## Kewaskum Night at Brewers Game June 26

"Take Me Out to the Ball Game" will be the chant of Kewaskum area residents on Monday evening, June 26. The Kewaskum Area Chamber of Commerce is planning their second "Kewaskum Night" at the Milwaukee Brewers game on that date.

Tickets are available at Valley Bank and the Kewaskum branch office of West Bend Savings and Loan.

Participating merchants (see ad on page 7) are each giving away two free tickets to the game. All you have to do is stop in and register or send in the coupons in the ad to any of the

merchants. Drawings will be held on June 13.

Price of the ticket for the game between the Milwaukee Brewers and Minnesota Twins is: lower grandstand, \$4.50; with bus transportation, \$5.50. Some taverns and organizations are chartering their own buses.

Let's make this an even bigger "Kewaskum Night" than last year, when approximately 440 area residents attended. A trophy was presented to two members of the Chamber of Commerce last September on Fan Appreciation Night at Milwaukee County Stadium for having the most spectators in their population division at last year's "Kewaskum Night."

## Peterson, Joiner Granted Amateur Radio Licenses

The Federal Communications Commission at Chicago granted new Amateur Radio standing on May 26 to L. N. Peterson, Chairman of the Board of Regal Ware, Inc., who received the Technician Class License, and to Rev. D. R. Joiner, pastor of Peace Church, who received the Amateur Extra license which is the highest class license available.

Both of these Kewaskum men were granted these licenses after a thorough written examination and proficiency in sending and receiving the Morse Code.

In the State of Wisconsin there are now 6,053 amateur radio operators. The fundamental purpose for amateur radio is: the recognition and enhancement of the value of the amateur service to the public as a voluntary noncommercial communication service, particularly with respect to providing emergency communications; to promote interest in amateur radio communication and experimentation; for the relaying of messages by radio and for the advancement of the radio art.

They are both members of the American Radio Relay League for trained radio operators, technicians, and electronics experts, and operate separate amateur radio stations in Kewaskum.

## Fire Numbers No Longer Exist in Washington Co.

The Washington County Fire Chiefs have expressed concern over confusion which still exists among some residents over fire numbers and house numbers and addresses.

Many years ago, rural properties were assigned fire numbers to provide quick and practical identification for emergency services. With the increase in population in rural areas, a more practical system was deemed necessary.

The various governmental bodies in Washington County decided to establish a uniform address numbering system. This system was supported and encouraged by the fire departments, sheriff's department, police departments, post office, and other organizations.

This system has worked out very well, and in order to avoid any delay in responding to an emergency call, the fire chiefs urge all residents to be aware that fire numbers no longer exist, and if an emergency develops, that they use their regular street, highway, or road address and any identifying geographical information when calling for help.

## Fredric Seefeldt Announces Candidacy for Sec. of State

Fredric A. Seefeldt, Neenah, formally announced his candidacy for the Republican nomination for Secretary of State of Wisconsin, Tuesday, May 30.

"I offer my candidacy to the people of Wisconsin on the basis of my experience both in private business and in public service," said Seefeldt.

Seefeldt serves as Secretary-Treasurer of A. H. Seefeldt, Inc., a family operated insurance agency at Kewaskum.

The Winnebago County resident has been Home Secretary to Sixth district Congressman, William A. Steiger (R. Wis.), for the past nine years.

"Good service to the public has been at the heart of my experience both in our family business and in my work as Home Secretary to Congressman Steiger," said Seefeldt.

Seefeldt is on leave-without-pay from his duties as Home Secretary during the campaign.

"My first concern as a candidate is that prompt and courteous service be restored to the citizens of Wisconsin. Efficient, timely service on the part of the Secretary of State's office is essential to the smooth, orderly flow of business transactions in Wisconsin," commented Seefeldt.

"Secondly, it is important to note that the Secretary of State is held directly accountable to the citizens of Wisconsin. The

Secretary of State is one of only five public officials to be chosen by the voters in state-wide elections this November. Given the size of state government today, it is more important than ever that we have elected state officials to insure that state government remain responsive to the people of Wisconsin," observed Seefeldt.

Seefeldt, 40, is a native of Washington County and a graduate of the Kewaskum Public Schools. He earned his Bachelor of Arts degree with honors at Lakeland College, Sheboygan, and his Master of Divinity degree from The Lutheran School of Theology at Chicago. He served as assistant pastor of St. Paul's Lutheran Church, Neenah, from 1965-1969.

## UW Alumni Club Scholarship Won By Mary Ciha

The West Bend Area Chapter of the University of Wisconsin Alumni Club has announced its two scholarship winners for the 1978-79 school year. They are Constance Hron, daughter of Mr. and Mrs. Ronald Hron, West Bend, and Mary Ciha, a graduating senior from Kewaskum High School, and a daughter of Mr. and Mrs. Aloysius Ciha, Allenton.

Each award is a one-year tuition-paid scholarship to the University of Wisconsin-Madison.

One scholarship is given annually to a graduating high school senior and one to a University of Wisconsin-Washington County student transferring to Madison. To be eligible for either scholarship, students must be graduates of one of the following high schools: West Bend West, West Bend East, Kewaskum or Slinger.

Miss Hron is a graduate of West Bend West and has completed her sophomore year at UW-Madison. She is majoring in political science and plans to go on to law school.

Miss Ciha plans on majoring in Foods and Nutrition at UW-Madison. She is a member of the National Honor Society, was a Badger Girls' State representative and has received several state music awards. In addition, she was a cheerleader, member of the Spanish Club, AFS, Ski Club, and was Class President her freshman year.

These scholarships are made possible through fund-raising events by area Wisconsin Alumni and through matching dollars provided by the University of Wisconsin Foundation.

## LaMarche Drawings Appear in Magazine

A Kewaskum young man has received recognition for his talent in art.

Jim LaMarche, a free-lance illustrator, is part of last month's issue of *Runner's World*, a publication devoted to cross country and track techniques. Having captured the mood for the article "Is Running a Religious Experience," LaMarche has several drawings depicted in the magazine.

The son of biology teacher Eugene LaMarche of Kewaskum, Jim is a former Vista volunteer and also illustrated a children's book.

## Jane Binder Cum Laude Graduate

Jane Binder, daughter of Mrs. Joyce Mayer, 7990 Orchard Valley Road, West Bend, was graduated cum laude from Marian College of Fond du Lac, May 13, with a bachelor of science degree in education.

She is a 1974 graduate of Kewaskum High School.

## Area Students Honored at UWWC Honors Convocation

"Character is a matter of personal identity. It's what you are," said Dr. Dwain Ehrlich to 57 candidates for Associate Degrees, their parents and guests, Sunday, May 21, at the Eighth Annual Convocation at the University of Wisconsin Center-Washington County.

Also honored were various scholarship winners, the Dean's List Students and special departmental award recipients. Sponsored by the UWWC chapter, Phi Theta Kappa, the evening also featured musical selections by the Vocal Ensemble under the direction of Peter Ayer and a duet for recorder and piano by Albert and Anna Asch.

Departmental awards were given by professors in the various fields of study to superior students.

Dean Robert Thompson announced the Dean's List for the first semester of the 1978-79 year. Students with a grade-point average of 3.75-3.99 were given high honors. A grade-point average of 3.50-3.74 entitled the students to be named to the honors list. Those students included: Yvonne Fellenz, Bonnie Schmidt and Constance Sleger.

Monetary scholarships to

continuing students were also given. The Scholar Athlete award was announced earlier in May at the Athletic Banquet. The Phi Theta Kappa honorary fraternity has sponsored money making events throughout the year. That money is awarded to students to continue their education by Professor Dorothy Dwelle, PTK advisor.

Frank Derer, president of the UW-Alumni chapter in West Bend, announced the winner of the UW-Alumni Scholarship.

The UWWC Scholarship Foundation was established to offer loans to continuing students at UWWC and to award scholarships for academic excellence.

Dean Robert Thompson with the help of Roland Baldwin, Director of Student Services, and Connie Hron, presented the Associate Degrees. Among those receiving the Associate of

Arts Degree were: Mary Mc Namara, Pamela Scannell and Sharon Schoofs.

Following the presentation of the degrees, the audience of about 250 persons, was invited to a reception in the student union lounge.

Major reason for the special meeting is to decide staffing for 1978-79, particularly the question of an assistant superintendent or business manager.

Other business will include approval of new teacher contracts, approval on proposals received on a new mower, approval of payroll and vouchers payable and any miscellaneous business which may arise.

A closed session will be held to discuss teacher negotiations and wage and salary questions.

## Medical Study Seeking Heart Attack Victims

Volunteers are urgently needed to help combat America's number one killer, atherosclerosis. This disease is basically responsible for heart attacks, strokes, and related fatal diseases that account for some one million deaths, or 53% of all deaths in the United States annually.

The National Heart and Lung

Institute is conducting a program at three participating medical institutions, including the University of Minnesota, to determine whether lowering blood cholesterol levels will reduce the risk of heart attacks. The University needs one thousand men and women between the ages of 30 and 59 who have had only one heart attack (suffered within the past three years); who are free of diabetes, high blood pressure, and who are not greatly overweight. All such people are asked to call the University of Minnesota clinical center at 612-376-4494 collect. Each volunteer's personal physician will be contacted.

## Savings & Loan Announces New Interest Rate

Savers at West Bend Savings and Loan Association will be able to earn a compounded interest rate of 8.45 per cent on long term deposits, starting June 1, Association President, Richard A. Larson announced.

To earn the full rate, savings must be left on deposit for a term of eight years, and interest left to accumulate on an annual basis.

The new certificates are being sold in denominations of \$5,000 or more. The certificates are federally insured up to \$40,000.

Larson said the new savings account interest rate was authorized by the Federal Home Loan Bank Board on May 11.

The eight to ten year certificates will carry an eight per cent stated interest rate, but with daily compounding the effective annual yield is 8.45 per cent, if interest is left in the account.

"Until now, the highest compounded interest rate savers' could earn under Federal regulations was 8.17 per cent on six-year certificates," said Larson. "But, with the new authority just granted, we will be able to help our long term savers accumulate an even better return."

Larson added that the longer term certificates will also be helpful to home buyers because they will enable the association to stretch the terms of some savings capital, matching more closely the long terms of most mortgage loans.

He said certificate holders may withdraw earnings without penalty at any time. Deposits can also be withdrawn before maturity, but subject to an interest penalty required by federal regulations. The withdrawn deposits would earn interest at 5 1/4 per cent, less 90 days interest.

A second new type of savings certificate, also federally insured to \$40,000 is being offered in denominations of

\$10,000 or more for terms of six months. This certificate will earn interest approximately one-quarter per cent above the average auction rate paid on six month U. S. Government Treasury Bills.

## Three Receive Homemaker Scholarships

The Washington County Extension Homemakers each year present scholarships to outstanding students whose parent is a member of Extension homemakers. The scholarships are \$200 each.

This year three scholarships were presented at the Spring Council meeting on Tuesday, May 23, at the Village Hall in Germantown.

Theresa Reindl was recipient of the new Shirley Backhaus Memorial Scholarship. This scholarship was recently established as a memorial to Shirley Backhaus who was the president of the Washington County Extension Homemakers and was recently killed in an auto accident.

Theresa is the daughter of Mr. and Mrs. Allen Reindl of Route 2, Kewaskum. She will graduate from Kewaskum High School and is planning to attend U W -Lacrosse, pursuing a degree in recreational therapy.

The two Washington County Extension Homemaker Scholarships were presented to Kathleen Gundrum and Jean Schoeni.

Kathleen Gundrum is the daughter of Mr. and Mrs. Bernard Gundrum of Hartford. She is a graduate of Hartford Union High School and is presently attending Western Wisconsin Technical Institute.

She has chosen a career in nursing and has worked at Mercy Medical Center while attending school.

Jean Schoeni is the daughter of Loraine Schoeni and the late Roy Schoeni. She is a graduate of Slinger Community High School and is presently attending U W -Madison. She has chosen a career in zoology.

## In the Service

He is assigned to the replenishment oiler USS Kalamazoo, homeported in Mayport, Fla.

Conducted in the Atlantic coastal waters off North Carolina, plus Camp Lejeune, N.C. and Fort Stewart, Ga., this 10-day exercise involves more than 28,000 personnel. Participants include the Army's 18th Airborne Corps, the Navy's Atlantic Fleet, the Atlantic Fleet Marine Force and the Air Force's Tactical Air Command and Military Airlift Command.

"Solid Shield '78" is the 16th in a series of annual, joint-service exercises emphasizing command and control of military forces in a simulated combat environment. This year's maneuvers include amphibious and airborne assaults, naval blockade operations, personnel evacuations and tactical air operations in support of ground forces.

A 1974 graduate of Kewaskum High School, Kopping joined the Navy in October, 1974.

If you or members of your family are taking prescribed medicine, be sure you have an ample supply before leaving on your vacation trip. A long distance call to your doctor or pharmacist is expensive and awkward if you run out of medication away from home. It is wise to also pack an emergency first-aid kit for the car, and boat if you have one. We will be pleased to help you select the essential first-aid items.

## Minutes of Village Board Meeting

Mid-Monthly Meeting  
May 15, 1978  
8:00 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in midmonthly session in the Council Room of the Municipal Building.

President Charles F. Miller presided. Trustee Danielsen arrived at 8:10 p.m. All other Trustee members were present.

The minutes of the meeting of May 1 were approved as printed upon motion by Trustee Schmidt, seconded by Trustee Kral. Unanimous vote.

Fire Chief August Bilgo and Peter Albers, representing several local service groups proposed to the Village Board the erecting of a permanent shelter over the basketball court in the existing village park near the Milwaukee River. The project would be financed with funds from the fire department, the service groups and the village. Estimated cost of the shelter is approximately \$12,000.00. No definite action was taken and the project will be discussed further at a future meeting

when firm construction costs are available.

Richard Thieme, President of the local Jaycees presented a plaque to Trustee Daniel Schmidt for being chosen by the Jaycees as the outstanding young man of the year. Motion was made by Trustee Danielsen, seconded by Trustee Herringes that Dan Schmidt should and hereby is commended for achieving this honor. Unanimous vote.

The village's engineering consultants had estimated that the cost of the installation of sanitary sewer lines and water mains from the proposed Spoerl Subdivision eastward along Highway "H" to the existing lines would be \$53,000.00 for a distance of 1300 feet. At the request of the subdividers, a discussion followed as to whether or not the village should provide the financing for this portion of the project.

Motion was made by Trustee Danielsen that the village provide the financing for the installation of the 1300 feet of sanitary sewer and water lines and that the cost thereof be assessed, plus reasonable interest, to the abutting property owners if and when their properties are annexed and they ask for the use of the facilities. The motion did not receive a second and therefore was declared dead.

The problem of storm water drainage in the proposed subdivision will be discussed at a future meeting.

Supt. Bilgo was authorized to advertise for sealed bids for the asphalt paving of village streets to be designated by the Street Committee. Motion by Trustee Herringes, seconded by Trustee

Danielsen. Unanimous vote.

Motion was made by Trustee Schmidt, seconded by Trustee Danielsen that Supt. Bilgo be and hereby is authorized to purchase 200 feet of 42 inch storm water steel culvert at a cost of \$26.50 per foot. Unanimous vote.

President Miller reported that the Town of Kewaskum will be improving Prospect Road and since a portion of that road is within the village limits, it might be wise to have the same contractor do the village's portion of the road. The matter was referred to the Street Committee.

It was decided that the President, the Commissioner and two of the Trustee members would attend the League of Wisconsin Municipalities Regional Dinner meeting at Neenah on the evening of May 25 and four Trustee members would attend a similar meeting at Beaver Dam on the evening of May 30.

It was announced that there would be a one day seminar at Madison for newly elected municipal officials on June 16.

Peter Albers, Supt. of Waste Water Treatment, reported that he is preparing a listing of new lab equipment which will be required to meet the new State standards.

President Miller reported that he, Peter Albers and Trustee Dave Nigh had met with representatives of the Wisconsin Department of Natural Resources at Madison with reference to the requirements for ammonia removal at the waste water treatment plant.

Trustee Schmidt reported that a new site had been se-

lected for the location of the bathhouse at the new park site. Also that the picnic tables being built by the manic arts class at the High School were almost finished.

The fire service contract between the Village of Kewaskum and the Town of Auburn, which was acceptable to the Town of Auburn, was ratified by Trustee D. Nigh, seconded by Trustee Schmidt. Unanimous vote.

Supt. Bilgo was authorized to purchase a used chain saw if he found them to be a good buy. Motion by Trustee Schmidt, seconded by Trustee D. Nigh. Unanimous vote.

Upon Motion by Trustee Herringes, seconded by Trustee Mlodzik and duly carried, the Board adjourned until 8:00 p.m. June 5, 1978.

In loving memory of our son and brother, Randy Giese, who passed away five years ago, June 3, 1973:

This month comes to us with deep regret, It brings a day we will never forget, His memory still is very dear, So many times he seems so near. No longer here our lives to share, But in our hearts he is always here, We miss him more each passing year, Someday we'll meet where there are no tears. Sadly missed by Mom, Dad, sister and brother.
