Alert Sounded Here As Tornado Causes Damage in Nearby Area

Tornado warnings were issued for Dodge County, southern Fond du Lac county and northern Washington county (including Kewaskum) Saturday evening.

The tornado was first reported to have touched down and caused serious damage in the Village of Burnett, made its way across Horicon marsh and then hit and caused much damage in the Village of Theresa in Dodge county. Coming closer it then struck the Town of Wayne in Washington county, again creating severe damage, as it headed in our direction. The tornado alert siren was sounded in Kewaskum as the storm approached about 8:30 p.m. and residents took cover. It became extremely dark and overcast with high winds and about two inches of rain fell. However, Kewaskum escaped the brunt of the storm and no extensive damage was reported.

Shortly after the tornado alert here, the fire siren sounded and many residents believed it was an all clear signal. But it was a fire call to the Town of Auburn where lightning knocked out a transformer.

The tornado first touched down about three miles west of Burnett at 7:35 p.m. destroying a barn. Other farms also had

extensive damage.

In the Village of Burnett two trailers were destroyed. Other barns were demolished in the Town of Williamstown, located between Mayville and Kekoskee.

The twister then made its way down Highway 28 and into Theresa.

The Village of Theresa was one of the hardest hit areas in Dodge county. Twelve homes had extensive damage with roofs blown off and trees falling on buildings. Garages and sheds were destroyed. The twister picked up a van and tossed it over the top of a car, and a boat was lifted into a nearby tree.

Theresa Police Officer Michael Mansfield said he felt the tornado lift up his squad car with the wheels spinning while driving through town to warn residents. He escaped injury.

The Town of Wayne also reported barns destroyed along with other buildings and numerous downed trees. At the Dennis Terlinden farm the whole top of the barn was taken off. A shed at the Jerry Darmody farm in Wayne which was put up last year and cost \$5,200 was completely gone. At the Kermit Coulter farm on County H, a lean-to shed and the roof of his hog house were heavily

damaged. Trees were uprooted on the Edgar Miske farm.

Vic Backhaus Heads Lions

The Kewaskum Lions Club held installation of officers June 17 at Hon-E-Kor Country Club.

A readjustment hour from 7:00-8:00 was followed by the Pledge of Allegiance, prayer by Rev. Prasad, dinner, guest speaker Gerald Bogart, zone chairman; and installation of officers.

New officers are Victor Backhaus, President; Peter Albers, 1st Vice President; Lloyd Teese-link, 2nd Vice President; M. (John) Fellenz, 3rd Vice President; Harlan Gruber, Tail Twister; Paul Blumer, Lion Tamer; Karl Fee, Treasurer; Kenneth Leitheiser, Secretary; Les Strobel, Glenway Backhaus and Roger Schleif, Directors.

The program closed with the acceptance speech by Vic Backhaus, attendance awards, "God Bless America" and adjournment.

Hurry! Get Your Brewers Tickets For Kewaskum Night Monday

"Kewaskum Night at the Brewers Game" is approaching rapidly. If you have not as yet purchased your ticket you had better do so soon, or you might be missing one of this summer's most memorable "fun nights."

The Kewaskum Area Chamber of Commerce has again made arrangements for "Kewaskum Night" on Monday evening, June 26. Price of a

ticket for the game between the Milwaukee Brewers and the Minnesota Twins at County Stadium is \$4.50 per seat or \$5.50 with bus transportation.

A large number of tickets have already been sold or

spoken for. Tickets will be available at Valley Bank and West Bend Savings and Loan Association, Kewaskum Branch until 4:00 p.m. Monday, however, bus transportation must be arranged for no later than 8:00 p.m. Friday, June 23.

Buses will leave from the Valley Bank parking lot at 6:00 p.m. SHARP.

The Amerahn and Glacier Inn are offering package deals with chartered buses including food and refreshments. Modern Woodmen Camp 2233 of Kewaskum is partially sponsoring tickets with transportation for members of their camp as a monthly social function.

Come on all you baseball and fun fans! Let's all turn out and make it a bigger and better "Kewaskum Night" than last year.

Village Board Accepts Bid For Blacktopping Streets

By TAMI EDGAR
Statesman Staff Writer

Two blacktopping bid proposals were put before the Village Board at Monday night's meeting. Ram Construction proposed their bid which would total \$49,704 and Payne and Dolan, Inc. put in their bid totaling \$56,375. Both bids included the removal of the old asphalt.

The locations of the roadwork are: 290 ft. of Brooklane Dr. and the entire Edgewood Road, Stark St. and Moraine Court, Reigle Dr. and Third St., Knights Avenue, Second Street, and Lin-De Lane. Streets in which old asphalt must be removed are: Reigle Dr., Third St. and Railroad Street.

It was stated that work must

be completed by August 15, 1978.

The Board, in the absence of Danielsen and Herriges, recessed to go over the two bids. After the meeting resumed it was recommended that the Ram Construction bid be accepted. With a motion by Donald Mlodzik and a second by Mark Kral, the members voted in favor of the Ram bid of \$49,704.

A petition of Betty Clark for annexation was approved unanimously.

Burglary at High School Nets \$3,000 Worth of Tools

Approximately \$3,000 worth of tools were taken from the industrial arts department and about an equal amount of damage was done to the building when the Kewaskum High School building was broken into sometime during the night on Monday of last week.

According to Police Chief Donald Hlavaty, the old back doors to the school had been pried open to gain entrance to the building. The door was then reset by the burglars, making it difficult for the officer on night duty to notice that anyone had illegally entered the school.

Hlavaty reported another door was found open at 5:20 a.m. but he didn't feel it has anything to do with the burglary. Inside the building they ruined several doors, including two steel doors, in attempting to get to the tool area.

Hlavaty said the tools taken are mainly used in factories and service stations.

School Superintendent Floyd Brenholt said all of the tools are covered by insurance.

Hold 50th Class Reunion

The Kewaskum High School class of 1928 held their 50-year class reunion at the Glacier Inn on Saturday, June 10.

Prior to the dinner the class toured the present High School and Middle School and compared the changes to that of fifty years ago.

Mrs. Walter Wesenberg was

the recipient of the table decoration and Pearl Buss won the banner with their class motto.

Left to right: Mrs. Neal Nicholson (Odelia Muckerheide), Hartford; Mrs. Carl Malischke (Kathryn Marx), Wauwatosa; Pearl Buss, Kewaskum; Arnold Meilahn, Chetek; Mrs. Clarence Kluever (Norma Knoebel), Kewaskum; Othmar

Bonlender, Glendale; Mrs. Tony Kerry (Elizabeth Muckerheide), West Bend; Joseph Karl, Route 2, Kewaskum; Mrs. Ed Prost (Loretta Pflum), Kewaskum. Edward Goldhammer of West Allis was unable to attend due to illness.

All members of the class of 1928 are living.

Village Board

(Continued from Page 1)

A request for sewer and water extension on Werner Dr. proposed a problem. Before construction proceedings began, owners in this area were promised water and sewer appropriations. During construction they were notified they were not to receive the facilities. Approval for the extension of the service went through but the decision for who hires the contractor will have to be discussed with those involved.

The Board was confronted with three assessment complaints in which payment of taxes were made under protest. Explanations showed the two parties who went before the Board of Review did not agree with its decision.

Daniel Schmidt motioned to turn the matter over to the Board of Review which in turn would go over the matter with the assessor. The members honored the motion.

The Village of Kewaskum should be receiving a total of \$13,987 for the Sewage Plant Grant project.

Confusion with sirens during last weekend's storm presented a problem involving the distinction between a fire alarm and the "all clear" signal. No action was taken, but the matter is to be discussed with the fire chief.

Schmidt reported that progress on the new park is going well but that there is a need for electricity as soon as possible.

The final evaluation before adjournment was the traffic condition at Regal Ware when employees leave work. A recent report showed that traffic on Second Street moves smoothly although occasional back-ups on the east side of the railroad tracks do occur but in 5-10 minutes the traffic conditions do take care of themselves.

HIGH SCHOOL OFFICE CLOSED JULY 3 AND 4

The high school office will be closed on both Monday, July 3, and Tuesday, July 4.

Tavern League Dinner Raises \$5,000 for Cancer

Jim Bohn, President of the Washington County Unit of the American Cancer Society was recently presented with \$5,000 by Barney Strobel, President of the Washington County Tavern League.

These funds were raised by the Tavern League at a \$100 a couple dinner held at Etzel's Country Inn at Germantown in May. This was the second annual successful dinner event put on by the Tavern League to raise funds for the society.

Bohn expressed sincere thanks to the Tavern League for their support of the society over the years. In addition to these dinners, the League ran a successful bowling tournament this year. In the past, taverns have used "buckboards" to raise

funds. Such support should be of great help in the fight to wipe out cancer.

Washington County's Crusade Goal this year is \$24,000. With the excellent support of many of our citizens and industry, we should reach this goal. About \$21,000 has been contributed to date, thanks to our many volunteer workers and contributors throughout the county.

Kohlsville Barn Damaged by Fire

A barn on the Richard Bartelt farm, 7555 Midland Drive, Kohlsville, was extensively damaged by fire on Tuesday morning, June 13. Fire Chief Wilmer Herman of Kohlsville said the metal building was still standing but was destroyed from the heat.

Vehicles stored in the bar, rubbish and a small amount of

seed were lost. Firemen were able to save hogs in the lower level of the building.

Herman stated the cause of the fire was under investigation, but it reportedly started when metal roofing was being taken off an adjoining building. The wind picked up one piece and blew it against power lines, causing arcing sparks.

Firefighters were at the scene about three hours. The Allenton fire department assisted with extra water and West Bend supplied air tanks.

DON'T FORGET! June 26 is Kewaskum Night at the Brewers game at Milwaukee County Stadium.

A NEW WAY

Microwave cooking is no longer considered a fad. It has become a well accepted method of heating and cooking foods in the home. By 1980 approximately 26% of the homes in this country will have microwave ovens.

Yesterday, I served a brunch that went on over several hours. It was no problem having guests arrive at different times. My food was ready and cold. As the guests arrived for brunch, I simply popped the number of servings needed into the microwave oven and in a few minutes, it was piping hot and ready to serve.

The microwave oven provides an ideal method for heating almost everything. Within a few seconds, this can be made hot, soups will boil or butter will melt. In thirty seconds, a melted cheese sandwich is ready.

I use my microwave oven for making croutons from the end slices of bread. I slice the heels and ends of bread into 1/2 inch cubes. Place them in a casserole, add my seasoning or Parmesan cheese and heat, uncovered, in the microwave oven for 3 minutes. Stir and reheat for an additional 3 minutes.

The biggest saving of all is energy. The microwave oven cooks so fast that the amount of electricity used per unit is very small.

Attend Your Summer Recreation Program

Once again the Village of Kewaskum is sponsoring summer recreation weekday afternoons from 1:00-4:00 at the KES garage. We would like to make this summer a varied and worthwhile program. This can only be achieved by a good attendance and cooperation from participants.

We are short of supplies and ideas, thus would appreciate donations of any craft supplies, ideas, indoor or outdoor games. These could be dropped off at the grade school weekday afternoons or at 618 Highland Ave. anytime.

Children of all ages are welcome rain or shine.

HEARING TESTS SET FOR SENIOR CITIZENS

Free electronic hearing tests will be given at Mr. C's (formerly Bauer's), 139 W. Main St. on Thursday, June 29 from 2:00 to 4:00 p.m. by Beltone Hearing Service. Factory-trained Hearing Aid Specialists (licensed by the state of Wisconsin) will perform the tests.

Anyone who has trouble hearing or understanding is welcome to have a test using modern electronic equipment to determine if his loss is one which may be helped.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing an aid or those who have been told nothing could be done for them should have a hearing test and find out if they are one of the many a hearing aid can help.

Hephner Will Seek Reelection

State Representative Gervase Hephner (D-Chilton) announced his plans this week to seek reelection to the State Assembly.

Elected to the Legislature since 1966, Hephner represents the 6th Assembly District consisting of the eastern half of Fond du Lac County, and most of Calumet County, a northwestern portion of Sheboygan County, and the Village of Kewaskum and the Town of Kewaskum in Washington County.

During the past session, Hephner served as Chairman of Enrolled Bills, vice-chairman of the Assembly Agriculture and Excise and Fees Committees, and was a member of the Insurance and Banking Committee.

Owner and operator of his great grandfather's farm in the Town of Charlestown, Hephner has been a strong supporter of the family farm.

This session, he succeeded in getting final authorization and funding for a UW veterinary college, and chaired a special committee which investigated and proposed measures to restrict the purchase of farmland with pension and profit-sharing

funds.

Hephner also authored a law this session permitting school boards to provide transportation to public and private students for school extracurricular activities, and helped to eliminate the placement of male offenders in the Wisconsin Home for Women in Taycheedah.

Reflecting on the session's accomplishments, Hephner said the past two years "were, by far, the most productive we've ever had on farm and rural issues." Examples cited by Hephner include the proposed elimination of the personal property tax on livestock and business inventories, changes in the farmland preservation program which increase benefits to farmers, a new snowmobile trail program, inheritance tax reform, and eminent domain protections for landowners.

A 1960 graduate of UW-Osh-

kosh and classified a Korean War veteran, Hephner said "it has been a pleasure working for the people of our local communities during the past 12 years," adding that he will continue to hold "aggressive and effective representation of the district as the number one priority of the job."

Zielke, Former Press Ass'n. Manager Dies

Carl A. Zielke, 70, former manager of the Wisconsin Press Association for 35 years, died at University Hospital, Madison, June 12, after a long illness.

Zielke worked with the WPA, now the Wisconsin Newspaper Association, from 1934 until he retired in 1974.

He is survived by his wife,

Anita; sons Carl J., Madison, and Stephen, Platteville; brothers Harold, Rib Lake, and Walter, Rhinelander; sisters Bertha and Florence, Phillips; and five grandchildren.

Funeral services were held Friday, June 16, at 10:30 a.m. in the sanctuary of Bethel Lutheran Church, 312 Wisconsin Ave., Madison. Luncheon for friends followed graveside services at Bethel Lutheran. Interment was in Roselawn Memorial Park, Monona.

Visitation was Thursday from 4 to 8 p.m. at Gunderson Funeral Home, 5302 Monona Dr., Monona.

Ecumenical Service at Faith Haven

The annual outdoor Ecumenical worship service will be held at 10:30 a.m. on June 25, at Faith Haven. This year marks fifteen years since the 59 acre site was dedicated to Christians of all faiths in honor of the 110th anniversary of St. John's United Church of Christ of Kohlsville.

The farm was purchased from a local farmer by Reverend Riesch, then pastor of the

church of Kohlsville, with the vision of making it a farm of repentance, a place where people could hike and meditate in the atmosphere of nature. Many people combined efforts to restore the farm to its natural state such as the Youth Organization Men's Brotherhood and Women's Guild of the church along with local 4-H club members. An old gravel pit that had been used as a dump was cleaned up and three wooden crosses were erected to depict the crucifixion. Another spot on the nature trail depicts Christ's birth. The stable was built by a

resident of Cedar Lake Home and transported to the area. A baptism has been held and the Lay School members have come at Christmas for a worship service.

A mirror pond was dug and can be likened to the Sea of Galilee. One cannot help but "Lift up mine eyes unto the hills," as one meditates while looking the full distance to Kewaskum. "What you sow, that shall you reap," comes to mind as one looks across fields of hay, corn and grain.

Scripture passages appropriately mark the trail and lend meaning to the worshipor's reflections.

The grounds are maintained

by the Lay School which began in June of 1962 with twelve members and continues with weekly meetings in which Theology, and Sermon Structure are taught.

Worship services are held on the hillside and center around a field stone pulpit and communion table, topped by a stainless steel spire. People are welcome to come early and walk the trails to meditate before the worship service.

Guest speaker this year will be Reverend Louis Riesch, Administrator of the Cedar Lake Home. The theme reflects "Heart Change, World Change." A brass choir will accompany the congregation

on hymn singing, under the direction of David Schleif, Music Instructor in the West Bend Public Schools. Vocal choir will be directed by Peter Ayer, of the U.W.W.C. Department of Music.

Incredible New Energy-Mizer™
built-in fireplaces from Preway...

won't rob your home of heated air!

Preway's new Energy-Mizer built-in fireplaces take the air needed to feed the fire from outside of your home. Handsome glass doors keep your heated room air inside the home, not up the chimney. And you never have to open a window to start a draft. Energy-Mizers also provide plenty of supplementary

heat by circulating room air through a built-in heating chamber. Easy, do-it-yourself, zero-clearance design can be installed on wood floors and built-in with any standard building materials... even wood and wallboard. U.L. listed for all homes, even mobiles.

See the complete line of built-in and freestanding fireplaces at your Preway dealer.

Fantastic Fireplace Sale!

Road construction has made us hard to find, but we have discovered a way to make your effort pay off:

\$1,195.00 COMPLETE*

includes 36" Preway Energy-Mizer fireplace with glass doors; 10' of triple wall pipe; round top assembly, flashing and spacers. Price includes up to 60 square feet of stone facing and all labor and material to install in a typical ranch home. Comparable prices on larger installations.

As an added bonus, the first 10 customers will receive a set of Wilshire #18 fireset tools, a Christen #8391 bellows, a Hearthcraft grate and fireplace matches absolutely free with their order of a Preway fireplace.

*Each job bid separately so you know exactly what your cost will be. \$1,195.00 will cover the cost of most installations.

KHS Students Commended For Excellent Attendance

According to Kewaskum High School records the following students have had an excellent attendance record during the 1977-78 school year. This is a commendable accomplishment for developing the correct attitude about being in school as being very important. There is a direct relationship between good attendance and grades as well as an interest in school. This also carries over into the world of work.

Industry is concerned about unusual absenteeism and when employers call the school their first question concerns attendance records.

There may be situations when a student is needed at home or if a student is sick he or she should not be in school. The attitude of parents toward attendance in school and in later life on the job is reflected in their children. Truancy tends to be a warning that the student is a potential drop-out and in many cases headed for other problems.

In preparation for the 1978-79 school year parents are again asked to cooperate in encouraging their students to be in school.

Congratulations to the following students:

Registration at UWWC Underway

Student Services Director Roland Baldwin announced that Registration-Orientation sessions for new students are currently being held at the University of Wisconsin Center-Washington County. These sessions, which are for all students who have been accepted at UWWC and have completed the placement tests in mathematics and English, provide students with individualized assistance in planning their college careers.

Advisors are available to help each student prepare his class schedule and to counsel him on the appropriate courses for his major and the requirements of the university at which he will continue his education. Director Baldwin remarked, "students should sign-up as early as possible in order to ensure getting the classes and schedule they desire."

The following are the times of sessions remaining during the month of June: 1:30 to 4:30 p.m. on June 21 and 28; 9:00 a.m. to noon on June 23 and 30; and 6:00 to 9:00 on June 26.

Further sessions are planned for those who have not yet taken the placement tests or are unable to attend one of these sessions. Times and dates will be announced later.

Placement tests in mathematics and English are scheduled from 6:00 to 9:00 p.m. on July 12 and August 28. Students will not be able to register until the results of their placement

tests are available. Therefore, it is advantageous to take the tests as early as possible.

To make an appointment for one of the Registration-Orientation sessions or to sign-up for the placement tests, please contact the Student Services Office at 338-1161, extension 24.

THANKS EXPRESSED

My heartfelt thanks to all the thoughtful relatives and friends who remembered me with cards, visits, flowers, plants, phone calls and prayers while I was a patient at St. Agnes Hospital and convalescing at home. Special thanks to Drs. Becker, Mikkelson and Cullen and the nurses on the third and fifth floors; also for any other favors extended to me. These many acts of kindness are sincerely appreciated and will always be treasured. Again "thank you" to all.

Firemen's Wives Win First, Second In Water Fights

The Kewaskum Firemen's wives' two teams came home with first and second place trophies from Fillmore Park where they participated in the Fire Department Picnic women's water fights on Saturday, June 17.

Teams from Waubeka, Campbellsport, Fillmore and two teams from Kewaskum entered the competition.

Team No II took first place. Members are Barbara Gengler, Kris Korh, Bonnie Stoltzmann, Patty Schmidt and Janet Rohlinger.

Team No I which took second place consisted of Cordell Strack, Kathleen Schmitt, Peggy Milewski, Cheryl McElhatton and Jean Knoeck.

Kewaskum will again host women's water fights before the fireworks on Monday evening, July 3, at 7:30. Teams of fire department wives from the surrounding area, as well as Kewaskum's two teams will compete.

Kewaskum Runners Place in Mayville Run; 350 Entrants

A large number of area runners (from Hartford, West Bend Campbellsport and Kewaskum) were among the 350 persons who competed in the Lions Point run at Mayville Sunday. The run was for both men and women.

In the two mile women's division from 19 years to 29, former successful Kewaskum High girls' track coach Connie Kreuser (whom Kewaskum lost and will join the Hartford staff next fall) was fourth with a time of 17:00.

In the eight mile women's race a number of Kewaskum High girls placed high. Won by Cheryl Konhoe of West Allis, Kewaskum's Barb Wilson (Class B mile state champ) was second, Robin Acker third, Laurie Wilson eighth, Diane Bremser tenth, Carrie Dreher eleventh and Lynn Acker thirteenth.

Heisdorf Race Cars Continue Hot Streak

Ken Biertzer of West Bend, driving the #2 car, won the 25-lap feature at Sun Prairie Sunday night. He also won the trophy dash and got second in his heat, competing against 45 cars.

Dave Ray of Davenport, Iowa, driving the #1 car placed second in the feature and also won his heat. Dave led the race for 21 laps when Ken overtook him with four laps to go.

Both drivers will compete in a U.S.A.C. Race at Hales Corners on Friday night and then back again to Sun Prairie on Sunday night. See you there!

Tuesday night the drivers were back at Leo's Speedway in Oshkosh. Willie Goeden took advantage of a 23rd lap tangle by the first and second place cars to move up from fifth to a third place finish in the 25 lap feature. He had earlier turned eighth fast time and placed fourth in his heat. Mike Melius made his first appearance of the year and was the fifth fastest qualifier. He also moved up two spots as a result of the accident and finished fourth in the feature. After the evening's races, Goeden is ninth in points with 52 and Melius is 17th with 26.

For the second week in a row, the opening races at Firemen's Park in Cedarburg were postponed by bad weather Wednesday night.

Thursday night the racing was at Wisconsin International Raceway in Kaukauna. Willie Goeden had his second good night in a row there. He posted fourth fast qualifying time, then went on to win the fast dash and place third in the 20 lap feature. Tony Strupp of Slinger was 10th in the feature. Goeden is now 11th in points with 92.

Friday night, Mike Melius went up to Norway, Michigan, to compete and made it a pleasant trip by coming back with a win in his heat and the feature.

The races at the Hales Corners Speedway in Franklin were rained out Saturday night.

Sunday night at Slinger Super Speedway was a rough night for area drivers. Mike Melius was fifth in time, won the fast dash and then placed 13th in the feature after dropping out on the 23rd lap. Willie Goeden was sixth in time, placed second in his heat and then was involved in an accident on the 23rd lap while dueling with Tony Strupp for third place. Goeden was out of the race and credited with 12th place.

Strupp was able to continue, but managed only a 10th place finish after having to start at the rear of the pack on the restart. Scott Weiss of Kewaskum had engine problems all night and was seventh in the semi-feature. After the night's races, Melius is second in points with 380, Goeden is third with 378, Strupp is seventh with 223 and Weiss is ninth with 169.

In the Hobby division, Rick Lisko of West Bend had fast time, was fourth in his heat, and then topped that off with a win in the 15 lap feature. Bob Schaefer of Slinger was sixth in

Jaycee Summer Program Begins

On Monday night, June 12, Village Trustee Bob Daniels "tossed" out the first ball to begin the Little League hardball season.

The Jaycees have again scheduled a summer full of hardball, softball and fun for all.

The summer schedule is as follows:

Monday night - Little League hardball, with 8 teams competing and 106 players taking part in "America's favorite pastime."

Wednesday night - Little League slo-pitch. This year the league has been increased from 4 teams to 6 teams, with 84

players competing. Slo-pitch is a hitter's game with plenty of hits, runs scored and excitement for all.

Thursday night - Traveling League hardball. There are 2 teams again this year with 27 players competing against various communities' teams in the area. This is the major league of the summer program with a higher caliber of competition between the teams. The Kewaskum Lions Club again has sponsored one of the teams this year. Thanks!

The total amount of players involved in the summer program this year is 217, with 40

adults helping either as coaches or umpires.

The games are played on the diamonds located behind the high school. Next summer, we hope to have the teams playing on the new ball diamonds in the new Village park!

On August 5, all the players and other members of their families, coaches and umpires will go to watch the Milwaukee Brewers as they play the Boston Red Sox. Forms for this game will be distributed to the teams by their coaches.

So come and cheer your favorites on as "a summer of fun for the young, has just begun!"

It was a bad week for the Kewaskum Indians, who lost four games in the Scenic Moiraine, mostly due to poor hitting. Playing at home last Tuesday, the Indians were downed by Hartland, 11-4. The Warhawks had 13 hits including a home run into the bleachers by Kurt Jaeger in the first inning with a runner on base and iced it with a five run sixth in which they batted around. Mark Tessar's hit off the pitcher's glove with the bases loaded in the sixth scored two runs and Steve Muench hit a long triple for the Indians.

53 Runs,
43 Hits,
25 Errors

In the 6:30 game played at Thiemers Monday, June 19, in the Ladies Softball League, Thiemer's recorded the shutout of the year by a score of 53 to 0 over Sunburst. Thiemer's achieved 40 hits while Sunburst had 3 and Thiemer's had 3 errors while Sunburst had 22.

At 7:30 in the battle for the cellar, Perkins Dairy became victorious over Sir Donut, with a score of 20 to 16.

The 8:30 and 9:30 games then switched to Kewaskum. Here in the 8:30 game the Wigwam, losing at the end of the 6th inning, 6 to 8, rallied in the 7th for 12 runs to win 18 to 8 over Kennelly Pharmacy.

At 9:30 Enright's Tap won over Three R's Tap by a score of 13 to 6 to stay tied in their division for the lead.

Thiemer's Annual Softball Tourney This weekend

The seventh annual Thiemer's Softball Tournament will be held this weekend, Saturday and Sunday, June 24-25 at Thiemer's Ball Park, north of Kewaskum on Hwy 45.

The first game will start at 11:00 a.m. Saturday pitting Turner Hall of Fillmore against Tom's Country Inn of Hwy. 45, north of Kewaskum. Twelve o'clock noon will find Hitching Post of Kohlsville battling Mr. C's of Campbellsport. Dipper Inn of West Bend will be opposed by Bil-Mar Bowl of Cascade at 1:00 p.m. The last game Saturday afternoon at 2:00 p.m. will find Regal Ware of Kewaskum fighting it out with Enright's of Boltonville.

Winners of Saturday's games will play on Sunday. The first game will again be at 11:00 a.m. Everyone is welcome. Refreshments will be available.

FLORIDA SCRAMBLE HELD AT HON-E-KOR

Sixteen groups participated in the Florida Scramble held at Hon-E-Kor Country Club Sunday.

The winning ladies' team, comprised of Joyce Gruber, Ellen Coulter, Cathy Lastofka and Helen Baierl, shot 40. Several teams tied for second.

The men's team of Bill Wuebben, John Petri, Lee Averill and Jim Hoffman broke par by three strokes, for a 32.

A pair of eagles were also recorded at Hon-E-Kor the past week by Jim Stoltz of West Bend and Judy Harlow of Kewaskum.

Thursday Kewaskum suffered a 6-4 loss at Pewaukee as the five top batters failed to get a hit and the Indians had only 2 hits off Pete Groehler in the entire contest. One was a double by Ross Krautkramer in the second when Kewaskum came up with four unearned runs resulting from Groehler's wildness. Pewaukee's big inning was also the second when they tagged Tessar for 4 of their 5 hits.

Hosting Kettle Moraine Monday evening, the Indians hit a little better with 6 safeties to their opponents' 7, but lost 3-1. The Lasers scored single runs in each of the first 3 innings. The losers got their lone run in the fifth but missed the opportunity for more when they had runners on first and second with nobody out.

Germantown came here Tuesday evening and beat the Indians, 8-3, as they again got only 4 hits. Dave Czernicki had a big bat with 3 for 5 and scored 4 of the Warhawks' runs. The Indians, who fell behind 3-0, in the first, got 1 back in their half, 1 in the third and 1 in the fourth to tie it up but that was the end of their scoring. Three runs in the fifth put the game away for Germantown.

Kewaskum is now 1-4 in Scenic action.
