Kewaskum Hosts Badger Firemen's Meeting, Banquet

Statesman photos by David Schoofs

The Kewaskum Fire Department hosted this year's spring meeting and banquet of the Badger Firemen's Association on Sunday, April 17. Twenty some fire departments of the surrounding area comprise the Badger Association.

The afternoon meeting at Kewaskum's new fire station was attended by approximately 80 fire chiefs and delegates. They were joined by other firemen from the various departments for the evening banquet which was held at Amerahn Hall and was attended by close to 300 firemen. Before and after the meeting and banquet many firemen also visited the new fire station which was open for inspection.

The host department, Kewaskum, was well represented at the banquet. Thirty-six of Kewaskum's 45 active members attended. Wives and daughters of the firemen served as waitresses at the banquet. A delicious turkey and ham dinner was catered by Campbell's Village Inn. The fire department wishes to thank Mrs. Campbell, the waitresses and committee in charge for helping make the

banquet a great success.

Pastor Paul Hoenecke of St. Lucas Lutheran Church gave the invocation and benediction.

At the program following the dinner Gene Arnold, Badger Association President and Germantown assistant fire chief, served as master of ceremonies. Kewaskum Chief Augie Bilgo, Jr. welcomed the visiting firemen and talked briefly. Association Secretary-Treasurer Ron Naab of Allenton also spoke. Guest speaker was Elmer Schreiber, Greenfield fire chief, who also gave a demonstration on gas fires and explosions. Trophies and prize money won at the association's annual bowling tournament held this winter at Thiensville-Mequon were distributed by a representative of that department.

Shown in the top photo at the speaker's table are, left to right: Committeeman John Kudek, Chief Augie Bilgo, Association Secretary - Treasurer Ron Naab, Greenfield Chief Elmer Schreiber, Badger President Gene Arnold, and Committeeman Don Ehnert.

The lower photo shows

part of the crowd of 300 firemen at the banquet with part of the Kewaskum firemen at the table in the foreground.

NOTICE TO ADVERTISERS

The Kewaskum Chamber of Commerce is sponsoring a "Kewaskum Remembers Mother" sale the week of May 2. The promotion ads for this event will be run in the April 29 issue of the Kewaskum Statesman. All advertising for the promotion must be in our office by Friday, April 22. Your cooperation will be appreciated.

BICYCLE LICENSES AVAILABLE SATURDAYS

Bicycle licenses will be available on consecutive Saturday mornings from 9 a. m. to 11:30 a. m. beginning April 23 and continuing through May 28. Cost of the license will be 50 cents but after May 28 the cost will be \$1.00. The licenses will be issued at the municipal building.

Village Board's Application to Increase Water Rates Granted

By Karen Schmidt
Kewaskum Village Board President, Charles Miller, informed the board Monday evening that the application filed for authority to increase the water rates had been granted.

The average residential rate will increase from the present rate of \$5.11 to \$7.95 for a 55.6% increase.

The application was filed with the Public Service Commission on October 26, 1976 and a hearing was held in Madison on March 1, 1977. It is estimated that the rates will increase annual revenues from water public utility service approximately \$21,298, of which \$17,344 will be from general service and \$3,954 from public fire-protection service.

All water customers must be informed of the rate increase and rates and rules must be placed in all offices and stations. The board will decide at their May 2 meet-

ing when the increase will take effect.

Approval of the compensation claim of Al Rohlinger was approved as payment of the difference between his normal wage for 60 calendar days and workman's compensation, that difference being \$857.60.

A discussion was held on establishing a contingency fund for unexpended budgeted funds. The total of unexpended budgeted funds from 1975 - 76 was \$103,400. One third of total was left from
(Continued on Page 2)

KEWASKUM NIGHT AT BREWERS GAME PLANNED

A "Kewaskum Night" at a Milwaukee Brewers game is being planned by the Chamber of Commerce for an evening in July. The date will be announced later. If some other organization is planning a similar outing, please get in touch with the Chamber of Commerce.

Gay Olson DAR Good Citizen

Gay Olson has been selected the DAR Good Citizen at Kewaskum High School. She is the daughter of Mr. and Mrs. Immanuel Olson, 330 Braatz Dr., Kewaskum.

Gay has played the bassoon, piano and clarinet in the Symphonic, Jazz and Pep bands for four years. She is also a member of the Scenic Moraine Honors Band, and the Kewaskum High School Concert Choir and Chamber Choir.

This year she is serving as President of the Student Council, American Field Service, and Future Teachers of America organization.

Gay is the Editor-in-Chief of the high school newspaper, The Smoke Signals, and is also a member of the National Honor Society.

For three years she has

competed in the state forensic contest, in the category of extemporaneous speaking.

In 1976 she was a representative to Badger Girl's State and a recipient of the Sheboygan Foundation Scholarship to a journalism summer workshop at University of Wisconsin - Eau Claire. She has also been a past winner of the Suder - Pick music clinic scholarship at University of Wisconsin - Madison.

In addition to her school activities, Gay is active in Our Savior's Lutheran Church work in West Bend.

She plans to attend the University of Wisconsin - Eau Claire and major in music education and speech communication.

The DAR Good Citizen Award is sponsored by the Joseph Marest Chapter DAR.

Village Board

(Continued from Page 1)

1975. After four deficit items, that were overexpended on the budget were nulled, the total left is \$40,852.58. Items such as equipment outlay and refuse outlay were questioned as to being put in the contingency fund. Greg Nigh asked "Why set up a fund if we're going to earmark the fund? Then we would have to use it for a specific purpose."

Miller stated that a contingency fund should be set up for items coming up that have not been prepared to be handled. He further stated that maybe accounts should be set up as non-lapsing instead of contingency.

Motion was made that balance of accounts left at the end of 1976 be put in a contingency fund and not earmarked. Vote was 5 to 1 with Robert Danielsen voting against.

A public hearing will be held on May 2 at 7:30 p. m. concerning an ordinance amending the subdivision and platting ordinance of the Village of Kewaskum.

The possible amendment to village ordinance on the village not paying for stump removal was tabled until a check is made on a previous motion that included removal of tree roots that are up-

heaving sidewalks, which would all be included in one amendment.

Dan Schmidt reported that application for funding for the Kiwanis Park has been reviewed in the Tom Blotz, Recreational Aids Specialist for DNR office and the Madison office, and is now back in Blotz's office. Madison recommended several minor changes on the application in the area of lighting. Also asphalt should be included for the tennis courts in the application, as the state does not approve a partial project. The project has two years to be finished.

James Arthur of Arthur & Arthur Associates will appear at the May 2 meeting to help set up ground work for bidding. Opening of bids may be possible at the June 6 meeting. Work on the park project should be ready to start by the middle of July.

Roger Strack, attending his last village meeting as trustee, made the motion to adjourn. Strack did not seek re-election in this year's election.

MEMBERS OF CAST FOR UWWC PLAY

The FANTASTICKS is being performed this week by the University of Wisconsin Center - Washington County drama group. Sponsored jointly by the UWWC Music and Communication Arts departments, the play is a series of reverse psychology techniques and plots that parents, particularly fathers, put upon their children. Curtain time is 8:15 p. m. for the musical which is presented four nights, April 20, 21, 22 and 23 in the Student Union Theatre. The cast includes Kewaskum area students Connie Slegler as Luisa and Greg Ebert as Matt.

Jr. Women Again To Sponsor Tree Planting Program

The Kewaskum Junior Woman's Club will again sponsor a tree planting program for the village.

Tree Spree will be Saturday, May 7. Over 75 trees have been ordered for the club by Schultz's Greenhouse and Kewaskum Floral and will be sold at Kewaskum High School.

There will be six kinds of trees sold: Schwidler Maple, Norway Maple, Emerald Queen Maple, White Ash, Sugar Maple and Red Maple. These varieties of trees were approved by the Village Board in 1975 as good varieties to plant in the village. The smaller trees will be from 2 - 3 feet and will cost only \$1.00. Larger trees will

range from 4 - 8 feet depending on variety and will range in price from \$6.50 to \$8.00.

Village residents will also be able to see a demonstration on tree planting. The F.F.A. under the supervision of Roy Esser, will demonstrate tree planting at the high school that morning.

The trees will be sold, beginning at 9 a. m. until all are sold or until noon. There will be no early sales and everything will be on a first come, first serve basis. Why not help nature repair the damage done by last year's ice storm? Plant a tree — May 7 — don't forget.

He who talks like a big wheel may be only a spokesman.

L. Boehm Gives Kiwanis Program

Lowell Boehm, General Telephone Company of Wisconsin Service Supervisor - DART and Speakers Bureau member, Plymouth, presented the Company's "Long May It Wave" slide and discussion program on Monday, March 21, to the Kewaskum Kiwanis Club at the Hon-E-Kor Golf and Country Club, Kewaskum. The program was arranged by Marvin Martin.

Boehm, during the 25-minute program, traced the development of our nation through the series of flags which have flown above its soil. From exploration and colonial banners, through the rattlesnake striking for independence, beyond Betsy Ross' first Stars and Stripes, the Stars and Bars, and the 50-star "Old Glory" placed upon the Moon - America's grand heritage in the Bicentennial Year is recounted through its "Grand Ol' Flag."

"Long May It Wave" is part of the General Telephone library of civic group programs now being presented

by members of the firm's Speakers Bureau. Arrangements for this or other programs to be shown to your group can be made by contacting your local telephone business office. Speakers Bureau personnel will then respond with final details.

DAR Good Citizens Honored at Meeting

DAR Good Citizens from four area high schools were guests of honor at the April 21 DAR meeting of Joseph Marest Chapter. The students are from West Bend East and West Bend West High Schools, Kewaskum High School, and Germantown High School.

These annual awards are given to outstanding senior class girls or boys who possess to an outstanding degree the following qualities:

- 1) Dependability - which includes truthfulness, loyalty, punctuality.
- 2) Service - cooperation, courtesy, consideration of others.
- 3) Leadership - personality, self-control, ability to assume responsibility.
- 4) Patriotism - unselfish interest in family, school, community and nation.

Students are selected from faculty and student nominations. The mothers of the students were also invited as honored guests.

The meeting was at the home of Mrs. Donald Cooley, 255 Vine St., West Bend, at 1:15 p. m. Assisting Mrs. Cooley were co-hostesses Mesdames Tom Miklas, James R. Larson, John Ryan, David Coughlin, and T. W. Simester.

A book review was presented by Mrs. Marion Grogan, West Bend. "Betsy Yellow Hair" an Indian story by Grace Helsall was presented for the members and their guests.

Sgt. Retzlaff Visits Mother

Dean Frances Retzlaff arrived in Kewaskum on Wednesday, April 20, to spend a week with his mother, Alice Beebe, of 143A Main St.

Retzlaff, a Master Sergeant in the United States Air Force, has been stationed outside of the United States for the past nine years. His homebase was in the Philippines but he was also stationed as a jet mechanic in Japan, Laos, Thailand, Australia, New Zealand, Korea, Okinawa, Cambodia and Vietnam during the war.

Retzlaff enlisted when he was 17 and has served in the Air Force for 23 years. After the visit with his mother, he will be stationed in New Jersey.

In the Service

Glendale, Ariz. — The U. S. Air Force has promoted Steven H. Cundy, son of Mr. and Mrs. Harry Cundy of 1443 Park View Dr., Kewaskum to the rank of senior airman.

Airman Cundy is serving at Luke AFB, Ariz., as an aircraft maintenance specialist.

The airman is a 1973 graduate of Kewaskum Community High School.

Mountain Home, Idaho — Daniel L. Krueger, son of Mr. and Mrs. Oliver A. Krueger of R. 1, Theresa, has received his first promotion in the U. S. Air Force.

Krueger, promoted to airman, recently completed technical training at Chanute

Page 3
Kewaskum Statesman
Friday, April 22, 1977

AFB, Ill., and is now assigned at Mountain Home AFB, Idaho. He serves as a jet engine mechanic with a unit of the Tactical Air Command.

Airman Krueger is a 1976 graduate of Lomira High School.

County Agent Hovland Resigns

County Agricultural Agent Maurice Hovland announced last week he is resigning, effective Aug. 31. Hovland, 56, made the announcement at a special meeting of the county board's Agriculture and Extension Education Committee which accepted his resignation with reluctance.

Hovland has worked for the University of Wisconsin Extension for 29 years, 22 of which have been in Washington County.

Hovland said he was retiring in order to protect his health. He has had one heart attack. He plans to remain in Washington County and stay active in agriculture. He said he will devote his time to developing his fruit ranch, fishing and traveling.

Patrick Joseph Polcyn, Joliet, Ill. and Doreen Mary Rumsey, Kewaskum; wedding April 30.

Alan Cyril Thull, Kewaskum, and Vicky Ann Barrett, West Bend; wedding April 23.

Gregory Robert Arndt, Fredonia and Jo Anne Margaret Schladweiler, Kewaskum; wedding April 23.

Election on Agenda For School Board

The second April meeting of the Kewaskum Board of Education will be held Monday, April 25, in the district administrative offices, and will begin at 8 p. m.

Election of officers will be the first item on the agenda, since newly elected members take office on the fourth Monday of April. Mrs. Jean Goeden is the only new member of the Kewaskum board, replacing Tom Gundrum. Present officers are Dr. Charles Ogi, President; James Oelhafen, Clerk; and Byron

Gessner, Treasurer.

Providing a science class for Holy Trinity eighth grade students, and a discussion of the report made last meeting on the Farmington visit by reporters will be on the agenda. Also to be considered are approval of a teacher contract, approval of payroll and vouchers payable, naming a board member or members to participate in graduation, and other miscellaneous items which may arise.

A closed session will be held following the open meeting to consider administrative salaries and two student personnel questions.

Four Sheriff's Department Retirees Honored

Page 6
Kewaskum Statesman
Friday, April 22, 1977

RETIRES HONORED - Over 300 citizens, firemen and law enforcement officials helped celebrate the retirements of four Washington County Sheriff's Department employees, at the Amerahn Hall in Kewaskum recently. Sheriff Schwartz presented the retiring employees with plaques containing their badges. Chairman Schmahl presented a certificate to each on

behalf of Washington County, for many years of faithful, dedicated service. Pictured (left to right) are Chairman Schmahl, former Sheriff's Secretary Victoria Gonnering of West Bend, Jailer Charles Klumb of West Bend, Deputy Wesley Bogenschneider of the Town of Addison and Sheriff Clarence Schwartz. Dispatcher Edmund Weber (not pictured) was unable to attend.

'No Fault Crime' Assailed by Lewis

State Rep. James Lewis (R-West Bend), in a recent speech to the Washington County Sheriff's Department Retirement Party, linked criminal justice problems to a breakdown of the country's moral fiber and a turn to what he called "no fault crime."

Said Lewis, "It has always been good public policy to hold persons responsible for their conduct on the ground that if held accountable, persons would be more careful. But look at the arguments presented by those engaging in disorderly behavior - 'my parents did not love me - or - my parents loved me too much.'

"The truth is that these persons who do not accept responsibility for their actions are playing games with a very sophisticated system of justice and they know it," Lewis said, according to a press release.

Emphasizing what he sees

as a moral breakdown, Lewis said, "Novelist C. P. Snow believes as do I that '... Western society is suffering from lack of purpose, and needs to discover what people are really like.' It has been said, the whole world is watching America, but America is watching television."

The retirement party was held in honor of Wes Bogenschneider, Charles Klumb, Edmund Weber, and Victoria Gonring.

Lewis also noted, "Many of the issues and questions facing the legislature are moral ones, as public employees' right to strike and decriminalization of marijuana. Political analysts and news writers say that you don't care much about political matters that ought to be of concern to you. Well, I disagree with that. These so-called political matters are at the heart of the way we live."

128 Main St., Kewaskum, 626-2164

Jr. Women Present Plaques to Woodsy Owl Poster Winners

Woodsy Owl award plaques were presented to the following poster contest winners at the April 14 meeting of the Kewaskum Junior Woman's Club:

Beechwood School — Annette Klahn, Lisa Krahn, Michele Picard; Farmington—Todd Merwin, Angie Swenson, Brenda Theusch; Holy Trinity — Pamela Amerling, Ricky Heller, Jess Mueller; Kewaskum Elementary — Tom Czoschke, Britt Ellis, Nancy Gavin, Jean Herriges, Marie Miller, Wayne Newman, Terry Romaine, Brian Schultz; St. Lucas — Kevin Kempf; Wayne — Monica Gravelle, Nicki Gravelle, and Debbie Retzlaff.

Congratulations to all these artistic students and to their parents for all their efforts in future pollution control.

The Home Life Committee of KJWC sponsored the program "P.S.A. — Project Self Awareness / Child Exchange" and speaker, Mrs. Marie Ritger, who explained just what the child exchange involves. She also showed a movie, followed by a question and answer period, at which time giving the particulars of matching and "exchanging" children from the sister counties of LaFleur, Mississippi, and Washington, Wis. Each summer selected children (irrespective of race, creed, etc.) from these two counties exchange part of their summer vacations to live in the other county — a great, and sometimes, quite revealing, phenomenon. Mrs. Ritger described the great poverty and poor standard of living of people in the Mississippi County, and issued an appeal for any usable articles which people might have in their closets, attics, and basements, which are so sorely needed by others. What is considered "rummage" to us is very probably considered a

Godsend to these people. Some of the children have NEVER owned a pair of shoes or eaten with utensils! Can you imagine that?

Nancy Malvick has very generously volunteered to serve as the drop-off point for the Kewaskum area, and the KJWC would like to see the next bus departing for Mississippi laden with some things for these people. Her number is 626-2481, or you can also call Mrs. Ritger at 629-9232 for further details on the program. Let's — PLEASE — show them that people from Kewaskum, WI. really CARE!

Guests for the evening included Minerva Martin and Mary Miller, representing the Kewaskum Woman's Club. Judy Nycz (Corresponding Secretary) read "thank you's" from the Kewaskum Library for KJWC's donations of several books to celebrate National Library Week (April 17-23); from the Washington Co. Chapter of Big Brothers / Big Sisters for a \$10.00 donation; and a letter from Gov. Lucey re: KJWC's letter to him on state-directed curriculum in our schools.

Ann Enright, President, also applauded Judy for her fine job as corresponding secretary this year.

Izzy Straub (Home Life) announced that the Babysitting Clinic will be held the first week in May, and a meeting to formulate same will be held at her home on April 27 at 7:30 p. m. for all her committee members.

It was decided by the membership to have Ros Kiefer (Cookbook Project) order another 200 copies of "Kewaskum Kettles," as they have been selling like hotcakes, and we'd like to have some to sell at Krazy Days this summer.

Donna Danielsen (Public Affairs) called a meeting of her committee members on April 27 at 8 p. m. at her home. She also thanked the girls who assisted with the vision screening at the Middle School on April 13: Ann Berndes, Ellie Jalas, Char

Keller, and Corey Wuebben.

Kathie Ramthun (Ways and Means) also reminded all members (this includes those who were not present at the meeting) to bring two 9" x 13" desserts - uncut - to Peace Church between 9:00 and 10:00 a. m. on April 30 for the Tour of Homes.

Ellie Jalas, requested that any new citizens of the Kewaskum area contact her for "Welcome" materials, at 626-4760. She has a lot of coupons and information which newcomers will find helpful.

Pres. Ann Enright announced two awards which the KJWC recently received: an award from Mrs. Harry Koch, on behalf of the Washington County Bicentennial Committee, for the Juniors help with the pageant last summer, and also, Tom Larsen's (Principal Farmington School) "Top Cat Award" for the Woodsy Owl presentations to Farmington School children.

Pres. Ann also announced an invitation from the Kewaskum Woman's Club for the KJWC to join them at their May 7 meeting at Peace Church (2 p. m.), at which time Atty. John Klavin will speak.

Meeting adjourned at 10:20 p. m. — a real record!

MULTIPLE SCLEROSIS CHAPTER TO MEET

The Washington County Multiple Sclerosis Chapter will hold a meeting Wednesday, April 27, at 7:30 p. m. in the Therapy Room at the Cedar Lake Home. The three

Page 7
Kewaskum Statesman
Friday, April 22, 1977

guest speakers will be Mr. Hartnet, Mr. Judd and Mr. Perra. The meeting is open to the public.

Secretaries Week Observance Set for April 24-30 Here

Secretaries Week, sponsored by The National Secretaries Association (International), will have its 26th annual observance April 24-30.

Local plans for marking Secretaries Week have been announced by Ione Milner, president of the Kettle Moraine Chapter. The NSA Chapter will sponsor a special Secretaries Week Banquet on Secretaries Day, April 27, at Hon-E-Kor in Kewaskum. Village President Charles Miller, and his wife will be special guests.

The speaker is Richard J. Kendro, senior vice president of Aqua-Chem, Inc. a wholly owned subsidiary of the Coca-Cola Company, and President of Cleaver-Brooks Division. He is a graduate of Kent University, a former President of Toastmasters

Richard J. Kendro

International and Lecturer for American Institute of Better Conferences, In-

dustrial Education Institute and American Management Association. Mr. Kendro's topic will be "The Principles of Effective Time Management" including timely hints on how to utilize time and save the bosses' time.

A special presentation of a secretary's handbook and Savings Bond will be made to a student of the Kewaskum Community High School Business Class selected by the teacher and committee.

Dinner begins at 7 p.m. with a social hour preceding from 6 to 7. Reservations can be made by calling Mrs. Marge Marx at 626-2121.

All secretaries are invited to join in focusing on the vital contributions secretaries make to the successful operation of business, industry, education, government and the professions.

April 24-30
SECRETARIES WEEK
1977

SECRETARIES DAY
Wednesday, April 27

Sponsored by
The National Secretaries Association
(INTERNATIONAL)
2440 Pershing Road, Suite G-10
Kansas City, MO 64108

PROCLAMATION

WHEREAS, in honor of the Secretary, the week of April 24-30, 1977, has been designated as Secretaries Week; and

WHEREAS, in keeping with the best tradition of their profession, secretaries are accepting the vital responsibilities and are performing important roles in commerce, industry, and government; and

WHEREAS, professional development for secretaries should be stressed to remind the secretary of benefits from continued education and to remind the employer he will gain a better qualified secretary; and

WHEREAS, to honor the secretaries now doing their jobs diligently and to encourage others to enter this worthy career, it is essential that rightful recognition be given them.

NOW, THEREFORE, I, CHARLES MILLER, President of the Village of Kewaskum, do hereby declare the week of April 24, 1977, as Secretaries Week and ask that all business and industry join in giving due recognition to this group, paying special attention to Secretaries Day on April 27.

IN TESTIMONY WHEREOF, I have hereto set my hand and caused to be affixed the Seal of the Village of Kewaskum, this 5 day of April, 1977.

Charles F. Miller

President Carter Issues Special Message for Secretaries Week

From the White House, President Jimmy Carter has issued a special 1977 Secretaries Week message, a copy of which has just been received by Ione Milner, president, Kettle Moraine Chapter of The National Secretaries Association (International): NSA is the sponsor of Secretaries Week which will be observed April 24 - 30.

The President's message states:

"Secretaries are a main-

stay of both business and government. On their skill, accuracy and discretion depend countless daily decisions that affect the success and quality of service provided in both the public and private sectors. This week gives all of us a splendid opportunity to applaud the individuals who pursue this fine career and to recognize their indispensable contribution to so many facets of our national life."

DISTRICT TECHNICIAN—Tim Anderson has been selected as the new District Technician serving Washington and Ozaukee counties Soil and Water Conservation Districts. He started work in November of 1976.

Anderson received an Associate Degree in Natural Resources from the Fox Valley Technical Institute located in Appleton in June of 1976. He began his career working with the Soil Conservation Service in Walworth County during the past summer. He recently moved to the West Bend area.

Tim will provide technical assistance to the Washington and Ozaukee county area landowners in the planning and installation of soil and water conservation systems. In addition, he will be working with the District Board of Supervisors and the Junior Board with their annual award programs. He will also

be available to schools and civic groups for conservation tours and talks.

More Than Glad

Speed Fiend: "It's great speeding along like this. Aren't you glad you're alive."
 Passenger: "Glad isn't the word. I'm amazed."

Firemen's Campaign Raises \$36.30 for Muscular Dystrophy

The Kewaskum Fire Department canister campaign for Muscular Dystrophy raised \$36.30, it was announced by Fire Chief August Bilgo, Jr., local chairman.

Chief Bilgo thanked all those who helped, the volunteers who distributed the canisters, the merchants who displayed them and the many contributors.

The monies collected will be used for wheelchairs, braces, other orthopedic equipment, physical therapy and summer camp for Muscular Dystrophy patients in Washington County and for worldwide research.

Muscular Dystrophy Association, a non-profit organization, conducts an annual campaign to raise funds for research and services to local patients.

Muscular Dystrophy is a crippling disease which progressively turns healthy mus-

cles into fatty tissue and eventually renders the victim completely helpless. There is no known cause, prevention or cure for M.D.

Blumer Receives AAL Scholarship

Wisconsin Lutheran Seminary, Mequon, announces that Steven P. Blumer has been selected as the recipient of an Aid Association for Lutherans (AAL) Wisconsin Lutheran Seminary scholarship grant for the 1976-77 academic year.

Steven is a second year student majoring in theology at the school.

He is the son of Paul E. Blumer and Mrs. John Felner, both of Kewaskum. The school has awarded the scholarship out of funds provided for this purpose by the members of AAL.

Steven is a member of St. Lucas Ev. Lutheran Church, Kewaskum.

Kewaskum Man Re-Appointed to Moraine Park Board

Mrs. Phyllis Ohlrich of 935 S. Grove St., Ripon, was appointed and Carl Plaum of Kewaskum was re-appointed to the Moraine Park Vocational, Technical and Adult Education District Board.

Board appointments are made by a committee consisting of the county board chairmen whose counties are in the district. Howard Blodgett, Fond du Lac County Board chairman, heads that committee.

Plaum, vice chairman of the Moraine Park board, is an equipment operator at Regal Ware in Kewaskum. He was appointed to the board in 1968. He was appointed as an employe member of the board representing Washington and Sheboygan Counties.

Mrs. Ohlrich was appointed as an employer member of the board representing Fond du Lac, Winnebago and Calumet Counties. She is industrial and community relations manager for the Speed Queen Division of McGraw Edison, Ripon.

As industrial and community relations manager, she works in the areas of equal employ-

ment opportunity, salary administration, the hiring of top management personnel, recruiting on college campuses, union negotiations and labor relations.

Mrs. Ohlrich began her work in personnel at Giddings & Lewis Co. and has worked for Mercury Marine and Wells Manufacturing, all in Fond du Lac. Prior to her appointment at Speed Queen, she held numerous personnel assignments with the H. C. Prange Co.

She attended Oshkosh State University and is a Princeton native. Mrs. Ohlrich replaces Donald Blakely of Fond du Lac, who was not a candidate for re-appointment.

School Menus

KEWASKUM COMMUNITY SCHOOLS

Menus for week of April 25 - 29.

Monday — Barbecue on a bun, French fries, spiced apple rings, peanut butter bars with chocolate icing.

Thursday — Wiener winks, pork and beans, finger food, whipped jello, milk.

Friday — Fish and chips, fruit salad, rice krispie bar, milk.

Menus are subject to change.

Give some of your appliances the day off.

Every weekday, people are busy at home running appliances such as washing machines, dryers, dishwashers, electric ovens, televisions, vacuum cleaners, and dozens of other electrical gadgets.

At the same time all of this is going on, business and industry is also using a lot of electricity.

So the demand for electricity is extremely high Monday through Friday, from morning till evening.

The use of electricity is so high on weekdays that back-up power plants have to help handle the extra load. Since they run on more expensive fuels, it costs more to produce electricity during these peak weekday hours.

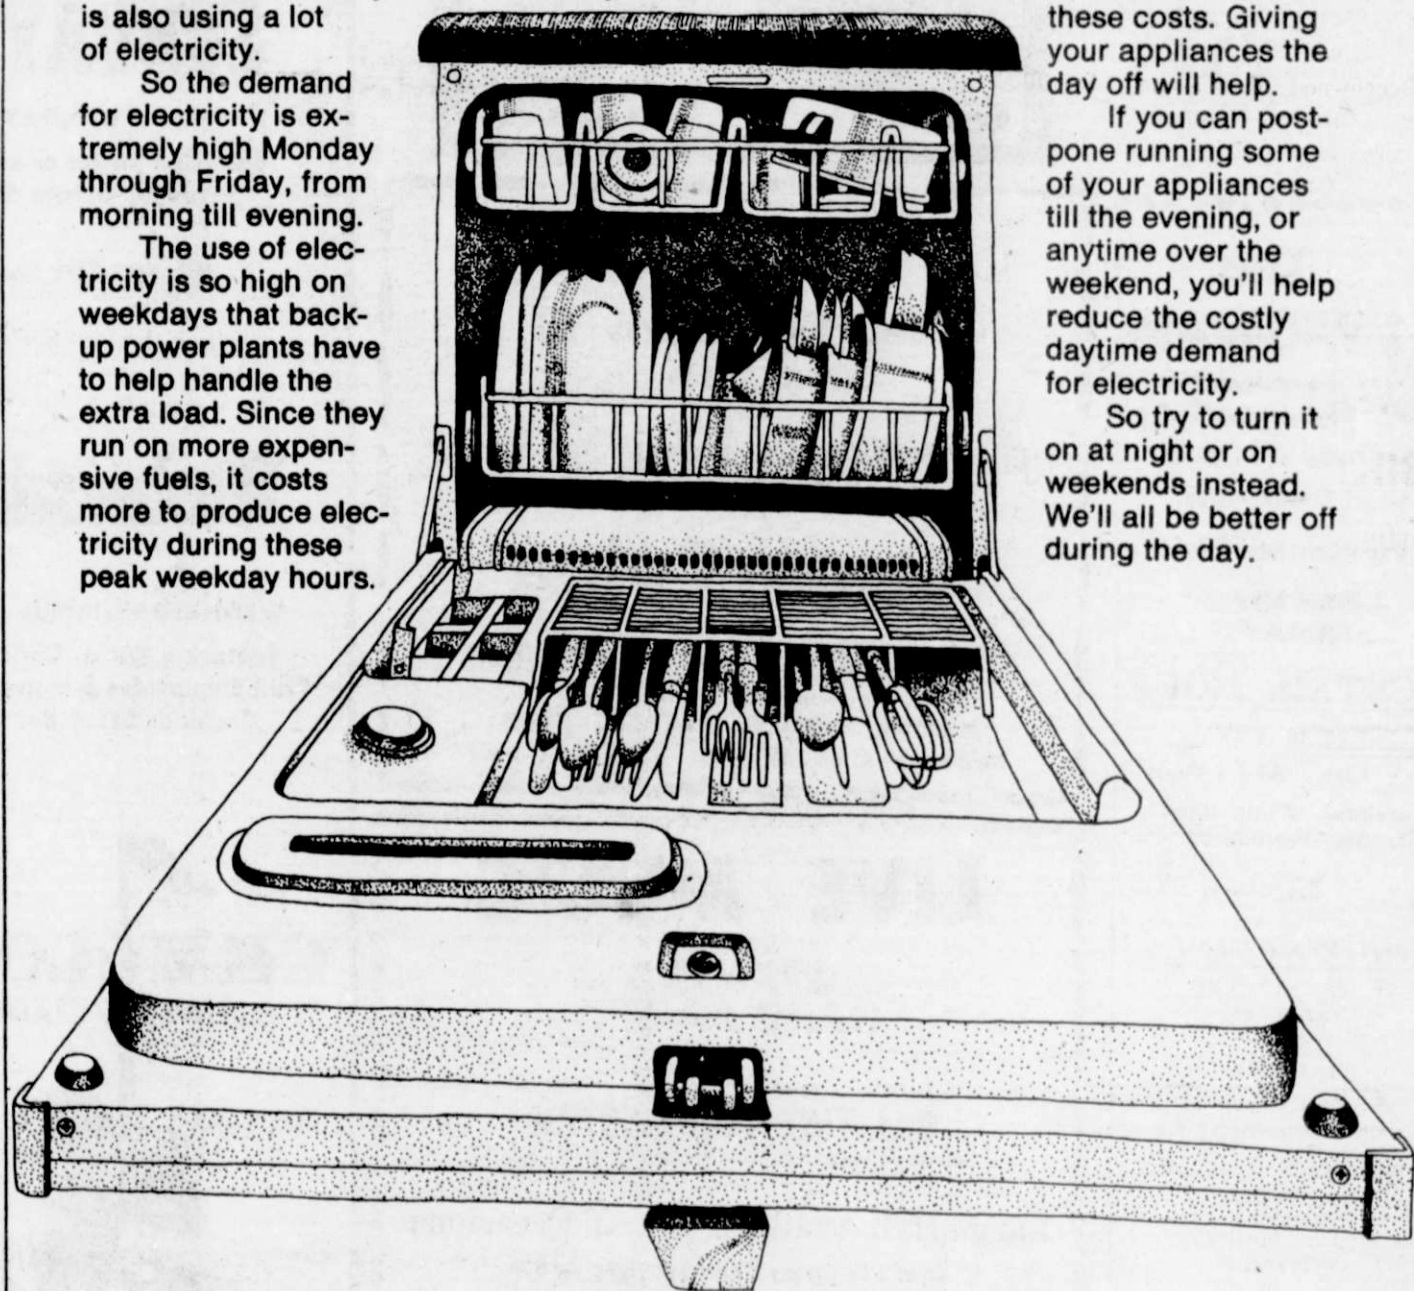

To add to the problem, the daytime demand for electricity has been steadily increasing. Which means even more power plants will have to be built.

It's all very costly for everyone. At Wisconsin Electric, we're working

hard to hold down these costs. Giving your appliances the day off will help.

If you can postpone running some of your appliances till the evening, or anytime over the weekend, you'll help reduce the costly daytime demand for electricity.

So try to turn it on at night or on weekends instead. We'll all be better off during the day.

Kempf - Gaffke

Mr. and Mrs. Lee Kempf,
R. 1, Kewaskum, are happy
to announce the engagement
of their daughter, Lynn, to
James Gaffke, son of Mrs.
Shirlee Gaffke of R. 1, Fredonia,
and Ray Gaffke, Milwaukee.

Lynn is a 1975 graduate
of Kewaskum High School
and is presently employed at
the Beechwood Rest Home.
Jim is a 1973 graduate of
Kewaskum High School and
is employed at Amity Leather
Products.

A September 9, 1978
wedding is being planned
by the couple.

Second Mini Day Planned at UWWC

A second "mini day" on
campus will be offered at the
University of Wisconsin Center -
Washington County on
Thursday, May 5, from 9 a.
m. to 12:30 p. m. Seniors of
the surrounding area high
schools have been invited to
spend a part of the day at
the UWWC campus, sampling
a taste of college life. High
schools that have indicated
their interest are: Cedarburg,
Kettle Moraine Lutheran,
Kewaskum and Slinger.

There will be classes offered
in: anthropology, art, biology,
chemistry, English, German -
beginning and intermediate,
history, math, music, physical
education, astronomy, sociology
and communication arts. The day
will be divided into six, twenty-
five minute periods. There will
be a brief general session in
the Student Union Theatre. All
students will attend the general
session and four of the class
offerings. In the remaining two
free periods, students may eat
lunch, view the facilities and
talk with professors in the
specific field in which they are
interested.

Planned in cooperation
with area high school counselors
and the UWWC Student Services
Office, this is an opportunity
for seniors to attend a typical
day at college, whether they
plan to attend UWWC or another
college. For more information,
contact the Student Services
Office at UWWC, 338-1161, ext.
24.

INSULATE YOUR HOME NOW. SAVE!

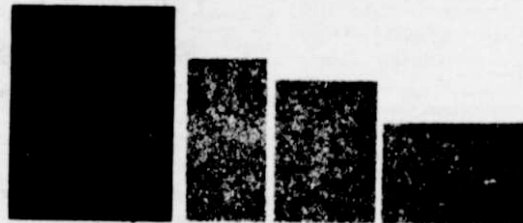

Comfort From Heat in Summer - Save Dollars on Fuel in Winter

DO IT YOURSELF

- * No Costly Installation Charge *
- * No Charge for Use of Blower When
You Purchase Insulation From Us.

OR WE'LL DO IT FOR YOU

R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION . . . PER INCH!

SURE COMFORT is pneumatically blown between & over ceiling joists, filling & sealing every crack & crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

Why Sure Comfort is your final choice in insulation

- PERFORMANCE**
SURE COMFORT Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all Insulation ratings. SURE COMFORT meets or exceeds Federal specifications No. HH-1-515A, and is approved for use in F.H.A. structures.
- MANUFACTURING INSULATION OF THIS TYPE SINCE 1949**
SURE COMFORT has been supplying the building industry for over 28 years, proof of our reputation.
- FIRE RESISTANT**
Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.
- COOLS IN SUMMER**
SURE COMFORT insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.
- PLUS SOUND PROOFING**
One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.
- VERMIN AND RODENT RESISTANT**
Chemically treated to repel insects and rodents from working in materials.
- REDUCES HEAT COST**
Correct attic insulation can save you 30% or more on fuel.
- RESISTANT TO MOISTURE**
The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.
- GUARANTEE**
SURE COMFORT insulation is guaranteed for the life of the structure (building).
- HIGH R-VALUE**
SURE COMFORT cellulosic fiber exceeds most insulation (By laboratory test) in resistance to heat or cold.
- WILL NOT DETERIORATE**
It is a life-time insulation because it is treated with chemicals that are permanent.
- HELPS CONTROL ICE BUILDUP**
Damaging ice and ricks on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.
- LIGHT WEIGHT WILL NOT SETTLE**
Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

Skaters Raise \$2,660.84 for Cancer

Washington County children from 5 to 15, skated in the second annual Cancer Skat-A-Thon at the Artistic Roller Rink Monday, and raised a total of \$2,660.84 for the American Cancer Society.

The Skat-A-Thon, under the direction of ACS Special Events Chairman, Gary Draeger, and wife, Dorothy, began at noon, with 80 skaters signed up for the event, mostly middle schoolers. The designated skating time was an eight-hour period ending at 8 p.m. Almost all entrants "went the distance," earning the full amount pledged by families, friends and neighbors.

Skaters were given a ten-minute break each hour for rest, refreshment, sock-changing, et. "Battle scars" ranged from skinned knees and elbows to blistered and aching feet. Midway in the Skat-A-Thon, skaters were served lunch, courtesy of McDonald's of West Bend; and periodically throughout the session, prizes were awarded to various skaters, compliments of the Artistic Roller Rink, Steiner TV and Appliance, Stein Walgreen Drugs, Toy World, ShopKo, and Dairy

Queen.

Monday's inclement weather was cited as the main cause for a lower turnout of skaters than last year (there were 131 in 1976) but with final pledge figures tallied, more money per skater was raised this year than last — by several dollars.

In the next few weeks, skaters will be out collecting their pledge money from Skat-A-Thon supporters, and donors are to make checks payable to the American Cancer Society.

The Skat-A-Thon grand prize winner will be determined and a pair of Artistic Roller Skates awarded, as soon as all pledged monies have been turned in to the First National Bank of West Bend.

All participants will receive Skat-A-Thon jacket patches.

The members of the Washington County unit of the American Cancer Society thanked the skaters, volunteer officials, merchants who donated prizes, and everyone who pledged donations to skaters, for making the second annual cancer Skat-A-Thon the success it was, noted the Draegers.

RIVERSIDE 4-H CLUB REPORT

The meeting was brought to order by President Jeff Matter, March 14, at 7:30 p.m. The pledges were led by Allen Bath. Roll call was taken, with several members being absent. The minutes of the last meeting were read by Chris Frei, the secretary.

Our club wishes to thank John Lightner for taking time out and coming to our meeting. He is our wood-working leader, and also gave some helpful hints. Also thanks to Mrs. Lightner and Mrs. Matter for helping with the Valentine party, and Mrs.

Gary Frei and her committee who prepared the pretty Valentine box. That identification game was quite clever.

For new business we discussed the speaking and poster contest. Also the dues for the Wis. 4-H Foundation were collected. Those that didn't bring their dime should bring it along to the next meeting.

Debbie Fry, the treasurer, gave a report on what she has done regarding the treasury.

Sue and Laurie Lemke and Colleen Shaw showed a few things they crocheted. The

meeting was then adjourned. The drawing members had a short meeting. Sue Schmitt and her mother and Sandy Schefelbein and her mom served refreshments.

Health food for the middle-aged lawn.

You've seen how cheap fertilizers perform. They green up your lawn in a flash, and then quit working. If you have an established lawn, more than a couple of

years old, it definitely doesn't need that kind of feeding. It needs a long-lasting lawn food that will strengthen the root system and promote new growth or tillering.

Northrup King Lawn Food is formulated for steady, long term feeding, so you don't have to mow or fertilize as often. It feeds your lawn with Nature's Ratio®, the ratio recommended by turf authorities for most grasses. It's on sale now, during the Green Grass Sale at your Northrup King Dealer's.

PUBLIC NOTICE

Public notice is hereby given that the Plan Commission of the Village of Kewaskum, Wisconsin, has recommended to the Kewaskum Village Board the adoption of the following amendment to the Village's Subdivision and Platting Ordinance:

AN ORDINANCE AMENDING THE SUBDIVISION AND PLATTING ORDINANCE OF THE VILLAGE OF KEWASKUM

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, do ordain as follows:

PART I. To repeal and recreate Section 18.062(2) of the Subdivision and Platting Ordinance of the Village of Kewaskum, as follows:

(2) **STREETS.** After the installation of all utilities, the subdivider shall surface all roadways and streets proposed to be dedicated to the widths prescribed by these regulations and/or comprehensive plan or comprehensive plan components. Said surfacing shall include both base material and wearing course and said surfacing shall be done in accordance with the following plans and specifications:

a) Prior to any surfacing operations, the soil conditions of the roadway and/or street must be approved by the Village Engineer. If at any point, during the course of construction, the existing base is deemed insufficient, the existing gravel shall be removed, along with whatever undercut is necessary to remove unacceptable material. These undercut areas shall be filled and compacted with crushed road gravel approved by the Village Engineer.

b) Gravel base to be placed in two layers, the first being four (4) inches of pit run gravel, the size of which is not to exceed No. 3 stone. The second or upper layer is to consist of six (6) inches of crushed road gravel. The maximum thickness of each lift shall be four (4) inches with each lift being compacted.

c) Prior to surfacing the subdivider shall submit to the Village Engineer a report prepared by an independent testing laboratory, which shall include:

1) A proposed mix design utilizing bituminous material and mineral aggregate material which the contractor intends to use in surfacing. Separate test designs shall apply to base course and wearing course mixtures. This design shall conform to the Wisconsin Highway Specifications.

2) A complete sieve analysis of aggregate to be employed in the execution of the contract.

3) Test information indicating performance of the design mix including specific gravity compaction data. This data shall be presented to the Village Engineer for approval not less than one week prior to beginning work.

d) The subdivider shall

strictly adhere to the approved design mix while carrying out the surfacing. The mix for surface or binder course shall not be altered from the approved design without written approval of the Village Engineer.

e) **TESTING SAMPLES:**

1) Compacted samples of each type of material placed may be cored from the pavement for determination of density, thickness and other characteristics at the direction of the Village Engineer.

2) All samples of materials which are required for test shall be furnished by the subdivider without cost to the Village. Samples taken of pavement before acceptance of the work shall be replaced by the subdivider without charge or cost to the Village.

f) The subdivider shall furnish to the Village Engineer, a list of all equipment to be used for surfacing stating name, year of manufacture capacity and location. He shall, at the Village Engineer's request, furnish a certificate of inspection from the manufacturer of the mixing machine, laying machine, and rollers to be used which will guarantee that said equipment is in good operating order and will conform to Section 405.4 of the Wisconsin State Highway Specifications for Road and Bridge Construction, 1969 Edition.

g) Streets and roadways shall be paved with a 4" bituminous concrete pavement as follows:

1) The aggregates for bituminous pavements, including mineral filler, shall conform to the following gradation requirements as set forth in Subsection 401.2.5 of the State of Wisconsin, Department of Transportation, Division of Highways, Standard Spec. for Road and Bridge Construction, 1969 Edition.

2) Asphaltic Concrete Binder Course 2½" - Graduation No. 2-4.5% to 5% A.C.

3) Asphaltic Concrete Surface Course 1½" - Graduation No. 3 or No. 4 - 5.2% to 6.0% A.C.

4) The bituminous material for the bituminous concrete shall be Asphalt Cement Type A.C. in the penetration range 85 - 100.

h) Prior to placing the bituminous binder course the existing gravel base shall be regraded and shaped to a cross-section having a centerline crown of 5/8".

i) Before the asphalt pavement is to be placed, the base course shall be stringlined to check the crown of the road.

j) Prior to paving, all street structure shall be adjusted to finished pavement grade by the use of cast iron rings or masonry blocks and mortar.

k) The cost of surfacing roadways, in excess of 46 feet in width, curb-face to curb-face, and to standards over and above those which would be required for local streets that are not required to serve the needs of the developer shall be borne by the community.

PART II. To repeal and recreate Section 18.062(5)(a)

of the Subdivision and Platting Ordinance of the Village of Kewaskum, as follows:

(5) **STORM WATER DRAINAGE FACILITY.** (a) The subdivider shall construct storm water drainage facilities which shall include curbs and gutters. Catch basins and inlets, storm sewers, road ditches and open channels shall be installed as may be required by the Village Engineer. The type of facility required, the design criteria and the sizes and grades are to be approved by the Village Engineer. Storm drainage facilities shall be so designed as to present no hazard to life or property; minimize shore land erosion and siltation of surface waters; and shall prevent excess run off on adjacent property. The size, type and installation of all storm water drains and sewers proposed to be constructed shall be in accordance with the plans and standard specifications approved by the Village Engineer. Curbs and gutters shall be installed on all streets and roadways prior to paving as required by Section 18.062 (2) of this Ordinance. Plans for such installation must be approved by the Village Engineer and installation shall be in accordance with specifications of the Village Engineer.

In accordance with Chapter 236.45 (4) of the Wisconsin Statutes, notice is given that a public hearing on the above proposed ordinance to amend the Subdivision and Platting Ordinance of the Village of Kewaskum, Wisconsin, will be held on May 2, 1977, at 7:30 P. M. in the Council Room of the Municipal Building, 204 First Street, Kewaskum, Wisconsin.

William S. Martin, Clerk

MINUTES OF VILLAGE BOARD MEETING

Regular Meeting
April 4, 1977
8:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Charles Miller presided and all Village Board Members were present.

The minutes of the meeting of March 21 were approved as printed. Motion by Trustee Herriges, seconded by Trustee Schmidt. Unanimous vote.

Motion was made by Trustee Schmidt that the Board adjourn to executive session to discuss with Attorney Kiefer pending litigation and also to discuss an employee compensation claim. Motion was seconded by Trustee Strack. Unanimous vote.

The Board re-convened in open session at 8:45 p. m.

Robert Schmidt appeared to inquire whether any funds were available through the Recreation Department to sponsor the Girls Softball Traveling League. It was the opinion of the Board that since this is a traveling league, the program should be financed by individual sponsors. Trustee Danielsen commented that he was sure

some local civic group would provide funds to sponsor this league.

Mr. Schmidt also inquired whether the Village absorbed part of the cost of tree stump removal in the tree lawn the same as it does for cutting down diseased elm trees in a tree lawn. Existing village ordinance provides for cost sharing for cutting down diseased elm trees only and makes no mention of stump removal. Mr. Schmidt suggested that possibly the ordinance should be amended to cover stump removal. The suggestion was referred to the Administrative Committee upon motion by Trustee G. Nigh, seconded by Trustee Schmidt. Unanimous vote.

Raymond Schaefer, building contractor, West Bend, was informed that upon the advice of the Village Attorney, no building permits would be issued in Ideal Subdivision until such time as pending litigation between the Village and the subdividers is resolved.

Eugene Bohn, Kettle Moraine Agency, reported that he had not as yet received a premium quotation for the renewal of the Village's umbrella liability insurance.

The proposal of Industrial Appraisal Service for an on-site appraisal update of all village owned property was referred to the Finance Committee. Motion by Trustee Herriges, seconded by Trustee G. Nigh. Unanimous vote.

Trustee Schmidt, Chairman of the Park Development Committee, reported that the Wisconsin Department of Natural Resources had allocated to the village matching funds in the amount of \$73,300.00 for the year 1977 for park development. Trustee Schmidt moved that the revised application based upon the above allotment be approved. The motion was seconded by Trustee D. Nigh. Unanimous vote.

Supt. Bilgo was authorized to purchase a used wet-dry vacuum machine at \$109.00. Motion by Trustee Herriges, seconded by Trustee G. Nigh. Unanimous vote.

The Village Board established the following policy for Board Members who plan to attend any municipal related meetings or seminars. Any member or members wishing to attend any such meeting or seminar, shall so inform the Village President and the Commissioner's office of the date and type of such meeting or seminar. Motion by Trustee Schmidt, se-

Page 13
Kewaskum Statesman
Friday, April 22, 1977

conded by Trustee Danielsen. Unanimous vote.

The Commissioner was authorized to purchase a desk and a wide carriage IBM typewriter for the office at a total cost of \$595.00. Motion by Trustee G. Nigh, seconded by Trustee D. Nigh. Unanimous vote.

The building permit application of Terry Koch for the construction of a one family residence at 1116 Edgewood Road was approved and the Commissioner was authorized to issue the proper permits upon payment of the required fee. Motion by Trustee Danielsen, seconded by Trustee D. Nigh. Unanimous vote.

President Miller reported that Village Assessor, Virgil Samsal, had informed him that he would be unable to do a complete re-appraisal for the year 1977.

The Commissioner was authorized to obtain bids for a complete re-appraisal of all property within the village. Motion by Trustee Schmidt, seconded by Trustee Danielsen. Unanimous vote.

The Commissioner was authorized to publish a public hearing notice in the official newspaper on the proposed ordinance amending the Subdivision and Platting Ordinance of the Village of Kewaskum. The proposed ordinance amendment deals with the paving of streets and the installation of storm water drainage facilities and curbing. Motion by Trustee Strack, seconded by Trustee Schmidt. Unanimous vote.

The totals of all claims, as recommended for approval by the Finance Committee, were as follows:

Vil. Gen. Fund \$495,603.34
Water Dept. Fund 2,068.21
Sewage Dept. Fund 2,956.46

Motion by Trustee Herriges, seconded by Trustee Danielsen to approve for payment all bills as presented by the Finance Committee. Roll call vote unanimous.

Upon motion by Trustee Schmidt, seconded by Trustee Herriges and duly carried, the Board adjourned subject to call by the President.

William S. Martin,
Commissioner

THANKS EXPRESSED

I wish to thank Dr. Sison, Dr. Castro and the nurses and nurses aides on both the second and third floors at St. Joseph's Hospital. You all took such wonderful care of me this long winter that I was laid up.

I would like to say thank you to all my dear friends for the gifts, cards and for all the wonderful Christmas treats that 22 neighbors made; for all loving care given to my husband and children and meals that were sent to them. I thank you for all your prayers and a special thanks to Pastor Wilkens for his prayers and spiritual guidance.

I especially want to thank all my children who took such good care of each other and me. Also, thank you children for taking such good care of our farm so that your father could spend more time with me. I have so much to be thankful for. Thank you all again.

Highway 45 detour outlined

Because construction is under way on the Highway 45 bridge over the Milwaukee River 3½ miles north of Kewaskum in Fond du Lac County, Highway 45 is closed to traffic from Highway 67 south to Kewaskum. The marked detour follows Fond du Lac County Trunk V from the south to Highway 67 in Campbellsport, then follow Highway 67 northeast to Highway 45.

Checks mailed for road aids

The state Department of Transportation has mailed checks totaling \$7.0 million to cities, villages and towns in Wisconsin including several in Washington County.

The present allotment is the first payment of more than \$80 million in highway revenues collected by the state which will be returned to all local units of government during the year. The distribution total does not include some \$13 million distributed by the state Department of Revenue under the shared tax program.

The highway aid payments are for improvements to local public roads and streets. Separate allocations are made to county governments for highway purposes.

A total of \$68,909.10 was distributed in Washington County to the following municipalities: Cities of Hartford \$3,285.10, West Bend \$18,883.80, Milwaukee \$62.40 (also in Milwaukee County); Villages of Germantown \$5,096.65, Jackson \$295.10, Kewaskum \$516.75, Newburg \$191.10, Slinger \$436.15; and 13 towns \$40,142.05.

It is with deep respect that we wish upon our good Christian friend, John, many more years of good health and happiness.

As your trees grow taller,
your lawn looks older.
You need Shady Place.

A replacement for grass
that fades in the shade.

When your trees were younger and smaller, your lawn underneath probably looked fine. But now, it looks thin and sickly. Northrup King Shady Place is the remedy.

Shady Place is a mixture of special grasses called fescues that can survive with less sunlight, moisture and fertilizing than most grasses. This allows it to grow under trees and alongside buildings which rob grass of sun, rain and nutrients in the soil.

Plant early, you'll get a great deal during our Green Grass Sale.

Shady Place
lawn seed

\$2.70

for 1 pound. Usually \$2.95

Triple-Tonic
spells death for
dandelions.

There's nothing like dandelions to advertise that your lawn is in bad shape and brand you as a bad neighbor. And there's nothing better for controlling dandelions than Northrup King Triple Tonic. It also controls plantain, chickweed and other broad-leaved weeds as it fertilizes your lawn.

You save \$0.00 when you get it during the spring Green Grass Sale at your Northrup King Dealer's.

Indian Track Teams Beat Campbellsport

The Indian track teams won both ends of a co-ed dual meet with Campbellsport last Wednesday, the boys winning, 70-56, while the girls won by a big margin, 76-27.

Because of a meet the next day and to give her younger performers a chance, Coach Connie Kreuser held out her ace sprinter Carrie Kempf.

Soph Pam Kempf scored the most points with a first in the 220 and two seconds. Freshman Laurie Wilson won the 440 and 50 yard dash. Doreen Hammes took first with a 15' 10" long jump. She also had a second in the 50 and helped to win the eight lap relay.

For Campbellsport's young team Dawn Zuengler took both the shot and discus. Kitty Serwe won the 50 yard hurdles.

In the boys' end of the meet, the Indians won both relays and 8 of the 13 individual events. Double winners were Kewaskum's Frank Lohrer, 220 and eight lap relay; Paul Brenholt, 880 and relay; Doug Reigle, 440 and relay; Chuck Dreher, low hurdles and relay; Bruce Steinhart, pole vault and relay; Roger Rezel, high jump and high hurdles.

Bob Flood of the Cougars stood out with 20' 5" in the long jump and 5 - 8 in the 50 yard dash. Doug Jaeger took both the shot and discus.

Boys Defeated by Plymouth, Girls Tie

The Kewaskum Indians had a tough one in their last indoor meet Thursday. Facing Class A Plymouth, the boys lost 92-35 and the girls gained a 50-50 tie by winning the last relay.

The Indians had only three first places from the boys, two from Roger Rezek, plus a second in the low hurdles. Paul Brenholt was the other winner, taking the 880

Coach Connie Kreuser again experimented with her girls. Carrie Kempf was held out of the long jump but was tried in the 440 of the 16-lap relay and came in strong. She had a 64-second split in the 440, won by the Indians by 12 seconds. Robin Acker in the mile chopped seven seconds off her best time, with 5:55. Freshmen Laurie Wilson and Diane Bremser were also winners.

Marquette Coach to Speak at Banquet

Kewaskum High School Principal Clark Pearson announced this week that Rick Majerus, assistant basketball coach at Marquette University, will be the guest speaker for the 6th annual Indian Activities Banquet.

The banquet will be held in the high school gymnasium on Saturday, May 21, starting at 7:30 p. m. Honor students in all extra-curricular activities in the high school will be honored. Tickets for the banquet are available at the high school office. They are \$3.00 for adults and \$2.00 for students.

Majerus has played an influential role in Marquette's advance to the national collegiate title. He is known as an inspiring speaker. The public is urged to attend.

ON RIPON COLLEGE WOMEN'S TRACK TEAM

The Ripon College women's track and field season opened Wednesday, April 6, when they traveled to UW-Oshkosh for a 4 p. m. dual meet. A pair of school record holders head a Ripon squad of 20 women looking forward to a good season. One of the record holders is junior Linda Secor, daughter of Mr. and Mrs. Gerald Secor, R. 1, 1865 Scenic Dr., Kewaskum, in the 400-meter hurdles.

Ripon finished a close third behind Lawrence in the UW-Oshkosh meet. The Titans dominated, with the final score U.W.O 94, Lawrence 21, Ripon 20. Secor placed third in the 440-yard dash and fourth in the 880.

Tackes Fourth for UW-Stevens Point In Wrestling Meet

Calvin Tackes, son of Mr. and Mrs. Marvin Tackes, R. 2, Kewaskum, captured fourth place for the University of Wisconsin - Stevens Point wrestling team in the recent State University Conference meet.

Cal, a senior, had a 20-8-1 record in his 134 pound weight class. That finishes up Cal's fine wrestling career at Stevens Point.

Coach John Munson was extremely pleased with Cal's performance. "Cal's record could be considered the best on our squad, especially in the very tough weight class he's in," explained Coach Munson. "All his hard work paid off with this fine season he had," he added.

The rebuilding Pointers changed their 2 - 8 meet record of last season to one of 5 - 5 this year. Point also showed marked improvement in their conference standing, moving up a notch to fifth place in the State University Conference meet held Feb. 18 - 19.

Although the loss of Cal to graduation may be felt, he is one of only two wrestlers leaving. This low turnover is one of the reasons that Coach Munson feels the Pointer wrestling team will be one to reckon with next year.
