Lift Winter Parking Restrictions

Proposed Election Regulations Mean 3 Voting Wards in Village

By GERRY MUELLER
Statesman Staff Writer

New election regulations which are to take effect approximately 90 days after official acceptance of the 1980 census will result in three voting wards in the Village of Kewaskum.

Commissioner Bill Martin said the new rules state any village or town having a population over 1,000 will be required to establish wards. Each ward is to have no less than 300 or more than 1,000 residents in that voting ward. With Kewaskum's 1980 census at approximately 2,378, the village will have between 700 and 800 in each ward. All three wards may be at the same polling place, however, each ward will be required to have separate books and ballot boxes. If the 1980 census figures are accepted on schedule, the new regulations could go into effect by September 1981.

At Monday night's meeting, Jeff Rohrer, Chairman of the Parks and Recreation Committee, informed the board that fees have been set for the 1981 baseball season. Team fees are \$70.00 and players from outside the village limits will be charged \$7.00. Rohrer noted the considerable drop for team fees from \$85.00, plus \$26.00 lighting costs, was due to the fact the village will be maintaining only the two diamonds at the new park rather than the park and school property diamonds as in the past. Rohrer noted the committee also wanted to keep fees down since the park system will be going through some changes and "the teams will have to bear with us through our growing pains and organizing the new diamonds."

A Baseball League meeting is scheduled for April 9, at 7:00 p.m.

Rohrer also asked for approval to purchase approximately \$1,400.00 in building materials for the new concession stand. Rohrer stated \$7,000 had been budgeted for construction, however, he and Public Works Superintendent Augie Bilgo felt the Public Works Department could build the stand without having to contract the job, resulting in a considerable saving for the village. The board approved funds for the 16 ft. x 16 ft. building.

Rohrer hoped the village would be able to rent the concession stand out to some individuals who would run it during the week, with the stand being available during the weekend for use by groups using the diamonds and park.

In other park-related business, the board voted to accept the bid of Packerland Fencing to supply and erect basketball backstop fencing. Packerland's quote of \$992.00 for two 10 x 20 ft. back and four 10 x 6 ft. side sections plus labor was low bid. United States Steel Fence Supply came in with the highest bid of \$1,977.00. The board decided to go ahead with this purchase so it could take advantage of a funding program that is due to expire in June.

Village Administrator Dan Schmidt received approval to advertise for summer employees. Applications must be returned by April 22, and interviews will be held on April 25. Schmidt noted the village was eligible to request up to three CETA employees, however, indications are CETA is about to go out of existence due to cuts in government funding. The board suggested Schmidt apply for two CETA workers in the event the program is continued.

The board also approved a contract with Dan Thompson, Action Associates, to do an Optional Use Report for the TIF program. Cost of the contract will be \$6,000, for eight meetings and a final report due June 1.

The board approved purchase of a used 1979 Chevrolet 3/4 ton pick-up truck for the Public Works Department. The sum of \$8,500.00, was in the budget for purchase of a new vehicle. The used truck is in excellent condition and has only 16,000 miles on it. Honeck Chevrolet quoted a price of \$5,500.00. Bilgo noted this would be a saving of \$3,000.00 for the village.

The board approved a motion to lift the Winter Street Parking Restrictions effective March 16.

Commissioner Bill Martin held the drawing for places on the April 7th ballot for Village Board. Paul Blumer will be in the No. 1 slot, David Nigh No. 2, James Scott No. 3, and Jeff Rohrer No. 4. Incumbent President Gerald Stollenwerk and Richard Schmidt are running unopposed for their seats on the board.

Mr. and Mrs. Marvin Martin gave a brief report on the Emergency Government Conference which they attended.

The board voted to increase village insurance coverage as previously recommended. Line-backer coverage will be increased from \$225,000.00 to \$1,000,000.00 and bonding from \$25,000.00 to \$50,000.00.

Schmidt informed the board that Mrs. Marlene Erickson had been appointed to the Washington County Library Board.

A citizen request for a stop sign at the corner of Pleasantwood and Lazy Lane was turned over to the Protection and Public Safety Committee.

Elementary PTO Meets March 26

The Kewaskum Elementary P.T.O. will meet on March 26, at 7:30. After the business meeting, which should not last more than a half hour, we will enjoy presentations by the Special Education staff and our reading specialist, George Allmann. It proves to be an informative evening.

There is still time for those of you who have not previously volunteered for one of our committees. We realize that all parents can not attend our meetings. If you wish to volunteer your noon hour for playground supervision, call the committee chairpersons, Ellen Coulter (626-4607) or Sherry Kocher (533-8116). If you would like a personal tour of the school during the school day, call Audrey McKenna (533-8814) or Rita Osterbrink (629-9417). We are always in need of helping parents for the classroom. Call Cheryl Ammel (626-4731) or Kathy Charland (626-4687) for more information on this service. The healthroom is also in need of volunteers before we can go into full operation. If you can help us out in this area, please call Pam Schroeder (626-8086) or Mary Gosa (626-8005).

Our May 28 meeting will feature our kindergarten readiness seminar. All parents of kindergarteners for the 1981-82 school year are invited to attend.

Just a reminder to all parents that the Parent-Teacher Power Banner will be given away again at the March 26 meeting. The classroom with the largest percentage of parents attending the meeting will keep the banner until May. Mrs. Moe's second graders were the proud youngsters who had won the banner at the January meeting.

Cancel Concert

Due to a number of conflicts for the students involved, the Kewaskum High School music department's solo and ensemble concert has been cancelled. It was originally scheduled for Tuesday evening, March 24.

Kewaskum Receives 8 'A' Ratings in Sub-District Forensic Competition

Kewaskum High School's Forensics team traveled to Hamilton-Sussex High School on March 12 to compete in the sub-district forensic contest. Those receiving "A" ratings from KHS were Doreen Jacobs and Beth Strigenz in Declamations; Lori Lloyd, Julie Dettmann, and Tim Indermuehle in Prose Reading; Shelly Sekas in Poetry Reading; Jenny Mueller in The Four Minute Speech; and Bob Lemke in Significant Speeches.

"B" ratings went to Phyllis Birkholz in Declamations; Darla Prost in Prose Reading; Marcie Smolinski and Wendy Wilson in Interpreters Theater; Amy Sekas, Jama Jacak and Tammy Hoepner in Poetry Reading; Kevin Chesak and John Rimmel in Play Acting; Mary Schmidt in Oratory; Colleen Kumrow in the Four Minute Speech; and Chris Voigt and Sue Osterbrink in Significant Speech.

KHS Rates Very Good at Conference Music Contest

Kewaskum High School's bands and choirs were all rated "very good" at the conference music contest last Friday, March 13, at Kiel.

The two bands and two choirs were rated along with musical groups from eight other schools, both in and outside of the new Eastern Wisconsin Conference.

Following an hour-long ride to Kiel, each group had about 20 minutes to perform three numbers: a warm-up piece, a selective piece, and a required piece. A clinician, Dr. Robert Levy of Lawrence University, then worked with the bands, giving them suggestions as to how their music could be improved.

Three judges rated the groups on a scale from 5-1 (poor average, very good, superior) in seven categories: Tone, Intonation, Balance, Technique, Interpretation, Musical Effect, and Other Factors (appearance, discipline, etc.) In all cases, Kewaskum's ratings averaged to seconds.

Confusing discrepancies arose in the cases of the mixed chorus and symphonic band, where three judges rated the groups differently, giving out one first, one second, and one third. The judges conflicting decisions were final, however, and the ratings stood.

The girls chorus received three second ratings. The concert band's two seconds and one third averaged to a second rating.

On March 24 the entries forensics team travels to New Holstein to compete in the Eastern Wisconsin Conference competition.

Only those students receiving "A" ratings in the sub-district competition will move on to district competition on March 28 at Brookfield East High School. "A" ratings at the district level will advance students to the state competition on April 25 and 26 in Madison.

This year's forensics squad is coached by Ms. Mary McCormick and Ms. Barb York. Both coaches are very pleased with this year's turn out for the squad and the fine efforts all are displaying.

Grass Fire Calls Plague Firemen

Due to the lack of moisture and dry conditions, Kewaskum and other neighboring fire departments were plagued by a rash of grass fire calls the past week, including 11 over the weekend alone. Kewaskum firefighters answered three grass fire calls the past week. Conditions will not be improved until some snow or rain arrives or the green foliage makes its appearance. This has been an odd winter with very little snow and cold weather.

Last Wednesday afternoon about 2:50 o'clock Kewaskum firemen responded to a grass fire call on Kettle Moraine Drive, 1/2-mile south of County Trunk H. It is believed the fire was caused by sparks from a car being towed.

The next call came about 2:44 a.m. Saturday when five separate grass fires were reported burning along the Chicago & North Western railroad right-of-way in the Town of Kewaskum. The fires were all in the vicinity of Hwy. 45 and County Trunk H south of the village. Kewaskum firemen extinguished all of the fires. It could not be determined if a passing train was the cause of the fires.

Sunday afternoon local firemen were called to New Fane where fire burned over a large area of grass on a hill on the east side of town, across the road and field from Hinn's Tavern.

Among grass fires responded to by West Bend firefighters over the weekend were one at 3462 Town Hall Road in the Town of Kewaskum at 5:34 p.m. Saturday, and another at 7579 Friendly Drive, Town of Kewaskum, at the same time Saturday.

Duncan Hines Layer Cake Mix

2 Boxes Free

HERE'S HOW:

Annual Girl Scout Banquet Held at Amerahn

The annual Girl Scout Banquet was held on Sunday, March 15, at the Amerahn Hall with a potluck dinner being served at 5:00 o'clock.

Before dinner Vivian Stommel, chairman, welcomed the 450 parents, guests, and scouts, which was followed by the flag ceremony under the direction of Lois Bartz. All the girls sang "I'm a Girl Scout" and Rev. Joiner than gave the prayer.

Following the dinner Vivian Stommel introduced the guests and Pat Morgan introduced the leaders and commented on the wonderful job they were doing. She then gave out the special awards to the scouts. Other awards were also given.

The program "This Land Is Your Land" was given by the twelve Kewaskum and Wayne area troops, depicting the different states. All the troops, with the guidance of their leaders, portrayed fantastic

skits.

The law and promise was given by the cadettes followed by the candle lighting ceremony when the songs "This Land Is Your Land" and "Let There Be Peace On Earth" were sung by all.

The closing Flag Ceremony was performed by the Girl Scouts.

Alicia Pooler won the beautiful Girl Scout quilt made and designed by the leaders.

LETTERS TO THE EDITOR

A PARENT SPEAKS OUT FOR YOUNG PEOPLE

"Where can all our children go? The answer to this question is simple - no where! Kewaskum has done nothing to give our young people a place to enjoy themselves and interact among their peers, other than schools, street corners, cars, etc.

The educating of our children must go further than just the ABC's. Social graces and social interaction are also important in molding the "total" person. These things cannot be learned if they are never experienced.

I firmly believe that if we provide our children with a place to congregate and something to occupy their time there will be less problems in the streets. Yesterday's "social centers" are proof of that. It is my contention; kids, who cause trouble in a community, do so because they are bored in a community, do so because they are bored and without direction.

Let's channel our young

people's energy into something worthwhile and enjoyable to them. I'm sure that there are other parents in the community who care enough to help with such a project. Refreshments could be sold. This would defray the cost. Records could be brought by the students and eventually small musical groups from our schools might even be encouraged to participate.

Other schools in the area have been successful. Why can't we? Let's give our kids a chance to socialize someplace other than street corners, parking lots, and dark parks. Let's show them that we care.

A parent who wants to help

HEALTH TIP

from Tom
Leitzke, R.P.H.

Traveling out of the country? Don't buy non-prescription drugs in a foreign country, warns The Medical Letter. Many countries don't require that over-the-counter drugs be proven safe or effective. Even prescription drugs may vary in strength and quality from country to country. They advise travelers to carry a full supply of prescription or nonprescription drugs needed for the duration of the trip - and have them properly labeled to avoid problems with customs officers.

Death Of Mrs. Ned Sengpiel

Mrs. Geraldine E. Sengpiel, 64, of Route 2, Kewaskum, passed away at St. Joseph's Hospital in Milwaukee on Monday, March 16.

Mrs. Sengpiel was born in Menomonee Falls, May 8, 1916, to the late Harry and Ellen Corfeld Rubel. On August 18, 1934, she married Ned W. Sengpiel in Minneapolis, Minnesota. She was a member of the Peace UCC Church in Kewaskum.

Survivors include her husband; three children, Mrs. Sue (James) Lecher of Brookfield, William (Pam) and Mrs. Ellen (Michael) Coulter, both of Kewaskum; and seven grandchildren. One brother preceded her in death.

Visitation at Miller's Funeral Home, Kewaskum, was after 4 p.m. Wednesday. Services were held at 8:30 p.m. at the funeral home on Wednesday evening with Rev. Darrell Joiner officiating. Burial was on Thursday morning at 10:00 a.m. in the Peace UCC Church cemetery.

Memorials to the Peace UCC Church memorial fund would be appreciated.

JOYCE LAUBENSTEIN

Mrs. Joyce Laubenstein, 52, of 3111 Monroe St., Two Rivers, died Friday, March 6, at St. Joseph Hospital, Marshfield.

Mrs. Laubenstein was recently engaged to Victor Backhaus of Kewaskum and had many friends in this area.

She was born Aug. 26, 1928, at Madison, daughter of the late Ronald W. Hawley and Helen Slinger. She was married to Donald Laubenstein May 14, 1949, at Madison. Mrs. Laubenstein had lived in Two Rivers since 1949. Her husband preceded her in death Dec. 12, 1973.

She was president of Elks Ladies Auxiliary, past matron of the Eastern Star and chairper-

Conference for Nutrition Site Managers at MPTI

A conference for Nutrition Site Managers and personnel has been scheduled for Friday, March 20, by the home economics division of Moraine Park Technical Institute, West Bend. Nutrition consultant Linda Zorn, R.D., Dairy Council of Wisconsin, Milwaukee, will focus on health and nutritional needs in her presentation: "To Your Health: The Second 50 Years."

Sue Schumacher, MPTI home economist, will discuss "Helping Seniors Cope with Diet Changes," since most senior citizens want to decrease sugar,

salt, and fat in their diets. "Safety and First Aid for Seniors" will be presented by Marilyn Muraski, R.N., B.S.N., Moraine Park Technical Institute. And MPTI home economics specialist Claire Ciha will explain "First Steps in Media Coverage."

Concluding the six hour conference, Alice Ridolfi, MPTI communications instructor, will talk to managers and personnel about "Communication and Human Relations: Developing Active Listening Skills."

This Food Handlers' Seminar will be held at the West Bend Senior Center, 403 E. Washington Ave. Contact Katherine Rath, Coordinator for the Nutrition program, Washington County, for registration, telephone 338-4491.

Popcorn makers can puff each kernel to forty times its size and more, so a quart-sized container of popcorn actually contains about an ounce of corn.

Enright Joins RE/MAX

Ann Enright

Ann Enright has joined RE/MAX of west bend, a real estate firm at 205 S. Seventh Avenue, West Bend, as a sales associate.

The announcement was made by Dan Coulter, broker-owner of RE/MAX of west bend.

Enright was born in the Kewaskum area and attended Kewaskum High School and MPTL.

RE/MAX of west bend is affiliated with RE/MAX of wisconsin and with RE/MAX of america, the national organization headquarters in Denver, Colorado. The network of real estate firms has pioneered in the development of the 100 per cent commission system, whereby sales associates pay a

management fee and share office expenses.

When a client lists his property with RE/MAX, the associate is responsible for planning and paying for the sales campaign, giving her an interest in developing a dynamic and successful sales strategy.

"Only top producers with outstanding qualifications can operate under the RE/MAX system, assuring buyers and sellers of the best possible service," said Coulter. "We are honored to welcome Enright and are confident she will contribute to the continued rapid growth of the RE/MAX organization in our area."

Rescue Squad Call

Wednesday, March 11 — Roger Rezel, 22, R. 1, Adell, taken to St. Joseph's Community Hospital, West Bend, from Paradise Dr. and Hwy. 28, Town of Farmington, when he was overcome from smoke inhalation.

ARE YOU INTERESTED IN BREASTFEEDING BABY?

La Leche League Group 4 will be meeting at 9:45 a.m. on March 26, at the home of Deanna Volz, 318 South Fond du Lac Ave., Campbellsport. Phone 533-4829. The topic for discussion will be "Advantages of Breastfeeding."

Friday, March 20, 1981, Page 7

For more information call Candy Cox at 923-0247.

Births

HEBERER — A daughter to Allen and Barbara Heberer, Kewaskum, Thursday, March 12.

KLUMB — A daughter to David and Lori Klumb, Kewaskum, Friday, March 13.

RUHNKE — A son to Robert and Colleen Ruhnke, Kewaskum, Saturday, March 14.

KANNENBURG — A son to Wayne and Kathleen Kannenburg, Kewaskum, Sunday, March 15.

GUDEX — A son to George and Kay Gudex, Campbellsport, Wednesday, March 11.

ZUBELLA — Twin daughters to Robert and Dianne Zubella, 8336 County W, Allenton, Saturday, March 7.

PIERRINGER — A son, James Gerard Jr., to James and Bonnie Pierringer, 129 W. Main St., Campbellsport, Thursday, March 5.

Worldwatch Watches World Wake to Wood

WASHINGTON, DC—Stand aside, nuclear power! Wood is making a comeback that will overpower you.

That is the message of a new report issued by the Worldwatch Institute, the Washington-based organization that monitors global problems.

"Wood's potential contribution to the U.S. energy budget is very promising," declared researcher Nigel Smith, who wrote the report. "Wood has recently surpassed nuclear power as a source of energy in the United States and could provide up to one fifth of the country's energy by the year 2000."

Beyond the U.S., wood's potential is just as high. Smith estimates that by the end of this century, the use of wood fuel around the world is likely to increase by 50% over present application.

But it is the U.S. which seems to heed a new energy trend. "Of all the industrial nations," writes Smith, "the United States was one of the last to switch to home heating with fossil fuels and it is now on the crest of the wave of nations returning to wood."

Already, 7% of homes in the U.S. are heated, at least in part, by wood-burning stoves or furnaces, and in some regions the percentage is much higher. About half of the homes in New England use wood as fuel, for example. The city of Burlington VT intends to build a 50 MW wood-chip furnace to generate electricity for 20,000 people. Utilities in Michigan and Hawaii also are building wood-fired generators.

"The common perception that wood is an old-fashioned energy source, a thing of the past, is rapidly fading," writes Smith. Under wise management, a brighter future lies ahead for humanity's oldest fuel."

Thought for Food

Even with inflation, the cost of food is a lot less here than in other countries. And the food industry employs more people than any other. Good reasons to celebrate...

First they're fed, finished, transported, slaughtered, inspected, dressed, lockered, trimmed, weighed, packaged, and then they're steaks. They're also roasts, hamburger, cutlets, shoes, coats, and seatcovers too. For every rancher raising beef on the hoof, there are thousands of people working to bring food to your table. This Ag Day thought is presented to help you better appreciate the system that has given us the highest standard of living in the world.

AGRICULTURE
DAY MAR. 19

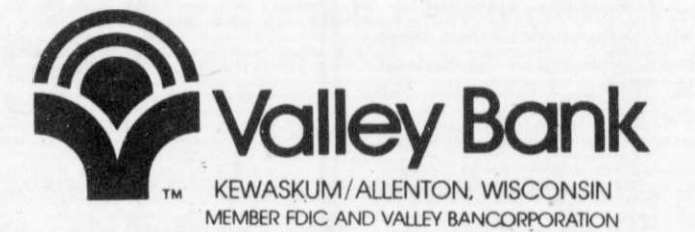

They're not picnics, roasts, hams, hocks, cutlets, bacon, sausage or footballs either. Farrowing, fattening and bringing hogs to market is only the beginning. Then the packing, transportation, distribution and retailing people make sure you get what you want in the fastest, freshest, most economical way possible. This Ag Day thought is brought to you in appreciation of those who process, package, transport and distribute the food that keeps America healthy and growing.

AGRICULTURE
DAY MAR. 19

Thank You Area Farmers

We join the rest of the nation in recognizing the farmer's contribution to filling our every day needs and showing the way in production to the world...

25 Years Ago

March 23, 1956

With the deadline reached at 5 p.m. last Friday for filing nomination papers for the three trustee offices to be elected in the spring election April 3, no race looms in the Village of Kewaskum. No new candidates filed papers so the three incumbent trustees up for re-election will be unopposed. Seeking re-election are Arvin Merwin, Carl F. Schaefer and Marvin Schaefer. Three other trustees in the village hold over in office for another year. They are John Stellpflug, Wayland Tessar and Joe Eberle.

Dennis Terlinden, 6, son of Mrs. Pearl Terlinden, Route 3, Kewaskum, was struck by a car on the crosswalk in front of the West Bend Theatre on Main Street in West Bend. The Terlinden boy broke away from his mother and dashed into the street into the path of the car. He was treated at St. Joseph's Hospital and later released.

Mrs. Walter Bade has been elected president of the Kewaskum Woman's Club for the 1956-57 season. Other new officers include Mrs. Norman Held, who was elected 1st vice-president; Mrs. Ned Sengpiel, who will serve as 2nd vice-president; Mrs. Ted Rohlinger, secretary, and Mrs. Ray Schaefer, treasurer.

A building permit has been issued at the Washington County courthouse to Steve Rahn, Kewaskum, for an addition to his tavern and service station at the intersection of Hwys. 28 and 45 in the Town of Kewaskum located just north of the village limits.

Daughters were born to Mr. Mrs. Donald Koerble, Kewas-

kum, on March 18, and to Mr. and Mrs. Merlin Volm, Route 1, Kewaskum, on March 19. A son was born to Mr. and Mrs. Lawrence Gundrum, Route 1, Kewaskum, on March 15.

road and rolled over about three times, near what is known as Kohn's curve on Highway 55, about a mile north of here. Kleinhans was driving south on Highway 55, when a rear tire on the automobile blew out. This caused the automobile to swerve into the ditch and roll over. The trio were thrown through the top, Kleinhans landing on his head on the concrete. Keno and Kleinhans were the most seriously hurt. They were found in a coma about 80 feet from the wrecked automobile. They were taken to their homes.

The village caucus held here Tuesday evening was not well

attended, only 65 votes were cast. The following candidates were nominated: President, Theodore R. Schmidt; Trustees, Peter J. Haug, Carl F. Schaefer, Dr. Leo Brauchle, Frank Heppe; For Supervisor, N.W. Rosenheimer; For Clerk S.N. Casper;

For Treasurer, John Marx; For Assessor, A.P. Schaeffer; For Justice of the Peace, Wm. S. Olwin; For Constable, Fred H. Buss; Caucus Committee, Art. Koch, B.H. Rosenheimer and John Brunner.

50 Years Ago

'Tarzan' and 'Jane' in Action

Early last Saturday morning the sound of a buzz saw drew my wife and me over to our window to learn the cause of this unusual noise in our yard. Looking south we saw high up in the soft maple trees, next to our neighbor, Ed Prost's house, was the crouching figure of a "beast" — "a monkey," — no — a man, as he stood up on a 3-inch diameter limb.

On his belt he carried a small power saw (weight, 15 pounds) and to his belt was attached a double rope that extended above him 20 feet to the highest crotch on a limb strong enough to hold his weight. This was his safety rope to catch and hold him suspended in case he fell.

As he worked to prune away dead or excess limbs, I simply was amazed and thrilled, too, to see him loosen his safety rope a few feet allowing him to walk outwardly on a 3-inch limb, 40 feet above ground, to saw off an excess branch.

Spying another large limb 15 feet distant, Tom adjusted his safety rope to permit him to swing free in the air as he jumped over to this distant branch, landing on both feet, grasping a small branch for support — just like the monkeys do in the Milwaukee Zoo.

In the big tree in front of Mr. Prost's house I observed Tom Clark shinnying up the strongest limb whose small top branches extended nearly 100 feet in the air. As he climbed upwards on the branch, now swaying in the breeze, like a robin on a twig, I became spellbound with fear for this man who was trying to walk to a crotch still 10 feet above him over which he would place the rope he had trailing from behind on his belt.

Next he attached both ends of this long rope to his belt, for now he had completed his safety harness, and I breathed a sigh of relief, too.

On this very high tree, I saw Tom swing from one branch to another on his safety harness, always landing safely like a cat

on his feet.

All this time, "Tarzan's" wife, "Jane," was on the ground below doing as commanded from above, for example, attaching the long pole trimmer to a small rope "Tarzan" had dropped for this purpose. With this pole, Tom could reach out 15 feet to cut off the small branches.

As I watched my ears were attuned for the piercing scream of "Tarzan" in the jungle — but it never came and Tom and "Jane" drove home very safe and happy at dusk at the end of a long, hard day's work well done.

Neighbor,
R. G. Edwards, M.D.

Violent exercise retards digestion while mild exercise accelerates it.

Mr. Warmth tells how to save, save, save on oil heat.

Meet Mr. Warmth, who brings you good news about INTERburner™ — the fuel-saving replacement oil burner. Now you can:

Save up to 40% of your heating oil with INTERburner.

INTERburner's exclusive, patented Turbo-Reversed Air System gives a hotter, cleaner flame. More efficient combustion, Whisper-quiet, no-smoke running. And as much as a 40% cut in oil usage.

Save on electrical bills with INTERburner.

INTERburner's Interrupted Ignition turns off as soon as the flame's lit. And uses only a fraction of the electricity most other burners waste.

Save time and trouble by calling your Qualified INTERburner Installer.

Every INTERburner is completely assembled and factory-fired. It uses UL-listed, U.S.-made parts. And your Qualified INTERburner Installer is a graduate of INTERburner's professional training program. He gives you fast, expert installation, adjustment, and service. He'll also give you a free energy audit of your old oil heating system and tell you how much you can save with INTERburner.

Call now. Talk to your Qualified INTERburner Installer, who can save you plenty on oil heat.

Minutes of Village Board Meeting

Regular Meeting
March 2, 1981
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Gerald Stollenwerk presided. All Village of Kewaskum Trustee members were present.

The minutes of the meeting of February 16, 1981, were approved as printed upon motion by Trustee D. Nigh, seconded by Trustee Herriges. Voice vote was unanimous.

Marvin Martin gave a report on the recycling seminar that he and members of the Kewaskum Junior Woman's Club attended at Stevens Point.

A public hearing was held on the proposed sewer service rate adjustment. Two interested citizens were present for the hearing. The village's consultant, Dr. Raymond Kipp, explained the reasons for the rate adjustment and answered questions from the Board Members and from persons in the audience. Upon motion by Trustee Herriges, seconded by Trustee Blumer and unanimously carried, the hearing was declared closed.

Motion was made by Trustee Mlodzik, seconded by Trustee Blumer that the Board suspend with the rules and move from item 4 to item 7a on the agenda. Voice vote was unanimous.

Motion was made by Trustee Blumer and seconded by Trustee Mlodzik that the sewer service rates be adjusted as proposed by Dr. Kipp effective as of January 1, 1981. Roll call vote was as follows: "Yes" - Stollenwerk, Mlodzik, Herriges, Blumer and Rohrer. "No" - D. Nigh.

Upon the recommendation of the Public Works Committee, Supt. Bilgo was authorized to purchase a recording meter and meter drive train for water pump station number 1 at a cost of \$1,804.00. Motion by Trustee Rohrer, seconded by Trustee Herriges. Unanimous vote.

Schulteis Sanitation of Slinger, Wisconsin, were awarded a contract for the furnishing of three (3) portable toilets for the summer recreation period at a monthly rental cost of \$67.00 each. Motion by Trustee Herriges.

seconded by Trustee Blumer. Voice vote was unanimous.

D & F Computer Services were awarded a contract for the processing of the village's utility bills commencing with the first quarter of 1981. Motion by Trustee D. Nigh, seconded by Trustee Rohrer. Voice vote was unanimous.

Motion was made by Trustee Herriges, seconded by Trustee Mlodzik and unanimously carried that any further discussion on house-to-house mail delivery be tabled.

The totals of all claims, as recommended for payment by Finance Committee Chairman Trustee D. Nigh, were as follows:

Village Gen. Fund \$43,671.46
Water Dept. Fund 5,177.90
Sewage Dept. Fund 10,693.68

Payment of these claims, as recorded in the official record, was authorized upon motion by Trustee Mlodzik, seconded by Trustee Blumer. Voice vote was unanimous.

Trustee Rohrer, Chairman of the Parks and Recreation Committee, reported that a meeting of his committee has been scheduled for 7:00 p.m. March 16.

Trustee Rohrer, Village Board Representative on the Plan Commission, reported that the Plan Commission at their meeting of February 24 does recommend to the Village Board the following:

1. Preparation of a TIF Optional Use Report by Daniel Thompson of Action Associates at a cost of \$6,500.00.

2. Approval of the preliminary plans for the expansion of the Exodus House Transitional Care Facility at 1421 Fond du Lac Ave.

Action on increasing the limits of the village's linebacker insurance and the bonding of all village officers and employees was tabled until the next meeting.

On the occasion of the 62nd

birthday of the Robert G. Romaine Post 384 of the American Legion of Kewaskum, President Stollenwerk issued a proclamation declaring the week of March 15 to March 21, 1981, as American Legion Week.

Upon motion by Trustee

Mlodzik, seconded by Trustee Herriges and unanimously carried, the Board adjourned to closed session under Chapter 19.85 (1) (g) to confer with legal council with reference to litigation.

Kewaskum Beats Hartford, Takes Third in Lakes

A 135-121 victory over Hartford here Saturday night moved Kewaskum into third place in the Land o' Lakes "B" Division, with a chance to finish second.

Kewaskum was frustrated after blowing a 15-point first half lead and trailing by eight points midway through the third quarter to a team that had only five men. However, at that point the team went to a full court pressure defense, led by guards Henry Schilter and Mark Tessar, and a fast-breaking offense, and the game then turned into Kewaskum's favor.

The game was close through the fourth quarter as Kewaskum maintained a one to four point lead. Finally, the winners opened a six-point lead with about a minute and a half left and held onto the ball, forcing Hartford to come out and foul. Free throws widened Kewaskum's lead to the final margin.

Kewaskum moved into third place with a 4-9 record, with Hartford dropping to fourth place with a 3-10 mark. Kewaskum received another big break over the weekend as last place Mayville (2-11) upset second place Slinger, 104-94. Slinger's record thus drops to 5-8 and Kewaskum moves one game behind them in the stand-

ings. If Kewaskum could beat Slinger next Sunday in the final game of the season, they would tie them for second place in the "B" Division. The first and second place teams in the "A" and "B" divisions receive team trophies.

Leading Kewaskum scorers were Leon Laatsch with 38 points, Don Gruber 34 and John Slesar 29. Top Hartford scorers were Pete Hauser with 35, Randy Miller 30 and Don Jentges 22.

The final game at Slinger Sunday, March 22, starts at 7:30 p.m.

ACTION: Proposed rule.

SUMMARY: Technical information or comments are solicited on the proposed base (100-year) flood elevations listed below for selected locations in the nation. These base (100-year) flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES: The period for comment will be ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in each community.

ADDRESSES: See the table below.

FOR FURTHER INFORMATION CONTACT:

Mr. Robert G. Chappell
National Flood Insurance program
(202) 755-5585

Federal Emergency Management Agency

Washington, D.C. 20472.

SUPPLEMENTARY INFORMATION: The federal Insurance Administrator gives notice of the proposed determinations of base (100-year) flood elevations for selected locations in the nation, in accordance with section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 44 CFR Part 67.4 (a). These elevations, together with the flood plain management measures required by section 60.3 of the program regulations, are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their flood plain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, State or Regional entities. These proposed elevations will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and their contents.

The proposed base (100-year) flood elevations for selected locations are:

State	City/ Town/ County	Source of Flooding Location	No. Depth in feet above ground. *Elevation in feet (NGVD)
Wisconsin	(V) Kewaskum Washington County	Milwaukee River	About 0.8 mile downstream of the confluence of Kewaskum Creek 933*
			Just upstream of Kewaskum Dam 937*
			Upstream corporate limits 939*
		North Creek	Just upstream of confluence with Milwaukee River 939*
			Just upstream of Fond du Lac Avenue 942*
			Upstream corporate limits 956*
		Kewaskum Creek	Just upstream of confluence with Milwaukee River 936*
			Just upstream of County Highway H 939*
			Just upstream of Kewaskum Pond outlet structure 942*
			Upstream corporate limits 945*

Maps available for inspection at the Village Administrator's Office, Village Hall, 204 1st Street, Kewaskum, Wisconsin. Send comments to Honorable Gerald Stoilenwerk, Village President, Village of Kewaskum, Village Hall, 204 1st Street, Kewaskum, Wisconsin 53040.

SPORTS

Greyhounds Go On to State

Shorewood Bombs Mayville In Sectional Semifinal Here

Area Teams in State Tournament

Kewaskum, with its spacious gymnasium and large seating capacity, hosted a WIAA Sectional semifinal basketball game Friday night between Shorewood, Slinger regional champion, and Mayville, Lomira regional champ. As it turned out, it wasn't much of a contest as the Greyhounds of Shorewood belted Mayville by a lopsided score of 61 to 39. A capacity crowd of loud followers, most of them from Mayville, witnessed the game, although Shorewood had its share of fans present also.

Shorewood went on to earn its first trip to the state basketball tournament in Madison since 1955 Saturday night by edging Jefferson in the Class B Sectional final at Brookfield East, 44-43. The Greyhounds, who competed in Class A last year got a basket from Gene Holmes with about 45 seconds remaining to take a 44-41 lead, and then held on for the victory. Shorewood, 17-6 for the season, will play its first game in the state tournament Friday at 7:05 p.m. against Cuba City (22-1). All games in the tournament, which starts Thursday, will be broadcast and televised.

Mayville, the loser here Friday, was the Flyway Conference champion and ended its season with a 20-2 record, including the loss to Shorewood. Late in the season the Cardinals were the top ranked Class B school in the state.

Two area schools, Plymouth in Class A, and Oostburg in Class C, reached the state tournament. Plymouth (14-7) will meet Fort Atkinson (19-3) in its first game Thursday at 7:05 p.m. Oostburg (17-6) will take on Iowa-Grant (21-3) at 9:35 a.m. Friday in its opener. One other area school, Hartford, narrowly missed going to state. The Orioles lost by just two points to Milwaukee Madison in the sectional final at Whitefish Bay.

Plymouth is a surprise team in the state tournament. With only an 8-4 record and third place finish in the Eastern Wisconsin Conference, the Panthers knocked off some pretty strong teams in getting to Madison, among them Fond du Lac and Neenah, a traditional state meet participant. In its games with Kewaskum this season, Plymouth beat the Indians soundly twice, 98-74 and 84-48.

The state tournament is not expected to be as strong as usual this year because nearly all of the conference champions and runners-up were eliminated in regional and sectional play.

Mayville was "blown out" and never really was in the game against Shorewood here Friday. The Greyhounds outscored the Cardinals in every quarter and by halftime had built up a 32-16 lead. Stunned Mayville didn't have a good game and couldn't compete with the well coached, disciplined and almost perfect exe-

cuting Greyhounds.

Tom McIntyre, a 5-11 senior, got Shorewood on the board first and after a Mayville basket, hit on his next four shots to finish the opening period with 10 points as the Greyhounds opened up a 14-6 lead. He was his team's leading scorer, finishing up with 22 points.

Cardinal coach Bob Blair said his team was overplaying the other guys, meaning 6-5 forward Scott Koberstein and 6-5 center Mike Palmer. Both seniors proved more than a match for Mayville's two big juniors, 6-6 Randy Wellhoefer and 6-5½ Chickie Luehring. Koberstein wound up with 15 points and led the Greyhounds to a 30-27 rebounding edge with eight boards. Wellhoefer was most of the Cardinal offense, scoring a team high 14 points. Luehring scored only three points, all in the last quarter.

What hurt Mayville the worst was turnovers. In the first half alone the Cardinals had committed 11 errors to just two for the Greyhounds. They had 21 in all. Reserves played the last half of the fourth quarter for both teams, balancing the final totals somewhat.

Mayville also had a poor shooting night against the strong Shorewood offense making just 17 of 52 shots (32.7 percent) and five of 11 free throws. Shorewood hit for a 42.3 percent. The Greyhounds spent a lot of time at the free throw line where they converted 17 of 23 attempts for a 73.9 percent.

What it boiled down to was that Shorewood had the size to match Mayville and in addition had greater quickness and more experience. The Greyhounds nullified Luehring and made things difficult for Wellhoefer on the inside. Offensively Shorewood was patient and worked the ball around for the good shots. Greyhounds, members of the Milwaukee Suburban Conference, are a good team.

Larsen Receives Mention

Jim Rohlinger Selected on All-Conference Second Team

All but one of the boys selected by coaches on this year's Eastern Wisconsin all-conference team are seniors. The same holds true on the second team. Named to the first and second teams are nine seniors and two juniors.

The coaches decided not to break a tie for the last position on the first team and selected six players. Three of the first team choices were unanimous. There is one brother combination on the two teams and six schools are represented on the first team.

The first team list was headed by 6-5 center John Commerford of Plymouth, also chosen player of the year. He was scoring champion with 243 points for an average of 20.2 per game, and was among the rebounding leaders.

Another unanimous pick was Sheboygan Falls' 6-5 forward, Scott Meyer, who was a repeater as a first team selection. Meyer, with a good shooting eye from the outside, was the third highest scorer with an 18.0 average. He led in rebounding with 132.

The third unanimous selection was Brian Christel of Kiel, a 6-1 forward and the only junior on the team. Christel led the young Kiel team and was

third in scoring.

Other players named on the first team were New Holstein's 6-5 center, Bob Jacobs; Two Rivers 5-8 guard, Tim Broderick, and Chilton's 6-4 center, Mike Connors.

Kewaskum's 5-9 guard, Jim Rohlinger, was named to the second team. A fine player, Rohlinger was eighth in scoring with a 14.7 average.

Mark Commerford, John's younger brother, was also named to the second team. The 6-3 junior, and his Plymouth teammates made it to the state tournament at Madison this weekend.

Another Kewaskum player, Brian Larsen, was included among eight honorable mention picks.

Destroy Germantown

Kewaskum Chess Team Wins Conference Championship

The Kewaskum chess team destroyed Germantown Monday night, 48-7. The win gave the Indians the undisputed championship of the South Central Chess Association. The win was very impressive since the Warhawks had just come off a 52-2 victory over West Bend.

The Indians were victorious on 8 boards, lost 1 and drew 1. Steve Yahr won easily at board one using solid positional lines to gain an advantage. Rob Slegler using his favorite Alekhine Defense had one of the strongest attacks of the year against Karl Kugler. Slegler had four pieces attacking the knight file against Kugler's castled king. Rick Howell won the third board with the Fried Liver Attack. Howell started the season with a win using this same attack. Andy Rosenberger earned seven points with his win at board four. Rosenberger used threats on the back rank in

combination with pins to win his game. Ken Bauer lost at board five for only his second loss of the season. His opponent Chet Smith had been playing boards one and two most of the year for the Warhawks. Jim Simon and Gregg Classey gained early advantages and won at boards six and seven. Brian Pamperin increased his winning streak to eight. Pamperin is the only Indian who does not have a loss or a draw. Romie Holl drew at board nine. The draw came about when each played had a pawn and opposite color bishops. Glenn Classey won at board ten. Classey had slowed his game down and has done a good job lately.

The team was split up into a five man varsity and a five man junior varsity when they participated in the conference tournament on Wednesday, March 18.

SCAA STANDINGS

	W	L	Total Pts. Scored	Total Pts. Allowed
Kewaskum	9	1	401	127
Kettle Moraine	7	2	359	133
West Bend	6	4	229	287
Germantown	4	5	197½	290½
Hartford	1	8	168	319
St. John's	1	8	137½	335½

Two games remaining: Kettle Moraine vs. Germantown and Hartford vs. St. John's Military Academy.

The Dodgers baseball team were once known as the Robins after their manager, Wilbert Robinson.

Yearling on All-Conference Second Team

LARSEN GETS MENTION

The three top girls' teams in the Eastern Wisconsin Conference were well represented on the all-conference team selected.

Undeclared Two Rivers (14-0) had two players named on the first team of five girls, including their leading scorer, 5-9 forward Jill Jonas, and their assist leader, guard Sandy Dax. Conference coaches named Jonas player of the year. She is only a junior, who won the individual scoring title with a 15.8 average in conference play.

Rounding out the first team was Plymouth's Teri Schumacker, who scored almost 1,200 points in her four years on the Panther team; Kiel's Mary Kraus, who finished third in scoring, and Chilton's Connie Piepenburg, a good player. Connie led the conference in rebounding and blocking shots.

Kewaskum had one player named to the second team — forward Jill Yearling. Last year she was a unanimous choice for the Scenic Moraine first team. Yearling was fifth in conference scoring with a 13.8 average with close to 200 points, fourth in rebounding and fifth in assists. She is a hard-working dedicated player.

The 10 girls receiving honorable mention included Linda Larsen of Kewaskum.
