cent from the free throw line. Coach Theiler said the "pathetic shooting" at the free throw line was a major reason for the defeat. He also was disappointed with the officiating, especially on Cuba City's traveling violations in their final minutes when they made their drive. He thought Stoffel also had some bad fouls called on her.

The Indians finished their season with a respectable 15-7 record.

There were some tears shed in the locker room but the girls have nothing to be ashamed of. They made history. And there's also next year when three of the girls who saw much action will be back.

(Continued on Page 12)

Candidates Forum At High School

Communicate with the candidates Tuesday, March 29, at the Kewaskum High School cafeteria. The candidates for Village Board will participate in a forum at 7:00 p. m. The forum for School Board candidates will begin at 8:00 p. m.

The Kewaskum Junior Woman's Club and the League of Women Voters of Washington County are sponsoring this informational evening.

School Lunch Program Controversy Major Topic of Board Meeting

Computers, lunch programs and staffing for next year were the major topics of the Kewaskum School Board meeting held Monday evening.

Carl Roerdanz of CESA 16 was at the meeting to demonstrate computer terminals, and the uses schools put them to. Both the educational programs available with the CESA computers and the budgeting, payroll and accounting systems were discussed. The board has been considering going to the computer system primarily to handle the requirements of the new state accounting system which will be fully in effect by the 1979-80 school year, but other benefits will also be realized.

Added costs for the computer system is estimated at \$7,000 a year, which does not include the original cost of the local terminal. This cost would be a one-time expenditure and would cost between \$4,000 and \$6,600. While the system will probably not reduce present bookkeeping staff requirements it was explained that it will most likely eliminate the need to add staff to handle the more complicated requirements of the new system.

A report on the lunch program presented by Mr. Brenholt was adopted by the board. The report was in response to comments and proposals made at the previous meeting by a committee of the Farmington PTO. The report, as adopted, follows:

"At the board meeting of February 28, a number of comments and suggestions were made by a committee from the Farmington PTO

concerning the school lunch programs. A good deal of controversy has resulted.

A number of these comments need to be examined. In some instances the information given to the board was incorrect or incomplete. Some comparisons were made with the lunch programs at Cedarburg and Milwaukee, and aspects of these programs were cited to suggest improvements to the Kewaskum program.

In general, the lunch program at Kewaskum is a good one. To say that improve-

(Continued on Page 3)

St. Lucas Church Plans Centennial Services, Concert

In the year-long celebration of its 100th year of existence, St. Lucas Lutheran Church will have three Centennial Services this coming Sunday, March 20.

In the two morning services, a former Pastoral Assistant of the Congregation, the Rev. James Tiefel, who is now Associate Pastor of St. Paul's Lutheran Church in Saginaw, Michigan, will be the guest speaker and will speak on the musical heritage of the church in his sermon entitled "With a Song in Your Heart." These two services will begin at 8:00 and 10:15 a. m.

Then at 3:30 in the afternoon, an Organ-Choir Concert will be presented by the Rev. Tiefel and the Senior Choir of St. Lucas. In this concert, the Rev. Tiefel, who is also an accomplished organist, will play some of the outstanding organ compositions of the church. Included in his concert will be: "Variations of a Mighty Fortress" by Walther, Scheidt and Bender; "Trumpet Tune and Ayre" by George Philip Telemann; "Two American Compositions" by Gilbert Martin; "Psalm XIX" by Benedetto Marcello; "Variations on Praise the Almighty, My Soul Adore Him" by Jan Bender; "Chorale Variations on Abide, O Dearest Jesus" by Johann Pachelbel; "Three Chorale Preludes on Jesu, Joy of Man's Desiring," "Wake, Awake" and "If Thou But Suffer God to Guide Thee" by Bach. He will conclude his concert with variations of the hymn "O God, Our Help in Ages Past" by Paul Manz.

The Senior Choir of St. Lucas will sing 5 special arrangements in this concert. They are: "He is My Savior"

(Continued on Page 2)

High School to Present Concert

The Kewaskum High School Music Department is pleased to announce a different type of concert for your listening pleasure. The program will be presented on Tuesday night, March 22, in the high school auditorium.

The Jazz Band will begin the program at 7:00 p. m. and will feature Nick Contorno of Kettle Moraine High School as guest soloist. At 7:45 p. m. the musicians of Kewaskum will present several of their solos and ensembles which they are preparing for the Solo and Ensemble Contest which will be held at Grafton on March 26.

It is hoped that the public will come to hear some of the truly outstanding musicians of Kewaskum.

St. Lucas Church

(Continued from Page 1)

by Leland Sateren; "A Chant of Praise" by Gordon Young; "Hallelujah, Amen" by George Frideric Handel; "Praise God With a Shout" by Milburn Price, and "Now Sing We Joyfully Unto God" by Gordon Young. Children of the congregation will also present two vocal selections, "God's Son Has Made Me Free" and "Yesterday, Today and Tomorrow." The Rev. Paul Hoenecke is the director of the Senior Choir and Mrs. Paul Hoenecke is the accompanist. Senior Choir members are: Mrs. Robert Stoltzman, Mrs. Raymond Krueger, Miss Connie Ludwig, Mrs. Richard Kohn, Thomas Miller, Mrs. Alvin Barutha, Mrs. Paul Hoenecke, Mrs. Ronald Schmitz, Mrs. Orville Breitreutz, Mrs. Eugene Muench, Miss Carol Muench, Mrs. Melvin Furlong, Miss Suzette Kleinke, Mrs. Wallace Cudnohoske, Mrs. Roger Groeschel, Miss Denise Groeschel, Mrs. Lloyd Keller, Mrs. Eldon Ramthun, Dennis Krueger, David Cudnohoske, Dennis Reha, Wallace Cudnohoske, Howard Laubenstein and Mrs. Thomas Miller.

St. Lucas Congregation extends a cordial welcome to residents of the community to attend any of these special services.

Town of Wayne Boy Scouts Plan Pancake Dinner

On Feb. 12, every boy in Boy Scout Troop 771, Town of Wayne, took part in this year's Klondike Derby, in the Kettle Moraine State Park, bringing home an Award of Merit and Honor, one of the highest honors awarded.

Although the troop has been active only about 1½ years, they have participated in every event scheduled by the district, and have also held other events of their own. Outstanding among these was a 17 mile Trail-Blazer Hike at Wabeno, Wis., in which scouts and their families participated. Everyone camped for the weekend at Wabeno, and although some of our tents were blown

down by the tail end of a tornado, no-one's spirits were dampened. Blisters have all healed, and everyone is proud of his Trail-Blazers patch.

The boys are now working to earn their expenses for Camp, by holding a Pancake Dinner at Wayne School on March 18 from 4:30 to 9 p.m. Tickets are \$2.50 for adults and \$1.00 for children, age 6 to 11. Little ones will eat free of charge. Games will also be played, with prizes for everyone. We hope the entire community will back the boys.

Any boy interested in joining the troop is very welcome. The boys would also like to extend a special invitation to any man in the community who would like to work with boys, to join them, whether he has boys or not. If your children are all grown, or if you never had any, or if they are all girls, there's still a place for you.

and you'll enjoy helping these boys to grow up to be better people. For any information, call Jim Boelkow at 629-5164 or Ed Markielewski at 629-5830.

Mrs. Lorinda Schaefer Dies

Lorinda E. Schaefer, age 88 years, of Kewaskum, died at the Menomonee Falls Hospital on Saturday, March 12, where she had been a patient for 11 days.

Mrs. Schaefer was born Nov. 14, 1888, in Kewaskum to the late Mr. and Mrs. Louis D. Guth. On Oct. 8, 1911, she was married to John F. Schaefer in the Peace Church, Kewaskum. He passed away on Feb. 10, 1939.

Mrs. Schaefer was a member of the Kewaskum Wo-

man's Club and the XYZ Club of Kewaskum.

Survivors include two sons, John L. (Wilma) of Richfield, William F. (Kathryn) of Kewaskum, and one daughter, Kathleen (Paul) Kral of Milwaukee; eight grandchildren; 18 great-grandchildren; one sister, Mrs. Lydia Holtz of Milwaukee; two sisters-in-law, Adelaide Schaefer of Milwaukee and Lazetta Knickel of Campbellport; nieces, nephews, other relatives and friends.

Visitation at Miller's Funeral Home, 215 Forest Ave., Kewaskum, was after 4 p.m. Monday and at Peace United Church of Christ from 12 noon until the time of services at 2 p.m. Tuesday. Pastor Darrell Joiner officiated and burial was in the church cemetery.

Memorial tributes to the Cancer Fund would be appreciated.

ANNA K. HATZUNG

Anna K. Hatzung, nee Krebs, of 533 Riverview Dr., West Bend, passed away at the Samaritan Home and Hospital on Monday, March 7, at the age of 89. She was the mother of Ruth (Leroy) Muckerheide of Kewaskum. The funeral was held Friday at West Bend.

CONSUMER REPORT:

Have you ever questioned just what is meant by the term "Price reflects manufacturer's temporary allowance"? Often a regular \$9.00 item may be featured at, say, 25¢. You thought the store was making enough profit that he can cut the price by 15¢ for a featured item. In most cases, this price is reflecting a manufacturer's temporary allowance.

You then ask - Why should the manufacturer do this? Most products are made on an assembly line basis and steady movement is important. If a product backs up at the manufacturer's level it is important that they do something to increase the movement and therefore, the temporary allowance or lowered price. We are proud to reflect these savings to you.

Your questions or comments will help us improve this service for you. You may drop them off at the store where you shop or send them directly to the Consumer Company Office, P. O. Box 2395, Appleton, Wisconsin.

Board Meeting

(Continued from Page 1)

ments could not be made, of course, would be wrong. But this kind of statement can be made of virtually anything which people do. While this does not mean changes to improve the program should not be made, any problems there may be with our program are not serious, and certainly not serious enough to create the kind of controversy which has occurred.

Are the Cedarburg and Milwaukee systems self-supporting, as was stated by the committee? They are not. The dietician in charge of the Cedarburg program stated that the district will pay most of her salary this year, and will subsidize the lunch program to that extent. She did say that she hopes this will not be necessary next year. Also, Cedarburg serves an a la carte menu which helps to pay some of the costs of their lunch program.

Mr. Peterburs of the Milwaukee business office indicated the USDA recently did an audit of their lunch program and determined that the per meal cost was \$1.05. Obviously, if they are charging 40c and 35c, the program is not self-supporting. The DPI determined our meal cost to be just over 75c. Milwaukee will be considering a large increase in their charges to bring the program closer to paying for itself.

We have always tried to charge everything except building (heat, lights, etc.) to our lunch program costs. Because districts may report costs in a variety of ways, exact comparisons are difficult. Our lunch program costs appear to be very competitive.

Should we have a dietician? Few programs presently do. In talking with state department personnel, their recommendation was for a part time rather than a full time person. This, then, is something which can be considered at a later date if the board wishes. The district would still be in need of a head cook. Also, it is too late at this time to consider a different approach.

Are menus standardized in our district? Yes, there may be variations at times due to differing inventories, but in general the menus are standard.

Some comments were made about food quality. At this point, it would seem the comments must be rejected. At least three board members ate at Farmington on two different days and found the meals good. Mr. Larsen indicated the Farmington cooks do a good job in preparation. The State report said "The food was well prepared and attractively served." Certainly some menus are more popular than others, and when serving large numbers it is impossible to please everyone. Comments about prunes being served three days in a row are a result of picking an isolated incident, and they are unfair. If there is food left from a previous day, that

food is often served as an alternate or addition the following day. Also, this happened at the end of last year when foods were being used up. While the state supervisor did not visit Farmington specifically, the overall report was a good one. While it is doubtful that it is necessary, it certainly would be possible to have someone visit the Farmington program specifically, if the board so directs.

Whether it was intended or not, an impression was left at the meeting that the group was also questioning the neatness of the cooks and the kitchens at Farmington. Specifically, hair nets and uniforms were mentioned. Hair nets are required, uniforms aren't. Regardless of intent, because of the impression left, it's important to state that the cleanliness and neatness of the Farmington kitchen and cooks should not be in question. Everything appears to be in fine order. The report from the state also mentioned that all areas checked were clean and well maintained.

The lunch program does not deserve the criticism it has received. Because of the manner in which this was handled, an atmosphere has been created which makes an objective discussion of the program very difficult. There is no apparent reason for the board to change the program at present. After the new cook has been in the position for a time, and has had a chance to discuss possible changes with the superintendent, the board may be asked to approve changes which would require board action.

Beyond the considerations of the lunch program, there are some statements that should be made concerning the approach used by the committee.

Most of the questions raised by the committee were not policy matters, and, under any circumstances, should have been taken through administrative channels. If the committee has been working since last April, the question certainly did not have to wait until now and then be brought directly to the board. Because of the manner in which this was approached, the lunch program has received public criticism which it does not deserve. A controversy has been stirred and hard feelings created which could easily have been avoided.

Three points should be made:

1. Community groups which have concerns should go through administrative channels. The task of the board is basically that of setting policy. The board should not get involved in questions of this type unless the community group is not satisfied with administrative decisions made as a result of their bringing an issue to the administration. In this case there would have been policy decisions involved, but if this had been handled in the proper manner, the policy questions could have been brought to the board as part of an administrative report.

The people involved don't lose their right to participate in the discussions, but these kinds of unnecessary disruptions can be eliminated.

2. If a group wants to initiate discussions with the board after going through administrative procedures, they should ask to be on the agenda. There was no apparent reason, in this instance, why the group could not have asked to be placed on the meeting agenda, and no apparent reason why this could not have been brought to the attention of school personnel first.

3. Board policies should be reviewed and policies written or rewritten to assure that similar procedural problems don't arise again."

The board by motion expressed its thanks to Mrs. Gruhle for her years of service as head cook in the district.

Mrs. Barbara Niehaus, presently working as a cook at the Cedar Lake Home, was hired as the new head cook on the recommendation of Mr. Brenholt. She will begin part time work with Mrs. Gruhle immediately and will begin on a full time basis as soon as possible. She will work with Mrs. Gruhle until early April.

Staffing for 1977-78 was discussed, with time limiting this to added teacher requests at the high school and middle school. Proposals at the high school would include an additional teacher in agriculture - industrial arts, one in science - mathematics and one in English - social studies. These would replace the two intern positions which were

authorized for the high school for the present year.

A proposal for the middle school would add one teacher. This would relieve some class sizes which have reached as high as 37 students during the current school year. Sixteen different class sections are 30 or over this year. Included in the proposal on the Middle School is the possibility of eliminating the class of science taught to Holy Trinity eighth graders.

These proposals, along with others concerning staffing, will be taken up again at the next board meeting.

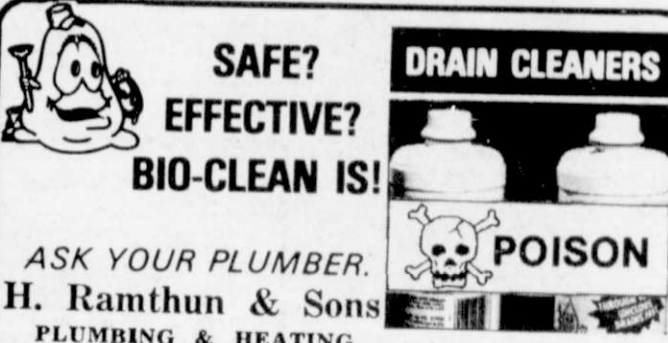

Resignations were accepted from Mr. Mader, teacher at Beechwood, and Mr. Potratz, presently in a part time

Page 3
Kewaskum Statesman
Friday, March 18, 1977

agriculture teaching position. Both are effective at the end of the year.

Teacher contracts were approved for 1977-78. Because negotiations are not completed, contracts will be issued on the basis of this year's agreement.

The board expressed its congratulations to the girls' basketball team for their participation in the state tournament. They also thanked the student fans, cheerleaders, band and all others concerned for their participation, support and good conduct at the tournament.

BLOOD BANK REMINDER

Area residents are reminded that the Blood Mobile Unit will be at the old Kewaskum High School gym on Wednesday, March 30, from 1:00 to 7:00 p. m.

If you are in good physical condition and between the ages of 18 and 66 years, you can donate every 10 weeks but not more than 5 times in 12 consecutive months. If you are 17 you are also eligible to donate but you have to have the consent of a parent or guardian. These forms will be available at the gym that day.

If you have had major surgery, are under 110 pounds, pregnant, or traveled out of the U.S. within the past 6 months, you cannot donate blood at this time. If you ever had hepatitis, jaundice, heart disease or diabetes, you are unable to be a blood donor.

Recording your confidential medical history, taking your blood pressure and testing a single drop of blood from your earlobe takes about 15 minutes. The actual drawing of the blood from your arm takes only 4 to 10 minutes. If you think it hurts, you're wrong. Over 6,000 people each month give blood to the Milwaukee Blood Center. They measure that momentary prick in their arm against the restored health of the patients who need their blood.

If you are qualified, can you give us a little of your time and one pint of blood? You'd really be putting some life into your society!

New donors are asked to call Sandy Rimmel at 626-2210 or Gloria Rodenkirch at 626-4021.

Fill your water bed with beer and get a foam mattress.

Course Offered For Area Women

Wednesdays are for women! A course, "A Survey of Women's Issues," will be offered by Moraine Park Technical Institute at Kewaskum High School from 7:00 to 9:40 p. m. beginning March 30 for six weeks.

This survey will focus on subjects which may be of vital importance to you. The class will be open to men as well.

There will be six topics included in this class.

1. "Legal Rights for Women" will include a discussion that will focus on property rights and family relations.

2. "Job Finding Skills" will focus on what employers are looking for concerning resumes and application forms. Searching out the job that suits you will also be included.

3. "Coping with Stress" will provide an opportunity to understand various causes of stress on our lives and learn ways of dealing with that stress.

4. "Releasing Your Child's Potential" shows the chance to develop an awareness of the ways in which we limit a child's development through sex role stereotyping and what to do about it.

5. "Understanding Our Bodies Ourselves" is an introduction to body awareness including fears and myths about the female body.

6. "Meeting the Challenge of Home Management" is an emphasis on budgeting time and balancing the needs of your family with your own needs.

Registration for this course must be made in advance by calling Roy Esser at 626-2166. The fee is \$5.00 payable the first evening of class.

The first touch of Spring is the Internal Revenue Service.

KEWASKUM GIRLS STATE TOURNAMENT ACTION

Film Presented At Jr. Woman's Club Meeting

Val Szymanski and Lu Steinert, representatives from the Big Brothers and Big Sisters organizations of Washington County presented the Kewaskum Junior Woman's Club with their March 11 program, "A Friend for Joey," a film depicting the types of parents and children who are referred to the program through friends, relatives, social agencies, churches, schools, or courts. Following the movie, they took time to answer questions from the audience of Juniors, guests and members of the senior class of Kewaskum High School, to further explain how the program works. "Thanks" to both ladies for the very informative program.

Following dessert and coffee, the general meeting was called to order.

Judy Nycz (corresponding Secretary) read a "thank you" note from Jackie Wicklund of the West Bend Chapter of the Red Cross, for the Juniors' donation of \$15 toward the cost of a projector, which the Red Cross office sorely needs.

Karen Matthies was introduced as the newest member of KJWC. We welcome Karen into our ranks and hope to put her to work as soon as

possible!

It was motioned and (heavily) seconded to have our club included in the Kewaskum Statesman's congratulatory message to the champion Kewaskum High School Girls Basketball team, which went to the State Tournament. Win or lose, girls, we're really proud of you (and Mr. Theiler) for getting this far!

Izzy Straub (Arts) announced that Spring Story Hour will again be held on Thursday mornings at the Kewaskum Community Library, from April 14 - May 19. The first session runs from 9:15 - 10:00 a. m. and the second session from 10:30 - 11:15 a. m. There will be a meeting at Izzy's house on April 7 to formulate further plans. She also requested that anyone having children's books no longer needed at home, could certainly be used by her Story Hour committee. (So dig through your attics, girls!)

Izzy also asked for volunteers to attend a St. Patrick's Day get-together at the Beechwood Rest Home. Interested persons will meet at Valley Bank on Mar. 17 at 6:30 p. m. and proceed "with the green" from there.

Hope was also expressed by Izzy (Home Life) that her committee might hold another Babysitting Clinic — probably the first week in May.

Ros Kiefer (Cookbook Pro-

ject) set a meeting of her committee at her home on Mar. 15 at 7:30 p. m. to coordinate plans for distribution of our "Kewaskum Kettles" cookbook, which should be arriving around April 1.

Pat Redig (Education) announced that about 40 people attended the Parent Effectiveness Training session, led by Ken Schermacher, Psychologist with the West Bend School System, in February, which we consider a fine turnout. She also mentioned that her committee will be working on the idea of presenting a scholarship to a deserving young woman of the community to enable her to begin or return to the ranks of the "back-to-school" crowd.

Karen Schmidt explained a proposal now being considered on the state level that would require that all children in grades 4, 8, and 12 be tested and ranked accordingly, and as a result, the State would dictate the curriculum taught in Wisconsin's School Districts. It was motioned and seconded that the KJWC will urge vetoing this proposal, and will forward our stance to our State Representatives.

Rosemary Kempf (Conservation) announced that the cycling center will again be open on Saturday, March 19, from 9 a. m. to 12 noon for business. Also, a meeting of her committee members will be held at her home on April

5 at 7:30 p. m. to judge the Woodsy Owl posters, which will be awarded at our April 14 meeting.

Sherry Miller (Social) announced a family afternoon of roller skating at the Artistic Roller Rink in West Bend for members and their families. Anyone interested will meet at the Roller Rink on Sunday, Mar. 20, at 1:30 p. m. The cost is \$1.50 for those age 16 and older, \$1.25 for those age 6 to 10, and children under 6 are free.

Ellie Jalas (Public Affairs) presented information on the Voter's Forum which is being sponsored by KJWC, in conjunction with the League of Women Voters, on March 29 at 7 p. m. in the Kewaskum High School cafeteria. All candidates for positions on both the Kewaskum School Board and Kewaskum Village Board have been invited to present themselves and their opinions to the electorate at this forum. If you have questions you'd like answered, this will give you the opportunity to voice them, so let's be there!

It was moved and seconded to send Ros Kiefer and Corey

Page 8
Kewaskum Statesman
Friday, March 18, 1977

Wuebben, as well as President Ann Enright, as voting delegates to the GFWC's 6th District Spring Convention which will be held at Brill-on, Wis. on April 21, on behalf of KJWC.

Shirley Perkins (CIP-Community Improvement Project) asked for volunteers to work on her committee for this project, which is being sponsored by Sears Roebuck. Her committee has chosen to work with the Kewaskum Community Library staff and board on ways to improve library services and facilities in this area. A monetary award will be made by Sears to the club effecting the greatest achievement in the CIP contest.

The oil glazes it and prevents
sticking. It also prevents the
water from boiling over.

Van Stolen, Biker Hit, Break-in Noted

Among incidents reported
by the Washington County
Sheriff's Department the past
week were the following in-
volving Kewaskum area re-
sidents:

Ralph A. Fleischmann of
Kewaskum reported his 1969
Ford Econoline van stolen
last week Monday afternoon
from the area of the gravel
pit at State 28 and Oak Road
in the Town of Kewaskum.
Fleischmann had reportedly
left the keys in the ignition
while he went for a walk.
The van was recovered in
Calumet County.

A 16-year-old bicyclist, Ste-
ven R. Tackes of R. 2, Kewas-
kum, was hit by a car driven
by Steven H. Bath, 19, of
3414 State 28, Kewaskum,
Sunday afternoon on Kettle
Moraine Drive. Tackes had
reportedly stopped his bike
in the northbound lane, fac-
ing south, and Bath braked
but was unable to avoid hit-

ting him. Tackes was taken
to St. Joseph's Community
Hospital, West Bend, by pri-
vate ambulance service for
treatment of a knee injury.

A black and white televi-
sion set worth about \$75 and
several tools were taken in a
break-in at a summer resi-
dence on Sunset Drive, R.
2, Kewaskum, according to a
report received the weekend
of March 5 - 6. The house be-
longs to William Wagner of
Milwaukee. Entry was ap-
parently gained by throwing
a rock through a window,
reaching in and unlocking the
door.

Hospital News

Mrs. Robert Ours, Kewas-
kum, is a patient at St. Jo-
seph's Community Hospital,
West Bend, since Saturday,
March 12, where she submit-
ted to surgery on Monday,
March 14.

THANKS EXPRESSED

A sincere thank you to all my family, relatives and friends. Your visits, cards, flowers, gifts and well wishes have been very comforting to me.

I am very grateful to Schmidt Ambulance, Dr. James Froelich, his staff and the nurses at St. Joseph's Community Hospital. Thank you to Dr. Flemma, his operating crew and nurses at St. Luke's Hospital in Milwaukee and all who in any way assisted me in my recovery from my heart attack and surgery.

I thank God for my extended stay here in this world. With Him willing I will soon be back to work selling monuments again.

God bless you all,
Roman J. Breit

IN MEMORIAM

In loving memory of Andrew "Gene" Gruber, who passed away five years ago, March 17, 1972:

They say that time heals all sorrow
And helps us to forget
But time so far has only proved
How much we miss you yet.

God gave us strength to take it
And courage to take the blow
But what it meant to lose you
No one will ever know.

Sadly missed by his wife Alice, children and mother, Maryann.

CARD OF THANKS

We wish to thank all our relatives, friends and neighbors for their kind expression of sympathy in our recent bereavement, the death of our dear mother, Lorinda E. Schaefer. Special thanks to Pastor Darrell Joiner, organist, soloist, donors of memorial tributes, floral pieces, pallbearers, sexton, ladies who served the luncheon, Miller's Funeral Home, traffic officers and all who showed respect and helped in any way.

Mr. and Mrs. John L. Schaefer
Mr. and Mrs. William F. Schaefer
Mr. and Mrs. Paul Kral

THANK YOU

I wish to extend my deepest appreciation to all my relatives, friends and neighbors who remembered me with gifts, visits, flowers, cards and phone calls while I was a patient at St. Joseph's Community Hospital and recuperating at home. These many acts of kindness are deeply appreciated.

Homer Schaub

A NOTE OF THANKS

I wish to personally thank everyone for the cards, flowers, phone calls, prayers and visits while I was in the hospital. Special thanks to Mr. and Mrs. Elmer Yoost for their care to me.

ACTION + SATISFACTION

Elect Officers at Citizens Concerned For Life Meeting

The Wisconsin Citizens Concerned for Life, Kettle Moraine Chapter, elected new co-chairpersons at their meeting held March 9 in Allenton. Mrs. Jeri Gundlach, West Bend, and Mrs. Maggie Kovacevich, Allenton, are the new leaders. They replace Dr. and Mrs. Parnell Donahue, Hartford, who have held this position for the past two years.

The members were educated on the subject of euthanasia via a slide presentation. It was emphasized that although WCCL has of late been most concerned with the abortion issue, the organization is pro-life, stressing the sanctity of life at all stages.

Tom Dlugopolski, the chapter's representative to the state board of governors of WCCL, reported that Rep. Joanne Duren has reintroduced her bill in this session of the Wisconsin State Legislature that would prohibit tax money being used to fund abortions.

In other business the chapter is hoping to send a representative to the National Right to Life Convention to be held in Chicago June 16-19.

The organization will sponsor an information booth again this year at the Washington County Fair.

The next meeting will be held Wednesday, May 11, at 8:00 p. m. at the United Church of Christ, Slinger.

School Menus

KEWASKUM COMMUNITY SCHOOLS

Menus for week of March 21 - 24.

Monday — Hot beef on a bun, tater-tots, carrot sticks, peach crisp, peanut butter.

Tuesday — Spaghetti and meat sauce, French bread with garlic butter, spiced apple rings, apricots or pears.

BRIDON
Man-Made-Fiber
BALING TWINE

TRY THIS MAN-MADE TWINE ONCE, AND YOU'LL NEVER USE ANYTHING ELSE

PROVEN ON THE FARM — Bridon twine has already produced amazing results for farmers on hay, straw and corn stalks. It's guaranteed to work for you, too.

MAN-MADE-FIBER STRENGTH — You get stronger, more uniform twine in every bale because manufacturing is electronically controlled. And Bridon twine has consistently higher knot strength than traditional products.

WORKS IN YOUR BALER — Bridon twine is guaranteed to work in any properly adjusted baler — without modifying the bill hooks. You get free factory assistance if Bridon twine doesn't work for you.

March Only — \$11.00 Per Bale

THIS IS THE LARGEST SALE OF THIS KIND EVER TO BE HELD IN THIS AREA!

Lakes Team Edges Hartford; To Play Slinger for Title

The close 'B' Division race in the Land o' Lakes League was tightened last weekend as Kewaskum edged Hartford by one point, 112-111, and Slinger lost to Thiensville-Mequon by one.

As a result Slinger and Kewaskum now are tied for first place with 7-6 records and the two will play each other at Kewaskum at 7:30 p. m. this Sunday for the division title. The team would like to see a large crowd turn out for this big game.

Kewaskum's Ken Loest made two free throws with about five seconds left to put his team up by three and sew up the victory. Pete Hauser made a layup at the buzzer to pull Hartford within a point for the final score.

Loest took scoring honors with 38 points, while Chuck Wallace hit 30 and Tom Zoch 28. For Hartford, Hauser swished in 35, Jim Gaedtker 27 and Ted Rulseh 17.

HARTFORD	KG	FT	K	W	L	PTS	REB	AST	STL	BLK

Slinger Goes To State Meet

The Scenic Moraine Conference added much prestige, publicity and proof of its calibre by sending not one but two teams to the Wisconsin Interscholastic Athlete Association (WIAA) Class B state tournament at Madison this year.

First to go was the Kewaskum girls team, which made a fine showing in the girls meet at Madison last weekend. This weekend the Slinger Owls, co-champions (with Hartland) of the conference, will be there to represent the Scenic Moraine in the boys meet.

After winning sub-regional and regional tournament games, Slinger ran into teams with lesser records in the Sectional in Sheboygan Falls (11-11) and East Troy (9-14). The Owls took care of both of them for a state berth.

A reminder again that Slinger and Kewaskum are both Class B schools competing against four Class A schools in the Scenic Conference.

The ninth-ranked Owls (21-2) will face third-ranked Prairie du Chien (20-2) at 1:20 p. m. Friday at Madison. The other B schools in the meet are top rated Ladysmith (22-1) and fourth rated Clintonville (20-3), who meet at 7:05 Friday. Finals are at 2:50 p. m. Saturday.

Vetter Completes Telemark Ski Race

The fifth annual Birkbeiner Cross Country Ski Race held several weeks ago at Telemark Lodge, Cable, Wis., attracted nearly 2,000 skiers from the United States, Canada and Norway. Among the finishers was Dennis Vetter of Phillips, Wis., who finished the hilly 34.2 mile course between Cable and Hayward in 5 hours and 8 minutes. Vetter placed 255th out of about 750 skiers in the 19-34 year old age division. Vetter also ran and finished the Boston Marathon last spring in 100 degree weather at Boston, Mass.

Dennis, son of Mr. and Mrs. Leland Vetter of rural Kewaskum, is the high school principal of Phillips High School, Phillips. Dennis, his wife, Jeanette, and daughter, Lea Lynn, also raise horses and herefords and run a summer campground at rural Ashland.

INSULATE YOUR HOME NOW. SAVE!

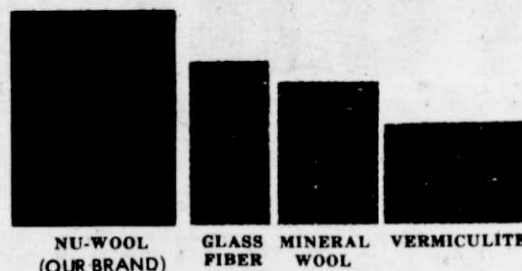

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

DO IT YOURSELF

- * No Costly Installation Charge *
- * No Charge for Use of Blower When You Purchase Insulation From Us.

OR WE'LL DO IT FOR YOU

R-VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION... PER INCH!

NU-WOOL is pneumatically blown between and over ceiling joists, filling and sealing every crack and crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why NU-WOOL is your final choice in insulation

- PERFORMANCE**
NU-WOOL insulation has been tested and rated by Factory Mutual Research Laboratories meeting all insulation ratings. NU-WOOL meets or exceeds Federal specifications No. 19-1-515A, and is approved for use in F.H.A. structures.
- MANUFACTURING INSULATION SINCE 1949**
NU-WOOL has been supplying the building industry for over 26 years, proof of our reputation.
- FIRE RESISTANT**
Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.
- COOL IN SUMMER**
NU-WOOL insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.
- PLUS SOUND PROOFING**
One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.
- VERMIN AND RODENT RESISTANT**
Chemically treated to repel insects and rodents from working in materials.
- REDUCES HEAT COST**
Caveat attic insulation can save you 30% or more on fuel.
- RESISTANT TO MOISTURE**
The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.
- GUARANTEE**
Nu-Wool Insulation is guaranteed for the life of the structure (building).
- HIGH R-VALUE**
NU-WOOL cellulosic fiber exceeds most insulation (by laboratory test) in resistance to heat or cold.
- HELPS CONTROL ICE BUILDUP**
Damaging ice and icicles on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.
- WILL NOT DETERIORATE**
It is a life-time insulation because it is treated with chemicals that are permanent.
- LIGHT WEIGHT WILL NOT SETTLE**
Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.
