Board Accepts Brenholt Resignation

All-Day Kindergarten Out

By GERRY MUELLER
Statesman Staff Writer

A motion to switch to all-day kindergarten was unanimously vetoed at Monday night's school board meeting.

President Charles Ogi stated at the opening of the discussion, "it appears there's not much movement from the board or community on this subject." When the idea of switching to all-day kindergarten was first presented to the board, the administration felt there could be a savings of approximately \$38,000 to \$40,000 in busing costs. However, there were several questions brought up about such a program, so the board appointed a committee of parents and teachers to investigate it further.

The committee's study found added aide time would be necessary at an approximately cost of \$7,000, dropping anticipated savings to between \$31,000 and \$33,000. The addition of special teachers for art, music and physical education, or additional aide time for these subjects would reduce the savings by still another \$1,500. Added in-service would cut still another \$1,000 to \$2,000. The additional costs along with other data such as reduction of class size, etc., resulted in the committee's recommendation that switching to all-day kindergarten was not economical or feasible at this time. "I think the committee did an excellent job and apparently they did their homework," stated board member John Tessar. Ogi noted that he felt this idea should be "kept on the back burner" for future consideration.

President Ogi read a letter of resignation from School Superintendent Floyd Brenholt to be effective June 30. Tessar stated, "I will make the motion (to accept Brenholt resignation) with very mixed emotions." The motion passed 7-0.

Tessar told the board it better get going on a search for a replacement since there were only two weeks before Brenholt left. Ogi appointed Tessar, Ralph Horner and himself as chairman, to the committee to seek a replacement.

The board reviewed a revised proposal for the 1982-83 budget. The report stated that through some reduction and changes in budgeted items, the General Fund expenditures had been decreased by \$2,845 to \$4,842,680.00. This would result in a tax levy increase of 4%.

The final budget has not been set as the district is still in arbitration over teacher's salaries. It was noted the dis-

trict should have the arbitrator's decision by July.

Board member Ralph Horner stated, "there's no way I would recommend this budget at the annual meeting." Horner feels still further reductions can be made in several areas, which would bring the budget closer to the 2½ to 3% ceiling he had recommended.

Board member Tom Brigham stated, "I, for one, would recommend this budget to the electorate." Brigham did feel, however, he would like to look for further cuts especially in the area of large expenditures.

As chairman of the Public Participation Committee, Brigham presented a proposed policy for public participation at board meetings. Brigham noted that while his committee had made this recommendation, he did not feel comfortable with it, specifically item No. 2 regarding public input and asked the board to allow him to present an alternate proposal.

Brigham said he would like to see item 2 changed from "public input will follow a board motion and second, but precede board deliberation" to read, public input would follow board deliberation with a motion and a second. With this motion, the board can deliberate among themselves, they can get the materials from administration, they can ask questions among themselves and if they want, they can ask something from the audience," said Brigham. A board member could then make a motion and the audience would then know where the board members stand. At this point there would then be time for public input.

The board moved to reject the Participation Committee's recommendation. The board then voted 6 to 1, in favor of accepting Brigham's revised proposal with Horner voting no. The proposal will be brought up again for another reading before final acceptance is made by the board.

John Spoerl gave a report on the Transportation Committee's negotiations for a 1982-83 busing contract with Johnson Bus Company. Final agreement was reached on a contract which will increase by 6¼%. Spoerl noted the 1981-82 contract had increased 9% and 1980-81 by 11%.

The board approved purchase of a wrestling mat which will come out of combined 1981-82 and 1982-83 budget funds. Purchase of a tenor saxophone was also approved.

The board approved a teacher re-call from layoff for temporary replacement during a 1982-83 childcare leave.

By GERRY MUELLER
Statesman Staff Writer

After a two and a half hour meeting last Wednesday evening, the school board's Committee On Public Participation, came up with a proposed new policy.

On a 2 to 1 vote, the committee will recommend to the June 14th meeting, a policy that will allow people to speak on an agenda item following a motion and second but before board deliberation. The remaining points of the present policy would remain basically the same.

Chairman Tom Brigham said he had asked committee members Ralph Horner and Charles Ogi each to bring their recommended policies to the meeting so they would have a starting point from which to work. Brigham was the only member to present a complete procedure policy. Horner presented some ideas he had written down as a base point and Ogi noted he had no definite policy plan of his own, however, he favored the procedures used by the German-

town and Slinger school districts.

Policies from several other districts were read or discussed, however, the audience of over 50 people felt the committee should create a policy which would fit the needs of Kewaskum rather than adopt another district's or try to adapt it for Kewaskum.

Ogi's original plan, brought up at a previous meeting, would have required residents to sign up prior to the meeting if they wanted to speak on any particular agenda item. This had met with a good deal of opposition from the public. Among other things, the public felt it would be difficult to sign up to discuss items under the miscellaneous agenda since no one would know exactly what was included in the grouping. Clara Trapp, resident, disagreed with Ogi's

comments that a majority of the people felt a new policy was needed.

Horner proposed periods of open discussion with time.
(Continued on Page 4)

School Board's Public Participation Committee Formulates New Policy

Father Key Transferred

Father William W. Key, former Associate Pastor at St. Aloysius Parish, West Allis, has been appointed Associate Pastor of St. Leonard Parish, Muskego, effective June 22. He is the son of Mr. and Mrs. William Key, Sr. of Kewaskum.

Father Key will be succeeded at St. Aloysius Parish by Father Michael F. Michalski, former Associate Pastor at St. Edward Parish, Racine.

From the School Board President's Desk....

Because I am interested in promoting constructive citizen involvement and understanding of the issues facing the Kewaskum School Board I have asked the KEWASKUM STATESMAN for space in which to address the issues facing the Board. The STATESMAN has kindly consented to grant space for a weekly column beginning this week. I invite reader questions on relevant issues, and I will periodically answer them through this column. While there is neither space nor time to answer all of the questions, I shall attempt to respond to as many as practical. Send your questions to Dr. Charles Ogi, P.O. Box 201, Kewaskum, WI 53040.

There seems to be some confusion concerning the reason the Kewaskum School Board has changed the method in which the high school Guidance and Counseling Department is organized. The majority of the Board felt that the benefits to the students would be significantly expanded by changing to the alphabetical system, which means, briefly, that each counselor will have half of the student body as determined by the alphabet grades 9-12.

As I see it, there are five main benefits to be gained by the students. First of all, the student will have the same counselor for all four years so that an individual relationship can develop and the counselor can better advise the student. Secondly, parents would have to confer with only one person concerning family problems since the counselor would be handling all the students from that family. A third advantage would be that if one counselor would be unavailable, the other counselor would be already familiar with the requirements for each grade level and be able to accurately guide the student. A fourth benefit would be increased accountability as far as advising students of the required college preparatory courses, various tests and career opportunities, application deadlines for testing and scholarship applications, and graduation requirements. Number five is that, as an added bonus, both counselors will, out of necessity, be knowledgeable in all aspects of a comprehensive guidance program.

This change in organization will benefit students, our first priority, thus improving the quality of education without increasing costs.

Dr. Charles J. Ogi

Lions Install New Officers

The Kewaskum Lions Club installed new officers at a dinner-dance held at Hon-E-Kor Country Club Saturday evening. About 50 Lions members and wives attended.

Officers were installed by Alfred Kohlwey of Grafton, Past District Governor (1975-76), who is also Leader Dog Chairman of District 27A2. Kohlwey has been a member of the Grafton Lions for 30 years.

Guests of the club were Mr. and Mrs. John Schuh, West Bend, and Mr. and Mrs. William Harbeck, Kewaskum.

New officers installed are:
President - Lester Strobel.

First Vice President - Earl Etta.

Second Vice President - Paul Behring.

Third Vice President - Al Tennes.

Tail Twister - Harold Pritzkow.

Lion Tamer - Dale Squier.

Treasurer - Frank Beesten.

Financial Treasurer - Cliff Herte.

Secretary - Earl Buswell.

Director, two years - Vic Backhaus.

Director, two years - Cliff Herte.

Director, one year - Ken Leitheiser.

Yahrs to Celebrate Golden Wedding

Mr. and Mrs. Julius Yahr of Boltonville will celebrate their 50th wedding anniversary on Sunday, June 20, from 2-4 p.m. at the Hilltop in Batavia with an Open House.

Julius (Juke) and Velma (Dettmann) Yahr were married June 18, 1932, at the Silvercreek parsonage with the Rev. Kuenne officiating.

The couple have two children, Richard of Kewaskum and Curtis of Boltonville. They have 5 grandchildren.

Mr. Yahr was an agent distributor with Mobil Oil in

Jean Thill Graduates

Twenty-four students recently graduated on May 26, from programs in the Fox Valley Technical Institute's Home and Consumer Sciences Division, Appleton. Joan Rolfs, Instructor/Coordinator, Home and Consumer Sciences Division, introduced guest speaker, John Klinkert, owner of Kitchens by Klinkert. Robert Martin, Division Supervisors, presented the diplomas and certificates.

Graduates included: Jean Thill, Kewaskum, Interior Design.

West Bend and Cedarburg for 35 years prior to his retirement in 1966. They have lived in Boltonville their entire married lives.

Receives Degree From Texas School

Julie B. Sedgwick, daughter of Mr. and Mrs. Donald Sedgwick of Campbellsport, received her Ph.D. degree from The University of Texas Graduate School of Biomedical Sciences at Dallas and participated in graduation ceremonies held June 5. She is one of a class of 48 students who graduated from the Graduate School of Biomedical Sciences, a component of The UT Health Science Center at Dallas, this year.

Sedgwick received her B.A. degree from Lawrence University, Appleton, Wisconsin; her M.S. degree from Case Western Reserve University, Cleveland, Ohio, and now her Ph.D. degree in immunology from UTHSCD.

She is at present a post-doctoral fellow at University of Pennsylvania.

Graduates with Highest Honors

Constance Sleger graduated Summa Cum Laude with a bachelor of music degree from the college of Saint Scholastica, Duluth, Minnesota, at their fifty-seventh annual commencement. The exercises were held on Saturday afternoon, May 22, at the Duluth Auditorium.

She is the daughter of Mr. and Mrs. Edward Sleger, Kewaskum. Mr. Sleger is a teacher in the Kewaskum School System.

Campbell's Village Inn Awarded 'Cream Of the Crop' Award

The "Cream of the Crop" award was presented to Campbell's Village Inn, Kewaskum, by Nancy Rodenkirch,

president, and in behalf of the Associated Milk Producers, Inc. Women's Auxiliary of 7-D District.

This award is presented to a restaurant who serves "Real" dairy products in their establishment. June is Dairy Month of the year.

The ladies wish to thank the Kewaskum Statesman and all the businesses who donated prizes for their recent raffle at their rummage and bake sale. Also, THANK YOU to the people of the area for attending.

Presidential Physical Fitness Awards Won by Elementary Pupils

The following elementary pupils from the Kewaskum Community Schools are to be highly congratulated for winning the Presidential Physical Fitness Award according to Mike Miller, elementary physical education teacher. The actual awards will be mailed to them when they arrive.

Beechwood Elementary School — Trevor Roesel (Gr. 4), Lisa Chmielewski, *Jennifer Schneider (Gr. 5), *Diana Muench, *Jenny Schuster (Gr. 6).

Farmington Elementary School — Jennifer Oneska, Heather Schlieter (Gr. 4), Debbie Donath (Gr. 5), Kim Suycott (Gr. 6).

Kewaskum Elementary School — Tina Baldwin, Shelley Kasseckert, Deanna Nigh, Suzette Stern, Christine Weddig (Gr. 4), Christopher Charland (Gr. 5), **Rob Baitinger, Gary Classey, Stacie Donnicks, **Todd Donnicks, Nanci Goeden, **Kim Kasseckert, Jeff Miller, *Angie

Nowak, *John Paul, **Eric Pearson, Wendy Russell, *Miles Shaw, Holly Ziegelbauer (Gr. 6).

Wayne Elementary School — Pam Osterbrink (Gr. 4), Shawn Buending, Ellen Kuphal (Gr. 6).
* 2nd year winner.
** 3rd year winner.

The awards are based upon performances in physical tasks involving speed, endurance, coordination, conditioning and agility as determined by the President's Council of Physical Fitness.

WINS LANE CEDAR CHEST AT MILLER'S

Miller's Fine Furniture of Kewaskum would like to congratulate Melissa Koch, 1982 graduate of Kewaskum High School. Melissa is the winner of a beautiful Lane cedar chest. All 1982 graduating seniors were eligible to register for this cedar chest donated by Miller's.

Sese Receives Ripon College Scholarship

Doreen E. Sese, a senior at Kewaskum High School, has accepted a Distinguished Honor Scholarship from Ripon College. She plans to study toward a career in medicine.

Ripon's Distinguished Honor Scholarship program was designed to honor prospective Ripon students who have shown academic merit, extracurricular involvement and leadership potential.

While maintaining an outstanding grade point average in the classroom, Sese has been active in music and athletics.

Ripon College, founded in 1851, is a private, four-year liberal arts college located in central Wisconsin. Each year approximately 900 students from over 30 states and a number of foreign countries enroll at Ripon College, choosing their courses from the 33 areas of study offered.

Sese is the daughter of Mrs. Kathleen M. Sese, 808 Pleasantwood Dr., Kewaskum.

Most Admired Senior Citizens to Be Named at County Fair

Do you know someone who could be one of the most admired senior citizens? The Washington County Fair will again be sponsoring the Most Admired Senior Citizen at the 1982 county fair.

Anyone who is sixty-two or over can win. Why not nominate a very special friend or relative.

This award is not a popularity contest, beauty contest or celebrity sweepstakes. It is an opportunity for older adults to receive recognition. Winners are selected on the basis of current activities rather than any past accomplishments. The five most admired senior citizens will be announced at a special Senior Day Program at the Washington County Fair Office, Court House Annex II, P.O. Box 537 in West Bend or call 338-4485.

Any person may nominate their favorite senior citizen.

Friday, June 18, 1982, Page 3

Students to Badger Girls, Boys State

The Kewaskum Kiwanis Club and the Robert G. Romaine Legion Post 384 have sponsored the following Kewaskum High School students to Badger Girls State and Badger Boys State:

Amy Vetter, daughter of Mr. and Mrs. Roger Vetter; Jackie Bartelt, daughter of Mr. and Mrs. Tom Bartelt; Connie Nigh, daughter of Mr. and Mrs. Vincent Nigh; Daniel Gerhartz, son of Mr. and Mrs. Gary Gerhartz; and Mark Rodenkirch, son of Mr. and Mrs. Mark Rodenkirch.

Senior Citizens Observe Flag Day

Flag Day, Monday, June 14, was observed by the senior citizens at the Kewaskum Mead Site at the Legion Building.

A centerpiece, an old bottle with a flag inserted in the inside and the inscription of the history of Flag Day on the outside of the bottle, which was designed by Laura Miller of Kewaskum, was brought to the center in honor of Flag Day. The senior citizens were most impressed and recited the Pledge of Allegiance in observance of this special day.

There is an average of 28 area citizens partaking of the meals served at the nutrition center on Monday, Tuesday and Thursday.

Dear Friends

Where to hold the funeral service is a decision to be made by the family in view of its religion and other affiliations. If services are to be held in a church, be assured that we are familiar with all rituals and procedures of the various denominations, and will cooperate with your clergyman in all details. Our funeral home facilities are available for use prior to the church services.

Respectfully,

Fred Miller

School Board

[Continued from Page 1]

limits, before board deliberations. Warren Schmidt, a district resident, felt Horner's recommendation would not permit proper audience input. Schmidt suggested the board should make a motion, second it, and then allow time for discussion between the board and audience. He agreed with Horner's point that there be a time limit on the discussion. Both Horner and Ogi were in agreement with Schmidt's suggestion. "It's an alternative I can live with," stated Ogi.

The biggest concern of the audience was that they would not be able to question board members about their stand or views on any particular item. Mike Paul, a 1982 Kewaskum graduate, said he was against open discussion only at the start of a meeting. "I want to hold you accountable for your deliberations," said Paul.

School Board member Richard Theusch, who was in the audience, told the committee to listen to the audience's comments because there were more people attending this meeting than come to most annual meetings.

Clara Trapp noted that what the district needed was not a new policy, "but a board that's going to start to think individually."

Brigham took a committee vote on his revised proposed policy. Ogi and Horner voted for presentation. Brigham against. Brigham felt the revised proposal still was not what was needed or wanted according to comments from the public.

Rescue Squad Calls

Thursday, June 10 — Malinda Jaeger, 69, R. 1, Allenton, taken to Hartford Hospital from the Town of Wayne.

Friday, June 11 — Leah Kuphal, 14, 9080 Hwy. W, transported to Hartford Hospital from Roger Kuphal residence with an injury suffered in a motorcycle accident.

Friday, June 11 — Darcell J. Schmidt, 19, 200 Hwy. DD, Kewaskum, taken to St. Joseph's Community Hospital, West Bend, from her home in the Town of Auburn with an injury suffered in a fall off a ladder.

Saturday, June 12 — Glen Vanauken, 11, 1947A S. 11th St., Milwaukee, taken to St. Joseph's Community Hospital from Hwy. 45 and H.

Saturday, June 12 — Elsa E. Stautz, 81, 125 Prospect, Kewaskum, taken to St. Joseph's Community Hospital from her residence.

FFA Holds Annual Banquet

John Herriges was named Future Farmers of America member of the year at the Kewaskum Chapter Annual FFA Parent-Member Banquet held on Thursday, May 6.

The awards were as follows: Jon Etta-Star Greenhand; Mike Gindt-Star Chapter Farmer; Gary Kempf and DuWayne Schacht-Purina Outstanding Seniors, and Mark Steger-DeKalb Outstanding Senior.

The proficiency winners were as follows: Diversified Live Stock-Jon Etta; Beef Production-Roger Batzler; Home and Farmstead Improvement-Tony Alsberg; Placement in Ag Production-Kevin Thull; Crop Production-Roger Batzler; Fish and Wildlife Management-Tim Westerman; Poultry-Tony Matenaer; Fruit and Vegetable Production-Jim Herriges, and Swine Production-Jon Etta.

DuWayne Schacht and Jon Etta were also recognized for their efforts in the Extemporaneous and Creed Speaking Contests.

The members of the FFA state judging teams were also recognized for their efforts and accomplishments.

This last year the FFA sold Rat Bait. First place went to Mark Steger, 2nd place to Tim Westerman.

Special Awards were given to the following people: Gary Schladweiler-Jaycee's Outstanding Young Farmer and Dr. Charles Ogi-BOAC award for helping with the Rabies Clinic.

The guest speaker was Emil Slack, who spoke on Positive Thinking and the Master of Ceremonies was Pat Hanrahan. Scholarships for the year

were then given out as follows: Valley Bank-Mark Steger; Dr. Charles Ogi-Gary Kempf and, Kewaskum Frozen Foods-Rob Lemke.

At the fruit sale this past year, 1,005 cases were sold. The top 3 winners were: Tony Ruplinger-98 cases, Deb Tackes-57 cases, and Kevin Thull-37 cases.

An FFA Alumni ticket sale was also held; the top winners were: 1st-Mike Arndt, 2nd and 3rd-Dan Mueller and Pierce Lewis, and 4th and 5th-Mike Felten and Craig Garbisch.

After all awards had been given out, Mr. Rizzardi presented the officers with their retiring officer's pins, thanked all for attending and gave a special thanks to the parents of all the officers for their willingness in allowing them to attend so many functions and contests.

The evening was a big success for all who attended!

Camp in June

Pack up your gear and join the rest of the 4-H members who are coming to County 4-H Camp. The joint Washington-Ozaukee County 4-H Camp will be held at Camp Upham Woods near Wisconsin Dells. Upham Woods has many hills and trees. It's located on the Wisconsin river which provides lots of good swimming. Campers live in cabins with a counselor.

The camp dates are June 20-23 junior camp for 9-12 year old members and June 23-26 senior camp for 13-14 year olds.

Camping means making new friends, having fun, getting along with people, understanding and appreciating nature and learning to take responsibility. Campers gain tolerance, learn new skills and grow up spiritually. These are the values of a 4-H camp. Swimming is supervised by qualified Red Cross lifeguards. Camp is directed by the County 4-H Extension Staff, Adult 4-H Leaders and Youth 4-H Leaders from Washington and Ozaukee counties.

Any 4-H member between 9

and 14 years of age is welcome to attend. You can get registration blanks from the 4-H office. Since there is limited capacity at the camp, registrations will be accepted in the order they are received at the 4-H Office.

25. Interested commercial exhibitors can obtain information on reserving space at this year's fair by calling 338-4485, 644-5204 or 342-2929 or stopping at the Fair Office which is located at 515 E. Washington Street, Court House Annex II in West Bend between 8:00 a.m. and 12:00 noon and 1:00 and 5:00 p.m.

Historically, commercial space has been a part of every county fair. It provides an opportunity for businesses to show their products to be consumers as well as for fair-goers to see what's new.

Plan to be a part of the Washington County Junior Fair.

County Fair Space Available

The Washington County Junior Fair wishes to announce that commercial space is available for the 1982 fair. Limited exhibit space is available in the large commercial tents and outside space.

The 1982 fair will be held in Slinger, Wis., from July 21-

Nutritious Eating - With Dairy Foods

America has tumbled head first into a food and fitness craze. People are beginning to take a good hard look at themselves: what am I eating and how much exercise am I getting. To uncover the eating pattern that fits your lifestyle, investigate the foods included in the basic four food groups: meat and meat alternatives; milk and milk products; fruits and vegetables; and grains and cereals. Incorporate at least one food from each group at each meal to achieve the goal of balance, variety, and moderation in food choices.

Foods in the milk and milk products group are "nutrient dense," supplying only 10% of one's total caloric intake while contributing 20% of the protein, 36% of the riboflavin, 72% of the calcium along with significant percentages of magnesium; phosphorus; vitamins B-12, B-6, A, and D.

The following recipes give ideas on incorporating milk and milk products into everyday meals.

BANANA CHEESE PIE (Serves 6-8)

- 1 cup cottage cheese
- 1 cup yogurt
- 2 medium bananas, ripe, mashed
- 2 eggs
- Juice of one lemon
- 3 tablespoons honey
- ¼ cup whole wheat flour
- 1 teaspoon vanilla

CRUST:

- ¾ cup whole wheat bread crumbs
- ¼ cup dried skim milk
- ¼ cup combined rolled oats and wheatgerm
- ¾ teaspoon cinnamon
- ¼ cup melted butter
- 2 teaspoons honey or brown sugar

Preheat oven to 350 degrees. To prepare filling: blend eggs, yogurt, cheese, lemon juice, and vanilla in blender or mixer. When thoroughly mixed, add flour, keeping blender on low. Add honey by the tablespoon, and add mashed banana last.

Combine the crust ingredients and press into a greased 9" pie plate. Pour filling into crust and bake for 25 to 30 minutes.

MUSHROOM, SPINACH AND RICE CASSEROLE (4-6 Servings)

- 1 pound fresh mushrooms
- 2 tablespoons butter
- ¾ cup raw brown rice, cooked (will yield 2¾ cups after cooked)
- 1 pound fresh spinach, chopped
- 1 cup grated cheddar cheese
- 3 eggs, beaten
- 1/8 teaspoon pepper
- 2 tablespoons parsley, chopped
- ¼ cup soft whole wheat bread crumbs

Grease a 9 inch pie pan. Rinse, pat dry and slice mushrooms. In a large skillet melt 1T of the butter, add mushrooms, saute until golden, about 3 minutes; set aside. In a large bowl combine rice, spinach, cheese, eggs, pepper, and mushrooms; mix thoroughly. Spoon into prepared pan. In a small saucepan melt remaining tablespoon of butter, add bread crumbs; mix well. Sprinkle over mushroom-cheese mixture. Bake, uncovered, until firm, about 30 minutes at 350.

BROCCOLI-CHEESE DIP

- 1 large onion
- 2 T. butter
- 1 can cream of mushroom soup
- ½ package dry onion soup mix
- 1 - 4½ oz. can sliced mushrooms or fresh mushrooms
- 10 oz. cheddar cheese, sharp
- 10 oz. broccoli, cooked and drained

Saute onion in butter. In saucepan, combine mushroom soup, onion soup mix, mushrooms, and cheese. At the end add broccoli. Serve in chafing dish or fondue pot. Serve with crackers, cocktail bread, tortilla chips, etc.

Milk Production At All Time High

Figures released by the Wisconsin Agriculture Reporting Service indicate that Wisconsin dairy farmers produced 22.7 billion pounds of milk in 1981, which had a farm value of \$3.038 billion — all time record highs.

Laverne E. Krahn, statistician with the Wisconsin Dept. of Agriculture, Trade & Consumer Protection, says that milk sales to plants and dealers of 22.165 billion pounds returned \$2.966 billion to Wisconsin farmers during 1981. Sales of milk from the farm directly to consumers netted another \$2.4 million, while milk used on the farm where produced was valued at \$20.9 million.

According to Krahn, 1981 milk production was 1.5% above 1980, milk sold from farms was 1.5% above 1980 and cash receipts from marketings of \$2.968 billion was 7% above 1980. The average price of \$13.38 per hundredweight for all of average 3.71% butterfat was 5.6% above 1980.

Cash receipts from marketings of milk and cream in the U. S. during 1981 was valued at \$18.077 billion, 9% above 1980. According to Krahn, U. S. marketings of milk in the U. S. during 1981 totaled 130 billion pounds compared to 126 billion pounds in 1980.

Premium Books Now Available for State Fair Exhibitors

Premium books and entry blanks are now available for exhibitors wishing to participate in the 1982 Wisconsin State Fair, August 5-15. In making the announcement, Jack Denton, agriculture and promotion director, stressed that each competition has individual deadlines which need to be met.

Included in the premium book are the general rules and regulations, as well as a list of all classes and premiums offered for every department in both open and junior fair competition. Entry closing for all livestock, home economics, junior poultry, junior rabbits and open poultry is July 15. The closing date for open rabbits and dairy products is July 25. All entry blanks must be received by State Fair Park entry

department on or before the closing dates.

The 1982 Wisconsin State Fair premium books can be obtained free of charge by writing: Entry Department, Wisconsin State Fair Park, West Allis, WI 53214. Those persons having exhibited at the Fair during 1980 or 1981 will receive the 1982 premium book automatically.

MARRIAGE BANNS

Marriage banns have been announced for the first time in the Holy Trinity Church bulletin for Michael Marchewski and Jennifer Coulter.

About 72 percent of Wisconsin's milk production is eligible for bottling and the production of Grade A milk products.

We're proud of our dairy farmer neighbors who help make Wisconsin America's Dairyland. Now during June Dairy Month, we take special pride in honoring you as a dairyman. As your Savings and Loan, it's a pleasure to work with you throughout the year. So, stop in and see us anytime.

Death of Mrs. Reuben Heidtke

Mrs. Reuben Heidtke, the former Ruth Fellenz, 37, of 5845 Schneider Ct., rural West Bend, passed away Tuesday, June 15, at St. Mary's Hospital in Milwaukee.

She was born in West Bend to Ervin and Caroline Straub Fellenz on October 20, 1944. She was a member of the 1962 graduating class of Kewaskum High School, and was a teller at the Valley Bank in Kewaskum for 18 years. She moved to her present address after her marriage to Reuben E. "Heidt" Heidtke on August 18, 1979.

She was a member of St. Mathias Catholic Church in Nabob and also a member of the Apostolate of Suffering.

Survivors include her husband; her parents, Mr. and Mrs. Ervin Fellenz of Kewaskum; one sister, Mrs. Ann (Roger) Neumann of rural Kewaskum; three nieces; her mother-in-law, Mrs. Leona Heidtke of Jackson; one brother-in-law, Eldon Heidtke of Jackson; many other relatives and friends.

Visitation at Miller's Funeral Home, Kewaskum will be Friday from 3 to 9 p.m. with a rosary vigil at 8 p.m. Services Saturday at 9:30 a.m. at the funeral home and a Mass of Christian burial in Holy Trinity Catholic Church at 10 a.m. with Father James Strupp officiating. Burial will be in St. John's Lutheran Church-Cemetery, Town of Jackson.

MRS. CECELIA HAHN

Cecelia (Celia) Hahn, nee Raidy, 92, of 133 Poplar St., Campbellsport, died Saturday, June 12, at her residence.

She was born March 28, 1890, in St. Peter, and married Peter Hahn Feb. 22, 1909, at St. Matthew's Church, Campbellsport. He passed away Nov. 1, 1965.

She was a member of St. Matthew's Church and their Christian Mothers and Altar Society, and the American Legion Auxiliary.

Survivors include three sons, Joseph and Oscar, both of Campbellsport, and Louis of

Evanston, Ill.; three daughters, Clara Hahn of Fond du Lac, Irene Hahn and Catherine (Ralph) Strassburg, both of Campbellsport; 18 grandchildren; nine great-grandchildren; and other relatives and friends.

She was preceded in death by a son, one grandson, five brothers and six sisters.

Funeral services were Tuesday at 10:30 a.m. at St. Matthew's Church, Campbellsport. Rev. Jude Hahn officiated and burial was in the church cemetery.

Visitation at the Twohig Funeral Home, Campbellsport was Monday after 3 p.m.

MATHIAS HAHN

Mathias (Walter) Hahn, 77, of Route 2, Campbellsport, died Monday, June 14, 1982, at home.

He was born Feb. 26, 1905, in Campbellsport, a son of Adam and Gertrude Berris Hahn.

Mr. Hahn was a retired farmer and was a member of St. Matthew's Catholic Church, Campbellsport.

He is survived by one brother, Peter of Route 2, Campbellsport.

Friends called after 4 p.m. Wednesday at Twohig Funeral Home, Campbellsport, and at 10 a.m. Thursday at the funeral home. Funeral services were held at 10:30 a.m. Thursday at St. Matthew's Church, Campbellsport.

The Rev. Jude Hahn officiated and burial was at St. Matthew's Cemetery.

He was preceded in death by his parents.

FFA Picnic Postponed

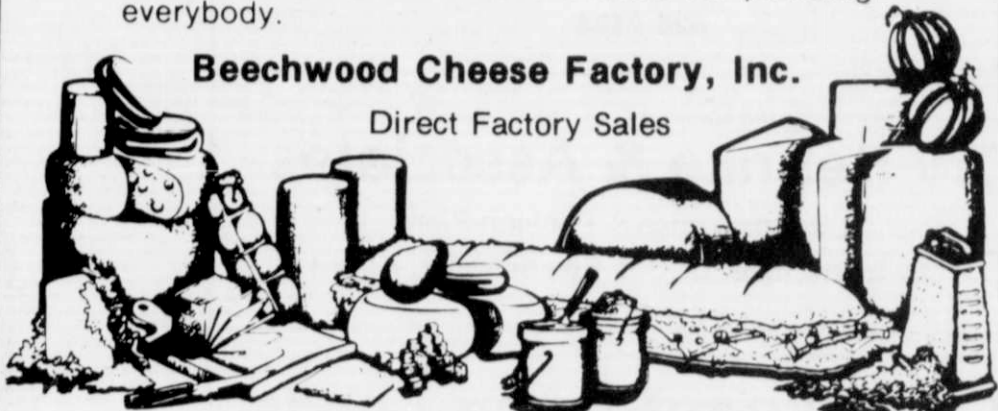

The Kewaskum FFA picnic planned for Sunday, June 20, has been postponed. When planning for the picnic, officers and members did not take into account Father's Day activities which may be occurring throughout the day. The officers will be re-scheduling the picnic and will contact members as to the time and day. Have a Happy Fathers Day with your Dads!

Cheese For Protein Power

Ounce for ounce, cheese has the same protein as meat, fish or poultry . . . and most of the nutrients of milk: calcium, phosphorus, riboflavin and vitamin A. Delight the family with all their favorite cheese varieties. There's a cheese for pleasing everybody.

Beechwood Cheese Factory, Inc.

Tuesday, June 22 — BBQ chicken, au gratin potatoes, green beans, fruit juice, tapioca

pudding, whole wheat bread, coffee & milk.

Thursday, June 24 — Brats with bun, sauerkraut, mashed potatoes w/butter, fruit salad, brownies, milk & coffee.

Ceramics every third Tuesday.

"OPTIMISM: A kind of heart stimulant."

HISTORICAL SOCIETY TO MEET AT LIBRARY

The Kewaskum Historical Society will be meeting on Tuesday, June 22, at the Kewaskum Public Library at 8:00 p.m.

Following the business meeting, movies will be shown on historical sites.

The public is invited to attend. Coffee and cake will be served.

THE KEWASKUM COMMUNITY RUMMAGE SALE held at the Kewaskum Mall on Saturday, June 5, was very well attended. Ideal weather was a big factor for the many bargain hunters. Pictured above is one of the over 30 rummage and craft stands which encircled the outer parking area and a "cutesy" clown who handed out free balloons. The next Kewaskum Community Rummage Sale will be held on Saturday, June 26.

Junior Women's Recycling Saturday

The Kewaskum Junior Women's Club will hold their monthly recycling day on Saturday, June 19, from 9 a.m. to 12 noon. We accept tin, aluminum, colored glass (green and brown) and all glass with the labels on. Please remove the covers from all glass containers (these can be put in with the tin). Newspapers for the Lions Club can also be left at the recycling center. Used oil can be recycled by dropping it off at Herriges Oil in Kewaskum during working hours.

Modern Woodmen to Hold Potluck Picnic

The Modern Woodmen of America Camp 2233 of Kewaskum is having a potluck picnic at River Hill Park on Wednesday, June 23, beginning at 4:00 p.m.

Brats, buns and beverages will be furnished. Each family is asked to bring a covered dish to pass and your own table service.

Members and their families are invited. Phone 626-2438 or 533-8500 before June 22nd to make your reservations.

Solve Dairy Problem Overnight

By: Gene Malone
FARM BUREAU NEWS SERVICE

June is dairy month as it has been for many years. I guess that designation dates back to times past when milk production was more seasonal. June was always a high production month because that was about the time when the cows were turned out in the lush pastures of early summer.

Now, nearly every state in the nation has more than enough of the delicious, wholesome, refreshing milk.

In a recent magazine article, HOARD'S DAIRYMAN said dairymen from one section of the country often blame producers in other areas for the nation's oversupply of milk.

The article quoted a recent analysis of Hollis Hatfield, dairy specialist for the American Farm Bureau Federation, who said, "The root of the dairy problem is not associated with any state."

Hatfield pointed out that during the years 1978 to 1981, milk production increased in 43 states, remained constant in two and declined slightly in only five states.

Production increased by 10 percent or more in 13 of the states for the four year period. In two states, Idaho and New Mexico, production jumped 23 and 27 percent respectively in the last two years.

As milk production has increased in states that formerly produced less than they con-

sumed, it creates a backlog in states long known as surplus suppliers of dairy products. Out of state milk shipments from Wisconsin declined 22.7 million pounds from 1980 to 1981 and have dropped 110.7 million pounds (a whopping 89 percent) in just four years.

On the demand side, some states do a better job promoting milk and dairy products than others.

Maybe U.S. Secretary of Agriculture John Block had the right idea when he suggested, "If everybody would drink a glass of milk before going to bed, the excess supply of milk would disappear overnight."

There couldn't be a better time than June, the dairy month, to try out such an idea. Financially, the idea would eliminate worry about the money being spent by the federal government to subsidize dairy prices. Nutritionally, it surely is superior to a glass of pop or a can of beer.

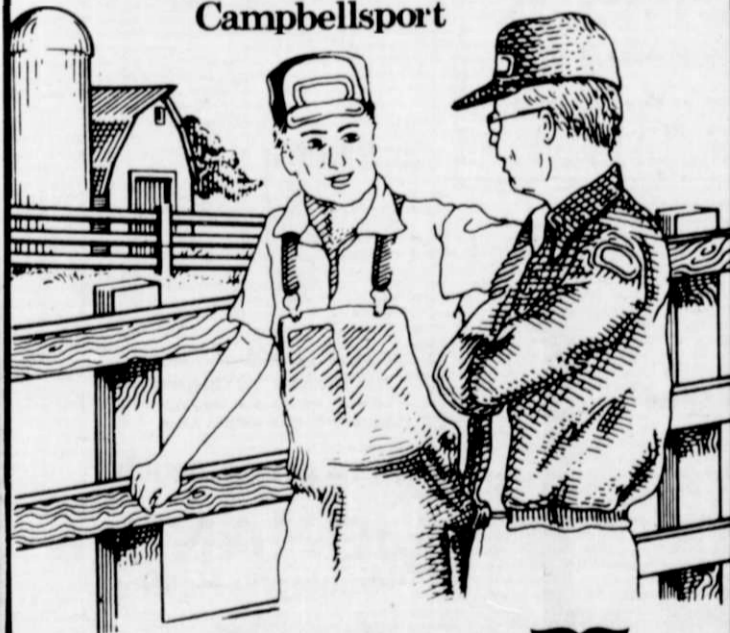

A Working Relationship

June is Dairy Month. It's a time to honor Wisconsin's thriving dairy industry. As a dairy farmer, you recognize that hard work helps build a successful business. You work hard and you expect the same from the people who work with you.

We've proved the working relationship we've established with Wisconsin's dairy farmers. We're working for you, to provide topnotch service and meet your every need. You can depend on us, because we care about your success.

LT. GOVERNOR OLSON SEEKS RE-ELECTION

Kewaskum Statesman, Friday, June 18, 1982, Page 13

Lt. Governor Russ Olson has announced his intention to seek re-election as Lieutenant Governor of the State of Wisconsin.

Olson, who owns a farm in

Kenosha County, feels he can be most effective in revitalizing the Wisconsin economy by remaining in his present office. "I will continue my commitment to advancing issues of small

business, tourism and agriculture because of their importance to the economic revitalization of this state," Olson said.

30 Years Ago 50 Years Ago

June 13, 1952

While the rescue squad of the Kewaskum Fire Department was dragging the river, the local ambulance was standing by, police officers were on hand and his mother and spectators worried over his death by drowning, Larry Roesel, 9-year-old son of Mrs. Meta Heimermann, Kewaskum, returned home on Wednesday, safe and sound, unaware of the concern over his absence. The boy had been fishing along the river bank. He apparently got tired of fishing and took off about town leaving his fish pole on the river bank. When he failed to return home at noon for dinner, the search was made for him. The fire department had been at work dragging the river about 10 to 15 minutes when the missing boy returned.

Mr. and Mrs. Marvin Kirchner of West Bend recently purchased the Henry Becker grocery store at New Fane and were given possession on June 1. Included in the transaction was the stock, the store and the living quarters. The Beckers have moved to Kewaskum. Mr. Becker had operated the store for the past eight years.

Diplomas were conferred upon 124 students at the annual commencement exercises at St. Mary's Springs Academy last Thursday night. Among the graduates was Mildred Wallenfelsz, daughter of Mr. and Mrs. Lawrence Wallenfelsz of Kewaskum.

Joined in marriage on Saturday, June 7, in Holy Trinity Church, Kewaskum, were Miss Marjorie E. Schmidt, daughter of Mr. and Mrs. Theodore R. Schmidt, Kewaskum, and M. Bruce Koth, son of Mr. and Mrs. Frank Koth, West Allis.

Daughters were born to Mr. and Mrs. Frederic Belger, Route 1, Kewaskum, on June 3, and to Mr. and Mrs. Harold Neitzel, Kewaskum, on June 6. Sons were born to Mr. and Mrs. Merlin McKee, Route 2, Kewaskum, on June 5; to Mr. and Mrs. Herbert Yogerst, Kewaskum, on June 5, and to Mr. and Mrs. Gerald Backhaus, Route 2, Kewaskum, on June 7.

1674 Springview Dr.
Kewaskum, WI 53040

June 17, 1932

After high mass last week Friday, June 10, Rev. Phillip J. Vogt presented diplomas to the graduates of the Holy Trinity parochial school. The 1932 class included William Mayer, Franklin Heisler, John Kohn, Marie Beilke, Rosamond Heim, Josephine Muckerheide and Cecelia Muckerheide.

On Tuesday, June 7, a very pretty wedding was performed in the St. Michael's Church in St. Michaels when Rev. J. F. Beyer united in holy bonds of matrimony, Miss Loraine Theusch and Frank Herriges. The bride is a daughter of Mr. and Mrs. Jac. Theusch of the Town of Scott and the groom is the son of Mrs. Joe Herriges of the Town of Kewaskum.

The marriage of Miss Bertha Benter of Theresa and Norbert C. Dogs, local agent for the Sinclair Refining Co., took place at Theresa on June 5.

A very pretty wedding took place Sunday in the St. John's Lutheran Church at New Fane, when Rev. C. J. Gutekunst performed the ceremony that joined in wedlock Miss Malinda Oppermann, daughter of Mr. and Mrs. Henry Oppermann of the Town of Auburn, and Raymond Garbisch, son of Mr. and Mrs. Charles Garbisch of

the Town of Scott.

At the St. Kilian Catholic Church, St. Kilian, on June 14, Miss Cecelia M. Batzler became the bride of John M. Beisbier. The bride is the daughter of the late William and Mary Batzler of the Town of Wayne, and the groom is the son of the late John and Mary Beisbier, also of the Town of Wayne.

75 Years Ago

June 15, 1907

During the electrical storm last Monday lightning struck the barn on Carl Meilahn's farm doing slight damage to the roof. Jacob Schrooten's granary in Auburn was also slightly damaged. A cow belonging to Henry Stark was stunned in a field on his farm and at Charles Westerman's near St. Bridget's a tree in front of his house was shattered by lightning.

Jacob Klein of St. Kilian sold his 82 acre farm together with his personal property to Peter Hurth last Tuesday for \$8,125.

Farmers are invited to call at Jacob Becker's place at Kewaskum and examine the Iron Age four row sprayer which has become in recent years an absolute necessity to the farmer.

A pair of twins was born to Mr. and Mrs. Martin Blackmore

of Beechwood on Thursday. A baby girl was born to Mr. and Mrs. Albert Kumrow of New Fane last Saturday. Sons were born to Mr. and Mrs. Emil Dettmann of Boltonville last Monday; to Mr. and Mrs. Peter J. Flasch of St. Kilian last Saturday, and to Mr. and Mrs. John Klug of New Fane last Thursday.

Where Quality and Our Customers Count

Letters to the Editor

June 15, 1982

To the Editor:

Have you attended a Kewaskum School Board meeting lately? "Why should I?" you might respond. "After all, didn't the voters elect people to take care of the business of formulating policy for our school district?"

You would be right—except for the fact that a loudly vocal minority who are still refusing to accept the election returns are doing their best to turn the meetings into a raucous free-for-all. These people obviously feel that a school board meeting is the same as a public forum—which it isn't. They feel no compunction about making so

much noise that one cannot hear the board members.

Dr. Ogi, in an attempt to restore order, has suggested a public participation policy. The raucous group immediately began shrieking that such a policy was illegal. It isn't, as those living in other school districts who have this policy know—such remote and exotic places as Slinger, West Bend, Oshkosh, and Germantown. Another charge against the policy was that it would prevent citizen input. The proposed policy sets aside time for people to address the issues facing the Board. It would, however, prevent them from constantly interrupting during the Board deliberations. I do not recall

voting for these self-styled experts in all the areas of Board concerns, and I would like to be able to hear the people we did elect doing what they were elected to do, namely arranging for the best possible quality of education for our children. A public participation policy would not be necessary if common courtesy prevailed at the Kewaskum School Board meetings, but it doesn't.

The Board itself is not blameless. The Board is pulling in all directions rather than acting as a group. For example, when a committee is appointed, the appointment should stand. We should be able to assume that the people who have campaigned for the school board are

willing to do the work. This has not been the case. When a committee report is made, it should be the recommendation of the entire committee rather than a self-serving ego trip by one person.

People are saying that this cancerous disagreement is spreading. This is a strange kind of cancer—it could be cured by a case of laryngitis. Barring that, a public participation policy would insure the public's right to address the Board, and, at the same time, bring order to the Board so that it would continue to work on improving the quality of our children's education.

Sincerely,
Mr. & Mrs. Robert G. Serwe

CARD OF THANKS

The family of John A. (Hans) Oelhafen wishes to express their heartfelt thanks to all who paid their respects in any way during the illness, hospital stay and upon the death of their husband, father and grandfather.

Special thanks to Rev. Schewe, the Kohlsville First Responders, Kewaskum Rescue Squad, Miller's of Kewaskum, Country Cousins Homemakers, pallbearers, neighbors, floral donors, St. Peter's Church personnel, friends, food donors and all who showed their respect in any way.

Mrs. Therese Oelhafen

To the editor:

The third Mini-Olympic Day, sponsored by the Kewaskum Junior Woman's Club and the KCHS Key Club, was held last Saturday, June 12. A lot of time and hard work were contributed by many people. . . members of Juniors and Key Club, students who were called at the last minute to help, and even parents who pitched in where they saw the need. We extend our thanks to all of them listed

below, and anyone else whose name I may not have known. You helped to make this fun event for all children in our school district possible. A list of winners will be printed in a future issue.

Thank you to...
Committee members — Carole Connor, Ann Berndes, MeriLou Chambers, Jane Jansen, Beth Stoffel.

Key Club members — Andy Eisenmann, Mary Sleger,

Melissa Koch, Mike Vetter, Sue Lemke, Kelly Prescott, Paul McFadden, Mary Straub.

Area students — Katy Behnke, Andy Hoenecke, Dave Pesch, Tim Leitheiser, Dennis Butz, Jody Averill.

Parents and friends — Clark and Mary Pearson, Jean Phillips, Joe Butschlick, West Bend Bottling-Doug Kieckhafer, Judy Harlow, Tom and Linda Larsen, Kevin Chambers, Pat Marx, Tom Kissinger.

KJWC members — Kathie Borch, Maripat Thompson, Chris Sohns, Jeanne Slaughenhoup, Sandy Pankonin, Marilyn Brath, Wendy Weyers, Trudey Peterson, Joan Stoffel, Lori Schoofs, Gayle VanEss, Karen Keller.

Gratefully,
Sue Schmitz, Chairman
Mini Olympic
Day Committee

To the Kewaskum School District's Taxpayers:

At the April 26th School Board Meeting, the decision to purchase an "in-house" computer system, which was expected to save the taxpayers \$100,000 in data processing costs over the next seven years, was reversed.

The newly elected Board President Charles Ogi stated, "the public is giving us a message." Then the newly elected board member Ralph Horner motioned to cancel the computer purchase, and the other newly elected board member John Spoerl seconded the motion.

As you know, the Board passed the motion to reverse the computer purchase by the "infamous" 4 to 3 vote count.

I later questioned Ralph Horner in regard to his reasoning for the reversal motion. His comment was, "I was not too sure on the required manpower for the computer." No preliminary research on this uncertainty was made; just a

decision for purchase reversal.

Hartford Union High School has an in-house computer system and are pleased with their purchase decision. (NOTE: Some of our concerned Board Members visited Hartford to inquire about their system, prior to our purchase decision; Ogi refused to attend the visitation.) The following comments are quoted from a letter I received from the Hartford Business Manager:

"You asked me to outline my own personal involvement in the day-to-day operation. I can say it does not amount to any more than our previous operation, which was an on-line program with CESA #16. No accurate time is kept, but I estimated it to be less than one hour per day."

"In closing I would like to say that our Board of Education has been a stable one, with very few turnovers during the past few years. They take a long term view of things, and if the

payback is reasonable, and the money available, they will make a positive decision."

"Incidentally, there is no comparison between our present operation and the CESA #16 operation. We have full control over our operation, all the reports are at our fingertips, and we can assign our clerks to work at various jobs, as we decide, and not at the discretion of CESA #16. We would never want to go back to CESA #16, or any other service bureau."

"P.S. Five schools now have the IBM-34 operation: Hartford Union High School, Muskego-Norway, Mapledale-Indian Hills, Fox Point, and Cedarburg."

Please refer back to the forementioned comment by Board President Ogi: "the public is giving us a message." What "message" could possibly be worth the value of an \$100,000 tax savings?

Was this purchase reversal

all part of Ogi's plan to eliminate the Business Manager position?

Before the reversal motion was made, why didn't Mr. Horner research his manpower uncertainty, as the Administrative Staff had done for their purchase proposal presentation?

What happened to all those cost-conscious campaign promises?

We as taxpayers were cheated out of an \$100,000 tax savings..... WHY? WHY? WHY?????

Jerry Buchel

P.S. Hartford had estimated a 3-year purchase payback; they now project a payback sooner than anticipated.

The following purchase cost analysis was part of the presentation submitted by our Administrative Staff, after research and consultation involving knowledgeable data processing personnel:

YEAR:	1	2	3	4	5	6	7
*CESA :	29,264	31,696	34,331	37,184	40,279	43,633	47,269

J & J AUTO TOPICS

ON AIR CONDITIONERS

Chances are you didn't think about your auto's air conditioner until the first hot day of the year. Then you find out that the fluid or refrigerant is the life blood of this important auto accessory. It has become contaminated with air and water. It just won't cool sufficiently. That's why it should be checked in the spring of each year.

Many of our customers at J & J AUTO SERVICE have this check-up with the regular tune-up of the engine. Make the drive to 450 E. Main today or phone for an appointment. You'll like the way we treat you and your car.

Elementary Science Olympians

Top row [left]: Ellen Kuphal, Curt Ayer, Bradley Schinker, David Engelman, Stephanie Hinz; bottom row: John J alas, Mark Clements, Christopher Brock, Jody Sekas, Mark Peters.

The fifth and sixth grade elementary students in the Kewaskum School District competed in the "National Science Olympiad" this spring. The contest consisted of a series of 40 multiple choice and fill in questions about various topics in science.

Out of approximately 600 school districts, Kewaskum

ranked number 200 as a team of our top 10 students. (Score: 267 out of a possible 300 points) This is definitely something we can be proud of!

The top scorer in the 5th grade, and the top scorer in the 6th grade from each school received a medal.

The winners were: Ellen Kuphal (6th) and John J alas

(5th) from Wayne; Stephanie Hinz, Mark Peters and Jody Sekas tied for 5th, and Curt Ayer (6th) from KES; Mark Clements (5th) and Bradley Schinker (6th) from Farmington; and Christopher Brock (5th) and David Engelman (6th) from BES. They are shown in the accompanying picture. Congratulations.

In The Service

Marine Ptc. David B. Williams, son of Tim and Mavine Williams of 5750 Main St., West Bend, and Marine Cpl. David J. Hensen Jr., son of Phyllis E. and David J. Hensen Sr. of 333 Sheboygan St., Campbellsport, recently deployed to Okinawa and participated in exercise "Team Spirit 82."

They are members of 3rd Battalion, 5th Marines, Camp Pendleton, Calif.

"Team Spirit 82" is a joint exercise involving military forces from the United States and the Republic of Korea. More than 160,000 personnel and 31 U.S. 7th Fleet ships were involved in the monthlong exercise.

After several weeks of training, "Team Spirit" culminated in a major amphibious assault exercise. Land, sea and air forces from both nations executed a three-pronged attack that included a surface assault, a helicopter-borne vertical envelopment and an airborne paradrop to seize, occupy and defend exercise objectives.

Their battalion will now spend six months overseas as part of the Marine Corps' unit Deployment program. The concept is designed to rotate whole battalions at a time instead of individuals at separate intervals. In this way, they retain their unit integrity, as well as shorten the actual time they spend overseas.

A 1978 graduate of Kewaskum High School, Williams joined the Marine Corps in February 1981. Hensen joined the Marine Corps in November 1978.

Today's Medicine

FIRST IMPRESSIONS ARE BEST
By J.D. Connor, D.D.S.

An often asked question is when should I bring my child in for his first dental visit. It is a good idea to bring your child in early, between the ages of 2½ to 3, before problems develop. At this first visit they can become familiar with the office, get acquainted with the dentist, and learn to associate the dental visit as a pleasant experience. It starts them out to become prevention oriented. If the first time the child is brought in is after a blow to the mouth or an episode of pain caused by a cavity, then forever-more the child associate the dentist with pain.

Prior to bringing the child in for a visit, a proper home hygiene program should be instituted. From the time the first tooth appears, the parent should start brushing the child's teeth. When the child can do it himself, then he should be permitted to brush first with the parent "checking" the job by brushing over the teeth once more. It is a problem sometimes with squirming kids, but if it is started early and done every night, the routine is readily accepted. The effort is time well spent when one considers the future years of a painfree, beautiful mouth. Also worth mentioning is the greatly diminished cost of dentistry when the teeth are cavity free.

Studies show that the first visits to the dentist form the basis for the child's attitude the rest of his life, so make your dentist's first impression a good one.

WISCONSIN'S NEW DRINKING/DRIVING LAW

Survey Finds Motorists Don't
Understand 'Implied Consent' Law

[Sixth in a series]

Preliminary results of a driver survey conducted by the department of transportation's driver license examiners is finding that most Wisconsin drivers do not know the meaning of "implied consent."

Under Wisconsin law, and the laws of most other states, drivers have agreed in advance whenever they drive motor vehicles to provide a sample of breath, blood or urine upon request if arrested for drunken driving.

Under the new drinking/driving law which went into effect May 1, a new procedure has been implemented for implied consent refusals.

If a driver refuses the chemical test, the arresting officer immediately prepares a notice of intent to revoke, takes possession of the driver's license, and issues a temporary driver permit. The driver then has 10 days in which to request a judicial hearing on the refusal. The only issues that may be considered at the refusal hearing are whether or not the officer had probable cause to believe the driver was intoxicated, and whether or not the driver had been under arrest and informed of the consequences at the time of the refusal.

If no hearing is requested, or if the findings are that the refusal was not lawful, a six months revocation is mandatory. The revocation is above

and beyond the penalties established for conviction of the operating while intoxicated charge.

The department said drivers revoked for refusing the chemical test or operating while intoxicated are eligible to apply for an occupational license. Such application may be made immediately on a first OWI or refusal conviction, and after various waiting periods for subsequent convictions. However, occupational licenses carry restrictions which permit only work-related driving, and require that applicants furnish proof of insurance. This frequently places drivers in the "high risk" category, which means substantially higher insurance premiums.

UWWC Announces Five Promotions

Five University of Wisconsin Center-Washington County faculty members received promotion or change in appointment in actions approved by Chancellor Robert Polk and the UW-Board of Regents on June 11.

Kent Anderson, tenured assistant professor of philosophy, was promoted to Associate Professor with tenure.

Clair Bigler, assistant professor of English, was promoted to Assistant Professor with tenure.

Gary Britton, tenured assistant professor of mathematics, was promoted to Associate Professor with tenure.

Judith Clark, tenured assistant professor of English, was promoted to Associate Professor with tenure.

Edwin Dommissie, tenured assistant professor of geography, was promoted to Associate Professor with tenure.

The status of thirty-six UW-Center System faculty was affected by action of the UW-Board of Regents on Friday. Tenure was granted to fifteen members.

Minutes of Village Board Meeting

Mid-Monthly Meeting
May 17, 1982
7:30 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in mid-monthly session in the Council Room of the Municipal Building, 204 First Street.

President Gerald Stollenwerk presided. All Trustee Members were present.

Motion was made by Trustee David Nigh, seconded by Trustee Donald Mlodzik to adjourn to closed session under Chapter 19.85 (1) (g) of the Statutes to discuss litigation by Ralph and Henriette Scott vs. the Village of Kewaskum, Washington County Circuit Court - Case No. 32568 with Legal Counsel. Roll call vote was 7 "Aye" 0 "Nay." The motion was unanimously carried.

The Village Board reconvened to regular session at 8:07 p.m. with President Gerald Stollenwerk presiding. All Trustee Members were present.

The minutes of the meeting of May 3, 1982, were approved as printed upon a motion by Trustee Jeffrey Rohrer, seconded by Trustee Donald Mlodzik. Voice vote was unanimous.

Mr. Frank Kutz requested permission to address the Board in reference to a variance request denial by the Board of Appeals. Mr. Kutz felt the decision was not fair and requested the Board to refund the \$50.00 Board of Appeals fee and the \$75.00 invested by him for a survey. The matter was turned over to the Administrator to take to the Village Attorney for disposition.

Mr. Pete Albers, a Kewaskum Lions Club member, informed the Board of the difficulty the club is having at disposing of the papers after the paper drives. The matter was turned over to the Administrator to see if a solution to the problem could be found.

The application of Ralph Scott for an Operator's (Bartender's) License was discussed, Attorney Carmelo Puglisi was

present on behalf of the Village and Attorney Richard L. Zaffiro was present on Mr. Ralph Scott's behalf. Mr. Ralph Scott was also in attendance and brought along a neighbor Mr. Jack Zalewski to speak on his behalf. Attorney Zaffiro maintains there is a difference between a Tavern License and an Operator's License, also the short term of the license should be a factor. Attorney Zaffiro told the Board they should look at Mr. Scott's ability and character and not his children's, they should also look at Mr. Scott's financial condition. Attorney Zaffiro then presented the Board with a petition, which Mr. Scott circulated on his own behalf. Attorney Puglisi reviewed the petition along with the Board and it was noted very few if any of the neighbors had signed the petition and that there were no addresses or dates for those that had signed. It was also noted many of the signatures were from patrons or people not residing in the village. Further discussion was held by the Board on the license being a privilege and also the awareness of Mr. Scott to the problems which transpired at the tavern while he held the license in the past. (Class B Tavern License).

Attorney Zaffiro stated that there have been no complaints at Ma & Pa Kettle's and that they are trying to draw a different type of crowd. The Board and police chief agreed, but stated the Class B Tavern license is in Mr. Robert Holub's name and under his management. The letter of opposition was again reviewed stating the Police Department was opposed to the issuance of the (bartender's) Operator's License,

based on the violations of the Wisconsin Liquor Laws as well as the overall behavior of the premise in the past, while Mr. Ralph Scott held the Class B Tavern License at 1310 River-view Drive, Kewaskum, Wisconsin.

Attorney Puglisi stated the affidavit that Mr. Scott brought in sometime ago was not really pertinent. Also he stated the standards to be used in making the decision should not be made in a way to be arbitrary, capricious or discriminatory.

After a lengthy discussion the Board heard a motion by Trustee Donald Mlodzik, seconded by Trustee Howard Laubenstein to deny the issuance of the Operator's (Bartender's) License to Mr. Ralph Scott, based upon the Police Department's recommendation and Mr. Scott's past record while holding a license. Roll call vote was 6 "Aye" 1 "Abstention" (by Trustee Paul Blumer) 0 "Nay." The motion to deny the application was passed by a majority vote.

The application of Maxine Belger for a building permit for the construction of a 2 car garage at 1195 Brooklane Drive was approved and the Administrator was authorized to issue the proper permits upon proper payment of the required fees. Motion was made by Trustee Donald Mlodzik, seconded by Trustee Richard Schmidt. Voice vote was unanimous.

The application of Donnie Nelson for a building permit for the construction of a 2 car garage at 1549 Stark Street was approved and the Administrator was authorized to issue the proper permits upon proper payment of the required fees.

Motion was made by Trustee Paul Blumer, seconded by Trustee Jeffrey Rohrer. Voice vote was unanimous.

Park Committee Chairman Jeffrey Rohrer informed the Board that an informational meeting for all Summer Part-time Park and Recreation employees was scheduled for May 22, 1982, at 8:30 a.m.

Motion was made by Trustee David Nigh, seconded by Trustee Donald Mlodzik to approve the Summer Part-time employees list as established by the Board at the May 3, 1982, meeting. Voice vote was unanimous.

Review and discussion was held on the water utility rate increases as recommended by the Wisconsin Public Service Commission. Motion was made by Trustee David Nigh, seconded by Trustee Richard Schmidt to approve the water rates as recommended making them go into effect as of the 3rd quarter or beginning July 1, 1982. Voice vote was unanimous.

President Stollenwerk presented the Board with the list of Village Officials he is recommending for appointment. Motion was made by Trustee Jeffrey Rohrer, seconded by Trustee Paul Blumer. Voice vote was unanimous.

Administrator Schmidt reviewed the audit report for the year ended December 1981, with the Board. It was noted the Village is in good financial condition.

President Gerald Stollenwerk read a proclamation for the

Friday, June 18, 1982, Page 19

Kewaskum Historical Society Inc., in reference to their log cabin project.

President Gerald Stollenwerk read a letter from the Robert G. Romaine American Legion Post # 384, inviting the Village Board to participate in the Memorial Day parade and program.

Motion was made by Trustee Richard Schmidt, seconded by Trustee Howard Laubenstein to adjourn to closed session under Chapter 19.85 (1) (g) of the Statutes to discuss litigation by Ralph and Henriette Scott vs. the Village of Kewaskum, Washington County Circuit Court - No. 32568, and under 19.85 (1) (c) of the Statutes to discuss and consider employment of the Summer partime employees. Roll call vote was 7 "Aye" 0 "Nay." The motion was unanimously carried.

INFANT FOOT CARE

During an infant's first 12 months, rapid growth and softness of his feet provide a chance for foot ailments to develop. In bed, do not tuck the covers in, binding the baby's feet. Allow the child some time every day to kick without any sheets or covers on, in order to exercise and strengthen his legs and feet. By changing the baby's position during the day, excessive strain on his legs is eliminated. Lastly, don't carry the child on your hip or back - this forces his feet into an unnatural position.

Indians Nosed Out by Chilton, Beat New Holstein in Eastern

By Cathy Schlice

Errors and passed balls hurt the Kewaskum Indians Thursday in their loss to Chilton. The final score was 4-3.

Kewaskum drew first blood in the top of the first. Tim Heberer drew a walk and reached second safely when the second baseman missed the base and overthrew the ball at first, making Ric Leitheiser safe. Steve Straub then reached on an error but got Heberer home safely. Brian Larsen then hit an RBI single to left to score Leitheiser.

Chilton tied the score in the bottom of the third when Sell and Criter scored on Criter's home run over the left field fence.

In the top of the fourth Jim Braun got things started with a single and advanced to second on a sacrifice by Heberer. Leitheiser then hit an RBI double to left field to score Braun.

Chilton picked up a run in their half of the fourth to tie the game again. In the bottom of the seventh pinch hitter Reader reached on an error and advanced to second on a passed ball. Rollmann then hit in the game winning run.

Criter got the win for the Tigers and helped himself by batting 3 for 3, including a home run. Jeff Geidel took the loss for the Indians.

Kewaskum — Heberer 0-1-0, Leitheiser 2-1-1, Straub 3-0-0, Stautz 1-0-0, Larsen 4-0-2, Dieringer 4-0-0, Donath 1-0-0, Geidel 3-0-0, Donnelly 3-0-1, Braun 3-1-1; totals 24-3-5.

Chilton — Nennig 4-0-0, Sell 3-1-0, Zacharias 4-0-0, Reader 1-1-0, Leitner 3-0-0, Treflin 2-0-1, Rollmann 3-1-1, Greiser 2-0-0, Beckus 0-0-0, Zacharias 3-0-0, Criter 3-1-3; totals 27-4-5.

New Holstein 5, Kewaskum 3

It took an extra inning again and a short rain delay, but that rain did not cool off senior Dave "Cheez" Donath as he ripped a home run to right center with Jeff Geidel on base to lift his team to a 5-3 win Monday over New Holstein.

Kewaskum again was first to score. In their half of the third soph Brad Dieringer was hit by a pitch, then stole second. Jim Braun then hit a ball to the third baseman, who got confused and Dieringer was safe at third and Braun at first, and then stole second. After a strikeout Ric Leitheiser hit a sacrifice to left to score Dieringer and advanced Braun to third. He scored on a wild pitch.

In the fourth Dave Donath received a walk, stole second and advanced to third on a wild pitch. Tim Heberer then hit a ball to the second baseman, who took the force at first and allowed Donath to score.

In the sixth New Holstein tied the score as pinch hitter Speltter got a hit, stole second and DH Goebel got a hit to score Speltter. The next hitter popped up to first baseman Heberer. Jeff Geidel then allowed a walk—he only allowed 2 all night. The next batter hit a ball to right center scoring the men on second and first and a super relay from Brian Larsen to Heberer to Dieringer got the runner out at home.

After a short rain delay with two out and a runner at third in the top of the seventh Mike Heisdorf went down swinging.

Geidel retired the next 3 batters to send the game into extra innings. In the eighth Leitheiser reached on an error and was out at second on a fielder's choice. With Geidel on first Donath got a home run to put the Indians up 5-3.

In the bottom of the 8th Geidel retired the first batter and the next one hit a shot to right center but another fine throw by Larsen held the runner at third and Geidel got the last two batters to go down swinging.

Geidel struck out 16 batters and allowed only 2 walks. He struck out 6 of 7 batters in the last 2 innings. Geidel is now 2-1 in the Eastern Wisconsin Conference. The losing pitcher was Lefeber, who struck out 9 batters, walked 2 and hit one batter.

Kewaskum is now 2-2 in the Eastern Wisconsin and 3-1 in Scenic Moraine.

Kewaskum — Leitheiser 3-0-1, Geidel 4-1-0, Donath 3-2-2, Larsen 4-0-0, Heberer 4-0-0, Donnelly 2-0-0, Stautz 0-0-0, Dieringer 1-1-0, Tews 1-0-0, Braun 2-1-1, Straub 1-0-0, Heisdorf 3-0-1; totals 28-5-5.

New Holstein — Turner 4-0-2, Goebel 4-0-2, Hamholt 0-1-0, Berchem 4-0-1, Lefeber 3-1-0, Schneidechan 3-0-0, Schwartz 2-0-1, Bartel 3-0-0, Lisowe 3-0-0, Bord 2-0-0, Speltter 1-1-1; totals 29-3-5.

Kewaskum Loses 2 More in Lakes

By Tim Perkins

On Saturday, June 12, the Lakes team lost to Grafton, 8-3. One bad inning for Kewaskum allowed Grafton to get 4 runs. The winning pitcher was Pat McFarlin and the loser was Tom Bartelt.

Kewaskum — R. White, cf, 3-2-0; Al Jaeger, lb, 4-2-0; St. Muench, 3b, 4-0-0; M. Donath, DH, 4-0-0; T. Perkins, lf, 4-1-0; S. Muench, c, 3-0-0; D. Anderson, c, 1-0-0; R. Heberer, ss, 4-1-1; S. Leitheiser, 2b, 3-1-1; T. Bartelt, p, 3-0-0; L. Westerman, rf, 0-0-0.

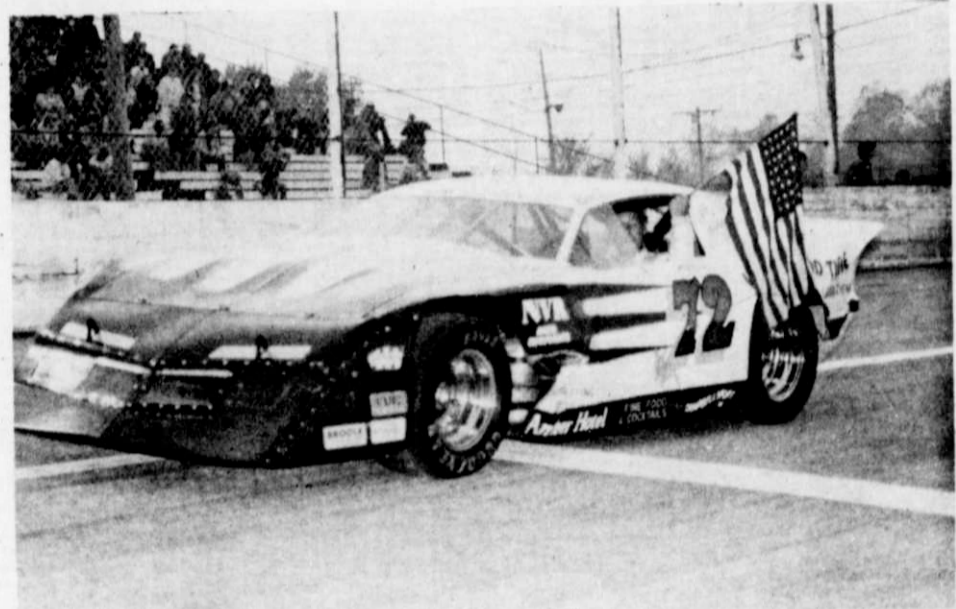

On Sunday, June 13, the Lakes team lost to Barton, 5-2, in a closely played game. Barton got 3 runs in the top of the ninth, aided by 2 errors. The winning pitcher was Jim Meyer, who came in relief for Mark Schaefer and the loser was Steve Muench.

Kewaskum — R. White, cf, 2-1-0; B. Pearson, cf, 1-0-0; A. Jaeger, 3b, 4-0-0; S. Muench, c, 3-1-1; R. Theusch, lb, 3-1-1; T. Perkins, lf, 3-1-0; M. Donath, rf, 3-0-0; St. Muench, p, 3-0-0; R. Heberer, ss, 3-1-0; S. Leitheiser, 2b, 2-0-0.

The next Lakes action is June 18 and June 20 — Juneau at home and then at West Bend.

Hon-E-Bees

The first evening golf turned out to be a most enjoyable time with cooperation from the weather. The team of Mary Ann Koss, Helen Winninghoff, Laura Mathews and Tudy Trapp won the Florida Scramble with a score of 39. Dottie Parloy was selected winner for "pick-a-friend." Hostesses for the evening were Mitzie Bartelt, Mary Pearson and Cory Wuebben.

Willie Goeden has the honor of carrying the stars and stripes for posting fast time.

RACING RESULTS

By Jae Omen

W.I.R. Kaukauna, WI [Late Model Div.]

Before a crowd of about 4,600 at the Wisconsin International Raceway in Kaukauna, Willie Goeden of St. Michaels won his first feature on the half-mile asphalt track. Goeden, who had troubles in qualifying and handling problems in the heat, made a bunch of changes before the feature to hold off Lowell Bennett of Neenah for the check-

ered. Joel Laufer of Hartford was the winner of the 15-lap semi.

Plymouth, WI [modified Div.]

Ron Luedtke of Lomira posted fast time in the modified field on the quarter-mile clay track.

Rich Buslaff and Rich Wondra of Campbellsport won their 10-lap heats.

Track conditions proved to be the factor as the races were "follow the leader" or starting in front was a benefit. Jack Kiel of Cato and Randy Tracy of Plymouth, both starting in front row positions, finished one, two, with Kiel taking the checkered.

Local drivers Willie Goeden of St. Michaels, Frankie Heimerl of West Bend and Butchie Hafeman of Campbellsport finished 7th, 8th and 9th consecutively.

Lee Schmidt of Kewaskum has been doing very well in qualifying the last two weeks but has been unable to show his skills due to the dry, hard track.

WEDNESDAY NITE TRAPSHOOTING

	W	L
Hitching Post	6	2
Boar's Nest	5	3
Glacier Inn	5	3

"Ride a Bike — Stay in Shape"

Slinger, WI [late Model Div.]

Times were close in qualifying and so was the competition in the races. Only .531 of a second divided the 16 top qualifiers for the feature event.

Willie Goeden with his new 1982 Firebird, took top honors in qualifying with a 11.985 out of a field of 44 late models. The super track conditions showed in the qualifying. The cars timing for the semi would have been in the fast dash last year.

Pole sitter Jerry Eckert of Watertown led the 30-lap feature all the way, followed by Rick Bickle Jr. of Edgerton.

Joel Laufer of Hartford is back. He was having handling problems but qualified in the top 5 and finished eighth in the main event. Goeden finished 5th in the feature and Tony Strupp of Slinger, qualifying 15th, finished 11th in the feature. Mike Melius of Random Lake qualified 14th and finished 7th in the feature.

This Thursday, June 17, is ShopKo night at W.I.R., Kaukauna. That means with a \$1.00 off coupon it will cost you only \$2.50 to see a "jam packed" racing schedule. There will be over 125 cars competing in 3 divisions.
