Week's Wit

A second story man is one whose wife didn't believe his first one.

Bomb Squad Removes Picric Acid at KHS

Two and one-half ounces of volatile picric acid was picked up Monday morning at Kewaskum High School by the Milwaukee County Sheriff's Department bomb squad. Police Chief Donald Hlavaty said the community had to wait about a week for the pickup.

The Kewaskum pickup was reportedly the only one made in Washington County. From here the squad went to Random Lake to pick up an undetermined amount of the chemical.

The bomb squad was attempting to consolidate the trips to outlying areas. No information was available on where and when the material would be exploded.

The Sheriff's Department is asking anyone in Washington

County that might have the chemical picric acid in their home or place of business to check on the condition of the chemical. If the chemical has crystallized, it is very dangerous and unstable and could explode upon the slightest movement or change in temperature. Under NO circumstances should unauthorized personnel handle picric acid in that condition.

If you have picric acid in your inventory and it is in an unstable condition, call the Washington County Sheriff's Department, which will arrange for a bomb disposal squad to dispose of the material. If the picric acid is in a container that you cannot see into, DO NOT open the container as the movement might explode the acid.

Dan Schmidt Appointed Back to Board

At an organizational meeting last Wednesday evening, Dan Schmidt was appointed back as a Kewaskum Village Board member. New Village President Robert Danielsen announced Schmidt's appointment to the vacated trustee post and the board unanimously accepted his recommendation.

Schmidt was a candidate for village president in the spring election and lost out to Danielsen. Since his term as trustee had expired, he was automatically off the board. Danielsen's term as trustee had another year to go and rather than hold a special election he decided to appoint a new member for the post.

Schmidt and Carl Spoeth of 1189 Riverview Drive were the only two who submitted their names for the post. Danielsen said that with two new members on the board and one other with just a year of experience, he decided to appoint Schmidt, who had served six years and was an experienced member of the board.

Hanrahan Named Outstanding Ag Student

Patrick Hanrahan, son of Mr. and Mrs. George Hanrahan of Kewaskum, was recently named winner of the 1978-79 DeKalb Agricultural Accomplishment Award. The award, sponsored nationwide by DeKalb Ag Research Inc., is presented to the senior agriculture student attaining the highest degree of proficiency in scholarship, leadership and a supervised agricultural program.

Pat attends Kewaskum High School, where he has been Reporter and President of the FFA. He also has served on many other committees. His agricultural program consists of hogs.

Following graduation, Pat plans to attend MPTI Fond du Lac campus for Farm Management and Operation.

As this year's DeKalb Agricultural Accomplishment Award winner, Pat receives a pin and certificate, and his name will be inscribed on a special plaque displayed in the ag room.

DeKalb is a leading supplier of hybrid seed, poultry and swine breeding stock, irrigation equipment and grain and livestock marketing services. More than 4,500 outstanding students receive this award each year.

60TH ANNIVERSARY

Mr. and Mrs. Hubert Wittman of Kewaskum observed their 60th wedding anniversary on Monday, April 23.

Village Board Opens Bids For Monitoring System

By TAMI EDGAR
Statesman Staff Writer

At Monday night's Village Board meeting there was an opening of bids for a monitoring system for the sewage lift stations, water pump stations and the park bathhouse.

The three bids came from Lane Northwest, Bevco Engineering and L. W. Allen. The board will review these bids to see if the bids meet the specifications. A report will be given at the next meeting.

Don Woller of Foth and Van Dyke was present to discuss the sludge thickening devices. At the present there is a significant volume of sludge for disposal. The sludge disposal contains a great amount of water and decreasing the water content

would decrease the fifteen loads to two loads of sludge for disposal. The winter conditions had made it difficult to dispose of the sludge and stay within the 5.5-9.0 Ph allowance in the sewage plant. The solidifying equipment would be a good investment.

The board discussed the problem of increased vandalism in the community. Members voted to appropriate \$2,500 to the police funds for more auxiliary and part-time policemen and \$2,500 for snow removal. Both amounts were taken out of the excess funding.

The utilities Bankers Agreement between the village, Howard Jaubenstein and Joseph Butschlick, which was to be submitted to the village for

Farmington Buildings Nominated to National Register of Historic Places

The State Historical Society in Madison at a regular quarterly meeting last month granted unanimous approval to a nomination to the National Register of Historic Places for a set of buildings located in the Town of Farmington, Washington County.

The only buildings from Washington County considered at the April 27 meeting of the Historic Preservation Review Board, the former convent of the Sisters of St. Agnes (1869), Public School No. 8 (1869), St. John of God Catholic Church (1891), and the cemetery located on the church grounds (circa 1853) were placed in nomination by a representative from St. John of God Congregation primarily on the architectural and historical merits of the buildings. After careful consideration by the Historical Properties and Architectural Properties Committees of the State Historical Society, recognition was given by unanimous approval.

Katherine E. Hundt, in her analysis of the fieldstone architecture of the former convent and public school buildings, emphasized the small number of such structures in Wisconsin and said that the use of fieldstone seemed to be limited to a few townships in and around Washington County. A member of the Architectural Properties Committee, Ms. Hundt noted that they were good examples of the Irish settlers' self-expression through their emphasis of "the colored appearance of the stones." Early German builders by contrast used mortar to cover most of the rock face. Indigenous materials were also used in the locally-manufactured bricks comprising the 1891 church.

Although, according to Gordon Parks of the Historical

Properties Committee, the "ethnic history element" was strong enough to solidify any historical claim, there were other merits which gained the complex its recognition. The staffing of Public School No. 8 with state-certified, teaching nuns was a unique example of "cooperation between Church and State" in lieu of the restrictions normally calling for their separation, according to David Donath, historian for the Historical Society.

Mary Lou McKee, who nominated the buildings on behalf of Friends of St. John of God, Inc., an historic-preservation group based in Farmington, said she and her co-workers were "well pleased with the recognition given the buildings at St. John's by the State Historical Society." She said one immediate goal of those who sought the nomination is the installation of an historical marker on the site to commemorate the significance of the task undertaken by the Irish founders of the parish.

Regal Ware, Union Agree on Contract

Regal Ware production workers reached agreement on a new two-year contract last Wednesday. The new contract calls for a total pay and benefits increase of 7.5 to 8 per cent each year. It is retroactive to April 29 and will run to May 1, 1981.

Allied Industrial Workers Local 849 unanimously ratified the pact Wednesday evening. With just over half of the membership present at Saturday night's meeting, the union split 50-50 on an earlier contract proposal. The only changes made in the final agreement were to language.

High School Play May 11-12

Tom Rosenberger As 'Ptolemy'

Did you know that the nicest person born under your sign was Scrooge? That your Mercury is in Aries? Your Gemini is in the 7th House? So that this month will be so bad you won't believe it? These and other spectacular revelations will occur on Friday, May 11, and Saturday, May 12, during the Kewaskum High School's production of "You Were Born on a Rotten Day." At 8:00 p.m. both evenings in the Kewaskum Auditorium the Grand Master Ptolemy will appear and make statements about yourself. Ptolemy is the main character of this satirical comedy. Tickets are \$1.00 for students and \$1.50 for adults and will be available at the door.

"You Were Born on a Rotten

Day" tells the story of a physics instructor, Claude Jones, who is trying to disprove astrology. Jones decides to imitate an astrologer "Ptolemy." He then as Ptolemy makes fantastic predictions to show how foolish astrology is, unfortunately all his predictions come true. Jones "Ptolemy" in hopes of restoring order decides to appear at the high school and there he will act so foolish to thus destroy his image. Once again, however, he meets a brick wall as he discovers that if he destroys his image, he will also destroy the image of a personal friend, who has come to believe in Ptolemy. To find the answer to Ptolemy's problems and maybe to learn more about yourself you must see "You Were Born on a Rotten Day."

The cast includes: Tom Rosenberger, Scott Nigh, Donna Ehnert, Laura Asch, Rich Stefanovic, Phillip DeLuisa, Darcie Schmidt, Sherry Foerster, Kelley Coulter, Patti Sleger, Julie Dettmann, Richard Rauch, Dave Sleger, Mike Paul, John Dettmann, Denise Perkins, Pam Vanderwall, Laurie Lemke, Debbie Allmann, Jane Yogerst, and Shelly Hamernik. The comedy is under the direction of Robert B. Getter.

HISTORICAL SOCIETY MEETING TUESDAY

The Kewaskum Historical Society will hold their regular monthly meeting at the Valley Bank meeting room on Tuesday evening, May 15, at 8:00 p.m.

MOTHER'S DAY BREAKFAST

Sunday, May 13, is Holy Name Communion Sunday at Holy Trinity Parish. Members will receive at the 8:00 a.m. Mass. Wives and mothers will be guests of the members at a Mother's Day breakfast and program after the Mass.

Enters Teen-Ager Pageant

Liz Ogi

Miss Lizbeth Ogi, age 18, daughter of Dr. and Mrs. Charles Ogi, Kewaskum, has entered and been accepted as a finalist in the 1979 Wisconsin National Teen-Ager Pageant to be held on the campus of Carroll College, Waukesha, June 1, 2, 3, 1979. The Illinois National Teen-Ager Pageant is the official state finals to the Miss National Teen-Ager Pageant to be held in Atlanta, Georgia, August 1979. Brenda Huber of Menomonee Falls, is the reigning 1978 Wisconsin National Teen-Ager and will crown the new queen.

There will be contestants from all over the state competing for the title of Wisconsin's National Teen-Ager. The reigning Miss National Teen-Ager is Barrie Burnett of Gallatin, Tennessee. Each contestant accep-

ted will be requested to participate in the Volunteer Community Service Program of the National Teen-Ager Pageant. This program teaches teenagers to share and to participate in school and civic affairs. A Mini-Modeling Charm Course will be given during the week-end of the Pageant.

The winner of the Wisconsin National Teen-Ager Pageant will receive a \$500 cash scholarship to the college of her choice, a full tuition scholarship to Barabon Modeling School and an all expense paid trip to Atlanta to compete in the Miss National Teen-Ager Pageant, August, 1979. \$10,000 in cash scholarships will be awarded at the National Pageant.

Contestants will be judged on scholastic achievement-leadership, poise-personality and

beauty. There is no swimsuit or talent competition.

Miss Ogi is a student at Kewaskum High School where she has been active in Ski Club, Spanish Club, A.F.S. Club, volleyball, swing choir and student government. This year she is student government president and is completing her second year as school board representative. She was a member of the Prom Court and was Homecoming queen this year. Her hobbies include water sports, bicycling, piano playing and hiking. She is being sponsored by Steiner Electric, Inc. and Valley Bank of Kewaskum.

Nursing Graduate

The Milwaukee County General Hospital School of Nursing will hold graduation exercises for 83 seniors on Friday, May 18, 1979 at 2 p.m. on the grounds of the Nurses' Residence, 8900 West Wisconsin Avenue, Milwaukee.

Lucile Cohn, R.N., Ph.D., Department Chairman of Psychiatric Nursing, Milwaukee County General Hospital School of Nursing, will be the guest speaker.

RoseMary Mueller, daughter of Mr. and Mrs. Alfred Mueller, 7942 Forest View Drive, Kewaskum, will be one of the graduates.

approval, was not completed and will be given at the next meeting.

The status of the ambulance service ordinance shows that the village and the Fire Department are both covered under the policy. The board is having the Village Attorney review the policy.

Discussion was held on the possible installation of an additional street light on First Street near the Lutheran Church. Reports show this alleyway is quite dark and could use the light pole. The Protection and Public Safety Board will look into the matter and draw up a contract that could be approved at the next meeting.

At a previous meeting, authorization was given to award a

time and material contract to Bunkelman Builders to provide a roof over the dressing area of the bathhouse at a cost not to exceed \$4,500.

A request from Kathryn Gruendeman and Maude Rose for a refund on their bill of excessive water and sewage services was denied.

The board approved a building permit application for the construction of a one family residence at 703 Stark Street by Gerald Gosa.

'Be Kind to Animals Week'

Last Week Was
"BE KIND TO ANIMALS WEEK"

Dear friends, leave all wild animal babies alone, including birds. The parents are likely close by or looking for food.

Learn to know snakes as some are harmless while others are not. Snakes bite if they are provoked.

Please don't leave tin cans laying around as they are likely to get their head in them.

Do not destroy the homes of wild animals.

Ask drivers to drive slow when they see them on the road.

Please keep pets home so they will not run after wild animals.

Also do not shoot at wild animals and birds, as they now likely have young ones and they will die a terrible death if the mother does not come back to feed them.

So please, dear friends, be kind to the animals as they are helpless. Not this month alone, but always!

School Board to Hold First May Meeting

The first May meeting of the Kewaskum Board of Education will be held on Monday, May 14, at 8:00 p.m. in the district administrative offices.

Action on approval of a bus contract for next year as well as on the wage schedule for support personnel for 1979-80 will be agenda items. It is expected that some parents will be in attendance to discuss the location of kindergarten sections for next year.

The second May meeting will probably be cancelled, since it falls on Memorial Day. Committees on budget and on salaries, wages and negotiations will be appointed. A Public Policy Correspondent will be appointed for communications with the WASB. Approval for the 1979-80 Title I project will be considered, as well as appointment of an auditing firm for this year. Miscellaneous items which come up will also be considered, as will payroll and vouchers

payable.

A closed session on non-renewals will be held following the regular meeting.

MOTHERS OF NEW BABIES TO RECEIVE ROSE SUNDAY

Mothers of new babies at St. Joseph's Hospital, West Bend, and Hartford Memorial Hospital, Hartford, will again this year receive a red rose on Mother's Day, May 13. Wayne Girl Scouts

On April 5, the first two Girl Scout troops at Wayne School held their investiture ceremony. Brownie troop 222 under the leadership of Vel Wheatley, with assistant leaders Judy Goetsch and Heidi Wheatley, invested new Brownies. Stefani Wheatley, Tracy Fix, Michelle Nieshes, Jennifer Heider and Nickie Gravelle were guided by our two second year Brownies, Jeannine Williams and Lisa Justman in the Brownie ceremony.

Junior troop 223, under the leadership of Judy Goetsch with Rebekah and Vel Wheatley as assistant leaders, invested ten new Junior Girl Scouts: Laura Heider, Monica and Beth Gravelle, Merrilu Wheatley, Missy and Nancy Verhunce, Gina Stoffel, Beverly, Wiesner, Shelly Lloyd and Lori Schlosser. Rosemarie Mitchell, a former Brownie and Denise Goetsch, a four year scout, helped Mrs.

Goetsch and Miss Wheatley in the Juniors ceremony. Miss Rebekah Wheatley received her five year pin at the ceremony also.

The two new troops were honored with two guests from Bathurst, Australia. Mrs. Lyn King and Mrs. Dawn Meyers, pictured above with Mrs. Goetsch, right, and Mrs. Wheatley, left, were presented with the Girl Scout Friendship pin.

The Brownie troop has been exploring nature as well as doing some indoor crafts. The Junior troop went camping at Tiwaushara from May 4-6. Everyone had a great time.

Troops 222 and 223 wish to thank all those who were involved in helping to get Girl Scouts into our school.

John Kleinhans, Olive Gilbo Die

John Kleinhans, 90, formerly of St. Kilian, passed away at the Alden House in Fort Lauderdale, Florida, Saturday, May 5.

Mr. Kleinhans was born on November 4, 1888 in Elmore to the late Frank and Regina Klumb Kleinhans. He was married to Helen Straub in St. Kilian Catholic Church in St. Kilian. She passed away in March of 1960. He married his present wife, Hanna, in 1961. Mr. Kleinhans was a prominent cheesemaker in the area for many years. After his retirement approximately 25 years ago, he moved to Fort Lauderdale, Florida.

Survivors include his wife Hanna; three daughters, Beatrice (Joseph) Librizzi of Fort Lauderdale, Florida, Ms. Marion Joslin of Milwaukee and Bernice (Lawrence) Layman Jr. of Baton Rouge, Louisiana; seven grandchildren; 19 great-grandchildren; and one brother, Norman, of Fond du Lac; other relatives and friends.

He was a member of the Blessed Sacrament Church in Fort Lauderdale, a past member of St. Kilian Catholic Church in St. Kilian, member of the Knights of Columbus and Catholic Knights of Wisconsin.

Services were held Wednesday, May 9, at 10 a.m. from Miller's Funeral Home in Kewaskum and at 10:30 a.m. at St. Kilian Catholic Church, St. Kilian, with Fr. Carrol Straub officiating. Burial was in the church cemetery.

Visitation at Miller's Funeral Home was on Tuesday, from 6 to 9 p.m. with rosary vigil at 8 p.m.

MRS. OLIVE GILBOY

Mrs. Olive M. Gilbo, 81, of 270 Mill Street, Campbellsport, died Wednesday evening, May 2, at St. Agnes Hospital, Fond du Lac.

She was born October 6, 1897, at Ashford, a daughter of the late William and Regina Berg Leisses. She was married to George Gilbo on June 7, 1916, at St. Matthew's Catholic Church, Campbellsport.

The couple resided in Milwaukee for one year, moving to the Gilbo homestead where they lived for 62 years. Mrs. Gilbo was a member of St. Michael's Catholic Church in the Town of Mitchell and Altar Society.

Survivors include two sons, Francis of Kewaskum and Lawrence of Long Lake; a daughter, Mrs. Romona Becker of Ogden, Utah; six grandchildren; 11 great-grandchildren; and a brother, Clarence Bauer of Kettle Moraine Lake. She was preceded in death by her husband on August 14, 1970, and by a sister and brother.

Funeral services were held at 11 a.m. Saturday at St. Michael's Church in the Town of Mitchell. The Rev. Carl Wahlen officiated and burial was in the parish cemetery.

Visitation for Mrs. Gilbo was from 4 to 9 p.m. Friday at Two-hig Funeral Home, Campbellsport.

Webb-Eichstedt

Christine Webb and Clark Anthony Eichstedt exchanged wedding vows March 17 at 2:00 p.m. at Plympton St. Mary's, Plymouth, Devon, England, with the Rev. Smythe officiating.

She is the daughter of Mr. and Mrs. Sidney Webb, 153 Crossway Plymton, Plymouth, Devon, England, and he is the son of Oliver Eichstedt of Campbellsport and Mrs. Barbara Demge of Denver, Colorado.

Julia Webb, sister of the

bride, and David Johns, basketball coach, were the honor attendants. Jeanette Webb, sister of the bride, and Joanne Payne, cousin of the bride, were the bridesmaids.

Ushering duties were performed by Timmy Bray and Alan Clark.

A reception for 65 guests was held at Tothill Community Centre. Julia Webb, the bride's sister, baked the 3-tier English wedding cake which is similar to a fruit cake.

The bride is a graduate of

Plympton Grammar School and the bridegroom is a graduate of Kewaskum High School and St. Norbert College, and is employed as a roofer.

After a honeymoon trip to London, the couple has returned to the United States and is now at home at 313 North Main Street, Apt. 3, West Bend.

The bridegroom spent the past seven months as player-coach of the National Panasonic Basketball Club at Plymouth, England.

Sensenbrenner Cautions Lawyers On Their Image

Congressman Jim Sensenbrenner (R-Shorewood) warned areas of the legal profession police themselves better, they can expect legislation restricting their professional activities to a much greater extent to be passed by Congress and the state legislatures. Sensenbrenner made his remarks at a meeting of the Washington County Bar Association at the Fox and Hounds Restaurant near Hubertus on the occasion of the May 1 celebration of "Law Day U.S.A."

"People are growing more and more cynical of lawyers because of the unprofessional antics of a few and the publicly-perceived arrogance of many lawyers. On top of that, even the Chief Justice of the U.S. Supreme Court has said there are too many incompetent lawyers now in practice. This image is destructive of lawyers' ability to do a good job of representing their clients and to contribute to a sound system of justice in this country," Sensenbrenner told the lawyers.

Sensenbrenner said part of the answer may lie in the legal profession doing a better job of

policing itself to remove the incompetent and the dishonest.

"Unless we do that the only alternative will be the potentially problem-ridden one of more government interference and regulation. The more skeptical people become about lawyers, the more pressure they will put on elected representatives to 'crack down' on them. I think the past record of government overregulation of various professions is fair warning about what can and will happen to the legal profession unless it shows more responsibility to policing itself," Sensenbrenner concluded.

Campus Notes

The Ripon College Symphonic Wind Ensemble, under the direction of Michael A. Drost, performed works by a variety of composers in Demmer Recital Hall on the Ripon campus Saturday, April 21. The group is composed of some 37 Ripon undergraduate musicians.

Among the participants was Lori S. Koepke, daughter of Mr. and Mrs. Edward Koepke, Route 1, Kewaskum, contra-bass clarinet.

Sodium nitrite and nitrate is added to color, flavor, and preserve virtually all processed meat, including hot dogs, bacon, canned ham, etc. Experiments have proven that nitrates and nitrites combine with amines found in other foods to produce nitrosamines (powerful cancer producing agents). William Lijinsky, an eminent cancer researcher, suggests no more than 20 ppm (parts per million) of nitrites be present in processed meats.

In The Service

Airman James R. Uelmen, son of Mr. and Mrs. Harold M. Uelmen of Route 1, Campbellsport, has been selected for technical training at Lowry AFB, Colo., in the Air Force avionics systems field.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Uelmen is a 1975 graduate of Campbellsport High School.

Airman Robert J. Nummerdor, son of Robert J. Nummerdor of 1538 Harrison Street, West Bend, has been selected for technical training at Sheppard AFB, Tex., in the Air

Force aircraft maintenance field.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Nummerdor attended West Bend West High School. His mother, Mrs. Marilyn Nummerdor, resides on Route 2, Campbellsport.

....

Navy Seaman Randall L. Standish, son of Francis J. and Margret L. Standish of 2925 Highway H. Kewaskum, has completed recruit training at the Naval Training Center, San Diego.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1979 graduate of Kewaskum High School, he joined the Navy in February 1979.

....

Recent enlistees in the Wisconsin Army National Guard received an introduction to military life on the last weekend in April. They met at Camp Williams in Camp Douglas, Wisconsin, to attend a Basic Training Orientation, the only co-educational program of its kind in the state. These sessions have been combined to comply with new army policy on co-educational training.

This initial exposure to military subjects should make the recruits better prepared to meet the challenges of army basic training. The orientation included topics such as military

courtesy and customs, correct wearing of the uniform, familiarization with the M-16 rifle and protective mask, map reading, marching and physical conditioning. Most of the instruction was co-educational, with only special question and answer sessions held separately.

Students were required to stay overnight in barracks type buildings and were given a small taste of basic training when they were awakened early Sunday morning, "basic training style" and put through a sampling of stress situations.

An area resident attending the school was John P. Czochke, rural Campbellsport, 1157 Trans. Co.

**LETTERS
TO THE
EDITOR**

808 Pleasantwood Dr.
Kewaskum, WI 53040
May 4, 1979

To the Editor
Kewaskum Statesman
Kewaskum, WI 53040

As another very concerned taxpayer and parent, I'm writing in response to Mr. Orval Behnke's Letter to the Editor in the May 4th issue of the Statesman.

Being a property owner, I can fully understand all the struggles and hard work, along with the financial burdens and responsibility that Mr. Behnke has and is incurring. I am a resident of the Bel Ric area of the village and my home has, along with others in this subdivision, been vandalized on several occasions, needlessly and senselessly.

It is with total support, that I join Mr. Behnke in his request to all residents of our village to "become good solid sources of factual information" to our police department. Only through the honest efforts and co-operation of all, can we hope to eradicate the problem.

The question of "why" would anyone want to destroy another's property was also included in Mr. Behnke's letter. It is my feeling that if we can work towards a better understanding of "why," perhaps then we can more effectively arrive at some productive solutions.

Mr. Behnke made the statement that parents "haven't taken the time or pressed them" (their children) "to learn

the difference between right and wrong." I firmly believe that our Creator is the only one who has the power to know exactly what is in the minds and hearts of all. He created us as individuals, giving each of us special talents and strengths. As individuals, we think and act in many different ways, but I feel we do commonly share the goal of trying to raise our children into becoming moral, wholesome adults by utilizing whatever knowledge and resources are presently available to us.

We are fortunate to have many fine, intelligent people in our community. I'm hoping to read in future issues of the Statesman, their views, feelings, and suggestions concerning this matter, with a special request for a response from our youth.

Sincerely,
Kathleen M. Sese

**Legal Secretaries
Attend Convention**

The Twelfth Annual Wisconsin Association of Legal Secretaries Convention was held at the Holiday Inn, Kenosha, Wisconsin on April 27, 28 and 29.

Approximately 200 members of chapters throughout the state attended this event which was hosted by the Kenosha County Legal Secretaries Association. Members are secretaries employed in legal offices, court-houses, trust departments and corporations.

A workshop "Forensic Sci-

ence Points of View" was presented by Pathologist, Dr. Harold Wagner and Attorney Robert J. Joling, on Friday afternoon which began the three day event.

Highlighting the banquet Saturday evening was Hon. Shirley A. Abrahamson, Justice of the Wisconsin Supreme Court as main speaker.

There are presently 25 chapters in Wisconsin with a current membership in excess of 800.

The Wisconsin Association of Legal Secretaries is affiliated with the National Association of Legal Secretaries, a professional organization dedicated to serving attorneys, courts and the general public.

Six members of the local Washington-Ozaukee chapter were in attendance at the convention. They were Nancy Birkholz, June Behm, Dorothy Willey, Dolores Baeseman, Mabel Degner and Marcella Krueger.

“Come to West Bend Savings for your mortgage and avoid the thirty year mistake”

Daniel V. Filzen
Assistant Vice President & Branch Manager

The “thirty year mistake?”

Building or buying a home is the biggest investment most people will ever make. So finding an institution to finance that investment is certainly an important decision. But too many homeowners make the mistake of looking only for the lowest interest rate without checking on the other costs and services involved. That could be a costly mistake. One you might re-

gret for the next 20, 25 or 30 years.

Shopping for a mortgage

By all means shop around to find the best mortgage for your needs. But get all the facts. All the charges. All the services. If you shop long enough you'll end up at West Bend Savings. We didn't become the biggest home lender in Washington County by letting people down. We've been helping families finance their

dreams for over fifty years. So we're not about to lead you into a “thirty year mistake.”

Attractive rates . . . and more

Of course, interest rates are a major consideration. And West Bend offers some of the most attractive rates in the area. But we go beyond that with special services — including variable interest and short term renewable loans. We're also one of the few home lenders in the area to

offer a number of consumer oriented packages with mortgage loans.

We'd like to help

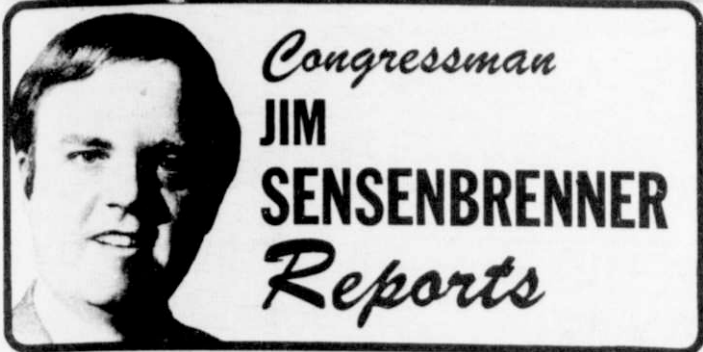

Stop in any of our seven Washington County offices for a free copy of “How to Shop for a Mortgage” a handy guide to help evaluate any home lender. Shop around. We're sure you'll come back to West Bend Savings. Where Money for Living includes avoiding a “thirty year mistake.”

Congressman
JIM SENSENBRENNER
Reports

**End to Revenue Sharing May Mean
State and School Tax Hikes**

Recent action by a House committee in recommending an end to federal revenue sharing funds to state governments may have disastrous consequences for Wisconsin taxpayers. Nearly as bad is the fact that ending the program will not accomplish what its opponents have claimed.

After the revenue sharing program was enacted in 1972, the Wisconsin Legislature decided that our state's share — \$53 million per year — should be earmarked for local school districts. As a result, school taxes are not as high in Wisconsin as they would be had revenue sharing not been enacted.

Governor Lee Dreyfus' State Budget, now under consideration by the Legislature, assumes that state revenue sharing will continue. If Congress ends it, however, the Governor

and the Legislature will have to decide how to make up for this loss of income. Three unpleasant alternatives exist: 1) cutting state and local programs; 2) raising state taxes; or 3) reducing school aids, thereby raising local school property taxes. It is unfair to end these funds now, as states like Wisconsin have already set their tax levels for the next year.

Opponents of state revenue sharing claim ending it will save us \$2.3 billion, but in fact this move does not reduce our \$528 billion federal budget or its \$28 billion deficit. Instead this \$2.3 billion will be used for those "Washington knows best" programs (many of which don't work) while our state and local programs and taxpayers suffer. I will work for reversing this ill-timed and ill-conceived committee action to prevent local tax increases.

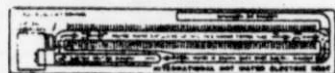

Kriks-Roehl

Julie Ann Kriks and Steven John Roehl have announced their engagement. Parents of the couple are Mrs. Marilyn Ludden, 113 Parkway Ct., and John Kriks, Fond du Lac, and Mr. and Mrs. Lawrence Roehl, Route 2, Campbellsport. They are both graduates of Winnebago Lutheran Academy. The bride-elect is employed at the West Bend Co., West Bend. Roehl is employed by Jim Koch Trucking, Campbellsport.

HOT WATER HEAT AND
AIR CONDITIONING
WITHOUT PLUMBING**

WATER AND ANTI-FREEZE SEALED-IN PERMANENTLY...NEVER NEEDS REFILLING. INSTALLED PERMANENTLY FOR ENTIRE HOMES, APARTMENTS, ETC.

HEALTHIEST— Circulating hot water gives you the kind of controlled all-over warmth many doctors choose for their own homes, as well as prescribe for their allergic patients, without the contamination and dry, parched air that other methods of heating give, and without dust or dirt blowing around.

SAFEST— Place your flimsiest drapes right over the heater without the slightest danger. More important, children and pets can't be burned.

ECONOMICAL— You get balanced, steady warmth even when current is turned off. After thermostat turns off electric element, circulating hot water continues to circulate heat for comfortable warmth.

County Solid Waste Disposal Study Underway

On Tuesday, May 1, engineers from Donohue & Associates, Inc. presented their approach to solving a serious problem confronting Washington and Waukesha counties. Solid waste disposal is the problem. County Board members from Washington and Waukesha counties met jointly to discuss the engineers' approach to the 10 month solid waste management program. Also present were members of the Technical Advisory Committee (TAC), which includes two representatives from each county, a representative from both the Department of Natural Resources and the Southeastern Wisconsin Regional Planning Commission and a member of the academic community.

What is solid waste? It is a never-ending accumulation of rubbish, garbage and other household "throwaways." It is refuse from commercial estab-

lishments and wastes from local businesses and industries.

Disposing of these daily tons of trash in the most economical and ecologically acceptable way is the objective of the Solid Waste Management Planning Program.

Alternatives for solid waste management will be evaluated including a study of possible landfill sites and investigation of the potential for recycling. The \$95,000 study is 50 percent state-funded and is scheduled for completion by February.

TAC personnel, acting as a liaison between the counties and the consulting firm, held several meetings during April as the project got underway. Included in the initial discussions was the formation of a Public Involvement Program to keep local residents informed of planning activities. Residents will be informed through news releases, newsletters, and informational meetings.

The first of a series of in-

formational meetings is planned for late June. The counties solid waste disposal problems will be discussed. Comments from county residents are desired. Additional meetings will be required to receive input from the people of Washington and Waukesha counties to develop and evaluate solutions to the problem and help the County Board implement a solution to the problem.

Individuals wishing to be placed on a mailing list to receive informational material during the course of the study are asked to notify either of the following individuals:

Fred Chlupp, Washington County Land Use & Park Dept., 515 E. Washington St., West Bend, 53095; or Richard Mace, Waukesha County Park and Planning Commission, 500 Riverview Avenue, Waukesha, 53186.

Elected officials within the two counties will receive the newsletters and are encouraged

to contact their county representatives with any questions or comments. The members of the joint solid waste committee are Chairman John Kohl, Paul Henke, Oscar Deutsch, John German, Orrin Peters, Clarence Roskopf, Harold Westerman, Washington County, and Chairman John Steinback, Vera Stroud, Art Manke, Willard Andrews, Richard Manke, Waukesha County.

Girls Third, Boys Fifth In Scenic Moraine Relays

In the Scenic Moraine Relays held at Germantown last Wednesday, both the Kettle Moraine girls and boys captured the team championships.

The Laser boys won with 85 points. Hartland and Germantown, last year's co-champs, were second and third with 82 and 76 respectively, followed by Grafton 65, Kewaskum 32, Mayville 29, Slinger 22, Pewaukee 11.

With great depth, the Kettle Moraine girls won with 86 points. Slinger was second with 75 and Kewaskum third with 58. Then came Germantown 49, Hartland 48, Mayville 30, Grafton 24, Pewaukee 2.

The meet, postponed because of the weather Friday, was run under conditions that weren't good but still produced five records.

Kewaskum got into the record act. They got great performances from four miles to shatter the two-mile record by 18 seconds. Their new mark is 10:16.8.

Diane Bremser, Barb Wilson, Carrie Dreher and Julann Zemlicka were all around 2:30 for the 880's, super considering two of them haven't run competitive 880's all season.

Kewaskum, considered a contender in the meet, just couldn't get going. In the first hurdle event, where they hoped to score high, the team was disqualified.

The Indian boys again lacked depth, but got one second place in the 360 high hurdles from Mike Schaub, John Czoschke and Dave Subat.

Girls Second, Boys Third in Triangular

The Kewaskum track teams were involved in a marathon meet on a cold day last Tuesday that went well into the night. The reason was that the girls' end of the running had to be transferred from Hartland to Kettle Moraine.

The girls turned in some very good races but suffered in the field events, finishing second to Kettle Moraine, 66-54. Hartland was third with 36.

Sophs Katie Lightner and Barb Wilson were triple winners. Lightner took the 100, 110 hurdles and anchored the 880 relay team to a win. Wilson had first in the 880, mile and mile relay.

Coach Mary Lawson was also pleased with her mile relay squad — Wilson, Diane Bremser, Carrie Dreher and Julann Zemlicka, with their 4:20 which was run near 9 p.m. in the rain.

The boys had to settle for a single first place and a couple of seconds. Joel Herriges won the only first in the long jump with a leap of 18-6 1/2. Mike Pettit had two seconds in the 100 and 220, and Mike Schaub was second in the 330 lows.

Hartland won the meet with 82 1/2 points, Kettle was second with 50 and Kewaskum third with 25 1/2.

Area Racing News

By Ken Knoll

Thursday night was the opener for area late model drivers on Wisconsin asphalt tracks. It took place at the Wisconsin International Raceway in Kaukauna. On hand were Tony Strupp, now of West Bend, and Willie Goeden of Kewaskum. Strupp started the year off good with a third in time trials, second in the fast dash, and then finished the 20 lap feature on this 1/2 mile track in third, although the first three cars could have finished under a blanket. Goeden was second in time, third in the fast dash and come on to finish sixth in the feature.

Saturday, Strupp and Goeden were on hand for qualifying for the Superamerica 150 at the one mile track at State Fair Park in West Allis. Both drivers were unable to make the top 24 qualifiers and had to run in one of the two 15 lap qualifying races. Tony was forced to retire from his race with mechanical problems and finished 14th, not making the 40 car feature. Goeden fared better and finished fourth, earning himself a spot in Sunday's race. In Sunday's race, Goeden pulled in after one lap with broken gears in the car's rear end. His crew was able to effect repairs and he returned to the race 25 laps down. He then drove a steady race to a 27th place finish.

Sunday night the drivers were on hand for the season opener at Wayne Erickson's Slinger Super Speedway. Goeden proved to be the class of the field by turning in second fast time, winning his heat race and then coming on to win the 30 lap feature after taking the lead on lap 21. Strupp was third in time, second in the fast dash, and then after experiencing some mechanical ills which forced him to lose a lap, finished ninth in the feature. Last year's Hobby Stock champion, Rick Lisko of West Bend, has made the switch to late models this year and turned in a respectable evening. He was ninth in time and eighth in the feature. He is driving a car with a chassis built by Tony Strupp. Strupp, by the way, is driving for Slinger promoter Wayne Erickson.

Goeden, Weiss to Race At Wisconsin Dells

The 1979 racing season at the Wisconsin Dells Motor Speedway will begin in a big way this weekend, with the 8th annual "Dells Midwest Championships." The Saturday night-Sunday afternoon draw the top drivers from the upper-midwest who will be racing for over \$12,000 in prize money.

On Saturday night, May 12, the full program of Late Model and Hobby Stock racing will be highlighted by a 50 lap feature for the fastest of the 60 expected Late Model entries. On Sunday afternoon, May 13, the Mother's Day crowd will witness two 75 lap Championship Features plus several other consolation and Hobby Stock events.

Included in the entries are two Kewaskum drivers, Willie Goeden and Scott Weiss.

Hon-E-Kor Women Hold Opening Dinner

The Hon-E-Kor Ladies Golf Association started off their 1979 golf season with their opening dinner on Wednesday, May 2. Many new members were welcomed along with past members to join in an exciting season of golf by President Kathy Lastofka.

Dinner was followed by cards, and winners for the evening were:

Bridge: Fran Rohlinger, Margie Rosenthal and Judy Harlow.

Sheepshead: Sherri Miller, Tudy Warner, Eileen Perkins, Rosemarie Alf and Lu Freeze.

On Wednesday, May 9, the ladies officially got into full swing.

Carrie Kempf Ace For UW-LaCrosse

The University of Wisconsin-LaCrosse girls track team overwhelmed the rest of the field in winning the Wisconsin Women's Intercollegiate Athletic Conference track and field meet at Whitewater Friday and Saturday.

Carrie Kempf, former Kewaskum High star, was involved in three firsts and one third. She led the long jump with a leap of 17-93/4. Carrie also ran second leg on the winning 440 relay team, 50.8. On Friday night, she helped the 880 medley team to a first place and rounding out the weekend of activity, she took a third in the 220.

Wisconsin Outdoors and Conservation News

Smelt fishing in the southeastern counties has tapered off because of the cooler temperatures and the run is very likely about over. Walleyes are hitting about over. Walleyes are hitting on the Fox River in Kenosha County, and panfish fishing is good on most inland waters in the district.

In the southern and southwestern counties, there is good crappie action on the Rock River in Rock County. White bass are running in the Crawfish River. Lake Monona and the Yahara River are yielding crappies in the Madison area. There should be good muskie and bass action at Yellowstone. Walleyes and smallmouth bass are biting in the Wisconsin River in Iowa County.

For those of you who are planning on combining fishing and camping, a reminder that camping facilities are now open at all state parks and forests except for Rocky Arbor and Roche-A-Cri state parks.

Some rainbow trout are being taken in the Sheboygan River and tributaries in Sheboygan County and the Root River in Racine County. Rainbows and browns are also being taken at warm water discharges on the Lake Michigan Shoreline. Spawn sacks are the best bait.

Crappie fishing continues generally good on inland waters throughout the District with some good catches being made on Gilbert Lake in Wisconsin County, Pewaukee Lake in Waukesha County and the channels of Lakes Elizabeth and Marie in Kenosha County.
