Tavern License Application Denied for Second Time

By GERRY MUELLER
Statesman Staff Writer

For the second time in less than a month, the Kewaskum Village Board denied a liquor license for the premises at 1310 Riverview Drive.

Ralph Scott, the owner of the tavern, formerly known as John and Dee's or Appollo's Lyre, appeared at Tuesday's public hearing with his attorney, Arthur Guenther.

Guenther's argument for granting the license was that Scott had made a mistake in trying to set his sons up in business. "I suppose it wasn't the first mistake a parent makes with his kids," said Guenther. "Now, all Mr. Scott wants to do," said Guenther, "is get the tavern operating so he can get it on the market and sell it as soon as possible." Guenther said his client was willing to abide by any restrictions the board wanted to put on the license. That included no music or dances.

About a dozen area residents were present, all getting up and voicing their objections to issuance of the license. We're tired of Mr. Scott's promises that things would change. We heard them when his sons operated the tavern and when Ralph was the operator. Guenther told the meeting that Robert and Randy would not be tending bar. Village Attorney

Gerald Kiefer said the sons would not need to obtain a bartender's license to work in a "family-owned" business.

Board President Gerald Stollenwerk asked Police Chief Donald Hlavaty to give a report on behalf of his department. Hlavaty read three pages of complaints against the premises which resulted during the period June 1, 1979 through June 30, 1980, during which time Scott or his sons were running the establishment. An average of five complaints a month were received by the department. Hlavaty said he and his officers had logged 384 hours of extra police time costing the village approximately \$2,300.00 in additional wages and had issued 315 parking tickets. Complaints ranged from fights (the primary call), to serving minors, open after hours, noise and vandalism. Hlavaty said the worst was June 30, 1980, the last day of the sons' license, when Robert got a PA and used vulgar and abusive language toward his officers. Bottles were also thrown. It took eight sheriff's deputies and three officers to handle the situation.

Guenther said the board should not consider the problems which occurred while Robert and Randy ran the tavern since they were the leasees and Ralph Scott really

Nic Stoffel Celebrates 90th Birthday

Nic and Dela Stoffel

The 90th birthday of Nicholas S. Stoffel was celebrated on Sunday, January 31, with a large family gathering for dinner at Hon-E-Kor Country Club, Kewaskum.

His wife, Dela of almost 59 years, was also in attendance.

She is 92 years old.

The Stoffels have four children, 38 grandchildren and 24 great-grandchildren, most of whom were able to attend the celebration. Also in attendance was Rev. John T. Budde, pastor of Holy Trinity Congregation.

Blood Drive February 16

The first blood drive for 1982 will be held in the Kewaskum High School (old gym) on Tuesday, Feb. 16, from 1:30 to 6:00 p.m.

The Blood Center of Southeastern Wisconsin is a non-profit service organization which provides all of the blood and blood components used by hospitals in Southeastern Wisconsin.

More than 70% of the population is eligible to donate blood, but less than 4% of the people in Southeastern Wisconsin are regular blood donors. The Blood Center desperately needs more donors. New surgical procedures and cancer treatments require increasing amounts of blood. There is only one source, and that is volunteer blood donors.

If you are planning to be a donor on the 16th, plan to invite someone you know to join you. Few of us like to go some place or do something for the first time alone. A friend, neighbor, fellow worker, or family member may just need your invitation to get started as a blood donor.

If you feel special about what you're doing as a blood donor, why not invite someone you know to feel special too!

More than 400 pints of blood are needed every day to meet the needs of patients in this region. All of this blood must come from volunteer donors. Nearly two-thirds of the blood is collected at mobile drives such as the one in Kewaskum.

To assure that blood will be there when you need it, give blood now and encourage others to become voluntary donors.

It's a simple fact; blood donors save people's lives!

Sponsor Candidates Forum in Kewaskum

The League of Women Voters of Washington County is sponsoring a public Candidates Forum on Thursday, February 11, at 7:00 p.m. at the Kewaskum High School Cafeteria.

The Kewaskum School Board Candidates will be giving their presentations at 7:00 p.m.

Supervisory candidates from District No. 9 will give their presentations at 8:00 p.m.

At 8:30 p.m. the electorate is invited to meet with the candidates informally during the social hour provided by the Kewaskum Junior Women's Club.

Everyone is welcome to attend and participate.

A public forum serves to inform the electorate and affords them the opportunity to meet those who serve them in public office.

School District Computer System Possible by Summer

By GERRY MUELLER
Statesman Staff Writer

If the last of the School Board's questions are answered to its satisfaction at its next meeting February 22, the Kewaskum School District could have its own "in-house" computer system by July.

Area schools such as Hartford and Slinger have already gone to district owned processing equipment to handle their various business needs and record keeping.

Superintendent Floyd Brenholt and Business Manager

Robert Borch reviewed the data they had compiled regarding the need, reasons and cost for Kewaskum to have its own data processing equipment rather than continue to lease services from the Cooperative Educational Service Agency 16 (CESA).

Brenholt's comment was, while we have been satisfied with CESA 16 service, we felt that they were not totally responsive to our individual needs. The speed at which the district can accomplish its tasks are partially dictated by the

65th Anniversary

Mr. and Mrs. Reuben Backhaus

Mr. and Mrs. Reuben Backhaus, Route 2, Campbellsport, observed their 65th wedding anniversary on Sunday, January 31, with a prayer read in church and a family dinner at the Amber Hotel in Campbellsport.

Mr. Backhaus was born January 13, 1895, in the Town of Kewaskum. He graduated from high school in 1912 and taught public school. The former Mathilda Jandre was born September 28, 1895, in the Town of Auburn.

Mr. and Mrs. Backhaus were married January 31, 1917, in New Fane by Rev. Carl Gutekunst. They lived on their farm in the Town of Auburn where they still reside.

They were voted Grandparents of the Year for Fond du Lac County in 1971, and Mr. Backhaus came in second as Grandfather of the Year in the state.

Besides farming, Mr. Backhaus took an active interest in public affairs. He served 18 years on the Five Corners school board; 25 years as the Town of Auburn clerk; 15 years

on the A.C.P.; 9 years on the cemetery board; 4 years as assessor, and 40 years as clerk on the Town of Auburn election board.

Reuben's hobbies include gardening and playing skat at the senior center. Mrs. Backhaus enjoys sewing and quilting for friends. They both belong to the Campbellsport and Beechwood senior centers and also enjoy spending time with their children and grandchildren. Mr. and Mrs. Backhaus are members of Emmanuel Lutheran Church in Campbellsport.

The couple have two children: Vernice (Mrs. William Lenz) of Route 2, Campbellsport, and Beatrice (Mrs. Carl Dins) of Dundee. They also had a son, Delbert, who was killed in France during World War II, and two daughters, Dorothy (Mrs. Henry Pieper), who died December 22, 1981, and Darlene, who died in infancy.

Mr. and Mrs. Backhaus have 17 grandchildren and 21 great-grandchildren.

Village Board

(Continued from Page 1)

could not be held responsible. Kiefer stated, in considering Mr. Scott's application, the board should only consider the time Scott held the license from June, 1979 to October 1979. During that period, there were still 26 complaints.

One woman said she had to call the police every time she wanted to go out because her drive was blocked. Another woman said they stayed home whenever there was a dance so they could keep an eye on their property. "We've put up with everything from fights to vandalism on our property. We've lived there for eight years and I think we've put up with enough crap," said a resident.

The police department is against issuance of the license stated Hlavaty. "We have the feelings of the citizens concerned, and we have the police report," said Trustee Don Mlodzik. "I move we deny the license." Trustee Dick Schmidt seconded the motion and the board present voted unanimously 5-0 to deny the application.

The first application for the tavern's license was made by David Kohler which was also denied because of his record.

Regular Meeting of Board of Education

The regular February meeting of the Kewaskum Board of Education will be held Monday, February 8. Beginning at 8:00 p.m., the meeting will be held in the Middle School Library.

Agenda items will include discussion and action on continuing to use the music tests we've used the last few years. A report on the guidance program at the high school will be made. Summer programs and payroll and vouchers payable will also be agenda items, as will changes in some co-curricular assignments.

The board will meet in closed session following the regular meeting to discuss teacher contracts, layoffs or nonrenewals.

Junior Woman's Club To Sponsor Seminar On 'Death and Dying'

How will you explain death to your children? Can we prepare ourselves for the reality of dying? A seminar on the subject "Death and Dying" will be presented February 17, at 7:30 p.m., in the Valley Bank building. The seminar is sponsored by the Home Life department of the Kewaskum Junior Woman's Club.

The seminar will begin with presentations by three panel members: Reverend Gervaf Mienzer, chaplain of the Wisconsin Memorial Park in Milwaukee; a representative from the West Bend area infant and child death support group; and Fred Miller, of Miller's Funeral Home in Kewaskum. A question and answer period will follow.

The Home Life department invites and encourages the public to attend.

Communication Will Be Topic at Holy Trinity Meeting

Husband-wife "Communication" will be the topic for the Christian Mothers of Holy Trinity Church, Kewaskum for their next meeting on Tuesday, February 16, which will be preceded by a mass at 7:30 p.m.

Guest speakers will be Gene and Pat Charette of Hartford. The Charettes are the parents of six children. They serve on the board of directors for Milwaukee Marriage Encounter and the speakers bureau for the Catholic Family Life Program.

Lack of communication is the number one reason why so many marriages break up, according to Father Gene Jakubek.

All couples and single persons of the parish are invited to attend this meeting which will be held in the church hall.

The biggest known snowflakes in the world fell in Montana in 1887; they measured 15 inches in diameter and were eight inches thick.

Cub Scout News

The January Pack meeting of the Cub Scout Troop 3744, was held January 25, at the Kewaskum Middle School. The meeting was opened with a Flag Ceremony by Den 4.

The Bear Badge and Gold Arrow was awarded to Scott Muckerheide and Allen Diermeirl. New boys, Jeff Evarets, Ryan Ramthun, Jason Reindl, Russell Gross, Eric Giese, Gerald Sese, and Tim Thompson received Burger King Patches. Den Leader Mary Kudek, was given a "Round-up" mug.

The twenty-four entries in the "Genius Kit" competition made things difficult for the judges. Each boy was given a bag of identical miscellaneous items. Some glue and paint and lots of imagination combined for some pretty unique creations. Winners were 8-year-old Mike Kochoer, 9-year-old Eric Giese and 10-year-old Donnie Nelson.

Annual uniform inspection was held with den leaders checking their boys for general appearance, uniform, and insignia placement.

Sheets were passed around for Winter Fest sign up. This is a fun day for the scouts. They will be participating by dens in 10 events of skill, coordination and accuracy. It will be Saturday, February 13, at Camp Journal, Hartford.

February 20, will be bowling at Lighthouse Lanes in Campbellsport, at 1:00 p.m. Cost will be 75c a game, plus shoes.

The Webelos put on two short skits and then Den 4 had closing flag ceremony.

The next Pack meeting will be held February 22. Rocket Derby kits will be given out to the boys at this meeting. Kewaskum's first Rocket Derby will be held at the March Pack meeting, giving the boys and their dads a month to work on their winning rocket!

"Little minds are wounded by the smallest things."

Jr. Women's Annual Potluck Dinner

Thursday, February 11, is the date set for the Kewaskum Junior Woman's Club annual potluck dinner. Dishes from foreign countries will be featured this year, and members' husbands will be guests for the evening. Following the dinner, a demonstration of Beledi dancing, a Mideastern dance, will be presented by the Sheri Lynn School of Dance in West Bend. The dinner and program will be held at the Valley Bank and will begin at 7:00 p.m.

At the January meeting of the Kewaskum Junior Woman's Club, Kathy Wagner, Home Life department chairman, was selected "Member of the Month" for January. Kathy has been a member of Juniors for 3½ years and has chaired the Home Life department for three of those years. Kathy and her husband David have three children and reside near St. Michaels.

Births

PIWONI — A daughter, Amy Marie, to Tom and Diane Piwoni, 402 Main Street, Kewaskum, Monday, Feb. 1.

CONNORS — A son, Dustin Timothy, to Tim and Bonnie Connors, Madison, Sunday, Jan. 31. The paternal grandparents are Gerald and Lila Connors, St. Germaine, and maternal grandparents are Lyle and Beatrice Manthei, Kewaskum. Great-grandfather is Arthur Manthei of Kewaskum.

BINGEN — A daughter to Michael and Pamela Bingen, 8289 Sunset Circle, Kewaskum, Tuesday, Jan. 26.

CHARLAND — A son to Fran and Kathryn Charland, 9318 Kettle Moraine Drive, West Bend, Tuesday, Jan. 26.

STAHL — A daughter, Katie Ann, to John and Jacalyn Stahl, Route 1, Campbellsport, Jan. 26.

Friday, Feb. 5, 1982, Page 3

Appliances, Stereo, Cameras Stolen

West Bend police were searching for the persons who stole a variety of large home appliances from a woman who was moving from West Bend to Kewaskum Saturday.

The woman told police her refrigerator, stove, washer and dryer were missing from the home in the 100 block of Paradise Drive in West Bend.

There were no signs of the items being forced from home, police said. A neighbor told officers he heard noises late Saturday but thought nothing of it because he knew the woman was in the process of moving.

Washington County sheriff's deputies referred a 16-year-old Zion, Ill. boy to juvenile authorities in his home city following a theft Sunday.

Deputies were called to Camp Awana in the Town of Farmington in the afternoon to investigate the theft of three cameras and a cassette stereo from a different group of Illinois campers. The missing items were valued at \$500.

Deputies questioned others in the campground and the youth reportedly admitted his involvement to deputies. The items were recovered and returned to their owners, deputies said.

BABIES BAPTIZED AT HOLY TRINITY

Recent baptisms at Holy Trinity Church, Kewaskum, included Lisa Ann, daughter of Mr. and Mrs. Arthur Buss, and Justin Donald, son of Mr. and Mrs. Bruce Weninger.

Memories...

The Statesman welcomes readers to submit photos for the "Memories" feature. Photos should show life in the older days in this area. Deliver or mail to The Statesman, 250 Main St., Kewaskum, WI 53040. Photos can be picked up again after publication.

Here are some real pioneers of the year 1921. Shown in the photo, left to right, are: Edwin Pollard, Mr. and Mrs. Charles Lau and Lewis Pollard, in front of their home on the Benson farm on Long Lake, now known as the Benson Campgrounds. Edwin Pollard is a former resident of Kewaskum. Mr. and Mrs. Lau were longtime resident farmers of the Town of Auburn. (Photo submitted by Edwin Pollard of Brookfield)

School Board

(Continued from Page 1)

availability of CESA computer time. Borch said, school business through CESA is handled by the "batch system." This means we feed the info to CESA in batches, every time we have a sufficient amount and computer time is available. The drawback of this method is, the district than has to wait for CESA to combine all the batches, submit an error sheet to us for the necessary corrections and re-submit the data, said Borch. With its own processing system, Kewaskum would go to the "one-line" method. This allows individual data to be fed to the computer immediately and the computer will automatically pick up any errors rather than waiting until all the information is compiled. "With CESA, we are always a month behind," said Borch.

Brenholt said the search for equipment that would provide the same basic service as CESA was narrowed down to two companies. IBM and EMI/Data General.

Board member Charles Ogi questioned CESA's letter

stating that individually owned systems became outdated after 3 1/2 to 4 years, while Brenholt felt the proposed system would be adequate for at least seven years and was expandable beyond that. Brenholt said CESA was not stating the facts accurately since their own computer has been in use for five years and CESA plans are to keep it for at least another three. Board president John Tessar noted private business considered five years more accurate. Brenholt said Tessar's comment was true for business where needs and data requirements are constantly changing, however, school districts have a basic requirement for payroll, scheduling, grading and programming, with minor changes in these areas.

The question of renting was brought up. Borch said this was possible, however, the district would not realize the saving it would by owning. Over seven years it would cost us \$61,000 to rent, if we purchase that printer it would cost \$12,700 plus \$11,000 maintenance or \$24,000, compared to \$61,000.

Brenholt's comments were, that although the costs of an in-house system is higher the first two years (over CESA), it would take only 3 1/4 years to reach the point where we are saving money over CESA services. CESA, over the next seven years is projected to cost the district approximately \$251,528.00. Going with IBM equipment, the seven-year cost would be \$154,796 or EMI \$135,090, resulting in the district saving approximately \$100,000.00 over a seven year period. Board member Tom Brigham noted that even if the

equipment was adequate for only five years as Tessar noted, the district would still save at least \$10,000 a year. "One cannot disregard a savings of \$100,000, no matter how you cut it," said Brigham.

The difference between IBM and EMI basically lies in the maintenance area and fact that IBM is a well-known name in the computer industry. Tessar said that while he is not familiar with EMI, he knows IBM and its reputation. I don't think anyone would argue with us if we decided to go with IBM since everyone knows this company and its background, noted Tessar. Brenholt and Borch recommended EMI since it has already developed some of the programs which the district would be using. IBM is still developing them, but would guarantee their availability in the purchase agreement.

Brigham questioned whether it would be better to put this plan off for a year. Brenholt commented the board was

putting his department in the same situation as when the energy conservation program was considered and vetoed. The district missed the boat to save dollars then. Ogi said, "I believe there was some question on the payback." Member Gerald Secor stated, "you didn't trust a guy who was trained in that area." School Board candidate Joan Rosenberger commented that the district missed an opportunity at that time also to save money because the study would have cost \$4,700. Brenholt said, "the district will have to start spending dollars immediately to save dollars in the long run." Rosenberger said, "I agree, sometimes you have to spend money to save money," noting you have to spend money on insulation to save money on heating costs.

Brigham stated, "my gut feeling is, we're under the gun and I'm not sure, there are some areas I would like to investigate." Tessar also stated, "I'm 100% for computers, but like Tom, I'm not comfortable either." Brenholt said the board will have to make a decision one way or the other shortly if an order is to be placed in time to have the equipment for the beginning of the new fiscal year in July.

Ogi said he was not satisfied with CESA's letter and had further questions. He requested the board have a CESA representative at the February 22 meeting. Tessar suggested a rep from EMI also be present. "CESA is a service organization" said Tessar, "and I know what they're going to say. They're only going to talk their side." Board member Jean Goeden said, "after reading all this material, I still have questions, I am going to have to take somebody's opinion and trust them." Goeden motioned to place a tentative order with both IBM and EMI, with final approval or disapproval and final selection of either IBM or EMI at the February 22 meeting. Brigham seconded the motion with the members present voting 5-0 for the motion. The only citizen present to voice his opposition was Rev.

Herbert Waldkirch, who stated he did not understand the whole computer situation but felt that in these times he wondered if this large expense would be justified.

In other action, Tessar requested all the board members to come to the next meeting with recommendations on budget guidelines for the administrative staff to follow.

Brigham brought up a suggestion for board consideration. He would like to see the high school library open to the public during the summer months. "We have a good library and I feel the taxpayers should be allowed to make use of it."

The board then adjourned to closed session.

Shop-Rite Announces Cash Rebates for Clubs, Groups, Etc.

The Kewaskum Shop-Rite food store wishes to announce their Civic Circle Cash Rebate.

The cash rebates are for church groups, Senior Citizen clubs, Charity groups, PTA, school groups, etc.

All you have to do is have your group members save their cash register tapes from purchases during the rebate period which started January 31 and ends March 27, 1982. A collection box will be provided in the store. Collect your tapes, total them and present them at Kewaskum Shop-Rite, the first Monday of the month for your rebate. You will receive 1% of the total receipts handed in for your club, group, etc.

Let us help your favorite club or organization raise funds!

Fleischman-Schickert

The marriage vows of Angela Bernice Fleischman and Thomas Joseph Schickert were blessed at a 1:00 o'clock ceremony at St. Kilian Catholic Church, St. Kilian, on Saturday, September 5, 1981. Father John Budde and Father Joseph McDonald officiated.

Parents of the couple are Mr. and Mrs. Frank Fleischman, St. Kilian Drive, Campbellsport and Mr. and Mrs. Mathias Schickert, 1176 Western Avenue, Kewaskum.

Louise Fahney sister of the bride was chosen as the maid of honor. The bridesmaids were Aggi Theusch, sister of the bride, Bonnie McCarty, friend of the bride, LuAnn Schickert, sister of the groom, Yvonne Preo and Anne Preo, both nieces of the bride.

Miniature bridesmaids were Kristine Krueger niece of the bride and Jamie Schmitt, niece of the groom.

Randy Schickert, brother of the groom, served as best man.

The groomsmen were Gene Schickert and Al Schickert, brothers of the groom, Tony Fleischman, brother of the bride, Dennis Herriges and Russ Herriges, both friends of the groom.

Steve Schickert, cousin of the groom and Ed Preo, nephew of the bride, shared the ushering duties.

A reception, dinner and dance was held at the Amerahn in Kewaskum.

The bride is a graduate of Campbellsport High School and Moraine Park Technical Institute, West Bend. She is employed at Frederick Bossert and Co. in Hartford. The groom graduated from Kewaskum High School and is presently employed at Kewaskum Frozen Foods.

The newlyweds spent their honeymoon in Niagra Falls and are now residing at 236 Forest Avenue, Kewaskum.

Dreher-Rodenkirch

Al and Charleen Barutha are happy to announce the Christmas Eve engagement of their daughter Carrie Lynne Dreher, to Bruce P. Rodenkirch, son of Dan and Nancy Rodenkirch. Carrie is attending MPTI in Fond du Lac in the Fashion Merchandising Program and

is engaged in farming. Carrie's brother Chuck was engaged in April 1981, wedding April 16, 1982 and her sister Chelli was engaged in September 1981, wedding July 17, 1982.

Bruce and Carrie are planning a 1984 wedding.

Fellenz-Boettcher

Tracy Fellenz and Bruce Boettcher exchanged marriage vows during a 4:00 p.m. ceremony at Peace United Church of Christ, Kewaskum, on Saturday, November 28. Rev. Darrell Joiner officiated.

Parents of the couple are Mrs. Schirley Fellenz, 218 First St., Kewaskum, and the late Leander Fellenz, Mrs. Ken Boettcher, West Bend, and Ken Boettcher, Cecil, Wis.

The bride was presented in marriage by her brother-in-law, Robert Kuckert of Kewaskum. Karen Fellenz, Kewaskum, served as her sister's maid of honor. The bridesmaids were Kathe Streveler, New Port Richey, Florida, and Joyce Bruckert, Kewaskum, both sisters of the bride.

The groom chose his brother, Ken Boettcher of Fond du Lac, as his best man. The grooms-

men were Doug Boettcher, Cecil, and Keith Boettcher, Campbellsport, both brothers of the groom.

Ushering duties were shared by Larry Yeadeke, Kewaskum, cousin of the bride, and Rick Boettcher, West Bend, brother of the groom.

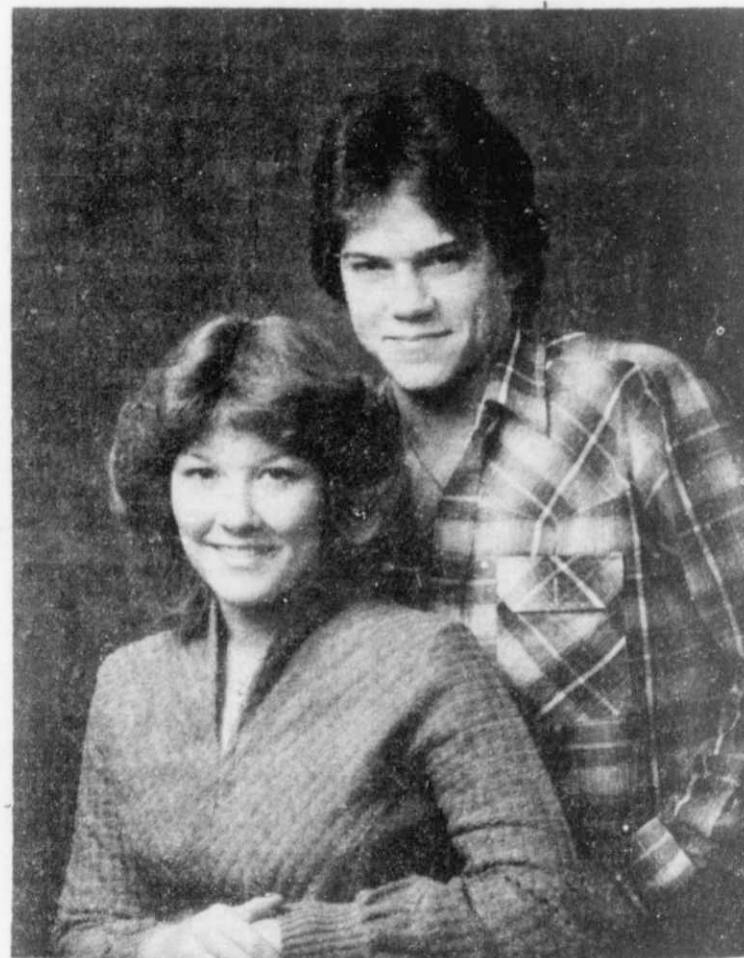

The reception at the Kettle Moraine Bowl in Slinger followed the ceremony.

The bride is a graduate of Kewaskum High School and attended the University of Wisconsin-Washington County and the University of Wisconsin-Oshkosh. She is employed as a nursing assistant.

The groom is a graduate of West Bend High School and is employed as a punch press operator.

The newlyweds are residing in Kewaskum.

Buchel-Degnitz

Mr. and Mrs. Ralph Buchel, Route 1, Adell, are pleased to announce the Christmas engagement of their daughter, Patti Anne, to Dion Degnitz, son of Mr. and Mrs. Norbert Degnitz, Route 1, Adell. Patti is a 1981 graduate of

Kewaskum High School. Dion is a 1980 graduate of Random Lake High School. Both are presently working at Cedar Valley Cheese Factory.

The October 16, 1982 wedding is being planned.

Ebert-Zorn

Mr. and Mrs. Elmer Ebert of Beechwood are pleased to announce the engagement of their daughter Sandra Mae, to Gene Zorn, son of Mrs. Mildred Zorn of West Bend. Sandy is a graduate of Kewaskum High School and is presently employed at L. T. Hampel of Germantown. A June 18, 1983 wedding is planned.

Regal Promotes Steinhardt

Mark Steinhardt

Mark Steinhardt has been promoted to the position of Project Engineer I at Regal Ware, Inc. In this position, Steinhardt handles machine engineering.

A Regal employee since 1979, Steinhardt previously worked as a Draftsman and Machine Designer. He holds an associate degree in mechanical design from Moraine Park Technical Institute, Fond du Lac. Steinhardt is a Kewaskum resident.

Regal Ware, Inc. is a multi-plant manufacturer of cookware portable electrics and microwave accessories headquartered in Kewaskum.

Campus Notes

The 1981-82 edition of "Who's Who Among Students in American Universities and Colleges" will include the names of 49 students from the University of Wisconsin-Stevens Point.

UW-SP nominating committees and editors of the annual directory selected the students on the basis of their academic achievements, service to the community, leadership in extracurricular activities and future potential. They join an exclusive group of students chosen from more than 1,300 colleges and universities in all 50 states and several foreign countries.

"Who's Who" has honored outstanding students since it was first published in 1934. UW-SP students honored in the program include:

KEWASKUM: Wilfred Schmidt, son of Mr. and Mrs. Lewis H. Schmidt, 200 Highway DD, senior physical education major, captain of the varsity wrestling team, four-year letterman, assistant director of Thomson Hall and member of the UW-SP Athletic Committee — 1978 graduate of Kewaskum High School.

Two students from Kewaskum have been named to the dean's list for the first semester at the University of Wisconsin-

Platteville.

They are Michael J. Perkins, son of Mr. and Mrs. Harold Perkins, 612 Main St., and Joseph A. Swanson, son of Mr. and Mrs. LeRoy Swanson, 8010 Kettle View Dr.

To be named to the dean's list a student must attain a grade point average of 3.25 or better, based on a 4.0 system.

Terri A. Diekvoss of 354 E. Main St., Campbellsport, a senior majoring in physical education-women, and **Darcell J. Schmidt** of 200 Hwy. DD, Kewaskum, a freshman majoring in physical education-women, have been named to the Dean's List of the University of Wisconsin-La Crosse for the first semester of the 1981-82 academic year.

Qualification for the Dean's List is based on outstanding academic achievement.

WHITEWATER — The Faculty Senate of the University of Wisconsin-Whitewater has established a new system of academic honors.

Beginning with the recently-completed first semester of the 1981-82 academic year, students on the honors list must have a semester grade point average of at least 3.4 on a scale on which 4.0 equals "A." They also must have carried at least 12 credits with no grade below

"C." Academic honors went to some 1470 students including Kewaskum High School graduates Jeri Buss, rural Campbellsport; Jennifer Coulter, 618 Highland Ave.; Doreen Klug, Route 1; Robin Neitzel, 2023 Whitewood Dr.; Tim Perkins, 612 Main St.; Gary Ramthun, 1048 Main St., and Barbara Thill, 4656 Highway 28 W.

The 1981 May Milke Award winner is Linda Mehoke, a class of 1982 student at the College of Veterinary Medicine, the University of Minnesota, St. Paul. Mrs. Mehoke's parents are Mr. and Mrs. Gerald Secor of Kewaskum.

The presentation of the award was made in November at the school's annual award assembly. The Mae Milke Award is presented each year by the Auxiliary of the Wisconsin Veterinary Medical Association, to a Wisconsin veterinary student with the highest accumulated grade point average through their junior year of veterinary school. Ms. Mehoke has a cumulative grade point of 3.99.

Ms. Mehoke is a Ripon College graduate. She plans to go into private practice in the Midwest.

Sensenbrenner Slates Town Hall Meeting for Newburg

Ninth District Congressman Jim Sensenbrenner will hold a "town hall" meeting for northern Ozaukee and Washington county residents on Thursday, February 11, from 7:00 to 9:00 p.m. in the Newburg Firemen's Hall on Main Street in Newburg.

For the first hour, Sensenbrenner and area state legislators will respond to audience questions and comments on national and state issues.

Beginning at approximately 8:00 p.m. Sensenbrenner will meet with persons seeking help for problems they are having with federal agencies, or seeking information or copies of government publications. The public is welcome.

Elliott Berlin Receives Regal Sales Award

Elliott Berlin

Elliott Berlin has been named Regal Ware, Inc.'s 1981 Salesman of the Year, the company's top sales award. Berlin received the prestigious award during Regal's annual sales meeting. Berlin, who works out of Regal's Philadelphia sales office, covers western Pennsylvania, West Virginia, Maryland and eastern Ohio for the company. Throughout his tenure with Regal, he has frequently been recognized for his outstanding sales efforts. Berlin has been named to Regal's 100 Club 12 times, and became a member of the 500 Club in 1972. In addition, he was honored as a Million Dollar Salesman three times, and was named to the Quota Plus Club five times.

Berlin and his wife, Nessa, live in Monroeville.

REVIVAL SERVICES AT PENTECOSTAL CHURCH

Revival services at the Kewaskum Pentecostal Church of God, conducted by Rev. Charles E. Bowman of St. Paul, Minnesota, will be held each evening at seven o'clock from February 7 to 12. Everyone is welcome.

Orv Behnke's Father Dies

Henry G. Behnke, 86, of Reedsville, died Saturday, Jan. 30, at Holy Family Hospital, Manitowoc.

Mr. Behnke was born Feb. 25, 1895, in the Town of Rockland, Manitowoc County.

Mr. Behnke was a farmer and general manager of New Rockland Telephone Company. He was town chairman for 22 years on the Manitowoc County Board, and also served as vice chairman. He was director for 36 years and president for 24 years of Reedsville Co-op. He held various offices at St. John - St. James Lutheran Church. Mr. Behnke was a veteran of World War I serving with the Army in the 32nd Division and Field Artillery.

Survivors include his wife, Mabel; four sons and daughters-in-law, Leroy and Elizabeth and Lem and LaVerne of Manitowoc, Orval and Ruth of Kewaskum, and Henry Jr. and Doris of Reedsville; a brother, Ernst of Reedsville; six grandchildren and seven great-grandchildren. He was preceded in death by two brothers and five sisters.

Funeral services were held on Tuesday, Feb. 2, in Reedsville.

BARBARA WENDELBORN

Barbara Ann Wendelborn, nee Wilger, 75 formerly of N. 10th Avenue, West Bend, died Tuesday, Jan. 26, at the Samaritan Home, West Bend.

She was born May 31, 1906, in Milwaukee, and married Harold Wendelborn in Barton in July 1928. He passed away April 25, 1958.

She was a former employee of the Wesbar Corporation.

Survivors include a daughter, Dorothy (John) Martin of Kewaskum; one grandchild; five sisters, Rose Wilger, Lillian Dabringer, Adeline Fiedler and Antoinette Wilger, all of West Bend, and Clara (Helmer) Cook of Pelican Lake; one brother, Nicholas (Meta) of West Bend, and other relatives and friends.

She was a resident of Barton and West Bend most of her life and was a member of the Christian Mothers of St. Mary's Immaculate Conception Catholic Church.

Funeral services were Thursday at 7:30 p.m. from the Techtman-Myrhum Funeral Home, West Bend, with Mass of Christian Burial at 8 p.m. at St. Mary's Immaculate Conception Catholic Church. Rev. Richard Robinson was the celebrant and burial was in St. Mary's Cemetery, West Bend.

Visitation at the funeral home was Thursday after 4 p.m.

MRS. NORBERT UELMEN

Mrs. Eleanor Rose Uelmen, 70, of 119 N. Elm St., Campbellsport, died on Saturday,

Jan. 30, at her home.

She was born on Aug. 24, 1911 at Campbellsport, a daughter of John and Rose Thill Schlaefter. On Jan. 21, 1933, she married Norbert Uelmen at St. Matthew's Church in Campbellsport.

Mrs. Uelmen was a member of St. Matthew's Church, its Christian Mothers and Altar Society, and of Our Bridge World Marathon, Campbellsport.

Survivors include her hus-

band; three sons, Jerome, Jack and Harold, all of Campbellsport; four daughters, Mrs. Robert (Charlene) Lindsley, Mrs. Francis (Rose) Pierret, and Mrs. Dwayne (Kathy) Wolf, all of Campbellsport, and Patrice of Madison; 22 grandchildren; three great-grandchildren; one brother, Sylvester Schlaefter of Whittier, Calif.; and two sisters, Mrs. Marcella Cook of Fond du Lac, and Mrs. Josephine Battaglia of Kewaskum.

Kewaskum Statesman, Friday, Feb. 5, 1982, Page 9

Funeral services were held at 7:30 p.m. Monday at St. Matthew's Church, Campbellsport, with the Rev. Victor Kemmer officiating. Burial was in the parish cemetery.

Friends and relatives called from 5 to 7 p.m. Monday at Twohig Funeral Home in Campbellsport.

UWWC STUDENTS EXHIBIT CERAMIC ART

An Exhibition of ceramic art created by students at the University of Wisconsin Center-Washington County is currently on display at the West Bend Public Library. The exhibition also features sculptures by Tom and Jo Gross, West Bend instructors and artists.

Fix up your home with a low-interest loan

Improve your home, add to its life and liveability, make energy-saving improvements with really low-cost loans. Made possible through our participation in the Wisconsin Housing and Neighborhood Conservation Program.

Depending on your income and the number of people in your household, you may borrow from \$1,000 to \$15,000 for up to 15 years at 14%. Check the chart below. Then check with us. Get a loan you can live with.

Number of Persons in Household	Income Limits				
	1 to 4	5	6	7	8 or more
Interest Rate	14%				
	\$32,640	\$35,904	\$39,168	\$42,432	\$45,696

*These limits apply to residents of Washington and Ozaukee Counties. If you live in another county, call Valley Bank for the income limits in your area.

Varied Clothing Classes Offered

Looking for special help with your sewing project? Two separate Clothing Workshops will be offered, mornings and evenings, at Moraine Park Technical Institute, West Bend.

MPTI instructor Barb Shaw reports that this open lab system has been popular, since each student works at her own pace and level of experience. Morning classes will meet on Thursdays, starting February 11; evening sessions will be held on Mondays beginning Feb. 8.

A special eight week Women's Suit class starts Wednesday evening, Feb. 10. Shaw says that students can make a two or three-piece suit, lined or unlined, tailored or un-tailored.

For beginning sewers, a ten week course, Clothing 1, starts Monday evening, Feb. 8. Instructor Joanne Kiesow says that students will select and fit a pattern, learn to use the sewing machine, read the guide sheet, and learn each procedure to finish a garment of her choice.

To pre-register, call MPTI at 334-0909. The fee will be collected at the first class meeting. Classes are open to men and women, anyone sixteen years and older; all registrations are accepted on a first-come, first-served basis.

School Menus

Class in Energy Efficient Homes Offered by MPTI

Moraine Park Technical Institute will offer a four week class in "Energy Efficient Dwellings" beginning Tuesday, Feb. 9. Energy efficient homes designer Elmer Schmitz will meet with students from 7-8:50 p.m. at West Bend East High School, room E204.

Instruction will include definitions of the numerous energy and energy efficiency terms: discussion of the types of active and passive solar homes; an explanation of "R" and "U" values, insulation, the contribution of walls, ceilings, and windows to heat loss, window thermal shades and shutters and air infiltration. Students will also tour solar homes and discuss making their existing

homes more efficient.

Students may pre-register for this course by calling 334-0909. The course fee of \$4.65 will be collected on the first night of class. All registrations are accepted on a first-come, first-served basis.

The first moving picture actress depicted on a postage stamp was Grace Kelly, whose marriage to Prince Ranier III on April 19, 1956 was commemorated with a Monacan stamp series sold only on the wedding day.

Famous 'Herman's Hermits' to Again Perform at Amerahn

Last fall on Labor Day weekend the Washington-Fond du Lac counties area was thrilled when Herman's Hermits appeared at the Amerahn Hall in Kewaskum. This famous English rock group received rave reviews by the crowd in attendance, and then by area newspapers. The Kewaskum Jaycees, sponsors of the September performance, were subsequently asked by many people to bring back this outstanding group.

England's Herman's Hermits will be back by popular demand on Friday, February 12, at 8:30 p.m. They will again appear at the Amerahn Hall on Hwy. 45 north of Kewaskum. Lead singer Frank Renshaw, whose talent and enthusiasm highlighted last fall's performance, plans to lead the Hermits in old favorites such as "Henry the VIII I Am" and "Mrs. Brown You've Got a Lovely Daughter." Herman's Hermits also plan to play an entertaining variety of soft rock tunes that the audience can enjoy.

Larry the Legend of radio

station WZUU in Milwaukee will be an added attraction at this Friday night performance. Wisconsin's best-known disc jockey has some giveaways to accompany his sharp wit, and he will introduce the Hermits to the crowd at 10:00 p.m. Larry and a backup band will both be on stage between 8:30 and 10:00; come early and catch the complete show!

Tickets for this fun night are \$4.00 in advance and \$5.00 at the door. You may also purchase "Bushel of Cheer" tickets for \$1.00 each, as winners will be drawn at the dance (winners of booze need not be present to win). Tickets may be purchased from any Jaycees member and are also available at Thiemer's Sip n' Snip, Kennelly Pharmacy and Amerahn.

Proceeds from this Kewaskum Jaycees-sponsored dance and Bushel of Cheer tickets will go towards a fund to install lights on the softball diamonds at the Kewaskum Kiwanis Community Park. Please support local adult and youth softball and hardball leagues by buying tickets for Friday, February 12.

Little Whistler Homemakers Meet

The Little Whistler Homemakers of Kewaskum held their January meeting at the home of Karen Butzke on Tuesday evening, January 19.

The newly-elected officers, President Kathy Schreffler and Secretary Debbie Backhaus, assumed their new duties as the first meeting of the 1982 season began.

The evening consisted mainly of organizing the various projects and committees for the year. For each monthly project, two leaders were chosen, and everyone was assigned their month for hosting a meeting. Members volunteered to serve on one of the following committees: Charity, Picnic, Outing, Christmas and Fund Raising.

The project for January was, "I'm Proud to 'Bee' an Extension Homemaker." Everyone reviewed and became familiar with what it is to be an Extension Homemaker.

The meeting concluded with all members expressing their feelings on why they are an Extension Homemaker, and what it means to them to be one of its members.

Lois Thull
Vice-president

Chili Social At Cedar Lake Home February 7

A Chili Social with a Country Western flair will be sponsored by the Cook's Club, a resident organization at the Cedar Lake Home Campus.

The community is invited to the Chili Social, which will be held Sunday, February 7, from 12:30 to 3:30 p.m. at Fellowship House on the Cedar Lake Home Campus, 5595 Hwy. Z, 2 miles south of State 33.

People of all ages enjoy the homemade chili (75c), ham sandwiches (75c), delicious apple kuchen (50c), and coffee or juice (15c). A complete tray is \$2.

The Cook's Club assortment of candy for Valentine Sweethearts will also be for sale as well as a large display of resident hand-crafted items.

Proceeds from the Social are

Friday, Feb. 5, 1982, Page 11

used for charitable campus projects.

In the Service

Pvt. Claude J. Benzing, son of John B. and Helen M. Benzing of Route 2, Campbell-sport, has completed a tracked-vehicle mechanic course at the U.S. Army Armor School, Fort Knox, Ky.

During the course, students were trained to repair engines, transmissions, and the fuel, electrical and air hydraulic systems of the Army's tracked-vehicles. They also learned to perform recovery operations for abandoned, damaged, disabled or mired vehicles.

Benzing is a 1981 graduate of Kewaskum High School.

Sno-Chiefs Plan Sno-Fall Feb. 20

The Kewaskum Sno-Chiefs Sno-Ball will be held on Saturday, Feb. 20.

Music will be by Don Koloski and his champion Valley Dutchmen.

The 3rd annual Miss Kewaskum Sno-Chief contest is again being held as part of the Sno-Ball.

There is an extension of the deadline. All applications must be returned to Jeanne Goeden by Feb. 9, 1982.

Nice gifts are presented to the contestants and the queen will be able to go to the October work shop. (Applications can be picked up at Wes & Rosie's).

Tickets for the Sno-Ball are being sold by the members of Kewaskum Sno-Chiefs. Tickets are \$1.00 in advance and \$2.00 at the door.

The crowning of the queen and the fun will take place at Amerahn on Hwy. 45 N.

Gangster Al Capone's business card described him as a "second-hand furniture dealer."

FAMILIES SHOULD NOT LET ANY TAX BREAK GO UNCLAIMED

[First in a series of four articles]

That disparity that requires a married couple to pay more tax than two single people will be eased, but not in time to affect 1981 federal income tax returns. So it benefits married people to search for every available tax break on federal returns, says the Wisconsin Institute of CPAs.

Because tax rates are highest for married people filing separate returns, CPAs do not usually advise you to file in that manner. However, there are exceptions, such as when one of you has high medical or dental expenses. Then, you should compute your taxes both jointly and separately, and compare results. It's possible that by filing separately, one of you may exceed the three percent limitation necessary for medical expense deductions, which you should not reach if your incomes were combined.

Don't forget to take work-related deductions too. If one of you looked for a job in 1981 and paid employment agency fees, paid for printing resumes, or traveled to and from job interviews, these expenses are deductible, even if you didn't find a job.

If one of you was unemployed during 1981 and received unemployment benefits that pushed your joint income past the \$25,000 mark, part of those benefits are subject to income tax. If you file separately, any unemployment compensation is partially subject to tax.

If your income increased significantly in 1981 because one of you went back to work, or you both received large raises, you may be able to cut your tax bill by averaging your income. This system lets you total the current year's income with that of the previous four years, average it, and avoid the much higher tax rate that would otherwise apply.

To find out if you qualify for income averaging, add up your taxable income for the previous four years. Take 30 percent of that and add \$3,000. If your 1981 taxable income exceeds that amount, you qualify for income averaging.

If both you and your spouse work, the credit for child care expenses may provide tax relief. You can claim 20 percent of expenses or a tax credit of up to \$400 for one child and \$800 for two or more children. A credit reduces your tax rather than your income, and is worth more than a deduction.

For 1982, thanks to the new tax law, this credit will increase at a graduated rate according to your family income. Here's how it will work: If your income is \$10,000 or less, claim a credit for one child up to a maximum of \$750 or 30 percent of the first \$2,400. (Although, it's not likely that you can afford to spend that much for child care on a low income). For each additional \$2,000 in income the tax credit will decrease by one percentage point, but not below 20 percent. So, if your income is more than \$30,000, your tax credit can be only \$480 for one child and \$960 for two or more.

You can have as much as \$200 in interest and dividends on your 1981 income—\$400 on a joint return—without paying federal income tax on it. Beginning with your 1982 tax

return, however, that amount will be cut in half and will apply to dividends only. Interest income will be governed by new—and more complex—rules.

Finally, remember you still have until April 15 or your filing date to contribute to an Individual Retirement Account. You can shelter up to \$1,500 of your income this way—\$1,750 if you file with a non-working spouse. If both of you qualify as employed individuals, deduct up to \$3,000. Beginning with your 1982 tax return, these benefits will be greatly increased, so start putting aside money for this tax shelter.

Two working spouses can contribute up to \$4,000 (as long as each earns at least \$2,000) to an IRA in 1982, and they can qualify for such accounts even if they are covered by an employer plan.

Church Women Plan Winter Tea

The Church Women United of Washington County will hold their annual Winter Tea on Friday, Feb. 5, at St. Mary's Immaculate Conception Church located at 610 Monroe St. in West Bend. After a business meeting at 1:30 p.m. the group will hear Sister Bernetta, who will tell of her experiences visiting at the various nursing homes, jail hospital and private homes. She will urge others to become part of this work. Following Sister Bernetta's talk, refreshments will be served. A nursery for small children will be provided.

Offerings received at the Winter Tea will be used for Church Women United projects within Washington County. The membership of the ecumenical groups is composed of representatives from many county churches. All interested women are invited to join in the fellowship and Christian concern of CWU. A "snow date" is listed as Friday, Feb. 12.

STARTS FRIDAY

Lots of Dough at Stake in Girl Scout Cookie Sale

The fresh-faced young sales force is much the same across the country. But that's about the only thing constant in the Girl Scout cookie business.

Everything else - the advertising, the product, the pricing, the timing - is handled by local management. It is a thriving nationwide business, with about \$140 million in annual sales, that is tailored to local tastes.

This area likes chocolate mint cookies best - they account for one of every three boxes sold here. In the east, sandwich cookies are most popular. Wau-Bun Council, which includes all of Fond du Lac, Green Lake and Washington counties and the eastern portions of Dodge and Waushara counties, charges \$1.75 a box. In other councils, prices range from \$1.50 to \$2.00.

"Every council makes its own decisions, based on its needs and its situation," said Lois Towne, chairman of Wau-Bun Council's sale. She supervises a sales force of about 1500 girls.

There are seven companies around the country that have been approved by the national Girl Scout office as suppliers - that, plus the selection of uniform packaging, is the extent of national level involvement.

Burru-Lu Biscuit Company, a division of Quaker Oats supplies Wau-Bun Council. It sells the council seven kinds of cookies for 70 cents a box. All suppliers must offer at least six varieties of Girl Scout cookies with three of those being mandatory.

"We have sold Burru products for almost 20 years in this council and our customers seem to be very satisfied with the quality of the product," Lois Towne said. "Extra effort made by the girls will show this to be the biggest and best sale ever," she added.

The average boxes sold by each girl last year was 88, with over 900 girls selling 70 boxes

or more.

Troops receive 17 cents on each box sold. The council receives 88 cents of each box for camp improvements, maintenance, operating expenses and camp scholarships. Individual girls also receive "cookie credit" for camping opportunities. For each box sold, she receives monetary credit towards her camp fee. Cookie money provides about 33% of the council's budget.

Cookie delivery is scheduled

Page 12. Friday, Feb. 5, 1982

for March 22 through April 2 and the council reminds all customers to make checks out to Wau-Bun Girl Scout Council.

This year's sale includes more publicity, from radio and newspaper promotion to posters put up in apartment buildings. "We're caught up in inflationary times," said Lois Towne. "We're going to keep pace with the people who support us."

This year's sale starts Friday, Feb. 5, and continues till Feb. 21.

Please buy your Cookies from me.

You're buying a lot more than delicious cookies.

You're helping to keep the tradition of Girl Scouting alive.

It's such a small investment for so much. Support Girl Scouting today.

Regal Announces Field Sales Promotions

Rick Zugel

Gary Woolman

Rob Childs

Inder Mehta

Randy Ellefson

Dan Mousseau

Jeff Brewer

Cindy Collins

Benny Rotella

Ken Vruwink

Rick Zugel has been promoted to the position of Regional Sales Manager for Regal Ware, Inc.'s Southeastern Sales Region. In his new position, Zugel will work out of the Atlanta Sales Office and oversee the company's field sales operations in North and South Carolina, Florida, Alabama, Georgia, eastern Tennessee, Puerto Rico, the Virgin Islands and the Dominican Republic.

A graduate of the University of Wisconsin-Milwaukee, Zugel joined Regal's sales training program in 1974. He worked in the company's central Pennsylvania, Boston and New England sales territory before being named Northeast District Sales Manager last year. Zugel and his wife Kathy, who are Franklin residents, will be relocating soon.

Replacing Zugel in the Boston Sales Offices as Northeast District Sales Manager is Gary Woolman. A Regal employee since 1974, Woolman attended the University of Wisconsin - West Bend. He worked in Regal's Minneapolis Sales Office before moving to the North Carolina, eastern Tennessee and southern Virginia territory as a Sales

Representative in 1975. Woolman and his wife Mary, who live in Winston-Salem, will be moving to the Boston area soon.

In other Regal news, Rob Childs and Inder Mehta have both been promoted to the position of Area Sales Manager in their present sales territories.

Currently assigned to the Washington, D.C. territory, Childs joined Regal's sales training program in 1977. A graduate of Towson State College in Towson, Maryland, he worked in the central Pennsylvania and Chicago sales territories before moving to Washington, D.C. in 1980. Childs, his wife, Robin, and their son live in Columbia, Maryland.

Mehta, who presently works out of Regal's Chicago Sales Office, has been with the company since 1971. He holds degrees from the University of Delhi in Delhi, India, and Milwaukee's Marquette University. Mehta previously served in various sales and marketing capacities at Regal's corporate headquarters and was named Director of Marketing in 1975, and Director of Sales for the Mideast, Far East and Southeast Asia in 1979. He

moved to the Chicago Office in 1980. Mehta, his wife, Sudha, and their two children live in Schaumburg.

Also at Regal, Randy Ellefson and Dan Mousseau have been promoted to the position of Field Salesman in their current sales territories.

A Regal employee since 1979, Ellefson graduated from the University of Wisconsin - LaCrosse. He worked in the Los Angeles Sales Office until 1980 when he moved to his current territory, which includes Colorado, New Mexico, Wyoming and parts of Texas and Nebraska. Ellefson lives in Denver.

Mousseau, who joined Regal in 1979, is also a graduate of the University of Wisconsin - LaCrosse. He worked out of the company's sales offices in Minneapolis and Orangeville, Canada, before taking his current territory assignment in southern Florida. Mousseau and his wife, Sue Ellen, live in

Plantation, Florida.

In addition, four Regal Sales Associates have been promoted to the position of Sales Representative.

Jeff Brewer, who currently works in Regal's Los Angeles Sales Office will replace Gary Woolman as Sales Representative in the North Carolina and Tennessee sales territory. A graduate of the University of Wisconsin - Madison, Brewer joined Regal's sales training program last January. He is a native of McFarland, Wisconsin.

Cindy Collins, who presently works in the Atlanta Sales Office, will be moving to Minneapolis as a Sales Representative. A graduate of the University of Wisconsin - LaCrosse, Collins has been with Regal since last January. She is a native of Edina, Minnesota.

New Sales Representative Benny Rotella will continue to work in the Toronto, Canada, area. Rotella who joined Regal

last January, attended the University of Concordia in Montreal. Rotella is originally from Montreal.

Ken Vruwink will now be working in the central Pennsylvania sales territory as a Sales Representative. A Regal employee since last January, Ken is a graduate of the University of Wisconsin - Madison. Prior to his promotion, he worked out of the Philadelphia Sales Office. Vruwink is a native of Wisconsin Rapids, Wisconsin.

Regal Ware, Inc. is a multi-plant manufacturer of cookware, portable electric and microwave accessories headquartered in Kewaskum, Wis.

J & J AUTO TOPICS

TRICKLE TRICKLE

Everything isn't blue in the auto industry. I read that Rolls Royce expects a 42% sales increase of their \$109,000 Silver Spirit Model. Maybe this is the first sign of the trickle-down prosperity from the upper income tax cuts.

At J & J AUTO SERVICE we notice many folks delaying new car purchases, having their 3, 4, 5, 6, etc. year old cars repaired. They know that the short drive to 450 E. Main gets them auto services that keeps the old family bus dependable. Make a phone call today for an appointment. You'll like the way we treat your car.

How to... REACT AND COPE WITH FIRE IN YOUR HOME

Just as fire drills are important tests in schools, hospitals and other buildings, it is wise to plan your action in case of fire in your home.

Smoke detectors placed in stairways and halls are a "must". These should be tested occasionally and batteries should be replaced at least once a year.

Plan basic and alternative methods of escape. All sleeping areas should have easily accessible exits — if not through hallways, then through windows. Basement sleeping areas are especially hazardous from an escape standpoint.

Do not permit family members to sleep in areas where there is no alternative escape route. Equip second-store bedrooms with emergency escape ladders.

Important: If clothing catches fire, do not run. Running fans flames and severe burns may result. Drop to the floor or ground and roll over to smother flames. If you see a person with clothing aflame, wrap a coat or blanket around them and roll them on the ground.

Fire extinguishers are a necessity. Nearly all home fire fatalities could have been prevented if fires had been extinguished while they were small.

To determine the type of extinguisher best suited to your home and surroundings, refer to the classifications as shown.

A multi-purpose extinguisher is available for home use which is effective against all three classes of fire. Place several of these extinguishers at strategic locations throughout your home and garage and show all family members how to use them.

A

This symbol is found on water, multi-purpose dry chemical and foam type extinguishers applicable for use on ordinary combustibles such as wood, cloth, paper, rubber, etc.

B

This symbol is found on multi-purpose dry chemical, carbon dioxide and foam type extinguishers applicable for use on flammable or combustible liquids, flammable gases, or similar materials.

C

This symbol is found on multi-purpose dry chemical and carbon dioxide extinguishers applicable for use on fires involving energized electrical equipment.

30 Years Ago

February 1, 1952

The following citizens were appointed by the chair of the Village Board of Kewaskum to serve as members of the newly created Plan Commission: August Bilgo, Sr. for a term of one year; E. M. Romaine for a term of one year; H. B. Rosenheimer for a term of two years and Clifford Stautz for a term of three years. By unanimous ballot, Trustee C. Sparks was selected to represent the Village Board as a member of the Plan Commission.

Through the efforts of Mr. and Mrs. William F. Schaefer of Kewaskum, who accepted sponsorship for them to work on one of their farms near Kewaskum, another war refugee family arrived here last week. The displaced persons are Franz Adomovicius, 43, his wife Gerda 36, and their two infant sons, one 2½ years old and one, seven months. The Schaefers already have sponsored four displaced persons previously who came here on January 26 of last year. They are Zanaida Sadownikow, her daughter, Tatiana, 27, and the latter's two children, Konstantin, 9, and

Eugenia, 6.

On the occasion of her birthday, January 25, Mr. and Mrs. Peter Kohler of Kewaskum announced the engagement of their daughter Shirley to Allen Dreher, son of Mr. and Mrs. Edward Dreher, Sr. of Kewaskum.

50 Years Ago

February 5, 1932

Wednesday noon, while Master Erhardt Schultz, was on his way home from school and crossing the Main Street crossing at the railroad tracks, he was unavoidably struck by a large truck driven by Wallace Geidel. Stopping the truck as fast as possible, Mr. Geidel dismounted, picked up the young lad and carried him to the home of his parents, Mr. and Mrs. Walter Schultz. Suffering from several bruises, the six-year-old was later given medical attention. The crossing where he was struck is a bad one.

Last week Friday, Messrs. Ernie and Floyd Gessert acquired the garage business and living quarters of William Schaub, having leased same for

a given time. The Gessert brothers have adopted as the firm name "The Kewaskum Motor Service" and will conduct a general automobile repair shop and service station.

Philip Roos, a pioneer settler of the Town of Wayne, passed away at his home on January 30. He is survived by three children: Philip Jr., Louis A., and Mrs. Ella Ritger.

Mr. and Mrs. Adolph L. Rosenheimer, Sr., were the center of a family gathering on Tuesday evening, the occasion being their fiftieth wedding anniversary.

The cold wave of Saturday and Sunday forced the thermometer to register 15 degrees below zero.

A baby girl was born to Mr. and Mrs. August Seefeldt, Kewaskum, on February 1.

The senior class play "The Charm School" will be held on Friday and Saturday evenings. The cast includes: Ralph Habeck, Orville Kocher,

Charles Klumb, William Harbeck, Earl Kurth, Charlotte Lay, Ruth Heppe, Helen Kohn, Martha Stenschke, Celeste Backhaus, Laurretta Klein, Retha Jane Rosenheimer and Ruth Kaniess.

the loose flesh.

The following 200 scores were rolled on Eberle's alleys the past week: Albert Schaefer 206 and Alex Klug 200.

Backhaus and Marx had their new feed mill installed last Monday.

Gerhardt Rodenkirch, one of the oldest residents of the Town of Kewaskum, died at his home south of St. Michaels last Monday at the age of 74. He was born in Strohm, Germany on June 25, 1832 and emigrated to America in 1846, locating in the Town of Kewaskum. In 1858, he married Mary Thull who preceded him in death and in 1878 he married Margaret Scheid who also preceded him. The surviving children are: Mike of Milwaukee, John and Lizzie of Kewaskum, and Nic of Marshfield.

Last week A.A. Dricken of St. Michaels had an eye badly injured by the branch of a tree striking him in the eye with a piece entering the eye ball.

75 Years Ago

February 2, 1907

Irving, the 12-year-old son of Mr. and Mrs. Fred Andrae, Kewaskum met with a painful accident last Tuesday afternoon. The boy, while coming home from school, got onto a load of grain stopping in front of the mill when the team suddenly started and he fell into the hind wheel and nearly had his leg twisted off below the knee. He was at once removed to Dr. Driessel's office where it required nine stitches to sew up

Letters to the Editor

Wisconsin Newspaper Association Holds Annual Mid-Winter Meeting

Friday, Feb. 5, 1982, Page 15

Letter to the Editor:

Well, again some people wouldn't let the school board do what they are there for... to make policies and decisions concerning the education of our children.

It seems the continuous harrassment this group is bestowing on the board is nothing but petty nonsense, and it's about time... we, the silent majority spoke up!

This group of people aren't anymore interested in our children and their education than the man-in-the-moon! They are out for revenge and to promote egos of others.

It's a shame to see someone, who had high standards and qualities, have to stoop so low, by back stabbing old friends and using Wayne officials as "pawns" to ridicule people at a public meeting. Too bad these "pawns" can't think for themselves and see what fools they are making of themselves so that someone on the board can "look good." (They know who is using them!!) Who will be the next "pawn" to show up at the school board meeting?

As part of the silent majority, and with grandchildren in school, I plan to vote in the primary, but I am certainly not going to vote for someone who is a follower, and can't think for himself, such as Mr. Spoerl, who isn't married and doesn't have any children, and Mr. Horner.

WE DON'T NEED PAWNS ON THE SCHOOL BOARD!!

One of the silent majority
L.K.
Allenton

January 20, 1982

Editor
Kewaskum Statesman
250 Main Street
Kewaskum, WI 53040

To The Editor:

I wanted to write a personal "thank you" to our customers for their patience and understanding, and to our employes for their dedication and perseverance, during one of the most devastating spells of winter weather we've experienced in some time.

During the heavy snows of Jan. 3-4, and again during the record-setting cold of the following two weekends, some Wisconsin Electric customers were inconvenienced by power

outages as snow, wind or cold led to service interruptions.

But in each case, and in spite of formidable odds, Wisconsin Electric trouble crews braved the weather to make repairs. Others battled the elements to get to work to keep power plants operating or to answer customer calls, or stayed on the job for long hours when relief workers were delayed.

More than two million people in Wisconsin and Michigan depend on Wisconsin Electric for their electricity. We take seriously our responsibility to supply that power, whatever the weather.

Sincerely,
Charles McNeer
President

January 20, 1982

Letter to the Editor:

I'm writing in regard to the need for Big Brothers & Sisters in Washington County. The start of a new year is upon us and hopefully some of you have thought about becoming matched to a boy or girl. Maybe there are some of you who have made a New Year Resolution to get involved in your community or do more for others. Our program might be what you are looking for.

Also, with the number of people unemployed at present, it may be a good time to get involved. Being unemployed for a short time myself in the past, I know the stress that develops, but why become stagnant? A common myth about our program is that you need to spend money on a child. The truth is illustrated in those matches that spend the least amount, are often some of the best. The most important factor is time and placing your involvement as a priority.

Please give some thought to what I have stated. We have close to 100 children waiting in all areas of the county. The boys and girls are from the ages of 6 to 16 and the need for Big Brothers is twice as great. Think about sharing some of your time and love with others. Questions will gladly be answered by calling 334-7896, West Bend.

Sincerely,
Kathy Saemann
Director of BB/BS of
Washington County

Newspapers are here to stay despite new electronic technology, declared William Kraus, assistant to Governor Dreyfus, to the members of the Wisconsin Newspaper Association at their annual Mid-Winter Meeting held at Stevens Point January 14-16.

Over 250 WNA members, friends, and associates met in the three-day meeting to discuss current industry conditions, see the latest equipment, develop skills, and strengthen the position of newspapers in the communications industry.

Kraus was part of the Thursday afternoon program that centered on the theme of the importance of newspapers in our society. Also on the afternoon program were presentations on advertising by Charles Mouser, an internationally recognized advertising consultant, and a special Newspaper in Education Week to be held in Wisconsin February 21-27, presented by Stu Kendall of the Milwaukee Journal, and Nancy Mersereau of the Port Washington Ozaukee Press.

Senator Bob Kasten told the audience at the banquet Thursday night that the mood in Washington under President Reagan is to deregulate industry, including the communications industry, and to reduce government spending. A variety program called "Thursday Night Live" was produced and presented by publishers Gary and Jane Slaats of Neillsville, and Tom and Cynthia Beebe of Fennimore.

Time reserved Friday morning for a discussion of a press council/mediation council was given to a review of a press tour of the Republic of China by Romain Brandt, and a tour of Ireland by John Kenny and Dan Royle, all WNA members. The press council discussion was postponed until the task force majority report was published.

Departing from hard news reporting, the luncheon speaker Joann Fabritz, a positive thinking psyche, answered questions from the audience. She told people what they could expect in their future, and how to change their lives to enjoy more success. Two more presentations Friday afternoon discussed safety in the work place, and how to report financial news.

A celebrated political satirist, Mark Russell, kept the packed banquet hall full of laughter

humorous anecdotes and unusual insights into the Washington scene.

An early morning breakfast Saturday brought journalism educators together with publishers to discuss increased cooperation between schools and industry to develop the skills of young people who are interested in entering the communications industry.

Saturday sessions concluded the meeting with presentations on small newspaper promotion, intern programs, wage and hour studies, and value and treatment of news releases, tax and retirement laws, and computerized bookkeeping.

Farm Legal Concerns Seminar Scheduled At County Courthouse

Farmers and other agriculturally related individuals will have an opportunity to receive information and an update on legal concerns as they affect agriculture. A Farm Legal Concerns Seminar has been scheduled for Wednesday, February 17, from 1:00 p.m. to 3:00 p.m. The program will be held in the basement meeting room of the Washington County Courthouse in West Bend.

The featured speaker for the program will be Professor Philip E. Harris from the University of Wisconsin-Extension Department of Agricultural Economics. He is also an Assistant Professor of Law in the University of Wisconsin-Extension Department of Law. He received a B. S. Degree in Economics from Iowa State University and an M. S. in Economics and a J. D. from the University of Chicago. Mr. Harris' area of specialization include tax and agricultural law.

Some of the topics that he plans to discuss include contracts, civil liabilities, ease-

ments, trespass law, social security for employees, and when do you need a lawyer. The program will also provide time for questions and answers.

The world we live in is governed by a number of laws. These laws all affect us in different ways. Most people don't get too concerned about legal matters until they find themselves involved in a legal situation, and at this point normally rely on an attorney to help them along. This is an opportunity to receive some information from a well qualified individual that will help you in dealing with many legal concerns.

Persons interested in attending the program should contact the Washington County UW-Extension Office at Court House Annex No. 2, P. O. Box 537, West Bend, Wis. 53095, phone 338-4477, 644-5204 or 342-2929 by Monday, February 15. There is no registration charge for the program, but we encourage interested persons to register so that adequate arrangements can be made.

According to the AMA, beer can make hair easier to set if used in the final rinse.

BURNING EYES

By the end of the day, some people experience blurred vision, burning eyes and headaches, yet examinations prove they don't need glasses. A probable cause is nervous tension. Anxiety stimulates excessive muscle activity, which could bring about these symptoms by the end of a busy day. To counteract these vision problems, simply relax. Plan a daily relaxation period in quiet, comfortable surroundings. With eyes closed, allow your mind to unwind from the day. Not only will this aid your eyes, but your entire well-being.

Revenues Generated by County Treasurer's Office Top \$1 Million Mark for Third Year

Revenues generated by the Washington County Treasurer's office topped the \$1 million mark for the third year in a row, County Treasurer, Fredric A. Seefeldt, reported this week.

"Revenues in excess of \$1.3 million in 1981 established a new record high in earnings for county taxpayers," said Seefeldt.

"Interest income on investments alone exceeded \$1.1 million this past year, also setting a new record for investment income for the citizens of Washington County," Seefeldt added.

"Each dollar of investment income generated by the county treasurer is in effect a dollar of tax relief, for it means that one less dollar has to be raised from the property tax," said Seefeldt. "On that basis, county taxpayers benefitted from the high interest prevalent during

the year," Seefeldt observed.

Interest rates paid on county funds ranged from a high of 18.5% in August to a low of 11% in December. Earlier in the year interest yields reached 18.25% in May.

"These record earnings were achieved despite the fact that we began 1981 with \$900,000 less dollars available for investment than at the outset of 1980. In addition, a jump in delinquent real estate taxes took another \$400,000 out of circulation," Seefeldt pointed out.

\$1,170,000 or 89% of the revenues were generated by the investment of unexpended appropriations and reserves throughout the year. 11% or \$148,000 came from interest charged on delinquent taxes. Another \$625,75 was received in tax search fees for a grand total of \$1,318,652.07.

Cooperators Banquet Planned by Soil And Water Conservation District

The Washington County Soil and Water Conservation District is planning its annual Cooperator's Banquet for the evening of February 22, with the activities beginning at 7:45 p.m. at the West Bend Knights of Columbus Hall. The event is again being planned with the assistance of the District's Conservation Youth Board.

This year's agenda will lead off with a dinner furnished for \$4.50 per person. Following the meal, a time has been set aside for the recognition of various conservation award winners from 1981. Conservation speaking contest winners from 1981 will give their short award winning speeches after the awards program. The main speaker for the evening will be Bill Genthe of the Big Cedar Lake Protection and Rehabilitation District. He will be speaking and showing slides of conservation work done in the Big Cedar Lake Watershed Project. Conservation practices to be shown include grass waterways, stripcropping, di-

version-terraces, rock chutes and manure storage structures. In addition, door prizes will be given out throughout the evening.

Several invitations have already been sent out through the mail to many county farmers and landowners. Others not receiving an invitation who would like to attend should contact either Ivan Kumrow, Don Kurer, or Marc Bethke at the Washington County SWCD Office, 2395 W. Washington St., West Bend, Wis. (Telephone 334-3706) to make advance reservations. All registrations are due at the above address by February 15, 1982 to assure seating.

SAVE!!! Select your furniture at Miller's in Kewaskum. Largest selection, high quality at most reasonable prices. Open daily until 5:30, Monday and Friday to 9:00 p.m. Free dependable delivery.

Eastern Wisconsin Fruit School to Be Held at West Bend

The 1982 Eastern Wisconsin Fruit School will be held on February 10, at the Best Western Dillon Inn in West Bend.

This year's program highlights Michael Thomas, District Horticulture and Marketing Agent with the Michigan Extension Service. Thomas will present information on fruit tree care after planting, solving replant problems and Michigan's experiences with integrated pest management.

The fruit school, developed primarily for commercial apple producers, begins on February 10 with a program on picking apples. Later in the morning Elden Stang, UW-Madison Horticulture Department will discuss training and pruning young trees. Also in the morning Daniel Mahr and Donald Boone, UW-Madison Entomology and Plant Pathology Department will talk about apple insects and canker diseases.

The afternoon's program includes an update by the pest control industry, 1981 apple pest survey results from the Department of Agriculture, Trade and Consumer Protection and a question and answer session.

Registration for the 1982 Eastern Wisconsin Fruit School, which is sponsored by the Washington and Fond du Lac County Extension offices, is \$13.50 per person or \$23.50 per two people from the same business. Pre-registration is required by February 5, 1982. A \$5.00 late registration fee will be charged for registrations received after February 5, 1982.

For further information and pre-registration materials contact Dan Wilson, Washington County Horticulture/Resource Agent, P.O. Box 537, West Bend, WI 53095.

The total construction cost of building the Eiffel Tower in Paris was recovered from sight-seer's fees within the first year of its completion.

Washington County, 2 Others Host State Holstein Convention

Members of 3 county Holstein Associations will greet guests and fellow State Association members at this year's Wisconsin Holstein Convention. Dodge, Washington and Waukesha County Holstein Breeders are busy preparing for the 91st Annual Convention being held at Olympia Resort and Spa in Oconomowoc, February 22 and 23.

Convention highlights will include: a wine and cheese-tasting party followed by dancing to live music; workshop sessions on county activities, the current dairy situation and father-son partnerships. In addition there will be award presentations, special programs for women, a dairy luncheon, business meetings and the annual banquet.

Orion Samuelson, WGN Chicago radio personality, will be the Master of Ceremonies and featured speaker of the banquet. The banquet is Monday evening, February 22, at

7:00 p.m. in the Olympia Exhibition Hall. State Association members and guests will feast on 16-ounce Prime Rib dinners in a candlelight atmosphere.

Banquet tickets are available to all persons. The price is \$16 per person, if reserved before February 1, 1982. Late reservations will be \$20 per person. Send your reservations to: George Muth, 5656 Hwy. G., West Bend 53095.

Make checks payable to: WISCONSIN HOLSTEIN CONVENTION '82.

**Efforts Will Begin to Improve Security at
Kettle Moraine Correctional Institution**

Meeting with the governor on Thursday (Jan. 21), State Representatives Gervase Hephner (D-Chilton) and Calvin Potter (D-Kohler) received assurance that efforts will begin immediately to improve security at the Kettle Moraine Correctional Institution, north of Long Lake.

Hephner says that he is pleased that the governor is finally taking seriously the concerns he and Rep. Potter have been expressing for several years. "We have a moral obligation to provide adequate protection for persons living near the prison and for employees inside the institution," says Hephner. "It is high time we started meeting that obligation."

Based on recommendations from Department of Health and Social Services Secretary Donald Percy, the governor said that he will initiate a four-step plan for improved security.

Under steps one and two of the plan, prison staff guards will be issued uniforms and personal alarm devices. The uniforms will make guards more visible both to prisoners and persons visiting in the prison area. The alarms, similar to paging devices used by doctors, will allow guards to notify the main office in case of emergencies which arise when they are not near a phone. These changes should be in effect by September of this year. They will cost about \$58,000 to be paid for by redistribution of current funds.

By July 1984, the third and fourth steps of the security plan should be completed. Those steps will include construction and staffing of three additional guard towers, a second fence, a new perimeter roadway and

additional wire on the existing fence.

Although the governor's action appears to have come in response to recent escapes from Kettle Moraine, Hephner notes that he and Rep. Potter pushed for these changes in the 1981-83 budget bill. They succeeded in getting the legislature to authorize the construction of additional fencing and guard towers, but the governor vetoed those projects.

"While we all recognize that none of these measures can be accomplished overnight, I urged the governor and secretary to seek a waiver of the Environmental Impact Statement and other red tape so that construction can go ahead without delay," says Hephner.

The 6th district lawmaker also notes that at the governor's request, Secretary Percy is preparing a list of interim measures to improve security while the long range steps are being completed.

"Based on my conversations with prison personnel, I hope that the security will recommend immediate reinforcement of fence security (perhaps in the form of a "tank trap") at the areas which are accessible to vehicles, additional lighting around the cottages, and increased staffing in areas not now covered by security," says Hephner.

Hephner stresses that the beefed up security is needed because Kettle Moraine was originally designed as a boys' school which had low security demands. "With the shift to an adult population with higher security risk, Kettle Moraine clearly has not kept up with the demands of the population."

**Judo Club Holds
Bi-Monthly Tourney**

The West Bend Judo Club held its bi-monthly Judo tournament at Silverbrook Middle School on Tuesday, Jan. 26. It concluded the 2nd session of Judo classes sponsored by the West Bend Park, Recreation and Forestry Dept.

The co-ed junior divisions were determined by the size of each Judoka, with division one (1) being the smallest to division eight (8) the largest. Judo coaches Jon and Joe Sanfilippo were the tournament directors, with the senior Judoka handling the refereeing duties.

Ribbons for all place winners were awarded by the West Bend Park, Recreation and Forestry Dept.

New Judo classes started Feb. 2. Call the West Bend Park, Recreation and Forestry Dept. at 334-9156 for more information.

Tournament winners included Rick Larson of Kewaskum, first in division two.

IN MEMORY
Four years ago on Feb. 5, Donald F. Mitchell left this world for a better one. He is out of sight, but always with us in thought and especially spirit. He will always be remembered with very deep love, by his wife, Mary Kay and his children, Jennifer, Heather and Shannon, plus his many friends. He will always be missed!

If you were here
We would say thank you
Thank you for
Knowing us

If you were here
We would say thank you
Thank you for
Understanding us

If you were here
We would say thank you
Thank you for
Making us so happy

But since you are away
We'll just think of you softly
And thank you
In our dreams.

♥♥ -Susan Polis Schutz

Being apart from you
Is something we cannot be...

For you
Are a part of us.

♥♥ -Andrew Tawney

IN MEMORY
In loving memory of our dear daughter, sister, and granddaughter, Janet Gross, who passed away one year ago, February 5, 1981:

Though her smile is gone
And her hands we cannot touch,
Still we have so many memories
Of one we loved so much;
Her memory is our keepsake
With which we'll never part.
God has her in His keeping
We have her in our hearts.

Sadly missed by the Robert Gross family.

A SPECIAL THANK YOU
To Kathy Ramthun and to my daughters, Bonnie Oppermann and Cheri Ramthun for going to the Milwaukee Blood Bank and donating blood in my name.

Kewaskum Splits With Thiensville-Mequon, Cedarburg in Lakes

The Kewaskum Lakes basketball team split a couple of games against 'A' Division foes over the weekend, being trounced at Thiensville-Mequon, 146-107, on Saturday afternoon and then upsetting Cedarburg, 146-135, at home Sunday night. Cedarburg had been tied for third place in the 'A' Division with a 4-2 record coming into the game. Thiensville-Mequon is now 4-4 in the 'A' Division, while Kewaskum is 2-5 in the 'B'.

Kewaskum was simply outmanned in their game Saturday at Thiensville-Mequon, as four players couldn't make it because they had to work. In addition, the Twins have strengthened their team considerably this year. Kewaskum stayed close in the first quarter, trailing by only three, 29-26. However, the Twins, using full-court pressure, expanded the lead to 67-49 at the half, and poured it on in the second half, leading 104-73 after three quarters, and winning by their final margin of 39.

Dan Doedens led the Twins' scoring parade with 34 points, followed by Terry Cramer with 28, Dave Esrich 20, and Andy Doedens 15. For Kewaskum, Leon Laatsch matched Doedens for game scoring honors with 34, followed by Don Gruber with 29, Bill Backhaus 15, and John Slesar 14.

Thiensville-Mequon was 54.5 percent on free throws, making six of 11, while Kewaskum was 21 of 34 for 61.8 percent.

Sunday was a different story as Kewaskum came back to hand Cedarburg a tough loss, hurting their title hopes. Kewaskum had a number of seasonal highs in the process. Their total of 146 points was by far their most in any game this season. Kewaskum had their full lineup on hand, while Cedarburg was without aces Steve Van Dyck and Rob Sutherland, who were playing in tournaments.

Kewaskum jumped on Cedarburg right from the start with 44 points in the first quarter, their biggest quarter of the year, to Cedarburg's 27. Kewaskum led

by as many as 21 points in the second quarter, before settling for an 80-64 lead at the half. Cedarburg kept coming back in the third quarter and narrowed the lead all the way down to three points at 102-99 before Kewaskum could recover. By the end of the quarter, Kewaskum pushed the lead back to six, 106-100. Kewaskum got the lead back up to around 10 during most of the fourth quarter, before winning by 11.

Leon Laatsch got a seasonal high of 45 points to lead Kewaskum, while Don Gruber had 33, John Slesar 23, Bill Gonwa 20, and Jim Rohlinger 13. Scott Murray meshed 36 points to lead Cedarburg, while Jack Friess had 26, Brian Schuenemann 23, and Pete Armbruster 20.

Kewaskum was eight of 15 from the free throw line for 53.3 percent, while Cedarburg was 13 of 20 for 65.0 percent.

This Sunday Kewaskum takes on the Menomonee Falls Badgers at Falls East High School at 7:30 p.m. The Badgers, perennial Lakes grand champions, are currently leading the 'A' Division with a 6-1 record.

Kewaskum's home game with the Menomonee Falls Stingers on February 14 has been moved to February 27 because the Stingers have a conflict with a fund raiser.

SCHOOL DISTRICT OF KEWASKUM

Notice of Primary Election of School Board Members

on 3rd Tuesday in February

For Members of the District Board of School District of Kewaskum,
State of Wisconsin
February 16, 1982

NOTICE IS HEREBY GIVEN that a School District Board election will be held on February 16, 1982, for the purpose of electing two (2) members to the School Board of said district for terms of three (3) years.

NOTICE IS FURTHER GIVEN that the electors of said School District will vote at said election at their regular place and hour at which each is entitled to vote at a town or village election EXCEPT that the Electors in the Towns of Ashford and Mitchell can vote at any election site listed in this notice.

NOTICE IS FURTHER GIVEN that the places and hours of voting are as follows:

VILLAGE OF KEWASKUM

Place - Municipal Building, 204 First Street, Kewaskum, WI.

Time - 9:00 A.M. to 8:00 P.M.

TOWN OF KEWASKUM

Place - Labor Center Hall, Kewaskum, WI.

Time - 9:00 A.M. to 8:00 P.M.

TOWN OF BARTON

Place - Town Hall of Town of Barton

Time - 9:00 A.M. to 8:00 P.M.

TOWN OF FARMINGTON

Place - Farmington Town Hall, 9422 Highway 144

Time - 9:00 A.M. to 8:00 P.M.

TOWN OF WAYNE

Place - Strobel's Hall in Wayne, WI.

Time - 9:00 A.M. to 8:00 P.M.

TOWN OF AUBURN

Place - Town Hall, Intersection Hwy. 45 & 67

Time - 9:00 A.M. to 8:00 P.M.

TOWN OF SCOTT

Place - Town Hall, Hwy. A

Time - 9:00 A.M. to 8:00 P.M.

FACSIMILE OF

School Board Ballot

NOTICE TO ELECTORS: THIS BALLOT MAY BE INVALID UNLESS INITIALED BY 2 ELECTION OFFICIALS SERVING AS BALLOT CLERKS. IF CAST AS AN ABSENTEE BALLOT, THE BALLOT MUST BEAR THE INITIALS OF THE MUNICIPAL CLERK.

To vote for a person whose name is printed on the ballot, mark a cross (X) in the square at the RIGHT of the name of the person for whom you desire to vote. To vote for a person whose name is not printed on the ballot, write the name in the blank space provided for the purpose.

School Board Members At Large

Vote for two

Gerald Secor

Byron W. Gessner

Ralph E. Horner

John H. Spoerl

Joan E. Rosenberger

.....

.....

Dated this 19th day of January, 1982

Richard Theusch
School District Clerk

VOTING BY ABSENTEE BALLOT

Any qualified voter, unable to get to the polling place on election day, may ask to vote by absentee ballot. A qualified voter is one who is a U.S. citizen, will be 18 years of age or older on election day, and who has resided in the ward or aldermanic district where voting is desired to be accomplished for at least 10 days prior to the election. If the voter resides in a municipality which requires voter registration, then registration is also a requisite for the voter who is qualified in other respects.

To obtain an absentee ballot, contact the clerk in the city, village or town in which you reside by mail or telephone, or in person, and request an application form. After properly completing and returning the application to the municipal clerk, an absentee ballot will be sent to you along with a postage pre-paid return envelope, or given to you if the application is submitted to the clerk in person. The deadline for receipt of the application by the municipal clerk is 5:00 p.m. on the Friday before election day in the case of applications mailed to the municipal clerk, and 5:00 p.m. on the day before the election in the case of applications made in the clerk's office.

With one exception, the voter who wants to cast an absentee ballot must make a separate application before each election. Voters indefinitely confined to their home or care facility because of illness, age or disability need not file an application before each election; a special statement on the application form can be completed asking that an absentee ballot be automatically mailed to them before each election; if they fail to make and return the ballots sent to them in an election, they must complete another application later on.

Absentee ballots can be voted at home anytime after they arrived in the mail. They can also be voted right in the clerk's office if submitting the application in person. If returning the ballots by mail, the affidavit-certificate must be properly completed and witnessed by two persons. If returning the ballots in person, the affidavit-certificate must be properly completed and subscribed and sworn to by the clerk or the deputy clerk who are authorized to administer oaths. In either case, the marked, sealed ballot must be in the hands of the issuing municipal clerk on or before election day. Any absentee ballot received at the polling place after the polls close or received in incomplete or improper form cannot be counted.

George F. Nehrbass, County Clerk
Washington County

Indians Handle Huskies But Lose to Plymouth

Hosting New Holstein in a Saturday night contest, Kewaskum got by the Huskies without too much trouble, 60-47, but ran into a buzz saw at home against Plymouth Tuesday night, when they were defeated by the Panthers, 63-52, in a make-up game.

The win over New Holstein kept the Indians a half game out of first place with a 3-1 record. Victories by Two Rivers and Kiel Friday gave them both 4-1 conference marks and a tie for first place.

Dale Wodsedalek and Brian Larsen, Kewaskum's two big men, again played major parts in the victory over the Huskies. They combined for 39 of their team's points but a reserve guard, Dave Donath, broke the game wide open near the end of the third quarter and start of the last quarter. With his team going through a flat stretch, the 5-8 senior was called upon. With the Indians leading 41-40, Donath came up with a big steal and scored a basket to make it 43-40, Kewaskum.

Baskets by Wodsedalek and Larsen gave the Indians a 47-42 lead at the end of the third quarter. Then Donath hit again on a jumper after a theft. Kewaskum went on to score six unanswered points and outscored the Huskies 13 to 5 down the stretch to settle the contest.

New Holstein had a bad night shooting. They missed 13 of 16 shots in the last quarter and didn't do much better the rest of the game, hitting on just 21 of 66 shots for 32 percent.

Big "Wods" hit approximately 8 of 10 on his way to scoring 18 points and Larsen 9 of 18 to end up with 21. These two players have been steady all season. Joel Gueuel paced the Huskies with 16 points.

After playing to a 13-13 tie in the first quarter, Kewaskum outpined the Huskies in each of the remaining periods on their way to victory.

Still, Coach Jim Westphal was not satisfied with his team's rebounding and mistakes in fundamentals, although the Indians did have a number of blocked shots, several of them by Wodsedalek.

The win gave Kewaskum a sweep over New Holstein for the year.

KEWASKUM	13	16	18	31	50
NEW HOLSTEIN	13	15	14	5	47

FT Missed — Kewaskum 2, New Holstein 5.

After losing their first five games, most of them by close margins, Plymouth has really been coming on strong of late and now sports a 6-5 overall record and 5-2 conference mark. After beating Kewaskum here Tuesday, 63-52, they are now very much in the race, while the Indians also are still in the running with 3-2.

Last year Plymouth made it all the way to the semi-finals in the Class A State Tournament, led by the Commerford brothers. John has graduated but younger 6-4 brother Mark is back making his presence known. He did it again against the Indians Tuesday, scoring 24

points and grabbing a number of rebounds in leading his team to victory in an important contest.

The Panthers have scored back-to-back victories over contenders Kewaskum and previously undefeated Two Rivers. They have another key game coming up Friday against Kiel, which tops the Eastern Wisconsin standings with a 4-1 record.

Commerford wasn't a one-man show as six Panthers helped in the scoring department in the last quarter, but he and Dan Dieringer, the Indians' two big men, Wodsedalek and Larsen. Commerford and Miller scored 40 points between them while "Wods" and Larsen combined for 36.

Plymouth outscored Kewaskum by slight margins in every quarter but some cold free throw shooting hurt the Indians' final comeback attempt. With a lead midway through the final stanza, the Panthers went into a disciplined delay to take time off the clock and score some easy baskets for a more comfortable lead.

Two baskets by Larsen brought the Indians to within four at 47-43 and a rebound by Wodsedalek closed the gap to two with 6:35 remaining but buckets by Bill Sagal and Bob Siech made it 51-45. Then Larsen missed two free throws and Wodsedalek and Randy Westerman both missed on the final end of one-and-one situations.

The Panthers were tough but the Indians could not capitalize on their chances.

This Friday Kewaskum plays the tailenders at Chilton and next Wednesday the Indians host strong Two Rivers in a make-up game postponed Jan. 16 due to the snowstorm. The team also has one other first half make-up game to play at Sheboygan Falls.

FT Missed — Kewaskum 10, Plymouth 6.

Frosh, JVs Also Win Over New Holstein

The Kewaskum freshmen and JVs also won over New Holstein for a clean sweep over the Huskies on the home court.

The frosh contest was close with the Indians defeating New Holstein, 51-46. The score had been tied at 42-all before Kewaskum moved out in front after a slow start at the beginning of the game.

Mike Wiedmeyer and Mike Steinhardt led the Indians with 24 and 15 points respectively.

The win gave the freshmen a perfect 4-0 record.

The JVs, now 4-5 overall, went up with a 47-44 victory to avenge an earlier loss to the Huskies. The team got balanced scoring with John Baittinger and Jim Hanrahan each hitting 10 points.

Kewaskum Girls Beat Cedar Grove, New Holstein; Now 10-1

By Cathy Schlice

The Kewaskum girls varsity basketball team kept their winning streak going Friday by downing Cedar Grove, 57-45. Coach Ken Soerens thought the team could have won by a big margin but felt some of the team might be looking ahead to their game Thursday against league team Two Rivers.

After the first quarter the Indians found themselves trailing by a point and changed it around in the second quarter by outscoring Cedar Grove, 19-10. The Indians ran off 17 straight points, all by 4 of the 5 starters. The Rockets then got the momentum and ran off 10 points before Cathy Schlice made a bucket before the buzzer to put the Indians up by 8.

Like their game against Sheboygan Falls, Kewaskum again dominated the second half, with Linda Larsen getting control of the boards and getting most of her points from missed shots. Larsen ended the game with 22 points. Also "Mike" Rodenkirch added a personal high of 18 points. Kewaskum's other ace, senior Jill Yearling, got into a bit of foul trouble and didn't see much action as she fouled out early in the fourth quarter with 5 points.

The Indians are now 9-1 overall and 6-1 in conference.

The JV team suffered their second straight loss at the hands of Cedar Grove, 33-23. They were led by Donna Hlavaty and Modly Kempf each chipping in 6 points. The frosh did not play.

KEWASKUM			CEDAR GROVE		
fg	ft	pf	fg	ft	pf
Bade	1	1	1	7	1
Fuller	1	1	3	2	3
Larsen	8	6	1	0	3
Matenaer	2	0	1	5	1
Rodenkirch	6	6	2	1	0
Yearling	2	1	5	1	3
Jaeger	0	0	3	2	0
Schlice	1	0	1	0	5
Totals	21	15	17	19	20

JVS — CEDAR GROVE 33, KEWASKUM 23
Donna Hlavaty and Modly Kempf each had 6 for Kewaskum.

The Indians didn't have much of a problem in their match-ups with opponents, New Holstein, Tuesday night, 64-38. This was the Indians' 6th win in a row.

The team probably didn't have done it though without some strong rebounding by junior Linda Larsen, who hauled in 15 rebounds. Those rebounds helped contribute to her 26-point game high total, with 10 coming in the final 8 minutes.

At the half Kewaskum took a dozen point lead into the locker room and came out smoking in the second half, outscoring the Huskies in the half, 34-20. At certain points the Indians were up by 30 points.

It was a very physical game but Kewaskum only shot 14 free throws, connecting on 8 for 57%. New Holstein shot only 6, hitting on 4 for 67%.

Also yearling for Kewaskum were Jill Yearling and Michele Rodenkirch, contributing 9 and 8 points respectively. New Holstein was led by Burg with 15 points.

The Indians are now 10-1 overall and 7-1 in conference. The team gets a chance to avenge their only loss on Thursday when they host Two Rivers. On Friday they play a make-up

game at Campbellsport. Next Tuesday at Chilton. It will be the last home game before they host tournaments. The JVs and frosh start at 6:15 p.m. and the varsity follows at 7:45 p.m.

The bleachers sure are empty and the team sure could use some more support. It's kind of upsetting when the visiting team has more spectators than the home team. So let's get some more community support and attend these girls' games!

The JVs suffered another loss, this time at the hands of the Huskies, 45-37. One bright spot was some sharp outside shooting by point guard Lisa Matenaer, who led her team with 12 points.

The frosh also suffered a loss at New Holstein with the final score being 43-21. The team was led by Amber Charland with 6 points and Sandy Secor with 5.

Wrestlers Edged By New Holstein

The Kewaskum Indians came up with some of their best wrestling of the season at New Holstein Thursday night but wound up just one point short as they were edged by the Huskies, 31-30.

Three Kewaskum seniors all won. Wayne Boudreau (126) and Dave Goeden (145) both dominated their matches, 5-1 and 13-7. Boudreau is now 15-2 overall and 6-0 in the Eastern Wisconsin. Goeden is 14-2 and 5-1 in conference. Don Goeden picked up a needed pin at 132 over Doug Reese in 2:29.

Three juniors got the other Indian wins. Stuart Stautz, following a near pin, won at 155 on a 13-3 decision. Dave Kudek picked up a fall at 105 and Scott Durian came back from a near pin to a second period ball over Dick Koepke.

Russ Katzenberger was in control most of the way, then fell behind and had to settle for a 6-6 draw.

The JVs were winners, 27-9.

Chess Team Wins Fourth Straight

WHIP ST. JOHN'S MILITARY ACADEMY OF DELAFIELD

The Kewaskum chess team rolled to its 4th win in as many tries with a 50-5 victory over St. John's Military Academy of Delafield. In the last three games against Kettle Moraine, Homestead and St. John's, Kewaskum has scored 151 points while allowing only 14. During these games the Indians have won 27 of the boards played, lost 1 and drew 2.

DuWayne Schacht needed only 14 moves to get the Indians started with a win at board 9 while Brian Pamperin completely outplayed his opponent in a game that featured three knight forks.

Andy Rosenberger played another strong game at board 3. Rosenberger gained a bishop with a check from his queen and then coordinated his pieces quickly for a surprise checkmate.

Ken Bauer, the conference leading point scorer, improved his record to a perfect 4-0 at board 2. Bauer has picked up a total of 36 points.

Gregg Classey, Romie Holl and Dan Butzke all had very close games which they won in the endgame at boards 4, 5 and 6 respectively. Classey won by placing his rook on the sixth rank, limiting his opponent's king space to the last two ranks and then attacked his opponent's pawns. Holl also used good rook play to win while Butzke utilized a knight fork to win his opponent's rook.

Rob Slegler drew Chris Winn at board 1. Slegler's and Winn's pawns made a wall in the center of the board that neither player could penetrate with a sound attack. Slegler's record is 1 win, no losses and 3 draws. Slegler always plays the opposition's best player.

Kevin Chesak easily won at board 10. The game took a long time but the outcome was foreseeable as Chesak won his opponent's queen early in the contest.

Glenn Classey finished the match with a win at board 8. Classey won his opponent's queen for a knight and 2 pawns.

According to advisor Roy Peterson, the cadets played well but the Indians played their best match of the season. Peterson was very happy with the wins from Gregg Classey, Holl and Butzke as these wins came from the endgame. The endgame play has been a strong point of Kewaskum play the past few years. Peterson also cited Pamperin and Rosenberger for playing very good combinations.

The Indians met Germantown Tuesday night in a battle between first and second place teams in the conference.
