## Six New Teachers Join High School Staff of 45

Perry Koth

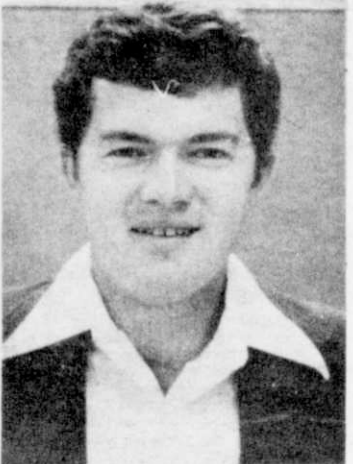

Jane Vesper

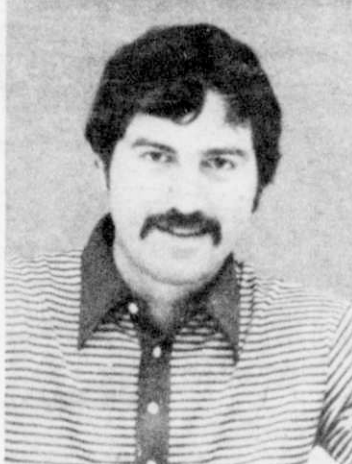

Don Liebetrau

Mary McCormick

Pat Gasser

Michael Fifrick

Six new teachers joined the Kewaskum High School staff this year, bringing the faculty count to 45 members.

One of the new but familiar additions to the staff is Perry Koth, a 1969 graduate of KCHS. Mr. Koth attended UW-La Crosse and UW-Oshkosh and has Bachelor of Science degree in secondary education. He taught at St. Frances Cabrini School in West Bend for a year before coming to Kewaskum. Mr. Koth will be teaching boys' physical education and life sports classes. In addition, he will be coaching the freshmen football team and be acting as student council advisor.

Also in the area of physical

education is Ms. Jane Vesper who will be instructing girls' physical education and life sports classes. Ms. Vesper, a native of Beloit, attended UW-Milwaukee and is a May graduate of the UW of La Crosse. She also will be serving as the girls' volleyball and gymnastics coach.

Mr. Don Liebetrau comes to Kewaskum from West Bend. He attended college at the UW-La Crosse. Mr. Liebetrau will be teaching the new health class this year in addition to instructing life sports classes. He will also be involved in coaching freshmen football and wrestling.

Miss Mary McCormick, a

native of Randolph, Wisconsin, joins the English department and will be teaching College Literature and Composition, English II, and Theatrical Literature. She attended UW-La Crosse, graduating in 1974. Prior to coming to Kewaskum, she taught for two years at Necedah High School.

In the science department, Mr. Pat Gasser will be teaching General Science and Remedial Math. Mr. Gasser is originally from Oshkosh where he also attended college. He will also be acting as assistant varsity football coach.

The new head football coach at KHS this year is Mr. Michael Fifrick. He will be teaching geometry, algebra and remedial math. Mr. Fifrick is originally from Kiel. A graduate of UW-Madison, Mr. Fifrick previously taught in Chilton, Lake Mills, and the Glendale school systems.

## Nigh Promoted At Regal Ware

Jerome Nigh

Jerome Nigh has been named General Foreman - Casting Department, First Shift at Regal. In this capacity, he will supervise and coordinate all the activities of the first shift Casting Department.

Nigh came to Regal in 1962 and has served in several areas of production since then, most recently as Lead Setup Man — Casting Department, First Shift. He and his wife, Beverly, have three children and reside at Route 2, Campbellsport. Nigh is active in golf, bowling and coaches a Little League team.

## Car Fire

An auto owned by Larry Neumann, Route 2, Campbellsport, and driven by his wife, caught fire at 1:20 p.m. Tuesday at the stop and go lights, intersection of Main Street and Fond du Lac Avenue in Kewaskum. The car was a Mercury Montego. Kewaskum firemen were called to put out the blaze. The auto was badly damaged and had to be towed away.

## INCREASE AT HOLY TRINITY, ST. LUCAS

### Enrollment Up at KHS To 829; Grades Down

Most school districts in the state are facing decreasing enrollments but those in the Kewaskum District have been holding their own in the past several years.

As of last week a total of 2,157 students were enrolled in the Kewaskum District's six schools, but the numbers still could vary slightly. There were 829 students at the high school, an increase of 20. The middle school total was 330, about the same as last year. The total elementary enrollment was 996, down slightly.

The total of 2,157 compares with 2,164 last year, a decrease of only seven students. This has

been about the same situation the past four years, before which there was growth.

More kindergarten pupils reported for school the first day than had been expected. A total of 31 or 32 enrolled at Farmington, 32 at Wayne, 25 at Beechwood and 23, 24 and 25 in sections at the Kewaskum Elementary School.

The enrollment at Holy Trinity Parochial School is slightly more than last year with 228 pupils. A new classroom has been added at the school.

The enrollment at St. Lucas Lutheran School is 98, an increase of 15 over last year's 83.

## Blood Bank Sept. 11

The blood mobile unit will be at the Kewaskum High School Auditorium on Tuesday, September 11, from 1:30 to 6:30 p.m. All previous donors will receive reminder cards and new donors are encouraged to walk in at their convenience. In the past two years the walk-in system as opposed to appointments has worked with little or no waiting for donors.

There are no rules or restrictions on who can receive blood. As long as enough people

donate, patients will receive all the blood they need.

If you are in good physical condition and between the ages of 18 to 66 years, you can donate every 10 weeks but not more than five times per year.

Blood cannot be manufactured. It is good for only 21 days. A constant supply must be maintained. Be a volunteer and share your gift of life!

Call 626-2210 if there are any questions.

## Promotions at Regal

David A. Schellhaass

Robert A. Wietor

KEWASKUM, WI — David A. Schellhaass has been named Casting Department Technician. In this new position, he will coordinate the day-to-day administrative functions of the department and will be responsible for the operation and performance standards of the equipment.

A native of the Campbellsport area, Schellhaass came to Regal in 1963 and has served in various production and supervisory spots since then, most recently as General Foreman - Finish Department. He and his wife, Cheryl, have four daughters

and reside in Campbellsport where he is active with the Fire Department and Rescue Squad.

In a related move, Robert A. Wietor has been named General Foreman - Finish Department, Second Shift at Regal. In this capacity, he will supervise and coordinate all activities of the second shift finishing operation.

Wietor joined Regal's production team in 1961 and during that period served more than six years as President of Local 849-AFL-CIO. He and his wife, Patricia, live in rural Campbellsport.

### Public Invited to Special Musical Presentation

The Kewaskum Woman's Club and Kewaskum Junior Woman's Club will hold a joint meeting on Thursday, September 13, at 7:30 p.m. at the Kewaskum High School. Because of the unusual content of the program, the public is invited to attend. There will be no charge, but a free will offering will be taken at the door.

Leslie Lemke is a 22-year-old man with exceptional musical talents. Leslie's extraordinary musical talents are what doctors describe as "an extremely rare phenomenon." Leslie is one of those humans where brains do not develop beyond a three-year-old level, except for one part of the brain which is able to develop an amazing talent, usually musical or mathematical. Because of his other handicaps, Leslie's musical performance is considerably more unbelievable. He is blind and also spastic. He cannot completely control his muscles, except when he plays the piano.

Leslie's technical abilities and range of selections, prompted by his proud foster mother, Mrs. Joseph Lemke, is amazing. He imitates Al Jolson singing "Mammy" and then

plays ragtime tunes. The imitation of Louis Armstrong, singing and playing "Hello Dolly" delights all in attendance. Then a Yiddish song, a Greek tune or a soft, slow hymn may be offered. Tchaikovsky's Piano Concerto N. 1 is completely in the range of this talented young man.

In the past two years, the Lemkes have promoted Leslie's public appearances, which have been limited to nursing homes, schools and small clubs. Mrs. Lemke feels that Leslie should play and sing in public now, rather than try to hide him as some handicapped children have been in the dark days of the past. She views his talent as God-given and thinks parents with handicapped children should never give up, because who knows what they can become.

Set aside time to attend this very interesting program. You may not have another opportunity to witness such a moving presentation for some time to come. The program is being sponsored by the local Woman's Clubs but the public is encouraged to attend. Men, women and students will be astounded at this young man's amazing musical ability. The program will begin at 7:30 p.m. and there will be no charge, except for a free will offering to be taken at the door.

### Peace Church To Return to Regular Schedule

Peace Church of Kewaskum will return to its regular schedule of services and activities beginning Sunday, September 9. Divine worship will be conducted at 9:00 a.m. and at 10:15 a.m. Nursery care will be provided at both services. Church School classes for children aged three years through the 8th grade and an Adult Class will be conducted at 9:00 a.m. All members of the church and visitors alike are urged to participate in these opportunities for worship and study.

The choirs rehearse on Wednesdays beginning September 5 as follows: Children's (grades 1-4) at 4:00 p.m.; Junior (grades 5 through 8) at 6:30 p.m.; and Chancel (grades 9 through Adult) at 7:00 p.m.

The Women's Guild will begin its year of meetings with a Retreat at the Village Park on September 13 with a box lunch picnic at 12:00 noon. The program entitled "Loneliness and Solitude" will be led by the Reverend and Mrs. Joiner.

Confirmation Classes will meet weekly on Saturday mornings for 7th graders at 8:30 a.m.

and 8th graders at 9:45 a.m. These classes are taught by the Pastor, Reverend Joiner, and will conclude with Confirmation of the 8th Grade Class on Palm Sunday.

The Junior High Youth Fellowship and Senior High Youth Fellowship will begin meeting in October. The time and place of the meetings will be announced in the church newsletter.

The Pastor also plans to begin a Sunday evening Bible Study for Adults on October 7 in the church lounge at 7:00 p.m. The study is entitled "Check Your Lifestyle" which is about putting proverbs into practice. Registration information will be given in the newsletter and bulletin.

The public is invited to attend any of the church's worship services or activities.

### Rescue Squad Calls

Sunday, Sept. 2 — Robert A. Guarino, 40, 5562 Point Dr., West Bend, Tim Hanson, 5, 10305 W. Villard, Milwaukee, John C. Schuster, 30, Route 1, Adell, and Michelle C. Schuster, 7, Route 1, Adell, removed to St. Joseph's Community Hospital, West Bend, from Hwy. S, about two miles west of Beechwood with injuries suffered in an auto accident.

Tuesday, Sept. 4 — Paul Newland, Route 1, Kewaskum, removed to St. Joseph's Community Hospital from Valley Bank when he became ill.

### MARRIAGE LICENSE

### Trimmer Named Chief Engineer

William Trimmer

Regal Ware, Inc. has named William Trimmer as Chief Engineer for its Wooster, Ohio, subsidiary.

A graduate of Newark College of Engineering, he is also a Journeyman Toolmaker and comes to Regal with more than 20 years' experience in comparable industry.

Trimmer and his wife have moved to Wooster from Delaware.

### TENTATIVE LABOR AGREEMENT AT MPTI

Tentative agreement on a two-year contract, with reopeners for the second year of salary and teacher retirement, has been reached between the MPTI Federal Local 3338 and MPTI District. Details of the contract will be released upon ratification by both parties.

### Death of Mrs. Julia Roehrdanz

Mrs. Julia (August) Roehrdanz, 84, formerly of Campbellsport, died Monday, September 3, at St. Agnes Hospital, Fond du Lac.

She was the mother of the late William Roehrdanz of West Bend.

Visitation at Miller's Funeral Home will be after 4:00 p.m. Friday with services at 8:00 p.m. at St. Mary's Church, West Bend.

A complete obituary will follow in next week's issue.

### GORDON O. RAYMOND

Gordon O. Raymond, 73, of 360 Spring Street, Campbellsport, died Monday, September 3, at St. Agnes Hospital, Fond du Lac.

He was born July 30, 1906, at Campbellsport, and married Edna Scheurman June 29, 1929, at Fond du Lac.

They operated a grocery store in Campbellsport from 1937 to 1965. He was also the treasurer of Columbus School in Campbellsport from 1934 to 1952.

Survivors include his wife; one son, Kenneth of Dubuque, Iowa; one daughter, Carol (Leo) Neis of Cedarburg; one grandson; two sisters, Mrs. Mildred Kleinhans of Campbellsport and Mrs. Bernice Strack of St. Cloud, Minn.; and other relatives and friends.

Visitation at the Twohig Funeral Home, Campbellsport, was after 4 p.m. Wednesday and on Thursday at the United Church of Christ from noon until time of services at 2 p.m. Rev. Carl Jensen officiated and burial was in Union Cemetery, Campbellsport.

### TRAUGOTT J. OTTO

Traugott J. Otto, West Bend, died suddenly Thursday, August 30, at St. Joseph's Com-

munity Hospital, West Bend, at the age of 71. He was a brother-in-law of Frieda Ramthun of Kewaskum. The funeral was held Sunday at 8 p.m. at St. John's Lutheran Church, West Bend. The Rev. George Mumm officiated and interment was in Washington County Memorial Park.

A native of Birnamwood, Wisconsin, he moved at an early age to the Town of Jackson, where his father served as pastor of Trinity Evangelical Lutheran Church. Later he moved to the Town of Trenton and then West Bend.

### Offer Refresher Course for LPN's

Moraine Park Technical Institute will offer a refresher course for licensed practical nurses. The course, which includes 108 hours, will begin on Monday, September 10, and conclude on Thursday, October 11. Classes will be held on Monday, Tuesday and Wednesday mornings and all day on Thursday. Taught by Johanna O'Brien, R.N., B.S.N., the course will cost \$32.40.

Designed for the inactive practitioner wishing to return to work, it gives the returning licensed practical nurse the opportunity to update knowledge and skills in the area of medical-surgical nursing problems through classes and clinical experiences in a hospital and extended care facility.

At the completion of the course, the licensed practical nurse will be able to give direct patient care and move with confidence into a position as a member of a health care team. A certificate will be awarded upon the successful completion of the course.

The classes in theory will be held in the instructional rooms of the Samaritan Home, 531 E. Washington Street, West Bend. The clinical experience will be at St. Joseph's Community Hospital, West Bend, and the Samaritan Home.

Current licensure in the State of Wisconsin is required, and a physical examination and chest X-ray will also be needed for entrance. Pre-registration is mandatory and enrollments are limited.

For further information, call Jerry Ziegler at MPTI in West Bend 334-3413, extension 242, or 922-8611, extension 242 in Fond du Lac. Interested registrants may also call Maureen Josten in West Bend, 334-3413.

If you're pinning a stiff fabric, use a bar of soap as a pin cushion. It lubricates the pins.

Current licensure in the State of Wisconsin is required, and a physical examination and chest X-ray will also be needed for entrance. Pre-registration is mandatory and enrollments are limited.

**New Program Specialist for Women's Studies Center**

Judy Shultz

She calls herself an "encourager." That's July Schultz, the new Program Specialist for the Women's Studies Center at the Moraine Park Technical Institute campuses in West Bend and Beaver Dam. "I function as a person to provide workshops, seminars, and classes to women to broaden their self-concept and vocational choices and training," Shultz, who is replacing Mary Thompson, was the Coordinator in Fond du Lac and Green Lake Counties. Her work will now be centered in Washington and Dodge Counties.

"Whenever there is an MPTI adult center, I will work with the community supervisor to provide specific programming for women," Shultz elaborated on the background of the Women's Studies Center, "The State VTAE made a commitment a few years back to make a place for women in the technical

trades. Almost all of the state technical districts will have some sort of women's studies center by fall of 1979."

Courses offered through the Women's Studies Center this fall are "Assertiveness Training," "Coping with Stress," "Your Legal Rights" and "Self-Assessment," beginning the week of September 10 at the Beaver Dam Campus of MPTI; "Assertiveness Training,"

taught by Kay Stellpflug and beginning September 27 in Horicon.

A marriage enrichment series will be offered at the Lomira Adult Education Center and begin September 17. The program of three monthly sessions will deal with "Experiencing a Relationship," "Coping with Stress" and a video presentation on Love. "This class was offered in Fond du Lac and Waupun, and over 130 people have participated. I am pleased to be able to offer this course in the Lomira area."

A new resident of West Bend, Shultz will work with agencies and women's groups to continue assessing the needs of women in the area. "Women usually have considered their job of housewife and mother as their main career. When that career is no longer fulfilling, either with all the children gone or the marital status changed, that job is obsolete. A woman must understand that she can explore other options for her life." That's where the encouragement comes in.

"I'm not a counselor, but rather a resource referral person for life decision counseling. Many women have a low self-esteem and a narrow viewpoint of their goals. I can highlight the alternatives for them."

Shultz is well aware of the alternatives. With a Bachelor's degree in Christian education as preparation to the seminary, she realized she had no desire to become a minister. "I returned to school when my son was two and suffered all the fears and apprehensions that many women feel when going to school after a long absence. I was the oldest person in my theatre class, but I lived

through it and it was not as intimidating as I had feared." Finishing up her work on a Master's degree will take a few more years and commuting to Milwaukee.

**Many Items on School Board Agenda**

The regular meeting of the Kewaskum Board of Education will be held on Monday, September 10, 1979. The meeting will begin at 8:00 p.m. and will be held in the district administrative office.

Agenda items will include resolving questions on varying kindergarten enrollment as well as resolving any final questions concerning scheduling of math at the elementary schools. Approval for a fall enrollment audit, considering proposals for changes in the heating systems, approval of payroll and vouchers payable and cancellation of the second September meeting will also be before the board, as will any miscellaneous items which may arise. A closed session will be held following the regular meeting to discuss a personnel question.

**WEEKLY Health TIP**  
from Tom Leitzke, R.P.H.

As people get older, the cornea of the eye tends to protrude into cone shape, rather than a flat curve-called keratoconus. It can lead to blindness. Dr. Arthur A. Knapp, prescribing vitamin D and calcium, found "within 6 weeks a noticeable change. Every patient had improved eyesight, accompanied by a flattening of the corneal cone." The findings are that, "given sufficient vitamin D and calcium, the cornea loses fluid and actually shrinks." This treatment tends to correct myopia as well.

Northpoint Shopping Center - 338-0646

Carol Ann Muench and Dennis Robert Wesenberg exchanged marriage vows during a 2:00 p.m. ceremony on August 25 at St. Lucas Lutheran Church, Kewaskum. Pastor Paul Hoenecke officiated.

The organist was Mrs. Deborah Hoenecke and the soloist was Wally Cudnohoske.

Parents of the couple are Mr. and Mrs. Eugene Muench, 611 Main Street, Kewaskum, and Mr. and Mrs. Robert Wesenberg, 517 E. Main Street, Campbellsport.

Joanne Peterson, a friend, served as patron of honor. The bride chose her sister, Sandra Muench, as her maid of honor. The bridesmaids were Margaret Krezwina, sister of the groom,

Dawn Boettcher, a friend of the bride, Lauri Schaub, Laurie Hintz, and Tammy Muench, all cousins of the bride.

The miniature bride was Jessica Schmidt, a friend.

Gordon Krezwina, brother-in-law of the groom, and James Wesenberg, cousin of the groom, shared the duties of the best man. The groomsmen were Allen Muench, brother of the bride, George Eggert III, cousin of the groom, Steven Muench, brother of the bride, and Ricky Heller, cousin of the groom.

Daniel Burmesch, a cousin of the groom, was the ring bearer. The ushers were Joel

Muench, cousin of the bride, and Ray Loehr, friend of the groom.

After the ceremony, a reception, dinner and dance was held at The Amerahn, Kewaskum.

The bride is a graduate of Kewaskum High School and is employed as a cost accountant at Regal Ware, Inc. The groom graduated from Campbellsport High School and is employed in assembly at Weasler Engineering.

Following a honeymoon trip to South Dakota, the newlyweds will be residing at 1341 Kewaskum Street, Kewaskum.

**Help Needed For Girl Scouts**

The Kewaskum Girl Scouts need adult volunteer help.

If you are 18 years of age - male or female - married or single - we need you!

If we are unable to find additional help by October 1, we have two Girl Scout troops that will not be able to register. You do not need to have any girl in the Girl Scouts to be a leader, co-leader or aide.

Training will be given to anyone interested. Girl Scouts have fun! It's not all just meetings. They learn new crafts, songs, earn badges, hike and camp. This is a beginning for them and it leaves an impression on them as they grow to adulthood. But it can not be done without people like YOU.

The Kewaskum Girl Scouts have leaders that have been in scouting over thirty years. These people care what happens to these young people.

The same people should not have to do this year after year

without assistance from other parents.

One brownie troop, grades one and two, and also Cadette troop #72 will not be able to join in with the Girl Scout activities if we are unable to provide them with leaders.

Come on parents of Kewaskum Girl Scouts! Is one year too much to ask of your time?

If you are interested in becoming an adult volunteer or if you should know someone who is interested, please call Mrs. Pat Morgan at 626-4284.

Thank you.

**Prosts to Note 60th Anniversary**

The family of Wilmer and Viola Prost, 303 Forest Avenue, Kewaskum, cordially invite all of their relatives and friends to their OPEN HOUSE in honor of their 60th Wedding Anniversary at the Peace Church Fellowship Hall in Kewaskum on Sunday, September 9, from two to four o'clock in the afternoon.

## September Events In Wisconsin

A Wisconsin September is a time of summer-ending events, fall festivals, and harvest celebrations.

Here's a schedule of some of the events happening throughout Wisconsin this September.

The World's Championship Musky Classic, in honor of the muskellunge, the premier game fish in Wisconsin, will be Sept. 7-9 on area lakes in the Boulder Junction, Presque Isle, Winchester and Manitowish Waters vicinity. Awards will be presented Sunday in Manitowish Waters.

Heritage Days at Villa Louis in Prairie du Chien will be Sept. 7-8, and Rustic Lore Days, held in Glenwood City, will be Sept. 7-9. The Old Wade House Art Fair will be Sept. 8-9; the State Historical Society site is located at Greenbush, midway between Sheboygan and Fond du Lac on an historic stagecoach route. The Wausau Festival of the Arts will be Sept. 8-9 at the UW-Marathon County campus.

Sept. 8 there will be a Wine-making Seminar at the Wollersheim Winery near Prairie du Sac. The seminar, to be repeated Sept. 15, is geared to the "make-it-at-home" wine hobbyist. Reservations are suggested, and the winery will be open for tours and wine tasting its usual hours of 10 a.m. to 5 p.m.

One of the major art events in Wisconsin, and nationally, opens Sept. 8 at the Leigh Yawkey Woodson Art Museum in Wausau. The 4th annual Bird Theme Art Exhibition will run through October 21. A nationally-acclaimed showing of paintings and woodcarvings, the exhibition displays the artist's continuous efforts to aesthetically capture animals and nature in art. The museum is open 9 a.m. to 5 p.m., Tuesday-Thursday, and 1-5 p.m., Saturday-Sunday.

On Sept. 9, the Governor's Cup 250 stock car race will be run on the one-mile oval at State Fair Park in the Milwaukee suburb of West Allis. Also on Sept. 9, there will be a wood-working craft demonstration at Pendarvis, a Cornish restoration of the State Historical Society, in Mineral Point.

At mid-month the dates of Sept. 14-16 mean it's time for the Rutabaga Festival in Cumberland, Gemuetlichkeit Days in Jefferson, the Amery Fall Festival, the Blair Cheese Festival, and Dam Days in Spring Valley.

Oneida County's colorama month begins Sept. 15, and will be observed with a variety of events, through Oct. 15, plus the signs will line up for color tours by auto, bicycle or foot. Black River Fall's Fall Festival is set for Sept. 16.

The Lancaster Fall Festival and Gays Mill's Apple Festival are scheduled for Sept. 21-22, while the Wine Harvest Festival in Cedarburg will be Sept. 22-23.

On Sept. 23 they'll be celebrating the Cheery Cherry Fall Festival in Menomonee Falls, Monroe's Fall Festival, Camera Day at Old Wade House in Greenbush, and Pendarvis Craft Day at Mineral Point with demonstrations in the craft of hooked, braided and woven rugs.

Weyauwega's annual Horse

and Buggy Days, highlighted with a big parade, will be Sept. 28-29. On Sept. 29 Minocqua will hold its annual Beef-a-Rama with residents competing with their beef recipe specialties, and in St. Germain, called the birthplace of colorama celebrations, there will be a big bar-b-que, self-guided colorama tours, a bazaar and plane rides.

Sept. 29 the Ocooch Fall Festival will happen in Richland Center with oldtime crafts, foods and displays.

Sept. 29-30 the All-American Mattenspringen will again be held at the Blackhawk Ski Jump near the Madison suburb of Middleton. Some 60 top ski jumpers, including the U.S. Ski Team, Canadians and Olympic hopefuls will compete on the 60 meter jump. It's the only plastic-surfaced jump in North America.

Oktoberfest in La Crosse begins Sept. 30 and lasts through Oct. 4. The annual festival transforms this Mississippi River community into a miniature Bavaria, and dozens of events are on the schedule including a torchlight parade, Lederhosen Luncheon, Burgermeister Dinner, fireworks displays, square dancing and riverboat tours.

An event happening nearly all month is a showing of photography at the Milwaukee Art

Center. Titled "Color: A Spectrum of Recent Photography," part one will be on display Sept. 6-Oct. 7. The two-part exhibition will include approximately 80 works by 15 photographers, and is the Milwaukee Art Center's first look at a wide range of work being done across the nation.

The Milwaukee Antiques Show is scheduled for Sept. 20-22. Sponsored by the Friends of Art of the Milwaukee Art Center, and Historic Walker's Point, approximately 20 dealers in antiques representing American and European furniture, pewter, glass lamps, paintings and silver will display at The Shops on Jefferson.

For free vacation and travel literature, and information on Wisconsin recreation and events, you may call the State Division of Tourism toll-free.

When calling from within Wisconsin, dial (800)362-9566.

Or you may write to the Wisconsin Division of Tourism, P.O. Box 7606, Madison, Wisconsin, 53707.

### WOW TRI-COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU

Kewaskum

Tuesday, September 11 — Chilled tomato juice, sliced turkey with dressing, candied sweet potatoes, tossed salad with sour cream dressing, French bread, chocolate cake with chocolate icing.

Thursday, September 13 — Hearty Vegetable soup with crackers, Yankee pot roast with brown gravy, parslid buttered potatoes, sweet-sour cabbage,

rye bread, vanilla pudding with chocolate topping.

The site is located at the American Legion Post 384 clubhouse at 1538 Fond du Lac Avenue. Meals will be served at noon on Tuesdays and Thursdays.

Reservations must be made one day in advance. To make a reservation call 334-3491, ext. 288 by 2 p.m.

The drum is the most widespread, sacred and ritually significant of all musical instruments.

## In the Service

Midshipman David W. Elwing, son of Mr. and Mrs. Stuart F. Elwing, 105 New Cassel Street, Campbellsport, recently received a Parachutist Badge upon completion of the three-week airborne course at the U.S. Army Infantry School, Fort Benning, Georgia.

During the first week of training, students undergo a rigorous physical training program and receive instruction in the theory of parachuting. The second week they receive practical training by jumping from 34-foot and 250-foot towers. The final week includes five static-line parachute jumps.

Elwing is enrolled in the Navy ROTC at Marquette University, Milwaukee.

♦♦♦♦

Airman Robert J. Nummerdor, son of Donald L. Nummerdor of 1538 Harrison Street, West Bend, has graduated from the U.S. Air Force aircraft maintenance training course at Sheppard Air Force Base, Wichita Falls, Texas.

Graduates of the course earn credits toward an associate degree in applied science through the Community College of the Air Force.

Airman Nummerdor learned aircraft maintenance, repair and service. He is being assigned to Offutt Air Force Base, Nebraska, for duty with a unit of the Strategic Air Command.

The airman's mother, Marilyn Edwards, resides at Route 2, Campbellsport.

♦♦♦♦

Navy Aviation Structural Mechanic Airman Apprentice Roy S. Demge, son of Lanson E. and Janice M. Dodge of 283 Forest Street, Campbellsport, recently participated in the U.S. 6th Fleet operation "National Week 79" in the central Mediterranean Sea.

He is a member of Attack Squadron 95, based at the Whidbey Island Naval Air Station, Oak Harbor, Washington, and was embarked aboard the aircraft carrier USS America.

The week-long exercise involved 20 ships and 200 aircraft. Almost 15,000 sailors and marines participated. "National Week" was designed to test naval warfare techniques and proficiency in a simulated multi-threat air, surface ship and submarine warfare environment.

Demge joined the Navy in January 1978.

♦♦♦♦

Navy Seaman Recruit Victoria J. Kovnesky, daughter of Jeanette Kovnesky of 226 S. Ninth, West Bend, has completed recruit training at the Naval Training Center, Orlando, Florida.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1979 graduate of Kewaskum High School, Kewaskum, she joined the Navy in June 1979.

## Open Door of County Seeking Volunteer Hotline Operators

The Open Door of Washington County, Inc. is now accepting applications for volunteer Hotline operators. The Hotline is a twenty-four hour phone service that serves Washington and Ozaukee counties. The training program will begin on September 19, 1979 at 7:00 p.m. at the Open Door in West Bend. Volunteers make a four month commitment and work only eight hours per month on two shifts of their choosing. Most often, the shifts run from 6:00 p.m. to 10:00 p.m. Monday through Friday. In addition, a monthly in-service meeting is required.

Specifically, the program offers drug education, personal growth workshops, crisis intervention training and suicide prevention techniques. Volunteers will also have an opportunity to learn more about community services and to exchange thoughts and ideas with other individuals who are likely to have common concerns about current social issues.

The Open Door has found that some persons volunteer in order to gain worthwhile experience that can enhance a personal resume or aid college studies. Others volunteer because they have heard that the experience is both unique and challenging. And still others volunteer because they simply want to help people.

Whatever the reason, the Open Door needs volunteers

who can do the job, so if you have the ability to listen and a sincere desire to help people, contact Ann Stoffel by calling 334-4636, 644-6016, 933-7300 or 675-2354.

## Fall Fest Slated at Cedar Lake Home

The "Old Fashioned Family Festival" will return to the Cedar Lake Home Campus, West Bend, on Sunday, September 23 from 11:00 a.m. to 4:00 p.m.

"This year, 1979, has been proclaimed to be the International Year of the Child and our Fall Festival '79 is an excellent opportunity for children to have a fun filled day with their entire family," says Mrs. H. Thomas, R.N., who is serving on the planning committee.

The festival's promotional flyer shows that the day includes a wide range of activities, including hayrides to the lakefront, carriage and pony rides; a petting zoo; magic shows; refreshments; carnival games; entertainment; and much more.

"A superb ham luncheon for \$2.50 is an excellent way to start out the day," says Mrs. Thomas. "We've priced everything with families in mind."

The festival is designed to provide an opportunity for members from the surrounding areas to view the beauty of the 215 acre campus and become apprised of the services available for youth, adult and the

Kewaskum Statesman, Friday, Sept. 7, 1979, Page 9

elderly.

This is the third annual Fall Festival planned for the public

by the Cedar Lake Home Campus which is located on Highway Z, West Bend.

## Stone-Goeden

Mrs. Daunene Stone, 670 State 84, Fillmore, is pleased to announce the engagement of her daughter Debbie to John Goeden, son of Mr. and Mrs. Jerome Goeden, 859 S. 7th Ave., West Bend.

Debbie is a 1978 graduate of Kewaskum High School and is employed at Sprague Electric, Grafton.

John is a 1976 graduate of West Bend West and is employed at Amtronix Industries, Ltd., Germantown. A May 17, 1980 wedding is being planned.

### — ATTENTION —

## Fermented Berries and Sweet Sap Are Martinis of the Animal World

Humans have long been known for their fondness of the fruit of the vine. But inebriation is not just a human foible, according to the current issue of International Wildlife magazine. Some animals also over-indulge.

Take the case of hundreds of waxwings which, explains the National Wildlife Federation's bimonthly publication, fell victim to the intoxicating effects of fermented rowanberries in Sweden. While motorists were trying to cope with a stretch of icy roadway one winter day, some of the drunken birds began to weave back and forth along the shoulder, while others dive-bombed right into windshields. Many of the birds, rendered totally helpless, just sat in the middle of the road.

Ripe pyracantha berries have also been responsible for many a bird's drunkenness. "Robins in Florida sometimes get so tipsy on ripe pyracantha berries that they bump into each other or fly into telephone wires and windows," reports International Wildlife. And in southern Nevada, hordes of migrating robins were seen staggering around after lingering too long at the pyracantha bush. A few days later, sobered up, they continued on their way south.

"Drunk" may not be the correct term for birds in this condition. Ornithologist Stanley Temple of the University of Wisconsin explains in International Wildlife that when a bird or mammal gets intoxicated, the cause is usually not alcohol but some other toxic substance. That poison, Temple speculates, may be a particular plant's way of discouraging wildlife from eating it.

Other naturalists point out that wild fruits can indeed ferment, producing in animals

the kinds of reactions normally associated with human intoxication. The big difference between inebriated people and animals is that humans may set out deliberately to addle their senses, while animals are usually taken unawares.

Insects are also susceptible, says International Wildlife. This weakness is recognized by butterfly hunters who use a devilish concoction of squashed bananas and sugar to tranquilize their quarry. Some insects are attracted to the sweetness of tree sap. When the sap ferments, wasps and butterflies are suddenly unable to fly. Bees, too, have been observed veering wildly after partaking of overripe nectar.

In addition to man, the elephant is a mammal with a long tradition of inebriation. This is due to the elephant's habit of feeding on various fermented fruits and then engaging in noisy drunken brawls. In Kruger National Park in South

Africa's Transvaal, they eat the pale yellow, plum-sized fruits of the marula tree. These delicacies have a sweetish acid taste which seems to have a special appeal and are said to ferment in the elephants' stomachs.

Probably the only animal ever grateful for having one too many is the pink pigeon of the island of Mauritius in the Indian Ocean. This rare bird eats a plant that stupefies him—but also produces cyanide when exposed to water in the pigeon's system. The same plant contains another chemical which accumulates in the bird's body, making its flesh poisonous to people.

While other, tastier pigeons were consumed to extinction, the tipsy pink variety was identified as a species to be left alone. "Thus," says International Wildlife, "the pink pigeon is renowned as a drunk may be responsible for its survival as a species."

## '79 Progress Days May Set Record For Exhibitors

Washington County farmers will have a full day if they attend the 1979 Farm Progress Days. A record number of companies have reserved exhibit space for their products and services.

Farm Progress Days will be held in western Iowa County on October 9-11.

Over 100 lots have been added for the 1979 show. But even with the increase, there will still be room on the 320 acres of the Roger James and

Charles Mueller farms for all of the demonstrations, exhibits and parking. The field demonstrations on corn harvesting and primary tillage will be close to Tent City and the parking lot.

Other features of the event include parallel tile outlet terraces, a beef feeder operation, a dairy operation, two new homes, corn management plots, 140 commercial corn varieties, farm safety, energy conservation, the Farm Progress Pavilion and a Family Living program.

The James and Mueller farms are between Cobb and Montfort, a mile south of U.S. Highway 18.

**Should the Government Bail Out Chrysler?**

The Chrysler Corporation, the nation's number three automaker, recently shocked the country when it revealed its critical financial condition, laid off 23,800 workers (and the number keeps growing), and asked the federal government for \$1 billion in tax credits to keep it afloat. The reaction of Congress, which must approve any government aid to Chrysler, has been mixed. If anything, there is support for loan guarantees like those provided some years ago for the Lockheed Corporation, rather than the tax credits Chrysler has asked for. But there is also much argument that the federal government should not get involved at all.

My own feeling is that the federal government should NOT get involved in "bailing out" large companies that get into financial trouble. It does not do so for small businesses, so why should it for big ones? Our economy is based on the free enterprise system, theoretically free of government control, so if a company cannot efficiently make a product people will buy, maybe it has no place in the marketplace.

True, the federal government has imposed regulatory burdens on Chrysler (and other automakers) that have contributed

to its financial woes. But it is also clear that the company has had serious management problems for some time.

The government should wait on providing ANY aid to Chrysler until AFTER that corporation files for a reorganization under Chapter 11 bankruptcy laws. Such a shakeup would be built on the premise that Chrysler SHOULD survive, for the good of its 124,000 employees and their families and for the good of a competitive economy. But it also would make sure that Chrysler is streamlined and rebuilt into a viable entity with better management that can survive and thrive, hopefully in the future without government handouts.

I will support government help for Chrysler ONLY if such a reorganization takes place. If we adopt a policy now of coming to the rescue of companies that flounder, we would be setting a precedent that would be dangerous. By limiting the government's help and making it contingent on revamping the company into a competitive one, we can avoid that pitfall.

September 10, 1954

The Kewaskum Public schools opened Tuesday with another record smashing enrollment of 491 students (267 in high school and 224 in grade school), which is well over last year's number. The total exceeds last year's enrollment of 455 by 36 pupils. First grade enrollment includes: Paul Allen, Ralph Bier, Lee Bunkelman, Gary Collins, Bonnie Flynn, Joyce Foerster, Susan Gruendeman, Lynn Honeck, Lucille Kirchner, Earl Kleinke, Leah Klukas, James Korth, Bonnie Kudek, Harry Krueger, Robert Manthei, Curtis Merwin, Jennifer Nolting, Virginia Pillar, Gloriann Quass, James Ramthun, Pamela Reiter, Sheila Risen, Brinda Rossow, Clifford Schultz, Carol Seefeldt, Ellen Sengpiel, John Shaske, Dawn Simons, Robert Spoerl, David Tesselink, James Thompson, Sharon Weideman, Fred Wensenberg, Ruby Wilson, and Audrey Yeadeke.

A spectacular fire on Saturday night, September 4, destroyed a large 110 by 50 foot barn on the Clyde Schloemer farm on Route 1, Kewaskum, located about two miles north-east of Boltonville. The blaze was visible for many miles and attracted hundreds of persons to the scene. Damage was estimated at from \$20,000 to \$25,000.

**LETTERS TO THE EDITOR**

August 31, 1979

Dear Editor:

How many ways can love be expressed? Let me tell you.

It's reflected in the eyes, hearts and hands of physicians and surgeons such as Drs. Sison and Castro of Kewaskum; in the tender, loving care of every person who works at St. Joseph's Hospital in West Bend be he or she a housekeeper, nursing assistant, nurse, clerical personnel or auxiliary personnel; in the care and concern of wonderful people like Merle Decker, plant manager, James Ritter, comptroller, and every person who works at Fairmont Foods in Kewaskum; by members of Kettle Moraine Ballast Scorers Train Club of West Bend; friends from Minz Supply of Kewaskum; wonderful friends and neighbors surrounding us and offering aid and assistance whenever and however needed.

How many ways can love be expressed? Let me tell you.

In this day and age when the world is headed straight to destruction, it's in the hands and hearts of praying people like Pastor Tim Chafins and people from the Assembly of God Church of West Bend; people like Oral Roberts, Rex Hubbard, PTL Club and many others who placed our petitions before God the Father through Jesus Christ, our Intercessor, who is The Way, The Truth and The Life.

How many ways can love be expressed? Let me tell you.

It's expressed in the love, care and concern of three terrific teenagers (who said they're all bad) named Randy Gust, Kim Kreif and Craig Larsen of Kewaskum who will mow your lawn when you profess you can do it but inside you are crying and thinking,

"Dear Lord, how can I keep going when I'm so tired out?"

Who says people don't care when a sweet girl like Debra Brendemihl of Kewaskum can keep chaffering you to the hospital in weather such as we had this past winter?

Who says people don't care and don't want to get involved?

I could go on and on with a list of "beautiful" people who have helped us this year of 1979 during my husband's illness and surgeries. It's impossible to mention everyone who stands with us but they know who they are.

How many ways can love be expressed? Let me tell you.

This is the most important of all! It's the loving warmth of our Lord and Savior, Jesus Christ, who shed His blood for us; who said, "I will never leave you nor forsake you;" who said, "Lo, I am with you always, even unto the end of the earth" and whose love cannot be equaled by anyone except God the Father Who gave His precious Son that this might be accomplished.

May God bless this nation of ours and continue to bless us with people like the aforementioned.

You can't keep love if you don't give it away.

May God grant a special blessing to every person who takes the time to love and get involved. May God grant that every man, woman and child heed the pleading of the Holy Spirit to accept Jesus as Lord and Savior.

I'm so glad I'm a child of the King.

Yours Truly,  
In the love of Jesus Christ,  
Mrs. Glenn Ludwig, Sr.

August 28, 1979

A good cross section of people from the West Bend and Milwaukee areas came to see the last performance of Glenn Asch with the Himalayan Mountain Boys. It was superb in every way, and all ages in the audience responded positively. We heard the true American folk music performed beautifully. Wisconsin Public Radio came from Madison and taped the event for their "Simply Folk" program to be aired September 16 beginning at 5:00 p.m. People here may listen at 90.7 FM on their radios that day.

I enjoyed organizing a suc-

cessful fund-raiser that was an immediate and direct contribution to the culture of all levels in our community.

Thank you to all who worked hard and contributed time, energy, talents and money to make The Himalayan Mountain Boys bluegrass concert a success August 24 at the West Bend High School Auditorium.

**Sun Primary Cause Of Skin Cancer**

Anyone may develop skin cancer from over-exposure to the sun, but it most commonly occurs in fair complexioned people. These people are more susceptible because their skin lacks sufficient quantities of melanin, the pigment which filters out the sun's harmful rays.

Protective creams and lotions, especially those which contain PABA (para-aminobenzoic acid), will help protect those with sun-sensitive skin, according to Dr. Frederic Mohs of the Wisconsin Clinical Cancer in Madison. For more information about how to protect your skin from the sun, you may call the Cancer Information Service toll-free at 1-800-362-8038.

## Rep Hephner Attends Meeting Of Foreign Ownership of Land

(MADISON)--Possible limitations and reporting requirements of foreign land ownership were among the topics discussed recently at an informational hearing of the Assembly Subcommittee on Foreign Ownership of Land attended by State Representative Gervase Hephner (D-Chilton).

According to Hephner, questions discussed at the hearing included:

--Should Wisconsin reduce the present 640-acre limitation on ownership of land by non-resident aliens?

--Should acreage limitations distinguish between agricultural and non-agricultural

lands?

--Are the current federal reporting requirements regarding alien land transactions sufficient?

--Should foreign investments in other facets of Wisconsin agri-business be encouraged, discouraged or be of no interest?

"These are among the questions the Legislature will face when the regular floor session resumes October 2," Hephner said. "I would sincerely appreciate hearing from the public on these issues," he added, noting that he can be reached at his office at 18 North, State Capitol, Madison, Wisconsin 53702.

## September Is Pedestrian Safety Month

September has been proclaimed PEDESTRIAN SAFETY MONTH in Wisconsin by Gov. Lee Sherman Dreyfus.

In his proclamation the state's chief executive points out:

• During the past five years an average of 120 pedestrians have been killed, and 2,379 injured, in Wisconsin each year.

• While pedestrians and motorists both have their rights, they must share the roadways in

a mutually lawful and predictable manner.

Governor Dreyfus further urges state and local governmental agencies, civic clubs, service groups and concerned citizens to "make a concerted effort to make walking a safer activity in Wisconsin through programs aimed at both young and adult pedestrians and operators so that an improved sharing of the roadway can exist."

Heartburn has nothing to do with the heart. The discomfort solely arises in the esophagus and stomach.

Tuesday, September 11 — Hot dog with bun, French fries, baked beans, sauerkraut, cake with cream.

Wednesday, September 12 — Breaded chicken, whipped potatoes, mixed vegetables, green beans, jello.

Thursday, September 13 — Bar-B-Q, bread, corn, beets, vegetable stix, flying saucer.

Friday, September 14 — Grilled cheese, peanut butter bread, applesauce, peaches, O'Henry bar.

### STATE FAIR GOERS ENJOY DAIRY PRODUCTS

WEST ALLIS — State Fair goers apparently have a big appetite for dairy products. More than 70,000 people stopped to buy ice cream sundaes, ice cream floats and milk at the American Dairy Association of Wisconsin booth from August 2-12.

The sundaes were the biggest draw. More than 40,000 sundaes were sold, smothered with over a ton of other Wisconsin products — maple syrup, honey and cherries.

The ADA of Wisconsin in cooperation with Golden Guernsey Milk Cooperative, Milwaukee Milk Producers and Associated Milk Producers, Inc. (AMPI), also sold 20,000 ice cream floats and 10,000 glasses of milk.

## NOTICE OF PUBLIC HEARING — SANITARY CODE —

Notice is hereby given that  
the Washington County Park &  
Planning Commission will hold  
a public hearing on a proposed  
revision of the Washington  
County Sanitary Code on Thurs-  
day, September 13, 1979 at 8:45  
P.M. in the Washington County  
Courthouse Auditorium, 432 E.  
Washington Street, West Bend,  
Wisconsin.

Copies of the proposed re-  
vision of said Washington  
County Sanitary Code are avail-  
able at the Washington County  
Land Use and Park Department  
Office, 515 E. Washington  
Street, West Bend, Wisconsin.

Dated this 31st day of August  
at West Bend, Wisconsin.

Fred H. Chlupp,  
Administrator,  
Land Use and  
Park Department

### THANK YOU

I wish to thank all my friends  
and relatives who remembered  
me with cards, flowers, phone  
calls, prayers and visits during  
my hospitalization and recuper-  
ation at home. Thanks also to  
the Kewaskum Rescue Squad  
and anyone else who gave as-  
sistance on the morning of my  
accident.

Linda Theisen

## Advances In Treating Childhood Cancer

This year the lives of at least  
7500 young people will be saved  
because of advances in the  
treatment of four types of  
cancer that commonly affect  
children---acute lymphocytic  
leukemia of childhood, Hodg-  
kin's disease, testicular cancer,  
and bone cancer. By contrast,  
the vaccine against polio will  
only save about 5,000 young  
Americans from serious paraly-  
sis or death, according to Dr.  
Robert O. Johnson of the Wis-  
consin Clinical Cancer Center in  
Madison.

If you would like to learn  
more about the progress being  
made in treating various kinds  
of cancer, you may call the  
Cancer Information Service toll-  
free at 1-800-362-8038.

## Hunting Licenses Now Available at Most Outlets

Hunting licenses for the coming season are now available at many license sale outlets, according to Douglas Poole, chief of the License Section in the Department of Natural Resources.

"Delivery of the new licenses has been made to DNR stations where they are available for sale and to the offices of County Clerks throughout the state," Poole said. He noted that delivery to most other license outlets, sporting goods stores, resorts, etc., is made by the County Clerks and should be completed within a week or so.

The 1979-81 biennial budget passed by the state legislature and signed by the Governor recently provides for hunting license fee increases to finance the increased costs of various programs associated with wildlife and fish management and conservation law enforcement, including the addition of 14 Conservation Wardens to the staff.

Here is the license fee schedule for the approaching hunting season:

LICENSE	RESIDENT	NONRESIDENT
Sports	\$22.50	\$ --
Small Game	6.50	60.50
Deer	11.00	80.50
Bear	11.00	100.50
Archer	9.50	60.50
Trapping	6.50	--

General	--	125.50
Small Game (5-Day)	--	25.50
Waterfowl Stamp	3.25	3.25
Party Permits	No Charge	No Charge

The largest percentage increase is for the non-resident archer license. Poole explained that while the last hunting license increase was in 1973, the non-resident archers license was not raised at that time, and in fact has not been raised since 1959.

He also noted that there will be no charge this year for the deer party permit. In past seasons, cost of the permit was \$5.00.

Contrary to some popularly held beliefs, funds received from the sale of hunting and fishing licenses are used only for programs related to the management of wildlife and fish populations and conservation law enforcement which account for \$.71 of each license dollar collected. Other related programs financed with license dollars include land acquisition, engineering and research programs, funds returned to local units of government and other services including the costs of printing licenses, the Conservation Congress, legal and financial support services, etc. These account for the remaining \$.29 of each license dollar. Here is a breakdown of where your hunting and fishing license dollars go.

## Wisconsin Outdoors Report

SOUTHEAST	HORICON AREA
SHEBOYGAN COUNTY	DODGE COUNTY
WASHINGTON COUNTY	COLUMBIA COUNTY
OSHAUKEE COUNTY	MARQUETTE COUNTY
WAUKESHA COUNTY	GREEN LAKE COUNTY
MILWAUKEE COUNTY	FOND DU LAC COUNTY
WALWORTH COUNTY	
RACINE COUNTY	
KENOSHA COUNTY	

Anglers in Wisconsin are enjoying limited success around the state as high water levels in many places resulting from recent rains have slowed fishing activity. The rains have brought out the mushrooms and the mushroom hunters.

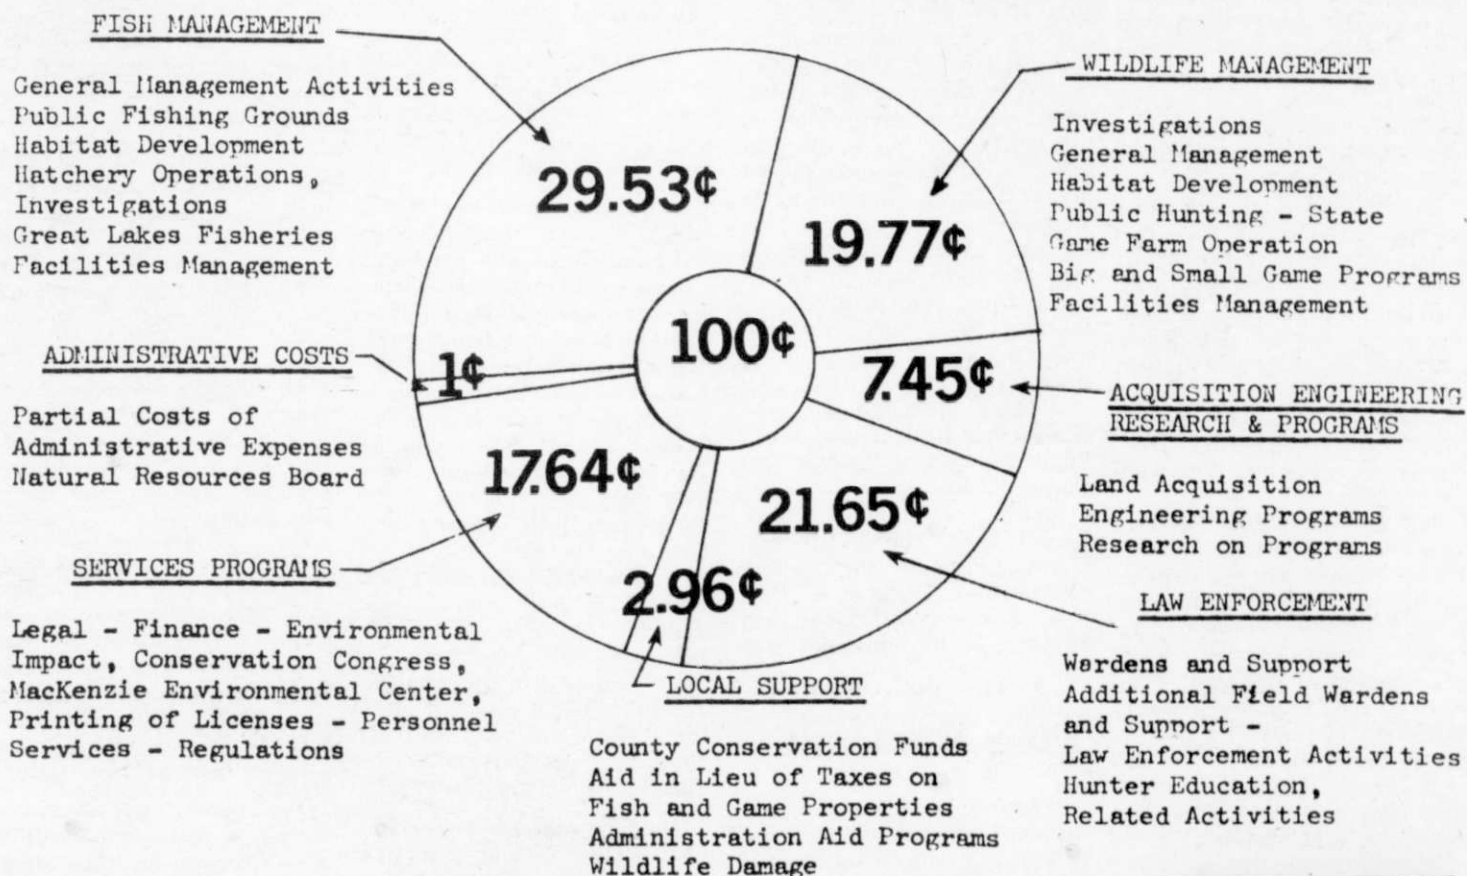

Fond du lac County — Perch fishing is spotty on Lake Winnebago. With the hot weather, Lake Winnebago shuts down. There are good flocks of waterfowl in the county. Bird watching is excellent. Bluegills are biting on Long Lake. Panfish action is good on Mauthe Lake and Crooked Lake.

### Southeast District

Inland water fishing for both game and panfish has been good throughout the district. However, fishing pressure has been light. Nice northerns are being taken from Lake Geneva in Walworth County, Lake Nagawicka and Pewaukee Lake in Waukesha County and Big Cedar Lake in Washington County.

Walleye fishing has been good in Pike Lake in Washington County, Oconomowoc Lake in Waukesha County, Wind Lake in Racine County and Delavan Lake in Walworth County. Catfish continue to bite in the Fox River in Racine and Kenosha Counties. Largemouth bass fishing has slowed somewhat, but some nice catches are coming from Browns Lake in Racine County, Eagle Spring Lake in Waukesha County, and Little Cedar Lake in Washington County. Panfish are biting in all inland waters in the District.

Boaters enjoyed very good fishing in Lake Michigan off Port Washington with some excellent catches made. Anglers in one boat took 110 pounds of fish in one day. Chinooks in the 20 pound class made up most of the bag. Pier fishing was spotty at Port Washington, but was fair to good although inconsistent in Sheboygan County. Trollers off the Sheboygan harbor enjoyed fair to good success for Chinook.

Supplemental security income (SSI) is a Federal income maintenance program for aged, blind, and disabled people with limited income and resources. For details, contact a social security office.

## NOTICE OF PUBLIC HEARING — SANITARY CODE —

Notice is hereby given that the Washington County Park & Planning Commission will hold a public hearing on a proposed revision of the Washington County Sanitary Code on Thursday, September 13, 1979 at 8:45 P.M. in the Washington County Courthouse Auditorium, 432 E. Washington Street, West Bend, Wisconsin.

Copies of the proposed revision of said Washington County Sanitary Code are available at the Washington County Land Use and Park Department Office, 515 E. Washington Street, West Bend, Wisconsin.

Dated this 31st day of August at West Bend, Wisconsin.

Fred H. Chlupp,  
Administrator,  
Land Use and  
Park Department

### THANK YOU

I wish to thank all my friends and relatives who remembered me with cards, flowers, phone calls, prayers and visits during my hospitalization and recuperation at home. Thanks also to the Kewaskum Rescue Squad and anyone else who gave assistance on the morning of my accident.

Linda Theisen

## Advances In Treating Childhood Cancer

This year the lives of at least 7500 young people will be saved because of advances in the treatment of four types of cancer that commonly affect children—acute lymphocytic leukemia of childhood, Hodgkin's disease, testicular cancer, and bone cancer. By contrast, the vaccine against polio will only save about 5,000 young Americans from serious paralysis or death, according to Dr. Robert O. Johnson of the Wisconsin Clinical Cancer Center in Madison.

If you would like to learn more about the progress being made in treating various kinds of cancer, you may call the Cancer Information Service toll-free at 1-800-362-8038.

## Hunting Licenses Now Available at Most Outlets

Hunting licenses for the coming season are now available at many license sale outlets, according to Douglas Poole, chief of the License Section in the Department of Natural Resources.

"Delivery of the new licenses has been made to DNR stations where they are available for sale and to the offices of County Clerks throughout the state," Poole said. He noted that delivery to most other license outlets, sporting goods stores, resorts, etc., is made by the County Clerks and should be completed within a week or so.

The 1979-81 biennial budget passed by the state legislature and signed by the Governor recently provides for hunting license fee increases to finance the increased costs of various programs associated with wildlife and fish management and conservation law enforcement, including the addition of 14 Conservation Wardens to the staff.

Here is the license fee schedule for the approaching hunting season:

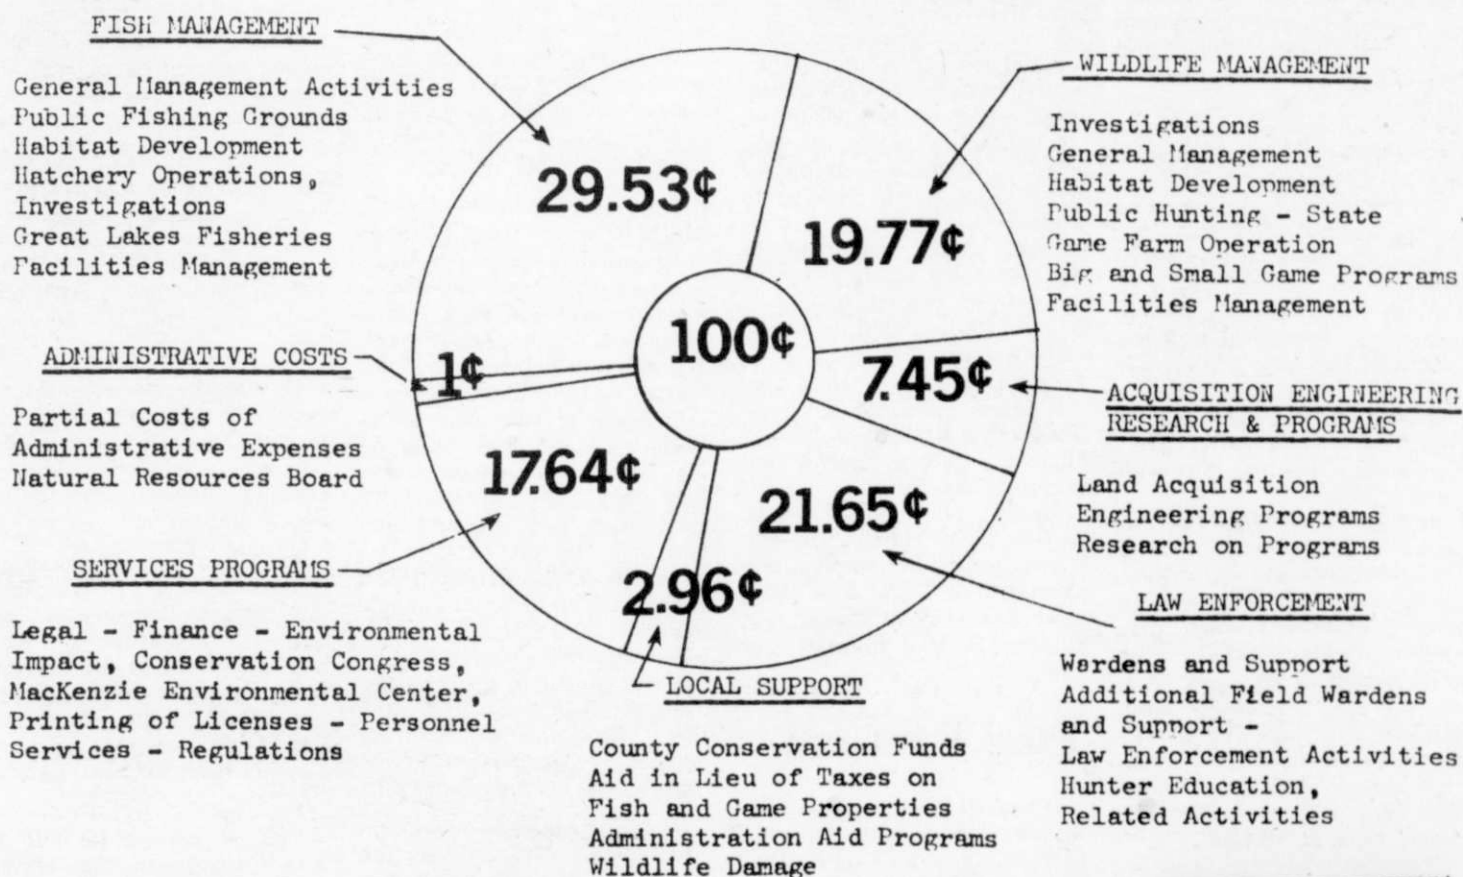

LICENSE	RESIDENT	NONRESIDENT
Sports	\$22.50	\$ --
Small Game	6.50	60.50
Deer	11.00	80.50
Bear	11.00	100.50
Archer	9.50	60.50
Trapping	6.50	--

General	--	125.50
Small Game (5-Day)	--	25.50
Waterfowl Stamp	3.25	3.25
Party Permits	No Charge	No Charge

The largest percentage increase is for the non-resident archer license. Poole explained that while the last hunting license increase was in 1973, the non-resident archers license was not raised at that time, and in fact has not been raised since 1959.

He also noted that there will be no charge this year for the deer party permit. In past seasons, cost of the permit was \$5.00.

Contrary to some popularly held beliefs, funds received from the sale of hunting and fishing licenses are used only for programs related to the management of wildlife and fish populations and conservation law enforcement which account for \$.71 of each license dollar collected. Other related programs financed with license dollars include land acquisition, engineering and research programs, funds returned to local units of government and other services including the costs of printing licenses, the Conservation Congress, legal and financial support services, etc. These account for the remaining \$.29 of each license dollar. Here is a breakdown of where your hunting and fishing license dollars go.

OSHAUKEE COUNTY  
WAUKESHA COUNTY  
MILWAUKEE COUNTY  
WALWORTH COUNTY  
RACINE COUNTY  
KENOSHA COUNTY

**HORICON AREA**  
DODGE COUNTY  
COLUMBIA COUNTY  
MARQUETTE COUNTY  
GREEN LAKE COUNTY  
FOND DU LAC COUNTY

Anglers in Wisconsin are enjoying limited success around the state as high water levels in many places resulting from recent rains have slowed fishing activity. The rains have brought out the mushrooms and the mushroom hunters.

Fond du lac County — Perch fishing is spotty on Lake Winnebago. With the hot weather, Lake Winnebago shuts down. There are good flocks of waterfowl in the county. Bird watching is excellent. Bluegills are biting on Long Lake. Panfish action is good on Mauthe Lake and Crooked Lake.

**Southeast District**  
Inland water fishing for both game and panfish has been good throughout the district. However, fishing pressure has been light. Nice northerns are being taken from Lake Geneva in Walworth County, Lake Nagawicka and Pewaukee Lake in Waukesha County and Big Cedar Lake in Washington County.

Walleye fishing has been good in Pike Lake in Washington County, Oconomowoc Lake in Waukesha County, Wind Lake in Racine County and Delavan Lake in Walworth County. Catfish continue to bite in the Fox River in Racine and Kenosha Counties. Largemouth bass fishing has slowed somewhat, but some nice catches are coming from Browns Lake in Racine County, Eagle Spring Lake in Waukesha County, and Little Cedar Lake in Washington County. Panfish are biting in all inland waters in the District.

Boaters enjoyed very good fishing in Lake Michigan off Port Washington, but was fair to good although inconsistent in Sheboygan County. Trollers off the Sheboygan harbor enjoyed fair to good success for Chinook.

Supplemental security income (SSI) is a Federal income maintenance program for aged, blind, and disabled people with limited income and resources. For details, contact a social security office.

## Cougars Claw Indians in Football Opener Friday, 32-0

Kewaskum turnovers via fumbles and interceptions, and Campbellsport's power running by fullback Keith Rowe and stout defense helped the Cougars overpower the Indians in the non-conference opener here Friday night, 32-0.

The defeat spoiled the debut of Kewaskum's new head coach, Mike Fifrick, and disappointed the parents' night crowd.

Campbellsport, fielding a strong team this year, used a seasoned backfield with Keith Rowe leading the way with 118 yards in 15 carries, brother Scott Rowe gaining 63 yards in six tries, including a 15-yard touchdown run, and Randy Narges carrying nine times for 55 yards and three touchdowns on runs of 19, 9 and 2 yards.

Keith Rowe completed the scoring by returning an intercepted pass 15 yards for a score in the fourth quarter. The Cougars rolled up 283 yards on the ground to 64 for Kewaskum.

Things went bad for the Indians right from the beginning. Brian Dreher fumbled the opening kickoff and Scott Rowe recovered. Campbellsport couldn't take advantage the first time and was forced to punt. On Kewaskum's second play from scrimmage they fumbled again. This time by Rod Schultz and the Cougars' Chuck Grady recovered. Six plays later Narges scored from 19 yards out.

The Cougars scored again in the second quarter when Scott Rowe went in from the 15 after a 93-yard drive. Following a punt,

Campbellsport took over on their own nine and scored seven plays later. Keith Rowe had runs of 26 and 15 yards in this drive.

Another Indian turnover and the Cougars promptly scored again before halftime. A pass by quarterback Joel Herriges, who was rushed all night, was intercepted by Tom Pankratz, who romped down the sideline to Kewaskum's 4. After a penalty, Narges scored from the nine, making it 20-0 at halftime.

Campbellsport added two more touchdowns in the second half, one by Narges, his fourth, on a 14-yard run after a drive and the other by Keith Rowe following the other interception and 15-yard return.

The Indians had only two scoring opportunities, one after a bad hike from center led to a blocked punt on the Cougar 31 yard line, the other on a fumble recovery by Bruce Keller on the Campbellport 26. On neither one were the Indians able to penetrate. On the last one Bill Hatch intercepted another Herriges pass in the end zone with seconds left.

It was not a good performance by the Indians.

This Friday night the Indians host another Flyway Conference team in non-conference play when North Fond du Lac comes to do battle at 7:30 p.m. This was the only team Kewaskum defeated last year. The Orioles lost to Cedar Grove last week, 21-0. Scenic Moraine Conference play will begin the following week at Grafton!

### MONDAY NIGHT TRAPSHOOTING LEAGUE

#### FINAL STANDINGS

Bernie Sarauer Jr., Sec.

	W	L
Serwe's II	13	4
Kasuba's	13	4
Bob-A-Lene's	12	5
Dundee S & G	12	5
The Barn	11	6
Glacier Inn	11	6
Dins Mobil	7	10
Serwe's I	7	10
Custom Welding	6½	10½
Bohlman's Bar	3	14
Stella Cheese	2½	14½
Half Shots	2	15

Twenty-five straight was shot by Bill Prost for Glacier Inn, Alan Ramthun for Bohlman's Bar and Jerry Thompson for Bob-A-Lene's.

In the shoot offs, Serwe's II placed first and Kaszuba's second with Bob-A-Lene's in third.

Top three shooters in the league are first, Dennis Petermann, second, John Lightner, and third, Dale Reigle.

Women's Top Gun went to Leona Dins.

## Tennis Girls Lose To West Bend West

The Kewaskum girls' tennis team opened their season at West Bend West last Thursday in non-conference action and were blanked by the Spartan girls, 7-0.

West's doubles teams were impressive. At No. 1 Jackie Fox and Connie Wickman beat Kewaskum's Carrie Stollenwerk and Bonnie Prost, 6-2, 6-0.

The Spartans' Michelle Bleck-Kris Semler and Lisa McBride-Leighta Johnson did well at No. 2 and 3 doubles. Both teams failed to lose a single game to their Indian opponents, Julie Dettmann-Jane Russell and Deb Allmann-Marjean Backhaus.

In singles Sally Goetsch beat Brenda Manthei, Debbie Fleischman beat Sue Russell, Karen Semler beat Lori Strobel and Katie Geiger beat Mary Brenholt.

The West JV team did equally well, winning 9-0.

**VARSITY TENNIS**  
**WB WEST 7, KEWASKUM 0**  
**SINGLES** — Sally Goetsch beat Brenda Manthei 6-0, 6-1, Debbie Fleischman beat Sue Russell 6-2, 6-0; Karen Semler beat Lori Strobel 6-1, 6-0; Katie Geiger beat Mary Brenholt 6-4, 7-5.

**DOUBLES** — Jackie Fox-Connie Wickman beat Carrie Stollenwerk-Bonnie Prost 6-2, 6-0; Michelle Bleck-Kris Semler beat Julie Dettmann-Jane Russell 6-0, 6-0; Lisa McBride-Leighta Johnson beat Deb Allmann-Marjean Backhaus 6-0, 6-0.

## Kewaskum's Chuck McClain Wins Hon-E-Kor Championship

Chuck McClain of Kewaskum is this year's men's champion of Hon-E-Kor Men's Club. Ladies' champion is Mary Ann Koss and Bob Lyons won the junior championship.

In the men's final played on Labor Day, McClain led slightly for the first 18 holes of play and then moved ahead on the third nine during his 6-5 win over Mike O'Connor Jr. of West Bend, defending champion. McClain finished the match at even par, while O'Connor was a little over.

McClain also won the title in 1975. O'Connor was after his third Hon-E-Kor crown.

Koss, who is an elementary teacher in the Farmington School, defeated Audrey Bartelt Jaraczewski of Kewaskum in her bid for an eighth title. She won 5-3. Koss formerly played golf at Oshkosh when she was a student.

Lyons' junior championship was his third straight as he came from behind to do it. Lyons, of West Bend, is a high school junior.

Results of other finals:  
 Women's — Flight 1, Joyce Gruber beat Kathy Lastofka 3-2; Flight 2 — Joyce Simons beat Dorothy Schaefer.

Men's — Flight 1, Tom Bartelt over Marsh Alf 4-2; Flight 2 — Jim Rothen beat Bob Schmidt 7-5; Flight 3 — Dick Scott bested Will Hoff 5-4; Flight 4 — Jim Hoffman over

## Flag Football

If your child is between ages 8-12 he is welcome to participate in this year's Flag Football Program. The child must live in the Kewaskum School District. The program will take place in Kewaskum at the Athletic Field by the high school.

Registration will be Saturday, September 8, from 9-10 a.m. at the high school. Fees will be \$2.00 per child. There will not be any shirts or other garments given to the participants. The \$2.00 will be used for administration and equipment.

We also need interested parents or other mature individuals for coaches and umpires. Your cooperation is the only way this program will be successful; without your help the program may have to be cancelled.

### PERMISSION SLIP

I hereby give my child, \_\_\_\_\_, permission to participate in the 1979 Flag Football Program. I, \_\_\_\_\_

Mr. \_\_\_\_\_ and Mrs. \_\_\_\_\_

will accept all responsibilities for any type of injury that may occur before, during, or after any practice or game. All persons involved in the Flag Football Program are exempt from any type of action.

Parent's Signature \_\_\_\_\_

Date \_\_\_\_\_

Dwight Cross.  
 Juniors — Flight 2 — Pete Gundrum beat Dan Dean 3-1; Flight 3 — Chris Harlow over Jeff Decker 2-1.

## Jaycees 1st in Regional, 2nd in State Softball

The Kewaskum Jaycees took first in the regional tourney and second place in the state softball tourney.

The Jaycee team went down to Butler's slo-pitch softball tourney and won every game by an average of 10 runs a game to place first in regional play.

Then it was up to Greenwood, which is up at Marshfield. In one game the team blasted a 21 to 3 win. The rest of the games were all close. The second final game was against Greenwood-Willard, in which we won in the bottom of the 9th inning by 1 run. Since it was Greenwood-Willard's first loss and the Kewaskum team had an earlier loss, they played again. With runners on third and first with two outs, bottom of the 7th, Greenwood-Willard batting and Kewaskum up by 1 run, the ball was hit to third. The third baseman made a wild throw and the ball went into the outfield. The right fielder picked it up to throw home and with a diving slide Greenwood-Willard won and Kewaskum came out 2nd.

They'll meet again at Fond du Lac Sept. 14, 15 and 16 for the Nationals. So if anyone has nothing to do come up to the Lakeside Ball Park. Games start Friday, 7 to 10, and Saturday and Sunday, 10 a.m. to 9 p.m.

## Hon-E-Korner

The low net event on August 22 was won by Helen Goetz and Shirley Lemler, each of whom had a 36 net. Low putter was Marge Bauer with 13 putts.

On August 29, the event was Low Net - Best Ball Foursome, and the winning team consisted of Sue Decker, Gen Albiero, Dorothy Schaefer and Diane Hoffman. Bev O'Connor's approach shot was closest to the pin on No. 9. Jan Koch chipped in her approach shot on No. 4 and Sue Decker on No. 1.

## Area Racing News

By Ken Knoll

I haven't covered a dirt show all year as you have noticed, but fell I must on this one. Wednesday night was the final show ever at Fireman's Park in Cedarburg.

Wayne Erickson, promoter and owner of Slinger Speedway called the officials that run the races at Cedarburg to see if he could enter that show using Tony Strupp's backup car. At that time, he told the officials he would have trouble converting

the car's mufflers to conform to their rules. They said because it was the last show it would be OK to run the car as it was. He showed up, got the car inspected and approved and the officials put an "OK" sticker on the car.

He qualified the car 12th fast, good for the pole of the feature. In the heat race, Strupp drove the car, starting in the rear of the field, and finishing third. When it came time to line up the feature, they would not let the car run saying the mufflers were illegal. Neither Erickson or Strupp was allowed to run the car.

This was after the car was inspected and APPROVED. They were willing to pay for qualifying and the heat thereby saying the car was legal for those events, but not for the feature.

It is this writer's opinion, that had they not made the feature in the car, no one would have said anything. This is the same sort of Goeden last year when he came out in midyear with a new car.

He had the plans for the car approved in winter. When he brought the car out it was OK'd but after his first night of running, they told him the car was illegal.

They finally managed to get another show in at Wisconsin International Raceway in Kaukauna. Tony Strupp of West Bend was third in time, second in the fast dash and won the 20 lap feature. Willie Goeden of Kewaskum was 11th in time, won his heat and was sixth in the feature.

Things went well for both top area drivers at the Bling Super Speedway on Saturday, September 1, for the Miles "The Mouse" Melius Classic.

In qualifications with 47 late models, which was for the two day events, Willie Goeden of Kewaskum qualified fifth and Tony Strupp qualified fourth. Al Kulwicki of Milwaukee took top honors. Strupp won the 100 lap fast heat while Goeden finished fifth.

In the 25 lap feature for that event, Strupp won the event, and Goeden finished a strong sixth with his backup engine.

On Sunday in the first of two 55 lap features, things looked good for Goeden. On the 15th lap, he was challenging Jerry Eckert for the lead, with Strupp coming up fast through the pack. The first of three caution flags went out on the 17th lap. Strupp had now moved up to second place as Goeden dropped to fourth.

Eckert maintained the lead until the 22nd lap, when Strupp passed him to win the first of two 55 lap features.

As Goeden's luck would have it this year, on the 38th lap, he pulled off the track due to engine problems. He finished 17th.

The second 55 lap feature, with 22 cars, was a "runaway" as Strupp took the lead from Al Schill on the 11th lap and went on to win.

With the points added together for the two features, Strupp took top honors, Schill second and Kulwicki finished third.
