Increased State Aids Lower School Tax Levy

By GERRY MUELLER
Statesman Staff Writer

At Monday evening's meeting, members of the Kewaskum School Board reviewed the 1981-82 budget and levy for the district.

Due to an increase in anticipated state aids, the tax levy

has been decreased by \$16,704. A gross levy of \$2,755,638.18 was approved by the board. The difference between the 1981-82 gross and net tax levy is \$26,710.18.

The net tax levy of \$2,728,928.00, which will actually be paid by the taxpayers will see

the Town of Ashford bearing the lowest portion of \$2,077.91, while the Town of Farmington will again shoulder the largest portion at \$768,788.44, the Village of Kewaskum's share will be \$541,017.70, Town of Auburn \$214,271.96, Town of Mitchell \$3,891.23, Town of Scott \$263,508.96, Town of Barton \$153,568.33, Town of Kewaskum \$349,538.84 and Town of Wayne \$432,264.63.

Major items increased from the July proposed budget were heating oil and salaries. Superintendent Floyd Brenholt noted the revised salary figure is based on the district's last offer during contract negotiations with the KEA.

After a review of last year's needs, the revised gasoline budget was reduced by \$6,000.

Brenholt also noted that in addition to the aids listed, for the first time, this year Kewaskum will receive approximately \$185,000 in additional state aids. However, this money will be in the form of direct property tax relief and will go directly to the municipalities rather than come to the school district itself.

School Board President John Tessar stated, "this board and administrative staff did a very good job on holding the line on this budget."

Business Manager Bob Borch gave a report on the school lunch program. He noted that participation on total lunches served was down 17.4% in September of 1981 as compared to September of 1980. Borch said free lunches dropped 15.8% and reduced lunch participation had dropped 37.8%. Borch was asked what had caused such a large drop in the reduced lunches. He said it appeared to reflect the new guidelines and change of policy requiring families to provide proof of income when applying.

Prior to this year not all applications had been screened. The new policy of 100% screening this year seems to have had a dramatic effect on the lunch program. One board member commented that it seems like some families have been ripping us off for a few years.

The board approved the addition of cargo coverage to its insurance program. This will cover transporting of school property should any damage occur. The board also approved the addition of five days to ag teacher David Rizzardi's contract. Dr. Ogi questioned whether this was actually necessary for the ag program. Roy Esser noted a 230 day contract

Dispute Arises Over Alleged Sludge Odors From Pit Site

By GERRY MUELLER
Statesman Staff Writer

Complaints of alleged unbearable odors from the Roger Neumann farm manure pit prompted the calling of Monday night's special village board meeting.

William Volm, a Neumann neighbor, told the board he had made a complaint to the Department of Natural Resources, not because of the manure smell, but rather the sickening odors created by the sludge deposited in the pit from Kewaskum's wastewater treatment plant.

Volm said when the Neumanns emptied the pit earlier this year, the odor was enough to make you sick to your stomach and it lasted for several days. Roger Neumann refuted Volm's claim saying the solid sludge added no additional odor but instead decreased the strong ammonia smell given off by the undiluted cow manure. Neumann did note on that particular day the wind did blow in Volm's direction but that the odor did not remain for several days as Volm stated.

Almost everyone at the meeting who was familiar with farming operations agreed that when you first open a pit or a pile, you temporarily release the strong fumes. Trustee Paul Blumer stated, "I haven't seen a pit yet that offensive within a quarter mile when they first break it open."

Volm was angered by the fact

that the DNR said he had given his approval to the pit and depositing village sludge in it. "You and everybody say I okayed it, but nobody ever talked to me" stated Volm. Village Administrator Dan Schmidt noted the DNR's correspondence only stated there was no opposition to the pit or the dumping of sludge and that Neumann's operation met all DNR requirements for such use and was therefore issued the necessary permit.

Volm noted if Neumann had operated the pit a year or so before Kewaskum had started dumping its sludge he might not have been able to lodge a complaint because the manure pit is legal. Now, however, Volm feels it is up to the village to prove that these odors are strictly the result of the cow manure and the sludge has no major effect as far as increasing the odors present in this operation.

Richard Scholl, an independent nutritionalist from Brookside Laboratories, and Eugene Gerbitz of the Milwaukee Metro Sewage District each spoke stating basically the same thing, that it is highly unlikely that mixing solid sludge would cause any worse of an odor than that given off by the straight manure. Both gentlemen felt they were in general agreement with Neumann's comment that addition of the sludge tends to reduce the problem. Gerbitz

(Continued on Page 3)

Open House at Schools Oct. 26-27; Parent-Teacher Conferences Nov. 11

All schools in the Kewaskum District will hold open house on Monday and Tuesday, October 26 and 27. Parents are invited to visit the schools on either of those two days.

Parent-teacher conference will be held on November 11 from 1-5 p.m. and 6-9 p.m. There will be no school on November 11.

Parents of elementary school children will be able to sign up for conferences with teachers if they attend either day of the

open house. Parents of students in Middle School or High School do not need to arrange conference times. Teachers there will be available for conferences in their rooms during the hours listed above.

Parents may participate in the school lunch program on October 26 and 27 if they wish. The cost is \$1.25 for a meal and parents should indicate by 10:00 a.m. if they will be eating lunch at the school that day.

Class of 1979 Invited to KHS Homecoming

The Kewaskum High School Class of 1982 wishes to extend an invitation to the Kewaskum High School Class of 1979 to attend the Homecoming Festivities on October 23 and 24.

The festivities begin on Friday, October 23, with a parade at 6:00 followed by the Homecoming football game at 7:30 p.m. against Kiel. The dance will be held at the KHS gym on Saturday, October 24, from 8:00-12:00 and music will be provided by Whiskey River.

Speed Limit Reduced On S. Fond du Lac Ave.

The speed limit on U.S. 45 on the southern limits of Kewaskum was recently lowered.

After a wait of more than two years for permission to drop the speed limit from 45 to 30 mph, village officials have been notified of approval from the State Department of Transportation for the decrease.

New signs have been posted in the area, showing the 30 mph limit reaching to just past the new KEWA shopping center at the village limits. New businesses in the area were the major reason for making the request for slower traffic.

Dairyland Seed Celebrates 75th Year with Diamonds

Marie and Orville Strachota draw the winners of diamond earrings as part of Dairyland Seed's 75th Diamond Anniversary.

As part of Dairyland Seed's 75th diamond anniversary celebration, Dairyland held a drawing for 14 pair of diamond earrings and one .75 carat diamond. All members of Dairyland's dealer force were eligible.

The drawing was conducted by Orville and Marie Strachota, President and Secretary of Dairyland Seed, respectively. Marie then called the lucky winners.

The winner of the 3/4 carat diamond was Deborah Koopmans of Cambria, Wisconsin. Winners of the diamond earrings were: Mrs. Harold Baudhuin of Casco, Wisconsin; Mrs. Jack Branch of Onsted, Michigan; Mrs. Bill Church of Riceville, Iowa; Mrs. Marlin Craker of Reedsburg, Wisconsin; Mrs. Frank Eibensteiner of

Sauk Centre, Minnesota; Mrs. Jerry Hayes of Rochelle, Illinois; Mrs. Ken Jenkins of Midland, Michigan; Mrs. Roger Norris of Plymouth, Indiana; Mrs. John Oliver of Kewanee, Illinois; Mrs. Bob Rothermel of Broadlands, Illinois; Mrs. LeRoy Schmitz of New Prague, Minnesota; Mrs. Bill Schultz of Mattawan, Michigan; Mrs. Charles Von Einem of Nekoosa, Wisconsin, and Mrs. Tony Zraggen of New Glarus, Wisconsin.

Dairyland Seed is a family-run business and has over 3,000 farmer dealers in the Midwest with distribution in Illinois, Indiana, Iowa, Michigan, Minnesota, Ohio, and Wisconsin.

Dairyland Seed is located one mile south of Kewaskum on Hwy's H and 45.

School Board

(Continued from Page 1)

was required otherwise the school will lose funding for its ag program.

In other business, the board approved a motion to charge the Booster Club the actual hourly rate for a cook when the club requires the services of a cook for their pizza sales. Previously groups using the kitchen and cook service were charged \$12.00 an hour to cover wages and overhead. Jean Goeden noted it was difficult to make any money for its scholarship program at those prices.

Vice Principal Roy Esser reported on the vocational education evaluation program which will take place at the high school during November. He suggested the board get together with the four evaluators for an exchange of ideas from both sides.

Dennis Reha reported on his progress in getting a computer program started for the district. He stated, "I was very naive when it came to computers." Reha told the board he had taken two basic courses and attended a two-day seminar at University of Wisconsin-Oshkosh. Reha plans on taking more courses and attending other seminars along with visiting schools which have implemented computer programs. He felt this would help him get a better background before attempting to develop any program for Kewaskum. Reha noted George Allmann has agreed to assist him in efforts to obtain funding which would help the district institute such a program. Reha said, "right now I'm just looking into everything and asking 1,000 questions."

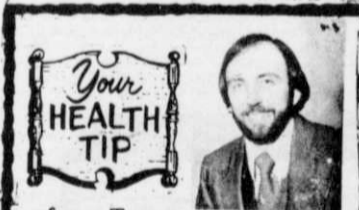

Mrs. Petri also gave the board a progress report on the Gifted and Talented program

The board then adjourned to closed session.

from Tom Leitzke, R.P.H.

"Some people 80 years old by the calendar, have body tissues with the vitality of a 30 year old," says Dr. E.L. Bortz, past president of AMA.

The best way to keep young is "by eating a balanced diet, avoiding overweight, and by keeping active - plenty of rest is also important," says Dr. Bortz.

"Also, we should all have a justification for living that is of value both to ourselves and to society," he adds.

Village Board

(Continued from Page 1)

stated, "I can't go along with this differentiating with a lesser amount of sludge." It is my experience people tend to "smell with their eyes." People see a black moist strip on a field and they automatically complain about the smell.

Gerbitz noted that sludge is a valuable asset to farmers and it is unfortunate that this dispute has arisen. Continued complaints like Volm's to the DNR will be a disaster for everyone from the farmer to the treatment plants and the citizens they serve. Gerbitz noted Milwaukee is already running into problems with counties such as Waukesha which have allowed their townships to pass ordinances. "They make it so miserable there's no way you'll get sludge on your land." He noted sludge is worth \$50.00 to \$65.00 per acre, putting valuable nitrogen back into the ground. "I'd like to see this problem solved without any sewage plants getting involved," said Gerbitz.

Neumann exhibited two samples from his pit, the cow manure gave off a considerable odor, while the sludge had almost no noticeable smell. Volm said, "you should have brought a sample that was mixed for seven months." Neumann noted the sludge had been in seven months and the manure since June. Volm refused to smell the samples, noting he would go back to the DNR if he had to.

Roger Neumann stated, "Bill said it stunk like sludge at the Kewaskum Picnic and there was nothing but straight manure in there at that time." Treatment Plant Superintendent Pete Albers stated, "we haven't hauled sludge since June 11 because of Volm's complaint and then it was only a 15 yard load in the pit with 500 yards of manure." Albers noted the sludge has been kept at the plant since this dispute.

Trustee Don Mlodzik noted he was confident the village's sludge was not the cause of this problem but to settle the situation he felt somebody should run a test. Neumann stated, "I feel sludge reduces the odor of manure," Mlodzik stated, "I agree with you, but we have to prove this to other people." Village President Jerry Stollenwerk asked if there were any tests for this problem. "Number one, we've got a problem,"

said Stollenwerk, "I just hope the problem is not because of a private hassle between two families. For the good of the village, if we don't come up with positive results one way or another, I'm for dumping."

Mr. Gerbitz informed the board, as an independent third party, he had gone to Dr. Arthur Peterson, from the University of Wisconsin-Madison. He suggested the board contact him for help. Blumer made the motion to contact Dr. Peterson regarding a test program for the village.

Albers asked the board what he was supposed to do with the five months stockpile of sludge at the plant. Volm noted he was not against the village's taking it to Neumann's if it was spread on the fields immediately. This is the method the City of West Bend uses when they dump their sludge on Volm's land. He did not, however, want to see it stored in the pit.

Historical Society To Visit Museum

The Kewaskum Historical Society, Inc. will not be holding their regular October meeting on October 20. Instead the Society will meet at 6:45 p.m. at the Kewaskum Valley Bank parking lot, where they will car pool and depart at 7:00 p.m. to visit the Greater Mississippi Museum in Hustisford. The Society invites anyone interested in the tour to join them.

The Society will briefly discuss the up-coming Movie Madness scheduled for October 30 and 31, at 8:30 p.m. at the Kewaskum Valley Bank meeting room. The movie, The Mad Monster Party, will be shown with three (3) cartoons and will last approximately until 10:20 p.m.

The Society is also reminded to think about making plans to attend the annual dinner meeting scheduled for November 17.

Welcome Donations for PTO Community Halloween Party

Halloween is fast-approaching and that, of course, means committees working on the Kewaskum Community Halloween party are hard at work planning for this alternative to Trick or Treat Night.

Parents are encouraged to attend the children's costume parade which begins at 5:30 p.m. on Friday, Oct. 30, behind the Kewaskum Elementary School. Seating will be available in the bleachers. After the parade, children will go to Kewaskum High School for entertainment and refreshments.

Plans for the entertainment include appearances by Ernie, Bert, and Miss Piggy as well as two movies - a cartoon feature for the younger children and an animated version of "Journey to the Center of the Earth" for the older children. In addition, there will be a magician performing for all of the children, and, of course, refreshments

will be served. Further details on the entertainment and refreshments will be forthcoming.

The PTO is welcoming donations to help defray the cost of the party, and drop-off boxes are located in both the Valley Bank and the West Bend Savings and Loan, Kewaskum office. Also, donations may be mailed to Mrs. Sheryl Rinzel, 3800 Ridge Road, Kewaskum, 53040. All checks should be made payable to the PTO Halloween Fund.

Although many people have volunteered to help with the party, anyone still wishing to volunteer should telephone Mrs. Ellen Coulter, General Chairman, 626-4607.

The party is open to all children from kindergarten through 6th grade who attend the following schools in the village: Kewaskum Elementary School, Holy Trinity and St. Lucas.

Public Hearing on Redistricting Plan of County Board of Supervisors

A public hearing will be held on the Redistricting Plan of Washington County Board of Supervisors on Tuesday, October 20, at 7:30 p.m. in the County Board Room, Court House, West Bend.

The County Board will meet immediately after the meeting. They will be dealing with Ordinance No. 17, "Creation of Supervisory Districts - Amendment to Chapter Two."

CHIMNEY FIRE CALL

Kewaskum firemen answered a chimney fire call to the Mrs. Bernice Karoses home, 338 First St., Kewaskum, last Friday night.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the olden days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Can you identify these newlyweds? This is a photo of a popular Kewaskum couple taken on their wedding day 25 years ago [Oct. 13, 1956]. The couple celebrated their anniversary last Friday with a Mass at Holy Trinity Church, followed by a dance for a large number of guests at the Knights of Columbus hall south of Kewaskum. For identification see the "25 Years Ago" column on another page.

KHS School District Evaluation Model Featured at State Seminar

The Kewaskum School District's community based evaluation model was featured at a state wide meeting this past week-end at the Holiday Inn in Wisconsin Dells.

The local presentation was made by George Allmann, district reading coordinator and chairman of the district's evaluation policy committee.

Speaking to representatives of the Wisconsin School Evaluation Consortium, Allmann reviewed the development of the Kewaskum plan over the past three years. Initially the district utilized a goal setting instrument developed by the Phi Delta Kappa Center for Dissemination of Innovative Programs. Over 300 community representatives were involved in the goal setting program by the district. These representatives involved teachers, students, and representatives of nearly every community organization in the district. These same representatives were polled to see how effective the district has been in meeting the goals to date. This information was then tabulated and is being used by the evaluation policy committee in its review of the district's overall program.

Allmann stressed the importance of community involvement in evaluating a school district's program. He noted that this type of involvement is an integral part of the local program. Of the ten member evaluation policy committee at Kewaskum, three members represent the community and school board. They are Byron Gessner, Kenneth Ramthun, and Margaret McFadden. Other members include Mary Ann Koss and John Stephani, elementary; Denise Leong, middle school; Jan Rosenthal, high school; James Borusky, special education/guidance; George Allmann, administrative staff; and Floyd Brenholt, ex-officio.

In reviewing the Kewaskum model, Allmann noted that each discipline is or will be studied every five years. For example, in 1980-81 the areas of business education, industrial arts, home economics and agriculture were evaluated with final reports now being reviewed.

In commenting on this part of the evaluation process, Allmann stated that the evaluation of each discipline is done by a self-study committee. This committee is made up of two teachers from the discipline being studied, two teachers from another subject area, two community members and two high school students who have an interest in the discipline.

Curriculum revision is also another aspect of the model, according to Allmann. He noted that teachers in the discipline being studied review the existing curriculum guides during the summer and revise them so that they are current. One aspect of the revision includes rewriting all curriculum guides with student performance objectives. This means that performance objectives will be listed for the last class common to all students in the K-12 sequence and for elected classes. In other words, the last required class in language arts common to all students is English 10. At the end of that class, performance objectives have been established which all students must meet. Failure to meet these objectives in the future could result in a student not earning a diploma.

Once the curriculum revisions have been made, the revised guides, along with the self study committee reports are submitted to the district evaluation policy committee, according to Allmann. This committee then reviews the submitted reports and makes recommendations to the administrative council which comprises the principals and other administrators in the district. This group makes the final recommendation to the school board.

SECRETARIES TO MEET AT WEST BEND

Professional Secretaries International, Kettle Moraine Chapter, will meet at Nellen's West Bend Motor Inn, October 20, at 6:30 p.m. For reservations call 334-5722 by October 18.

Preis, Esser Head Up Local United Way Drive

Bert Preis

For years, whenever Bert Preis saw the United Way representative, he'd reach into his pocket and give a donation.

But now, he's one of the Kewaskum fund drive co-chairmen and he feels differently about the organization.

"I've been donating to United Way for a long time but I never really paid attention until I got involved," Preis said. He didn't pay attention to all the health and social service agencies United Way supports. He didn't notice United Way in Kewaskum is entirely a volunteer organization. He also didn't realize most of the money is used locally.

"People give something just to get the collector off their

Jr. Woman's Club To Hold Tree Sale

Don't miss your last chance to spruce up the yard before winter's cold! The Kewaskum Junior Woman's Club announces its second semi-annual tree sale, slated for Saturday, October 17. The sale will be located at the A & W on Hwy. 45 in Kewaskum from 9 - 12 a.m. Rain date will be October 24.

Sugar maple, birch, white ash, ironwood, and linden trees will be available at \$6.00 per tree, and all trees are six feet or taller.

Because the trees were sold out so quickly during last spring's sale, please call 626-2759 by October 14 if you would like to buy five or more trees. Your home will look more beautiful next spring with a tree you plant in the yard this fall!

Roy Esser

backs," Preis explained. "I hope that this year, we can help people to think about what's done with their money."

Kewaskum Area United Way's other co-chairman participated in United Way since its local inception, three years ago. "I've always been involved in some capacity," Roy Esser said. He worked for several years, collecting from employees.

Esser's goal is to make more people in the community aware of United Way as a consolidation of individual fund drives. "United Way is an efficient way to give to many worthy causes," Esser said. "Most people would rather just give once and know where their money is going."

The key, he explained, is getting more people to donate in the Kewaskum area. "We aren't working with large numbers of people here," he stated. "If we're turned down by 20 people, that hurts."

"The more people who donate, the more the amount will be broken down," he said.

Esser works as assistant principal at Kewaskum High School. He and his wife, Dorothy, reside at Highway 45,

Kewaskum.

Preis is the field service director for Regal Ware, Inc., and lives with his wife, Marion, at 3826 Bonnie Lane, Kewaskum.

"United Way is a good way to give one donation," Esser said, "and know that your money will be put to good use."

Rescue Squad Calls

Sunday, Oct. 11 — David Goeden, 17, 2478 Hwy. 28 East, Kewaskum and Suzanne Harlow, 18, 1015 Hillside Dr., Kewaskum, taken to St. Joseph's Community Hospital, West Bend, from Hwy. 28 east of Kewaskum 1½ miles following an auto accident.

Monday, Oct. 12 — The rescue squad received a call to the state park in the Town of Auburn involving a Milwaukee man when a boat capsized. The call was cancelled.

Local Members Elected at AMPI Annual Meeting

Dairy farmers will have to sell their way out of the highest surplus stocks of dairy products in history, members of District 7-D of Associated Milk Producers, Inc., decided at their annual meeting Tuesday night at the Circle B Recreation Center at Grafton.

Faced with the prospect of lower legislated dairy price supports, 70% of those present pointed to more promotion as a way to improve the current dairy situation. Willing to support a state-wide dairy promotion plan were 73%, more than half indicating a 3 cent per hundred pounds of milk contribution level appropriate.

Dan Rodenkirch, Kewaskum, re-elected region director, said one-third of the state's farmers now voluntarily contribute about four cents per hundred to the Wisconsin American Dairy Association.

A mandatory state-wide program would raise \$9 million annually, he said. Minnesota dairy farmers, Rodenkirch said, support promotion at a much higher rate.

Asked if they'd be willing to cut back milk production 8% of 1980 production and be guaranteed 80% parity, 47 said "yes" and 43 said "no."

About 83% of the respondents cited "operating expenses," "interest rates" and "inflation" as the top three problems in milk production.

Prospects for producer milk price increases to reduce this squeeze appear slim, said J.R. Box, Schaumburg, IL, market-

ing director for the region.

"I doubt if there will be much movement in price for the next year," Box said.

Leona Wagner, West Bend, District Women's president, said her group would be presenting its Cream of the Crop award this fall. It goes to a restaurant serving only natural and real dairy products.

Nicholas Stoffel, Kewaskum, was honored for his 40 year membership in dairy cooperatives.

Delegates elected include: Martin Haack, and Dan Stoffel, Kewaskum; James Esselmann and Gordon Michaels of West Bend; and Allen Peil of Slinger.

Alternates include: Leo Dornacker and Leroy Peterson of West Bend; Harold Laux, Adell; Richard Kultgen, Port Washington; and Gerald Rogge, Jackson.

Those serving on the group's local board include: Ted Moser and Joe Schmitt of Allenton; Elmer Thull and Alvin Panzer of Kewaskum; and Walter Kolbach, Port Washington.

SCHIC Program For Senior Citizens

The Washington County Committee on Aging and the Washington-Ozaukee Life Underwriters Association are jointly sponsoring the senior citizen's health insurance counseling program or as it is commonly called, the SCHIC Program. This program is available to all older adults age 60 and over in Washington County on October 22, from 1:00 to 3:00 p.m.

For an appointment please call 338-4497.

**Larry Hisle
Helps Launch
MS READ-a-thon**

Larry Hisle of Milwaukee Brewers was named by the Wisconsin Chapter of the National Multiple Sclerosis Society as Honorary Chairman of its MS READ-a-thon. When accepting the honorary chairmanship, Larry Hisle said, "I am delighted to accept the chairmanship again this year because it is vitally important that we continue our support of the outstanding work the

National Multiple Sclerosis Society is doing to improve the quality of life for MS persons. The MS READ-a-thon encourages young people to read books for the need of others. At the same time it improves their reading skills."

Schools will be filled with Mystery Sleuths as students in schools throughout the State will have the opportunity to participate in the 1981 MS READ-a-thon.

Guidelines for the program are simple. School children volunteer to read books and find sponsors who contribute a dime, quarter, or more for each book read during the MS

READ-a-thon period. Because the money they raise is used to investigate the mysterious disease of multiple sclerosis, the children are called Mystery Sleuths.

Multiple sclerosis is a chronic, often disabling disease without a known cause or cure. An estimated 500,000 Americans have MS or related disorders and an estimated 2 million family members are affected by its heavy social and economic burdens. While the Wisconsin Chapter has over 1,800 registered MS people on its books, research has indicated that Wisconsin (having an extremely high MS incidence

rate), has statistically between 5-6,000 people between the ages of 15-50 afflicted with this disease.

By joining the MS READ-a-thon, children can help to finance the research that seeks a cure for the disease, as well as support services for people living with MS in the State of Wisconsin.

In the 1980-81 school year more than 8,000 school children from 1st to 8th grades completed the Wisconsin Chapter READ-a-thon. Among them they read 113,000 books. This

year the MS READ-a-thon will be sponsored by Marc's Big Boy Dine or Take Restaurants.

The READ-a-thon began September 28 and will end October 30.

Educational Program for Farmers Offered by MPTI Throughout County

The Farm Training Program offered by Moraine Park Technical Institute is designed to meet the management needs of those persons who are in the process of becoming or are established in the business of farming. Those who will find this program of instruction particularly pertinent are farm owners, managers, renters, hired workers, and/or those in a management and/or decision-making role.

The yearly FTP consists of 30 evening hours of classroom instruction and 24 day hours of group instruction as seminars or field trips, or individual instruction on your farm by James Scott, FIP Instructor for Washington, Dodge, and Fond du Lac Counties. Enrollment is on an annual basis at a cost of \$30.60 for tuition and materials.

The FTP is conducted over a five-year period, offering a Vocational Diploma at completion. At least ten classroom sessions, plus group seminars and/or field trips, are offered to each student in one of these curriculum areas each year: Crops and Soils Management; Dairy Herd Management; Farm Management Principles; Farm Marketing and Law; and Farm Mechanization and Organizations. Each curriculum area includes an update on crop management, farm taxation, and dairy management.

A very important aspect of the FTP is on-your-farm instruction scheduled between Scott and the farm family for instruction on subject pertaining to the interests, needs, and concerns of the student and the family farm operation.

Classroom instruction will be held October through March by Scott at Kewaskum, Hartford,

West Bend, Slinger, or other locations within the West Bend Moraine Park Technical Institute District to accommodate the enrollees.

Farm Management Principles, including farm management resources, business arrangements, farm records and taxation, farm business analysis and credit, energy use and conservation, farm computers, soil and forage testing, and ration balancing will be offered during the 1981-82 school year at all locations. Seminars, tours, field trips, and on-your-farm instruction will be scheduled between Scott and the students.

Classes schedule: Oct 21 - WBHS W106, 22 - Kewaskum Valley Bank, 27 - Hartford H.S. Vo Ag., 28 - Slinger H.S. Auto. 8 p.m.

Enrolling in the FTP is done on an individual basis. Call Moraine Park Technical Institute, West Bend, at (414) 334-3413 or (414) 626-8008 before October 20, 1981. Scott will

contact you relative to enrollment and scheduling details of the Moraine Park Technical Institute Farm Training Program.

Veterinary Clinic To Hold Open House

October 18, 1981, has been proclaimed Veterinary Medicine Appreciation Day by Governor Dreyfus.

The Woodview Veterinary Clinic of West Bend, in cooperation with the Wisconsin Veterinary Medical Association, is providing area families the opportunity to take a behind-the-scenes look at a veterinary practice servicing both large and small animals. An open house will be held at the clinic on Sunday, October 18, from noon to 4 o'clock p.m.

If you own or are interested in the health care of any type of livestock or pet, the Wisconsin Veterinary Medical Association encourages you to visit Woodview Clinic in the Northpoint

Shopping Center on Highway 45, two miles north of West Bend.

Department.

Surviving are his wife; six sons, Rolland of Sierra Madre, Calif., Melvin of Route 3, Campbellsport, Ralph of Green Bay and Frank Jr., Donald and Anthony all of Route 2, Campbellsport; a daughter, Mrs. Kenneth (Kathy) Jungers of Route 2, Campbellsport; 23 grandchildren; and a sister, Mrs. Albert (Eleanor) Kulow of Campbellsport.

A daughter, grandchild and two sisters preceded him in death.

Funeral services were held at 10:45 a.m. Friday at Twohig Funeral Home, Campbellsport, and at 11:15 a.m. at St. Matthew's Church, Campbellsport. The Rev. Victor Kemmer officiated and burial followed in the parish cemetery.

Friends of Mr. Stoffel called after 4 p.m. Thursday at the funeral home.

Obituary

FRANK STOFFEL

Frank R. Stoffel, 70, of 339 E. Sheboygan St., Campbellsport, died Wednesday morning, Oct. 7, at his home.

He was born Aug. 19, 1911, at Campbellsport, the son of the late John and Katherine Becker Stoffel. He married Otilia Rohlinger at St. Matthew's Catholic Church on May 15, 1934.

Mr. Stoffel farmed in the Town of Auburn, retiring in 1966. He was a member of St. Matthew's Church at Campbellsport, Holy Name Society and an over-30 year member of Campbellsport Volunteer Fire

LARGEST STOCK OF MONUMENTS IN WISCONSIN

The marriage vows of Cindy Ann Graf and David Jerome Schmidt were blessed during a 12:00 noon ceremony at Immaculate Conception Church, West Bend, on Saturday, August 29. Father Dick Robinson officiated.

Music for the ceremony was provided by Mrs. Len Dricken, organist, and the guitarist and soloist, Sam Claus and Jacci Neimuth.

Parents of the couple are Mr. and Mrs. Donald Graf, 2305 Skyline Drive, West Bend, and Mr. and Mrs. Harold Schmidt, 3788 Bonnie Lane, Kewaskum.

Lynda Otten, West Bend, a friend of the bride was chosen as the maid of honor. The bridesmaids were Joyce Bern-

hagen, sister of the groom, Patty Cattani, cousin of the bride, Chris Graf and Mary Dricken, both sisters of the bride, and Diane Dricken, friend of the bride. Shawn Zalewski, niece of the groom, was the flower girl.

Keith Stollenwerk, West Bend, friend of the groom, served as best man. The groomsmen were Gerald Rettler, brother-in-law of the groom, Kevin Darmody and Russ Herriges, both friends of the groom, LeRoy Schmidt, brother of the groom, and Matt Graf, brother of the bride. Keith Graf, brother of the bride was the ring bearer.

Mark Graf, brother of the bride, and Jack Zalewski, brother-in-law of the groom shared ushering duties.

After the ceremony a reception was held at the home of the bride's parents. A dinner and dance followed at the Amerahn, Kewaskum.

The bride is a graduate of West Bend East High School and Moraine Park Technical Institute, Fond du Lac. She is employed by Command Performance, West Bend. The groom graduated from Kewaskum High School and is employed by Electric Motor Service, West Bend.

The newlyweds spent their honeymoon in Florida and are now residing at 815 Lincoln Drive, West Bend.

Changes Made in the Marriage License Law

With the adoption of the 1981 budget by the State Legislature, a number of changes were made regarding the laws in the issuance of a marriage license.

County Clerk George F. Nehrbass states that as of October 29, 1981, it will no longer be necessary for applicants to obtain the premarital physical examination and blood test.

A total fee for a marriage license has been increased to \$28.00 as of July 31, 1981, payable at the time of application. Application for a license must be made at least five (5) days before the marriage. The license is valid for thirty (30) days after date of issuance and the marriage must be performed within that period. However, the County Clerk may for good cause and at his discretion, issue the license within less than five (5) days if the parties will pay the additional processing cost of \$5. (s. 765.08)

Further requirements are that application must be made in the county where one party has resided for at least 30 days, proof of residency will be requested. Applicants under 30 years of age must present a certified birth certificate. If there were previous marriages, a copy of the death certificate or divorce judgement from the last marriage must be presented.

Mrs. Frank Hackbarth of Milwaukee is pleased to announce the engagement of her daughter, Margie, to Dale Prost, son of Mr. and Mrs. Merlin Prost of Kewaskum. Margie is also the daughter of the late Frank Hackbarth.

50th Anniversary

Alphonse and Stella Schrauth, Route 1, Campbellsport, celebrated their 50th wedding anniversary Sunday, October 11, with a 10:00 a.m. Mass at St. Matthew's Church, Campbellsport, dinner for the immediate family and an open house at the Ashford Town Hall from 2:00 to 4:00 p.m.

The former Stella Weis, born in the Town of Auburn, and Schrauth, a native of the Town of Ashford, were married Oct. 14, 1931, at St. Matthew's.

The couple now retired farmed at Route 1, Campbellsport. They are members of St. Matthew's Church.

The Schrauths are the parents of Mrs. Art (Armella) Zahn, Mrs. Richard (Anna Mae) Grede, and Hilary Schrauth, all of the Campbellsport area; Greg Schrauth of Adell and Mrs. Carl (Madonna) Jensen of Pelican Lake. They also have 22 grandchildren and four great-grandchildren.

40th Anniversary

Alois and Lucille Pierret of rural Campbellsport celebrated their 40th wedding anniversary on Sunday, October 11, with a 2:00 p.m. Mass at St. Martin's Church, Ashford.

The former Lucille Burelbach and Pierret were married Oct. 11, 1941, at St. Andrew's Church, LeRoy.

Pierret is a semi-retired painter. The couple's children are Mrs. John (LeNore) Schill and Mrs. Gene (Bernadette) Fleischman, both of Campbellsport, Mrs. Darwin (Dianne) Lohse of Waupun, Mrs. Mark (Beverly) Hefter of Fond du Lac and Gordon of Milwaukee. They have 10 grandchildren.

40th Anniversary

Erna and Alvin Malterer, Iron Ridge, celebrated their 40th wedding anniversary Oct. 4 with a surprise party at the home of their son Marvin.

The couple were married at St. Andrew's Church in LeRoy in 1941. They farmed in the LeRoy area until 1948 when they moved to Iron Ridge where they continued to farm.

The couple's children are Mrs. Ray (Marlene) Kirchner of Kewaskum; and Ronald and Marvin of Iron Ridge. They have 11 grandchildren.

Marriage Licenses

James John Foerster, Route 2, Kewaskum, and Robin Sue Buslaff, Route 3, Fond du Lac.

Peter John Straub, Route 3, Campbellsport, and Cynthia Marie Nyhouse, 808 Maple Drive, Campbellsport.

Kenneth Victor Gellings, Route 1, Eden, and Beth Elaine Hall, 125 Martin St., Campbellsport.

Timothy John Kougl, West Bend, and Gail Ann Butzke, 1496 Lovers Road, Campbellsport.

add lasting value to your home

you can install a Bilco Basement Door yourself*

Enjoy the convenience, safety and low maintenance of an all-steel Bilco Basement Door. You'll like its neat, trim appearance, ease of operation, and the way it sheds rain. It's a great do-it-yourself project and actually costs less than having a new wooden door built.

*Complete instructions and all required hardware included.

Stop in and see our display. We'll give you free literature on how to do it. Or, we can suggest a contractor to install it for you.

New Aerobic Dance Session to Begin

Members of Dance Slimnastics, Ltd. will be "Tossin' and Turin'" as a new 8-week aerobic dance session begins in this area the week of October 26. The new session, also referred to as "TNT," will offer members the opportunity to develop aerobic fitness while enjoying newly-choreographed dance routines.

Classes being offered in the area are BeFit, a regular class; KeepFit, a class for former students that moves at a faster pace, because dance steps are not reviewed as often; and HisFit, a new program for men only. They will be held at the following locations:

West Bend: At the VFW Club-Post 1393 on Tuesdays and Thursdays at 10 a.m. and at 4:45 p.m., with babysitting available at the morning class. Call Karen at 334-9785 or Debra at 338-0757 to register.

Jackson: at the Pleasant Valley Tennis Club on Wednesdays and Fridays at 3 p.m. Call Karen at 334-9785 for specific details.

Kewaskum: BeFit at John & Dee's on Mondays and Wednesdays at 6 p.m., and at 7 p.m.; HisFit (for men only) at 8:30 p.m. Call Vickie at 338-2396 for details.

Slinger: at Kettle Moraine Bowl, KeepFit on Tuesdays and Thursdays at 11 a.m. and BeFit on Tuesdays and Thursdays at 1 p.m. and again on Mondays and Wednesdays at 6:30 p.m. Call Linda at 474-4780 or Susan at 644-5089 after 5:45 p.m. to register.

Receives Degree At UW-Madison

An area student is among students who recently received Bachelor's Degrees after completing their work at the University of Wisconsin-Madison. The names of students granted their degrees by UW-Madison are being announced as soon as they are compiled by the university.

The student is: Steven Brian Edgar, 9187 Boltonville Rd., Kewaskum, Chemical Engineering.

Farmington Second Graders Take Field Trip to Kewaskum

What were Farmington students doing on the streets of Kewaskum on Friday afternoon, October 9? They were taking the annual field trip to experience some of the community services discussed in Social Studies first hand.

After eating lunch at the Kiwanis Park, the students went on the Nature Trail, using maps set up by the Kewaskum Jr. Woman's Club. It took five students with out-stretched arms to cover the circumference of one Sugar Maple trunk!

Second graders then proceeded, on foot, to the fire station. Here they were able to view equipment, new and old, and get important information appropriate for Fire Prevention Week.

The next stop was the police station. Students viewed a slide presentation of various tools a policeman uses. They were treated to an explanation of the operation of the squad car.

The final stop was at the Post Office, where the second graders enjoyed a "behind-the-scenes" tour.

Farmington teachers and students would like to extend a special thank you to the firemen, policemen, and postmaster for taking time to show us their buildings and share information about their work.

Parents are welcome to view "Parkville," the model community made by second graders, when they visit Farmington during Open House.

Letters to The Editor....

10-13-81

To the Editor
 Kewaskum Statesman:

On October 12, 1981, the Kewaskum School Board finalized the 1981-82 budget with a tax levy of \$2,728,928.00 or a 7.5% increase over the 1980-81 levy. It is too late to do anything about this year's budget, but it is the right time to start thinking about next year's budget.

Last spring there were a number of budget cuts proposed but not acted upon because it was too late in the year and contracts had been given out. We respectfully ask the Board to start NOW and make cuts in the upcoming budget that will reflect the economic conditions we face.

We need cuts and not comparisons to other school districts. The comparison of our district to some of the districts chosen for study is a little like a roomful of overweight people. One of them looks around the room and says, "All of these people weigh 400 lbs. and I only weigh 375 lbs. Gee, I must be doing a great job of holding down my weight. Let them go on a diet and then I will look at my own weight after they lose some pounds."

Guess who the 375 lb. person is?

Ralph Horner
 Taxpayer

When a waiter tells a cook to "pin a rose on it," he means add an onion.

DAR to Sponsor Workshop on Study Of the Family Tree

Do you know where your great-grandparents come from? Would you like to know how to find out?

Genealogy, or the study of the family tree, is the third largest hobby in the United States today. If you are interested in tracing your family and learning about your heritage, the John Marest Chapter of the Daughters of the American Revolution is sponsoring an open Lineage Workshop on October 22 at the West Bend Memorial Library from 2-7:00 p.m. Both men and women are welcome.

The Joseph Marest Chapter DAR has invited a group of women known as the Traveling Lineage Workshop to come and conduct the meeting. Here is an opportunity for you to get individual help with your family tracing. This is a workshop; there will be no speeches. Come when you can during these hours. The women of the Traveling Lineage group, many of them professional genealogists, donate their time as a public service through the Wis-

consin Society DAR to provide this FREE service to you. Bring any family data or information that you have and let them help you.

Contact Mrs. Stanley Woolman, 626-2858 or Mrs. Richard Myers, 338-8866 if you have a question.

WANTED:

The Kewaskum Jaycees need sponsors for their Junior Bowling League on Saturday mornings.

The sponsor fee is \$50.00 which includes the entry fee and shirts for the team. If you are interested in sponsoring a team, please call Brad Kidd at 338-8841.

Following is a list of some of the sponsors: Regal Ware, Reindl Appliance & Repair, Honeck Chevrolet, Village Sport Shop, Minz Supply, Kewaskum A & W, Kennelly Pharmacy, J & J Auto Service, Lighthouse Lanes, Thiemer's Sip & Snip, Rosenheimer's, Allen Kohl Agnecy, Miller's of Kewaskum, Sportex, Glacier Inn, John & Dee's and The Amerahn. So if you'd like to join the group, please call 338-8841.

FFA to Sponsor Annual Fruit Sale

The Kewaskum FFA Chapter is now taking orders for delicious citrus fruit from California. We will again be selling approximately 40 pound cases of fruit. Ruby red grapefruit, Hamlin juice oranges or mixed cases which are about half oranges-half grapefruit by weight are available.

The fruit will be size 34-36 grapefruit and size 80-100 oranges, the same as last year. In the mixed cases there are roughly twice as many oranges as grapefruit because of the size difference.

Due to the increase of fruit cost to us and some of the problems growers have been experiencing, the prices for 40 pound cases this year will be: \$9.50/ case of oranges, \$9.50/ case of grapefruit, and \$9.50/ case of mixed.

All fruit will be pre-sold, so please place your orders by October 21. The amount due will be collected upon delivery sometime between November 16 and 20. All fruit will be hand inspected upon arrival in Kewaskum to insure you of quality fruit. All call in orders can be picked up behind the high school in the Agriculture shop.

To order fruit contact any FFA member or call Mr. Rizzardi at the high school (626-2166) between 12:00 and 3:00 in the afternoon. All proceeds from the sale go to the Kewaskum Future Farmers of America. The fruit sale chairman this year is Brenda Kempf.

Campus Notes

Michael Schaub, son of Leland and Darlene Schaub, Kewaskum, has been selected as a member of Vanguard, a university public relations organization, at the University of Wisconsin-La Crosse.

Members of Vanguard represent the university throughout the academic year, acting as hosts at such university functions as Campus Close-Ups, sessions for high school seniors interested in UW-La Crosse and new freshman orientation. They also serve as tour guides for university visitors and representatives of UW-L at state and national college fairs.

Vanguard is comprised of 26 UW-L students, chosen every year from over 60 candidates. Applicants must be of at least sophomore standing and have a minimum grade point average

of 2.25. Selection is based on academic achievement, university involvement, poise and enthusiasm, and leadership skills.

.....

The Ripon College drama department opened the 1981-82 season with Noel Coward's comedy, "Private Lives" written in the 1930's. Kurt Zarling, a senior from Kewaskum, who is the son of Mr. and Mrs. Richard Zarling Sr., of Kewaskum, was featured as Victor in the production.

Edmund Roney, professor of drama and chair of the College's speech-drama department directed the production which was performed September 30-October 3. The play revolved around the hectic love affairs of the four principal characters, all played by Ripon seniors.

25 Years Ago

October 19, 1956

A barn on the Mrs. Lorraine Dornacker farm at St. Bridgets, located between Highways 28 and H west of Kewaskum, was completely destroyed by flames in a blaze that was discovered shortly before 4 p.m. last Saturday. The farm is better known as the former "Jack" Murphy place. The farm is not being operated by the tenants and fortunately there was no grain or cattle in the barn. Used furniture, stored in the upper story of the barn, was destroyed in the blaze, as was quite a bit of lumber. The fire started in the center of the barn and may have been caused by defective wiring although the cause was not determined.

Donald Weber, 29, of Dunlap, Iowa, a roofer employed by the Humphrey Roofing Company of Hammond, Indiana on the construction of the new Kewaskum High School building, fell through a ceiling onto a concrete floor 24 feet below on October 18. He was seriously injured and was in an unconscious condition. It is believed that he suffered a possible broken back, crushed right arm and probable other injuries.

Escorted to the altar by her godfather was Miss Beverly Marie Sarauer, daughter of Mrs. Rose Sarauer, Route 3, Kewaskum, when she became the bride of Gregor Leo Rohlinger, son of Mr. and Mrs. Leo Rohlinger, also of Route 3, Kewaskum, during a nuptial ceremony on October 13.

Gerald Backus, son of Mr. and Mrs. Edwin Backhus, Kewaskum, has enlisted in the armed forces and left October 19 to begin active training.

The annual fall festival and bazaar at Holy Trinity congregation, Kewaskum, will be held on Sunday, November 4. Family style chicken and beef dinner will be served every half hour from 11:00 a.m. to 7 p.m. There will also be needlecraft, refreshments, amusements and entertainment for all.

A son was born to Mr. and Mrs. Gerald Stoffel, Route 3, Kewaskum, on October 17.

50 Years Ago

October 16, 1931

The following pupils had 100% attendance at St. Kilian's parochial school during the month of September: Andrew Beisbier, Pirmin Kohler, Anna Felix, Byron Beisbier, Sylvester Jacak, Arnold Lanser, Viola Ruplinger, Bernard Sarauer, Linus Beisbier, Gregor Flasch, Roman Gitter, Bernadette Kohler, Arnold Gitter, George Lanser, Elmer Ruplinger, Louisiana Boegel, Martha Mayer, Bernice Ruplinger, Orville Kern, Harry Wahlen, Margaret Bonlender, Catherine Simon, Felix Gitter, Lambert Jacak, Jerome Mayer, John Ruplinger, Elroy Schrauth, Vernon Sarauer, Rita Simon, Imelda Simon, Jeanette Schmidbauer, Genevieve Schmidbauer, Sylvia Sarauer, Allen Batzler, Clemens Gitter, Aloys Zehren, Jeanette Strobel, Paul German, Alvin Gitter, Leonard Peter, Helen Rup-

linger, Lorraine Ruplinger and Dolores Sarauer.

With this issue, the Statesman enters upon its 37th year as a weekly newspaper.

The Wayne Flashes will sponsor a big basketball dance in Wietor's Hall on October 25.

Mr. and Mrs. Joe Kern, well known citizens of Kewaskum, residing in the Rosenheimer addition, can boast of having two peach trees on their lawn which are now bearing fruit. The trees are about the size of an ordinary apple tree and are bearing about 50 full-grown peaches each.

A baby boy was born to Mr. and Mrs. Walter Westerman of Kewaskum last Friday.

75 Years Ago

September 22, 1906

The town board let the contract for filling up behind the abutments of the new bridge at Fred Bartelt's place for \$18, to Paul Backhaus.

Last Tuesday morning at St. John's occurred the marriage of William Guildford to Miss Jennie McKee of Boltonville.

A baby girl was born to Mr. and Mrs. John Kahut of St. Kilian last week.

Twin babies, a boy and a girl, were born to Mr. and Mrs. Mat. Bath, Kewaskum, last Tuesday.

September 29, 1906

Miss Margaret Fitzpatrick, daughter of Ex-Postmaster John Fitzpatrick, a hardware dealer at Random Lake, was killed while trying to climb over a flat car of a train which blocked her path. She was returning home from a party with Miss Masterson, and after waiting for a short time to see if the train would go on, the girls started to climb over the car. Miss Masterson got over safely but just as Miss Fitzpatrick reached the top of the flat car, the engine backed into the train, and it gave a violent lurch which threw the girl to the ground, breaking her back.

The Fond du Lac Common Council has passed a resolution that photographs of habitual drunkards be posted in every saloon in the city.

Herman Suckow is now in charge of the Kewaskum flouring mills.

Herman Bruieser and Miss Lydia Fircks of New Fane were married last Saturday.

Joseph Zwaschka of St. Kilian sold his 63 acre farm to Louie Foerster at the rate of \$95 per acre.

October 6, 1906

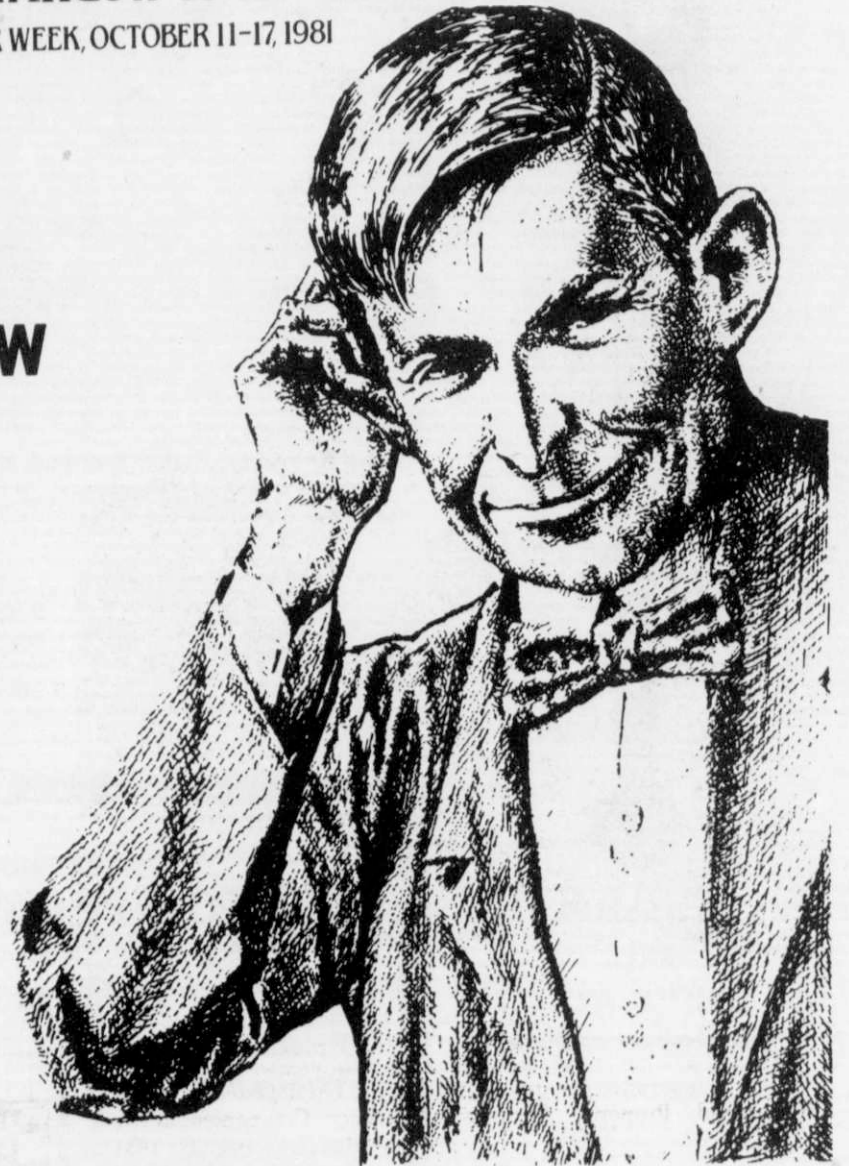

A class meeting was held by the senior members of Kewaskum High School the result of which was the election of Alvin D. Backhaus as president, Ellen N. Wunderle as vice-president, Albert C. Schaefer as secretary, and Lauretta L. Schmit as

NATIONAL NEWSPAPER WEEK, OCTOBER 11-17, 1981

"ALL I KNOW IS WHAT I READ IN THE PAPERS"

America's best-loved humorist also was one of the best-informed persons of his time. Nothing, it seemed, escaped his notice. His comments on the passing scene were applauded and repeated by millions the world over. "All I know is what I read in the papers" became his trade-mark. Will Rogers recognized that newspapers, more than any other media, are the common source of information of all the people.

Kewaskum Statesman

editor.

The marriage of Albert Oppenorth, son of Mr. and Mrs. Herman Oppenorth, and Miss Margaret Gonring of Cedar Lake was solemnized in the Catholic Church at St. Mathias on Tuesday.

Miss Josephine Dworschak of New Fane and Lawrence Schloemer of Milwaukee were united in the holy bonds of matrimony here at Holy Trinity Church last Tuesday.

Otto Stark took possession of the Phil. Meinhardt blacksmith shop last Monday, which he

bought last week.

Jos. Schlosser of Kewaskum received his new 2-chair barber outfit for his shop last Monday.

Last Saturday occurred the marriage of Miss Louisa Wiese and Mr. Richard Siegesmund at New Fane.

October 13, 1906

The first snow of the season fell in Kewaskum last Tuesday night.

The new St. Matthew's Church at Campbellsport, which was recently built at a cost of \$30,000.00, was formally

dedicated last Thursday by Archbishop S.G. Messmer of Milwaukee.

A very pretty wedding took place at Holy Trinity Church Tuesday, October 9, the contracting parties being Frank Zwaschka, son of Mrs. John Zwaschka, and Miss Cora Strobel, daughter of Mr. and Mrs. John Strobel. Both are well and favorably known in Kewaskum and vicinity.

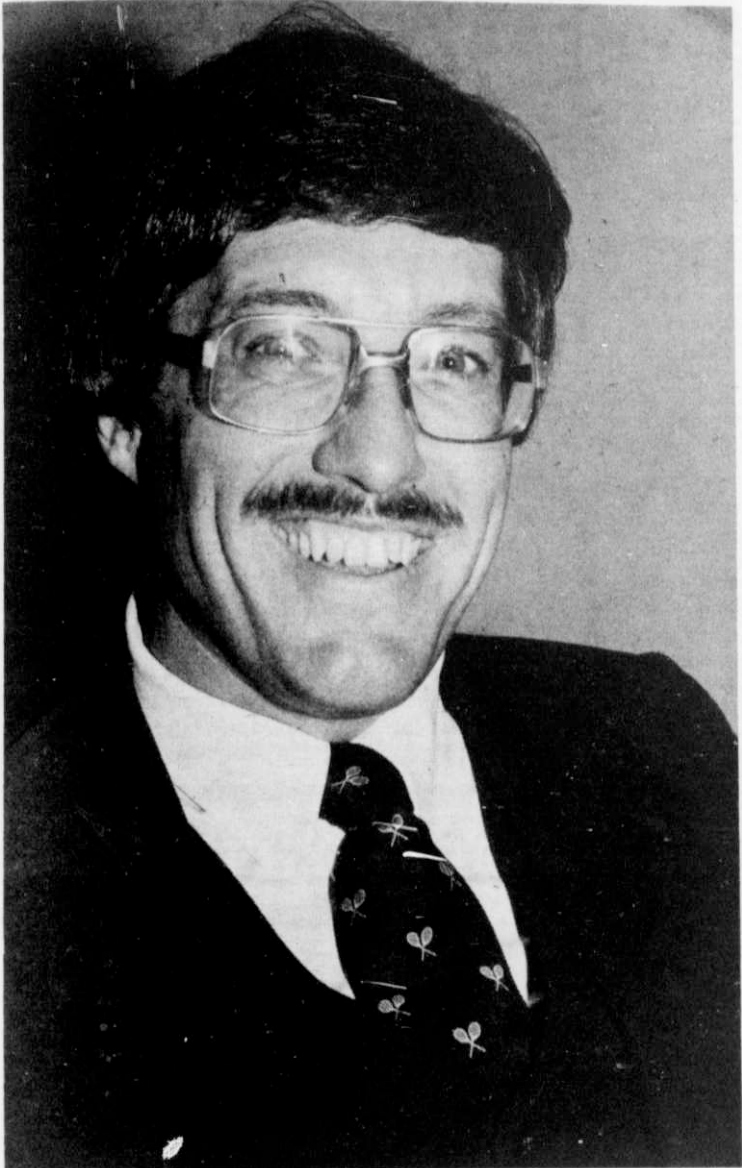

A baby girl was born to Mr. and Mrs. Frank Wussow of St. Michaels on Friday.

Oelhafen Awarded Designation

Richard J. Oelhafen

MALVERN, PA — Richard J. Oelhafen was awarded the professional insurance designation, Chartered Property Casualty Underwriter — CPCU — at national conferment ceremonies in New Orleans, Louisiana on October 12. The Conferment was held in conjunction with the Annual Meeting and Seminars of the Society of CPCU.

He is the son of Mary H. Oelhafen of Kewaskum. He graduated from Northwestern Prep. in Watertown, Wisconsin, and received his college degree

from Wisconsin State University, Whitewater in 1964.

He is employed with Wausau Insurance Companies in their Charlotte, N. C. regional office. Dick and his wife and two children reside at 5310 Lancelot Drive in Matthews, N. C.

The CPCU Designation was awarded by the American Institute for Property and Liability Underwriters to graduates nationwide who met rigorous ethical, examination and experience requirements. The American Institute for Property

and Liability Underwriters is a non-profit educational organization formed by the property and liability insurance industry in 1942 to establish a program of professional education and certification for insurance industry personnel.

Births

BOEGEL — A son, Jesse Joseph, weighing 9 lbs., to Charles "Chuck" and Mary Ellen Boegel, 1438 Parkview Drive, Kewaskum, Monday, Oct. 5. Paternal grandparents are Mr. and Mrs. Melvin Furlong, Route 2, Campbellsport, and maternal grandparents are Mr. and Mrs. Joseph Ruppinger, Route 1, Allenton.

SCHACHT — A son, Joseph Kilian, to Doug and Kristy Schacht, Kewaskum, Thursday, October 8. Paternal grandparents are Mr. and Mrs. Henry Schacht, Route 1, Kewaskum, and maternal grandparents are Mr. and Mrs. Kilian Honeck, Kewaskum.

LaMARCHE — A son, Jeremy Roeder LaMarche, to John and Margaret LaMarche of St. Paul, Minnesota, former residents of Kewaskum, on Saturday, Sept. 19.

REIGLE — A son, Ryan John, to John and Colleen Reigle, Route 2, Sunset Drive, Campbellsport, Tuesday, October 6.

Gary Moody Elected President Of 4-H Leaders Association

Gary Moody of Kewaskum was elected president of the Washington County 4-H Leaders Association. The Vice-President is John Klesper Jr. of Slinger; Secretary is Lynn Klesper of Slinger, and the Treasurer is Heidi Seilenbinder of Richfield.

The officers were elected from the membership on the Board of Directors. The Board consists of two adult leaders and two youth leaders from each of four areas in the county.

The directors from the Wayne/Kewaskum area are Gary Moody, Marie Clark, Heidi Belger and Tim Indermuehle. From the West Bend area they are Carroll Merry, Cheryl DuBrava, Karen Doll and Neil Zaporski. From the Hartford/Slinger area they are Jean Beisenstein, John Klesper Jr., Kathy Stroud and Lynn Klesper, and from the Germantown/Jackson area they are Mrs. Barbara Thompson, Mary Lynn Prost, Jane Weix and Heide Seilenbinder.

Cheryl DuBrava was also elected to the District Adult Leaders Council. The council consists of adult leaders from Southeastern Wisconsin. Emily Schroeder of Hartford was elected to the District Youth Leaders Council. The councils set policy and plan activities in the district. They also select

representatives to the State 4-H Council. The State Council is responsible for state wide policy and activities such as State 4-H Congress.

The Board of Directors is responsible for the overall conduct of 4-H in Washington County. They also appoint committees which plan and carry out specific county activities.

Gary Mlodzik Wins Photography Award

Gary Mlodzik, 19, son of Mr. and Mrs. Donald Mlodzik, Kewaskum, received second honorable mention for his photo entry in the Senior Division of the Photography Contest sponsored by the Catholic Order of Foresters headquartered in Chicago.

Mlodzik's photo will be published in the November/December issue of Catholic Forester magazine.

Mlodzik submitted photos to the Statesman while he was a student at Kewaskum High School.

DNR to Auction Firewood Permits In Kettle Moraine

The Department of Natural Resources will auction firewood permits on the Northern and Southern Units of the Kettle Moraine State Forests on Saturday, October 24, 9:00 a.m. at each of the Forest Headquarters.

The Northern Unit Headquarters is located six miles north of Kewaskum on County North "G" and the Southern Unit Headquarters is three miles west of Eagle on State Trunk Highway "59".

There will be approximately 50 firewood permits available for the Northern Unit and 75 permits available for the Southern Unit. Each permit will consist of between one to three standard cords of wood. Most of the permits will be for standing dead or live trees which should be removed to improve forest productivity. The majority of the dead and down wood has already been removed from the forest floor under the old free firewood permit system.

The minimum price for a standard cord of wood will be \$10.00. A standard cord is four feet high by four feet wide by eight feet long. Only one permit per household will be issued.

Certain restrictions will be in effect for the firewood permits. They are:

—There will be two periods for cutting wood, from October 26 to November 20, and December 1 through December 20. Cutting will not be allowed on Sundays during the early period.

—Motor vehicles will not be allowed to travel off of state, county, or town roads to remove wood.

—Only marked trees can be cut or removed.

—Cutting hours will be from 8:30 a.m. to 5:00 p.m.

—Log or wood skidding will not be allowed on designated trails.

Persons interested in participating in the firewood permit auctions should contact the Northern Unit Headquarters at (414) 626-2116 or the Southern Unit Headquarters at (414) 594-2135. Maps and additional information on each permit will be available for review at each Forest Headquarters after October 10.

In the past, the Department had issued free firewood permits. Legal opinions say the

DNR does not have the authority to issue free firewood permits since it can't give away forest products which have a value.

Thursday, Oct. 22 — Baked stuffed cabbage roll, whipped potatoes & butter, salad w/Italian dressing, split top bread, grapefruit sections, milk & coffee.

A NEWSPAPER...

it's something to celebrate!

Your newspaper...a source of in-depth news, your marketplace for alerting you to what's available, at easily comparable prices...a means of effective advertising that helps stimulate the economy, circulating the dollars; and, of course

Your newspaper is...your eyes and your ears to what's happening.

As friend, community booster and mutual-interest associate in the private sector and in government too, your newspaper knows its importance and understands its responsibilities.

Being your newspaper is being all these things to you...and we're proud of the chance and the honor.

KEWASKUM STATESMAN

NATIONAL NEWSPAPER WEEK — OCTOBER 11-17

In the Service

Mathias J. Heltemes

Airman Mathias J. Heltemes, son of Mr. and Mrs. Mathias A. Heltemes of 3545 Town Hall Road, Kewaskum, has completed Air Force basic training at Lackland Air Force Base, Texas.

The airman, who is remaining at Lackland for socialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations.

Completion of this training earned the individual credits toward an associate degree in applied science through the Community College of the Air Force.

He is a 1980 graduate of West Bend East High School.

Pvt. Kathleen A. Weber, daughter of Mr. and Mrs. Donald J. Weber of 2485 N. Wallace Lake Drive, West Bend, has completed training as a grave registration, laundry and bath specialist at the U.S. Army Quartermaster School, Fort Lee, VA.

During the course, students

received instruction in mortuary science, combat laundry operations and chemical, biological and radiological decontamination procedures.

GORDON MEDLEY, son of Mr. and Mrs. Robert Medley, 1359 Lakeview Road, West Bend, enlisted in the Air Force's Delayed Enlistment Program in Milwaukee, Sept. 22, 1981.

Gordon, a 1981 graduate of Kewaskum High School, is scheduled for enlistment in the Regular Air Force on March 18, 1982. Upon graduation from the Air Force's six-week basic training course, he is scheduled to receive technical training as a Jet Engine Mechanic.

He will be earning credits toward an associate degree in applied sciences through the Community College of the Air Force while attending basic and other Air Force technical training schools.

John Backhaus, a Kewaskum area resident, is enrolled this fall at UW-Stout, Menomonie, Wis. He is majoring in general business administration.

With an enrollment of approximately 7,500, Stout is a "Special-System" university in the UW-system. Founded in 1893, it retains its original primary mission of preparing men and women for careers. Because of this, the university continues to have a job placement record of better than 90 percent of its graduates.

A person's nose and ears continue to grow throughout life.

J & J AUTO TOPICS

TUNE-UP WITH US

Two important things to remember for good car mileage and smooth performance is 'accurate carburetor adjustment' and 'correct ignition timing.'

Precise work in these two services have brought drivers back to J & J AUTO SERVICE, too, because they are satisfied with their trouble-free cars. Try us today.... drive over to 450 E. Main.... even for a fill of gasoline. We'd like to meet you.

PHONE 626-2311

District Camporees Announced by Scouts

Boys become Scouts because they want to go camping and the Bay-Lakes Council, B.S.A. is offering 9 area encampments in eastern Wisconsin during October. The encampments are called District Camporees and are held in different locations and dates throughout the Council's territory made up of 23 counties in eastern Wisconsin and upper Michigan.

The purpose of the Scout Camporees is to promote the Scout Movement's aims and to supplement the local chartered troop's outdoor program. Camping is a major method or tool used by Scouting to train boys.

There are over 300 local Scout troops in the Council chartered independently by community organizations and churches who use Scouting as a resource in their programs.

District Camporees scheduled for October include:

Glacier Edge District serving Ozaukee and Washington Counties - October 16-18 at Sandy Knoll Park at West Bend - * Robert Van Dyck, Grafton, - District Chairman.

October is a major recruiting month for the Boy Scouts. All boys 11 and up can join by contacting their school for local troop information.

Themes for the District Camporees include Bring a Buddy, First Aid, Pioneering, Wild West, Reunion with History, Safety First, Scout Advancement, Wild Edible Plants and Orienteering.

The Council's summer camp attendance increased 17% for 1981. The Council is completing over \$2 million in camp capital improvements. The Bay-Lakes Council is a member agency of 46 United Ways and Community Chests throughout its territory.

Winners Named In MD Contest

Verna Schmidt of 8213 Red Arrow Court in Wauwatosa will fly via Eastern Airlines with Howard and Rosemary Gernette of WISN TV's "AT TWELVE" to Walt Disney World in Florida for her slogan in the Muscular Dystrophy Association's 12-Word Contest in the Fun-Events program. A panel of judges selected Verna's entry in the contest as the overall best based on originality, neatness and aptness of thought. Along with her friends, Verna organized her first annual carnival for MDA raising \$14.

The second place winner in this year's contest is Jenny Slabe, 1406 Adrian Court, Plymouth, who organized a carnival with several of her friends and raised \$21. Her 12-Word slogan won her a trip for a family of five to the Wisconsin Dells.

Prize winners, third through twelfth places, respectively include: Melanie Wagner of West Bend - a 30 minute airplane ride aboard a Beechcraft Sundowner airplane donated by Aerodyne; Sally LaBoda of Racine - all the ice cream she can eat one day a month, for a year, donated by Farrell's Ice Cream Parlour Restaurants; Cindy Reinders of Lomira - a pair of HV/X stereophones donated by Koss; Kathy Kosterman of Racine - \$50 gift certificate good for food and beverage at TGI FRIDAY'S Restaurant; Kevin Gyax of New Berlin and Cathy Bzdawka of Milwaukee each won a birthday party for 12 including free admission, skate rental and refreshments from Wisconsin Skate University; Linda Phelps of New Berlin - free admission for four to Marriott's Great America; Sharri Frahman of

Cudahy and Douglas Wick of Racine each won tickets for a group of 10 to King Richard's Faire; and Gina Serio of Wauwatosa - a Jerry Lewis watch.

To date, residents of the metro-Milwaukee area have raised nearly \$75,000 in the 1981 Channel 12 FunEvents for MDA Campaign. These proceeds will help send children and adults with one of 40 different neuromuscular diseases covered by MDA to a special summer camp, pay for wheelchairs, braces and other orthopedic aids, as well as, transportation and counseling. The money will also help support the Milwaukee MDA Clinic where patients receive medical services free of charge.

New Interest

Rates for USDA's Farmers Home Loans

Stevens Point — The farmer Home Administration in the U.S. Department of Agriculture started charging higher interest rates effective October 1 on several of its loan programs as a result of legislation enacted by Congress.

Dwight O. Calhoun, acting associate administrator of FmHA, said higher rates are required for community facility, water and waste disposal, emergency farm and limited resource farm loans. The changes were included in the budget reconciliation bill passed by Congress just before the August recess.

In addition to the new rates, the use of prime farmland for development purposes will be more costly in some cases under provisions of the 1981 legislation. Calhoun cited as an example an extra 2 percent interest on loans used to finance community facility and certain other projects on "prime" or "unique" farmland.

"Prime" farmland is described as having the best combination of physical and chemical characteristics for producing food, feed, forage, fiber and oilseed crops. It also must be available for those uses.

"Unique" land is other than prime land having special combinations of soil quality, location, growing season and moisture to economically pro-

duce high quality or yields.

Increases in interest rates are as follows: Water and Waste Disposal 12.25% from 5%; C

Community Facilities 12.25% (plus 2% annually when prime or unique farmland is involved) from 5%;

Emergency Farm Loans for disasters after October 1, 1981, for persons able to obtain credit elsewhere, 17% from 15%;

Emergency Farm Loans for disasters after October 1, 1981, for persons unable to obtain credit elsewhere, 8% from 5%;

Farm Operating (Insured Limited Resource loans for non-farm enterprises, recreation, soil and water), 11.5% (plus 2% annually when prime or unique farmland is involved), for first three years, then reviewed every two years, from 7%;

Farm Ownership (Insured Limited Resource loans for non-farm enterprises, recreation, soil and water), 7% (plus 2% annually when prime or unique farmland is involved), from 5%.

Calhoun said the interest premium for use of prime or unique land will not apply if the applicant is a public body or Indian tribe and can demonstrate to FmHA that it cannot suitably locate on other land.

The community facility and water and waste disposal rate of 12.25% was derived from the statutory requirement that it not exceed the current municipal bond yield. This rate must be calculated quarterly based on market conditions.

Interest rates will remain at 5 percent for facilities required to meet health and sanitary standards in areas where

median family income is below the poverty level established by the Office of Management and Budget, currently \$8,450 a year.

Other Farmers Home loan rates are not affected by these changes.

City of West Bend Applies to DNR for Building New Dam

The Department of Natural Resources has received an application from the City of West Bend to build a dam on the Milwaukee River 150 feet downstream from the existing dam commonly known as the Woolen Mills Dam. The city proposes to remove the existing dam upon completion of the new dam.

The existing dam has structural deficiencies and is in desperate need of repair.

Jeff Bode, Water Quality Biologist for the DNR's Southeast District, says that building the new dam would cause violations of water quality standards and that the Depart-

Kewaskum Statesman, Friday, Oct. 16, 1981, Page 17

ment is opposed to the construction of the new dam.

"We don't have any problems with the proposed structure of the new dam itself, just the water quality problems the dam would create downstream," Bode said.

Bode emphasized that the Department has been working and will continue to work with the city in addressing these problems.

Studies of the existing impoundment show heavy metals and other pollutants are found in fish, water, and bottom sediment samples taken by the city and the Department. Water samples show that water quality standards have been violated for mercury and dissolved oxygen. Fish samples show an

accumulation of some heavy metals and other pollutants, but do not exceed fish consumption advisory limits. Bottom sediment samples are heavily polluted with heavy metals including cadmium, chromium, copper, and mercury. Organics are also present in the sediment samples.

"The impoundment has degraded from a diverse warm water fishery to a carp only fishery," Bode added.

The Department has requested a public hearing on the proposal which will be scheduled in November. The hearing will determine whether the new downstream dam can be built and also address the water quality problem.

NATIONAL NEWSPAPER WEEK, OCTOBER 11-17, 1981

NOTICE

Notice is hereby given that applications for the position of DEPUTY SHERIFF for the Washington County Sheriff's Department will be accepted by the Washington County Civil Service Commission.

SPECIAL NOTE: WOMEN AND MINORITIES ARE ENCOURAGED TO APPLY.

Application blanks shall be obtained from the Washington County Personnel Office, 432 East Washington Street, West Bend, Wisconsin.

The position DEPUTY SHERIFF has a minimum base pay of \$1241.07 per month, and a maximum base pay of \$1635.02.

Applicants will be notified by the Commission of the time and place of the examination.

All applications for the position of DEPUTY SHERIFF must be on file and time stamped in the Washington County Personnel Office not later than 4:30 p.m. on October 23, 1981.

The general qualifications for the position of DEPUTY SHERIFF shall be as follows:

- 1) All applicants shall be citizens of the United States and a Wisconsin resident for one year prior to the date of the examination;
- 2) All applicants shall not be less than 21 years of age, and shall not have passed their 36th birthday prior to the last date for filing an application, unless a veteran;
- 3) All applicants shall have a high school diploma or the equivalent thereof;
- 4) Applicants shall not have been convicted of a criminal offense equivalent to a felony or a serious misdemeanor under Wisconsin law;
- 5) Applicants height and weight should be proportional;
- 6) Applicants must possess a valid Wisconsin Drivers License;
- 7) Residency within Washington County must be established within three months of the date of appointment to the department.

The Washington County Personnel Department will furnish each applicant for the position, with a detailed job description when the applications are procured.

All applicants for the position of DEPUTY SHERIFF who successfully complete the written examination shall be graded on the basis of thirty percent of their total score being applied to the written examination and seventy percent of the total score being applied to the oral examination. Successful applicants will be required to pass a physical examination prior to appointment.

DATED this 29th day of September, 1981.

WASHINGTON COUNTY CIVIL
SERVICE COMMISSION
Robert Russell, Chairman
John Kratz, Secretary

Owners of Real Estate in Washington County

Take Notice!

On October 20, 1981, and the next succeeding days, Fredric A. Seefeldt, Treasurer of Washington County, will at the courthouse at West Bend, Wisconsin, sell to Washington County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1980, except public lands held on contract and land mortgaged to the state. If you are in doubt as to whether the taxes on your land are paid, consult the county treasurer.

Pay Your Taxes Now

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

THIS SALE IS NOT OPEN TO THE PUBLIC. THE COUNTY WILL PURCHASE THESE DELINQUENT TAXES.

FREDRIC A. SEEFELDT
COUNTY TREASURER,
WASHINGTON COUNTY

Minutes of Village Board Meeting

Regular Meeting
October 5, 1981
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street. President Gerald Stollenwerk presided. Trustee David Nigh had asked to be excused and was absent. All other Village Trustee Members were present.

The minutes of the September 21, 1981, meeting were approved as printed upon motion by Trustee D. Mlodzik, seconded by Trustee R. Schmidt. Voice vote was unanimous.

A public hearing was held on the application of National Avenue Shop-Rite, Inc. for a Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License for the premises located at 911 Fond du Lac Avenue. Cletus A. Bartelt, Alfred L. Patin and Paul A. Behring appeared on behalf of the applicant. James Boegel of J and N Liquor appeared in opposition to the granting of the license. A resident of Bel-Ric Arces appeared in favor of granting the license. Motion was made by Trustee P. Blumer, seconded by Trustee J. Rohrer that the hearing be declared closed. Voice vote was unanimous.

Motion was made by Trustee D. Mlodzik, seconded by Trustee R. Herriges and unanimously carried that the Board suspend the rules and move from item five (5) to item eight A (8a) on the agenda.

The application of National Avenue Shop-Rite, Inc. for a Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License was reviewed and discussed. Because the Village Board preferred to remain consistent with their denial of previous Class "A" licenses, motion was made by Trustee R. Herriges, seconded by Trustee P. Blumer that the application be denied. Voice vote was unanimous.

The application of Gordon Wilhelmi for a bartender's license was approved and the Commissioner was authorized to issue the proper permit upon payment of the required fee. Motion by Trustee J. Rohrer, seconded by Trustee R. Schmidt. Voice vote was unanimous.

The application of Donald Schneider for a building permit for the remodeling of the existing home at 115 Elm Street was approved and the Commissioner was authorized to issue the proper permits upon payment of the required fee. Motion by Trustee R. Herriges, seconded by Trustee D. Mlodzik. Voice vote was unanimous.

The establishment of snowmobile trails within the village for the 1981-82 season and as indicated on the map presented

by the local snowmobile club was approved upon motion by Trustee R. Herriges, seconded by Trustee J. Rohrer. Voice vote was unanimous.

The totals of all claims, as recommended for payment by temporary Finance Chairman Trustee Raynor Herriges, were as follows:

Village Gen. Fund	\$53,973.67
Water Dept. Fund	2,532.09
Sewage Dept. Fund	4,699.48

Payment of these claims, as recorded in the official record, was authorized upon motion by Trustee P. Blumer, seconded by Trustee J. Rohrer. Voice vote was unanimous.

A Park and Recreation Committee meeting was scheduled for 7:00 p.m. October 19, 1981.

President Gerald Stollenwerk read a letter from village employee Sylvester Schmidt advising the Board of his intention to retire at the end of 1981.

Motion was made by Trustee R. Schmidt, seconded by Trustee R. Herriges that the Board adjourn to closed session under Chapter 19.85 (1) (e) of the Statutes to discuss upcoming employee negotiations, compensation and performance data of village employees over which the governmental body is jurisdiction. Roll call vote was unanimous.

William S. Martin,
Commissioner

Trees and Shrubs Available From State Nurseries

Application forms to order trees and shrubs from state nurseries are now available, according to Albert Kubiske, State Forests, Nurseries and Wild River specialists in the DNR Bureau of Forestry.

The forms may be obtained from DNR field stations, U.W. County Extension offices and all DNR foresters.

Seedlings available include a variety of both hardwood and softwood trees and wild shrubs. In addition, wildlife packets and windbreak-shelterbelt packets are also available.

Over 16 million trees and shrubs were distributed in 1981 and about the same number are available for 1982. However, according to Kubiske the demand for seedlings as in past years is expected to be great this year. It is recommended that landowners place their orders early in order to obtain the species they need. While the present inventory is excellent, supplies of some of the more highly desired species are expected to be exhausted early.

A reminder that these trees and shrubs purchased from state nurseries can be used only for conservation purposes. They cannot be used for landscaping or commercial Christmas tree production.

NOTICE TO ALL TRANSPORTATION PROVIDERS INVITATION TO BID WASHINGTON COUNTY 1982 ELDERLY AND HANDICAPPED TRANSPORTATION PROGRAM

Sealed proposals will be accepted at the Washington County Office on Aging, 401 E. Washington Street, West Bend, WI 53095 until Monday, November 2, 1981 at 5:00 P.M. for transportation services for elderly and handicapped residents of Washington County. Direct bid intents to the attention of the 1982 transportation programmer. Bid Specifications may also be picked up in the Washington County Office on Aging.

Proposals shall include all costs borne by you to provide said service.

All proposals must be submitted on proposal forms according to specifications prepared by the County, as enclosed.

Washington County reserved the right to reject any or all proposals or to accept any proposal or any item of any proposal deemed most advantageous to the County.

If you have any questions, please contact the Office on Aging at 338-4497.

PUBLIC NOTICE

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, Oct. 19, 1981 at 8:00 p.m. in the Council Room of the Municipal Building, 204 First Street.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and in the lobby of the Valley Bank.

William Martin, Clerk

IN MEMORY

In loving memory of our dear husband, father and grandfather, Clifford Stautz, who passed away one year ago, October 16, 1980:

Remembrance is a golden chain
Death tries to break but all in vain;

To have, to love and then to part
Is the greatest sorrow of one's heart.

The years may wipe out many things
But this they wipe out never—
The memory of those happy days

When we were all together.
Sadly missed by Elsa Stautz
and family.

Indians Lose Another One at Sheboygan Falls

After winning their first two Eastern Wisconsin games the Kewaskum Indians now have lost their last two, the latest setback coming at Sheboygan Falls Friday night where they were defeated by the Falcons, 21-7. Several key players were on the injured list for this contest.

Each team scored seven points in the first quarter and there was no more scoring as the teams played on even terms for three quarters until the Falcons came through with 14 big points in the final period to sew up the victory.

However, Falls had a big edge in the statistics with 14 first downs to Kewaskum's 8 and almost tripled them in total yards, 331 to 129. The result left both teams with identical 2-2 records.

The hard running of their ace tailback, Jeff Wollert and a staunch defense in the last three quarters made the difference in the contest. After the first period, there wasn't any scoring by either team until the Falcons scored twice in the last 3:29 minutes to break the 7-7 tie.

The Indians scored first, going 53 yards in 14 plays on their first drive, with Jim Krahn taking it in from the two yard line. Brian Larsen kicked the extra point. Both Krahn and Scott Stoltzmann picked up good yardage on the drive.

The Indians' 7-0 lead didn't last long, however, as Falls came right back with their own scoring drive. They started on their own 40, moved 60 yards in only six plays, and then Wollert burst in from the three. The big play in the drive was a 42-yard pass from quarterback Ron Biederwolf to Bill Lorenz. Michael's conversion tied the

game.

Just before halftime the Indians were hurt when they turned the ball over twice, once on a fumble and the other on an interception.

One time in the second quarter Sheboygan Falls did move the ball to the Kewaskum 9-yard line but they were tagged with a holding penalty and the Indian defense held.

Kewaskum got a break at the start of the second half when Larsen recovered his own kick after it hit one of the Falls players on the chest. But the Indians were unable to move the ball and after two plays gained just one yard quarter-back Ric Leitheiser was sacked for a 13-yard loss.

Larsen's booming punts kept the Falcons in the hole much of the second half but with 4:40 left in the final quarter, Falls intercepted a Leitheiser pass at the Kewaskum 34-yard line. After a 3-yard gain two successive Biederwolf to Lorenz passed moved the ball down to the Indians' six, from where Wollert did his thing again. The extra point made it 14-7.

Kewaskum tried hard to get back in the game but the fired up Falcons sacked Leitheiser and a fourth down attempt to Jeff Geidel was knocked away. This gave Falls the ball on the Indians' 35. With only a minute left, Kewaskum's defense took a gamble going for the football and Wollert broke loose for his third score.

This week the Indians have a bye in the schedule with no game before taking on Kiel the next Friday, Oct. 23, in their homecoming game. The strong Kiel team holds down second place behind Two Rivers with a 3-1 record.

JVs, Freshmen Lose Close Ones to Falls

Both the Kewaskum JVs and freshmen went down to Sheboygan Falls in close games Thursday, giving the Falcons a sweep including the varsity contest Friday.

The JVs lost a heartbreaker, giving up a touchdown in the final 30 seconds in a 21-15 loss, while the frosh lost their encounter, 20-12.

Shortly before halftime, the freshmen were trailing 12-0 when quarterback Mark Follman hit Tom Herriges on a 60-yard pass play. John Mertzig then scored from the six to narrow the gap to 12-6.

Falls scored again but the Indians battled back with wing-back Herriges hitting Mike Steinhardt for a 30-yard scoring pass.

Linebacker Rich Miller and tackle Henry Barger stood out defensively.

As usual the Kewaskum JVs were the first to score. Tim Leitheiser connected with Jim Braun for a 20-yard pass but the extra point try was wide.

Two long passes then hurt the Indians. The first one set up a scoring run by the Falcons with the extra two points giving them an 8-6 lead. The second happened on a fourth and 20 when Falls went for a 38-yard score.

In the fourth quarter a 25-yard pass from Leitheiser to Jeff Squier set up a touchdown, following which Chris Harlow went in from the four. Harlow's two point conversion brought the score to 15-14. But the Falcons came back for a final score to bring the final count to 21-15.

The frosh are now 1-3 for the season and the JV 2-2.

Pheasant Stocking Plans Set by DNR

The Department of Natural Resources will stock about 30,000 pheasants on approximately 100 public hunting grounds this fall, according to John Keener, director of DNR Wildlife Management.

Release totals are in line with plans announced during mid-August which called for stocking about 10,000 fewer birds than originally anticipated. In recent years, DNR has released about 40,000 pheasants which are reared at the Poynette Game Farm.

Stocking will be reduced somewhat, compared to previous years, stemming from an outbreak this summer of coccidiosis, a common poultry disease, at the Poynette facility. To benefit the most hunters, no pheasants will be stocked after mid-November except on the Bong Recreation Area in Kenosha County. Keener said DNR wildlife managers are optimistic that while there will be fewer birds on public hunting grounds, natural reproduction on private lands will help compensate for the shortfall. A survey of spring breeding populations indicated that wild pheasants are recovering from the lows of 1979 and 1980. The 1981 pheasant season runs from noon, October 24, through December 6. Wildlife personnel indicate that releases by sportsmen's clubs help to supplement the number of wild birds on private lands.

Latest figures indicate that almost 60,000 roosters will be released this fall by 112 local sportsmen's clubs participating in DNR's cooperative day-old chick program. Over 200,000 Wisconsinites hunt pheasants.

"So even with decreased game farm stock available for 1981, hunters - on a statewide basis - will experience pheasant hunting quality in line with recent years," Keener said.

DNR's stocking program attempts to offset the decline in pheasant habitat resulting from agricultural use, loss of wetlands, and increasing urbanization. All but two designated wildlife areas will receive birds as in the past. Most of these wildlife areas are in the southern, southeaster, Lake Michigan and west central parts of the state. Stocking times and locations are kept confidential to encourage equal hunting opportunity.

Hunters are reminded that a valid small game or sports license is required to hunt pheasants.

Indian Spikers Win One Over Plymouth

The Kewaskum girls volleyball team, which has been having their problems this year, got to enjoy a victory over Plymouth last Tuesday night.

With all but two members of last year's team back, the Indians had expected to make a strong run in the Eastern Wisconsin Conference in 1981, but so far had been tied for last place with Kiel and Plymouth.

Against Plymouth the girls played well, beating the Panthers in all three games and Coach Dave Rizzardi was especially pleased with the spiking of Michelle Rodenkirch and Jane Degnitz.

The first game was won easily by Kewaskum, 15-5. The girls let down some in the second game but managed to come out on top, 15-11.

The varsity is now 2-6 for the season.

The JVs took two out of three for their first win of the season.

Indian Girls Third, Boys Ninth in Cougar Cross Country Invitational

Kewaskum finished third in the girls' division and ninth in the boys' division in the Campbellsport invitational cross country meet Thursday.

Berlin was the boys' winner with 34 points to 45 for runner-up Slinger. Winnebago Lutheran Academy and Kewaskum boys both had 216 points but Winnebago placed eighth ahead of the Indians on the basis of the teams' sixth runners.

Max Harn of Berlin was the individual winner, covering the 3-mile course in 15:38. Kewaskum's Wayne Boudreau was eighth in 16:34.

The sixth runner placing was even more important in the girls' division, Slinger edging Sheboygan Falls for first place on that basis. Both teams had 59 points. Kewaskum was third with 86.

Mary Kastelic of Plymouth was the top individual, finishing with a time of 11:41 for the 2-mile course.

The Kewaskum girls had no finishers among the top ten.
