## 1977 J. O. Reigle Scholarships Announced

Tom Ryan

Gerald Butz

Regal Ware, Inc. has announced that Tom Ryan and Gerald Butz have been selected as recipients of the 1977 J. O. Reigle Scholarship Awards. The awards in the amount of \$2,000 are offered yearly to the graduating class of Kewaskum High School and will provide each of the recipients with \$500 per year over a full four year college program.

Tom, the son of Mr. and Mrs. Robert E. Ryan, Route 1, Kewaskum has an outstanding high school academic record. In addition to his scholastic accomplishments, Tom participates in a wide variety of extra-curricular activities including basketball,

National Honor Society, Chess Club, German Club and drama productions. Tom was also selected to attend the National Science Foundation Summer Program at Northwestern University and served as a representative to Badger Boys State. Planning to pursue an engineering major, Tom will enroll at Northwestern University.

Gerald Butz, son of Mr. and Mrs. Vernon Butz, 1325 Park View Drive, Kewaskum, also compiled an outstanding record as he too was a member of the National Honor Society. His long list of extra-curricular activities include numerous plays and musicals, cross country, German Club,

AFS Club, Chess Club, Math Team, Forensics, the student paper, and student government. Gerald was also selected to participate in the National High School Institute at Northwestern University last summer. Gerald plans to attend Northwestern and major in engineering.

Started in 1963, the J. O. Reigle Scholarship Program was named in honor of the cookware firm's late founder. The program was established to recognize the outstanding achievements of one or more students from each graduating class at Kewaskum High School, and to assist them in the pursuit of a meaningful college education.

## School Board Re-Elects Officers; Disapproves Action by Reporter

In unanimous decisions, the Kewaskum Board of Education re-elected all officers at its meeting Monday evening. Dr. Ogi, James Oelhafen and Byron Gessner were named president, clerk and treasurer respectively. All have served in these positions since July, 1974.

After a brief discussion of various possibilities, the Holy Trinity science class was reinstated. It had been dropped at an earlier meeting, but requests to reinstate the program resulted in a review of the situation and the latest action by the board. The eighth grade class from Holy Trinity has, for a number of years, received one period of science instruction at the Middle School.

A review was made of the visit to the Farmington School by reporters. The rebuttal of the reporters to earlier statements by school personnel was distributed and read by the board, after which a 6-1 vote resulted in the resolution expressing disapproval of the actions of the reporter from the "West Bend News."

A contract to teach agriculture was approved for Dale Staude. He is a graduate of Platteville and has three years of teaching experience.

The contract will be for 230 days to allow for summer visits to students in the program. Mr. Staude will also act as FFA advisor.

The resignation of Mrs. Caldwell as English teacher was accepted by the Board. The resignation is effective at the end of the school year. Mrs. Caldwell will accept a teaching position nearer her home.

In other business, Byron Gessner and Richard Theusch will participate in the high school graduation on June 3 and the board day period was changed to an April to April date since that is when new members take office.

Mrs. McKee raised the question of whether lockers should be purchased at the Middle School to help ease the problem of students taking items from others' lockers. Mr. Brenholt suggested that a survey be made of parents at both high school and middle school levels to determine if the problem varies between the schools. The high school has lockers, the middle school does not.

The board went into closed session following the open meeting to discuss administrative salaries and two student personnel questions.

## Town Board Approves Placing \$40,000 in Savings Accounts

By Karen Schmidt

The Kewaskum Town Board approved placing approximately \$40,000 in savings accounts at their regularly scheduled meeting on April 20.

Half of the \$40,000 will be placed in a 90 day savings account and approximately \$20,000 will be placed in a regular savings account. Both Town Clerk Barbara Hinz and Treasurer Delores Prost had attended a seminar on investing funds in Fond du Lac and brought ideas back to the board.

Certified survey maps were approved for: Roman Lauenstein on County Trunk H; Martha Foerster on West Moraine Drive; William Otten on Ridge Road; Tom Staehler on Sandy Ridge Road; Wilmer Hilgendorf on Hwy. H (former Schneider Farm); Carl Meilahn estate on East Moraine Drive. Meilahn's was approved pending the removal of a shed which was considered too close to the road. Hilgendorf's was approved pending approval of the County Park & Planning Commission and provision that the road is 66 foot in width.

Supervisor Daniel Stoffel was instructed to contact officials from the Town of Auburn to check if debris from road work on West Moraine Drive can be dumped on a roadway being filled in the Town of Auburn. Also several area excavators were contacted for their hourly rate for removal of stumps on town road sides. An amount of \$5,000 can be spent for this removal without advertising for bids.

The board received notice from the Department of Local Affairs, Division of Emer-

(Continued on Page 2)

## Mother's Day Promotion

The Kewaskum Area Chamber of Commerce is sponsoring a "Kewaskum Remembers Mother" Sale next week, May 2 through 7. Cooperating business people are offering special discounts and bargains on many items of merchandise throughout the week. Remember mother by taking advantage of this sale. See the ads on the inside pages of this issue.

## Junior Prom at High School Saturday

Statesman photo by David Schoofs

The annual Junior Prom at Kewaskum High School will be held this Saturday night, April 30, from 8:30 p. m. to 12:30 a. m.

Music will be furnished by Logan Caine. Theme of this year's prom is "Knights in White Satin." The grand march will be held at 10:30 p. m.

Admission is \$1.00 for spectators, \$2.50 for singles, and \$4.00 per couple.

The king and queen were elected by class members on Wednesday of this week.

Members of the court, left to right in the photo, are: Greg Eichstedt and Sherry Strack, Chuck Dreher and

Jenny Schaub, Wayne Endlich and Patti Beisbier, Joe Matenaer and Joanne Brenholt, Roger Rezel and Debbie Schultz, Mark Tassar and Joanne Strobel, Kevin Volm and Loni Stoffel, Dale Poling and Cindy Herriges, Cliff Wilson and Terri Reindl, Dan Schmidt and Joan Melzer.

### Town Board

(Continued from Page 1)

gency Government that it had spent \$2,062 in excess of the amount received for work resulting from last year's ice storm. A new application can be submitted for reimbursement. Supervisors instructed Town Chairman George Allmann to apply for the additional funds as the work has already been completed.

The Town Clerk was advised to advertise for bids for seal coating and possible resurfacing town roads. Bids will be opened on May 18. The clerk was also instructed to advertise for three part time employees for summer work for road maintenance. Application blanks will be available from the Town Clerk, Town Chairman and the two Supervisors.

At the annual meeting, it was announced that Robert Etta had taken the assessor's test and was waiting for word as to whether he had passed. A motion had been made to hire him on the provision he had passed the

test.

At the April 20 meeting, the board was told that he had failed to pass the test, due to being given the wrong books to study, and the board had until May 1 to hire an assessor. Several names of certified assessors on an eligibility list were chosen, and these men would be contacted so the town would be in compliance with the May 1 deadline for hiring a certified assessor. The assessor's salary was open for negotiation and he would be hired for a period of one year.

All town meetings will be held the third Wednesday of the month, starting at 7:30 p. m. at the Kewaskum town shed.

### Delegates to Woman's Club Convention

The Sixth District of Wisconsin Federation of Women's Clubs held its 61st annual convention at Michel's Inn, Brillion, on Thursday, April 21. Mrs. Marvin Martin and Mrs. Donald Wendt repre-

sented the Kewaskum Woman's Club as delegates.

Mrs. Gene Harrison, president of the WFWC, spoke on the theme, "We Feel We Care." She reminded members to share their talents wherever they can and to help anyone in their community who is in need of help. She also urged everyone to use their seat belts. This was a project the General Federation of Women's Clubs pursued.

Dr. Robert Witte of the UW Extension of Madison addressed the convention on "Understanding and Dealing with Daily Stress." Some important points he emphasized were: stress is the wear and tear on the human system; it's our reaction to situations rather than the situations themselves which causes tension to rise; difficult life situations causes tension to rise and reducing tension to manageable limits. He compared people to a sunset — no two are alike. We must accept ourselves just as we are.

#### Bike-a-Thon to Be Held May 7

The annual March of Dimes Bike-a-Thon will be held Saturday, May 7. The Bike-a-Thon is a way to raise money for the fight against birth defects.

The starting points will be at the Kewaskum Village Park or Firemen's Park in Campbellsport. The riders may start anytime from 7:00 a. m. to 11:00 a. m. and should

proceed along the designated routes.

The Pepsi-Cola Company, in support of this Bike-a-Thon, will be donating free Pepsi to participants. As a bonus, a Monteverdi TV Sports 825 Home Video Game, a 10-speed bike and other prizes will be given away.

The Kewaskum Future Homemakers of America are supporting this Bike-a-Thon and will be helping with re-

gistration and at checkpoints. More information may be obtained at the Kewaskum High School office or from the FHA.

#### Baby Sitting Clinic May 2-5

The bi-annual Baby Sitting Clinic will be held on May 2 thru 5 beginning at 3:55 p. m. at the Kewaskum Middle School. Each day's session will last approximately one hour.

Students of grades six thru eight may take advantage of the course by registering on the first day of the course.

Speakers at the course will be a nurse, member of the Kewaskum Police Dept. and members of the Kewaskum Resque Squad on proper care of children and how to handle emergency situations. A certificate will be awarded to each student completing the course. The course is organized by the Kewaskum Junior Woman's Club, Home Life Department.

#### TO CONTINUE PROXMIRE OMBUDSMAN PROGRAM

U.S. Senator William Proxmire has announced he will continue his ombudsman program for Wisconsin constituents. Fred Duperrault from his staff will be available in West Bend to listen and record concerns regarding le-

gislation, government services, veteran matters, social security, military cases, government documents and other government business.

Proxmire's Home Secretary will meet individually with constituents at the Washington County Court House in West Bend, on Monday, May 2, from 9:00 a. m. to 12 noon.

## High School to Present 'The Mouse That Roared' May 12-13

"The Mouse That Roared," a delightful comedy, will be presented by Kewaskum High School Thespians on Thursday and Friday, May 12 and 13. The play will be presented in the High School Auditorium beginning at 7:30 p. m.

The story revolves around a pretty girl of twenty-two who happens to be the present Duchess Gloriana, sovereign of a microscopic country in the Alps founded centuries ago by a roving band of English bowmen. Gloriana's unique solution to the near bankruptcy of her tiny domain is to declare war on the United States. Her study of recent history suggests that the surest way to wealth today is to lose a war with the United States, for the

country's odd reaction is to pour aid, relief, and rehabilitation on the vanquished. When her "Declaration" is considered a prank by the U. S. State Department, Gloriana decides to escalate. Tully Bascomb, presently in charge of the bowmen, is to launch an attack - then they can surrender and reap the rewards. Serious-minded Tully, however, upsets all calculations when he and his bowmen do the last thing expected - they win!

The cast is led by Jerry Butz as Tully Bascomb and Anne Strancke as the Duchess Gloriana. They are supported by Kevin Neese as Count Montjoy and David Schoofs as David Bentner. Other leads are played by Dave Slegler as Professor Kokintz, Richard

Rauch as the President, and Joe Moths as General Snipnet. The remaining cast includes Renee Slegler, Tom Rosenberger, Donna Ehnert, Mary Kougl, Vicky Key, Carrie Swanson, Kelly Coulter, Ann Garmen, Lisa Taylor, Julie Jeske, Sheri Forester, Suzette Van Asche, Pam Vanderwall, Barb Garmen, Phillip DeLuisa, Jeff Kreuser, and Debbie Bargman. Robert Getter is directing the play.

The public is invited to attend the performances. Tickets are \$1.00.

## Tornado Alert

The fire siren will be sounded on Thursday, May 5, at 10:00 a. m. to acquaint residents with the tornado or other disaster signal. It will be sounded in a steady pitch for 3 to 5 minutes. In the event of disaster, take precau-

tionary measures.

The alerts are held on the first Thursday of each month during the tornado season.

**PUBLIC NOTICE**

Public notice is hereby given that the Plan Commission of the Village of Kewaskum, Wisconsin, has recommended to the Kewaskum Village Board the adoption of the following amendment to the Village's Subdivision and Platting Ordinance:

**AN ORDINANCE AMENDING THE SUBDIVISION AND PLATTING ORDINANCE OF THE VILLAGE OF KEWASKUM**

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, do ordain as follows:

**PART I.** To repeal and recreate Section 18.062(2) of the Subdivision and Platting Ordinance of the Village of Kewaskum, as follows:

(2) **STREETS.** After the installation of all utilities, the subdivider shall surface all roadways and streets proposed to be dedicated to the widths prescribed by these regulations and/or comprehensive plan or comprehensive plan components. Said surfacing shall include both base material and wearing course and said surfacing shall be done in accordance with the following plans and specifications:

a) Prior to any surfacing operations, the soil conditions of the roadway and/or street must be approved by the Village Engineer. If at any point, during the course of construction, the existing base is deemed insufficient, the existing gravel shall be removed, along with whatever undercut is necessary to remove unacceptable material. These undercut areas shall be filled and compacted with crushed road gravel approved by the Village Engineer.

b) Gravel base to be placed in two layers, the first being four (4) inches of pit run gravel, the size of which is not to exceed No. 3 stone. The second or upper layer is to consist of six (6) inches of crushed road gravel. The maximum thickness of each lift shall be four (4) inches with each lift being compacted.

c) Prior to surfacing the subdivider shall submit to the Village Engineer a report prepared by an independent testing laboratory, which shall include:

1) A proposed mix design utilizing bituminous material and mineral aggregate material which the contractor intends to use in surfacing. Separate test designs shall apply to base course and wearing course mixtures. This design shall conform to the Wisconsin Highway Specifications.

2) A complete sieve analysis of aggregate to be employed in the execution of the contract.

3) Test information indicating performance of the design mix including specific gravity compaction data. This data shall be presented to the Village Engineer for approval not less than one week prior to beginning work.

d) The subdivider shall

strictly adhere to the approved design mix while carrying out the surfacing. The mix for surface or binder course shall not be altered from the approved design without written approval of the Village Engineer.

e) **TESTING SAMPLES:**

1) Compacted samples of each type of asphalt material placed may be cored from the pavement for determination of density, thickness and other characteristics at the direction of the Village Engineer.

2) All samples of materials which are required for test shall be furnished by the subdivider without cost to the Village. Samples taken of pavement before acceptance of the work shall be replaced by the subdivider without charge or cost to the Village.

f) The subdivider shall furnish to the Village Engineer, a list of all equipment to be used for surfacing stating name, year of manufacture capacity and location. He shall, at the Village Engineer's request, furnish a certificate of inspection from the manufacturer of the mixing machine, laying machine,

and rollers to be used which will guarantee that said equipment is in good operating order and will conform to Section 405.4 of the Wisconsin State Highway Specifications for Road and Bridge Construction, 1969 Edition.

g) Streets and roadways shall be paved with a 4" bituminous concrete pavement as follows:

1) The aggregates for bituminous pavements, including mineral filler, shall conform to the following gradation requirements as set forth in Subsection 401.2.5 of the State of Wisconsin, Department of Transportation, Division of Highways, Standard Spec. for Road and Bridge Construction, 1969 Edition.

2) Asphaltic Concrete Binder Course 2 1/2" - Graduation No. 2-4.5% to 5% A.C.

3) Asphaltic Concrete Surface Course 1 1/2" - Graduation No. 3 or No. 4 - 5.2% to 6.0% A.C.

4) The bituminous material for the bituminous concrete shall be Asphalt Cement Type A.C. in the penetration range 85 - 100.

h) Prior to placing the bituminous binder course the existing gravel base shall be regraded and shaped to a cross-section having a centerline crown of 5 1/4".

i) Before the asphalt pavement is to be placed, the base

course shall be stringlined to check the crown of the road.

j) Prior to paving, all street structure shall be adjusted to finished pavement grade by the use of cast iron rings or masonry blocks and mortar.

k) The cost of surfacing roadways in excess of 46 feet in width, curb-face to curb-face, and to standards over and above those which would be required for local streets that are not required to serve the needs of the developer shall be borne by the community.

**PART 11.** To repeal and recreate Section 18.062(5)(a) of the Subdivision and Platting Ordinance of the Village of Kewaskum, as follows:

(5) **STORM WATER DRAINAGE FACILITY.** (a) The subdivider shall construct storm water drainage facilities which shall include curbs and gutters, catch basins and inlets, storm sewers, road ditches and open channels shall be installed as may be required by the Village Engineer. The type of facility required, the design criteria and the sizes and grades are to be approved by the Village Engineer. Storm drainage facilities shall be so designed as to present no hazard to life or property; minimize shore land erosion and siltation of surface waters; and shall prevent excess run off on adja-

cent property. The size, type and installation of all storm water drains and sewers proposed to be constructed shall be in accordance with the plans and standard specifications approved by the Village Engineer. Curbs and gutters shall be installed on all streets and roadways prior to paving as required by Section 18.062 (2) of this Ordinance. Plans for such installation must be approved by the Village Engineer and installation shall be in accordance with specifications of the Village Engineer.

In accordance with Chapter 236.45 (4) of the Wisconsin Statutes, notice is given that a public hearing on the above proposed ordinance to amend the Subdivision and Platting Ordinance of the Village of Kewaskum, Wisconsin, will be held on May 2, 1977, at 7:30 P. M. in the Council Room of the Municipal Building, 204 First Street, Kewaskum, Wisconsin.

## FEIERN SIE MIT UNS!

What do you get your mother for Mother's Day? To avoid the "same old thing" again this year, give her a special treat: take her to the first annual Deutsches Maifest on May 8. This event, sponsored by the Kewaskum High School German Club will be celebrating the traditional May festival observed throughout Germany.

Activities are planned

throughout the afternoon starting at 3 p. m. with a slide show of Germany by Chris Obst, our AFS student from Regensburg, Bavaria. Members of the German Club will be performing skits and singing songs accompanied by the club's own band. The festivities will be topped off with your favorite dancing music by the Dale Matthis Band until 9:00 p. m.

German foods will be sold from 4:00 - 7:00 with refreshments available throughout the day.

If this sounds like a great gift for your mother, wait until you read the price: only 75c for mothers, 50c for children under 12, and \$1.00 for students and adults. Tickets may be purchased from any German Club member or by contacting Mrs. Susan Schmitz at the high school. At the door prices will be

slightly higher.

Please celebrate with us! Make Mother's Day this year one that will be long remembered!

## Kewaskum Students Win Both District WFWC Art Scholarships

Kewaskum High School students won both 1977 Art Scholarships awarded by the Sixth District of the Wisconsin Federation of Women's Clubs. The \$80.00 summer school art scholarships are awarded for workshop study at an accredited school of the recipients' choice. The Sixth District includes Women's Clubs in Calumet, Fond du Lac, Ozaukee, Sheboygan, Washington and Winnebago counties.

Renee Slegler, daughter of Mr. and Mrs. Edward Slegler, Route 1, Kewaskum, and John Dettmann, son of Mr. and Mrs. Norbert Dettmann, 9388 Bolton Drive, Boltonville, were awarded the scholarships at the April 21 District Convention in Brillion. Renee and John were accompanied by Mrs. Dettmann and Kewaskum Woman's Club delegates, Mmes. Marvin Martin and Donald Wendt.

In competing for the schol-

arships, the students submitted an application and a letter of recommendation from their art instructor, John Baitinger, Mrs. David C. Millin, Richfield, served as District Chairman for the Art Scholarship program. Final selections were made by a qualified art instructor and were based on talent and evidence of interest in the field. Renee, 16, is a junior. She has been active in Forensics, Cross Country, Choir, the National Honor Society, and has had roles in several recent high school theatrical productions. Art related activities include: illustrator for the

"'77 Chieftain" and designer construction coordinator for the "Music Man" sets. She has exhibited at the high school's annual Art Festival, and has received numerous awards. Renee has not yet decided which summer school she will attend.

John, 15, is a sophomore. He worked on the "Music Man" sets and the homecoming decorations. He was an exhibitor and ribbon winner in the 1976 Art Festival. For the past five years John has exhibited in the Arts and Crafts show at the Washington County Fair. He participated in both the 4-H and the

Page 8

## Kluwin to Speak To Woman's Club

The Kewaskum Woman's Club will meet Saturday, May 7, at the Peace United Church of Christ, Kewaskum. A short business meeting will begin promptly at 2:00 p. m.

A program, "The Modern Woman and the Law," will be presented by John Kluwin, Attorney. Kluwin was born in Oshkosh and graduated from Marquette University. He is the senior partner of the Kluwin, Dunphy, Hankin and McNulty law firm and is presently a member of the Board of Governors, American Bar Association, and the Board of Directors of American Judicature Society.

Guests for the day will include the Kewaskum Junior Woman's Club and the Campbellsport Woman's Club.

Hostesses will be Mrs. Warren Schmidt, Mrs. Gerald Stoffel and Mrs. Robert Sch-

midt.

There was an omission in the report of the spring luncheon. Irene Kohl was the first winner in 500.

"It takes less time to do a thing right than to explain why you did it wrong."

## Prize Winners At Miller's Sale

Prize winners at Miller's 67th Anniversary Sale were:  
1st prize. La-Z-Boy Rocker Recliner — Mrs. Melvin (Elsie) Schaub, 348 3rd St., Kewaskum.

2nd. Tray Floor Lamp — Michael Matuzewski, 417 Emmer St., Mayville.

3rd. Clothes Hamper — Mrs. Vernon Butz, 1325 Parkview Dr., Kewaskum.

The Millers wish to thank all who helped to make their sale a success. They also wish to advise their customers that due to the heavy schedule, deliveries will be somewhat slower than usual. Please be patient.

**MINUTES OF VILLAGE  
BOARD MEETING**

Called Meeting  
April 11, 1977  
8:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in official session called at the request of Village President Charles Miller.

President Miller presided and all Board Members were present except Trustee Roger Strack.

Approval of the minutes of the previous meeting was dispensed with.

Upon motion by Trustee Schmidt, seconded by Trustee D. Nigh and unanimously carried, the Board adjourned to executive session to discuss pending litigation with Attor-

ney Kiefer.

The Board re-convened in open session at 8:20 P. M.

The yearly premium quote on the renewal of the village's umbrella liability insurance in a letter from the Kettle Moraine Agency was as follows:

1. \$1,000,000 limit \$1,450.00
2. \$2,000,000 limit \$2050.00

Motion was made by Trustee Schmidt and seconded by Trustee Herriges that the Village accept the \$1,000,000 proposal at the renewal premium of \$1,450.00. Roll call vote was unanimous.

Motion was made by Trustee Danielsen and seconded by Trustee Herriges that the Board accept the proposal of Industrial Appraisal Services for an on-site appraisal update of all village owned property at a cost of \$2,475 and also to accept the company's yearly update service at a cost of \$231 per year. Roll call vote unanimous.

At the suggestion of President Miller, motion was made by Trustee Schmidt and seconded by Trustee Danielsen that the Commissioner be authorized to purchase a new AM copy machine at a cost of \$750.00. Roll call vote unanimous.

Upon motion by Trustee Danielsen, seconded by Trustee Herriges and duly carried, the Board adjourned until 8:00 P. M. Monday evening, April 18, 1977.

William S. Martin  
Commissioner

# INSULATE YOUR HOME NOW. SAVE!

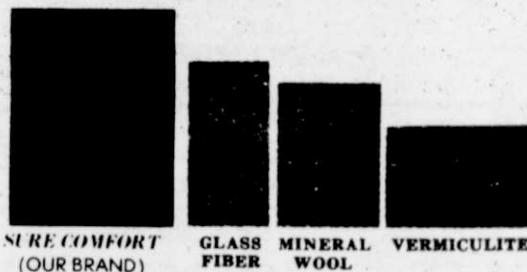

Comfort From Heat in Summer - Save Dollars on Fuel in Winter.

## DO IT YOURSELF

- \* No Costly Installation Charge \*
- \* No Charge for Use of Blower When You Purchase Insulation From Us.

## OR WE'LL DO IT FOR YOU

### R - VALUE COMPARISON PER 6"

Insulation has one primary function - to reduce the transfer of heat - to store it in winter and keep it out in summer. Heat resistance for each type of insulation material is measured by the same laboratory test. This test rates the material and is coded with an R-Factor (resistance to heat or cold). This should be noted on every bag, not just salesman's lingo - the higher the rating number the greater the resistance.

### EXTREMELY BETTER THAN ALL FIBERGLASS INSULATION . . . PER INCH!

SURE COMFORT is pneumatically blown between & over ceiling joists, filling & sealing every crack & crevice with a uniform density of insulation. Floor and attic areas are handled the same as side walls. Exterior side walls of existing buildings are blown full. Access holes are drilled between studs and insulation is forced in to completely fill the area. The same process is used around doors and windows.

### Why Sure Comfort is your final choice in Insulation

- PERFORMANCE**  
SURE COMFORT Insulation has been tested and rated by Factory Mutual Research Laboratories meeting all insulation ratings. SURE COMFORT meets or exceeds Federal specifications No. HH-1-515A, and is approved for use in F.H.A. structures.
- COOLS IN SUMMER**  
SURE COMFORT insulated homes are 10-15 degrees, and in some instances, 20 degrees cooler than outside temperatures during the long hot summers. And a big bonus - reduced electric cost in your air conditioning operation.
- REDUCES HEAT COST**  
Correct attic insulation can save you 30% or more on fuel.
- HIGH R-VALUE**  
SURE COMFORT cellulosic fiber exceeds most insulation (By laboratory test) in resistance to heat or cold.
- HELPS CONTROL ICE BUILDUP**  
Damaging ice and icicles on a roof is caused from heat loss through your attic when outside temperatures drop below freezing.
- MANUFACTURING INSULATION OF THIS TYPE SINCE 1949**  
SURE COMFORT has been supplying the building industry for over 28 years; proof of our reputation.
- PLUS SOUND PROOFING**  
One of the best insulations for Sound Proofing - it naturally absorbs sound between walls and ceilings. More quiet means more tranquility.
- RESISTANT TO MOISTURE**  
The fibers have no capillary attraction for moisture, therefore guarding side walls and attic against condensation. Little movement of warm air through it, eliminates the cause for moisture condensation.
- WILL NOT DETERIORATE**  
It is a life-time insulation because it is treated with chemicals that are permanent.
- FIRE RESISTANT**  
Case history has proved that our insulation will definitely confine that which might have become TOTAL LOSS. Our fire retardant chemicals will last indefinitely.
- VERMIN AND RODENT RESISTANT**  
Chemically treated to repel insects and rodents from working in materials.
- GUARANTEE**  
SURE COMFORT insulation is guaranteed for the life of the structure (building).
- LIGHT WEIGHT WILL NOT SETTLE**  
Cellulosic Fiber Insulation is extremely light weight, 13 oz. per square foot, 4 inches thick. Vibration keeps it fluffed up over the years and it does not lose its insulation value with age - the older it gets the better job it does. One of nature's best insulators.

**Immunization  
Clinic May 3**

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Nursing Service.

Clinics are held the first Tuesday of each month alternating between West Bend and Hartford, and on the second Tuesday of each month in Germantown.

A clinic will be held Tuesday, May 3, from 1:00 p. m. to 6:00 p. m. at Community Health Nursing Service, 515 East Washington St., West Bend.

Immunizations for children under seven years of age are provided without charge. Over seven, there is a minimal charge depending on the im-

munization given.

Children under one year of age must have written permission from their family physician to obtain immunizations.

Two great American mysteries: "Who does the umpire boo?" and "Who listens to the bartender's troubles."

**Marriage Licenses**

Benedict Leonard Wojtalowicz, Port Washington, and Marian Elizabeth Martin, Kewaskum: wedding April 29

Charles Michael Boegel, Kewaskum, and Mary Ellen Ruplinger, Allenton: wedding April 30.

Clint Vilas Gerlach, Adell, and Lorinda Ann Newman, Allenton: wedding April 30.

Aunts, uncles and grandparents become greater with each successive generation, but cousins just get removed.

## TOWN OF KEWASKUM ROAD REPAIR BIDS

The Town Board of Kewaskum gives notice that it will receive sealed bids for hard seal using MC cutback asphalt at a rate of .30 gallons per square yard and 30 lbs. pea gravel per square yard. Road width approximately 18 feet.

Sealed bids must be received by the Town Clerk no later than 7:30 P. M., D.S.T., May 18, 1977, to be opened at the Town Board Meeting at that time at the Town Garage, Highway 45, north of the Village of Kewaskum. The Town Board reserves the right to accept or reject any or all bids.

Barbara Hinz, Town Clerk  
9055 Kettle Moraine Drive  
Kewaskum, Wis. 53040

## NOTICE OF TOWN BOARD MEETING

The Town of Kewaskum Town Board will hold a meeting on Wednesday, May 4, 1977, at 7:30 p. m., at the Town Garage, Highway 45, north of the Village of Kewaskum.

On the agenda will be hiring an assessor, approve two bartenders licenses, Certified Survey Map for Bruendl, discussion of CETA program, road maintenance, and other items brought before the Board. A complete agenda can be obtained by calling the Town Clerk the morning of the meeting.

Barbara Hinz, Town Clerk

## Public Notice

Public notice is hereby given that the next meeting of the Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, May 2, 1977 at 8:00 P. M. in the Council Room of the Municipal Building, 204 First Street.

Copies of the agenda will be available at the office in the Municipal Building on the day of the meeting.

## Farmington PTO Carnival Success

The Farmington PTO Carnival was a big success on Wednesday, April 20, because of the many interested parents, friends and teachers who came to participate in the activities.

A thank you is in order for all the parents who helped get the games and booths set up, brought bakery for the bake sale, cakes for the cake walk, handi-craft items, and all those who stayed to help clean up.

Winners of the 17 door prizes were:

Rgal Fry Pan — Ann Macchtle; Cushion Soft Toilet Seat — Nancy Rodenkirch; Dried Flower Basket — Rose Blum; Bottle of Brandy — Judy Braun; Record Album — Liza Stone; Record Album — Claude Johann; Record Album — Brian Eckert; Bottle of Whiskey — L. Dieringer; Amity Ladies Billfold — Carol Koth; Amity Men's Wallet — Judy Arndt; Place Mats — Jan Rogne; 12 Pack of Beer — Jan Rogne; Green

Flower Vase — Toni Krystific; Battle of Chantilly Cologne — Tim Geidel; Bottle of Wine — Brad Dieringer; Bottle of Wine — Bonnie Yahr; 5 lbs. of Sugar — Dan Arndt.

The Farmington P.T.O. Treasurer, Mrs. Judy Arndt, said the organization made about \$425.00 on this project. This money is used to buy some useful items needed for the Farmington School.

Thanks again to the Principal, Tom Larsen, and the many others who put more than just one day of thought, time and work into this carnival.

Fast and Fine lawn seed:  
Think of it as  
hair restorer for lawns.

If your lawn is more than a couple of years old, and you've never added new seed, chances are it looks a little bald in spots. Northrup King has developed a new grass seed just to solve the problem.

It's called Fast & Fine — a blend of grasses that includes Pennfine\*, a revolutionary new fine-leaved ryegrass that comes in 70% faster than bluegrass, penetrates even compacted soil. Just the thing to fix those bald or thinning spots in your middle-aged lawn.

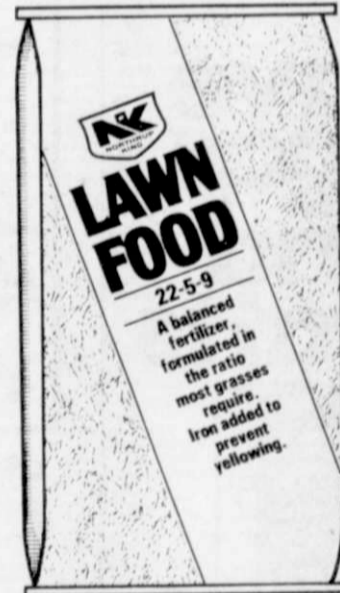

Get to work on the problem early, and you'll save during our Green Grass Sale.

Fast & Fine

\$3.95 for the 2 lb. box  
Reg. \$4.45

Health food  
for the middle-aged  
lawn.

You've seen how cheap fertilizers perform. They green up your lawn in a flash, and then quit working. If you have an established lawn, more than a couple of

years old, it definitely doesn't need that kind of feeding. It needs a long-lasting lawn food that will strengthen the root system and promote new growth or tillering.

Northrup King Lawn Food is formulated for steady, long term feeding, so you don't have to mow or fertilize as often. It feeds your lawn with Nature's Ratio\*, the ratio recommended by turf authorities for most grasses. It's on sale now, during the Green Grass Sale at your Northrup King Dealer's.

Lawn Food

## Kewaskum to Play In Two Leagues Again This Year

The Kewaskum village baseball team will be a member of both the Land o' Lakes and Tri-County Nite Leagues again this year.

The Lakes League will have nine teams — Belgium, Saukville, West Bend, Grafton, Thiensville - Mequon, Barton Port Washington, Cedarburg, and Kewaskum. A 24-game schedule will be played with each team meeting the others three times. The season opens Sunday, May 8, and closes Sunday, Aug. 28.

The Tri-County Nite League will operate with two divisions. The northern division will play an 8-game schedule with each team having two byes. The teams will be West Bend, Slinger, Kewaskum, Mayville and Neosho. The southern division will play a 10-game schedule with six teams — Ashippun, Lebanon, Johnson Creek, Hustisford, Juneau and Beaver Dam. Kewaskum's season opens May 25 and closes July 21. The winners of each division will then play two out of three games for the grand championship.

Kewaskum's busy 32-game schedule follows:

Sun., May 8 — At Belgium  
Sun., May 22 — At Saukville  
Wed., May 25 — At West Bend (T-C)  
Sun., May 29 — West Bend  
Mon., May 30 — At Grafton  
Thurs., June 2 — Slinger (T-C)  
Sun., June 5 — Port Wash-

ington  
Wed., June 8 — At Mayville (T-C)  
Sun., June 12 — Cedarburg  
Thurs., June 16 — Thiensville - Mequon  
Sat., June 18 — At Barton (8:00)  
Sun., June 19 — Barton  
Thurs., June 23 — Belgium  
Thurs., June 30 — West Bend (T-C)  
Sat., July 2 — At Neosho (2:00) (T-C)  
Sun., July 3 — At Saukville  
Wed., July 6 — At West Bend  
Sat., July 9 — At Slinger (T-C)  
Sun., July 10 — Grafton (2:30)  
Wed., July 13 — At Port Washington  
Thurs., July 14 — Mayville (T-C)  
Sun., July 17 — At Cedarburg  
Wed., July 20 — At Thiensville - Mequon  
Thurs., July 21 — Neosho (T-C)  
Sat., July 23 — At Barton (8:00)  
Thurs., July 28 — Belgium  
Thurs., Aug. 4 — Saukville

## Jaycees to Sponsor Baseball - Softball Program This Year

For the third year the Kewaskum Jaycees will run a Little League Baseball program for youngsters ages 9 thru 12. This program will be run as in past years where EVERY player bats and fields each game.

In conjunction with the "Traveling League" the Jaycees and Kewaskum Lions clubs will be sponsoring teams for youths ages 13 thru 16 to participate in a regular baseball program.

This year the Jaycees are also going to start a Slow Pitch Softball League. This program will be run similar to the Little League program, in that every youngster will bat and field. This program will be for youngsters ages 9 thru 16.

ALL PLAYERS' ages will be based on the player's age ON AUGUST 1! Therefore a player who is 8 today, but who will be 9 on August 1 is eligible to play. A player who is 12 on August 1 will play in the Little League, and a player who is 13 on August 1 will play in the Traveling League.

Any youngster who resides in the Kewaskum school district is eligible to participate.

Cost of the program is \$2.00 for the Little League and the Traveling League Baseball programs, and \$3.00 for the Slow-Pitch Softball program.

Due to the new programs and the large turnout expected to sign up for these Baseball / Softball programs will be held at the Valley Bank

Community Room on the following days:

Tuesday, May 3 — 6:30 until 8:30  
Thursday, May 5 — 6:30 until 8:30  
Saturday, May 7 — 9:30 until 12:30.

## Indian Golfers Tip Slinger in Opener

The Kewaskum golf team showed consistency in winning its first match at Slinger Monday, 170 to 215.

The Indians had two golfers carding 42's and the other two 43's. Freshman Bob Nigh, playing in his first high

Page 16  
Kewaskum Statesman  
Friday, April 29, 1977

school golf match, and Junior Tim Perkins had the 42's and tied for medalist honors with Slinger's Brian Jonas, who was the only Owl to hit in the 40's.

Kewaskum Nigh 42, Perkins 42, Dean 43, Hirsig 43, Slinger — Jonas 42, Schoeni 56, Weyer 58, DeFour 59.

The Indian JV's also won, 208-214. Kewaskum — Domasky 47, Dominquez 49, Cihak 54, Bemis 58, Slinger — Rayeske 53, Bruger 54, Ruckel 51, Freitag 56.

Hours: Weekdays 7-5; Sat. 7-4 (April & May)

## Triple-Tonic spells death for dandelions.

There's nothing like dandelions to advertise that your lawn is in bad shape and brand you as a bad neighbor. And there's nothing better for controlling dandelions than Northrup King Triple Tonic. It also controls plantain, chickweed and other broad-leaved weeds as it fertilizes your lawn.

You save \$0.00 when you get it during the spring Green Grass Sale at your Northrup King Dealer's.

Triple Tonic
