Week's Wit

The happiest days of your life are school days, providing your children are old enough to attend.

Regal Ware United Way Kick Off Begins

REGAL WARE UNITED WAY DRIVE — Looking at the United Way thermometer erected above Regal Ware's plant entrance are, left to right: Paul Christensen, Regal Ware Personnel Manager; Bob Zarling, United Way Drive Co-Chairman; Ed Christie, Regal's United Way Coordinator, and Arnie Stommel, President of Kewaskum Area United Way.

Regal Ware employees are having their opportunity to participate in this year's United Way Fund Drive the week of October 15. Every employee, hourly and salaried, is being solicited throughout the week. Two thermometers have been

placed at Regal Ware, one at the plant entrance and another in the lobby of the administration building. Each one will calculate the percentage of participation, independently---challenging both areas of employees to give their fair share.

Announce KHS Student Government Representatives, Class Officers

Student elections for student government representatives and class officers were held recently at Kewaskum Community High School.

The results of these elections are as follows: Senior student government representatives - Debbie Bargman, Sherry Bilgo, Diane Bremser, Joan Amerling, Margie McClain, Tracey Schleif, Laurie Wilson and Jackie Yearling. Senior class officers are: President Rick Stefanovic, Vice President, John Czoschke, Secretary, Lori Schmidt and Treasurer, Sherry Foerster.

Junior student government representatives - Darla Bader, Kelly Butzke, Carrie Dreher, Doreen Klug, Joan Hanrahan, Debbie Printy, Barb Wilson and Julann Zemlicka. Junior class officers are: President, Jill Petermann, Vice President Lori Strobel, Secretary, Carrie Stollenwerk, and Treasurer, Debbie Schlice.

Sophomore student government representatives are Jenny Mueller, Lisa Neumann, Amy Nigh, Gina Luedtke, Darla Prost, Pam Stray, Jackie Stoffel and Jenny Zemlicka. Sophomore class officers are: President, Brenda Fuller, Vice President, Jill Yearling, Secretary, Marjean Backhaus and Treasurer, Melissa Koch.

Freshmen student government representatives are Sheri Ritger, Nancy Bonlender, Marg Vogt, Michelle Tiemann, Karen Volm, Linda Larsen, Jeff Fritz and Lynn Dreher. Freshmen class officers are: President, Cheryl Jaeger, Vice President, Brenda Serwe, Secretary, Lori Lloyd and Treasurer, Jacky Bartelt.

Student government officers are: President - Laurie Wilson, Vice President - Diane Bremser, Secretary - Jackie Yearling, and Treasurer - Barb Wilson.

Representing the student body at school board meetings are Julann Zemlicka and Tracey Schleif.

Fire in Basement At Ritchie Home

Kewaskum firemen answered a call shortly before 3 p.m. Sunday to the Doug Ritchie home at 120 Prospect Avenue. According to Fire Chief Augie Bilgo sparks from a wood burning furnace ignited sawdust and debris on the basement floor, causing it to smolder. Firemen carried out the sawdust and cleaned the basement area.

Night Parking Ban Recommended

Village Board Plans for Winter Woes; Grants Tavern License

By DAN MEILAHN
Statesman Staff Writer

The leaves are not yet off the trees, but the Kewaskum Village Board was busy Monday night, October 15, planning for the inevitable winter (gasp). Arrangements for salt, shoveling out hydrants by the public, and winter parking on neither side of the street from 2-6 a.m., were discussed. A tavern license was granted to new operators of Apollo's Lyre, an additional crossing guard will be hired, and Halloween trick or treat hours were determined.

Village Administrator Dan Schmidt announced that an "Adopt-a-Hydrant" program will be tried this year whereby property owners would agree to shovel out the hydrant or hydrants near their property. The entire notice will be published in the paper and again after the first snowfall (another gasp). In this manner, \$1,000 could be saved by not having the village crew or fire department maintain the hydrants' access during the winter months.

Superintendent of Public Works Augie Bilgo reported that there was presently no salt for streets available through the county (as they were short last year and could not make any commitment) or through the usual International Salt Co. There is not a salt shortage but rather a shipping shortage; not many care to transport it. Bilgo did mention that some communities had even contracted together to lease a ship to South America for salt, but it would cost about \$40 per ton. Bilgo recommended going with a "wholesaler in our locality" who could provide rock salt in

bags. This would be mixed with some sand and rock chips as last year. It was the consensus of the board to proceed in this manner.

Public Works Committee Chairman Don Mlodzik suggested charging businesses or those with parking lots for snow removal by the village. He suggested a price of 4c per square foot for the area cleared. This would be paid once a year. President Danielsen wished to know just who would determine the size of the areas to be cleared and where the lines would be drawn between private and public removal of snow. Bilgo was concerned that some private parties may take advantage of this and push their snow into the streets for the village to haul away which would not allow the crew time for the necessary removal from other streets. Raynor Herriges was also concerned that the village may find themselves in the "Snow removal business." It was suggested that if the charge for removal by the village was higher, it would encourage private parties and businesses to seek out private contractors which would be more advantageous. Danielsen admonished the board to think on the subject further.

Commissioner Bill Martin was directed to contact Village Attorney Jerry Kiefer in order to have the snow removal ordinance ready for the winter. This ordinance may include the provision that there be NO parking on EITHER side of the street from 2 a.m. to 6 a.m. Bilgo suggested that December 1 may be a more appropriate date than November 1 for putting the ordinance into effect. It was mentioned that it is still difficult to

(Continued on Page 3)

KHS Accepted As Center for Student Teacher Trainees

The Home Economics Department at Kewaskum High School has been accepted by the University of Wisconsin-Stout as a center for student teacher trainees.

Ms. Nancy Helmer, student trainee, will be working under the supervision of the cooperating teacher, Mrs. Virginia Froelich and Principal Clark Pearson. Both Home Economics teachers at the high school, Mrs. Froelich and Mrs. Martin have completed graduate study and workshops to qualify for this assignment.

Ms. Helmer, whose home town is White Lake, Wisconsin, will be the first student teacher from Stout University. She will begin October 24 and will be with the KCHS staff until December 18.

Movie Madness to Be Presented by Historical Society

The Kewaskum Historical Society presents MOVIE MADNESS!!

I. Children
October 26, 6:30 p.m.
October 27, 1:30 p.m. and 6:30 p.m.

Duck Amuck - Daffy Duck
Bird Who Came to Dinner - Woody Woodpecker
Flight of the Doves - Two children in search of their Granny are pursued by a sinister Uncle, a master of disguises.

II. Youth and Adult
October 26, 10:00 p.m.
October 27, 10:00 p.m.

Cartoons
Doomwatch - A Doctor and School Teacher on a small and strange island where they find all kinds of abnormalities.

The features are roughly two hours long and cost only \$1.00 for children and \$1.50 for adults.

The location is the Kewaskum Valley Bank meeting room.

The proceeds to go to the moving of the Kewaskum Historical Society's log cabin.

Popcorn and treats will be sold.

Happy Halloween! All are invited.

10-19-21

Open House at District Schools

Schools in the Kewaskum District will hold Open House on Monday, October 22, and Tuesday, October 23.

All residents of the Kewaskum District are invited to visit schools and classes on either of the two days set aside for this purpose. When not involved with teaching, school personnel will be happy to answer any questions visitors may have.

Days set aside for Open House provide parents and others with the opportunity to see their schools in action, and to see their children in classes. Kewaskum School personnel encourage all residents to take this special opportunity to visit the schools, but want them to know they are welcome as visitors at any time.

News Of Nutrition
by ANN CROWLEY R.D. Ph.D.

ORGANIC FOODS ARE COSTLY

The words to a song popular several years ago, go "We've got money to lend, money to spend and money to throw away." If like the song, you've "got money to throw away," you can do so by buying "organic" food.

Space does not permit listing all the qualified scientific authorities who agree the "organic foods" are a costly myth. But consider the statement of Dr. Ruth Leverton a highly respected nutrition educator. Speaking for the Department of Agriculture's Agriculture Research Service, she says:

"There is no proven substantiated basis for claiming that plants grown with only organic fertilizer have a greater nutrient content. The type of fertilizer used is not a determining factor in the nutritive value of a plant."

If you wish to learn the true facts about so-called natural or organic foods and why it is a waste of money to buy them, write to me and I will give you the names of several books which will provide you with complete and accurate information.

Please send all your comments, questions or recipe suggestions to Dr. Ann Crowley, c/o The S.C. Shannon Co., P.O. Box 2395, Appleton, Wis. 54913.

Village Board

(Continued from Page 1)

plow around vehicles even when there is parking on only one side. Schmidt noted that other communities are also going to the "neither side" parking provisions - Campbellsport has no parking at those times; Hartford has no parking except on wide streets and West Bend does not allow any parking on narrow streets. Trustee Dave Nigh wished to have a stiffer fine imposed for violations, rather than the practice of towing the vehicle away even if it is not snowing. Presently the fine was only \$2.00.

The contract with Permutit Co. for a sludge conditioner was officially approved by a unanimous roll call vote. An addendum to the contract had been written specifying a 100 day trial period to guarantee the machine's performance before any payment would be made. The machine must meet all specifications as to intake flow and relative dryness of the sludge, etc. Tom Lawn, Permutit's representative, said in a phone conversation that they would go along with these provisions. Dan Schmidt and Foth and Van Dyke recommended that the village not seek a grant from the Wisconsin Fund. Although it may pay 25-60% of the cost, it would require that a facilities plan be drawn up at a cost of \$5,000 and that the engineer fill out the application at a cost of \$2,000. This project is also not on the DNR's project priority list. The above three items would have to be done before any contract to any company could be awarded. In regard to the recommendation, Schmidt said, "This way we'd be doing it cheaper and better in the long run."

A public hearing was held on the application of Randolph Scott, 25, and Kevin Kearns, 20, for a tavern license. Ralph Scott would be leasing the business (Apollo's Lyre) to the new partners. Kevin Kearns, Randolph Scott, Robert Scott, and Ralph Scott spoke in favor of the proposal. Kearns noted the efforts to eliminate some of the conditions that led to past complaints. He cited the limiting of carry-out beer and said they were, "...getting rid of crowds ... a lot quicker than we used to." Robert Scott said that a dozen of the "usual rowdies"

that the police were familiar with are now banned from the establishment. He spoke of the installation of insulation and air conditioners in an effort to control the noise from live music. He claimed they wanted a "...good business operation where kids that like to have a good time and once in a while hear a band can come and enjoy themselves without any fear." Police Chief Don Hlavaty concurred that what was said was "pretty straight," and he found the operators cooperative and that "problems had gone down quite a bit." The board approved the license.

Chief Hlavaty also recommended that trick or treat hours be from 5 to 7 p.m. on October 30, and reported that the auxiliary police would be on patrol as in previous years for the safety of the miniature ghouls and goblins.

In the "intersection and crossing" portion of the board meeting, it was determined that it may be wise to hire an additional crossing guard for the Parkview and Main intersection. The guard would not be responsible for the crossing between the Catholic Church and the Statesman office, but children would be encouraged to cross at the guarded intersection. Also, a teacher from Holy Trinity does watch that crossing. The cost for the rest of the year would be about \$350. The position will be advertised and applicants interviewed.

The rough and ready railroad crossings were reportedly "fixed" on July 3 by the railroad, according to a letter received from the Transportation Commission. If the village is not satisfied with the work, they may do further repairs themselves and then bill the railroad. The possibility of reimbursement for this was deemed unlikely.

A proposal for the rounding off of the "45" and Second Street intersection at a cost of \$2,739 was approved. Barton Construction would be doing the curb and gutter work and sidewalk, storm sewer and drain repairs for \$2,539. The survey and legal fees cost \$200. Schmidt reported adequate funds were available. Fairmont Foods, aka "the dairy," has verbally approved the idea and the village would acquire the land through a quit claim or warranty deed.

The board approved spending

\$977 for the replacement of tile in the hall, bathroom, office, and lab at the sewage treatment plant. The present tiles keep popping up or off because a steam pipe had broken and melted the tile 15 years ago. Trustee Paul Blumer had visited the plant and said that tiles would really finish off the new lab. The work will be done by K & R Carpeting, and further bids are not required because of the low dollar amount.

Jean Amerling will be starting as the new assistant librarian who replaces Gerda Hlavaty. There was also an official correction of the zoning on the William Schaefer property from B-1 to R-2 and on the village's museum property from R-2 to I-1 (institutional). A public hearing on the Schaefer's garage building and landscaping was held with a review of the situation, but no action could be taken until the Board of Appeals approves the side yard zoning variances.

Orv Behnke Cited By Time Insurance

Orv Behnke and Associates, Kewaskum, has been cited by Time Insurance Company, Milwaukee, for its 20 years of affiliation with the firm as an independent agency.

In a letter recognizing the anniversary, the Company's Senior Vice President and Director of Marketing, W. E. Jordens, noted that the agency's years with the firm have proven them to be an exceptionally experienced Time Representative.

"I hope your association with Time has been as pleasant for you as it has been for us," wrote Jordens to the agency.

Relatives From Wales Visit Dr. And Mrs. Edwards

On October 3, Doc and Alma Edwards drove to General Mitchell Airport, Milwaukee, to meet the former's third cousin, Richard Isaac, and his wife, Lynn, who planned to visit with them for nine days. The Isaacs had left Wales on September 24 and had visited other relatives in Ohio (Gallia County) and Washington, D.C.

The Edwards had learned of their name and address about 25 years ago and exchanged presents and letters quite frequently. The Isaacs son, Elwyn, had visited with Doc and Mrs. Edwards last September upon his graduation from a university which had bestowed a Ph.D. degree on him for his knowledge of Biochemistry.

While visiting here, the Edwards' guests accompanied them to Illinois where they visited with other cousins and to see the locks at Sault St. Marie. Fortune favored them with the passage of a 1100 foot iron ore ship going north and a 700 foot merchant ship going south at the same time in side by side locks.

The Wisconsin weather treated them kindly with warmth and sun daily.

Some facts which Doc and Alma learned from his cousin Richard, who is employed at the University at Aberystwyth, located on the shore of the Irish Sea, are as follows:

- Gasoline is now \$2.00 a gallon.
- Wages or salary is about

50% of our scale.

• Taxes or rates absorb 30% of the income of all ordinary workers. The scale goes up rapidly to 83% of your income.

• Fishing licenses are \$60 plus an extra fee for use of a rod. Very few people can afford to fish.

• Their police carry no guns - hence they were alarmed to see so many officers at the airport with visible guns. Their crime rate is far less than ours in America.

The Isaacs embarked on a large DC10 on October 12 for Boston and then home in Wales. They were very happy with all our American customs, food, roads, autos and all the people they visited while here on vacation.

Immunization

Clinic Oct. 23

Immunization Clinic will be held Tuesday, October 23, from 9:00 to 12:00 noon at the Washington County Community Health Nursing Service, 515 East Washington Street, West Bend.

All recommended immunizations are available to children and adults and are provided free of charge. There is a \$1.00 charge for the tuberculin skin test for those age 16 and over.

For further information call: Community Health Nursing Service, 338-4462 or 644-5204, Ext. 4462.

Neil Armstrong's Parents to be Guests at Cedar Lake Home Ball

Mr. and Mrs. Stephen Armstrong, Ohio, will be honored guests at the William Koehl Working Auxiliary's Benefit Ball, Saturday, October 20.

The Armstrongs are parents of Neil Armstrong, the first human to set foot on the moon. Mr. and Mrs. Armstrong, their daughter and her husband, June and Jack Hoffman, will receive and greet guests at the House of Friendship. The Armstrongs will be glad to discuss how they felt when their son was enroute to the moon.

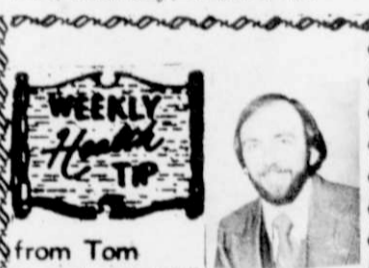

This year's theme for the Ball is "Out of This World" observing the tenth anniversary of the historic first moon landing on July 20, 1969.

The public is invited to attend the Benefit Ball which begins at 8:00 p.m. and lasts until mid-

night.

Proceeds from this year's Ball have been designated for the new 57-bed replacement wing currently being constructed as an addition onto the House of Fellowship.

Donation-space passes are \$8.00 per person which includes the entire activities for the evening. Cedar Lake Home is located four miles west of West Bend on Highway Z. Passes are available at Hickien T.V., West Bend, from Auxiliary members and at the Home Campus.

from Tom Leitzke, R.P.H.

The pharmacist is a health professional with at least 5 years of college education, who has passed a state licensing examination, and studies the new developments in drug therapy and medical science. The pharmacist is an important 'traffic cop' in the health care delivery system.

In dispensing prescription drugs, the pharmacist is the one who monitors drug use by patients who may be simultaneously treated by a physician, dentist, or other prescriber.

If the patient tells our pharmacist about other drugs he is taking, our pharmacist can give him expert advice on avoiding harmful drug interaction.

Career Advice for Eight KHS Students At UW Conference

"Young people today have more choices in life than youth have ever before had," the eight students from Kewaskum High School, attending the 14th annual Agricultural Careers Conference at the University of Wisconsin-Madison on September 27 were told.

George W. Sledge, associate dean of the College of Agricultural and Life Sciences (CALs) urged that the choices be weighed carefully.

"Your great opportunities require you to think hard," Sledge said. "The decisions you make about the future will affect not only your life, but the lives of all who inhabit the world with you."

Sledge also reviewed important dates for prospective CALs students in his welcoming remarks to the more than 1,300 high school students at the conference. These include the date

to apply for campus housing (before January 1), to apply for admission (by April 1) and to apply for scholarships and loans (by March 1).

The students spent the day at UW-Madison seeing exhibits, attending departmental workshops, discussing courses of study, exploring career opportunities and touring campus facilities.

Seeing IS Believing

On the front of every Volcano is an inspection port with a swing away cover, through which the observer sees a sheet of bright orange & blue flame sweeping over and around wide, flat steel surfaces of hollow crossflow baffles. He sees the heart of the Volcano, and the significant difference that makes it the most sophisticated wood burner in the world.

This sheet of flame (gases burning in the secondary combustion chamber) superheats room-heating, fan-forced air ducted around the firebox and through the hollow baffles.

- 1 Primary combustion chamber
- 2 Ducts secondary combustion chamber
- 3 Air duct
- 4 Secondary combustion chamber
- 5 Fan
- 6 Air duct
- 7 Exhaust air duct
- 8 Exhaust air duct

This intense secondary burn, observable and fascinating to watch on every Volcano, demonstrates Volcano's lead in woodfiring technology.

When hooked to forced air or hot water systems (hydronic models available), the Volcano literally provides all the heat a homeowner needs with measurably less wood consumption than even the most modern of competitor stoves. Inside, the Volcano is as new as tomorrow, with the outward appearance of the Quaker Box Stove of yesteryear.

James Scott New Farm Training Instructor at MPTI

James A. Scott has been named the new Farm Training Instructor for the Moraine Park Technical Institute District for Washington County.

Scott will assist farmers and teach the Farm Training Program for registrants in Hartford, Slinger, Allenton, and Kewaskum. "My office is in West Bend, but that area is becoming more urbanized so most of my students will probably come from other areas within the MPTI District." The Farm Training Program is designed to meet the needs of those persons in the MPTI District who are in the process of becoming established in the business of farming or working for farmers. Consisting of 30 hours of class, 16 hours of group instruction, seminars, and field

trips, and 14 hours per year per individual with on-the-farm instruction, the program is conducted over a five-year period.

"The emphasis in 1979," says Scott, "will be on Agronomy (crops and soils) and Farm Management. Farmers must make wise investment as far as building, machinery and equipment, and should have good management advice. I've just come from managing a 300-acre farm with 150 head of dairy cattle, so I realize the importance of knowledge of agriculture production and techniques needed to succeed in this agribusiness." Scott owned and operated the farm in a part-

nership in Shawano County.

Scott has also worked with farmers in the Sierra Leone in Africa. "As a Peace Corps volunteer, I taught tropical agriculture and was the Dean of the Technical Agriculture school from 1967-1969. While there I wrote several publications on pig keeping that are still used." Scott also taught vocational agriculture in Willow Lake High School in South Dakota and was the 4-H and Youth Agent for the Kewaunee County Extension Service for five years.

Married to Patricia Rolf-Scott, with one daughter, nine, Scott and family now reside in West Bend. Before moving to the area, Pat was the UW-Extension Home Economist for Shawano County.

Persons interested in the Farm Training Program may register anytime before October 22 by calling Scott at MPTI in West Bend at 334-3413.

PSAT/NMSQT Exam at High School Oct. 23

Mike Theiler, guidance counselor at Kewaskum Community High School, has announced that sophomores, juniors, and some seniors will be able to join over one million other students around the world in taking the Preliminary Scholastic Aptitude test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall. The test, co-sponsored by the College Board and National Merit Scholarship Corporation, is an important step in making college plans.

Scheduled for October 23, at Kewaskum, the PSAT/NMSQT measures verbal and mathematical aptitude — two abilities important in doing college work — and gives students a chance to find out what the Scholastic Aptitude Test (SAT) is like.

By taking the PSAT/NMSQT, students can enter the competition for scholarships administered by the National Merit Scholarship Corporation and ask to participate in the College Board's Student Search Service, which gives students an opportunity to hear from colleges that they might not otherwise know about.

With their score reports, students receive a copy of ABOUT YOUR PSAT/NMSQT SCORES, a booklet that contains valuable how-to information about estimating SAT scores, finding out where to get and how to use detailed information about colleges and financial aid, and planning for financing a college

education.

In addition, students can use the College Board's The College Handbook, 1979-80, to compare their scores with those of enrolled students at more than 2,400 colleges and universities.

Woman's Club to Visit Courthouse

The Woman's Club is planning a different kind of tour for Friday, November 9. Members will meet at the Peace Church at 9:00 a.m. and will drive to the Washington County Courthouse to observe a trial.

Mrs. John Kluwin and Mrs. Anthony Strigenz have made the arrangements for members to see a traffic case tried before a jury or a contested divorce action in court that morning.

Luncheon will be at the Washington House, and anyone interested is invited to return to the courthouse in the afternoon to follow the case to its close. Cost of the luncheon is \$5.65.

Reservations may be made by calling Mrs. Strigenz (692-2222) or Mrs. Walter Bade (626-2637) by October 29. Guests are welcome.

The club's Harvest Luncheon and Auction was held on October 13 at the Peace Church lounge. Mrs. A. M. Hron, Mrs. Marvin Martin, Mrs. Robert Schmidt, Mrs. Pat McFadden, Mrs. Gary Moody, and Mrs. Richard Smucker were hostesses for the luncheon.

Prizes at cards were won by Mrs. Kate Jordan and Mrs. Clyde Smith.

Rescue Squad Calls

Wednesday, October 10 — Robert J. Gross, 52, Route 1, Adell, removed to St. Joseph's Community Hospital, West Bend, from Beechwood (Route 1, Adell) with illness.

Friday, Oct. 12 — Rodney L. Schultz, 17, Route 1, Kewaskum, removed to St. Joseph's Community Hospital from Kewaskum Athletic Field with a football injury.

Sunday, Oct. 14 — Lawrence K. Barrington, 26, 219 James Street, Slinger, removed to St. Joseph's Community Hospital from 9055 Kettle Moraine Drive, Kewaskum, with a gunshot wound in his right leg.

ETN, SEEN Classes Offered in County

Classes for engineers, real estate advertisers, music teachers, occupational therapists, medical professionals and para-professionals and Wisconsinites who will battle winter chill will be conducted soon over the Educational Telephone Network (ETN) or the Statewide Extension Education Network (SEEN) both services of University of Wisconsin Extension.

ETN has meeting rooms in every county of Wisconsin. SEEN has 23 sites.

Residents in Washington County can attend the ETN classes and SEEN classes at the University Center Campus, West Bend.

Student in the teleconference classes can hear the instructor over a loud speaker and pose questions by speaking into a table microphone.

Persons in the SEEN classes use the same procedure, but can also view illustrations produced by the instructors on the electrowriter.

The ETN classes starting in October include:

---Key Issues in Assessing Suicidal Risks, October 23, starting at 5:30 p.m., and stressing understanding of suicidal behavior and the integration of clinical knowledge with treatment approaches.

---Transfer Students and

Teaching Efficiency, October 24 and October 31, starting at 10 a.m. discussing the problems of increasing personal teaching efficiency and effectiveness and reconstruction of the new transfer music student.

---Cold Weather Safety and Winter Survival, October 24, starting at 8 p.m. covering typical cold weather emergencies and injuries, survival kits for cars, or backpack and basic survival skills.

---Occupational Therapy Seminars, starting October 25 at 12 noon, planned for occupational and physical therapists, social workers, registered and practical nurses and public health personnel.

---New SEEN classes starting up are:

---Public Works Engineering Practices, starting October 22 at 6 p.m. discussing municipal organization, financing, budgeting, inspection, contracts, public employee and labor relations and energy conservation.

---Creating Real Estate Advertising That Serves Real Estate Buyers, starting October 29 at 10 a.m. offering a review and

update of the appraisal process, with emphasis on income property valuation.

Further information is available from the local ETN-Seen program administrator, Chuck Wise at UWVC, 414/338-1161. Preregistration is mandatory.

WOW TRI-COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU

Kewaskum

Junior Jargon

The October 11 Kewaskum Junior Woman's Club meeting was held at the Valley Bank. A very interesting debate was held relating to E.R.A. Mary Dietrich of EAGLE Forum opposes ERA. Her group feels many amended laws which would have protected women have been defeated. ERA defeats the privacy privilege — it is not possible to be separate but equal, according to her group. EAGLE Forum feels all discrimination can be eliminated by state action — it is not

necessary to go to the Federal Government.

Elaine Schoenbrook presented the views for ERA. ERA does allow for equal treatment of men and women under the law: equalities in employment, education and credit. It DOES guarantee the constitutional right of privacy. ERA will not put the Federal Government in charge or personal items but we must remember we've got to take our responsibility along with the benefits received.

President Mary Gutjahr started the Kewaskum Juniors business meeting by introducing

the newest club members: Maripat Thompson, Connie Thull, JoAnne Butzlaff, Trudy Peterson and Lori Schoofs. Carol Connor and Mary Lou Chambers were also guests.

Each committee in the Kewaskum Juniors is active in an individual way — so members can choose areas that interest them. The Conservation Department sponsored a plant exchange between members. The Education Committee has a monthly book exchange of children as well as adult books. They also donate a new book to the Kewaskum Public Library

Kewaskum Statesman, Friday, Oct. 19, 1979, Page 9

each time a baby is born to a club member. The Home Life Committee will visit Beechwood Rest Home as well as painting Jack-O-Lanterns for the Pediatric Ward of St. Joseph's Hospital in West Bend. Story Hour is doing exceedingly well. This project of the Arts Department has two sessions each Thursday with over 80 children each week.

The most extensive project of the Juniors at this time is the

Tour of Homes. The Tour "Autumn Pathways" will be held Saturday, October 27, from 11:00 a.m. to 3:00 p.m. Four lovely homes will be toured with crafts sold in each. Tickets of \$2.50 in advance and \$3.00 at the door include a shuttle service as well as free dessert and coffee. Proceeds from the fund raising project will be put toward scholarships and other community projects the Juniors participate in.

Mary Lynn Prost Elected President Of Washington County 4-H Leaders

Mary Lynn Prost of Germantown was elected President of the Washington County 4-H Leaders Association. She is a leader of the Oak Grove 4-H Club and has served on the Board of Directors and several committees of the Leaders Association. Susan Schmidt of Hartford, a leader in the St. Lawrence 4-H Club, was elected Vice-President. Billie Jo Clark, West Bend, of the Kohlsville Pioneers 4-H Club was elected Secretary. Mary Ellen Shaw, West Bend, of the Myraneers 4-H Club was elected Treasurer. Mrs. Marie Clark of West

Bend was elected to the District Adult 4-H Leaders Council. Mary Ellen Shaw was elected to the District Youth Leaders Council. In addition to the officers there is a Board of Directors. These include from the Wayne/Kewaskum area - Lois Clune and Pat Clark. From the West Bend area - Mrs. Carol Esselmann, Mrs. Jerry Prochnow and Lori Willkomm. From the Hartford/Slinger area - Donna Krebs, Robert Neidinger, and Chris Weinert. From the Germantown/Jackson area - Mrs. Victor Ihde and Tom Ihde. Outgoing officers and direc-

tors who completed their term of office include Stan Shaw - President, Bernice Montag - Vice-President, Kathy Stommel, Linda Groth, Lauri Krantz, Pam Mayer, Terry Ihde, Tim Indermuehle and Sally Krueger. The Board of Directors is responsible for the 4-H program in Washington County. They appoint many committees to help plan and carry out the various 4-H activities. Anyone that would like to serve on committees or have suggestions for 4-H activities should contact one of the Board members.

Kewaskum 4-H'ers Hold Annual Awards Presentation Program

By DAN MEILAHN
Statesman Staff Writer

Twenty-five years ago, the Kewaskum 4-H'ers held their first meeting in a one-room school house near the present ski-hill. On Thursday, October 11, the annual 4-H awards presentation program was held in the cafeteria of the modern and roomy Kewaskum Middle School. As Ray Schaefer, one of the club's founders, mentioned, the names and faces were different, but it was very evident that the goals and fellowship of the organization were still very much in tact. Schaefer also noted another similarity - there are "still more girls than boys," although the club is open to all youth from third grade up.

Schaefer gave a brief history of the club. It had originated as an idea of the agricultural committee of the Kewaskum Kiwanis Club in 1954. One of the Schaefer's sons had an interest in 4-H and it was felt that something further should be done for the youth of the area. Five or six other families were contacted along with Bob Stodola, County 4-H Agent, and soon 23 people met in the "Schnurr School." The first year was very successful with everyone happy after exhibiting projects at the Washington County Fair. The club's name was submitted by Diane Becker, now Mrs. Jerry Buchel, and she received the stupendous stipend of \$2.00. Dues in those days were 10c, whereas now they are 50c.

Bob Stodola then had a few complimentary statements about the Kewaskum 4-H'ers. He said, "this community exemplifies what I think a good community is - people really interested ... especially in their young people. He further mentioned how parents and the leaders are willing to give of their time to do things with the children.

4-H is an organization in which group leaders impart recreational, educational, or vocational skills on an informal basis to youth. A point system is used for the determination of awards at the end of the 4-H year which runs from about February through October. Twenty points are required to maintain one's membership and 40 points are necessary for any award.

The members may exhibit their projects at the County Fair and winners there are awarded cash premiums. The Kewaskum 4-H'ers hold monthly meetings at the Savings and Loan Building, during which there is a business meeting, recreational activity, and refreshments. Also, the group may go on outings to summer camp, or as is the case this fall, to the Artistic Roller Rink on October 25.

The awards program was definitely a family affair with virtually every age present. Brenda Schultz provided the leadership for recreational activities of a stand-up and sit-down sing along and the onomatopoeic re-creation of the various noises involved in fireworks. After the business meeting, and when the ooh's and aah's had subsided, awards were presented.

General Leader Dennis Seide-

man awarded bumper stickers to those individuals excelling in various project areas - Debbie Allmann (for her sheep), Annette Borgman (in drama), Debbie Seideman (clothing), Kim Brodzeller (foods), Steve Markus (electricity), Brian Seideman (woodworking), Amber Charland (forestry), Michelle Paul (macrame), Brenda Schultz (photography), Marjean Backhaus (leather), and Mark Brodzeller (drawing). Of these, Debbie Allmann and Steve Markus had their projects go on to the State Fair.

Those members who earned 50-99 yearly points were presented 4-H chevron patches. They are Brenda Schultz, Michelle Paul, Steve Markus, Brian Seideman, and Amber Charland. A few members earned over 99 points and as much as 150 points throughout the year. Annette Borgman, Debbie Allmann, Mark and Kim Brodzeller, Marjean Backhaus, and Debbie Seideman were awarded ball-point pens for this achievement. Seideman remarked that pens were appropriate, so they could write down all their points.

Three members had 100% attendance records and were presented with book-covers. They are Annette Borgman, Brian Seideman, and Debbie Seideman. Each member who had completed the initial year or a consecutive year of 4-H was recognized. Bob Dei and Sharon Dei were cited for their continuing membership of seven and nine years respectively.

Outgoing officers were honored through the presentation of scarves. An installation ceremony was also held for new officers. Marjean Backhaus replaces Julie Lauters as President; Kim Brodzeller succeeds Marcie Smolinski as Vice President; Debbie Seideman takes over as Secretary from Sue Schuette; Debbie Allmann succeeds Marjean Backhaus as Treasurer; Mark Brodzeller replaces Debbie Allmann as Club Reporter; Annette Borgman takes over as Club Photographer from Debbie Seideman, and the new Recreation Leader is Brenda Schultz, who succeeds Michelle Paul.

Seideman also stated, "We appreciate getting any assistance throughout the year," and cited the contribution of Richard Bechler at Rosenheimer's Store who made arrangements for 4-H members to sell ice cream during "Circus Days" last summer. Ice cream was furnished by Zurheide's and the cones by Nabisco.

On the certificates of leader-

ship presented to the essential group leaders, it reads, "He who serves youth, serves all mankind." Seideman was very eager to have these people recognized for their time and concern which is given voluntarily. The present leaders who also received a 4-H pin and a memo pad are: Mrs. Larry Ammel (macrame), Marilyn Backhaus and Mrs. Byron Dei (flowers), Byron Gessner (woodworking), Ron Markus (electricity), Mrs. Herbert Rammel (who has been a leader for 23 years), Linda Schaub (cooking), Dan Meilahn (drawing), Mrs. Leland Schaub, Mr. and Mrs. Mike Wade, Karen Butzke and Mrs. Dennis Seideman.

(The chocolate chip cookies were moist, chewy and highly palatable.)

"Wisdom is to the soul what health is to the body."

4-H Club News

KEWASKUM 4-H'ERS

The Kewaskum 4-H'ers October meeting was held at 7:45 p.m. on October 11 at the West Bend Savings Office basement meeting room. It was opened by president, Julie Lauters and the 4-H pledge was led by Mark Brodzeller, followed by the Pledge of Allegiance led by Brenda Schultz.

A window display at Rosenheimer's store for 4-H week was put up by the committee, Kim Brodzeller, Brenda Schultz, Mark Brodzeller, and Debbie Seideman. A report about the 4-H camp held August 15-18 was given by Brenda Schultz.

Record books were returned to old members. Fund raisers

were discussed, pens were picked and the following officers sworn in. President, Marjean Backhaus; Vice President, Kim Brodzeller; Secretary, Debbie Seideman; Treasurer, Debbie Allman; Reporter, Mark Brodzeller; Rec. Leader, Brenda Schultz; Photographer, Annette Borgman.

The meeting was adjourned by the new president.

The next meeting will be Thursday, November 8, at 7:30 p.m. There will be sign-up of new and old members. Refreshments were served.

Reporter,
Mark Brodzeller

A PROCLAMATION

UNICEF MONTH OCTOBER, 1979

WHEREAS 1979 has been designated International Year of the Child by the United Nations, and

WHEREAS on October 31, 1979, the UNITED NATIONS CHILDREN'S FUND — UNICEF — will celebrate its years of devoted service to the children of the world; and

WHEREAS UNICEF is an international organization which helps extend health, nutrition and educational services to the deprived children of over 100 countries in Asia, Africa and Latin America; and

WHEREAS the major concern of UNICEF is with the overall well-being of children and, since children rely on others, many UNICEF programs touch the entire family and community as well as the child; and

WHEREAS in recognition that the peace of tomorrow's world depends on the well-being of today's children; and

WHEREAS UNICEF activities during October help further this vital work with children;

NOW THEREFORE I, HOMER THE WEST BEND SAVINGS LION, do hereby proclaim the month of October, 1979 UNICEF MONTH in Washington County, and call upon all Homer's Club members and concerned citizens to join with me in honoring the UNITED NATIONS CHILDREN'S FUND for the exceptional contributions it has made to the children of the world.

*Homer's Club Members: When you make your October savings deposit Homer, the West Bend Savings Lion, will make a special donation to the United Nations Children's Fund — UNICEF, and you'll receive a free UNICEF bookmark and balloon, and a delicious piece of special Homer-bite candy.

25 Years Ago

October 22, 1954

Miss Mary Ann Harth, daughter of Mrs. Miles Harth, Sr., Route 1, Jackson, and Harold A. Boettcher of Route 3, Kewaskum, (Kohlsville) were married on Saturday, October 16.

Confirmation was administered by the Most Rev. Roman R. Atkielski, D.D. at St. Kilian's parish, St. Kilian, on Thursday, October 14, to the following class: John Amerling, Alois Ertle, Jacob Felix, John Klumpjan, Robert Kudek, Joseph Melzer, Gerald Mielke, Erwin Mielke, Donald Sarauer, James Schuppel, Charles Straub, Donald Weiland, Joann Batzler, Mary Bodden, Diane Bonlender, Judith Fleischman, Dolores Kuehl, Patricia Liesener, Mrs. John Klumpjan, and Mrs. Sylvester Wondra.

Dr. J. S. Ryder of Milwaukee announces the opening of his office in the former Kewaskum Mutual Insurance Company building on Fond du Lac Avenue for the practice of dentistry.

The Kewaskum Indians were opponents of homecoming last Friday afternoon and the Mitchellmen put a crimp in their celebration by dumping them, 38-25, on the football field. Mark Rosenheimer, Kewaskum's leading scorer, scored one TD while Jerry Nigh, Doug Wierman, Gilbert Hamer, Tom Tessar and Don Bratke also each had one touchdown.

Norman Heberer, Route 2, Campbellsport, son of John Heberer, is the freshman boy chosen to receive the pure bred Yorkshire gilt purchased by the Kiwanis Club of Kewaskum for the local FFA chapter to present to a vocational agriculture student.

Daughters were born to Mr. and Mrs. William Irsen, Kewaskum, on October 16, and to Mr. and Mrs. Lambert Jacak, Route 3, Campbellsport, on October 19. Sons were born to Mr. and Mrs. William Schmidt, Route 2, Kewaskum, on October 17, and to Mr. and Mrs. Elmer Ruplinger, St. Kilian, on October 14.

50 Years Ago

October 22, 1904

John Rimmel, son of Mr. and Mrs. Math Rimmel, of Kewaskum, and Miss Isabella Mueller, daughter of Mr. and Mrs. E. Mueller, of the Town of Ashford, were married at Campbellsport on October 11.

A baby boy was born to Mr.

and Mrs. Frank Ehnert of New Fane.

A. B. Ramthun, John Rinzel, and August Bartelt each won a coon at the raffle held by Theodore Stern at Schneider's place last week.

The marriage of Miss Gertrude Fellenz, daughter of Mr. and Mrs. Joe Fellenz, to Nic Uelmen, son of Nic Uelmen, took place October 19 at St. Michaels.

Mrs. C. Fleischman bought the Eugene Van Epps residence property on Fond du Lac Avenue this week for \$1,400.

A chicken thief has been at work lately in a coop belonging to a farmer residing about one mile west of Boltonville. About 25 full grown chickens were taken during one night.

75 Years Ago

October 19, 1929

Fred Schmidt, aged about 70 years, who resides with his son Philip near New Fane, received a fractured skull on October 16, when he was struck by an automobile.

At about 3:00 Monday morning, October 14, citizens of Kewaskum were aroused from their slumber, when fire of unknown origin completely destroyed two barns belonging to Dr. H. Driessel and John Schaefer, respectively, located on

West Water Street. The fire was first noticed by Schaefer who resides across the street and was awakened by his pet house dog. The flames gained such rapid headway that by the time the fire department arrived, nothing of the buildings could be saved.

The large barn, 36x66 feet on the Henry Laatsch farm, located about a mile northwest of Boltonville, was completely destroyed by fire on October 13. With the aid of neighbors and the Boltonville Fire Department, other buildings were saved. The loss is estimated at \$12,000, partly covered by insurance.

The infant son of Mr. and Mrs. William Kohn was christened on October 13, and received the name Vincent Darwin.

Training Program For Area Farmers

The Farm Training Program offered by Moraine Park Technical Institute is designed to meet the needs of those persons

who are in the process of becoming established in the business of farming. Those who will find the program of instruction particularly pertinent are farm owners, managers, renters, hired workers, and/or are in a management authority or decision making role.

The yearly FTP consists of 30 hours of classroom instruction, 16 hours of group instruction as seminars or field trips plus 14 hours of individual family on-your-farm instruction by James Scott, Washington County FTP instructor. Enrollment is on an annual basis at a cost of \$24 for tuition and materials.

The FTP is conducted over a five year period offering a vocational diploma. At least 10 classroom sessions plus group seminars and/or field trips are offered to each student in one of these curriculum areas each year: Agronomy, Livestock, Farm Records and Management, Farm Mechanization, and Marketing and Estate Planning. A very important aspect of the FTP is on-your-farm instruction scheduled between Scott and

the farm family for instruction on subjects pertaining to the interests, needs and concerns of the student.

Classroom instruction will be held November thru March by Scott at Kewaskum, Hartford, Allenton, Slinger or other locations within the West Bend MPTI district to accommodate the enrollees. Kewaskum will be offered Farm Management Principles and other locations will be offered Crops and Soils. Seminars, field trips, and on-your-farm visits will be scheduled between Scott and the students.

Enrolling in the FTP is done on an individual basis. Call MPTI-West Bend 334-3413 Ext. 48 or 334-0948 before October 22. Scott will contact you relative to enrollment and scheduling details of the MPTI Farm Training Program.

Kewaskum High School Responds to Student Needs for Career Planning

On October 17, all juniors at Kewaskum high school had an opportunity to participate in a career guidance and educational planning program, the ACT Career Planning Program. This program is designed to help young adults make better decisions about their educational and career plans. Mike Theiler, counselor at Kewaskum high school, points out that national studies reflect that 11th grade students rank ordered "help with career planning" as their most important need. Yet, in many school settings this need, currently, is not being addressed. It is in response to this need that Kewaskum high school instituted the opportunity to participate in the Career Planning Program.

Participating students complete the Career Planning Program assessment instrument which measures the students' career related interests, experiences, abilities, and plans. The information is developed into a report for each student to help them relate this information about themselves to career options and the world of work. The reports will be reviewed with students in group and individual counseling sessions following the administration of the program. Theiler stated that the

Career Planning Program is more than an assessment experience, but rather a first step, or foundation for the start of each student's career journey.

About 42% of last year's seniors at Kewaskum high school said they were planning further education after high school. 15% were planning toward a technical/vocational program, and 27% were aiming for four years or more of college attendance.

"The aim of the school's guidance program is to assist all of these students, regardless of their objectives, with the process of learning about and exploring career opportunities," said Clark Pearson, principal at Kewaskum high school. "We feel the Career Planning Program will help us accomplish that aim."

Red Cross Seeks Household Items For Fire Victims

The Red Cross is asking for donations of good used household items. The family of Donald Bowe, Newburg, has experienced a tragic burn-out fire.

The family has taken temporary shelter in Mrs. Bowe's

mother's home, Pearl Groteluschen. Their needs are donations to help them through this crisis. Some necessities are an electric hot plate, small refrigerator, small drop leaf table with chairs, a metal or wooden cabinet for dishes, large and small scatter rugs and a dresser or chest of drawers. The mother

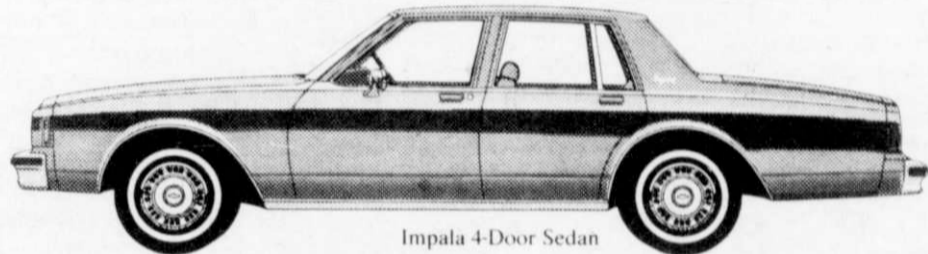

of the family is in need of size 48 women's clothing.

If you can help, please contact the family at 675-6667.

The Red Cross has always appreciated the concern and generosity of area citizens who understand the tragedy of a burn-out fire.

— COME AND SEE —

The new Chevrolets for 1980.

Impala 4-Door Sedan

A lot of new technology has gone into Caprice and Impala for 1980 to keep them the best-selling full-size cars in America. Among its refinements:

- Newly standard 3.8 Liter V6 engine designed to increase mileage over last year.
- New aerodynamic shape to help reduce wind resistance.
- New anti-corrosion measures.
- New standard high-pressure steel-belted radial ply tires that roll easier than last year's

tires, taking less effort from the engine.

Even though Caprice and Impala have been redesigned for '80, they still maintain six-passenger roominess and comfort. Chevrolets are equipped with GM-built engines produced by various divisions. Ask a salesperson for details on this and on Chevrolet's new three-year limited warranty against perforation (rust-through) due to corrosion.

Highest EPA Mileage
Estimates Ever in a

A DEALER YOU CAN TRUST

Marquardt-Gudex

Sandra Mae Marquardt and Thomas John Gudex were united in marriage during a 2:00 p.m. double ring ceremony on Saturday, May 26 at St. Lucas Lutheran Church, Kewaskum. The Rev. Paul Hoenecke officiated.

Music for the ceremony was provided by organist Deborah Hoencke and soloist Debra Radder.

Parents of the couple are Mrs. Luella Marquardt, 1190 Rivers Drive, Kewaskum, and Mr. and Mrs. Samuel O. Gudex, Route 2, Campbellsport.

Lois Yogerst, 5157 Beechnut Drive, Kewaskum, sister of the bride, served as matron of honor. The bridesmaids were Carol Marquardt, sister of the bride, Kathy Schaefer, friend of the bride, Shirley Rose and Jo Ann Maedke, both sisters of the groom.

The groom chose his brother, Bernard Gudex, Route 2, Campbellsport, as his best man. The groomsmen were John Mathieu, friend of the groom, Carl Marquardt, brother of the bride and Daniel Rose and William Maedke, both brothers-in-law of the bride.

Robert Yogerst, brother-in-law of the bride and Gary Gudex, cousin of the groom, shared ushering duties.

A dinner for 120 guests was served at Nonn's Resort, Kettle

Moraine Lake, Dundee, and was followed by a dance.

The bride, a 1974 graduate of Kewaskum High School, is presently employed at Amity Leather Products, West Bend. The groom, a 1972 graduate of Campbellsport High School, and a US Air Force veteran, is employed at Gehl Company, West Bend.

After a honeymoon trip to Utah, Nevada, and California, where they visited friends, the couple is making their home at 209 S. Fond du Lac Avenue, Campbellsport.

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will be holding their monthly recycling day on Saturday, Oct. 20, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

KHS to Host Choral Exchange Concert Program

On Wednesday, October 24, the Kewaskum Mixed and Girls choruses will be hosting an exchange concert with Mayville and Slinger. This is the first choral event of the year, but due to limits of time and space, the public is not invited.

The Girls Chorus will be performing four songs including "We Want to Sing," the flute-accompanied "Little Bird," and a new arrangement of the 1940's hit "Boogie Woogie Bugle Boy."

The Mixed Chorus also will be singing four numbers. These include "Adoramus Te" by Palestrina, "Something Like a Star" from Frostiana by Randall Thompson, and the rousing spiritual "I See the Light" with soloists Laura Asch and Tom Rosenberger. Sherry Foerster, Rochelle Serwe, and Laura Asch will handle the accompaniments.

SALES AND SERVICE

"Serving West Bend Area for over 25 Years."

THIS IS THE IDEA BEHIND THE AIR CONDITIONING SYSTEM OF THE FUTURE.

Most people turn their air-conditioners on at the same time. During the day, during the summer. And that creates a problem by adding a big load to the already high daytime demand for electricity.

While it isn't fair to blame the whole problem on air conditioners, they could be an important part of the solution.

Imagine if someone could develop an air conditioner that would only run at night and have the ability to store cool air for use the next afternoon.

Actually, it's an old idea with a new twist. Instead of cooling air, your air conditioner would be used to cool water, turning it to ice. Then, when the sun came out, you would only have to circulate air over the ice to cool your home.

At Wisconsin Electric, a hundred homeowners are helping us test this idea right now.

If these tests are as successful, as we think they'll be, we'll be one step closer to solving a major energy problem.

Of course, it'll take a while for the tests to be conclusive. In the meantime, you can help.

If you own an air conditioner, avoid setting the thermostat lower than 78°. Shut the drapes to keep the heat out. And make sure you have a well-insulated house.

The future holds many promising solutions to the energy problem, and they'll all work better, if we all work together.

Wisconsin Electric

122 YEARS OF SERVICE — The Washington County Highway Commission, at their October 4 meeting, honored (left to right) Jerome Stockhausen, Clarence Knickelbein, both of the West Bend area, and Carl Hauch, of the Kewaskum area, with a plaque for their 122 years of combined public service. Helmuth Prael, Committee Chairman, made the presentation. Present also were Committee members Adolph Lofy,

Vice-Chairman; Herb Tennes, Secretary; Oscar Deutsch; Jerome Faust; Frank Scharrer, Highway Commissioner; and Pat Metz, Assistant to the Highway Commissioner.

Stockhausen, a past Foreman, served the department for

43 years; Carl Hauch was with the department for 40 years, and served as a Patrolman; and Clarence Knickelbein served with the department as a Laborer for 39 years. These men had retired within the last five years and have been among the most senior county employees.

How Fuel Efficient Is Your Home?

As you face the prospect of higher fuel bills this winter, you might well wonder just how fuel-efficient your home is. If you had a way to determine that, you could take the steps necessary to cut down your fuel consumption — and your fuel bills, too.

Mr. Howard Schroeder, of Brookfield, has devised a simple method for calculating the thermal efficiency of a home, using some simple information, which he is willing to share with interested persons. He will make the calculations for you if you will send in the following information:

1. The type of heat you use — oil or gas.
2. The amount of fuel used last winter. The number of gallons of heating oil or the number of "therms" of gas you used last winter can be obtained

from your utility bills or by calling your oil or gas company.

3. The square feet of living space in your home. This is the length multiplied by the width (in feet) of the space in your home that you heat, excluding the basement.

4. Whether you use gas for your water heater, clothes dryer or stove.

Using this data, Mr. Schroeder's formula can show you how fuel-efficient your home is, compared to others in your area. Then, I can direct you to sources of information on how to improve that efficiency if it compares unfavorably with other homes.

If you are interested in this information, please send the above data to: "Home Fuel Survey," c/o Congressman Jim Sensenbrenner, 333 Bishops Way, Brookfield, WI 53005.

Recreation Leaders Lab Planned for Fall

Two recreation leaders laboratories are being planned this fall at Upham Woods. The lab on October 19-21 is for anyone 18 years and older. Four areas of instruction include Crafts from Nature, Adventure in Outdoor Recreation, Group Dynamics and Volunteer Leadership, and Music in Action.

The fall recreation lab for 15-18 year old youth will be November 30-December 2. Priority will be given to those who are attending for the first time.

The purpose of the youth workshop is to teach leadership skills which participants can use in their local clubs. Participants will get an overview of the program process, parliamentary procedure, recreation leadership, and drama, music campfire and crafts techniques. All participants will have the opportunity to take part in every session at some time during the weekend workshop.

Information on either of the workshops may be gotten from the County 4-H Office or by calling directly to Upham Woods camp, phone 608-254-8077.

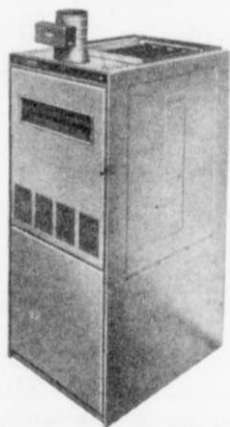

Fresh eggs are rough and chalky in appearance. Older eggs are smooth and shiny.

ON HOMECOMING COMMITTEE — Lynne Theusch, 9060 Hwy. 144, Kewaskum, is on the judging committee for Homecoming at the University of Wisconsin-Platteville. She is a senior majoring in criminal justice. Homecoming is the week of October 21-27.

BOARD OF EDUCATION COMMITTEE MEETING

A meeting of negotiations and professional salary committee of the Kewaskum Board of Education will be held on Monday, October 22, 1979, at 8:00 p.m. The meeting will be held in the district administration office.

AGENDA

- 1) Call to Order
- 2) Adjourn to closed session for purposes of discussing professional salaries and negotiations.

A NOTE OF THANKS

I would like to thank all my friends, relatives, my family, Rev. Joiner and everyone who remembered me with flowers, phone calls, cards, food for my family and visits while I was a patient at St. Joseph's Hospital in Milwaukee for stomach surgery and recovering at home. These acts of kindness will always be remembered and are much appreciated.

Thank you again.

Ellen Coulter

VOLUNTEERS

VOLUNTEERS you can help; someone needs you! Following is a list of opportunities for volunteer services in Washington County. Contact the person listed if you would like to volunteer for one of the services listed below.

•**FRIENDS FOR BATTERED WOMEN** need items for the FBW/Open Door rummage sale. Plants, baked goods, and anything else you would like to contribute is appreciated (no large appliances or furniture please). Call Mary Kay Bodensteiner at 334-7298 for more information or pick up arrangements.

•**DRIVERS** are needed by the Washington County Department of Social Services to help clients who have no other means of transportation to keep medical appointments, job interviews, etc. Volunteers are needed between 8:00 a.m. and 5:00 p.m. Monday through Friday for both short and long distance trips. Most driving is within Washington County. Drivers are reimbursed at \$.17 per mile. If you have time to help someone out on a weekly basis, or even once a month, contact Delores Hippe, Volunteer Services Coordinator, at 338-4610 or 644-5282.

•**THE CITIZEN ADVOCACY PROGRAM OF WASHINGTON COUNTY** needs a volunteer to be a friend with Sandy, a 34 year old woman who is mildly mentally retarded. Sandy needs a supportive friend who will introduce her to new experiences outside of her home. The friend also might help her learn time-telling and other practical skills and may help Sandy learn to be more capable and be able

to share a friendship. The time you contribute is when you and Sandy decide to get together. The volunteer is needed around Sandy's age and have a genuine interest in helping Sandy as a friend. Call Sue Moser at the Citizen Advocacy Program office at 334-3384 and be an advocate and a friend for a developmentally disabled person in your area. Also needed is a secretarial chair and a print calculator if you have these items to contribute.

•This column is a service of the Organization for Professional Exchange Now (O.P.E.N.) Volunteer Committee. Non-profit agencies that would like an item in it can contact Sue Moser, Volunteer Committee Chairperson, P.O. Box 676, West Bend, WI, 53095, or phone 334-3384.

BIG BROTHERS/SISTERS TO HOLD BINGO ON SUNDAY

Big Brothers and Big Sisters of Washington County will be holding a Corn Game on Sunday, October 21, at 7:00 p.m. at the Holiday Inn in West Bend.

Proceeds from the event will go to the BB/BS program, which is a United Way agency. We encourage all of you Bingo fans to come and help support our program with your attendance. Many new games have been added, and higher cash prizes will be awarded.

Former Teacher Here and Frank Mathieu Pass On

Gertrude K. Schmahl of 167 N. 15th Ave., West Bend, died unexpectedly on Sunday, October 14, at St. Joseph's Community Hospital, West Bend, at the age of 72.

She was born in the Town of Jackson on February 5, 1907, where she grew up. She graduated from West Bend High School and Milwaukee Normal School in 1926, and began teaching elementary school in Kewaskum and Slinger for several years. She then taught in the West Bend School System for a number of years. She taught in Wauwatosa for a few years before taking an assignment in Glencoe, Illinois, where she taught from 1946 until her retirement in 1973. She then moved to West Bend where she lived up to the time of her death.

She was employed part-time at the Kettle Moraine YMCA for several years.

Survivors include one sister, Lorane (Clarence) Groth of Jackson; one brother, Reuben (Sally) of Jackson; one nephew, John (Margaret) Schmahl of Jackson; one grandniece, Amanda Lynn Schmahl of Jackson; and other relatives and friends.

She was preceded in death by a brother in 1910.

She was a member of the West Bend Women's Club; Delta Kappa Gamma, a national teaching sorority; Immanuel UCC; various organizations within the church and the Book Review Club of West Bend.

Funeral services were held Wednesday at 8:30 p.m. at the Schmidt Funeral Home, West Bend, with Rev. James Hill officiating. Burial was in Peace Cemetery, Jackson.

Visitation at the funeral home was Wednesday from 4 p.m. until the time of services.

FRANK MATHIEU

Frank J. Mathieu of Menomonee Falls, passed away Thursday, October 11, at the age of 64 years. He was a former resident of this area.

He is survived by his wife Loretta, nee Campbell; two children, Gloria (Donald) Neu and Francis (Jeanine) Mathieu; one daughter-in-law, Mary Kay Nielsen; his mother, Zita Mathieu; two sisters, Lorinda (Jack) Haug of West Bend and Ludmilla (Elmer) Struebing of Campbellsport; 10 grandchildren; sisters-in-law, brothers-in-law, nieces, nephews and other relatives.

Funeral services were held Friday at 8 p.m. at Good Shepherd Catholic Church, Me-

nomonee Falls, for a Mass of Christian Burial. The body was in state at the A. A. Schmidt & Sons Funeral Home, Menomonee Falls, from 4 until 7:30 p.m. The Knights of Columbus 3rd degree members of All Saints Council No. 4240 of Menomonee Falls held services Friday at 7 p.m.

NORBERT ABHOLD

Norbert W. Abhold, 64, of Route 2, Campbellsport, in the Town of Osceola, farmer and mink rancher for over 40 years, died at 8:23 p.m. Saturday, October 13, at St. Agnes Hospital, Fond du Lac. He was dead on arrival.

He was born October 11, 1915, at Mount Calvary, a son of the late Peter and Ottilia Steffes Abhold. He married Alma Simon at Johnsburg on August 16, 1938.

Mr. Abhold was a member of Our Lady of Angels Catholic Church at Armstrong and Kettle Moraine Mink Breeders Association.

Survivors include his wife; three daughters, Mrs. Dwight (Joan) Weiser of Route 3, Fond du Lac, Mrs. Duane (Sue) Johnson of Route 2, Fond du Lac, and Mrs. David (Mary) Wagner Jr. of Fond du Lac; two sons, Thomas A. of Route 1, Eden, and Peter of Route 2, Campbellsport; and eight grandchildren.

Also surviving are his stepmother, Mrs. Martha Abhold of

Mount Calvary; and two half-brothers, Wilfred Abhold of Mount Calvary and Franklin Abhold of Fond du Lac. He was preceded in death by two brothers and a sister.

Funeral services were held at 10:15 a.m. Wednesday at Uecker-Witt Funeral Home, Fond du Lac, and at 11 a.m. at Our Lady of Angels Church, Armstrong. The Rev. Joseph Fischer, the Rev. Michael Shea, the Rev. Leo Ott and the Rev. Martin Simon officiated. Burial followed in the parish cemetery.

Friends of Mr. Abhold called from 3 to 9 p.m. Tuesday at the funeral home.

Marriage Licenses

George Richard Klein, West Bend, and Lynne Albright Reigle, Kewaskum; wedding October 13.

Michael V. Oliver, 231 Jenny Street, Campbellsport, and Jodi Ann Abrahamson, Campbellsport.

Daniel J. Gellings, Route 1, Eden, and Janet Diane Engelhart, Route 2, Campbellsport.

David H. Bunkelman, Route 3, Campbellsport, and Vicki Rae Scheerer, Route 3, Campbellsport.

Aloysius D. Beck, Concord Mass. and Debra Carol Carpenter, 148 Mill Street, Campbellsport.

Patrick B. Lorrigan, Route 1, Campbellsport, and Janet Marie Timblin, Route 1, Eden.

Assertiveness Training Class In Kewaskum

Last year nearly 170 women and men learned about assertiveness training throughout the MPTI District. In this class you will learn how to express yourself directly and honestly, especially in the face of opposition; how to say "no" without feeling guilty; and how to be direct and not step on toes at the same time.

Assertiveness training will be taught by Alice Ridolfi, MPTI Women's Studies Center In-

structor. Ms. Ridolfi has been teaching this course in West Bend for two years. The class will meet on Tuesday evenings from 7:00-9:40 p.m. for eight weeks. The class will begin when ten or more adults register for the course. Seven participants are currently registered. Call 626-2166 for more information and to register.

The Women's Studies Center is a program of MPTI Community Services. For more information about Women's studies Center courses, seminars, and individual and group counseling call Judy Schultz, (414) 334-3413.

NEW FANE

501. Sturdy, large country home with an adjoining 25x35 ft. workshop attached. 5 to 6 bedrooms, fireplace in living room; 2 barns on property. 3/4 acre of land. This property could be ideally used for small business, such as antique store, snowmobile sales or repair shop. \$65,000.

507. Handyman special. This older 2-story 4-bedroom home on one acre would be ideal for large family or converted to an income producing duplex. This home does need work. \$39,900.

SPORTS

Minus Ace Runner Pettit

Indian Homecoming Spoiled, 33-0

With the help of six Kewaskum fumbles, Pewaukee ruined the Indians' homecoming here Friday night by a shocking 33-0 score.

It wasn't entirely unexpected that the Indians would be defeated but the margin by which they did it came as a big surprise. Both had identical 1-3 records and a closer contest was expected.

The Indians played without their ace runner and kicker, Mike Pettit, a two way starter, much to the surprise of the Pirates. Pettit was suspended by Principal Clark Pearson the afternoon of the game for a training rule violation. He had rushed for 355 yards in four Scenic games and had two 100 yard conference games. He also tied for all-conference honors with Lucky Wurtz of Mayville last year. Mike will be out for the season and his loss proved disastrous.

One of the homecoming signs in a local meat market read: "We'll Grind the Pirates Into Sausage." But as it turned out the Indians were the ones who got the "wurst" of it.

Of the Indians' six fumbles, four of them were lost. All of the four Pewaukee recoveries were turned into scores.

After a scoreless first quarter, the first fumble came half way through the second period. Jess Averill, in for Rod Schultz, after picking up an apparent first down, lost the ball when tackled and the ball fell into the

hands of the Pirates' Dave Hillen, the star of the game who scored three touchdowns. Six plays later Pewaukee was on the board on a Hillen run.

The half ended 7-0 and the play was close up to that time. Then came the nightmarish second half. Pewaukee took the ball and moved it to the Indians' 35, from where Hillen made a beautiful run for a touchdown to make it 13-0.

Randy Heberer couldn't handle the next kickoff and Jeff Winzenreid recovered at the Kewaskum 30. Three plays and a Pirate penalty later, Stan Johnson, behind great blocking, ran 50 yards down the sideline for another score.

From then on nothing seemed to go right for Kewaskum and the Pirates scored two more touchdowns in the last quarter by Ackley and Hillen to bring their total output to 33.

Hillen rushed for a whopping 201 yards on 32 carries. Schultz led Kewaskum with 84 yards on 19 carries. Schultz had to leave the game with three minutes left when he injured a foot. Kewaskum firemen EMTs transported Schultz to the West Bend hospital for xrays but it was believed nothing was broken.

Girls Second to Slinger, Boys 3rd In Meet at Kettle

The Slinger girls took both ends of a Scenic Moraine cross country meet at Kettle Moraine (Wales) last Tuesday.

Junior Cathy Branta again led Slinger in a time of 11:45 as the Owls beat their rivals from Kewaskum, 25-32, and ran away from Kettle Moraine, 17-47. Branta easily led the field and was more than a minute ahead of second place Barb Wilson of Kewaskum, who was clocked in 12:50. Branta and Wilson, both juniors, are in their third year of rivalry.

Next in order came Linda Larsen, Kewaskum, only a freshman; Wendy Raffay, Slinger, Jane Klink, Slinger, Judy Boehm, Slinger, Julann Zemlicka, Kewaskum, and Laurie Wilson, Kewaskum. Following a Kettle runner, Kim Schloemer of Slinger was 11th and Laura Asch of Kewaskum 12th to round out the scoring. It was the first time Larsen had cracked the 13 minute mark.

The win gives Slinger a perfect 7-0 record and a good chance to repeat as Scenic champs at this week's conference meet at Kewaskum. Kewaskum is 6-1.

The Owl boys also won the two competition beating Kettle 25-31 and Kewaskum 15-47. They came in with four of the top six placers. Kettle's John Reiser won the race with Slinger's Nils Mehlberg four seconds back.

Kewaskum's top runner as usual was Scott Klein. He was ninth. Rick Stefanovic was 12th, Mike Geidel 17th, Craig Larsen 18th, and John Czoschke 19th. Jeff Decker was ill.

Pewaukee made 16 first downs to the Indians' 7 and was ahead in total yardage, 354 to 164.

The Indians' closest scoring opportunity came in the first quarter, when, on some hard running by Schultz, they moved the ball down to the Pewaukee 7. Schultz then scored an apparent touchdown but a Joel Herriges clip put Kewaskum back on the 20. The Indians failed to score on two running plays and two incomplete passes.

Friday's setback dropped the Indians back into a tie for last place with Slinger and Kettle Moraine. That is where they could end up as Friday they host tough Mayville (3-2) in their last home game and next Wednesday they go to Germantown to take on the undefeated league leaders. Germantown (5-0) is ranked first in the state in Division II.

JVs Win in Overtime On Larsen Catch, Kick

After losing in four overtimes to Hartland the week before, the Kewaskum JVs were forced into another overtime against Pewaukee last week. Only this time they won, 7-6.

The two teams played four quarters of scoreless ball. Then in overtime Pewaukee scored a touchdown on an eight yard run. The two point conversion was no good.

Kewaskum got the ball and Rick Leitheiser completed an 11 yard pass to Brian Larsen in the end zone to tie the score. Larsen then kicked the game winning point.

In the closing minute of regular time, Kewaskum got to Pewaukee's five-yard line and had intended to try a field goal. But two Pirate offside penalties gave them the ball at the two. A run was tried but Dave Donath was stopped at the line of scrimmage, necessitating the overtime.

The freshmen lost again, 6-0, to give them an 0-4 mark. The only score was in the third quarter on some Pewaukee long runs.

KHS Boys 7th in Cougar Invite

Strong Berlin landed four runners in the top 10 to repeat easily as champion in the boys division of the Cougar Invitational Cross Country Meet Thursday at Camelot Country Club.

Berlin, led by Curt Christensen, first on the 3-mile course in 15:35, scored 35 points. Plymouth was a distant second with 76 points, Slinger third with 86, Campbellsport fourth with 87, Winneconne fifth with 119, Mayville sixth with 164, Winnebago Lutheran Academy seventh with 196, Kewaskum eighth with 211 and Omro ninth 227.

Junior Scott Klein again led Kewaskum. He was 16th with 16:32 for his best time. Rick Stefanovic was 32nd, Craig Larsen 45th, Mike Geidel 56th, and Jeff Steger 62nd. Jeff Decker was unable to run.

In the girls segment, Mayville, led by Linda Villwock, won with 37 points. Villwock was timed in 12:48 to finish first. Then came Berlin 46, Campbellsport 58, WLA 73, Winneconne (did not have full team). The strong Kewaskum girls did not compete in the meet.

SHEBOYGAN COUNTY	DODGE COUNTY
WASHINGTON COUNTY	COLUMBIA COUNTY
OZAUKEE COUNTY	MARQUETTE COUNTY
WAUKESHA COUNTY	GREEN LAKE COUNTY
MILWAUKEE COUNTY	FOND DU LAC COUNTY
WALWORTH COUNTY	
RACINE COUNTY	
KENOSHA COUNTY	

Southeast District

Fall color is good throughout the district and is approaching its peak. The Holy Hill area in Washington County is especially colorful. There is very good goose viewing in the vicinity of the Theresa Marsh in Washington and Dodge Counties. The birds can be seen best from Highway 28 on the north end of the marsh. Squirrel hunting has been generally good throughout the district and the outlook was good for the second opening of the waterfowl season on Saturday, October 13. Inland water fishing continues good for both panfish and game fish. Anglers are again reminded that snagging is NOT permitted in the Root River in Racine County.

Snaggers are having good success taking lake trout and Chinook salmon in the Sheboygan River. Breakwater and boat fishing has been slow off Sheboygan County. Anglers reported excellent success at the Port Washington utility plant this past week. There was heavy fishing pressure along Oak Creek in Milwaukee County but success was limited. Anglers reported fairly good success in the Root River in Racine County. Snaggers have good success along the Kenosha shore and in Pike Creek.

Fond du Lac County - Cornfield hunting for ducks in the western half of the county has been fantastic. Late ducks have shown up on Lake Winnebago. Central zones goose hunters on the Eldorado Marsh are doing very well.

Dodge County - As of October 4th, 75,000 Canada geese were on Horicon Marsh. Central Zone populations along with other state lands showed a statewide total of 92,220. Wall-eye fishing has been excellent on Beaver Dam Lake.

LIGHTHOUSE LANES TUESDAY TRAVELER'S LEAGUE

Steve Myers, who bowls for Wes and Rosie's, could do no wrong. He bowled a 751 series.

Germantown	9 16 15

The Indian girls hosted North Fondy, one of the tougher teams in the Flyway, Thursday and lost in non-conference action. Kewaskum won the first game 15-12, but dropped the last two.

Mirjam Sibbel came up with a fine individual effort and Janet Matenaer played well. Lisa Kempf had some good assists.

Tuesday the girls made their last home appearance when they hosted unbeaten Grafton. It was Parents' Night.
