Week's Wit

It was so cold last weekend even one local Mason dropped three degrees.

Pre-Spring Concert at High School

The Kewaskum High School Music Department presents "Just Because," the pre-spring concert to be held Wednesday, February 21, at 7:30 p.m. in the old gymnasium.

You will be entertained by KHS band and choral groups under the direction of Larry Ammel and David Bertelsen, respectively.

The Symphonic Band selections will include: "Alla Barocco," "Sonus Ventorum," and "The Fairest of the Fair." The Concert Band will play: "The Entertainer," "The Blue and the Gray," and selections from "Hair." The Girls' Chorus will harmonize for your listening pleasure, singing a medley of love songs such as "Oh My Love," "Come Lovers Follow Me," "Adoramus Te Christe," and "Everybody Ought to Be in Love." The Mixed Chorus will perform "Slender Young Birch," "Unto Thee We Give Our Thanks," Randall Thompson's "Alleluia," and the exciting spiritual "Ain't Got Time to Die."

We hope to see you in attendance for this program and we're certain that you will enjoy it!

Driver Brings Fire To Fire Station

The Kewaskum Fire Department was called three times during the past week.

Last Thursday morning firemen were summoned to the Dennis Jandre home at 707 Main Street to put out a chimney fire. There was no damage.

At 12:09 p.m. Sunday they extinguished a car fire right at the fire station entrance. Robert Holt of River Road, Campbellsport, was driving along Hwy. 45 when his car caught fire, probably due to an electrical shortage in the motor. He drove his car to the front of the fire department and the fire department was called to put out the blaze. The seats and hood were badly damaged and the windshield popped out.

About 11:35 a.m. Wednesday the firemen responded to a call at Regal Ware, Inc. where a load of garbage on a disposal service truck caught fire in a driveway. The driver dumped his load without the truck catching fire and the firemen put out the blaze.

ADULT CLASS STUDENTS WANTED

The MPTI class in rosemaking has room for a few interested students. The class meets on Tuesday evening from 7-9.

The small engine class will start tonight (Thursday), February 15, at 7 p.m.

For more information to enroll call the high school, 626-2166.

Retired Fireman Honored

The Kewaskum Fire Department's annual banquet for active members, honorary members, wives and friends was held in the large meeting room at the fire station Saturday night. Following the happy hour and dinner, dancing, card playing and shooting the breeze completed the evening.

After the dinner, William Martin, who retired from the department in 1978, was honored with the presentation of a plaque for his many years of service. Bill, who joined the department in 1937, retired after 41 years of service.

Martin, (left) is shown being presented the plaque by Fire Chief Augie Bilgo.

VOTE 4-3 FOR EASTERN WISCONSIN

School Board Discusses Conference Realignment

By TAMI EDGAR
Statesman Staff Writer

The board discussed the Conference Realignment at Monday night's School Board meeting.

The board discussed the possibility of going to some other conference than the Eastern Wisconsin. Some members felt that going south would be a better option for equal girls' sports. The Fine Arts Department doesn't suffer much, so the main concern is the position of girls' athletics.

If Kewaskum goes to the Eastern Wisconsin Conference they might have to push to get some girls' athletics through and that might take years. This would hurt Kewaskum's current girls' athletic program and those involved.

On February 19, the Scenic Moraine Conference will hold a meeting on the realignment

question and on March 1, the Task Force will hold a meeting on this issue but will not allow any new proposals to be submitted. The board voted on going either north or south. Secor, Tessar and Goeden voted to go south while Ogi, Oelhafen, Gessner and Theusch voted to go north. The decision will be made by the WIAA.

The board discussed the installation of a computer terminal at the high school which would cost approximately \$2300. Additional costs would be \$360 per year for maintenance, \$177 telephone installation fee, \$1056 per year for phone line, \$1650 to CESA for 4 hours of computer time per day and \$369 per year for access to Wisconsin Occupational Information System. This is considered the highest price for the project.

(Continued on Page 3)

Valley Bank Announces Promotions

Wayland Tessar, President of Valley Bank, Kewaskum, reported the election of the following officers at the annual Stockholders/Directors meeting held in January:

Robert A. Danielsen promoted to Assistant Vice President/Loans; Shirley V. Kempf promoted to Loan Officer/Credit Card Manager; Karl R. Fee promoted to Loan Officer. Re-elected were Wayland Tessar - President; Gerald H. Zimmel - Vice President/Cashier; John L.

Battaglia - Assistant Cashier/Trust Officer; Alice Bier - Assistant Cashier, and Lorraine Boden - Branch Manager.

Directors re-elected were Donald Jonas, Judge Milton L. Meister, Suzanne R. Nelthorpe, Charles J. Ogi D.V.M., James D. Reigle, Wayland D. Tessar, Ray R. Umbs, and Gerald H. Zimmel.

Mrs. Gladys Reis retired from the Board after serving as a Director for 22 years.

Kewaskum AFS Chapter Seeks Home for Student

Mrs. John Schmitt, president of the local American Field Service Chapter, has announced that families wishing to be host parents for a foreign student for the 1979-80 school year should make application before February 25.

The high school personnel as well as the local committee, report that the experience with the present students, Jorge Cazal of Paraguay and Edgardo Carranza of San Salvador has been entirely favorable. They have been accepted by teachers and classmates. They are impressive in their speaking engagements and social activities. Mrs. L.N. Peterson, Student Family Liaison, said, "it would be unfortunate if after the fine experience with exchange students during the past several years, Kewaskum would be unable to place another student for the lack of a host family."

The host family freely provides a home and understanding. Beyond the necessities of life, wealth is no consideration, nor is race, creed or social position. AFS and its Volunteer Community Chapter are there to help with the counseling, medical care and small expenses. As one host mother put it, "from the moment we met him, he was our son. We began learning what we had in common - and discovered there are good ways of doing things other than ours." A student said, "the best part was just learning to live in a new family - and that is what they will always be to me."

AFS students are challenging and fun to have in class, whether its language, history or government. They add different outlooks and introduce our students to various international problems and ideas. Many schools broaden the impact of the AFS student through forming an international club in the high school and by having elementary and junior high classes invite the students into their classrooms.

AFS is a grass-roots organization, operated principally by volunteers, who are coordinated by a staff of 280 in the United States and overseas. International Headquarters are located

Post Office Has New Officer-in-Charge

Charles Corrao, who has been officer-in-charge at the Kewaskum Post Office since the retirement of former postmaster Harry E. Koch on June 30, 1978, has been promoted to postmaster at Milton, Wisconsin. He assumed his new position on Friday, February 10.

Carol Luedtke, postmaster of Eden, Wisconsin, will serve as the officer-in-charge at Kewaskum until a postmaster can be selected. Corrao estimates this announcement to be made in about six more weeks.

in New York City.

AFS currently conducts programs and activities in 60 nations and in all 50 states.

AFS is endorsed by the Bureau of Educational and Cultural Affairs of the Department of the State and has consultative status with the Economic and Social Council of the United Nations.

Open your home and heart to an AFS student. Ask an AFS family or student to speak to your civic or religious organization. The families of the AFS student's for this year are the Norbert Dettmanns of Boltonville and the Richard Schilters of Route 1, Allenton, both of the Kewaskum school area. You may contact them if you wish to know more about AFS students.

The home chairwoman is Mrs. Ray Schaffer and her committee is Paul Behring and Mrs. Ed Christie. We have the applications, we just need your home for the year of 1979-80. The expense is not great and it is tax deductible.

Blood Bank Here Feb. 20

The Milwaukee Blood Mobile Unit will be at the Kewaskum High School (old gym) on Tuesday, February 20 from 1:30 to 6:30 p.m. All past donors will be sent post card reminders and new donors are encouraged to walk in anytime at their convenience. In past years, the walk in system has worked with little or no waiting time for donors.

The Blood Center is frequently asked how many people must donate to provide blood for a particular patient. The answer is always the same - patients in any of the hospitals served by the Milwaukee Blood Center (including West Bend) are eligible to receive as much blood as needed. There is no fee for the gift of blood itself. Only a processing fee is charged to cover the costs of drawing the blood, testing it to ensure the patient's safety, and distributing blood and blood components to the hospitals. The processing fee is usually covered by health insurance.

If you are in good physical condition and between the ages of 18 and 66 years, you can donate every 10 weeks, but not more than five times in 12 consecutive months. If you are 17 you are also eligible to donate but you must have the consent of a parent or guardian. Consent forms will be available at the gym that day.

If anyone has a question regarding the drive, call Sandy Rimmel at 626-2210 or Gloria Rodenkirch at 626-4021.

Catholic School Week Observed At Holy Trinity

"Catholic Schools Week" was observed at Holy Trinity School, Kewaskum, February 4th thru 10th. The theme used for this year's observance was "Next to the Family, the Catholic Schools."

The Christian training of children is the responsibility of parents and teachers. Through the cooperation of both, the Catholic schools foster the idea of preparing the children to be good members of the People of God.

Some of the fifth grade pupils were asked, "What Catholic School Week meant to them?" One of the ideas expressed was that the whole school is one big community, like the church, and Catholic School Week was the time to focus on this. Another idea shared was that this was the time to give notice to people who are involved in our school, faculty, parents and students and all people who make it possible to have a Catholic school.

Many activities and projects were held and displayed during the week.

Collages were made by pupils in grades 2, 3, 4 and 5 to show various illustrations, and thoughts of the meanings of Christian ideals being taught in our school. Grade 7 pupils constructed posters on the same theme.

"A Church and Family" display was created for all to view by Grade 8. Grade 1 wrote thank you letters to all the people who give of their time to make Holy Trinity School a great place to be. Interesting reports were written and presented by the 6th grade pupils on the theme "Correlation of Family and Catholic Schools."

The celebration of Catholic School Week at Holy Trinity

helped make everyone aware of the importance of our school and all the people who make a good Christian education possible.

Secretaries Plan Annual Seminar

The Kettle Moraine Chapter of the National Secretaries Association (International) is sponsoring its seventh annual seminar for office personnel on Saturday, March 10, at the Holiday Inn, Highway 33, West Bend.

The program is entitled "Why YOU Should Have a Sense of Humor in Your Job" and will be presented by Mr. Migi Figi, Waukesha.

The Serious Humorist...as he is often described...Mig Figi contends that "It's not the wrinkles in our skin that make us old...it's the wrinkles in our mind." He demonstrates how a healthy sense of humor can iron out a million wrinkles.

Before becoming a full time professional speaker, he served as President of Greater Milwaukee radio station WAUK; Past President of the Radio and Television Association of Wisconsin; Advisory Board Member of the Mutual Radio Network; and Director of the National Association of Radio and Television Broadcasters. He is also past chairman of the Associated Press of Wisconsin.

The program is scheduled to start at 8:15 a.m. with registration, coffee and rolls, and conclude at approximately 1:30 p.m. The registration fee, which includes coffee break and luncheon, is \$14.00 per person. Registration deadline is March 1, 1979.

All office personnel, men and women, are invited to attend by contacting Berdena Albin at 673-2600 between 8 a.m. and 4 p.m., or writing to 620 Cedar Street, Hartford, WI 53027.

School Board

(Continued from Page 1)

A question about the 4 hour limit use of the computer and the telephone line was brought up. The board felt that doubling the phone line would reduce the cost because the current price was too expensive. The 4 hour limit seemed too long but further information will be obtained.

This computer would enable students to gather information on any subject. It would also allow the student to become exposed to a field of computer programming and to express their interest in computers.

The board approved the addition of a new "Custodial-Trainee" position through the CETA program. This would allow the payment of \$3.43 starting salary for CETA personnel instead of \$3.94 starting salary for a regular custodian: 1st six months - \$3.43; 2nd six months - \$3.58; year two - \$3.77. It was recommended that the board maintain this salary scale for the 1979-80 school year.

The WEA Insurance was contacted after the insurance question was raised at a previous meeting. The WEA will pay the Family Plan for July and August for \$101. Also discussed was the possibility of eliminating a kindergarten and gradeschool teaching position for next year because of an anticipated drop in enrollment. There will be further recommendations at the next meeting. A twenty school day non-pay leave was granted to Mrs. Pinney, a gradeschool teacher.

The board then adjourned to closed session.

BIRTH

KELLER — A daughter to Leroy and Charlene Keller, Kewaskum, Friday, February 9.

Dinner to Honor Local Eagle Scout

Invitations have been sent to all young men from the Kewaskum area who qualified for the Eagle Scout award in the past year for the 1979 Eagle Scout banquet.

The dinner will be held at 4:00 p.m. on Sunday, February 18, at the Country Aire, 2311 W. Spencer Street, Appleton, and will feature Ray Wheeler, newscaster from WLUK-TV, Green Bay, as guest speaker.

Bob Schulze, director of Sports and Promotions at WLUK-TV will serve as Master of Ceremonies for the event which is sponsored by Channel 11.

The Eagle Scout award is the sixth progress award that a Scout earns. The requirements include activity in his Troop and Patrol, Scout spirit, 24 Merit Badges of which 11 are required, serving as a leader of his Troop, and to plan, develop, and give leadership to others in an approved service project.

An Eagle Scout from our area to be honored at the dinner is: John Rimmel, 8650 Prospect Drive, Kewaskum, Troop 744.

Afraid of strangers? That particular phobia is called, "Xenophobia."

Moraine Park Technical Institute District Observes Vocational Education Week

February 11-17 has been designated as National Vocational Education Week. It is being observed throughout the state and nation by educational institutions, teachers and students.

Dr. Robert P. Sorensen, Director of Moraine Park Vocational, Technical and Adult Education District, stated that the purpose of the observance is to bring attention to the merits and accomplishments of vocational education.

He encourages citizens of the district to visit one of the three MPTI campuses at Fond du Lac, Beaver Dam and West Bend during this week to find out more about the benefits of vocational education.

"Both young people and adults today face a tremendous task of selecting career development programs," said Dr. Sorensen. "Careful investigation and observation are necessary for the potential student to

choose the career training program which will provide the most satisfying and rewarding careers."

Dr. Sorensen emphasized that "being responsive to the people goes to the heart of the value and purpose of education. It's our obligation and commitment to excellence at Moraine Park."

He also pointed to the fact that Moraine Park can boast a 96% placement record for its graduates, according to Moraine Park's recent follow-up study of 1977-78 graduates.

"Job preparation....it's what we do best," said Sorensen. "Today, when the need for changing occupations and updating skills is a high priority, Moraine Park is providing a 'supermarket' concept of education. This means that individuals can come to us and pick and choose courses to adapt to community needs, at a time convenient to them."

County Health Nursing Service Awarded Grant for the Elderly

Washington County Community Health Nursing Service was recently awarded a grant by the Southeastern Wisconsin Area Agency on Aging, District 2B, funding a program of home-maker/home health aide services for the elderly population of Washington County.

The program began operation January 1, 1979, and will continue until December 31, 1979, or until grant funds are depleted. Services to be provided to the elderly sick, disabled, or physically limited person are assistance with personal care, ambulation or exercise. In addition, those eligible persons unable to perform other activities in their home may be eligible for assistance with light housekeeping and meal preparation.

All services provided in the home will be given by a qualified homemaker/home health aide under the direction of a registered nurse from the staff of the Community Health Nursing Service.

The goal of providing these services in the home is to insure that the elderly sick, disabled, or physically limited individual is assisted to maintain, strengthen and safeguard their personal functioning and their ability to remain in their own home.

For additional information regarding specific service needs and application for service please call Delores Harder, R.N., Washington County Community Health Nursing Service, telephone 334-3491 or 644-5204, extension 261.

Class of '54 Seeks Names for Reunion

Kewaskum High School's Class of 1954 will gather for its 25th year reunion on Saturday, July 7, 1979.

The reunion committee is seeking the addresses of the following class members whose whereabouts are unknown. If Statesman readers have information about these individuals, please contact Thelma Rosenheimer Parris, 218 Debbie

Drive, Waukesha, WI 53186.

Kohlsville 4-H Club Receives Community Improvement Grant

The Kohlsville Pioneers 4-H Club of Washington County received a \$25.00 Community Improvement Grant. The grant, provided by Pioneer Hi-Bred International, is based upon plans which have been submitted in the 4-H Community Improvement program.

The Kohlsville Pioneers is cooperating with the Kohlsville firemen and have planned to beautify the area around the Kohlsville firehall. Shrubs for landscaping will be planted around the hall. The club also is making plans to develop a park and conservation area behind the firehall. Part of it would be used for a picnic area and other areas would be planted for wildlife conservation.

The club has been working closely with the Kohlsville firemen and have received planning assistance from Dan Wilson, University of Wisconsin Resource Agent in Washington County.

Mrs. Marie Clark, West Bend, is the organizing leader of the club. Billie Jo Clark, youth leader in the club, is heading up the community improvement project.

Fire Dept. Raises \$42.27 in MD Canisters

The Kewaskum Fire Department's campaign for Muscular Dystrophy raised \$42.27, it was announced Monday by Bruce Petri, local chairman.

This was the department's eleventh year that they have helped. Mr. Petri thanked all those who helped, the volunteers who distributed the canisters, the merchants who displayed them, and the many contributors.

The money collected will be used for wheelchairs, braces, other orthopedic aids, physical therapy, and summer camp for persons suffering from 36 different types of neuromuscular diseases in Washington County and for worldwide research.

SAVINGS OFFICE CLOSED MONDAY

The West Bend Savings Office, Kewaskum Branch, 114 Main Street, will be closed Monday, February 19, in observance of President's Day, a legal holiday.

OF LOCAL INTEREST

Mr. and Mrs. Jack Jager, returned home from a two-week trip touring the southwestern states.

Cedar Lake Home Accepts Music Therapy Intern

Cedar Lake Home has accepted Jan Ewert, Burnsville, Minnesota, as a Music Therapy intern.

Miss Ewert will be certified as a Registered Music Therapist (RMT) by the National Association of Music Therapists (NAMT) upon satisfactorily completing her six month intensive internship at Cedar Lake Home, West Bend.

The Cedar Lake Home Campus was one of the first in the nation to be certified by the NAMT for a music therapy internship program in a total care geriatric setting.

Under the guidance of Mrs. Marian Palmer, RMT, Coordinator of Therapy, Music Therapy interns on campus develop techniques through observation and involvement in the special music therapy program on the Cedar Lake Campus.

Cedar Lake Home accepts four students a year, selecting them from student applications from schools across the nation.

Miss Ewert will earn her Music Therapy degree from the University of Wisconsin-Eau Claire in May and will complete her internship in June.

Upon completion of her internship, she plans to continue to work in a geriatric setting as a music therapist.

The Cedar Lake Home Campus is also an accredited training center for students in Occupational, Recreational Therapy and Medical Records.

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will be holding their monthly recycling day on Saturday, February 17, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

Send in your pictures to the Statesman. No charge.

Lions Club Paper Drive

SATURDAY, FEB. 17

All paper or cardboard must be on the curb by 9:00 a.m. tied in bundles, packed in boxes or bags. No waxed paper or boxes, please. This drive is conducted every third Saturday of the month.

Money used for local projects.

Interviews for Catholic Teaching Positions to Be Held

Sister Lucille Flores, Director of Professional Placement Services for the Milwaukee Archdiocese will conduct interviews for teaching positions in all areas at both the elementary and secondary levels. The interview will be held at Marian College, Fond du Lac, on Monday, February 19.

Applicants must have an academic degree and Wisconsin certification. A personal interview with Sister Lucille, and filing of credentials with the Archdiocesan Personnel Office are pre-requisites for employment in the Catholic school system. Candidates who are interested in applying for the 1979 school term can arrange for an appointment by contacting Sister Marie Wagner, Marian College at 921-3900 Ext. 244. There is a \$5 processing fee payable at the time of interview.

Majerus-Hahn

Mr. and Mrs. William Majerus, Route 1, Campbellsport, announce the engagement of their daughter, Eileen Mary to David Hahn, son of Mr. and Mrs. Oscar Hahn, Route 2, Campbellsport. The bride-elect is a 1973 graduate of Campbellsport High school and a 1974 graduate of Moraine Park Technical practical nursing program. She is employed as a LPN at St. Agnes Hospital. Hahn is a 1974 graduate of Campbellsport High School and is employed as a technician for East Central Breeders Association, Waupun.

Backhaus-Bub

Barbara Hedwig Backhaus and James John Bub have announced their engagement. Parents of the couple are Carl and Charlene Backhaus, Fond du Lac, and Henry and Anna Marie Kloke, Route 3, Campbellsport. The bride-elect is a graduate of Horace Mann High School, North Fond du Lac, and is employed at First Wisconsin National Bank. Bub is a graduate of Campbellsport High School and the University of Wisconsin-Oshkosh. He is employed at Campbellsport Concrete Products. A Dec. 1 wedding is planned.

MARRIAGE LICENSE

James Allen Tessar, West Bend, and Traci Lynn Mangold, West Bend; wedding February 10.

February 8, 1979

During National Vocational Education Week, February 11-17, Moraine Park Technical Institute would like to commend those many individuals in Kewaskum who have served on advisory committees and as instructors for the Moraine Park District. Being responsive to the people goes to the heart of the value and purpose of education. It is Moraine Park's obligation and commitment to excellence. The spirit of vocational/technical education will always be embodied in a feeling for the value of each individual, an opportunity for all to participate in the curriculum, and a faculty dedicated to teaching.

Vocational/technical education appreciates the support of the Community — from a standpoint of personal involvement and professional expertise. If you, as an individual, have not had the opportunity to acquaint yourself with the services and opportunities at Moraine Park, please do so during Vocational Education Week. Our Adult Education Supervisor in Kewaskum, Mr. Roy Esser, will be happy to familiarize you with the many facets of vocational, technical, and adult education.

Sincerely,
Dr. Robert P. Sorensen
MPTI District Director

CORRECTION

In the Petermann obituary heading in last week's issue, the name should have read Oliver instead of Orville.

Lewis on justice panel

MADISON — State Rep. James R. Lewis (R-West Bend) has been appointed to the Assembly Committee on Criminal Justice and Public Safety.

Lewis said in a news release correctional institutions are the most important issue that the committee will be considering this session. Committee responsibility involves "dealing with overcrowding, assaults on officers and disorderly conduct by roving gangs of inmates in the state prisons," Lewis said.

In addition, said Lewis, the committee will be "reviewing in depth all rules promulgated by correctional institutions as they relate to residents and correction staff safety."

BAPTISM OF GUMM INFANT

Jeremiah Jacob Gumm, infant son of Alan and Carolyn Gumm of South St. Paul, MN, was baptized Sunday, January 28, at David's Star Lutheran Church at Jackson, WI. Alan Gumm, vicar at Grace Lutheran Church of South St. Paul, for the 1978-79 year, assisted Pastor C.H. Weigel in the baptism.

A dinner for immediate family members, followed by an open house for family and friends was held at Heidel's in Jackson.

Maternal grandparents are Mr. and Mrs. Willard Degnitz, 9364 Boltonville Road, Kewaskum, and paternal grandpar-

ents are Mr. and Mrs. George Gumm, 1354 Sylvan Way, West Bend.

Jeremiah Jacob Gumm was born December 24, 1978, in St. Paul, MN.

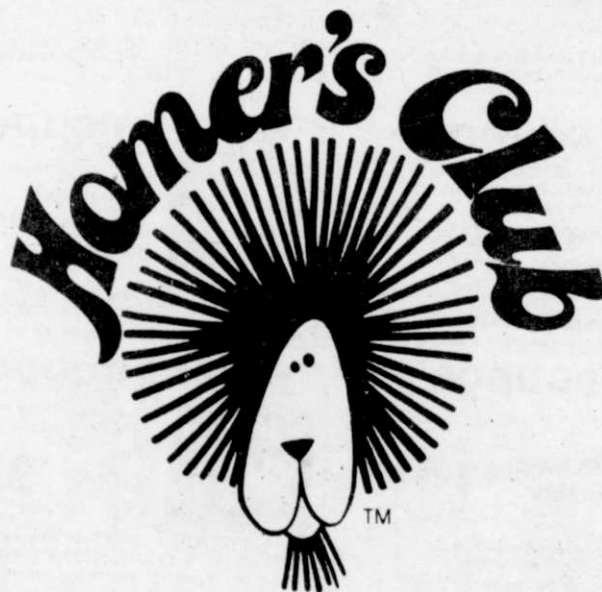

VISITS COSTA RICA

Dr. F. E. Nolting returned Friday from San Jose, Costa Rica, where he spent two weeks on a friend's coffee and banana plantation. On his return he stopped in Florida to attend the opening of his new restaurant at Weekie Wachee Woodlands, and the annual meetings of his various corporations at Tarpon Springs.

Mrs. Veronica S. Schmidt, Clemens Heimermann Die

Veronica S. Schmidt, nee Roden, of 211 Sycamore Street, West Bend, died Tuesday, February 6, at St. Joseph's Community Hospital, at the age of 73.

She was born April 2, 1905, in the Town of Scott, Sheboygan County and in 1919 moved to the St. Michaels area where she lived until her marriage to Raymond J. Schmidt at St. Michael's Church on June 29, 1935.

After their marriage they came to West Bend where she lived up to the time of her death.

She worked at the Enger Kress Company for 12 years and at Amity Leather Products Company for about one year.

Survivors include her husband; two children, Richard A. (Darlene) of West Bend and Kathleen (Robert) Cornelius of Lomira; four grandchildren; one sister, Margaret Konrath of Kewaskum; two brothers, Andrew (Gertrude) of Kewaskum and Joseph (Rose) of West Bend; and other relatives and friends.

She was a member of the Apostolate of Suffering and the Christian Mother's Confraternity.

Funeral services were held Friday at 8 p.m. at the Schmidt Funeral Home, West Bend, to St. Frances Cabrini Church at 8:30 p.m. for Mass of Christian Burial. Fr. Leo Lambert officiated and burial was in Holy Angels Cemetery.

Visitation at the funeral home was after 3 p.m. on Friday.

CLEMENS HEIMERMANN

Clemens Heimermann, 66, of Route 3, Campbellsport, died Monday afternoon, February 12, at University Hospitals, Madison.

He was born December 26, 1912, at Marytown, a son of the late Sylvester and Anne Moyer Heimermann. He married Lena Doern at Jericho on November 26, 1932.

Mr. Heimermann was a former milk and stock hauler, operated a tavern at Waucousta

and was employed by Fond du Lac County Highway Department for the past 15 years until retiring.

Surviving are his wife; two sons, Marvin of Route 5, Fond du Lac, and LeRoy "Butch" of Lomira; two daughters, Mrs. Walter (Donna) Voight of Route 2, Campbellsport, and Mrs. John (Joanne) Clark of Route 3, Campbellsport; 11 grandchildren, and a great-grandson.

Also surviving are three brothers, Fred of Hilbert, August of Chilton and Ed of Eden; and a sister, Mrs. Arnold (Katherine) Schmid of Camas, Washington. A grandson, two brothers and three sisters preceded him in death.

Funeral services were held at 10:30 a.m. Thursday at Twohig Funeral Home, Campbellsport, and at 11 a.m. at St. Mary's Catholic Church, Eden, where he was a member. The Rev. Walter Gehl officiated and burial was in the parish cemetery.

Friends of Mr. Heimermann called after 3 p.m. Wednesday at the funeral home.

25 Years Ago

February 19, 1954

The county school committee reported that a building program costing an estimated \$450,000 would give Kewaskum High School the facilities it definitely needs whether the school district is expanded or not. With school enrollment expected to increase from the present 250 to over 500 by 1962, there will have to be provisions made for 10 additional classrooms to accommodate these young people. The electors will decide the issue of the proposed high school addition at a later date.

The citizens of Bo'tonville are busy planning a gala centennial celebration in honor of the founding of the village 100 years ago. Plans for the special event to be held on May 29 and 30 include a historical display of early farm and household implements, a bearded men's contest, picnic at the firemen's park, dances, fireworks and a parade.

In its final conference game of the season here Friday, night

February 12, Kewaskum defeated Lomira, 62-47, to clinch second place in the Tri-County loop.

Twin daughters were born to Mr. and Mrs. Roger Schleif, Route 3, Campbellsport, February 16. Daughters were also born to Mr. and Mrs. Jake Lawrenz, Kewaskum, February 10, and to Mr. and Mrs. Emil Yaedeke, Kewaskum, February 12. A son was born to Mr. and Mrs. Kenneth Collins, Kewaskum, February 16.

Freshmen on the Kewaskum High School honor roll for the first semester include: Audrey Amerling, Norman Foerster, Kenneth Meilahn, Paul Schaub and Sue Weddig.

50 Years Ago

February 16, 1929

Fire, which started from an overheated chimney, completely destroyed the Dewy Weinreich store building, soft drink parlor, dwelling and bowling alleys at Fillmore on February 13. The fire made such rapid headway that only a small amount of furniture could be saved, while the entire stock of merchandise was lost. The Weinreich store and soft drink parlor, is one of the oldest business places in the Town of Farmington.

Fred Buss, Walter Buss, Don Harbeck, Tony Fellenz, Albert Hron and sons Elroy and Lloyd and Ernst Claus, local members of the West Bend Moose Band, were at Milwaukee Wednesday evening, February 13, where they broadcast over radio station WTMJ, Milwaukee Journal. Albert Hron is director of the band.

Commencing February 16, roller skating will again be resumed at the Kewaskum Opera House, and will be held every Saturday and Tuesday evening thereafter.

A baby girl was born to Mr. and Mrs. Kilian Flasch, St. Kilian.

Cedar Lake Home. Has German Club

Walk into a discussion group on the Cedar Lake Home Campus, West Bend, and you may not understand a word. That's because all are speaking German!

Many of the home's residents come from a German background and learned to speak German at home with their parents. "Though they may not have spoken German for many years, they still remember it and can converse fluently," says Marian Palmer, RMT, Coordinator of Therapy on the Cedar Lake Home Campus.

Mrs. Elizabeth Gimmler and Mrs. Frieda Helfner, Milwaukee, asked the home if any residents would enjoy an informal German speaking discussion group. The group, small at first, has now mushroomed into three groups: one in Friendship House and two in Fellowship House.

These groups meet once a month and discuss anything from memories of the past to current events...all in German.

"This is an excellent example of how the sharing of volunteers' time and talents are really appreciated by our residents," Peg Winn, Coordinator of Volunteers said. "These two ladies came up with the idea themselves. We wish more community members would share their time and talents with our residents. There are so many different ways they might bring sunshine and creativity into the lives of others."

75 Years Ago

February 20, 1904

A drawing of the new Holy Trinity Church to be erected at Kewaskum was published in this edition. It was decided the building will be Gothic in design, with the foundation to be built up of variegated split field stones and the upper portion to be constructed of red pressed brick. The ground dimensions for the church will be 48 x 105 feet, and the transept will be 38 feet wide. The auditorium will have a seating capacity of 380 and the balcony, which will be equipped with two separate outside exits will seat 60 persons. Work on the new building will commence on May 1, and it is hoped to be finished during the summer.

John Weddig and Miss Lena Kreutzinger, both of Beechwood, were married on February 6.

Mary, 8-year-old daughter of Mr. and Mrs. William Koepke, Kewaskum, died on February 12.

Mrs. Ida Miritz (nee Hoenig) wife of Alfred Miritz, Kewaskum, passed away in death on February 14 at the age of 23.

Baby boys were born to Mr. and Mrs. Henry Klug and Mr. and Mrs. John Schlosser, both of New Fane.

Good luck rarely comes unexpected; usually, it's over-expected.

Health and Safety Tip

**Fitness Important
In Middle Years**

Many men and women over 40 fight their own physical fitness. They assume that because of their age they are no longer capable of much physical effort. One of the greatest dangers to men past 40 is falling into sedentary ways.

The American Medical Association points out that the individual past 40 can do something about his or her exercise program, or lack of it.

If not reasonably adept at a specific sport — bowling, golf, tennis, or swimming — take lessons and learn to do at least one individual sport fairly well. Exercise is more fun if it comes incidental to playing a game that is fun.

Take an inventory of physical activity in the course of regular daily activities. This includes activity on the job and at home.

Rescue Squad Calls

Tuesday, February 6 — Cheryl A. Rohmann, 22, 2092 S. 102nd, Milwaukee, removed to St. Joseph's Community Hospital, West Bend, from Sunburst Ski Area with a skiing injury.

Thursday, February 8 — The rescue squad was called to 6604 S. Kilian Dr., rural Campbellsport, when Ann H. Schaeffer, 22, became ill. There was no transport.

Saturday, February 10 — Ann Weitzman, 17, 25 Cedar Drive, Fairview, Ill., removed to St. Joseph's Community Hospital from Sunburst Ski Area with an injury suffered in a fall.

Sunday, February 11 — Thomas E. Young, 20, 537 Main Street, Campbellsport, removed to St. Joseph's Community Hospital from Kewaskum.

Monday, February 12 — Larry J. Reimas, 19, Route 3, Sheboygan Falls, removed to St. Joseph's Community Hospital from Hwy. DA and Maple-tree, Town of Scott, with an injury suffered in a snowmobile accident.

"An ounce of work is worth many pounds of words."

**MR. C'S
Supper Club**
Campbellsport - 533-8816

SMELT FRY
All You Can Eat
Every Wednesday
5 - 10

It might include housework, maintenance chores, gardening, or sports. Often these do not provide enough activity.

For the sedentary person who resolves to become more active, a good starting point is walking. This means a brisk posture walk, holding the belt line level and raising the breastbone. Then, in addition to regular physical activities, start devoting part of each weekend to something that you enjoy — golf, tennis, dancing.

Fifteen minutes of exercise every other day is hardly enough to produce noticeable results quickly, but it is a start. Over a period of time, benefits will be evident.

With regular exercise, the sagging, dragging middleager will begin to exhibit a total change in his or her attitude. Meals will be more enjoyable, physical appearance is more vital, life is more interesting.

For the man, or woman past 40 who decides to begin an exercise program, a visit to the physician for a physical examination is advisable, to make certain there are no conditions that would limit exertion.

Campus Notes

Jack Kern, a junior majoring in physical education of Route 1, Allenton, has been named to the Dean's List of the University of Wisconsin-La Crosse for the first semester of the 1978-79 academic year.

Qualification for the Dean's List is based on outstanding academic achievement.

Joseph Nigh, senior, son of Mr. and Mrs. Nathan Nigh, 7939 Highway B; Marjorie Schoofs, a junior, daughter of Mr. and Mrs. Francis Schoofs, 1174 River View Drive, and Mark Smucker, junior, son of Mr. and Mrs. Richard Smucker, 712 Pleasantwood Drive, all of Kewaskum, are among the 77 students named to the Dean's List at Lakeland College, Sheboygan. To qualify for the scholastic distinction, the student has taken four courses during the previous semester and earned the equivalent of two A's and two B's.

**February 'Law of the Month' to Emphasize
New Identification Card Program**

A new state law which permits issuance of an identification card to non-driving adults has been selected by the Department of Transportation as the "Law of the Month" for February.

Norbert K. Anderson, Administrator of the Division of Motor Vehicles, said the new ID card law was selected for February to coincide with an "out-reach" program being conducted by Driver License Examiners across the state.

Examiners are working with local groups and institutions serving the elderly and other "target" groups, to meet with residents of nursing homes, senior citizen organizations, or other groups of people expected to have an interest in the cards. Examiners will explain the program and accept applications.

Under the new program, authorized by Ch. 360, Laws of 1977, identification cards may be issued to Wisconsin residents 18 years of age or older, who do not possess a valid

**Machine Calculation
Classes at MPTI**

Students can still enroll in Machine Calculation at Moraine Park Technical Institute - West Bend Campus in the Multi-Clerical Lab. Students learn to operate the calculator keyboard by touch. Realistic business problems are solved on the electronic printing calculator, the electronic display calculator, the ten-key adding machine, and the printing calculator. In addition, basic math skills are reviewed.

The class is taught on an individualized basis. Continuous enrollment allows students to start the course at any time during the semester. Students need to attend a minimum of five hours a week. Class hours are by appointment between 8:30 a.m. and 3:20 p.m. Monday through Thursday and 9:30 a.m. and 2:20 p.m. on Friday. Evening class hours can also be scheduled Tuesdays and Thursdays evenings from 6:00 to 9:20 p.m.

Machine Calculation can be applied to several degree or diploma programs offered at MPTI. This course is recommended for persons who want to re-enter the job market after being away from an office job for some time or for those seeking first-time employment.

Register now in person at MPTI, 2151 North Main Street, West Bend. For more information call 334-3413.

operator's license. Applications other than those in the above mentioned "target" groups must be made in person at any driver examination office in the state.

Applicants must furnish a certified copy of a birth certificate, plus one other form of identification such as a social security card, marriage certificate, school record or similarly satisfactory proof.

Cost of the original card is \$2. The card is valid for two years from the applicant's next birthday. Renewals will cost \$1 and be valid for the succeeding two years.

Anderson also said there are an increasing number of people making fraudulent applications for driver's licenses. The new legislation will also help reduce this problem by requiring that people making first application

for license must present a certified copy of their birth certificate plus an additional form of identification as noted above.

Under the "Law of the Month" campaign, the Department selects a timely law for emphasis each month. Driver License Examiners and State Patrol Troopers invite other law enforcement agencies to join in the informational program each month.

ATTEND CONVENTION

Mr. and Mrs. Jim Jaeger were guests of Viking Sewing Machine Company at Minneapolis, Minnesota, on February 6th and 7th.

The new 1979 sewing machines were previewed; also mechanical and technical, seminar updating data and information on the all new electronics was covered in detail.

10 very selfish reasons for having a foreign student live with you for one year.

1. A unique experience your entire family can share.
2. A way to increase communications with your own children.
3. A learning resource for yourself and your children.
4. A way of sharing your love with a young person.
5. A chance for personal growth.
6. An opportunity to make new friends around the world and in your town.
7. A chance to form a lasting relationship with a family abroad.
8. An exploration at home of rich cultural differences abroad.
9. A chance to know a young person from abroad. And that people around the world are basically the same.
10. An opportunity to see your family and community through the eyes of someone else.

For more information write: AFS International Intercultural Programs, 313 E. 43rd St., N.Y. N.Y. 10017. Or call toll free (800) 372-2777. In Florida (800) 432-2766.

AFS International Exchanges for high school students.

During a coffee break, the boss discovered his shapely secretary and a junior executive in a close embrace in the storeroom. "How can you explain this?" the boss demanded. "Well," said the secretary, straightening her hair, "neither of us likes coffee."

WEEKLY Health TIP
from Tom Leitzke, R.P.H.

Slimming down? Don't cut out bread—but do switch to whole grain bread, advises Dr. K.W. Heaton in the medical journal LANCET. Whole grain bread is tough and must be chewed. Chewing soothes the appetite and the eating urge—you have less desire to eat. [Chewing is also excellent for teeth and gum health.] The bran and wheat germ in whole grain bread contains roughage and fiber, which avoids constipation.

For Wonderful Springtime Comfort, The Year Around

NOW - INTERTERM Electric HOT WATER HEAT AND AIR CONDITIONING WITHOUT PLUMBING

WATER AND ANTI-FREEZE SEALED-IN PERMANENTLY...NEVER NEEDS REFILLING. INSTALLED PERMANENTLY FOR ENTIRE HOMES, APARTMENTS, ETC.

HEALTHIEST— Circulating hot water gives you the kind of controlled all-over warmth many doctors choose for their own homes, as well as prescribe for their allergic patients, without the contamination and dry, parched air that other methods of heating give, and without dust or dirt blowing around.

SAFEST— Place your flimsiest drapes right over the heater without the slightest danger. More important, children and pets can't be burned.

ECONOMICAL— You get balanced, steady warmth even when current is turned off. After thermostat turns off electric element, circulating hot water continues to circulate heat for comfortable warmth.

INVITATION TO BID STATE BUREAU OF FACILITIES MANAGEMENT

CEILING INSULATION AND FINISHING

Kettle Moraine State Forest - Northern Unit

Fond du Lac County, Wisconsin

Bureau Project No. 7810-37

Bid Opening: 2:00 p.m., Monday, March 12, 1979

Sealed bids for the above project will be received for and in behalf of the Department of Natural Resources by Mr. Walter Adams, Forest Superintendent, Northern Unit Kettle Moraine State Forest, Box 426, Campbellsport, Wisconsin, 53010, before the time and date indicated above, at which time they will be opened publicly and read aloud. Bidders are invited to be present.

In general the work consists of furnishing and installing ceiling insulation and ceiling finishing in eight existing buildings (#2101, 2102, 2103, 2104, 2105, 2106, 2107, 2108) in the state forest.

Separate Base Bids will be required for all work contemplated for this project.

Bidding documents may be obtained on or after Monday, February 19, 1979 from the Forest Superintendent at the above address; telephone (414) 626-2116 or may be seen at the office of the Engineering Section of the Department of Natural Resources, 4610 University Avenue, Madison, Wisconsin 53705.-

No deposit is required to obtain documents for bidding purposes.

Bid guarantee will not be required for this project.

Department of Natural Resources
Madison, Wisconsin

ACP Sign-up Feb. 15 Thru March 9

The ASCS (Agricultural Stabilization and Conservation Service) office will accept request for cost-sharing of conservation practices from February 15 through March 9 according to Ira A. Oelhafen, chairperson.

The agricultural conservation program, known as ACP since its beginning in 1936, offers cost-sharing as an incentive to install high priority conservation practices. Cost-sharing rates will range from 50% to 75% of cost.

Practices under the ACP have been redirected for the 1979 toward longer term, more enduring practices and farm-related pollution problems.

"This year, we will identify conservation problems, encourage farmers to take action to correct those problems and, where needed, assist them with cost-share payments," Oelhafen said. He pointed out that cost share assistance would not be used for carrying out measures and practices that are primarily production-oriented, or that have little or no conservation or pollution abatement benefits to farmers and consumers.

"We are primarily concerned with saving soil, improving woodlands, keeping lakes and streams clean, and cleaning up after natural disasters damage farmland."

Pollution of lakes, streams or rivers caused by farm run-off affects everyone. Solving this problem is a sound, basic conservation practice for the farmer and has direct environmental benefits to those who use the lakes and streams, Oelhafen said.

UW Ag College Alumni Meet Feb. 27 at Linden Inn

East Central Wisconsin alumni of the College of Agricultural and Life Sciences (CALs), University of Wisconsin-Madison, will hold an area Ag Alumni Night program at 6:30 p.m. on February 27 at the Linden Inn, on Big Cedar Lake, Highway 144 a mile north of U.S. Highway 41 in Washington County.

All CALs degree and short course alumni and their guests are invited. Sponsor is the Wisconsin Agricultural and Life Sciences Alumni Association (WALSAA).

A beef and chicken family style dinner will begin at 7:30 p.m. The speaker will be Jerry Apps, author of "Barns of Wisconsin." CALs associate dean George Sledge will present an "Update on the College."

Program tickets are \$7.50 per person.

Reservations should be made by February 20 with George Roemer, 257 B. Saylesville Rd., Route 4, Hartford, WI 53027. Make checks payable to WALSAA.

Farmer Surveys To Begin Soon

The Wisconsin Agriculture Reporting Service says that enumerators will be contacting a sample of state farmers during the next few weeks to collect production expenditure data.

According to Carrol D. Spencer, state-federal statistician with the Wisconsin Department of Agriculture, Trade and Con-

sumer Protection, the information to be collected in this survey is vital in determining the costs involved in producing crops and livestock in Wisconsin. "Information collected in this survey is kept confidential and will be used to most accurately tell the story of cost production," Spencer says.

Additionally, the reporting service is presently conducting a mail survey to determine the kinds and volume of various pesticides used by producers. Farmers who use pesticides are encouraged to fill out the questionnaire and return it.

"The information gathered in the pesticide survey will be used to present valid data on pesticides as they relate to production, and the environment," Spencer points out.

ASCS Announces Feed Grain Signup

The sign-up period for the 1979 feed grain/wheat set-aside programs will be, February 15 through April 30, according to Ira A. Oelhafen, chairperson of the Washington County Agricultural Stabilization and Conservation Service (ASCS).

The sign-ups will be held in the ASCS county offices at West Bend.

This year producers may certify their fall-seeded winter wheat during sign-up and not have to make a separate visit to the office.

The sign-up period which had been tentatively set to end in mid-April, is being lengthened two weeks to give county ASCS employees sufficient time to handle the added workload of simultaneous certification, he said.

Ira A. Oelhafen also said farmers should consider taking advantage of pre-measurement service before planting to guar-

antee the size of their fields. County ASCS offices have details of the pre-measurement service.

USDA Offers Free Gardening Publications

Single copies of gardening publications are available free from the U.S. Department of Agriculture. They are written by department experts and can help you be a more successful gardener.

Subjects include information on vegetables, flowers and shrubs.

To order a booklet, give its title and number. Mention that it's a "home and garden bulletin." Mail requests to Publications Division, OPGA, USDA, Washington, D.C., 20250. Include your zip code. Publications and their numbers are:

"Growing Vegetables in the Home Garden," 202; "Growing Tomatoes in the Home Garden," 180; "Selecting Fertilizers for Lawns and Gardens,"

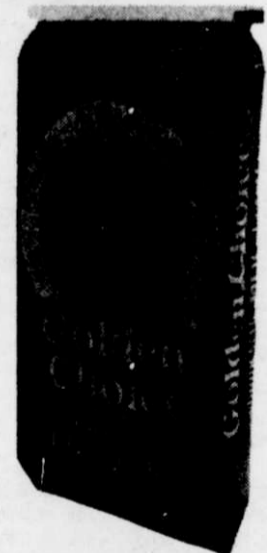

89; and "Growing Apricots for Home Use," 204.

"Growing Azaleas and Rhododendrons," 71; "Growing the Flowering Dogwood," 88; "Home Propagation of Ornamental Trees and Shrubs," 80; "Growing Bonsai," 206; "Growing Lilacs," 199; "Maple Diseases and Their Control," 81; "Growing Ornamentals in Urban Gardens," 188; "Pruning Ornamental Shrubs and Vines," 165; "Selecting and Growing Shade Trees," 205; "Transplanting Ornamental Trees and Shrubs," 192; and "Growing Gardenias," 152.

"Growing Camellias," 86; "Growing Chrysanthemums in the Home Garden," 65; "Growing and garden bulletins," 91; "Growing Flowering Perennials," 114; "Growing Iris in the Home Garden," 66; "Summer Flowering Bulbs," 151; "controlling the Japanese Beetle," 159; "Growing Ground Covers," 175; and "How to Buy Lawn Seed," 169.

WEST BEND ELEVATOR SPONSORING FARM AND TRADE SHOW FRIDAY

The West Bend Elevator is holding a Farm and Trade Show at the Knights of Columbus Hall, Lighthouse Lane Road, West Bend, on Friday, February 16, from 10:00 a.m. to 4:00 p.m. You are welcome to attend. There will be many "one-day only" savings.

The Danger of Liquid Manure Tanks

By Victor S. Falk, Jr., M.D.

The U.S. Public Health Service reports that modern and energy-conscious American farmers employ more liquid manure systems than ever before. The PHS and the Wisconsin Division of Health have issued a warning to farm workers involved in the operation of liquid manure systems. The danger results from hydrogen sulfide gas given off by decomposing manure.

The problem is inhalation of the gas from these waste-recycling systems. A 16 year old Wisconsin farm youth collapsed and died after working about ten minutes in the barn under which decomposed liquid manure had been agitating for 30 to 60 minutes in a 100,000 gallon tank. Two workers who tried to rescue him became unconscious but recovered.

Deaths have also occurred when farm workers entered the liquid manure tanks and among animals that were simply exposed to the fumes. Exposure to low concentrations of hydrogen sulfide (which smells like rotten eggs), causes headaches, eye, nose and throat irritation, cough, nausea and dizziness. The gas rapidly lessens the sense of smell so the odor may not be an entirely reliable warning.

The Division of Health advises farm workers to evacuate all humans and animals from the area surrounding the manure tank before and immediately following agitation. Ventilation systems in buildings housing liquid manure systems should be run at maximum capacity during agitation.

The PHS also recommends providing self-contained air packs and backup help for workers who must enter closed spaced containing manure tanks. The PHS reports that several farm workers have died after having recently emptied the liquid manure tanks or have drowned after falling into the full tanks.

Minutes of Village Board Meeting

Called Meeting
January 30, 1979
7:10 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in the Council Room of the Municipal Building.

President Charles F. Miller presided. Trustees Herriges and D. Nigh were absent. (Trustee D. Nigh had called and said that he would be late). All other Trustee Members were present.

The meeting was called by President Miller for the purpose of obtaining input as to continue or to lift the ban on all night vehicle parking on village streets.

Supt. Bilgo commented that he thought the ban was good in that it provided his crew greater freedom in their snow removal efforts and also made refuse collection easier and faster.

Police Chief Hlavaty commented that the unobstructed streets provided better movement for emergency vehicles such as fire equipment, rescue vehicles (ambulance) and police emergencies.

Motion was made by Trustee Danielsen, seconded by Trustee Schmidt that the all night parking ban be extended to April 1, 1979, unless sooner lifted because of improved weather conditions, and that the hours of no parking be from 1:00 a.m. to 6:00 a.m. Voice vote was unanimous.

Upon motion made, seconded and unanimously carried, the Board adjourned until 8:00 p.m. February 5, 1979.

William S. Martin,
Commissioner.

Petri Sends Letter

Opposing 'Imitation Cheese' Label to FDA

State Senator Thomas E. Petri (R-2nd District) announced recently that he has sent a letter to the U.S. Food and Drug Administration registering his opposition to the labeling of non-dairy products as "imitation" or "substitute" cheese.

"Such products should not be associated with the real thing through any similarity in name," Petri stated.

In December the U.S. FDA extended the deadline on the decision to permit or prohibit the use of the word "cheese" on synthetic products until March 19. The agency hopes to gather more information during this time.

Petri cited a Wisconsin Dairies Cooperative poll, "showing 75% of the respondents oppose any suggestion of cheese on the label of an artificial product. 95% agreed that restaurants using imitation cheese should inform their customers on the menu."

"In the interests of truth in advertising, I strongly urge you to prohibit the use of the word 'cheese' on any synthetic product, no matter what disclaimers are attached. As a government agency responsive to and reflective of popular opinion, I trust you will heed the collective voice of Wisconsin on this issue," Petri concluded.

Polish Agricultural Training Program

The Polish Agricultural Training Program is a work study program for young agriculturists from Poland. Each year a group of trainees comes to the United States for 12 months on the job and inservice training in agriculture. A new group arrives in the United States in March. They will be assigned to farms in several states where they each specialize in dairy, beef, swine, poultry, fruit and vegetable production or agribusiness.

The trainees are between 20 and 32 years of age. They are assigned to host farmers under a written agreement stipulating conditions of employment and training. While on the farm, they work most of the time but are also expected to spend some time in study. The host family provides room and board plus

other compensations. More information on the program can be gotten at the University Extension Office in West Bend, phone 334-3491, 644-5204 or 342-2929.

BIDS WANTED

Washington County is requesting bids for the painting of the interior of the Washington County Senior Citizens Center, 401 E. Washington St., West Bend. Work to be completed approximately April 15, 1979. Complete specifications may be obtained from George Nehrbass, County Clerk, Washington County, 432 E. Washington St., West Bend, WI, 53095. Bids to be returned no later than 10:00 a.m. Feb. 23, 1979, to County Clerk's Office.

Advance Outdoor Group Camp Reservations Can Be Made at 23 State Parks and Forests

Advance outdoor group camp reservations can be made at 23 Wisconsin state parks and forests, according to Department of Natural Resources' park officials.

These camps are primarily intended for those groups too large to be accommodated on family campsites or for groups that wish to camp as a unit and collectively enjoy group activities.

State park and forest group camps vary in size, with the most common group camp large enough to accommodate between 75 and 100 campers. Outdoor group camp facilities at the Northern and Southern Units of the Kettle Moraine State Forest can accommodate about 1,000 campers.

DNR park officials emphasize that group camps are not just for youth camps, but for adult groups as well.

Advance outdoor group camp reservations may be made up to one year before the beginning of the camping date. Groups interested in advance reservations should pick up a group camp reservation application from the Madison office of the DNR, DNR district headquar-

ters or any state park or state forest office. Complete information on the location of group camps, rates and camping accommodations are available at Wyalusing State Park and the Northern Unit of the Kettle Moraine State Forest. Reservations for these are accepted also, but only from groups using the facilities for conservation education purposes. A rustic indoor group camp facility is available at Devil's Lake State Park. Indoor sleeping and eating accommodations there are rustic in nature.

Sensenbrenner to Hold Town Hall Meeting in Hartford

Congressman Jim Sensenbrenner (R-Wisconsin 9th) this week announced that he will hold a "town hall" meeting for residents of the Hartford and Neosho areas from 9:30 to 11:30 a.m. on Saturday, February 17, in the Hartford City Hall. The meeting will be conducted in the City Council Chambers of the hall, located at 109 North Main Street in Hartford.

"This meeting is part of my program to serve the people of

the Ninth Congressional District in the most effective way possible. I am holding these 'town hall' meetings all over the district to make it easier for everyone to tell me their views and their problems face-to-face, so I might be better able to represent them and help them," Sensenbrenner said.

Sensenbrenner will respond to audience questions and comments on national issues for the first part of the program. The second part of the program will be open for persons with problems with federal agencies to meet with Sensenbrenner and his district office staff to seek solutions for them.

Also invited to attend the meeting are State Senator Scott McCallum (R-Fond du Lac) and State Representative Esther Luckhardt (R-Horicon) and John Merkt (R-Mequon). These area legislators are being invited to respond to state-related issues

and problems raised by the audience.

The public is welcome to attend.

SENATOR PETRI CAPITOL REPORTS

The Problem of Non-Resident Alien Ownership of Land

Who owns Wisconsin farmland?

Residents of the Badger state seem to be increasingly concerned about this question as reports continue to circulate about non-resident alien ownership of land. At present, the Wisconsin Statutes prohibit non-resident alien holdings of more than 640 acres.

LEGISLATIVE PROPOSALS

The Legislature is considering two proposals, one in the Senate and one in the Assembly. Both bills, SB 45 and AB 117, would reduce the limit of land ownership to 40 acres.

NON-RESIDENT ALIEN

Both legislative proposals also include reporting requirements so that the state will be fully informed of how many non-resident aliens own land and how much. This information is crucial in order to assess the scope of the situation.

UNRESOLVED PROBLEMS

The problem of enforcement remains the most difficult aspect of this proposed legislation. The law on the books at present requires forfeiture of holdings over 640 acres. However, it does not specify what must be forfeited, the entire holding or merely enough acreage to comply with the limit.

Present law also fails to specify how this "forfeiture" must take place. Would the contract under which the non-resident alien owner made the purchase be void? In that case, the previous owner, probably a Wisconsin farmer, would receive none of the balance still owed on the transaction with the non-resident alien?

Or should the State of Wisconsin pay the balance due to that previous owner? At present, there is no appropriation of funds to cover such a payment.

One might also wonder if it is the responsibility of Wisconsin taxpayers to shoulder the costs of a citizen's error in selling more than 640 acres to a non-resident alien.

These are knotty issues which will be decided over the course of the next months. I would be interested in hearing your opinions on these matters. Please send your comments to Room 314—South, State Capitol, Madison, WI 53702.

Local Schools to Play Greater Role in USDA Food Distribution

WASHINGTON — Assistant Secretary of Agriculture Carol Tucker Foreman announced plans to create advisory councils to give local schools a stronger voice in selecting the food they receive under the school lunch program.

"Advisory councils will inform state educational agencies of local food needs and preferences," she said. "This will provide better information on which to base the department's yearly decisions to purchase and deliver foods."

School lunch legislation was amended last year to require each state agency to create an advisory council to represent participating schools. Proposed rules published last week in the federal Register list the required membership, funding sources and functions of the councils.

Comments should be sent to Margaret O'K. Glavin, director, school programs division, Food and Nutrition Service, USDA, Washington, D.C., 20250 before March 6.

Sensenbrenner Speaker at County Republican Dinner

Congressman Jim Sensenbrenner (R-Wisconsin) Sunday night told Washington County Republicans that President Carter has not shown real leadership, and that lack was the major reason for the gains Republicans made at the polls last November. Sensenbrenner was the guest speaker at the GOP unit's annual Lincoln Day Dinner at the Richfield Fire Hall.

"As a candidate Jimmy Carter made more promises than his namesake has little liver pills, but they sounded pretty good to a nation thrown off balance in the last decade by the fall of a President, Vietnam, and other turmoil. Those promises got him elected, but as we Republicans warned, Jimmy Carter's record has been far different than he promised," Sensenbrenner charged.

Sensenbrenner said that the President has changed positions on major issues, citing his post-election opposition to deregulation of new natural gas and aid for parents of parochial school pupils as examples. He also said that Carter has been inconsistent in opposing mandatory controls on wages and prices but supporting them for oil and gas, and dismantling the bureaucracy for energy.

"The President only presides over debates between the groups that elected him. He has preferred offending no one to exerting strong leadership. As a result, we have national confusion and no sense of national direction," Sensenbrenner continued.

Sensenbrenner said that the voters turned increasingly to the Republicans because they were tired of the lack of leadership and because they agreed with the Republican position on many issues, he concluded.

Congressman JIM SENSENBRENNER Reports

Every day I receive many citizen complaints about unresponsive federal bureaucrats who create unbelievable red tape and arbitrarily go beyond what they were intended to do in implementing the laws Congress passes. Let's look at a few examples of bureaucratic insensitivity to our local problems right here in the Ninth District.

One is the recent denial of snow removal aids from the Federal Disaster Assistance Agency, even though many communities were under severe hardship because of the heavy snow. Another is the 43% reduction in AMTRAK service scheduled by the Department of Transportation, which may preclude the proposed expansion of AMTRAK service to the West Bend area. Another is the Department of Labor's inclusion of Waukesha County's many sand and gravel pits under new federal mine safety regulations, which may force many of them to go out of business because of the huge cost they will pay to comply with those rules.

These actions are only a few which reflect the arrogance of many federal bureaucrats, but this attitude has been fostered by Congress itself, which has not had the courage to make the rulemakers answerable for what they do.

In Wisconsin the State Legis-

lature may strike down regulations proposed by state agencies, so there is citizen input and public accountability for the actions of state officials. But, unfortunately this kind of watchdogging of unelected government officials does not exist on the federal level. Last session the House passed legislation to enable Congress to strike down rules proposed by federal agencies, but the bill died in the Senate.

This session I have co-sponsored the same legislation and have publicly urged the House leadership to take quick action on it. Unless citizen control over government is restored through measures like this, the federal bureaucracy will continue to thumb its nose at everybody - Congressmen included.

IN MEMORY

In loving memory of Burnette Schmitt, who passed away one year ago, February 18, 1978:

In tears we saw you sinking
We watched you fade away.
Our hearts were almost broken,
You fought so hard to stay.
Our hearts still ache with sadness,
Secret tears still flow.
What it meant to lose you
No one will ever know.

Deeply missed by the family.

SPORTS

(Pages 15 and 16)

Waldkirch Only KHS Mat Winner In Sub-Regional

Kewaskum had only one qualifier in sub-regional wrestling at Random Lake Thursday night.

Campbellsport's Flyway Conference champs had eight qualifiers, but got strong competition from Port Washington, Braveland runnerup, which advanced seven to the regional.

Kewaskum's lone survivor was junior Rick Waldkirch at 185 lbs. Waldkirch drew a Random Lake wrestler rather than Keith Rowe from Campbellsport or Mike McCoy from Port. Waldkirch quite easily defeated Pete Paulus (7-5) and scored a fall against him. He took a 15-6 to the regionals Saturday.

A disappointment was Kewaskum's Scott Klein, who failed to advance at 98 lbs. Klein, 17-4-1, lost to Port's Kevin Shauer.

RANDOM LAKE SUB REGIONAL

Number of qualifiers:	
Campbellsport	8
Port Washington	7
Random Lake	2
Ozaukee	4
Kewaskum	1
Cedar Grove	2

Individual qualifiers:

98 — Mark Schultz Camp, pinned Miller RL; Kevin Shauer PW dec. Klein Kew. 7-4.
 105 — Paul Duwell Oz pinned Medinger RL; Mike Warzynski PW dec. Del Ponte Camp. 6-3.
 112 — Rick Gruber Camp, pinned Edwards PW; Tom Hoffman Oz pinned Bowles CG.
 119 — Eugene Gruber Camp, pinned Lanser PW; Ron Theis RL dec. Gundrum Kew. 5-0.
 126 — Steve Westemeier Camp, dec. Klein Kew. 13-0; Tom Bannon PW pinned Jacoby RL.
 132 — Ed Karrels PW dec. Weiland CG 16-1; John Oehme Oz dec. Weyer RL 11-8.
 138 — Chuck Salotti dec. Gonwa CG 22-2; Kevin Hensen Camp, dec. Beck Kew. 7-5.
 145 — Joe Mandloch CG dec. Bastian Kew. 4-3; Pat Corcoran PW dec. Pankrat Camp. 9-6.
 155 — Randy Narges Camp, pinned Demge PW; Joe Thill Oz dec. Ternes RL 9-2.
 167 — Scott Rowe Camp, pinned Scharnow PW; John Paulus Oz, dec. Janik RL 6-2.
 185 — Mike McCoy PW dec. Rowe Camp. 7-1 OT; Rick Waldkirch Kew, pinned Paulus RL.
 Unl. — Ron Schuessler RL pinned Bley CG; Scott Hendrichs Camp, pinned Fleischman PW.

Thursday's qualifiers advanced to Saturday's regionals at Sheboygan South, along with other sub-regional winners. Semifinals were at 2 p.m. and wrestlebacks at 6 p.m. and second place winners there advance to the Kiel sectional and then hopefully to state at Madison.

As expected, Campbellsport took the team title, capturing four championships and gaining a fifth qualifier on a wrestleback. The meet was close going into the finals with the Cougars leading Kohler and Port Washington by less than 10 points. Port took second and Kohler third. Port also had five wrestlers advancing and Kohler four.

Kewaskum's sub-regional winner, Waldkirch, was unable to complete either of his matches with a reported shoulder injury. His defaults put him in fourth place. He finished with 15-8.

SHEBOYGAN SOUTH REGIONAL

- Campbellsport 99 (5)
- Port Washington 78 (5)
- Kohler 73 (4)
- Sheboygan North 65 (4)
- Sheboygan South 51 1/2 (2)
- Sheboygan Falls 35 1/2 (1)
- Ozaukee 34 (1)
- Random Lake 28 (1)
- Oostburg 19 (1)
- Cedar Grove 16
- Plymouth 4, Kewaskum 4

 185 — Ken Hummitsch S. North pinned Mike McCoy Port Wa. 3-24.
 Unl. — Ron Schuessler R. Lake dec. Mitch Pearce S. South 5-1; wrestleback Webster S. North pinned Pearce 5:01.

Kettle Riders 'Big Brothers'

Sno-Fun Day

On February 3, the New Fane Kettle Riders held their 7th Annual Sno-Fun Day at the New Fane Sportsmen's Club. The event is held in cooperation with the Big Brothers Association of Fond du Lac County.

Men of the club were matched up with 27 "Little Brothers" for an afternoon of fun in the snow. Activities included snowmobile rides, snowfights and the freedom to enjoy the open spaces and acres of snow to play in. It was an afternoon thoroughly enjoyed by all who participated, especially the youngsters who couldn't wait to tell each other about their ride or to point out who "their guy" for the afternoon was.

After the snow activities, the group moved indoors to attack and conquer a lunch of hot dogs and all the trimmings. The battle was definitely won by the Little Brothers. Special thanks to Marilyn Bohn, Millie Odekirk and Joyce Seideman for the "KP" detail.

Gerry Mueller

MADISON, WI--Dogs chasing deer have become a very serious problem in many areas of the state, and when a crust forms on top of the snow, will become an even more critical problem. Dog owners are urged to confine their pets to prevent them harassing deer.

Conditions for both cross country skiing and snowmobiling are generally excellent throughout the Brule and Cumberland areas in northwestern Wisconsin. Recent cold temperatures in that area of the state slowed most outdoor activities. Walleye fishing remains good on the Gile Flowage. Deep slush and snow is hampering travel on many northwestern Wisconsin lakes. The incidence of illegal deer hunting around Park Falls is increasing as the deer congregates.

Cross country skiers are enjoying excellent conditions for their sport in the Black River State Forest with heavy use of the trails reported on weekends. Weekdays are the best time to avoid crowded conditions. There is also heavy snowmobiling activity on weekends in the Black River Falls area. Fishing is slow. Snowshoeing, snowmobiling and cross country skiing conditions are excellent in the Eau Claire area, though ice fishing is reported as only fair with poor travel conditions on the lakes because of heavy snow. Fair size panfish are being taken south of La Crosse.

The Woodruff area in north central Wisconsin offers snowmobilers excellent conditions, and cross country skiers will find conditions for their sport superb in that area. Conditions for those sports are also excellent around Antigo. There is good panfish fishing in some Oneida County lakes, though slush and snow make travel on the lakes difficult. Trappers are receiving fairly good prices for beaver and other pelts. Fishing is generally slow in the Wisconsin Rapids area as snow and slush hamper travel on the ice. In the northeastern counties, the east shore of Lake Winnebago offers some good walleye fishing and northern are being

taken on Big Lake Butte des Morts. Snowmobiling and cross country skiing conditions are excellent in Waupaca and Waushara Counties. Ice anglers in the northeastern counties are also hampered because of poor travel conditions on lakes.

Snowmobiling conditions throughout the southeast district are improving because the snow cover is becoming more settled and compacted.

Cross country skiing conditions are excellent throughout the district.

Because of the unusual snow and slush conditions on all inland lakes, ice anglers with shanties would be wise to remove them prior to the legal deadline date of March 5th in southern Wisconsin. Even though removal may be difficult now, it will be much more difficult if the shanty should break through the ice and have to be removed from the water. Owners will be responsible for shanty removal under any unusual weather conditions.

Ice fishing pressure remains light throughout the district. However, northern pike are biting well on Big Cedar Lake in Washington County and Keesus Lake in Waukesha County. Panfish are biting well on all district waters.

Deep snow is keeping snowmobilers on established trails in the Madison area. Madison area lakes are yielding a number of species with good walleye action reported on the eastern shore of Lake Monona and in 18 feet of water in Lake Mendota. The Sugar River Trail was groomed recently. Good to excellent conditions for cross country skiing and snowmobiling are reported throughout the Dodgeville area as well as in the Horicon area. Trout streams are open in Lafayette County and anglers are enjoying some success. Anglers are taking bluegills and crappies in Wyalusing State Park.

NOTE: A correction of the Outdoor Report Summary is available to the public 24 hours a day through the coming weekend at 608-266-2277.

ERROR IN 1979 FISHING REGULATIONS

There is an error in the 1979 Wisconsin Fishing Regulations, according to Department of Natural Resources' fisheries personnel.

The error occurs on page 16 of the regulations under the inland waters regulations for season dates, daily bag limits and minimum length for trout and salmon. The 6th line from the top, "extended season on listed trout lakes and ponds" should be dropped down one line. The 5th and 6th lines of the chart should read as follows:

All other inland waters (any variety except splake and lake trout)....At 5:00 a.m. on May 5 to May 31 -- 10 of which only 5 may be rainbow or brown trout in aggregate.

Our Viewpoint on Realignment

Originally, last summer, the WIAA (Wisconsin Interscholastic Athletic Association) decided to discontinue the Scenic Moraine Conference due to the differences in enrollment and divide the schools in various conferences. Changes were also contemplated because of problems in some other southeastern conferences.

At first they had planned to move Grafton, Germantown, Hartland, Slinger, Kettle Moraine, and Kewaskum into the Braveland Conference, Pewaukee into the Southern Lakes Conference and Mayville into the Flyway Conference.

Immediately the static started. Kewaskum announced their preference to get into the Eastern Wisconsin Conference rather than the Braveland, which is comprised of larger, Class A schools. Kettle Moraine preferred the Parkland Conference. The Flyway didn't want Mayville, which they believed would dominate their conference. Slinger didn't want in the Braveland either if Kewaskum and Kettle Moraine weren't included, etc.

The Braveland would have been divided into two divisions, something like Port Washington, Cedarburg, Grafton, Germantown, Hartland, Slinger, Kewaskum and Kettle Moraine in one division and Brookfield Central, Brookfield East, Brown Deer, Hamilton (Sussex), Homestead, Menomonee Falls East, Menomonee Falls North and Nicolet in the other.

Granted the Braveland would have been a tough conference for Kewaskum, which at present is just on the borderline of becoming a Class A school but Scenic Moraine schools have always done well against Braveland and Little Ten competition. It wouldn't have been much tougher to go against the new

opponents, Port and Cedarburg, than it was against the present Scenic Moraine schools.

Now, after much hee-hawing around the past several months, the WIAA has come up with a new realignment plan. Their latest plan is to assign Grafton, Germantown and Hartland to the Braveland, Kewaskum to the Eastern Wisconsin, Slinger and Pewaukee to the Milwaukee Area (smaller schools), Kettle Moraine to the Parkland and Mayville to the Flyway.

It appears that Kewaskum will wind up in the Eastern Wisconsin or possibly in the Milwaukee Area (small schools). As of next year, the new Eastern Wisconsin, formerly the Packerland Conference, will be composed of Plymouth, Sheboygan Falls, Chilton, Kiel, New Holstein, Two Rivers and Valders. The Milwaukee Area (small schools) will have Milwaukee Juneau, Milwaukee Riverside, Milwaukee West, Pewaukee, St. Francis, Shorewood, Slinger and West Milwaukee.

We would lean to Kewaskum moving toward the metropolitan area, where it belongs, rather than spreading out to the north. Furthermore, that way Kewaskum would stay in the same league with at least two of its former rivals, Slinger and Pewaukee.

At Monday night's school meeting, board members voted by a close 4-3 margin their preference to enter the Eastern Wisconsin, although the final decision will be made by the WIAA. Some problems and disadvantages of joining the Eastern Wisconsin are:

- Distance of travel. Two Rivers is close to 72 miles from Kewaskum (71 1/4) and Valders isn't much closer. That's a long way to travel for a basketball game on bad wintry nights. The closest school would be Plymouth and that's 23 miles. All the rest are some distance further. We also understand Two Rivers is a Class A school.

- Fan interest. Would there be as much fan interest or rivalry with these schools? Or would the crowds drop off? Would the fans really be interested in how Kewaskum came out with say Two Rivers or

Valders or Chilton for instance? Almost all of the Kewaskum High School sports fans we have talked to are opposed to joining the Eastern Wisconsin Conference.

- Publicity. The Scenic Moraine received widespread publicity in the daily, big city press. Being in the Milwaukee area, the media in that city carried stories, box scores and scores of the games. The Milwaukee Area Conference no doubt would continue to receive this publicity.

- Lack of sports. The Eastern Wisconsin doesn't carry as full a sports program, especially for the girls. This would harm the Kewaskum girls' athletic program. Kewaskum might have to discontinue some girls' athletics or play independent schools. Some of these sports include gymnastics, chess, tennis and golf.

We realize the Milwaukee Area (small schools) Conference isn't an ideal situation either by any means and might also present some problems but what other choice is there? Grafton, Germantown, Hartland, Kettle Moraine, Pewaukee and Mayville all got their preference but Kewaskum and Slinger were left forlorn and out on a limb by the WIAA.

It is a shame such natural rivals like Kewaskum and Mayville and Kewaskum and Slinger, among others, should be separated.

An ideal conference would be more like Kewaskum, Mayville, Slinger, Pewaukee, and possibly schools like Campbellsport, Horicon, and maybe the next largest school in the Flyway, or Waupun or St. Mary's Springs.

Another idea would be to have Kewaskum in a Washington County Conference of West Bend East, West Bend West, Hartford, Germantown, Slinger and Kewaskum. There would be great rivalry and little traveling distance.

The more we think of it we wonder if it wouldn't have been best if the WIAA would have left things just the way they were and continued the Scenic Moraine.

Indians Drop Two More to Kettle Moraine and Hartland

Kewaskum led after three quarters, 52-47, last Tuesday here but Kettle Moraine bounced back in the final quarter to outscore the Indians by a 23-13 margin to win, 70-65.

The Indian offense got going in the second and third periods and Kettle had their hands full but fell too far behind in the first and last quarters. The

6-4 center John Kaiser scoring 15 of his game high 23 points and 5-11 guard Jim Barwick 14 of his 20 points in the first two periods, pulled away at halftime, 43-30. The pair scored 43 of Arrowhead's total to blow the game open.

Barwick had three fouls by halftime and did not play in the third quarter, in which his team had another 27 point output, 10 of them coming from John Dewey and six more from Kaiser. Kaiser then was rested for the rest of the game with 23 points, four blocked shots and about a dozen rebounds.

Kern played well offensively in scoring 16 points but was not strong enough attempting to stay with strongboy Kaiser alone. His mates didn't give him enough help.

Tuesday Kewaskum traveled to Pewaukee and Friday they entertain Germantown.

INDIANS UPSET BY PEWAUKEE

Playing at Pewaukee Tuesday night, poor shooting by Kewaskum gave the Pirates their first victory of the season, 56-45. Details next week.

Laser's star, Todd Krempasky scored the game's first 10 points before the Indians got on the board.

Trailing at halftime, 34-31, a 21 point spree in the third stanza gave Kewaskum the lead for the first time. Bob Nigh scored 10 of his 14 points in that quarter, all from well out. It was a close contest and tough one to lose.

Henry Schilter, who is ninth in conference scoring, led the Indians with 20 points and Ray Dominguez had 15. Krempasky and Carpenter each scored 20 for Kettle.

Lakes Team Loses Again

After winning its first six games, Kewaskum's Land O' Lakes League team went down to its third straight defeat at Thiensville-Mequon Sunday night, 157-121. Kewaskum (6-3) is still in first place in the "B" Division, 1 1/2 games ahead of Hartford.

Even though Tom Zoch and Leon Laatsch each came through with 33-point performances, Kewaskum trailed throughout the contest. They were behind at halftime, 77-56. Scott Murray of the Twins took scoring honors for the evening with 34.

This Saturday, February 17, at 7:30 p.m. Kewaskum hosts the tough Menomonee Falls Stingers, who are tied for first place in the "A" Division with an 8-1 mark.

Girls Win Again At Germantown

The Kewaskum girls basketball team, which has been coming on strong of late, won another game at Germantown Thursday, 56-44. They are now 7-6 and still in the running for the wide open second place spot.

In an earlier contest at home, Kewaskum defeated Germantown by just one point.

A coaching change in the second half, together with the Kewaskum press and depth got the best of the Warhawks. Coach Mike Theiler put Diane Bremser on Germantown guard Amy Nickel and this made a difference.

The Indians' Bobbi Schmidt sank a long, halfcourt shot at the end of the third quarter which stunned the Warhawks. Earlier in the quarter Germantown had dwindled down a 15 point lead to seven.

Yvonne Schacht again led the Indians' balanced scoring with 14 points.

JVs JOLT LASERS, LOSE TO HARTLAND

Kewaskum's JVs upset Kettle Moraine's first place team, 59-55, last Tuesday, playing their best game. Jim Rohlinger paced the Indians with 20 points and Brian Larsen had 13. Mike Geidel stood out in rebounding. The freshmen lost to Kettle, 68-54, after leading at halftime. Pete Wiedmeyer led Kewaskum with 14 and Jim Krahn had 12.

Like the varsity, both the JVs, 62-58, and frosh, 47-44, lost at Hartland Friday. Rohlinger led the JVs with 16 points. The Warhawks' Weil had 24 and Hackbart 22. The freshmen faded at the end after leading. Dave Donath and Wiedmeyer each scored 10.
