New Engineering Firm to 'Wade' Into Kewaskum's Water Problems

By MARYANNE MERWIN
Statesman Staff Writer

With Monday night's Village Board approval the engineering firm of Foth & Van Dyke & Associates will soon be wading into Kewaskum's water problems.

Already having made a recommendation concerning the drainage of surface water from the land west of Kewaskum known as the Spoerl Subdivision, Foth, et. al., has sent two consultants to the area to look over the situation. Donald Waller and James Monarchs will be returning to get the ball rolling on the expansion of the Wastewater treatment facilities as given guidelines by the Environmental Protection Agency. And, according to Robert Danielsen, the drainage problems of the Knights Avenue area are "under study by the new engineers."

Attorney Gerald Kiefer, representing Spoerl's interests, requested that the village "pick up the cost" of storm water drainage to Hy. H from the Spoerl property. Sewer and water conduit would run along Hy. H to the developing lots. Charles Miller asked that the Board get some idea of cost before committing municipal funds to the project.

In order to alleviate some of the problems with surface water running down Brooklane, an easement was ap-

proved for installation of storm water drains through the property of Dennis and Dorothy Sharpe. Water is expected to be directed just south of the conduit under Edgewood Drive. Contracts for the project are expected to come from Westra Construction which will include rough cost estimates for bringing sewer and water mains to the park site as well.

Daniel Schmidt reported that the Plan Commission has indicated recently that storm sewers could be recommended in the new areas on the south side of Kewaskum if the land there faces development. The Commission will check the layout of sewers for the main connecting streets checking the flow of existing sewers.

A recommendation from the Commission for "the creek on the south end of town" would probably need a \$2,000 endorsement in next year's budget, according to Schmidt.

John Kratz' water problems at the Kewaskum Malt-ing Company were discussed by the Board but no conclusion was reached. Requesting a refund for wastewater treatment bills he claims are high, Kratz will be asked to wait until the Board can compare this June's tabulation with last year's figure now that repairs have been made on the manhole above the company's sewer line.

When informed by Nancy Malvick of the Junior Woman's Club's switch to a new receiver for recycling glass, the village went on record pledging their "cooperation" in the form of occasional help from the street crew and their front-end loader. Although colored glass will be accepted by the new firm, less profit is expected by Juniors.

Permits for spring building were granted to Robert Kirst, who was present at the meeting to "answer any questions." Robert Schmidt.

Rites for Frank Heppe, Former Postmaster

Retirement Picture

Frank Heppe, a resident of Kewaskum for over sixty years, died at his home on Tuesday, April 25, after a short illness. He was eighty-nine years old.

He was born Oct. 19, 1888, to Engelbert and Anna Ganns Heppe in Hartford. He married Nora Backus on April 13, 1914.

He is survived by his wife; one daughter, Ruth (Norman) Held of Kewaskum; two granddaughters, Nancy (Jack) Harwood of Ft. Myers, Florida, and Colleen (Tony) Messana of Bloomfield Hills, Michigan; four great-grandchildren, Douglas and Andrew Harwood, Linda Dodie and Christopher Anthony Messana, and other relatives and friends.

A brother and sister preceded him in death.

Mr. Heppe came to Kewaskum in 1912, employed first as a bookkeeper at H. J. Lay Lumber Company. He then owned and operated Heppe's Delicatessen. After selling his business, he worked as a clerk and buyer in the grocery department at the L. Rosenheimer Store.

In May, 1934, he was appointed postmaster of the Village of Kewaskum, a position he held until his retirement on December 31, 1956.

He was a member of the Kewaskum Village Board for many years. Clerk of Court of Washington County and president of the Washington County Postmasters' Association. He also served on the Election Board of the Village of Kewaskum. He was a life-

KHS Spanish Students Spend Weekend at Lake Geneva Camp

One hundred Spanish speaking students from six Wisconsin schools attended a fun-filled cultural weekend at Lake Geneva, April 21-23. Activities for the weekend included cultural sessions, skits, dancing and singing.

Upon arriving at the camp, each student was given a passport, and then was processed through customs. Students were required to keep the passport in their possession during the entire weekend. Periodical checks were made and passports were then stamped.

On Friday evening the group took a two hour boat cruise around the lake. On board, contemporary Latin music was provided by a live Spanish band, which added to the festive mood and dancing.

On Saturday sessions were held in basketweaving, candlemaking, macrame, soccer and Mexican cooking. In addition, a small store was set up in the craft building of the camp allowing students to buy camp T-shirts, candy and small Mexican and Spanish souvenirs. Students were required to exchange American money for pesos in order to purchase the goods. Students also were required to barter for their goods.

Daily meals were scheduled according to Mexican tradition with breakfast at 8:30 a. m., lunch at 2:00 p. m., and dinner at 8:00 p. m. Kewaskum High School's contingent was required to prepare the dinner meal on Saturday night. Included on the menu were enchiladas, guacamole, tostaditas, frijoles, quesadillas and burritos.

Skits were performed after dinner on Saturday and a trophy was awarded to the school that presented the best

long member and active supporter of the Democratic Party.

He enthusiastically supported sports, first as a baseball player, later as president of the Wa-Fon-Do Baseball League, and as an avid Brewer fan up to the time of his death. Years ago he sponsored a basketball team known as Heppe's Pirates.

Through his many years in Kewaskum, he was well-known and well-liked. He will be missed by his family and his many friends.

Visitation was at Techtman-Myrhum Funeral Home in West Bend from 5 to 9 p. m. Friday. Burial was in Peace Church Cemetery in Kewaskum. Memorials given in his name have been contributed to the Heart Fund.

performed play. Five schools entered the competition with Parkview High School winning the traveling trophy.

An optional religious service was held Sunday morning with the one hour Mass said in Spanish. Students then gathered their crafts and luggage and headed back to their respective homes.

Schools represented at the camp were Big Foot High School, Walworth; Central High School, Salem; Parkview High School, Orfordville; Monona Grove High School, Monona Grove; Butler Middle School, Waukesha; and Kewaskum High School, Kewaskum.

Those participating from Kewaskum were: Mary Ryan, Kathy Grandin, Kumiko Onuma, Adrianna Turriago, Carrie Swanson, Denise Zanow, Charmaine Schneider, Renee Feyrer, Barb Schmidt, Jackie Herriges, Julie Flynn, Sheri Kumrow, Joan Hanrahan, Carrie Dreher, Sue Schaub, Debbie Schlice, Julian Zemlicka, Miss Debbie Holder, Miss Sue Burgard, Mr. and Mrs. Gerard Flynn and Miss Kathy Spencer.

Confirmation at Town Scott Church

Eleven young people will make their Solemn Vows of Confirmation at Immanuel Lutheran Church, Town of Scott, on Sunday morning, May 7.

The confirmands are Bob Blecher, son of Mr. and Mrs. Willy Blecher; Jeff Geidel, son of Mr. and Mrs. Ronald Geidel; Dan Haack, son of Mr. and Mrs. William Haack; Glenn Horning, son of Mr. and Mrs. Larry Horning; Debra Kurth, daughter of Mr. and Mrs. Ralph Kurth; Tracy Lawrenz, son of Mr. and Mrs. Ervin Lawrenz; Gina Luedtke, daughter of Mr. and Mrs. Louis Luedtke; DuWayne Schacht, son of Mr. and Mrs. Henry Schacht; Pam Stray, daughter of Mr. and Mrs. Ralph Stray; Kay Teschendorf, daughter of Mr. and Mrs. Richard Teschendorf, Jr.; and Tani Trapp, daughter of Mr. and Mrs. Robert Trapp.

On Saturday evening, May 6, at the 8:00 p. m. Worship Service, the confirmands will each present an essay which they have written about what they have been studying.

The Rite of Confirmation will take place during the Sunday morning Worship Service at 9:30 a. m. The confirmands will also receive their First Communion at this Service.

Roger Schmitt, and Frederic Gildersleeve. A new home, two garages and a family room respectively were cited by applicants in their plans.

Now that "at least half the taxes have been collected," President Charles Miller's suggestion "to take \$50,000 and put it in an improvement successfully passed by unanimous vote. Earmarking the funds for "nothing specific," Miller commented that Kewaskum has "a lot of projects staring us in the face." While voting machines will come from the "contingency fund" and funds are already committed to the park project, Miller said that money for new projects "shouldn't be floating around in the general fund."

Justman Retires From U. S. Army

S.F.C. Henry M. Justman, has retired from the U.S. Army as of April 30. He had served 20 years and five months. Henry's wife, Mae, is the daughter of Mr. and Mrs. Walter Spradau of Kewaskum.

Justman has received the following honors and awards: National Defense Service Medal; Good Conduct Medal (5th award); Armed Forces Expeditionary Medal; Vietnam Cross of Gallantry with Palm; Vietnam Service Medal; Vietnam Campaign Bronze Star; Army Commendation Medal (3rd award); Wheel Vehicle Mechanics and Driving, and numerous letters and certificates of appreciation.

Henry has graduated from

the following schools: Engr. Equip. Repairman, Tamms., Leadership, St. Mary's High School, and Defense Race Relations Institute in Florida and Germany.

Mr. and Mrs. Justman reside at Campbellsport.

ICE CREAM SOCIAL AT CEDAR LAKE HOME

The Cedar Lake Home resident Cook's Club announced that their spring Ice Cream Social will be held Sunday, May 7, from 2 to 4 p. m. in both Friendship and Fellowship House.

President Bernie Blumenfeld says the Cook's Club will be offering hot fudge and

pineapple sundaes and home baked date nut cake. Coffee and punch will also be served.

The public is invited.

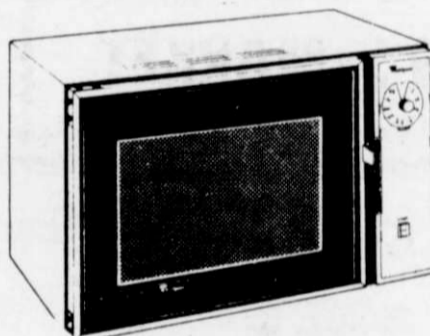

The Cook's Club sponsors two ice cream socials every year, one in May and another in August. The club also holds a chili and bean social in winter.

Proceeds from these events are used by the residents for

on campus projects selected by the club. An annual "dining out" by the club members is a bonus result of their efforts.

The Cook's Club has donated money to help equip the kitchen of the newly constructed Learning Center which with the Campus History Museum, and two forest trails will be dedicated in a community service May 21.

**Extension Homemakers of Fond du
Lac County Hold Annual Banquet**

Entertainment, speakers and the presentation of scholarships to three county boys or girls who plan to continue their education in home economics, nursing or teaching highlighted the Homemaker Night banquet held Tuesday at the Knights of Columbus Hall.

The banquet is being held in honor of National Extension Homemaker Week. Members of the 36 extension homemaker units in the county will attend the banquet.

Extension Homemakers offers women the opportunity to have fun, while participating in educational programs offered through the University of Wisconsin - Extension office, said Gloria Krueger, of the organization.

The local clubs are a division of the county organization which belongs to a district unit, a part of the state council, and the state councils form the National Council which is connected with the Country Women's Council

and the Associated Country Women of the World, representing seven million women on six continents.

Each local club belongs to a center. Fond du Lac County has six centers: Brandon-Waupun, Bryon-Campbellsport, Fond du Lac I, Fond du Lac II, Fond du Lac Northeast and Ripon-Rosendale.

Local homemakers groups usually meet in the homes of members once a month. Most of the units are small with ten to 20 members. Each meeting consists of a business meeting and a monthly project. Examples of projects include talks on chemical and food additives, the judicial system, tension and stress and Africa.

Fond du Lac County Homemakers hold a bi-annual holiday fair. This is an event that gives members the chance to display and sell crafts and handmade articles. The fair alternates with a craft workshop which includes instruction in

new craft methods.

Homemakers take part in College Week for Women in Madison each summer. Membership teas and fashion shows are held and a display promoting the organization is prepared for the Fond du Lac County Fair each year.

Membership costs \$2 per year and is open to mothers, housewives and professional women. Persons interested in joining a unit should call the University Extension office at 921-5600, extension 55, or Mrs. Robert Roltgen, 922-0419 for further information.

High School Drama Club to Present 'Godspell'

The Kewaskum High School Drama Club is looking forward to its next production, "GODSPELL," to be presented on May 12 and 13 in the Kewaskum Auditorium.

This fun filled production is a rock musical based upon the Gospel according to St. Matthew. The cast under the direction of Robert Getter includes: Joel Moths, Dave Slegler, Kelley Coulter, David Schoofs, Sherry Foerster, Anne Strancke, Linda Rauch, Richard Rauch, Vicki Key, Scott Thomas, and Suzette Van Assche.

The show contains many devices that allow the audience to become a part of the show. This feature has made "GODSPELL" a hit from Broadway to Chicago to Milwaukee. The combination of pantomime and magic tricks along with songs that make the audience want to join in singing makes "GODSPELL" a unique experience. The show is being presented in the round and will give Kewaskum a new type of musical experience that everyone should take the chance to see.

Tickets are now on sale and may be obtained from any cast member or by contacting the Kewaskum High School office at 626-2166. As

with all performances in the auditorium there are a limited number of seats so it is suggested that tickets are purchased in advance.

Expand Feed Grain Program to Include Advance Payments

New legislation just released offers farmer an opportunity to divert an additional 10% of feed grains according to Ira A. Oelhafen, Chairman of the Washington County ASC Committee.

A definite 20 cents per bushel payment for all corn acreage and 12 cents per bushel for barley will be earned. This amount is computed by multiplying planted acreage times the payment rate times the ASC farm yield.

Advance payments at sign up time will be offered on one-half of the expected payment. This additional 10% set aside from production is in addition to the required minimum 10%, or making a total 20% set aside of the planted acreage.

Farmers who have decided what they intend to plant are urged to sign up soon..

Ann Strancke, Other DAR Good Citizens Honored

Joseph Marest Chapter, Daughters of the American Revolution, honored the DAR Good Citizens Award recipients of Washington county high schools and their mothers at a tea on Thursday, April 20, at the home of Mrs. Walter Malzahn, West Bend, at 1:15 p. m.

Hostesses for the afternoon tea were Mrs. Howard W. Hawkins, Mrs. Allan Kieckhafer, Mrs. Harry Koch, Mrs. E. H. Maahs, and Ms. Dorothy Dwelle.

The DAR Good Citizen student is nominated by members of his or her class and the final selection is made by the faculty. The student must be a member of the senior class who has the qualities of Leadership, Dependability, Service and Patriotism to an outstanding de-

gree. The girls honored this year included:

Ann Strancke, Kewaskum High School's Good Citizen. Ann's parents are Mr. and Mrs. Charles Strancke of Kewaskum. She has been active in various choirs of Kewaskum High and in all their musical productions. Ann is also a member of the National Honor Society, an active American Field Service Club member and the Forensics team.

News of Our College Students

Michael Anthony Strigenz, son of Dr. and Mrs. Anthony J. Strigenz, Route 1, Kewaskum, made the Dean's List at Marquette University with a 4.0 average for the first semester of the 1977-78 school year. He is a junior Liberal Arts student.

Lori Koepke, a Ripon College freshman from Kewaskum, is a member of the Symphonic Wind Ensemble.

The Ripon College Symphonic Wind Ensemble and Jazz Ensemble presented a joint concert March 5 in Demmer Recital Hall of the Rodman Center for the Arts.

Lori is the daughter of Mr. and Mrs. Edward Koepke, Route 1, Kewaskum.

Thomas Degnitz, senior, son of Mr. and Mrs. Willard Degnitz of 9364 Boltonville Rd., Kewaskum, returned from a tour with the Lakeland College A Cappella Choir. The group presented concerts in United Churches of Christ in Dolton and Downers Grove, Ill., Garner and Dubuque, Iowa, Le Sueur, New Brighton and Austin, Minn.

On Friday evening, March 3, they sang at the United Theological Seminary of the Twin Cities in New Brighton at a World Day of Prayer service attended by representatives of the United Churches of Christ in Minneapolis and St. Paul.

The group makes annual concert tours, each year's itinerary scheduled for a different area of the United States. Roy W. Carroll, instructor of keyboard and vocal music, directs the choir.

Two students from the Kewaskum area have been named to receive the Chancellor's Award for academic excellence during the first semester at UW-Stout, Menomonie, Wis.

They are: Barbara Thill, a freshman majoring in psychology, and the daughter of Mr. and Mrs. Allen Thill, 4656 Highway 28 West, Kewaskum; and Jennifer L. Johann, a senior majoring in child development and family life, and the daughter of Mr. and Mrs. Marvin Johann, Box 111A, Route 1, Phelps, formerly of the Kewaskum area.

The award replaces what has been traditionally known as the Dean's List and is presented to students who have a semester grade point average of 3.5 or above.

Thomas Robert Degnitz, Jr. son of Mr. and Mrs. Willard Degnitz, of 9364 Boltonville Rd. is one of the 90 students named to the Dean's List at Lakeland College, Sheboygan. To qualify for the scholastic distinction, the student has taken four courses during the previous semester, and earned the equivalent of two A's and two B's.

Woodburning Household Needs Storage for 12 Cords

By DAN A. WILSON,
Resource Agent

Firewood must dry for nine to 12 months after it is cut to produce the greatest amount of heat. But where do you dry it?

Farmers find that unused corn cribs are good firewood storage containers. So are barns and old machine sheds, as long as they are ventilated and have sturdy floors.

Basements aren't especially suited to firewood storage because they can be quite humid and the air may become stagnant.

If you don't have a place to store your wood, you may want to build a simple shed. An open-walled structure with a gabled roof supported by rough lumber of telephone pole sections and a gravel floor (to keep the wood off wet ground) will do.

The ideal shed can hold enough firewood for two burning seasons — half of it dry wood ready to burn and the other half green wood drying for the next season. Since the average woodburning homeowner uses six cords a year, the average shed should hold 12 cords.

A shed 16 feet square and eight feet high, or of different dimensions but the same volume, is suitable for storage of 12 cords of wood.

A schematic drawing of a basic firewood shelter is included in UWEX publication G2373, "Locating, Cutting and Gathering Wood." The publication is available for 15¢ at the Washington County UW-Extension Office, Courthouse Annex II, 515 E. Washington St., Box 537, West Bend, WI 53095.

Prison Visitor: "So you're here for seven years. What's the charge?"

Convict: "Why, gov'nor there ain't no charge. Everything's free 'ere."

John Boroy, RP.H.

A study of over 2000 teenagers in 112 high schools found that a large proportion are undernourished, despite heavy eating, because of faulty diets. The children themselves referred to "junk" they ate, instead of drinking milk and fruit juice, and eating wholesome fresh vegetables, fruits, meats and whole cereals. Proper diet makes for better health, energy, and good appearance.

**Over the years, nuclear power
has saved millions of dollars.
Recently it saved thousands of jobs.**

Nuclear power has been helping to hold down our electric bills for years. A recent study showed that electric rates in this area are the lowest of the 20 major metropolitan areas in the country.

The recent coal strike of '78 showed another benefit of nuclear power: its reliability.

When the coal strike started to drag on, part of the country was caught short. As coal reserves dwindled, people were put out of work in many parts of the midwest.

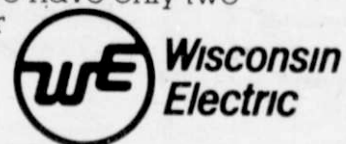

Fortunately, we were better prepared for it here, because over 40% of our electricity is generated by nuclear power.

At Wisconsin Electric, we began relying on nuclear power many years ago. We knew then that developing alternate forms of energy would make us less vulnerable to fuel shortages.

Now, we're working harder than ever to develop other alternate forms of energy for the future. We're also working on ways to make better use of the energy we have.

But the fact remains that for the immediate future, we have only two

practical choices for the generation of electricity: coal and nuclear power.

In the Service

Marine Private **JEANNETTE A. WANKE**, daughter of Mr. and Mrs. Ervin J. Wanke of 1338 River-view Drive, Kewaskum, has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C. During the eight-week training cycle, she was introduced to the typical daily routine that she will experience during her enlistment, and studied the personal and professional standards traditionally exhibited by Marines.

She participated in an active physical conditioning program and gained proficiency in a variety of

military skills including close order drill and first aid. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1977 graduate of Kewaskum High School, she joined the Marine Corps in October 1977.

Navy Seaman Recruit **ROY T. DEMGE**, son of Mr. and Mrs. Lanson E. Dodge of 283 Forest St., Campbellsport, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic oc-

cupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

He joined the Navy in January 1978.

Kill Dandelions!

(and other baddies!)

Fertilize! Add Iron! And do it all at once!

Triple Tonic is great news for people who want to kill broadleaf weeds and give their lawn a complete feeding of fertilizer in one application.

Its base is our famous "Nature's Ratio" fertilizer, which gives your grass something most other fertilizers don't... special nutrients for the roots. It's timed release, which means it works right away and keeps on working longer.

AND, it has a powerful weed killer that zaps dandelions and a host of other broadleafed weeds.

AND, it has an iron additive that prevents yellowing caused by Iron Chlorosis.

One pass over your yard...right now...and you've done it all.

Triple Tonic...NK's Take-it-Easy gift to everyone who likes green grass but doesn't like to work at it!

THE RESULT IS A BEAUTIFUL

KASTEN PROMOTES SOLAR ENERGY --
 Congressman Bob Kasten (R-Wis.) discusses solar energy legislation with Mrs. Noreen Bloch, a Wisconsin coordinator of SUN DAY, May 3, a national day of celebration designed to promote solar energy use in Wisconsin and across the U.S. The Thiensville Congressman, who met with Mrs. Bloch in Washington recently, has cosponsored a comprehensive package of bills designed to encourage the use of solar equipment by small businesses, farmers and federal agencies, and step up research and development of new solar technologies.

Church Women Plan May Fellowship Day

The Church Women United of Washington County will observe May Fellowship Day on Friday, May 5, at Our Saviour's, United Church of Christ at Germantown. The church is located at W172N12541 Division Rd. (Hy G).

The traditional "sack lunch" at 12:30 p.m. will be followed by dessert and coffee provided by the ladies of the host church. The business meeting will be conducted at the tables followed by a program in the sanctuary.

The Rev. Theresa Scherf, pastor of the Galena St. United Methodist Church in Milwaukee will be the speaker for May Fellowship Day. The theme will be "Promises We Keep". Rev. Scherf spent two years in Switzerland with the World Council of Churches and will spend two weeks there in April. She will share her experiences with the group.

May Fellowship Day will celebrate the fact that the Church Women United are

"a visible and ecumenical community who seek to act out our love in volunteer service to others."

A nursery will be provided for young children, and mothers are asked to bring a lunch for their children.

The church women welcome the public to share in all of its meetings.

REV. RIESCH TO SPEAK AT WCCL MEETING

Rev. Louie Riesch, Director of Cedar Lake Home, West Bend, will speak on the topic "The Process of Aging From Conception Through Natural Death" at the Wisconsin Citizens Concerned for Life, Kettle Moraine chapter, meeting May 10.

Rev. Riesch, under the pen name of Shaya Sabayoth, is the author of the books *Beyond Today (To Love True Love)* and *Beyond Tomorrow (Life to Life)*.

The program starts at 8 p.m. at Hartford's Washington School, 525 N. Main St., Room 101. A special invitation is extended to all persons involved with the care of the elderly — not only those in nursing homes, but also those individuals caring for elderly persons in their own homes.

What a difference a Bilco Door makes!

Here's the way to add new beauty to your home. Replace that wooden hatchway with a modern, all steel Bilco Door. It's ruggedly built, weather-tight, and so easy for everyone in the family to use! What's more, it will make your basement more secure against intrusion. And it will pay for itself many times over by saving repair and replacement costs.

If your home was built without the convenience of a direct basement entrance, ask us for Bilco's new handbook "How to Add Valuable Living Space to Your Home."

Stop in and see our display. We'll give you free literature on how to do it. Or, we can suggest a man to install it for you.

Minutes of Village Board Meeting

Midmonthly Meeting
April 17, 1978
8:00 P. M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in midmonthly session in the Council Room of the Municipal Building.

President Charles F. Miller presided. All Trustee Members were present.

The minutes of the meeting of April 3 were approved as printed upon motion by Trustee G. Nigh, seconded by Trustee Herriges. Unanimous vote.

Engineering Consultant James Arthur had met with the Village Board prior to the scheduled meeting at 7:00 p. m. to discuss some proposed changes in the plans for the development of the Kewaskum Kiwanis Community Park. The discussions were continued after the opening of this meeting at 8:00 p. m. Suggested changes were the relocation of the bath house because of poor soil conditions, relocating sewer and water lines to the new bath house location, widening the width of the walkways and constructing a drainage ditch to correct the surface water drainage problem. Mr. Arthur also reported that the additional cost of the bituminous concrete to widen the walkways from six feet to twelve feet would be less than one thousand dollars (\$1,000.00).

Motion was made by Trustee Danielsen, seconded by Trustee Schmidt that the Engineering Consultant be authorized to change the park plans so as to increase the width of the walkways from six to twelve feet. Unanimous

vote.

Marvin Martin, Civil Disaster Coordinator, discussed with the Board the possibility of providing a new emergency warning device for the village. No definite action was taken.

The building permit application of Ken Neldner for the construction of a screened porch to his existing home at 331 Forest Avenue was approved and the Commissioner was authorized to issue the proper permit upon payment of the required fee. Motion by Trustee D. Nigh, seconded by Trustee Danielsen. Unanimous vote.

The certified survey map of Wilmer Ramthun, a division of part of Lot 13, Block 44, of the Assessor's Plat of the Village of Kewaskum was presented to the board with the recommendation of the Plan Commission that the same be approved. Motion was made by Trustee Schmidt, seconded by Trustee Herriges that the certified survey map as presented be and hereby is approved. Unanimous vote.

The qualifications of the various engineering firms that the Village Board had interviewed previously were discussed by the Board. The two firms selected for final consideration were Foth and Van Dyke and Associates of Green Bay and Ruckert and Mielke, Inc. of Waukesha. Motion was made by Trustee Danielsen and seconded by Trustee D. Nigh that the firm of Foth and Van Dyke and Associates be retained as the villages engineering consultants.

Roll call vote - 5 "Aye"
2 "Nay"
(Herriges & Schmidt)
President Miller reminded the Board members that the

open house at the Waste Water Treatment Plant and at the village garage is scheduled for Sunday afternoon, April 30th from 1:00 to 4:00 p. m.

President Miller thanked outgoing Trustee Gregor Nigh for his years of service on the Village Board. Trustee Nigh replied that being on the Board was very educational and that he enjoyed being a trustee member.

Upon motion by Trustee G. Nigh, seconded by Trustee Danielsen and duly carried, the Board adjourned until 8:00 p. m. May 1, 1978.

KHS Girls Third, Boys Sixth in Scenic Relays

In the Scenic Moraine Conference relays held at Germantown Friday, the Slinger girls, behind five first places, won the event and Kewaskum was third. Hartland and Germantown tied for the boys title and Kewaskum was sixth. Hartland has now won or tied five team titles in succession.

Kewaskum's gals ran into problems which cost them a shot at the title. They were disqualified in the 330 low hurdles because one of their runners was judged to have thrown her leg over the side of the hurdle.

The Indians, however, did have three firsts—in the 880 relay, spring medley and 660 hurdle shuttle. Katie Lightner, Pam Kempf, Jenny Schaub and Juann Zemlicka combined for a fine 1:49.6 in the 880 and Lightner, Barb and Laurie Wilson and Kempf took the sprint medley in record time.

The other win came thru the efforts of Schaub, Kempf and Carrie Henke.

Depth again was a problem for the boys, but the Indians did take a second in the 990 intermediate hurdles with Mike Schaub, Chuck Dreher and Dave Subat combining for a 1:24.3.

Kewaskum sorely missed Dan Schmidt in some of the sprint events and the long jump. Schmidt fractured a bone in his foot and will be out for the year. Tonsillitis has also sidelined distance runner Dick Kleinmann for the rest of the season.

Track Girls Edge Mayville, Grafton; Boys Are Defeated

In a meet at Grafton last Tuesday, the Kewaskum girls track team used a win in the mile relay to beat Mayville and Kewaskum 56½, Mayville 54½ and Grafton 45.

Laurie and Barb Wilson, Mary Brenholt and Julann Zemlicka won the final event, the mile relay, in 4:23.6 to beat Mayville by seven seconds.

The Indians were without Diane Bremser, Sharon Wagner and Carrie Henke in this outdoor opener. Besides the 880 relay found them winding up last because of a dropped baton.

Barb Wilson also had a 5:29.5 in the mile for a new KHS outdoor record. She also finished second in the 880, and sister Laurie had seconds in the 220 and 440.

Freshman Katie Lightner took a first in the 220 and second in the 100.

Sno-Chiefs Meet, Elect Officers

The Kewaskum Sno-Chiefs final meeting of the season was held Sunday, April 30, at Barney's Bar in beautiful downtown Wayne.

The officers elected were: President, Bill Lehman; Vice-President, Miles Wilson; Secretary, Joyce Kudek, and Treasurer, Bev Rohlinger.

On the Board of Directors, the new member is Bill Goeden and Allen Amerling was re-elected. Old members include Ed Volm, Ralph Raether and John Amerling.

The Trailmaster is George Hanrahan, who will be assisted by John Milewski.

The annual family picnic will be held Sept. 10 at the Kewaskum Village Park. Dues will be increased from \$10 to \$15 per membership.

Bob Staehler gave a talk on county trail expansion, grooming and marking being paid by the county.

The Annual Convention will again be held in Green Bay and the workshop will be held in Wausau.

A delicious steak fry after the meeting was put on by Erv and Betty Bonlander. Bob and Jeanne Staehler, assisted by Greg Rohlinger.

Area Racing News

On Saturday, April 29, Mike Melius of Random Lake got his 1978 racing season off to a very good start at the Hales Corners Speedway.

Melius had the fast qualifying time and on the very hard and dry track he worked his way through the pack to finish second in the 25 lap feature.

Willie Goeden of St. Michaels had the seventh fastest time but was forced out of the feature on the fourth lap while battling for second when he hit the front stretch wall.

On Sunday, April 30, the late model racing scene shifted to Wayne Erickson's Slinger Super Speedway. Again, Melius had another good night. He was fourth in time, fourth in his heat, and fourth in the 30 lap feature.

Goeden had third in time, second in the trophy dash and third in his heat. He had to retire from the feature with engine problems, but was credited with ninth place.

Scott Weiss of Kewaskum made his first start of the year and turned in the sixth fastest time. Weiss also had engine problems in the feature and ended up eighth.
