## High School Acquires Career Educational Computer Terminal

Mike Ciha and Tim McChain jointly work on the computer terminal located in the Kewaskum High School guidance office.

[Tom Rosenberger photo]

Recently the Kewaskum High School guidance department announced the installation and hook up of a career educational computer terminal. The terminal was purchased in part through Title IV funds available to the school district.

Mike Theiler of the guidance department at the high school said the computer is hooked up to the Wisconsin Career Information Center which is located

in Madison. The computer terminal comes with a video screen, keyboard and a printer and can provide current information on over 800 careers. The career information is updated every six months. Current materials from all colleges and university systems in the U.S. and all technical schools in Wisconsin, plus financial aid funds available to students, can also be gotten from the com-

puter. In addition, career information on the armed services can also be obtained from the computer.

Theiler said the terminal will be available for senior career investigation and many students have already used the computer and are very excited about the information it provided. The high school has access to the terminal four

## Fire, Rescue Phone Number Change

The phone number for the Kewaskum Fire and Rescue Units has been changed to 338-4411. If you are in need of their service you would now dial this new number anytime day or night.

The fire department has been busy distributing the new phone stickers during the past several weeks. If you did not receive a new sticker and live in the Village of Kewaskum, Town of Kewaskum or the southern half of the Town of Auburn, they are available at the Kewaskum

Municipal Building or from the Kewaskum Fire Department.

## Kewaskum Night at Brewers Game June 11

Although winter doesn't officially begin until this Friday, December 21, the Kewaskum Area Chamber of Commerce has already announced plans for "Kewaskum Night" at the Brewers game in Milwaukee next summer. It will be on Wednesday night, June 11, at 7:30 p.m., when the Brewers play the Texas Rangers.

More information will be published in later issues.

Rev. John T. Budde, Pastor

Confessions Friday, 7:30 to 8:30 p.m.; Saturday, 3:30 to 5:00 p.m. and 7:00 to 8:30 p.m. Monday afternoon confessions from 3:00 to 5:00 p.m. and Christmas Eve only from 7:00 to 8:00 p.m. for those who did not have an opportunity to go before. Father Herbert Waldkirch will assist Father John T. Budde on Saturday afternoon and will be in the confessional in the west Sacristy.

The first Mass of the Feast of Christmas will be the midnight Mass. It will be a concelebrated High Mass. Co-celebrants will be the pastor, Father Budde, Father Waldkirch and Father Allan Weinert, C.S.S.R., of St. Joseph's College, Edgerton. Karen Schneider will be the organist and the adult choir will sing under the direction of Gary Gerhartz. Hymns will be sung starting at 11:30, preceding the mass.

The second Mass on Christmas morning will be at 8:00 a.m. Father John T. Budde will read this Mass and Karen Schneider will again play the organ.

The third Mass at 9:30 a.m. will be celebrated by Father Elroy Pesch, O.F.M., of Mt. Calvary with Peggy Stoffel at the organ.

The fourth and last mass at 11:00 a.m. will again have Father Budde officiating. Lee Ann Schoofs will play the organ and the young people will sing hymns.

**St. Bridget's Mission**  
Rev. John T. Budde, Pastor

Two Masses will be read at St. Bridget's Mission, the first at midnight and the second at 8:00 a.m. Christmas morning. Celebrant at both masses will be Father Elroy Pesch, O.F.M. Cap. Ann Thill is the organist.

The choir will sing at both masses. Hymns starting at 11:30 p.m. will precede the midnight Mass.

**St. Lucas Lutheran Church**  
Rev. Paul Hoenecke, Pastor

The celebration of the Christ Child's birthday will begin Sunday, December 23, at 9:00 a.m. with an Advent breakfast served to the members of St. Lucas. During the breakfast which will be served by the Young People's Society, the Sr. Choir will sing several familiar Christmas carols.

There will be two identical children's Christmas services. Both are entitled, "Salvation Unto Us Has Come." The Sunday School will present their service at 7:30 p.m. on December 23. The Christian Day School will present the same program on December 24 also at 7:30 p.m.

On Christmas Eve at 10:00 p.m. there will be a service of praise for the congregation. Pastor Hoenecke will deliver the sermon.

On Christmas Day service is at 9:00 a.m. with a sermon and several choir selections by both the Sr. and Jr. Choirs. The public is invited to attend all the worship services.

Holy Communion will be celebrated in two identical services on New Year's Eve at 6:00 and 7:30 p.m.

**Peace United Church of Christ**  
Rev. Darrell Joiner, Pastor

On Sunday, December 23, Peace Church of Kewaskum will have only one special service at 10:15 a.m. with a unique Christmas Program including the Church School and combined church choirs under the direction of Mrs. Cheryl Ammel.

On Christmas Eve the church will continue its fine tradition of having the Candlelight Service

of Lights and Carols at 7:30 p.m.

The Christmas Day Service will be at 9:00 a.m. with a visual presentation entitled, "Joy to the World."

The public is invited to attend these special services of Christmas celebration.

hours a day and Theiler said it looks like it will be in use much of this time. Eventually he hoped that the juniors and sophomores will be using it in conjunction with the career planning program.

At present, faculty members are becoming acquainted with the computer so that they can incorporate it into their individual curriculums.

Theiler hopes that student interest in the computer will spread to their parents and encourages anyone in the school district interested in its usage call him for more information or an actual demonstration of the terminal.

## School Board Approves Two Curriculum Evaluation Policies

By DAN MEILAHN  
Statesman Staff Writer

Monday night's Kewaskum School Board meeting concerned approval of curriculum evaluation policies, the first reading of mainly internal board policies, and approval of a full-time custodial position at Wayne.

The board initially held a closed session with legal counsel in regard to possible litigation.

There was no action taken by the board on the Barbara Hickox contract. Hickox, a speech therapist, had allegedly been under contract with both the Port Washington Schools and Kewaskum Schools at the beginning of the school year.

Two policies in regard to curriculum were approved: 1) "It is the responsibility of the district administrator to formulate and review courses of study and to submit proposed new or revised curriculum guides for board approval. Each major curricular area shall be reviewed at least once each seven years, beginning no later than the 1981-82 school year." 2) "The board expects its faculty and administration regularly to evaluate the educational program. Such evaluation may be expected to lead to recommendations for modifications of practice, changes in content of courses and new courses. Evaluation of instructional programs should include review of curricular areas as prescribed by policy 6140." (the previous policy)

Byron Gessner was appointed to serve on a steering committee to carry out the evaluation.

There was a first reading of a policy on community relations, to welcome constructive criti-

cism through an order of appeal ranging from the building principal to the Board of Education. Another policy would concern the use of schools by community groups for non-profit ventures. A policy was read on the privileges of the Kewaskum Education Association which include use of school buildings and bulletin boards, and providing the KEA President with agendas and names of newly hired teachers.

Another board policy was read stating that the board shall act as a Committee of the Whole but may appoint special temporary committees to only recommend actions to the board. Another policy reads that standing committees shall include transportation and salary negotiations for both certified and non-certified staff. The president of the board shall appoint members to special committees authorized by the board. The board may appoint advisory committees of citizens, staff, or students to study, report on, and recommend actions on certain topics.

A bylaw would allow the board to appoint an attorney at its discretion. Another bylaw states the board will meet on the second Monday of each

month. Also, the board will organize annually by election of board officers at the first regularly scheduled meeting on or after the fourth Monday in April. Public notice giving the date, time, and place of meeting will be sent to the Kewaskum Statesman, West Bend News, Fond du Lac Reporter, Sheboygan Press, and radio stations WBKV, WFON, and WHBL. Another bylaw would allow any board member to call a special meeting provided at least 24 hours notice is given to the public and the other board members. All meetings of the board and committees will be open to the public except such meetings which may be closed according to Wisconsin Statutes. All of the above policies were read for the first time and not passed as yet.

A services contract with the Wisconsin Association of School Boards was approved. It would allow for special consultation in preparation for negotiations and evaluation of the employees' negotiations proposal. It would provide assistance in resolving impasses and assist in the conduct of employees' negotiations. Also special assistance in writing job descriptions, in-ser-

vice sessions, and preparation of reports as they relate to negotiations would be provided.

A full-time custodial position at Wayne was approved with the understanding that added hours can be spent in other parts of the district or for other services.

The possibility of larger oil tanks at some schools to allow for transport deliveries was suggested by Jim Oelhafen. Byron Gessner suggested looking into a natural gas hookup at Beechwood. Jean Goeden mentioned that she had received some questions concerning the possibility of serving chocolate milk or orange drink at elementary schools. This is pres-

ently not done due to dental health considerations.

The second December meeting was cancelled. The board adjourned to another closed session to discuss teacher negotiations and the annual board-superintendent evaluation session.

Fred Retzlaff sold his 79 acre farm located two miles north of here, to Franz Ramel; consideration \$4,000.

Fond du Lac is to have a new morning paper, the Daily Bulletin, which will make its appearance about January 15. The company is capitalized at \$25,000. C. E. Broughton, editor and publisher of the Campbellsport News, will be the managing editor.

## Receive Degrees At UW-Oshkosh

Degrees were conferred at the University of Wisconsin-Oshkosh's 15th annual Mid-Year Commencement Friday, December 14, upon 461 undergraduate students and 102 graduate students.

Graduation ceremonies were held in the Kolf Sports Center at 7:30 p.m. with Dr. Herbert J. Grover, president of the UW System Board of Regents, as the principal speaker and Michael Thelen of Kimberly, a graduate student, as the student speaker.

Chancellor Edward M. Penson conferred the degrees which are effective as of the close of the fall semester on January 18. Vice Chancellor Walter T. James introduced the program.

Seniors who applied for graduation at the close of the fall semester include: Monica J. Bohn, 316 Third Street, Kewaskum, Education-Bachelor of Science in Secondary Education; Douglas Lee Strack, 1243 Meadow Lane, Kewaskum, Letters and Science-Bachelor of Arts.

## Practical Nursing Students Elect Officers

Class Officers of the Practical Nursing Program at MPTI. Seated: Left to right — Margaret Staehler, West Bend; Leslie Wilde, Markesan; Judy Jessup, Fond du Lac. Standing: Left to right — Michael Miller, Fond du Lac; Sharon Lefeber, St. Cloud; President Phil Voights, Oshkosh; Dolores Kroon, Waupun; Jacqueline Wiley, Oshkosh.

The August class of the Moraine Park Technical Institute Practical Nursing Program elected officers who will be responsible for organizing various class activities.

Class President is Philip Voights, Oshkosh, one of three men in the current program. Vice-president and Parliamentarian is Judy Jessup of Fond du Lac. Secretary Dolores Kroon is from Waupun and Margaret Staehler of West Bend was elected treasurer. Representatives to WAHO (Wisconsin Association of Health Occupations) are Michael Miller of Fond du Lac, another male in the class of 32 females, and Leslie Wilde, Markesan, who also serves as the historian of the group. Students elected to represent the practical nurses in the MPTI Senate are Jacqueline Wiley of Oshkosh and Sharon Lefeber of St. Cloud.

Part of the activity of the class is devoted to raising money, by means of bake sales and other money making endeavors, to finance trips to meet with other student and professional nurses. They traveled to Milwaukee in early October to be part of the National Federation of LPN's National Convention.

The Practical Nursing Program at MPTI continues to have record enrollments according to Division Chairperson Jane Williams. "Many LPN's are needed in extended care facilities so the job market is really good. We will start another class in January of 1980 and are still accepting applications. Previously the program had a three-year waiting list. The program is set up for students to qualify for the State Board licensing exam.

The program involves classroom and clinical experience with work in many different District health care facilities. "Students spend a significant amount of time gathering skills in direct patient care. Facilities in Beaver Dam, Winnebago, West Bend, Fond du Lac, and Berlin are used regularly for courses of study throughout the year."

Williams noted that many practical nurses use that training as a stepping off point for other medical careers as registered nurses and operating room assistants. Some move on to the medical records field.

"This is a people oriented career. In our society we are

recognizing the needs of the elderly, chronically ill, and the handicapped. There is also the focus on in-home care. All these areas give sites for more personnel in the health care area."

For persons wishing to make practical nursing a career, the job options are plentiful. According to a study of past graduates, nearly 90 per cent of the graduates were working in the health care field, with an average monthly salary of \$721.

Williams emphasized the importance of registering early for any class in which a registrant wishes to enroll. "There are many requirements which must be fulfilled to enter this program. A complete physical exam, chest x-ray, skin test, and reading test are a few of the requirements. Most registrants have a high school diploma, though a GED is also acceptable." Anyone interested in enrolling in the January class should direct their questions to Don Smeaton, MPTI Counselor in the Health Occupations field, (414) 922-8611.

## Kewaskum Center MPTI Classes to Start in January

The Kewaskum Center of MPTI will be offering the following classes to start in January. There are openings in the Thursday evening upholstery class. This class is scheduled for January 3, 7 to 10 p.m.

The Rosemaling class is scheduled for Wednesday, January 2, and has room for a few more.

First Aid is scheduled for Monday, January 7, and C.P.R. class for Wednesday, January 9.

Ceramics, Art (painting), Auto Mechanics, Beverage Host, Crocheting, Knitting, Photography and Welding are scheduled to start in January.

Call 626-2166 for registration or more information.

**Census Bureau Survey  
Of Farm Energy to  
Be Taken in January**

Report forms for a farm energy survey to provide current data on agricultural energy consumption and needs will be mailed to farmers and ranchers early in January by the Bureau of Census, U.S. Department of Commerce.

The survey is a follow-on part of the 1978 Census of Agriculture conducted earlier this year. A sample of 30,000 farm operators were drawn from the nationwide census mail list for the survey.

Data on gasoline, diesel oil, electricity and other energy consumption by farmers will be collected. The survey is being conducted at the request of the U.S. Departments of Agriculture and Energy. Census Bureau officials say the information requested by the Departments of Energy and Agriculture will provide the basis for timely and adequate distribution of fuel to farmers. Data for 1979 derived from the survey will be published for use by farmer and business organizations, the Congress, and Federal and state agencies.

Survey questions also will be asked on energy conservation practices and expenditures; fuel sources; crop drying and curing facilities; farm building heating, air conditioning and water heating; acreage owned or leased; crops produced and sold; and sales of livestock, poultry and their products. The data will be published in early 1981, as part of Volume 5, Special Reports of the 1978 Census of Agriculture.

**PACE Scholarship  
Of \$500 Available  
To Women of Area**

A \$500 scholarship will be available through the PACE organization to assist women to further their education.

Lee Bohlmann, Chairperson of the Scholarship Committee, commented on the intent of the scholarship. "As PACE is an organization of women, we decided we should do something to help women who wish to increase their options and professional opportunities." The scholarship, a first time endeavor, is open to area women over the age of 25 for post-secondary education.

The scholarship will be awarded on the basis of financial need, personal letters of recommendation, and an interview with the Scholarship Committee. The final recipient will be chosen by the PACE Board of Directors.

"Women interested in applying for the scholarship may contact me at Moraine Park Technical Institute, 334-3413, to request an application. Applications must be received by March 1, 1980, so that there is enough time for the selection process," added Bohlmann.

Other members of the Scholarship Committee are Maureen Josten, Adult Education Supervisor at MPTI, and Mary Howard, Library Director at UWWC.

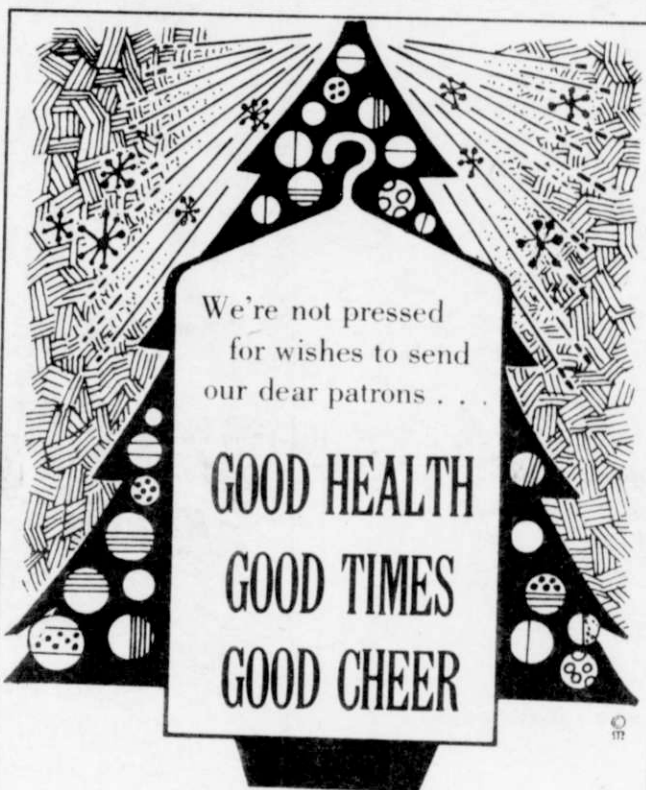

PACE has been in existence in the West Bend area since 1977. Over 50 women make up the organization which meets on the second and fourth Wednesdays of the month.

## Campus Notes

Sharon Schoofs of Kewaskum was a member of a University of Wisconsin-Whitewater novice debate team which placed third in the novice class in the annual Pre-Christmas Forensics Tournament at UW-Whitewater December 7-8.

Sharon and her partner, Christine Kiefer of Racine, had a 3-win, 3-loss record in preliminary rounds, defeated a team from UW-Oshkosh in the quarter-final round, and bowed to a team from Bradley University, Peoria, overall second place winner of the tournament, in the final round.

The tourney had the largest debate division in years, and overall competition involved more than 350 students from 36 colleges and universities in eight Midwest states. UW-Whitewater students, coached by Professor T. C. Winebrenner, competed only in the novice class, which consists of students who before this year debated neither in high school nor college.

Sharon is the daughter of Mr. and Mrs. Theodore Schoofs, 302 Third Street, Kewaskum. A senior majoring in theatre, her minor is speech. She plans to teach at high school level.

♦♦♦♦

Lynn Theusch, 9060 Hwy. 144, Kewaskum, is president of the Pioneer 4-H Club at the University of Wisconsin-Platteville.

She is a senior majoring in criminal justice.

## Immunization Clinic Change

There will be a change in the Immunization Clinic schedule for West Bend because of the holidays. There will be no second clinic held in December.

January clinics are: January 7 (Monday) - 2:00 to 6:00 p.m. January 22 (Tuesday) - 9:00 to 12:00 N.

The clinics will be held in the

Community Health Nursing Service office at 515 East Washington Street, West Bend.

All recommended immunizations are available to children and adults and are provided free of charge. There is a \$1.00 charge for the T.B. skin test for those age 16 and over.

For further information call: Community Health Nursing Service, 338-4462 or 644-5204, Mrs. Dolores P. Harder, R.N., Director.

## Roy Ebersold, H. Ramthun Die

Roy Ebersold, 69, of Kewaskum passed away Wednesday, December 12, at St. Joseph's Community Hospital, West Bend, where he had been a patient for one week.

Mr. Ebersold was born April 6, 1910, in Modena Township, Alma, Wisconsin, to the late August and Bertina Peterson Ebersold. On September 7, 1968, he married Evelyn Shulka in the First Methodist Church in Campbellsport.

He was a former employee of Precision Metal Products Company in Campbellsport, working for them for 15 years. He served with the Army during World War II.

Survivors include his wife, Evelyn; one daughter, Mrs. Judy (Manwell) Dahman of rural Kewaskum, one granddaughter, Renee; two sisters, Mrs. Dela Fuller and Mrs. Verna Linsie of Pepin, Wisconsin; two brothers, Merlin of Pepin and William of Cochrane, Wisconsin; other relatives and friends. One daughter, one sister and two brothers preceded him in death.

Services for Mr. Ebersold were held at Miller's Funeral Home, Kewaskum, at 2:30 p.m. Saturday, December 15, with Pastor L. G. Thiel of the First Methodist Church of Campbellsport officiating. Burial was in Lutheran Memorial Park, Kewaskum. Military graveside services were also conducted at the cemetery. Visitation at Miller's Funeral Home in Kewaskum was Saturday from 11 a.m. to the time of services.

### HERMAN RAMTHUN

Herman Ramthun, 88, of New Fane, passed away Sunday, December 16, at the Fond du Lac Lutheran Home where he had been a resident for one month.

Mr. Ramthun was born May 5, 1891, in the Town of Osceola to the late August and Louisa Feuerhammer Ramthun. Before living in New Fane for 30 years he had farmed in the Town of Osceola.

In 1915 he married Emma Wachs at Waucousta. She passed away April 20, 1941. In 1951 he married Meta Steber at Hope Lutheran Church in Fond du Lac.

Survivors include his wife Meta, a resident of the Fond du Lac Lutheran Home; two sons, Norbert (Dorothy) of Route 3, Campbellsport, and Orville (Barbara) of Fennimore, Wisconsin; eight grandchildren and 15 great-grandchildren; other relatives and friends. Four sisters and two brothers preceded him in death.

Services for Mr. Ramthun were held Wednesday, December 19, at 2 p.m. in the Trinity Lutheran Church, Dundee, with Pastor William Stuebs officiating. Burial was in Campbellsport Union cemetery, Campbellsport.

Visitation at Miller's Funeral Home, Kewaskum, was after 4 p.m. Tuesday and at the church on Wednesday from 12 noon to the time of services.

### MRS. LILLIAN RICHARDS

Mrs. Lillian E. Richards, 86, a resident of The Retlaw, Fond du Lac, died Tuesday, December 11, at St. Agnes Hospital there.

She was born at Beechwood on February 7, 1893, the daughter

of the late William and Emma Hafchild Krahn. She was married to Roy Richards on November 4, 1964, at Edinburg, Texas.

Mrs. Richards lived in Milwaukee until her marriage, then was a resident of West Bend and for the past eight years lived in Fond du Lac.

Surviving are two step daughters, Mrs. Sally Gnaegy of Shaunee Mission, Kansas, and Mrs. Laurie Ann Boedeker of St. Germaine; four sisters, Mrs. Mayme Buss of Kewaskum, Miss Delia Krahn of Marshfield, Mrs. Emily Moeller of Pittsburg, California, and Miss Goldie Krahn of Milwaukee; and a brother, William Krahn of King. Her husband died in 1976.

Funeral services were held at 1 p.m. Friday at Overton Funeral Home, 15 N. Jackson Street, Janesville. Dr. Orville McKay officiated and burial was in Lake Ripley Cemetery at Cambridge.

Friends of Mrs. Richards called from noon Friday until

the time of services at the funeral home.

### LORETTA PIEPER

Mrs. Loretta J. Pieper, 68, of 2213 Brown Road, Route 7, Fond du Lac, died at 5:25 p.m. Wednesday, December 5, at St. Agnes Hospital, Fond du Lac. Born September 7, 1911, in the Town of Osceola, she was a daughter of the late Henry and Ida Ebert Wagner. She was married to Frederick Rose on May 21, 1932, and he died in 1941. On September 17, 1955, she was married to Arnold Pieper at Church of Peace.

Mrs. Pieper was a member of Bethel United Church of Christ in the Town of Byron.

Survivors include her husband; three daughters, Mrs. Shirley Braatz and Mrs. William (Gladys) Schaub, both of Fond du Lac, and Mrs. David (Ruth) Whitty of Byron; nine grandchildren; and a great-grandchild.

Also surviving are seven sisters: Mrs. Anthony (Hilda) Neis of Campbellsport, Mrs. Paul

(Melinda) Hrbeck of Sussex, Mrs. Norbert (Mildred) Flitter and Mrs. Dehlia Sabish, both of Elmore. Mrs. Alice Wilson of Kewaskum, Mrs. Anthony (Betty) Pulcanio of Chicago and Mrs. Ralph (Dorothy) Grahl of Eden.

She was preceded in death by

a granddaughter, three brothers, and two sisters.

Funeral services were held at 11 a.m. Saturday at Church of Peace. The Rev. Martin Koehler and the Rev. Stephen Welch officiated and burial followed in Bethel Cemetery in the Town of Byron.

## Food Stamp Allotments To Increase

Federal food stamp allotments for Wisconsin recipients will increase slightly more than one dollar per person per month beginning January 1.

Changes in eligibility criteria, scheduled to go into effect on the same date, are expected to increase participation in the program by the elderly and some disabled persons.

The allotment increase will apply to all current recipients and reflects the rise in food costs between March and September, 1979, according to Bernard Stumbras, Administrator of the State Division of Economic Assistance.

About 60,000 food stamp households will be affected by the change. Maximum monthly allotments for three member families with no net income will increase from \$161 to \$165. (Three member families with incomes currently receive an average of about \$75 worth of stamps monthly).

The changes in regulations will expand eligibility and increase 1980 food stamp allotments for households having a person over age 60 and for those receiving Social Security disability payments.

Expanded eligibility results from ending the present \$90 per month limitation on shelter costs, increasing allowances for the cost of utilities and permitting deductions for medical costs.

The food stamp program is administered by the U.S. Department of Agriculture.

Stumbras said persons over age 60 or who receive Social Security disability payments should contact their county department of social services about the new eligibility standards.

## County Farmers Now Eligible for Federal Crop Insurance Program

Farm producers in nine Wisconsin counties will be eligible to participate for the first time in an expanded all-risk Federal Crop Insurance program in time for 1980 spring plantings, W. J. Dufresne, Regional Director for FCIC, said today.

The expansion, Dufresne said, is part of 150 counties allocated recently by the FCIC Board of Directors and announced by Secretary of Agriculture Bob Bergland.

Wisconsin counties included in the expansion are Door, Green Lake, Juneau, Marquette, Oconto, Shawano, Washington, Waupaca and Waushara.

Dufresne said the new counties will bring to 51 the number of counties eligible for Federal Crop Insurance in the state.

Designation of the new counties is based primarily upon a critical need to provide addi-

tional disaster protection for major crops in the state, he said. More than 8,000 farm crops are voluntarily covered under the Federal Crop Insurance programs in Wisconsin.

Individual crop programs to be made available in each of the new counties are listed below. All crops are for the 1980 crop year, except for those fall planted crops designated for the 1981 crop year:

- Door — Corn, oats, peas.
- Green Lake — Corn, oats, peas, sweet corn.
- Juneau — Corn, soybeans, oats.
- Marquette — Corn, oats.
- Oconto — Corn, oats.
- Shawano — Corn, oats.
- Washington — Corn, oats, peas and wheat (1981).
- Waupaca — Corn, oats.
- Waushara — Corn, oats, peas, sweet corn.

## Oelhafen Relected County ASC Chairman; Committeemen Named

Ira A. Oelhafen was relected to the County ASC Committee for a three year term at the annual county convention held December 5. Incumbent Hilbert Scheunemann was elected Vice Chairman and A. John Cleary will be the third member of the committee for 1980. ASC County Committee members, elected through a farmer election process, are responsible for the administration of farm programs administered by the (ASCS) Agricultural Stabilization and Conservation Service Office.

Community committeemen were previously elected by the farmers for the six community

committees located in the county. These persons are delegates to the county convention who are responsible for electing the county committee. Also elected were Alfred Horst as first alternate and Anthony Theisen as the second alternate.

Communities and the committeemen listed in order of chairman, vice chairman and member are as follows: A - Addison, Wayne twp.: Leo Ritger, Paul Pamperin, Roman Hartmann. B - Barton, Kewaskum, West Bend twp.: Allen Reindl, Gerald Stoffel, Merlin Prost; C - Erin, Hartford twp.: Alfred W. Horst, Maurice Endres, Larry Lepien; D - Farmington, Trenton twp.: Andrew Fechter, Arthur Ciriacks, Frank Falter; E - Germantown, Richfield twp.: Anthony Theisen, Ralph Kohl, James Stuetgen; G - Jackson, Polk twp.: Allen Peil, Earl Schilling, Louis Scheunemann.

## Serving a Bishop at a Yuletide gathering

Entertaining friends and family adds to the many delights of this festive and glorious season! Unusual food or drink not only offers a unique touch to your gathering, but will start the conversational ball rolling as well. A drink called a Bishop, very popular in Northern European countries is colorful and appropriate.

Strongly resembling mulled wine, it is a spicy concoction of heated port wine (or sherry or bordeaux, if that's what's on hand), spiked with cloves and the peel of lemon or orange. The proportions of the ingredients we leave to your individual taste and imagination . . . Skoal!

*Merry Christmas*

With most sincere hopes that peace and happiness be with us all. Many thanks.

## Start A New Holiday Tradition

The holidays—a time of joy and merrymaking for all—also brings with it a dilemma for the cook: wanting to try new and different recipes, yet not wanting to break tradition. This year, the choice is made easier with "Pumpkin Ribbon Pie." Prepared with unflavored gelatine, it's a combination of two well-loved holiday desserts in one—two layers of spicy pumpkin pie with a "cheese-cake" layer in the middle. And, the unflavored gelatine means that except for baking the pastry shell, you don't need to use precious oven space—usually reserved for the turkey. You and your family will all agree, a new tradition has begun!

### PUMPKIN RIBBON PIE

- 1 envelope Knox® Unflavored Gelatine
- 3/4 cup sugar
- 2 eggs, separated
- 1 cup milk
- 1/2 teaspoon vanilla extract
- 2 packages (3 oz. ea.) cream cheese, softened
- 3/4 cup canned pumpkin
- 1/2 teaspoon ground cinnamon
- 1/4 teaspoon ground nutmeg
- 1/4 teaspoon ground cloves
- 9-inch baked pastry shell

In medium saucepan, mix unflavored gelatine with 1/2 cup sugar; blend in egg yolks beaten with milk. Let stand 1 minute. Stir over low heat until gelatine is completely dissolved, about 5 minutes; add vanilla.

In large bowl, using electric mixer, beat cream cheese until smooth; gradually beat in gelatine mixture. Chill, stirring occasionally, until mixture mounds slightly when dropped from spoon.

In medium bowl, beat egg whites until soft peaks form; gradually add remaining 1/4 cup sugar and beat until stiff. Fold into cheese mixture. Reserve 1 cup cheese mixture. To remaining mixture, fold in pumpkin mixed with spices. Turn 1/2 pumpkin mixture into pastry shell; spread on reserved cheese mixture and top with remaining pumpkin mixture. Chill until firm. Makes about 8 servings.

## All Feed Grain Producers Eligible for Program Benefits in 1980

"All corn and barley producers will be eligible for target price protection and price support loans on their 1980 feed grain," Ira A. Oelhafen, Chairperson of the Washington County Agricultural Stabilization and Conservation (ASC) committee, said. There are no set-aside or diversion requirements for 1980 feed grain crops.

"However, to qualify for full target price protection and deficiency payments, farmers cannot plant more corn or barley in 1980 than the total acreage considered planted and set aside from these crops in 1979," he explained. Farmers who exceed this acreage will be subject to an allocation factor that can reduce any target price payment by up to 20 percent.

Preliminary target price ranges will be announced by March 15, according to Oelhafen. The 1980 target prices are currently estimated at \$2.08 per bushel for corn and \$2.35 for barley.

The ASCS official said 1980 feed grain and soybean loan levels will be at least as high as those in effect for 1979 crops. Those national average rates are: \$2.00 per bushel for corn, \$1.90 for sorghum, \$1.63 for barley, \$1.03 for oats, \$1.70 for rye and \$4.50 for soybeans.

National program acreages were announced at 82.1 million acres for corn, 13.9 million acres for sorghum and 7.9 million acres for barley. The national program acreage is the number of planted acres of each crop needed to meet projected domestic and export requirements as well as to provide for a desirable carryover.

### Volunteers Needed for County Services

VOLUNTEERS you can help; someone needs you! Following is a list of opportunities for volunteer services in Washington County. Contact the person listed if you would like to volunteer for one of the services listed below.

THE AMERICAN CANCER SOCIETY needs volunteers to transport cancer patients, locally and to Milwaukee hospital for treatment. Usually needed in mornings, but anytime is also a good time. If you have an interest in helping patients and have a "listening ear" you will be greatly appreciated. The cost of gasoline will be reimbursed upon request. Call Lillian Fischer at 334-3175 for more information.

THE WASHINGTON COUNTY DEPARTMENT OF SOCIAL SERVICES needs volunteers to provide transportation for clients to keep job interviews, medical and agency appointments. Most driving is within the Washington County area and reimbursements are given at \$.17 per mile. If you have a valid Wisconsin driver's license and insurance coverage, DSS needs you weekdays between 8:00 a.m. and 5:00 p.m. on a weekly or even a monthly basis. Clients who have no other means of transportation appreciate your help. Please call Delores Hippe at 338-4610 or 644-5282. Also needed for this special time of the year are volunteers to take a name to provide a family with a Christmas basket. One of the 76 families not yet on any donation list will appreciate your Holiday gift. The Department of Social Services also has a Christmas fund to provide needy families with meat and fruit for the Holiday season and if you and/or your organization wish to donate to this special Christmas fund to help a family in your area please call the numbers listed above.

THE 4-H AGENCY needs adults to be leaders to teach youth (9 to 18 years of age) skills in the area of their choice. Help youth grow and learn by sharing your skill or hobby. The only qualification is that you have love of children. Time needed is volunteers' choice (about 15 hours per year). If you are interested in an adult leadership position for 4-H call Bob Stodola at 334-4478 and spend that valuable extra time with children.

THE CITIZEN ADVOCACY PROGRAM OF WASHINGTON COUNTY needs a volunteer to develop a supportive friendship with Harry, a 27-year-old mildly mentally retarded man. Harry has no companions his age to share activities with and could really benefit from a friendship through which both you and Harry could learn. You and Harry decide when to get together (usually one time a week). If you have a sincere interest in lending support to Harry or one of the many others on the waiting list, please call Sue Moser at 334-3384 and be an advocate/friend with someone in your area.

THE SAMARITAN HOME needs volunteers to make beds and clean laundry away in residents rooms. Taking part in this position will give the nurses and aides more time to spend giving good care to the residents. The only qualification is to attend an orientation at Samaritan. If you are interested call Cathy Wittman at 338-4528. Also needed for the Holidays is wrapping paper, slippers, socks, slippers, housecoats, planters, knick knacks, stationery, after shave, perfume, hand lotion, underwear, and anything

else you have to offer for the folks in Samaritan will be very much appreciated.

BIG BROTHERS/BIG SISTERS needs volunteers to provide a one-to-one relationship for a single-parent child who is between the age of 6 and 17. These children need someone to build their self-esteem, and to provide social and recreational outlets. If you have a few hours per week (a one year commitment), a sincere interest in children, and are at least 18 years old, you are qualified for this rewarding volunteer opportunity. Please call Dave Bilgo at 334-7896. Also needed are chairs, desks, copying machine, and/or dictaphone.

If you cannot contact the agency you're interested in (M-F. 8-4:30), you can call during evening hours or on weekends: 334-4636 and leave a message.

(This column is a service of the Organization for Professional Exchange Now (OPEN) Volunteer Committee. Non-Profit agencies that would like an item in it can contact Sue Moser, Volunteer Committee Chairperson, P.O. Box 676, West Bend, WI 53095, or phone 334-3384).

**Gas More Costly If Rationed!**

Recently the Department of Energy (DOE) announced a plan for gas rationing, which would take effect should our oil supplies decline by 20 percent or more. This plan was developed under authority granted by Congress, which I opposed.

Under the plan, licensed drivers would be given ration "rights" of roughly 45 gallons of gas per month, with some set-aside for states based on past consumption and unlimited allocations for certain priority consumers — emergency and public transit vehicles, etc. These "rights" would be deposited in "ration checking accounts" in local banks, and drivers would write "checks" on these accounts as needed to obtain ration coupons at local exchange points (food stores, etc.).

It should be noted that the coupons will have to be purchased at these points to provide the funds needed to administer the whole rationing system. Coupons would then be presented to service stations to enable the driver to buy the gas equal to the coupons.

Not only is such a plan an administrative nightmare, but it is a sneaky way of placing a new tax on gasoline. The DOE estimates that coupons will cost \$1 per gallon, or as high as \$1.50

on the black market. Add this to the current \$1 per gallon price of gas, and you have an economic crunch for most people.

The DOE plan is also more unfair than the awful rationing plan the House killed some months ago, very wisely. It would create a legalized black market in ration coupons which could mean windfall profits for coupon brokers. It also fails to assure that gas supplies will geographically follow the cou-

pons, so people with coupons may not be able to find the gas to go along with them.

The plan is also unfair because it gives city residents with access to public transit and less need for car travel, the same amount of gas as those in the suburbs with no alternatives and greater need for their cars.

DOE is already admitting that there are many unanswered questions about how the plan would work and that it has problems. Thank goodness, this plan cannot take effect before February 1, and even then Congress could still veto it. Until then, I would urge everyone to communicate their views on this proposal to the Department of Energy, Washington, D.C. 20461. Then perhaps they will go back to the drawing board and scrap this monstrosity.

**Sensenbrenner To Tour Israel**

Ninth District Congressman F. James Sensenbrenner, Jr. (R-Shorewood) has announced that he has accepted an invitation from the government of Israel to participate in a fact-finding tour of that country next month.

Sensenbrenner will travel to Israel during the Congressional recess in January, so he will not miss any House sessions or legislative business.

While in Israel, Sensenbrenner will meet with various government officials to discuss a wide variety of issues of interest to Congress, including the Mideast peace agreement now being implemented, Israel's defense system, and the future of U.S.-Israeli relations.

"I am pleased to accept the offer of the Israeli government to come to Israel and learn first-hand what is happening

there. This will be an excellent opportunity to get in-depth answers to many of the questions we in the House have about Israel, the Mideast, and how we can best continue our good relations with the State of Israel," Sensenbrenner said.

Travel expenses for the trip are being paid by Sensenbrenner, who will be accompanied by his wife, Cheryl. No U.S. tax dollars will be used to support any portion of the trip. Sensenbrenner explained.

Before accepting the offer, Sensenbrenner sought the approval of the House Ethics Committee, which monitors and regulates the official activities of House Members, for the trip. The Committee has now given its approval, ruling that the trip meets all House guidelines and is directly related to Sensenbrenner's official duties.

## Undefeated Chess Team Crushes Germantown

The Kewaskum chess team is the lone undefeated team in the South Central Chess Association. The Indians crushed previously unbeaten Germantown 53-2. The Indians had nine checkmates out of the ten boards. The team has outscored its three conference opponents by a 148 to 7 margin.

Competing for Kewaskum were Dusti Howell, board 1, Kim Manthei, board 2, Chuck Strancke, board 3, Rick Howell, board 4, Tom Rosenberger, board 5, Jeff Steger, board 6, Rob Sleger, board 7, Steve Yahr, board 8, Jim Simon, board 9, and Duwayne Schacht, board 10.

The match turned into a marathon session as it took Rosenberger 2½ hours to mate his opponent and Dusti Howell took 3 hours. The three hour match was the longest match for Kewaskum in three years. The chessmen were pushing their pawns as Yahr, Rosenberger, Manthei, and Dusti Howell all won their matches due to pawn promotions.

The match also included a novice section with Andy Rosenberger 1-0-1, Ken Bauer 1-1, John Rimmel 2-0-1, Glenn Prescott 3-0 and Tracy Coulter 2-1, competing for Kewaskum.

The team now takes a holiday break and resumes play on January 17 against St. John's Military Academy.

## Wisconsin Mapped Lakes Available

An index of over 2500 Wisconsin Mapped Lakes will help many ice fishermen enter the charmed circle of experts.

A mapped lake is actually a Hydrographic map. So what's a Hydrographic map? "Hydrographic Maps" is simply a high-

quality term for maps showing the various depths of a lake along with other information that is so desirable to have for fishing...such as kind of lake bottom (sand, mud, gravel, etc.).

Suppose you want to fish for perch. You know his feeding habits and at what depths and over what kind of bottom he would be. With a Wisconsin Hydrographic Map you can see at a glance the general contour of the lake bottom and the exact depth of any given place along with the kind and condition of the bottom. No more cutting through a foot of ice to find 6 inches of water underneath.

The index is available at no charge by sending a large, self-addressed, stamped (28c) envelope to: Wisconsin Lake Maps, Box 5096, Madison, WI 53705.

## That Goose Could Lay a Golden Egg

HORICON, WI--The Department of Natural Resources will pay \$20.00 to anyone who returns one of the 10 radio transmitters which the DNR placed on Canada geese this fall at Horicon and Grand River marshes.

The transmitters are attached to a blue or green plastic neck collar and emit a radio signal that allows researchers to locate and identify each radio marked goose.

Each radio collar has solar panels which power the transmitter mounted on the side of the collar.

Radio marked geese are being studied to determine the distribution movements and behavior of Canada geese while they are in east-central Wisconsin. The return of the collar provides valuable information to this research and a returned radio collar can be reused eliminating the cost of purchasing a new transmitting unit.

Anyone finding one of the radio transmitters, return it to Jerry Bartelt, Wisconsin Department of Natural Resources, Box D, Horicon, Wisconsin 53032 and receive a \$20.00 reward.

## Skiing on the Level, Popularity Booming

Cross-country skiers will find 275 miles of marked ski trails waiting for them this season in Wisconsin state parks and forests. Also, more than 600 miles of trail are available to snowmobilers.

Cross-country ski trails are provided in 27 state facilities and there are snowmobile trails in a total of 36 state parks and forests.

Department of Natural Resources park officials expect another record breaking year in the use of state parks and forests by cross-country skiers. "The growth in the popularity of this sport has been phenomenal," according to Loren Thorson, chief of recreation programs.

One of the "hottest" cross-country skiing spots has been the Southern Unit of the Kettle Moraine State Forest located in southeastern Wisconsin near Eagle. Four loop trails totaling 75 miles will be in operation. In addition, "Old World Wisconsin," located within the forest will provide three separate loop trails for skiers. A nominal admission fee will be charged to use the Old World Wisconsin facilities.

Cross-country skiers are urged to use trails which are compatible with their individual abilities. "Each year," Thorson stated, "we have cases of broken bones, severe sprains and other related injuries. In most cases, the injury was caused by the skier using a trail that was too difficult for his or her ability." Park officials recommend that skiers stop at the park or forest office prior to skiing to obtain information regarding trail difficulty.

Since snow conditions vary throughout the state during the skiing and snowmobiling season, both cross-country skiers and snowmobilers are urged to call the state park or forest they plan to visit in advance of their departure to determine snow and trail conditions.

And, a reminder that 1980 annual vehicle admission stickers to state parks and forests are now available. The new fee schedule is ten dollars for a resident sticker and fifteen dollars for a non-resident sticker.

### Southeast District

Rabbit hunting is generally good throughout the district. However, a little snow cover would improve it. Bow hunting conditions for deer are generally good throughout the district also. Ice conditions are variable

in the southeast counties, and most ice would be considered unsafe for travel. A few brown and rainbow trout are being taken in the harbor at Port Washington. The new 1980 fishing regulations are now available along with campsite reservation forms for 1980.

## Seeing IS Believing

On the front of every Volcano is an inspection port with a swing away cover, through which the observer sees a sheet of bright orange & blue flame sweeping over and around wide, flat steel surfaces of hollow crossflow baffles. He sees the heart of the Volcano, and the significant difference that makes it the most sophisticated wood burner in the world.

This sheet of flame (gases burning in the secondary combustion chamber) superheats room-heating, fan-forced air ducted around the firebox and through the hollow baffles.

- 1 A precisely controlled volume of combustion air is pre-heated and ducted evenly through the primary firebox.
- 2 Exhausted air is introduced to the secondary firebox to pre-heat incoming gases in a super-hot flame.
- 3 Secondary firebox is pre-heated by the primary firebox.
- 4 Super-heating gases in a super-hot flame.
- 5 Superheating little fuel goes out the chimney.
- 6 Cool air near the floor is fan-forced.
- 7 Through hot air jacket & hollow baffles and
- 8 Exhausted into room or into hot air system.

This intense secondary burn, observable and fascinating to watch on every Volcano, demonstrates Volcano's lead in woodfiring technology.

When hooked to forced air or hot water systems (hydronic models available), the Volcano literally provides all the heat a homeowner needs with measurably less wood consumption than even the most modern of competitor stoves. Inside, the Volcano is as new as tomorrow, with the outward appearance of the Quaker Box Stove of yesteryear.

# Indians Suffer First Losses To Grafton and Germantown

After winning their first four games (three of them non-conference), Kewaskum's winning streak came to a sudden halt here Friday night when the Indians were defeated by Grafton, 79-74. The same thing happened Tuesday at Germantown where the Indians went down by a more decisive score, 72-59.

Grafton shot better Friday, they were able to get beyond the Kewaskum defense while the Indians had trouble penetrating a tough Blackhawk zone defense and Grafton played a better game.

The Blackhawks led by a margin of about 10 points much of the night although the Indians tied the score at 24 all and 26 all shortly before the half and cut the margin to several points at times. The Indians outscored Grafton by a slight margin in every period but the second, which won the game for them as they outscored Kewaskum, 25-14. In the second quarter the Blackhawks spurred for a 10-point halftime lead, 38-28.

The Indians, who didn't execute well, hit just 12 of 36 shots in the first half. Leading scorer Henry Schilter was held to 4 points. He found the range in the third quarter, however, hitting on 5 of 8, and ended up with 20 for the evening to lead his team.

Kewaskum's last spurt came with just 2 minutes left, after 2 Grafton players fouled out, when they cut the lead to 73-70. But a final basket by John Brewster brought the final margin to 5 points.

The Indians had 5 players in double figures but so did the Blackhawks. Behind Schilter's 20 were Bob Nigh and Jim Rohlinger 15, Tom Kern 14 and Scott Brendemihl 10. Grafton was led by 6-foot, 4-inch Mark Gumm with 22.

In the Indians' game at Germantown Tuesday it appeared through most of the contest as though neither team wanted to win. Neither team played good basketball, the shooting was poor, there were numerous turnovers and not much zip.

With the score close for 3 quarters, Germantown finally got hot in the final period with a 26-point scoring barrage to win by a margin of 13 points, 72-59. The Warhawks had led by only 5 points, 48-43, before their late bolt. Football star Jerry Vance put on an exhibition in the last quarter, in which he scored 12 of his game high 22 points.

Behind Vance in scoring were Francolucci and Bruegger with 16 apiece. Top point men for Kewaskum were Tom Kern with 16 and Jim Rohlinger with 14. Henry Schilter was held to 12. Rohlinger hit on 7 of 12 for the only good shooting.

The Indians outplayed the Warhawks in the first half but had little to show for it as the ball just wouldn't drop through the hoop. Turnovers ruined Kewaskum in the final period.

This Friday the Indians play at Pewaukee in the final game until after the holidays. Ke-

waskum is now 1-2, while the Pirates are 0-3.

## Grafton Hands Girls 1st Loss By One Point

In an evenly played game at Grafton Thursday night, the Kewaskum girls suffered their first loss when they were shaded by just one point, 40-39.

Both teams scored 11 points in the first quarter and 9 in the second period to end the half in a 20-20 tie. Grafton gained 3 points in the third stanza but Kewaskum got 2 of them back in the final quarter to lose by a single point.

The winning basket came with just 11 seconds left when Grafton's Lori Schmitz intercepted a long pass and sank an easy shot. With 3 seconds remaining the Indians' Janet Matenaer got a shot but the ball rolled around the rim and out.

Soph Jill Yearling took scoring honors with 21 points for the losers. She played a fine game on offense as did Judy Schoofs on defense. But, Kewaskum was outthrustled by Grafton.

The Indian girls are now 3-1.

## Lakes Team Nips Hartford, 112-109

In a game that was real close all the way and went right down to the wire, the Kewaskum Land o' Lakes team shaded Hartford there Sunday, 112-109. The victory brought Kewaskum's record to 2-1.

Kewaskum was without the services of Ken Loest, who re-injured a knee for this one. But Clark Eichstedt, who poured in 41 points, and Leon Laatsch, who added 29 for the winners, made up the difference. Hartford's balanced scoring attack was paced by Gary Witteg with 20 points. Six Hartford players scored in double figures.

Kewaskum held a nine point lead at the half, 56-47, but Hartford outscored their opponents 29-21 in the third period to draw within one. Kewaskum outpointed Hartford by two points in the high scoring final quarter for the win.

Kewaskum's next game will not be until after the holidays when they play at Slinger January 5 at 7:30.

Other results Sunday: Mayville 116, Port Washington 99; Oconomowoc 117, Slinger 92; Menomonee Falls Badgers 126, Sussex 111; Menomonee Falls Stingers 112, Cedarburg 109.

## Family Campsite Reservation Forms For 1980 Available

Family campsite reservation forms for the 1980 camping season are now available at DNR field stations, according to Department of Natural Resources park officials.

The form has been revised to include the new camping fee schedule and the new reservation fee of \$2.50. Previously the reservation fee was \$2.00. Loren Thorson, chief of recreation programs for the Bureau of Parks in the DNR, said, "Campers are asked to discard any old reservation forms they may have as some of the information on them is obsolete. Reservations for the next year's camping season should be made on the new forms which are readily available at DNR field stations and from the central office in Madison."

Thorson reminded campers that reservations for the period commencing May 1 through September 30 next year, will be accepted beginning January 2. Any reservations delivered to state park offices before that date or received in the mail with a postmark prior to that date will be returned.

## Wrestlers Bow to Hartland; 4th in Invitational

A strong Hartland wrestling team, which forfeited at the first two weights and got one back in the unlimited class, easily defeated Kewaskum here Thursday night, 37-17.

In the last match of the evening, soph Dave Goeden came through with a 4-2 win over Joe Hubanks in the 126-pound bout. Wayne Boudreau brought home the other Kewaskum points (not including the forfeit wins) when he drew with Steve Tjugum at 9-9 at 119 pounds.

Tony Strigenz at 105 and Scott Klein at 98 picked up the forfeit wins. Hartland did not

put anyone up against Klein.

At 145, Steve Beck suffered a possible shoulder injury and was forced to default. At 167, Mike Pettit held a 5-0 lead before losing 7-5.

St. Mary's Springs of Fond du Lac won the Horicon Invitational Saturday. Seven schools were entered.

Three Scenic Moraine teams fought it out for second place, with Mayville taking second, Slinger third and Kewaskum fourth.

Six of St. Mary's 11 competitors gained championship matches. Their champions in-

cluded Tom Seibel at 138, Don Adelmeyer at 132 and Tim Whealon at 185. St. Mary's scored 136 points, 29 more than second place Mayville.

Placing fourth, Kewaskum had 97 points, just 3½ fewer than Slinger and 10 less than Mayville. Columbus placed 5th, Horicon 6th and Wayland Academy 7th.

Kewaskum's only champion was Mike Pettit at 167 pounds, who pinned Steve Andrew of St. Mary's in 48 seconds. Scott Klein at 98 and Bob Bastian at 138 were defeated in the individual finals.

**Thru Dec. 22**

In Austria, children put notes to "dear child Jesus in Heaven" on the window sill for St. Nicholas to take so that the Christ Child could bring the requested gifts on Christmas Eve.

In Belgium, children place shoes, baskets, or dishes under the tree for St. Nicholas to fill on Christmas Eve. They put water, hay, and carrots outside the door to attract his gray horse to their home. St. Nicholas wears a bishop's robe and a miter, and he carries a pastoral staff. On Christmas morning the children find chairs tipped over in their rooms and further disarray to show evidence that St. Nicholas has been there. Good children find their shoes filled with gifts. Bad ones find switches stuffed in theirs.

**Father Christmas**

In Finland, Father Christmas brings children their gifts from England. In some sections he is known as Wainamoinen or Ukke. He is an old man with a long white mustache. He wears a white peaked cap with blue trim and a red coat.

In Hungary, the children believe that a male Kriss Kringle brings their gifts. He is dressed in white and rides a white horse.

In South America children leave notes to "Little Jesus" during Posada. They leave them in front of the crib for the angels to take to heaven for answering.

In Sweden, Jul-nisen in his red robe, pointed cap, and long white beard, riding his goat, brings gifts to good Swedish children.

In the Philippines, shoes are put in the window by the

children on Christmas Eve. They expect the Three Kings to fill them.

In Mexico, Santa is not as popular as the figure of Quetzalcoatl, the Aztec god of the sun. He is an old man with a long white beard and flowing white robes. Before Christmas children write to the Christ Child listing what they want. And on the eve of Epiphany, January 6th they place their shoes at the foot of their beds for the Three Magi to fill.

**Good Old St. Nick**

In Switzerland, the tradition of St. Nicholas is observed. He arrives on December 6th and distributes fruit, candy, and toys. Sometimes there is a parade in his honor. A giant figure of St. Nicholas leads a group of children dressed in long white nightgowns and masks. The paraders blow long Swiss horns and bells ring.

Spanish children fill their shoes with straw for the camels of the Three Kings, on the eve of the Epiphany. It is thought that each year the Wise Men repeat their journey to Bethlehem and pass through Spain on the way. As they pass by, the camels eat the straw and the shoes are filled with gifts by Balthasar, who rides on a donkey.

In Poland, children write letters telling what they wish to receive and place them on the window for the Wise Men. Then on Christmas Eve, after supper, the children are examined on their knowledge of religion by the Star Man (the village priest). If they do well, they receive small gifts from the Wise Men. Gifts are believed to come from the stars, and the Wise Men act as emissaries.

BETHLEHEM RE-VISITED . . . Every Christmas, in homes, store windows, shopping malls, churches and elsewhere, the Nativity scene is recreated as the world is reminded of the great event that happened so long ago in Bethlehem. The life-size figures above — Mary and Joseph at left, the Three Wise Men at right, are part of the annual Nativity scene at Gatlinburg, Tennessee's Christus Gardens.

In Ireland candles are set in the windows on Christmas eve to light the Christ child on his way. And only a woman named Mary may snuff out the church candles on Christmas day.

## A PRAYER for Christmas

On this great holiday, let us join together in prayer. Let each ask, in his own way, that the true spirit of this Christmas season—its joy, its beauty, its hope, and its ever-abiding faith—find its way into every heart and home.

Let us pray for the blessings of peace, with time to build and grow, to live in harmony and sympathy with our fellow man—and to

plan the future with a determined confidence.

Let us pray that those who work for a world of reason and understanding be given courage and energy unlimited.

And, let us pray that the message of Bethlehem be made known to one and all, so that the good that lies in every man's heart may be ever magnified.

## There are ways to cope with holiday depression

The traditional holiday focus on family and friends may actually produce feelings of loneliness and depression in people. But there are ways to cope with the "holiday blues," says Imogene Higbie, director of the University of Wisconsin-Madison Counseling Service.

"Most of us long for a few intimate, positive relationships with other human beings," she said. "If we haven't had that unconditional love and acceptance from family members, we hope to make those intimate connections with our peers."

The holidays, with their celebration of love and togetherness, can accentuate the anxiety and depression felt by those who don't have or have lost some significant relationship.

For many, Higbie added, this season is also a time of assessment, when people think of school, job and social life in terms of success or failure.

The first step in handling holiday depression, according to Higbie, is to recognize what's happening.

"Talk about your feelings with close friends and family. This offers a support group and a way to diffuse the trauma — you discover that others have similar feelings," she said.

Secondly, she recommended watching consumption of alcohol and the tendency to overeat, both of which can affect the emotions.

"Then try to structure your time," she said. "If you're feeling scared of the time ahead, it's useful to make plans around pleasant activities."

Finally, "if you can't shake the feeling, talk to a professional about why you can't manage it yourself. Mental health centers are good resources. Talk with people of your own faith — a minister, rabbi, priest or lay counselor. Many communities also have a crisis telephone line," Higbie said.

## Don't Let Christmas Blues Spoil Your Holiday Season

There's nothing unusual about having the blues at Christmas. There's always pressure on everyone to be happy at Christmas and yet almost everyone can get holiday problems, and almost no one thinks anyone else does.

Most people who become depressed at this time of year aren't suffering from real depression but from temporary sadness. Doctors say that our holiday expectations become unrealistic. It's an expectation unique to the season. Disappointed expectation and social pressures may help explain why people with problems feel them more around Christmas.

## Getting Ready Helps To Boost The Spirit

It seems traditional to spend hours getting ready for Christmas. We spend a lot of time decorating the home, putting ornaments on the tree, checking the gift list, shopping all over town.

With it all, there comes more and more an awareness of the true meaning of Christmas. When gifts have been exchanged and opened on Christmas morning, let us keep this spirit in our hearts.

**Save On Gift Costs  
With Careful Planning**

If you begin to run short on money and time where Christmas shopping is concerned, put your imagination to work.

Your supermarket, hardware or five and dime store are filled with inexpensive items which you can add a personal touch that will make a most-appreciated gift.

You can buy Christmas plants everywhere. Attach a card and deliver them yourself.

Select fruit from your supermarket and box them. You'll save.

If you have plants, pot several of them together to make a table arrangement—a gift anyone will appreciate.

Know a little girl who likes to cook? An assortment of cake and cookie mixes is sure to please.

Gifts from your kitchen will also be appreciated—date breads, cookies, candies.

**Instant Photography Captures  
Holiday Memories To Cherish**

When you take self-developing pictures at Christmas your whole family can see the magic of color images emerging on a blank print! Children love watching them develop and appreciative relatives treat them as something special when you send them as thank you notes.

If you already have an instant camera you can capture the complete holiday mood starting before the actual day. Shoot the family selecting your tree and decorating it with bright ornaments.

Or will this be the year you ask Santa for an instant camera? If so, let's hope he remembers to mark the package "open me first" so you can begin photographing when all the excitement starts.

Here are some suggestions from Kodak photo experts. They'll help you take good pictures with the least amount of work.

- \* Tell a complete beginning-to-end story by starting with shots of the youngsters in front of a pile of unopened presents and closing as they are tucked in bed.
- \* Check your background for distractions before pressing the shutter release. Undesirable clutter can often be eliminated by shooting from another direction or moving closer to your subject.
- \* Add variety and impact to your pictures by shooting from different angles and distances.
- \* For interesting pictures photograph when your subjects are doing something . . . opening gifts, enjoying dinner, playing with toys, arriving at your home.

May the magic and mystery of Christmas burn brightly in your hearts. Let our sincere thanks trim your holiday.

## A Question: Why do We Celebrate Christmas?

### The Golden Rule

It is now the season of Christmas, 1,979 years since the Prince of Peace was born in the Fulfillment of Prophecy, to reject a crown of gold and life of splendor for 33 dedicated years and a crown of thorns.

Because He came as a leader and teacher of men, there were those who worked unceasingly to degrade and destroy Him. Yet, in God-like manner, He walked in the valley of men, teaching the fundamental principles of life and truth by both parable and example.

Because he lifted the eyes of mankind toward the heavens, spurning the meaningless values of worldly power and earthly riches, He sinned against plunderers and tyrants, and for this He was crucified.

Because He called out in pain for the forgiveness of those who had tortured Him and nailed His body to the cross between two thieves, he set the highest example of the Golden Rule.

Because He came, with Divine direction, to lead mankind unto salvation, He is with us forever.

Because, in One Solitary Life there remains always with us the hope for peace and good will everlasting, it is fitting that we observe the anniversary of His birth, the Christmas.

May His most wondrous message reach deep into the hearts of all mankind.

### Traditions Aside, Christmas Is A Universal Holiday

Traditions bind us to our pasts, and symbolize certainty, to a degree, about the future. One of the nicest things about Christmastime is that regardless of cultural backgrounds or religious beliefs, everyone has similar celebrations.

At Christmastime, the rituals of the festivity represent continuity and security.

### Holiday Abundance Tests Food Lover's Will Power

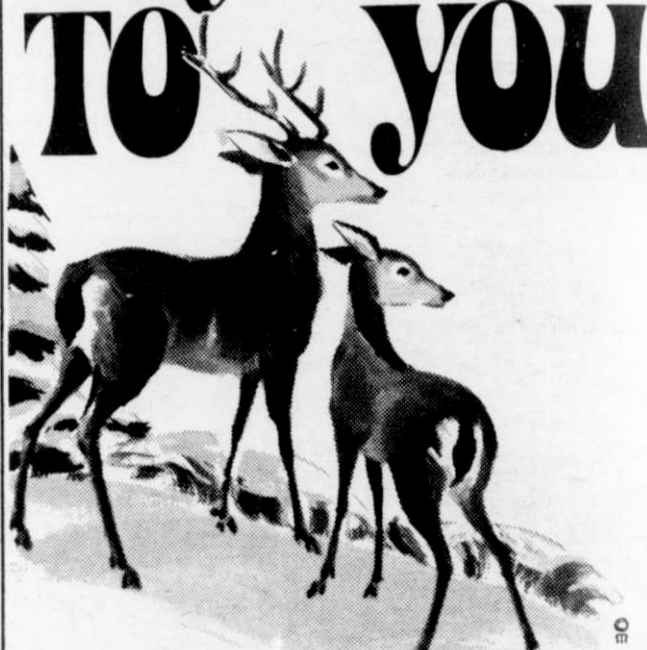

Christmas food seems to find its reflection in the waistline for most of us. Start now to decrease your intake. Practice personal discipline. Eat only sensible portions of things, cut the fat from meats, avoid gravies, second helpings and dessert.

If you have put on some

extra pounds during the holidays — take them off in January.

### The Christmas Rose Was Child's Nativity Gift

The legend of the Christmas rose is one of the most beautiful stories associated with the Nativity.

Long ago, in the land of Judea, a child named Madelon, daughter of a shepherd, awakened to see a bright star in the heavens. She saw the Wise Men, bearing gifts on their way to the manger where the Christ Child lay.

Saddened because she had no gifts for the newborn King, Madelon began to cry. Seemingly from nowhere, an angel appeared, asking, "Why do you weep?"

"Because," Madelon said, between sobs, "I have no gift for the Christ Child."

Smiling, the angel said, "A gift of the heart is best of all... I will give you something to carry to the manger." And the angel was gone. In its place stood a beautiful rose bush, glowing with fair white blooms.

Joyfully, Madelon made her way to the manger where she timidly placed her bouquet before the Christ Child.

In less than the wink of an eye, the white flowers turned a most beautiful pink—the first Christmas roses.

THIS MARBLE "MADONNA AND CHILD" was sculpted in the late 15th Century by Benedetto da Maiano of Florence, Italy. It is one of several sculptures and paintings with Christmas themes that are part of the permanent collection at the University of Wisconsin-Madison's Elvehjem Museum of Art.

**Assemble Toys Before Holiday**

It's Christmas Eve, fathers of America—assemble! They always do. It's not to get together, but a put together. For some reason, two or more Christmases are necessary for the average father to realize that he didn't really buy a bicycle or a coaster wagon, he purchased a box of bicycle or wagon parts.

Most also learn the hard way that Christmas Eve is not the right time to put things together. Toys should be assembled at least a week before Santa's arrival, because only the man with an engineering degree can do it right the first time. Panic is the word used to describe what happens when a bicycle is fully assembled and there, in the bottom of the carton lies four bolts, two screws and something that looks a little like a can opener.

Don't wait, dads! Do it early. And, don't complete Step 1 until you've read what you will do in Step 1, (B) and Step 1 (C). In fact, you can save both time and temper if you read directions completely, not once, but twice—and study the pictures carefully.

Have fun—and a Merry Christmas.

**Discarding your Christmas tree—a happy ending**

Wondering if there is any tradition concerned with when a Christmas tree should be dismantled and taken down? January 6th, Epiphany or Twelfth Night, marks the traditional end of the holiday and used to be observed by the burning of the tree and greens.

However there can be a happier end for your tree . . . one you will enjoy and find rewarding. Setting your tree up outdoors and hanging it with popcorn strings and suet makes a beautiful, natural bird feeder. Think of the fun you'll have observing your lively feathered friends through the months to follow!

**Use Tree Lights With Special Care**

Christmas tree lights, while beautiful, can be dangerous if used carelessly.

Never allow children to play with lights. Be sure that all sockets contain a bulb. Check light strings before you use them. Discard or repair broken sockets or worn insulation. Never put lights on metal foil trees.

Check often to be sure bulbs do not touch branches, needles or flammable decorations.

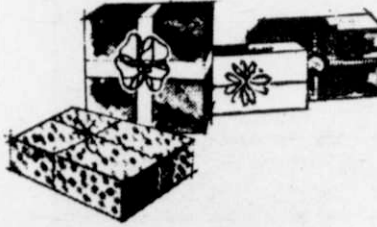

Falling needles indicate the tree is drying out and could become a fire hazard.

Gift ideas for the men in your life need not be limited to ties and shirts.

# HOW TO SAY Merry Christmas

## Christmas Once-Seen As Solemn Occasion

The feasting and celebration that is so much a part of our Christmas observance has not always been fashionable. Prior to the 13th century, Christmas was a solemn occasion. Chants and litanies, sung in Latin, highlighted religious observances.

Carols came into popular use in Italy, about 1224, under the influence of St. Francis of Assisi. The caroling custom, however, was slow to spread. English Puritans condemned merry Christmas celebrations and their influence was not only lasting, but carried over to America where colonists went so far as to forbid celebrations.

It wasn't until the middle of the 19th century that Americans, now a composite of immigrants from many lands, made Christmas a time of merriment and gift giving.

As Christmas is the most universally celebrated of all world holidays, so is the expression "Merry Christmas" the most universal of all greetings. Here is an interesting game based upon this Yuletide salutation. See if you can match the greeting at left with the proper language on the right:

- |                     |       |            |

| 8. Mele Kalikimaka! | ..... | French     |
- ANSWERS: 1. Italian; 2. Swedish; 3. Chinese; 4. Greek; 5. Portuguese; 6. French; 7. Japanese; 8. Hawaiian.

### MUM'S THE WORD

Clay-potted chrysanthemums make especially appealing Christmas gifts. They are long-lasting, and their vivid colors add to the festivity of the season. Keep mum plants in bright light or full sun, and never let the soil in their clay pots dry out completely.

### We Make Our Holiday Through What We Do

In some ways, we make too much of the commercial aspects of Christmas. But, rather than shout the old refrain that "Christmas is too commercial," we should remember that each of us is free to observe Christmas as we choose.

Gift giving belongs; it is part of the spirit of Christmas! Let emphasis be on giving and sharing. We make it even more meaningful by giving to the less fortunate, with no thought of receiving something in return.

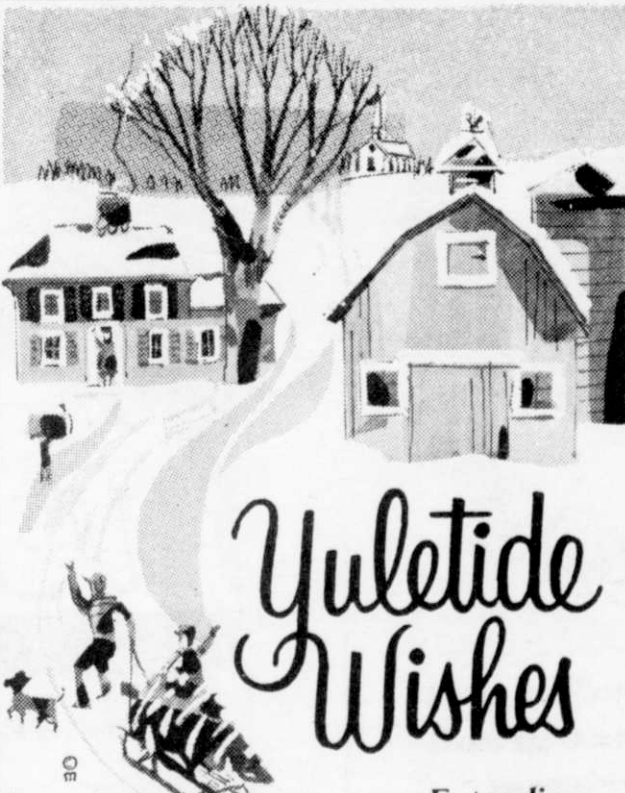

And, remember, the best gift of all—an act of kindness—costs nothing at all.

## A Traditional Christmas Dinner Features Delicious Roast Goose

A savory, fat roast goose has long been the favorite choice for a traditional Christmas dinner. Filled with delectable fruit stuffing it becomes a sumptuous gourmet treat as well.

### ROAST GOOSE WITH APPLE-PRUNE STUFFING

- 1 Goose—18-19 lbs.
- Stuffing - recipe below
- Salt and pepper to taste
- 1 clove of garlic
- 1 cup coarsely chopped celery
- 1 cup coarsely chopped onions
- 3/4 cup coarsely chopped carrots
- 1 bay leaf
- 1 cup water

Preheat oven to 400 degrees—goose will take approximately 3 hours to cook. Fill with stuffing, truss and sprinkle with salt and pepper. Place bird breast side up in shallow baking pan and bake 1 hour. Baste occasionally. Pour excess fat off and add the garlic, celery, onions, carrots and bay leaf all around the goose. Cook one hour more, basting frequently. If goose looks like it is getting too brown, cover with aluminum foil. Continue roasting for one last hour, then remove goose to warm platter. Drain fat from roasting pan, add the cup of water and stir, scraping brown bits from sides and bottom of pan. Strain to serve as gravy. Remove trussing, carve. Makes 10 generous servings.

### APPLE-PRUNE STUFFING

- 1 goose liver, 1 heart and 1 gizzard
- 3 Tablespoons butter
- 1 clove of garlic chopped finely
- 2 1/2 cups onions finely chopped
- 2 cups finely chopped celery
- 1 cup finely chopped parsley
- 1 bay leaf
- 1 Tablespoon chopped sage
- 1/4 teaspoon chopped thyme
- 1 cup dry white wine
- 1-12 oz. box pitted prunes, chopped
- 6 cups apples, peeled, pitted and sliced into thin wedges
- 2 lightly beaten egg yolks
- 2 cups coarse bread crumbs
- Salt and pepper to taste

Trim off outer coating of gizzard; remove veins from liver. Thoroughly blend pieces of heart, liver and gizzard in food processor or electric blender. Heat butter in large, heavy skillet, add onions and celery, cooking until glassy. Add liver mixture. Mix and add garlic, parsley, bay leaf, sage, thyme and wine. Cook about 5 minutes, stirring all the while. Add remaining ingredients and using hands, blend well. Cool, fill goose, then proceed with goose recipe.

Be inventive when planning the other dishes for your grand feast and make this a really memorable meal!

## Christmas Facts And Fancies Around The World

• The Christmas Seal originated in Denmark in 1903 when a Danish postal clerk decided to ask people to buy a special Christmas stamp to help raise money for sick and needy children.

• The world's largest Christmas wrapping, 42 feet long and seven feet in diameter, was constructed as a showroom display at a garage in Essex, England, according to the Guinness Book of Records. It took two weeks to build and concealed a Ford Escort car.

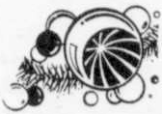

• Flowers are among the most popular Christmas gifts throughout the world, ranging from the traditional evergreen wreath in northern Europe to the gay floral tributes used to decorate for South America's Christmas Fiestas. With Interflora, the international affiliate of FTD, it is possible to send a floral holiday greeting to almost any country in the world in less time than it takes to send a Christmas card!

• Jolly old Santa Claus is not the only one delivering gifts at Christmastime. In Scandinavia, they are brought by little gnomelike

creatures called "Yule Men," who are said to live hidden in the attic all year long. In Italy, they are left on Epiphany Eve (January 6th) by a wrinkled old woman called Befana, whose arrival is announced by a bell. The Magi, the three wise men, bring gifts to Mexican children who, instead of hanging stockings, place their shoes on the windowsill.

• One of the longest Christmas celebrations in the world takes place in Sweden, where the holiday lasts an entire month. It begins on December 13th with Saint Lucia's feast day, and ends on January 13th Saint Knut's Day, when children "plunder" the Christmas tree, eating all its candies and cookies before removing its ornaments and carrying it outdoors with a song.

### Legend Says Robin Made Pilgrimage To Calvary

Unless you live in the sun belt, chances are you won't see a robin during the Christmas season. But, according to legend, this migratory bird made the pilgrimage to Calvary. In Brittany, it was long believed that when Christ was bearing his cross, a small bird attempted to relieve His suffering by plucking thorns from His brow. The bird's breast became forever stained with blood and ever after the bird was known as Robin Redbreast.

**"That Doggie in the Window"  
Giving a Pet for Christmas**

If you've been eyeing a cuddly bundle of fur frolicking in the window of your neighborhood pet shop, with thoughts of the happy surprise it will be for someone, come Christmas morn, there are some important questions you'll want to ask yourself, and answer, before taking a pet home.

There are more considerations involved than just "love at first sight", since puppies become dogs in very short order, so it's important to choose one that fits into the home he or she will be part of.

Will he or she be living in an apartment or house, will small children be involved, what is your income bracket? Some breeds can't tolerate the rough-housing of little children, some purely bred animals are more tense and independent than others. Buying a pure bred can be expensive to start with, and the first year with any dog involves a license, inoculations, collar, leash, dishes, toys, grooming utensils, and food.

The American Kennel Club in New York City will be happy to send you a free list of breeders, if it's a pure bred you're after. For a mixed breed, or possibly a pure bred found straying, try your local SPCA or animal shelter. There is usually a wide range of choices and you'll be saving an unwanted puppy or dog from being "put to sleep."

Although male dogs are more popular than females and usually cost more, females will usually adjust to pethood more readily. And a female can be spayed to spare you the problems of mating and a litter. Look for a clean, glossy coat, white teeth with firm pink gums, eyes that are alert and not runny. Avoid a puppy with a pot belly, it could be a sign of worms, and one with the sniffles or who seems itchy.

Any owner or agency should be able to give you proof that the animal has had at least one shot and a deworming. Find out too, as much as you can about the breed and full size of the dog you are adopting. Stop at the veterinarian's on your way home for a thorough going over, and make a date for regular inoculations.

A stop at the local shop for leash and collar, dishes, toys and grooming equipment and then it's home for many happy hours of love, devotion and fun!

**Let Children Enjoy Santa**

No fantasy is more beloved by children and remembered by adults than that of Santa Claus. The years three, four and five are the Santa Claus years when children are true believers and relish all the details of the Santa fantasy.

Santa should always be presented as a character that a child can love and trust, one who symbolizes generosity and kindness. Most young children accept the story of Santa Claus without question, though some five year olds may begin to suspect that it isn't really true. More often than not they will keep their suspicions to themselves because they love the fantasy and love being a part of it.

**The Cranberry**

The cranberry has long been a traditional part of the festive Christmas table. But, long before America was visited by the Pilgrims, American Indians were

using juice of the berry for red dye and crushing berries to make a paste called "Pemmican," which they used as a poultice for cuts and wounds.

"Mommy how many days 'til Christmas?"

Once the winter air is filled with the festive, expectant sounds of the holiday, youngsters begin to catch the feeling of excitement! The hardest part for them is waiting. A Christmas chain can be a helpful, fun part of the pre-holiday season, for little ones not up to reading calendars. All it takes is some leftover Christmas gift wrap, scissors and some paste. The youngsters can make their own chain if you provide a blunt end scissors.

Cut strips from gift wrap about 1" x 6", one for each day until Christmas. Paste the strips into circles, linking them to form a chain. Tape or tack the chain on the wall, at the child's eye level, someplace easy to reach.

Let the child tear or cut a link off every night. As the holiday nears, she or he will have some sense of the time until the great day!

**Penny Candy Was Part Of Memorable Old-Time Holiday**

Penny candy long ago followed the old-fashioned Christmas down memory lane.

Before the turn of the century, sourballs and peppermint canes, typical penny candies, were placed right on the tree. The canes were hung on tree branches; the sourballs hung in little bags or were used to fill the tree's many cornucopias.

**Children love cone-cups**

Most youngsters love cupcakes . . . they love to eat 'em . . . they love to bake them. Christmas "cone cups" are fun and a marvelous treat, iced and decorated with bright holiday gumdrops.

Fill flat-bottom ice cream cones half full of cake batter and bake in a slow oven on a cookie sheet. Serve plain or iced, and best of all, there are no crumbly cupcake liners left over. They're also great to have along on a car trip for a snack, and again, no litter!

Thinking of you and hoping your holidays will be filled to the brim with bright Christmas treasures!

Thanks.

### Carols Add Magic To The Spirit Of The Season

Christmas means singing and there is something magical in old well-loved Christmas carols and hymns.

This Christmas Day, in every land, in a thousand tongues, the old and the new songs will sweep over the heart — strings of millions, with mystic power and bringing new joy, new hope, new peace, and brotherly love.

### Telephone Lines Are Busy During Holiday Season

It takes only a moment to make a long distance telephone call to the other side of the country to wish someone a "Merry Christmas."

And that, every telephone company says everywhere, is just what Americans do on Christmas day. Each new holiday sets a record for number of calls—well over 13 million and headed upward. At 3 minutes a call, that's more than 80 years of talking in one day.

### Yule Legends

Polish children get their holiday gifts from Mother Star, and her companion Father Star, not from Santa Claus!

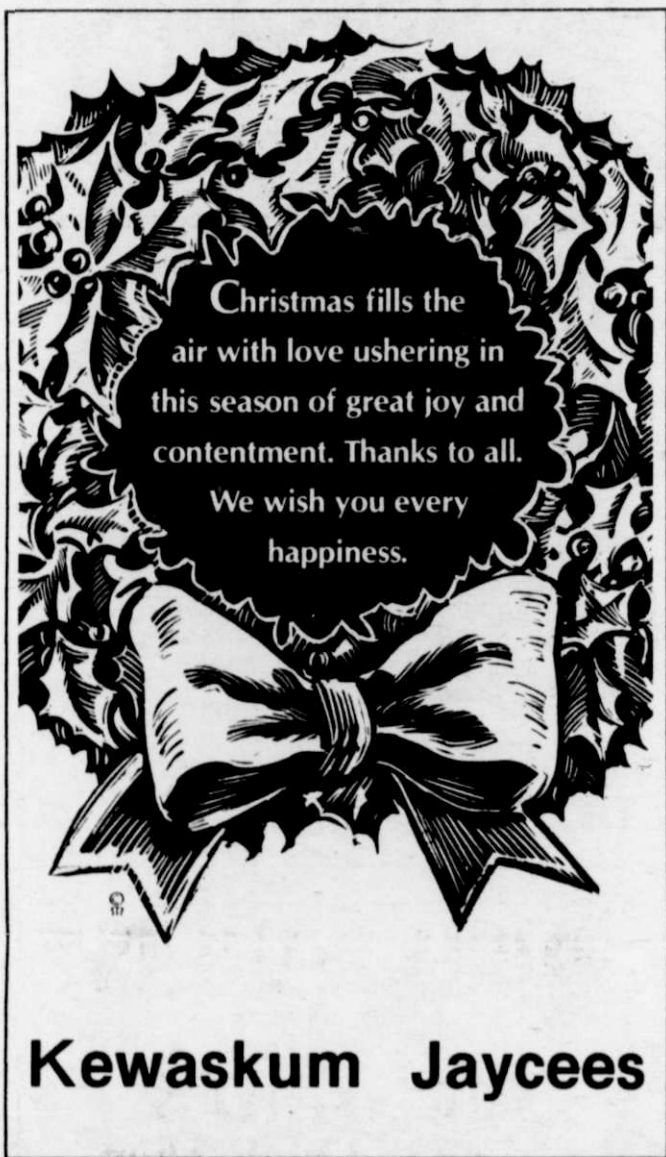

French peasants believe that a daughter, born on December 25th, will be wise, witty and virtuous.

### What's up in holiday decorating?

Go ahead and deck the halls during the holiday season. But observe these safety precautions from Continental Insurance:

1. Buy only a fresh Christmas tree. A tree isn't fresh if it is brittle and sheds needles.
2. Keep the tree moist by placing it in water after cutting an inch or two off its base. Check the water level frequently.
3. Position the tree away from doorways and heat sources.
4. Before trimming the tree, check the content of the tinsel. Use only lead-free decorating materials, especially if you have small children.
5. Do not place electric lights on a metal tree. Colored floorlights are the only safe illumination for such trees.
6. Use decorative lights tested for safety by the Underwriters Laboratories. Look for the "UL" mark.
7. Before connecting decorative lights, check for frayed or exposed wires and broken or cracked sockets. Never plug more than three sets of lights into an extension cord.
8. Indoor lights should not be used outside.
9. Turn off decorative lights — indoors and outdoors — when you leave the house or turn in for the night.
10. Remove outdoor lights as soon as the holidays are over. Even weatherproofed lights are not made to withstand extended exposure to the elements. Also, take down the tree before it becomes too dry.

### STOCKING STUFFERS

In these modern times, many of us have gotten away from one of the most enjoyable of Christmas traditions—especially where children are concerned.

The Christmas stocking—hung by the chimney with care—delighted the hearts of youngsters for decades. Regardless of the treasures left beneath the tree, the stocking held many small, but delightful, surprises.

If you have children in the home, put a little more spirit into your Christmas with individual stockings. Let the children help make them; it's more fun for all.

Christmas morning contents of the stocking should be a surprise—from Santa. Fruits are a natural. So are homemade cookies and candies, which you can put in sandwich bags or wrap in plastic. Trinkets, ear rings, inlaid trinkets are things a stocking may hold.

Once you've decided to use Christmas stockings, you'll come up with other ideas—and you'll see suitable stocking stuffers everywhere you go.

### Kissing Under Mistletoe

The word "mistletoe" derives from the Anglo-Saxon word "mistleitan." It is a parasitic plant which grows on evergreen trees, with small yellowish-green leaves, yellowish flowers and waxy white, poisonous berries.

Under a sprig of mistletoe men are by custom privileged to kiss any women standing under it. The man is supposed to first remove one of the berries and present it to the woman. When all the berries are gone, this kissing game is over. It is thought this custom comes from an early pagan marriage rite.

Mistletoe was considered sacred by the Druids in ancient Britain and they performed elaborate ceremonies around it at the winter solstice. Because of these pagan associations, it is seldom used in church decorations.
