Santa at Sentry Saturday Afternoon

Santa Claus will be visting at Sentry Food Store in Kewaskum on Saturday, December 20, from 12:00 to 3:00 p.m. Bring the kiddies and come to see Santa.

BAD CHIMNEY FIRE AT EUGENE BACKHAUS HOME

Kewaskum firemen answered a call at 3:14 p.m. Thursday, Dec. 11, to the Eugene Backhaus farm home, 1059 Hwy. S, two miles northeast of the village, to extinguish a stubborn chimney fire.

Village Taxpayers Expected to Get \$979,495 State Property Tax Relief

Property taxpayers who live in the Village of Kewaskum are expected to get the equivalent of \$979,495 worth of state property tax relief in 1981, Senator Hanaway said Friday.

The figure is taken from a brand new state computer print-out which, for the first time, tries to break out-municipality by municipality—all the various types of state property tax relief.

"Now, for the first time," Senator Hanaway said, "we can see how much state property tax relief the people of the village of Kewaskum are really getting."

"This \$979,495 figure includes all forms of property tax relief. It includes state aid paid to the municipality, aid paid to the school district, the county and aid paid out as a direct credit to the property taxpayer," Hanaway said. "In other words, the dollars are paid out by the state in different ways, to various levels of government, but all the dollars directly benefit the property owner living in the Village of Kewaskum. If these aids were not paid, the property tax bill in the Village of Kewaskum would be substantially higher."

Senator Hanaway said that neither local nor state officials have previously been able to furnish a total aid figure. Figures on the amount of school aid, county aid and shared revenue paid to different governmental units have been available, but had never previously been combined to reflect the total aid benefiting a particular resident living in a specific community.

Senator Hanaway noted that the total aid figure includes: shared revenue payments scheduled to be paid to municipalities in 1981; general property tax relief paid to municipalities; personal property tax paid to municipalities and counties in 1981 under the aidable revenue formula; machinery and equipment reimbursement; school aids based on 1980 full values, but not including so-called categorical aids which reimburse communities for costs such as bus service and county aids apportioned according to each municipality's share of the county 1980 full value.

Senator Hanaway emphasized the total figure does not mean the municipality will actually receive that full dollar amount. Rather, he said, what it means is that the property owner living in the Village of Kewaskum will benefit from that amount of state aid.

State property tax relief programs have meant that Wisconsin now relies less on the property tax to raise money than it used to, Senator Hanaway pointed out.

In 1970, Wisconsin ranked 3rd highest in the U.S. in property taxes per \$1,000 of personal income, and 6th in the U.S. in property taxes per capita. By 1978, Senator Hanaway said, Wisconsin had dropped to 17th in both categories.

Paul Blumer abstaining.

Public Works Superintendent Augie Bilgo presented a request to obtain bids on a replacement truck for the village's long-bed GMC. Bilgo stated he was looking at used vehicles since the work demands did not justify purchase of a new unit. Bilgo said they have a prospective buyer for the present truck. The board authorized Bilgo to obtain quotes.

Question of 30% Tax Increase Clarified by Village Board

By GERRY MUELLER
Statesman Staff Writer

The Village Board voted Monday evening to accept Honeck Chevrolet's bid to supply Kewaskum with a 1981 Chevrolet Impala, equipped with police package.

Honeck submitted a low net "no trade" bid of \$7,925.00. Meyer Ford submitted two bids. The first covered a 1981 Ford LTD 'S', with "trade-in" of the present squad for \$7,000.00. Their second bid was \$8,000.00, net without "trade."

Police Chief Don Hlavaty said since the board was considering purchase of a second squad (used) in 1981, he recommended the board accept Honeck's lower "no trade" bid and keep the present squad as a temporary second unit until summer. Hlavaty felt at that time, if the board still wished to do so, they could let bids for a different second unit. The board accepted Hlavaty's recommendation and authorized purchase of the new vehicle. The motion was passed 4-0, with Trustee

Paul Blumer abstaining.

Trustee Jeff Rohrer present- [Continued on Page 3]

Hlavaty Heads Police Chief Association

Kewaskum Chief of Police Donald Hlavaty last Tuesday was elected president of the Washington County Police Chief Association by other members of the association. He will hold the position for one year.

Hlavaty, 42, has been the chief of the village for the past 13 years. Prior to that he worked on the Beloit police force.

Hlavaty was also appointed to a committee to represent fourth-class cities, towns and villages on the Wisconsin Chief of Police Association recently. He was appointed by Donald E. Rosenbauer, the president of the state association.

Santa's Coming to Kewaskum

Santa Claus will be coming to Kewaskum on Saturday, December 20. He will be at the Kewaskum Middle School from 10:00 a.m. until 12 noon. All Kewaskum area youngsters are invited to come and visit with Santa. All youngsters will have an opportunity to sit on Santa's lap and also will receive a bag of treats from Santa. This event is sponsored annually by the Kewaskum Kiwanis Club.

weekend and will travel to

Holy Trinity Catholic Church
Rev. John T. Budde, Pastor

Confessions Saturday, 3:30 to 5:00 p.m. and 7:00 to 8:30 p.m. Monday and Tuesday afternoon and evening confessions will be heard from 4:00 to 5:00 and 7:00 to 8:30; Wednesday afternoon from 3:00 to 5:00 and Christmas Eve only from 7:00 to 8:00 p.m. for those who did not have an opportunity to go before. Father Herbert Waldkirch will assist Father John T. Budde on Saturday afternoon and will be in the confessional in the west sacristy.

The first Mass of the Feast of Christmas will be the midnight Mass. It will be a concelebrated High Mass. Co-celebrants will be the pastor, Father Budde, Father Waldkirch and Father Allan Weinert, C.S.S.R., of St. Alphonsus Church, Chicago. Karen Schneider will be the organist and the adult choir will sing under the direction of Gary Gerhartz. Hymns will be sung starting at 11:30, preceding the mass.

The second Mass on Christmas morning will be at 8:00 a.m. Father John T. Budde will read this Mass and Karen Schneider will again play the organ.

The third Mass at 9:30 a.m. will be celebrated by Father Elroy Pesch, O.F.M., of Mt. Calvary with Peggy Stoffel at the organ.

The fourth and last mass at 11:00 a.m. will again have Father Budde officiating. Lee Ann Schoofs will play the organ and the young people will sing hymns.

St. Bridget's Mission
Rev. John T. Budde, Pastor

Two Masses will be read at St. Bridget's Mission, the first at midnight and the second at 8:00 a.m. Christmas morning. Celebrant at both masses will be Father Elroy Pesch, O.F.M. Cap. Ann Thill is the organist. The choir will sing at both masses. Hymns starting at

11:30 p.m. will precede the midnight Mass.

St. Lucas Lutheran Church
Rev. Paul Hoenecke, Pastor

The 117 children of St. Lucas Lutheran School will begin the Christmas celebration at St. Lucas Lutheran Church by presenting a Christmas Service on Sunday evening, December 21, at 7:30. This service is entitled "Come, Lord Jesus" and includes hymns, carols, poems and Scripture selections which concern the prophecies of Jesus' coming. His coming on earth as a little child. His coming into our hearts by faith and His final coming in glory.

Then on Wednesday, December 24, the 87 children of St. Lucas Sunday School will present this same service for the congregation. This service will begin at 7:30 p.m.

There will also be a service for the congregation at 9:00 on Christmas Eve which will celebrate the Savior's birth in song, Scripture and sermon. The Rev. Paul Hoenecke, Pastor of St. Lucas, will deliver the sermon at this service.

On Christmas Day at 9:00 a.m., there will be another service for the congregation in which the Choirs of St. Lucas, under the direction of Miss Carol Newman, will sing appropriate Christmas selections. The sermon at this service will be preached by the Rev. Marvin Volkman, pastoral assistant at St. Lucas. You are invited to attend any or all of these services.

Peace United Church of Christ
Rev. Darrell Joiner, Pastor

On Sunday, December 21, Peace Church of Kewaskum will have only one special service at 10:15 a.m. with a unique Christmas Program including the Church School and combined church choirs under the direction of Mrs. Cheryl Ammel.

On Christmas Eve the church will continue its fine tradition of having the Candlelight Service of Lights and Carols at 7:30 p.m.

The Christmas Day Worship Service will be at 9:00 a.m.

Village Board

ed the Park and Recreation Committee's recommendation to purchase four 5-row by 15-foot aluminum bleachers, two for each baseball diamond. Rohrer said they had received a bid of \$3,360.00, and suggested the board approve purchase since the bid was only good until January 1, at which time the price would increase \$100.00, and these bleachers had backrests on the top row whereas the bleachers considered in the original budget figure of \$3,500.00 did not. Trustee Don Mlodzik made the motion which was unanimously passed. The board approved a contract with Rite-Way Painting, West Bend, to water seal the Fire Station. Work will be done the summer of 1981, at a cost of \$1,850.00.

Mlodzik told the board he had received several calls regarding the 30% increase in village taxes. He stated one woman who called asked why one article in the paper said there would be a 20% increase and then a later article stated the increase had jumped to 30%. Just what had the board done to cause this rise. Village Administrator Dan Schmidt said the first article presented only a preliminary figure, at which time he had said all figures were not in. At that time, the

State Real Estate Tax Credit was not available. When Schmidt received the 1980 state tax credit rate, it was reduced by \$1.40, thereby causing an increase. Schmidt said the village had actually lowered its preliminary figure of 20% down to 18.5% in the final budget, but the loss of the \$1.40 state tax credit caused the jump to 30%. So, it was not any added dollars from the village, but rather a loss of credit dollars from the state.

In further action, the board ratified the police contract for one year, running from January 1 to December 31, 1981.

Trustee Dave Nigh said the Finance Committee would like the board's approval to look into the possibility of investing some Park & Recreation and Open

Lands funds into 6 or 12 month certificates to obtain more favorable interest rates. The board agreed with this suggestion and asked Nigh to report his findings at the next meeting.

The board also acted on the Fire Department's recommendation and reappointed Augie Bilgo Fire Chief. This will be Bilgo's second full term as chief.

The Plan Commission and Village Board will meet December 16, at 7:00 p.m. to hear a presentation by Mr. Robert Peterson, Fond du Lac Community Development Director, on Tax Increment Financing programs.

Joe Schwind Honored by Woodmen

The Modern Woodmen of America Camp 2233, Kewaskum held their Community Service Recognition Christmas Dinner Party on Sunday, December 14, at the Labor Center Hall.

Each year the Woodmen honor one of their members at this event.

After a delicious dinner, Santa made his appearance and presented the little ones with a gift and bag of goodies. There also was a gift exchange for adults. Door prizes were awarded and cards played.

This year recognition was given Joe Schwind for his service to the Community. Joe was born and raised in the Town of Greenbush where he also attended school. He married Renetta Becker on November 21, 1936. They have two daughters, Alice of West Lafayette, Indiana, and Gloria of Byron, Texas.

Joe retired from Regal Ware after 30 years of employment and has been a Modern Woodmen member for 42 years. In fact, his entire family are Woodmen members and he is council of the local camp 2233. He was a

delegate to one of the national Modern Woodmen conventions at which time he was awarded a prize for being in the top part-time salesmen of Modern Woodmen of America insurance.

Schwind is a member of Peace United Church of Christ in Kewaskum, and also served on the Church Council. He was a trustee on the Village Board of Kewaskum; past member of the Kewaskum Kiwanis Club; a member of the Kewaskum Fire

Department for 20 years; a past member of the Kewaskum Rescue Squad and also assisted with the Boy Scout Pancake Suppers.

Otto Weddig, secretary is shown presenting Schwind (right) with a plaque.

TIF Major Topic at Plan Commission, Board Meeting

By GERRY MUELLER
Statesman Staff Writer

At Tuesday evening's meeting, Plan Commission and Village Board members heard Robert Peterson, Fond du Lac Community Development Director, tell them just what Tax Increment Financing is and what it can do in Kewaskum. Basically, TIF districts provide a means of obtaining funds which can be used in a community's construction and re-development program.

Tax Increment districts are five-year programs which allow a community to develop projects over this period, that otherwise would have to be included in its yearly budgets and in many cases not be done because of lack of funds. This program makes funds available that would not be received through regular lending channels.

Peterson suggested the Plan Commission make what he called a "wish list." This is a tabulation of all the development and reconstruction projects they would like to see done. Then list them in their priorities, so that if and when Kewaskum decided to participate in this program and adopt a plan, they would know just what they can expect to accomplish over this five-year period. Peterson reminded them that once boundaries for a TIF district are set, they cannot be changed. Items may be dropped or changed, but only within the TIF district limits. That is why he recommended listing all anticipated projects in their plan. It is easier to drop them then try and add them.

Peterson showed slides of his TIF district which is the downtown area of Fond du Lac. Their \$10,000,000.00 district was created to help redevelop a dying area by street and sewer improvements, clearing land for new buildings and parking lots adequate to bring people back downtown. Through their program they are generating additional construction from private developers who are now returning to the downtown area. This in turn will bring increased revenues to Fond du Lac.

Village Administrator Dan Schmidt said he would compile a proposed TIF Project list which would be distributed to

Plan Commission and Village Board members. Zoning Administrator Richard Zarling suggested each member rate these projects in what they felt was order of importance so that at their next meeting they would have a basis from which they could create a formal list.

Winter Road, Weather Conditions on Radio

Winter is again upon us. The Sheriff's Department would like to remind everyone to listen to their local radio station for road and weather information in order to receive the road condition changes as they occur.

Final revaluation of real estate and personal property in the village was placed at \$6,979,780, Monday. It was estimated that the new valuation figure will result in a tax rate of \$20 per \$1,000 for the village.

The Junior Kewaskum 4-Her's met recently and elected the following officers: President, Diane Becker; vice president, Joanne Schmidt; secretary, Homer Justman; treasurer, Judy Ramthum; reporter, Hollis Kohl.

Seven youths, all students at Kewaskum High School and all passengers in one car were injured in a traffic accident at the intersection of Hwys. 45 and 28 at the north village limits Wednesday following the Christmas program at school. Driver of the car, owned by Richard Degnitz, Route 1, Fredonia, was his daughter, Evelyn 17. According to Chief of Police Roland Pledl the auto was eastbound on Hwy. 28 and failed to stop for the arterial on Hwy. 45. Injured were Miss Degnitz, brain concussion; Cheryl Leonardelli, 14, Kewaskum, head injuries; Connie Rossow, 14, Wayne, back injuries; Joan Herriges, 14, Route 2, Kewaskum, bruises to face and sprained ankle; David Muller, 14, Fillmore, head injuries; Karen Gruhle, 15, Fillmore, dislocated hip, and Sandra Gruhle, 14, Fillmore, deep lacerations and head injuries.

Daughters were born to Mr. and Mrs. Eugene Faber, Route 3, Kewaskum, December 16 and to Mr. and Mrs. Raymond Boegel, Route 3, Campbellsport, December 12. A son, John Charles, was born to Mr. and Mrs. Joe Klotz, Campbellsport, December 12.

A Community Christmas program will be held tonight at the intersection of Fond du Lac Avenue and Main Street for the benefit of the little children. The program, though short, will consist of songs by the children and short talks by good speakers. This is the first program of its kind to be held here in many years, and will be a real treat for the youngsters. After the program Santa Claus will appear in person and hand out loads of bags filled with candy and other good eats to the children present.

The A. G. Koch Store, Inc. have a large Christmas tree, placed in front of their store, to help bring on the Christmas spirit and cheer of the year.

Get ready for a rare treat at St. Michaels on January 6. A fine delicious homemade bratwurst supper will be served, followed by a prize card party.

Burglars early last Friday morning broke into three buildings in Campbellsport and obtained cash and merchandise valued at approximately \$1,000. The places raided were the E. W. Martin general store, next to the Campbellsport State Bank, the Messner and Ketter feed store and the Brittingham and Hixon lumber yard offices.

A deal was closed Saturday

whereby Wallace Geidel purchased the eighty acre farm of his father, Herman Geidel, located about three quarters of a mile west of Kewaskum on Highway 28. Herman Geidel, last week purchased the Math Beisbier residence and twenty acres of land, located on North Fond du Lac Avenue. Mr. and Mrs. John Vorpahl of Boltonville are the happy parents of a baby girl born to them on Thursday.

The old brick chimney at the malt house which was damaged by lightning last spring, was taken down on Tuesday by Fisher Jewson of New Prospect. The chimney was in bad shape and a very dangerous piece of work to do. Mr. Jewson did the work very easily by tipping it over in one mass with the use of a pair of jackscrews. He received \$75 for the job.

A 'drug' interaction' can occur when two medicines are taken at the same time. Some interactions can be harmful, either by increasing the effect of one of the drugs taken, or by blocking its effect.

An example is taking an antihistamine cold or allergy preparation while using a prescription sedative or tranquilizer. The combination can produce severe drowsiness and has caused auto accidents while driving.

A 'blocking' effect occurs when a calcium, aluminum, or magnesium antacid is taken while on the antibiotic Tetracycline. These antacids neutralize the antibiotic. Check with our pharmacist about 'drug interaction.'

Cable TV in Kewaskum Possible by Summer of '81

By GERRY MUELLER
Statesman Staff Writer

After a presentation Monday evening by Don Jones, River Bend CATV representative, the Village Board decided to make final revisions in its proposed ordinance governing cable TV service to Kewaskum.

Trustee Jeff Rohrer recommended incorporating the changes as soon as possible so a final draft can be presented to the board for possible adoption at their January 5 meeting.

Jones told the board if River Bend received approval by January, 1981, the necessary documents could be submitted to the utility companies and hopefully any necessary work required on their poles could be done without extensive delays. Trustee Dave Nigh asked what kind of completion date they would be looking at. Jones felt if there were no serious delays, service to Kewaskum could be completed in 1981, with service to the first subscriber by late July or early August and service to the last subscriber by fall.

Jones told the board cable TV is the "coming technology." It changes the subscriber's viewing habits. An example he cited was viewing news broadcasts. People find they no longer have to wait for the 6 and 10 o'clock news because you have a channel which provides news and weather 24 hours a day.

The channel which would be furnished for local use would provide new and innovative methods of teaching for the schools as well as opportunities for video presentation of local activities such as sports.

Jones stated their company does not allow "X" rated films, however, they also note in their subscribers TV guide not all programs are for everyone and discretion should be used.

Jones told the board, CATV's present plans are to connect Kewaskum and Campbellsport with one cable and one dish. The main reason being these two cities can receive all Green Bay stations. However, West Bend does not and connecting to the West Bend dish would cause a loss of some of these stations. Jones said River Bend is considering running this same line to Lomira and Oakfield.

Village Administrator Dan Schmidt asked where the dish would be constructed as Kewaskum has no land zoned for such an installation. Bob Schaeffer, technical advisor

from River Bend, said the installation would be set up outside the village limits since approximately four acres are required for such a site. Jones said site locations are governed by FAA laws and must meet with their approval.

Trustee Paul Blumer asked if cable TV would be available to residents outside the village limits. Jones said their policy was to provide service within one block of the village limits. However, this service cannot be provided unless the township in which these residents live has or adopts a cable TV ordinance. If not, these people would have to go to their Town Board and request such an Ordinance.

Village President Jerry Stollenwerk asked how installation would be made from the pole to the residence. Jones said they would follow the utility lines. If service enters the home above ground, so would their service, if buried, their cable would also go underground.

Rohrer asked about their complaint procedures. Jones said the company has a 24 hour a day, 7 days a week service, and their current service call time average is less than one hour.

Jones was asked if there was any chance that commercials would be added at a later date. Jones felt that if such a possibility would occur, it would be on only one channel, since one of the selling points of cable TV is no commercials.

Village Administrator Dan Schmidt said he would make the necessary changes and present the ordinance at the board meeting January 5.

Kelly Butzke

Julann Zemlicka

Kelly Butzke, daughter of Mr. and Mrs. Elroy Butzke, and Julann Zemlicka, daughter of Mr. and Mrs. Howard Zemlicka, both of Kewaskum, have been chosen as Kiwanis students for the month of December.

Kelly was inducted into the Kiwanis Honor Society during her junior year and this year serves as vice president of NHS. She has been on the yearbook staff for four years and this year is the editor. Kelly has been

active in AFS for four years also; this year she is vice president and the student representative for the adult chapter of AFS. She has played in the Concert Band, Symphonic Band, fall musical Pit Bands and the State Solo and Ensemble. During her sophomore year, she was Kewaskum's representative for the Hugh O'Brian Seminar. This year, she is one the school newspaper staff and a FTA member. She was a student government representative during her junior year. Kelly was track manager during her sophomore year and an FHA member during her freshman year.

Julann was also inducted into the National Honor Society during her junior year. She has been very active in sports, participating in track for four years - MVP, junior - State 1-3, State Champs in the Mile Relay 1-3, Cross Country for four years - MVP, senior - State 2, Basketball - freshman year and Gymnastics - junior and senior years. She was also a cheerleader for two years. Julann was

Kewaskum's Badger Girls State representative last year. She was a student government representative for three years and this year is secretary for both Student Government and NHS. Julann has been the student representative on the school board for two years. She plays in the Symphonic Band, Concert Band and Pit Band for the musical "Fiddler on the Roof." She is a member of Youth Concerned for Special People and serves as treasurer for this group.

Cooley-Erber

Sally Cooley, 5639 Peters Drive, West Bend, and Theophile Erber, 316 North Avenue, Kewaskum, were united in marriage during a 4:00 p.m. ceremony at Fifth Avenue United Methodist Church, West Bend, on Saturday, December 6. Dr. Harold Weaver officiated.

Music for the ceremony was provided by the organist, Elizabeth Fisher, and the soloist, Mrs. Mary Cooley, Black River Falls, the bride's daughter-in-law.

The bride was presented in marriage by her son; Richard Cooley. The honor attendants were Mrs. Paula Cooley, Waukesha, daughter-in-law of the bride, and Paul Erber, Milwaukee, son of the groom.

Ushering duties were shared by Paul and William Cooley and David Niebler, grandsons of the couple.

After the ceremony, a dinner was held at the Homestead Supper Club with a reception following at the groom's home.

The couple will reside at 316 North Avenue, Kewaskum.

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will hold their monthly recycling day on Saturday, Dec. 20, from 9 a.m. to 12 noon. We accept tin, aluminum colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

Assistance for Older Job Seekers

Many mature workers have experienced a break in the continuity of their working life, due to family responsibilities, illness of a spouse, or whatever. Now they are free and anxious to work. The State of Wisconsin is providing assistance to older job seekers, 50 years of age and over. Older Worker Specialists have been hired and placed in Job Service offices in certain areas of the state. They try to match older persons' skills with employers' needs.

Employers with job openings, part or full time, in all work categories, are urged to call the Older Worker Specialists at Job Service in West Bend, 338-4700, where prompt attention will be given the order.

J & J AUTO TOPICS

DRINK TO THIS

Consider a few public statistics for these coming holidays. At least 75% of men and 60% of women over 21 years drink alcoholic beverages in some degree. And, virtually every person arrives and leaves by car when attending Christmas and New Year Parties. Also, consider that between 50 and 60% of fatal car accident victims last year had alcohol in their blood stream. This is the reason that the old truism is so valid. "If you drive don't drink; if you drink don't drive."

We include our best wishes for a Merry Christmas and a Happy New Year from the personnel at J & J AUTO SERVICE. We want to see you around for many holidays.

E. Matenaer Called in Death

Edwin Matenaer, 79, of 511 River Drive, West Bend, died Wednesday, December 10, at St. Joseph's Community Hospital, West Bend. He was born March 31, 1901, in the Town of Barton where he grew up on the Matenaer Homestead.

After his marriage to Mary Staehler at Holy Trinity Church in Kewaskum on May 25, 1926, he farmed the homestead until moving to West Bend in 1957. He worked for Horlamus Industries and then at D.H.I.A. as a milk tester until retiring in 1966.

He is survived by his wife; seven children, Leona (Allan) Batzler, Francis (Betty), Norman (Gene), and Steve (Margaret), all of West Bend, Ralph (Estelle) of Kewaskum, Mary (Ray) Yarnig of Menomonee Falls, and Carol (Don) Winninghoff of Appleton; one son-in-law, Edward Volm; 31 grandchildren; four great-grandchildren; one sister Ceil VanBeek of West Bend; other relatives and friends. One daughter, Adeline Volm, died in 1975. One sister and two brothers are also predeceased.

He was a member of the St. Joseph's Society, the Apostolate of Suffering and the Men's National Catholic Society of Foresters Court No. 458.

Funeral services were Friday, December 12 at 10 a.m. at the Schmidt Funeral Home, West Bend, with Mass of Christian

Burial at 10:30 a.m. at Immaculate Conception Church with Father Richard Robinson, celebrant. Burial was in St. Mary's Cemetery.

Visitation at the funeral home was after 4 p.m. Thursday. There was a prayer vigil at 8 p.m. Thursday.

IRENE BRODZELLER

Irene C. Brodzeller, nee Wittemann, of 120 N. Ninth Avenue, West Bend, died Tuesday, December 16, at St. Joseph's Community Hospital, West Bend, at the age of 78.

She was born September 15, 1902, in West Bend, and attended Holy Angels Grade School and graduated from West Bend High School in 1920.

She married Philip Brodzeller, a native of Kewaskum, at Holy Angels Church on May 27, 1930. He passed away June 6, 1971.

She was the first woman to be

appointed as the Registrar and Probate of the Washington County Court by the late Judge F. W. Bucklin which position she held for many years. She was later employed at the Simester, Schowalter and Bunk Law Firm until her retirement in 1965.

Survivors include one niece, Jean Louise Mitchell of Mt. Prospect, Illinois; three nephews, Fr. Paul Wittemann of Sheboygan, Robert Wittemann of Racine and Richard Wittemann-law, Bernard Brodzeller of Milwaukee; and other relatives and friends.

Two brothers and one sister predeceased.

She was a member of the Christian Mothers Confraternity, the Good Samaritan Guild,

the Apostolate of Suffering, the Mor-Ed Club of West Bend and the Washington County Historical Society.

Funeral services will be Thursday at 7:30 p.m. at the Schmidt Funeral Home, West Bend, with Mass of Christian Burial at Holy Angels Church at 8 p.m. Her nephew, Fr. Paul Wittemann will be the celebrant and burial will be in Holy Angels Cemetery.

Visitation at the funeral home will be Thursday from 3 p.m. until time of services.

IN MEMORY

In loving memory of our dear husband, father and grandfather, Jacob Kuehl, who passed away two years ago, December 24, 1978:

Though his smile is gone forever, And his hands we cannot touch. Still we have so many memories of one we loved so much. His memory is our keepsake. With which we will never part. God has him in his keeping. We have him in our heart.

Lovingly remembered by his wife and family.

IN MEMORY

In loving memory of my mother, Mrs. Charles Twentynecker, who passed away twenty-two years ago, December 18, 1960.

God took her home, It was His will, But in my heart, I love her still. Her memory is as dear today, As in the hour she passed away.

Sadly missed by her daughter, Lorinda Bunkelman.

A NOTE OF THANKS

A sincere thank you to each and every one of the Kewaskum firemen who assisted at our residence. Your quick response and deep concern saved our home. Thanks again! God bless you and have a Merry Christmas.

Minutes of Village Board Meeting

Monthly Meeting
December 1, 1980
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. Trustee Paul Blumer had asked to be excused and was absent. All other Trustee Members were present.

The minutes of the meeting of November 17, 1980, were approved as printed upon motion by Trustee D. Nigh, seconded by Trustee Hergiges. Voice vote was unanimous.

A public hearing was held on the proposed budget for 1981. One interested citizen was present for the hearing. After a review of the detailed budget proposal, motion was made by Trustee Hergiges and seconded by Trustee Rohrer that the hearing be closed. Voice vote was unanimous.

Upon the recommendation of the Administrative Committee, the bicycle license fees were increased from 50c per year to \$1.00 per year effective as of January 1, 1981. Motion by Trustee D. Nigh, seconded by Trustee Mlodzik. Voice vote was unanimous.

It was reported that the Public Service Commission of Wisconsin will make a ruling on the village's request for a water rate increase in approximately six weeks.

The supplement to the village's alarm system estimated to be between \$370.00 and \$500.00 was authorized upon motion by Trustee Hergiges, seconded by Trustee Mlodzik. Voice vote was unanimous.

The Village Board and the Plan Commission will meet in joint session on December 16, 1980, at 7:00 p.m. to discuss tax incremental financing. Mr. Robert Peterson of the City of Fond du Lac will present information and answer questions.

The totals of all claims, as recommended for payment by Finance Committee Chairman Trustee D. Nigh, were as follows:

Village Gen. Fund	\$56,426.62
Water Dept. Fund	1,042.47
Sewage Dept. Fund	4,258.46

Payment of these claims, as

recorded in the official record, was authorized upon motion by Trustee Mlodzik, seconded by Trustee Rohrer. Voice vote was unanimous.

A transfer of \$10,000.00 from the Park Fund to the Debt Retirement Fund was authorized upon motion by Trustee Hergiges, seconded by Trustee Mlodzik. Voice vote was unanimous.

The proposed budget for 1981 as originally presented at the public hearing was introduced for adoption. Motion by Trustee Hergiges, seconded by Trustee Mlodzik that the 1981 budget be so adopted. Voice vote was unanimous.

The following resolutions were then introduced:

RESOLUTION NO. 80-6

KHS Chess Team Blanks Homestead

The Kewaskum High School chess team opened its 1980-81 season with a 45-0 shutout non-conference win over Homestead High School of Mequon. The Indians won the match quickly with good opening technique and aggressive playing.

Rob Slegler at board 2 and Rick Howell at board 3 quickly exploited their opponents' inferior openings and both forced mate on move 17. Slegler and Howell's games seemed to set the trend as all of the games ended in 38 moves or less.

Jim Simon finished next at board 4 adding another 7 points to push the total to 24-0. Simon outplayed his opponent decisively, easily winning the opening and middle games and completed the job in 29 moves.

Steve Yahr, playing at the first board, looked like he was in for a hard struggle. Yahr forced Craig Foyer into a cramped game and then quickly attacked his opponent's castled position and forced mate in only 24 moves.

This left juniors Andy Rosenberger and Ken Bauer playing at fifth and sixth boards. Bauer, playing slow deliberate chess,

won the opening game with repeated attacks and gaining tempos. Bauer used 22 moves to checkmate his opponent. Rosenberger gained a decisive advantage in the middle game when he controlled the 7th rank with his rook, mate followed on the 38th move.

The advisor of Homestead, John Lewandowski, was surprised at how easy and quickly Kewaskum defeated his squad. He knew he had a young squad with five sophomores and one senior but felt his team would be very competitive.

The Indians expect stiffer competition this Thursday as they face West Bend West in the conference opener. West Bend finished third in the conference tournament last year and has all of its players returning. The chess team is advised by Roy Peterson.

Mayville's Tall, Undefeated Team Wins Over Indians, 81-74

The Kewaskum Indians played a non-conference game at Mayville Tuesday night against the very tall, undefeated leaders of the Flyway Conference and came out on the short end of an 81-74 score, although the Indians played well.

To keep its record unblemished, Mayville used only six players in the game and one substitute. On the other hand Indian Coach Jim Westphal gave 10 players an opportunity to participate.

The Indians were at a big height disadvantage against the Cardinals' 6-6 Randy Wellhoefer, 6-5 Chickie Luehring (both only juniors) and 6-4 Bob Wachtendonk. This made quite a difference along with the Indians' Dale Wodsedalek's foul trouble and some defensive lapses which gave Mayville easy baskets.

Kewaskum took a lead in the first quarter but then the defense began to slip and the Cardinals' big men took over. With Wodsedalek in foul trouble early, 5-11 Jim Krahn had to defend against much taller players.

The Indians were in the game until the third quarter when

Mayville, at one point, went ahead by 17 points, 58-41. Kewaskum bounced back somewhat in the final period.

Wellhoefer took scoring honors with 30 points, Luehring had 22 and Wachtendonk 10 for the Cards. Kewaskum had Brian Larson, although injured, as top scorer with 22, Jim Rohlinger with 14 and Wodsedalek with 10.

Besides the game, the Indians have also lost alternate 6-3 center Mike Geidel, possibly for the season, with an injury. Another center has quit the team, leaving only Wodsedalek at that position.

This Friday the Indians host another tall team in New Holstein, which also has three players at 6-4 or better. Kewaskum is now 2-5 overall.

JV Girls Win, Then Suffer First Loss

The Kewaskum JV girls team was once again victorious against the New Holstein Huskies last Tuesday. The girls had a slow start in the first half but came to life in the second half. Leading scorers for Kewaskum were Amy Vetter and Cheryl Burkhalter, each with 6 points. Cathy Schlice was credited with 10 steals. The final score was Kewaskum 36, New Holstein 13.

The JV girls suffered their first loss of the season against a tough Two Rivers team on Tuesday of this week. The JV team was mainly hurt by their own free throw shooting, while hitting only 7 of 26 for 27%. High scoring for Kewaskum was led by 2 freshmen, Julie Koepke with 10 and Holly Kempf with 6. The final score was Two Rivers 35, Kewaskum 31.

Strong Two Rivers Team Romps Over Kewaskum Girls, 72-43

The Kewaskum girls' team ran into a powerful Two Rivers machine here Tuesday night and was crushed, 72-43, in an Eastern Wisconsin Conference contest. The Red Raiders' only loss so far was to an always strong Neenah five by several points.

The Indian girls held their own at the start but then submitted to a tough zone press and some good fast breaking. Coach Ken Soerens feels his girls will do better the second time around when they should be over the jitters against the talented Raiders.

Jill Yearling scored six early points to start the Indians off well but in the second quarter they collapsed as they were outscored 23-8. This gave Two Rivers a 42-20 halftime lead. The winners outrebounded Ke-

waskum by a tremendous margin.

The Indians again played the Raiders on even terms in the third quarter but in the final stanza they were outpointed once more, 14-7.

Yearling paced the losers with 18 points although missing eight free throws. Linda Larsen contributed 14. Jill Jonas led the Raiders with 21, Dax had 10 and Vicki Bonino, 9.

Next Tuesday, Dec. 23, the girls play a non-conference game at Port Washington.

Indian Wrestlers Edge Chilton; Second in Horicon Invitational

The Kewaskum wrestlers squeezed out a 30-29 victory over Chilton there Thursday in Eastern Wisconsin Conference action.

The Indians were given 24 points as Chilton forfeited at 98, 105 and 183 lbs.

Scott Klein and Bob Bastian remained undefeated at 119 and 155. Klein won 7-4 and Bastian 5-4. Both are now 5-0.

Hampered by an ankle injury, previously unbeaten Dave Goeden lost at 145, 7-2.

The Indians are now 2-0 in the conference.

Lakes Team Wins 1st at Mayville

After two setbacks, the Kewaskum Land o' Lakes basketball team won its first game at Mayville Sunday, 121-112. Kewaskum's superior height and rebounding strength was the key to their win.

The scoring power of Leon Laatsch, who tallied 41 points, and former college players Tom Edwards with 30 and Clark Eichstedt with 23 paced the victory. Dave Mayer led a balanced attack for Mayville with 24 points.

Kewaskum was well ahead at the half, 59-42.

Kewaskum will try for its second straight at Port Washington Sunday, Dec. 21. Game time is 7:30 p.m.

KEWASKUM STATESMAN

Kewaskum, Wisconsin 53040 Friday, Dec. 19, 1980

SECTION TWO

May the true spirit of Christmas be with you this holiday.

On What Day Was Christ Really Born?

We call it Christmas. In medieval England it was known as Christes Masse, then Christ's Mass, until it acquired the present spelling. The day is still known as "Christ's Birthday" in many countries of Europe, called Noel by the French, Natale by the Italians, Weihnacht by the Germans, and Yulen Jul in Scandinavia.

Most scholars agree that Christ was not born on December 25th. He was not born in what we now measure as 1 A.D. The custom of celebrating Christ's birthday on December 25th originated in Rome in the fourth century of the Christian era, some say in 354 A.D. Some experts say that the Roman monk, Dionysius Exiguus, who made the calculations for the calendar in the sixth century, could have misplaced A.D. by at least six years.

Herod the Great died in 4 B.C., according to the current Gregorian calendar. He is said to have put to death the boy babies in Bethlehem who were two years old and younger. The first Christmas may have been as early as 6 B.C.

If there is a question as to when Christ was born, there is no doubt as to where. Visit Bethlehem and you will find the small grotto, or cave, beneath the Church of the Nativity.

THE STAR

"Now when Jesus was born in Bethlehem of Judea in the days of Herod the King, behold, there came wise men from the east to Jerusalem, saying, where is he that is born King of the Jews? For we have seen his star in the east and are come to worship him."
—Matthew 2:1-2

HERALD ANGELS

Charles Wesley, brother of John Wesley, wrote the words to "Hark! The Herald Angels Sing" in 1739. Legend says the original carol began, "Hark, how all the welkin rings."

Christmas Animals

Animals have always been part of Christmas lore. Spaniards believe that cattle breathed upon the Christ Child to keep Him warm and accordingly treat the animals kindly. An old tradition in the German Alps holds that all animals can speak on Christmas Eve.

It was custom in old Bohemia

to take a horse to the river on Christmas Eve and walk him against the current. The rider tossed an apple into the stream and if it hit the horse it would be stronger during the coming year.

Syrians believed the youngest camel which carried the Wise Men to Bethlehem brought gifts to Children on Christmas.

CAROLS

Many of our favorite Christmas carols are centuries old. "The First Noel" was originally a medieval shepherd song. "God Rest Ye Merry Gentlemen" dates to the 16th century and "Joy To The World" was published in 1719.

Midst the glow and glimmer of Christmas we are reminded of the many dear friends we cherish. We hope our friendship will continue to burn brightly through this and every season.

Is Your Holiday Tree a Legal One?

Was the Christmas tree in the trunk of your car obtained legally? All trees in Wisconsin are owned by someone, whether the tree has been sheared and is growing in a plantation or growing wild in the woods.

If the trees are privately owned, whether growing wild or in a plantation, see the landowner and get written permission to cut, and a bill of sale for the tree or trees you take.

If the land you are planning to cut on is in public ownership, you must contact the manager of that property and get permission to cut the trees. You may in many cases have to pay a small fee.

Be certain that the written permission or bill of sale has the date and quantity of trees to be taken.

Under Wisconsin Statutes, forest rangers, DNR conservation wardens, DNR traffic officers and county and municipal law enforcement officers have the authority to stop anyone hauling any quantity of Christmas trees. It's best to keep your bill of sales or written permission to take trees readily available.

If you know the owner of the land where you have cut the trees and have written permission from the owner, or a bill of sale, you shouldn't have any problems in case you are stopped.

If you follow all the rules, you and your family will be able to enjoy your Christmas tree with the same peace of mind that is the spirit of Christmas.

BEGORRAH!
According to an old Irish belief, the gates of heaven open wide at midnight on Christmas Eve and those who die at that time go straight through without having to go to Purgatory.

IN SICILY
Many Sicilian families use Christmas trees, but they decorate them with apples and oranges instead of tinsel. This carries out an old tradition that all the trees bore fruit when Christ was born.

TOMATO ASPARAGUS CROWN— COLORFUL HOLIDAY DISH

Tomato Asparagus Crown, festive with Christmas colors of red and green, is a perfect make-ahead idea for a holiday buffet table.

A can of whole, peeled tomatoes is combined and cooked with seasonings. After straining, gelatin is added to the tomato-flavored mixture and chilled. When the mixture is partially set, celery is added for color and crunch. Pour this mixture into an eight-cup mold. This forms the red layer of this impressive salad.

For the green bottom layer, dissolve unflavored gelatin in the liquid drained from a can of asparagus. Blend cottage cheese until smooth and add, with the cut-up asparagus, to the liquid. Chill until firm, unmold and serve with olives, if desired.

Don't think of Tomato Asparagus Crown as only a dish for your own table, though. It's the perfect take-along treat for a holiday gathering when it's your turn to bring the vegetable or salad course.

The dish is easy to tote in the mold in which it's made. Then, it can be unmolded at the scene of the party and placed on a platter for serving.

The flavors of Tomato Asparagus Crown would be delicious paired with almost any meat. But try it with the festive holiday meats, such as roast turkey, chicken or Cornish game hens.

No matter what you serve it with, jewel-like Tomato Asparagus Crown is sure to capture more than its share of attention on a Christmas buffet table. It's a vegetable or salad that is a refreshing complement to almost any hot entree.

TOMATO ASPARAGUS CROWN
(Makes 8-cup mold)

- 3 1/2 cups (28-ounce can) Contadina® whole peeled tomatoes and liquid
- 1 tablespoon sugar
- 1 teaspoon salt
- 1 bay leaf
- 1 teaspoon tarragon leaves
- 2 tablespoons lemon juice
- 1/4 cup chopped onion
- 1/8 teaspoon pepper
- 4 tablespoons (4 envelopes) unflavored gelatin
- 1 cup water
- 1 cup chopped celery
- 2 1/2 cups (two 14 1/2-ounce cans) asparagus spears and liquid
- 1 cup cottage cheese
- 1 teaspoon seasoned salt
- Olives, if desired

Combine tomatoes and liquid, sugar, salt, bay leaf, tarragon, lemon juice, chopped onion, and pepper in medium saucepan. Stir to break up tomatoes. Heat to boiling; reduce heat and simmer 30 minutes. Sieve tomato mixture; reserve liquid (about 2 1/2 cups). Soften 2 tablespoons gelatin in 1/2 cup water. Dissolve gelatin in hot tomato liquid. Chill to consistency of unbeaten egg whites. Stir in celery. Pour into lightly oiled 8-cup mold. Drain asparagus well, reserving 1 1/4 cups liquid. Soften remaining gelatin in remaining water. Heat asparagus liquid to boiling. Dissolve softened gelatin in hot asparagus liquid; chill to consistency of unbeaten egg whites. Beat cottage cheese in small mixer bowl or blender until smooth. Cut asparagus in 1/2 inch pieces. Stir cheese, asparagus, and seasoned salt into partially set asparagus liquid. Carefully spoon over tomato mixture. Chill until firm. Serve with olives, if desired.

COMPANY TREATS

Unexpected visitors are part of the holiday season, so be prepared. Stock up on traditional foods such as plum pudding, miniature fruit cakes, candies or pickled peaches or pears. Don't overlook coconut, nut meats and ice cream sauces to dress up plain puddings or ice cream for dessert.

EPIPHANY

Twelfth Night or Epiphany, which we observe January 6, commemorates the baptism of Jesus, and is known to have been observed as early as A.D. 194.

The feast of the Epiphany was widely accepted by the 4th cen-

ture. The observance grew to the extent that in 9th-century England King Alfred made it "official" by decreeing that the Christmas season should include Christmas day and the 12 days following.

Wrapping Round Gift Need Not Frustrate

There's no reason to lose your "cool" trying to wrap a round package for Christmas giving.

Place the package on paper and cut so there is an inch overlap on each side. Fix neatly with tape. Leave enough paper at both ends to fold over and meet in the center of the cylinder. Pleat these ends neatly toward the center, making firm creases. Cut two circles of paper to fit the ends and paste over the pleats.

Round packages may also be wrapped in several layers of tissue paper with overlap fixed with tape, and two or three inches of paper at each end. Tie the end wraps firmly with ribbon or yarn. Cut rosette-like ends that result in thin strips to resemble a party "snapper." Decorate each end with a bow.

HOLIDAY FLAVOR

Of all the spicy, nostalgic smells of the holiday, that of nutmeg and its sister-spice, mace, is recalled with particular pleasure. We top the frothy eggnog with nutmeg, use it to add final flavor to a hot glogg. Hard sauce for the plum pudding gets a dash of nutmeg or mace, as does the whipped cream to top holiday desserts. Mace is delightful in chocolate and, like nutmeg, has dozens of gourmet uses in the kitchen.

RUDOLPH

"Rudolph, The Red-Nosed Reindeer", was written by Johnny Marks in 1949. Recordings by Gene Autry and Bing Crosby promptly sent Rudolph on his way to eternal popularity.

The song was based on an "ugly duckling" story written in 1939 by Robert L. May, an advertising man.

Advent Represents Four Prophecies

The four weeks of Advent preceding Christmas represent the four great prophecies concerning the coming of the Saviour in the Old Testament.

The first promise of the Redeemer was made in paradise after the fall of our first parents; the woman and her Son would crush the head of the serpent.

The second promise is found in the story of Abraham. This patriarch was chosen as the father of a new nation, and in his seed all the nations of the earth would be blessed. Out of the nation of Abraham the family of David was selected, and out of this family the Saviour of the world would be born, fulfilling the third promise.

Lastly, out of David's family a person was to spring forth, the Virgin Mother of Christ: "A virgin shall bring forth a Son and His name shall be called Emmanuel, God with us."

Nazareth Was Once Subject of Derision

Nazareth, the chosen city and one of Christendom's holiest places, was once very insignificant. In fact, the term "Nazarene" was often applied to Jesus Christ in derision.

When Philip of Bethsaida was chosen as one of the disciples, he happily informed Nathanael, "We have discovered the One about Whom our scriptures speak. He is Jesus of Nazareth, the son of Joseph." And Nathanael replied, "Can anything good come out of Nazareth?"

But, when Nathanael himself came to speak with Jesus, he exclaimed, "Thou art the Son of God; Thou art the King of Israel." Nathanael returned to Nazareth in the company of a few chosen disciples as Jesus was to begin His ministry in the land He loved so well.

CALORIE TIPS

Homemade Salad Dressings Save Cash And Calories

Contrary to popular opinion, salad dressings need not be high in calories. You can whip up your own zesty recipes and save money as well.

They're easy, too. One relies on "V-8" Juice as a base while the other takes advantage of a can of Campbell's Condensed Tomato Soup in a rather inventive creamy dressing.

SPICY FRENCH DRESSING

- 1 can (12 fl. oz.) "V-8" Juice
- 2 Tbsp. vinegar
- 1 tsp. prepared mustard
- 1 tsp. Worcestershire
- Dash paprika

In blender, combine ingredients; blend until smooth. Chill. Serve on salad greens. Makes about 1 1/2 cups. Approximately 3 calories per tablespoon.

EASY THOUSAND ISLAND DRESSING

- 1 c. cottage cheese
- 1 can (10 3/4 oz.) Campbell's Condensed Tomato Soup
- 1 Tbsp. India or sweet pickle relish
- 1 tsp. lemon juice

In jar, combine ingredients; chill. Shake well before serving. Serve on crisp salad greens. Makes about 2 cups. Approximately 13 calories per tablespoon.

**'Yuletide Is Here'—
Love, Warmth, Cheer**

And inside, close to the hearthstone,
There is love and warmth and cheer,
While a gay and festive spirit
Seems to say, "Yuletide is here"

The "gay and festive spirit" praised in this Old English carol is the holiday feeling. What could make anyone feel more festive than love, warmth and cheer? The comfort of being with those you love, family, friends, and neighbors, and of a traditional holiday ceremony, say more than anything could that, indeed, the "Yuletide is here."

Traditions play a most important role in the holiday feeling. Old familiar carols, candies, colors, greens, smells, and sights associate themselves forever with Christmas. Yet new traditions are established every Christmas season which are as much a part of the feeling as that of the timeless tree. Just as the colonial lady chose new foods and decorated with greens, the modern lady selects bright new colors and appealing recipes. No matter what the century the holiday feeling belongs to Christmas.

COLORFUL PLANTS

These colorful little plants are fairly inexpensive and bear fruits that look like ornaments on a Christmas tree. The fruits will last for weeks if you give plants bright light, cool temperatures, and water when needed — Christmas Peppers and Jerusalem Cherries.

Hanukkah Pre-Dates Christmas

Because it is celebrated in December, the Jewish festival of Hanukkah is sometimes referred to as the Jewish Christmas. Gifts are exchanged, candles lit, and there are other similarities in customs associated with Hanukkah and Christmas, but their origins and meanings are different and Hanukkah predates Christmas.

An eight day festival, Hanukkah commemorates the military and spiritual victory of Judas Maccabaeus and his army over the King of Syria, who attempted to crush the Jewish faith in one God. Hanukkah, derived from the Hebrew word meaning dedication, is also called the "Feast of Dedication" and "The Festival of Lights". It always starts on the 25th day of the Jewish month of Kislev.

Because the Jewish calendar is based on the moon rather than the sun, the Jewish holidays fall each year on varying dates of the solar three hundred sixty five day calendar.

HASTE NOT

Don't be in a rush to complete your Christmas shopping, even if you start late. You will probably save money and disappointment if you proceed carefully.

Shop only at reliable stores and remember that the best price may not represent the best buy. Compare prices at different stores before making your selections.

MYRRH LEGEND

According to an old legend, Adonis, a beautiful youth, originated from a myrrh tree. Myrra, daughter of Theias, King of Syria, deceived her father and was exiled to the deserts of Arabia, where the gods transformed her into a myrrh tree. After a time, legend says, the tree burst asunder and Adonis emerged.

CHOCOLATE-PEANUT BUTTER SWIRLS

- 1 cup peanut butter
- 1/2 cup powdered sugar
- 1/4 cup shredded or flaked coconut
- 1/2 cup light corn syrup
- 2 cups Cheerios® cereal
- 1 package (5.75 ounces) milk chocolate chips
- 2 tablespoons water

Mix peanut butter, powdered sugar, coconut and corn syrup in medium bowl. Stir in cereal. Shape mixture into 1 1/2-inch balls; flatten slightly. Heat chocolate chips and water in saucepan over medium heat, stirring constantly, until melted; cool. Dip tops of balls into chocolate. Place on waxed paper-lined cookie sheet. Refrigerate until firm, about 30 minutes. Store in refrigerator. About 2 dozen candies.

Exchanging Gifts A Delicate Matter

Returning or exchanging gifts received for Christmas can be a problem. It is quite proper to return clothing that does not fit for exchange. If a gift arrives damaged, return it to the store where purchased and explain the situation. If purchased out-of-town, write the store, describe the item and damage and ask for instructions.

A gift that was wrapped and mailed by the donor and not insured should be acknowledged as if the gift arrived in good condition.

When making a punch for your holiday party, use a tube cake pan for freezing grapefruit juice or water tinted green with food coloring to which you have added red cherries and mint leaves. When frozen, put in the punch bowl to look like a floating Christmas wreath.

UP, UP AND AWAY... Everywhere, north, south, east and west, America's children await the arrival of Santa Claus on Christmas Eve. As this illustration depicts, Santa is winging his way southward, crossing the 1000 Islands Bridge at Collins Landing, New York.

Evergreens Can Be Safely Decorated

Outdoor evergreen trees can be safely decorated if a few guidelines are followed.

The needles of yew, arborvitae, chamaecyparis and hemlock are sensitive to the heat from bulbs. So are pine, spruce and fir.

Bulbs of 14 wattage are sufficient, but bulbs should never touch needles. Hang sockets downward to prevent water and snow from collecting in them. Use rubber-jacketed or lacquered cord to connect the lights. Periodically check the position of lights as they may shift in the wind.

MANY SANTAS

Santa Claus is found almost everywhere in the world, but his name isn't always the same.

In Russia he may be called "Father Frost" or "Father Winter." In Germany, children look for "Christkindl" or "Kris Kringle." Chinese children anticipate their stockings will be filled by the "Nice Old Father" and Norwegian children expect gifts from an elf, "Jul Tonten."

Hollanders look for "Saint Nickolas" or "Sinterklass." French children await "Pere Noel."

Whatever the name, Santa and gift giving are part of the Christmas tradition around the world.

Christmas Breads Easy To Prepare

Christmas breads are traditional — and not too difficult to prepare.

Start with a package of date-nut bread. Melt a half cup of butter in a saucepan and stir in a half cup of firmly packed brown sugar. Add to this one-half teaspoon of vanilla.

Sprinkle one half cup of slivered almonds or pecans into a greased seven cup ring mold and pour brown sugar over the nuts.

Mix package of date bread mix according to directions, spoon this over the pecan mixtures and bake in a moderate oven at 350 degrees for about forty minutes.

This delicious nut ring can be served hot or cold, or placed in a round tin for gift wrapping.

CHERRY TREE

Almost every tree that we know, in poem or song, has in some way been associated with the Christmas season. No exception is the cherry tree.

According to the well-known "Cherry Tree Carol", the cherry tree bent its boughs so the Virgin Mary could pluck its fruit.

SOLVE THE LEFTOVER TURKEY PROBLEM

With the holidays just around the corner, turkey is bound to appear at one of the big three meals. Roast Turkey with all the trimmings presents no problem, but often how to vary subsequent meals can be a dilemma. Handy helpmates like packaged enriched pre-cooked rice and frozen mixed vegetables with cream sauce transform day-after turkey into a delicious casserole, hearty enough for the family yet special enough for company.

TURKEY-VEGETABLE CASSEROLE

1-1/2 cups hot chicken broth
2 teaspoons butter or margarine
1-1/2 cups Minute rice

1 package (8 oz.) mixed vegetables with onion sauce
1 cup milk
1 teaspoon Worcestershire sauce
1/2 teaspoon salt
1-1/2 cups diced cooked turkey
2 slices process American cheese, cut in triangles

Combine broth, butter and rice in 1-1/2-quart baking dish. Cover and bake at 450° for 10 to 15 minutes. Stir and move rice to sides of dish.

Meanwhile, combine vegetables, milk, Worcestershire sauce, salt and turkey in medium saucepan. Cook and stir over medium heat until mixture comes to a boil; then simmer for 4 minutes. Pour into center of casserole; arrange cheese triangles on top. Bake 2 minutes longer or until cheese is melted. Makes 3 cups plus rice or 4 servings.

SEASON'S CHEER

Here comes Santa with lots of surprises for good girls and boys! Wishing you all a very merry Christmas filled with laughter, joy, and good times together.

Choose Right-Size Turkey This Year

Count on a half pound of whole turkey per serving, and that means about one pound per person if you want second helpings. Thus a 16-pound turkey will feed sixteen to twenty. But, if you want leftovers, buy a 20-pounder, which is a good size for taste and tenderness, too.

A 20-pound bird takes three to four days to defrost in the refrigerator, or about 12 hours in a sinkful of water. In either case, leave the turkey in its original plastic wrapper until it seems thawed. Then unwrap as soon as possible, and pull out the package of giblets from inside the turkey. Often these are still frozen, indicating that the inside of the turkey is also still frozen. Finish thawing either at room temperature or, if you are not in a hurry, in the refrigerator. Keep thawed turkey under refrigeration, since it spoils more rapidly than fresh turkey, and plan to roast it within a day, or at most two days, of thawing.

The Holly and the Ivy,

The Holly bears a berry
As red as any blood;
And Mary bore sweet Jesus Christ
To do poor sinners good.
The Holly bears a prickle
As sharp as any thorn;
And Mary bore sweet Jesus Christ

The Holly bears a bark
As bitter as any gall;
And Mary bore sweet Jesus Christ
For to redeem us all.

DIP FOR FRUIT

If you're looking for something light to serve when unexpected guests arrive, this dip for fruit may be the answer.

- 1½ cups cottage cheese
- 3 tablespoons fruit juice
- 1 teaspoon confectioners' sugar
- ¼ teaspoon cinnamon
- 1/8 teaspoon cloves
- Pineapple chunks, orange segments and other fresh fruits

Beat cottage cheese with fruit juice in blender or mixer with confectioners' sugar, cinnamon and cloves until smooth and creamy. Chill and serve as dip surrounded by fresh fruits. Makes about 1½ cups dip.

BEST OF ALL
 Particularly at Christmas, the things you can't buy are best of all. What about some token of love, about love itself, and friendship, understanding, a helping hand, prayer...and consideration?

These things are not for sale in any store and they are things most people seem to need most. Let's not permit the crowds and the excitement to crowd Christmas out of our hearts, but keep it where it belongs. Christmas is not found in stores, nor under the tree — it is in the hearts of people.

Holiday Hints

You: All Decked Out

Get into the holiday spirit by putting a little extra magic in your mein—and your mane! Deck your hair out for the holidays.

Parties, dinners, the special warmth and intimacy of the season make this the ideal time of the year to express your softest, most romantic side.

Add special excitement to your crowning glory. Experiment with hair ornaments. You can choose from a wonderful array of fashion combs, decorative barrettes, bandeaux, and fashion pins designed by Goody.

High fashion hairstyles this year are delightfully diverse: pompadours, networks of braids, bursts of frothy curls. Clever hair accessories such as adjustable flexible combs can give you a host of ideas for holiday hairstyles. Have fun—let the season go to your head.

PROPER TOYS

Buying a toy for a child should not be a casual thing. The fact you wanted a certain toy when you were a child is no indication your child would like to have one for Christmas. He might prefer to play with the box and the wrappings. Toys children don't favor represent wasted money. If they are too "old" for the child, or so complicated only an adult can manipulate them, the child will have no interest.

We hope you have the happiest Christmas ever.

Hot Buttered Rum Recipe

For unexpected guests or a get-together that does not include meal serving, hot buttered rum and cookies are a good choice. In preparing the drinks for company, you can have the mugs set out with their spices in advance, then complete the drinks with the addition of warmed flavorings and boiling water.

- 2 whole cloves
- 2 whole allspice
- 1 short stick cinnamon
- 1 teaspoon sugar
- Boiling water
- 1 1/2 ounces light rum
- 1/2 ounce dark rum
- 1 teaspoon butter or margarine
- Ground cinnamon-optional

Put the cloves, allspice, stick cinnamon and sugar in mugs or glass and add a tablespoon or two of boiling water. Combine the rums in small saucepan and heat but do not boil. Pour rums into spice mixture, filling mug or glass with boiling water and immediately add butter. Sprinkle with cinnamon if desired. 1 serving.

TREE DECORATION

Decorating the tree should be fun, not confusion, and will be if proper preparations are made.

Straighten out lights along the floor and remove all kinks before you start to trim the tree. Check all bulbs and replace the ones not burning. Disconnect the strings and arrange colored bulbs alternately.

String lights around the tree, starting at the top and placing lights on inside boughs first. When strings are in position, disconnect them before hanging ornaments.

Singing your praises
because you're so special,
we say thanks and wish you a

Applesauce Cookies Are Easy To Make

If you want to bake some cookies with the flavor of Christmas, try applesauce cookies. The following recipe will provide about 4 dozen cookies.

- 1 cup brown sugar
- 3/4 cup oil
- 1 cup applesauce
- 1/2 teaspoon salt
- 1/2 cup chopped nuts
- 1 tsp. vanilla
- 4 cups rolled oats
- 1/2 cup chopped dates

Beat oil and sugar together until well blended, add remaining ingredients, mix well. Drop from teaspoon onto oiled cookie sheet. Bake at 375 degrees for 25 minutes, or until nicely browned. Allow to cool before removing from cookie sheet.

FRUIT CAKES

Fruit cakes can be kept almost indefinitely if they're properly wrapped and stored. Simply sprinkle orange over the cake periodically to keep it from drying out and to add a touch of flavor.

The First Santa Was Saint Nicholas

The first Santa Claus probably never saw snow and never traveled more than a few miles from the place of his birth.

Saint Nicholas was born in semi-tropical Patara, Turkey and, though he never traveled elsewhere, he became the patron saint of a dozen or more countries, of all boys, sailors, and others.

Saint Nicholas became the Bishop of Myra (present-day Demre) and, legend says, performed a series of miracles which brought him great fame. He was imprisoned by Roman Emperor Diocletian and released by Constantine, first emperor to embrace Christianity. He died in 342 A.D. and it was centuries before his fame spread to the modern world.

During the 11th century, Italian sailors took his bones from the chapel in Myra which bore his name and brought them to Bari, Italy. The voyage was so pleasant he became the patron saint of the sailors, Southern Italy and Sicily. His fame spread to seafaring nations.

The custom of putting out stockings in Holland came from the belief Saint Nicholas rode a horse on his gift-giving rounds. They put out wooden shoes filled with carrots and hay for the horse.

Early American attempts to pronounce the Dutch Saint Nikolas brought the familiar Santa Claus. The red suit, reindeer and sleigh came in later years.

POINSETTIAS

The poinsettia is a welcome Christmas gift, but does require some special attention. They will last longer if they have plenty of light, are kept in a cool place and given proper watering.

Proper watering is necessary to prevent leaves from dropping. Water soil thoroughly, until water runs from the bottom of the pot, then allow to become rather dry before watering again.

CANDLELIGHT

If you want a candlelight atmosphere for Christmas, don't deny yourself, but exercise proper caution with this potential fire hazard.

Never place lighted candles on the Christmas tree, or in the window. Do not use candles in any way with decorations that are flammable. Light candles only when someone is in the room and extinguish them when you leave the room or house.

Dashing by with wishes for a Christmas resplendant with old time pleasures!

Make Your Own WREATH

You will need heavy-gauge wire for forming a circular frame or hoop, evergreen branches six or eight inches long, and light, flexible wire for fastening branches to the hoop.

When a hoop is completed, lay an evergreen branch face up on the left side of the hoop and wire the stem tightly to it. Then place the next branch so it overlaps the first, like shingles on a roof, and fasten again. Continue adding branches in a counterclockwise direction until wreath is finished.

Decorate your wreath with cones, berries, nuts, seed pods, dried weeds, bows, bells or other ornaments. It is better not to use spray paint, glitter or artificial snow — your wreath will retain its natural look.

Wreaths, of course, can be hung on doors, in windows or used as table decorations.

Santa Claus, Indiana, is the postmark Santa uses to answer the thousands of letters which find him in residence at Santa Claus Land all year long.

COOKIES & POPCORN

It's old-fashioned and fun to decorate Christmas trees with garlands of popcorn and cranberries and homemade cookies. Even if you prefer only ornaments, tinsels and lights, don't overlook the joy of making cookies for Christmas. Cookies and popcorn add a warm and hospitable aroma to the household and give children an inner happiness that can never be bought and is long remembered.

Nut Trifles Holiday Treat

Cookies and Christmas go together like apple pie and ice cream. They are a favorite holiday treat for children, are nice to have when guests drop by to visit or exchange gifts. Nut trifles are easy to make and tasty, too.

Walnuts
 1/3 cup sugar
 1/4 teaspoon salt
 1 large egg white, unbeaten
 1/4 teaspoon vanilla
 Confectioners' sugar

Grate nuts in blender, enough to make 1 cup; turn into small mixing bowl. Add remaining ingredients and stir well. Using 1/2 teaspoon for each, roll into small balls. Place a few inches apart on well-buttered cookie sheet. Preheat oven to 275 degrees and bake for 20 minutes. Remove with spatula and roll in confectioners' sugar. Makes 2 dozen chewy cookies.

Blending all the right ingredients that make this holiday special and serving them up for your Christmas pleasure. Thanks.

Christmas Is Holiday For Entire Family

It is wrongly stated that "Christmas is for children." Christmas is a Holy Day and a holiday more truly for the family.

The birth of the infant Jesus is also, in a sense, a feast of the Holy Family, bringing to mind the blessings, trials, joys, sorrows and anxieties of Mary and Joseph.

It is natural that the traditions of Christmas in every land center upon the family and its symbols. The special magic of Christmas is for everyone, and through traditions and customs the bonds of family love and unity are renewed and strengthened.

BAH, HUMBUG... Of all the fictional characters associated with Christmas, few are better known, even if less-liked than Ebenezer Scrooge. One of the most famous recordings of Dicken's "A Christmas Carol" was done by Sir Ralph Richardson. When you listen, you can almost see Marley's ghost.

Gift Of Food Expresses Holiday Wish

Personal expressions of "Seasons Greetings" often come in the form of festive candies, cookies or other gifts of holiday goodies. Homemade fudge is always popular. Now with the availability of a convenient mix, it is easier than ever to make perfect fudge at home. Salada® 4 Minute Fudge™ mix makes one pound of delicious chocolate fudge in minutes. Microwave directions and several flavor variations are included on the package.

Fudge mix can also be used to make three-layer Fudge Mint Brownies, a recipe that will delight any fudge-fancier or brownie-lover. A rich, nut-filled brownie is the bottom layer. A cool, green mint filling is topped by a layer of creamy fudge. Fudge Mint Brownies and creamy chocolate fudge are both ideal additions to any holiday gift list.

FUDGE MINT BROWNIES

- | | |
|--|--|
| 1 cup all-purpose flour | 3 tablespoons margarine or butter |
| 1/2 teaspoon baking powder | 4 teaspoons milk |
| 3/4 cup margarine or butter, softened | 1/2 teaspoon peppermint extract |
| 2 eggs | 3 drops green food coloring |
| 1 teaspoon vanilla flavoring | 1 1/2 cups sifted confectioners' sugar |
| 1 package (14 oz.) Salada® 4 Minute Fudge™ mix | 2 tablespoons margarine or butter |
| 1/2 cup chopped walnuts | 2 tablespoons water |

1. Stir together flour and baking powder. Set aside.
2. In large mixing bowl, beat the 3/4 cup margarine, eggs, vanilla and 1 1/2 cups of the Fudge mix until smooth and creamy. Stir in flour mixture, mixing well. Stir in nuts. Spread in greased 9 x 9 x 2-inch baking pan.
3. Bake in oven at 350° F. about 40 minutes or until tests done. Cool slightly.
4. In small saucepan, melt the 3 tablespoons margarine. Add milk, peppermint extract, food coloring and sugar, stirring until smooth. Remove from heat. Spread over warm brownies. Chill until firm.
5. Melt the 2 tablespoons margarine in small saucepan over low heat. Remove from heat. Stir in water and remaining Fudge mix. Place over low heat. Cook 4 minutes, stirring constantly. Quickly spread on chilled filling. Let stand until fudge is firm. Yield: 36 squares.

Americans say Christmas in many different ways

A Christmas gathering, complete with songs and presents, would be called a "Christmas party" in Wisconsin, but not in many other places across the country.

A Minnesotan might say he was attending "Christmas fools." Or in New York or Washington, "Christmas shindig" might be the appropriate term.

In Michigan you would say a "Christmas do." In Maryland, a "Christmas thing." In Utah, it may be "Christmas exercises."

University of Wisconsin-Madison Prof. Frederic G. Cassidy has spent 14 years working on his "Dictionary of American Regional English" (DARE), a dictionary that will include expressions for

"Christmas gathering" and 100,000 other terms.

Cassidy intends DARE to be an accurate account of the "language of the people." He said, "The dictionary will include America's folk language. It's the kind of language you gain from inheritance and not books."

Cassidy expects DARE to be published in 1980. He and his staff of nine have been cataloging words from 1,002 communities since 1970.

So during this Christmas season if you're asked to attend a Californian "Christmas jamboree," be sure to take a present. And if you are asked to take part in a "Christmas affair," don't be embarrassed. You'll probably spend a wholesome evening with pleasant Pennsylvanians.

SAFE TOYS

Look for safety and quality when buying toys for Christmas. These two factors are far more important than price.

Toys should be flameproof, sturdy, and free of sharp edges. Durable, bright, creative toys are not necessarily expensive and will make for a Merry Christmas.

ABOUT CHRIST

"If Christ is to remain alive in the life of men, eternally present with us, it is absolutely necessary to resuscitate Him from time to time, not to color Him with dyes of the present day, but to represent with new words, with references to things now happening, His eternal truth and His never-changing story."

Cakes and Cookies Are Traditional

The popularity of cakes and cookies at Christmas may be a survival of an early Roman custom. On Saturnalia, the Roman mid-winter holiday, each Roman senator was given a confection to celebrate the coming of spring. The delightful custom of decorative sweets continued into Christian times.

A German favorite is pfefferkuchen, a hard, round, spicy cookie made in great quantities at Christmas. Scandinavian women spend days baking pastries for the holidays. French like cakes baked in the form of a chocolate Yule log and Rumanians make their cakes in folds, symbolic of the swaddling clothes of the Christ Child.

Christmas Goblin Measures Value

Goblins are associated with Halloween, not Christmas, but there is one legend about a Christmas goblin. According to an old story, the goblin went about the world at Christmas-time with a magic scale to weigh the value of people's thoughts and deeds.

He met a man who had purchased a new car for Christmas, put it on the scales and it weighed nothing. He met a happy boy who had looked into the closet hiding place and saw many gifts he would receive on Christmas morning. He put them all on the scales and they weighed nothing.

Next, the goblin met a very rich woman, who was busy knitting. She told him she was knitting a scarf for a sick friend. "Why do you not buy her one," the goblin asked. "Because," the woman replied, "the time and effort I extend is a token of my love and friendship." The goblin placed the scarf on the scales and it weighed to the limit.

Bostonian Fathered American Cards

Louis Prang, of Boston, is generally recognized as "father of the American Christmas card."

Prang, a German refugee, established a successful business selling visiting cards, business advertisements and announcements, both in Boston and in England.

Sold for only a penny, Prang's first Christmas cards were small by present-day standards. He commissioned work from American artists Elihu Vedder, Douglas Volk and J. Alden Weir.

CHRISTIAN CANDLE

The Christian candle, symbolic of Christ as "The Light of the World", originated from Roman and Hebrew customs. Tapers of tallow from animal fats later became candles made of beeswax.

In many nations, candles were placed on branches of the Christmas tree, secured by metal holders. Sanctified, they were believed to radiate love and friendship, to dispel hatred and discord.

What's up in holiday decorating?

Go ahead and deck the halls during the holiday season. But observe these safety precautions from Continental Insurance:

1. Buy only a fresh Christmas tree. A tree isn't fresh if it is brittle and sheds needles.
2. Keep the tree moist by placing it in water after cutting an inch or two off its base. Check the water level frequently.
3. Position the tree away from doorways and heat sources.
4. Before trimming the tree, check the content of the tinsel. Use only lead-free decorating materials, especially if you have small children.
5. Do not place electric lights on a metal tree. Colored floorlights are the only safe illumination for such trees.
6. Use decorative lights tested for safety by the Underwriters Laboratories. Look for the "UL" mark.
7. Before connecting decorative lights, check for frayed or exposed wires and broken or cracked sockets. Never plug more than three sets of lights into an extension cord.
8. Indoor lights should not be used outside.
9. Turn off decorative lights — indoors and outdoors — when you leave the house or turn in for the night.
10. Remove outdoor lights as soon as the holidays are over. Even weatherproofed lights are not made to withstand extended exposure to the elements. Also, take down the tree before it becomes too dry.

How To Select Gifts For "Her"

She would love to receive it, but won't buy it. There, in simple language, is the type of gift a woman likes to receive on Christmas morning.

Men have trouble selecting gifts for women because they don't understand feminine reasoning. A woman who pays \$50 for a dress would not pay the same amount for a sweater — but she would love to have a \$50 cashmere sweater. That's feminine reasoning.

What it boils down to is practicality. The average woman will buy something for herself that appears to be the most for her money. Although she may wish to own something frivolous and extravagant, usually she will not buy it.

The secret for husband or boyfriend is to determine what she likes but won't purchase for herself.

LET'S SEE NOW... As Christmas nears, shoppers become more active, trying to be sure there's a gift on hand for everyone on the list. Merchants remain open longer hours and, although many folks are working longer and harder, the Christmas spirit becomes more and more evident. That's the way it is with Christmas.

The Christmas shopping season is the biggest sales period of the year for most retailers. And, stretching out the holiday season, gives stores a chance to function more efficiently. When clerks are less harried and stores less crowded, shopping is more pleasant for everyone.

Most merchants know that a large percentage of gifts selected at Christmastime are plentiful throughout the year. In case they may have underestimated your enthusiasm for a particular item, the longer shopping period gives them a chance to reorder so late shoppers won't be disappointed.

Last minute "panic" buying is not only a headache for you, but creates problems for the merchants. When you take more days to shop, you can do your job by selecting gifts more thoroughly. You can visit more stores, compare prices and quality, and both you and the receiver will be more satisfied with your selection.

Most merchants are sincere in their efforts to perform a helpful service at this very busy time of year. And that's why stores start Christmas early.

Fireplace Adds To Holiday Atmosphere

For many families, the holidays would be incomplete without a fire in the fireplace. However, a small fire is just as cheerful as a roaring one — and much safer.

Most people prefer wood logs, although coal or charcoal can be used, especially in small fireplaces with grates. Hardwoods make the best wood fire. Scrap lumber or softwood create too hot a flame and can cause sparks to fly out the chimney. This may be a fire hazard to your roof or nearby trees.

If a fire is not out before you retire, push the logs in to the rear of the fireplace or stand them securely in either corner. Be sure the fireplace screen is securely in place. At Christmastime, **DO NOT** burn wrappings from presents in the fireplace. Flames may flare into the room.

Safety tips given for yule lighting

Lighted candles and Christmas tree lights are potential fire hazards.

Consider the fact that the lights are normally used once a year, but homeowners seldom inspect the lights for possible frayed or crimped wires that could lead to short circuits, or defective sockets that could create special electrical problems of their own.

Here are some safety tips for Christmas tree lights:

- ★ Use only approved electrical lights at all times (UL, Noel, etc.). Use the proper lights for the environment; indoor lights should not be used outside because they lack weatherproof connections.

Lack of proper insulation increases chances of a short circuit or fire.

- ★ Inspect all lights when unpacking before the holidays. Check for frayed, broken or exposed wires. Look for broken or split sockets. Discard any sets with broken sockets or frayed or cracked wires.

- ★ Inspect bulbs for safe operation. Some lighting sets are wired so that failure of one bulb will not cause others to go dark. In these cases, be sure an exact replacement bulb is used.

Replace the bulb before using the set since the other bulbs will tend to overheat and create another hazard in the process. If all bulbs are extinguished when one fails, obtain a proper bulb since the set will not operate without it.

- ★ Never use electric lights on metallic trees. Although safe when used according to the manufacturer's directions, metallic trees can become charged with electricity from faulty electric lights. This may result in a shock or electrocution hazard to anyone touching the energized tree.

- ★ Use no more than three sets of lights for each extension cord.

- ★ Inspect all rooms before retiring for the night or leaving the house. Make certain all tree and display lights have been turned off and the plugs disconnected. Many fires occur when lights are left burning in an unattended house.

Mistletoe Subject Of Superstition

The ancient Druids called mistletoe "all heal", believing it had miraculous powers to cure diseases. The Druids probably are responsible for the mistletoe kiss — but custom demanded the mistletoe first be cut with a golden knife and that one berry be removed each time someone kissed beneath it.

According to an ancient Norse myth, mistletoe berries are symbolic of tears shed by Freyja, the goddess of love. Balder, the god of light, couldn't be hurt by anything that grew on — or under — the earth. The evil god, Loki, knowing mistletoe grew neither on earth nor under it, had Balder slain with a spear tipped with mistletoe.

Balder was mourned by all creatures in heaven and on earth, including Freyja, and the tears she shed became the pearly berries of the plant, which even today symbolizes love.

Christmas Seal Idea Began In Denmark

Christmas seals, the seasonal reminder of the fight to stamp out tuberculosis, have been around since 1904.

The idea was that of a Danish postal clerk, Einar Holboell. Sorting Christmas mail in 1903, Holboell mentioned the idea to his fellow workers as a way to help defray the costs of fighting tuberculosis. The idea reached King Christian, who approved, and the image of Queen Louise appeared on the first seals in 1904.

A Danish-born American, Jacob Riis, sold the idea to the American public in a 1907 magazine article and a Red Cross worker, Miss Emily Bissell, started the first American sales that year.

Washington Began Open House Policy

George Washington, some historians say, is responsible for the "Open House" custom that is an American tradition. In the year 1790, when the seat of government was in New York, the first president opened the doors of the Presidential mansion to home and foreign diplomats as well as local citizens.

The "Open House" custom grew in popularity and at the turn of the 20th century, it was common for newspapers to carry "at home" notices announcing the hours during which visitors would be received. Hosts and hostesses received guests during certain hours, then joined the procession of callers to the next open house.

YULE LOG

In days of old, the Yule Log was brought into the house on Christmas Eve and kindled with a piece of last year's log. It was necessary that the log be very large, so that it would burn throughout Christmas Day. If it died out prematurely, bad luck was foretold for the coming year.

Italy's Befana Brings Gifts

One of the most interesting of our Christmas legends comes to us from ancient Italy.

The Three Wise Men, searching for the Christ Child, stopped to ask directions of an old woman, Befana. They invited her to go with them to worship the new born King, but Befana would not leave until she had swept her house and baked her bread. Impatient, the Wise Men left without her.

When her housework was completed, Befana packed a basket of toys and set out to find the Wise Men. Legend says she never found them, nor the stable where Christ was born and, to this time, each Christmas she searches with her basket of toys, leaving gifts for children along the way.

WITH SANTA... No visit to the big department store during the holiday season is complete without a visit to Santa. The old gentleman in the red suit usually holds forth in some prominent location. Grownups often enjoy watching the reactions of little boys and girls as they tell Santa about their Christmas hopes and dreams.

Holiday Trees Make Good Eating

Cookie trees make a delightful holiday centerpiece and are easy to construct. This pair of green frosted sugar cookie trees provides the background for purchased straw angels. Artificial snow adds a wintery atmosphere. By using refrigerated slice and bake sugar cookie dough, you can concentrate on being creative. One roll will make two trees, each seven inches high on its styrofoam base.

COOKIE TREE CENTERPIECE

Materials Needed for Two Trees:

- 1 roll refrigerated sugar slice and bake cookies
- 4-inch, 3-inch and 2-inch star shaped cookie cutters or patterns cut from paper
- Butter cream frosting, tinted green (about 1 cup)
- "Red hots" or other decorator candies
- 2 round styrofoam bases, each 1-inch thick and 4-inches in diameter
- 2/3 yard 1-inch satin ribbon (to trim base)
- 2 8-inch bamboo skewers (from a craft shop)
- 3 packages Life Savers® candies
- 2 large gumdrops for top stars

TO MAKE THE TREES:

1. Soften cookie dough at room temperature. (For easiest handling, roll out half the dough at a time.) On lightly floured surface or between wax paper, roll dough 1/4-inch thick. For each tree cut out three 4-inch stars, three 3-inch stars and two 2-inch stars. (If dough becomes too soft to handle, refrigerate for a few minutes.) Place stars on ungreased cookie sheet. Bake at 350° for 8 to 10 minutes, until light golden brown around edges. (Do not over-bake.) Cool completely on rack.
2. Frost stars with green frosting and decorate with "red hots." (For added stability, or if humidity is high, cookies can be glued to cardboard.)
3. Roll out each gumdrop about 1/4-inch thick. Cut one small star from each gumdrop.
4. Carefully make a small hole in center of each star cookie with toothpick.
5. Pin ribbon around edge of each styrofoam base. Insert skewer in center of base for "trunk" of tree.
6. Assemble tree by alternating each star with two Life Savers® on bamboo skewer, starting with 4-inch star. Top tree with gumdrop star.

Here's Prayer For Christmas

St. Francis of Assisi is perhaps best remembered for his influence on the caroling tradition. He was, however, a great friend to animals and a writer of note. He is given credit for authorship of this Christmas Prayer:

Lord, make me an instrument of Thy Peace

Where there is hatred, let me sow love.

Where there is injury, pardon. Where there is doubt, faith. Where there is despair, Hope. Where there is darkness, light. Where there is sadness, joy.

O Divine Master, Grant that I may not so much seek to be consoled as to console;

To be understood, as to understand;

To be loved, as to love;

For it is in giving that we receive.

It is in pardoning that we are pardoned,

And it is in dying that we are born to Eternal Life.

Make Jolly Snowman To Welcome Guests

Cover one large and one small styrofoam ball with foil. Use toothpicks to fasten together. Make a face on the smaller ball with buttons for eyes, yarn for eyebrows, a tiny red ball for nose and a crescent of yarn or red paper for mouth. Make buttons down the front with small buttons. Crush foil for arms, make hands with red mittens from cardboard and yarn. Fasten these to body with toothpicks or common pins. Stand the snowman on a circle or star of cardboard covered with foil and marked with bright yarn. Make a hat from a drinking cup covered with foil. Tie red yarn around the brim and make a scarf from several strands of yarn braided together. Stand the snowman on a hill of white cotton and group small foil covered balls around with sprigs of Christmas greens.

Tips On Toys

Helpful Hints for Fun, Safety and Economy

Picking Playthings

Toys can be expressions of love. The right toy at the right time can help a child feel more secure and appreciated. Many adults, however, have found that finding the right toy in today's dazzling array is far from child's play. The Toy Manufacturers of America have some suggestions to help you decide what to get.

1. Select toys that are appropriate to the age, interest and capabilities of the individual child. Suggested age labeling by the toy manufacturer can help as a general guide, but each child plays at his own pace.

The right toy at the right time can help a child feel more secure and loved.

2. The best playthings possess one or more specific qualities. They might: provide a degree of realism, that is, be reproductions of an adult world object; be functional, something that can be controlled by the child, such as a car with rolling wheels; provide a variety of play experiences, like blocks, which can be used in different arrangements.

3. Toys should be safe. Stringent industry voluntary standards and government regulations have made American toys among the safest in the world. There is, however, no substitute for responsible adult supervision. Also, be sure to read carefully all instructions included in and on the toy packaging.

4. Finally, remember, toys are for fun!

Evergreens Part Of Ancient Rituals

Evergreens were used in traditional ceremonies long before the birth of Christ. Egyptians, celebrating the winter solstice, shortest day of the year, brought green date palms into their homes as a symbol of "life triumphant over death."

The evergreen bough was used by the Romans in their observance of the feast of Saturn. The Druids believed that a sprig of evergreen in the house meant eternal life. Early Scandinavians paid homage to the fir tree and, for Norsemen, evergreens symbolized the revival of their sun god, Balder.

BELENES

In Spain, popularity of "Belenes" or "Nacimientos" is so great that vendors set up stands before the holidays to offer the materials needed to create a home Nativity scene — colorful clay, wood and cardboard figures.

In some villages, a prize is awarded for the best arrangement of a Belenes.

A proud possession of the Benedictine Monastery of Montserrat near Barcelona is a small carved figure of the Madonna and Child, believed carved by St. Luke and brought to Spain by St. Peter in 31 A.D.
