## Firemen's Picnic Is Most Successful Ever

First prize winning float of \$100 in Sunday's parade was entered by the Winnebago FS. Two full pages of additional photos appear on pages 8 and 9.

(Statesman Photo)

The Kewaskum Firemen's Picnic continues to grow each year. Thousands of persons lined the streets for the parade and jammed the park.

This year's picnic grossed more and was the most successful ever, even though prices on food and refreshments were held down. A total of 1,175 pounds of hamburger, 375 pounds of brats and 90 pounds of hot dogs were consumed, not to mention the popcorn, ice cream, sno-cones, cotton candy and soda. Over 100 half barrels of beer were disposed of. There was a threat of rain but the weather held out all day, though a little on the cool side in the evening.

The picnic started out with a

## Sign-up for Second Swim Lessons July 15

Registration for the second three-week session of swim lessons will be held at the Kewaskum Village Beach on Saturday, July 15, from 10 a.m. to 1 p.m. In case of rain, registration will be at the Municipal Building on First Street.

A tentative schedule of the classes held from 10 a.m. to 12 noon Monday through Friday is:

- 10:00 - Swimmers and Intermediates.
- 10:30 - Advanced Beginners.
- 11:00 - Beginners.
- 11:30 - Beginners.

Notice of any daily cancellation will be given over WBKV radio 1470.

If signing up for the first time this season, a fee of 50 cents for village residents and \$1.00 for non-residents is payable at the time of registration. If you have already paid for the first session, there is no additional fee.

good crowd Saturday evening. Live country rock music in the beer garden was supplied by Ida Red from 7:30 to 11:30 p.m.

Another excellent parade that lasted one hour and 10 minutes pried off the lid on festivities Sunday noon. The parade featured 10 marching and riding units, including bands, drum and bugle corps and drill teams. These included the St. Joseph Basilicans Baton and Drum Corps of Milwaukee, Continental Youth Band of Milwaukee, Mariners of Port Washington Drill Team, Village Greens Drill Team of Greendale, Janesville Fife and Drum Corps, Hartford City Band, Old Mapleton Circus Band of Oconomowoc, All-American Holiday Baton Group of Menomonee Falls, Tripoli Motor Corps of Milwaukee and Kewaskum High School Band.

Other units were beautiful floats, baton twirlers, majorettes, children's specialties, visiting firemen and equipment, Legionnaires, comic entries, orchestras, novelty entries, classic old cars, clubs, organizations, riding horses and more.

Prize winning floats in the parade were: 1. Winnebago FS, \$100; 2. Regal Ware, \$60; 3. Strobel Oil, \$40; 4. Kewaskum Sno-Chiefs, \$20. Kiddie entry

## Kaniess Fiftieth Wedding July 23

God willing, Pastor and Mrs. Gerhard Kaniess, Kewaskum, will observe their 50th wedding anniversary on Sunday, July 23.

Their children have planned an "Open House" at the Lutheran St. Lucas Church parlors and invite friends and relatives to greet them between the hours of 2:00 - 4:30 in the afternoon on that day.

## Third Bridge

## Road Construction to Close CTH 'V'

Road construction is expected to start the week of July 17 on the reconstruction of C.T.H. "V" at the South Fond du Lac County Line at its crossing of the West Branch of the Milwaukee River, north of Kewaskum.

The work will consist of removing the existing bridge and replacing it with a single span prestressed girder structure. Also included in the project is the reconstruction of the ap-

proaches to the structure.

The work will be performed under a contract let to Lunda Construction Company of Black River Falls, WI at an estimated cost of \$166,877. Financing will be shared on approximately a 75-25 percentage by the Federal government and Fond du Lac County, respectively, from funds provided primarily by gas taxes. Robert Hubing of Belgium, WI will be the project engineer for the Wisconsin Division of Highways.

C.T.H. "V" will be closed to through traffic during construction operations, with access only to local property owners. It is anticipated that C.T.H. "V" will be closed during the week of July 17 and will be reopened in mid-October. Traffic is urged to use caution in the construction zone. A suitable detour will be provided by Fond du Lac County.

Construction of the Hwy. 45 overhead bridge at the north village limits is also underway at the present time. The C.T.H. "V" bridge to be constructed is located only a mile north of the overhead. A third bridge was constructed last year on Hwy. 45 several miles north of Kewaskum.

## Health and Math Curriculum Pose Problems to School Board

By TAMI EDGAR  
Statesman Staff Writer

Presentation of the Health and Mathematics Curriculum proposed various new problems at Monday evening's School Board meeting.

Connie Kreuser, high school physical education teacher, presented the views of the committee which reviewed the health education field. The main problem in physical education lies within the elementary level. Mike Miller, physical education teacher, is teaching approximately 1,000 grade school children. The criticism involved was that these students can't get enough time with a certified P.E. teacher because of the large number.

Talk on which grade level the health program would be taught at was another obstacle. One factor involved in seventh

grade course is the maturity rate of the students. It was felt that the majority of girls at the seventh grade level were more mature than the boys. The parochial students also miss out on this program.

In the high school levels you have elective courses of this type but they are not required.

A coordinator was one suggestion. This person would see that the curriculum standards would be met. No action was taken on a coordinator.

The other half of the curriculum discussion was on mathematics. Calculus, a semi-

## Tim Coulter Promoted, Moves To Kansas City

CUMBERLAND, Md. - Tim P. Coulter has been named a Truck Tire Specialist in the Kelly-Springfield Tire Company's Kansas City, Mo., Sales Division, D. J. Grantham, vice president, announced.

Prior to the move, Coulter was a district manager in the division, headquartered in Allenton, Wis.

Coulter joined Kelly-Springfield in August 1966 as an administrative assistant, and the following year he moved to the company's San Francisco office in the same capacity. Then he returned to the Springfield, Ill., and Detroit area as a district manager. He also has served in Chicago as a field merchandiser and a petroleum sales representative. He became a district manager in the Kansas City Division in March 1973.

Coulter is a native of Kewaskum and is the son of the late William J. Coulter of Campbellsport. He and his wife Carol are moving from their home in Allenton to Kansas City this week.

Tim is a graduate of Kewaskum High School, Class of 1960, and attended Midwestern University, Wichita Falls, Texas, and College of San Mateo, Calif.

## Darrell Herriges Is Distinguished Academy Graduate

Darrell Herriges was recently graduated from the United States Air Force Academy at Colorado Springs, Colorado.

He is the son of Albert Herriges, St. Michaels.

Ranked 50th in the 973 member class, Herriges received a bachelor of science degree Magna Cum Laude, in astronomical engineering.

The class of 1978 was the largest graduating class in the 20-year history of the Air Force Academy.

Herriges entered the academy four years ago, after graduating from Hartford Union High School in 1974.

As a senior in high school he won a congressional appointment from 9th District U.S. Rep. Glenn Davis.

During his four years at the academy, Herriges maintained high academic honors, as well as high military proficiency in all eight academic semesters, attaining the second highest cadet rank -- lieutenant colonel. He also participated in sports, ran the 1/2 mile and one mile cross country. He was on the varsity team for three years.

Lt. Herriges will be going to Wright-Patterson AFB for his TDY assignment for six months. January 3, 1979 he will start pilot training at Phoenix, AZ.

## Village Heart Fund Drive Nets \$806.99

The American Heart Association, Wisconsin Affiliate, ended its fiscal year on June 30, 1978.

Melodee A. Reha was the Heart Fund Chairman this year and would like to thank everyone for their generous support and assistance in making this, she feels, one of the most successful years for the Village of Kewaskum.

Mrs. Reha wishes to thank her block captains for their cooperative help in getting the door-to-door envelopes started and returned to her. A special thank you is in order to the Beechwood Rest Home, Mr. Benzschawel, and all the residents for their contribution through the "rock-n-roll" marathon they held to raise funds for the Heart Association. Also an appreciative thanks to Regal Ware and many of the other businesses.

Thanks to all, she forwarded to the American Heart Association our contribution of \$806.99.

winner were: 1. Washington County Humane Society, \$15; 2. Wizard of Oz (Serwe children), \$12; 3. Ramthun children, \$7; 4. Bicycle Bill, \$5.

Immediately following the parade, performances were given in the park by the Milwaukee Continental Youth Band, Janesville Fife and Drum Corps and Mapleton Circus Band of Oconomowoc.

During the afternoon live music in the beer garden was furnished by Syl Groeschel. In the evening Danny Darren and the Drifting Playboys played in the beer garden and Bob Kuetner's band appeared on the bandstand. WTKM radio from Hartford broadcast the Kuetner band and program from 8 to 10 p.m. direct from the park.

Twelve neighboring fire department teams participated in the water fights at 6:30 p.m. First place trophy was won by Campbellsport and second by Fillmore II. Other teams competing were Fillmore I, Cedarburg, Kohlsville, Allenton, Lomira, Newburg I, Random Lake, Newburg II, Boltonville and Silver Creek.

Winners of the many cash and merchandise prizes will be announced at a later date.

The committee in charge of the picnic wishes to thank everyone who helped make the affair an outstanding success.

### WOMEN'S WATER FIGHT WINNERS

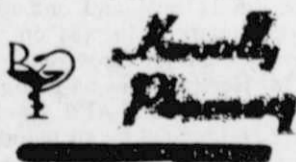

In the women's water fights held preceding the fireworks on the 3rd of July in the park, seven teams of neighboring firemen's honeys entered the competition. The Boltonville gals took first place with Batavia second. Other teams included Silver Creek, Kewaskum I, Fillmore, Beechwood and Kewaskum II. A huge crowd attended the fireworks later and had a good time in the park celebrating the 4th holiday.

Most insecticides are poisonous to humans as well as to insects, only in lesser degree. Avoid the inhalation of insect spray mists, and wear gloves to avoid contact of powder or liquid insecticides with the skin. Follow directions on the label carefully. After using insecticides, soap and rinse the hands and face thoroughly before eating or smoking, and store insecticides out of reach of children.

nar math class, was suggested to be placed as a regular class. Right now the students who show interest in the class are so few. The anticipation that having algebra in junior high will advance these students to the level that more students will take Calculus. The board approved getting some teachers working on the curriculum.

Next mentioned was kindergarten classes for the coming year. Even though three new subdivisions are going up in the Farmington area, the school could handle any new students who would move in. Approved was eight sections of kindergarten for the 1978-79 school year.

Further discussion on counseling was carried over from the last meeting. Arguments for and against the present counseling system were given.

A request was made to table discussion for a future meeting, which led to the approval of setting up a special meeting for Monday, July 17.

Member Tessa volunteered to attend the CESA meeting of August 14 to be held in Waukesha. CESA 13 is a new program which offers more in the field of special education. A person from CESA will come and work with Richard Zarling to see if adoption of this new program will be worthwhile.

The last issues for the evening were: a resignation from Judith Wagner, second grade teacher at Farmington school, and an approval for a part-time contract for Diane Marschner to take over for Mrs. Dehler, who had resigned earlier from the Farmington staffing.

### Notice to Krazy Daze Advertisers

Ads for the annual Krazy Daze event in Kewaskum, to be held Tuesday, July 25, will run in the July 21 issue of the Statesman. Because of the extra work involved, merchants are asked to cooperate by having their advertising copy in by Friday, July 14.

More details on the Krazy Daze promotion will follow.

### MODERN WOODMEN PICNIC SATURDAY

Modern Woodmen of America Camp 2233, Kewaskum, will hold their annual family picnic Saturday, July 15, at the Kewaskum village park, starting at 3:00 p.m.

The camp will furnish brats, buns and beverages. Please bring a dish to pass and your own flatware setting.

There will be games and contests for everyone's enjoyment. Reply cards are to be in by July 13.

## Ervin Schmitt Dies Suddenly

Ervin (Pat) Schmitt, 65, of 236 Forest Ave., Kewaskum, was pronounced dead on arrival at St. Joseph's Community Hospital, West Bend, of an apparent heart attack, early Wednesday, July 12.

He was born June 19, 1913, in the Town of Wayne to the late Joseph and Catherine German Schmitt. On August 17, 1940, he married Agatha Thill in St. Martin's Church in Ashford.

He was retired from the Gehl Company in West Bend, having worked there for 24 years. He was a member of Holy Trinity Church, Kewaskum, and their Holy Name Society.

Survivors include his wife; one son, Roger (Kathleen) of Kewaskum; three grandchildren; five brothers, Herbert, Paul and Joseph of St. Kilian, Peter and Alfred of West Bend; two sisters, Mrs. Wesley (Rose) Kuehl of Kewaskum and Mrs. Jerome (Anna) Hausmann of West Bend; nieces, nephews, other relatives and friends. One infant son and one brother, Roland, preceded him in death.

Visitation at Miller's Funeral Home, 215 Forest Avenue, Kewaskum, will be after 3 p.m. Thursday with rosary vigil at 8:00 p.m. Services Friday at 10 a.m. at the funeral home and at 10:30 a.m. at Holy Trinity Church in Kewaskum, with Rev. John T. Budde officiating. Burial will be in the new Holy Trinity Cemetery.

### DONALD SMITH

Donald L. Smith, 50, of 4742 W. Moraine, Route 2, Kewaskum, was pronounced dead on arrival at St. Joseph's Com-

munity Hospital, West Bend, on Friday, July 7.

Before moving to the Kewaskum area nine months ago, he lived in Milwaukee. He was owner of a trucking company for the past 2½ years.

He was born November 20, 1927, in Rockford, Illinois, to George and Elva Kieneth Smith. In 1954 he married Geraldine Frederickson in Waukegan, Illinois.

His wife survives along with two daughters, Susan (John) Strzyzewski of Taylors, South Carolina, and Sheryl at home; his mother, Mrs. Elva Smith of Rockford, Illinois; one brother, Gerald, of the State of Colorado; one sister, Mrs. Carolyn (Guy) Holcomb of Rockford, Illinois; nieces, nephews, other relatives and friends. His father preceded him in death.

Memorial services were conducted at St. Bridget's Catholic Church on Monday, July 10 at 10:30 a.m. with Fr. John T. Budde officiating. Interment was in Wisconsin Memorial Park in Milwaukee.

### MRS. MARGUERITE LAMERS

Funeral services for Mrs. Marguerite Catherine Lamers, 48, of 117 Mayville St., Theresa, were held at 10 a.m. Thursday at St. Theresa's Catholic Church, Theresa. She died at 5:30 a.m. Tuesday, July 11, at her home.

The Rev. Charles Loehr officiated and burial was in St. Theresa Memorial Gardens, Theresa. Friends called from 5 to 9 p.m. Wednesday at Kietzer Funeral Home, Lomira.

Born July 28, 1929, in Fond du Lac, she was a daughter of the late George and Helen Funk Coulter. She was married to Myron E. Lamers at St. Theresa's Church, Theresa.

Mrs. Lamers was graduated

from Kewaskum High School, Dodge County Teacher's College and Marian College. She taught in Kewaskum Parochial School and presently at Lomira Elementary School.

She was a member of Wisconsin Education Association Council and St. Anne's Sodality.

Survivors include her husband; eight children, Mark of Theresa, Michael with the Navy, Mary Faith of Astland, Minn., Stanley of Fond du Lac, Mrs. Stephanie Buerger and Mrs. Michelle Block, both of Brownsville and Theodore and Timothy both at home.

Also surviving are ten grandchildren; eight brothers and sisters, Mrs. Bette Quandt of Lomira, John and Glenn Coulter both of Kewaskum, Mrs. Enida Roth of Eden, Neil Coulter and Mrs. Sandra Ruecker both of Theresa, Mrs. Gwen Kollmann of Florence and Paulette Muller of Tucson, Ariz.; and her stepfather, Herbert Ulrich of Elmore. ## Don't Fall for Cookware Offer

One of these days you may open your mail to find and impressive looking \$200 check and the words "Congratulations! You have been selected by a computer to participate in a test and your heart may skip a beat.

But, look closer -- you will find that the check is good only toward the purchase of a set of stainless steel waterless cookware, "valued" at \$269.95.

It doesn't take much figuring to determine that the price is fictitious, if \$200 can be lopped off the top.

"Don't fall for this trick," says Mary K. Ryan, consumer protection division administrator with the Wisconsin Department of Agriculture, Trade and Consumer Protection, adding that "it's a gimmick as old as time designed to trap persons into thinking that they are getting a bargain."

According to Ms. Ryan, a Texas firm is sending this offer throughout the state, claiming that purchasers will tell others about the "bargain" they received -- thus saving the firm advertising costs. She says, "do

## Annexation of Clark Property To Village Accepted by Board

By TAMI EDGAR  
Statesman Staff Writer

An ordinance for annexation of Betty Clark's property to the Village of Kewaskum was accepted at the July 5 Village Board meeting.

During the last session the members accepted the petition for the annexing of the property while at this meeting the board accepted to adopt the ordinance to annex the property.

The ordinance states that this new property shall be subject to all rules, ordinances and regulations governing the Village of Kewaskum.

More discussion was held on the extension of sewer and water service on Werner Drive. The question raised again was, who should hire the engineer for the project, the village or the parties involved? The problem will be discussed by President Miller and Trustees Herriges and Schmidt, in order to get the project started as soon as possible.

Additional footage for the parking lot and bathhouse, and for the installment of a 5-foot gate around the pond was

approved by all members.

Augie Bilgo brought to attention that the pick-up of garbage is going too far. He pointed out that people put things in the garbage which cause excess weight, tree limbs beyond the limited length, and paint and oil not in leakproof containers, which seep through the garbage truck, messing up village streets. Bilgo says they're happy to do the work but the people should recognize this problem and do various things to control it. Further information will be given in the paper.

An application for a bartender license was approved for Dennis Lichtensteiger.

Public hearings were set up for July 17, for an application of a Class A liquor license for Lem

Rosenheimer and for Hon-E-Kor's petition for rezoning from district zoned P-1 to district zoned R-2.

After all issues on the agenda were cleared up, the board went into their executive session.

### July 31 Last Day to Pay Postponed Taxes

Owners of real estate in Washington County — July 31 is the last day to pay postponed taxes without interest. The second installment of real estate taxes remaining unpaid on the first day of August shall be declared delinquent and will be subject to interest at the rate of one per cent per month retroactive to January 1 until paid, or until the property upon which such taxes are levied is sold at

the next sale as provided by law. Checks are to be made payable to Leo P. Scholtz, County Treasurer, P. O. Box 519, West Bend, Wisconsin 53095.

Payment by check through mail including description of property or first payment receipt will eliminate waiting at

## Put your house on a diet.

Most people try to trim the fat from their electric bill by turning off a light or two.

It's a good practice, but you'd lighten the load even more by making your house more efficient. So it uses less electricity.

To show you what we mean, let's take it from the top.

Your attic could probably use more insulation. We recommend a resistance value of at least R30. Or about 10 to 12-inches of blanket insulation. This will make your house easier to heat and cool all year 'round.

While you're at it, you can cut down on your air-conditioner use by putting up awnings or by just shutting the drapes during the day to keep the heat out.

And to keep the heat in next winter, be sure to put up storm windows, storm doors and weather-

stripping.

Using your major appliances wisely can help too.

Most water heaters have a high setting of 160°. Even with a dishwasher, 140° will do just fine. And if you don't have a dishwasher, you can get by with a 120° setting.

Also, make sure you only run full loads through the washer, dryer and dishwasher. Every load you save will do as much good as turning off every light in the house.

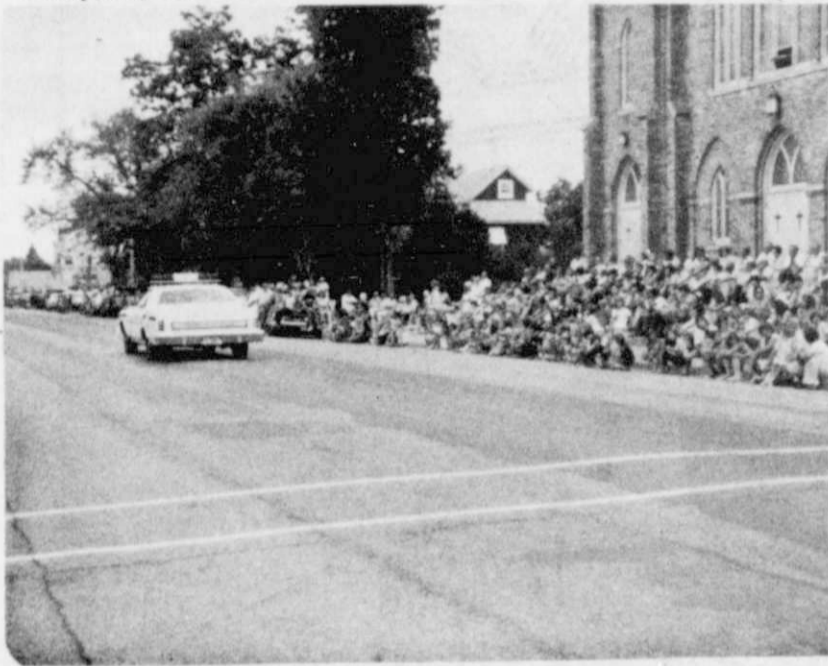

The fact is, there are a lot of ways you can reduce the use of electricity at your house. If you'd

like to know more about

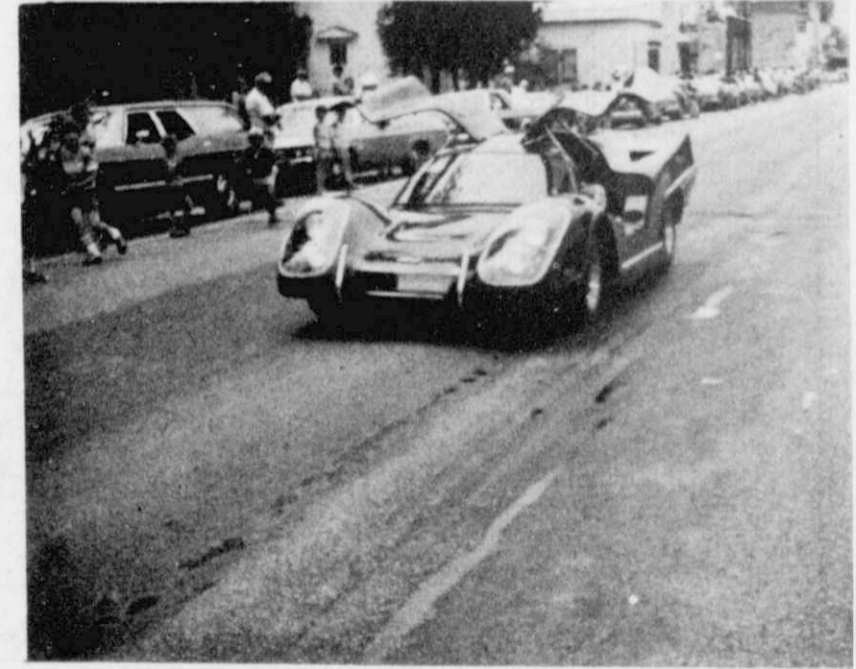

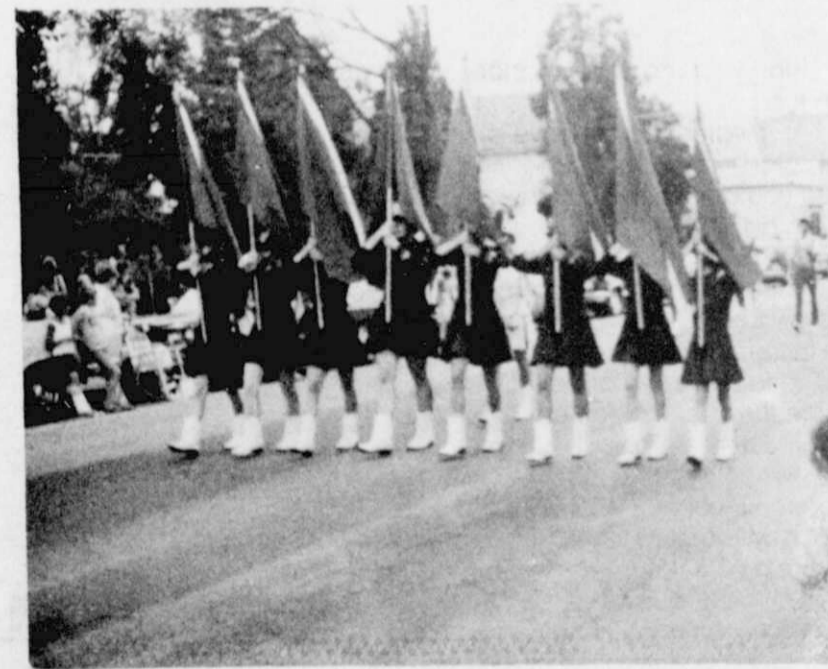

them, write "IDEAS",

## County Receives \$2,246,691.47, Village of Kewaskum \$4,149.30 in Highway Aids

The state department of transportation has mailed checks totaling \$26.4 million to every town, village, city and county in Wisconsin to help pay the cost of improving and maintaining local highways and bridges.

The payment includes \$25.4 million in local highway and bridge aids, plus \$1 million to reimburse cities for maintenance work performed on urban portions of state trunk highways within their jurisdiction.

The payment to Washington County is \$2,246,691.47. Payments to municipalities in

Washington county include: County of Washington \$88,332.28; Cities of Hartford, \$14,546.34; Milwaukee, \$1,955,093.70; West Bend, \$48,580.83; Villages of Germantown, \$46,466.70; Jackson, \$2,369.55; Kewaskum, \$4,149.30; Newburg, \$1,732.79; Slinger, \$3,502.10; and 13 towns, \$81,917.88.

The department said this is the last of four highway aids payments local governments will receive in calendar 1978, and the fourth distribution under the revised transportation aids formula adopted by the state legislature last year.

In addition, local governments also receive state and federal aids for qualified construction projects, state reimbursement to counties for maintenance work on state trunk highways, plus state and federal participation in constructing airports, and other transportation programs.

Transportation aids are distributed on the basis of the mileage and types of traffic different roads serve within the jurisdiction; the responsibility of the various units of government for their construction and maintenance, based, in part, on the type of traffic served, and the per-mile costs borne by local governments.

## MPTI Offering Canning and Freezing Course

Preserving food by sealing it in glass jars was first discovered in the early 1800's. By the end of the nineteenth century, home canning was as commonplace as today's refrigerator.

Freezing as a method of preservation is more recent and also has much to offer the homemaker. Frozen foods are more like fresh foods since freezing keeps the natural color, fresh flavor and nutritive qualities of most foods, and it's a simple and relatively quick process.

Home preserving by either method combines pleasure with hard-nosed economy, supplying you with a readily available food supply for your family and friends and allowing you to store away the season's best bargains from garden or store.

So whether you can or freeze or both, MPTI's course in Canning and Freezing will bring you the most reliable and up-to-date methods of food preservation.

Canning and Freezing begins July 17 and meets on Monday and Thursday evenings from 7-9:40. The two week class ends July 27. Tuition is \$4.70.

Register now for Canning and Freezing by appearing in person at MPTI to pay the fee and fill out the registration form. All registrations are accepted on a first-come, first-served basis.

## Fairest of the Fair Contestants Sought

The 1978 "Fairest of the Fair" contest will be held this year on Wednesday, July 29 at the Washington County Junior Fair. The contest is jointly sponsored by WTKM Radio Station and the Washington County Junior Fair.

Area businesses have contributed prizes which cumulatively total over \$500 and include items such as savings bonds, gift certificates, clothing, jewelry and a portrait.

Each county or district fair is eligible to participate in this contest, with the winner selected at each local fair being eligible to participate in the state contest at the convention of the Association of Fairs the following January.

The contest is open to all girls who have been a resident of Washington County for at least one year prior to entry. A contestant must be between the ages of 18 and 22 as of Jan. 1, 1979.

For further information about contest entry, please contact the U.W. Extension office or the Washington County Fair office in West Bend.

## FFA SAFETY TIPS

By: Pat Hanrahan

Farmers are now in the midst of their harvesting season. It is of the utmost importance to use stern safety measures at this time to prevent accidents.

People seldom realize the importance of safety until it is too late. Some lose lives, others have permanent injuries, or, in some lucky cases, they are just laid up for awhile.

Doing things the safe way is not always the quickest when thought out, but when the actual work begins, the safe way is ALWAYS the best way.

A few general rules follow. If you use these basic rules, generally you are headed in the safe direction.

1. Use COMMON SENSE.
2. Read operator's manual before operating any machine.
3. Keep all shields in place.
4. Always disengage the power source, and shut the engine off before making any adjustment, or lubricating any machine.
5. Always operate machinery at proper operating speeds.
6. Keep your hands and feet clear of machine at all times.
7. Never crawl or walk on a machine.
8. Take time to read ALL stickers and labels.
9. If you do not understand the operation of a machine, refer to the operator's manual.

Page 10  
Kewaskum Statesman  
Friday, July 14, 1978

10. If the operator's manual does not contain necessary information to operate a machine, check with authorized personnel ONLY.

11. Never allow extra riders on a tractor or any piece of equipment.

If these 11 basic steps are followed, farm accidents could be greatly reduced. These are not all of the rules by any means, but they will be a great help.

## Citizens for Decency To Storm City Hall

**Minutes of Village Board Meeting**

Mid-monthly Meeting  
June 19, 1978  
8:00 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building. President Charles F. Miller presided. Present were Trustees Daniel Schmidt, Mark Kral, David Nigh and Donald Mlodzik. Trustees Raynor Herges and Robert Danielsen had asked to be excused and were absent.

The minutes of the meeting of June 5 were approved as printed upon motion by Trustee Schmidt, seconded by Trustee D. Nigh. Unanimous vote.

Pursuant to a published bidding notice in the official notice in the official newspaper, the Kewaskum Statesman, on May 26 and June 2, two sealed proposals for the asphalt paving of certain village streets were received by the Board. The proposals were opened and publicly read by President Miller and were tabulated as follows:

Ram Construction, Byron, Wis., - total of bid - \$49,214.00.

Payne and Dolan, Inc., Waukesha, Wis., - total of bid - \$56,375.00.

Motion was made by Trustee Schmidt and seconded by Trustee Kral that the proposals be referred to the Street Committee and to the Supt. of Public Works to be checked for accuracy and for their recommendation. Unanimous vote.

**RESOLUTION NO. 78-3**

**RESOLUTION OF VILLAGE BOARD ACCEPTING PETITION FOR ANNEXATION**

WHEREAS, a petition for direct annexation of the following territory of the Town of Kewaskum, Washington County, Wisconsin, to the Village of Kewaskum, Wisconsin, was filed with the Village Clerk on June 19, 1978;

Part of the SE 1/4 of the SE 1/4, described in Vol. 522, Page 439 of Records, Sec. 9-12-19, .26 Acres.

WHEREAS, the Village Clerk has investigated said petition and certified to the Village Board that it was signed by all of the owners of land in the territory proposed for annexation as of the date of filing of the petition and that the territory to be annexed is properly described in the petition and shown on the scale map attached thereto, is contiguous to the Village of Kewaskum, and is unincorporated;

NOW, THEREFORE, the Village Board of the Village of Kewaskum, Wisconsin, determines that the petition for annexation of the above described territory is a sufficient and legal petition conforming with the requirements of s. 66.021 of the

Wisconsin Statutes;

RESOLVED, that the petition be and is hereby accepted; and

That the Village Clerk is hereby directed to notify the Clerk of the Town of Kewaskum of this resolution of acceptance in accordance with s. 66.021 (5) (a), Wisconsin Statutes.

Dated June 19, 1978.

Attest  
William S. Martin,  
Village Clerk

Signed:  
Charles F. Miller,  
Village President

Introduced by Trustee David Nigh.

Motion for adoption by Trustee Donald Mlodzik.

Motion for adoption seconded by Trustee Mark Kral.

Roll call vote - 5 "Aye"  
0 "Nay"

Action on the possible extension of sewer and water service on Werner Drive was tabled until the next meeting. Motion by Trustee Mlodzik, seconded by Trustee Kral. Unanimous vote.

The Commissioner reported that Trustee Danielsen had requested prior to this meeting that any action on the letters of assessment objections from Ray Keller and H. L. Rumsey be tabled until the next meeting. Trustee Schmidt commented that he felt that assessment objections should not be handled by the Village Board and

moved that these objections should be referred to the assessor and to the Board of Review for further action. The motion was seconded by Trustee D. Nigh. Unanimous vote.

Trustee D. Nigh reported that he had contacted several firms requesting that they make a survey of the village to determine what type of warning device would be the most suitable in the event of a disaster. He reported that there is no charge for such a survey.

Trustee Daniel Schmidt reported that excellent progress is being made on the development of the new park area.

President Miller and the Commissioner were authorized to execute a new easement between the village and the Wisconsin Electric Power Co. for an underground power cable to the bath house building in the new park area. Motion by Trustee Schmidt, seconded by Trustee Mlodzik. Unanimous vote.

At this point, President Miller called a short recess in order to give the Street Committee and the Supt. of Public Works an opportunity to review the bids for the asphalt paving of streets.

The Street Committee reported that the bid of Ram Construction, Inc., Byron, Wisconsin, for the asphalt paving of certain village streets seemed

the most advantages to the village and recommended that bid be accepted and approved. Motion was made by Trustee Mlodzik that, based upon the recommendation of the Street Committee, the bid of Ram Construction, Inc. be accepted and that the President and Commissioner be and hereby are authorized to execute the proper contract. The motion was seconded by Trustee D. Nigh. The total contract price was \$49,704.00. Roll call vote was unanimous.

Motion was made by Trustee Schmidt, seconded by Trustee D. Nigh that the next Village Board meeting shall be Wednesday July 5, 1978, at 8:00 P.M. in the evening. Unanimous vote.

Upon motion by Trustee D. Nigh, seconded by Trustee Schmidt and duly carried, the Board adjourned to 8:00 P.M. July 5, 1978.

## Campus Notes

Certificates of recognition were mailed to students who excelled scholastically during the spring semester at the University of Wisconsin-Stevens Point.

But the number of people on the campus honor roll is significantly less than what it has been in the past because the UW-SP faculty has raised the gradepoint qualifying students for academic recognition.

Acting Chancellor John B. Ellery said students with grade-points from 3.75 (B plus) to 4.0 (straight A) are designated as scholars of highest honor. High honor citations are going to students with grade-points from 3.5 to 3.74.

Following is a list of highest and high honor students from this area: Kewaskum -- Susan L. Bohn, 316 Third St., highest honors; Jack R. Garman, Route 2, highest honors. Campbell-sport -- Michael H. Krueger, Route 2, High honors; Judith R. Meyer, Box 803, high honors; Dawn M. Uelmen, Route 3, high honors.

Dr. Kurt H. Buerger, Lakeland College Dean, has released the names of 74 students which appear on the Dean's List for the second semester. All have been full-time students enrolled in at least four courses who have earned the minimum equivalent of two A's and two B's.

A local student who attained the distinction is: Marjorie Schoofs, daughter of Mr. and Mrs. Francis Schoofs of 1174 River View Drive, Kewaskum.

Liberal Arts students whose names appeared on the Dean's Honor List for the second

semester, 1977-78, at Marquette University, Milwaukee, included Michael Anthony Strigenz, junior, with a gradepoint average of 4.000.

He is the son of Dr. and Mrs. Anthony J. Strigenz, Route 1, Kewaskum.

## Rescue Squad Calls

Thursday, July 6 -- Donald Smith, 50, 4742 W. Moraine Dr., Kewaskum, removed to St. Joseph's Community Hospital, West Bend, where he was pronounced dead on arrival.

Friday, July 7 -- Mike D. Galecki, 15, 806 Bel Ric Dr., Kewaskum, removed to the hospital from 706 Pleasantwood Dr. with a laceration.

Monday, July 10 -- Mary S. Hanrahan, 79, Route 2, Kewaskum, removed to St. Agnes Hospital, Fond du Lac, when she was injured in a fall down a stairway.

Wednesday, July 12 -- Ervin Schmitt, 65, 236 Forest Ave., Kewaskum, removed to St. Joseph's Community Hospital, where he was pronounced dead on arrival.

## COUNTY HOLSTEIN TWILIGHT MEETING

The Breeders County Holstein Breeders are making plans for their Annual Twilight Meeting. This year's program will be held at the Fred Albrecht Farm of rural Hartford.

The organization plans on holding their Twilight Meeting in either the first or second week of August. A definite date will be announced when arrangements have been made.

## Attends DNR Youth Conservation Camp

## Rusch Announces Candidacy

Pat Rusch, age 46, of the Town of Harrison, has announced her candidacy for Sixth District Representative to the Assembly.

Mrs. Rusch decided to seek the office because of her concern about recent state actions affecting farmers, small businessmen and taxpayers.

Campaign headquarters will be located in Brillion.

Pat Rusch brings to her campaign a lifetime of farm and civic work. She and her husband, Freeland, farmed near Brownsville early in their marriage, until he contracted meningitis and had to work instead in a local bank. During his illness, Pat ran the farm alone. She had some help come from the city, but as she says, "DID YOU EVER SEE CITY PEOPLE ON A FARM? You spend your time showing them how to start the tractor."

She and her husband lived in Germantown and then Menomonee Falls from 1958 to 1967. They became active in community affairs. Pat assisted the Girl Scouts, was in Lionettes, and raised literally thousands of dollars to build a community hospital. Her husband worked with the Chamber of Commerce, assisted the building of a new library, and was pres-

ident of the Lions Club. Both were active in the local parish.

Mr. and Mrs. Rusch now have eight children, ranging in age from five to 26. The Rusch children reflect the same community spirit as their parents as they've been involved in 4-H, dancing, church, and many other activities.

The Rusch family came to their area in 1967, when Freeland accepted a job with Kimberly State Bank, where he works today. Still farmers at heart, the Rusch's also have a dairy farm near Sherwood. Mr.

Page 13

and Mrs. Rusch oversee the planning and activities of the farm, which is operated by their son, Scott.

Mrs. Rusch was in Kewaskum campaigning and meeting the people on July 6.

Indians Defeat
Kettle, Lose to
Warhawks, Owls

The Kewaskum Indians had to settle for one victory in three games the past week.

At Kettle Moraine Thursday night, Mark Tessar and John Bemis -- with 3 apiece -- collected 6 of the Indians' 7 safeties. John Schilter got the other one but they were enough to win, 10-5.

After being delayed by rain, the game was called in the 7th with one out due to darkness.

Bemis doubled with runners at 2nd and 3rd in the 2nd inning for the Indians' first 2 runs. They counted 2 more in the 4th and put the game on ice with a 6-run 6th. A walk and 2 mis-played bunts loaded the bases.

A walk pitched the 1st run, Bemis' single scored another and 3 more walks meant 2 more.

Kettle scored 4 in the 6th after getting 1 in the 2nd inning.

Table with 4 columns: Player Name, ab, r, h for Kewaskum and Kettle Moraine.

Winner - Tessar, Loser - Fink.

Kewaskum gave one away at Germantown Monday night, 3-2, as the conference leading Warhawks loaded the bases in the 7th on a single, error and another single. Loser Tessar got the next batter on an easy grounder but first baseman Al Jaeger went home with the throw for the forceout but the throw went into the dirt allowing the tying run to score.

Tessar's wild pitch then let the winning run cross the plate. Soph Schilter started at bat with 3-for-4. He led off the 7th with a double and later scored the lead run. Kewaskum's other run in the 2nd came on a walk, wild pitch and single by Scott Reif.

The Indians might have gotten a couple of more runs in the 7th except for a great catch by the Germantown centerfielder, who took a possible home run away from Ross Krautkramer.

Table with 4 columns: Player Name, ab, r, h for Germantown and Kewaskum.

Winner - Keller, Loser - Tessar.

Two late rallies gave Slinger a 12-7 win over the Indians here Tuesday night. The Owls sent 8 men to the plate in each of the 6th and 7th frames after trailing 7-6. They scored 2 runs in the 6th and 4 in the 7th.

Both teams had 8 hits but Kewaskum didn't score after the 3rd inning. Tessar brought two men home with his single in the 3-run second. Schilter's

single and Larry Westerman's sacrifice fly accounted for 2 of the 3 in the 3rd.

The Indians missed a great opportunity in the 6th when they had 2 runners on with no outs but failed to score. Mike Pettit and Tessar each got 2 of Kewaskum's hits.

The loss dropped the Indians to a 3-8 conference record with just 1 game remaining with Pewaukee.

Table with 4 columns: Player Name, ab, r, h for Slinger and Kewaskum.

It is quite disappointing to see the small turnout of Kewaskum parents and fans compared to the opponent's fine turnout.

WOMAN'S SOFTBALL
LEAGUE

In the first game in Monday's Women's League softball it was Kellers-Perkins against Thiemer's. Thiemer's won in 3 1/2 innings by a score of 28 to 0.

The next game was between Sunburst and Sir Donut. Sunburst pulled out that game by 10-3. Both teams played well on defense.

Moving on it was Enright's against Wigwam. Enright's out-slugged them 18 to 10.

In the final game it was Three R's over Kennelly, 10 to 4. Both played very good defense and offense.

Area Racing News

By Ken Knoll

Monday night at Slinger Super Speedway was the rain date of the Firecracker 50 rained out the night before.

Willie Goeden of St. Michaels had the best night of area drivers by turning 3rd fast time, 4th in his heat and after being involved in a first lap tangle with several cars, came on to place 5th in the 50 lap feature. Mike Melius of Random Lake was also involved in that first lap tangle but was also able to continue in the feature and placed 9th. He had earlier placed 5th in time and 3rd in the trophy dash. Tony Strupp of Slinger lead the feature for a brief time. He took the lead on lap 18 and then relinquished it on lap 22. He was forced out on lap 37 with front end problems and ended up 12th. Scott Weiss of Kewaskum was 4th in the 20 lap semi-feature.

In the Hobby Stock Division, point leader Rick Lisko of West Bend was the fast qualifier and then placed 4th in the feature. Bob Schaefer of Slinger who was 6th in points won his heat. He was forced to retire from the feature.

In the Late Model division, the point standings now show Goeden in 2nd with 515, Melius 4th with 471, Strupp in 7th with 318 and Weiss in 12th with 185.

The Firecracker 50 was held Tuesday night at Leo's Speedway in Oshkosh. Mike Melius was the only area driver on hand. He made the best of

rough track conditions and turned 3rd fast time. He then came on to turn in a superb driving job and won the 50 lap feature.

Wednesday night at Firemen's Park in Cedarburg, their version of the Firecracker 50 was run. Mike Melius had another good night. He posted 2nd fast time in qualifying and after falling back early in the race, charged very hard late in the race and finished 2nd. John Reiser of Allenton was 5th fastest qualifier. He was involved in a wreck late in the race that saw the entire nose piece of his car ripped off. He was able to continue after his crew checked the car and placed 8th.

Thursday night it was up to Wisconsin International Raceway in Kaukauna. Willie Goeden turned in 6th fast qualifying time and then won the 6 lap fast dash. He then moved through the pack to finish 5th in the 20 lap feature. Tony Strupp was 3rd fast for the night. He placed 2nd to Goeden in a very close finish in the fast dash. Tony topped the evening off by finishing 8th in the feature. Goeden is now running 3rd in points with 180 and Strupp is 11th with 132.

Saturday was the rain date for last week's Firecracker 50 at the Hales Corners Speedway. Johnnie Reiser turned 10th in time and then drove a steady race to finish 6th in the 50 lap feature.

Mike Melius set a new track record of 64.551 MPH in qualifying but that is where his evening ended. He was involved in at least three tangles in the feature which were not of his own doing and he ended up 15th in the feature as he sat out the last couple of laps.

Sunday night was also the rain date for the Twin Firecracker 50s at Escanaba, Mich. Willie Goeden and Scott Weiss returned for this show and both made it worth their while. Goeden was 9th in time and after that was not to be beat. In the first 50 he took the lead on lap 8 and held it until lap 14 when he was passed. He regained the lead on lap 29 and went on to win the race. Weiss, who had to make the feature by finishing 4th in a qualifying heat, moved up to finish 7th in the 50 lapper. In the second 50 lapper, Goeden jumped from his pole position to lead all 50 laps and win the second 50. Weiss improved himself a little and finished 6th in the second 50.

Sunday night it was down to Slinger Super Speedway and Tony Strupp kept up the good fortunes of area drivers. Tony showed the form of several years ago when he was track champion by taking the lead on lap 21 and going on to win the 30 lap feature. He had earlier posted 2nd fast time, 2nd in the fast dash, and won his heat. Mike Melius turned 4th fast time and then finished 11th in the feature. Willie Goeden was not to have a night like Saturday and managed only a 10th in the feature. Scott Weiss placed 6th in the 15 lap semi.

In the Hobby Division, both Rick Lisko of West Bend and Bob Schaefer of Slinger had engine problems and did not compete.

The Late Model points now show Goeden in 3rd with 545 points, Melius in 4th with 442 and Weiss in 14th with 195.
