Local Cub Scouts Celebrate 35 Years of Scouting at Banquet

By DAN MEILAHN
Statesman Staff Writer

Cub Scouting is celebrating its 50th anniversary this month. Kewaskum's pack 3744 celebrated 35 years of cub scouting with its Blue-Gold Banquet on Sunday, February 3, at Peace United Church of Christ.

Cubmaster Marilyn Haug introduced several of the original cubs, Dennis Bingen and Ted Meilahn, who were under the leadership of the first den mother, Frances Van Blarcom. Dennis Jandre and Norman Walz were also some of the early scouts present and were under the leadership of Mrs. L. N. Peterson.

Mrs. Van Blarcom added that Paul Landmann was the first scoutmaster in Kewaskum. She described the years of den mother experience as "really worthwhile."

The guest speaker was Dick Kellow, who represented District 11 of the Bay Lakes Scouting Council. He described scouting as "a great movement." Kellow had also been a cubmaster and claimed this was the most rewarding time he spent in all of scouting.

He also said, "The only reward is...the reward in your heart." He spoke of the joy of seeing any boy grow and develop in character through scouting.

Kellow described District 11

of the Bay Lakes Council as "fantastic." It serves 25,000 boys. There are over 400 councils in the entire country and the Bay Lakes ranks as 12th.

Kellow directly praised the local leaders of cub scouting and particularly noted, "it all happens because of Marilyn (Haug)!"

He read a "pledge" that appeared in the Wall Street Journal. It was intended to be the format for a contract to be signed by a child, parent and/or teacher but could be applied to any child or scout. Among the highlights were to realize that the greatest power is knowledge and that the mastery of basic skills is essential.

The pledge also stressed the reading of books to broaden awareness and the open discussion of what was learned during any day, and particularly in school. Direct planning for one's future and advice from respected persons was also advocated. All of this was to be pledged to those people who love the child and, more importantly, pledged to him or herself.

Another speaker was L. N. "Pete" Peterson, who represented Regal Ware of Kewaskum, which graciously donates mess kits to the scouts. He recalled the days when he was a cub leader and spoke of the pleasure of seeing the reactions of boys mastering certain activities for the first time.

"Pete" recalled an incident at Mauthe Lake when several cubs were experiencing their first outdoor cooking. There was "a lot of scorching and burning" of food around five fires. Peterson then stopped to visit one boy who sat reading a book by a small fire of one coal. When the boy was asked about his apparent lack of cooked food, he produced his dinner of hamburger, potatoes, and peas which had been wrapped in aluminum foil and placed within the fire. Later he baked biscuits in a reflector oven.

"Pete" said this solution was the "cleverest I've ever seen," since the food was well cooked and there were no pans to clean up.

Peterson then urged others to join cub scouting as leaders. He said, "go into it. Your rewards are great."

Awards and badges were

Blood Bank Notice

The first blood drive for 1980 will be held on Tuesday, February 26, from 1:30 to 6:30 p.m. The Milwaukee Blood Mobile Unit will be at the high school gym (old).

Past donors will be sent postcards and new donors are asked to call 626-2210 for information or just walk in that day.

Problems of Surface Water From Homes Entering Sanitary Sewer System to Be Studied by Board

By DAN MEILAHN
Statesman Staff Writer

At its meeting Monday, February 4, the Kewaskum Village Board decided to lock into means of preventing surface water from entering its sanitary sewer system.

Jerry Stollenwerk, a board member who also serves on the Plan Commission, reported that the commission made a strong "suggestion" to have the village more strictly enforce an already existing ordinance. It states, "no surface or sub-surface water flowing from surface drains, roof drains, yard drains, foundation drains, etc., shall be permitted to enter the sanitary sewers."

Stollenwerk pointed out that most Plan Commission members felt violations were definitely going on with sump pumps, tile drainage systems, and down spouts running directly into the sanitary sewer. Board members also knew of specific residences which were in violation.

Clinton Street has long been besieged with excess water and some sanitary sewer backup problems during heavy rains.

One main concern is that runoff from rains may drastically affect the volume going to the sewage plant. Supt. of Wastewater Treatment Pete Albers said this was definitely the case. He later mentioned that a normal day's intake volume was 500,000 gals, whereas on a rainy day it might run as high as 1,200,000 gals. Albers added, "I feel that we should follow this up."

Board member Dave Nigh suggested that a survey first be taken to find out just how many people would be involved in violations and any enforcement. He noted that each home would be a different case.

Stollenwerk read from another section of the ordinance which gave village authorities the right to inspect homes for violations.

Albers mentioned that a usual means of locating any violations would be by smoke testing. A section of sewer would be closed off and smoke pumped into a manhole. Wherever smoke comes out indicates a place where surface water may enter the system. He suggested that an outside contractor do this as opposed to a local employee.

Any enforcement of the ordinance would mean initial inspection and a follow-up inspection. Penalties, according to the ordinance, would be a fine of up to \$100 for each offense with each day of violation constituting an offense.

The board took no official action, but President Danielsen enjoined Albers to check with other communities as to their method of dealing with the

problem. Albers would also check out the cost and feasibility of smoke testing or other means of inspection.

Administrator Dan Schmidt reported on the Cablevision situation. Paul Behring, President of the Chamber of Commerce, had originally brought the matter to the board. River Bend Cablevision, Inc. is establishing service in West Bend, and Kewaskum may possibly be a satellite community.

Schmidt had been researching the subject and presented some suggestions. He felt the Village President should appoint a committee of five people - a chairman, a school representative, a village board member, a Chamber of Commerce member, and a citizen at large. This committee would help to establish an ordinance on cable television. Only after this should bids be taken for the service.

Schmidt said an ordinance might include such diverse considerations as: 1) percentage of a block that may be interested before hook up in that area is feasible; 2) a privacy rights clause whereby written permission would have to be given before any monitoring of one's home is done. (since this sort of communication system terminates in your home, illegal monitoring is a remote possibility); 3) whether or not emergency broadcasting, as weather bulletins, can interrupt programming.

Schmidt said that two packets of information were available for the committee with several sample ordinances from communities, including West Bend and Washington D.C. The Chamber of Commerce also agreed to acquire a copy of a survey about cablevision taken in Green Bay. There each bidder deposited \$500 so a consultant could be hired to do the survey.

The board members unanimously realized that their annual salary did not compare favorably to other communities. President Danielsen explained,

Fierke Elected To WEMTA

At the January 17 meeting of the Wisconsin Emergency Medical Technician Association (WEMTA), Mike Fierke of Kewaskum was elected to the state board of directors. In this position, Mike will have a voice in the decision-making process of the organization.

Besides this position, Mike also belongs to the board of directors of the American Trauma Society, (Greater Milwaukee unit), and is acting president of the Washington and Fond du Lac County chapter of the WEMTA.

"I don't think any of us are in it for the money." He admonished Village Clerk Bill Martin to find out when the board salaries were last adjusted. He told the board members to think about possible pay increases until the next meeting. Presently board members receive \$600 annually.

The board approved the purchase of a 3M Secretary II - Beta copying machine for \$1,777 on a 5-year lease-purchase plan. Administrator Schmidt recommended this equipment after a detailed comparison with two other machines. The 3M copier would produce both regular and legal size copies at 6.5c each. Since the machine can conveniently make copies on both sides of a sheet, there would be additional savings in time and

(Continued on Page 3)

Mary Panzer Easy Victor in Assembly Race

Republican Mary Panzer, 28, of Brownsville breezed to victory in last Thursday's special 53rd State Assembly election. She received 82.5 percent of the vote.

She received a total of 2,844 votes, compared to only 601 for Robert Deters, 30, of West Bend, her Democratic opponent.

Miss Panzer succeeds Republican James R. Lewis of West Bend, who was removed from office after he was convicted of lying to a grand jury in connection with the sale of a laser weapon in Guatemala. He is serving a six month term at a Federal penitentiary in Leavenworth, Kansas.

The 53rd State Assembly District includes portions of Fond du Lac, Dodge and Washington counties, including the Towns of Wayne and Barton, Cities of Mayville, Waupun and West Bend and the Villages of Oakfield, Brownsville, Lomira, Theresa and Kekoskee.

According to reports from county clerks, Miss Panzer defeated Deters in Dodge County by a margin of 1,181 votes to 137; in Washington County, 1,240 to 421; and in Fond du Lac County, 423 to 43. She also carried every ward in West Bend, totaling 1,092 votes. Deters received 390 votes in his hometown.

Miss Panzer's big victory Thursday follows a January 3 primary in which she easily defeated three opponents to win the Republican nomination. Deters was unopposed in the primary.

The 53rd District Assembly seat will be up for election again in September.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

LOOKING WEST FROM L. ROSENHEIMER'S STORE, KEWASKUM, WIS.

Forest Avenue in Kewaskum looking west from L. Rosenheimer's Store, is shown in this photo taken about 1910. There were only a few homes on the street at that time. Today the area west of the homes is completely built up. Note the one lane street and weeds. The young trees on the north side of the street have outlived their time and since been removed.

(Photo submitted by Isabelle Muckerheide)

Village Board

(Continued from Page 1)

paper.

Fluorescent lighting for the council chambers was approved at a cost of \$420 through Kettle Moraine Electric. Presently, 24-100 watt bulbs light the room and there would be considerable energy savings by installing six square fixtures.

It was agreed that parking regulations near corners and businesses surrounding Apollo's Lyre tavern would be more strictly enforced with as much patrolling done as possible in that area.

Bids on the additional sludge dewatering press will be opened at 2:00 p.m. February 25, after being advertised February 8 and 15. The sewage plant monitoring system is progressing well with the alarm system and telephone being hooked up. The renewal of the village's insurance package was received from the Gene Bohn Kettle Moraine Agency. It includes the \$5 million umbrella policy and an increase in coverage from \$150,000 to \$250,000 on two village buildings with boilers.

Marvin Martin also was granted permission to attend an Emergency Government Program in Madison on February 28 and 29 which is sponsored by

the governor. Martin is the village's Civil Disaster Director and annually attends and reports on the Governor's Conference.

Board member Carl Spoeth announced that his Park and Recreation Committee would meet on February 18 to discuss improvements to both parks in 1980 and to consider a rough draft of a park handbook which would clarify rules and regulations.

Births

ABBOTT — A son, Michael Christopher, to Clay and Patty Abbott, Campbellsport, Saturday, Feb. 2. Paternal grandparents are Mr. and Mrs. Grover Abbott of Penns Grove, New Jersey, and maternal grandparents are Mr. and Mrs. Alfred "Buddy" Holzmann, Kewaskum.

GIESE — A daughter, Bridget Leah, to Ronald and Grace Giese, 3404 Highway 28 East, Kewaskum, Monday, Jan. 28.

SCHAIRER — A son to Robert and Jean Schairer, Campbellsport, Sunday, Feb. 3.

VETTER — A daughter to Terrance and Patricia Vetter, Adell, Sunday, Feb. 3.

Sensenbrenner

Slates West Bend

Town Hall Meeting

BROOKFIELD — Ninth District Congressman Jim Sensenbrenner (R-Shorewood) will hold a "town hall" meeting for residents of the West Bend area on Saturday, February 9th, from 9:30 to 11:30 A.M. The forum will be held in the Washington County Court House, which is located at 432 E. Washington Avenue in West Bend.

The meeting, the fifty-first Sensenbrenner has held since taking office last January, will begin with an open discussion on national and state issues and problems. Sensenbrenner will respond to those related to Congress and the federal government, and area state legislators in attendance will respond to those related to state government operations.

Following the discussion, Sensenbrenner and members of his district office staff will be available to meet individually with persons having problems with federal agencies or bureaucrats, or seeking information or copies of government publications.

The public is welcome to attend.

Cub Banquet

(Continued from Page 1)

presented to the cub scouts by Cubmaster Haug.

The bear badge, bestowed after 12 activities, was presented to Lonnie Bath, Mark Kirst, Scott Kulas, Steve Ramthun and Robert Swanson.

Joe Fleury received a bear badge and a gold arrow for completing 10 additional elective activities.

The wolf badge, also representative of 12 further achievements, was presented to Bobby Castro, Doug Geidel, Mike Johann, Noel Stollenwerk, Allen Theusch and Charlie Walls.

Leader Ralph Struebing presented Webelo achievement awards (athlete, artist and craftsman pins) to Mike Kleinke, Steve Struebing, Ed Walz and Ken Weiss.

Presently, the Kewaskum cubs meet at the Peace United Church of Christ in Kewaskum. The organization is sponsored by the Kewaskum Kiwanis Club, with Roy Swanson as its representative.

Den leaders are:

Den 2 - Roman Holl; Den 3 - Virginia Miller, Martha Walz and Marilyn Haug; Den 4 - Art and Betty Fleury; Dens 6 and 7 - Nancy Kulas, Mrs. Gerald Geidel and Mrs. Ron Johann.

Bob Kirst is the overall committee chairman. On the Blue and Gold Committee are Mrs. Swanson, Mrs. Weiss and Mrs. Paul. The fund raiser is Irene Stradtman (who helped sell 1,605 pizzas this year). The awards chairman is Norman Walz. The activity chairman is Bill Kulas with Ron Johann as the assistant. The treasurer is Kathy Ramthun.

Among the highlights of the banquet was entertainment by the Kewaskum High School Barbershop Quartet. The selections of effervescent and close harmonies included "Hello, My Baby," "Abba-Dabba," and "Rainy Days and Mondays." The four high school girls also captured four cubbies, and undoubtedly embarrassed them to no end, with an actual kiss at the end of "Ma, He's Makin' Eyes at Me." They concluded with "Goodnight Cubbies" - a variation of "Goodnight Ladies." A standing ovation accompanied their departure.

The Webelo scouts conducted a closing ceremony in which a single flame was used to light alternately blue and gold candles. In addition to a closing prayer by Reverend Darrell

Joiner of the Peace Church, the entire audience joined in the cub scout promise:

1. I promise
- To do my best
- To do my duty
- To God and my country.
- To help other people, and
- To obey the Law of the Pack.

Knitting Class to

Start at MPTI Here

The MPTI Center at Kewaskum will be offering Knitting and Crocheting.

The Knitting class will start Thursday, February 14, at 7 p.m. at the high school. Speed Reading and the Checker-Cashier course will start after Easter. The Ceramics class will meet Monday evening at 6:30 p.m.

Sign-ups are being accepted for Beverage Host/Hostess or bartender class.

The Cross Country Skiing class scheduled for Sunday, February 10 has been postponed. We will take applications and schedule the class for a Sunday when weather conditions are favorable.

Naturalist From Timber Wolf Farms To Present Program at High School

Jim Rieder, a naturalist from the Timber Wolf Farms in Franklin, Wisconsin, will be presenting a program on February 14 at 6 p.m. in the Kewaskum High School Auditorium.

The hour-long program will begin with a slide presentation

introducing the animals raised on the farm and acquainting people with the work and research he is involved in. It will be followed by a movie entitled, "At the Crossroads," which is about the endangered species of North America. Afterward, Rieder will answer any questions from the audience. He will

be bringing along Cinnamon, a female timber wolf, in order to emphasize the animal's beauty. "We bring her along to break down the 'Big, bad wolf' image," he explained. "She's a symbol of what we've lost in our ecosystem and what we tend to lose."

Jim Rieder, a self-supporting naturalist, has devoted most of his life to the raising of wild animals native to this area, and is very concerned about their dwindling numbers. In addition to the preservation of endangered species, the Timber Wolf Farms Foundation is devoted to the experimental research of nutritional cataracts to which wolf puppies seem predisposed. It is hoped that information obtained from studying the wolves' diets may someday be applied to human eye cataracts.

Funds for the foundation's work come primarily from donations, lectures, and sales of greeting cards drawn by Wisconsin artist Martha Decker.

Rieder's animals have been the subjects of articles in newspapers and magazines such as "Schlitz Audubon Magazine" and "National Wildlife" (where the four-year-old wolf Ivan was featured on the cover). He was asked to critique a children's book published by Raintree Press for its accuracy in dealing with wolves, and will be publishing his own book in the near future.

The program is sponsored by the Kewaskum High School Key Club and is free to the public. The club would like to encourage people to attend what promises to be an interesting and informative evening.

Wilmer Kudek, John Kern Die

Wilmer R. Kudek, 69, of the St. Kilian area, was pronounced dead on arrival at St. Joseph's Community Hospital in West Bend on Friday, February 1.

Mr. Kudek was born April 2, 1910, in the Town of Wayne to the late Jacob and Margaret Kirsch Kudek. On April 25, 1939, he married Viola Ruplinger in St. Kilian Catholic Church in St. Kilian. He was a retired employee of Fairmont Dairy in Kewaskum, having worked there for over 30 years.

He was a member of St. Kilian Catholic Church and their Holy Name Society.

Survivors include his wife; four children, Robert (Verna), Dan (Joy), Mrs. Christine (Edward) Bergseth, all of West Bend, and Mrs. Jeanette (Robert) Thelen of Campbellsport and his father-in-law, Kilian Ruplinger of Lomira; six grandchildren; two brothers, Raymond of Kewaskum and Clemence of West Bend; other relatives and friends. Three brothers preceded him in death.

Visitation at Miller's Funeral Home, Kewaskum, was after 3 p.m. Sunday, with rosary vigil at 8 p.m. Sunday evening. Services were held Monday at 10 a.m. at the funeral home and at 10:30 a.m. at St. Kilian Catholic Church in St. Kilian, with Fr. Joseph McDonald officiating. Burial was in the church cemetery.

JOHN A. KERN

John A. Kern, 96, a retired farmer from the Town of Barton and a resident of West Bend, passed away Saturday, February 2, at the Samaritan Home in West Bend where he had been a resident for 2½ years.

Mr. Kern was born on August 11, 1883, in the Town of Wayne to the late Joseph and Kathrin Smasal Kern. On September 4, 1917, he married Rose Gitter at St. Kilian. She passed away September 30, 1969.

Survivors include one son, Ralph (Cordell) of Kewaskum; one daughter, Mrs. Verna (Al) Felix of West Bend; two grandchildren, Robert (Jan) Kern of Lake Orion, Michigan, and Joanne (Dr. Thomas) Gobel of Fort Atkinson; eight great-grandchildren; one brother, Joseph, of St. Kilian; six sisters, Mrs. Clara Kohler, Miss Eleanor Kern, both of Kewaskum, Mrs. Mary Reuter, Mrs. Olive

Schmidtbauer, both of Milwaukee, Mrs. Bertha Strobel of Plymouth and Mrs. Alice (Reuben) Schukhardt of Orlando, Florida; other relatives and friends.

Mr. Kern was a member of St. Mary's Catholic Church in West Bend for many years.

Visitation at Miller's Funeral Home in Kewaskum was after 3 p.m. Tuesday. Services were held Tuesday evening at 7:20 p.m. at the funeral home and 8 p.m. at St. Mary's Catholic Church in West Bend, with Father Richard Robinson officiating. Burial was in the church cemetery.

CRYSTAL A. OLSON

Crystal A. Olson, nee Rowland, 61, of 510 Decker Drive, West Bend, died Friday, February 1, at St. Joseph's Community Hospital, West Bend.

She was born December 28, 1918, in Iola, Wisconsin, and married Edwin Olson in Thoma on June 28, 1941.

Survivors include her husband; three daughters, Joanne (Roy) Matthews of Racine, Patricia Ann (Richard) Breit of Kewaskum and Mary (Lawrence) Polzean of West Bend; four grandchildren; two sisters, Mrs. Beatrice Hansen of Appleton and Viola (Frederick) Lutz of California; three brothers, Edwin (Ann) of Wauwatosa, Russell (Julia) of Chicago and Leon of Waukesha; three brothers-in-law, Lynas (Hannah) Olson of Mauston, Fred (Tillie) Olson of Elroy; one sister-in-law, Mrs. Wilma Olson of West Bend, and other relatives and friends.

After their marriage they lived in Elroy and also in Thomas. They came to West Bend in 1964.

She was employed as a nurse's aide at the Samaritan Home, West Bend.

Funeral services were Monday at 2 p.m. at Our Savior's Lutheran Church, West Bend. Pastor Steve Engelstad officiated and burial was in Washington County Memorial Park.

Visitation at the Techtman-Myrhum Funeral Home, West Bend, was Sunday after 4 p.m. and at the church on Monday from noon until the time of services.

Give a gift subscription to the Statesman.

LEONA WAGNER

Miss Leona Wagner, 75, of 314 Mill St., Campbellsport, died Wednesday morning, Jan. 30, 1980, at St. Agnes Hospital.

She was born April 19, 1904, at Ashford, daughter of the late Charles and Mary Leisses Wagner. She was formerly employed by Stella Cheese Co. at Campbellsport.

Miss Wagner was a member of St. Matthew's Catholic Church at Campbellsport, Christian Mothers, Altar Society and Mission Sewing Circle.

Surviving are three sisters, Miss Anna Wagner of Campbellsport, Sister Wilfrieda, CSA of St. Clara Hospital, Monroe, and Sister Barbara Ann CSA of Hudson. A sister preceded her in death.

Funeral services were held at 10:30 a.m. Saturday at Twohig Funeral Home, Campbellsport, and at 11 a.m. at St. Matthew's Church, Campbellsport. The Rev. Victor Kemmer officiated and burial was in St. Martin's Cemetery, Ashford.

Friends of Miss Wagner called after 4 p.m. Friday at the funeral home.

DONALD HEFTER

Donald P. Hefter, 55, of Route 1, Kiel, died Monday, Feb. 4, from injuries sustained in an automobile accident near St. Nazianz in Manitowoc County. A native of Allenton, he was the brother of John Hefter of Kewaskum.

The funeral Mass was Thursday at 11 a.m. at St. Mary's Catholic Church, Cascade, Rev. Carl Wahlen officiating. Burial was in St. Mary's Cemetery, Cascade. Visitation at the Wittkopp Funeral Home, Plymouth, was after 4 p.m. Wednesday.

CONGRESSMAN PETRI TO VISIT CAMPBELLSPORT

Congressman Tom Petri will be in Wisconsin for the Lincoln-Washington District Work Period the week of February 10-18. His schedule includes door-to-door constituent contacts in Montello, Princeton, Ripon and New Lisbon, service

club appearances, plant tours and school visits.

He will be in Campbellsport Tuesday, February 12. From 8:45-9:45 a.m. he will speak to seniors at Campbellsport High School followed by remarks and questions and answers. From 9:45-10:45 a.m. he will be on Main Street in Campbellsport.

Now there's no limit on how much you can feed your tax-deferred investment kitty.

The Valley Banks announce a new, no-limits tax-deferred annuity for people like you.

The more successful you are in life, the sooner you'll encounter arbitrary limits on your tax-sheltered investments.

Now Valley Banks have a way to take off the limits. The Private Fund™

You can put as much money into it as you want without losing tax-deferral advantages. You can use it over and above any authorized and regulated retirement program.

Working with Wisconsin Employers Insurance Company, the Valley Banks designed The Private Fund™ for people like you. Besides the attractive tax advantages, it serves as sound collateral, avoids probate, guarantees high return and lets you dictate the payout to fit your needs when the time comes.

Call us at 626-2171 for more information about The Private Fund™

BLOCK PARENT

Chief Kewaskum

Jr. Women Block Parent Program

The Kewaskum Junior Woman's Club is again sponsoring the block parent program which is designed to give refuge in case of emergency to any person in trouble. It is designed especially for grade schoolers on their way to and from school. The program will also be in effect during the summer months.

The block parent will display a bright green and white picture of "Chief Kewaskum" (as shown above) in their window. Every street within the village

limits should have a block parent.

The club urges all parents to inform their children to seek shelter in case of injury or if a stranger approaches, etc., at homes displaying "Chief Kewaskum."

Block parents are always needed where the safety of your children is concerned. If interested in participating, please call Mrs. Jeanne Goeden at 334-9549 or Mrs. Phyllis Schmidt at 626-4656.

Area Residents Named Associate County Leaders for Catholic Stewardship Appeal

The following area residents have been named as associate county leaders, Washington County, for the 1980 Catholic Stewardship Appeal: James A. Spella, 1129 Timberline, West Bend; Robert Kirst, 333 Main Street, Kewaskum; Jerome Krantz, Allenton; Erwin J. Benka, 740 Fairview Drive, Hartford.

They were named to their positions by Leo F. Schlaefer, Washington County District leader.

Each associate leader is responsible for contracting and working with several parishes in the county. They keep in touch with pastors and parish leaders and are a direct link between their assigned parishes and the

county leader.

This year's appeal will seek \$4,200,000 during the campaign, which will take place from February 24 to April 1 in the ten counties of the Milwaukee Archdiocese.

Junior Jargon

The February 14 Kewaskum Junior Woman's Club meeting will be a pot luck supper at Holy Trinity Church basement with husbands or boyfriends as special guests. The evening starts at 7:00 p.m. with dinner at 7:30 p.m. Gary Cross will furnish entertainment while members and guests are eating.

A board of director's meeting was held at President Mary Gutjahr's home on Thursday,

Friday, Feb. 8, 1980

January 31. Board members recommended to donate \$75 to the Kewaskum Police Department toward the purchase of the film "Bikes are Beautiful" or a similar film on safety. \$25 will also be donated to the Citizens Advocacy Program of Washington County.

Committee chairmen reported upcoming events. The Arts committee is sponsoring a creative writing contest in March. The Home Life committee will be making booties for new mothers at St. Joseph's Hospital on Mother's Day. The Ways and Means committee announced the Easter Bunny lunch will be on March 29 and a bake sale and quilt raffle will be held May 3. The club will be re-ordering more cookbooks "Kewaskum Kettles" due to the great success in sales of the books.

LETTERS TO THE EDITOR

Dear Editor,

Please print this in your "from the people" column. After reading the news article, "Village Board Denies Beer License," January 25 edition, I must make a comment:

If the village board has the right to decide what grocery store owners have a right to sell in their stores, then please, "be consistent" and regulate whatever Taverns, Liquor Stores, Service Stations, Laundromats, and all other business places sell. Milk, cheese, summer sausage, herring, horseradish, eggs, all snack foods, and candy are supermarket items.

As for teenagers getting beer: Which one of your limited number of outlets is selling it to them now? Not the grocery stores!

Here's to progress and free enterprise, moving right along in the Village of Kewaskum. Controlled by the Village Board members, of course.

**Cedar Lake Home
Koehl Auxiliary
Reviews Year**

The William Koehl Working Auxiliary of the Cedar Lake Home Campus held their quarterly meeting at the campus' Learning Center, Wednesday, January 16.

Projects from the past year were reviewed. Among the activities sponsored by the Auxiliary are the resident Christmas party, writing Christmas cards for the residents to send, the Benefit Ball and the picnic for residents. The Auxiliary also provides assistance at the Fall Festival, campus activities, providing transportation, sewing, receptionist, visiting and many, many other countless hours of other volunteer services. Over 8,100 hours of volunteer time were given by Auxiliary members this past year.

Auxiliary members will be helping at the resident Cook's Club Chili Social February 6 which will be held in Fellowship House from 2-4 p.m. for the public.

Volunteers are needed for leading resident discussion groups. Interested men and women should contact the Coordinator of Volunteers at the Cedar Lake Home Campus.

The next meeting of the Auxiliary will be April 16.

Hephner Co-Authors Bill Making Battery To Elderly and Disabled a Felony

(MADISON) — "Would-be muggers and assailants should think twice before attacking an elderly or disabled person in Wisconsin," warned State Representative Gervase Hephner (D-Chilton). "because these actions could now result in a prison sentence of up to two years."

Representative Hephner was the co-author of a bill adopted in the Assembly last week which makes it a felony, rather than a misdemeanor, to commit battery to a person over the age of 62 or to a person who is visibly disabled. The bill, adopted as part of the Legislature's extraordinary session on crime, increases the maximum prison sentence for battery to these persons from 9 months to two years. The maximum fine is retained at \$10,000.

"Battery to persons who are

unable to defend themselves is to me one of the most deplorable crimes that can be imagined," Hephner declared. "For that reason, I am pleased that the Legislature has finally decided to get tough with persons who take advantage of elderly or disabled persons."

Hephner also expressed approval of a provision added to the bill making battery to peace officers and firefighters a Class D felony. This change has the effect of increasing the maximum prison sentence from two to five years.

"These public servants are already subjected to considerable risk while working for our protection. Therefore, we should do everything possible to discourage persons who would attempt to make their jobs even more hazardous and difficult," Hephner stressed.

Post Office Using Susan B. Anthony Dollar

The Kewaskum Post Office is using the new Susan B. Anthony dollar coin when window clerks are making change, Postmaster Frank Beesten announced recently.

Nationally, the Postal Service is supporting the efforts of the Treasury Department, the postmaster said, because "widespread use of these dollar coins could be of great benefit to both our window clerks as well as our customers. They are easier to handle at the counter, and they can be mechanically sorted and counted."

"We will use the dollar coin in making change, unless a customer prefers not to accept them," the postmaster said.

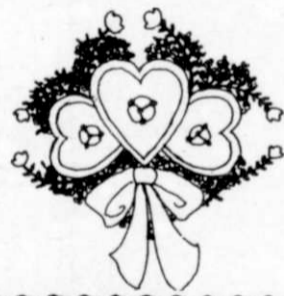

The Susan B. Anthony dollar coin, introduced last July, was designed to be convenient and easy to handle in cash transactions. Over 600 million of the

new dollars were produced in Fiscal Year 1979 by the Bureau of the Mint. Approximately 300 million have been released to Federal Reserve banks for distribution to commercial banks.

Women Voters Plan Meeting, Social

The League of Women Voters of the United States will observe the 60th anniversary of its founding this February. To commemorate this occasion, the Washington County chapter of the league will hold a social after their February 11 meeting, which will be held at the West Bend Library at 7:30 p.m.

The program for this February meeting will include an outline of Wisconsin taxes and a discussion of the philosophy of taxes in general. This study meeting is one step in the process that League members participate in before any lobbying effort is undertaken in League's name. The taxes study committee, comprised of Sherlyn Stiewe, Jackie Hansen and Sandy Eisenbert, are promising to deliver an exciting program. The public is welcome to attend.

Brownie Troop Tours Jail

Twenty-four little girls from Brownie Troop No. 186 in Farmington had quite an experience. They went on a tour of the Washington County Jail.

They saw the recreation area, which is where meals are eaten and free time is spent either watching television or playing cards. They also toured the library, the exercise room, and

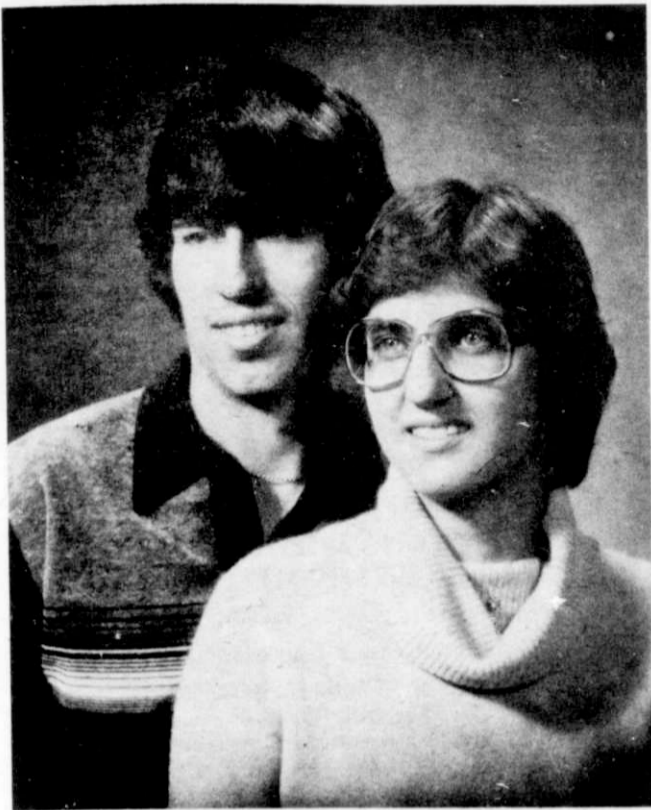

the main control room. They saw the area where the Huber prisoners stay, and to conclude their tour, they were able to experience actually being in a cell.

The tour was a wonderful learning experience that the girls are likely to remember for a long time.

Justman - Hanson

Mr. and Mrs. Harry Justman, Route 2, Kewaskum, are happy to announce the engagement of their daughter, Dawn, to Gary Hanson, son of Mr. and Mrs. James Hanson, Route 1, Sheboygan Falls.

A 1978 graduate of Kewaskum High School, the future

bride is employed at Shopko, West Bend.

Her fiance, a 1978 graduate of Plymouth High School, is with the Kohler Company, Kohler.

An October 4 wedding is planned by the couple.

Dei - Guelig

Mr. and Mrs. Byron Dei, Route 3, Kewaskum are happy to announce the engagement of their daughter, Linda, to Stephen H. Guelig, son of Mr. and Mrs. Harold Guelig, Route 1, Glenbeulah.

The bride-elect is a 1977 graduate of Kewaskum High

School and is presently employed by Orthopaedic Associates of West Bend, S.C.

Steve is a 1977 graduate of Campbellsport High School and is working for Schmitz Mason Contractor.

An October 18, 1980 wedding is being planned by the couple.

New Emphasis and Methods for 4-H In Coming Decade

By Robert A. Stodola
4-H and Youth Agent

Families, health and wellness, communities, and the environment, will be the major areas of Wisconsin 4-H involvement in the decade ahead.

In the 1980s, 4-H will be providing opportunities for families to interact with each other and with their communities, and for youth to grow and stay well while learning about man's interdependency with nature.

The '80s will be a time of re-evaluation of 4-H events and activities to see if they benefit people or are perpetuated regardless of effectiveness. A project which focuses on identification of tree leaves might be expanded to emphasize the tree's overall importance to man and man's importance to trees, for example.

Demonstration projects provide another good example.

Demonstrations started out as a method for youth to come to a clearer understanding of what they were learning. But at some time, someone started comparing one demonstrator with another, and contests were introduced. Then the emphasis passed to winning the demonstration contest rather than using demonstrations simply to aid learning.

4-H has always tried to help youth respond to the cycles of change in society. Its programs have been successful because they too have been responsive to change, growing out of family and club concerns and not from those developed in state and national offices.

That's why today's 4-H is not only an organization of farm youth, but of urban youth as well. Its leaders are not only parents and farm professionals, but also people who may not have children themselves, yet have interest and expertise in an area and want to pass what they know and love to others. More and more, 4-H will be appealing to retirees, the elderly and childless couples to take

part.

There will also be a new emphasis on increasing understanding of food production, relating to animals and appreciating the environment among urban and suburban youth, as well as on helping rural people understand urban society.

The theme of Wisconsin 4-H in the 80's will be "People Growing Together."

Gas Saving Tips

Conserving fuel, and avoiding wasting gasoline is a goal of the Wisconsin Division of Tourism. Here's a driver's tip from Donald Woodruff, Executive Director of the agency, to help you save gas, energy and money.

The smoother your driving pattern, the better your fuel economy. The key work in anticipate.

Keep an eye on traffic at least two cars ahead and avoid stop-and-go gas-wasting situations.

Learn to judge stoplight durations. A red light ahead of you will probably turn to green before you stop if you slow down gradually and pace your movement on city streets.

If you're at a stoplight and plan to turn right, don't waste gas by sitting at the light. Go ahead and turn if traffic is clear. Right turn on red is legal in Wisconsin.

Unnecessary braking and stopping means more acceleration and more gas burned to get back to speed. Each time you double your rate of acceleration, you use twice the amount of gas than if you cruised at a steady speed.

Any car momentum you can conserve is better than none. It takes up to six times as much gas to move a car from a dead stop than it does if it is moving just a few miles per hour.

ASCS Loan

Levels Increased

National average loan rates for 1979 were increased from \$2.35 to \$2.50 per bushel for wheat, and from \$2.00 to \$2.10 per bushel for corn.

The county loan rate is \$2.13 per bushel for corn.

Ira A. Oelhafen, Chairperson of the Washington County Agricultural Stabilization and Conservation (ASC) committee, says the higher support prices will give farmers additional interim financing, and will automatically raise the release and call levels for wheat and corn in the Grain Reserve.

Corn will now be released from the reserve when national average market prices reach \$2.63 a bushel. Wheat placed in the reserve by January 7 will be released at \$3.50 a bushel and wheat entered in the reserve after January 7 will be released when the market price is \$3.75 a bushel.

Ira says loan prices and reserve levels for barley, sorghum, oats and rye were increased comparable to corn.

25 Years Ago

February 11, 1955

At the village board's regular monthly meeting Monday evening, final approval was made of the appointment of Patrolman Roland Pledl, veteran member of the Milwaukee police force, as chief of police at Kewaskum. He will take over the position on Tuesday, March 1.

A special dinner at Schultz Village Inn, Kewaskum, will be held on February 13. The menu will include a duck dinner for \$1.15 or a broiled sirloin steak for \$1.00.

Something new in the form of sport and amusement will be offered by the Kettle Moraine Sportsmen's Association of Kewaskum on February 19, when the group will sponsor a carp spearing "jamboree." It will take place on the Milwaukee River near the northeast village limits where the river turns at "Kaas bend." Slits are cut in the ice, the carp are driven toward the openings by pounding on the ice with heavy instruments and the spearsmen there do the rest.

A daughter was born to Mr. and Mrs. Ronald Krempasky, Route 1, Kewaskum on February 5.

Street in West Bend on February 4. The estimated loss to the building of the Amity Products Company is about \$40,000, covered by insurance, the loss to furnishings, equipment and stock of the building is about \$100,000. The damage to the second floor occupied by Dr. A. W. Albrecht's dental office approximately is \$1,500. Desks, furniture, and all equipment in the other offices on the second floor, owned by P. J. Witteman Insurance Agency, Reimer's Industrial Electric Service, Atty. John A. Cannon, Atty. F. W. Bucklin, Washington County Abstract Co., John B. Pick, Edwin Pick, and the Hayden Insurance Agency are damaged and the loss will reach several thousand dollars.

Beginning next week, the publication day of the Statesman, will be Friday instead of Saturday which has been the publication day of the paper since its organization 35 years ago.

Mr. and Mrs. Oscar Kirchner, Kewaskum had their infant daughter christened by Rev. Gerhard Kaniess on February 2. The little Miss received the name La Verne Marlys.

A baby girl was born to Mr. and Mrs. Harvey Kippenhan, Kewaskum, on February 2.

75 Years Ago

February 11, 1905

The pump at the railroad water tank is kept running day and night now to keep up a supply of water. Most all engines take water here now since the supply at West Bend is frozen up.

The marriage of William Backhaus, son of Mr. and Mrs. Fred Backhaus Sr., and Miss Lizzie Schaefer, daughter of Mr. and Mrs. Chris Schaefer Jr., will take place on February 22.

A marriage license has been issued by the county clerk to Franz Ramel of Auburn and Miss Clara Moldenhauer of Kewaskum.

R. S. Demerest last week sold his cheese factory, located about three miles north of here, to a Chicago firm for \$600.

A baby boy was born to Mr. and Mrs. Frank Gudex of Kewaskum on February 5.

A baby girl has made her appearance at the home of Mr. and Mrs. Rady of Boltonville.

Mr. and Mrs. James Gill of Beechwood are rejoicing over the advent of a new son.

AVOID FAMILY CONFLICT OVER INHERITANCE

Families may want to discuss the provisions of a will at the time it's drawn or revised. This helps potential beneficiaries understand your considerations of fairness and equity and may save families from bitter, long-lasting resentments.

Adult children's perceptions of a fair or equal division of property can differ greatly, according to recent research. Disputes over what "should have been" can cause hard feelings that are never resolved. One case found was still "emotionally charged over an inheritance that took place 30 years ago."

Since it's not the intention of most parents to pit their children against one another, they may want to share their objectives and the intentions of the will with their potential heirs. Relatives need to understand that the will isn't arbitrary but is based on an evaluation of many factors.

A child who farmed with his

or her parents for many years may, in fairness, be entitled to a greater share of the land and machinery. A child who cared for an aging parent may also be deserving of an extra portion. A child who was supported through college when others were not may receive a small inheritance.

In addition, the person making the will may see other circumstances as important. The special need of the inheritors may be taken into account so that those with more children of greater needs may be given more. Families may

Kewaskum Statesman, Friday, Feb. 8, 1980, Page 11

have differing philosophies in what they want to achieve in distributing their assets. Other parents may see fit to reward the more diligent or traditionally successful child.

Other resentments arise from families of remarried people. Among children, step-children, and the second spouse, the question of who needs or deserves a greater share can

create conflict.

These "reasons" for making a will a certain way need to be related to potential heirs in order to make clear the intent of the will. This can create an awareness and understanding of differing points of view regarding what is intended and perhaps head off a family feud after the death of a parent.

from Tom
Leitzke, R.P.H.

Most over-the-counter drugs are useful if they are used properly. A cold remedy won't cure a cold, but it can relieve the symptoms. An antacid can ease a stomach ache from too much eating or drinking. But if overdosed, some OTC's can become dangerous. Also, some drugs can interact with others in the body to produce undesirable effects. Some can cause unwanted side effects. Some persons are allergic to certain drugs.

When you select nonprescription drugs, consult your pharmacist. He's a trained expert in drug use.

The Stakes of Afghanistan

Since the Soviet Union invaded Afghanistan, I have heard many questions as to why the U.S. should be concerned with the takeover of that Moslem nation. The answers are many, but they are also clear.

First, the invasion itself is a blatant act of aggression intended to expand Communist influence around the world. Such acts must be met firmly, or the Soviet Union will only be encouraged to try them elsewhere.

Second, Afghanistan is strategically located and, thus, presents serious security concerns for the U.S. The takeover extends Soviet control closer to the Persian Gulf, through which much of the free world's oil flows. The potential for Soviet control of that oil must be regarded as a serious threat to world peace and security, both economic and social. That's why President Carter has correctly asserted that the best interests of the U.S. lie in keeping the Persian Gulf area secure from Soviet control.

Third, the Moslem nations in that area also regard the invasion as another form of religious persecution. Moslem countries have been more resistant to Soviet attempts at internal overthrow, many claim because of the role the Moslem faith plays in the government and society as a whole of these nations. Thus, these states have become bigger targets for outright Soviet aggression, since this technique may be the only one the Soviets may see as successful for them to take them over.

The Soviet Union has been guilty of religious persecution and discrimination in the past, especially in the case of the Jewish people. If the Afghan invasion does entail any religious prejudice, that is one more reason it ought to be repelled.

The U.S. has responded to the situation in a number of

ways — embargos on the export of grain and technology to the Soviet Union, a possible boycott of the Moscow Olympics, Congressional proposals for increased defense spending to improve our military capability to counter armed attacks in the Persian Gulf area, and agreements with some of those nations to house U.S. military bases.

These responses are appropriate, and are the least we can do to counter the Soviet invasion and make sure it is not repeated elsewhere.

ASC Committee of County Announces Program for 1980

The 1980 ACP (Agricultural Conservation Program) is being announced by the Washington County ASC Committee according to Ira A. Oelhafen, Committee Chairperson. The initial sign-up will begin immediately and run thru February 15, 1980. Requests for cost-sharing received thru the initial sign-up will be considered for tentative approvals based on the priority of the request.

An on-going sign-up will continue after February 15, 1980 with the consideration of requests limited to the availability of funds. With a limited allocation, farmers should file a request early.

The objective is to encourage farmers to install sound conservation practices to prevent soil erosion, water pollution and sediment problems. High priority practices include permanent vegetative cover, stripcropping, diversions, minimum tillage, sod waterways, animal waste control measures and forestry.

Cost-sharing ranges from 50 per cent to 75 per cent of the cost the farmer bears. Details are available on all practices at the local ASCS office.

Knights of Columbus Approve \$63,475 for Children Programs

The Wisconsin State Council, Knights of Columbus, have approved for dispersal a total of \$63,475.00 in grants for exceptional children programs since October, 1979. The funds will aid a number of programs throughout the state that assist these children.

Charles Emery, Executive Secretary of the over-40,000 member state Catholic organization, said although the funds were realized from the 1979 Tootsie Roll campaign conducted by the Knights of Columbus, another \$140,000.00 was distributed by the 217 local councils in their respective communities. This year's Tootsie Roll drive will be held April 25, 26 and 27.

Some of the state recipients of the funds include the Wisconsin Association for Mentally Retarded Citizens (WARC), Middleton (for promotion of the new Knights of Columbus film on mental retardation, "Everyday People"); Wisconsin Badger Camp, Inc., Platteville; Fr. John Endejan's CYO Camp, Milwaukee; Wisconsin Special Olympics, Madison; St. Coletta School, Jefferson; plus 12 scholarship grants. In addition, the funds will also assist in the operation of workshops for mentally retarded throughout the state, plus special programs at Cardinal Stritch College, Milwaukee; University of Wisconsin-Parkside, Kenosha; and University of Wisconsin-Oshkosh.

ELECTION NOTICE VOTING BY ABSENTEE BALLOT

County of Washington)
State of Wisconsin) ss.

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage prepaid return envelope or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the day before the election if applying in person, or 5:00 p.m. on the Friday before the election if applying by mail.

Absentee ballots can be marked at home anytime after they arrive in the mail. They can also be marked right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before the election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

GEORGE F. NEHRBASS
County Clerk
Washington County

Fresh, unpeeled peaches supply 40 percent fewer calories than apples, almost twice as much vitamin C, and a far greater amount of vitamin A.

FACSIMILE BALLOT NOTICE OF SPRING PRIMARY ELECTION FEBRUARY 19, 1980

OFFICE OF COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a Spring Primary Election to be held in the several wards in the County of Washington, on the 19th day of February, 1980, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where paper ballots are used, the initials of two ballot clerks must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot. An election official may inform the elector of the proper manner for casting a ballot, but the official shall not in any manner advise or indicate for whom to vote.

At a nonpartisan primary, the elector shall place a cross or other mark in the square at the right of or depress the button or lever next to the candidate's name for whom he or she intends to vote, or insert or write in the name of his or her choice for a candidate.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two ballot clerks or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed indorsements and ballot clerks' initials on the outside do show. After casting his or her ballot, the elector shall leave the machine or booth, and where paper ballots are used, give his or her name to the inspector in charge of the ballot box, hand the inspector his or her folded ballot to be placed in the ballot box, and shall leave the polling place promptly.

An elector may be assisted by 2 election officials of different political parties in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to physical disability is unable to cast his or her ballot. Alternatively, an elector making such declaration may have another elector of the county assist in marking the ballot or operating a voting machine. The presiding official may administer an oath to a person making such declaration.

The following is a facsimile of the official ballot:

SAMPLE OFFICIAL PRIMARY BALLOT FOR JUDICIAL ELECTION

NOTICE TO ELECTORS: THIS BALLOT IS INVALID UNLESS INITIALED BY TWO (2) ELECTION OFFICIALS SERVING AS BALLOT CLERKS. IF CAST AS AN ABSENTEE BALLOT, THE BALLOT MUST BEAR THE INITIALS OF THE MUNICIPAL CLERK.

Mark with a cross (X) in the square at the right of the name of the candidate for whom you desire to vote, or write any name that you wish to vote for in the proper place.

STATE SUPREME COURT

For Justice of the Supreme Court

Vote for One

- Louis J. Ceci, A Nonpartisan Judiciary
- P. Charles Jones, A Nonpartisan Judiciary
- Donald W. Steinmetz, A Nonpartisan Judiciary

NOTICE OF LETTING DUMP TRUCKS

Wash. County Highway Commission
620 East Washington St.
West Bend, Wisconsin

Bids Close at 10:00 A.M., Thursday, February 28, 1980.

The Washington County Highway Commission will meet at the Highway Commissioner's office at the County Shop in the City of West Bend, Wis. on Thursday, February 28, 1980 at 10:00 A.M. for the purpose of receiving bids on the following equipment:

2 - Conventional Type Dump Trucks of 10,000 lbs. minimum G.V.W. capacity, equipped with gasoline power plants

All bids must be on proposal forms prepared by the Highway Commission and must be submitted by 10:00 A.M., Thursday, February 28, 1980 at which time they will be opened. Bids received which are not on the proposal forms prepared by the Department will be rejected by the Commission.

Specifications, Special Provisions, Bidding Procedure and Proposal Forms for the above equipment may be obtained at the Highway Commissioner's office at the County Highway Shop, West Bend, Wis. upon request.

The Washington County Highway Committee reserves the right to reject any or all bids and to accept such bid or bids as will in their opinion be most advantageous to Washington County.

By order of the Washington County Highway Commission.

Frank Scharrer, Highway Commissioner
WASHINGTON COUNTY HIGHWAY COMMISSION

Our most sincere thanks to all our relatives and friends for their kindness during the time of illness and after the death of our dear father, father-in-law, grandfather and great-grandfather, JOHN KERN. Special thanks to Father Robinson, Father Key, organist, choir, servers, pallbearers, donors of floral and spiritual offerings, Dr. Bush, nurses, and personnel at Samaritan, traffic officers, custodian, sexton, Miller's Funeral Home, all who showed their respect and all who helped us in any way.

Mr. and Mrs. Ralph Kern
and Family
Mr. and Mrs. Al Felix
and Family

CARD OF THANKS

Our most sincere thanks to all our relatives and friends for their kindness shown us during our recent bereavement, the sudden death of our dear husband, father, father-in-law and grandfather, WILMER KUDEK. Special thanks to Fr. Etzel, organist, choir, servers, pallbearers, donors of floral and spiritual offerings, Kewaskum rescue squad members, officers, donors of food and Campbell's Catering Service, Miller's Funeral Home, sexton, custodian, all who showed their respect and all who helped us in any way.

Mrs. Wilmer Kudek
and Family

Advertisement

Sealed proposals will be received by the Village Board of the Village of Kewaskum, Washington County, Wisconsin and be publicly opened and read aloud at 2:00 P.M., Central Daylight Savings Time, February 25, 1980 in the Village Hall.

Bids can be mailed to:

Mr. William Martin
Village Clerk
Kewaskum, Wisconsin

The work for which proposals are invited includes:

Contract "SS" - Wastewater Treatment Plant Equipment

The Contract Documents, consisting of Advertisement for Bids, Information for Bidders, Bid Bond, Agreement, General Conditions, Supplemental General Conditions, Payment Bond, Performance Bond, Notice of Award, Notice to Proceed, Change Order, Drawings, Specifications, and Addenda may be examined at the following location:

FOTH & VAN DYKE and Associates, Inc., 2737 South Ridge Road, Green Bay, Wisconsin 54303.

Bid proposals must be based on State of Wisconsin wage scales which are included with the Contract Documents.

This procurement will be subject to regulations contained in NR 128.14, 128.15, and 128.16 Wisconsin Administrative Code and appropriate state statutes.

All proposals must be made upon blank forms furnished by the Owner and in accordance with "General Information for Bidders." Plans, specifications and contract documents may be obtained from Foth & Van Dyke and Associates, Inc., Consulting Engineers, 2737 South Ridge Road, P.O. Box 3000, Green Bay, Wisconsin, 54303 upon deposit of \$10.00 for each set. Requests for documents to be mailed should be accompanied by 2 separate checks, one for the required deposit and one for \$3.00 to cover the cost of handling and postage charges. Plans and specifications will be available.

The deposit will be refunded to each Contractor who has bid or who has returned the plans and specs in good condition within 10 days after opening of bids.

Each proposal must be accompanied by a bid bond, certified check or cash deposit equivalent to 5% of the maximum proposal, said sum to guarantee that, if the proposal is accepted, a contract will be entered into and its performance properly secured.

The successful bidder will be required to enter into a written contract with the Owner and to furnish a performance bond for the full amount of the contract price. The Owner reserves the right to reject any or all bids, waive or not waive any informalities in the bids received, and to accept any proposal which they deem most favorable to the interests of the Village.

The letting of the work described herein is subject to the provisions of Sections 66.29, 66.293, and 289.16 of the Wisconsin Statutes.

In connection with the performance of work under any of these contracts, the contractor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in s.51.434(1) Wis. Stats., or national origin. The provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation, and selection for training, including apprenticeship. The contractor further agrees to take affirmative action to ensure equal employment opportunities for persons with disabilities. The contractor agrees to post in conspicuous places, available for employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause.

Dated this 1st day of February, 1980.

William Martin,
Village Clerk

SCHOOL MENUS

To make reservations, call 626-2420 on Mondays, Tuesdays, and Thursdays. On Wednesdays and Fridays call 338-4493. For reservations, call one day in advance before 3 p.m.

puts spring's enrollment at 523. The previous high for second semester was 522 in 1976.

Last spring enrollment was 494. "Both semester's registration this year have been record highs," said Baldwin. "Not only that, our full-time equivalency is also considerably higher. That means more students are coming here full time, and part-time students are taking more credits."

Baldwin also observed that the average student age is going up. "Increasing numbers of people are returning to school. Women have been coming back in increasing numbers for some time, but now we're seeing more mid-year graduates, re-entry students, transfers from bigger campuses and students entering who had been working for a while and have decided that a college education is going to be helpful professionally after all."

Campus Notes

Bonnie A. Schmidt, a junior majoring in health, physical education and recreation, whose home address is 5020 Hwy. 28, Kewaskum, has been named to the Dean's List of the University of Wisconsin-La Crosse for the first semester of the 1979-80 academic year. Qualification for the Dean's List is based on outstanding academic achievement.

♦♦♦♦

An area student is among college of Agricultural and Life Sciences students recognized for outstanding scholastic performance during the past semester at the University of Wisconsin-Madison. Only full-time students with "B" or better are eligible for recognition on the "Dean's List."

The student is: Scott Michael Wulff, 5930 Butternut Drive, Kewaskum, Agricultural Business Management.

Scientists say kissing started because of a craving for salt. They say a caveman discovered he could cool off on a hot day by licking his neighbor's cheek. Then he found it was more fun if his neighbor were female. Then he forgot all about salt.

UWWC Spring

Registration

Hits Record High

Registration for the spring semester has hit an all time high in UWWC's eleven and a half year history. At this point, the margin of difference is just one student, but the final tally is expected to climb a little more.

Matmen Beat Random Lake, Germantown

The Kewaskum wrestlers upped their winning streak to four in a row with two close victories last week and are winding up their dual season in fine fashion.

Tuesday night they won over Random Lake, 31-23, in which they posted one pin and five decisions. Again it was the seniors who led the way as all five of them won.

Mike Pettit scored the only pin at 167 lbs. With Kewaskum ahead 19-17 (and a forfeit for each team at 185 and unlimited) the outcome depended on who would win between Pettit and Jim Hanse. Pettit went ahead 9-4 and then scored a pin in 5:06. He brought his record to 14-4.

Steve Beck again came through at 145 lbs. after an injury. He shut out Bob Barth 14-0 for a superior decision. At 98 lbs. Scott Klein gained another victory, 10-2, to raise his record to 15-2.

KEWASKUM 31, RANDOM LAKE 23

98 — Scott Klein K dec. Randy Palmer 10-2
105 — Al Huiras RL pinned Tony Strigenz 3:59
112 — Don Goeden K dec. Tim Weeks 10-4
119 — Dick Theis RL dec. Wayne Boudreau 5-0
126 — Ron Theis RL pinned Dave Goeden 3:36
132 — Jeff Gundrum K dec. Jeff Arndt 8-0
138 — Chuck Weyker RL dec. Bob Bastian 4-2
145 — Steve Beck K dec. Bob Both 14-0
155 — Vance Reif K dec. Chris Janik 4-1
167 — Mike Pettit K pinned Jim Hansen 5:06
185 — Andy Strigenz K by forfeit
Unl. Ron Schuessler RL by forfeit (Schuessler, who qualified for the State Meet last year is now 17-2 this year)

JV KEWASKUM 32, RANDOM LAKE 18

98 — Howie Theis RL pinned Russ Katzenberger 3:35
105 — Dan Wiesehuegel RL dec. Ryan Eckert 3-1
112 — Dave Jones K dec. Jim Arndt 10-2
119 — Matt Staehler K by forfeit
126 — Archie Koput RL dec. Mark Durian 7-6
132 — Paul Weyker RL dec. Doug Ritchie 8-3
138 — Stuart K dec. Kevin Schroeder 12-2
145 — Chris Brahm RL dec. Mike Sekeres 8-6
155 — Rick Stefanovic K by forfeit
185 — Scott Durian K by forfeit
Unl. Jon David K by forfeit

Thursday night the Indians and Germantown hooked up in a real exciting match with Kewaskum winning by a narrow 26-25 margin.

Both teams won six matches but the Indians had the advantage in the pin column, two to one, plus Don Goeden avoided being pinned in the final bout. The Indians were ahead, 26-21, going into Goeden's match, so his opponent has to win on a pin or superior decision. Goeden lost 9-1 but battled out a pin hold.

Scott Klein (98) and Jeff Gundrum (132) recorded the two pins. Klein finished the Scenic season with a perfect 7-0 mark. He is 16-2 overall.

Kewaskum ended the dual

season with a 3-4 record in conference and 5-8 overall.

Kewaskum 26, Germantown 25

Unl. Blaine Szudajski G won by forfeit.
98 — Scott Klein K pinned Jeff Sorenson 4:7

Despite recent cold temperatures, ice conditions remain unsafe on some lakes and streams around the state and snowmobilers and anglers are urged to use caution. Remember, the sturgeon spearing season opens on Lake Winnebago on February 9. Get your spearing license before the season begins as they will not be sold after the season opens.

Southeast District

There is finally some snow cover throughout the district, but snowmobiling conditions are only marginal at best and cross-country skiing conditions are very poor. Northern pike fishing has been fair with some fish being taken from Random Lake in Sheboygan County, Eagle Lake in Racine County and a northern pike, 29 pounds 2 ounces and 45½ inches long was caught in Lake Beulah in Walworth County.

Panfish fishing has been spotty but some excellent catches of large perch are coming from Pike Lake in Washington County, and Norton's Lake near Burlington in Racine County is producing good catches of panfish. Some trout are being taken at the warm water discharges at the power plants on Lake Michigan at Sheboygan, Port Washington and Lake Side and Oak Creek in Milwaukee County. Walleye fishing has been generally slow. Rabbit hunting with the season extended through February 28th has picked up some with the recent snow cover.

Winnebago County — Fishing is slow on Lake Winnebago following a week or so of excellent fishing for large walleyes. Successful anglers now are using depth finders to locate the fish. Some catches of perch and white bass are being taken on Lake Winnebago but not in large numbers.

Dodge County — Panfish fishing is fair on Fox Lake. Due to lack of snow cover and unsafe

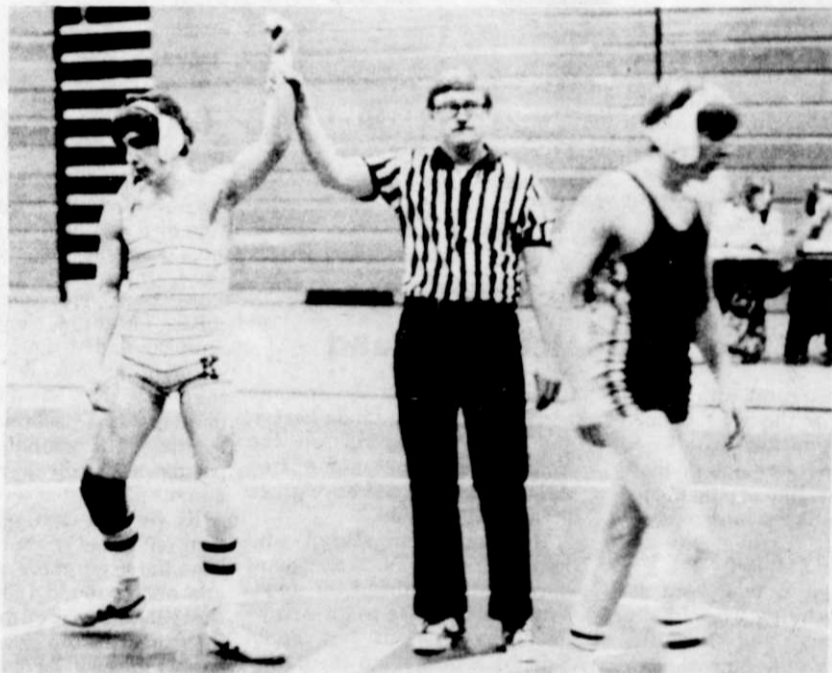

ice conditions, snowmobile trails are closed. Some northerns are being taken on Long and Mauthe Lakes. Panfish fishing is slow throughout the area with the exception of a few perch being taken on Long Lake. Rabbit hunting continues to be poor in the Kettle Moraine area.

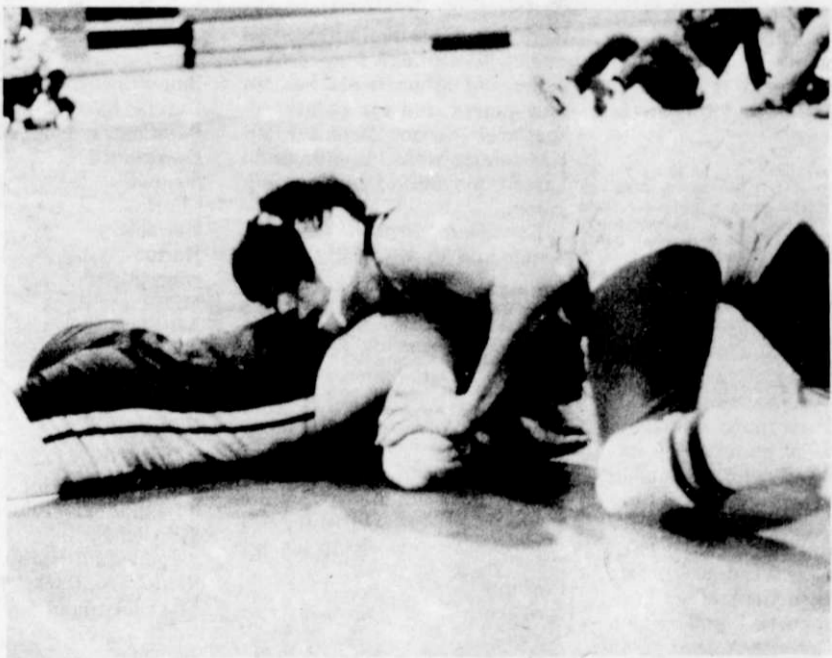

Snow shoes were invented by American Indians.

The Kewaskum wrestlers edged Germantown here Thursday night 26-25. Andy Strigenz [in light uniform] decided Tom Hauser of Germantown, 8-0, at 185 pounds.

The official holds up the hand of Jeff Gundrum, Kewaskum, [left] after he defeated Scott Weimer in 3:22 at 132 pounds.

Vance Reif appears to have the advantage here but lost a decision to Jeff Dhein, 7-6, at 155 pounds.

Indians Run Over Germantown For 3rd in a Row; Tied for 3rd

In a well played game here Friday night, the Kewaskum Indians rolled over Germantown, 70-61. It was their third straight victory and gave them a 5-4 record, good for a third place tie with Mayville in the conference.

Trailing by a slim 26-24 margin at halftime, the Indians scored the first two baskets in the second half to take a lead they never gave up against a good Warhawk team. The win avenged an earlier setback at Germantown as each team won their home game. Oddly enough, it was only the Indians' second victory in five starts at home, while they are 6-1 on the road.

As has happened often the Indians were slow in getting started, scoring only eight points in the first quarter. After trailing again at the intermission, they gained momentum and got rolling in the second half.

Bob Nigh, 6-4 forward, got the team on track in the second half. He scored three baskets in short order and Jim Rohlinger's bucket following a steal gave the Indians a 32-28 advantage, which they never relinquished. Nigh played one of his best games of the season.

The Warhawks stayed close, tying the score at 38 all at one stage but Kewaskum went ahead again by six as the third quarter ended. In the fourth stanza the Indians scored 24 points, which duplicated their entire first half output, with

Germantown hitting a cold spell.

Baskets by Jerry Vance, an all-state football player who just received a scholarship to the University of Wisconsin at Madison, and Ermann cut the lead to four with several minutes remaining but Nigh and Henry Schilter took over for the Indians to save the game for Kewaskum. Two free throws by Nigh with a little more than a minute to go, increased Kewaskum's lead to 12 points, 64-52. Then went on to win by nine.

Schilter led his team with 20 points, including six of six free throws. Rohlinger was next with 18 points on a variety of shots. He and Schilter teamed up for over half of Kewaskum's total. Nigh added 16. Mike Francolucci, second high scorer in the conference, led all scorers with 22 points and snared about 15 rebounds. The Indians held Vance below his average with 12. Ermann scored 14.

Friday the Indians host last place Pewaukee (9-9) and next Tuesday they invade the lair of unbeaten, league-leading Hartland Arrowhead (9-0) as they face the two teams at opposite ends of the standings.

Girls Defeat Pewaukee, Come Close To Upsetting Unbeaten Hartland

Sue Russell came up with her best game of the year to lead the Kewaskum girls to a 67-55 victory over Pewaukee there last Tuesday. She picked a good time to do it as the Indians' high scoring Jill Yearling was out with an ankle injury.

Russell hit a new high for herself by scoring 21 points on eight baskets and five free throws. She also snared eight rebounds. Freshman Linda Larsen was right behind her with 20 points and also did well on the boards. Linda, who moved up to the varsity after several games, has shown much improvement. Diane Bremser added 12 points.

Kewaskum held a comfortable 11-point lead at the intermission, 34-23.

KEWASKUM		PEWAUKEE

Playing at home Tuesday night, the Indian girls came very close to upsetting unbeaten league leading Hartland Arrowhead, a powerhouse every year. Kewaskum was ahead much of the game before losing out in the final quarter, 43-37.

Hartland started out with a flurry, scoring the first 7 points but the Indians then tallied 11 in a row to take the lead, which they held much of the game until Arrowhead pulled out a victory in the closing minutes.

In the final minutes Kewaskum was hurt by missing some free throws which may have put

them ahead. With the Indians ahead, 33-30, both Linda Larsen and Jill Yearling missed the front end of one-on-one free throws, which would have given them a bigger lead.

Hartland then scored and Robin Henschel's three point play put them ahead for good. With two minutes to go Arrowhead led by four but Bobbi Schmidt's bucket cut the deficit to two. Hartland then made good on two free throws and a basket in the closing seconds.

It was a good defensive game and the Indians cut off Hartland's fast break. Henschel made the difference with her 18 points. Arrowhead's stars, Aumann and Moon, were held to four points and no points respectively. Diane Bremser led Kewaskum with 11 and Linda Larsen played an outstanding game.

Kewaskum is now 7-4 in the Scenic and 11-4 overall.

Chess Team Routs West Bend West

The Kewaskum chess team continued its winning ways with a 46-9 drubbing of West Bend West. The win pushed Kewaskum's record to 5-0.

Kewaskum got a quick 18-0 lead with victories at boards 5 through 8. The boards were manned by Steve Yahr at board 5, Rick Howell at 6, Rob Slegler at 7 and Jim Simon at 8. Andy Rosenberger suffered his first loss of the season and Ken Bauer, competing in his first match of the season, won to make the score 19-2.

Dusti Howell, the league leading scorer with 50 points, scored an easy win at board 1, making the score 29-2.

The night was a poor one for the Rosenberger family as older Tom also lost his first match of the season and first dual meet loss in three years making the score, 29-9.

Kim Manthei and Chuck Strancke ended the match with victories at boards 2 and 3 respectively. Strancke, the number two scorer in the league, fell behind by three pawns but won a close end game.

Kewaskum next plays Hartland on Tuesday, February 12. The Hartford game marks the end of the round robin part of the schedule. Kewaskum will move into the top bracket which means they will have to play the top four schools again.

Lakes Team Loses Eichstedt, Game

Kewaskum's leading scorer, Clark Eichstedt, went out with an injury in the third quarter of the team's Land o' Lakes game here Sunday. Sussex, trailing by four points midway through the third period, took advantage of Eichstedt's absence by rallying in the last quarter for a 147-129 victory. They outscored Kewaskum in the final period, 50-34.

The loss drops second place Kewaskum to a 4-3 record in the league's "B" Division, while Sussex, last in the "A" Division, is now 2-6.

Four players scored over 20 points for the losers, Ken Loest had 28, Eichstedt 22, Tom Timblin 21 and Chris Schroeder 21, respectively. Jim Lawinger

led the winners with a game-high 30 points, while Thompson had 26, O'Rourke 25 and Kronberg 22.

This Saturday Kewaskum will try to get back on the winning track when it hosts Cedarburg, which is third in the "A" Division with a 5-2 mark.

An Open Letter To Area Sportsmen

The Directors of the Campbellsport Sportsmen's Club would sincerely like to thank everyone who attended our fisheree.

A special thank you to those who helped by selling tickets, donating wonderful prizes, and working on the lake to make the fisheree a wonderful success again.

We also wish to express our regrets and apologies to the fishermen for the rudeness and simple-mindedness of a few snowmobilers and car owners who decided to make the lake a speedway.

It is only a few selfish people who have little or no regards for other persons, property or lives, but it does spoil an enjoyable time for everyone.

We had called for official help at noon, but it took a while before it arrived.

Participants of the fisheree, please accept our deepest regrets. We will do everything in our power to prevent it from happening again.

Officers and Directors of The Campbellsport Sportsmen's Club
