## John Tessar Elected School Board President

By TAMI EDGAR  
Statesman Staff Writer

The election of Board Officers was held at Monday night's School Board meeting.

John Tessar was elected School Board President succeeding Dr. Charles Ogi, who held the post for the past six years. Richard Theusch was named Clerk and Byron Gessner was elected Treasurer.

The board approved to having a kindergarten at Beechwood. The only thing remaining is to try to set up speculative bus routes for out-of-the-way students. The board would like to report back after the kindergarten screening is completed. There would be one section at Wayne, three at Kewaskum, Farmington and Beechwood would stay the same.

The northeast and southeast propose busing problems for special education transporta-

tion. These students have ridden on the high school routes but this gives them less time to get into normal classroom atmospheres. They are now attending from 7:30 a.m. to 2:45 p.m., the high school schedule, which leaves them out 1½ hours from the elementary schedule. The board voted to get these students scheduled for elementary schedules and then try to work out the busing problem.

The board accepted the Wisconsin School Evaluation Consortium which would cost \$700 for the total K-12 for a one year trial basis. The University of Wisconsin has funded this North Central Association in the past but no longer wishes to do so. They are currently trying to find another group to fund this group.

The board accepted the resignation of Mary Lawson, the

\$2,000 Each

## Awarded J. O. Reigle Scholarships

Jeri Buss

Joseph Swanson

Regal Ware, Inc. has awarded the 1979 J. O. Reigle Scholarships to Jeri Buss and Joseph A. Swanson. The \$2,000 scholarships are offered annually to graduating seniors of Kewaskum High School and provide each recipient with \$500 per year for a four-year college program.

Jeri is the daughter of Mrs. Marjorie and the late Ivan Buss and resides at 520 Alpine Lane, Campbellsport. A member of the National Honor Society, Jeri's outstanding academic record throughout her high school years has placed her in the top 10 of her class. She has been active in many areas including cheerleading, band, track, gymnastics and the math team. She was a 1978 representative to Badger Girls State at Madison and a member of the Kiwanis Key Club. She is President of the Y.P.S. Group at St. Lucas Parish, Kewaskum, and served as Senior Class Treasurer. Jeri also enjoys water sports, tennis and reading.

Jeri is interested in a career

in Optometry and plans to attend the University of Wisconsin-Whitewater in fall.

Joseph is the son of Lee Roy J. and Margaret J. Swanson of 8010 Kettle View Drive, Kewaskum. Joseph's academic standing throughout his high school years has been commendable and has earned him membership in the National Honor Society. His leadership qualities are evidenced by the many offices held in various organizations including the Spanish Club, Future Farmers of America and the Kiwanis Key Club. He participated in basketball and was a member of

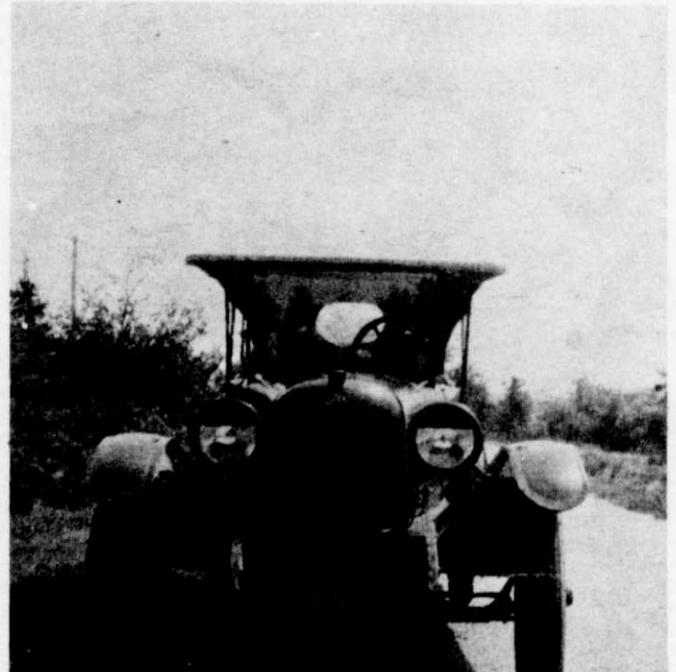

the Varsity Math team as well as a member of the cast of "Hello Dolly."

Joseph's leisure-time interests include most sports, auto mechanics and small engine repair.

He intends to pursue a degree in Engineering at the University of Wisconsin-Platteville.

## 1917 Grant

### Miskes Sell Antique Car

From Ohio to Wisconsin in 1917 - now 62 years later back to Ohio. That's the story of a Grant 6 touring car recently sold by the Edgar Miske family of Wayne.

The car had been manufactured in Cleveland, Ohio, in 1917. It was a rare model in that the company manufacturing them had only stayed in the auto manufacturing business for two years. The Miske family had done considerable research on the car but only found one other car like it in existence today and that one is in a museum in Wyoming.

Advertising brochures published at the time the car was new and which the Miskes obtained from the Philadelphia Public Library showed the list price of \$850 which included

top, top hood, windshield, speedometer, ammeter, tire pump, electric horn and demountable rims. The car has a 21.6 h.p., 6 cylinder engine which was manufactured in Sheboygan Falls.

Otto Krebs of Slinger purchased the car new in 1917. A team of horses was traded in towards the purchase price. He used the car to haul wheat to the mill in Barton to exchange for flour.

Miske bought the car from Krebs in the early 1940's. Today the car has 7500 miles on it and is in very good running condition. Fittingly, the Miskes sold the Grant car to a private collector also named Grant, namely Richard H. Grant III of Dayton, Ohio.

## May Is Bicycle Licensing Month

Licensing of all bicycles will begin on Saturday, May 5. Licenses will be available at the Municipal Building between the hours of 9:00 and 11:30 a.m. Licenses will be sold during all Saturdays in May at the same hours as well as from 5:00 to 9:00 p.m. Monday thru Friday. Cost of the licenses is 50c. After the 31st of May all licenses will cost \$1.00.

As a reminder, Section 12.06 of the Village Municipal Code reads: NO PERSON SHALL RIDE OR OPERATE A BICYCLE ON ANY STREET IN THE VILLAGE OF KEWASKUM UNLESS SUCH BICYCLE IS PROPERLY REGISTERED AND TAGGED.

## Hwy. 45 Bridge Work to Begin

Work on the approaches to the new Hwy. 45 bridge and surrounding areas just north of Kewaskum will begin soon.

Last November, when the new bridge was completed, there wasn't time to complete the entire project due to the cold and snow. The work will be started some time in May. This word comes from Bob Jack, district chief construction engineer of the Wisconsin Department of Transportation.

The plan calls for tearing out the whole intersection. Late last fall all the crew was able to finish on the runways was one layer of temporary bituminous with the idea of putting the final coat on this spring.

Because of the large amount of snow this winter, another problem came up when the road buckled. Work will begin as soon as the area dries out.

Together with the repair and blacktopping, top soil and grass will be replaced, according to Jack. It may take two months to complete the work.

## 9 Confirmed At New Fane

Last Sunday in the Rite of Confirmation held during the celebration of the Holy Eucharist at St. John Lutheran Church, New Fane, nine boys and girls from this area made public affirmation of their baptism and received confirmation with the laying-on-of-hands and blessing. They also made their First Holy Communion that day.

They are: Cory Beyer, son of Mr. and Mrs. Norman Beyer; Daniel Butzke, son of Mr. and Mrs. Melvin Butzke; Loralie Clement, daughter of Mr. and Mrs. Glenn Clement; Sherry Gavin, daughter of Mr. and Mrs. Dale Gavin; Peter Haupt, son of Rev. and Mrs. Arthur Haupt; Bryan Heberer, son of Mr. and Mrs. Jack Heberer; Pamela Heberer, daughter of Mr. and Mrs. William Heberer; Janine Herriges, daughter of Mr. and Mrs. Donald Herriges; Patrice Seefeldt, daughter of Mr. and Mrs. Harold Seefeldt.

This marks the completion of the congregation's program of confirmation ministry for these boys and girls, a period of four years of instruction in the Christian faith as confessed in the teachings of the Lutheran Church.

The Rev. Arthur A. Haupt, pastor of the parish, was the presiding minister.

# High School to Present Play, 'You Were Born on a Rotten Day'

PLAY CAST — Left to Right: Donna Ehnert, Darcie Schmidt, Laura Asch, Tom Rosenberger, Rick Stefanovic and Scott Nigh.

Do you know your astrological sign? Is your horoscope one of the first things you look for in the newspaper? If so then the upcoming comedy by Kewaskum High School is for you. "You Were Born on a Rotten Day" is a play which satirizes and pokes good fun at the science of astrology. It deals with how a physics instructor can cope with his students becoming "turned-on" to the current fad, and how an over-worked principal has to cope with public pressure.

"You Were Born on a Rotten Day" will be presented on Friday and Saturday, May 11 and 12, at 8:00 p.m. in the Kewaskum High School Auditorium. Tickets, which are priced at \$1.50 for adults and \$1.00 for students, are now available from all cast members, by contacting the high school office at 626-2166, or at the door.

The comedy is being directed

by Robert B. Getter. The fairly large cast which has been in rehearsal for six weeks includes: Tom Rosenberger as Claude P. Jones; Scott Nigh as Councilman Banks; Donna Ehnert as Susan B. Masters; Laura Asch as Agatha Johnson; Rick Stefanovic as Bart Bascom; Phillip DeLuisa as Arthur Hux-

ley; and Darcie Schmidt as Yvonne Smith. Also in the cast are: Sherry Foerster, Kelley Coulter, Patti Sleger, Julie Dettmann, Richard Rauch, Dave Sleger, Mike Paul, John Dettmann, Denise Perkins, Pam Vanderwall, Laurie Lemke, Debbie Allmann, Jane Yogerst, and Shelly Hamernik.

## School Board

(Continued from Page 1)

high school P.E. teacher, volleyball and track coach. They also accepted the resignation of Beth Thurk, a teacher at Farmington Elementary School. They also approved the hiring of Diana Glick, Diane Naatz and Karen Rademacher for six days at their daily contract amount for kindergarten screening and also for Carolyn Butz and Patty Marx at regular hourly rate for the six days.

Discussion was held on changes to the Fine Arts Festival program at the high school and middle school. Currently they are holding the program all on a Sunday. Several people sugges-

ted dividing the program and having the middle school one evening and the high school program the next evening. Many felt it was too much to have in one day. The board saw no reason not to try this plan.

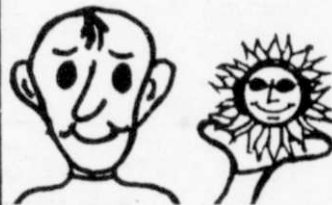

Members also approved the high school marching band attending the Lion's Club Convention Parade at Oshkosh on May 19. Last year they went to Green Bay, all expenses paid.

Discussion was held on the matter of not having enough control in the parking lots during school dances. The board will check into getting better patrol in the parking lots during school functions.

It takes the fragrance of the average perfume four hours to fade.

## 25 Years Ago

May 7, 1954

Fire departments from Boltonville, Fillmore, Kewaskum and West Bend battled a barn fire on the Nelson Rodenkirch farm in the Town of Farmington, about five miles east of Kewaskum, Sunday night, May 2. The fierce flames, whipped by a high wind, completely destroyed the large barn before they were finally quelled. The loss was estimated at about \$20,000 by Lawrence Staehler, Boltonville fire chief.

Plans are progressing for the Kewaskum High School junior prom, "Hawaiian Echoes," which will be held the evening of May 14. Reigning as king will be Lyn Peterson with his queen Shirley Staehler. To assist the king and queen, the royal court, as chosen by the class are — Marlene Sauter and Harold Klein, Katherine Braun and Rolland Glass, Rosalie Below and Walter Koepke, and Kathleen Krell and Richard Wensberg.

Carl Koepke, Carl Meyer and Delbert Haack, members of the local chapter of Future Farmers of America of Kewaskum High School, and their advisor, O.E. Behnke, attended the 25th annual convention of the state association at Green Lake, Wis.

Daughters were born to Mr. and Mrs. Harry Justman, Route 2, Kewaskum, and Mr. and Mrs. Norman Rauch, Kewaskum, on Sunday, May 2. A son, Patrick Gill, was born to Mr. and Mrs. Robert Staehler, Batavia, on Saturday, April 24.

## 50 Years Ago

May 4, 1929

Eldon and Harvey Ramthun, sons of Mr. and Mrs. Henry Ramthun, who the past year and a half have made their home in West Bend, on May 1 opened a hardware store and tin shop here in the Henry Ram-

thun hardware store vacated last week by Skupniewitz and Claus, who conducted the Kewaskum Hardware and Electric Store in same. Eldon and Harvey opened the tin shop on Wednesday, May 1, and as soon as a full line of new hardware stock has been purchased and properly arranged in the store, they will conduct the hardware business end of it as it was formerly conducted by Mr. Ramthun, their father. In connection with the hardware business they will do all kinds of plumbing.

Fire of unknown origin completely destroyed the barn and part of the machine shed on the Nic. Gross farm in the Town of Farmington on Thursday, April 25.

The M.W.A. Hall at Boltonville was the scene of a happy gathering on Sunday, April 28, when a large number of relatives and friends surprised Mr. and Mrs. Max Gruhle in honor of their golden wedding anniversary.

Louis Bunkelman started excavating for the building of two houses on First Street, on the lots which he recently purchased from Mrs. Barbara Bilgo, formerly known as the log yard.

## 75 Years Ago

May 7, 1904

A handsome touring automobile occupied by four persons passed through here last Tuesday afternoon on the way north.

Mr. and Mrs. Adolph Rosenheimer of Kewaskum will leave for the coast in a few weeks and sail from New York to Europe on May 25. They expect to remain there for about four months and will visit Germany, France, Italy and England during that time.

The village board has received several complaints lately of residents throwing slop and garbage on the streets. Such parties are violating Section No. 10 of our village ordinance and are liable to a fine of not less than \$1.00 and not more than \$3.00 for each violation thereof.

Philip Meinhardt, Kewaskum, met with an accident while at Milwaukee last week. He was walking along East Water Street with August Bilgo and when they reached Espenhein's

dry goods store a trap door in the sidewalk was suddenly raised from the inside by one of the employees of the store and Mr. Meinhardt fell about 12 feet down into the basement thereby fracturing his leg.

A baby boy was born to Mr. and Mrs. Andrew Bonlender of St. Kilian on Sunday, May 1.

## Size Standards for Mailing Postcards, Envelopes to Change

"Use up your small and undersized envelopes and cards before July 15," Officer in Charge of the Kewaskum Post Office, Carol Luedtke reminds customers. That is the date when the Postal Service's new size standards become effective.

Mrs. Luedtke said that after July 15, envelopes and cards measuring less than 3 1/2 inches high or 5 inches long will be returned to the sender if mailed.

Mrs. Luedtke said that because the envelope and greeting card industries have had more than three years to prepare for the new standards, few retailers should still be selling undersized pieces.

"Many consumers, however, are likely to still have smaller envelopes and cards in their supply of stationery," Luedtke said.

The regulations also prohibit flimsy cards. In the future, they must be at least seven-thousandths (.007) of an inch thick. An official postal card, for instance, has a thickness of nine thousandths of an inch.

Undersized pieces and flimsy cards are being banned because they can become trapped in other mail, tear and jam mail processing machinery. As a result, the letters of others can also be damaged.

The standards also affect oversized and odd-shaped

pieces of mail, Mrs. Luedtke said. For first-class mail weighing one ounce or less, there will be a surcharge of seven cents for pieces more than 6 1/8 inches high or 11 1/2 inches long.

For more information, the Officer in Charge suggests customers check with a post office window clerk.

## BABIES BAPTIZED AT HOLY TRINITY

Recent baptisms at Holy Trinity Church included the following: Christine Marie, daughter of Mr. and Mrs. David W. Peters; Nadalie, daughter of Mr. and Mrs. Paul A. Reindl; Jonathan James, son of Mr. and Mrs. Robert R. Kern; Sarah Leigh, daughter of Mr. and Mrs. Kenneth Bonlender; Bradley James, son of Mr. and Mrs. James R. Staehler, and Michael Gary, son of Mr. and Mrs. Gary A. Smith.

## BADGER FIREMEN HOLD MEETING AND BANQUET

The annual spring meeting and banquet of the Badger Firemen's Association was held at the Belgium Community Center Sunday afternoon and evening. The Kewaskum fire chief and two delegates attended the afternoon meeting and were joined by several other local firemen for the evening banquet. Bowling tournament awards and prizes were given out at the banquet.

## LOREN BONLENDER INFANT BAPTIZED

Brian James was the name given in baptism to the infant son of Mr. and Mrs. Loren Bonlender, 608 East Main Street, Kewaskum. The service was held at Holy Trinity Church at 1:30 on Sunday, April 29, by Rev. John Budde.

Brian's sponsors are Stanley Ruplinger of Oakfield and Mary Bonlender, Kewaskum.

Paternal grandparents are Mr. and Mrs. Harold Bonlender, Kewaskum; maternal grandparents, Mr. and Mrs. Orville Ruplinger, Oakfield; great-grandparents, Mrs. Margaret Bonlender, St. Kilian, and Mrs. Clara Schraufnagel, Oakfield.

Families of the parents enjoyed the afternoon and supper at the Loren Bonlender home.

# Mrs. Ida Klein Dies At Age of 99 Years

Mrs. Ida Klein

Ida Klein, nee Seefeld, 99, of Rural Route 1, 305 Hwy. S, Kewaskum, died Thursday, April 26, at the home of her son-in-law and daughter, Mr. and Mrs. Reuben Schultz.

She was born January 18, 1880, in the Town of Kewaskum. She married Fred Klein on March 2, 1908. For most of her married life she and her husband lived on a farm they purchased two miles northeast of Kewaskum. For a short time they also farmed in the Town of Scott.

In 1941 she and her husband moved to another farm 3½ miles northeast of Kewaskum and together with her daughter and son-in-law she spent 26 years on this farm prior to the time it was purchased by the Wisconsin Conservation Department. Since 1967 she has

resided with her daughter and son-in-law in their Town of Auburn home in New Fane.

Prior to and after her marriage she was a seamstress. Because of her great love for family, relatives and friends she was honored with several beautiful citations which were awarded to her by the Seefeld Family Reunion. For many years she had the privilege of being its oldest living member and was able to attend the reunions for 38 consecutive years. She was just as ardent a lover of the Klein Family Reunion and had to miss only the last one in each reunion because of her failing health.

She was a lifetime member of the Ev. Lutheran St. Lucas Church in Kewaskum. She was also an active member of the Ladies Aid for many, many years before she became an honorary member. Presently she was the oldest member of St. Lucas, the church in which she was baptized, confirmed, married and now buried.

Survivors include one daughter, Mrs. Reuben (Sylvia) Schultz; one son-in-law, Reuben Schultz; one son, Frederic Klein; one daughter-in-law, Florida, both of the Town of Kewaskum; four grandchildren, and five great-grandchildren.

She was preceded in death by her husband, four sisters, four brothers and one grandson.

Visitation at Miller's Funeral Home, Kewaskum, was after 4 p.m. Saturday and at the St. Lucas Church from 1:30 p.m. to time of services at 2:30 p.m. Sunday. Pastor Paul Hoenecke officiated. Burial was in Lutheran Memorial Park, Kewaskum.

## WALTER BAUMANN

Walter E. Baumann, 67, Route 2, Kewaskum, passed away at St. Joseph's Community Hospital, West Bend, on Thursday, April 26.

Mr. Baumann was born July 9, 1911, in the Town of Auburn to the late Herman and Martha Kranzke Baumann. On July 6, 1935 he married Rose Kohl-

schmidt in Waukegan, Illinois. He was a retired farmer and also retired as a maintenance worker for the West Bend Country Club, employed there from 1968 to 1977.

Survivors include his wife Rose; one son, Roger, at home; one sister, Clara (Michael) Krueger of Waukesha, Wis.; other relatives and friends. One sister and one brother preceded him in death.

Visitation at Miller's Funeral Home, Kewaskum, was after 4 p.m. Friday and at United Church of Christ Church in Campbellsport from 12 noon Saturday until time of services at 2 p.m. Pastor Darrell Joiner officiated and burial was in the Auburn Cemetery, Campbellsport.

## KHS Spanish Club Spends Weekend At Lake Geneva

The KHS Spanish Club spent April 20-22 in Lake Geneva immersed in what teacher Ms. Linda Bullette described as a Spanish Cultural weekend.

Upon arriving Friday evening the 15 Kewaskum Spanish class students were processed through customs and received "passports" which they were required to carry throughout the weekend. A dance band from Milwaukee provided the music for a "get acquainted amigo gathering" of the six schools and 85 participating students.

Saturday, the students were involved in a number of arts and crafts workshops and had an opportunity to make use of their knowledge of the Spanish language. Keeping in the Spanish tradition, Mexican meals prepared by each of the schools were served at Mexican traditional times. An "aventura misteriosa" or mysterious adventure was held in the afternoon necessitating students to use their knowledge of Spanish to find clues to various questions in Spanish.

On Sunday, after an optional Mass in Spanish was held, the students gathered their crafts and luggage and passed through customs again before returning home.

## Cub Scout Pack 3744

The Cub Scout Pack 3744 meeting was held April 23 at the Kewaskum Middle School.

Den 6 conducted the opening flag ceremony. The summer day camp will be held at Silverbrook Park, West Bend, from August 13 to 17.

The Cub Scouts are to march in the Memorial Day parade on Monday, May 28. They are to meet at the high school at 8:45 a.m.

The boys that sold six or more Scout-O-Rama tickets received a special patch. They were Joel Fleury, Lonny Bath, Tim Bingen and Scott Kulas.

Participation of leaders, Cub Scouts and Webelos was fantastic at the Scout-O-Rama held at Slinger. Our pack received a first place ribbon for award merit honor.

We will be attending a Brewer's game on June 16.

A puppet show was presented by Den 3 and Den 6 had the closing ceremony.

The May pack meeting will be held on Tuesday, May 29, because of the observance of Memorial Day on Monday.

## April Kiwanis Students of the Month

Denise Dean

Leslie Zwick

Denise Dean, daughter of Mr. and Mrs. Paul Dean of Kewaskum, and Leslie Zwick, daughter of Mr. and Mrs. Ellis Krahn of rural Adell, have been chosen as Kiwanis students for the month of April.

Denise was inducted into the National Honor Society as a junior. For four years, she has participated on the girls' golf team. She has been a member of Future Teachers of America for two years and this year serves as president. For the past three years she was involved in prescreening kindergarteners during the summer. Denise has been a member of the AFS Club for two years and of the Spanish Club for three years. This year, she is a member of the yearbook staff.

Leslie was inducted into the National Honor Society this year. She has participated in chorus for four years including Swing Choir and Honors Choir. Leslie has been on the tennis team for three years and participated in track for two years. She has been a cheerleader for three years and this year is captain. Leslie represented her class on the Student Council for three years and this year is Student Council secretary. She was a Spanish Club member for three years. Leslie was involved in the production of "Sound of Music" and "My Fair Lady."

## Junior Women Visit Schools

The Kewaskum Junior Woman's Club has been spending a great deal of time in area schools the past two weeks. Two different areas were presented to the children.

The Home Life Committee, headed by Cheri Ramthun, presented a poison prevention puppet show entitled "Remember Little Jill." Each year, children become sick or die because of misuse of many products found in the home. Because of this misuse of medicines, household products, cleaning agents, etc., the Kewaskum Juniors in conjunction with the Wisconsin Pharmacy Auxiliary and Kennelly Drugs presented the program on respect for medicines and other potentially dangerous chemical substances to all Kewaskum nursery school children, kindergarten, first and second grade children.

"Little Jill" in the puppet show took some of her mother's pills and had to have her tummy pumped out and consequently missed the circus. After the puppet show, the children were divided into small groups to discuss what they had learned and also to learn how difficult it is to tell some pills from candy. Mr. Yuk stickers and antidote sheets were also given to each child to take home.

Woodsy the Owl visited all of the schools also, with the help of the Conservation Committee headed by Isabelle Straub. Woodsy promotes conservation and a clean environment. School children will be coloring pictures and making posters for a contest sponsored by the Juniors. The winners of the contest — one from each grade — will be guests at the May Junior Woman's Club meeting. The Conservation Committee also presented each of the six area schools with a tree for Arbor Day, on behalf of the club.

## Woman's Club Spring Luncheon Well Attended

Forty members and guests attended the spring luncheon of the Kewaskum Woman's Club on April 21. The women were guests at the home of John and Noreta Kluwin on Hickory drive near Kewaskum. The club is grateful for the use of their lovely home.

Many of the guests chose to stay and play cards after the luncheon. Prizes, which were rooted slips of Mrs. Kluwin's many houseplants, were won by the following: Mmes. W. Gruhle, A. Hron, C. M. Rose, L. Oppenorth, W. Bade, J. Rosenthal, R. Pledl, and Mrs. Myrtle Johnson.

The Sixth District Convention at Kiel was attended by Mrs. Bade, Mrs. D. Hlavaty, Mrs. Hron, and Mrs. O. Behnke on April 26. A report on the convention will be made at the final meeting of the season, which will be on Wednesday, May 16, at 7:30 p.m. at the Peace Church.

Art Awards will be presented at the meeting, and the program will be presented by Thor Otto, director of the Exodus House.

Hostesses will be Mrs. M. Martin, Mrs. E. Seifert, Mrs. V. Groh and Mrs. G. Moody.

The Book Discussion Group will meet at the library on May 15 to discuss "Down the Seine, Up the Potomac," by Buchwald, led by Mrs. J. Kluwin. Bring suggestions for books to be read next year.

### MARRIAGE BANNS

Marriage banns have been announced in the Holy Trinity Church bulletin for Jeffrey Melog and Christine Bartz.

## Careers Day Held At Cedar Lake Home

Washington County high school students were invited through their counselors to the Cedar Lake Home Campus to learn more about health care careers.

About 60 juniors and seniors from Germantown, Hartford, Kewaskum, Slinger and West Bend high schools attended Cedar Lake Home's first Career Day.

"Many high school students are concerned about their future and what careers are best suited for them," said Don Stettler, Director of Education at the Cedar Lake Home Campus. "We feel that by informing these young adults what job careers are available at health care facilities and what their educational requirements are, we can help them pursue their interests."

At the opening session, Marian Palmer, Coordinator of Therapy at the Home, stressed that when selecting a career, it is wise to choose one that will be both interesting and rewarding rather than looking only for financial remuneration and fringe benefits.

Students, at the time of pre-registration, chose three career interest areas. On campus they were able to learn and ask questions about the job from professionals and paraprofessionals in each choice.

"For example," said Stettler, "as an extended health care facility, Cedar Lake Home has numerous careers represented, such as: Nursing, Recreational, Occupational, Music, Physical Therapy, Social Services, Medical Records, Business Administration, Dietary Services, Maintenance, Housekeeping, Laundry, Beautician, and Supervising Administration."

"I want to become a Physical Therapist so I figured this would be an excellent opportunity for me to hear from a professional about his job and for me to ask questions about

the work and educational requirements," said one of the students.

"The Cedar Lake Home Campus has a strong commitment to the community and learning. This is one of many ways we feel our campus can help high school students," said Stettler.

The Cedar Lake Home is working with the high school counselors from the five schools represented in making Careers Day an annual event.

### AUXILIARY POLICE UNIT HAS OPENINGS

There are currently several openings in the Kewaskum Auxiliary Police Unit. The Auxiliary Police is a volunteer unit which assists the regular police with tasks that require additional manpower such as picnics, ball games and general traffic and crowd management. Anyone interested in joining the Auxiliary Police may pick up an application at the Municipal Building on week days between 8:00 a.m. and 9:00 p.m.

## Piano and Organ Recital Held Here

The piano and organ students of Eileen Schmiede toured the world in song in a recital held Sunday, April 22, in Kewaskum.

Some of the songs included in the program "Music Around the World," were "California Dreamin'," "Spanish Eyes," "Hungarian Rhapsody," "Song of India," and "Java."

Those participating were: Betty Clark, John Dettmann, Michelle Gebheim, Mike Gebheim, David Kirchstein, Barbara Panzer, Nancy Panzer, Chris Picard, Shelly Picard, James Schiller, Michael Schiller, Carrie Schmiede, Brenda Schultz, John Staskal, Philip Staskal, Isabelle Straub, Mary Straub and Joan Struebing.

Two teenagers were confabing: "My dad is at an awkward age," one complained. "He's too round for his old clothes and too square for his new ones."

**WEEKLY  
Health  
TIP**

from  
Tom  
Leitzke,  
R.P.H.

If you wear glasses, be aware that under slight impact, ordinary glass lenses can shatter into hundreds of dangerous shivers. The National Safety Council advises safety glass--90% of the 500,000 eye injuries each year in the U.S. could be avoided if people wore eyewear with protective lenses. These are of two types: case-hardened glass lenses and resin-plastic lenses, each costing slightly more than plain glass lenses. This is wise insurance for something as valuable as eyesight.

**“With Chek-Sav you don’t have to sacrifice interest just to keep a checking account”**

**Daniel V. Filzen**  
Assistant Vice President & Branch Manager

**The best of both worlds**

When you keep a large balance in your bank checking account, you’ve got nothing to show for it. Except deposit slips and a monthly statement.

Put that idle money to work in a West Bend Savings Chek-Sav account — where it earns the highest interest allowed by law — a full 5 1/2 percent. That’s more than any bank’s automatic transfer account.

A simple phone call transfers

money from your savings account to checking. Or from checking to savings. For most Washington County banks, your money is transferred the same day. And speedy service is available for virtually any bank in the country.

**Control every transaction**

With Chek-Sav you’re in charge. You’ll be given a personal identification number. Use it when you call to transfer funds. You can also transfer money to or from your account at our automatic teller.

Most bank automatic transfer accounts require a substantial minimum balance — or soon will. Only \$100 will keep your Chek-Sav account working free of service charges.

**Available at all seven offices**

Stop in or call about Chek-Sav service at any of our seven Washington County locations: Slinger; Jackson; Kewaskum; Germantown; and three West Bend locations.

## Thull-Kuether

Eileen Elizabeth Thull became the bride of Robert Kuether during a 2:00 p.m. ceremony on Saturday, April 21, at St. Michael's Catholic Church, St. Michaels. Father William Bonesho officiated.

Mrs. Cheryl Meyer was the soloist and the organist was Dave Mlada with Brad Curran playing trumpet and James Thull playing guitar.

Parents of the couple are Mr. and Mrs. William Thull, 2537 Hwy. H, Kewaskum, and Mr. and Mrs. Wesley Kuether,

Manitowoc.

The bride, who was presented in marriage by her father, was attended by her matron of honor, Kathy Wagner. The bridesmaids were Deanna Schmidt, Mary Lou Thull, Connie Thull and Linda Ernst. Deanna Wagner was the miniature bride.

William Thiele served as best man. The groomsmen were John Meyer, Ralph Thull, Michael Thull and Steve Griesbach. Brandon Krueger was the ring bearer.

Ushering duties were shared by Denis Thull and Steven Kuether.

A reception, dinner and dance at Belgium Community Center, Belgium, followed the ceremony.

The bride was employed in the office of the West Bend Company. Her husband is employed in the personnel department of the Manitowoc Company.

The couple spent their honeymoon in Florida and are now residing in Manitowoc.

## Consumer Alert

"Consumers should beware of sales pitches disguised as free gift offers," warned Attorney General Bronson C. LaFollette recently. Some sellers of vacuums, photography plans, cutlery, and magazines are tempting Wisconsin consumers with "free" gift offers that aren't so free, according to complaints received by the Department of Justice Office of Consumer Protection.

### HIDDEN COSTS

Sellers use the free gift as a "door opener" to persuade the customer to buy high-priced goods or services, La Follette said. One example of a "free" gift offer starts with a phone call promising \$100 worth of free film, "if you'll just look at the company's vacuum." After the pitch you're given two rolls of film and a coupon book rather than \$100 worth of free film. After you pay to have these two rolls developed at the dealer specified on the coupon, you then receive two more "free" rolls. When you get these next rolls developed by the specified dealer, you get the next two "free" rolls of film, and so on. The processing cost per roll at this dealer is up to a \$1.50 more than at other dealers. Since the cost of this type of film is usually less than \$1.50 — there's nothing "free" about it.

"Most free gifts depend on the purchase of another product or a package deal involving a lengthy sales presentation and a costly commitment," La Follette said. He added that the seller should tell you what your exact obligation is in order to qualify for something presented as "free."

Another example of a misleading practice involves a vacuum cleaner company which leaves an unmarked postcard at your home with your phone number filled in, stating that you have been "selected" to receive a free gift ranging in choice from appliances, cameras, calculators, terrariums, etc. But in order to find out which gift you "qualify" for you must call a designated phone number before the specified date. The card also states that the offer is for advertising purposes only — no purchases required. However, what is re-

quired is listening to a lengthy sales presentation on the company's vacuum cleaner — after which you can receive the "free" gift.

### WHAT THEY SHOULD SAY AFTER THEY SAY "HELLO"

Before a door-to-door seller says anything other than a short greeting, state law requires that the seller must give you his or her name, the name of the represented company, and the type of product or service that is being offered.

Don't let yourself be cornered by a fast-talking seller who says he wants only ten minutes of your time. State law also requires that a salesperson leave your home when asked to do so. It is against the law for the seller to misrepresent the length of the sales presentation.

### THREE DAY "COOLING-OFF PERIOD"

Under Wisconsin law, a "cooling-off period" allows you three business days to think about the sale and cancel if you wish. This applies to most credit transactions and cash sales of \$25 or more which were solicited and completed away from the seller's regular place of business. To cancel the sale, sign, date, and mail the notice by midnight of the third business day. Keep a copy for your files and to avoid problems, send the original by registered or certified mail.

La Follette said that in many cases consumers are being hassled by the seller when they try to cancel the sale. State law offers this "no questions asked" cooling-off period and urges consumers to report any cancellation problems to the Office of Consumer Protection.

### IF YOU HAVE A PROBLEM

If you feel you were misled or would like a free copy of the "Home Solicitation Selling" brochure, contact the Department of Justice Office of Consumer Protection, 114 East, State Capitol, Madison, WI 53702, (608) 266-1852, or 819 North 6th Street, Milwaukee WI 53203, (414)224-1867.

A huge truck pulled up beside a small sports car stalled along the highway. "What's the matter, Mister?" the truck driver asked, "You out of flint?"

### WCCL TO MEET AT SLINGER

Wisconsin Citizens Concerned for Life, Kettle Moraine Chapter, will meet Wednesday, May 9, at 8:00 p.m., at the State Bank of Slinger, 300 E. Washington Street, Slinger. Rev. Louis Riesch, Superintendent of Cedar Lake Home and widely-known expert in the field of aging, will be the featured speaker giving his "Thoughts on Death." The public is invited.

## Hartmann-Zimdars

Mr. and Mrs. Ewald Hartmann of West Bend and Mr. and Mrs. Earl Zimdars of West Bend are happy to announce the engagement of their children, Hetty and Steven.

Hetty is a 1978 graduate of West Bend West High School and is attending the Fox Valley Technical Institute, Appleton.

Steven graduated in 1978 from Kewaskum High School and is employed at R. T. Gilman, Grafton.

**What a difference a Bilco Door makes!**

Here's the way to add new beauty to your home. Replace that wooden hatchway with a modern, all steel Bilco Door. It's ruggedly built, weather-tight, and so easy for everyone in the family to use! What's more, it will make your basement more secure against intrusion. And it will pay for itself many times over by saving repair and replacement costs.

If your home was built without the convenience of a direct basement entrance, ask us for Bilco's new handbook "How to Add Valuable Living Space to Your Home."

Stop in and see our display. We'll give you free literature on how to do it. Or, we can suggest a man to install it for you.

## Sheriff's Department Issues Warning to Picric Acid Owners

The Sheriff's Department is asking anyone in Washington County that might have the chemical picric acid in their home or place of business to check on the condition of the chemical. If the chemical has crystalized, it is very dangerous and unstable and could explode upon the slightest movement or change in temperature. **Under no circumstances should unauthorized personnel handle picric acid in that condition.**

If you have picric acid in your

inventory and it is in an unstable condition, call the Washington County Sheriff's Department - 338-2121 (West Bend area), 644-5204 (Hartford-Slinger area), or 342-3537 (Germantown area - metro). The Sheriff's Department will arrange for a bomb disposal squad to dispose of the material. If the picric acid is in a container that you cannot see into, **do not open the container** as the movement might explode the acid.

## Mopeds to Be May 'Law of the Month'

Whether or not a fuel crisis is imminent, the Wisconsin Department of Transportation anticipates a moped boom this summer — and an attendant increase in moped accidents, injuries and deaths.

In its "Law of the Month" for May, the Department will focus on the state's new moped laws, in an attempt to educate moped operators and drivers of other vehicles about their respective rights and responsibilities.

Captain Jack W. Jorgensen, Commanding District 2, of the Wisconsin State Patrol, said the State Patrol has two major concerns — that the new law doesn't require special training, therefore there will be a great many novice moped operators at least initially; and that the general public does not fully appreciate the inherent risks involved in this fledgling transportation mode.

Noting that under state law, mopeds are considered to be motor vehicles, Jorgensen cautioned moped operators to obey all rules of the road or face citations, forfeitures, and penalty points against their driving record. Mopeds must be registered, and operators must hold a valid driver's license, he added.

Jorgensen said that until

Wisconsin motorists become accustomed to sharing the road with the smaller, slower vehicles, they will constitute the greatest single threat to the lives and limbs of moped operators. The risks will be greatest in urban areas, where the bulk of moped operation is anticipated, because of the frequency of intersections and heavy traffic.

Moped operators are urged to wear protective headgear to minimize the danger of head injuries in case of accidents, and to wear brightly colored clothing to increase their visibility to other motorists.

Motorists are reminded that mopeds are entitled to full use of a traffic lane, and have all rights, and responsibilities, of drivers of all other motor vehicles.

The State Patrol will strictly enforce the statute prohibiting operation of mopeds on the Interstate, and other controlled-access freeways and expressways.

Other law enforcement agencies are urged to join in the Law of the Month program, which selects a timely law for emphasis each month.

## BIKE-A-THON NOTICE

The March of Dimes Bike-A-Thon scheduled for Saturday, May 5, will be held in Campbellsport only this year.

Kewaskum Jaycees

## Consumers May Check Hair Dryer Listings

"Wisconsin consumers may telephone the Wisconsin Department of Agriculture, Trade and Consumer Protection to determine if their hair dryers are included in a listing of dryers containing asbestos insulation."

That's the word from Mary K. Ryan, consumer protection division administrator with the department, who reports that a list of manufacturers, which are recalling hair dryers or issuing refunds, is also available. She cautions consumers not to take their hair dryers apart to see if they contain any asbestos insulation.

She states that consumers seeking information should have available the name of the manufacturer, the brand name, the model name and the serial number when calling. Information is available from these regional offices: Altoona - 715-836-2861; Milwaukee - 414-464-8581; Green Bay - 414-497-4210 and in Madison 608-266-7228. Persons living in other areas are asked to use the department's toll free consumer hot line number 800-362-3020.

According to Ms. Ryan, the Environmental Defense Fund in Washington has petitioned the U. S. Product Safety Commission to test certain hair dryers to determine if particles of asbestos are emitted at a hazardous rate. The Consumer Product Safety Commission and the National Bureau of Standards are currently testing dryers and are issuing subpoenas to manufacturers asking for more information.

Consumers have swamped the CPSC and hair dryer manufacturers with thousands of telephone calls since the allegations by the Environmental Defense Fund were made public.

"More information will be forthcoming as tests are performed by federal agencies," she concluded.

More than 40 out of every 100 adult American males are armed forces veterans.

## Workshop for High School Students Interested in Conservation Career

If you are a high school student interested in a career in conservation and the outdoors, you have the opportunity to attend a week-long session of the Natural Resources Workshop this summer.

Openings remain for young women and men of high school age who desire work in conservation projects and want to gain experience in the fields of forestry, fire control, fish and wildlife management, park services, law enforcement and environmental protection.

The Department of Natural Resources, with assistance from various private individuals and state and federal agencies, is sponsoring the program. The Natural Resources Workshop sessions will be held at the MacKenzie Environmental Center near Poynette and are scheduled as follows:

—Session I for young men,

June 10-16.

—Session II for young women, June 17-23.

The cost of the workshop is \$90.00 and some scholarship aid is available. For information and applications, write to: MacKenzie Environmental Center, Natural Resources Workshop, Department of Natural Resources, Poynette, Wisconsin, 53955 or call (608) 635-7311 or (608) 635-4498.

## Rescue Squad Calls

Tuesday, April 24 — Walter E. Baumann, 67, 9641 Hwy. 45, Kewaskum, removed to St. Joseph's Community Hospital, West Bend, when he became ill. He was released later and then transported back to the hospital the next day, April 25, by the rescue squad.

## UW-Extension calendar

Sunday, May 6 — Reception, Regional Art Show, West Bend Gallery of Fine Arts.

Sunday, May 6-Saturday, May 12 — National Extension Homemakers Week.

Tuesday, May 8 — 7:30 p.m. Money Management Workshop, Washington County UW-Extension, 515 E. Washington St., West Bend.

Wednesday, May 9 — 7:45 p.m. Environmental Council Meeting on "Water Quality Overview," West Bend Marine Bank.

Thursday, May 10 — 8 p.m. Natural Landscaping Workshop, UWWC Campus, Main Building, Room 201, West Bend.

Wednesday, May 16 — 7:30 p.m. Orientation for Citizenship-Washington Focus, Germantown Village Hall.

Friday, May 18 — Sunday, May 20, 4-H Camp Counselor Workshop, Camp Upham Woods.

Tuesday, May 22 — 7:30 p.m. Washington County Extension Homemakers Spring Council, State Bank of Slinger.

Wednesday, May 23 — 7:30 p.m., Washington-Ozaukee County 4-H Camp Committee, 4-H Office, West Bend.

Monday, June 4 — Deadline Entry Date, June Dairy Bake-Off Contest.

June 5, 6, 7 — College Week for Women, UW-Madison Campus.

For more information, contact the Washington County UW-Extension Office, P.O. Box 537, West Bend, Wis. 53095; phone 334-3491, 644-5204 or 342-2929.

## Taking Registrations For YMCA Tot Time

Do you have an inquisitive, curious three or four or five year old? The Kettle Moraine YMCA Tot Time program may be just what you're looking for.

This pre-school program offers a wide variety of physical, social and intellectual activities. In seeking to foster the growth of the total child, the children are exposed to many varied and creative activities in areas of language, mathematics, science, large motor skills, art, music, dramatic play, cooking and other areas. Trained teachers are assisted by the parents on a rotating basis.

The YMCA is now taking registrations for the 1979-1980 nursery school program year. If you and your child are interested, please call the YMCA at 334-3405.

# TELL SOMEONE YOU LOVE ABOUT POWER LINES.

Children get into lots of things. And that's to be expected.

But sometimes they get too close to power lines. And that's to be prevented.

Talk about it. Take the time to tell someone you love about power lines.

Explain how careful they have to be. That they should never climb trees that are near power lines. Or climb poles or towers that hold power lines. And that those wood "telephone" poles carry electricity, too.

Warn about flying kites near

power lines. And make sure they know that if the kite should get caught on power lines, they should not try to get it down. Explain that they should never fly model airplanes near power lines, especially when a metal wire is used to fly them.

And be sure to say that if they ever see a power line down to get away from it immediately and come and tell you so you can report it.

Give someone you love this short course in self-defense:

When it comes to power lines, keep your distance.

**WE** Wisconsin Electric

# LETTERS TO THE EDITOR

To the Editor  
Kewaskum Statesman  
Kewaskum, Wisconsin

Do we have to put up with destructive-punk kids?

Approximately three and a half years ago we constructed an office building with the help of a bank loan that will take us many years to repay. The lot allows for ample parking now and for the future and conforms to our village ordinance. To say the least, we are thankful to the good Lord that we can afford this possession.

Several tenants occupy the building with us, and we are again fortunate to have "caring" people to share this building.

Through these few years we have landscaped, blacktopped, and planted grass, shrubs, and hedges as we could afford it, and gradually constructed modest signs to display the name of the building and the occupants.

Herein lies our problem: though this is private property, it has become a "hit" area for a few punk kids who, like many other children and adults, use our blacktopped property (a'ng with our neighbors') for a short cut from their homes to go to school and down town. We don't mind children or adults using the blacktopping for a walkway; no harm in walking on it, but we have become greatly disillusioned about owning business property, and now understand what so many other business and property owners have to put up with here in our (once quiet and peaceful) village of Kewaskum.

On Friday night, April 20, two signs were maliciously wrecked, lettering on the building was pulled off, and a privet hedge on the south side of the building was pulled apart and broken off, as if some insane person were seeking revenge. Insurance coverage on outdoor signs runs high in premium and has a rather large deductible. The point is, we have to pay for the repair and replacement from our net earnings, and every time damage is done, we pay for its repair again and again, since it usually is under the deductible amount. In the first couple of years a visible two-wire fence was strung to (hopefully) keep the Bel Ric Acres traffic from walking on the freshly seeded and soft bank next to the highway. A black-topped chute was paved to allow children to walk or ride down this path and for water runoff. The fence was repeatedly cut

down or pulled apart, depending on the destructive kids' ire. On the south side we continually string a wire to keep people from wrecking the hedge that was planted a couple of years ago. The wire again is cut or forcefully ripped apart and/or posts pulled out, and many of the new plants have been pulled out from time to time.

Most of you reading this will ask, Why? My family, tenants, and co-workers have also asked the same question, Why? Why would anyone get a kick out of destroying someone else's property, especially when they are free to use that property for a short-cut walkway? What in the world has happened to some of our young people's courtesy, respect for others, and decency? If they attend any one of our three fine churches, they will have frequently heard that it is a Christian's attitude to "do unto others as you would have them do unto you."

Maybe herein lies the problem: some young people don't go to church, and their parents haven't taken the time or pressed them to learn the difference between right and wrong, and that by doing wrong they could harm others for no reason, that they could be punished by our Civil Authorities, or acquire a record that will be on their consciences the rest of their lives.

We now have the names of two of the persons who are responsible for the latest damage. We are sure there was at least one more, and we know of a person who will bear witness. We are asking other good and decent citizens who know about the above incident on Friday night, April 20, to contact me, and if your testimony will assist us in getting the necessary evidence, you will be reimbursed for your time and offered a bonus.

May we ask that as the spring and summer progress, all citizens and business people who realize that their property can be vandalized, band together

and become good solid sources of factual information, giving this information to the Chief of Police or his representatives.

We trust we can count on your help. Once the culprits or young criminals know we mean business, perhaps we will be able to open our new Park and Bathhouse without having to post full-time guards to protect our public (Village and School) and private property from the very same persons who have the use of the facilities.

One final suggestion: We haven't lost faith in our Police force, but they are hampered with only one squad car. On certain nights of the week, especially during the Spring and Summer, it would be wise to at least have two officers ride together and have a second car (preferably unmarked) situated in another area in the village to help out, especially on nights when there are functions at school that turn into "out of school" wild parties, and when free beer is served the same night at a local establishment.

Come on, let's all work together. We know there is much more good than evil.

A Very Concerned Taxpayer,  
Orv Behnke

DEAR EDITOR:

Occasionally, you hear people advocating a ban on agricultural chemicals. They assume the insects and weeds, that otherwise ravage our crops, would co-operate. If you doubt the outcome of unwaged war against nature, think about it under a Dutch Elm tree. If you can find one.

Fortunately, we do have ag chemicals. And, fortunately, people who use them are the best environmentalists in the country. Nobody cares for our natural resources better than the American farmer. Not only does he use chemicals to battle pests and disease, but to save fuel and labor. In other words, by keeping production up,

chemicals help hold prices down.

Of course, chemicals are just one aspect of the farmer's over-all program. He also uses disease-resistant hybrids and modern tilling practices to fight the battle against pestilence. Meanwhile, let's not turn the pursuit of better and safer chemicals into a blight of excessive and needlessly expensive regulations.

Sincerely,  
Mrs. Robert Held  
Washington County  
Farm Bureau  
Farm-City Committee

## Kewaskum Hosts Dinner Meeting Of Women Voters

The League of Women Voters of Washington County held their annual dinner and meeting on April 5 at the Glacier Inn in Kewaskum. Following dinner, the general membership heard committee reports on League activities from the past year, acted on the new budget, discussed local program possibilities and elected their new officers and board of directors.

The new leadership of the League will be directed by Joan Rudnitzki (President), Marilyn Sawyer (Treasurer) and Margaret Hotz (Secretary). The board of directors include Lillian Fischer (Voter Service), Gail Tully (Membership), Jan Stewart (Unit Chairman), Bonnie Hensel (Natural Resources), Maggie Stevens (Publications) and Jean Gettleman (Voters Rights).

Because of the need for more citizen involvement in government, the new board of League has decided to concentrate its efforts on a political awareness campaign. The League will attempt to reach all segments of the voting population and offer any help or services regarding governmental questions or problems. For more information about the League of Women Voters in Washington County, call Joan at 338-1958 or Gail at 338-8345.

## Bicycle Safety Clinic May 5 & 12

The Kewaskum Junior Woman's Club with the assistance of the Kewaskum Police Department and the Auxiliary Police, is sponsoring a Bicycle Safety Clinic on two Saturdays, May 5 and May 12, at the Kewaskum Middle School.

On May 5 at 10:00 a.m. there will be a film and talk by Officer Richard Knoebel followed by a written test. On May 12 at 9:00 a.m., children will bring their bikes to the Middle School parking lot where they take a road test and receive a certificate if they have passed both tests. At this time, they may purchase a license for their bike for fifty cents.

All children in grades two and up are welcome.

**Farmers Intend to Plant Record Crops**

The April "Prospective Plantings" report, just issued by the Wisconsin Agriculture Reporting Service, indicates that state farmers plan to plant record corn and soybean acreages in 1979.

According to Carrol D. Spencer, state-federal statistician with the Wisconsin Department of Agriculture, Trade and Consumer Protection, Wisconsin farmers intend to plant 3.9 million acres of corn in 1979. This would be 4% more than planted last year, but 100,000 acres fewer than indicated on the January 1 survey. If intentions are realized, farmers will plant 50,000 acres more than the previous record high planted in 1977.

State farmers now plan to plant 300,000 acres of soybeans this year, an increase of 36% from 1978 and the largest soybean acreage ever planted in the state. Soybean growers indicated in April that they will raise 25,000 more acres than had been indicated in January.

Farmers showed no change in their intended plantings of spring wheat and barley from January to April, but they reduced intentions for oats by 100,000 acres. Spring wheat is expected to total 17,000 acres, up 4,000 acres from last year while barley acreage is planned at 27,000 acres, a decline of 1,000 acres from 1978. Expected oat acreage is 1,150,000 acres, down 8 percent from last year. Hay acreage may remain unchanged from the 4 million acres harvested last year.

Spencer reports that potato growers have indicated that they will plant 57,500 acres of potatoes this year, 1,500 acres less than last year. Grower intentions, however, may be revised depending on the demand for other vegetable crop contracts, current potato prices compared with cost of production and the effect of the April intentions release.

Field crop acreages may also vary from the April 1 survey due to weather conditions, commodity prices and other factors.

All World War vets are cordially invited.

**Moisture Is Top Cause of Crop Loss in Washington County**

Excess moisture and drought are the top causes of crop loss in the state of Wisconsin and Washington County, according to Vernon Teske, Federal Crop Insurance agent for the county. He added that Thursday, May 10, is the deadline for signing up for Federal Crop Insurance protection on soybeans in the county. All other crops in the state of Minnesota closed in March and April. Records of Federal Crop In-

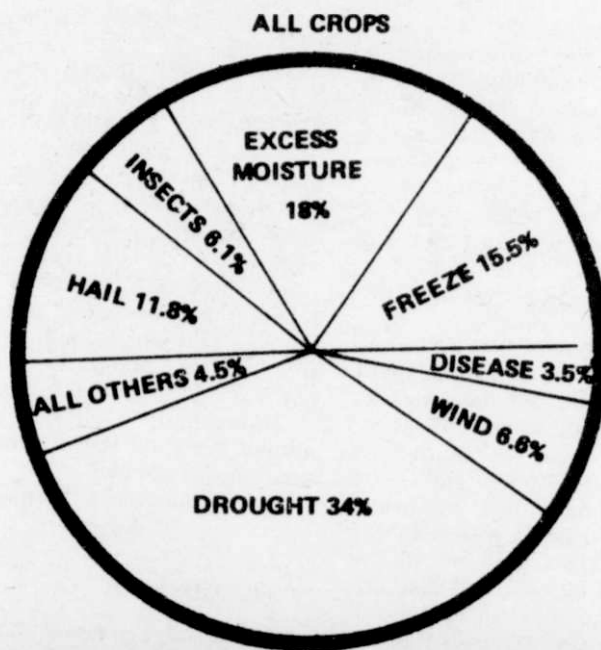

urance losses show that over half of all crop loss payments have been due to too much or too little moisture. Freezing and frost with 15 percent and hail with 11 percent have been second and third in farming risks according to the records.

For information on rates and dollar selections for soybean insurance available in the county, farm operators should contact their FCIC office at 1060 Tenth Avenue in Baldwin. The phone number is (715) 684-2832.

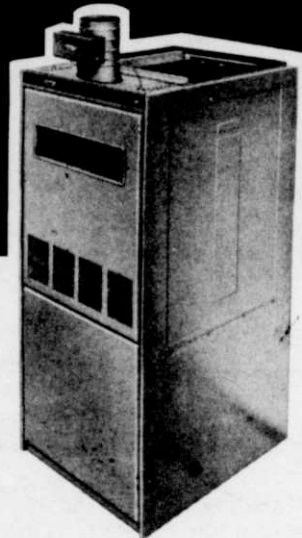

Premiums for the all-risk Federal Crop Insurance are set as low as possible to cover losses in the state, since it is a non-profit self help program sponsored by the USDA. Farmers do not pay for the protection until after the harvest.

Nylac cleans kitchen carpeting beautifully in 15 minutes. Dry in one hour. No machine. Ask Miller's of Kewaskum.

### Top County 4-H Speakers Named

Keith Braun of the Badger Boosters 4-H Club of West Bend and Amy Flynn of the Happy-Go-Lucky 4-H Club of the Farmington area were named the top boy and girl in the County 4-H Speaking Program. Speakers from 4-H Clubs throughout Washington County participated in the event.

The theme of the program was "Safety" with ideas expressed by speakers ranging from safety in the home to water safety, food safety and many other topics. Caroline Doll of the Addison Achievers 4-H Club of Allenton was the runner-up speaker receiving a blue rating in the Senior Division for 15-18 year olds. Speakers receiving a red rating included Tim Peterson, B-Mer-E; Karen Peters, Good Luck, and Greta Stearns, Kirchhayn Trotters 4-H Club.

In the Intermediate Division for 12-14 year olds, Katy Christy of the Good Luck 4-H Club was given the best speaker award. Others in that division receiving blue ratings were Jackie Erickson, Good Luck, and Sandy Secor, Happy-Go-Lucky 4-H Club. Members receiving red ratings were Theresa Leppla, Badger Boosters, and Glenn Hupfer, B-Mer-E 4-H Club. Mike Doll, Addison Achievers, and Ellen Hetebrueg, Myraneers, received white ratings.

In the Junior Division for 9-11 year olds, the members receiving the top speaker award were

Tammie Ewert of Addison Achievers and Cindi Rauh, Badger Boosters. Other members receiving blue awards included J. Reed Hildebrand, Good Luck, and Colleen Curry, Good Luck.

In addition to the speeches, the county program included a poster display. Members receiving blue ratings in the Senior Division included Caroline Doll, Addison Achievers; Sue Rauh, Badger Boosters; John Dettmann and Joanne Arndt, Happy-Go-Lucky; Martha Kriepps, Hilltoppers; Sally Krueger and Dawn Schmidt, Kirchhayn Trotters; Janet Rosenthal, Kohlsville Pioneers, and Jill Etta, Wayne Crusaders.

Members receiving blue ratings in the Intermediate Division for 12-14 year olds included: Mike Doll, Addison Achievers; Jim Rodell, Jr., Badger Boosters; Glen Hupfer and Mary Jo Hupfer, B-Mer-E; Scott Schoeni, Sr. Hi-Lite Happy Workers, Jeff Guyant, Myraneers; Sue Lemke, Riverside, and Chris Weinert, St. Lawrence Eager Beavers.

Blue Award winners in the Junior Division for 9-11 year olds included Bobby Stommel, Addison Achievers; David Prochnow and Julie Rodell, Badger Boosters; Sharon Land and Laurie Jones, B-Mer-E;

Teri Clyse, Good Luck; Pat Indermuehle, Kirchhayn Trotters; Jonathan Haldeman, Kohlsville Pioneers, and Scott Schneider, Myraneers.

A special thanks is extended to members of the West Bend Toastmasters who evaluated and critiqued the talks. Toastmasters that evaluated the talks were Hans Schmelzing and Wayne Dwyer. Mrs. Sharon Zaporski evaluated the posters.

The speaking and poster program is conducted by the 4-H Leaders Committee which includes Paul Cypher, Chairman; Mrs. Norbert Dettmann, Mrs. Robert Guelig, Eileen Bruni and Hope Cross. Awards for the speakers were presented by the Belle Albright Memorial Committee. Linda Matenaer, Amy Nigh, Carey Dogs and Carol Proeber of the Good Luck 4-H Club served as emcees for the speaking program. John Dettmann, Joanne Arndt and Eileen Bruni were in charge of the poster program.

A psychiatrist asked his patient what dream she had the night before.

She replied, "I didn't have any dreams at all."

Psychiatrist: "Madam, I can't help you if you won't do your homework."

### Television Violence

There has been good news and bad news regarding the levels of violence on television. The good news is that the levels of violence depicted on television programs have dropped sharply in recent years. The bad news is that violence still is evident in two-thirds of all prime time television shows and in nine of ten weekend morning shows.

Arrest statistics show that from 1967 to 1976, juvenile arrests for violent crimes increased by 100%, but adult arrests for the same crimes increased by 65%. Currently, one-half of all serious crime arrests involve youngsters between the ages of 10 and 17.

Part of the blame for this trend has been laid on television violence seen by our children. This is especially significant since teenagers watch an average of 22 hours of television per week and children watch an average of 24 hours per week.

While many psychological studies of the correlation between television violence and violent crimes are not totally conclusive, others have suggested that television violence is, indeed, a contributing factor to aggressive criminal behavior by children. There is enough evidence, I believe, to warrant our concern.

In recent years the National PTA has worked with television program sponsors and network officials to reduce the violence shown in prime time programs. This is a commendable effort.

Programmers should be more careful about depicting violence on television. However, parents

should also be more responsible for what their children watch on television. It is a matter of concern for all of us.

### 35 Students From County Participate In Tractor Course

Thirty-five students from Washington County participated in the Tractor Operator Certification Program. This program was held during the months of March and April at West Bend High School.

The purpose of the program was to provide the students with information on maintenance, safety and operation of farm tractors and equipment. Wisconsin law requires that individuals 14 to 16 years of age need to be certified before working for others and operating farm equipment.

The Tractor Certification Course was coordinated and taught by the Washington County University Extension Office and the High School Vocational Agricultural Instructors in Washington County.

The final session of the program involved a driving test. Tractors and equipment furnished for this part of the program were courtesy of West Bend Implement.

**Minutes of Village Board Meeting**

Mid-Monthly Meeting  
April 16, 1979  
8:00 P.M.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building.

President Charles F. Miller presided. Trustee Herriges had asked to be excused and was absent. All other Trustee Members were present.

The minutes of the meeting of April 2 were approved as printed upon motion by Trustee D. Nigh, seconded by Trustee Mark Kral. Voice vote was unanimous.

Charles Miller was authorized to pursue the finalization of the Bankers Agreement between the Village, Howard Laubenstein and Joseph Butschlick even though his term of the presidency will be expiring. Motion by Trustee Schmidt, seconded by Trustee Danielsen. Voice vote was unanimous.

**ORDINANCE NUMBER 79-1  
AN ORDINANCE AMENDING THE SUBDIVISION AND PLATTING ORDINANCE OF THE VILLAGE OF KEWASKUM**

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, do ordain as follows:

To create Section 18.062 (15) of the Subdivision and Platting Ordinance of the Village of Kewaskum, as follows:

(15) SIDEWALKS. After the installation of all utilities, the subdivider shall construct sidewalks according to specifications provided by the Village Engineer.

Dated this 16th day of April, 1979.

Introduced by Trustee Daniel Schmidt

Motion for adoption by Trustee Donald Mlodzik

Motion for adoption seconded

by Trustee David Nigh  
Roll call vote 6 "Aye"  
0 "Nay"

President Miller, by virtue of the following two proclamations, named the month of May as "Recycling Month" in the Village of Kewaskum:

**PROCLAMATION**

WHEREAS, The Kewaskum Lions Club has since June of 1975 conducted a monthly paper drive in the Village of Kewaskum; and

WHEREAS, These paper drives have collected approximately 428,000 pounds of newspaper and other paper products; and

WHEREAS, This recycling has saved the Village of Kewaskum considerable time and funds by eliminating the need to put these materials in a landfill site; and

WHEREAS, The environment and natural resources of our country are conserved by this re-using of paper that would only be discarded; and

WHEREAS, This organization has since its inception enriched the community by its many projects and services; and

WHEREAS, This commitment to recycling has cost the Kewaskum Lions Club much time and effort;

NOW THEREFORE, I, Charles F. Miller, by virtue of the authority vested in me as president of the Village of Kewaskum hereby proclaim the month of May as

**RECYCLING MONTH**

in the Village of Kewaskum, and urge all citizens of this great community to recycle their newspapers and other paper products and otherwise show support and cooperation so that this first step toward a more permanent solution to our country's solid waste problem will continue.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the Village of

Kewaskum to be affixed this ninth day of April 1979.

Charles F. Miller  
Village President

**PROCLAMATION**

WHEREAS, The Kewaskum Junior Women's Club has since May of 1974 operated a recycling center in the Village of Kewaskum; and

WHEREAS, This recycling center has collected since May of 1978 45,600 pounds of glass, 19,860 pounds of tin, 196 pounds of aluminum, 384 cases-9,216 Miller beer bottles; and

WHEREAS, This recycling center has saved the Village of Kewaskum considerable time and funds by eliminating the need to put these materials in a landfill site; and

WHEREAS, The environment and natural resources of our country are conserved by this re-using of materials that would only be discarded; and

WHEREAS, This commitment to recycling has cost the Kewaskum Junior Women's Club much time and effort; and

WHEREAS, This organization has since its inception enriched this community by its many projects and services;

NOW THEREFORE, I, Charles F. Miller, by virtue of the authority vested in me as president of the Village of Kewaskum hereby proclaim the month of May as

**RECYCLING MONTH**

in the Village of Kewaskum, and urge all citizens of this great community to recycle their glass, tin and aluminum and otherwise show support and cooperation so that this first step toward a more permanent solution to our country's solid waste problem will continue.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the Village of Kewaskum to be affixed this ninth day of April 1979.

Charles F. Miller  
Village President

The agreement between U. S. Steel Supply and the village for the fencing of the ball diamonds and the tennis courts in the Kewaskum Kiwanis Community Park was tabled upon motion by Trustee Mlodzik, seconded by Trustee Danielsen. Voice vote was unanimous.

Upon the recommendation of the Equipment Committee, motion was made by Trustee Schmidt, and seconded by Trustee Mlodzik that the Village accept the proposal of West Bend Implement Company, West Bend, for the purchase of a tractor-loader-mower for the total cost of \$15,374.00. Roll call vote was 6 "Aye" and 0 "Nay."

A proposed ambulance service ordinance will be finalized at a later date.

The installation of an additional street light on First Street, was discussed and referred to committee.

Peter Albers was authorized to advertise for proposals for the possible purchase of a monitoring system for the sewage lift stations and the water pump stations. Motion by Trustee Mlodzik, seconded by Trustee Kral. Voice vote was unanimous.

A partial payment of \$4,500.00 to Frank K. Krueger Plumbing for the new boiler for the Municipal Building was authorized upon motion by Trustee Danielsen, seconded by Trustee Schmidt. Roll call vote was 6 "Aye" and 0 "Nay."

The disputed water and sewage bills of Kathryn Gruendeman and Mrs. Maud Rose were referred to committee.

President Miller reported that during a telephone conversation to the Commissioner's office, the Chicago office of the EPA had advised the village that a final payment in the amount of \$20,533.00 on the village's waste water treatment plant grant had been authorized and that payment would be made in the near future.

Peter Albers was authorized to proceed with the waste water treatment plant modifications

on a time and material basis. Motion by Trustee Danielsen, seconded by Trustee Mlodzik. Voice vote was unanimous.

Supt. Bilgo was authorized to obtain prices for the purchase of a leveling device.

Supt. Bilgo reported on the amount of vandalism in the new park area and bathhouse and other areas of the village.

Paul Behring was authorized to seek permission from the Wisconsin Department of Transportation to barricade Main Street from U. S. Highway 45 east to the railroad tracks for Krazy Daze.

Trustee Schmidt gave a report on the progress being made on the development of the Kewaskum Kiwanis Community Park and he also reported that the local FFA had volunteered to build benches for the walkways and the ball diamonds in the new park area.

Motion was made by Trustee D. Nigh, seconded by Trustee Schmidt that the Commissioner be authorized to forward a letter to Regal Ware requesting the funds appropriated by Regal Ware for the construction of the two ball diamonds in the new village park. Voice vote was unanimous.

In a prepared statement read to the Board, Trustee Schmidt thanked everyone for having the privilege of serving on the Village Board, that for him it was a rewarding experience and he wished the newly elected Trustees and the President the best of luck.

Upon motion by Trustee Schmidt, seconded by Trustee D. Nigh and unanimously carried, the Board adjourned sine die.

William S. Martin,  
Commissioner

**ADVERTISEMENT FOR BIDS**

Village of Kewaskum  
Washington County, Wisconsin

Separate sealed bids for the furnishing and installation of alarm monitoring equipment for the Village water and wastewater systems will be received by the Village of Kewaskum at the Village Hall, 204 First Street until 8:00 P.M. (Daylight Savings Time) May 7, 1979 and then at said office publicly opened and read aloud.

System specifications may be obtained by contacting Mr. William Martin, Village Clerk.

The contract shall be subject to Section 66.293 of the Wisconsin Statutes pertaining to minimum wage scales.

Prequalification of Bidders is not required. Each proposal must be accompanied by a bid bond or certified check equivalent to 5% of the maximum proposal.

April 19, 1979

William Martin,  
Village Clerk

**PUBLIC NOTICE**

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, May 7, 1979, at 8:00 p.m. in the Council Room of the Municipal Building, 204 First Street.

The agendas for meetings are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and in the lobby of the Valley Bank.

William Martin, Clerk

**TOWN OF KEWASKUM  
BOARD OF REVIEW**

Notice is hereby given that the Board of Review of the Town of Kewaskum will be held at the Town Garage, 9340 Hwy 45, between the hours of 6:00 p.m. and 10:00 p.m., on Monday, May 14, 1979.

The Town Board will check the assessment roll for errors and omissions. Taxpayers may file objections to assessment at that time. Appointments for any other time may be obtained from the Town Clerk by calling 626-2550.

## Prospects for Opening of General Fishing Season on May 5 Look Good

Prospects for the opening of the general fishing season in Wisconsin on May 5 look good at this time, according to Bureau of Fish Management personnel.

The season, except for panfish and trout, begins at one minute past midnight on May 5. The trout season does not open until 5:00 a.m. on that date. The panfish season is open all year.

Fish managers point out that the late spring could result in colder than usual water temperatures for the opening causing some species to be less active than they usually would be. Also, in some areas, water levels may be higher than normal. On the other hand, although the weather this past winter looked bad for the development of widespread winterkill conditions, the incidence of severe winterkill was limited this year and many lakes which ordinarily do have quite heavy winterkill losses came through in good shape.

There is an error on page 16 describing the inland waters seasons in the 1979 Wisconsin Fishing Regulations pamphlet. The 7th line of type on that page, "Extended season on listed trout lakes and ponds," instead of being opposite the date, June 1 to September 30 should be dropped down one line so that it is opposite the date October 1-November 15.

Anglers are also advised to heed the advisory on eating certain species of fish caught in designated waters because of contamination from polychlorinated biphenyls (PCBs). The species and waters are listed on pages 22 and 23 of the 1979 fishing regulations pamphlet.

According to DNR law enforcement personnel, two of the most common fishing season violations resulting from a lack of knowledge of the rules are "fishing without a license" and "violation of various boating regulations."

Remember that all Wisconsin residents 16-years of age through 64-years of age are required to purchase a license to fish in the inland, boundary and outlying waters of Wisconsin. Nonresidents 16-years of age and older are required to purchase a fishing license. In the case of both residents and nonresidents, persons under 16-years of age are not required to purchase a license.

Senior citizens, when fishing, should have in their possession either their Senior Citizens Recreation Card or the free fishing license which was issued to them.

And, all persons, both resident and nonresident, who are required to purchase a fishing license to fish in Wisconsin, are also required to purchase a \$2.50 trout stamp if they plan to fish trout in Wisconsin's inland waters.

If you use a boat in your

fishing activity, be sure that you have the required personal flotation devices (life preservers) aboard the craft. Also, know and obey the "rules of the road" of boating. A Wisconsin Boating Regulations pamphlet, available at DNR offices around the state, does not contain a complete set of all the boating laws but does provide you with the essential information.

Good luck on the May 5 opener!

## Wisconsin Outdoors and Conservation News

**SOUTHEAST**  
SHEBOYGAN COUNTY  
WASHINGTON COUNTY  
OSHAUKEE COUNTY  
WAUKESHA COUNTY  
MILWAUKEE COUNTY  
WALWORTH COUNTY  
RACINE COUNTY  
KENOSHA COUNTY

The smelt are running in Lake Michigan off the southeastern counties, but the run in Lake Superior off the northwestern counties is not expected to begin for about two weeks. Anglers are enjoying some trout action in Lake Michigan from Door County to the lakeshore counties in the southeast.

### Southeast District

Smelt are running on the Lake Michigan shoreline in Racine and Kenosha counties. Some smelt are being taken in the Sheboygan and Port Washington area. However, the peak is yet to come. From Sheboygan to the Illinois line suckers are finished running. Mostly brown trout and some rainbows are being taken in Lake Michigan, particularly off warmwater discharges such as the Oak Creek power plant in Milwaukee County. Most browns and rainbows are running to the 2 to 8 pound class. Some nice brook trout are being taken off Sheboygan shores. There have been some nice catches of northerns at the Wilmot Dam in Kenosha County. Crappie fishing has been good in most inland waters, particularly in ditches and channels in Racine and Kenosha counties. Other panfish fishing is fair throughout the District.

### Horicon Area

Dodge County — Good perch and crappie fishing are reported on the north end of Beaver Dam Lake.

Fond du Lac County — Anglers are taking northern pike on Supple Marsh and in Big Hole. Bullheads are beginning to move in the shallows and are being caught in the Fond du Lac River. Anglers are starting to take a few walleyes in Lake Winnebago.

A dog will promptly drop a toad from its mouth because the toad oozes a milky, distasteful fluid when it is frightened.

## Kewaskum to Have Ball Team In Two Leagues

The Tri-County Nite Baseball League will open its 19th season of play May 9 when 10 of the 13 teams see action.

League openers will include Slinger vs. Juneau, Oconomowoc at Watertown, Ashippun at Horicon, Lebanon at Mayville, and Johnson Creek at Hustisford.

West Bend will begin its season the following week hosting Waupun on May 16.

Kewaskum, returning to the league after a one year absence, will be managed by Ron Theusch and opens its season May 17, hosting Johnson Creek.

The Kewaskum team has also entered the Land o' Lakes Northern Division League.

## 1979 Ladies Slow Pitch Schedule

### Division I

## May Proclaimed Bike Safety Month

Governor Lee Sherman Dreyfus has proclaimed May as "Bicycle Safety Month" in Wisconsin.

The chief executive points out in his proclamation:

"During the past five years an average of twenty-nine bicyclists have been killed and an average of 1,708 bicyclists have been injured each year in accidents involving motor vehicles and bicyclists in the State of Wisconsin."

"The bicycle has outsold the automobile during three of those five years, adding more bicycles to the traffic mix on our state highways."

"The bicycle has become an important mode of transportation through such activities as recreation, physical fitness, commuting, and touring."

"The bicyclist has the right by state statute to expect to be given a shared portion of the

roadway without encroachment by motor vehicles."

"The motorist has the right to expect the bicyclists will share the roadway with them in a lawful and predictable manner."

Governor Dreyfus concludes by urging "all governmental agencies, civil/service organizations and concerned citizens to make a concerted effort to make bicycling a safer activity in Wisconsin, through programs aimed at both young and adult bicycle operators and motor vehicle operators, so that improved sharing and mutual respect will exist on our Wisconsin roadways."

Don Gehrmann, state highway safety coordinator, reports that in Wisconsin in 1979, up through Monday, April 23, no fatal bike mishaps have occurred, compared to three during the same period last year.

### A PROCLAMATION

WHEREAS, during the past five years an average of twenty-nine bicyclists have been killed and an average of 1,708 bicyclists have been injured each year in accidents involving motor vehicles and bicyclists in the State of Wisconsin; and

WHEREAS, the bicycle has outsold the automobile during three of those five years, adding more bicycles to the traffic mix on our state highways; and

WHEREAS, the bicycle has become an important mode of transportation through such activities as recreation, physical fitness, commuting, and touring; and

WHEREAS, the bicyclist has the right by state statute to expect to be given a shared portion of the roadway without encroachment by motor vehicles; and

WHEREAS, the motorist has the right to expect the bicyclists will share the roadway with them in a lawful and predictable manner;

NOW, THEREFORE, I, LEE SHERMAN DREYFUS, Governor of the State of Wisconsin, do hereby proclaim the month of May 1979

### BICYCLE SAFETY MONTH

in the State of Wisconsin and I urge all governmental agencies, civil/service organizations and concerned citizens to make a concerted effort to make bicycling a safer activity in Wisconsin, through programs aimed at both young and adult bicycle operators and motor vehicle operators, so that improved sharing and mutual respect will exist on our Wisconsin Roadways.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Wisconsin to be affixed. Done at the Capitol in the City of Madison this third day April in the year of Our Lord one thousand nine hundred seventy-nine.

Lee Sherman Dreyfus  
LEE SHERMAN DREYFUS

By the Governor:  
V. R. PHILLIPS  
Secretary of State

## Lakes Champs Kewaskum, Falls Win Against All-Stars Here

The Land o' Lakes Division "A" and "B" all-star basketball games were held in Kewaskum Saturday night with both championship teams gaining victories.

In the first game Kewaskum, led by the scoring of Bob Mertz, 27 points; Ken Loest, 27; Tom Edwards, 22, and Dennis Pieper, 20, defeated the "B" Division stars, consisting of members from the other teams in the division, 121-108. Rollie Kitt of Port Washington and Ron Held of Slinger led the all-stars with 28 and 26 points respectively.

In the Division "A" contest, with stars from Cedarburg, Thiensville-Mequon and Oconomowoc participating, they couldn't stop the champion Menomonee Falls Badgers, who won in a close one, 97-93. Former Marquette ace, Bob Wolf, the league scoring champion, paced the Badgers with 37 points, and Bruce Lanser chipped in 26. Steve Van Dyck of Cedarburg led the stars with 30 points.

These two all-star games and the league banquet on Sunday evening mark the end of the Land o' Lakes season.

## Golfers Lose to Kettle, Second In Quadrangular

Kewaskum's golf team ran into a good Kettle Moraine squad at Wales last Wednesday. The Indians came up with 176, which wasn't enough to match the Lasers' 163.

Kevin Owens of Kettle took medalist honors with a three over par 38. All of their other golfers came in at 43 or better. Scott Rohlinger paced the Indians with 41. Bob Nigh had a 44, as did freshman Brian Larsen. Soph Jim Rohlinger rounded it out with a 47.

**KETTLE MORAINE 168**  
**KEWASKUM 176**  
 Kettle — Owens 38, Ott 41, Foltz 41, Feltz 43  
 Kewaskum — S. Rohlinger 41, Nigh 44, Larsen 44, J. Rohlinger 47  
**JV RESULTS — Kettle 179;**  
 Kewaskum 218, Dominguez 48, Goidel 58, Schuette 57, Schmidt 58.

In a Scenic quadrangular at Grafton Edgewater Thursday, some good scores were turned in. The host Blackhawks won the meet with a 4-man total of 169, only two strokes ahead of Kewaskum. Mayville, defending champions, placed third with 173 and Slinger was far back with a 201.

Grafton had all its players in the low 40's. Kewaskum had its four counters all within four strokes of each other. Scott Rohlinger led with 41, followed by Nigh with 42, Jim Rohlinger 43 and Larsen 45.

The two top teams will meet the top two from the southern quadrangular later in the season.

## Kewaskum Receives Awards at Lakes Basketball Banquet

The Land o' Lakes Basketball League annual awards banquet was held Sunday evening, April 29, at Reuter's Supper Club in Germantown.

Kewaskum was awarded the first place championship trophy in the "B" Division which they won with an 8-5 record. The Menomonee Falls Badgers took the "A" Division grand championship trophy with a 12-1 mark.

Tom Zoch of the Kewaskum team won an all-league team award from both divisions.

Among the individual awards, Ken Loest of Kewaskum received a special award.

Tom Larsen, Principal of the Kewaskum-Farmington Elementary School District, and a former player in the Lakes League, was the main speaker.

## Kewaskum Girls Win, Boys Second In Track Meets

Despite rain, fog and cold, the Kewaskum track teams got their meets in last Tuesday in Kewaskum and Grafton. Mayville was the third team in the meets.

In their first Scenic Moraine outdoor meet of the year on Kewaskum's new asphalt track, the Indians scored a double win. Kewaskum had 63 points to Grafton's 51 and Mayville's 42. Soph Katie Lightner was a double individual winner in the 100 and 110 lows, and she helped the 880 relay to a win.

In the boys' meet at Grafton, the Blackhawks took first with 84 points, to 45 for Kewaskum and 30 for Mayville. Grafton got some strong individual performances.

## KMS Girls Basketball Teams No. 1 in Conference

On April 24 the seventh and eighth grade girls basketball teams ended their season with both teams in first place. The seventh grade was undefeated in the conference, while losing three of four non-conference games, having an over-all record of 9-3. The eighth grade lost one game this season which was their first loss in two years of competition. Their season record was 11-1. Congratulations to all the girls who participated in such an excellent season.

Leading scorer and rebounder for the eighth grade team was Linda Larsen with 17 points and 11 rebounds average per game. Leading scorer for the seventh grade team was Julie Koepke averaging 8 points per game. Leading rebounders for the seventh grade team were

Holly Kempf and Julie Koepke averaging 8 rebounds per game.

The teams would like to thank the faculty members, parents and students who supported them in their season.

The 1979 seventh grade team members were: Managers Lori Schweitzer, Joan Lettow and Cheri Vandenesque; Beth Strigenz, Elaine Wiesner, Doreen Jacobs, Gerianne Coulter, Tara Russell, Jama Jacak, Tami Roher, Patti Roher, Amy Backhaus, Chris Dettmann, Tracy Howell, Dawn Seebantz, Kelly Prescott, Holly Kempf, Wendy Wilson, Donna Hlavaty, Julie Koepke, Mary Reader, Deb Staehler, Marcie Smolinski, June Petermann, Lee Schneider, Patti Finch, Dolly Swen-

son, Caroline Vogt, and Peggy Kempf.

The 1979 eighth grade team members were: Managers Shelly Strobel and Nancy Bonlender; Heidi Edgar, Lois Garmen, Linda Larsen, Cathy Schlice, Cheryl Jaeger, Amy Vetter, Cheryl Burkhalter, Sue Schuette, Mary Tibbs, Kathy Reader, Renee Schneider, Lisa Gatzke, Lynn Dreher, Jackie Bartelt, Shelly Bieniek, Carol Schmidt, Pam Heberer, Marea Kuphal, Lori Lloyd, Karen Volm, Mary Vogt, Gretchen Wenzel and Ericka Follmann. Statisticians were Tony DeLuisa, Matt Staehler, Jeff Squier and Danny Menzel. Scorekeeping was done by Shelly Fritz and Lynn Dewane. Coaches were Gail Filzen and Denise Leong.

## Registration on May 7 for Little League, Youth Softball, Traveling League Baseball

It's time for "Baseball Fever," and for the fifth consecutive year the Kewaskum Jaycees are sponsoring Little League Baseball, Youth Softball, and Traveling League Baseball.

For all leagues every player is required to bat and field, in each and every game. This is designed to be a "fun" learning experience for all the players. Parents are encouraged to assist in the running of the program. If you feel you can help please let any coach or adult leader know.

There is a registration fee of \$3.00, which includes a hat and shirt which the player may keep after the end of the season. All players must be at least NINE (9) years old on August 1, 1979. For players over the age of twelve (12) on August 1, we offer the Traveling League Baseball program. (If we have enough players this year we hope to play all of our games in the village).

The Little League and Youth Softball Leagues will play all of their games in the village as in the past. Little League is played every Monday, Youth Softball is played every Wednesday. Games start at 5:45 and also 7:00. Schedules will be provided for all players. After the registration period, players will be

assigned to teams and the coaches will contact the players for their team practices. Any questions on Little League Baseball and Traveling Baseball should be directed to Don Nowak - 626-4697. Any questions involving Youth Softball should be directed to Dick Thieme - 334-7033.

**THE ONLY TIME FOR REGISTRATION THIS YEAR WILL BE FROM 6:00 UNTIL 8:00 P.M. ON MONDAY, MAY 7, AT THE VALLEY BANK COMMUNITY ROOM.**

## Sno-Chief Club Elects Officers

The Kewaskum Sno-Chiefs snowmobile club held election of officers at their meeting on Sunday afternoon, April 29, at Barney's in Wayne.

Reelected to the presidency was Bill Lehmann; Vice President - Wes Kuehl elected to replace Miles Wilson who declined to run another year; Secretary - Joyce Kudek, reelected and Treasurer - Beverly Rohlinger, reelected.

Two board members were elected for three year terms: George Seelig replaces John Amerling, and Tom Williams replaces Ralph Raether.
